Lyzianne: Is everyone okay?

----- 4 -----

Catherine: Yes!

Antoine: Yes!

Sacha: Yes!

Solarie: Yes!

----- 7 -----

Catherine: What happened to our clothes?

Lyzianne: The atmosphere here must be full of black magic, trying to corrupt everything. Our bodies are protected by our magic, sadly it seems our clothes are not.

----- 8 -----

Lyzianne: We are safe from the corruption for now, but we need to be careful!

Lyzianne: Girls and Antoine! You should all be protected as well, but stay alert! The environment can still infect you.

----- 9 -----

Antoine: Understood. We will all stay close to each other!

----- 10 -----

Lyzianne: Solarie! Are you alright?

Solarie: I don't know... I just felt something cold, must have been the wind on my ski...

----- 11 -----

Solarie: Ahhhhh!!!

Lyzianne: Solarie!

----- 12 -----

Sacha: Where is she?

Lyzianne: She was standing here, and then suddenly she disappeared!

Antoine: I just felt something next to me!

Sacha: Me too!

----- 13 -----

Sacha: Ahhhhhh!!!

Others: Sacha!

----- 14 -----

Lyzianne: It's a Shadow Wraith! Cat!

Catherine: I'm ready!

----- 15 -----

----- 16 -----

Lyzianne: Now!

----- 17 -----

Catherine: Take that, monster!!!

----- 18 -----

----- 19 -----

----- 20 -----

Lyzianne: We got it!

Catherine: Yes! We made it!

----- 21 -----

Lyzianne: But we also lost 2 great warriors.

----- 22 -----

----- 23 -----

Mysterious Woman: Well done, my pets! They will be perfect once turned into my servants.

----- 21 -----

Mysterious Woman: Such beautiful bodies, made to serve the Shadow.

----- 22 -----

Mysterious Woman: Two strong warriors who will soon heed the Masters command.

----- 23 -----

Mysterious Woman: I am sure he will be pleased.

----- 24 -----

Mysterious Woman: The power of the Shadow will turn them to evil!

----- 25 -----

Mysterious Woman: They will have no choice but to obey!

----- 26 (12-7) -----

----- 27 -----

Solarie: Oh, no! They captured us!

Sacha: We need to get out of here!

----- 28 -----

Mysterious Woman: And were do you think you will go?

----- 29 -----

Mysterious Woman: Better yet, how do you plan to escape my servant?

----- 30 -----

Mysterious Woman: Hahahaha!

----- 31 -----

Solarie: What the hell do you want?

----- 32 -----

Sacha: Our friends will save us!

----- 33 -----

Mysterious Woman: Oh, my dear!

----- 34 -----

Mysterious Woman: Your friends can't save you! I, on the other hand, can.

----- 35 -----

Mysterious Woman: Look into my eyes! You'll see I speak the truth!

----- 36 -----

Solarie: Your eyes... they're so... pretty...

----- 37 -----

Mysterious Woman: Yes! Look deeply! See the truth! You don't want to be saved!

----- 38 -----

Mysterious Woman: All you want is to serve the Shadow. All you want is to serve me!

----- 39 -----

Solarie: Yes. All I want is to serve you.

----- 40 -----

Solarie: I want to serve the Shadow.

----- 41 -----

Sacha No! Solarie! Look away from her! She's trying to control you!

----- 42 -----

Sacha: Solarie! Do you hear me?

----- 43 -----

----- 44 -----

----- 45 -----

Solarie: Yes! I hear you perfectly, sister!

----- 46 -----

Solarie: Thank you, Mistress, for opening my eyes!

----- 47 -----

Solarie: I feel so much better now that I see the truth. I must serve you and the Shadow, Mistress!

Sacha: No! Solarie! Please, snap out of it!

----- 48 (12-29) -----

Mysterious Woman: Now you just need to fully transform into a servant of the Shadow! Tell me, Solarie, are you ready to give up your old life and be reborn as a Shadow Knight?

----- 49-----

Solarie: It will be my honor! Please, Mistress, turn me into your knight!

----- 50-----

Mysterious Woman: Take this choker as a symbol of your submission to my will. Wear it with proudly! Your transformation has begun!

----- 51-----

Solarie: I accept this gift, Mistress! I will wear it with pride until the end of time...

----- 52-----

Solarie: As I am yours for eternity!

----- 53-----

----- 54-----

Mysterious Woman: You belong to me now, Solarie! Let your thoughts be filled by my dark presence. I am everything you want and everything you need! I am your Goddess!

----- 55-----

Mysterious Woman: You are my slave for eternity!

Solarie: I am your slave for eternity, Mistress!

----- 56-----

Mysterious Woman: Time for your new armor, Shadow Knight!

----- 57-----

Mysterious Woman: The woman you were is dead!

----- 58-----

----- 59-----

----- 60-----

Mysterious Woman: She is reborn into a loyal Slave!

----- 61-----

Solarie: Yes! I am being reborn, Mistress!

----- 62(12-43)-----

Mysterious Woman: Cast off your devotion to the Light! You now belong to the Darkness!

Solarie: I belong to the Darkness!

----- 63 -----

Mysterious Woman: From this moment on, your name is no longer Solarie!

----- 64 -----

Mysterious Woman: Henceforth you will be known as...

----- 65 (12-46)-----

Mysterious Woman: Viper!

Viper: Thank you, Mistress!

----- 66 -----

Mysterious Woman: Look at her, Sacha. Soon it will be your turn.

----- 67 -----

----- 68 -----

Mysterious Woman: Time to complete your transformation, Viper!

----- 69 -----

Mysterious Woman: Slave! Bring her the sword!

----- 70 -----

----- 71 -----

----- 72 -----

Mysterious Woman: Here, your new Blade, Viper! Take it! Let yourself become a weapon of Darkness!

----- 73 -----

Viper: It is so beautiful, Mistress.

Mysterious Woman: Do you sense its power?

----- 74 -----

Viper: I do, Mistress.

----- 75 -----

Viper: It's such a strange sensation.

----- 76 -----

Viper: Yes! I can feel it flowing into me... Changing me...

----- 77 -----

----- 78 -----

----- 79 (12-60) -----

Viper: It's so wonderful!

----- 80 -----

Viper: Yes! More!

----- 81 -----

----- 82 -----

Viper: The Darkness is my light! I will always serve it!

----- 83 -----

Viper: Darkness is bliss! I need to share it!

----- 84 -----

Viper: Darkness is pleasure! I...

----- 85 -----

Viper: ...will enjoy its embrace!

----- 86 -----

Viper: This is wonderful, Mistress!

----- 87 -----

Viper: I feel so powerful and Evil!

----- 88 -----

Viper: Now it's your turn, Sacha.

----- 89 (12-70) -----

Sacha: No!!!

----- 90 -----

Viper: Don't worry. You'll enjoy it, I promise.

----- 91 (12-72) -----

Viper: You will love the sensation.

Mysterious Woman: How about you show her your new gift?

Viper: With pleasure, Mistress!

----- 92 -----

Sacha: No!

----- 93 -----

Viper: I won't need my sword for this part. Better put it away.

Mysterious Woman: Show her, Viper!

----- 94 -----

Viper: Such a beautiful body! So alluring and strong!

Sacha: Solarie, please! Snap out of it!

----- 95 -----

Viper: Oh, darling! Don't be afraid. I have never felt more free!

----- 96 -----

Viper: I am no longer afraid to let myself go.

----- 97 -----

Viper: Mistress gave me something special. A gift. Maybe I should just show you...

Sacha: What are you talking about?

----- 98(12-79) -----

Viper: Let me show you, love.

----- 99 -----

Viper: Just a simple kiss...

Sacha: Wait! Stop...

----- 100 -----

Sacha: Mmm!

----- 101 -----

Sacha: Mmmmmmmmm!

----- 102 -----

Viper: Your gift worked, Mistress! My kiss completely drained her. She can't resist anymore.

Sacha: So weak... can't think...

----- 103 -----

Viper: She's all yours, Mistress!

----- 104 -----

Mysterious Woman: Excellent, Viper! Now...

----- 105 (12-86) -----

Mysterious Woman: Look deep into my eyes, Sacha! Feel the Darkness entering your mind!

----- 106 -----

Viper: Don't try to resist. It'll be over soon, Sacha!

Sacha: Nooo!

----- 107 -----

Mysterious Woman: Let my voice guide you, Sacha. Let my words lead you into the Darkness. Let them be your truth!

----- 108 -----

Sacha: Ahhhhh! Must.... resist!

----- 109 -----

Sacha: Can't hold on... I... must...

----- 110 -----

Sacha: Obey... feels... so... good!

----- 111 -----

Sacha: So wonderful...

----- 112 -----

Mysterious Woman: You are mine now!

Sacha: I am yours, Mistress.

----- 113 -----

Sacha: Thank you, Mistress, for freeing my mind.

----- 114 -----

Sacha: I can't wait to become like Viper.

Viper: Time to put on your collar then.

----- 115 (12-96) -----

Sacha: Yes! Give me my collar!

----- 116 -----

Viper: Once you put it on, the old you will fade from your mind and be replaced by your new persona.

Sacha: Yes! I want a new life in service of the Mistress!

----- 117 -----

----- 118 -----

Sacha: I am ready, Mistress!

----- 119 -----

Sacha: Make me yours for eternity!

----- 120 -----

Mysterious Woman: As you wish, my pet. Let the Darkness change you into its eternal servant!

----- 121 -----

----- 122 (12-103) -----

----- 123 -----

Mysterious Woman: Let it turn you into a perfect warrior!

----- 124 -----

Mysterious Woman: Sacha is gone! From now on you will be...

----- 125 -----

----- 126 -----

Mysterious Woman: Sinn! My Shadow Knight!

----- 127 -----

Mysterious Woman: Welcome, Sinn, to your new life!

----- 128 -----

Sinn: Thank you, Mistress!

----- 129 -----

Mysterious Woman: Now, take your sword and complete your transformation, Sinn!

Mysterious Woman: a Shadow Knight!

Sinn: Yes! I am a Shadow Knight!

----- 139 (12-119) -----

Sinn: I serve the Mistress and the Shadow realm!

----- 140 -----

Sinn: I am one with the Darkness!

----- 141 -----

Sinn: How may I serve you, Mistress?

----- 142 -----

Sinn: I swear to make you proud!

----- 143 -----

Mysterious Woman: Excellent! Time to prepare for our guests.

Viper Yes, Mistress!

Sinn: Yes, Mistress!

----- 144 (13-1) -----

Lyzianne: Right, this is where they were heading when we lost them.

----- 145 -----

Catherine: It's so quiet here. This realm is so strange...

----- 146 -----

Antoine: Looks like no one has been here for a long time.

----- 147 -----

Lyzianne: Stay sharp, we have no Idea what to...

----- 148 -----

Lyzianne: Oh! Camille!

----- 149 -----

----- 150 -----

----- 151 (13-8) -----

Lyzianne: We need to be careful!

----- 152 -----

Lyzianne: Antoine, make sure we won't be surprised while we look at her.

Antoine: Camille... Yes! I will cover your backs, Lyzianne!

----- 153 -----

Catherine: What did they do to her?! I really hope she's ok...

Lyzianne: it's just a crystal spell to trap her. She should be fine, but we need to get her out of there.

----- 154 -----

----- 155 -----

Lyzianne: Cat! I need you to look around with Antoine. Make sure nobody can surprise us.

----- 156 -----

Lyzianne: Whoever they are, they clearly left her as bait! Make sure we are safe before we try to free her. I can protect myself, but you are still inexperienced, so go with Antoine.

----- 157 -----

Catherine: I'm sorry, Camille! I'll be back quickly. so don't worry. Let's go, Antoine! We have to clear the place!

----- 158 -----

Lyzianne: Don't worry, sister! I will get you out of that as soon as we're sure it's safe.

----- 159 -----

Lyzianne: I'm so sorry we couldn't get here fast enough to prevent this. If I had just let you go with Catherine this morning, we wouldn't be here.

----- 160 (13-17) -----

Lyzianne: What was that!?

----- 161 -----

Lyzianne: Antoine, is that you? Catherine?

----- 162 -----

----- 163 -----

----- 164 -----

Lyzianne: What!?

----- 165 -----

Lyzianne: Ah! Mmmm...

----- 166 -----

Camille: Hahahaha! I got you, darling!

----- 167 (13-24) -----

----- 168 -----

Camille: So careless, falling right into my trap!

----- 169 -----

Camille: Don't look at me like that, Lyz! It's for your own good! I promise you'll thank me later!

----- 170 -----

Catherine: It's all clear, Lyz! Antoine is still taking a look at the upper floors, but I think we're...

----- 171 -----

Catherine: Oh, no! Lyz!!!

----- 172 -----

Camille: Oh! Hello, Catherine! Lyzianne is currently unavailable, but I am here for you!

----- 173 (13-30) -----

Catherine: What did you do? What happened to you, Camille?

----- 174 -----

Camille: I was reborn! The Shadow Lord showed me the power of Darkness!

----- 175 -----

Camille: And I must say, I love it!

----- 176 -----

Catherine: Oh, no! This is bad! This is very, very bad!

----- 177 -----

Camille: Have a little taste of my new power!

Catherine: Shield!!!

----- 178 -----

Catherine: Ahhhh!

----- 179 -----

Camille: The Shadow Lord opened my eyes, just as he will open yours!

----- 180 -----

Camille: He changed me into something more powerful, something the Shadow Realm hasn't seen in a long time!

----- 181 -----

Camille: Something even the Light will fear!

----- 182 -----

Camille: He changed me into a creature of pure Darkness!

----- 183 -----

Camille: Hahahahaha!

----- 184 -----

Camille: Beware!

----- 185 -----

----- 186 (13-43) -----

Camille: The Black Witch!!!

----- 187 -----

Camille: Long live the Shadow Lord!!!

----- 188 -----

Camille: Soon you both will serve him as well!

----- 189 -----

Catherine: No! Camille, not you! How? I won't let you take Lyz to him!

----- 190 (13-47) -----

Camille: Don't worry, you will come with us! Now, ladies!

----- 191 -----

Viper: Hi, Cat!

Sinn: Have you come to join us?

----- 192 -----

Viper: The Darkness feels so good once you let it corrupt your soul!

Sinn: It's such bliss, I never felt so free! Come, join us!

----- 193 -----

Antoine: Oh no, not on my watch!!!

Catherine: Antoine!

----- 194 -----

Antoine: Sorry, I was busy with another Shadow Wraith.

----- 195 (13-52) -----

Antoine: Who is that creature?

----- 196 -----

Camille: Oh, my love. Don't you recognize your wife?

----- 197 -----

Antoine: Camille!? Impossible! You had such a good soul!

----- 198 -----

Sinn: And look at what she turned us into!

----- 199 -----

Viper: She made us her knights! Her good soul is gone!

----- 200 -----

Antoine: I can't believe that! We're coming, Lyz, don't...

----- 201 -----

Antoine: Cat, what are you doing?!

Catherine: That's not me!

----- 202 -----

Catherine: No, Lyz!

----- 203 (13-60) -----

Viper: They fled, Mistress!

Sinn: Cowards!

----- 204 -----

Camille: Don't worry, my pets.

----- 205 -----

Camille: She left her staff behind.

----- 206 -----

Camille: We will find her soon! But before that...

----- 207 -----

Camille: It's time to take Lyzianne to our Lord!

----- 208 -----

Camille: Once you become a Black Witch, our Lord will be a step closer to unleashing the Shadow Realm into the world!

----- 209 -----

Camille: I can't wait to see you embrace the Darkness!

Camille: We will be sisters again soon, Lyzianne!

Camille: Then it will be Catherine's turn to join us!

Camille: Hahahaha!
