The Honeymoon: Part 1

"I see the resort up ahead! Honeymoon, here we come!" Sheryl called out as the three of them rounded a corner.
"Two weeks all to ourselves, with no one trying to pull you away for just one more 'important' meeting. It's going to be wonderful." Jen said, slowing the car as she pulled into the driveway.
"Wow, I've never seen this place so empty!" Kathi said, looking around at the resort grounds. "I've hosted clients here before, and the place was always full of people."
Jen grinned. "I booked the entire place for us. Otherwise, my wife would eat half the guests, and the kind of people who stay here would make trouble if they disappeared."

Sheryl looked down at her wife. "There'd better be some people around, Jen, unless you want our honeymoon cut short. You know I can't keep my hunger under control for long."

Jen parked the car and smiled up at Sheryl. "Don't worry, love, I planned for that. Any of the staff are fair game, and we can always go hunting along the public beach nearby."

"I should know to trust you by now, my wife. You take good care of me." Sheryl said, getting to her feet. She stayed astride the car until Jen had climbed out, then squatted down as Kathi tried to follow, briefly pinning her between Sheryl's pussy and the dashboard. She rubbed up and down, coating Kathi in her juices, then rose up, leaving the woman shivering with mingled fear and pleasure on the car seat.

"Come on, Jen, let's get to the hotel room and settle in. Come along, toy, we're going to need you too." Sheryl said, walking briskly towards the resort.

"Wow, that was a wild ride!" Kathi said, running a hand through her hair, still damp with Sheryl's pussy juice.
Jen smiled "It was, wasn't it? But we're lucky not to have been pulled over for indecent exposure."
"Or causing an accident. Everyone we passed was too busy staring at Sheryl to watch the road." Kathi added.

Sheryl finished squeezing through the doorway into their hotel room. "Hmph, I expected the room to be bigger than this. I guess I've grown more than I thought." She started to stand, careful not to bump her head on the ceiling. "Anyway, I'd have liked to see them try to arrest us. I could have used another snack."

Jen stared at her wife in disbelief. "You can't possibly be hungry again already, Sheryl!"

Sheryl shrugged. "No more than usual, but there's always room for more." Her expression softened and she lifted Jen up to eye level, resting atop one of her enormous breasts. "We're finally married, love." She said, face shining with joy.

"We are, and it was a great ceremony, everything I could have hoped for. Both the ceremony and everything afterwards." Jen said with a smile. "Now we get to start our honeymoon."

"Let's start by reenacting that first kiss as a married couple, now that all the pesky clothing is out of the way." Sheryl said, leaning in towards Jen.

"You were kissing me too, Kathi, on the other lips. Do it again." Sheryl said before returning to kissing Jen. She held Kathi in place until the woman started eagerly kissing, making Sheryl moan with delight.

"Yes, just like that." Sheryl moaned. "Yes!" Her body shook with arousal, her nipples hardening.

Jen pulled back and stroked Sheryl's hair fondly. "I thought for sure you were going to cum at the altar, right in front of everyone."

Sheryl gasped. "Our little toy certainly tried hard to make me, didn't you?" She said, relaxing her grip on Kathi, who pulled back, gasping for breath. "You have no idea how close you came to becoming part of me then."

Jen slid down from Sheryl's arms to take a good look at Kathi, once again covered with Sheryl's juices. "I think she knows, don't you Kathi? I think it turned you on, didn't it?"
Kathi blinked, wiping her face. She stared at Sheryl, then Jen. "Oh god. I can't believe you kept me there for the whole ceremony! I was certain you'd take me all the way, I just wanted to make it extra-special for you both." She shook with mixed fear and arousal, and Jen pulled her into a kiss, pushing her down to hold her against the bed until she stopped shaking and started kissing back.
www.erofus.com

"Admit it, you like being at my mercy." Sheryl said as Jen broke the kiss, staying astride Kathi to pin her to the bed.

Kathi shivered again, but nodded. "I... I do. God help me, I do."

Kathi gasped, but she seemed more aroused than frightened by the threat. She seemed transfixed by Sheryl's enormous breasts as the giantess leaned closer, nearly burying Kathi in her cleavage.

"I love the way you think, Jen." Sheryl said, sliding forward. "Kathi, my pussy needs your attention while I make love to my wife."

As Sheryl leaned in to kiss Jen, Kathi squirmed around underneath the giantess. The smell of Sheryl's musk grew stronger as she came closer to the woman's giant pussy. Kathi pushed herself upright and started kissing the drooling flesh in front of her.

www.erofus.com

"You tease!" Jen gasped as Sheryl nibbled at her inner thighs. Her heart raced, and she writhed on the bed, trying to force Sheryl's mouth into place. "You know what I need, Sheryl!"

Sheryl's laughter made her mouth vibrate against Jen's crotch. "I know exactly how you like it, Jen." She said, finally relenting and dropping her mouth to Jen's pussy.

Kathi gasped as Sheryl sat back slightly, her pussy engulfing the blonde woman's face.
www.erofus.com
"Deeper, Kathi!" She heard Sheryl rumble, then heard Jen's moans increase as Sheryl returned her attention to Jen.
Kathi pushed herself deeper, wanting to please her giant mistress.

Jen arched her back as Sheryl's tongue filled her pussy. "Oh yes, right there, Sheryl!" She gasped, and let out a moan of her own at whatever Kathi was doing to her, and the resulting vibrations sent Jen over the edge into orgasm. "Oh Sheryl!"

Meanwhile, Sheryl worked her tongue around her wife's pussy. She teasingly licked around her lips, before bringing her tongue back to Jen's clitoris.

Jen writhed in pleasure as Sheryl worked her towards another orgasm. She felt her wife's body shake as Kathi made Sheryl cum, and the whole bed shook.

Kathi felt her hips slide inside the giantess' pussy as Sheryl's orgasm pulled her deeper. Sheryl's scent was all around her, and she was certain that she was about to become part of her giant mistress. She reached a hand between her own legs and stroked herself, wanting one more orgasm of her own before she became part of Sheryl.

Kathi's body shook with orgasm, and she felt Sheryl cum with her, sucking her deeper inside. She floated blissfully in the afterglow, awaiting whatever her mistress' body would do to her once she was all the way inside.

Jen felt her wife's body shake again, and moaned as Sheryl continued to tease her. "Please, Sheryl, enough! Just let me cum already!"

Sheryl's tongue shifted, and Jen's body arched as she came. "Yes! Oh Sheryl!" She screamed as the orgasm swept through her, going on and on until she collapsed to the bed.

"You're an awful tease, Sheryl." Jen said, gazing dreamily up at her wife.

"Yes, but you like it, don't you Jen?" Sheryl answered.
Jen nodded. "I wouldn't want you any other way, love."

"Kathi, what do you think?" Sheryl asked. "Kathi?" She asked again after waiting in vain for a response.
Jen raised an eyebrow. "Did you lose our pet already, Sheryl? I thought for certain that I'd fed you enough this time."
Sheryl frowned. "I don't think so. I'd have noticed if my pussy had eaten her. Maybe she's under the bed.
After a bit of cuddling on the bed, a naughty idea popped into Jen's head.
"Sheryl, love, let's go outside and show Kathi the rest of the place we've picked for our honeymoon. The beach is supposed to be really nice this time of year."
"You just want to see me in my bathing suit." Sheryl said with a grin at her wife.
Jen shook her head. "No, I want to see you in your bathing suit while Kathi and I sunbathe on top of you. And to enjoy the looks of envy we get from anyone who sees us with you."
Sheryl laughed. "All right, let's do it."
www.erofus.com

www.erofus.com

Just then, Kathi wiggled around inside Sheryl.

Sheryl moaned at the motion. "No, she's still there, love. I suppose I'd better let her out. She won't get much sun inside me."

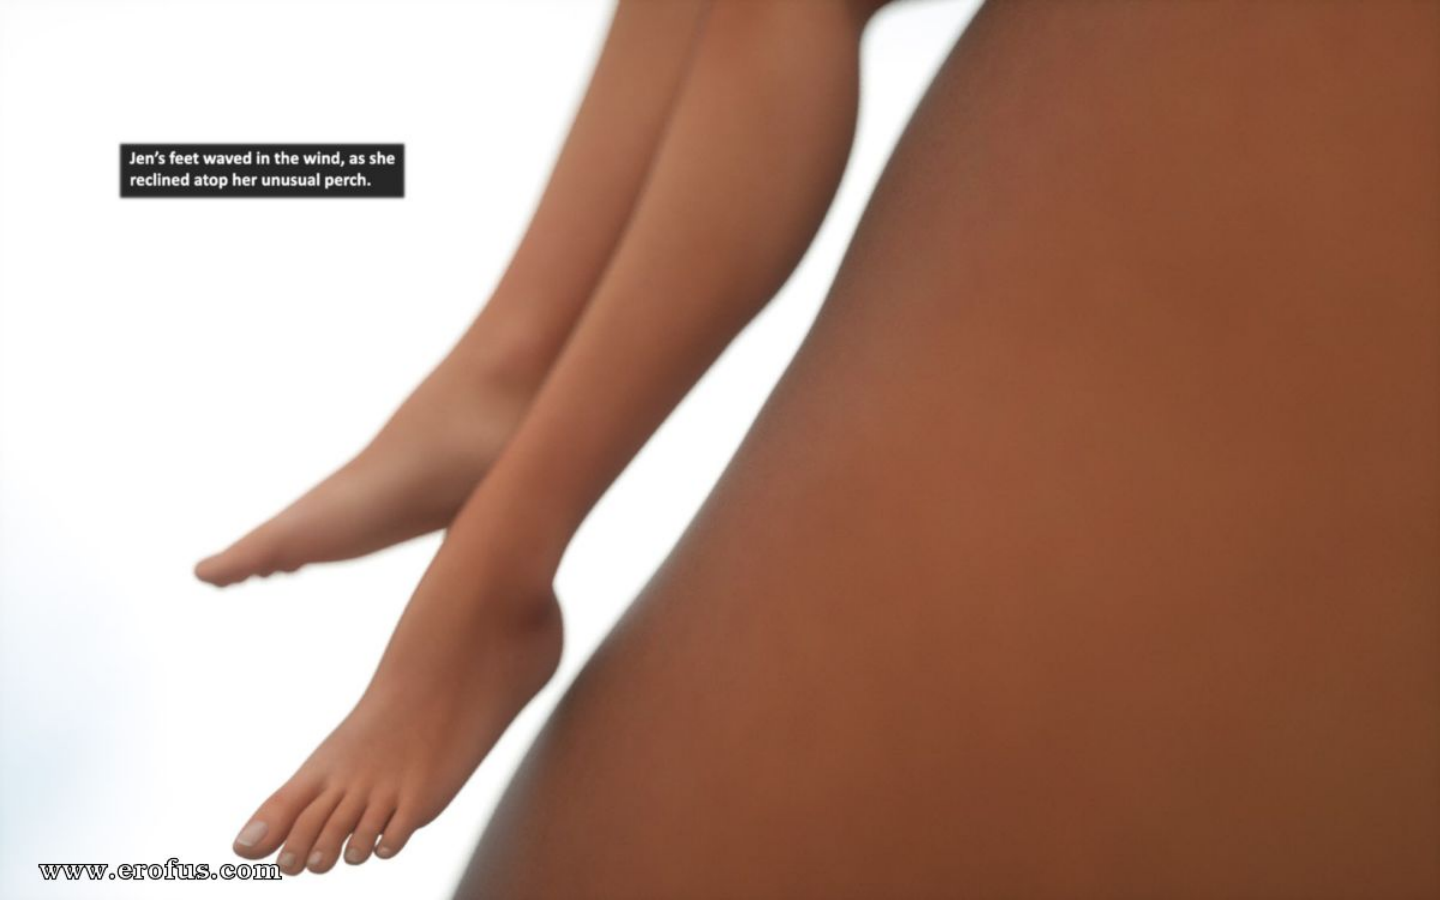

Jen laughed. "You actually forgot she was in your pussy, didn't you?"

Sheryl nodded sheepishly. "You're awfully distracting, love, and she stopped moving around."

Jen just kept laughing for a long while before pulling herself together. "Come on, let's get her out and get dressed for the beach."

Kathi shivered again. "Goddess! You two already know how to push my buttons." She said, with a smile at Jen.
Jen smiled back. "We figured that out back in the boardroom, Kathi. For someone who used to be an executive, you really like being dominated."
Kathi blushed and changed the subject. "I like your bikini, Jen, you wear it well."
www.erofus.com

Jen smiled. "Thanks, but this was my third-choice one. The others were too small, even though I'd tried them on a week before we left."
"You have been pretty hungry lately, Jen." Sheryl rumbled. "And the caterers did such a good job at our wedding that we all ate a lot."
Jen looked back at her wife. "Still, I've never had that happen before."

"Speaking of nice views, look at the delicious hunk of manhood heading this way." Kathi said admiringly. "I wouldn't mind taking him home sometime."
www.erofus.com

Jen and Sheryl looked over as a man jogged past them. He was clearly trying to pretend not to stare at the three women as he jogged by, and Jen stifled a laugh.
"Delicious is right." Sheryl rumbled. "He'd make a nice little morsel. Jen, Kathi, I need you down here."
"Are you thinking what I think you're thinking?" Kathi asked as Jen reached for Sheryl's bikini bottom.
www.erofus.com

"Of course she is, Kathi. Help me get this off Sheryl, then I'll go get my wife her snack." Jen said.
"You're the best wife ever, Jen." Sheryl said, still watching the jogger.

Jen grabbed the man's other arm as well, pinning them at his sides. "Hmm, you're shorter than I thought you were. Oh well, you'll still do."

"What? Let me go, you Amazon freak!" The jogger said, struggling in vain to escape Jen's grip.

"Now, wait here while my wife gets ready for you." Jen said, dropping the man to the ground. "It won't take very long."

"Look, just because you're a giant freak doesn't mean you can drag people around! What is wrong with you, lady?" The man yelled as he sat up.

The man turned to look, eyes widening as he realized just how big Sheryl was.

"Um… Look, I don't mean to insult you or your friend. But you can't just go around grabbing people without permission."

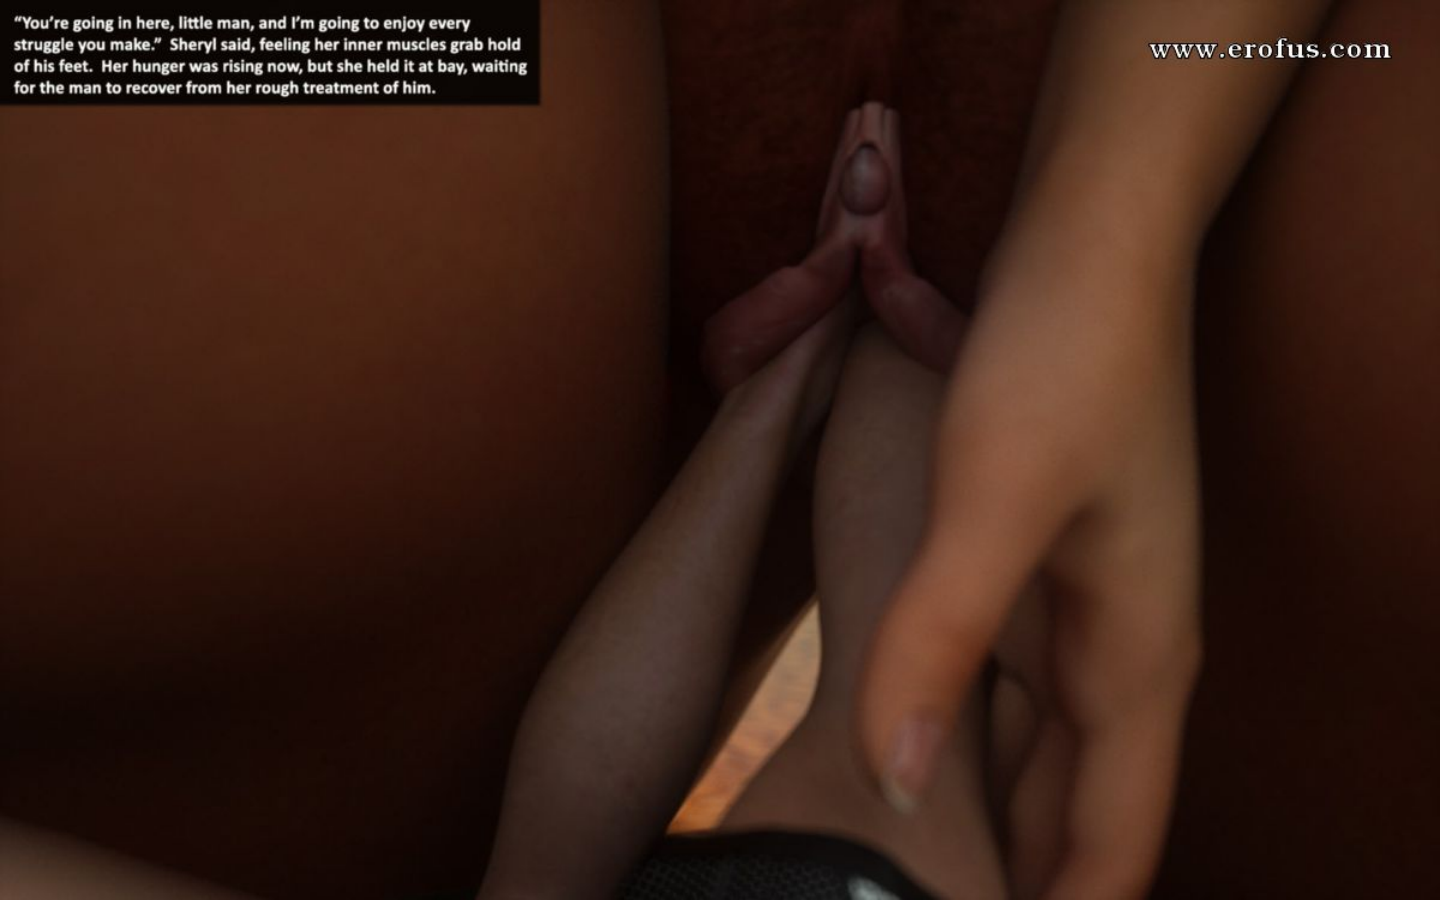

www.erofus.com

"Hey, let go of me!" He yelled, struggling as Sheryl lifted him into the air by his leg. He kicked at her hand, but Sheryl caught it between her thumb and forefinger.
www.erofus.com

"Going in? What are you freaks talking about?" The man asked, still struggling in Sheryl's grip.
"You'll see in a moment. Let's just say that you're about to get lucky with my wife." Jen answered, grinning.
"What? Ooof! Ow, that hurt!" The man gasped as Sheryl dropped her hand between her legs, slamming him to the sand. He blinked, clearly stunned by the drop onto the sand.
www.erofus.com

Sheryl took advantage of her prey's momentary stillness, spreading her legs and sliding his feet inside her drooling pussy.
www.erofus.com

"You're going in here, little man, and I'm going to enjoy every struggle you make." Sheryl said, feeling her inner muscles grab hold of his feet. Her hunger was rising now, but she held it at bay, waiting for the man to recover from her rough treatment of him.
www.erofus.com

Sheryl didn't have to wait more than a minute before the jogger began to struggle again. "Eww, leave me out of your sick sex games, you freaks!" He yelled, trying to pull his legs out of Sheryl.

www.erofus.com

The man turned to Jen, "You've got to make her stop! Look, just let me go, and I promise not to press charges against either of you. The whole thing can be our secret."
Jen just shook her head, "They never do learn, do they Sheryl?" She said, climbing up onto her wife for a better view.

"Help! Police! Lifeguards! Someone!" The man yelled as he slid inexorably deeper into Sheryl.
Jen laughed from her perch atop Sheryl's leg. "Yell all you want, there's no one else around to hear you. You're going to get my wife off, and then you'll disappear forever."
www.erofus.com

Kathi watched the man's look of despair as he realized Jen was right. Other than them, the beach was completely quiet, and no one came running to help him. He tried again to haul himself out of the giantess, but only managed to make Sheryl moan in pleasure.
www.erofus.com

"Kiss me, Jen." Sheryl demanded as her prey's struggles aroused her further. "Let's give him a show!"

"Gladly, love." Jen said, pulling herself closer to her wife.

The happy couple lingered over their kiss while Sheryl's snack struggled for a grip on the soft sand. Kathi stepped around Sheryl's leg to get a better view, entranced by the scene. She couldn't help imagining herself in the man's place, and felt herself get wet at the thought.
www.erofus.com

The jogger stopped struggling as he saw Kathi, and an expression of hope filled his face. “Thank God, someone normal. Please, you’ve got to get me out of here! These women are insane!”

Kathi came closer, holding a hand out as though she might offer it to him. “You want me to pull you out, is that it?”

The man nodded frantically. “Yes!” He gasped as Sheryl’s pussy sucked him in up to his armpits. “Please, hurry!”

Kathi shook her head. “Oh no, I wouldn’t dare upset Mistress Sheryl like that.” She blew the man a kiss goodbye. “Just relax and enjoy the ride, I know I would.”
www.erofus.com

www.erofus.com

The jogger stared, shocked by Kathi's reaction. "What? You're with them?"

Kathi laughed again. "You didn't see me sunbathing on Sheryl earlier? Silly man, you really aren't good for anything but a pussy snack, are you? She smiled up at the couple, who were still savoring their kiss. "I'm their toy, for as long as they'll play with me." Kathi surprised herself with the words, but they felt right. She really was happy to be the toy of these two supremely dominant women.

www.erofus.com

"Please, no!" The jogger cried out as Sheryl's hand descended on his head. His screams were muffled by her massive hand as she shoved his shoulders inside, but they returned louder than ever when she lifted her hand back to her clit. "No deeper, I'll suffocate!"

Kathi shook her head. "As long as her lips stay open, there's just enough air to survive. Trust me, I've spent a lot of time stuffed up Mistress Sheryl." She grinned at the struggling man. "But you won't last long enough to worry about breathing anyway. Her pussy's going to gobble you all up."

www.erofus.com

"Your screams are getting tiresome, little snack." Sheryl boomed. "They're making it hard to focus on my wife. Time for you to go!"

Jen shook her head, a mischievous glint in her eyes."No need to rush, love. Kathi can keep him quiet so we can enjoy the moment."

Sheryl thought for a moment, then reached out her hand and pressed Kathi against her crotch. The screams of her prey vanished, muffled by Kathi's body. "You're right, my love. Kathi, my clit needs some attention while you're down there. Get to work, toy."

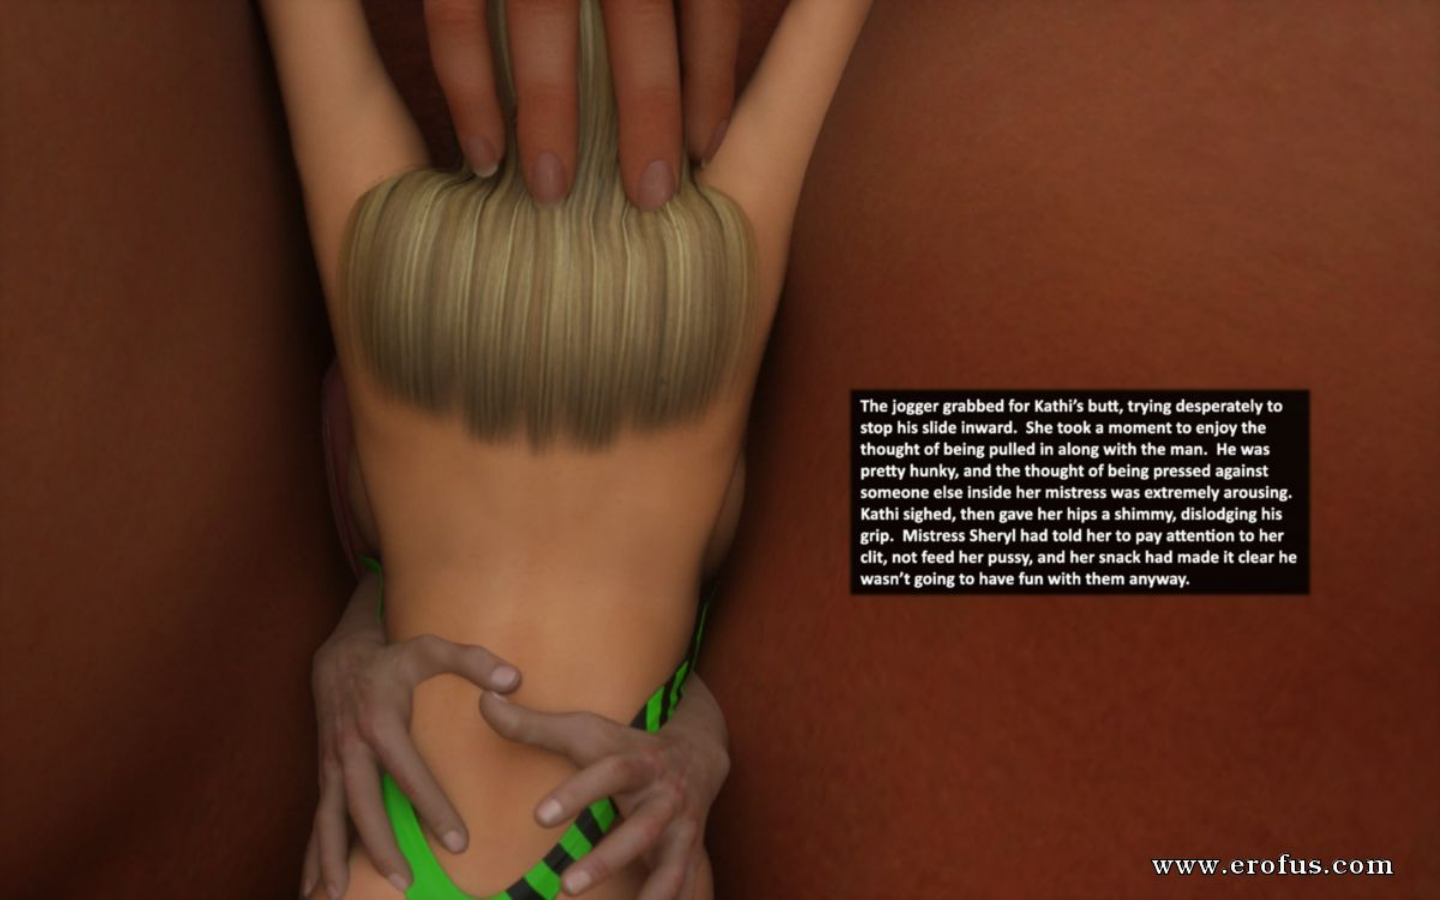

www.erofus.com

The kiss went on and on while the jogger struggled against the suction of Sheryl's pussy. Jen felt her wife's orgasm build as Sheryl lay back on the sandy beach, moaning in passion.
www.erofus.com

Kathi felt Sheryl's growing arousal too, and let out a moan of her own as her mistress rubbed Kathi up and down between her pussy lips. Sheryl's juices began to coat her body, and she felt the jogger's grip on her body start to loosen. She alternated blowing and licking Sheryl's clit, trying to drive the giantess over the edge.
www.erofus.com

www.erofus.com

The jogger grabbed for Kathi's butt, trying desperately to stop his slide inward. She took a moment to enjoy the thought of being pulled in along with the man. He was pretty hunky, and the thought of being pressed against someone else inside her mistress was extremely arousing. Kathi sighed, then gave her hips a shimmy, dislodging his grip. Mistress Sheryl had told her to pay attention to her clit, not feed her pussy, and her snack had made it clear he wasn't going to have fun with them anyway.
www.erofus.com

Kathi gasped as the jogger's hands slid along her breasts, his fingertips [illegible] completely into Sheryl's hungry depths. Maybe he would be a little fun after all. Then he was gone, and Kathi could feel Sheryl's body starting to work on her snack. She began sucking on Sheryl's clit, trying to push her mistress over the edge again.

Sheryl held Kathi's head in place as her orgasm built, panting as she felt her snack soften inside her pussy. Jen kissed her again, writhing around between her breasts in her own arousal.

Finally, Sheryl couldn't take it any longer. She threw her head back and screamed in orgasm, her body shaking and gushing pussy juice all over Kathi.

The three of them lay there for a while, catching their breath. Then Jen looked up to see two figures walking their way.

"Uh-oh, Sheryl, I think we just got the attention of two lifeguards. Let's hurry and get you dressed. We don't want them getting suspicious."

Sheryl smiled at Jen. "I've got room for two more, we could just make them disappear."

"Sheryl! They're lifeguards, we'll have people all over the place looking for them if they vanish."

www.erofus.com

"Is something wrong?" The male lifeguard asked as they came up to Sheryl.

Jen shook her head, "No, we're fine. My wife and I were just enjoying some time alone in the sun."

The woman frowned. "Are you sure? We heard a scream from over this way, and I don't see anyone else around."

Sheryl smiled at them. "That was me. My wife and I are here on our honeymoon, and we were fooling around a bit. I'm afraid I get rather loud when stimulated."

www.erofus.com

"Whew, that was a close call, Cheryl," Jen said. "We almost got caught."
Sheryl looked wistfully in the direction they had gone. "I really would have liked another snack. Are you sure they'd be missed?"

www.erofus.com

Jen shook her head, but couldn't keep from grinning at her wife. "I forget about your sense of humor, love. It's going to get us in trouble someday."
"Still, it's a shame to let them get away, they looked delicious..." Sheryl said, gazing hungrily at the lifeguards as they continued down the beach.
