It was great hanging out with you, Julie... We should do it again, maybe just the two of us...

I hope Frankie didn't bother you too much with his whining... He can be a tiny pain in the ass sometimes

Frank was carried on by Rob like he was a little doll while Julie kept openly flirting with the giant. When they finally arrived home, Frank thought that the nightmare had ended, but he was wrong.

Don't worry, Julie... He seems to be a very delicate man, and his legs are not as long as ours, so I understand why he gets tired so easily when he walks with us

Yes, he is very weak and small But, honestly, I think that's not the only reason why he wanted to come home... Sometimes he gets a bit jaelous when I date other men, you know?

WTF? They talk about me as if I wasn't here!

When Julie and Rob talked about Frank, ignoring him, it felt as if two adults were talking about a little baby; but now it was worse. Now they were acknowledging the fact that he was an adult and the fact that he felt sexually attracted to Julie, and that was even more humiliating for him. When she said that Frank was jealous of him, Rob just laughed, as if she had told him that a flea was jealous of him. Obviously, he didn't consider him a threat, or even a competitor. Anyways, Frank didn't dare to complain.

Hahaha! Really? Well, I get that too... He might be tiny, but he is still an adult man, and you are a beautiful woman... Probably, he is in love with you...

Awww! Thanks Rob... Yes, Frank is older than me... But he should understand that I can see him as a man. For me, a man is someone who can protect me, someone big and....

... and strong?

Oh my God!! Y-You lifted me with like I weighed nothing! It's amazing!

Suddenly Rob surrounded Julie's thighs with one of his mammoth arms and easily lifted her up, like she was a little girl. Frank could hear in Julie's voice how horny she was. Being held like that by a man really turned her on.

Don't be surprised, little lady... In the gym I lift dumbbells way heavier than you, haha!

Haha! Really? I don't know if I should take that as a compliment on my weight or as a new prove that you are Superman... But in both cases you deserve a kiss from this "little lady"

Julie!!! That's enough!!!
W-What are you doing
there?! Are you
KISSING him?!! Tell him
to put me down
immediately JULIE!!!!

Frank heard how Julie started moaning sexily, as her little playful tongue visited Rob's huge mouth. Julie's giant lover was literally holding Frank on his shoulder, like a little doll, while he was making out with Julie, holding her with his other hand. Frank couldn't think about any situation more humiliating. He couldn't allow that, so he finally decided to protest.

Seems that the jealous shrimp is whining again...
Do you want me to put him down?

No, keep holding him... I'll talk to him...

Ok, manlet... We've talked about this... As long as you are under my protection, you must obey me. I'm your owner, not your girlfriend; and I don't like your little outbursts, so say "sorry" NOW

S-sorry...

Say it louder, shrimp... I can barely hear your little voice... And look into my eyes when you talk to me.

Enough! J-Julie, I know we agreed on this, b-but... there's a limit! I might be small, but I'm not microscopic! You can't just m-make out with Rob in front of me and pretend you can't see me!

Wrong answer, dwarf... Now I'll give you the punishment you deserve for your bad behavior, and after that you won't open your little mouth again without my permission...

p-punishment?

J-Julie!! What are you doing!? P-please, put on my pants! Anyone can see me here!

Shut up, pipsqueak... Maybe if I spank you here next time you won't dare to use that tone with me...

Frank couldn't believe what was happening. Julie was literally spanking his ass in the garden while Rob held him effortlessly over his shoulder. At first he thought that something so surrealistic should be some kind of nightmare, but the pain in his buttocks revealed that it was very real. How things had come to this? He agreed with Julie on letting her pretend that she was his caretaker, and also Rob's girlfriend, but she seemed to be enjoying too much both roles. Obviously, he felt sexually attracted to Rob, but she seemed to feel also aroused by humiliating Frank, belittling him and bullying him in front of her giant lover. As she punished him, she pretended to be mad at him, but she was clearly having fun and enjoying every second.

Aaaah!!! S-Stop!!! Please.
Julie!!! I'm begging you!

If you talk back to me
again I'll spank your tiny
butt till it turns red, do you
understand little man?

A scene from a video game, likely Grand Theft Auto V, showing a man carrying a woman on his shoulders. The man is shirtless, wearing a black tank top and blue jeans. The woman on his shoulders is wearing a blue long-sleeved shirt. Another woman, wearing a red sequined halter top and a red skirt, is talking to the man. The background is a two-story house with grey siding, white trim, and green shutters. The sky is blue.

Ok!! I'm sorry! I won't talk without your permission! I swear! But please, stop!!!

Great, now stop crying... I wanna talk to Rob

(2)
It's fine, babe... You are his
babysitter, so he should do as
you say... Also, I find kinda
sexy a woman who knows how
to discipline a man, haha!

(1)
Rob, I'm sorry that
you had to see this; but
he was really asking
for a punishment...

Maybe you could try to discipline me too... I can be a bad boy sometimes

Punishing a miniature male like him is easy for me, but I don't know what I'll be able to do to a giant like you... Why don't you come in, and we find out?

Nice place, babe...

Oh, thanks!

When they got in, Frank could notice how Rob was rubbing her butt again; but he didn't want Julie to punish him again, so he decided to act submissively and to remain silent as he promised. It might have been cowardly of him, but the man who was groping his girlfriend was also carrying him effortlessly on his shoulder.

(1)
Ok, Frankie... Now Rob
and I need some
intimacy, maybe he
could carry you to your
bed so you can rest

(3)
W-wait.. You wanna have s-
sex with him? I... I thought
you just wanted to pretend
he is your boyfriend!

(2)
Julie, where do you want
me to put this pipsqueak?

Are you questioning my orders again, little guy? Maybe you need another spanking...

N-no please! I... I won't question your authority, but... I wanna stay here.. I'm... n-not tired...

Come on, little buddy, the grown-ups need to be alone now... I'll take you to your bed.

The grown-ups?! Listen, young man... I... I'm older than you! I'm the oldest person here, so I shouldn't be treated as a baby!

I hope you can forgive him for his little tantrums, Rob... As I told you, this tiny pipsqueak is a very jealous guy and he gets mad when I date other men... But I'll send him to his room if you want, he won't spoil our romantic date...

Don't worry, princess... Well, he can stay here if he wants; but he won't stop me from doing what I wanna do to you...

W-what do you mean?

Julie seemed to love the idea of having Frank there. She didn't propose it, since she thought maybe Rob wouldn't want to have that midget watching at them, but now that she knew he didn't mind, and that meant that she would be able to keep humiliating the diminutive man in front of her giant lover. She really wanted Frank to see her being fucked by a superior alpha male like Rob, she wanted to make him feel insignificant and unable to stop the giant from getting what he wanted.

I think you've heard him, sweetie... He is willing to have fun with me, even if you are here watching...

Ok, big boy... You said that you wanted me to discipline you like I did with Frank, don't you?

What is she doing down there?

Haha! I said I wanted you to try, babe... But I don't think you can, you are just a delicate little lady,

Yes... I'm a delicate little lady, and you are a giant boy... I can litterally feel how... colossal and powerful you are... With your tremendous size and strength you would be able to do anything you want to me, and I wouldn't be able to stop you...

You are right... Then I guess I'll have some fun, haha!

Hey!

Rob!!

Julie playfully pretended to be mad, but she was obviously enjoying the way Rob was disrespectfully touching her and the fact that Frank was watching it.

I know I am, babe; but what are you going to do about it? Will you punish me like you did to him?

You should stop!
You are being a naughty boy, Rob!

R-Rob... you are the biggest and strongest man I've ever met... The only thing I could do is get on my knees and beg you to be gentle

Good girl, that's what I wanted to hear... So we all agree that I'm the one in charge here, don't we. little lady?

Frank had never seen Julie acting so submissively with anyone, she was talking in a soft ultra-feminine high pitched tone, and pretending to be as scared as a little girl, obviously turned on by Rob's masculine confidence. Frank felt furious and impotent, but deep inside, he also felt turned on by the situation.

S-she told you to stop!! STOP!!

I don't think she really wants me to stop, she seems to be getting really horny... But if you want, you can try to stop me, smurf... Just remember that you are litterally sitting on the palm of my hand, hahaha!

P-Put me down then! I'm an adult and I'm tired of being laughed at!

Was that a punch? Haha! It didn't even tickle... And your fist looks minuscule... Even for your size

Fuck! I think I broke something... It was like punching a wall

I'll put you down before you keep hurting yourself

Awww! Did you hurt your hand sweetie? You know your bones are so frail... And Rob's body is super hard... What did you expect?

Frank's little feet had been hours without touching the floor. When Rob slowly lowered him down, Frank was so used to being carried by him that he had almost forgot how ridiculously short he was, and being reminded of that reality was painful. He no longer had the privilege to watch the show from above, as an inferior being, he should only watch the gods from below.

Well, you are obviously the only man here, big guy, so ignore the midget and keep touching me

Julie! W-Why are you saying that?! I'm a man too! I'm older than him!

I don't care about how old are you, Papa Smurf... How can I take you seriously as a man when you barely come up to my pussy. You can be my pet, but not my boyfriend, sweetie...

W-What? I don't wanna be your pet, Julie!

Of course you want, silly...
Actually, you are going to
bend your little knees and
beg me to let you be my
pet... Unless you want me to
leave you

Leave me?

Frank just doubted for two seconds before falling on his knees and begging. He knew how humiliating that was, but he couldn't even imagine a life without Julie. On one hand, he couldn't live alone by himself. He was too small and helpless to survive without someone taking care of him, but also, he was so in love with Julie that he preferred being her pet than not seeing her. Just being able to see her, touch her, to smell her perfume and to hear her voice was more than he deserved.

He can't help worshipping me, I'm a Goddess to him...

Haha! What's wrong with this midget?

I'm all yours, big guy...

Well, I'll fuck you while he keeps worshipping you...

I love being touched by your powerful hands, and I want him to watch... You can have as much fun as you want with my body...

Let's give the shrimp a great show then...

A 3D rendered scene featuring three characters. A woman in a red dress and black stockings stands in the center, with a muscular man in a black tank top and jeans embracing her from behind. A smaller man in a blue shirt is kneeling in front of them, looking up. Two speech bubbles are present: one from the woman and one from the man behind her. The background is a plain, light-colored wall with a wooden bench and books visible at the bottom right.

Haha! Rob! That's so cruel... He must feel so frustrated... but you are the one in charge here...

Come on, babe... tell him that your lovely pussy belongs to me

Did you hear him from down there, shrimp? My lovely pussy belongs to Rob...

T-that means we are never going to... h-have sex?

Sex? Can't you see that you are too small and weak to satisfy me? But you can please me sexually in some other ways... Stand up, inferior being...

Are you standing up? I can barely notice the difference, haha!

Julie, w-why do you keep laughing at me!

Because I love it, sweetie... Making fun of your height, picking on you and humiliating you just turns me on... And you want to turn me on, don't you?

W-well, y-yes...

Good boy... Now, could you say that you are a shrimp, using a high pitched voice?

I... I'm a shrimp...

See? These are the kind of things that arouse me about you... You can be so pathetic... so insignificant, small... helpless... coward.... Am I right?

Y-yes... You are always right, Julie...

I also love grabbing your tiny face with my big hand and smothering you... Being bullied like this by a woman must be so humiliating for a man of your age...

hmpff!! hmpff!!

Hahal Poor guy!

Come on wimp, fight back!
Are you going to let a girl
pick on you like this?

You really know how to make a woman feel powerful, I can give you that...

hmpfffff! hmpf!!!!

This is turning me on babe...
You look so sexy when you
torture that manlet...

Haha! Then enjoy
the show, love...

I like where this is going... haha!

Sorry, shrimp, but my man wants me to fight you...

What?! J-Julie please, you are a lot stronger than me...

I know... I'm strong enough to force you standing on your tippy toes, just pulling your tie... And I love doing it, haha!

P-please, Julie! Stop!
P-Put me down!

Ok, I'll do it, but I want you to get naked... We wanna make fun of your puny body...

Hurry up... Or I'll pull your tie again, dwarf...

O-ok...

Frank undressed in front of her, showing his small naked body as she giggled childishly. Meanwhile, Rob decided to prepare a big surprise for Julie...

Haha! You think you can satisfy me with that?

What a diminutive thing... Even my fingers are way bigger...

Please, J-Julie, be careful...

She easily held his two wrists in just one hand and kept teasing him. He knew he wouldn't be able to free his arms, so waited submissively. Overpowering him was extremely easy for her,

You want me to be careful, sweetie? And what if I'm not, hmm?

What if I crush it in my big hand? As if it was a tiny insect?

Whoaaaah!!! Julie, please, STOP!!! Stop!!! I'm begging you! Don't crush it!!

What can you do with THIS one, princess?

Oh my God!

I'm so horny right now... my hands look so tiny next to it!

My giant, you are so tall that I can't even kiss you, haha!

And that turns you on... Am I wrong, little lady?

You know me...

Frank kept kissing Julie's butt with adoration, while Rob enjoyed her sweet lips and she rubbed his colossal member with her hand. Normally Julie wouldn't even let Frank kiss her butt, so that was like being in Paradise for him

But then Rob's gigantic hand appeared, covering most of Julie's perfect ass, moving from side to side as he rubbed it, So Frank couldn't keep kissing it.

T-this is not fair!

Sorry sweetie... But he is the alpha male... My body belongs to him, so you'll have to wait while he has fun with my butt...

I d-don't wanna wait!
He has the rest of
your body! Why can't
I enjoy even one
little part!

Move away, smurf!

J-Julie!!

Suddenly Frank felt a weird tingling sensation across his tiny body. He knew what that was. He was shrinking again! His shrinking illness was striking once more...

Oh no!!! Fuck!!!

J-Julie!! I... I shrunk again, please...
I need to take my medicine or I'll
keep getting smaller!

Hahaha! What the fuck happened to you, dude?

Oh my Goodness! Frank, look at you! You are super-tiny! This is just... amazing!

Julie! T-this is not amazing! This is serious! I need my medicine

Nah! You don't need it...I wanna see how small you can get... Don't you want to please me?

I... I always want to please you! B-but... I.... I don't wanna get smaller, I'm so tiny already! Please!

Shut up, insect...
Didn't you hear me?

Whoaaaaaaah!!

After making him fall, Julie trapped his neck with the heel of her shoe, so he wasn't able to stand up again. While holding him like that, she didn't say a word. She just enjoyed toying with him in silence, knowing that she could disrespect him and bully him as much as she wanted.

She remained in silence, enjoying every second, while he protested desperately. She was amazed by how pathetic he could be.

Julie! This is not funny!
I r-really need the
medicine, let me stand
up, please!

Then she slowly raised her other foot, letting him think that she was going to step on him, enjoying the fear in his eyes as he started screaming

N-noooooo!!!! Please Julie!! D-Don't crush me! Please...P-Princess...W-why are you not saying anything?!

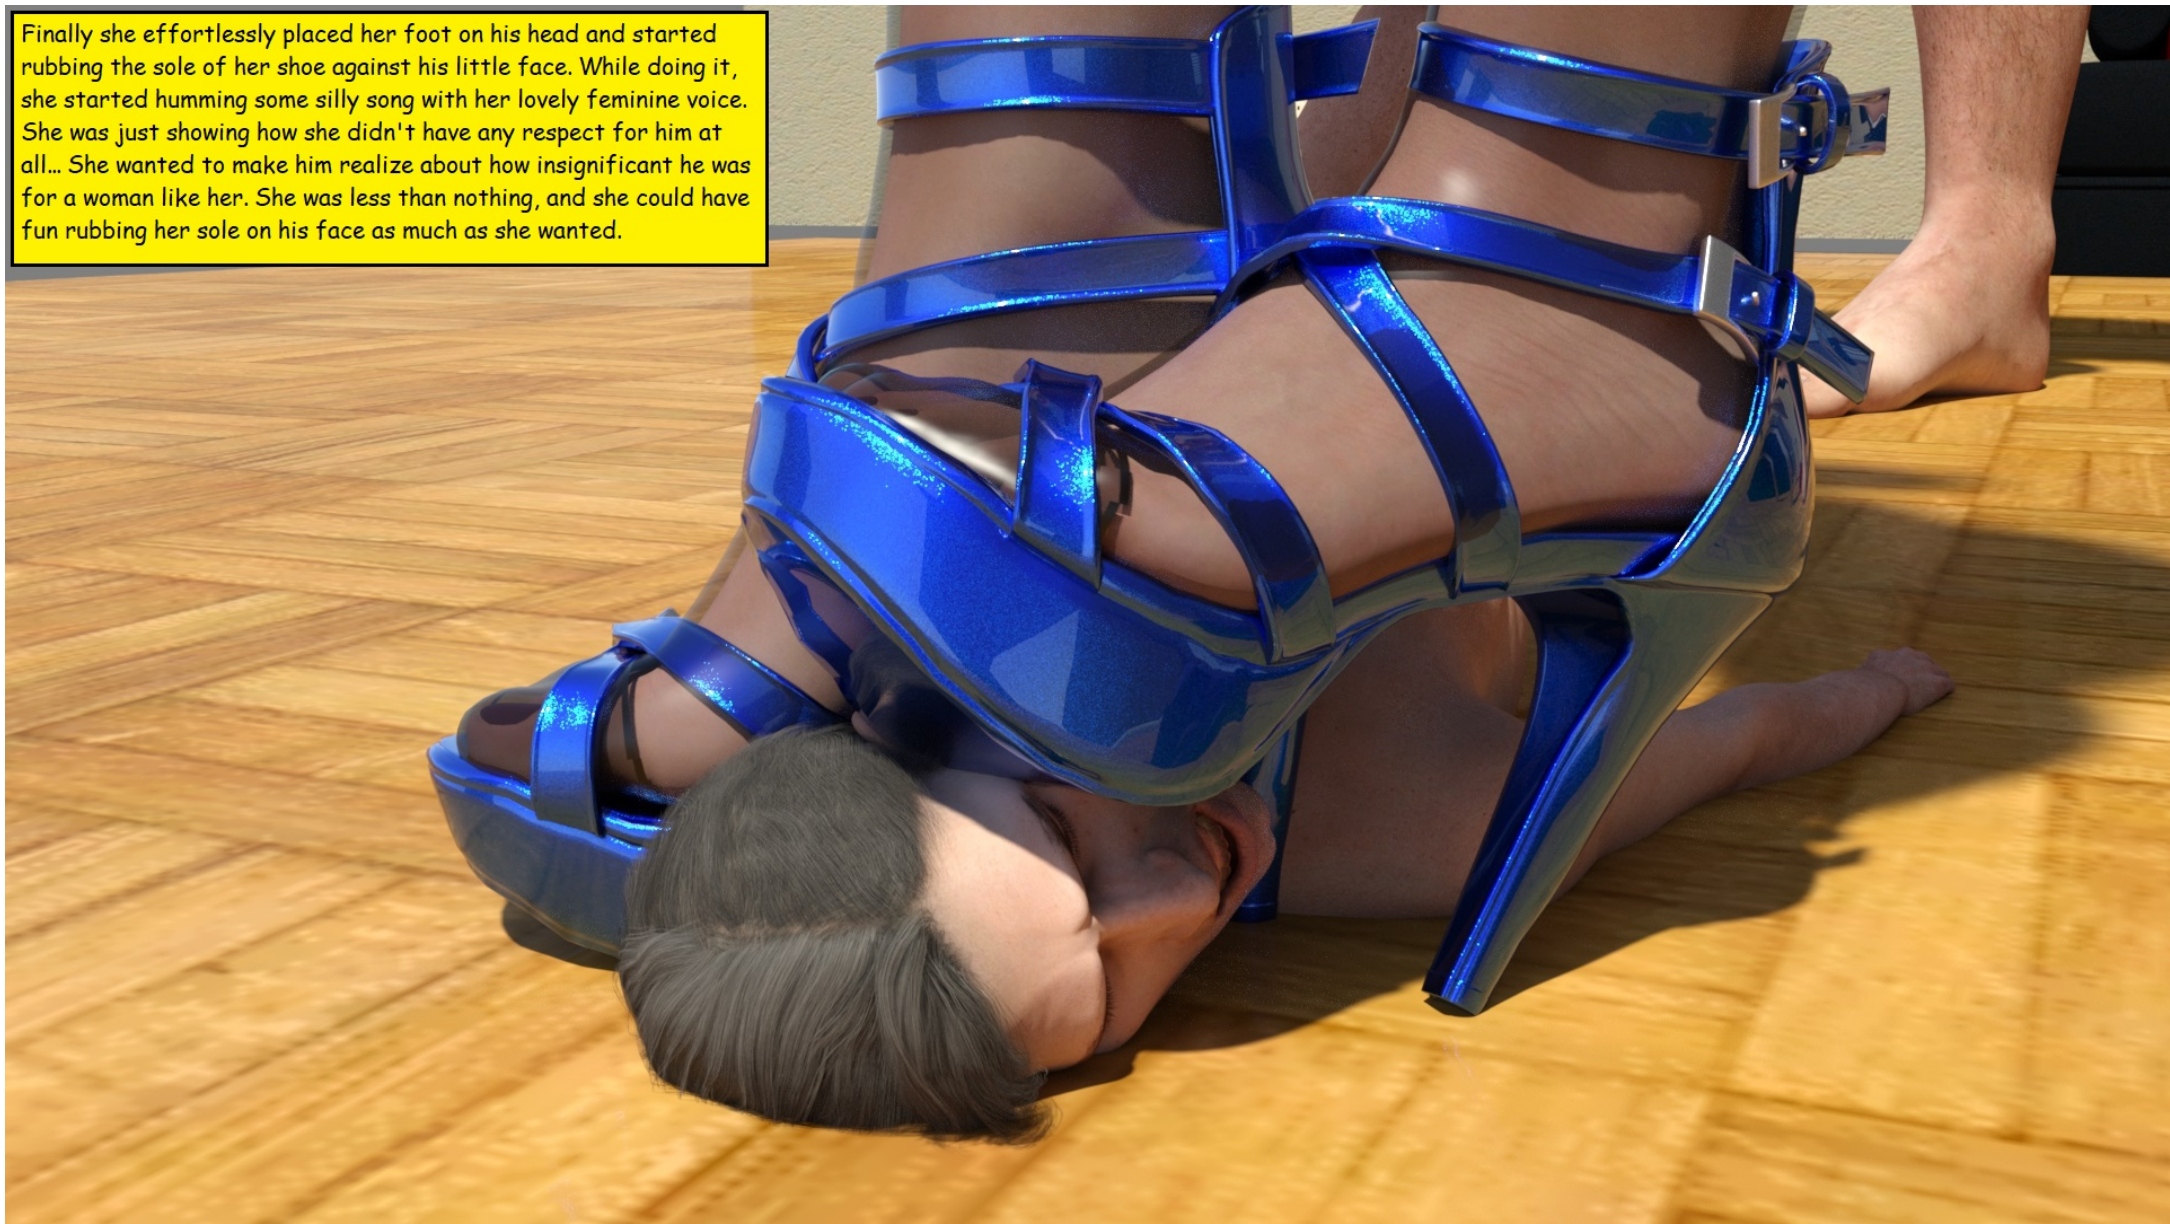

She lowered her foot very slowly, while he tried to stop her with both hands. Of course, his weak little arms were no match for her superior strength. She overpowered him slowly as he started to cry and his screams got louder and louder

J-JULIEEEEEEE!!! PLEASEEE!!
DON'T STEP ON ME!!

Finally she effortlessly placed her foot on his head and started rubbing the sole of her shoe against his little face. While doing it, she started humming some silly song with her lovely feminine voice. She was just showing how she didn't have any respect for him at all... She wanted to make him realize about how insignificant he was for a woman like her. She was less than nothing, and she could have fun rubbing her sole on his face as much as she wanted.

I hope you learned the lesson... You won't take any medicine... You'll keep getting smaller, because I think it's funny... And I want you to make me laugh, understood?

O-ok!! But don't crush my head, please!

Good boy... And thanks for that experience... I've always wanted to step on your little head...

Y-you could have crushed me!!!

Stop crying, coward... I might be a naughty girl, but I know how to take care of my toys... I would never crush you...

By the way... Did you ever wanted to fly, shrimp?

W-why are you asking that?

Because I'm going to make you fly right now, whether you want it or not... Haha!

No no no no!!!
STOP!

Wow, with just one hand, haha! You are pretty strong for a girl...

Nah! He is super-light now! It's like holding a small pillow....

Put me down, please!

Was that an order, smurf? You can't tell me what to do...

(1)
N-no!! I'm... I'm just
begging for your
mercy! Put me down,
please! I'm getting
dizzy!

Nah! Holding you like this is
too easy... and too funny...
Also, there's something I
wanna show you, sweetie...

TO BE CONTINUED

This is the dick of a real man...
It's bigger than your head, and
soon will be bigger than your
whole body...
