

For me the most exciting part of any sexual encounter is surprising the women with my larger than expected cock. This first stemmed from an encounter I had in my early teens, when the older sister of one of my friends accidentally walked in on me while I was changing.

Now this girl, Amanda, was HOT, she was about 18 years old easily the most beautiful girl in the local city, her beauty was practically legendary as she had won several modeling competitions. I had always had a timid crush on her as everyone who saw her did, but she was way older than me and my friends , and I was no where close to her league. At first I was embarrassed by the changing incident, but a few weeks later I started hearing rumors around my school that I was "huge" and girls were taking more interest in me.

I have thought back to the moment many times, I do remember Amanda's eyes growing big at the sight of my cock, and the surprise to see such a well endowed cock on such a young boy must have made quite an impression on her. The usual bored, slightly smug expression she normally wore was wiped away, replaced by this new expression i could not identify. The fact that she thought I was "huge", to the point of telling other people was a major compliment and greatly inflated my ego. I had only wished she could have told me this in person.

I spent many years jerking my cock to the thought of impressing the older, stunning Amanda, but sadly she went off to college the following year as I was just starting high school.

The next few years of my life I desperately wanted to recreate this experience of an older , more experienced woman being surprised and awed at my cock. I was close to 13inches long (13.1 inches) and very thick by the time I was 18. I did have a lot of options for girls in high school but only the ones who had heard the rumors. I wasn't particularly outgoing or social and I found the premise of getting with a girl who already knew I was big much less exciting than "revealing" it to her. I ended up getting my first blow job from a senior while I was only a sophomore, she told me I was her biggest while she used both of her hands to jerk and suck my cock , and after she swallowed she told me that she was in love with my cock, and that I was a stud. She was a short jewish girl with dark hair and huge tits. She wasn't the most attractive girl in school, but she had a great body and she had a reputation for giving good blowjobs and I knew she had been with lots of guys before me. It was probably my best sexual experience but i was too socially awkward to follow up on it and I ended up having few other chances to reveal my size.

My college career started out similarly disappointing for me as well. My social skills didn't do me any favors and without my reputation to go on, I had little success with the older girls when i was an underclassmen. I was also short or just below average height, about 5'7" so most of the hotter girls at college had little interest in me as they were more drawn to taller, beefier looking guys.

It's not that I was unattractive, I was just average looking and not very good in social situations so I didnt get very much attention from girls in general.

During my first summer I stayed at my university to work a summer job. The hours were light and I had a

lot of free time. Not a of students were in town so it was a pretty lonely existence, i had an apartment to myself.

There was a beach a few minutes from my apartment that I would hang out at. One day i noticed two stunning girls who were sun tanning next to each other. They were both tall and very fit. I soaked in the tight curves of their legs and abdomens from afar, but trying not to stare.

Eager to get their attention, i took my stand up paddle board into the water for some light exercise near them. There were only a few people around so I knew they would notice me. A few minutes later i saw one of them pointing at me and coming out into the water.

I paddled in closer to her.

"Hey! We like your board! Is there any chance me and my friend could try it?" - she asked

"Well.." I said "I guess so, what are your names?" I was so awkward socially even when I had an in.

"I am Ashley and that's Kate" she said, gesturing back to her friend who was still sitting back at the beach.

"Is it hard to do" She asked

"No, you can probably figure it out " I said, thinking in my head that she looked very athletic but not sure how to say that.

"Do you ski? Its kinda like that" I said.

"No, we both played volleyball in college though" She said. Oh, that explained the height, she was much taller than me , maybe close to 6 feet tall.

"Oh ok, here let me show you" I said, showing her the correct technique. I proceeded to show Ashley how to use the paddle board, and she fell a few times with laughter, she was very fun and happy, it really complemented her gorgeous body and I was instantly attracted to her.

"So you are no longer in college" I asked trying to figure out how old they were.

"Haha oh no we are both in graduate school, how about you?" I told them my age and that I was going to be a sophomore in the fall.

"So ..." she said "How old do you think I am? " she asked.

"Um... you look young, maybe 24?" I said honestly,

"Hehe good guess, I am actually 29, but Kate is 27" she told me.

Oh wow, I thought, these hot ladies were both nearly 10 years older than me. I immediately realized that this was the classic scenario I had so often wanted in the past. I just had to figure out how to capitalize.

Ashley had dark blond shoulder length hair, she has a friendly, girl next door demeanor to her that made her even more attractive, which was surprising since she had an incredible body. She was tall and slender, her stomach and legs were so toned and flat as I had noticed from afar. Her breasts were actually quite large for her body, I would estimate C cups and she had a few times where she had to "stuff" herself back into her bikini top while she was getting out of the water after falling. Her face was probably her best feature, she had blue eyes and a small, cute nose. Her body was so impressive I would have normally been very intimidated by her but she was so friendly and down to earth that she made me feel more comfortable.

"Hey Kate come give it a shot" she gestured to her friend on the beach.

Kate wavered her off laughing.

"She's shy" Ashley whispered to me giggling.

"Come on!" she tried again.

Stubbornly Kate got off her towel and began wading out to the ocean. I think my heart beat quickened for a moment as Kate walked toward us. Like Ashley she was tall and slender, but with red hair and a shy, more self conscious demeanor. She had nothing to be shy about, just like Ashley her body was jaw dropping, she could have easily passed as a run way model and her face also looked the part. She had a shy/ fierce look to her that I found very sexy, less outwardly friendly than Ashley's but maybe more sexy for that very reason.

"This is Mike, Mike this is Ashley" I shook her hand which was weird and made the girls laugh. I hated myself for doing weird things like this.

"Hi" Kate said quietly, but with a light smile, she sure was shy

"Mike why don't you show her how to use the board? He's a good teacher" said Ashley

"Ok, well, like i was TRYING(emphasis) to show Ashley " chuckle, "You want to stand kindof like how you ski, with your legs slightly bent at the knees and your weight just a little forward so" I showed her as I stood up on the board. I was glad i had been working out the past few months, realizing I was half nude with these two stunning girls watching my every move.

"Once you have a good sense of balance, you can try to paddle" I said, showing them how to move

forward.

"Ok your turn" I said, glad that the attention would be off me for a second.

"Ok fine" Kate said, with a somewhat dismissive laugh.

Kate got onto the board and to both me and Ashley's surprise she seemed to get it right away, she stood up immediately and had no trouble balancing.

"Is this supposed to be hard ?" she laughed while Ashley cheered her on.

"Uh oh wait how do I turn?" Kate asked as she paddled away from us.

"Um, you kinda have to paddle in the other way" I said, releasing I wasn't really explaining it well.

"Oh no!" Kate yelled, she had started slipping backward, falling off the back of the board and almost directly on top of me.

Without really realizing what was happening, I tried to cushion her fall by supporting her with my arms as she fell into me. For a moment in the water her body and waist were pressed against me and it felt so good, her skin was so smooth and her body felt so delicate and feminine.

"Oh sorry!" I said timidly not trying to act like i was creepy

"Oh thats ok" Kate said, getting back up to try again.

After a few minutes I let Kate and ashley play with the board for a bit by themselves while I went back to the beach. I decided I had to muster the courage to ask them to come by for a drink. I wasn't sure how to ask but I knew I had to try.

I watched the girls as they took turns, I wasn't sure which of the two girls I liked more, they were both so hot. Ashley had those big tits, but something about Kate's shy demeanor and the way she moved was very sexy to me. Both of them were so tall, but they were so skinny and i couldn't stop admiring their tiny waists.

They both got tired and decided to both sit on the board and relax for a bit, they looked great with their wet glistening bodies shining in the sun. I could tell they were talking and I thought one of them might have looked at me for a moment. I wondered how i was going to get these two gorgeous girls to hang out with me later.

Eventually they came back to the beach and thanked me for the board. I couldn't figure out how to ask

them so I ended up punting, deciding to using the board myself. I was definitely thinking of them the whole time, paddling hard and fast hoping they would be impressed after they had already tried themselves.

I finally mustered up the courage to ask them to come by for a drink, and started heading back. As I got in , Ashley came toward me

"Oh hey! are you leaving already"

"Oh. yeah.." I started to say, about to try to invite them but Ashley interrupted

"Oh well me and Kate live a ways away, and we didn't want to head home yet, do you, I dunno have any drinks?" she asked.

"OH haha thats funny I was just about to invite you both, I live just down the street" I said, trying to play down my excitement.

"Great, should we follow you? We can grab our stuff."

"Sure" I said, a bit too excitedly maybe.

Me , Ashley and Kate started to head to the parking lots, Kate and Ashley put lose fitting skirts on and I tried my best not to sneak glimpses at them as we discussed the plan, these girls were smoking hot, and they were coming back to my place for drinks!

Ashley was clearly the more social and she asked me a bunch of questions like what I was studying, where I was from etc.. I was answering but trying to sound fun with answers like "I don't know, I spend most of my time getting drunk and sleeping" etc..but not so dumb as to scare them away. I knew they were in grad school so were probably not really the party type but I didn't really know for sure. Ashley seemed really fun but Kate was so quiet I couldn't really get a read on her.

I found out the Ashley was at the medical school while Kate was in the environmental science grad program. Both of them seemed really smart and were easy to talk to but they both also admitted they didn't know a lot of people on campus and were bored out of their minds for the summer.

"I know right? This place is so dead in the summer." I said. "Don't worry lets have a few drinks, I have a full bar!" I told them

"Great, thats just what we needed" Ashley responded back, beaming her gorgeous smile at me that made me melt. She gave Kate a little push as she wasn't quite as enthusiastic but Kate gave a smile to show she was also looking forward to it.

We got to our cars and I told them to follow me to my place. I had a moment of panick when I saw them both looking at their cell phones. What if they have other things come up? Or if they decide I don't seem interesting or fun enough?

Ashley called me back just as I was pulling out. My heart sunk as I figured they had decided to do something else.

"Hey, What's your number? In case we get lost?" she said.

Relieved, I gave Ashley my number and they proceeded to follow me the short drive back to my place.

During the drive I tried to plan out what to do. Ok, I will bring them drinks, maybe we can play a drinking game or something so that they get drunk, I thought. Or maybe since they are older than me they will think that's too immature, I worried. I could put on some jazz music or something more sophisticated.

When we got back to my apartment I showed them where to park.

We all walked into my apartment together and Kate went straight to the bathroom.

"Well mike, after all that work I order you to make me a drink!" Ashley said with a laugh.

"Sure thing, what would you like?" I asked laughing back.

"Hmm... what do kids in college drink these days?" she asked somewhat mocking me.

"Um... beer,.. maybe Jager or redbull vodka" I said.

"Lets do a Jager shot!" she exclaimed.

I was happy to oblige and me and Ashley proceeded to take a Jagar shot together. She clearly knew how to drink since she easily took her shot before I had finished mine.

"Oh common, you are the college guy, you have to do better then that!" she said mockingly. We ended u doing another one, this time I made sure to keep up with her.

"So..." Ashley said slowly, the alcohol was starting to catch up to her.

"What do you think of Kate?"

"Kate? Oh... well .. shes hot. I mean obviously... Both of you are hot" I said stammering.

Ashley blushed..

"Aww. thats nice!" she said looking into my eyes.

"So ... do you have any taller friends?" she asked.

"Um... well why?" I asked, slightly taken aback.

"Well.. Kate you know.. shes coming out of a really tough break-up, and , she really needs, well..." she started whispering into my ear

"Kate needs to get laid" she whispered.

"Oh , haha well uh.. " I realized I should whisper back.

"How about me" I whispered, realizing I was getting a little tipsy myself to be so forward.

Ashley laughed and looked back at me like she was consoling me.

"Awww. Mike, i mean you are cute, but you see kate just likes taller guys you know, its kinda just her type" she said

"How come? " I asked , trying not to seem to disappointed.

"Well.. you see.." Ashley was in the middle of whispering when Kate returned from the bathroom.

"Oh! Kate! You need to catch up!" Ashley said.

Kate gave her and me a funny look.

"Oh miss some drinks did I?" She asked.

"Just a few, here, lets all do another Jager shot!" Ashley suggested, pouring us each one.

We proceeded to have a few more, with some mindless chit chat in between. Kate starting getting a little more talkative as she relaxed and I was able to put some food on the grill as we all for more comfortable.

"So are there any other guys who live here?" Kate asked me.

"Haha yeah Ashley told me you were looking for tall guys." I teased back looking at Ashley.

"Ashley!" Kate scolded her friend.

"Well... It's true..." she admitted laughing.

"How come you like taller guys?" I asked again, having not gotten the answer last time.

The two girls looked at each other and smirked.

"Well, I um, guess i just like it when its... you know ... big" Kate said, causing Ashley to erupt in a fit of laughter.

"Oh my god I can't believe you said it" Ashley said

"Well. we are drinking and it's true you know" Kate said.

"It's true.. sorry Mike!" Ashley laughed.

"Wait a minute , you think that taller guys have bigger dicks?" I said.

"Yes, of course!" Ashley responded.

"I mean, I guess not all of them, but in my experience yeah, the tall guys are usually equipped if you know what I mean, right Kate"

"Yes. sigh.." Kate said

"Oh sorry hun" Ashley said, before looking back at me. "Her ex had a ... ya know.. .he was big" Ashley said

"well , i have a big dick" I said.

"Mike!" the two girls burst out laughing. "Mike sorry, you are really cute and all, but I mean we are both taller than you!" The girls were laughing at the thought that I could be big.

"Well, I bet I am bigger than Kate's ex." I said, getting a little annoyed.

The two girls stopped laughing for a minute.

"Mike, go ahead and prove it" Ashley said, she gave me a subtle smile that made my spine tingle. She was obviously more sexual than I had realized earlier.

"How about this" I suggested, "I will show Kate and if she says I am bigger than her ex you have to both get naked" I said.

The girls were laughing and they gave each other a look.

"Ok, but don't worry mike, we will still like you if you can't live up to it, lets take another drink first." Ashley said.

We took one more shot and everyone was very tipsy at this point. All three of us were standing up and it was clear that the girls were much taller than me.

"Oh my god, do you really think you have a big dick thats so funny, you kids these days!" Ashley said.

"Yeah" I said confidently.

"ok, then lets see" Kate said, taking me by the hand.

Kate led me into my own bedroom and proceeded to take control of the situation. First she indicated for me to sit on the bed. Calmly and gracefully, she turned her back to me and began to slowly dance in front of me.

She ran her long slender arms down her body, lifting her skirt up slowly as her hips swayed seductively. She was very controlled and balanced in her slow movements, and it was very impressive how skillfully she was moving, especially after several drinks. I found my self extremely aroused at Kate's body and her movements, even as her face was turned away from me.

Kate finally lifted her skirt all the way up to reveal her magnificent body still in her two piece blue bikini from earlier. She gently placed her skirt onto a chair, and paused for a moment with her back to me.

Her lower back showed the gentle curve of her waist and her pale skin was so tight I could see the outline of her shoulders muscles and bones. She was so tall and skinny, her legs seemed to go on for miles. She had two small indents in her back on each side just above her waist and her lower back was curved slightly in a feminine and delicate posture.

With one hand she reached back to her hair tie, and with a quick motion flicked it out of her hair so that her light red hair fell down to her shoulders. She spun around to face me, laying frozen on the bed jaw dropped watching this quiet goddess seductively undress in front of me.

Kate looked at me for the first time and flashed me a devilish grin. She continued dancing but moved closer toward me, gyrating her entire body in a slow curve for me to see her flexibility and the absolute physical beauty of her body. I was staring at her flat stomach as took her hand and placed one of my hands onto her flat, toned stomach for me to feel how fit she was. She continued her slow rhythmic movements as she looked at me in the eyes, still grinning with a sexy , mature grin to show that she was in control.

She went all the way down to the ground before slowly rocking herself back up seductively, eyes glued to me at all times as though it was effortless, I was amazed that for such a tall girl she could move so well, It

was making me feel incredibly aroused and I could feel my cock, while not fully erect yet, was beginning to swell.

Kate tuned away from me again, reaching her hands up her back to begin untying her bikini top, when she had finished, she let the straps fall away, but leaving the front on, turning around to face me with her bikini top held only in place by her slender arms, which she folded across her chest to hold up her top.

She looked at me fiercely in my eyes.

"It's your turn" she said quietly, with a short grin and a look toward my waist.

"You are so beautiful" I told her

"You are gonna have to better than that", she said.

"Let me see what you got? I'm a picky girl so don't let me down" she said quietly.

"Ok well a deals a deal" I said, standing up face to face with her.

She was looking down at me arrogantly, this beautiful 27 year old looking down at me a 20 year old more that 5 inches shorter than her.

I put my hands on my swim trunks and began untying my suite. Kate began laughing.

"So much buildup. You are so silly, do you really think I am going to be impressed? You are a silly boy" She laughed as I continued to untie.

Finally, the moment had arrived, I pulled my suit trunks down in one quick motion. My semi hard member flopped out heavily. Satisfied that it looked impressive, I looked at kate to see her reaction.

Kate's arrogant smile was replaced with a gaping mouth as she let a small gasp escape. Her hands, that had been holding her bikini top up seemed to forget what she was doing as she stumbled backward and fell, her top falling to the floor.

Her eyes widened as she looked up at my dangling cock. The site of her exposed, small but firm breasts caused my cock to harden rapidly , and as Kate remained in stunned silence my cock grew to its full length in front of her, reaching upward, exposing my large balls that were hanging low.

Kate's expression was spectacular, I could tell that she was not only impresses, she was completely shocked, and didn't know how to process the new information. She could only sit in silence staring at my cock with her mouth agape.

"SO... what do you think?" I asked.

"Its just...just... um.... wow.." she said quietly, clearly at a loss for words.

"Just what?" I asked, wanting to hear her tell me more.

"..Its just so big! Fucking big ok! You've got a huge dick" she said, pulling herself up off the ground to look at it closer.

"Did your ex have a dick this big Kate?"

"No... You'r much bigger... your fucking cock is so big... your hung like a horse" she stammered as she reached out to start stroking me with both of her hands.

I let Kate fondle my large cock in her hands silently as she was so distracted I think she lost all sense of time. Finally she looked up at me.

"You have a beautiful big cock, its the biggest i've ever seen"

"You like them big Kate, don't you"

"I fucking love big dicks" she said, kissing me lightly on the head of my cock while

"and Yours is the biggest... I didn't know you would be so big...But you blew my mind when you pulled that out you stud, you just made me so horny for your big dick " she said, kissing me several times on the cock.

"But your 27 Kate, no one else has a cock this big? Even the taller guys?"

"Your so much bigger... holy shit..." She moaned, taking the thick head of my cock into her mouth , giving a big kiss as she pulled her head away.

"HUGE" she said quietly with her eyes big again as she looked at my cock as if for the first time. She was still in a state of shock.

"What do you want me to do?" Kate asked.

"I'll do anything" she said, stroking my cock and staring up into my eyes.

"I want you to go get Ashley." I said, my confidence building from this gorgeous Kate worshipping my manhood.

"Can I please suck your big dick?" Kate begged, stroking me and kissing the tip of my cock.

"Not yet" I told her, "I want you to show Ashley" I told her more firmly.

"Ok" Kate said quietly, kissing my cock again and slowly standing up. She was taller than me still but the arrogance had changed. She couldn't keep her hands off my cock, she was stroking my full length up and down my shaft with each of her hands alternately. It was clear who was in charge now as Kate called out to the other room.

"Hey ASH!" she called.

"Yeah? Whats going on?" Ashley called back.

Kate looked at me in silence, grinning into my eyes as she stroked my cock, giving me a deep kiss as we heard Ashley approach the room.

"Did Napoleon pull out his little short boy cock yet?" She asked laughed mockingly as she got to the door to the room.

Ashley opened the door to the room and looked in. She saw me, pants off and my thick cock pointing at Kate who was on her knees with her pouty face at cock level.

Ashley made a surprised noise and her expression changed from laughter to surprise and confusion. She turned and quickly left.

Kate and I laughed.

"I guess she wasn't expecting this." I said giving Kate a slap with my still erect member.

Kate kissed my cock.

"She probably doesn't want to get turned on. Ashley is engaged"

"Oh really? I just wanted her to admit I had a big one"

"You should go show her, I bet she wants it, I mean, you are fucking hung and she's been flirting all day" Kate told me.

"I'll be here waiting for you stud" Kate said.

I pulled my shorts back up and walked out of the first bedroom. I didn't see Ashley so assumed she must have gone into the other bedroom.

"Are you in there?" I said as I slowly opened the door.

Ashley was laying on the bed, she had removed her clothes except for the bikini she had been wearing earlier. Her big tits were heaving as she was breathing deeply with an odd smile on her face.

"In sorry i ran.. I was just a little, shocked" she said to me.

"Oh yeah? What shocked you?" I asked

"Come a little closer" she said.

When i got to the edge of the bed, ashley was gazing at my crotch.I had a massive erection and it was showing through my board shorts.

There was a long silence.

"Can i see it ?" Ashley asked me.

"Ive been wanted to show you all day" i said.

I slowly pulled my shorts down with my large thick cock springing up.

"Oh my!" Ashley gasped.

"Thats a big dick alright. Fucking huge" ashley said. "You have right to be cocky with that dick, its really impressive"

"Do you like it?" I asked

"Its so fucking hot, god damn it. I didnt want you to do this to Me."

"What am i doing to you?" I asked

"Well... Its just, you are making me into a big cock slut..." Ashley said.

"Do you want to be slut for my big cock?" I asked

Ashley was quiet for a minute.

She thrust her waist forward so that i could lay my cock on top of it. While she was still wearing her bikini bottom, my cock went from her abdomen a few inches past her bellie button.

I laid my cock against her tight skin as she seemed to be measuring me .

"Its fucking bigger" she said

"Bigger than who?" I asked

"Its bigger than my fiance's" she said

"Its fucking bigger ok. Your cock is the biggest ive ever seen and i was wrong about short guys. Fuck i can't believe it but your fucking huge dick is just so big" ashley admitted.

"I didnt know it but yes, i want to be a cock slut for your big dick"

I leaned down and kissed ashley, she arched her back up so that her massive tits were thrust up into me and i felt along the curves of her slender body.

"Please fuck me" ashley whispered into my ear

"Out cock my fiancé with that big one you young stud" she said.

"Show my pussy who's the real man"

I pulled down Ashleys bikini bottom to reveal her trim pussy. She had a small strip of blond hair and her slit was tight and glistening. It was a beautiful landing strip for a beautiful, intelligent adult woman. Her body was the ideal and she was giving it to me.

I began massaging the outside of her pussy with my thick cock head, rubbing it into her wetness.

"Holy shit thats so thick, you are a fucking god" she moaned.

I finally teased her long enough, entering her to a gasp.

"Holy shit" she gulped as my head entered her moist pussy.

"Im gonna show your pussy how big this dick is" i told her as i started to slowly thrust more and more of my cock into her.

Ashley put her hands on my waist as i started leaning down on her.

"Oh my god!" She moaned as i reached about halfway.

"Is that big baby?"

"Holy shit it's the biggest, god damn so fucking thick."

I continued easing into her until i felt her cervix with the head of my cock. I was about 3/4 in but i knew i couldn't go deeper without causing her pain.

"Oh my god that feels so fucking good" ashley moaned.

I slowly rocked in an out at this depth ashley began cooing into my ear.

"Your so big. So fucking biiiiig" she was whispering

I pulled off her top to let her huge mellons fall out. They were the nicest pair of tits i have ever seen.

"God damn those are nice.I've been wanting to get my hands on those ever since i laid eyes on you" i told her

"They belong to you now, big dick" she cooed into my ear. I eased my dick into and out of ashley for a few minutes, her cock worshipping into my ear as i slowly pumped into her.

"Your Big cock feels so good" she kept telling me

"My fiance has nothing on you, you have the best dick" she told me as she shuttered in ecstasy.

Ashley spun around so that she laid on top of me.

Her massive tits were flopping up and down as she rode me, moaning louder and louder as she was taking my full length.

"Oh my god i love your cock"

She moaned.

"Take it babe" i said

"Oh fuck im taking, its so fucking big you are fucking me deeper than ive ever felt"

Ashley rode with skill and balance, her toned body contorting to maximize each stroke and fill her deep with cock. She placed my hands on her tits which i kneeded while she rode , her velvet pussy stretching on my thickness with each movement.

She came close to orgasm but i wanted to switch positions before she came.

I rolled her over and put her into a doggystyle posture on the bed. I then proceeded to fuck ashley harder than i have ever fucked in my life.

She was begging for me to deep dick her as i pounded her

"Yes!!! Oh fuck yes give me that big dick!"

She yelled . I was jack hammering her with all the power in my body, shaking her body and causing the bed to shake loudly.

Ashley was getting fucked better than she had ever comprehended and she was telling me along the way.

"Your the best dick. You owne my pussy! My pussy belongs to your big cock"

"Fuck! Fuck! Fuck im gonna cum!!!" Ashley started pleading

I was pounding her so hard the entire room was shaking and i felt i was close to orgasm.

"Please ! Please ! Oh please dick me deep" ashley moaned.

"Im gonna cum" i told her

"I want it,please cum in me ! Please!" Ashley begged

I started orgasming, and ashley leaned into me to get my full thrust. I have never cum so hard before, waves of orgasm swelling through my body as ashley started shaking in her own orgasm.Wave after wave as i felt my balls empty the biggest load i have ever held.

"Oh my god oh my god oh my god" was all ashley could say for the next 2 minutes.

Soon after, kate came and joined us in bed as we all slept together.

Kate was naked and lay her body against me as i was on my back. Both girls naked in each arm.

I layed my soft cock against kate, and she kissed me.

"I will do anything for that big dick " kate told me.

"I love you" ashley told me.

"We love you" they both told me as we all fell
Asleep.
