While story lines may suggest violent or abusive behavior, these are just fantasy situations meant to enlighten and entertain adult individuals who would never wish those fantasies to become reality. Neither Princess Productions nor anyone connected with Princess Productions advocates violent or abusive behavior of any kind. This publication is a fantasy journal meant to comfort an oppressed minority of individuals who have been created by society, and then, rejected by that same society. Transvestites, panty fetishists and submissive males are not welcome in most families or cultures. Princess Productions publications are designed to soothe the souls of these often frustrated and lonely individuals by a) exploring situations similar to their own individual upbringing, personal experiences and fantasies; b) providing a pressure-relieving masturbation aid (a safe sex alternative); and c) making them feel that they are not alone and that their fantasies are just as legitimate as anyone else's.
