

Please be on... please be on!  
She's on! Man, Strictly Fans has  
been a lifesaver during this whole  
thing. I mean... well... it's not like I  
go out and chase girls anyway,  
even when I can. OMG! Am I a  
simp? Naw... I'm just horny like  
every other guy out there...

You probably won't believe this, but I actually found my high school crush working as a SF Girl! She didn't notice me back then, but now we chat every day!

Hey baby! How's it going today?

Hi Jenny!  
Uh... I'm OK...  
how are you?  
I... um... like  
your stockings.

I dunno, it was like I was getting addicted to her. I couldn't wait to get home from work and see if she was on-line.

# Sissy Camslut

To be honest we actually just wound up chatting most of the time. I mean she'd tell me to jerk off and that was great, but I really just enjoyed talking to her. I never had much experience talking to girls. Then she proposed a strange idea one day.

A what!? You mean like a Dominatrix?

Exactly like that! Listen, the other girls say it's the best way to make money these days... and you know I wanna go back to school.

But I don't want to be just another cam-girl wearing thigh high leather boots, I want to do something BIG!

Like doing a show with my own slave. I bet people would love to see me playing with a sissy or something!

And, well.. I was wondering if you would like to... be my slave!

W-what?!  
Me?!

Oh, come on, baby... you're perfect! I really need your help, Stanley.

Ur... I'll think about it.

Ok, ok... I admit it... the idea made butterflies swirl in my tummy!

As soon as she hung up, I realized the huge mistake I made, but I couldn't back down now. That weird femdom show was very important to her and I didn't want to let her down

I was kind of nervous, well very nervous! Luckily, Jenny told me that all I had to do was follow her instructions and everything would be fine. So that's precisely what I did.

She told me to wax my entire body, which hurt like hell! I couldn't have any body hair!

Come on! Don't be a pussy!

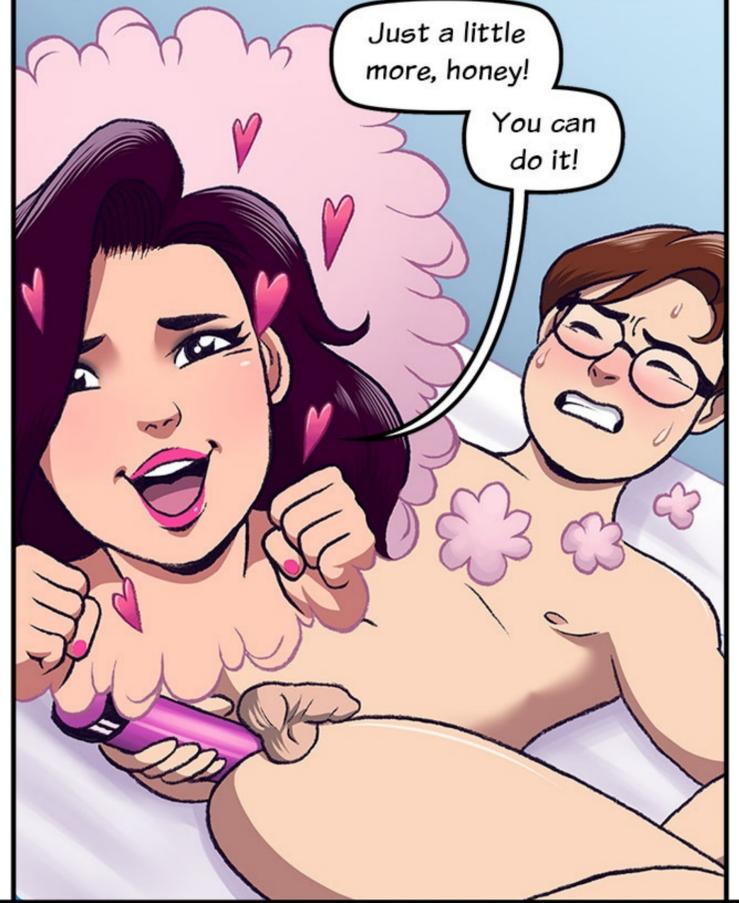

Do it for her!

But that was nothing compared to the other thing she asked me to do...

Just a little more, honey!

You can do it!

Every day I asked myself what the hell I was doing, but then I saw how happy she was with my progress and that made me happy. She really appreciated what I was doing for her and that was good enough for me.

Wow! Can you really take the whole dildo now? That's great!

You're the best, Stan! My femdom show will be AWESOME thanks to you!

I can't wait to see you in action! I bet we're going to be a hell of a team!

And then the big day came. It was time to finally help Jenny with her new show - live!

Hi Stan! Ready for your debut?

I guess...

Cool! Come in and take off your clothes. I'm still getting ready for the show.

My stomach was tied in knots. I had no idea what was going to happen next.

Her words hit me like a brick. I never dreamed I'd actually be naked in front of my high school crush! OMG!

I had already gone way past my comfort zone... there was no turning back then! I went inside and stripped down to nothing!

Are you naked already? Wow, you're fast!

I'd offer you a drink or something but we're running late.

Well, let's see what we have her- OH MY GOSH!

I... I'm sorry, I couldn't help myself. I've never seen one this small... on a grown man!

Besides, I think it's cute... and perfect for what I have planned for you, young lady! HA HA HA

Pfffft HA HA HA You're so tiny! Aww... little bitty Stanley! HA HA HA

Aww, don't be mad, honey. I'm just teasing!

S-sure, heh...

Let's see if I can make it bigger!

Who's a cute little boy? YOU are! Yes, you are! HAHAHAHA

We're not going to have any trouble getting you into my old panties!

W-WHAT?!

Oh my, I think I saw it twitching a little!

Let me blow it a little kiss! Hmm... the little guy seems to like that! HA HA HA!

Come with me, Stan!

Jenny took me to her bathroom and began to do my makeup. I tried to ask her if that was really necessary, but she only told me to stay still.

Don't look at her boobs....

Don't look at her boobs....

To be honest, when she asked me to be part of her show I got a little excited. I thought I was going to have the opportunity to have sex with her.

But I ended up naked in her bathroom with make-up on my face! As if that wasn't bad enough, she laughed at my dick! I felt humiliated.

But at the same time I couldn't help but feel horny! Being so close to her made my whole body tingle, and the scent of her perfume made my crotch ache. I couldn't let her notice that my penis was getting erect, I thought.

Hey, you got a semi-chub!

Are you looking at my tits again?

HA! I caught you, naughty boy!

Semi-chub? But I'm hard as a ROCK! My penis isn't that SMALL... r-right?

You're lucky I have a lot of wigs in my closet. I just have to find one that fits you...

Then she made me wear a corset and nearly took my breath away!

Say good-bye to that big belly of yours, Stan!

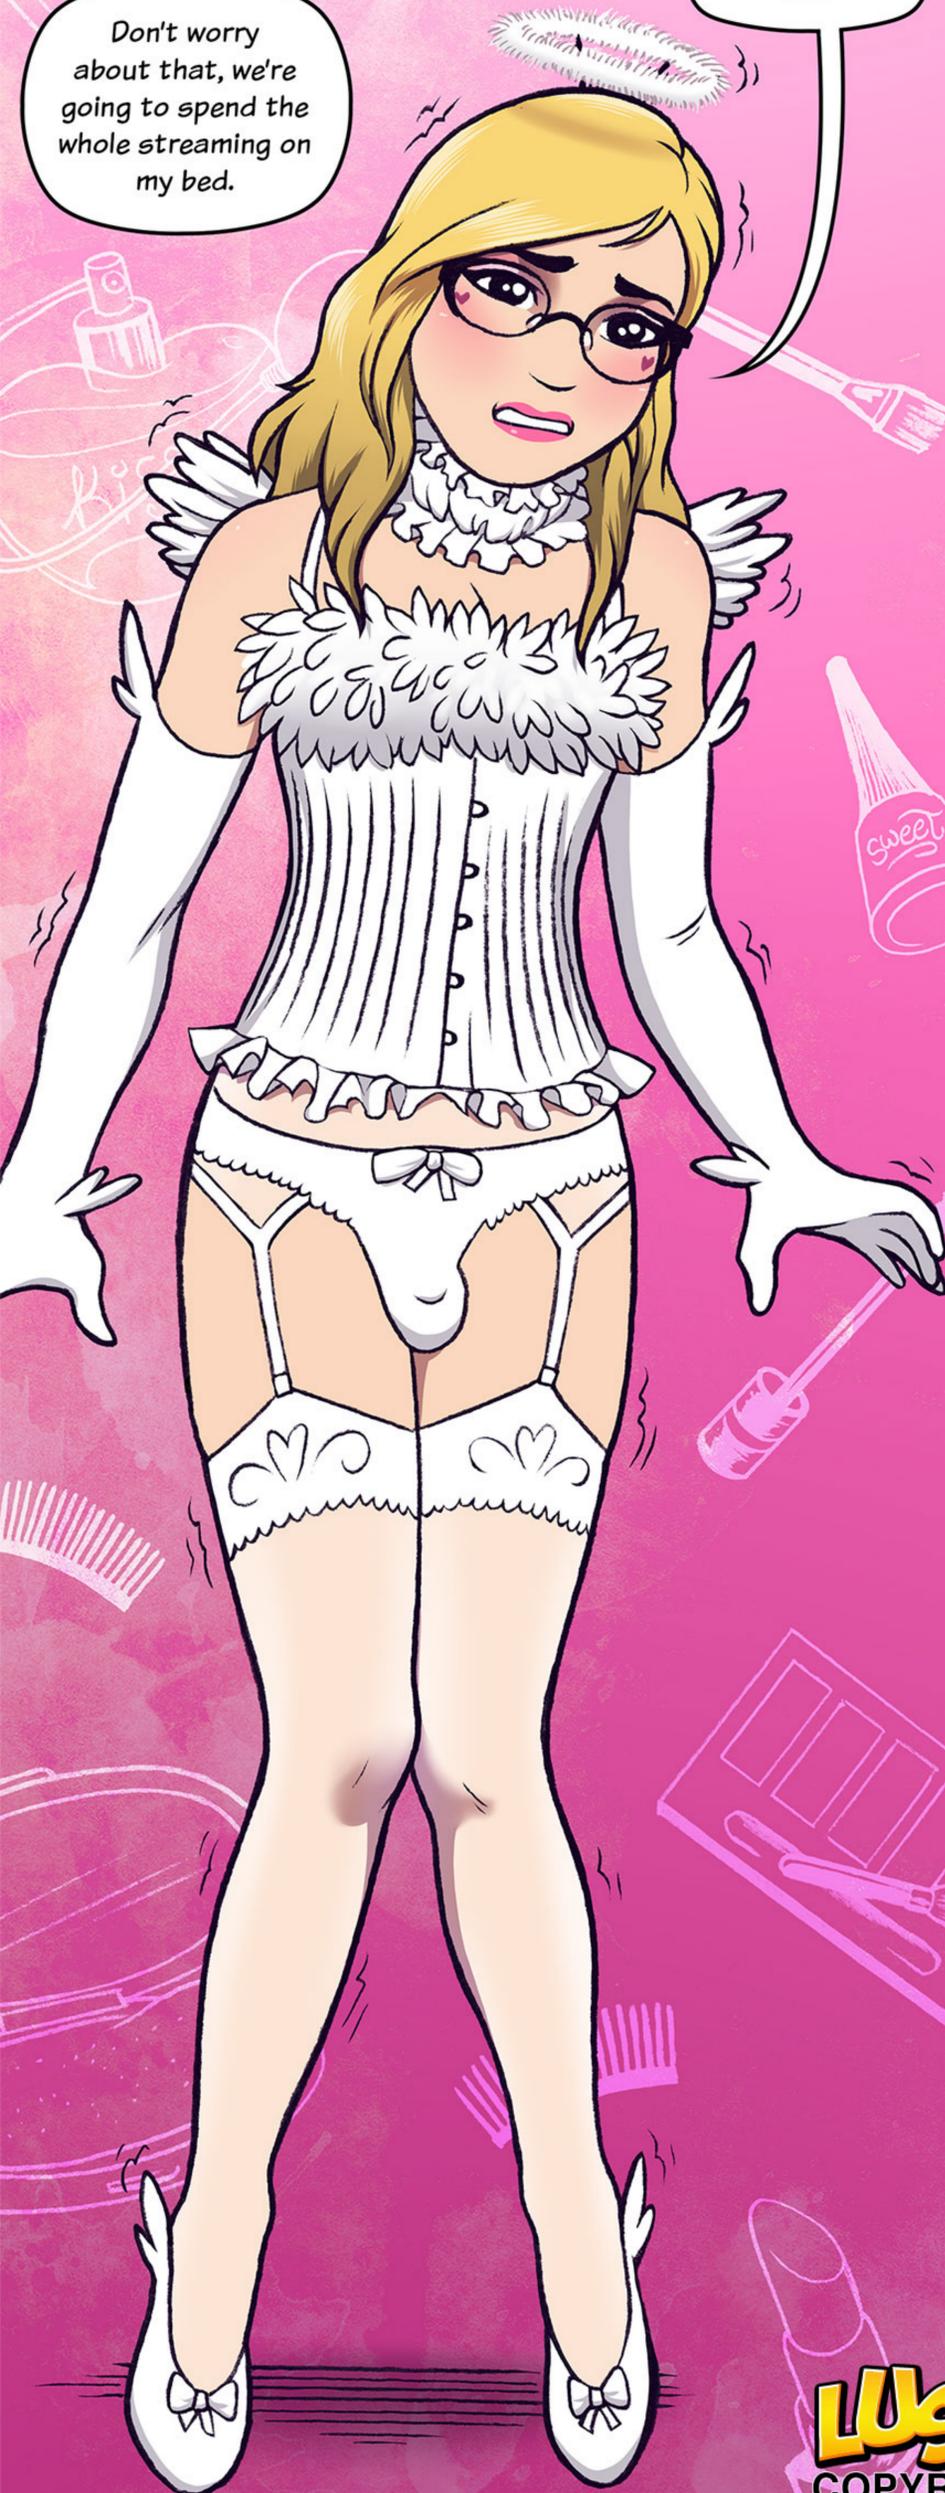

Jenny, not so tight!

After a quick visit to Jenny's closet, I was officially ready.

Not to flatter myself, but you look HOT as HELL, doll! You're going to break some hearts tonight!

Don't worry about that, we're going to spend the whole streaming on my bed.

I can barely walk in these heels!

Why did you dress me like an angel?

Because you're always there for me. I couldn't ask for a better friend!

Now be a love and go to my bedroom while while I get ready, okay?

OK...

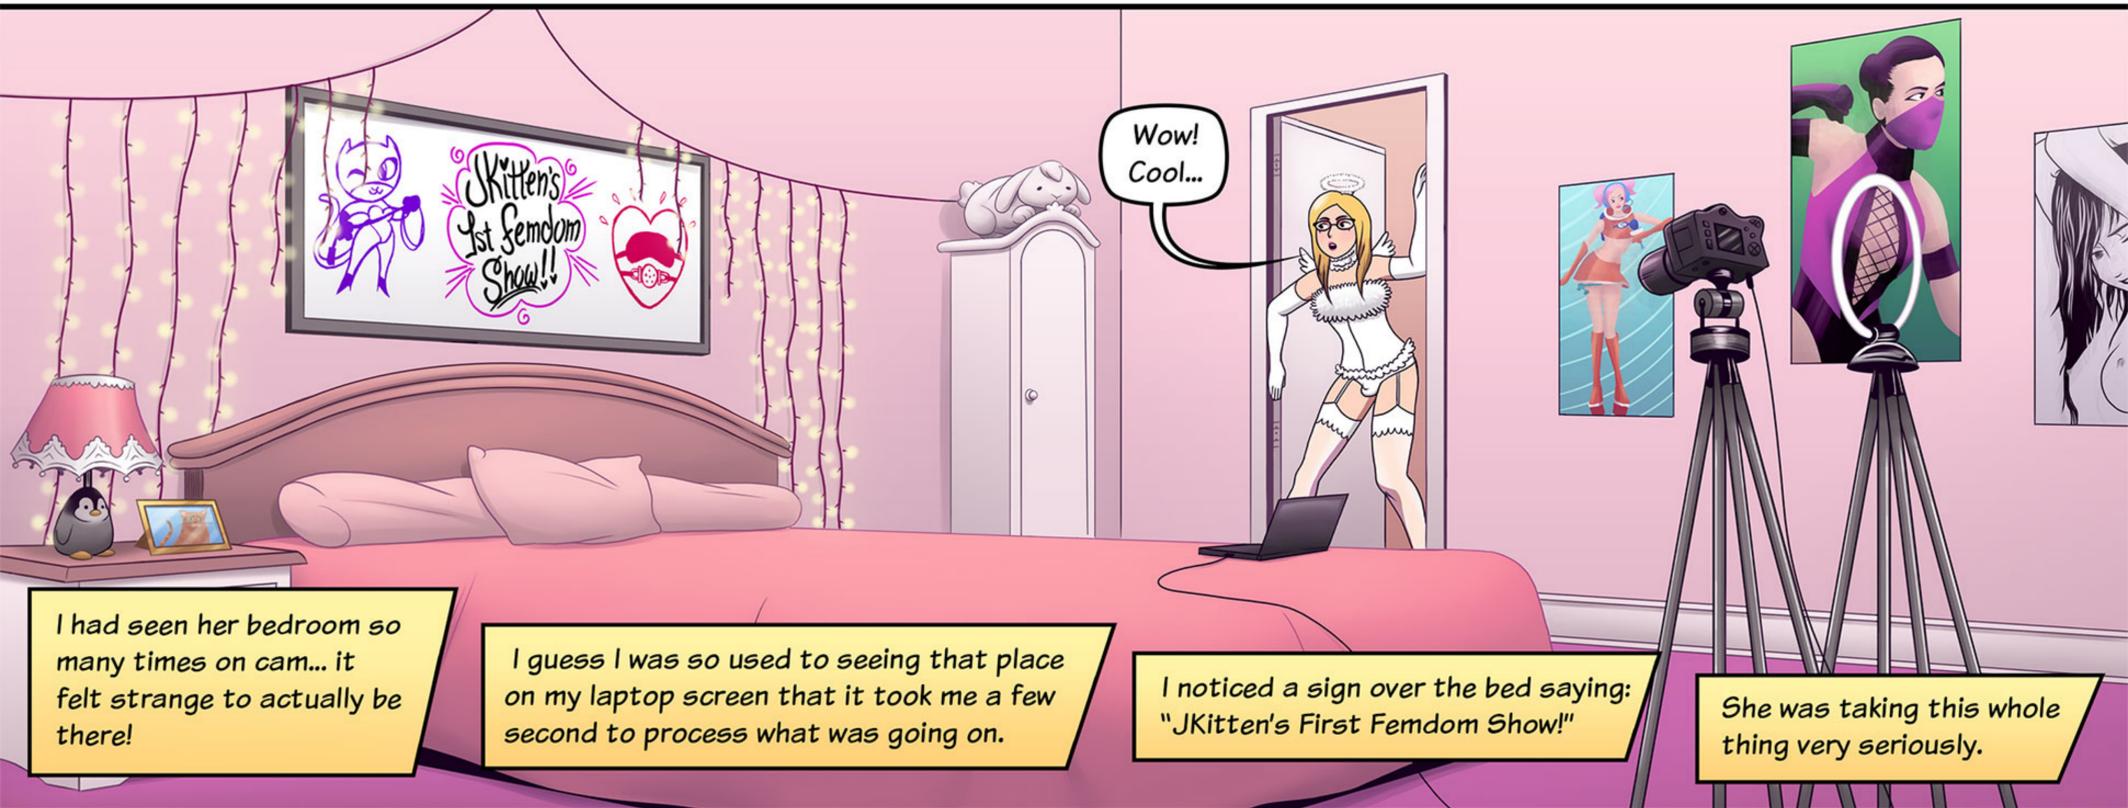

I didn't know what or how to feel! I mean it was totally humiliating being dressed up like that, but I also felt tingly all over, especially in my groin!

The way those sheer white stockings felt when she slid them up my freshly waxed smooth legs... OK... that made me really "chubby!"

I could barely walk in the high heels she picked out, but somehow that awkward feeling and strange aching in my calves got me excited!

I guess you know what I'm talking about if you're reading my story, huh?

Wow!  
Cool...

I had seen her bedroom so many times on cam... it felt strange to actually be there!

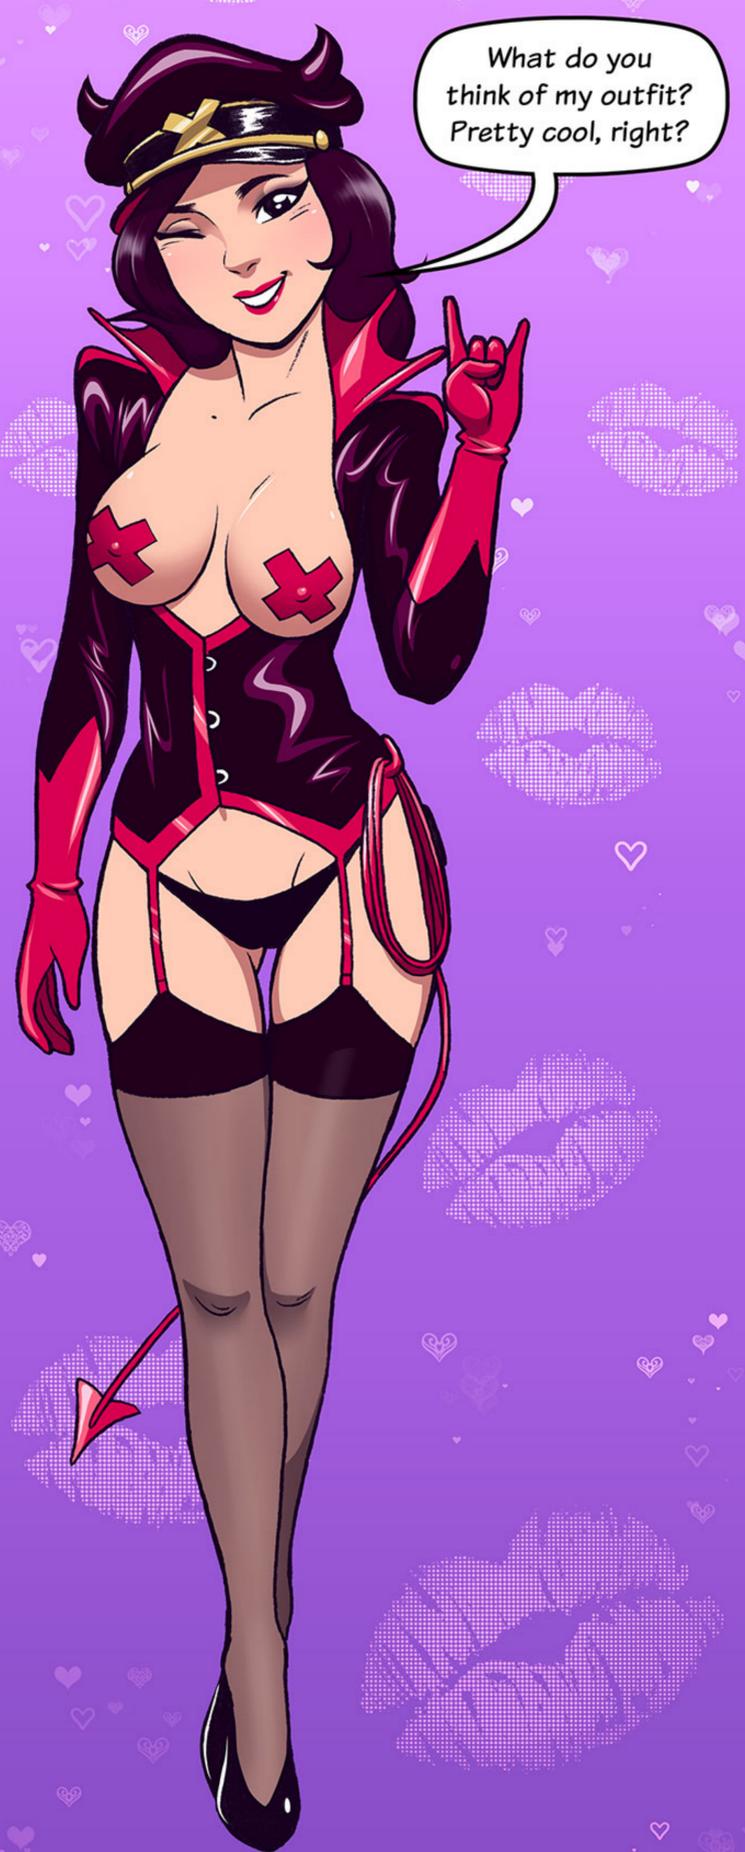

I guess I was so used to seeing that place on my laptop screen that it took me a few second to process what was going on.

I noticed a sign over the bed saying: "JKitten's First Femdom Show!"

She was taking this whole thing very seriously.

Suddenly, I heard the clacking of heels approach me from behind. I turned around and saw her... Oh-My-F-ing-GOD... she looked incredible!

What did I think of her outfit? She was on freakin' fire! I wanted to tell her she looked like a goddess... a divine deity... my wet dream... my reason to live... but "someone" else beat me to it!

What do you think of my outfit? Pretty cool, right?

Wow! Nice boner, Stanley! HA! HA! HA!

I'll take that as a "You look hot as hell, Mistress Jenny!"

Come to bed, darling... Let's get this party started! I just need to set some stuff and...

And... We're LIVE!

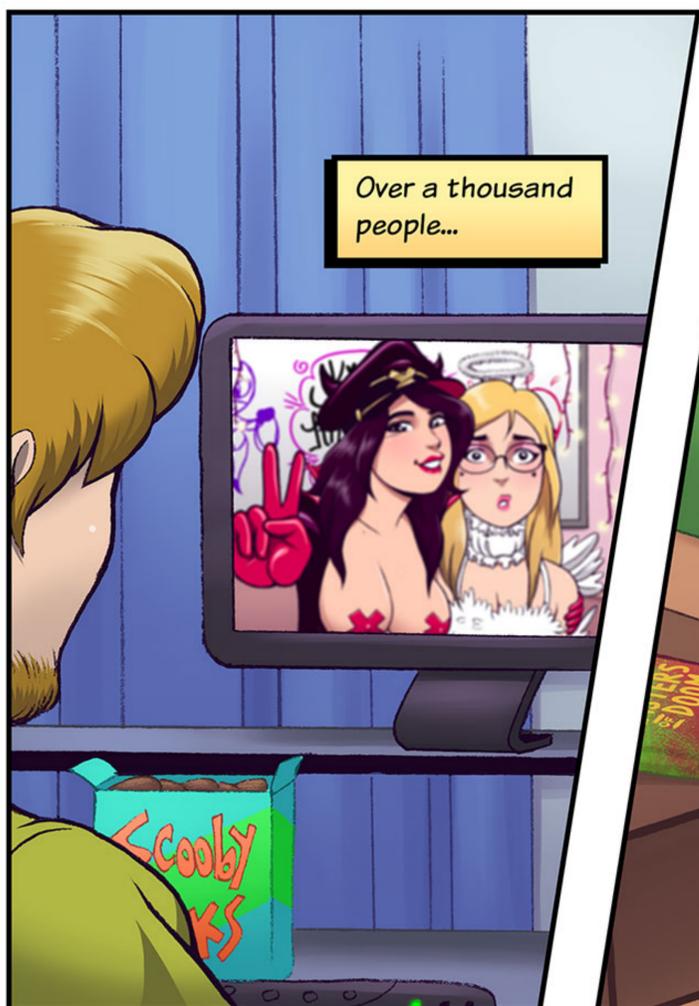

Hey guys! I've got a big surprise today! You're gonna love it... her!

Say hello to Sta... Staci... my new sissy slut sex slave!!

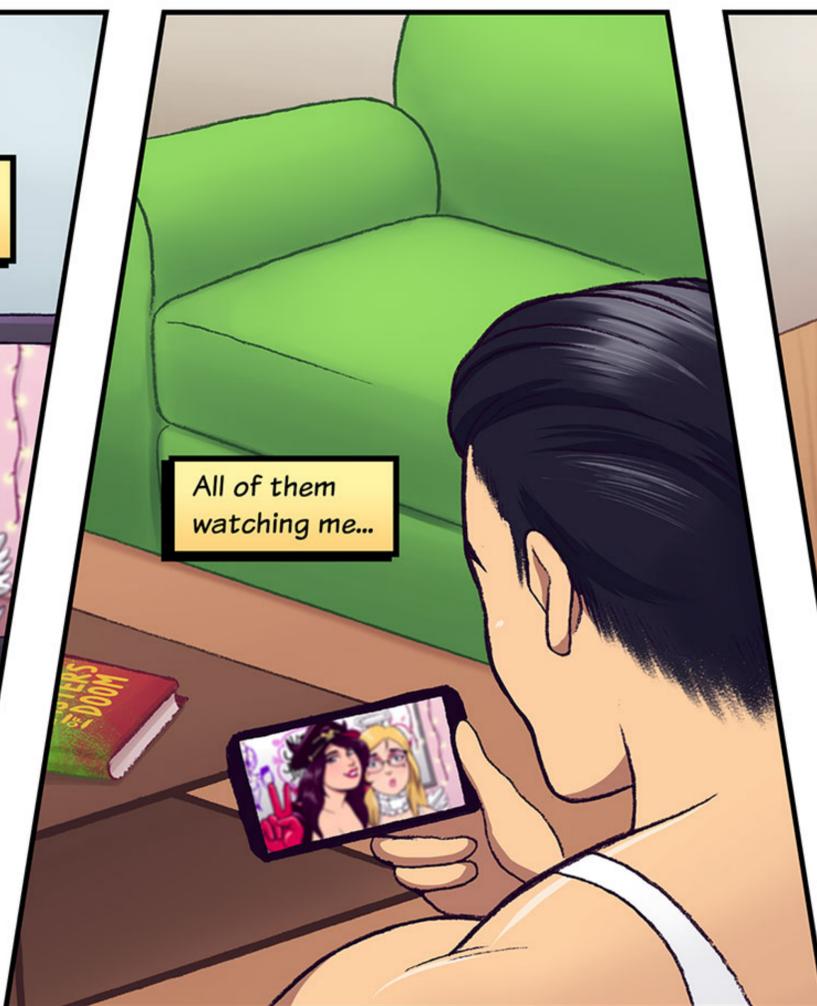

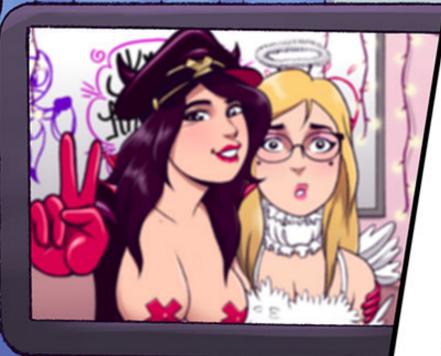

Oh, WOW! Over a thousand viewers already! Thank you so much guys! Maybe you didn't know I'm really into FEMDOM!

What?

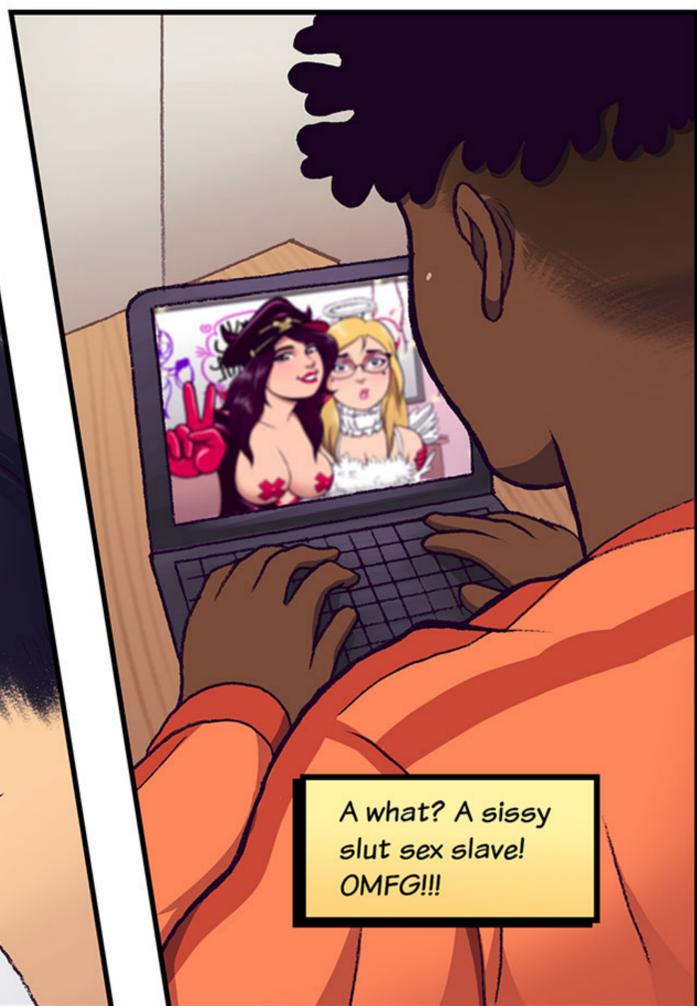

I couldn't believe what she just said...

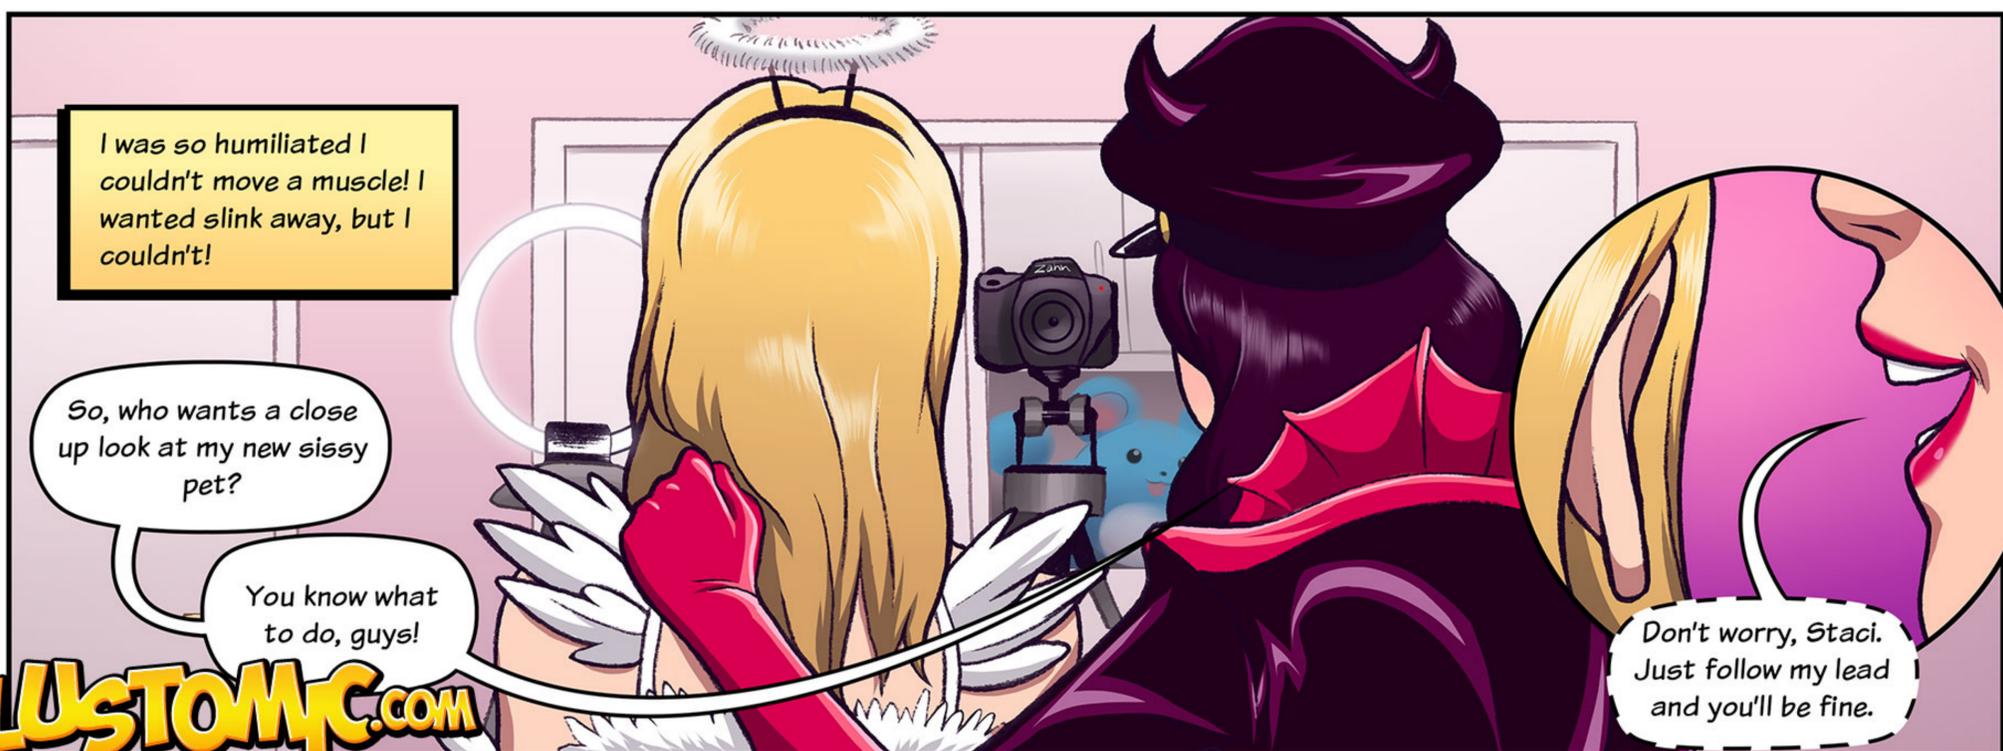

Over a thousand people...

All of them watching me...

A what? A sissy slut sex slave! OMFG!!!

I was so humiliated I couldn't move a muscle! I wanted to slink away, but I couldn't!

So, who wants a close up look at my new sissy pet?

You know what to do, guys!

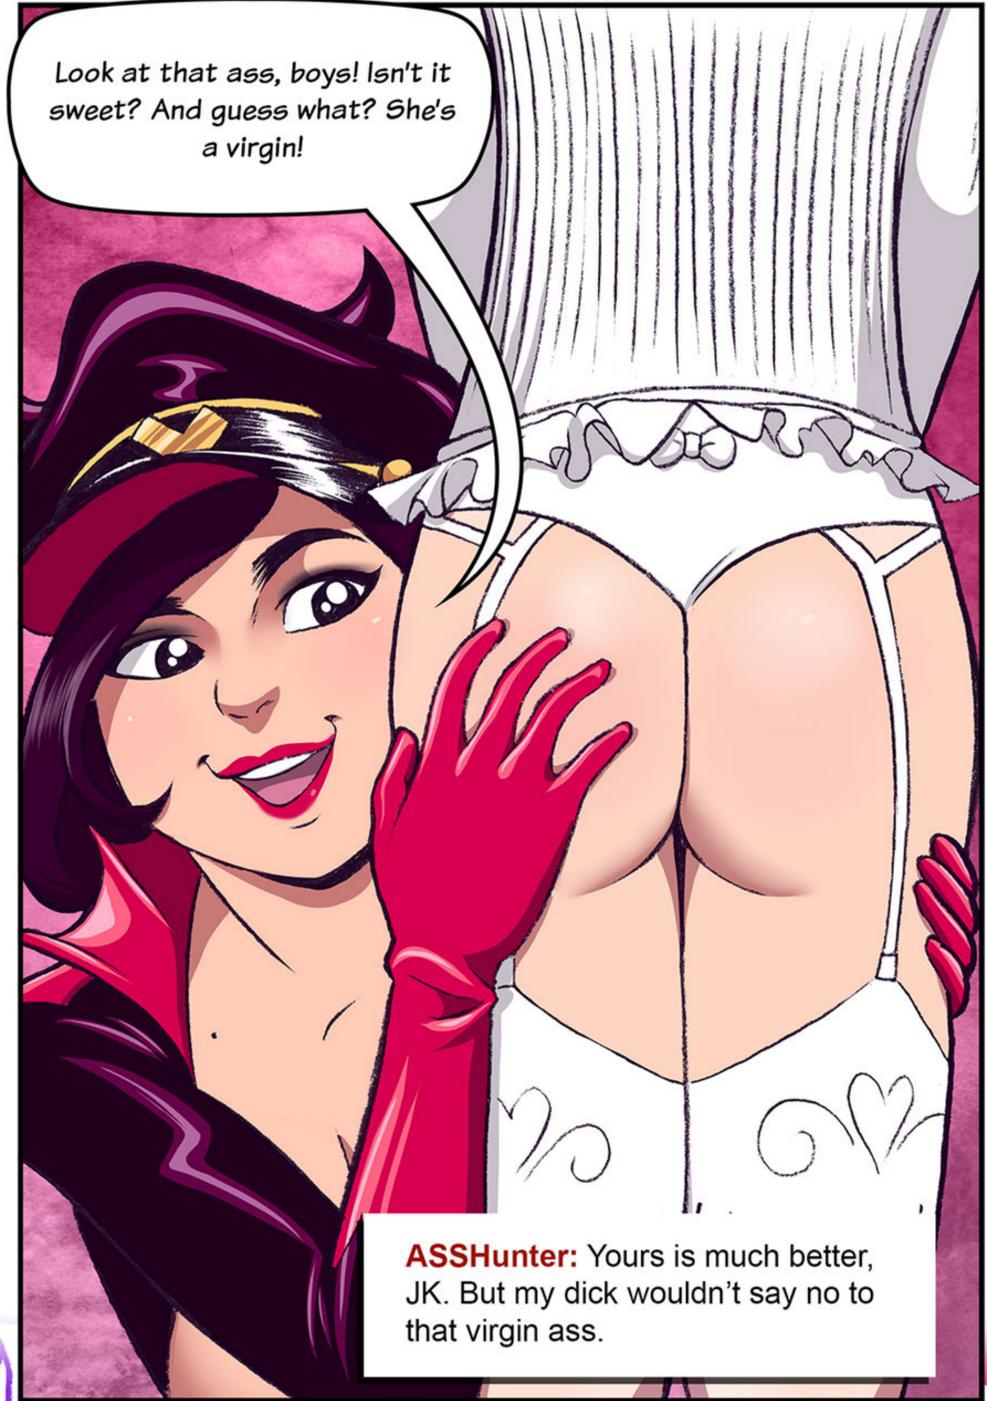

Don't worry, Staci. Just follow my lead and you'll be fine.

Don't be shy, Staci... Show all the boys what an amazing job I did with you!

**KoolMcKool:** She's cute. Is she really a dude?

**Good\_Fuck98:** Dude or not, I'd tap that! Nice legs, baby!

Look at that ass, boys! Isn't it sweet? And guess what? She's a virgin!

**ASSHunter:** Yours is much better, JK. But my dick wouldn't say no to that virgin ass.

Yup, she's really a dude! Well, she's not a dude really... she's a sissy slut! See!

**BigHead\_87:** What's that? A pimple? LOL

**Naughty\_Boy:** Oh man, that thing needs to be in panties! lols

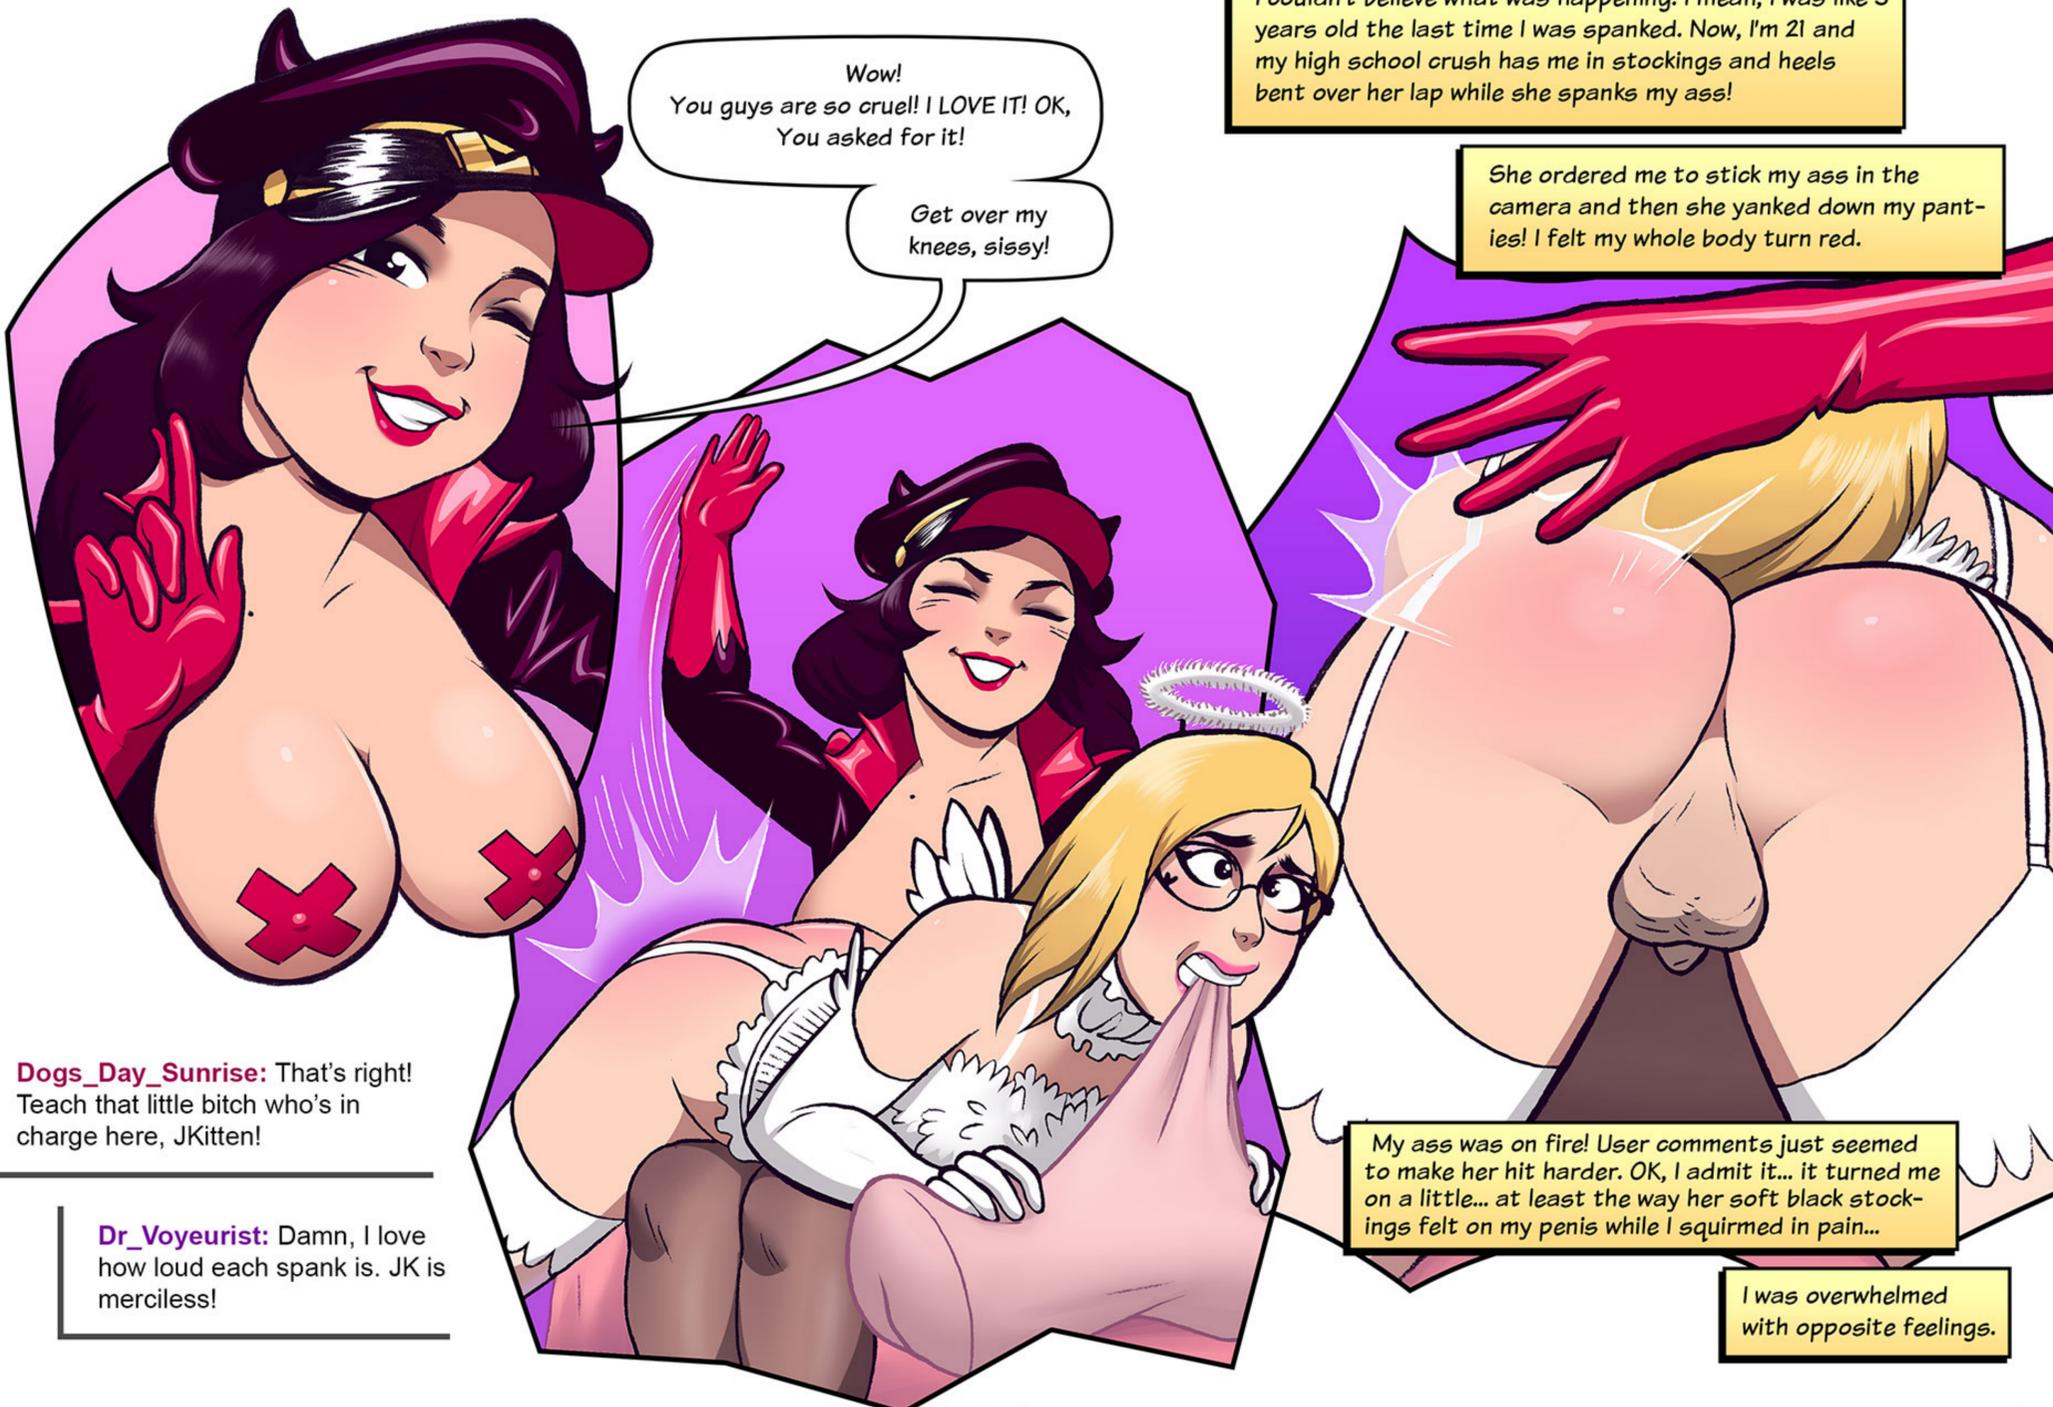

So guys... what do you wanna see today?

I'm open to suggestions!

**Ztrict-Teacher:** Spank that bitch JK! I wanna see her ass bright red!

**Ztrict-Teacher** gave 8 tokens.

Spanking? Interesting...

Wow!  
You guys are so cruel! I LOVE IT! OK,  
You asked for it!

Get over my  
knees, sissy!

I couldn't believe what was happening. I mean, I was like 5  
years old the last time I was spanked. Now, I'm 21 and  
my high school crush has me in stockings and heels  
bent over her lap while she spanks my ass!

She ordered me to stick my ass in the  
camera and then she yanked down my pant-  
ies! I felt my whole body turn red.

**Dogs\_Day\_Sunrise:** That's right!  
Teach that little bitch who's in  
charge here, JKitten!

**Dr\_Voyeurist:** Damn, I love  
how loud each spank is. JK is  
merciless!

My ass was on fire! User comments just seemed  
to make her hit harder. OK, I admit it... it turned me  
on a little... at least the way her soft black stock-  
ings felt on my penis while I squirmed in pain...

I was overwhelmed  
with opposite feelings.

Luckily, another viewer paid for a  
short footjob session. My ass was  
very grateful to that person...

How are you are en-  
joying the show,  
ToeLover?

Her stocking feet felt so  
good on my cock I nearly  
forgot it was a show.

Just when I started to  
feel good the guy clicked  
out. Guess he must have  
gotten off.

**Horny\_Couple** Wants  
a private show.  
[Accept?](#)

What's this? Oh... they  
want a private show! How  
about that, pet?

Bye for  
now!

No, don't stop!  
Please!

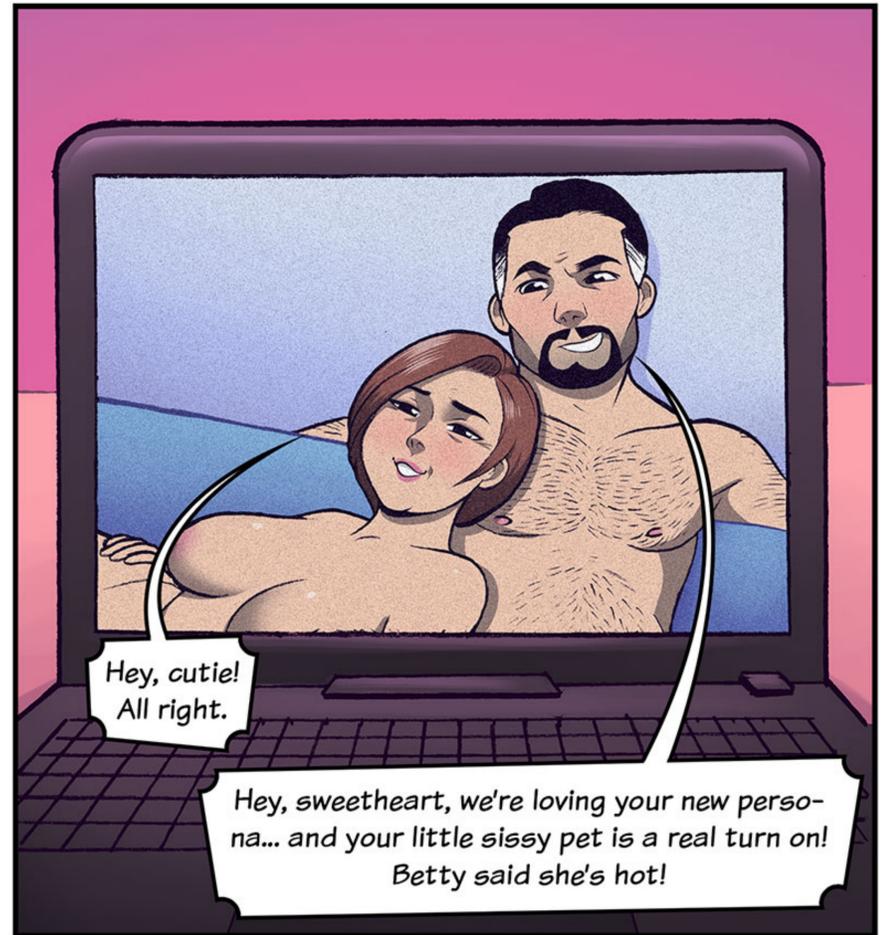

Jenny already mentioned Horny\_Couple to me a few times. They're an older married couple that like all kinds of sex stuff. Jenny said she likes to play with them.

But I didn't know she actually knew their names!

Sam! Betty!  
So nice to see you!

How are you two doing?

Hey, cutie!  
All right.

Hey, sweetheart, we're loving your new persona... and your little sissy pet is a real turn on!  
Betty said she's hot!

I know, right? Just look at that sex doll face!

Come on, slut... thank Ms. Betty for the compliment.

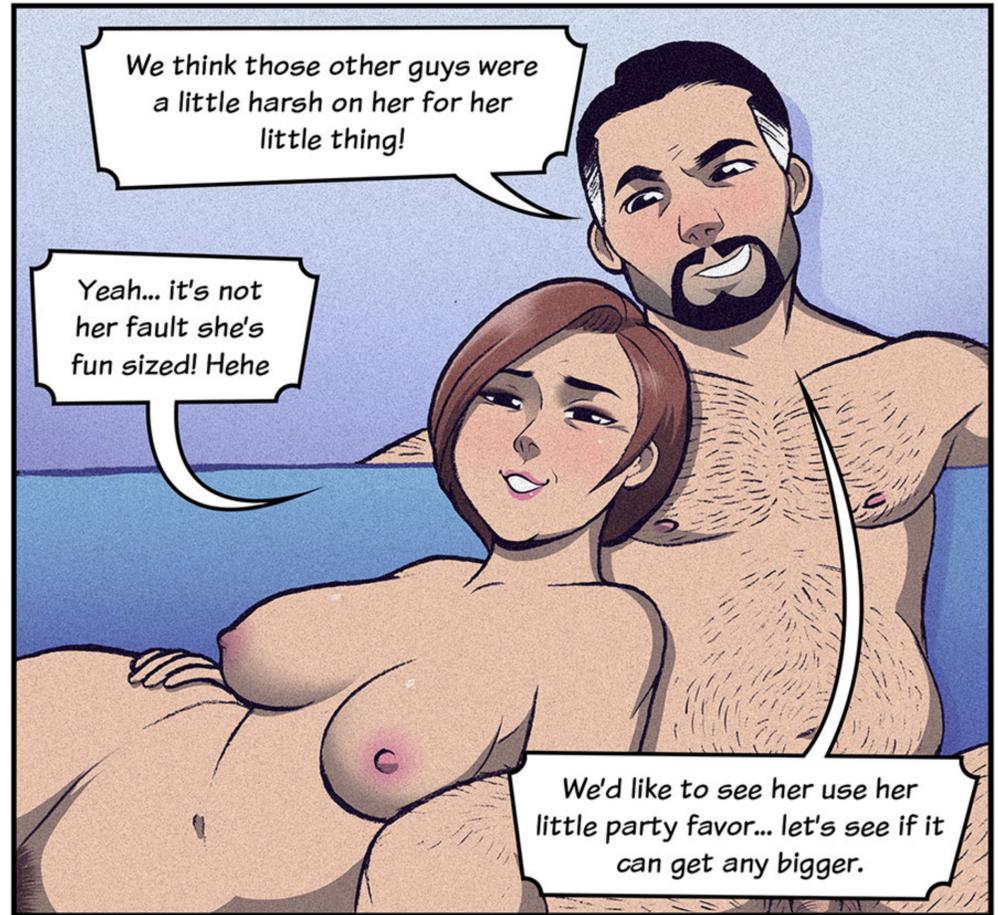

Er... Thanks, Ms. Betty.

We think those other guys were a little harsh on her for her little thing!

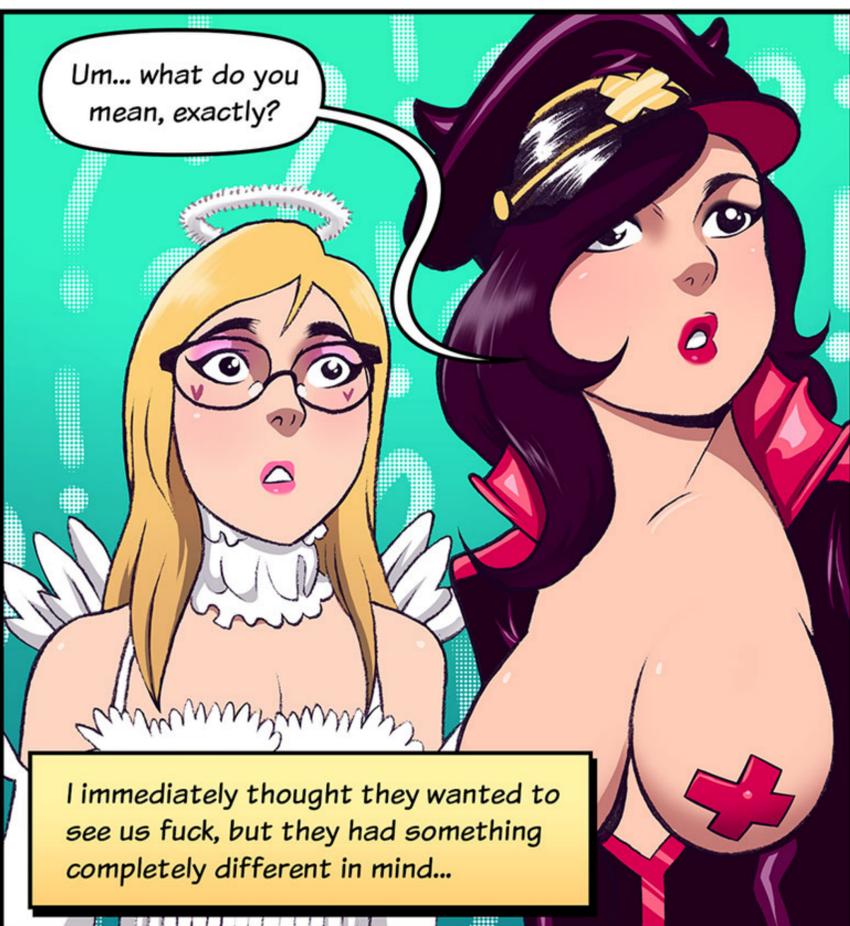

Yeah... it's not her fault she's fun sized! Hehe

We'd like to see her use her little party favor... let's see if it can get any bigger.

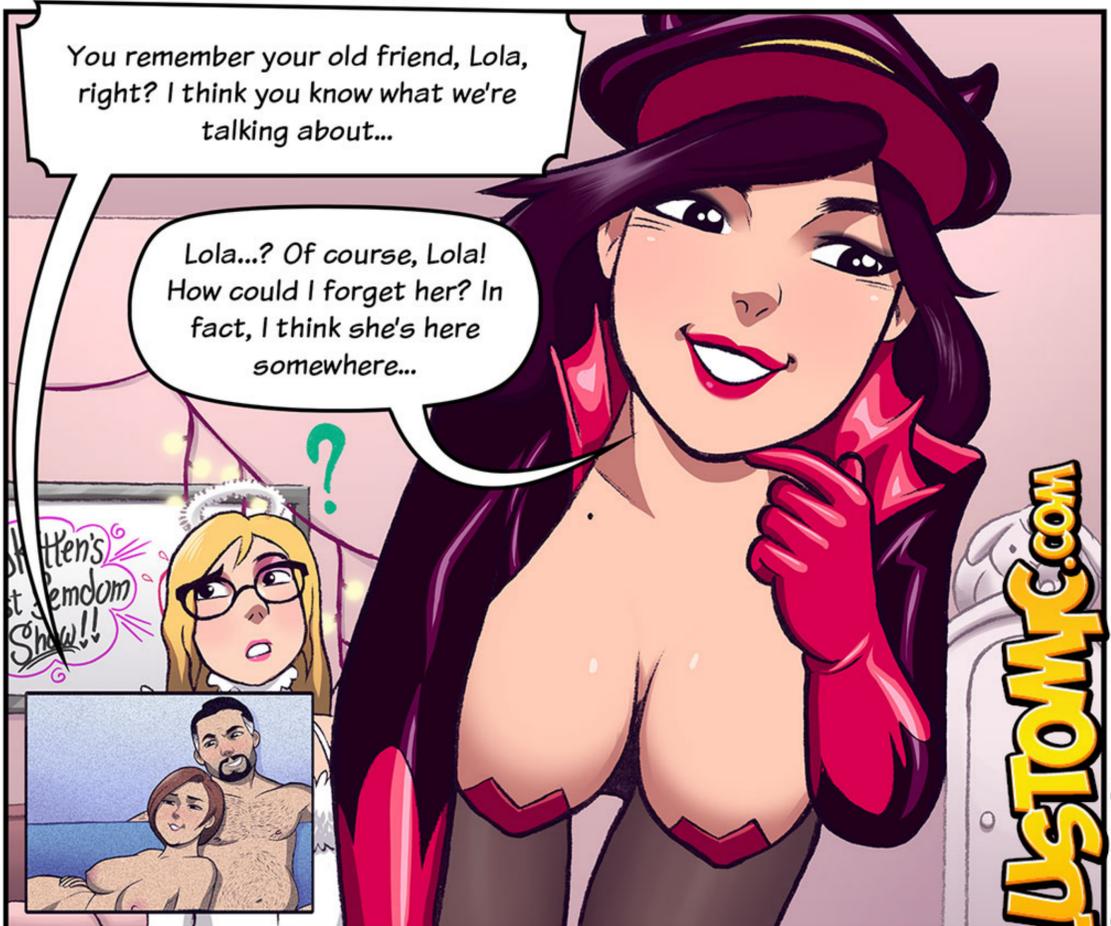

Um... what do you mean, exactly?

I immediately thought they wanted to see us fuck, but they had something completely different in mind...

You remember your old friend, Lola, right? I think you know what we're talking about...

Lola...? Of course, Lola! How could I forget her? In fact, I think she's here somewhere...

Here she is! Protecting my wardrobe from attack!

I guess you could say Lola was my original pet... now I have you!

Um... I don't get it. What am I supposed to do with that?

Silly girl! You're gonna get on that bed and fuck her!

What?! They want me to fuck a stuffed rabbit?!

Don't overreact, Stan! It's not big deal.

In fact, I've lost track of how many times I've humped this toy.

It's something super common among camgirls!

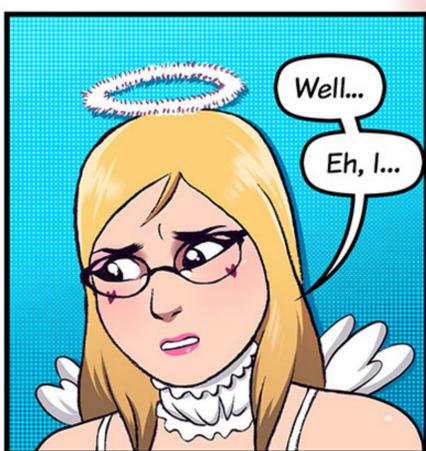

B-but... That's so...

Oh, please, Stan! We've come this far and we can't turn back.

Besides, what they are asking you to do is such a silly thing!

Please, Stan... I really need your help on this.

Well... Eh, I...

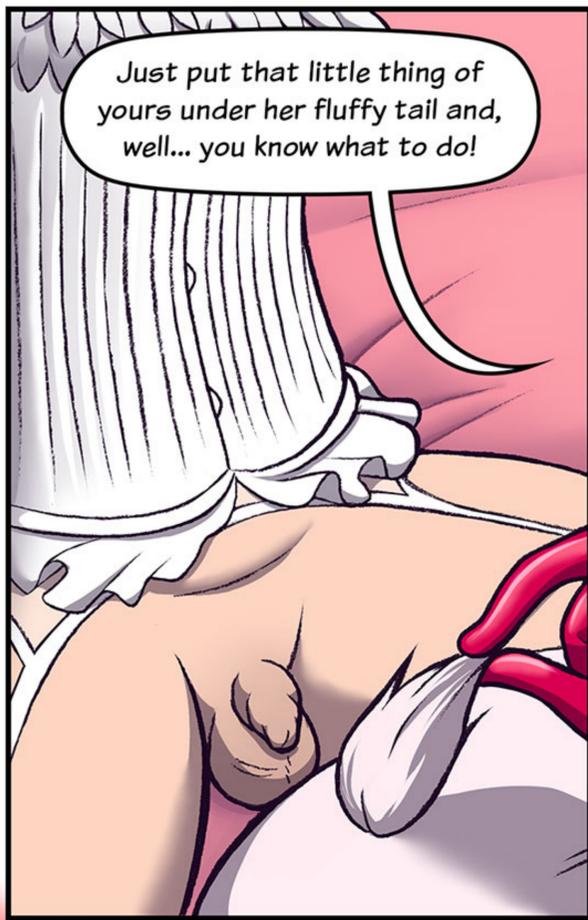

Hey there, lovebirds! Sorry about the delay, I couldn't remember where I put Lola.

Anyway, we're ready for some action. Right, my little doll?

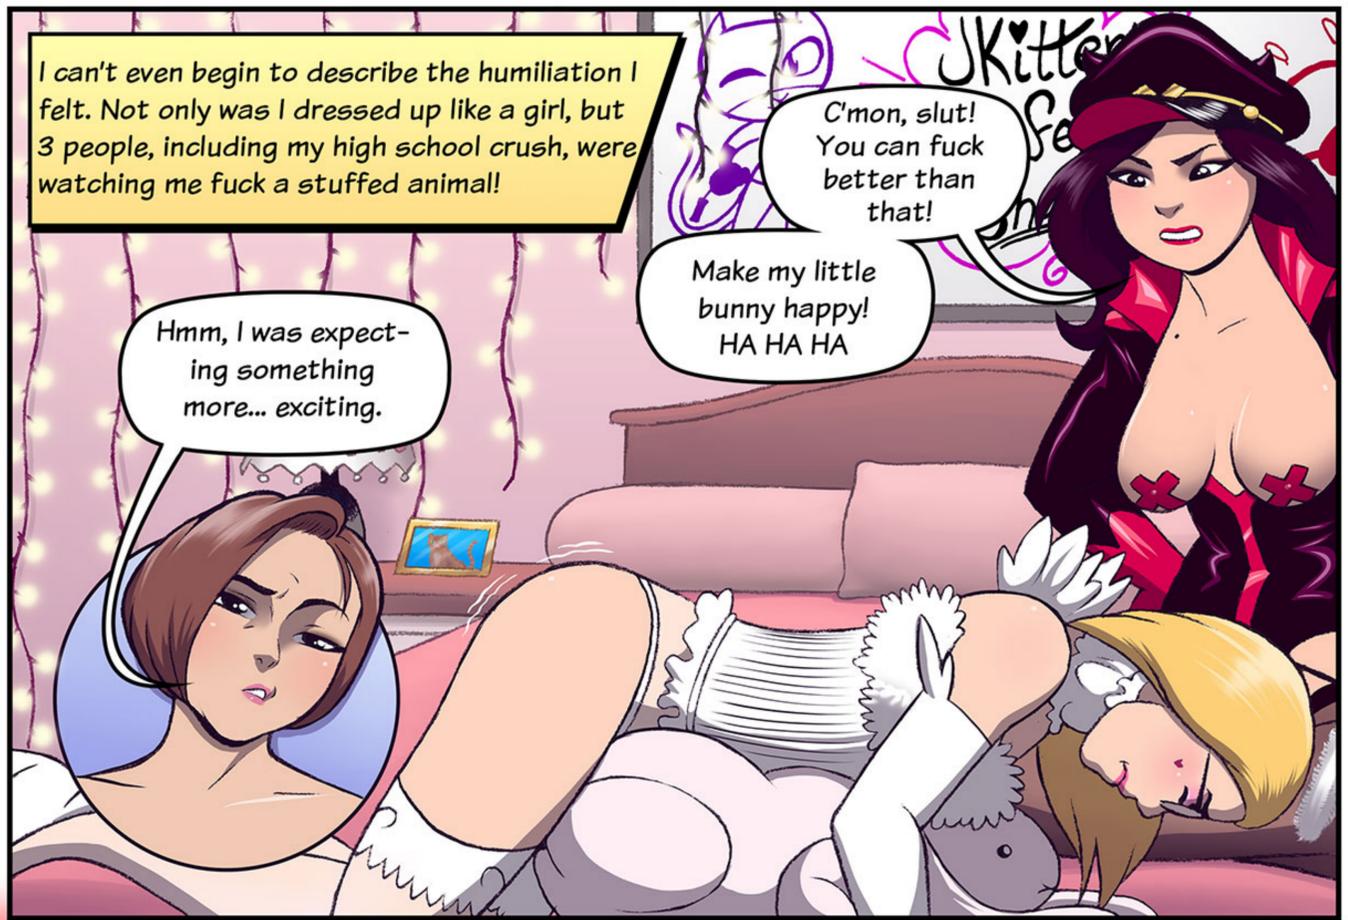

Y-yes, Mistress

All right! I'll do it!

Just put that little thing of yours under her fluffy tail and, well... you know what to do!

I can't even begin to describe the humiliation I felt. Not only was I dressed up like a girl, but 3 people, including my high school crush, were watching me fuck a stuffed animal!

Hmm, I was expecting something more... exciting.

Make my little bunny happy! HA HA HA

C'mon, slut! You can fuck better than that!

Skitter  
Se  
sh

Come on!  
Move those hips!

Make her scream your name!

That's better!  
But maybe you still need some motivation..

Men's  
Freedom  
now!!

Keep going, Stan!  
You're doing great!

Thank you, Stan.  
You're such an angel.

Underneath all that makeup, my face was red with embarrassment. I just couldn't believe what I was doing!

HA! HA! HA! HA!  
This is so funny! He's really trying too! That makes it even more funny! HA HA!

HA HA HA! Yeah, I know... if that bunny could talk she'd be moaning like a porn star!

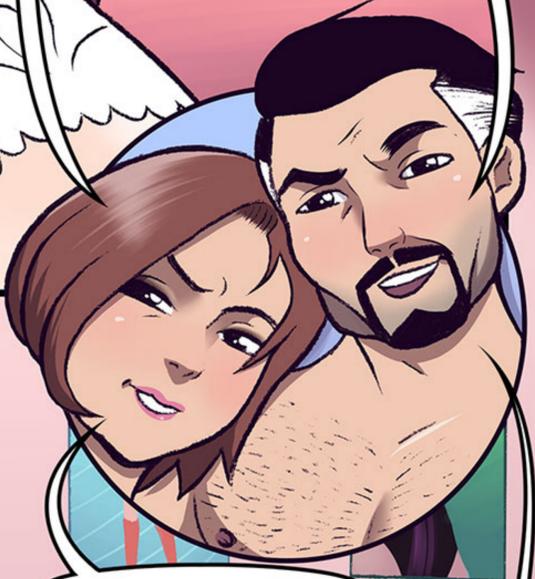

Hmm, maybe we should try out a new angle...

What do you think of this? This way you two can get a nice view of my girl's chubby ass.

Mhmmm... that's nice, KT! And I see her cute ass is nice and pink... I'm sure you had something to do with that!

She does have a nice ass! What else can we see you do with it? If you know what I mean?

Of course I get what you're saying!

In fact, I've got a new toy I've been dying to try out. Hold on a sec...

Take your time, cutie. I'm sure your slut will keep us entertained!

Look at her go! That bunny is getting thumped!

Jenny disappeared for a few minutes... which felt like an eternity... but when she returned she had a big surprise between her legs!

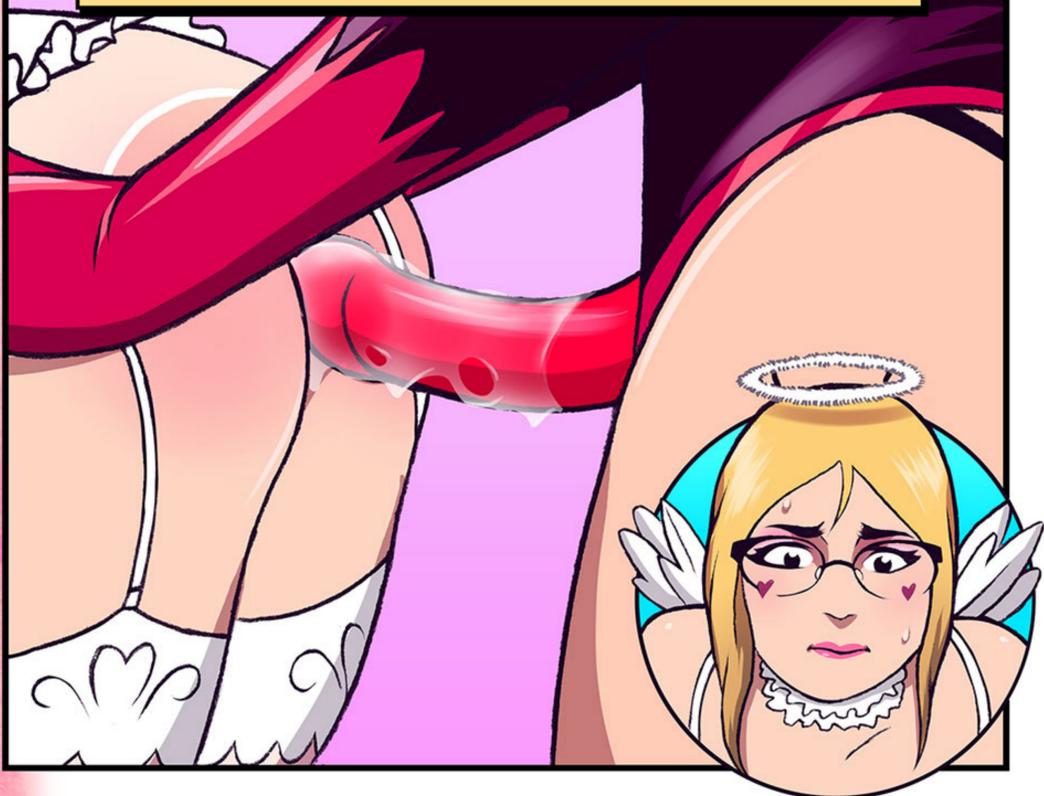

I'm back!  
Did you guys miss me?

Say hello to my little friend!

Oh boy...  
This is gonna be hot!

I had always dreamed about what sex would be like with Jenny, but I never imagined something like this!

Then I knew why she had me get a dildo before. Only thing was the one she was wearing was much larger than mine! At least she was considerate enough to use a lot of lube...

I could feel every inch of her strap-on slowly sliding into my ass. It was so weird. I admit it kinda felt good... but it kinda hurt at the same time, especially when it went in all the way!

Just a little more, baby...

Chooooo  
Choo!

All aboard  
the love  
train!

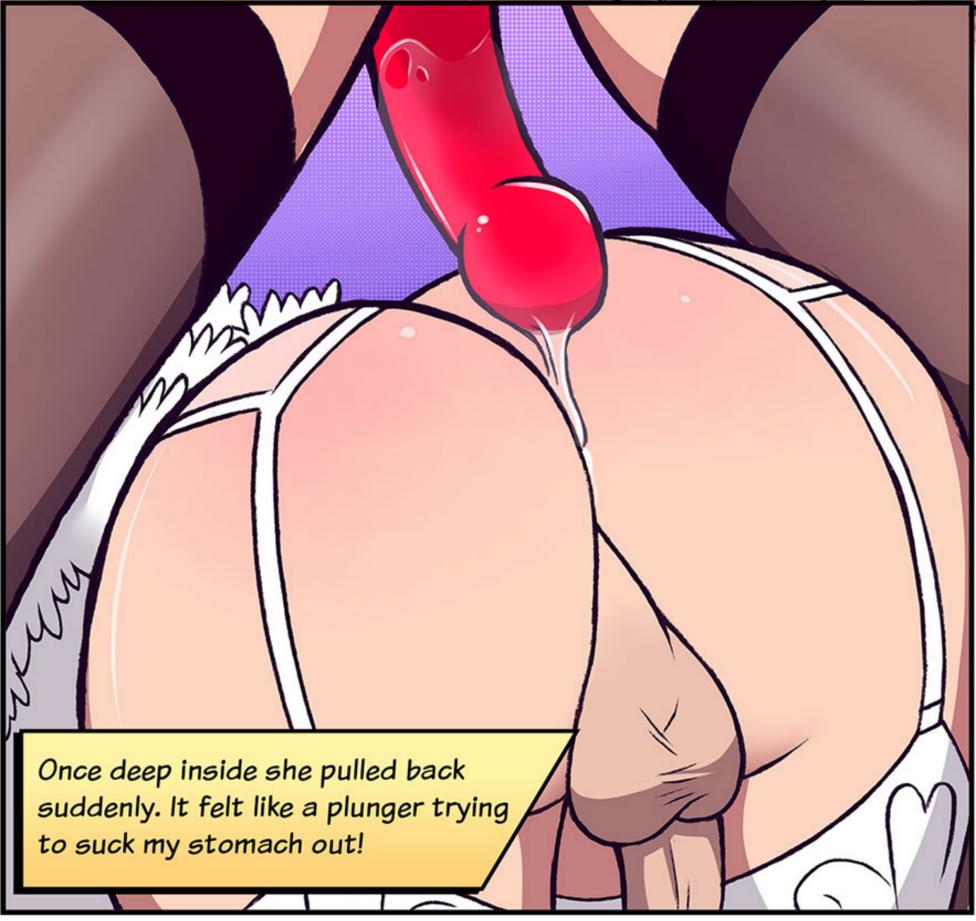

HA! HA! HA! HA!  
Yeah, baby...  
let's ride the  
rails!

Mmmh, I'd love to  
have a ticket for  
that train...

And then she quickly shoved it  
in base deep again! I squealed  
like a girl and they all  
laughed.

Once deep inside she pulled back  
suddenly. It felt like a plunger trying  
to suck my stomach out!

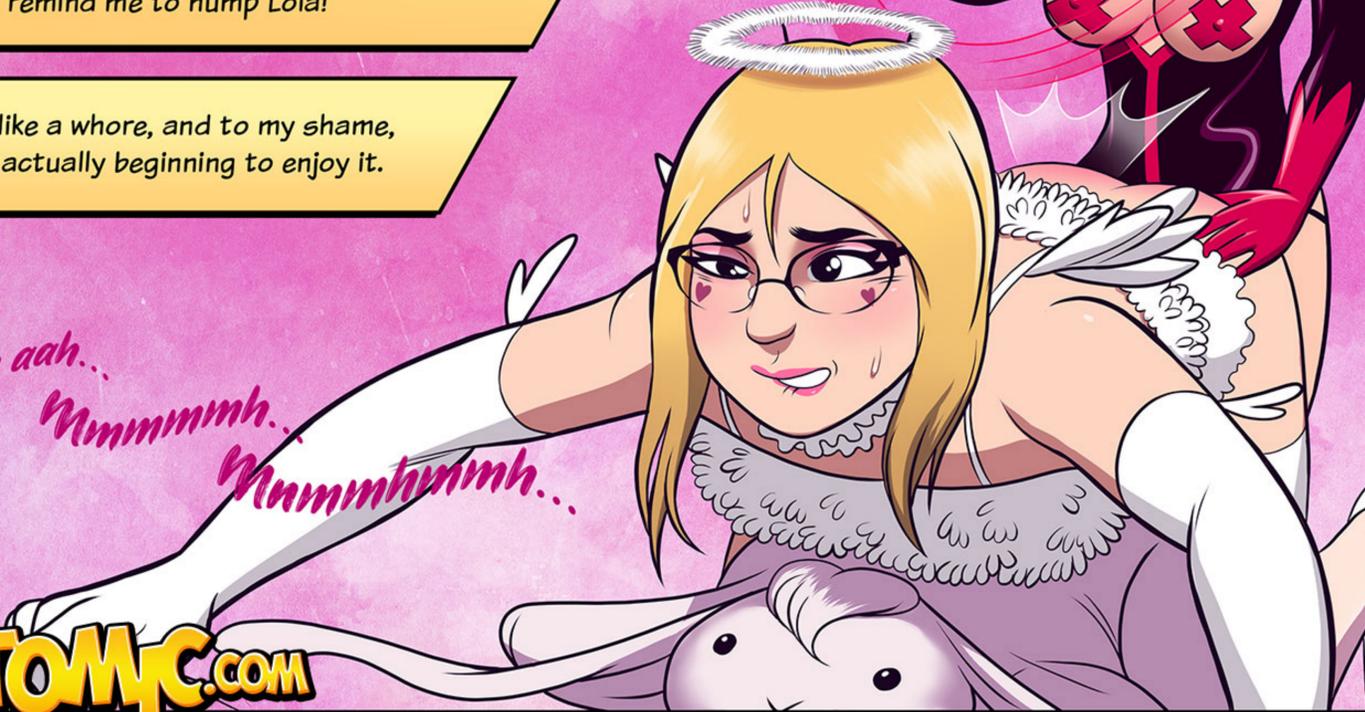

She kept doing that faster and faster; I could feel  
her pelvis constantly slapping my ass. And of  
course, every now and then Jenny spanked  
me to remind me to hump Lola!

I felt like a whore, and to my shame,  
I was actually beginning to enjoy it.

Are you  
moaning,  
pet?!

I think she likes it,  
JK! HA HA HA!

Aaah aah...  
Mmmmmh...  
Mmmmmh...

I wanna see your face while I fuck you... roll over!

Y-yes, Mistress!

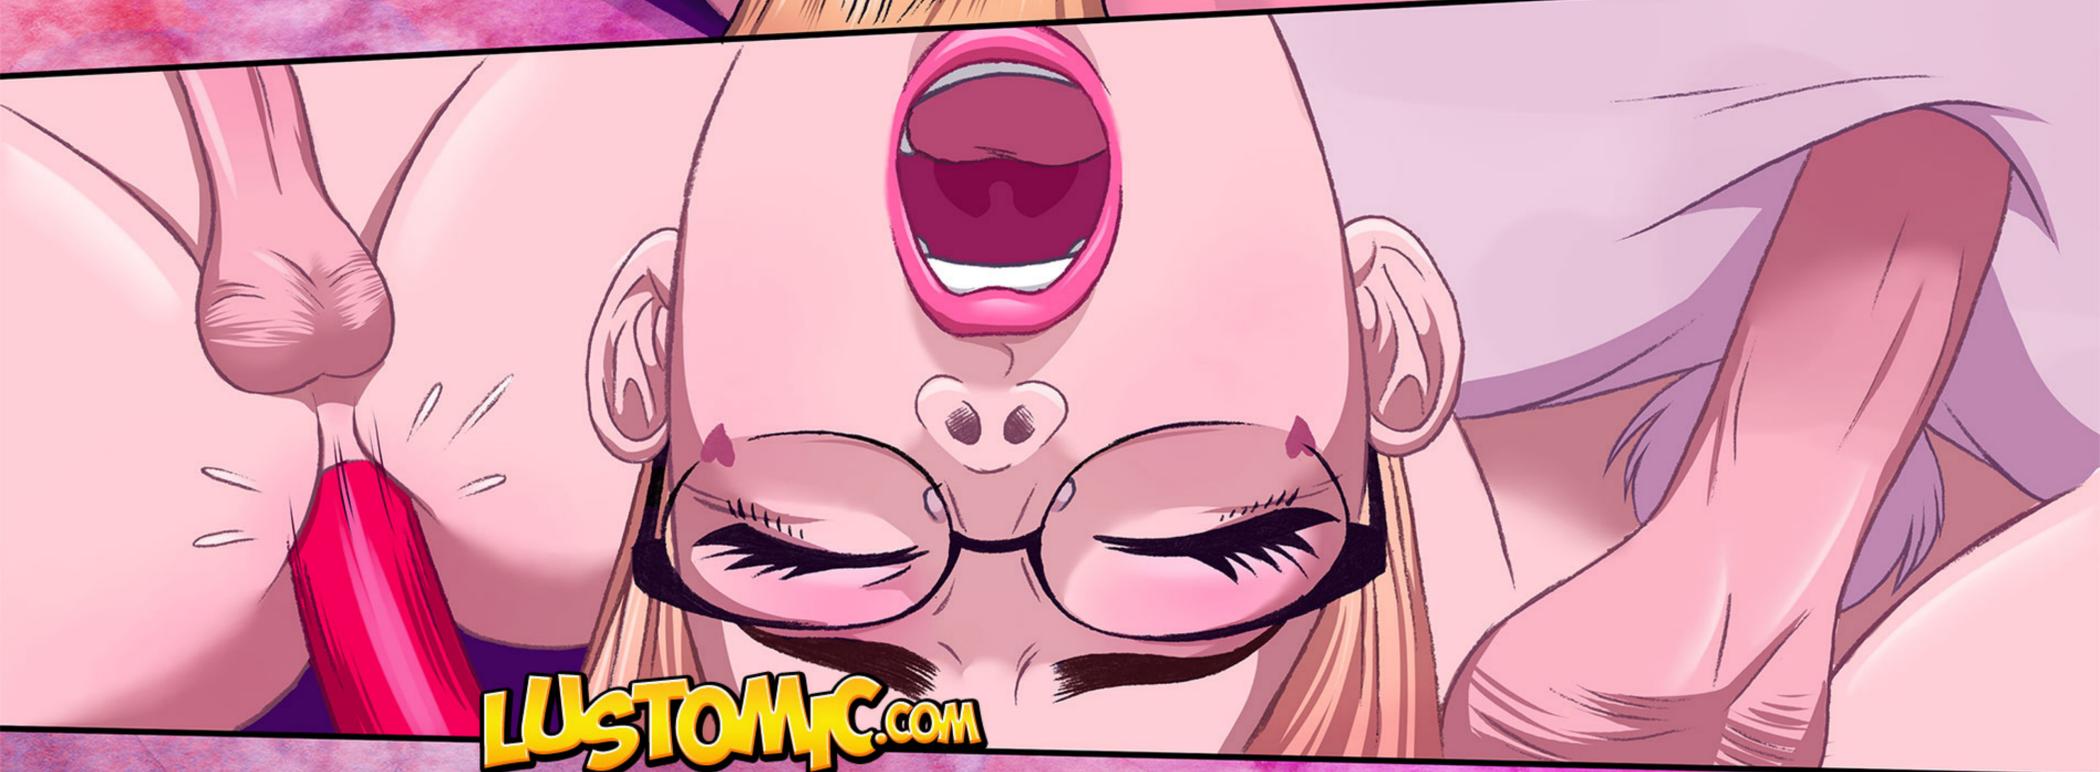

And don't stop humping Lola!

She hasn't gotten off yet!

Jenny got into a rhythm pushing in and pulling out. She even started to make 70's porn sounds while she fucked me! Chikka-Chikka-Boom-Boom

I should have felt utterly destroyed and humiliated, but I only felt my dick swell inside Lola!

Truth is I never had sex before that day. I guess You could say Lola was my first!

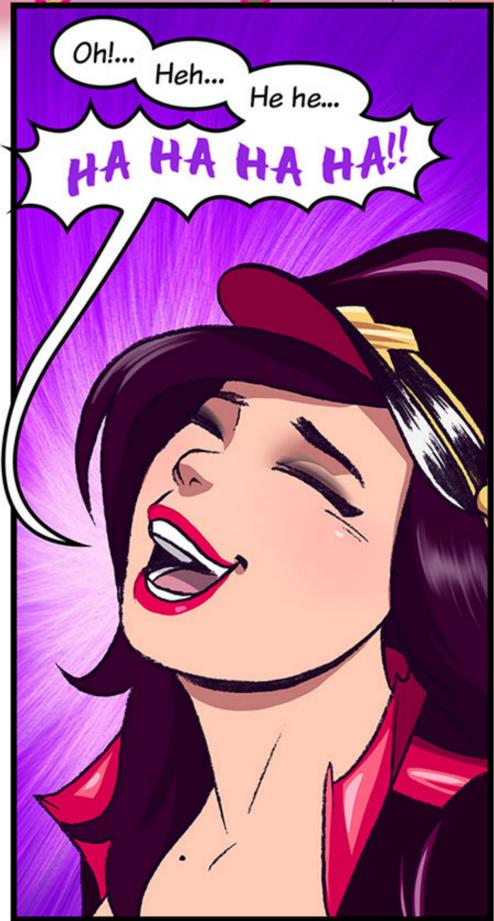

In fact, I was enjoying the moment so much that the inevitable happened...

Oh!

Is something wrong? Why aren't you moving?

Um... I think I just put a bun in Lola's oven...

Oh!... Heh... He he...  
**HA HA HA HA!!**

**HA HA HA!!**  
Oh no! Lola's gonna be a sticky mess now!

I think it's time we had some fun, baby. I'm horny now.

Me too!

OK, you guys... thanks for watching!

This Dominatrix stuff is hard work! I need a little break...

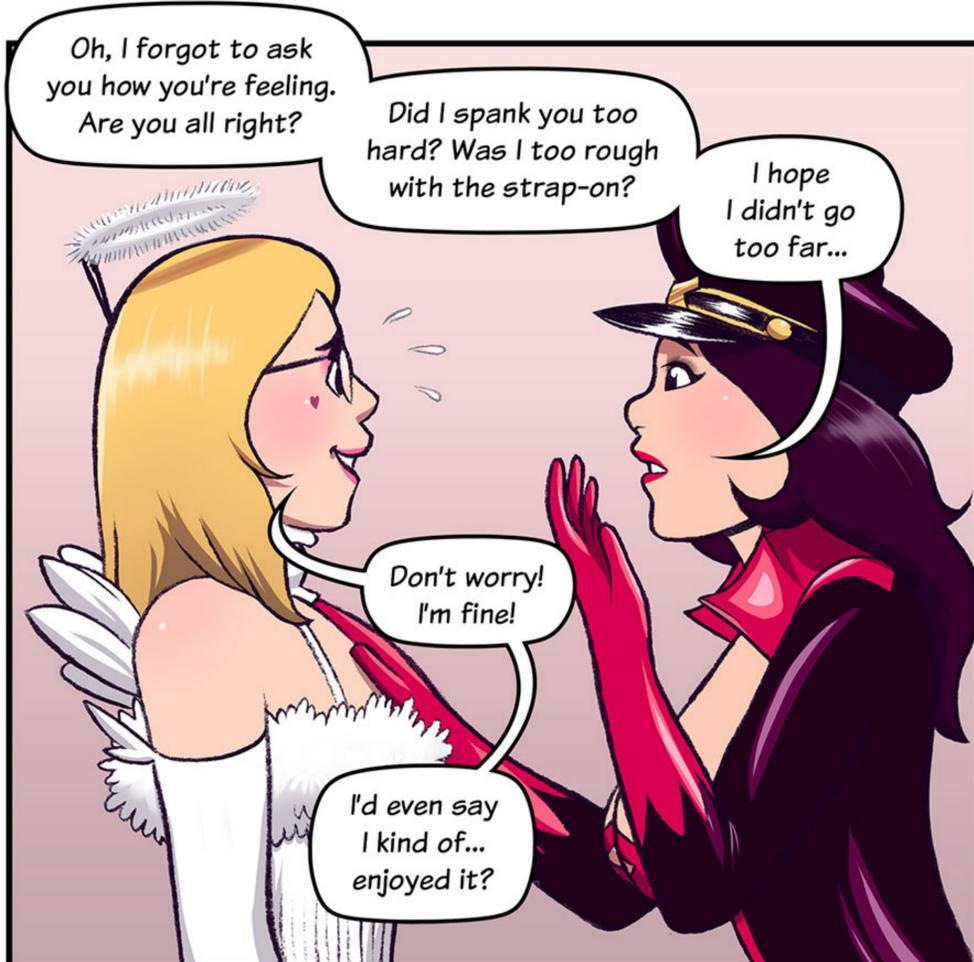

Sure! You deserve it, JK! Great show today!

Bye, girls!

Bye!

We soon got back to it, and you know what? I really started to like being her sissy bitch. She must have fucked me 4 more times that day. She made like more than tripple what she usually made!

Her fans loved it. She said this would relally help her with bills and going back to school. I agreed to be her sissy twice a week on cam. I'd have to stay smooth at all times and agree to not date anyone.

I guess you could say I was always her sissy, even when not on cam. I was ok with that! I even started fantasizing about sissy things.

When we streamed, tho, that's when it felt the best! She came up with all sorts of stuff we could do as Mistress and sissy slave!

She actually became more dominant toward me as well... she was still caring, but you know... she was definitely the boss. She told me it made her wet to see me suffer for her pleasure!

Sam and Betty became regulars and always requested an extended private show.

They asked for a "Lola Show" now and then, but they were also very creative with other ideas...

Like the "mirror challenge" where we'd have to imitate everything they did.

Horny\_Couple

JKitten

OMG it was so hot seeing that MILF get fucked by her hubby while my Mistress pounded my ass!

Mistress Jenny's fan base grew to more than 100K and she got so many requests for more shows she decided to forget about school and go full time! She just sort of told me... she didn't ask...

Sorry guys, we can only do twice a week... Staci is a very busy girl.

Maybe you can change my mind...

I think you know what to do... right? Good boys!!

So I live with Mistress now and even have my own room to cam in when she's busy.

She told me I'll be getting implants soon too... That will really boost revenue!

**Stumbo91:** YES, Plush\_Staci! I want to see that thing open ur cute ass!

**Indiscipline\_KC81:** You're so sexy, baby. I'd love to fuck u all night long
