

***5 HOURS  
LATER...***

*why am  
I  
wearing  
this?!*

Good  
morning  
little  
princess!

I injected you  
with a small  
drug and now  
you are under  
my control just  
by saying the  
code word  
"missy"

Do you  
really think  
that shit  
affected  
me?

Do you  
really  
believe  
it?

Missy, let's  
go to the  
beauty  
salon. It's  
time for you  
to look  
appropriate.

(Why can't  
I move?  
She was  
actually  
telling the  
truth, oh  
shit I'm  
screwed.)

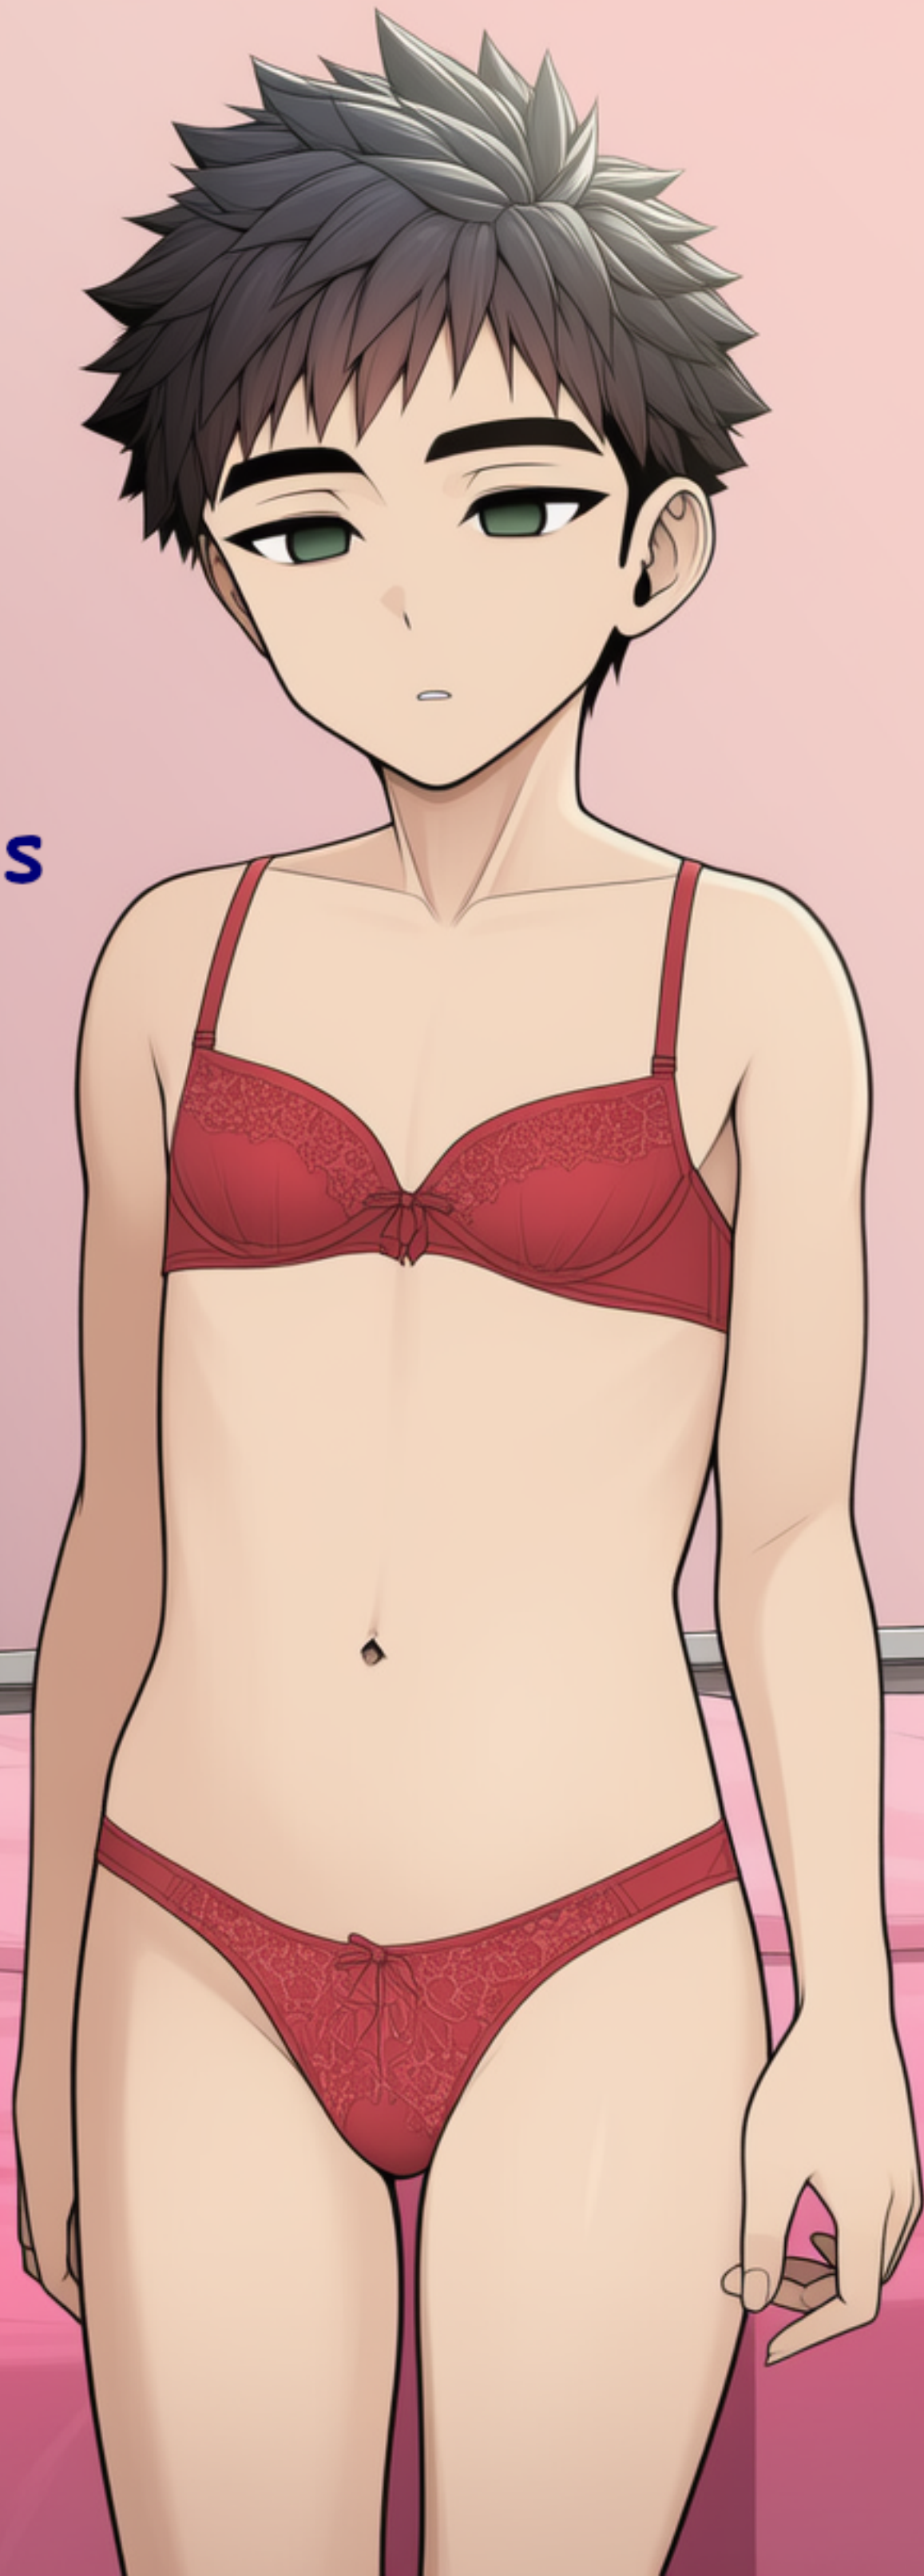

Umm, it's  
time to  
improve your  
image, dress  
up in my  
clothes and  
let's go to  
the mall.

Yes Miss  
Cindy

(Shit, why  
can't I  
disobey this  
bitch?)

Let's go  
out Missy!!!

(Oh shit,  
I can't go  
out  
wearing  
this).
