STREET FIGHTER DECLASSIFIED

CHUN-LI

Dear Reader,

First timers, thank you for your purchase, I am glad to have you here!
For those returning, a special thanks is in order for the incredible amount of support you showed for The Lifting Spell, you are 100% the reason why STREET FIGHTER DECLASSIFIED exists today. Never undervalue the impact that a couple dollars can have. I am here as a maker because of you.

In that spirit, I feel I owe it to all to say where your money is going. Right now my focus is on continued education (creative tutorials, business lessons/strategy etc.) If I make a Patreon, even if its 1\$, it will be when I feel I can offer consistent value to you. There is balance that can probably be struck, but right now posting twice a week to Twitter is the best I can do.

If you wish to offer me additional support I have setup a Ko-Fi at:
ko-fi.com/theanon8919

I have many ideas in my head, and much studying to do so I ask you be patient with me.
Thank you again for your vote of confidence, and enjoy STREET FIGHTER DECLASSIFIED: CHUN-LI

Sincerely,

AN♥N8919
