Jen smiled back at the woman she'd brought home from the bar. "No, I was completely serious. I hope you're still interested in spending a night with us. I guarantee there's plenty of Sheryl to go around."

Bobbi grinned down at Jen, "Hell yes! It will be nice to be the short one for a change."

Jen stopped in front of the enormous bedroom doors. “Good, because she’s waiting for us, and it’s never good to disappoint Sheryl.” She pulled her dress off over her head, and was pleased to see Bobbi giving her an admiring look. “I’m not very patient, either.”
Bobbi nodded. “I can tell. You’re all ready to go, aren’t you?”

"You bet I am. I've been looking forward to tonight all week. Now, let's get you ready to meet Sheryl." Jen said, unbuttoning Bobbi's pants and sliding them off the other woman. "You can leave your clothes out here. You won't be needing them anymore."
"I like the sound of that." Bobbi said as she finished undressing. Jen winked at her and led them through the doors and into Sheryl's bedroom.

"I'm home, honey, and I brought you a present." Jen called out as she closed the doors behind them. "I think you'll like her."
Bobbi gasped as she caught sight of Sheryl. "Oh wow!" She exclaimed, staring at the lingerie-clad giantess who filled the bed.

"Welcome home, lover." Sheryl purred, blowing a kiss to Jen. She turned her attention to Bobbi. "Jen has excellent taste. Come to Sheryl, you sexy treat."
Jen gave Bobbi a gentle push forward, breaking the woman out of her reverie.

“You’re amazing, Sheryl. I thought Jen was just making up stories to get me into her bed.” Bobbi said as she stepped closer to the giantess.
Sheryl laughed. “Oh, I’m very real. Come touch me and make sure. Touch me all over.” She said huskily as she spread her legs wide and beckoned Bobbi closer.

Jen smiled as she watched Bobbi come close enough to touch Sheryl's massive thighs. Bobbi seemed to be gaining confidence as she got used to Sheryl's presence.
"So, where should I begin?" Bobbi asked.

Sheryl licked her lips and lay back on the bed. "I want you between my legs. My pussy needs a good licking."
Bobbi climbed into the bed, a grin on her face. "I'll be glad to take care of that for you. I'm very good at that." She said, lowering her mouth to Sheryl's crotch.

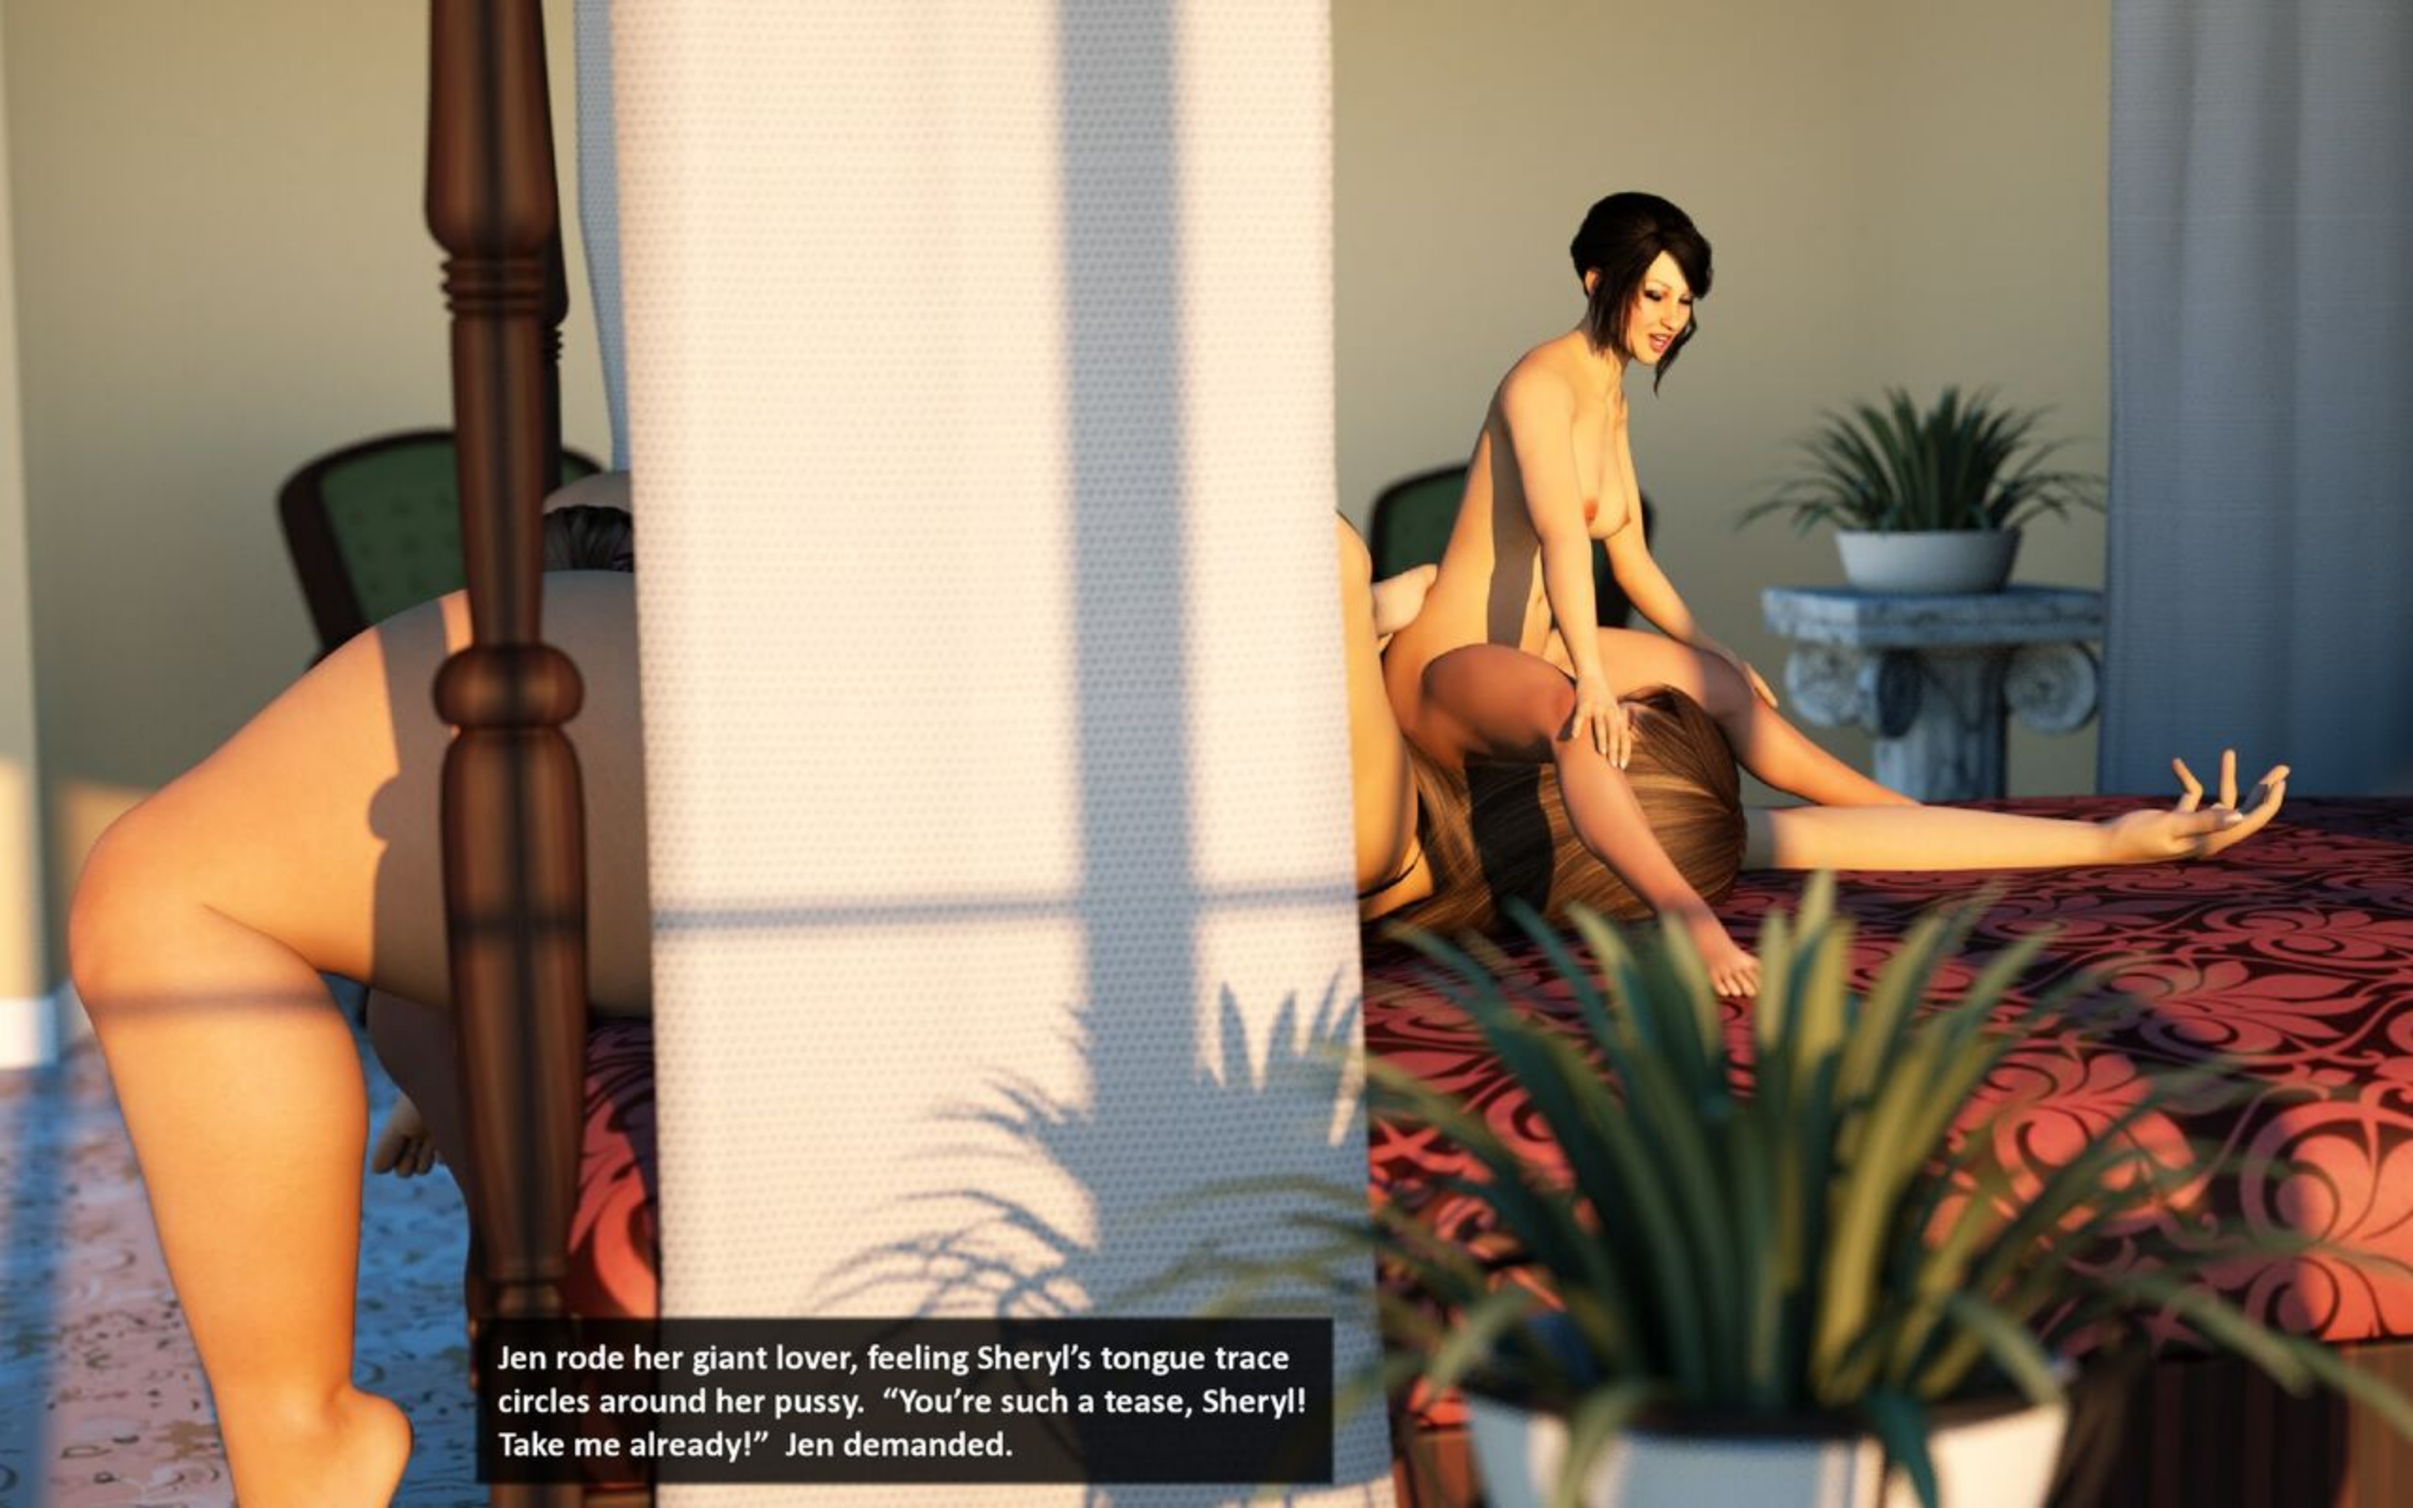

Bobbi licked and sucked at Sheryl's pussy, playfully swirling her tongue around Sheryl's gigantic clitoris.

"Ooh! So you are! Keep going!"
Sheryl moaned as Bobbi set to work.

As Sheryl continued to moan in pleasure, Jen walked around the bed and climbed in next to Sheryl's head. "Don't forget about me, lover." She said, grinning down at Sheryl.
Sheryl moaned again, then smiled at Jen. "I never forget about you, Jen. Come here and let me take care of you properly."

Jen sat astride Sheryl's face, and her moans joined her lover's as Sheryl began to lick at Jen's pussy.
"Oh! Sheryl!" She gasped.

Jen felt Sheryl's body shake as Bobbi brought her to orgasm, and Jen's own body responded. "More, Sheryl! More!"

Jen rode her giant lover, feeling Sheryl's tongue trace circles around her pussy. "You're such a tease, Sheryl! Take me already!" Jen demanded.

Jen gasped as Sheryl grabbed her hips. "Yes, like that!"
Jen exclaimed as Sheryl's tongue penetrated her.

"Oh! Oh yes!" Jen cried out as she came. Sheryl held her in place as the orgasm rolled through her body.

Bobbi continued to lick and suck enthusiastically at Sheryl's pussy. She paused for a moment as Sheryl's labia engulfed her entire face, then kept going, making the giantess shake in pleasure.

"Oh Sheryl!"
As Jen screamed out Sheryl's name, Bobbi pushed herself forward, wanting Sheryl to cum too. She was rewarded with a muffled cry from Sheryl, and redoubled her efforts.

Sheryl finally couldn't take any more of Bobbi's teasing. She locked her ankles under Bobbi's feet and pushed upward, her pussy flaring wide around the woman's head. Bobbi let out a startled yelp, then was silenced Sheryl's hungry sex swallowed her head.

Jen turned at the sound, realizing what must be happening behind her. "You're not wasting any time, are you, lover?" She asked, grinning at Sheryl.
"Mmm-mm!" Sheryl responded, shaking her head slightly, her mouth still locked around her lover's pussy.

"Let go, I need to see this." Jen purred to Sheryl. As her lover's grip loosened, she turned her body around to peer over Sheryl's breasts at the struggling Bobbi. "You've almost got her shoulders already." Jen said, admiring the view.
Bobbi struggled to pull her head free, twisting her body around in an attempt to break loose as Sheryl's powerful muscles slowly pulled her in. Instead, she only managed to work herself deeper into Sheryl's giant pussy.

"Oh! Oh yes, Sheryl!" Jen called out as Sheryl began eating her out from this new angle. Bobbi's struggles excited Jen, and she could feel Sheryl's arousal build. Jen reached down and slid her hands under Sheryl's bra, caressing her lover's nipples.

Sheryl bucked her hips in response, and Jen watched Bobbi's shoulders disappear from view. Sheryl's meal was trying to escape in earnest now, but her hands just slid uselessly off the giantess' slick thighs.

"Bye, Bobbi! I guess I won't get a turn with you after all. Sheryl just couldn't wait." Jen sang out as Bobbi continued to writhe and twist between Sheryl's legs.

Jen felt the bed below them shake as Sheryl came. Through slitted eyelids, Jen saw Bobbi's torso get sucked up by her lover, and gave herself to her own building orgasm.

“Sheryl! Oh, Sheryl!”
Jen screamed in delight as she came.

Jen slid off Sheryl's face as her body relaxed. She smiled down at Sheryl who looked up at her with a mischievous expression.

"Bobbi's not gone yet." Sheryl said. "I didn't want you to be so distracted that you missed me finishing her off."

Jen moved to look, and saw Bobbi's legs and hips still sticking out of her lover. To her surprise, the other woman wasn't struggling to escape any more.

"I think she's stopped panicking." Jen looked thoughtfully at the woman she'd brought home. "Let me have some fun with her. I'll bet it'll feel good if I make her cum while you've got her in there." She said, moving to stand between Sheryl's legs.

"I like the way you think." Sheryl purred. "Go for it, Jen. She's earned a good licking before she goes away."

Jen grabbed Bobbi's thighs and gently spread them as she leaned forward to kiss Bobbi's inner thigh. She worked her way up to Bobbi's crotch, trailing kisses as she went. Bobbi seemed to enjoy the attention, and spread her legs wider to give Jen better access.

"I think she likes it, Jen." Sheryl said. "Keep it up, make her squirm for me!" She moaned as Bobbi twitched inside her.

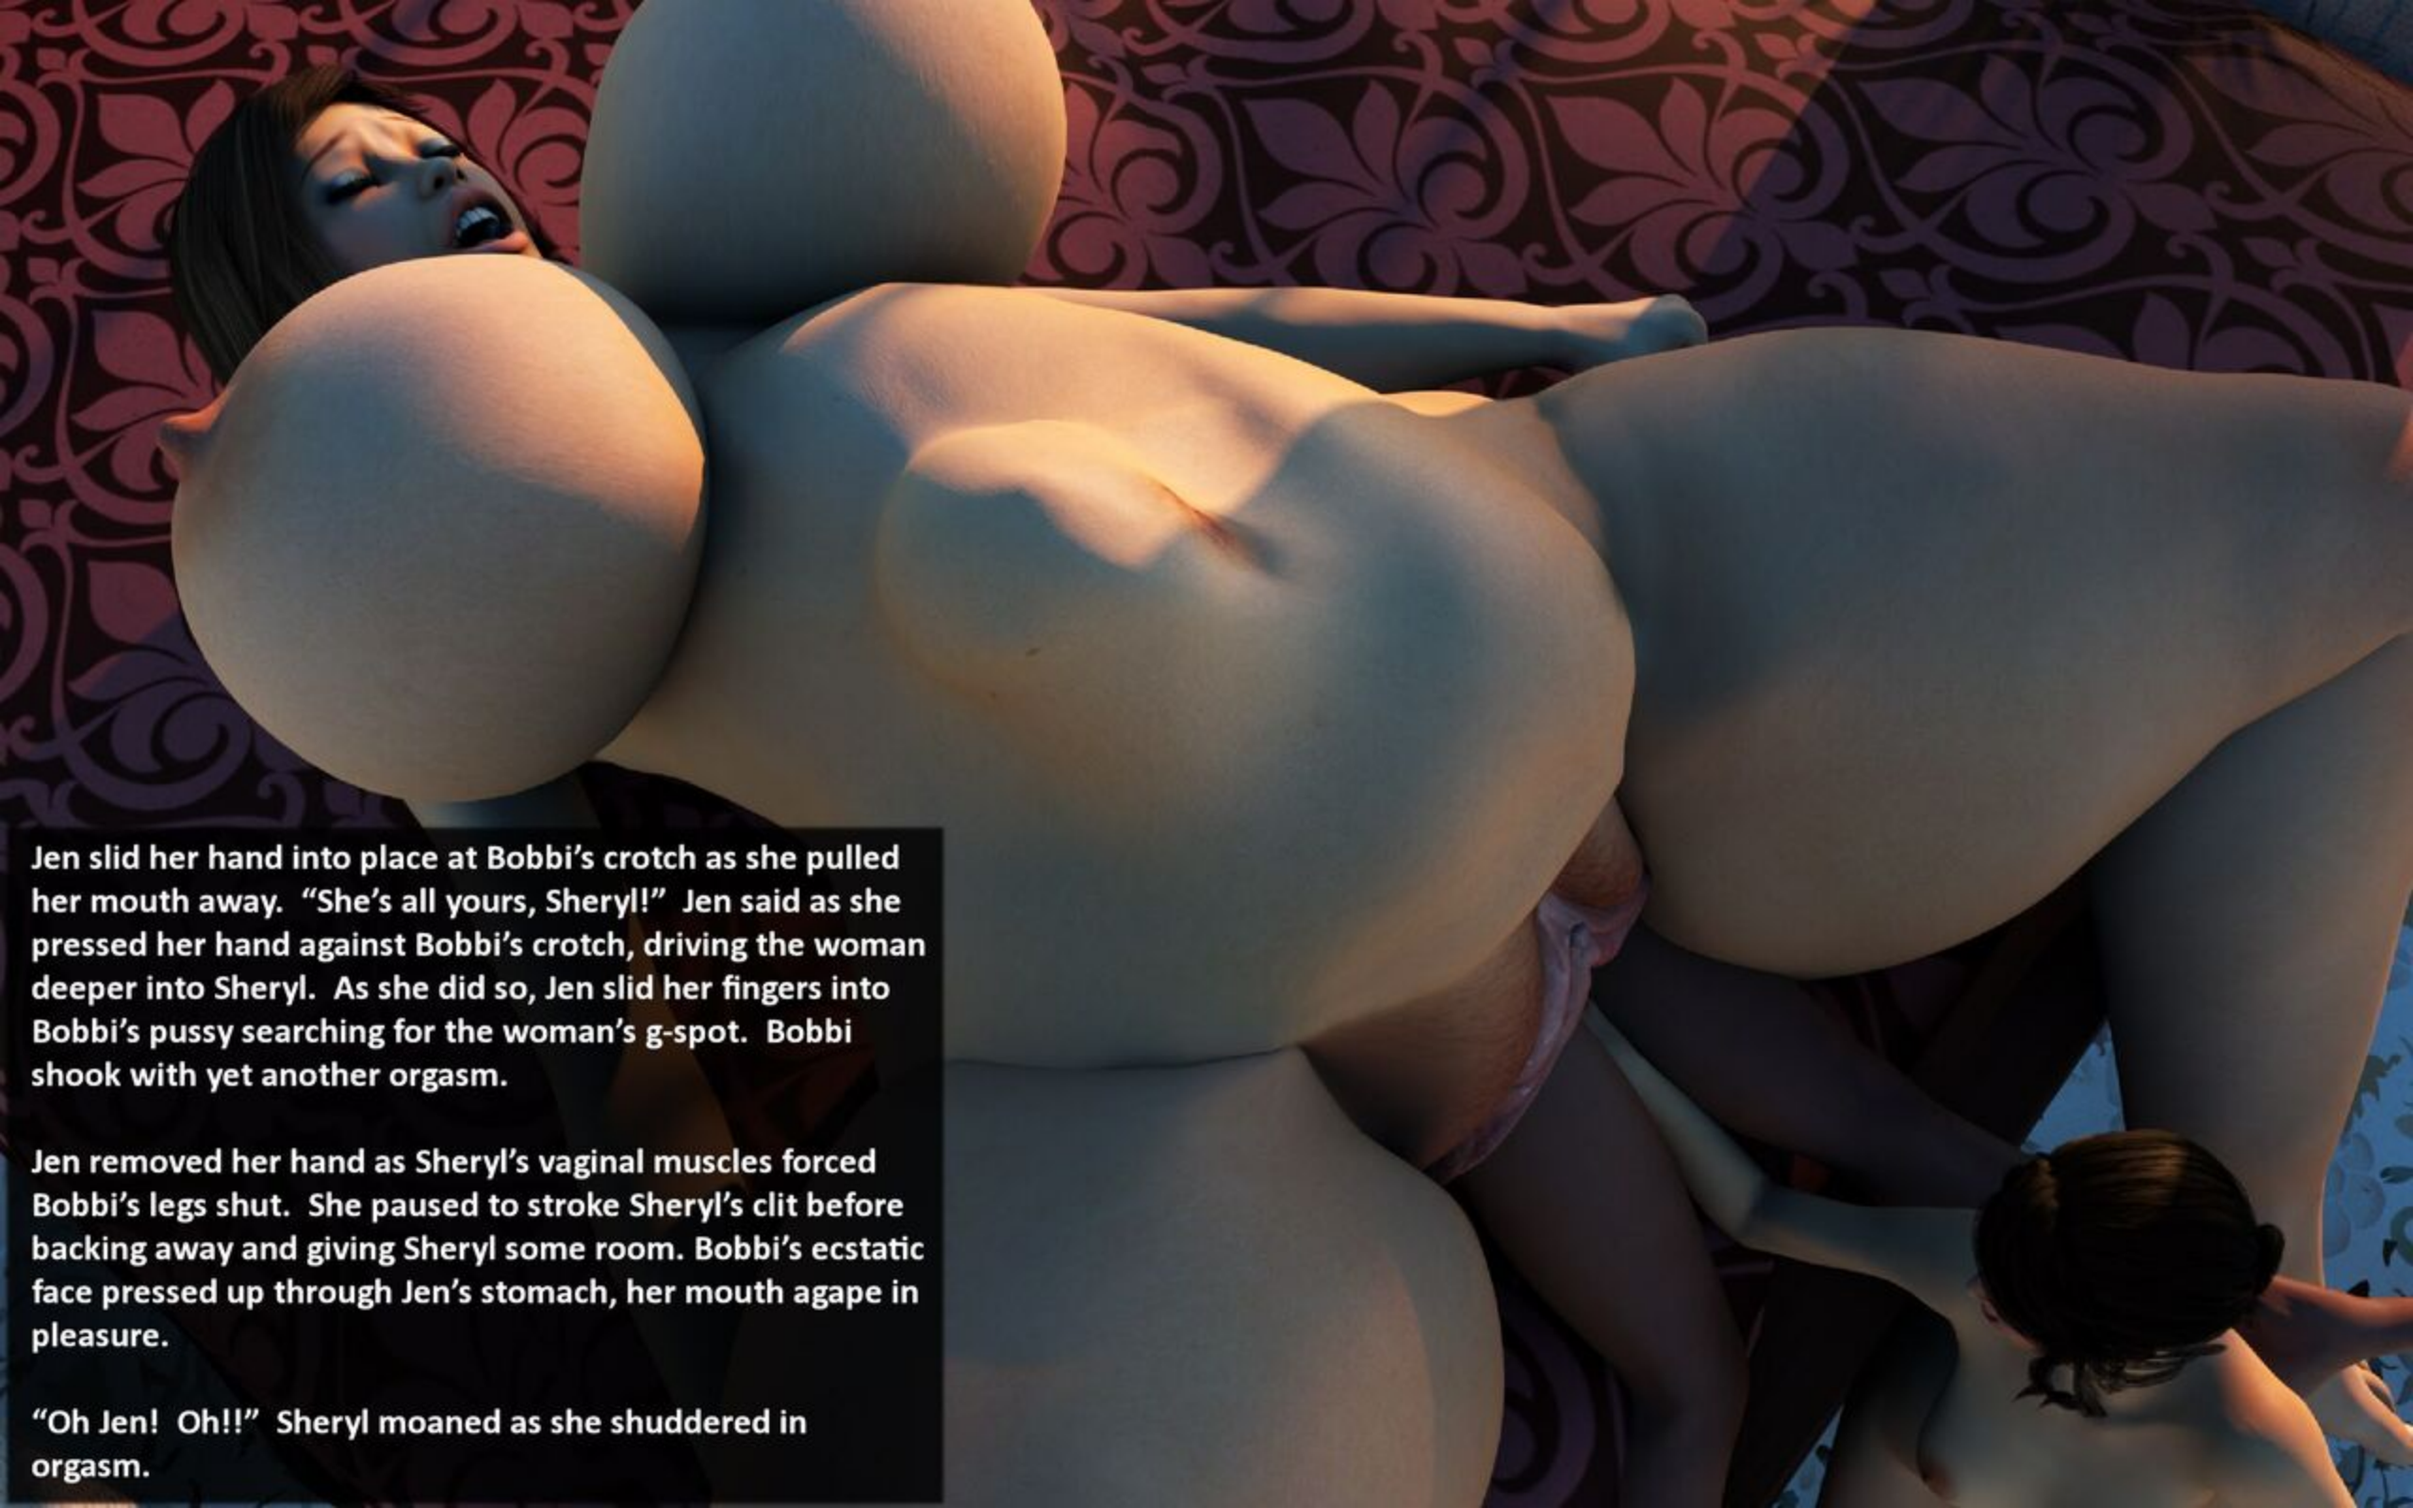

Jen continued, and felt Bobbi press herself against Jen's mouth.
"Oooh!" Sheryl gasped as Bobbi's motions stimulated her. "Just like that!" She called out.

Sheryl arched her back as Bobbi began to move rhythmically inside her. "Oh Jen! Oh!" She moaned as she came.
Jen felt Bobbi begin to shake with her own orgasm, and backed off a touch, teasing the woman a little more. She could hear moans of delight coming from inside her lover's belly.

Sheryl writhed on the bed, Bobbi's motions keeping her at the crest of her own orgasm. She felt the familiar hunger build inside her. "Jen! Finish her off, I need her!" She moaned.

Jen stopped teasing, and shifted her attention to Bobbi's clit. She heard a muffled scream of ecstasy from within Sheryl, and saw her lover's belly shake as the woman inside her arched in orgasm.

"Yes! That feels amazing, Jen! Keep her doing that!" Sheryl called out.

Jen slid her hand into place at Bobbi's crotch as she pulled her mouth away. "She's all yours, Sheryl!" Jen said as she pressed her hand against Bobbi's crotch, driving the woman deeper into Sheryl. As she did so, Jen slid her fingers into Bobbi's pussy searching for the woman's g-spot. Bobbi shook with yet another orgasm.

Jen removed her hand as Sheryl's vaginal muscles forced Bobbi's legs shut. She paused to stroke Sheryl's clit before backing away and giving Sheryl some room. Bobbi's ecstatic face pressed up through Jen's stomach, her mouth agape in pleasure.

"Oh Jen! Oh!!" Sheryl moaned as she shuddered in orgasm.

Sheryl reached down to stuff Bobbi deeper, taking the woman in up to her calves. Far from resisting, Bobbi seemed to be actively trying to stimulate her, and Sheryl let another orgasm roll through her.

“If you come here, I’ll give that pussy of yours some attention while you finish Bobbi.” Jen called up to her lover as she lay down on the floor by the bed. She smiled at Sheryl, enjoying the view as the giantess slowly rose and moved to straddle her.

"You've got it, Jen." Sheryl answered, slurping up more of Bobbi as she slowly lowered herself onto Jen, taking care not to crush her lover.

“Bye, Bobbi! I hope you enjoyed yourself.” Jen called out as Bobbi’s toes disappeared into Sheryl’s depths.

Sheryl timed her descent to finish just as her labia closed behind the last of Bobbi, and Jen felt her lover's pussy shake as it set to work on Sheryl's meal. Even from here, Jen couldn't tell exactly what was happening in there, but whatever it was, it happened incredibly fast. Jen felt Bobbi move once, then the woman's body softened, quickly becoming more padding to squish nicely against Jen's head as Sheryl rode her.

Jen shifted to kneel behind Sheryl as she licked at her lover's pussy, hoping that the new angle would let her see more of what was happening. It didn't, but she heard Sheryl cry out in delight, and Bobbi's absorption sped up with Sheryl's orgasm.

"There, right there! Oh Jen!" Sheryl cried out, and her pussy gushed with fluid as she came yet again.
"Hey! Your cum tastes just like her, Sheryl!" Jen called out in delight as she swallowed some of her lover's cum. "I never noticed that before."

Sheryl settled into a sitting position atop Jen. "Well, I guess not all of her goes to my breasts." She grinned and patted her belly, still swollen with what was left of Bobbi. "Let's see how quickly you can make the last of her disappear."
Jen grinned and set to work. "Gladly, Sheryl. Get back on your hands and knees and I'll have her gone right away."

Sheryl shifted, parting her legs a little more to give Jen better access. “Oh yes, that’s the spot!” Sheryl moaned as Jen licked and sucked at her.

"Oh! God Jen, whatever you're doing, don't stop!" Sheryl gasped as she felt something enter her pussy.
Jen grinned, her head inside her lover's pussy. She leaned forward, sucking at Sheryl's G-spot.

"JEN!" Sheryl screamed as she came. The last traces of Bobbi disappeared, and Sheryl actually felt her breasts grow, adding to the pleasure she was feeling. The orgasm went on and on, until finally Jen let her relax, exhausted.

"God, Jen, what did you do to me at the end there? It felt amazing!" Sheryl asked as she snuggled with her lover afterwards.

Jen grinned. "I thought your G-spot was feeling lonely, without Bobbi in there to give it some attention. So I gave it a good long kiss."

"Weren't you afraid that you'd end up as another pussy snack? I don't want to accidentally absorb you while we're playing around."

Jen shook her head. "I could tell I was safe." She paused, searching for words. "Your pussy smells different when it's hungry. I can't quite describe it, but you smelled hungry when she went in, and satisfied afterwards."

Sheryl smiled at Jen. “As long as you’re careful. I’m not ready to lose you just yet. But that was amazing.”
Jen grinned. “Does that mean you want to do this again?”
“Oh yes!”
“Great, because I’ve got another date lined up for us next weekend.” Jen said.
