
"You've got me in your bed now. Was there something else you wanted?" Vivian said, smiling coyly at Jen.
Jen leaned towards her latest conquest. "I have a few things planned."

Vivian smiled back. "I think we should let her in on the fun. Otherwise, she might not let me back in her bed." She winked at Jen. "And I'd like to keep getting to know you both."

Jen slid down her giant lover's body, motioning for Vivian to follow. "Don't worry, Vivian. We'll all be very close by the time the night is over." She knelt between Sheryl's spread legs.

"Watch me drive Sheryl wild, then it'll be your turn to try." Jen said, stroking Sheryl's thighs as she teased her giant lover just a little bit more.
"Jen! You know what I need, give it to me!" Sheryl growled.

Jen laughed as she parted Sheryl's giant labia with both hands. Her hands were instantly covered with Sheryl's juices. "You really enjoyed us making out up there, didn't you, Sheryl? You're all ready for us."

www.erofus.com

"Damn straight I am!" Sheryl nodded. "Oh yes. That's much more like it. Mmm, right there, Jen!" Sheryl moaned as Jen's hands entered her pussy.

Jen slid her arms inside and began to thrust them back and forth. “Sheryl’s too big for any toys, so we have to get creative in bed.” She said to Vivian, as Sheryl began to writhe against her bonds.

“That’s hot.” Vivian said appreciatively as she watched Jen pleasure her giantess.

“This is nothing. Watch me really get her going.” Jen said with a grin.

www.erofus.com

"I think she likes it." Vivian said as she enjoyed the show.
"Just wait, we're still warming up." Jen said, voice muffled by her lover's pussy. Her words made Sheryl's pussy vibrate, causing the giantess to shudder in pleasure, rocking the bed.

Jen winked at Vivian, then reached for Sheryl's G-spot with her hands as she lifted her head slightly. Vivian reached her hand down to stroke Sheryl's clit, and the bed lurched as Sheryl screamed out her orgasm.
"OH! JEN! OH!!!" Sheryl cried, pulling her bonds taut as her body shook.

Vivian hesitantly parted Sheryl's labia, then reached her hands into the giantess, an awed expression on her face. "Wow. You could fit my whole body in there, couldn't you?" She asked Sheryl.
"Ooh! Keep going!" Sheryl moaned.

"Hmm? What?" Vivian asked.
"Hey, you're supposed to be paying attention to me!" Sheryl ordered, putting Vivian back to work. "Oooh! Much better!" Sheryl moaned.

Jen slipped the vibrator into Vivian's pussy and switched it on. "There you go, Vivian."

"I'm just giving you a little something to get you going." Jen replied smugly. "There's no reason for Sheryl to have all the fun, after all." She pushed Vivian's head down against Sheryl's clit. "Now, get back to work on her."

Sheryl's body shook under her as she climbed, but she reached Sheryl's head in time to give her lover a kiss as Sheryl came again, then relaxed against the restraints.

They kissed again as Vivian's moans grew louder, and louder until Vivian had her own orgasm.
"Can you relax a bit more, Sheryl? I'm stuck." Vivian's voice interrupted them a minute later, and Jen winked at Sheryl before climbing back down to Vivian.

"Hey! Stop!" Vivian sounded more frantic as Sheryl's muscles pulled her deeper into the giant woman.

Just then, Jen reached Vivian, and pushed her head down into Sheryl's pussy. "You're not finished yet, Vivian."

Jen pulled back as Sheryl's pussy grabbed Vivian's head. "You've got to go deeper than that to really satisfy my girl. Sheryl is just getting started with you." Jen called out as Sheryl pulled Vivian's shoulders inside her pussy.
The other woman struggled and kicked as she was dragged deeper inside.

"Oh, this is far from the only surprise I have for you, love." Jen said, winking at her giant lover.
She smiled at Vivian's kicking feet. "I think Vivian's starting to enjoy herself again too."
Vivian's voice was muffled by Sheryl's pussy, but Sheryl made more than enough noise for the three of them as she came again.

"I need more of her, Jen! Oh!" Sheryl demanded, yet another orgasm building. "Don't leave me hanging!"
Jen pushed on Vivian's bottom, shoving her deeper into Sheryl. "As you wish, love."

"Jen, you tease!" Sheryl groaned, cumming again as Jen hauled Vivian backwards.
"You know you love it." Jen shot back as she pulled Vivian slowly out of Sheryl's hungry pussy. "But you'd never have the patience to slow down and enjoy her on your own."

Jen shoved Vivian back into Sheryl, using her as a living dildo. “Just let us pleasure you for a while, Sheryl. You’ll get your snack soon enough.” She said, grinning.

Jen shifted her grip again, preparing to pull Vivian back out. She smiled at Sheryl's futile thrashing against the cuffs binding her to the bed. "I'll have to send Wendy a bonus for those cuffs. They're holding up quite well."
"Jen!" Sheryl groaned as Vivian was pulled out yet again. "Oh god! I can't take much more of this!" She moaned, body shaking with pleasure and hunger.

"Sure you can, Sheryl. Just trust me, I'll take good care of you." Jen said as she hauled Vivian backwards again.

Sheryl's body shook as Jen continued to thrust Vivian in and out of her lover. Finally, Sheryl came so hard that the bedframe creaked in protest.
"OK, Sheryl, that's enough for now. Let's see how Vivian is doing." Jen said as she hauled Vivian backwards out of the giantess' pussy, leaving only her arms inside Sheryl.

"You didn't tell me that *I* was going to be one of those toys!' Vivian exclaimed, but she sounded more aroused than angry. She tried to sit up, but fell back on the bed as her arms stayed put. "Um, Sheryl, can you please relax this time? My wrists are still stuck!"

Sheryl chuckled, a deep rumbling that shook the bed underneath Vivian and Jen. "That was a great warm-up, Vivian, but I'm not done with you yet." She concentrated, and Vivian lurched forward. "One more round should do it."

"Ahh, ahh, Vivian. Sheryl's still hungry, so you get to go one more round." Jen sang happily.
"Jen! Let me rest first, please!" Vivian exclaimed as she was dragged forward.

www.erofus.com

"What do you mean? Wasn't that enough of me for you?" Vivian asked, looking concerned. "Look, I'll be glad to keep going, but I need a break!"

"Not until you've fully satisfied Sheryl, Vivian. She needs every bit of you inside her to be properly satisfied." Jen said.

www.erofus.com
"Wait, what? No! What if I get stuck!" Vivian started to turn towards Jen just in time to see the other woman's hand descending on her head. "Hey! Let me go!" She screamed.

www.erofus.com

"In you go, Vivian! Thanks for the fun evening!" Jen said behind her as she shoved the other woman's head into Sheryl's depths for the last time. Sheryl's pussy quickly muffled Vivian's shriek, and her shoulders quickly followed her head into the giantess.

www.erofus.com

"Let's make this fun for you both. She deserves a last orgasm or two." Jen said as she turned on the vibrator again, making both Vivian and Sheryl moan. "She's all yours this time, Sheryl."

www.erofus.com

"She'd better be, you tease!" Sheryl gasped as she pulled Vivian's buzzing form deeper into herself."

Jen grinned naughtily. "Admit it, you love it when I tease you, Sheryl." She said as she pushed Vivian's hips into her giant lover.

Vivian kicked her feet, struggling uselessly. The vibrator was very distracting, and she felt her orgasm building despite herself.
www.erofus.com

As she slid farther inside, Sheryl's pussy began to feel different, and Vivian's skin tingled where the giantess' juices covered it. The tingling was pleasant, and sent Vivian over the edge into orgasm. She felt Sheryl's body shake with pleasure as she came.

As she was forced deeper, it was becoming harder and harder to see inside Sheryl. Vivian's panic returned as the orgasm subsided, and she resumed her struggles to escape. Something felt very wrong, and the tingling was growing even stronger now.

"Oh! More!" Sheryl moaned again. "Oh God, I need ALL of her, NOW!"
"As you wish, my love." Jen said, pushing more of Vivian inside Sheryl's hungry pussy.

"Yes, just like that!" Sheryl moaned happily.
Jen smiled as she shifted her grip to Vivian's

"She's barely stretching you, love. I'll bet you could fit a whole other person in there with her." Jen said as she fed Vivian's calves to Sheryl.

"Oooh, I like the way you think, Jen." Sheryl responded, flexing her muscles and drawing Vivian deeper. "Next time, find a couple to bring home." She licked her lips suggestively.

www.erofus.com

Jen laughed. "Do I need to get you another snack before I untie you?" She asked.
Sheryl shook her head. "Don't you dare leave me like this, Jen! No, this one will be enough, once she gets in there." Sheryl groaned as Vivian managed to slide an ankle back out.
www.erofus.com

www.erofus.com

"Don't even think about it, Vivian. You're going all the way with Sheryl." Jen said as the offending ankle was slurped back up, along with the foot attached to it.

www.erofus.com
Jen bent her lips to Sheryl's clit.
"Here, let me help Sheryl finish you off."

www.erofus.com

She kissed Sheryl's clit as Vivian's toes wiggled helplessly below.

"Oh! So close! Jen!" Sheryl moaned, making the bed rock as her body shook with pleasure.

www.erofus.com

Jen paused from licking and sucking Sheryl's clit as the last of Vivian disappeared into her lover. "Bye now!" She said before resuming pleasuring her girlfriend.

www.erofus.com

"There she goes! Mmm, she's delicious here too." Jen said as Sheryl's pussy gushed with fluid and Vivian's outline disappeared.
"Oh yes! JEN!" Sheryl came again, and the bulge in her belly shrank even more.

www.erofus.com
Jen sat up as Sheryl sagged back against the bed, a satisfied expression on her face. "She's all gone, love. Are we done with our little game?"
Sheryl nodded vigorously enough to rock the bed. "Yes! Get these cuffs off me!"

www.erofus.com
Jen moved to untie Sheryl. "See, I told you that this would be a fun evening. Wasn't I right?" She asked as she worked on the last cuff.

"Oh God, Jen! You're such a tease! Why do I let you do this to me?" Sheryl asked as she pulled Jen into the bed with her now-free hand.
Jen grinned at her boss and lover. "Because I make it feel so very good to lose control, Sheryl."

Sheryl smiled down at Jen. "As long as you know that I'm in charge. But I may order you to do that to me again sometime."

Jen winked at her giant lover.
"As you say, boss."
