

Be My Girlfriend

Chapter 46

by Madafakir

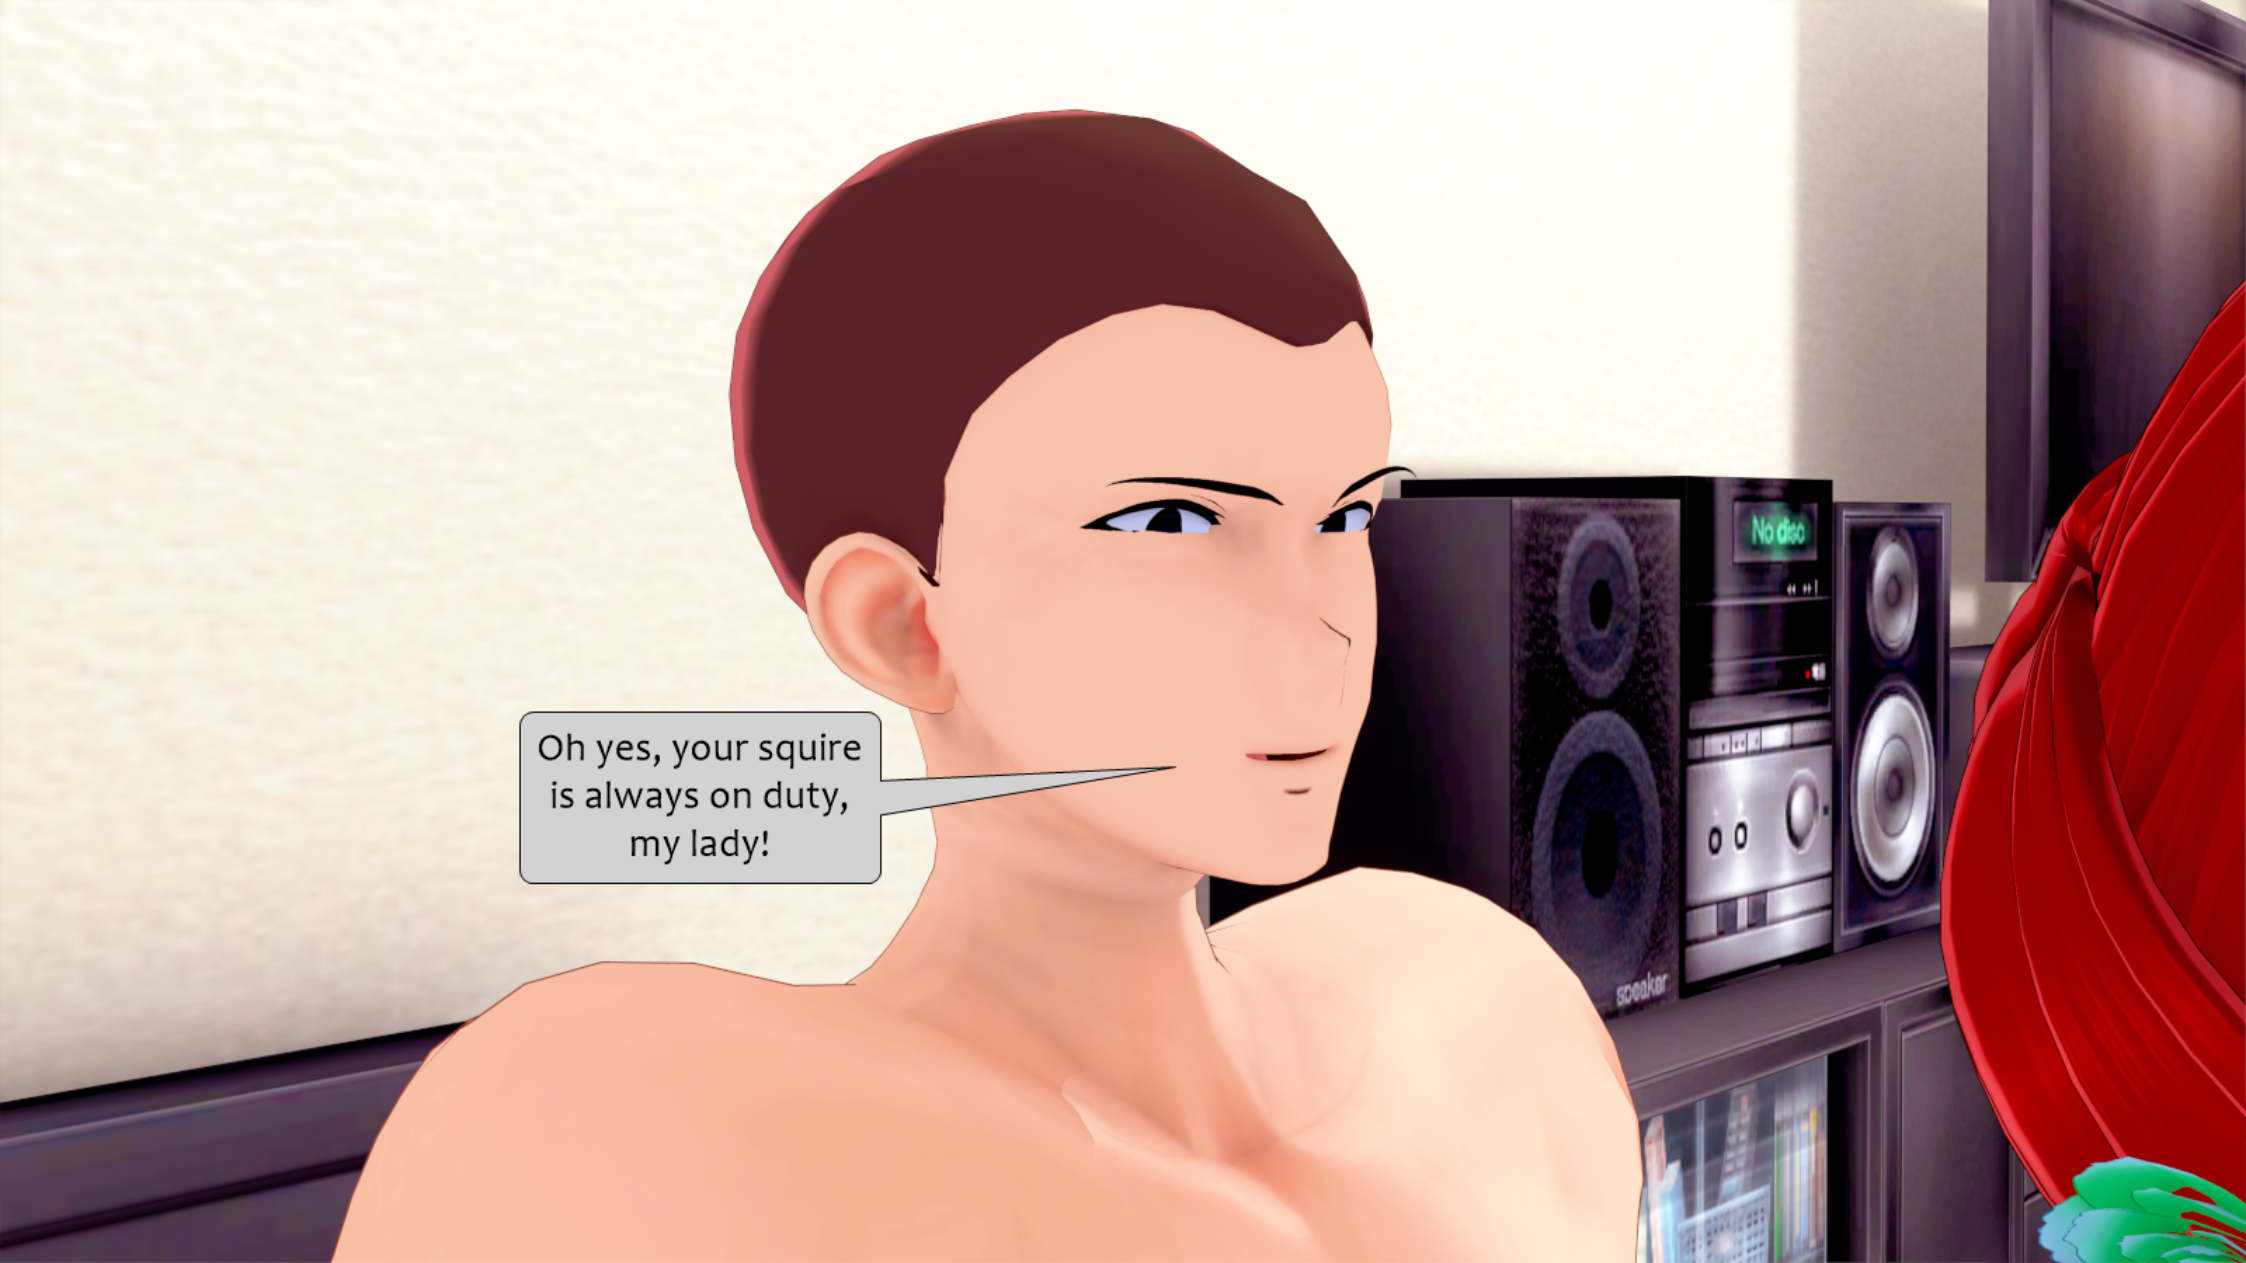

So my dear princess still
can't get enough of that
big club, huh?

Oh, don't play the fool,
squire. You've had too
much pleasure from me.
Now it's my turn, isn't it?

You're lucky that giant is
always standing at
attention. Otherwise I'd
be very angry at you!

Oh yes, your squire
is always on duty,
my lady!

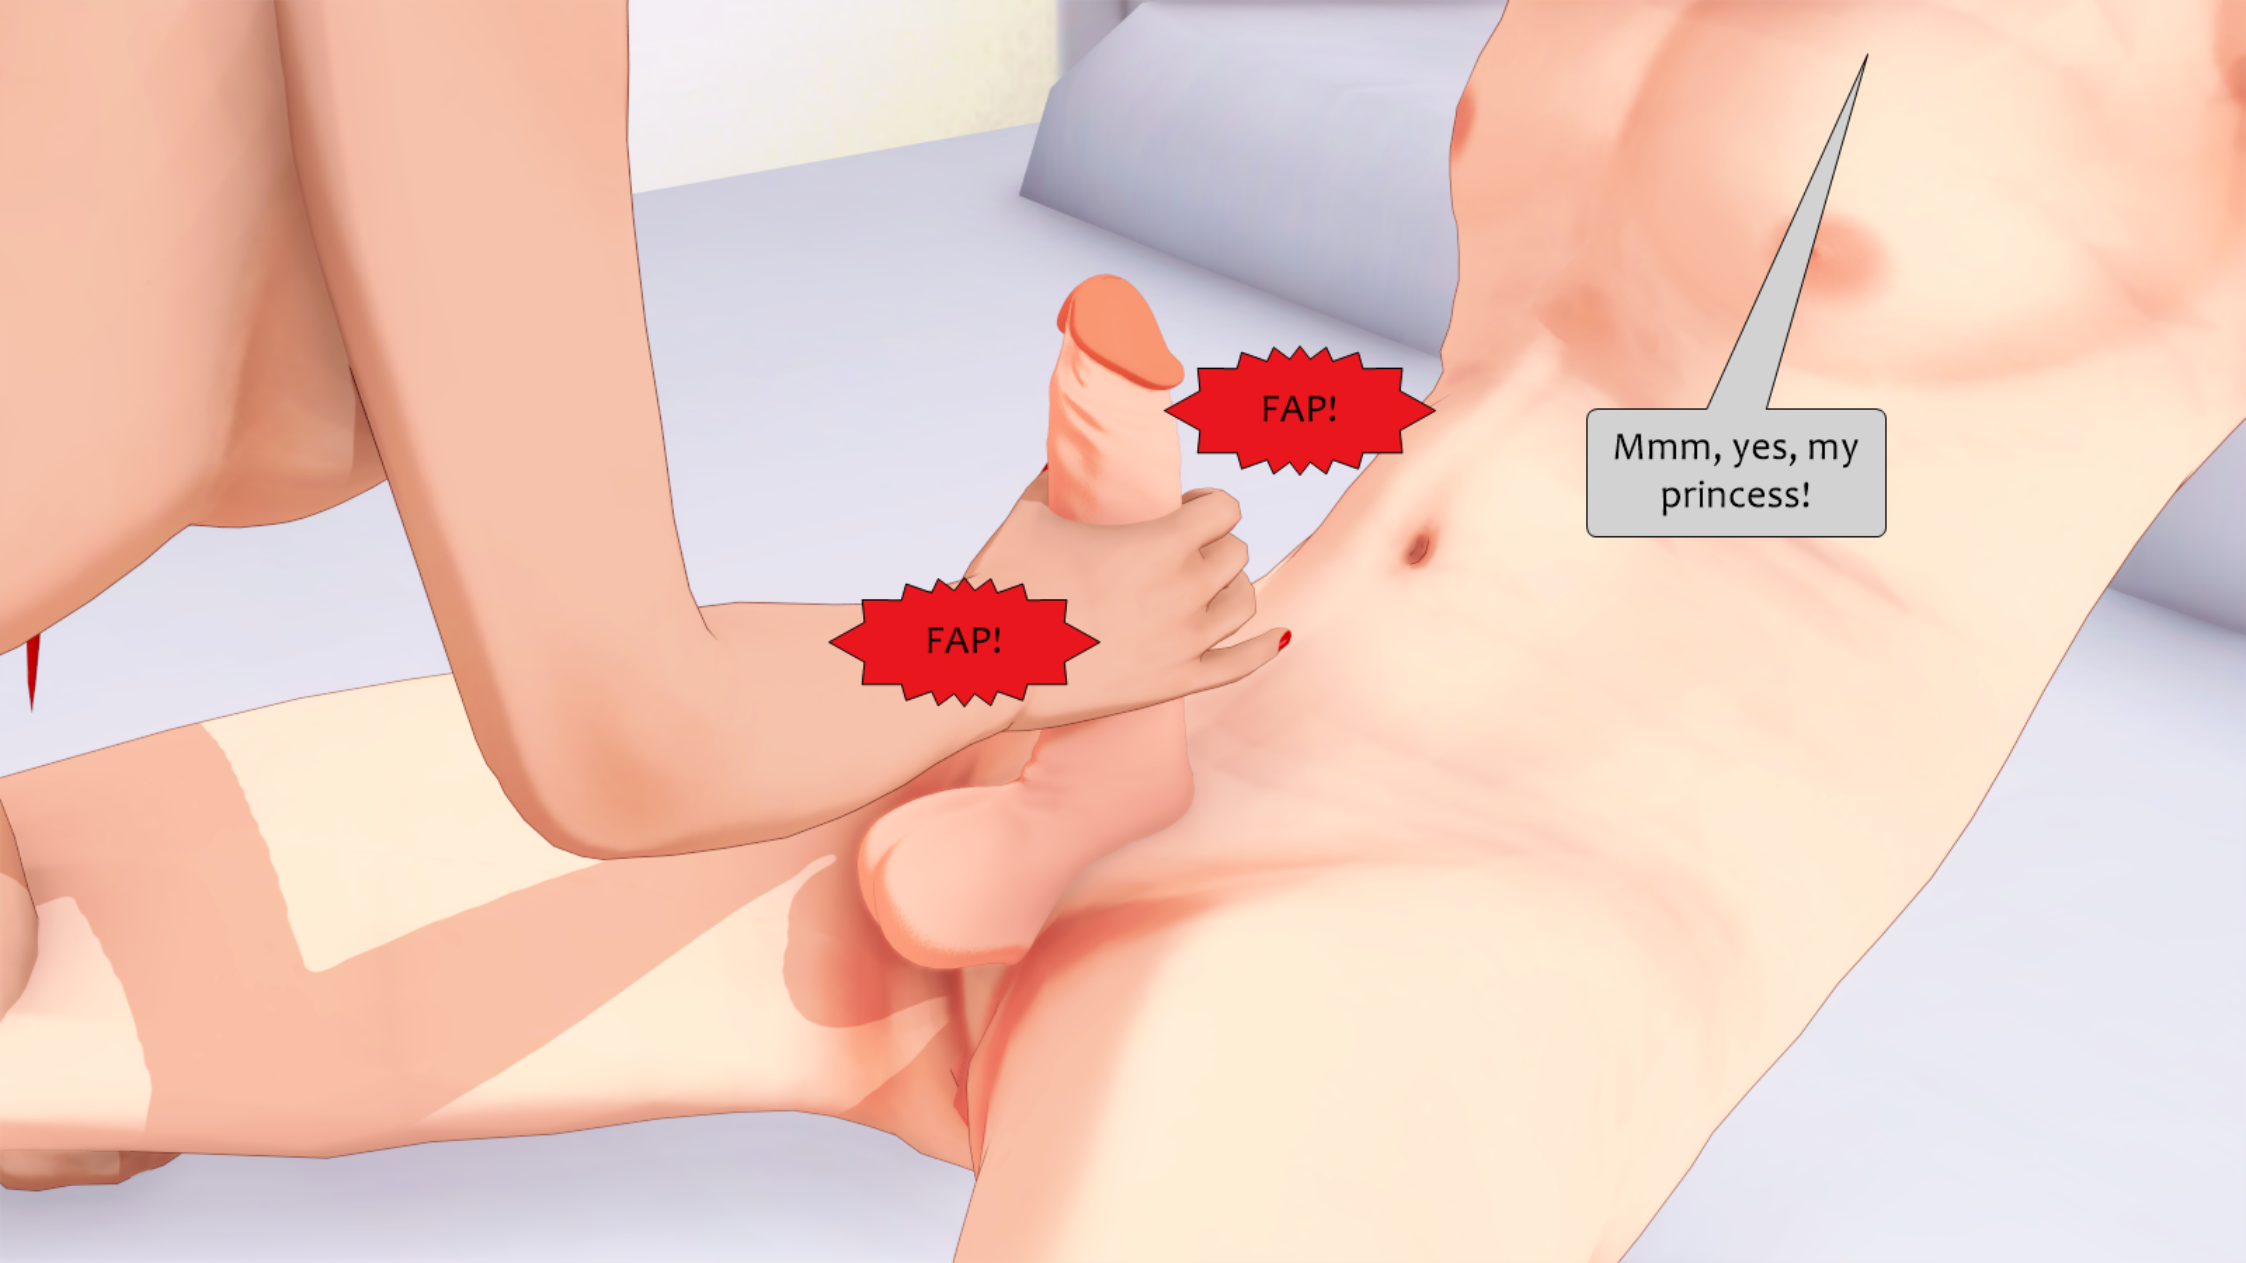

We'll soon see if the
squire is also
effective!

I need it to be
bigger and harder
than ever!

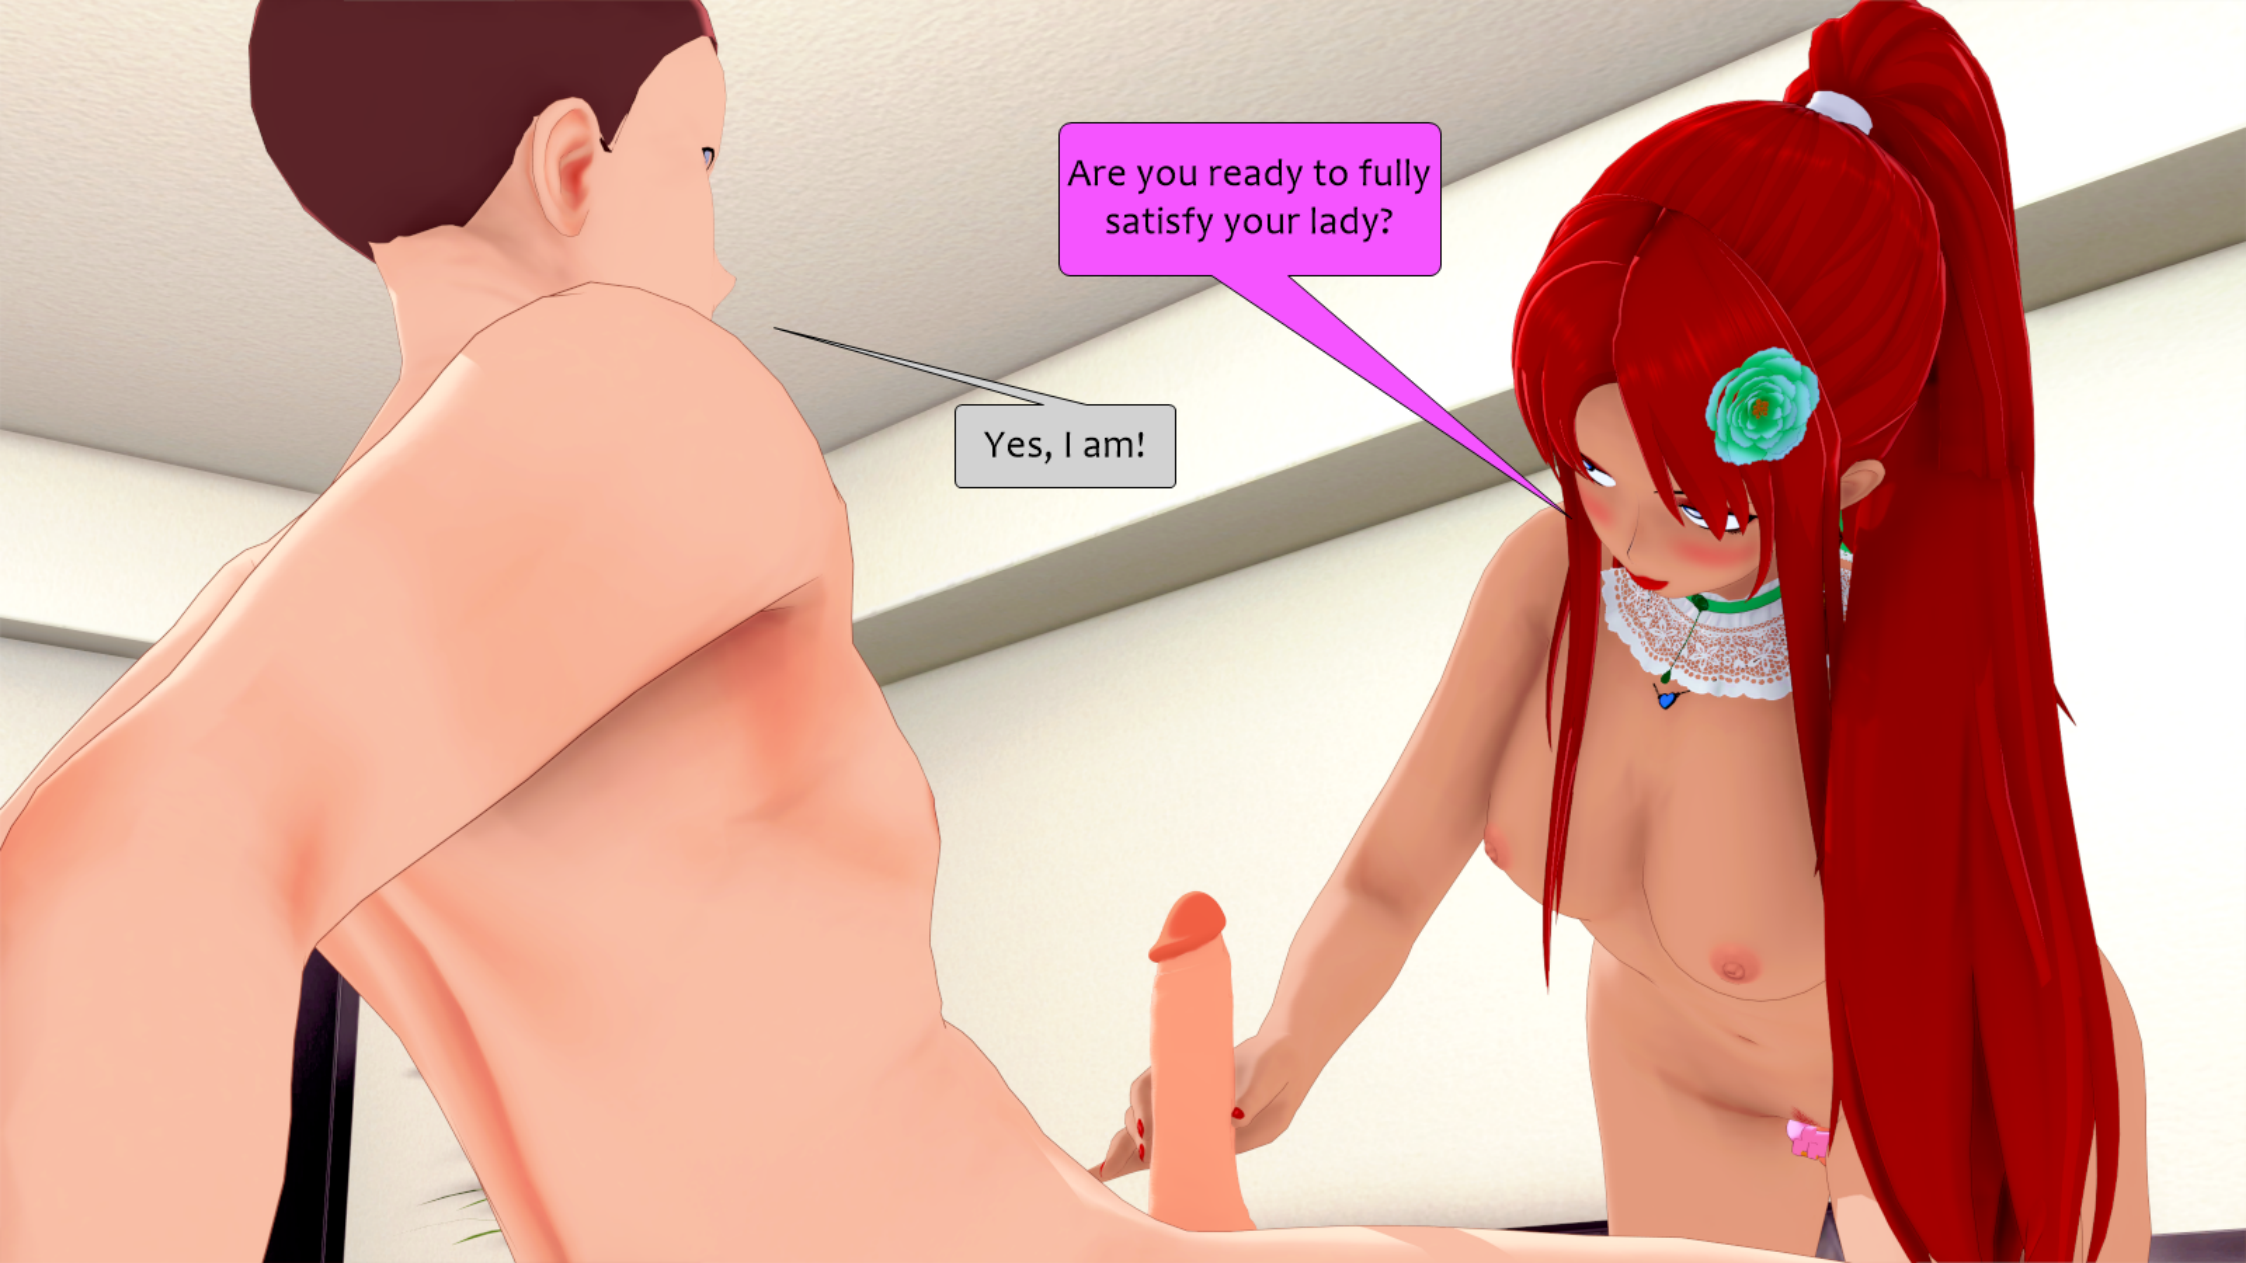

FAP!

FAP!

FAP!

Mmm, yes, my princess!

Are you ready to fully
satisfy your lady?

Yes, I am!

I have some doubts,
but... let's give him
a chance.

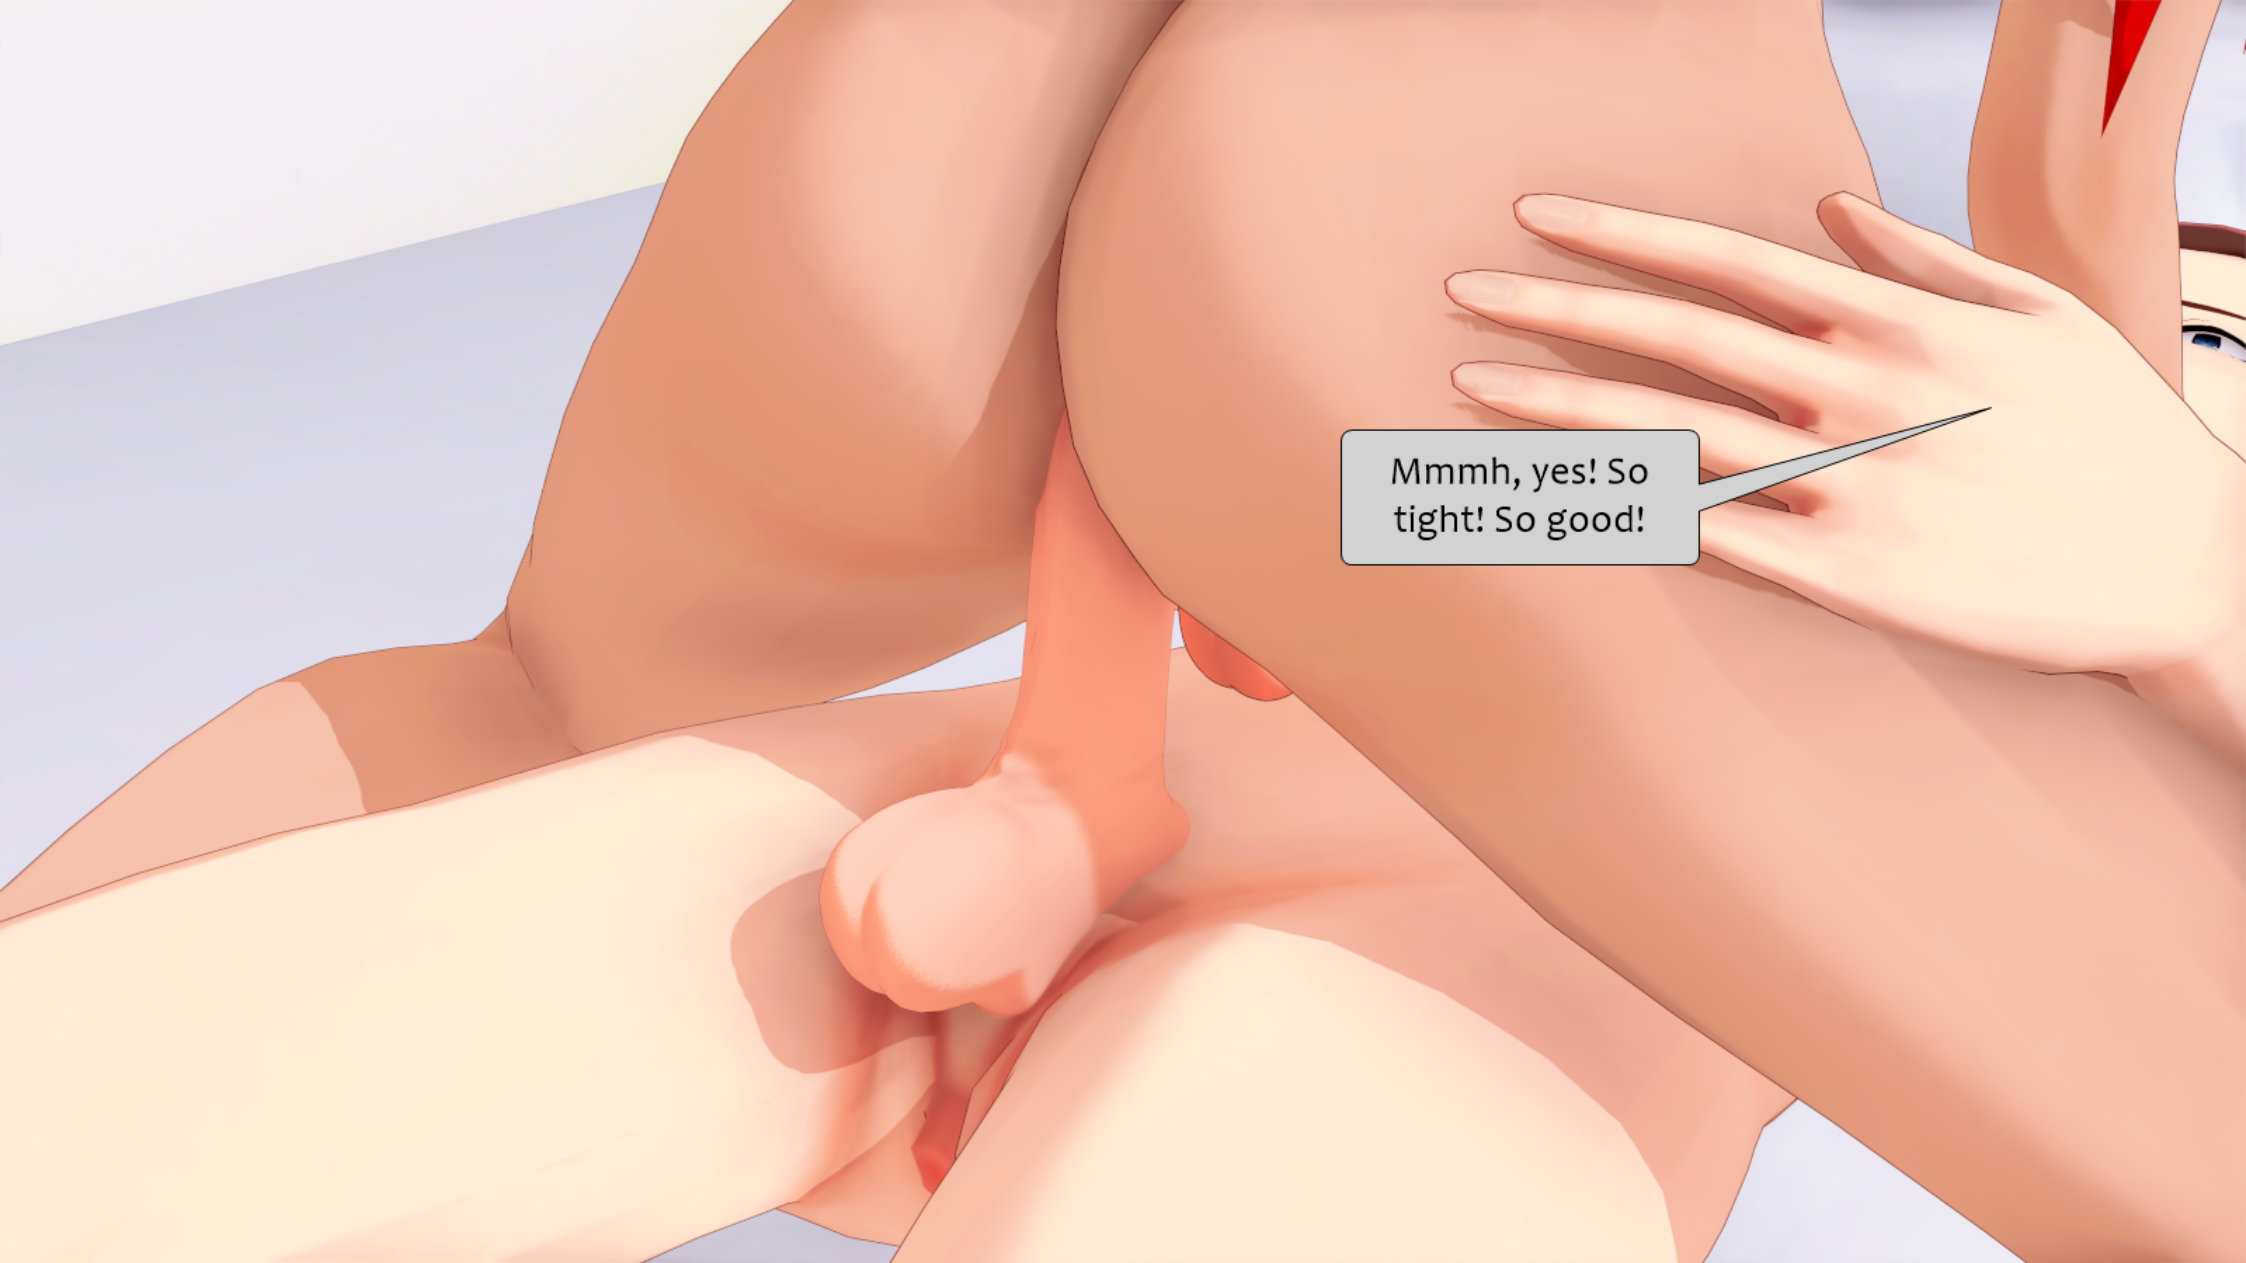

Oh my lady! I missed
this so much!

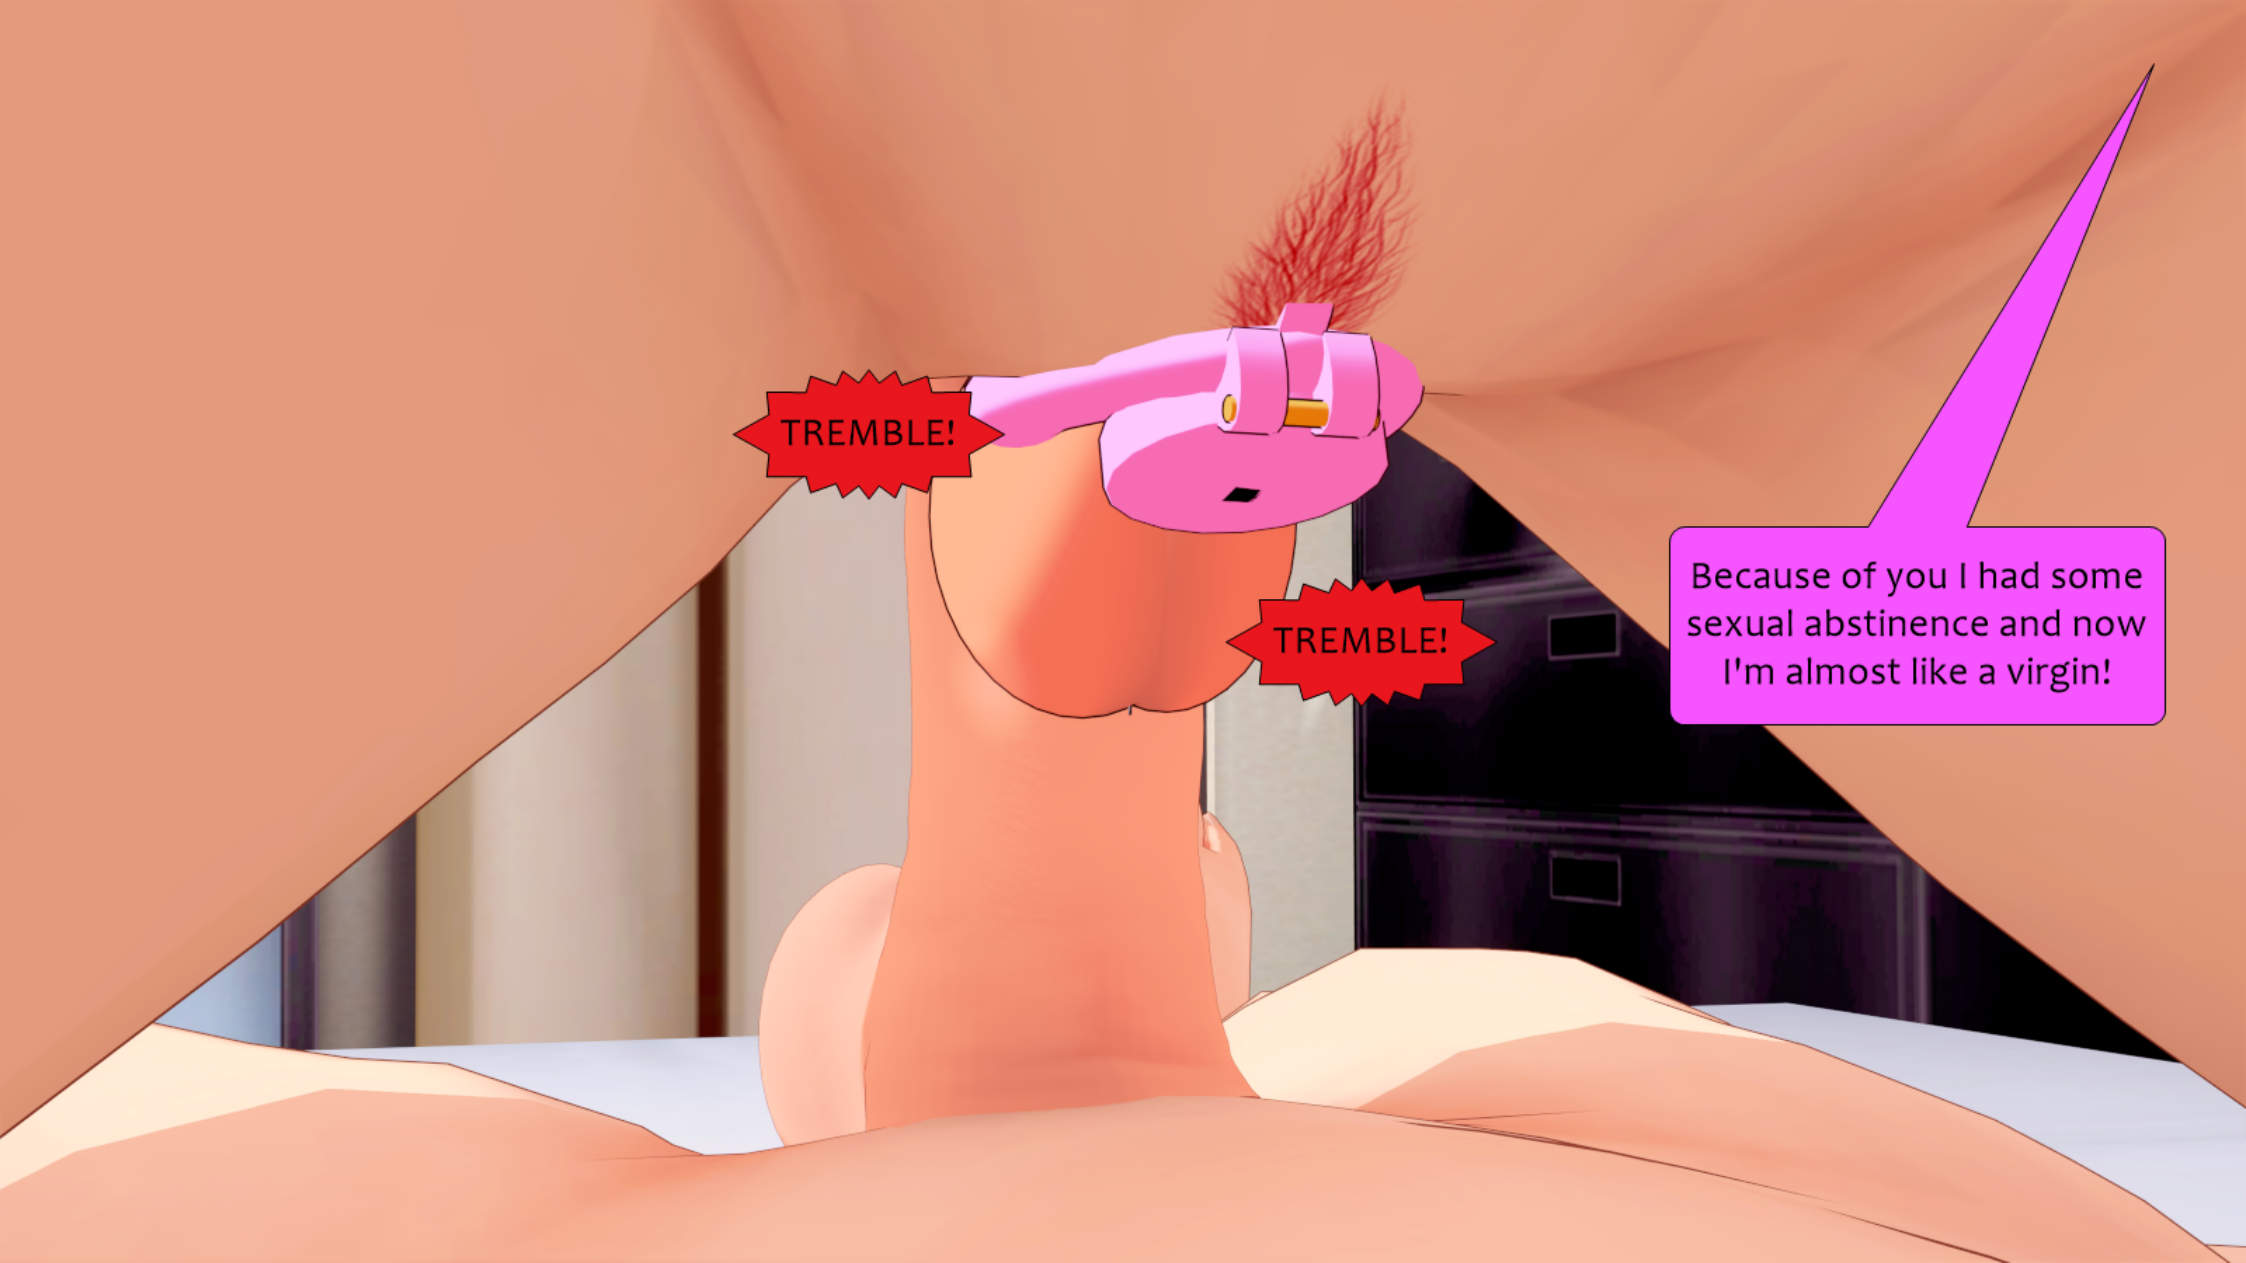

And you almost lost it, you idiot! So now you better try not to disappoint my princess ass pussy!

I want to start slow. I'm
very delicate down
there, you know?

Mmmh, yes! So
tight! So good!

TREMBLE!

TREMBLE!

Because of you I had some sexual abstinence and now I'm almost like a virgin!

Mmh, I think this will only
provide a better
experience for both of us!

Uuuh, you better
make sure of that,
squire!

Oooh, I love that!

I love your ass pussy so much!

Oh, yessss... You
are so fucking big...

Oooh...

Deeper...

I...

I want...

...it...

...deeper...

...uuuh!

Oooh...

Oooh...

Please, princess, let
me give you real
pleasure!

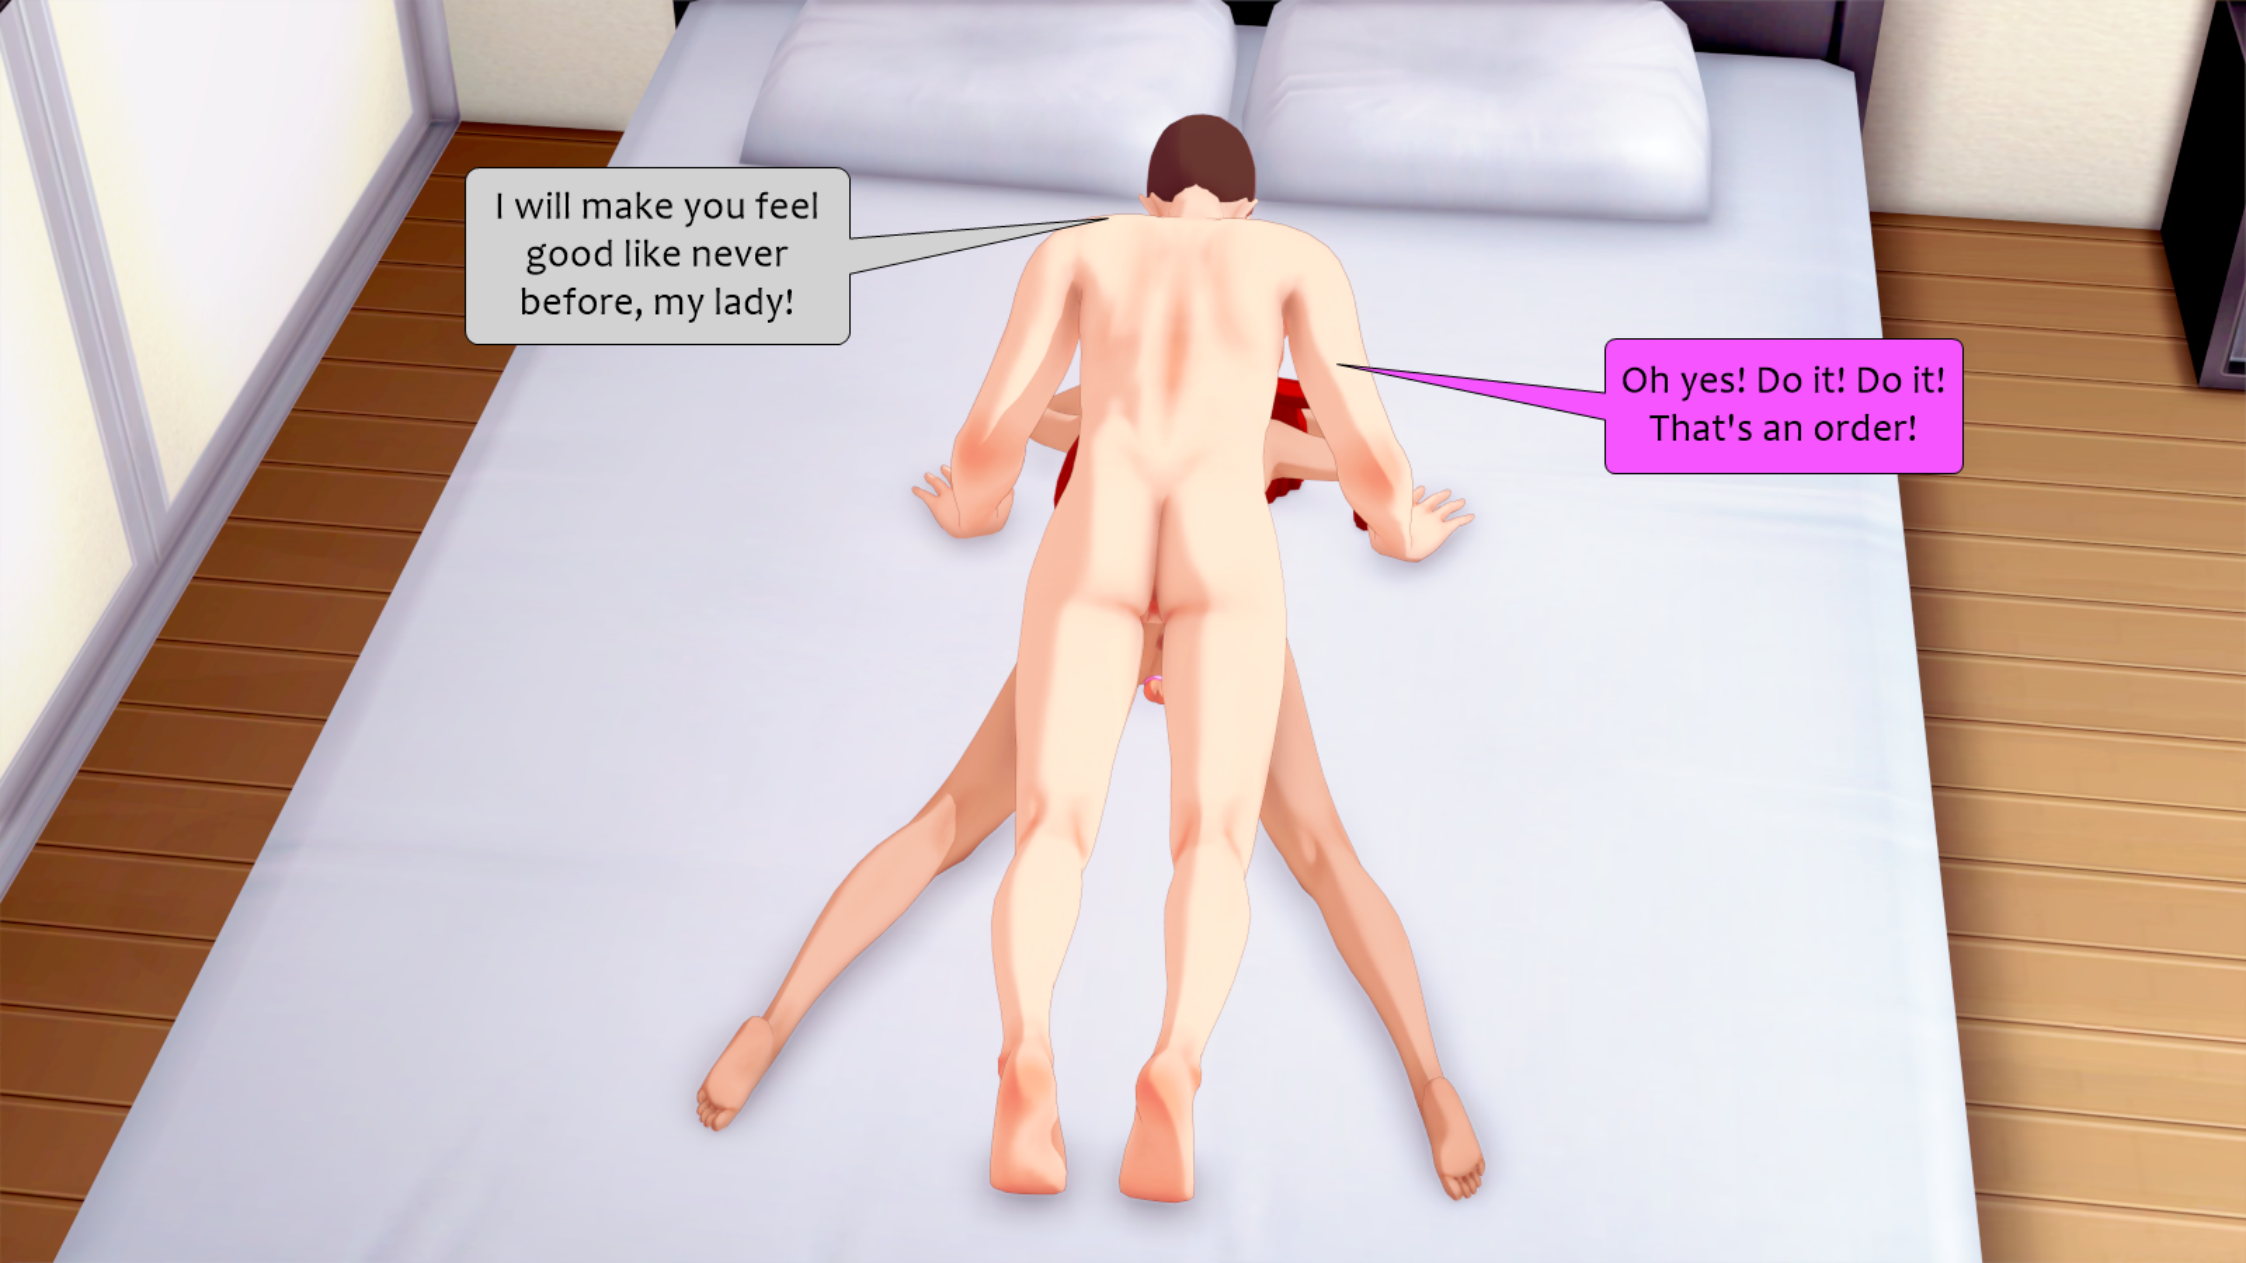

Ooooh! Yes,
that's good!

You like it
this way?

Uuuh, yes!
Fuck me!

I will make you feel
good like never
before, my lady!

Oh yes! Do it! Do it!
That's an order!

Ah!

Ah!

Ah!

Ah!

Ah!

Ah!

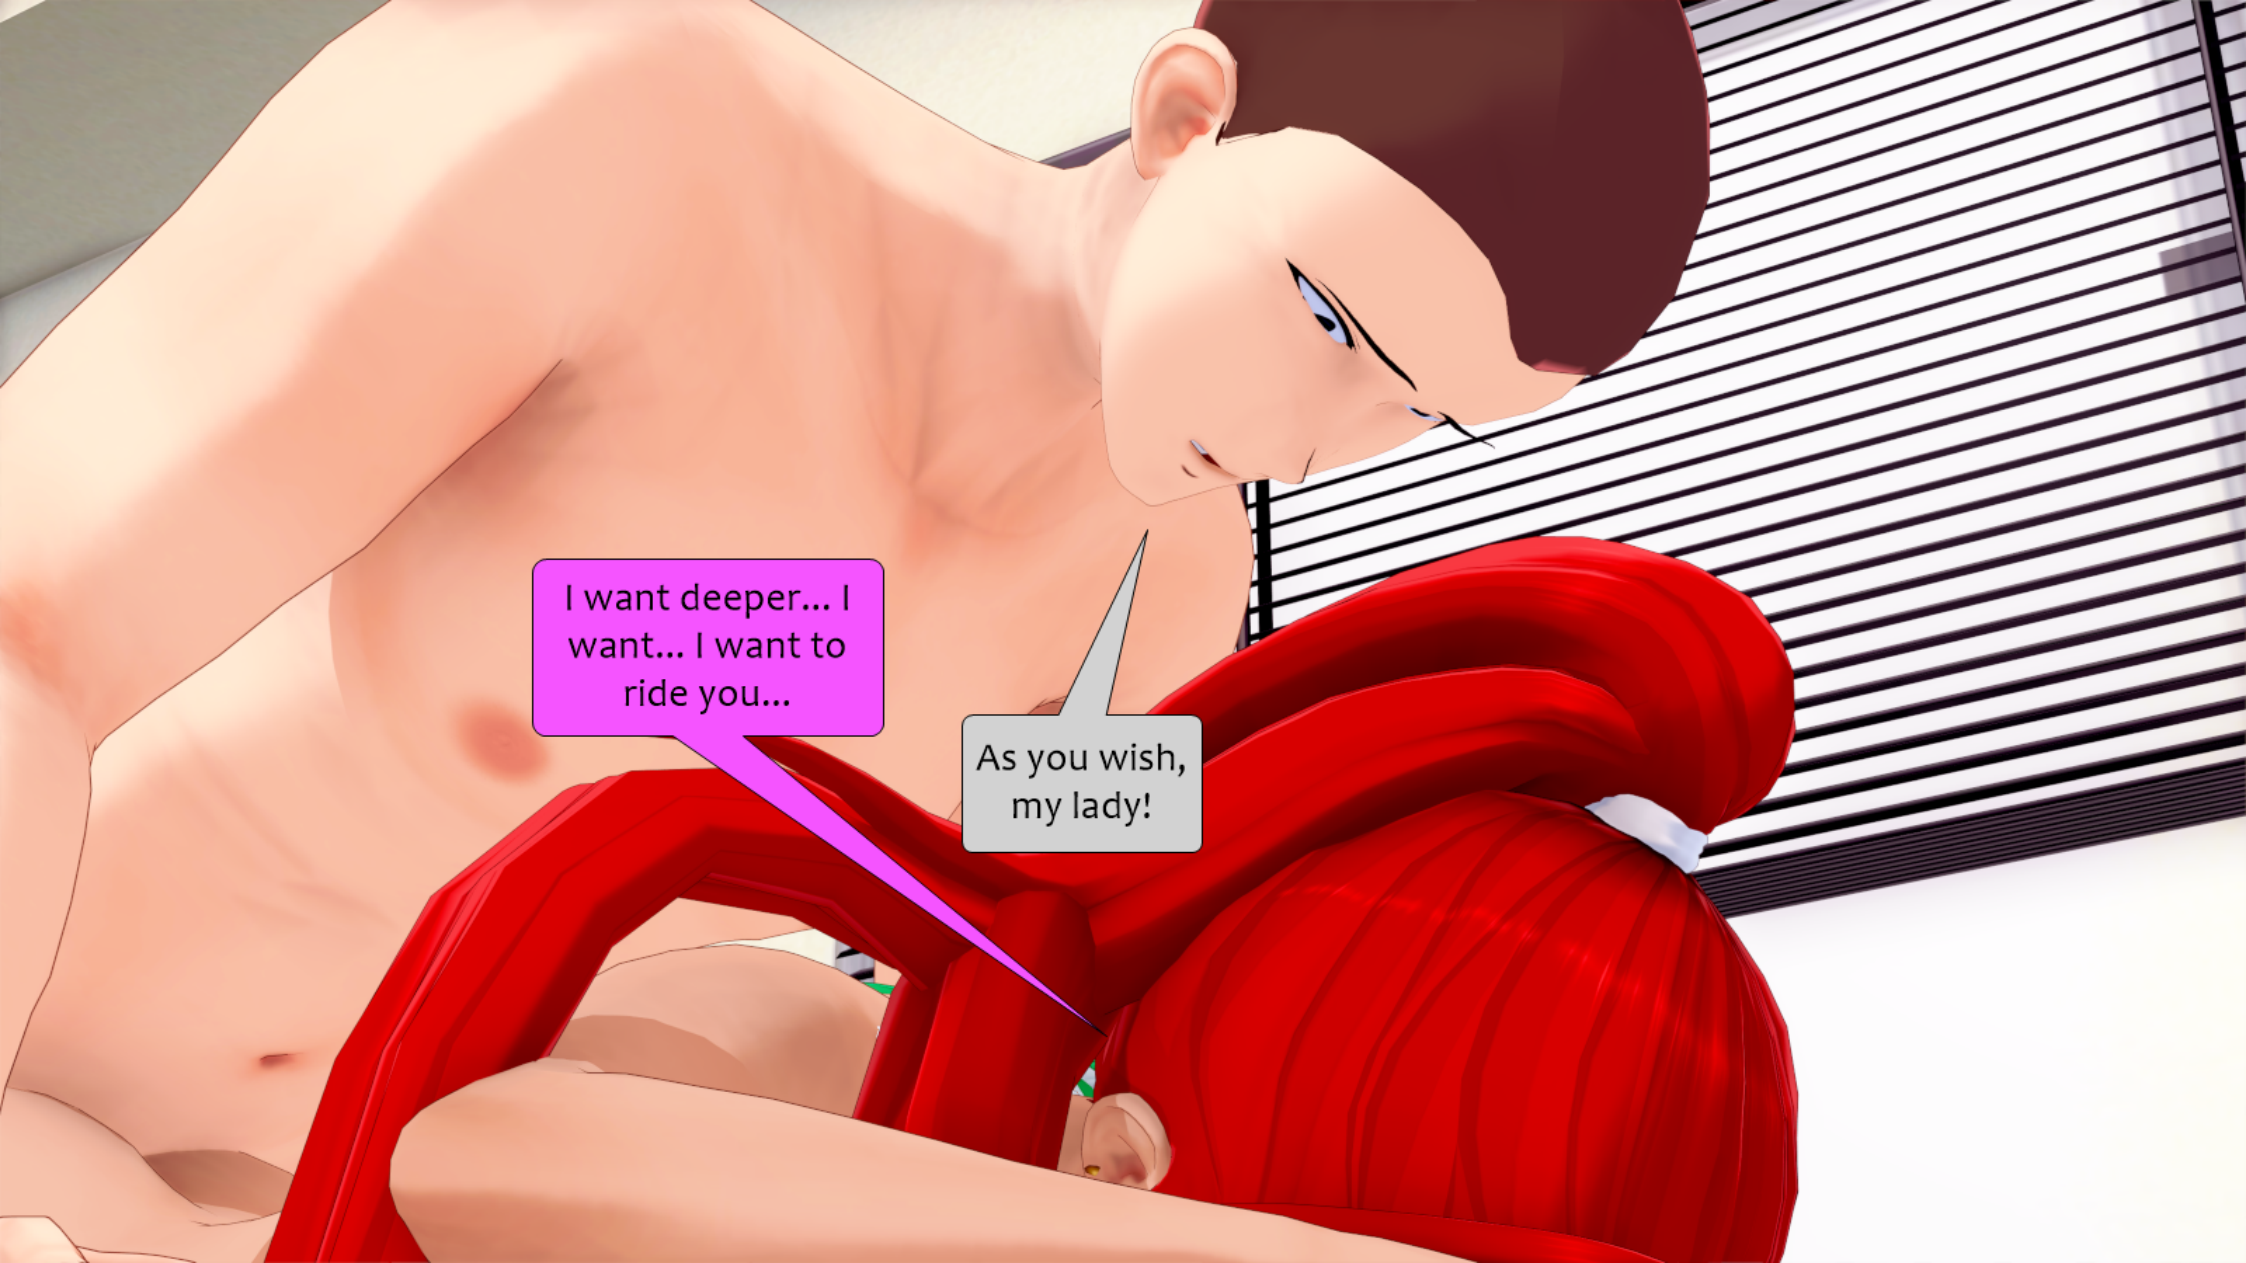

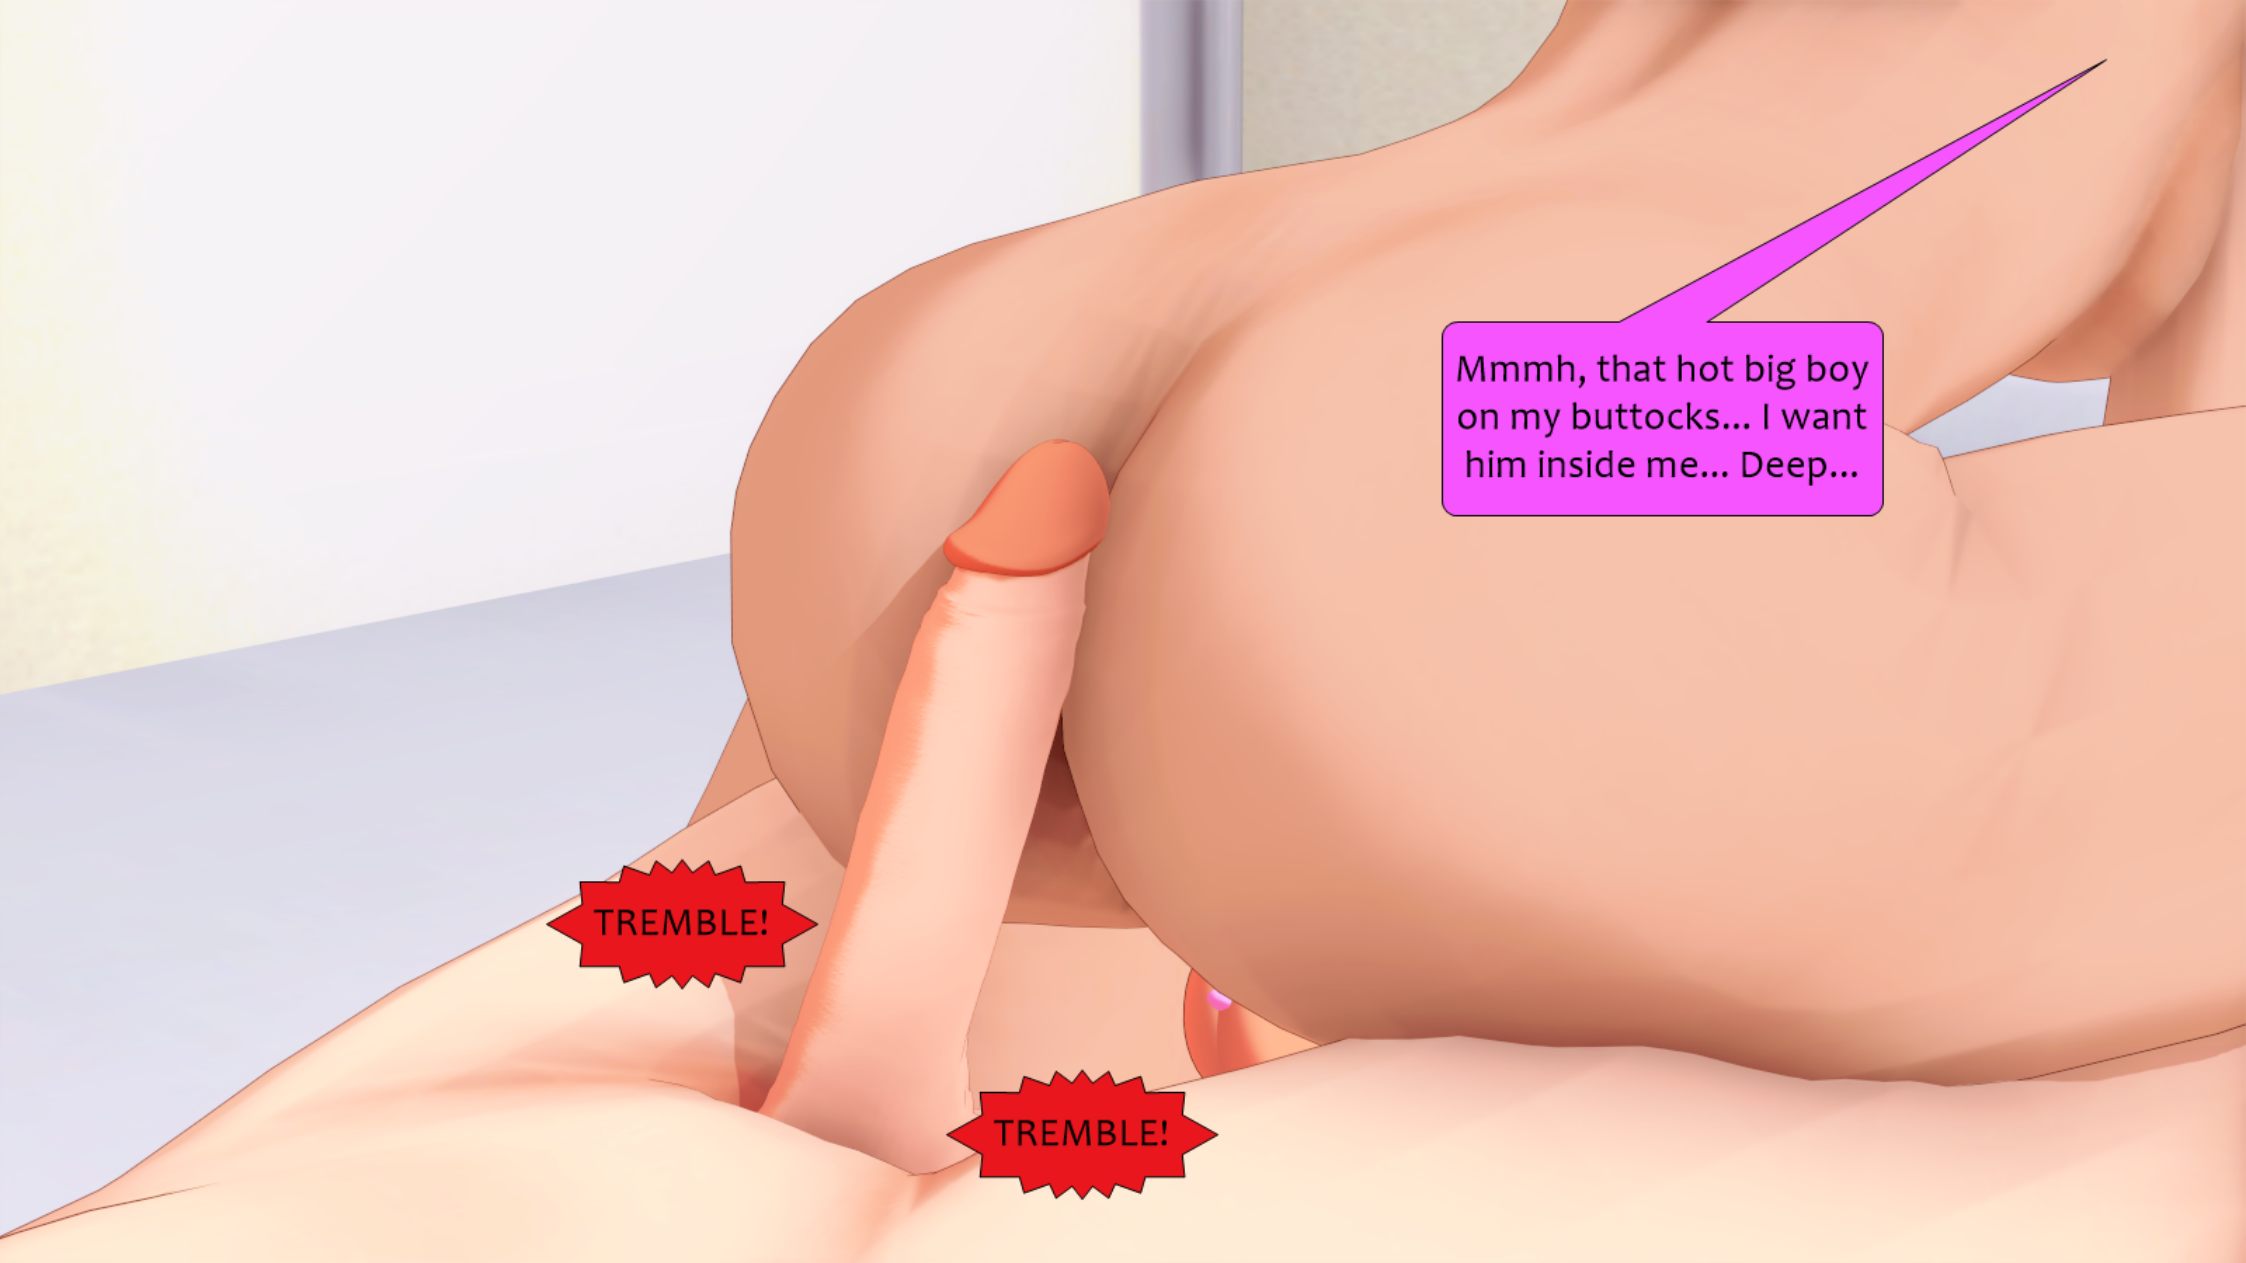

Mmmmh... So good...
So fucking good...

This heavenly feeling
in my ass!

I want deeper... I
want... I want to
ride you...

As you wish,
my lady!

Mmmh, that hot big boy
on my buttocks... I want
him inside me... Deep...

TREMBLE!

TREMBLE!

Yes please! Ride it like
there's no tomorrow,
my lady!

Oh yes, come to
mommy!

Mmm, that big hot
tip is pushing inside!

Aaah!

Ooooh! It's inside
me! It's throbbing in
my ass!

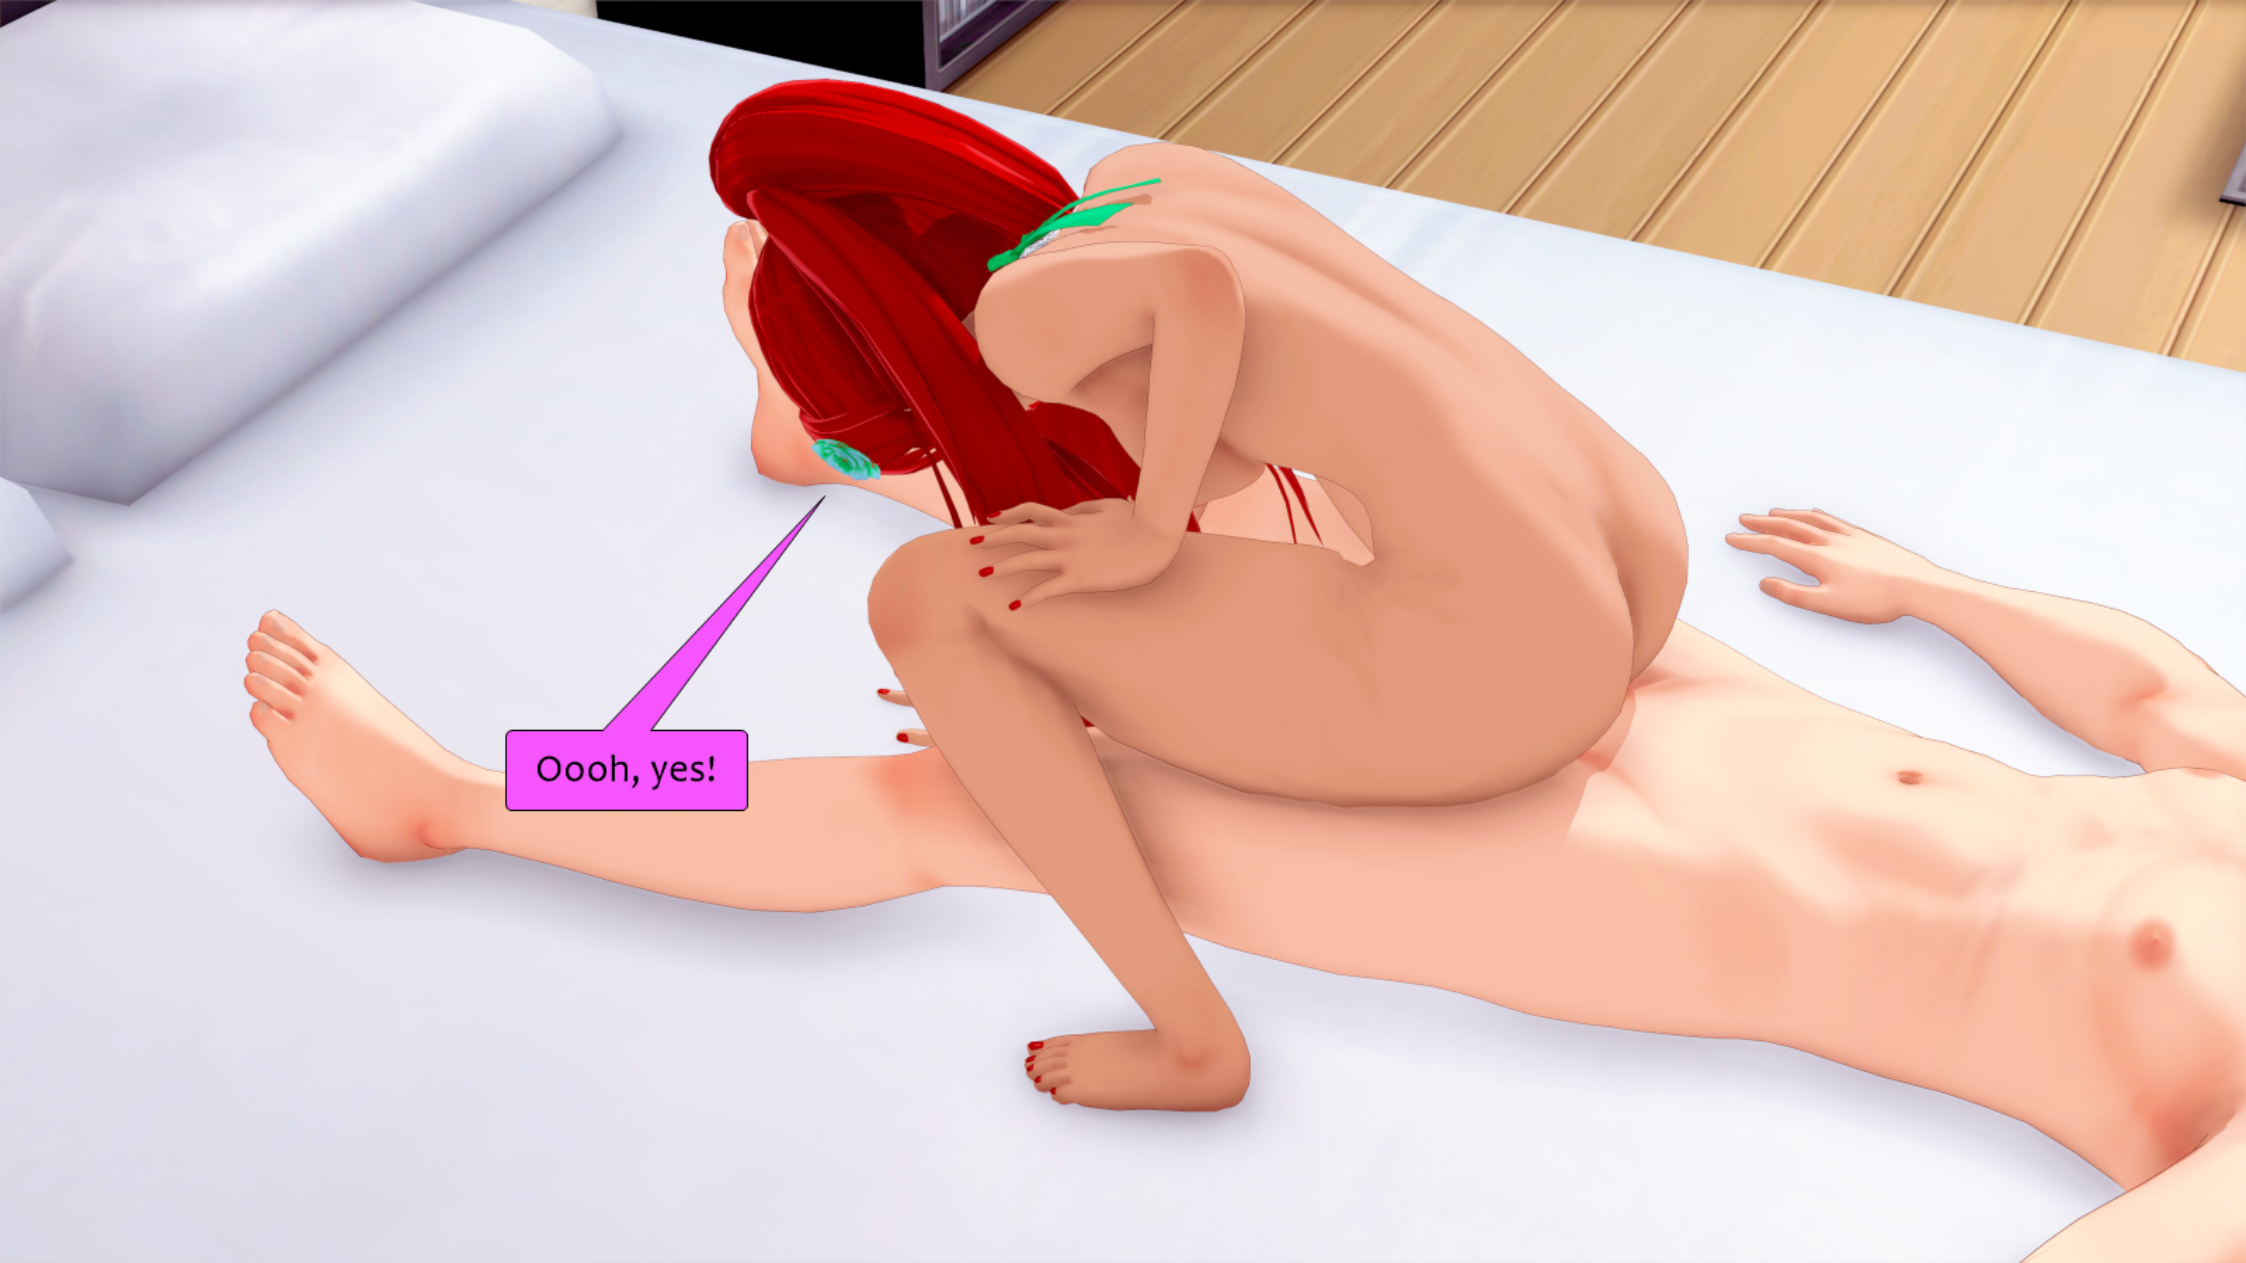

Uuuuh, yessss! So deep! So deep!

A digital illustration of a man with short, dark brown hair lying on his back. His eyes are closed, and his mouth is slightly open. He is wearing a light blue shirt. A speech bubble originates from his mouth, containing the text "Oooo, my lady! I love your warm, soft insides so much!". The background is a light blue gradient, and a wooden floor is visible in the top left corner.

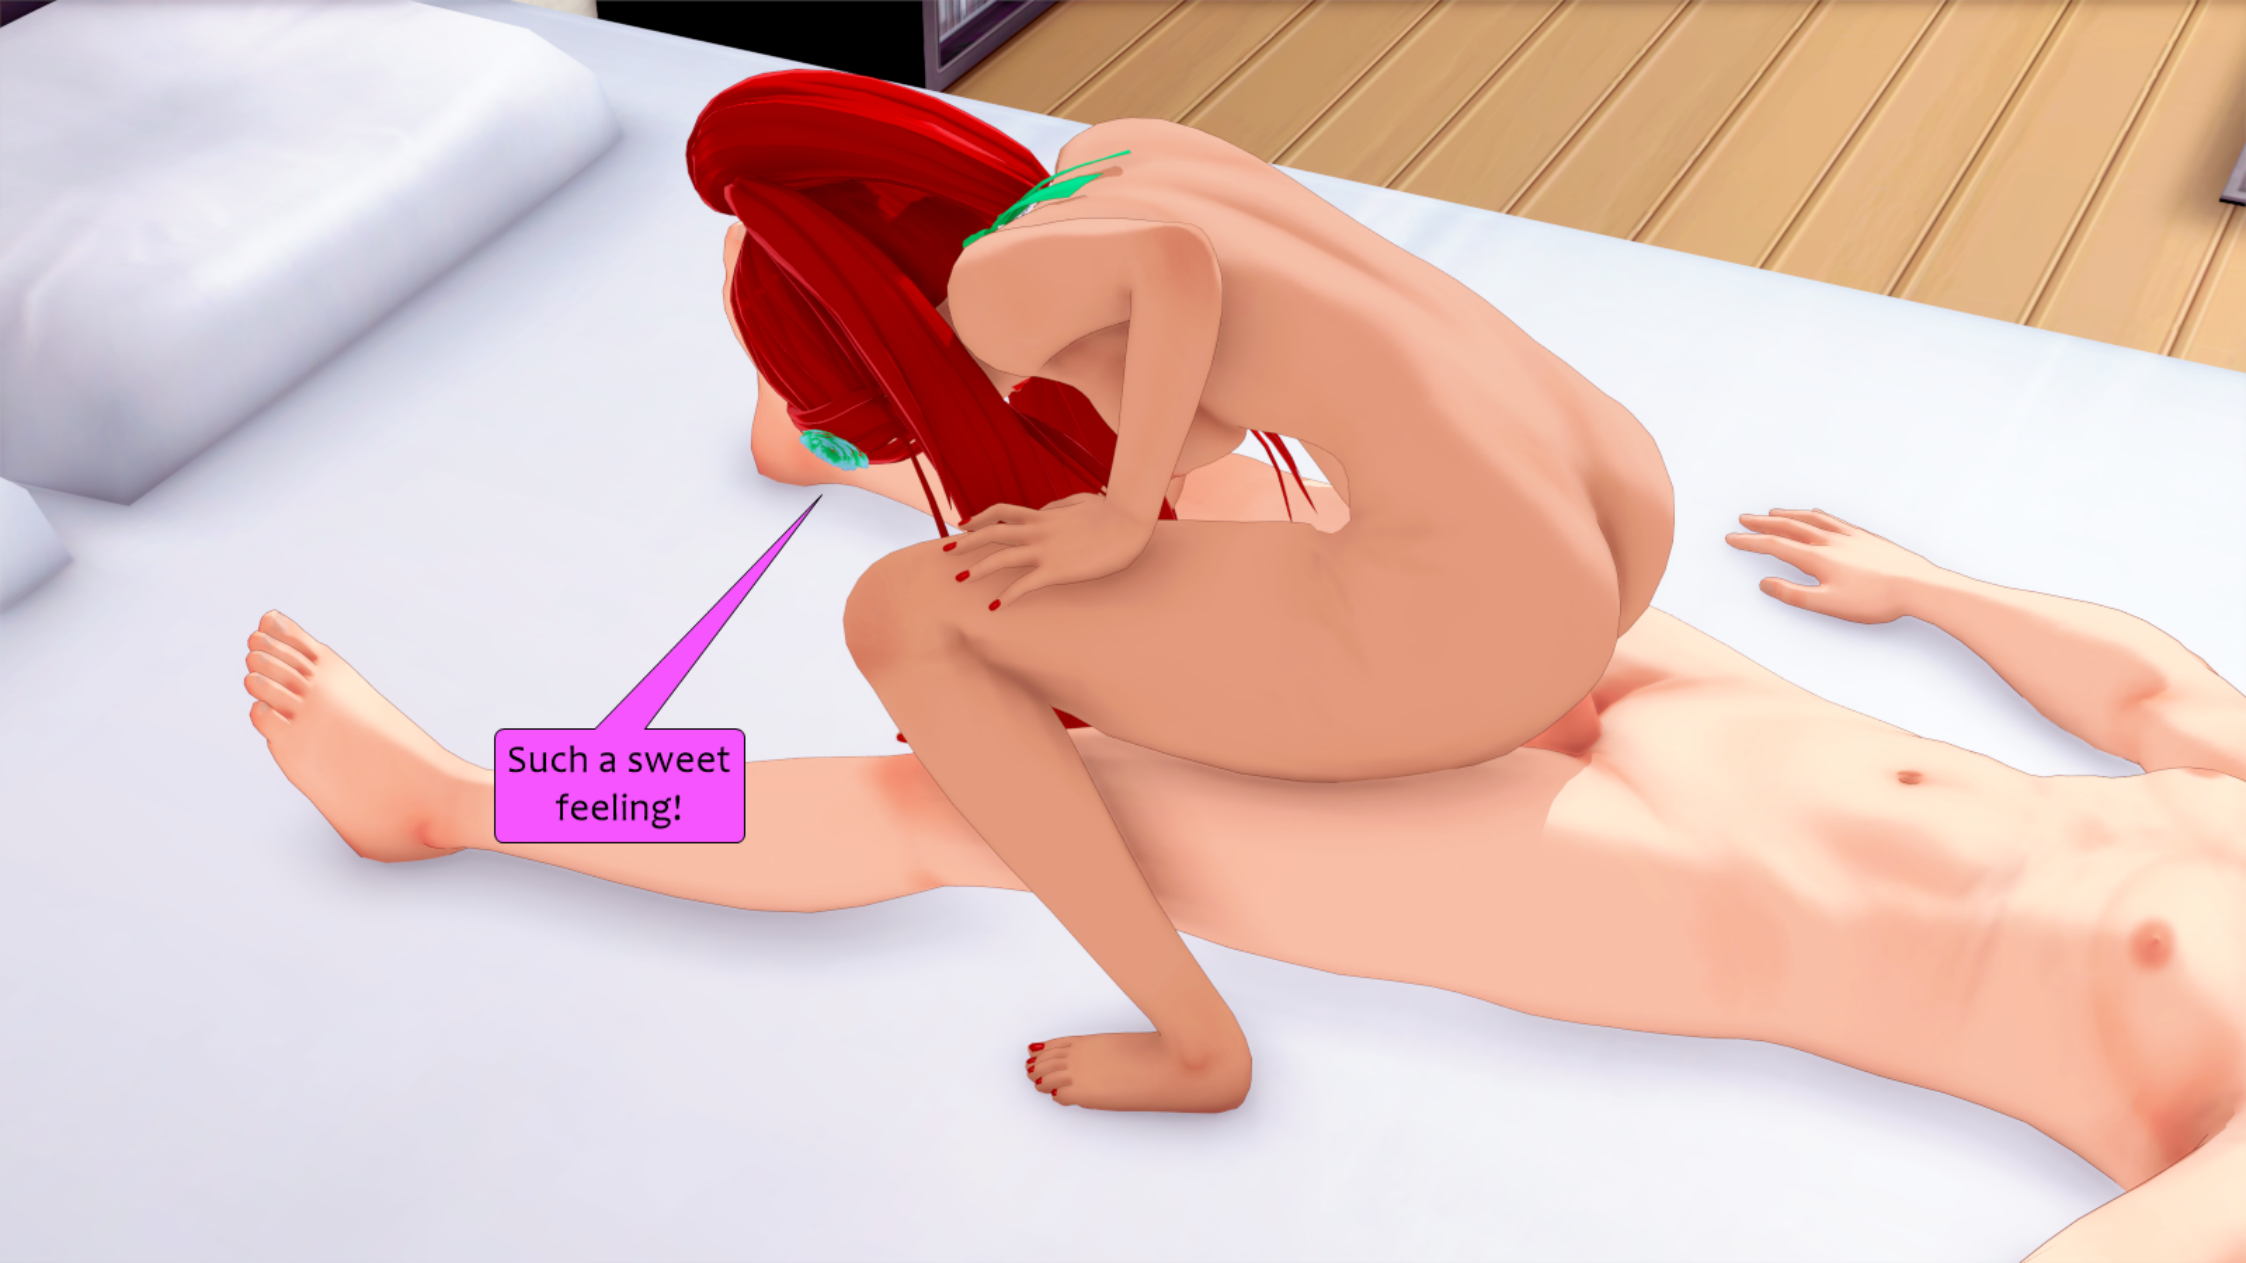

Oooo, my lady! I love
your warm, soft
insides so much!

I want you to
fill me up!

Oooh, yes!

Such a sweet
feeling!

Oooh, your tip
is tickling my
G-spot!

I want more!
More of it!

Now back
inside!

Oooh, yes!
That's what I
love!

Deeper!
Deeeeeper!
DEEEEEEPER!

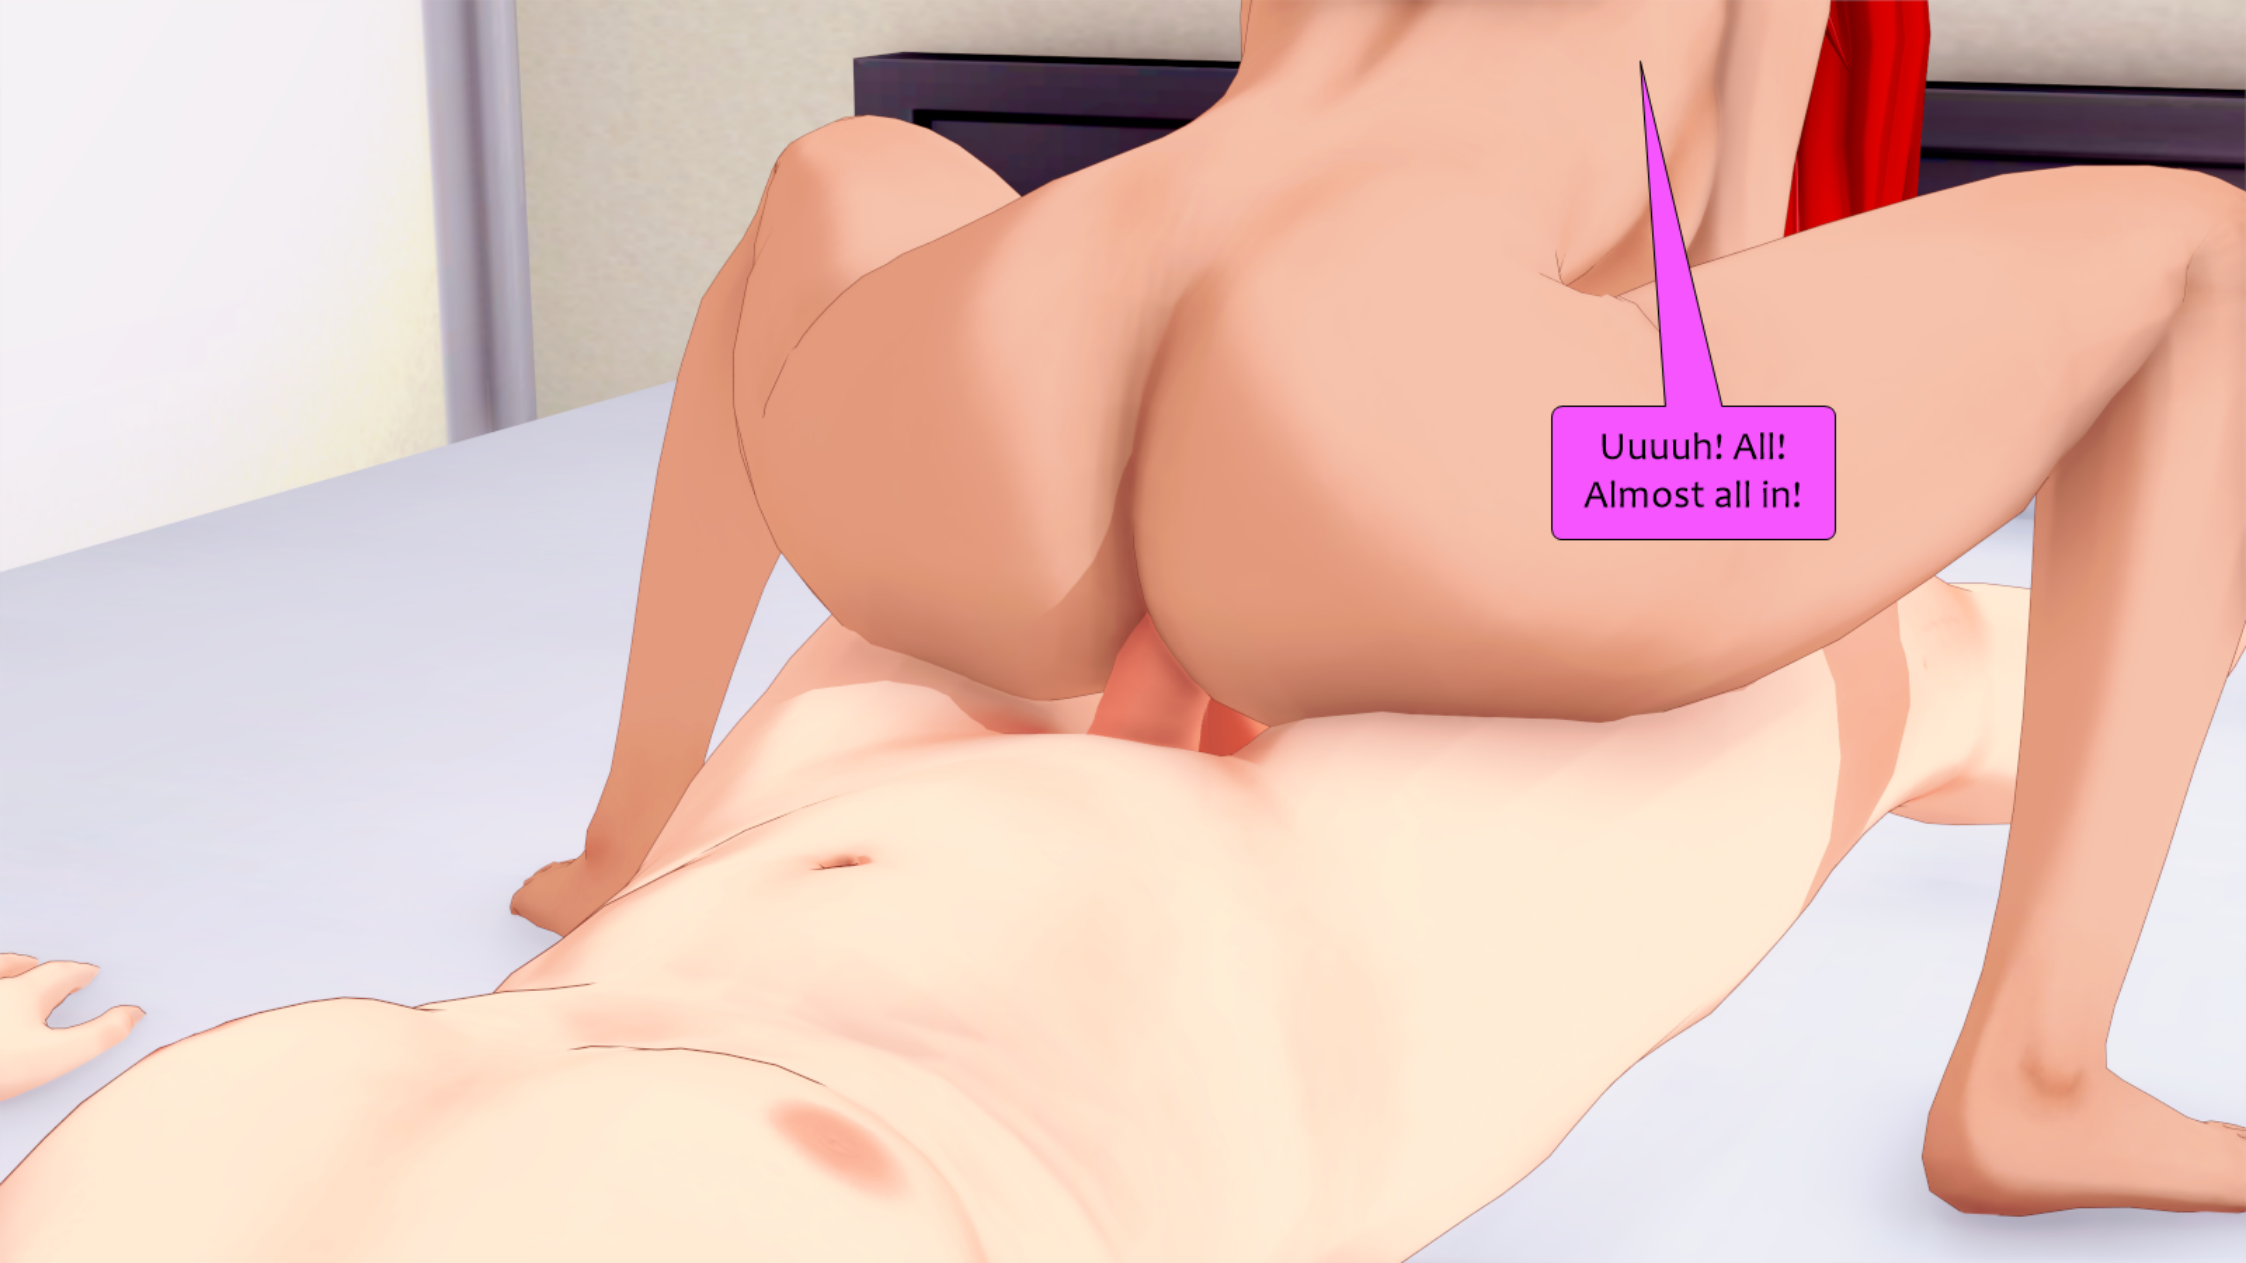

Oooh, I want all of him
inside me! I want every
inch of him in my ass!

A 3D-rendered illustration of a female torso, focusing on the midsection and upper thighs. The skin is a soft, realistic peach color with visible shading and highlights. A large, glowing pink speech bubble originates from the upper left side of the torso. In the background, a portion of a black audio system is visible, including a turntable and speakers. The overall style is smooth and polished, typical of modern 3D digital art.

It's so big! It's
stretching my
insides so much!

But I want more!
I want more of
him inside!

Uuuuh! All!
Almost all in!

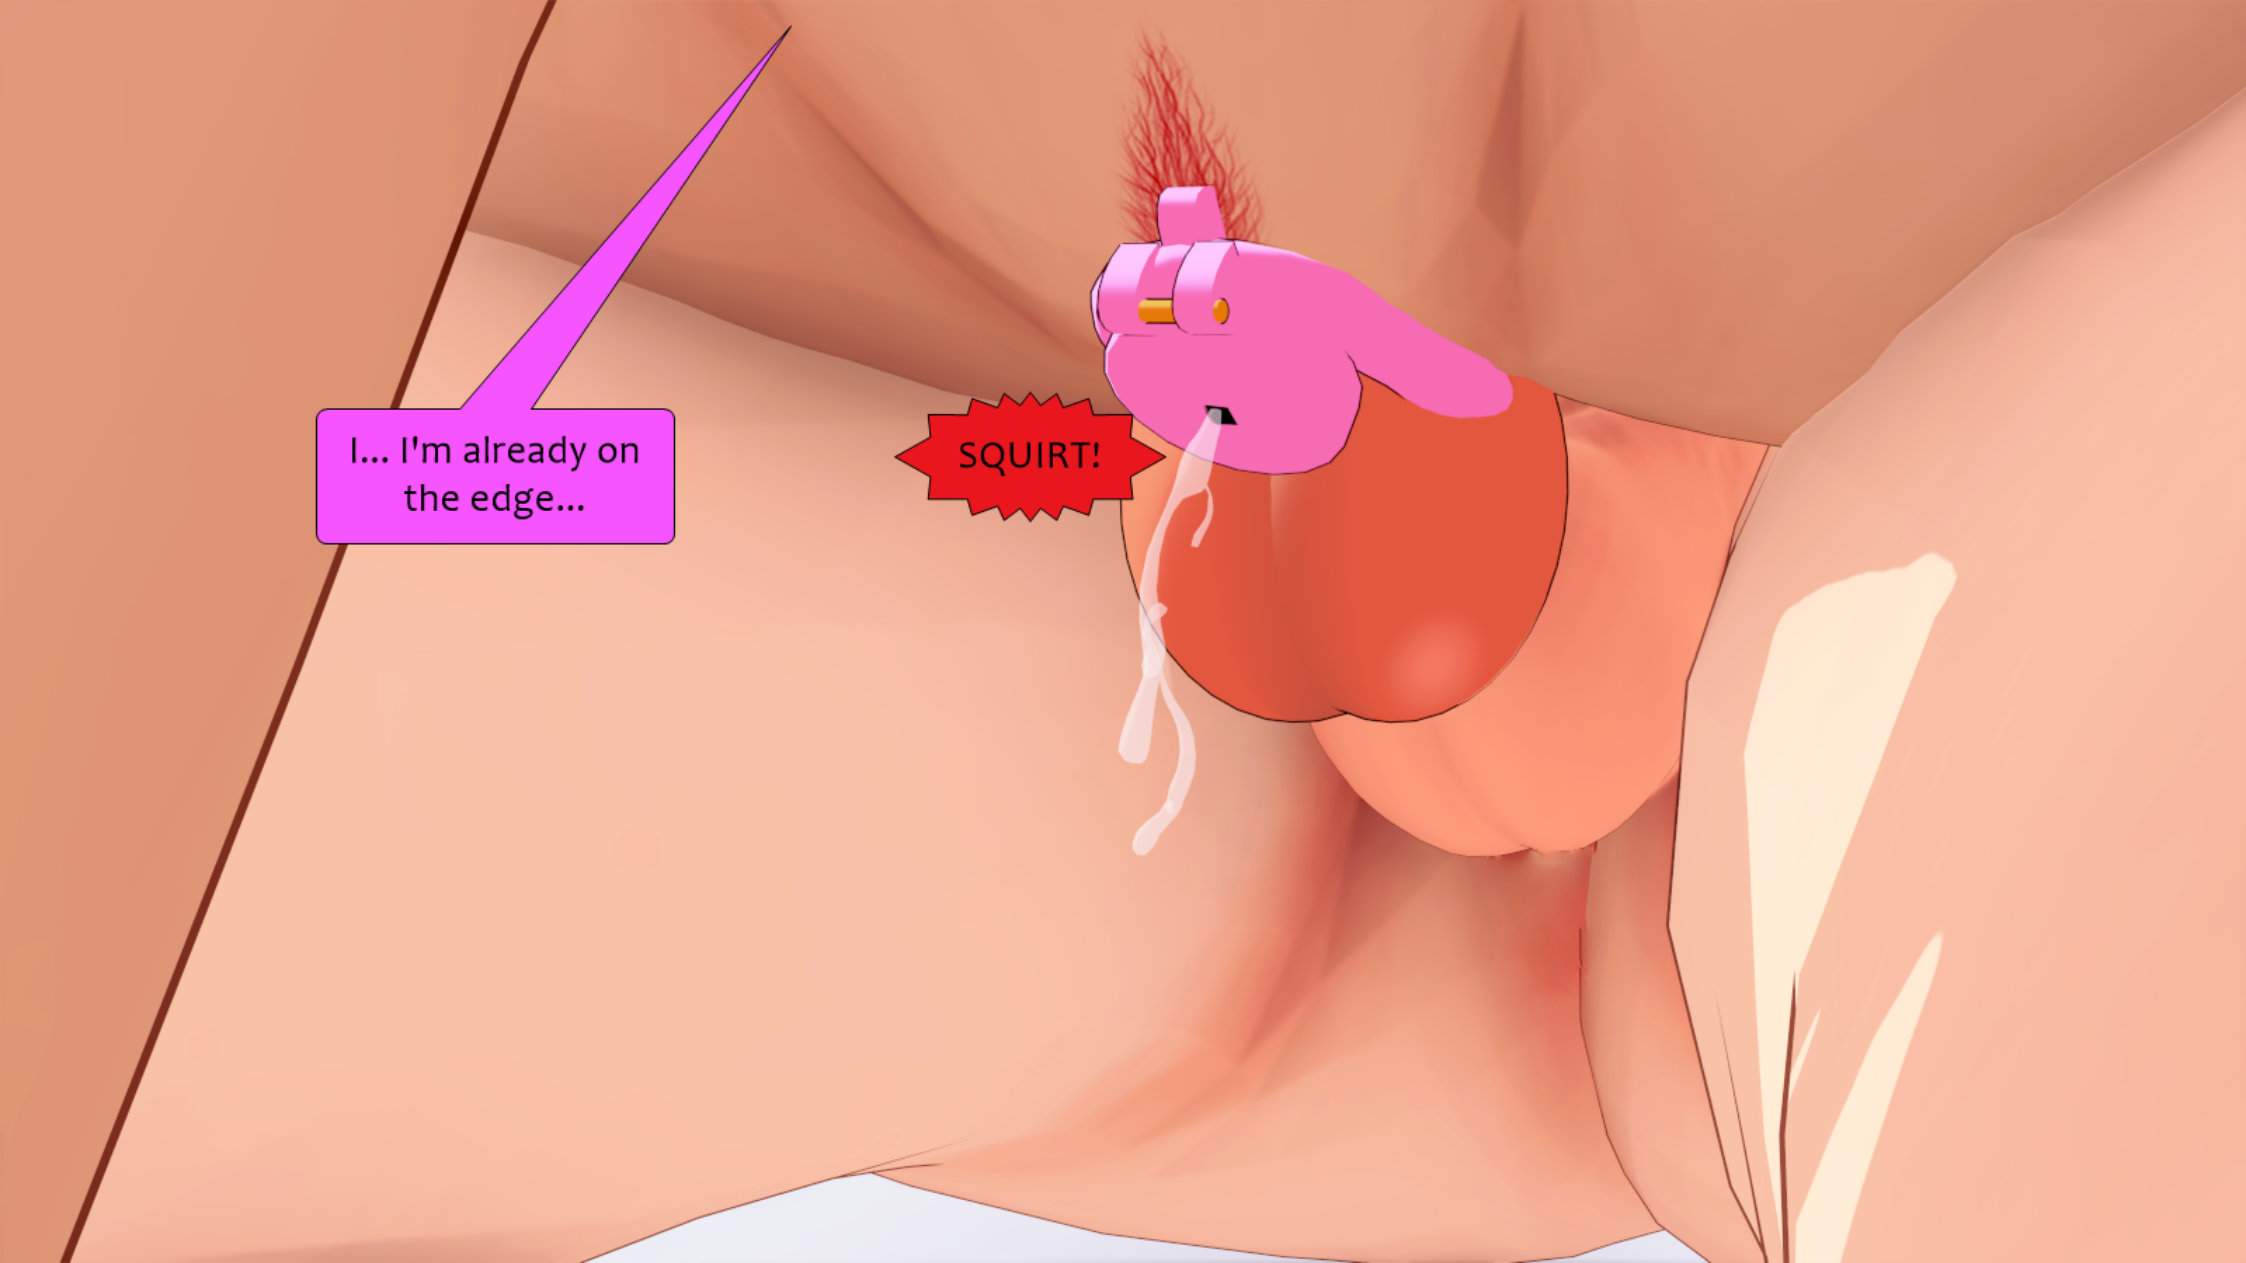

Ooooooh!
Fuck! Fuck!

Oooooooh, yesssss!
It's tearing me
apart inside!

Hnnnnn! The
feeling of being
filled is so good!

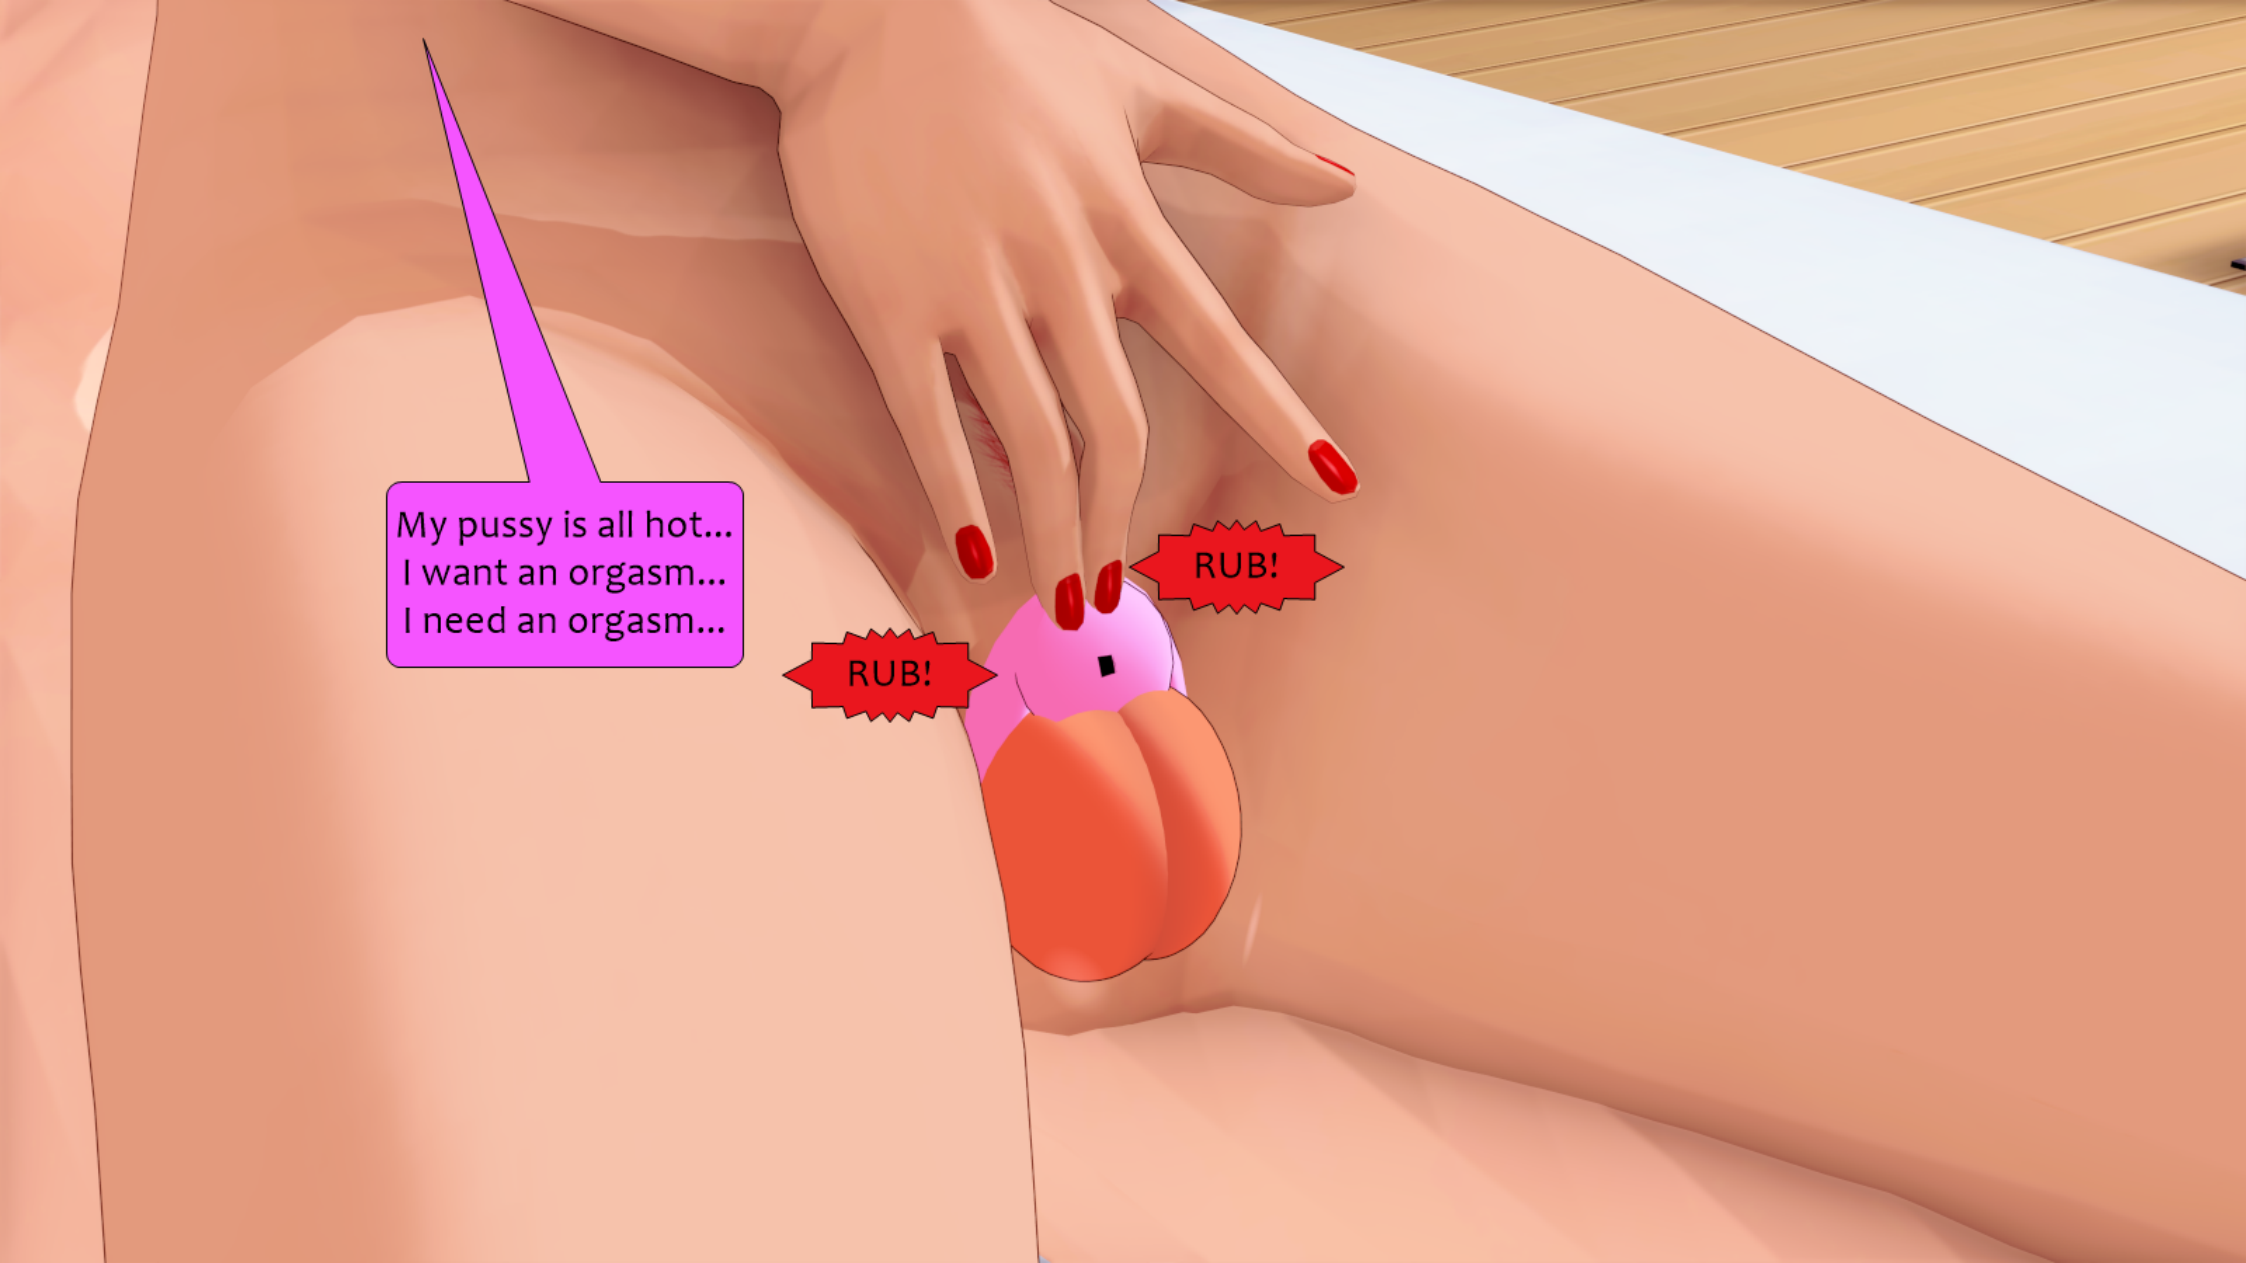

I... I'm already on
the edge...

SQUIRT!

Oooh, that feels... that
feels so good... Please
finish me off...

My pussy is all hot...
I want an orgasm...
I need an orgasm...

RUB!

RUB!

Oooh, squire, lead
your princess to
heights of pleasure!

Yes, my
lady!

RUB!

RUB!

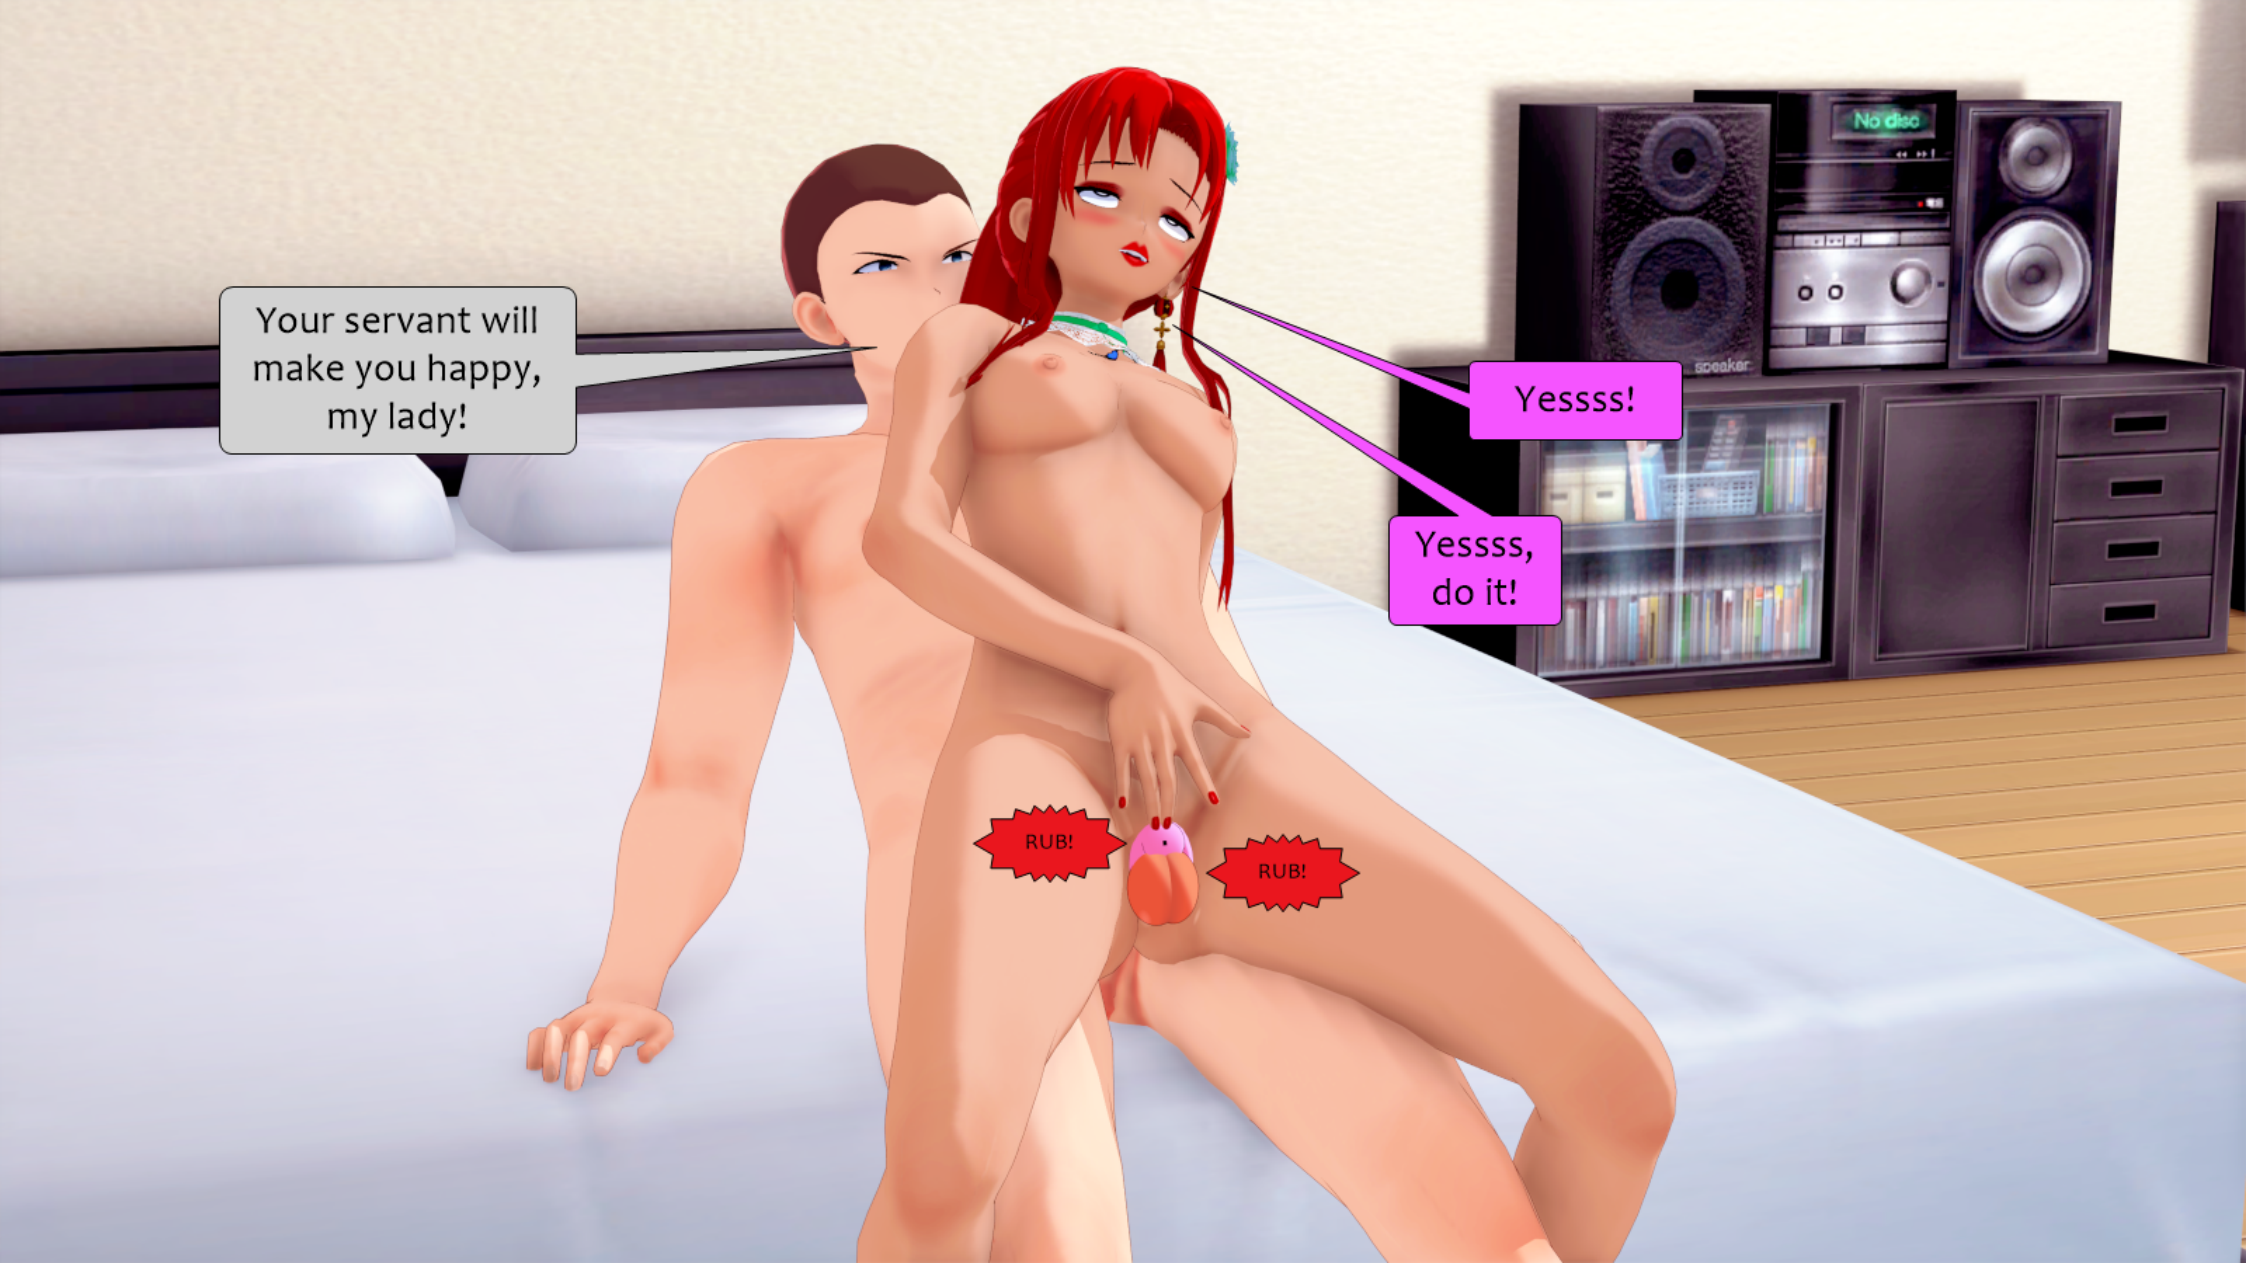

Your servant will
make you happy,
my lady!

Yessss!

Yessss,
do it!

RUB!

RUB!

Ooooooh, my
lady!

Yessss! I'm so close!
I'm so close!

AH!

AH!

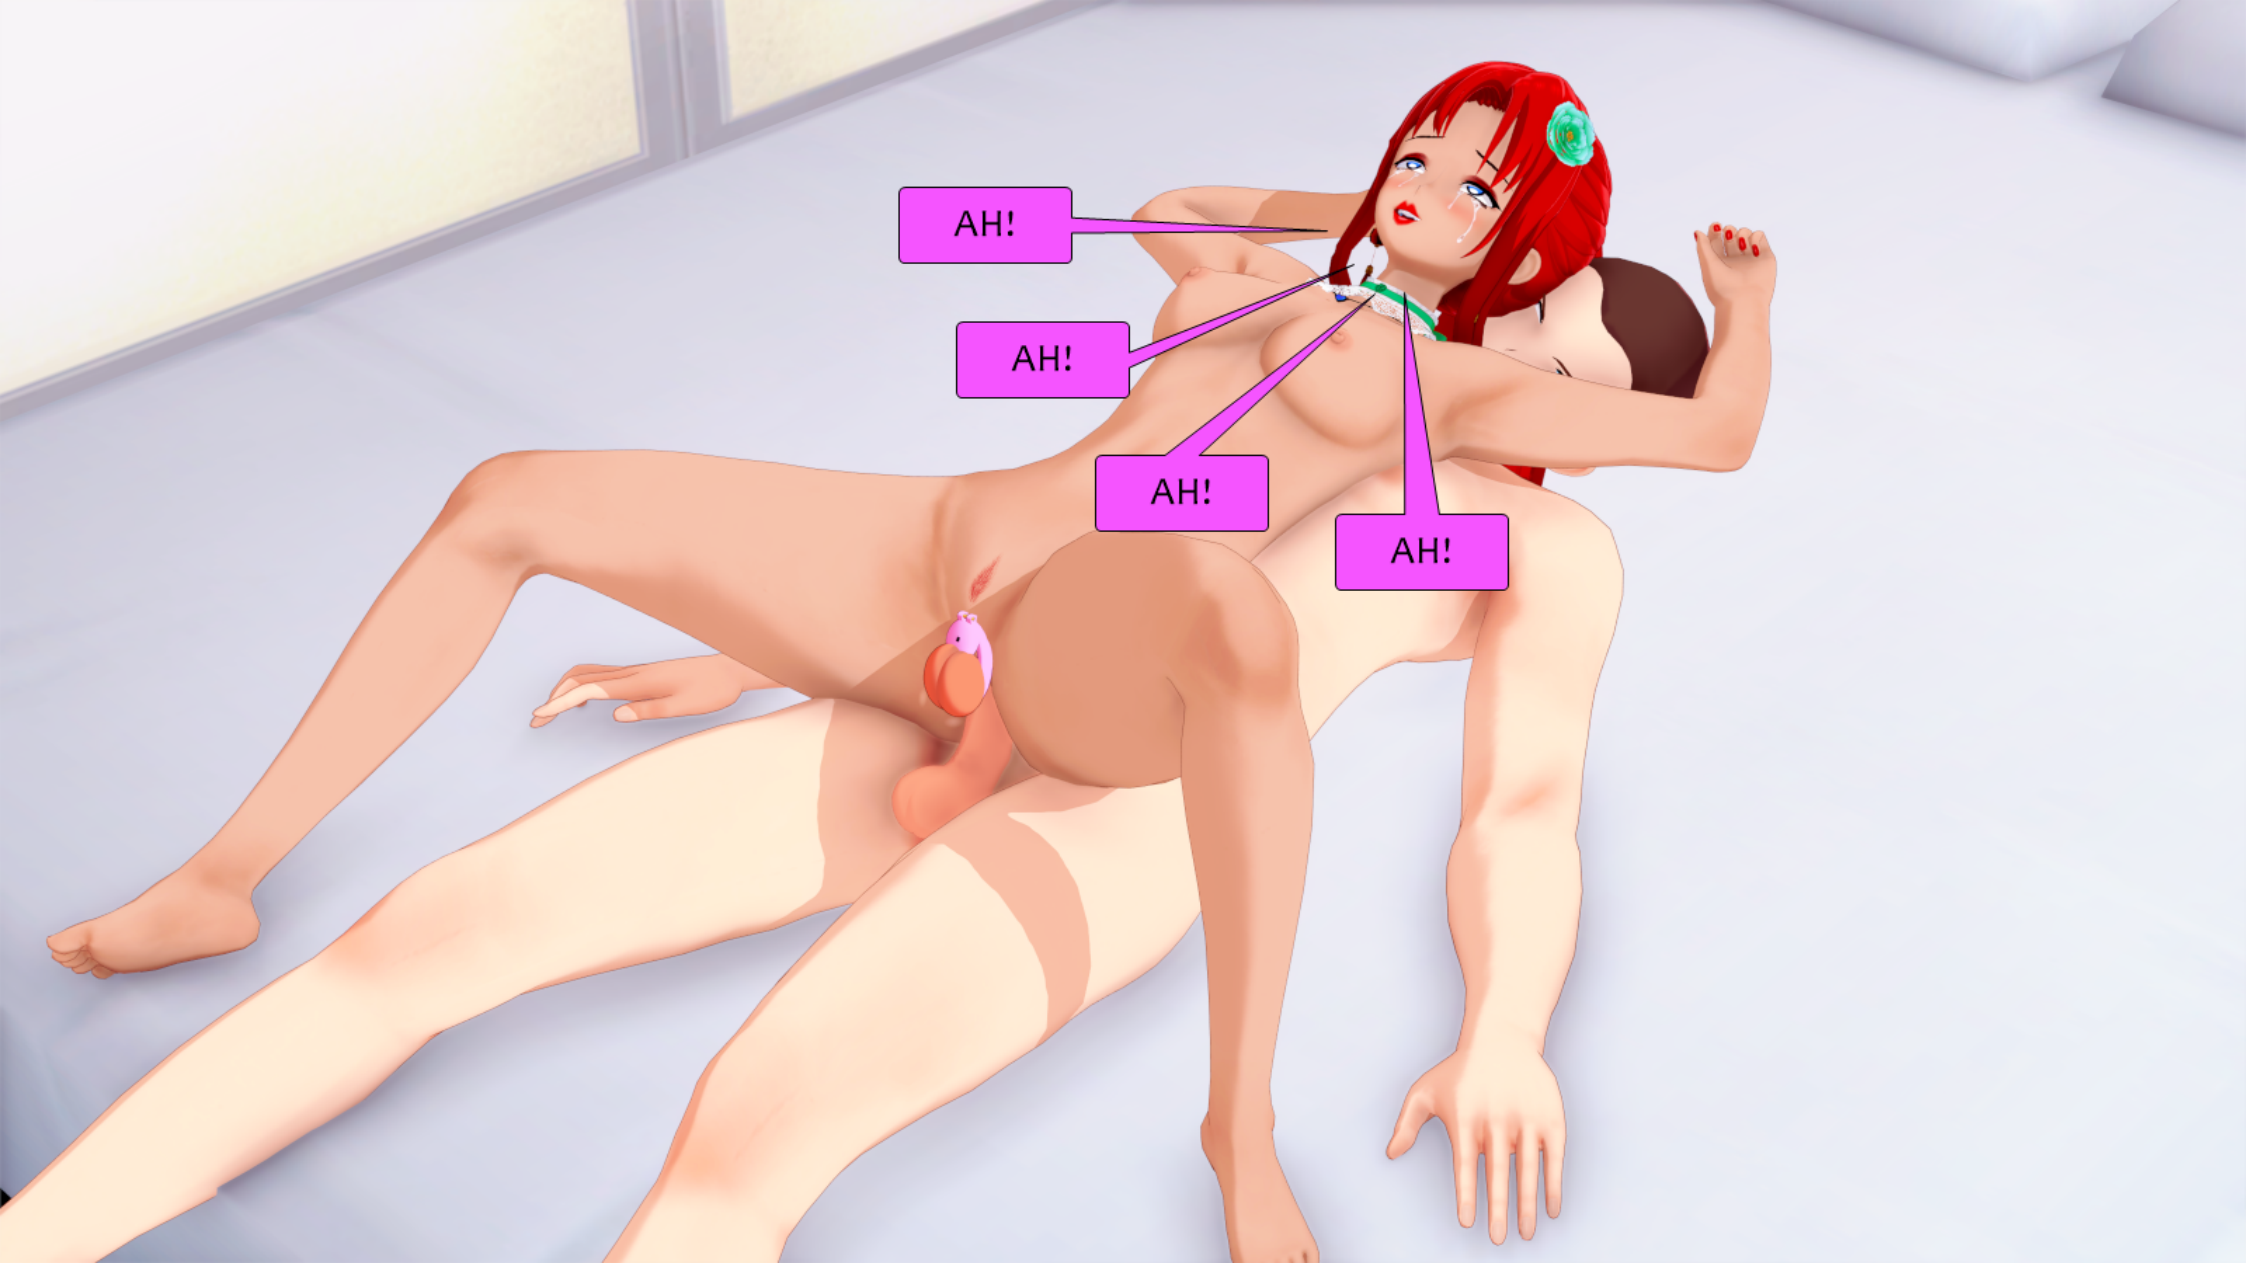

AH!

AH!

AH!

AH!

AH!

AH!

AH!

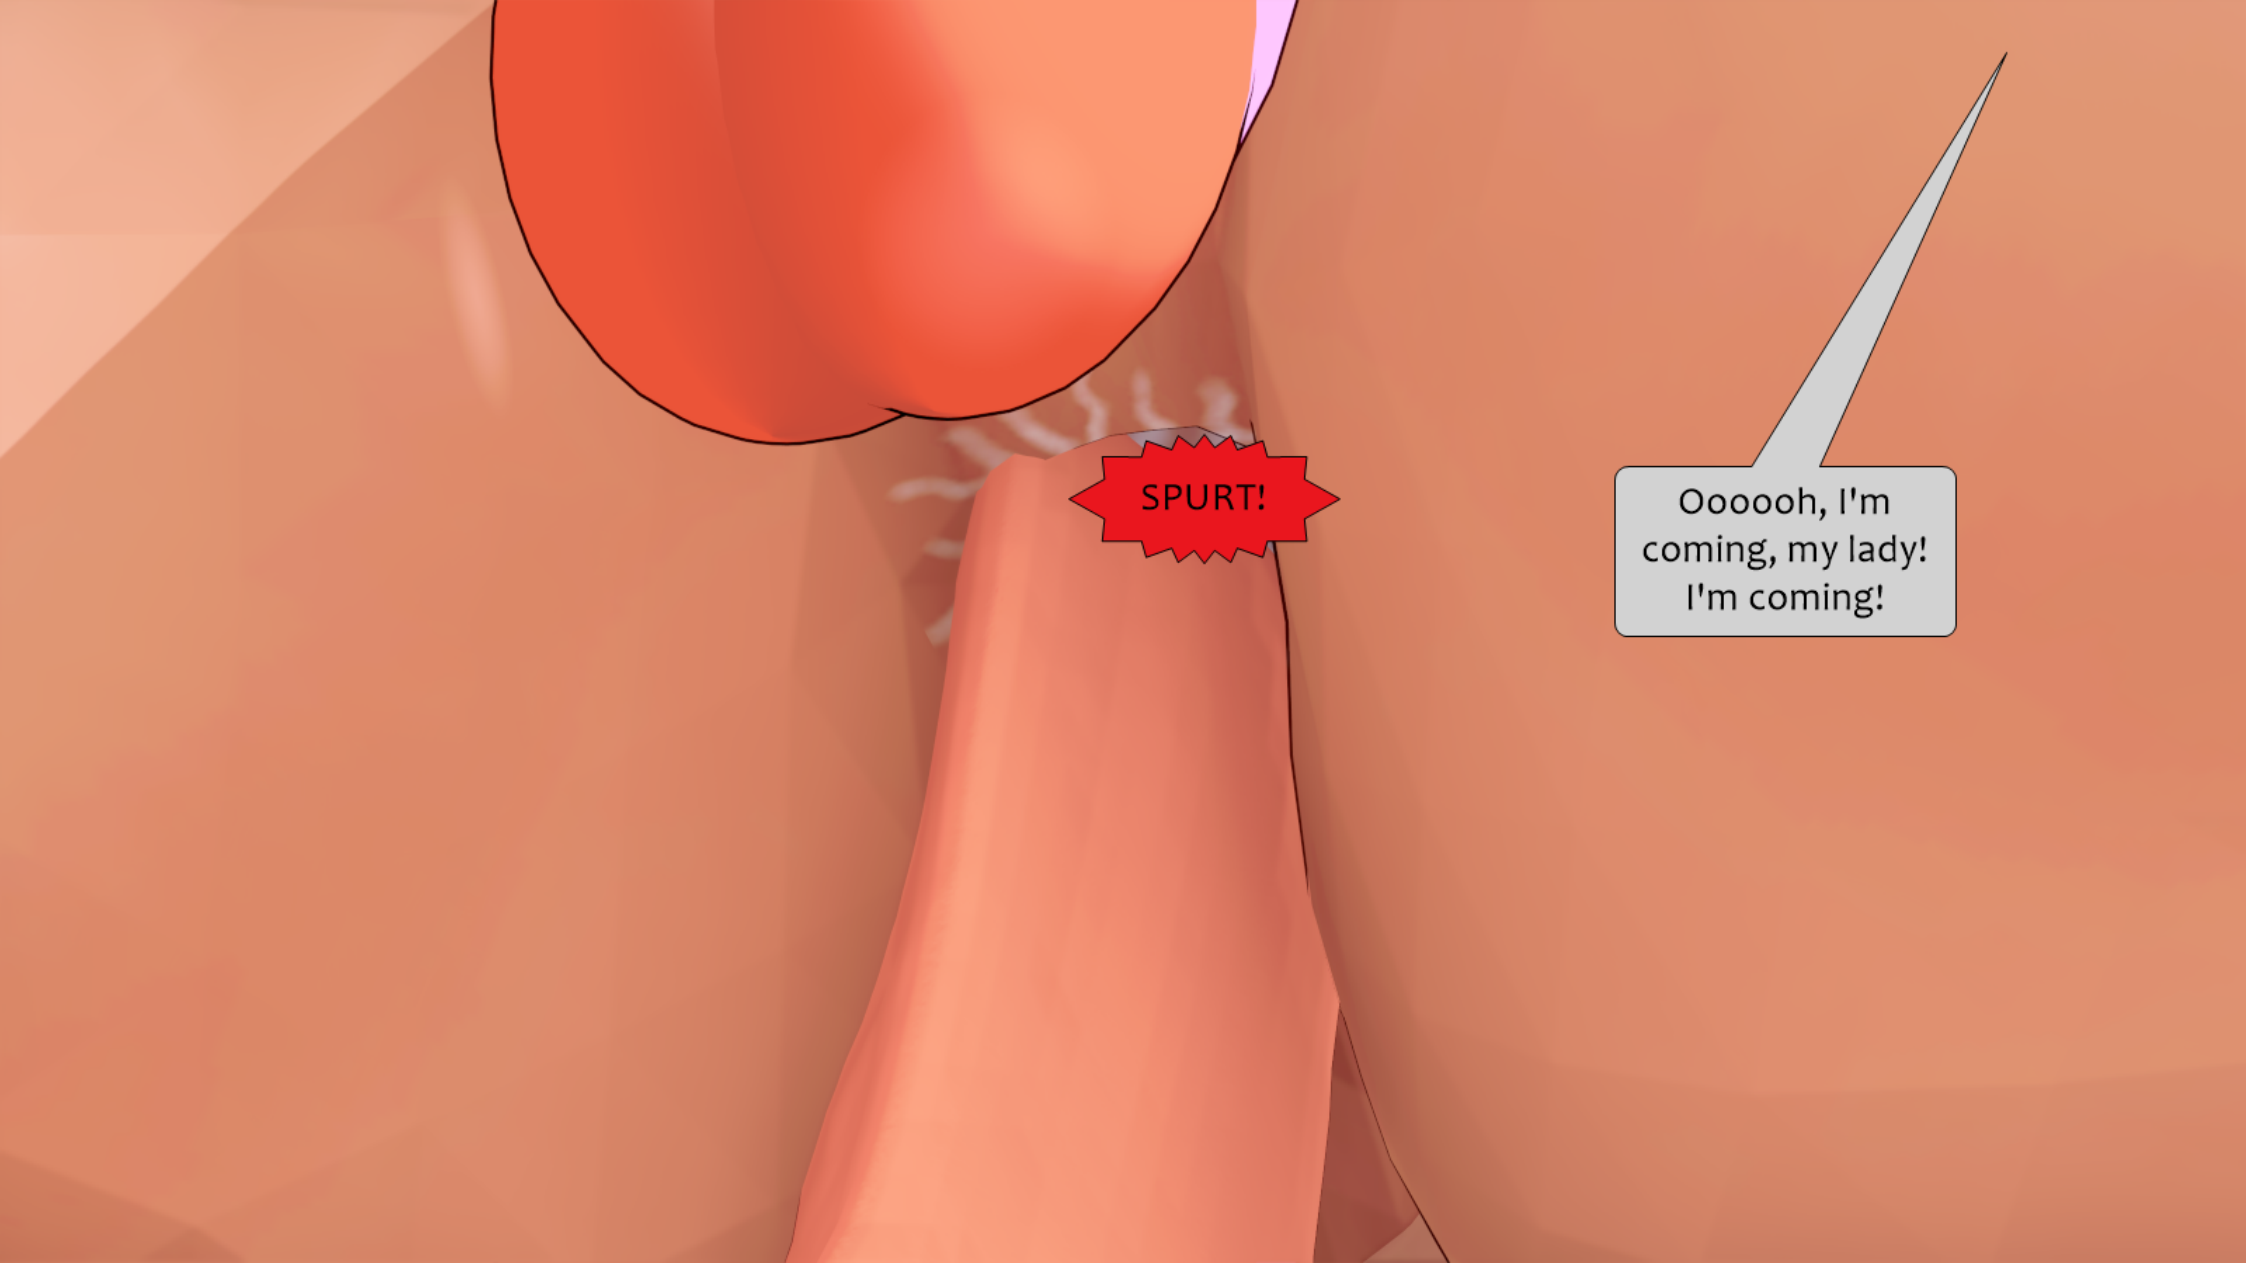

AH!

Now please, please,
finish me off!

Aaah!

Aaah!

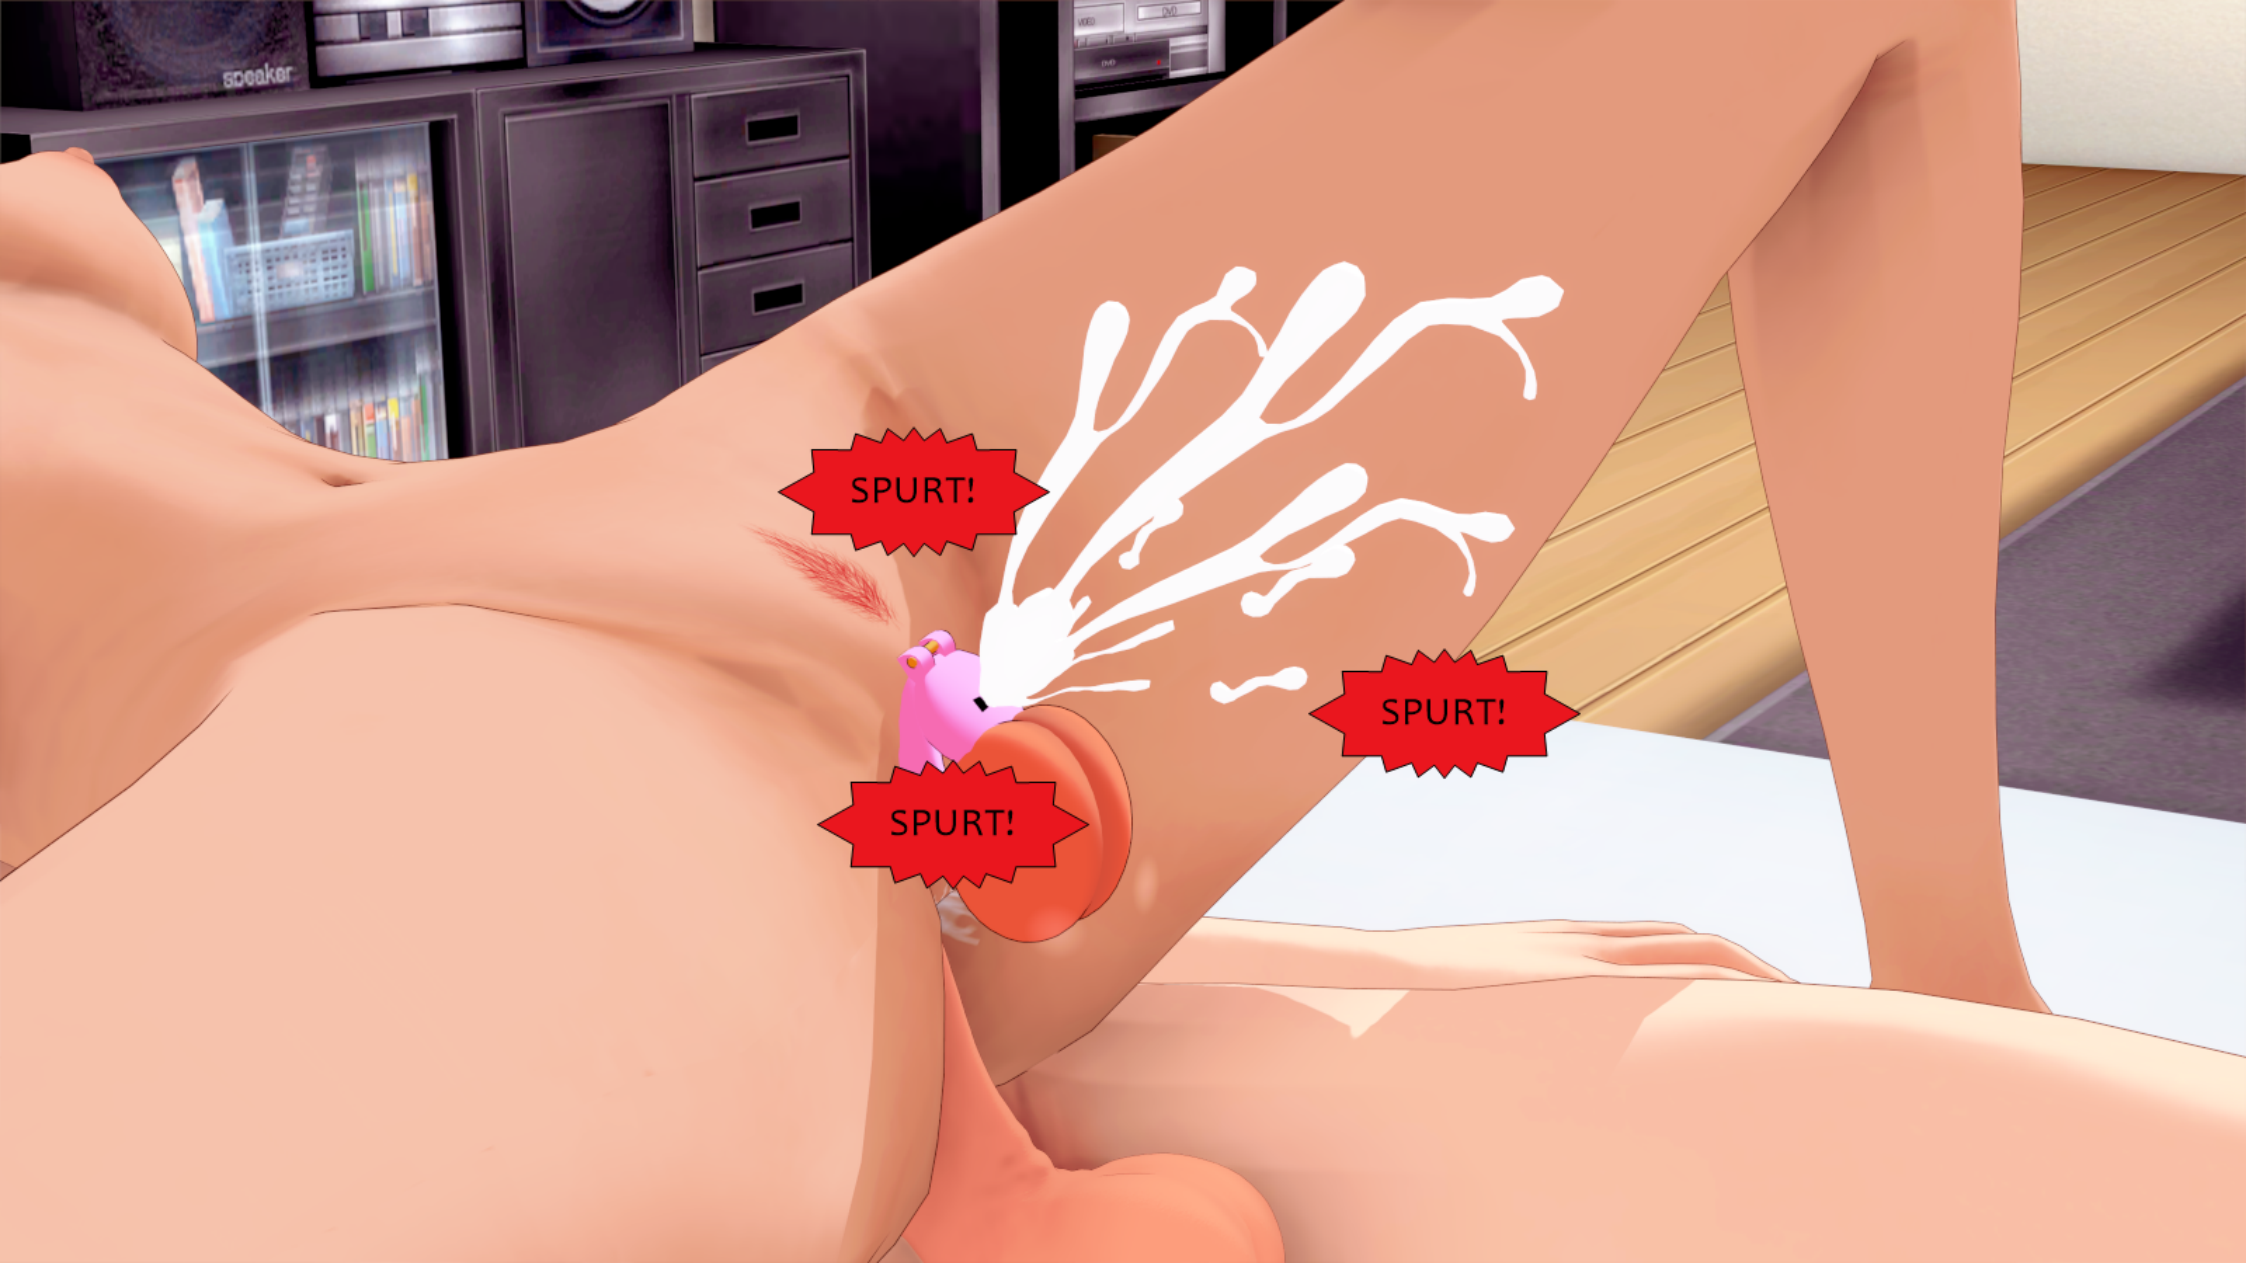

SPURT!

Ooooooh, I'm
coming, my lady!
I'm coming!

Me too!
Me too!

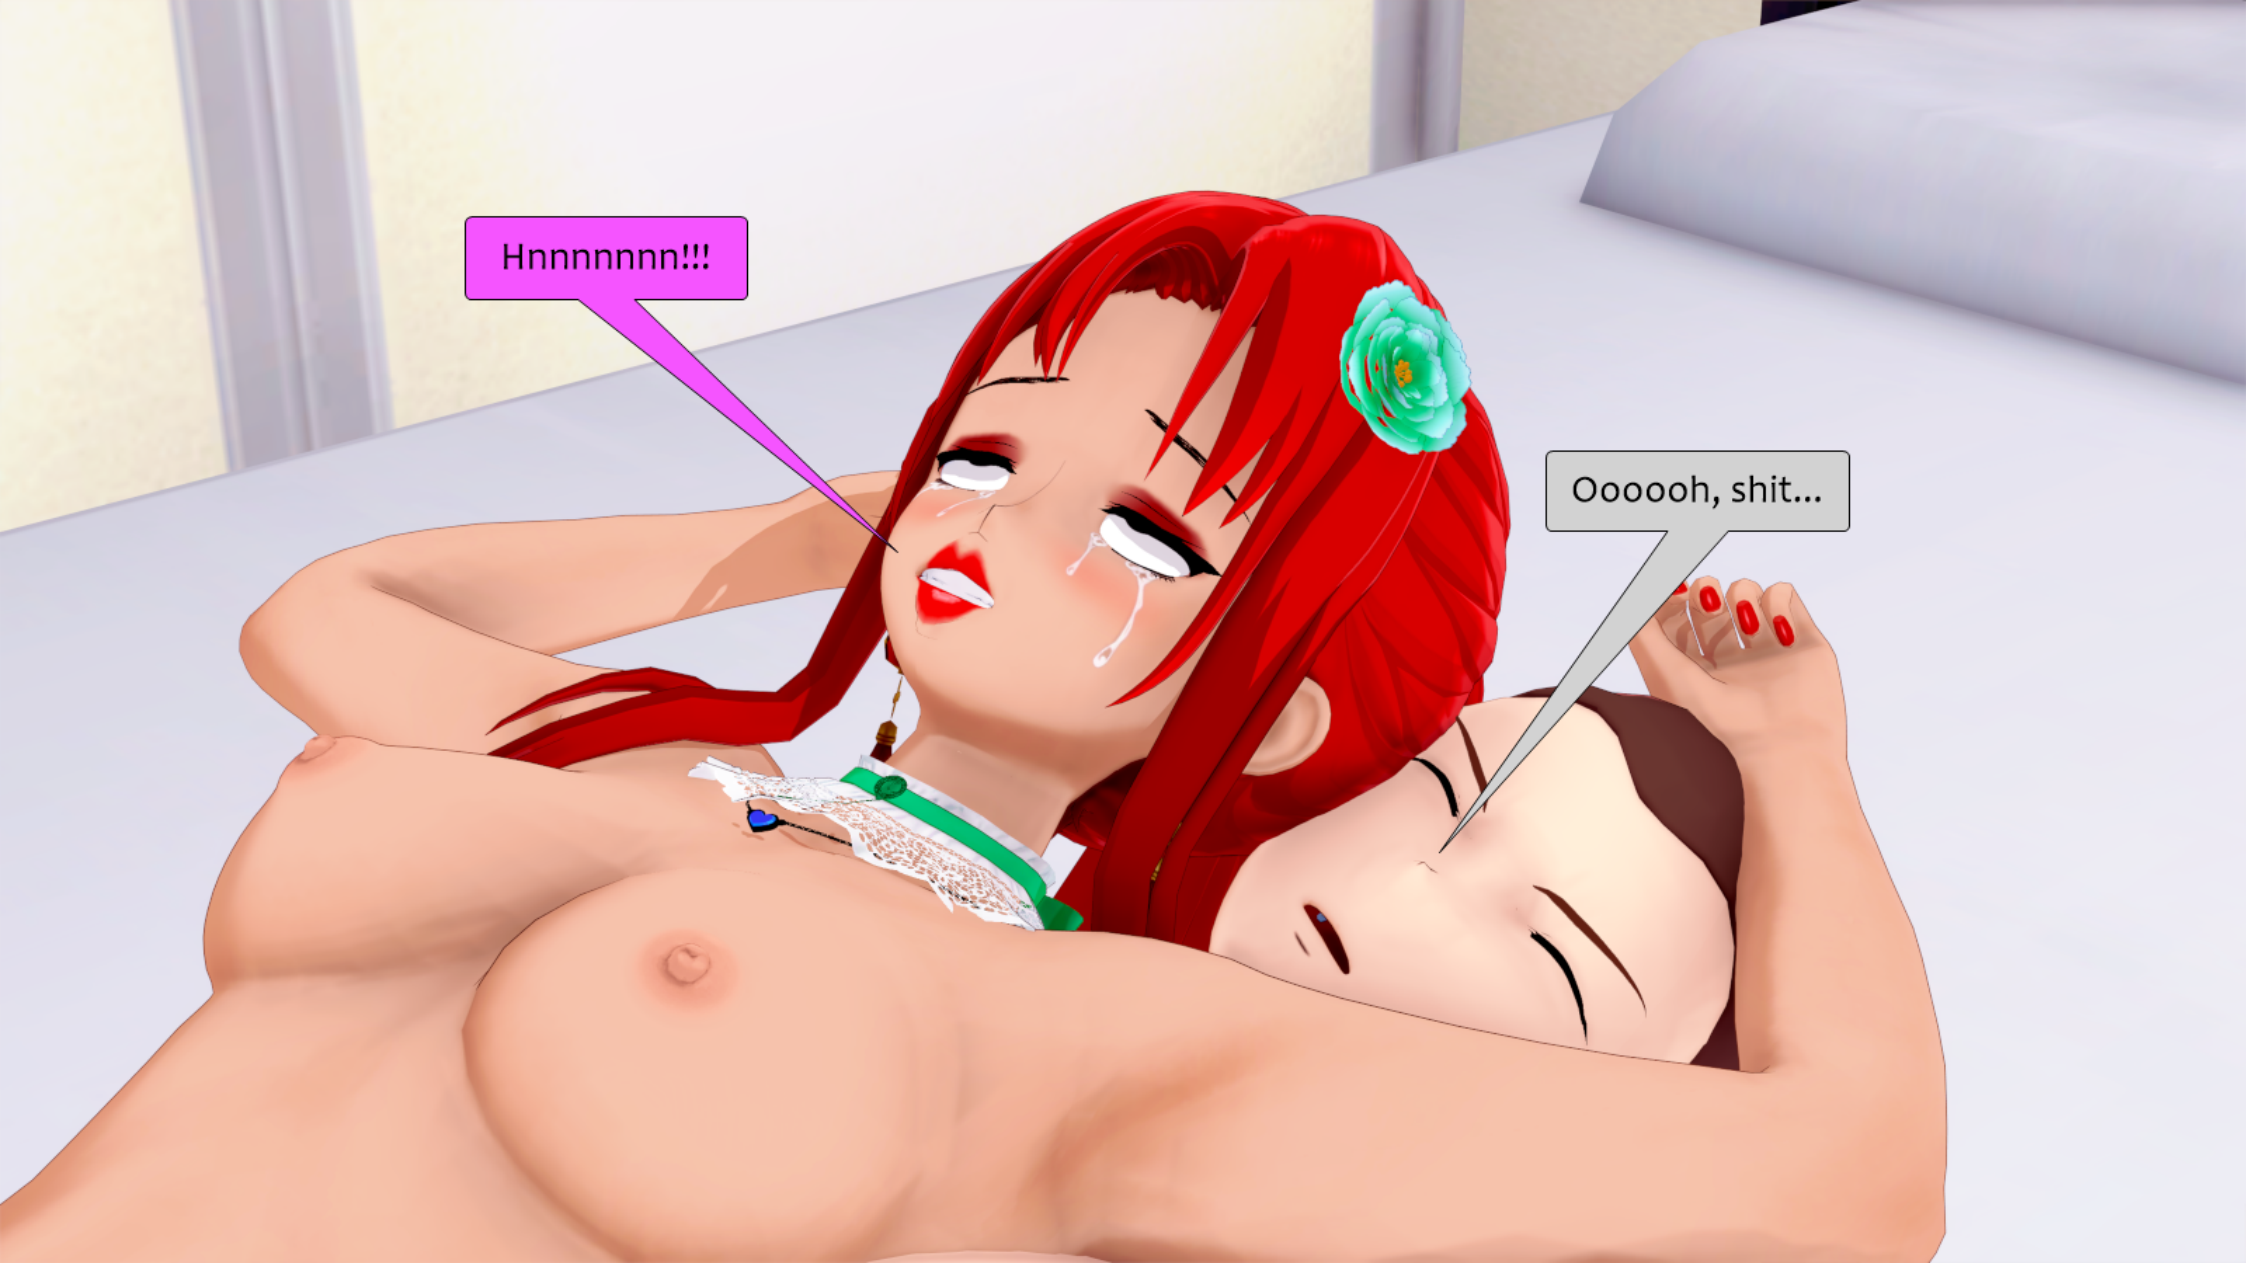

Aaaaaaaah!!!

SPURT!

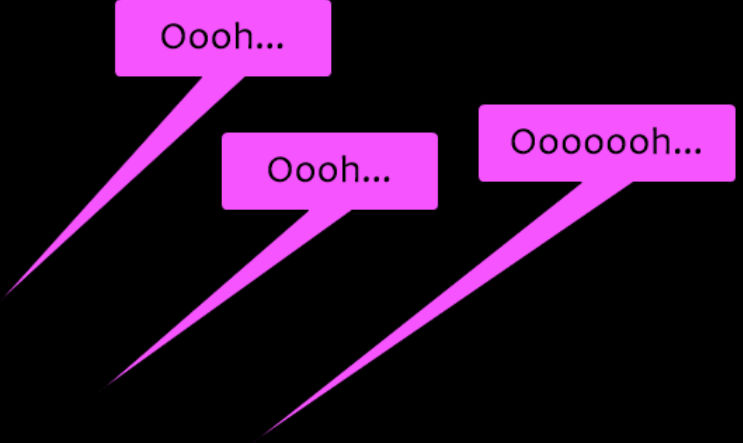

SPURT!

SPURT!

Hnnnnnnnn!!!

Ooooooh, shit...

Oooh...

Oooh...

Ooooooh...

A moment later...

Are you sure you're okay,
Misty? I was a little scared
when you got so dizzy.

Yeah, that was... really intense. Thanks to you, big boy.

That's good... I hope
you're not mad at me
anymore, my princess...

No... I couldn't be
angry with my squire,
who did so well and...

PAT!

PAT!

...and made me
cum so much...

That was probably the
biggest ejaculation I've
ever had in my life...

Ugh, everything's
a little dirty right
now...

Can your squire
assist you in any
way, my lady?

Oh, no doubt... His
tongue will come in
very handy soon...
