Jen grinned. “Yeah, but it’s worth it. Especially the lingerie she makes for you.” Jen said as she took down the next measurement. “We both know why you go through clothes so fast, lover.” Jen stopped and held Sheryl’s gaze. “You just can’t restrain that hungry pussy of yours, can you?”
Sheryl chuckled. “No, and you don’t want me to try, do you?”
Jen shook her head. “Not unless you stop letting me watch. God, that’s hot.” She gestured for Sheryl to turn around. “Now let me measure that fabulous butt of yours.”

Sheryl turned around with difficulty, her head nearly touching the ceiling even when she bent over. "I think you'd better move up that office remodel on the priority list, Jen. It's getting harder and harder to move around in here."

Jen fondled her lover as she stretched the measuring tape across Sheryl's ass. "I'm way ahead of you, Sheryl. The contractors are going to start work tomorrow. It's going to be faster to modify the South Wing than to try and expand here, so we'll be relocating once the work is done. But even so, it's going to take a few weeks. There's only so fast they can work, no matter how much money we offer."

Sheryl sighed heavily. "I know. At least I've finally got my new house finished. After setting a new record for house prices around here." She winced at the thought.

Jen nodded. "Eighty-five million dollars is a lot of money. I'm glad I've got a rich girlfriend."

"There, that should be enough for Wendy to make you some new clothes." Jen said as she finished measuring. "We've still got time before everyone comes back from lunch, if you're up for something more active." She said suggestively, giving Sheryl's butt another squeeze.

Sheryl shook her head. "I'd like to, Jen, but you're making me hungry, and I don't mean for lunch. I don't think you'd be safe from me right now if I got you between my legs."

Jen smiled. "I'm a step ahead of you, lover. I knew I'd get you all worked up today. Just let me make a reminder call to your snack and make sure she hasn't forgotten. Then I'll get you nice and full so we can have some fun together."

Sheryl reached down and stroked Jen's hair. "You take such good care of me, Jen."

Jen smiled as she dialed a number. "Hi, Rachel? This is Jen, just calling to remind you that Sheryl is expecting you to be here for your performance review in fifteen minutes."

Jen nods at Rachel's answer. "You will? Good. Remember, your future with Omnicorp depends on this meeting, so don't be late." She hangs up the phone. "I guess we'd better get dressed enough to bring her in, unless you just want to grab her in the doorway?" Jen asked.

Sheryl shook her head. "No, I'm not that hungry yet, and you know how much I enjoy playing with them first."

Jen licked her lips. "I was hoping you'd say that."

Jen slipped into her own clothes, stopping briefly to watch Sheryl force herself into a top that was far too small, her breasts spilling out the front.
"I'm looking forward to my new clothes. These just won't do anymore." Sheryl said, looking down at herself. "They're starting to tear at the seams."v
"I'm not. Well, except for the lingerie. But I like you best naked." Jen said impishly, winking at her giant lover. "But I suppose things will be a lot easier when you can leave your office without flashing everybody." She said, feigning disappointment.

"Ahh! Oh Jen!" Sheryl moaned as she came. Jen kept going until she felt Sheryl pull away slightly. "That's enough for now, my little tease." Sheryl chided.
Jen grinned as she released Sheryl's nipple. "I never get enough of you, you know that."

"I can hardly wait. Just make sure you're not alone when you come back in here, Jen. I can't hold back much longer." Sheryl warned, visibly restraining herself.
Jen slid off the desk and walked to the door. "Don't worry, Sheryl. I won't make you do something we'll both regret." She said as she left the room.

"Go on over, she's ready for you." Jen said, gesturing towards Sheryl's desk. The woman nodded and walked over to stand in front of Sheryl's desk.

Jen smiled to herself as she watched Sheryl glare at Rachel, feigning anger. “Rachel. You really aren’t fitting in well here, are you?”

Rachel swallowed nervously. “What do you mean?” She squeaked in reply.

Jen slid out of the last of her clothes as Rachel leaned in to plead with Sheryl.
"No! Please, I need this job! There's got to be something I can do to convince you!" Rachel said, sounding desperate.

Sheryl rose to loom over Rachel, and the scent of her arousal filled the room. "Oh yes I can. You'll be a perfect fit down here." She said, gesturing towards her crotch before reaching for Rachel.

Jen snickered as Rachel stared in shock at Sheryl's enormous pussy. "You won't be reporting anyone, Rachel. Now, get to work."

"Get away from me!" Rachel cried, struggling in Jen's grip.

"Oh no, Rachel, we're going to get a lot closer than this." Sheryl said as her hapless employee was shoved closer.

Rachel tried to scream, but was silenced as Sheryl grabbed the woman's head and pressed Rachel's face against her pussy. "I'm finally going to get some use out of you, whether you like it or not." She said, and Jen could hear the hunger in her lover's voice.

Jen pushed Rachel forward a little farther, positioning her just right for Sheryl. "You're going to make Sheryl scream, until you're all used up." She sang happily. "I'll make sure of it."

www.erofus.com

Rachel's struggles didn't do her any good, but Sheryl enjoyed them immensely. Jen heard her lover gasp as the woman's face slid between her pussy's lips.

"Oh yes! Ah!" Sheryl shivered in pleasure as Rachel entered her. "In you go!"

Jen held Rachel as Sheryl pressed the woman's head deeper, her pussy easily taking it inside.

Rachel's head disappeared into Sheryl's depths, and Jen had to tighten her grip as the woman began to struggle even more.

"It's far too late to get away, but do keep trying. Sheryl loves it when her snacks squirm around." Jen purred.

Sheryl's body shook with her first orgasm. "Just like that! YES!" She rocked back and forth on top of Rachel, sinking down onto the woman's neck.

Jen pushed and pulled Rachel around to give Sheryl added stimulation even as the woman continued to struggle. “She’s a good fit as a toy, isn’t she?” Jen said mischievously.

Sheryl nodded as she thrust down on the woman. “She’s perfect, Jen. You always know just what I need.”

www.erofus.com

Sheryl reached down to stroke herself as she settled to the floor, enjoying Rachel's continued struggles. "Oh, that's good, Rachel, but I need more of you in here." She moaned as her muscles pulled her victim deeper.

Jen grinned as she watched, her own breathing coming faster. Watching Sheryl devour someone always turned her on, and this was no exception. Finally, Rachel's inward progress came to a stop with her hips still outside Sheryl.
www.erofus.com

Sheryl's body shook in ecstasy as Rachel continued to kick and struggle. "Come on, Jen, stuff her into me. Make me cum some more!"
Jen grinned and crawled between her lover's legs. "As you wish, Sheryl."

"Here she comes, my hungry love." Jen called out to Sheryl as she shoved hard, forcing Rachel deeper into Sheryl. The woman kicked and struggled, but her hips soon popped into Sheryl's pussy, and Jen sat back to watch.

As Rachel's knees slid into Sheryl, a muffled shriek came from inside her belly, Rachel flailing and thrashing around as if she knew what was about to happen to her. Jen reached out to still the woman's wriggling feet and keep her from escaping at the last minute.

"There she goes, Sheryl. Time for your pussy to really get to work." Jen said, voice husky as she shoved the last of Rachel inside and pulled her own hand back out.

"Don't hog all the fun, Sheryl. Come here, your girlfriend needs you." Jen said as she sat on the edge of Sheryl's desk, spreading her legs wide so that her giant girlfriend's head could get at her pussy.

Sheryl rose to her feet, her smile making Jen even more aroused than she already was. "And just what is it you need from me, hmm?" She asked coyly, even as she bent her lips towards Jen's crotch.

Jen shivered with pleasure as she felt her lover's breath against her inner thighs. "You know what I like, Sheryl. I want that tongue of yours inside me. Are you going to make me beg?"

Sheryl paused and pretended to consider the idea. "No, not this time, Jen." She said, descending on her lover.

"Oh! Oh Sheryl!" Jen moaned as Sheryl started to kiss and suck on her pussy. She felt her orgasm build quickly, and gave herself to it.

Jen's first orgasm crested, then, just as her body started to relax, Sheryl grinned and thrust her tongue into Jen's soaking pussy.

"OH! AHH! SHERYL!!" Jen screamed in pleasure as Sheryl's tongue filled her. Her back arched and her toes curled as an even stronger orgasm crashed through her. Sheryl thrust her tongue in and out, keeping Jen's orgasm going and going.

Jen sagged against the desk when Sheryl finally stopped. She opened her eyes to see Sheryl grinning down at her.
"Was that what you wanted?" Her lover purred. "Or do I need to try something else?"
Jen shivered with delight, but sat up. "That was perfect, love. I think we'd better stop for now, unless you don't want to get any work done today." She smiled invitingly. "I wouldn't mind the vacation."
Sheryl considered the idea for a moment, then shook her head. "No, we've got too much to do today. I've got to pay for that fancy house, after all." She reached out to caress Jen's leg. "But set up our schedules for a late start tomorrow. I'm going to keep you up very late tonight."
www.erofus.com

Jen smiled. "It's a date. Now that we've fed your pussy, I want to play with it properly." She looked thoughtful for a moment.
Sheryl raised an eyebrow and looked down at her lover. "You're plotting something, Jen."
"I was just thinking about ways to keep you fed. You've been slowing down a little, but Rachel makes three employees this month, Sheryl. I think we're running out of deadwood around here." She got a mischievous look on her face. "But I have an idea for where to get some more snacks for your pussy."

"Really? What do you have in mind, Jen?" Sheryl asked, looking intrigued.

"I'm thinking that I could find plenty of single, unattached people who would love to spend a night in bed with us. Well, with you, really. We just won't tell them that they won't be leaving in the morning." Jen said with a wink.

Sheryl licked her lips suggestively. "I love the way you think. Rachel should hold me until the weekend, but I think we should go hunting on Friday."

www.erofus.com

"It's a date." Jen said, then sighed. "I guess it's time to get dressed and get back to work."

Sheryl nodded, giving Jen another caress. "Just think about tonight. And if anyone really annoys you, I'll be happy to make room for another snack."

This one is very similar to another image from the comic, just taken from an ever-so-slightly different POV. But I like it anyway, so here it is!

This is a test of a cut-away view. I want to experiment with cut-away views in future installments, but I wasn't happy with how this one turned out. With the way Rebecca's legs were, this is the only way I could angle her body that made sense... In the end, it makes it look like Rebecca's back is broken, which wasn't the intention.
