## A UNIQUE ARRANGEMENT.

“Do you want to meet for a cup of coffee?”

Clark smiled when he read Andrea’s text. He knew that her husband wouldn’t be invited, since he hated coffee with a passion. It would be only the two of them. Clark never said it out loud, but he always felt a certain attraction for Andrea, his best friend’s wife.

The friendship between Clark and Matt had been going strong for years, even before Matt met his wife, Andrea. The two men met at college and they hit it off quickly when they had to work together on a group project. The years passed, and they remained friends even though Matt’s priorities changed once he met Andrea. They dated for a couple of years before he proposed and she said yes.

Clark was his best man at the wedding, and he gave a heartfelt speech during it. Many people cried, including the newlyweds. It was a celebration that most of them would remember for a long time, and it resulted in a closer relationship between the two friends. The friendship would expand to include Andrea since she was now part of Matt’s life.

The man snapped back to reality after diving into his memories, and read the text again before replying.

“When and where?”

He set the phone down and went to take a shower. The man was tall and athletic, with a handsome face that would often draw the attention of the girls around him. His short black hair served to highlight his defined jaw, and his big hands were the protagonist of many female fantasies. He stayed in shape thanks to his job as a private trainer.

On the contrary, Matt wasn't as good-looking. He wasn't as tall as Clark, and he wasn't athletic since he didn't work out often. His job usually had him sitting on a chair all day long, which didn't help. He had pretty eyes, but they were obscured by his glasses.

Clark got out of the shower and dried himself off while reaching for his phone. There was a new message.

“The coffee shop near your place in an hour.”

He got dressed and looked at himself in the mirror to make sure that he was looking sharp. He wondered what Andrea wanted since she never asked him to meet like this, but he had a good idea of what was going through her head. She was a beautiful woman, a tall blonde with green eyes and a few freckles that adorned her face and back, married to a man that wasn't paying enough attention to her.

He entered his car and arrived at the coffee shop a few minutes before the hour was up. Andrea was already there, so she was probably in the neighbourhood already when she sent that text. The coffee shop was fairly empty, and she was sitting close to the back, away from the rest of the customers.

“You're early,” she said with a smile.

“And yet you're already here,” he retorted with a smile of his own.

“I was in the area.”

That last part confirmed Clark's suspicions. He wondered if he was right about the reason for the invitation as well.

"Have you ordered?" he asked.

"No, I was waiting for you."

"All right. Let's get something."

The handsome man raised his hand and a young waitress quickly rushed to their table. She shamelessly stared at him while her mouth opened and closed, trying to compose herself enough to take their order. Clark chuckled to himself, but he didn't do anything to embarrass her. The young girl came to her senses when her eyes crossed with those of an amused Andrea.

"Hi, welcome. What can I get you?"

"A cappuccino, please," said Andrea.

"Black coffee for me," said Clark.

"Right away!"

They watched as the waitress walked away before returning to their conversation.

"I think she likes you," said Andrea with a smirk.

"Maybe. Did you see how startled she was when she saw you? She probably thought we're here on a date or something like that."

Andrea put a blonde lock behind her ear, trying to hide a subtle smile.

"How are things? Did something happen?" asked Clark, trying to figure out why they were there.

"Things are fine, for the most part. It's been a little rough lately, I'm not going to lie."

"What happened?"

“It’s hard being alone in that house. Matt has been working overtime lately and I barely see him anymore.”

“Mhm.”

“I’ve been lonely, I suppose. And to be honest, we’ve been drifting apart lately.”

The young waitress came back to the table with their order. She tried not to stare at Clark this time and disappeared without a word.

“I can imagine. It gets lonely sometimes when you’re by yourself in a big house. I feel like that sometimes.”

“Yeah, right,” said Andrea with a smile and a wrinkle on her forehead. “The difference is that you can bring any girl home whenever you want.”

“And who said that I want to have just any girl?”

The tension between them rose as they slowly drank her coffee. Besides one time when the waitress came along to make sure that they didn’t want anything else, they were undisturbed in the back of the coffee shop.

It was the first time that Clark and Andrea were spending time by themselves, and Clark had the feeling that Matt didn’t know about it.

They spent at least an hour talking, and they asked for another coffee for each one, but he flirted a little with the waitress this time.

The young girl was blushing hard when she walked about after getting them their second cup, and Andrea had an odd expression on her face.

“What was that about?” she asked.

“What do you mean?”

“Don’t play dumb. You talked to that girl as if you wanted to take her back home to fuck her brains out.”

Clark knew that she was jealous. It was written all over her face. He took a sip from his black coffee before continuing to tease her.

“Is that what you think? That I’m going to invite that girl back to my place?”

“I don’t know. Maybe.”

“Mhm. I didn’t know that you were so invested in my sex life.”

Clark was messing with her and she knew it. Her cheeks got bright red, just like it happened to the waitress. She tried to calm herself down with a sip of her coffee, but the truth was that she was already walking the line harder than she thought she would.

Why was she there anyway? She wanted Clark, there was no doubt about it, but she wasn’t expecting to flirt so openly with him.

“Who says that I’m invested in your sex life? Maybe I just want you to be happy, and it looked like you were getting along with that girl.”

“I also get along with you, why don’t I take you back to my place instead of her?”

He was joking, judging by the tone of his voice, but her heart still skipped a beat anyway. She was getting swept up by his charisma. He was handsome, charming, and had the most beautiful voice she had ever heard. The thought of her husband appeared in her mind, but she chose to focus on the moment.

“Don’t make offers that you can’t fulfil,” she said.

“I can definitely fulfil it.”

He leaned closer to whisper in her ear.

“I can fulfil all of your fantasies.”

He leaned back and finished his coffee. He called the waitress to pay their bill, but he didn’t flirt with her this time. There was no need for it, the woman that he would take back home was sitting in front of him, putting another golden lock behind her ear to try and calm her nerves.

Andrea got in his car instead of hers, and they went to his place.

She was visibly nervous, but she still kissed him as soon as he closed the door to his apartment behind them. Just as he thought of her as attractive, she always thought the same about him, but none of them said anything because she was married to his best friend. They didn't want to pretend anymore that day as Andrea threw himself in his arms.

Their lips locked in a passionate kiss, and he used those big hands that she fantasised so much about to touch her slim and curvy body. She moaned with pleasure and excitement, losing any inhibitions that she still had. Her right hand reached for his crotch and she touched his bulge with her fingertips. She paused for a second because she never imagined that his cock would be that big.

A smirk appeared on his face as he picked her up and talked to his room to throw her on his bed. She bounced a couple of times, laughing from a mix of nervousness and excitement. The way he handled her just now turned her on more than the kiss, and her panties got soaking wet because of it.

“Take me. I'm yours,” she pleaded.

Clark took his shirt off, revealing his chiseled chest and abs, and demanded that she took her top off. She was so desperate to comply that she almost ruined her top by pulling it too harshly. Both pieces of clothing ended up on the floor as they admired each other's bodies, barely able to hold back the lust that invaded them and took over.

He climbed on the bed and literally ripped her panties off in one swift motion after he took her pants off. A quick moan escaped her lips as the man took control of her and the situation. She threw her hands behind his neck and kissed him on the lips again and again, as his hands squeezed her thighs and spread her legs in preparation for what was coming.

Their first time fucking was one that they would remember for a long time. His cock entered her without a second thought, aided by how wet and horny

she was. This time, it was a scream instead of a moan, as his enormous cock stretched her tight pussy with each thrust. Matt couldn't compare at all. Clark was dominant, handsome, and amazing at fucking.

“Fuck me harder!”

His thick cock has tough to handle, but she eased into it after a few minutes. They were a mess of sweat and spit, releasing years of pent-up desire. She could feel how the orgasm built up and exploded from deep inside her, spreading the euphoria from her hips all the way to her fingertips. The way her tight pussy squeezed him erratically thanks to her orgasm caused him to have his own. Thick ropes of semen shot from his cock directly inside of her, and he pulled out near the end of it to get some on her stomach.

He just fucked his best friend's wife and came inside her, but the only thing that he could think about was how good it felt to be inside of her.

Clark and Andrea saw each other regularly after that day, and her mood improved considerably because of it. Maybe her husband couldn't satisfy her, but Clark sure could. As time went on, Andrea couldn't care less if Matt found it, and she even brought it up herself after she invited the best friend over for dinner.

Andrea's behaviour changed over time, and Matt was trying to figure out why. He even cooked dinner that night for the three of them to keep his wife happy. Clark arrived at their home and Andrea went to open the door. They kissed on the lips while Matt served the food. They went to the dining room and Matt hugged his best friend.

“Clark! It's been a while. I'm glad that you could make it.”

“Of course. Andrea invited me personally, after all.”

Matt and Clark spent some time talking about the past and what they went through together as they grew up. Everything was going well, but Matt couldn't shake off the feeling that something wasn't quite right. Maybe it

was the way that Andrea looked at him, or how she would laugh at all of his jokes, or something else.

He shook his head to snap himself out of it. Of course, there was nothing weird going on between his wife and his best friend, right?

The night came to an end eventually, but it was only after Clark left that Andrea dropped a bomb on him: she told him that she had been seeing Clark for a few weeks now and that she was happier than ever.

He froze as his whole world crumbled in front of him. Was she serious?

Clark was driving home when he got a text from Andrea: “I told him.” He pulled over and read the text a couple of times, before replying.

“Is everything okay?”

“Yes. We’ll still see each other. I told him because he can’t keep us from being together anyway.”

“All right. I’ll see you soon in that case.”

Clark took off again, laughing at how easy it was to fuck that beautiful woman and get away with it, even if it was his best friend’s wife.

Andrea invited Clark for dinner again the next weekend, but he sat on Matt’s seat this time. He was confused and felt emasculated, but he didn’t protest. What could he say anyway? Clark was superior to him in every way, and Andrea seemed happy to have him close to her. It killed him inside and he wanted to cry, but he stuffed his face with food instead to try and push those thoughts to the back of his mind.

Matt thought that the worst part of the night was when his best friend took his seat, but he was far from being right. They finished with dinner and talked for a while, although it was Clark and Andrea talking while he was sitting there, like a third wheel. He checked the time as it was getting late, but his friend never left.

Clark, on the other hand, was enjoying himself and what nobody else knew is that he never had any intention to leave. He got bold, touching Andrea's thighs under the table while they talked, which got a giggle out of her. She was wet already, but what could be done about that?

"Hey, Matt," said Clark. "It's late so I think I'll stay for the night. Why don't you watch TV for a while in the living room while I take Andrea upstairs?"

To say that Matt was stunned would be an understatement. Clark stood up and grabbed Andrea's hand to take her upstairs. Matt snapped out of it when he started hearing her moans. He couldn't believe it, but it was actually happening: his best friend was upstairs fucking his wife on his own bed, and there was nothing that he could do about it.

Back in their room, Clark couldn't wait for Andrea to undress fully. He bent her over the bed, flipped her skirt over, and pushed her panties to the side. He spat on the tip of his cock just to make sure that it would go in, and he forced it into Andrea's tight pussy. She grabbed the bedsheets as if her life depended on it while that hunk of a man railed her from behind.

He was more aggressive than ever. The man grabbed her hips with such force that she would have a series of small bruises the next day, and he buried his nails in her skin to have better leverage. His thrusts were so powerful that Andrea couldn't even talk. She wanted to tell him how wonderful his cock felt inside of her, but an incoherent mess is the only thing that came out of her mouth.

Her arms failed her and she ended up with her face against the bedsheets. The muffled moans still filled the room as the man fucked her like that was no tomorrow. Matt was sniffing downstairs, with the TV as loud as possible so he couldn't hear how his wife was getting fucked by his best friend, but even the noise coming from it couldn't mask it all.

Andrea couldn't handle all of that. She came so many times that she couldn't keep track of it, as the man relentlessly continued fucking her. The whole room, which belonged to Matt and Andrea, smelled of sweat and sex.

“Fuck my tight little pussy! Do it harder,” she finally mumbled out.

“You don't need to tell me what to do, you're my little whore tonight.”

Clark pulled out and emptied himself on her back when his orgasm finally arrived. The amount of cum that he released was so much that even she was surprised, but also glad at the same time. His seed felt hot on her skin, which didn't help her calm down. Her head was spinning from cumming so many times that night.

Her ass cheeks were bright red from all the spanking and punishment that he put her through, but it was the kind of pain that she enjoyed.

Clark spent the night in their bedroom while Matt eventually fell asleep on the couch downstairs. When the latter woke up the next morning, it took him a few seconds to remember why he was downstairs, and a new wave of sadness hit him.

His best friend and wife walked downstairs as he was sitting up. He looked at them, trying to hide his pain.

“Morning, Matt,” said Clark with a bright smile. “Why don't you make some breakfast for everyone?”

Matt sighed and went to the kitchen, while Clark kissed Andrea on the lips and squeezed her ass right there, in the living room. Matt remained silent as he cooked some scrambled eggs with bacon and toast. Andrea seemed happy, so what was he going to do about it?

The whole house smelled wonderful, and they all sat down to eat breakfast. Clark and Andrea talked in detail about what happened last night in the bedroom, how big Clark was, and how skilful he was when it came to sex. Matt sat there, listening to everything.

“I think I'll spend more time around here. You guys have a beautiful house,” said Clark.

Andrea was visibly excited at the idea while Matt kept his eyes down, staring at his plate. She kissed Clark on the lips, and she thought about something else that he could do for him. She massaged his cock until he was hard, and then she dropped to her knees.

Matt couldn't believe that it was actually happening as he saw how his wife took Clark's cock out of his pants and put it in her mouth. Her juicy lips massaged the shaft as her head went up and down. Her tongue teased the head relentlessly, which got a deep moan out of the man. She had never shown such enthusiasm when sucking her husband's cock, but she was really into it now.

His big cock was covered in a thin coat of saliva from her eager movements. He grabbed her hair, messing it up as she guided her head the way he wanted.

"I'm going to cum," he said.

She nodded and opened wide before grabbing his shaft to direct his semen to her mouth. She caught some of it, swallowing with delight, but the rest landed on her face. For Matt, it was like something out of a nightmare, but for Andrea and Clark, it was a dream that had just begun.

Clark smiled as Andrea wiped the rest of his cum from her chin with her finger. He let out a deep sigh of satisfaction when he put his cock back into his pants.

"Yeah. I think I'm going to come here more often."
