

SIZE MATTERS (PART 1)

Julie, you look so beautiful today...

When Julie started dating Frank, she didn't know that he had a very weird condition that would make him slowly but steadily **shrink**. Frank had never been tall or strong, but now he was getting even smaller and weaker every year, and Julie started feeling embarrassed whenever she had to introduce him as her boyfriend. She still loved him, but it was hard for her to see him as the masculine soulmate she felt she needed in her life.

Frank had a well-paid job and always bought her anything she wanted. Also, she treated her as a princess, always acting as her humble tiny servant. She liked that about him, but she couldn't help wondering what it would be like to feel held in the powerful arms of a more dominant male...

Hey babe, can't you hear me? You look so distant today...

Oh! Sorry Frank,
What did you say?

I was saying that
you look beautiful,
princess. This
outfit makes you
look so sexy...

Mmmmm... Maybe tonight we could have some fun, what do you think?

As every day, Frank started begging for sex. That perverted tiny hobbit, who barely came up to her waist, was obsessed with her body! Too much lust for such a diminutive man...

Frank! Please, stop!
I'm not in the mood!
And we are in the
middle of the street!

(2) W-what?! No, thanks I'm ok...

(1) Hey babe, is that midget bothering you?

Suddenly, a huge man appeared behind the youngster. Julie looked up at him in awe, mesmerized by his size and perfectly chiselled body

My bike is just around the corner

Frank didn't like how Julie called him "a friend" and how they ignored him while talking to each other. His voice sounded weak compared to theirs, and the height difference didn't help him to be more noticeable.

This is your white steed, my princess...

J-Julie, I don't think this is a good idea... It might be dangerous... Also, this bike is so big that I can't even climb on it!

Frank... Could you please stop crying for once? You are always complaining!

When Rob lifted Frank with just one hand, Julie giggled childishly. Frank felt emasculated. That huge guy was literally holding him in the palm of his hand, and Julie seemed to like that show of strength.

Don't worry lil' guy, I can put you on the bike...

Julie felt safe for the first time in ages, realizing all of a sudden that, despite the affection she felt for Frank, nothing could stop her from desiring Rob's huge muscular body

Frank noticed that Julie was enjoying that ride a little too much, and felt threatened in his already fragile masculinity.

Things got worse when she started whispering something into Rob's ear. Was she flirting? Frank didn't even dare to protest. After being saved by Rob from that punk, he felt he had no authority to do so.

Rob laughed as Julie kept whispering. The sound of the engine was too loud for Frank to hear what they were saying, but jealousy consumed him.

Thank you so much Rob, that was fantastic. You've been too kind and we could never pay you back, but would you accept a drink these evening?

I'd be delighted!
Where and when?

At the bar around the corner, at 19:00

Perfect! I'll pick you up...

J-Julie, why did you tell Rob that we are just friends?

WHY?! Because I was embarrassed to tell him that my boyfriend was the puny man bending his knees in front of that jerk. You always say that you would do **anything** for me, but when a punk bothers me, you just piss on your little pants and call him "Sir"!

Then, for the first time, Julie decided to tell Frank what she had been feeling for years. What happened that day was just the last drop for her. She was really mad at him and couldn't respect him anymore. Who was that tiny ant to tell her what she should say to a real man like Rob? The man who just saved him! Instead of complaining he should be thankful.

A few hours later, Frank walked into their room hoping Julie wasn't still mad at him. For some reason, she was trying on some sexy underwear. He thought that maybe he was lucky and she wanted to apologize for having shouted at him.

Wow! You look stunning, princess! I didn't know you had this sexy lingerie...

Hi Frank... I just bought it today... Do you like it?

Julie, you look absolutely perfect in it!

Well, I just wanted to look and feel sexy, you know?

You are the sexiest woman on Earth, babe! So... are you not mad at me anymore?

B-but... Julie, that kid was a giant!

I'm not wearing this to please you, Frank...
Do you think I can respect you as a man after seeing how you covered in front of a kid?
Do you think you are the kind of man for whom a woman would dress like this?

Yeah, everyone is a giant for you...
Everything scares you! That's why I
never wear sexy clothes when I'm
out with you: Because I never feel
safe and protected!

I'm... I'm s-sorry, princess!
You know I've never been very
brave, b-but I would do
anything to please you! If I
could make you feel safe and
protected I'd do it!

Sweetie, I don't wanna hurt your little feelings... I know you can't help being small, and I know you adore me... But don't you think I deserve something more than a tiny admirer?

Julie, I k-know I dissappointed you, but, please don't leave me!! I'm begging you! I'll do anything to be with you!

I'm not leaving you, Frank... But as I told you, for once, I wanna know how it feels going out in sexy clothes without worrying about men bugging me... You are too small to protect me, but today we are going out with Rob...

R-Rob? T-that... colossal g-guy? That's why you wanted to go out with him?

Exactly! Today everybody's going to think that I'm Rob's girlfriend... and if they think that I belong to that GIANT nobody will dare to bother me

B-but J-Julie, then you are going to act as if you were his girlfriend?

Yeah... But don't be jealous, silly. He'll be just **pretending** to be my boyfriend in public, to make me feel more protected and safe... Do you understand that, sweetie?

J-Julie... I'm... I'm not sure about this! You know I would do anything to make you happy, b-but...

You always say that, but I want you to prove it for once... Maybe you could start by rubbing my feet. Could you do that?

S- Sure, princess..

Frank didn't want to dissapoint Julie again, so he started massaging her feet as they kept talking...

See? You can still make me happy, sweetie... Your tiny hands are not big enough to protect me, but at least they can give me some pleasure...

And you could make me even happier if you say that you are ok with me pretending to be Rob's girlfriend.

O-ok, as you wish, Julie... I mean... if that makes you hap-

Great! Then now go to the closet and bring me a pair of high heeled shoes I bought today. I wanna wear them in my date with Rob!

Hmpfff! O-ok!!!
W-wait!

Julie never wore heels when she was out with Frank, cause she didn't want to make him feel even smaller than he already was. But that day was different. Officially, her date was Rob, and even wearing her highest heels she would look petite next to a giant like him...

J-Julie... You'll look like a giantess wearing these shoes!

You understand why I want to wear them, don't you? Next to Rob, I'd look like a little girl if I wore flats!

Frank helped her to put on her heels, and then he looked up at her from the floor, admiring her like she was some kind of Goddess.

Thanks love, now stand up and tell me how I look!

Julie towered over him like a colossal supermodel, dwarfing him and making him look ridiculous by her side. Deep inside, he understood why she wanted to be seen next to Rob rather than next to him. It just felt more natural. A woman like her seemed to be made for a man like Rob.

You are just gorgeous, babe!

Wow! You are always small, but when I wear heels you look diminutive! My stockings are taller than your shoulders, and your head doesn't even come up to my panties...

I mean... my butt is taller than your face. How can a man be so tiny?

After so many boring years, Julie was having fun with Frank for the first time. She used to feel bad when she towered over him, but now she could see the hilarious part of it. She just stopped looking at him as her respectful man, and started considering him as a helpless little pet. The only problem was that Frank wasn't a pet, he was still a tiny adult man, with his tiny sexual needs, and he desired her more than ever. His heart pounded in his chest as he admired her perfect body.

Be careful, little ant... If I sit on you I could easily crush you, haha!

C-come on, stop making fun of me!!

Ok, little squirt, now remember. Today Rob is my date. Not you. Understood?

You are just a tiny friend that I'm looking after, remember that and don't spoil everything, shrimpy

O-of course, I'll do what you want, b-babe!

Julie! Wow...
You look great!

Thanks!!

At 19:00, Rob arrived and Julie received him wearing her sexiest dress...

If I had known you'd be wearing this dress, I'd put on some smarter clothes, haha!

Haha! If you want I can put on something more casual...

From that moment, Frank realized that he was going to be ignored by the colossal couple that towered over him. They were clearly flirting as they dwarfed him with their intimidating size

No way! You look just perfect, babe...

Thanks Rob! You don't look bad at all in that shirt. It shows your big muscles, haha!

Hahaha! Do you like them, little lady?

Oh my God...They are not only huge, they also feel so hard! You must work out a lot, don't you?

What the f**!!

So, do you always dress so nicely, or is this a special occasion?

Well... I just thought that, next to a man like you, I could dress as nicely as I want without fear of being catcalled...

Sure, babe...
Nobody will bother
you. Maybe only me,
hahaha!

What?! This is
going to far!

Well, I've worked as a stuntman in some action movies. The actors are always a lot smaller than me, but you can't notice thanks to the distance and the special effects...

That's amazing Rob! I mean... you actually put your life at risk, while the famous actors just pretend to do it...

After a while, things got worse when the giant started rubbing Julie's butt. He acted as if she belonged to him, and she seemed to like it.

Well, I'm ok with that, princess. Actors are talented people. I guess I'm not talented for pretending things. Just for real action.

That's my point, Rob! You like **real** danger. I mean, you probably **are** the kind of man they pretend to be!

J- Julie... M-may
I talk to you in
private?

Frank, you are annoying as a gnat. Can't you see that I'm talking to Rob? Stop bothering!

What do you want now?

Julie, I... I think this is going too far. I mean, I didn't give you my permission to...

Don't use that tone with me, little ant. I'm the one giving you permission to watch how a real man behaves with a woman...

Hmpffff!! o-ok! Sorry!!!

Hey, little buddy...
Why are you so nervous? Is there any problem?

He just can't stop complaining...

R-Rob! I'm S-sorry! I didn't want to bother... I was telling Julie that I'm a bit t-tired, so I'd like to go home...

When Rob approached him to see what was going on, Frank started trembling and stuttering. The mere presence of that giant was too intimidating. Also, after having been touching Julie's butt, Rob had a boner, and Frank could see the huge bulge in his pants, way above his head.

Rob, you are so nice carrying him. When he gets tired he can be really whiny...

When Rob said he would take him home, Frank didn't think he meant it in such a literal way. But he felt to intimidated to even protest when the huge man just picked him up and carried him on his shoulder.

Don't even mention it. He weights less than a feather, haha! I think it's so nice of you that you take care of such a small person.

He would be so vulnerable and helpless without me. Thanks for understanding... Many other men wouldn't!

Angela?!!

Julie! Oh my God!
I haven't seen you
since high school!

Suddenly Frank heard how a new feminine voice interrupted the conversation of the giant lovebirds...

Angela! Where have you been?!!

I just moved to this town recently. Do you live here?!

It's a pleasure to meet you, Angela(2)

Yes! Rob, this is Angela! She was my best friend at school, when I lived in California... (1)

Nice to meet you too!
I'm happy to finally
meet Julie's
boyfriend!!

Well, actually it's our first date. But it's going so well!

Angela was almost as tall as Julie, and she was wearing platform boots that made her look like another Giantess. As they talked, ignoring Frank, he felt insignificant

Really? Your first date?
But you guys look so in
love, haha! You seem to be
meant for each other. As
if you have always been
together!

Oh! By the way, this shy little man down here is Frankie! He has the shrinking illness so he is getting smaller every year... I felt so sorry for him that I adopted him and now I look after him...

Awww! That's super-nice of you! Protecting such a vulnerable person!

Hi cutie! You must be so happy that you have a big mommy and daddy who can defend you from bullies! Haha!

TO BE CONTINUED...
