

2 hours later...

In a clinic

What
are we
doing
here?

It's a
surprise,
just do what
they tell you
if you don't
want me to
get angry.

What are they going to do to me? I'm scared.

They're just going to give you anesthesia, be a good boy.

Start the operation

**After the
operation**

He is
now
ready
for his
new job.

What
have you
done to
me?

I just made
some
improvements
to you

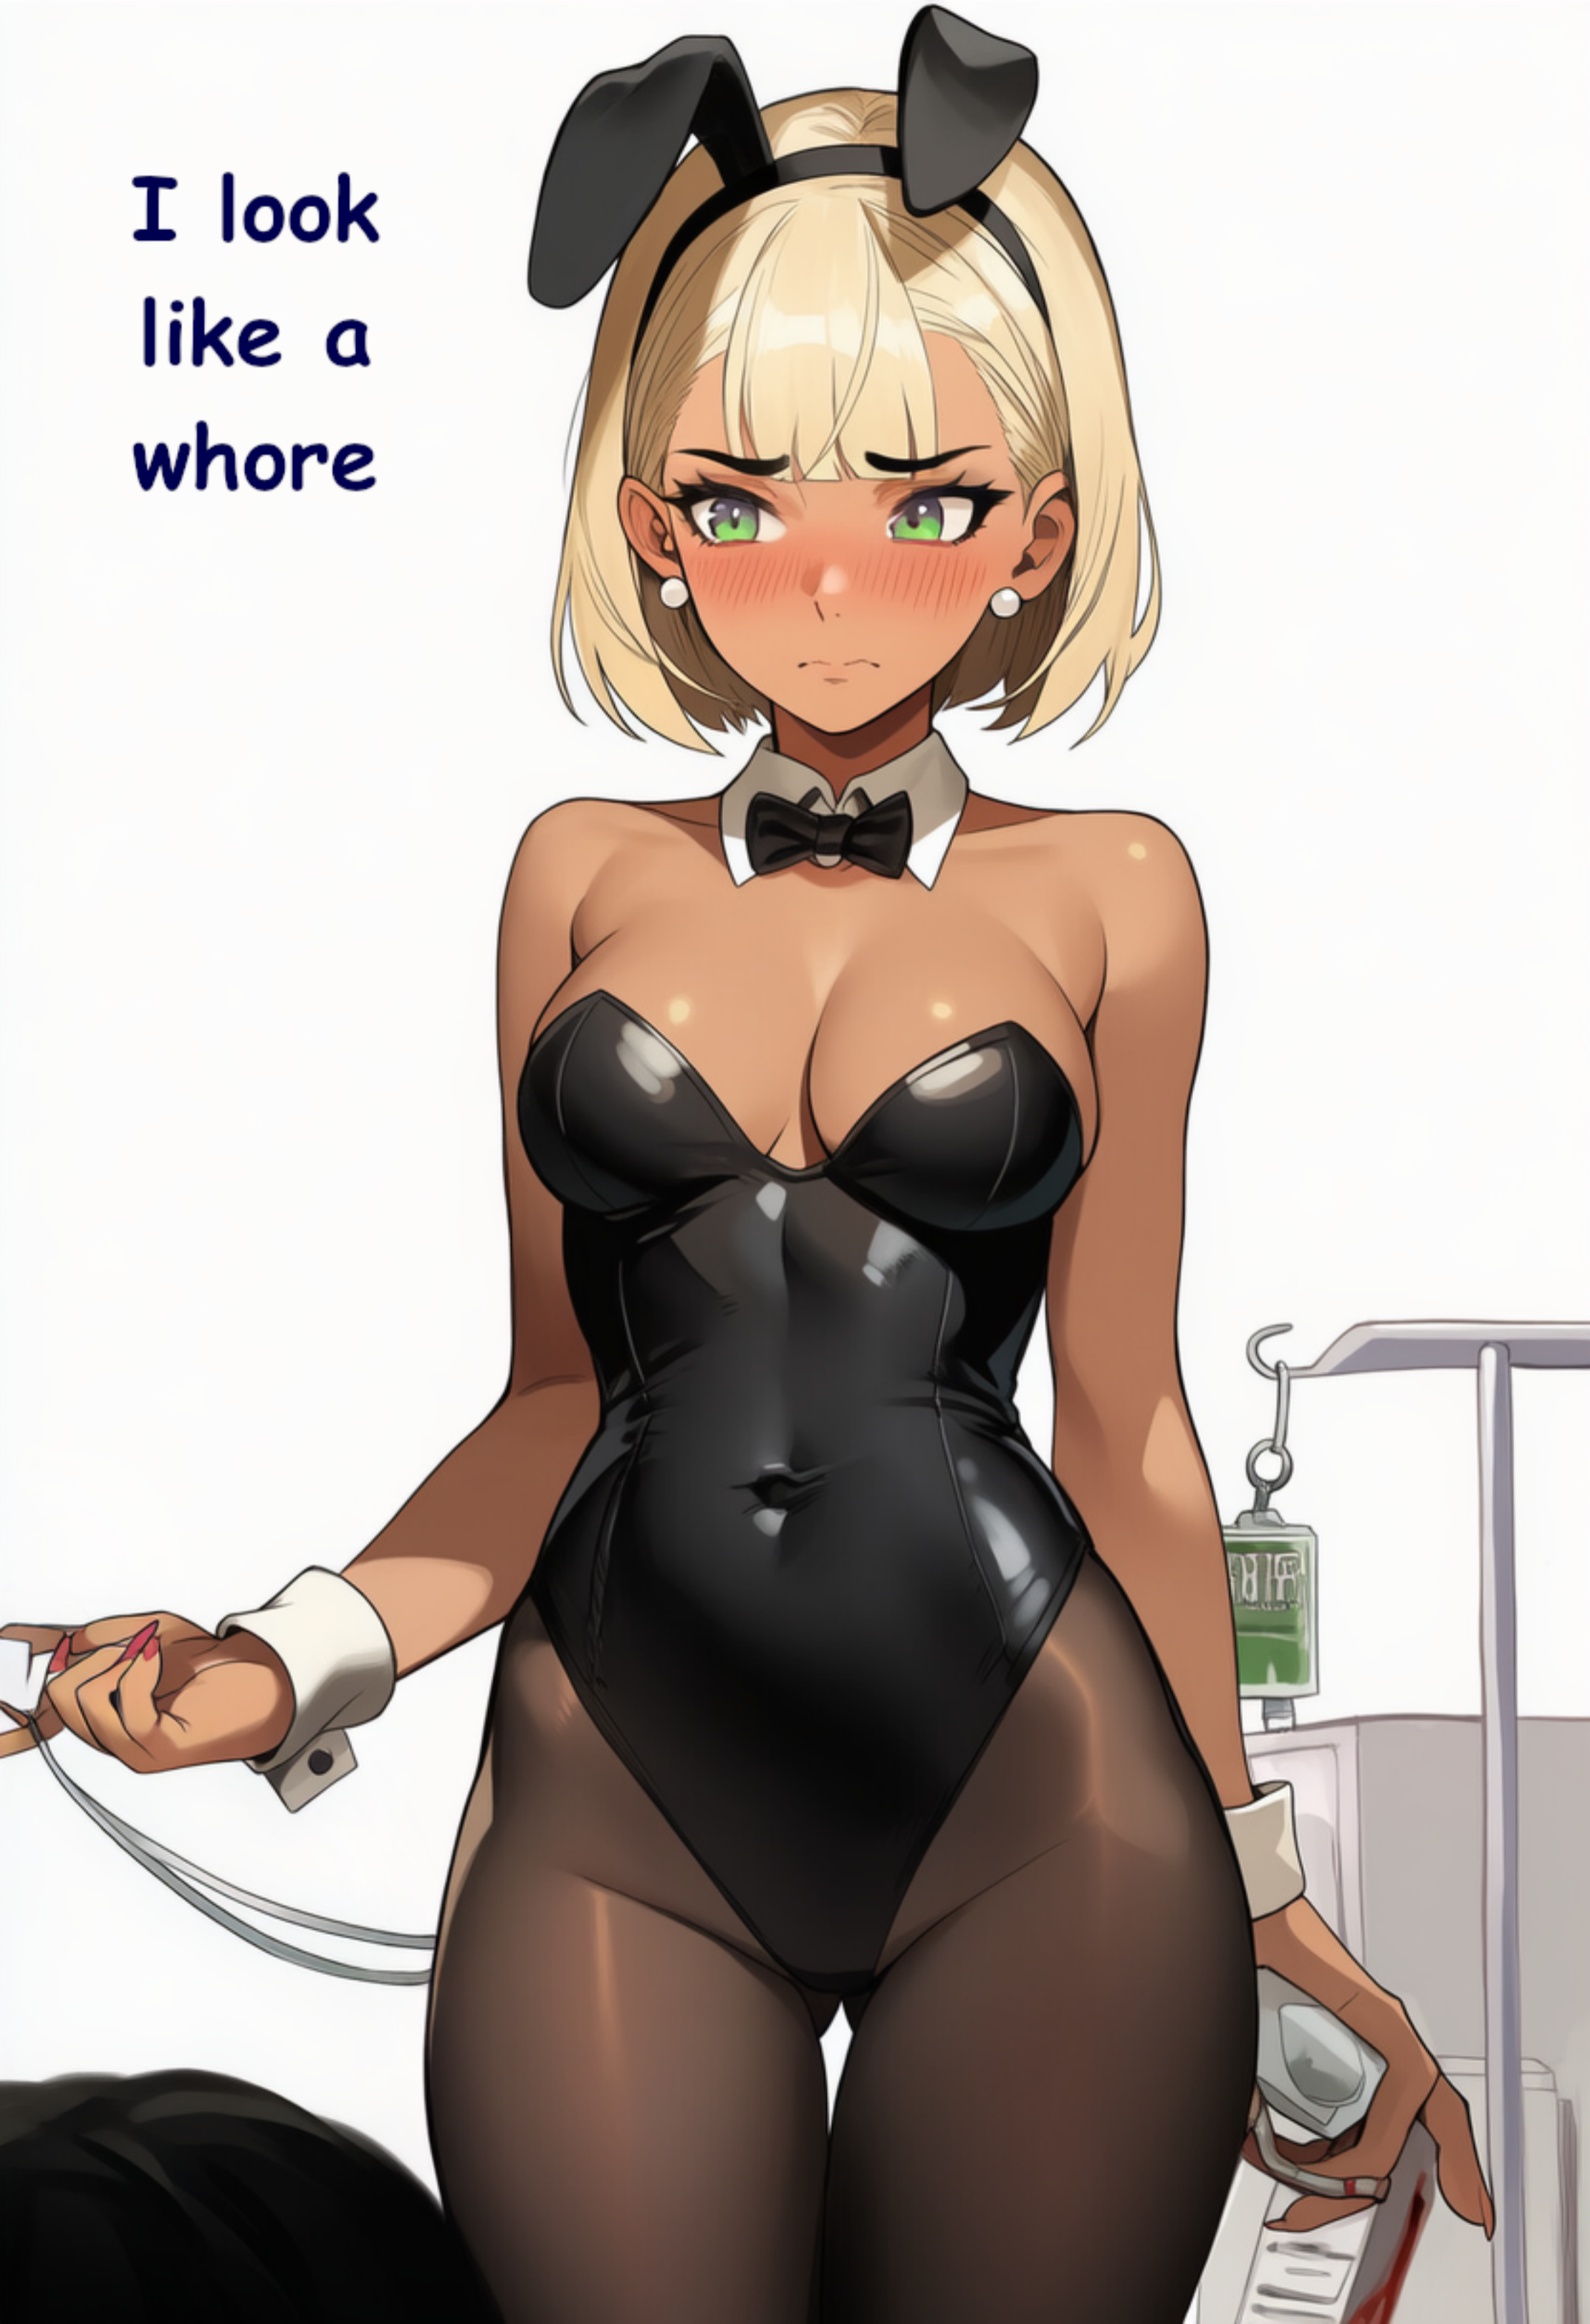

My breasts,
my penis,
my belly
button, this
looks very
permanent!!!

Dress in this

I look
like a
whore

That's
what it's
about
