Jen came around the corner in Sheryl's library and stopped, eyes wide with disbelief. Her lover was huge, several times the size Jen remembered, with thighs nearly as big around as Jen was tall!

"Sheryl, what's going on?" Jen asked, crawling under Sheryl's leg to get a better view.
www.erofus.com

"Ahh, Jen. You're just in time to join the orgy!" Sheryl's voice boomed, resonating through the room.

The woman pressed her face into Sheryl's pussy, then thrust her body forward, sliding herself in deep. Sheryl moaned in pleasure, and rocked her hips, shaking the floor.

"Wait, Samantha? Is that you?" Jen asked, reaching for the woman, but Sheryl made a guttural growling sound and Jen dropped her hands to her sides.

"She's mine!" Sheryl said sternly.

“Deeper!” Sheryl commanded, and the woman lurched inward, pulled off her knees by the giantess’ inner muscles.

Jen stepped forward, pushing on one of the woman's kicking feet. "Here, let me help you finish her off."

Jen lost her footing and fell backwards, stumbling onto the floor. Sheryl's pussy gulped the woman down, her gaping vagina closing around the woman like the maw of some great beast.

Jen stared up at her lover's towering form as the giantess sucked in the last of her victim. She must have hit her head harder than she thought, because the light was suddenly much brighter, seeming to come from all around.

"Yes! YES!" Sheryl cried out, her orgasm rocking the ground beneath Jen and the women worshipping her giant lover.

"I need MORE! MY CUNT IS HUNGRY!" Sheryl growled, reaching for two of the women. The tone of her voice sent chills down Jen's spine. It was deeper, hungrier than anything she had ever heard from Sheryl before.

"You." Sheryl said, grabbing [illegible] torsos and lifting them off the ground.

"Goddess?" The dark-haired one spoke questioningly. "What are you doing?"

Jen knew she should recognize the woman, but she couldn't remember why. As she watched, Sheryl moved that woman towards her drooling labia.

www.erofus.com

"Wait, no! Not me!" The woman exclaimed as her legs were thrust into Sheryl's hungry pussy.

www.erofus.com
The woman screamed, reaching for something to hold on to as she was pulled deeper into Sheryl. Jen gazed on in awe, fearful but unable to look away. She was careful to keep some distance as she enjoyed the show.

The woman's flailing hands made contact with the blonde in Sheryl's other hand, and she clung tightly to her.

"Let go!" The blonde yelled, kicking her feet to try and dislodge the other woman's grip.

“Help! Pull me out!” The dark-haired woman screamed, tightening her grip on the blonde’s leg.

"Yes!" Sheryl cried out in orgasm, pussy clenching around the women inside. "Feed my cunt!"
Jen was overcome with arousal. She gazed upon the terrified expression on the blonde's face as Sheryl's juices splashed over her. This was much more like it, even as she was intimidated by Sheryl's now enormous size.

Just then, Sheryl's hand tightened around the blonde's wrist and pulled the woman free of her pussy. Her slick pussy juice made the blonde slip free of her companion's grasp with ease.

Sheryl raised the woman to her face and licked her lips. “Let’s see how you taste, little one.”

The blonde continued to scream as her toes made contact with Sheryl's tongue.

"You can't do this!" She yelled as Sheryl let go, allowing her to fall into the giantess' throat.

Jen watched the woman struggle as Sheryl swallowed, her throat muscles pulling the blonde deeper.

"Help!" A scream from Sheryl's pussy distracted Jen as Sheryl continued to swallow. She shook her head at the woman reaching for her from the depths of her lover's pussy.

"Nope. You're hers now." Jen said with a shake of her head.

"Let me go!" Screamed the blonde, now just a head and arm sticking out from between Sheryl's lips.

Jen tried to hide among the others, beginning to get truly scared now as Sheryl rose to a squat.

"Two more." Sheryl grunted, grabbing the women on either side of Jen.

"My tits are hungry." Sheryl said, prompting a confused frown from Jen.
How can her breasts be hungry? Jen wondered.

Jen watched as Sheryl pressed the two women's
heads against her nipples. As they
struggled in the giantess' grasp, their faces
appeared to sink into Sheryl's nipples.

Jen sat back in shock as she watched the women's torsos slide inside Sheryl's nipples, their struggles making the giantess' breasts jiggle as they kicked their feet and pounded against the walls of their fleshy prison.

"Oh yes!" Sheryl moaned, and Jen watched the two women slide deeper into Sheryl's breasts even after the giantess had let go.

Sheryl began to play with her nipples, shaking with her building orgasm as the women's toes were swallowed by her breasts.

"Now, what should I do with the rest of you?" Sheryl asked, leaning over the women at her feet. Jen shivered again at the predatory gaze her lover turned on them all. Surely Sheryl wouldn't consume *her*, would she?

The woman shrieked as she was thrust underneath the giantess. Jen scooted backwards to get farther away, even as another of Sheryl's worshippers leaned forward to get a better view.

Sheryl met Jen's gaze as she stuffed herself with her latest victim, and the hunger there made Jen want to run from her lover.

Sheryl sucked up her victim's legs, then closed her lips over the woman's still wriggling toes.

One swallow, and the woman was gone. A gush of fluids from Sheryl's pussy marked the end of her other victim, and the giantess reached towards the last three women. Jen backed up as far as she could, and found herself stopped by an invisible wall. White nothingness surrounded the platform that held Jen, Sheryl, and the others. Where the hell are we? Jen wondered.

The screams of the last two women drew Jen's attention back to her lover's rampage, and she watched Sheryl roll over, holding them out to her sides.

The women screamed and struggled as they were sucked inside. Jen wanted to watch, but was afraid to move from her new position. If she was lucky, Sheryl would forget about her, now that she was out of sight behind the giantess' head.

"Oh! Yes!" Sheryl moaned as the women's screams became muffled by her pussy lips against their faces.

One fell silent as she disappeared into Sheryl's depths, followed soon by her companion.

"Ahhh!" Sheryl's orgasm made the ground in this strange place shake. Jen moved out of the way of her lover's head, only to realize her mistake when Sheryl turned to look at her.

"Just you and me, Jen. Like always." Sheryl said, and her smile let Jen relax a little. Maybe things would be fine after all.

"Hey lover, that was wild." Jen said, forcing herself to smile back.
Sheryl's hand reached out and Jen found herself lifted into the air.
"Um, Sheryl? What are you doing?" Jen asked.

"What do you think, Jen? I saved the best for last." Sheryl said, lowering Jen towards her crotch.

"No! Sheryl, you can't do this, not to me!" Jen screamed as she was brought closer to her lover's enormous pussy. The smell of Sheryl's arousal was stronger and more complex than ever, the scents of the women Sheryl had just consumed mixing with the giantess' natural scent.
www.erofus.com

Jen's screams were cut off as a gush of pussy juice filled her mouth when Sheryl spread her legs even wider.
"Sure I can, Jen. You belong inside me. Everyone belongs inside me." Sheryl answered,

This time, it was Jen's turn to be used as a dildo, and she felt her lover's pussy squeeze her as Sheryl came again and again. To her surprise, Jen found it arousing, and if it weren't for the knowledge that she was about to die, she would have enjoyed the experience.

As the last of the light faded, Jen felt something change in the fleshy walls surrounding her. The lubrication which had let Sheryl use her as a sex toy suddenly vanished, and Jen felt her skin stick fast to Sheryl's walls. Her whole body tingled, and Jen thrashed helplessly as she began to be absorbed into her lover.

Finally, Jen lost consciousness as her body became part of Sheryl's.

The light stung Jen's eyes as she awoke. She stared at the ceiling for a full minute, getting her racing heart under control.

"Jen! You're finally awake!" An unfamiliar voice yelled excitedly, distracting her.

"Hey there." Jen said, smiling down at the attractive woman who came running up to her. What in the world? I'm huge! Jen thought as she realized that the woman was less than half her own height, and the room was sized for her.

"Sheryl!" Jen exclaimed happily as her lover walked in. To her surprise, Sheryl stood no more than a head taller than the tiny woman who had greeted Jen.

I must still be dreaming. Jen thought, though everything certainly felt real. Oh well, I may as well enjoy it.

"Are you ready to have some fun, love?" Sheryl asked, walking over to stand next to the other woman, her head barely even with Jen's breasts. "Kelly and I have been waiting for you to wake up."
