

Her name was Sophie, she was just *eighteen* and and she had the best looking legs the guys at school had ever seen. She was very tall and big -boned ,but perfectly proportioned She had a beautiful face and body, but her legs were the first thing people noted as she always dressed in skirts or shorts.

It was as if she was proud of her legs and wanted to show them to everybody.

Her legs were just awesome and strong as hell.

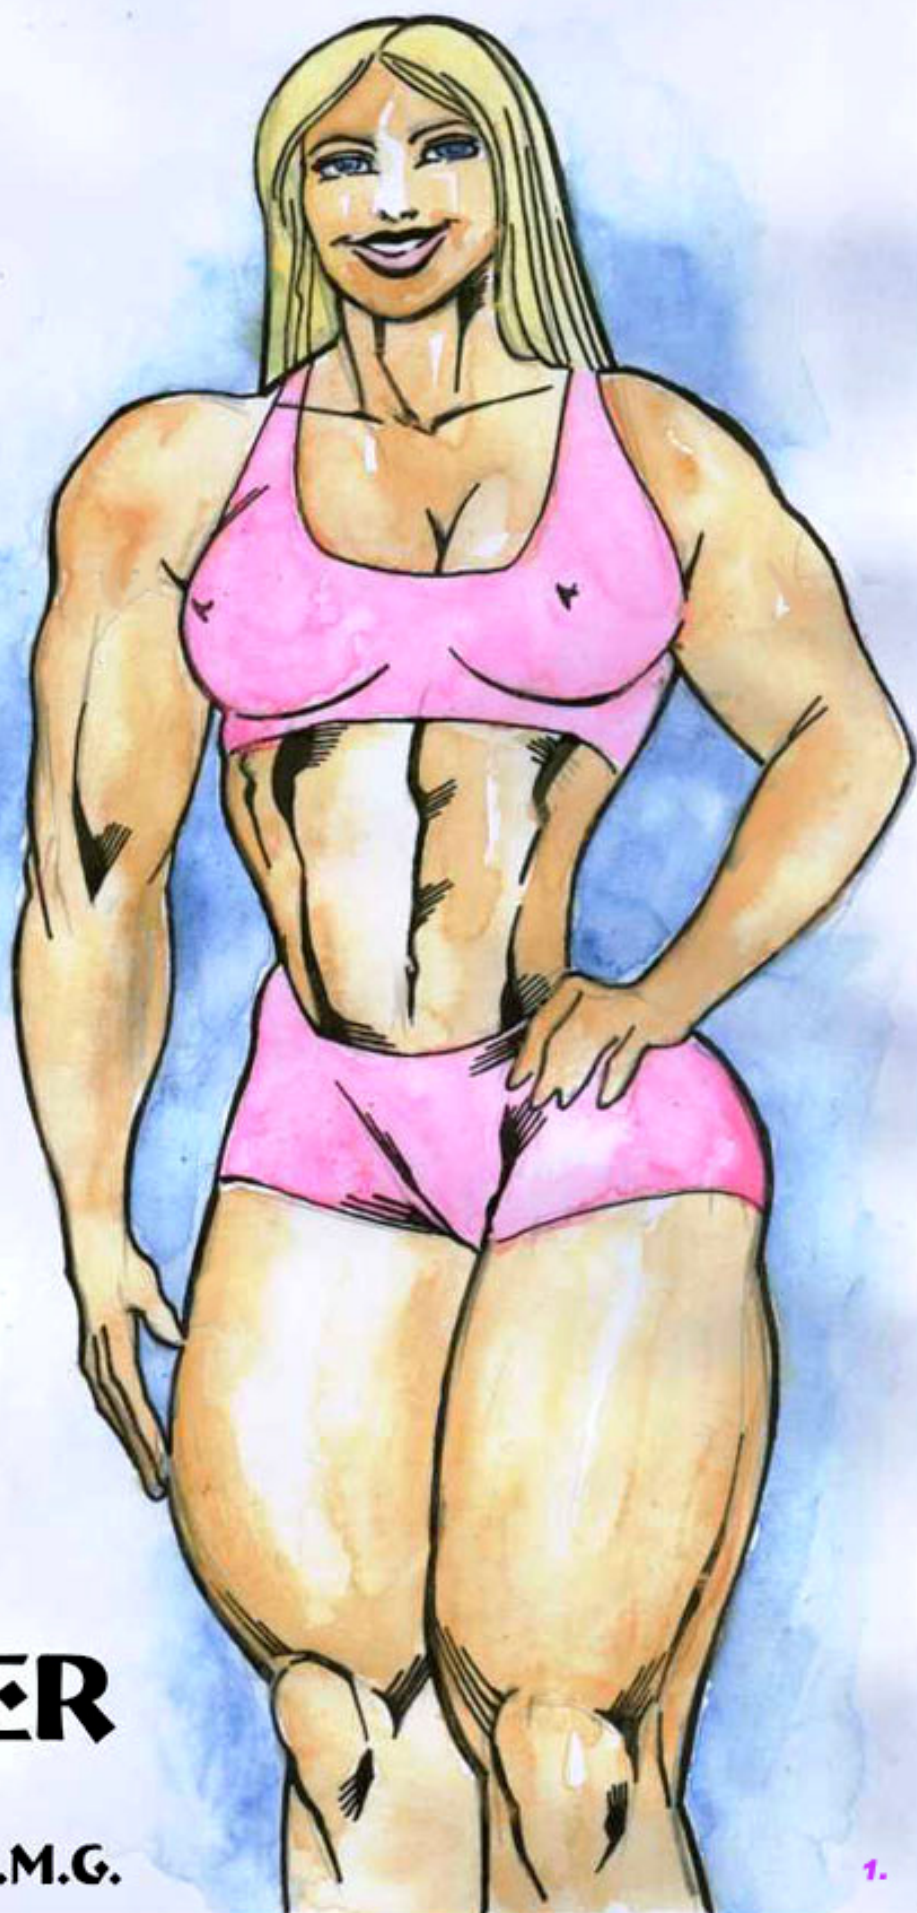

Everybody was talking about her incredible legs.

Sophie was the best young long distance skater in the country and her aim was to win the olympics one day.

# THE SKATER GIRL.

ART BY R.M.G.

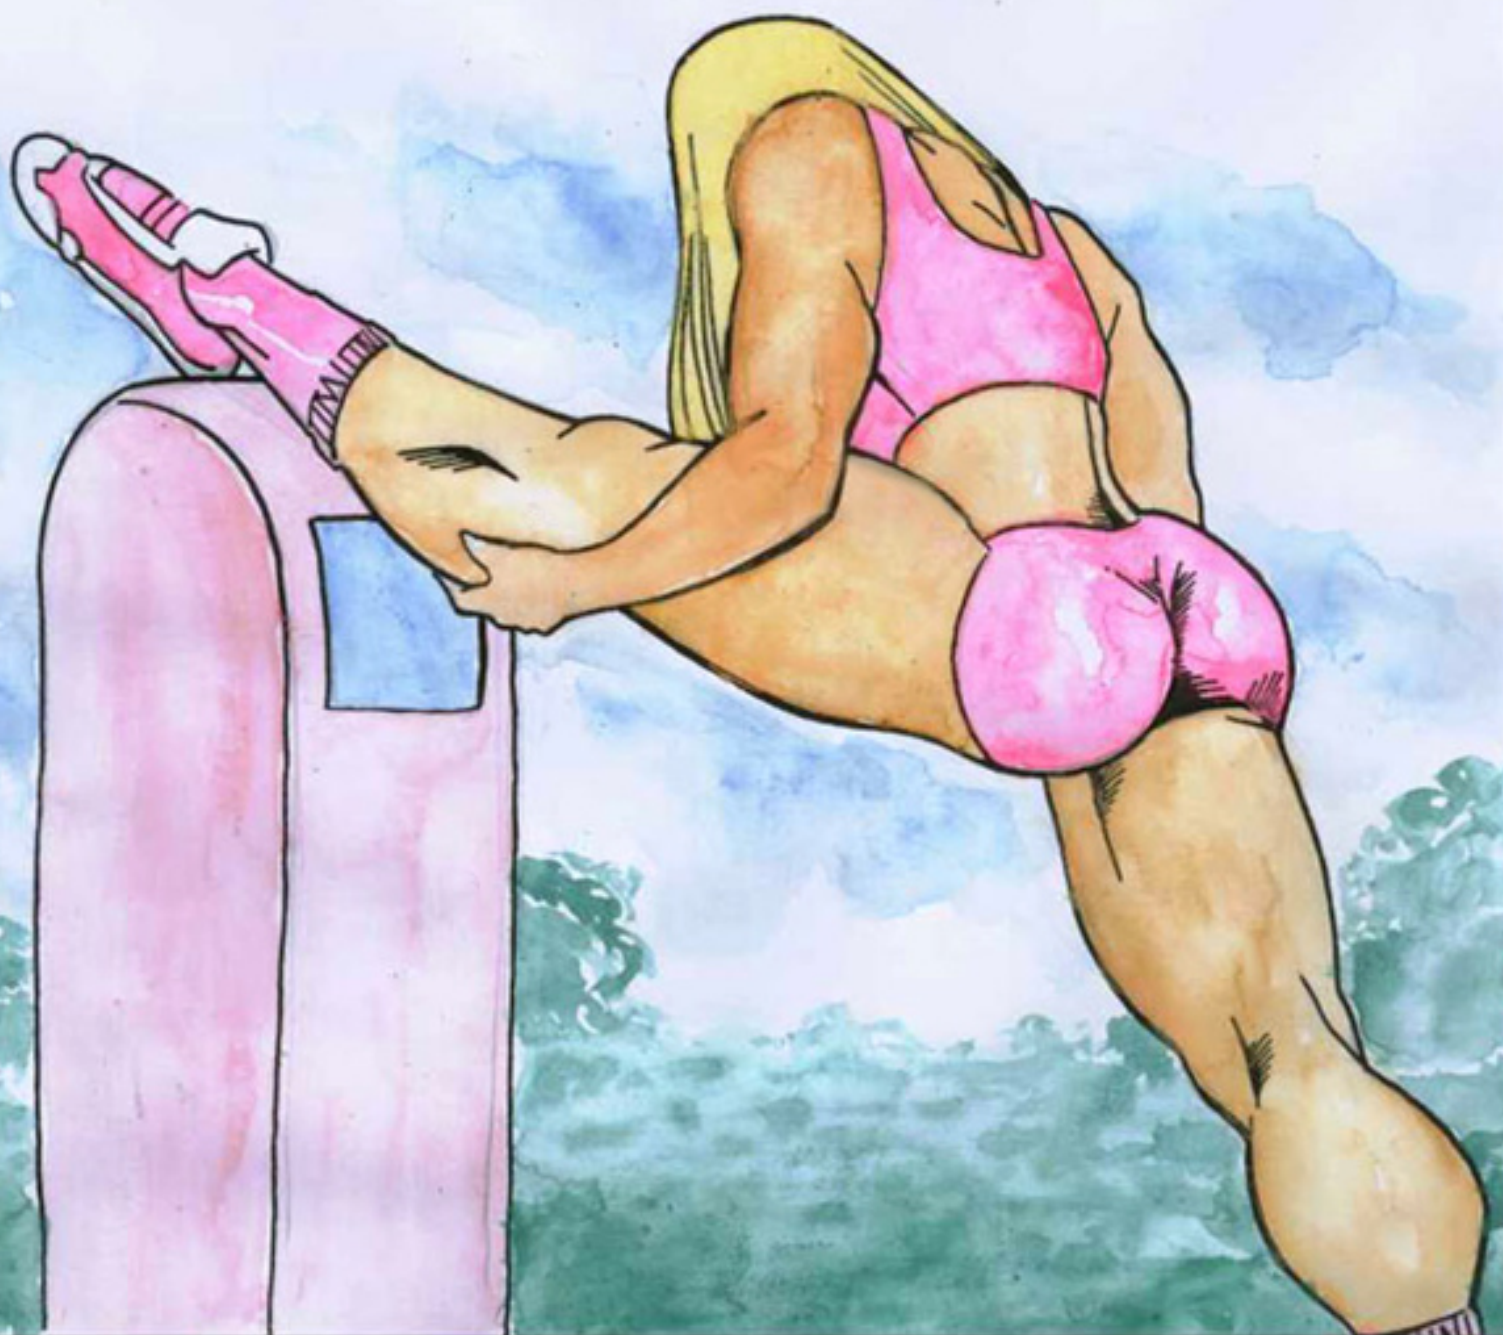

Most guys didn't pay much attention to Sophie after being ignored by her. But i had a crush on her that wouldn't wear off. I would be under her spell forever. Since it was impossible getting close to her i started taking photos of her in secret.

Suddenly a skinny but tough guy from school came up to her and started talking to her. I couldn't hear the exact words, but it was obvious that he was making a pass at her and that she reject him.

The guy suddenly drew a blade and threatened to cut her. I started towards them to help her, but it was too late. Before i knew what had happened the guy was laying flat on his back and the knife was not in his hand anymore...

Sophie bounced herself down hard on the guy and straddled him, holding his arms to the ground above his head with her hands.

I knew that this was what they called a classic schoolboy pin, but i had never seen it performed so perfectly and with such power.

I was extremely aroused by the sight and started taking photos of this sexy female domination...

It seemed like forever that she straddled the suffering guy beneath and between her pinning tree trunk thighs. He remains helpless the whole time.

He put all his strenght into one last effort to bridge her off... But she quickly scissored his waist between her solid thighs!

He had a look of terror that said that he realized that he had gone from bad to worse. She gave him a sample squeeze with her iron legs that had him moaning in pain under her, although it looked to be far from her full capacity. With the power of legs like Sophie's i realized that it would be possible for *this* girl to kill a man. Her scissor hold was totally devastating.

She rolled over to her side to get a tighter grip around his skinny body. Turning him around between her torturing legs and easily moving him closer to her crotch, she jammed his waist between her big thighs, crossed her ankles and begun to crush him without mercy

The difference in size between the two was huge. Her swelling thighs seemed to cover almost his entire torso as they devoured him greedily. I could tell that she was as turned on by wrestling as I was. She really took pleasure in torturing him by squeezing him with her brutal legs...

She soon release her hold, but was far from finished with him. I guess she didn't want him to pass out to soon for her to get her full enjoyment out of humiliating him.

She yanked his neck between her gigantic thighs and stood up smiling, she began her terrific squeezing again. That's when...

She saw me...

She must have heard my camera snapping away or maybe i couldn't help letting out a sound of excitement. Anyway, i put the camera down and walk towards her.

Are you mad at me?

[www.lhart.com](http://www.lhart.com)

Of course *not*. Just come closer for better photos. Could i have some copies later?

Sure...

A blonde woman with extremely muscular arms and torso is depicted in a pink two-piece outfit. She is holding a man's head between her thighs. The man is wearing a blue shirt and a red beanie. The woman has a confident, smiling expression.

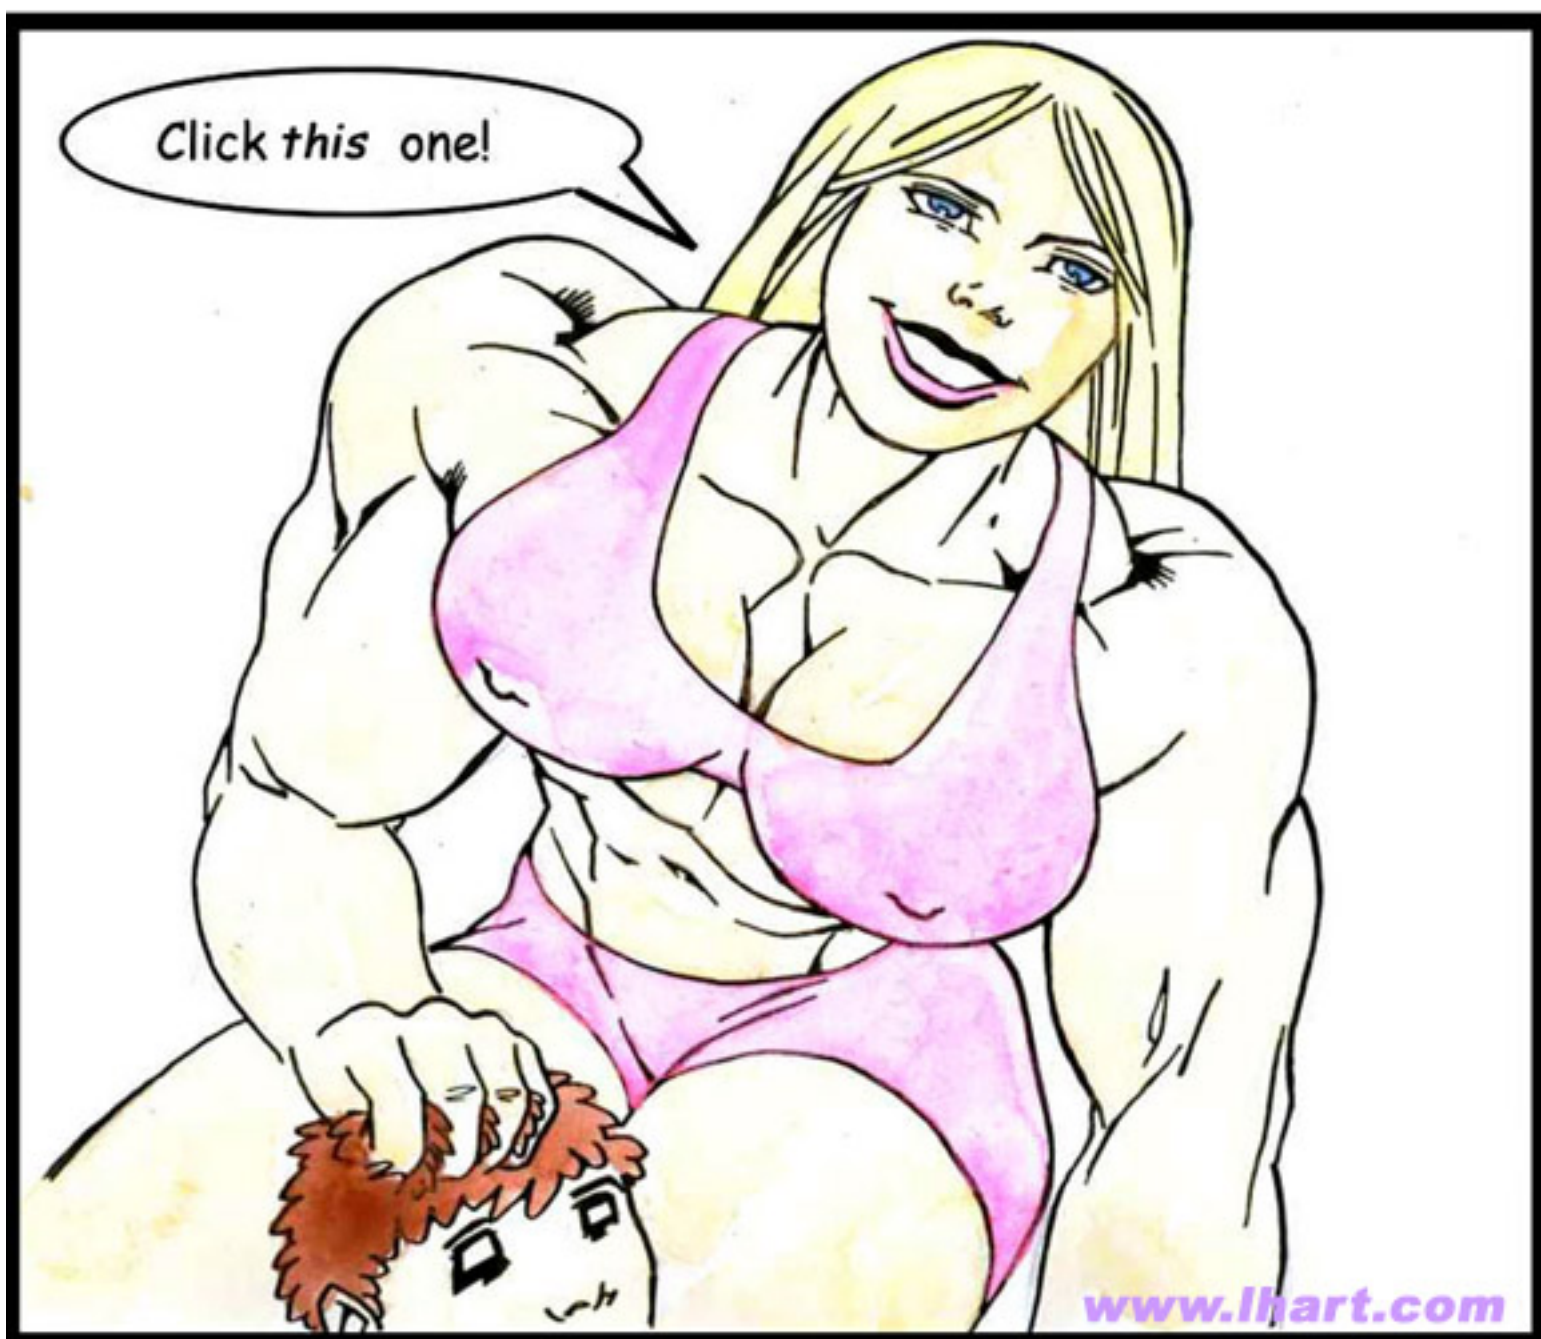

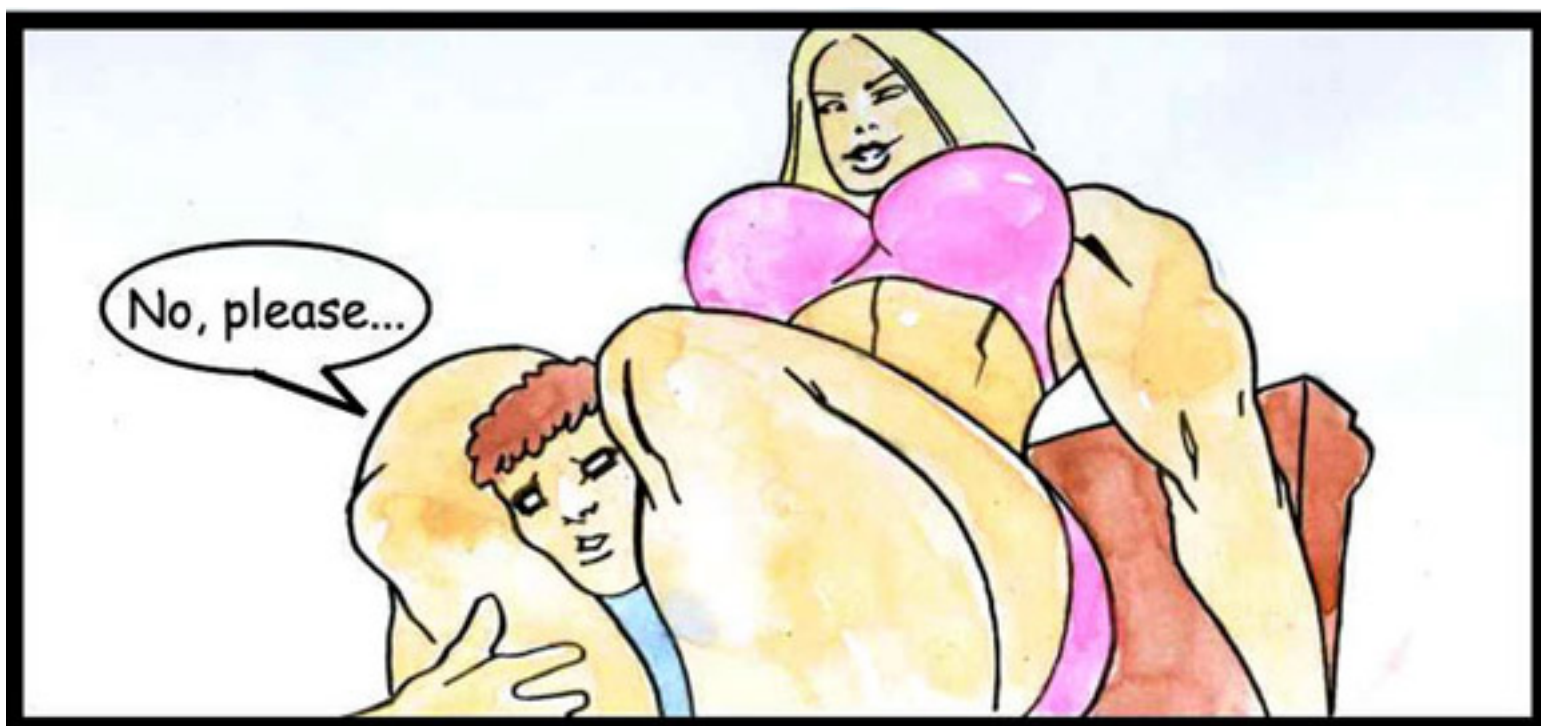

My heart was racing from  
what she was doing to the  
*helpless guy between her thighs...*

And from the fact  
that she didn't  
mind me watching  
her through my  
camera lens.

*Actually he had only fallen to the ground after being released from her awesome legs, but I guess she was just haming it up for the camera or something ...*

Oh yeah...

*She was getting truly sadistic with this suffering guy. Such a CRUSHING!*

I saw that she had noted my erection by now, but i didn't care. I was too excited to hide it.

She gave him one last squeeze with full pressure that must have lasted for almost a minute.

[www.lhart.com](http://www.lhart.com)

The guy passed out between her thighs and she release him.

I guess you liked what  
you saw and i kind of liked  
you watching me. Judging from  
that bump in your pants, i  
guess you won't mind playing  
the scissor game  
with me.

Come on here... Make yourself at home...

Her legs closed in about my head. They seemed gigantic this close up. So smooth, yet so hard with all their muscles...

God...

Want me to squeeze a little harder?

Ungh...Yes...

My erect penis was liberated and i felt that an orgasm wasn't far away. Sophie then kicked off her shoes and placed the soles of her naked feet around my penis.

She started caressing it with her feet and i grunted with pleasure. She kept squeezing my penis with her feet and my neck with her thighs simultaneously. A mix of pleasure and pain...

She loosened her grip to turn me around inside her scissoring legs.

She moved her shorts aside and i looked right into her sex.

She relaxed her scissor again and adjusted my head so that my mouth was in perfect position to give her maximum pleasure.

[www.lhart.com](http://www.lhart.com)

Her immense pleasure made her cry out loud as she put more and more pressure in her squeezing legs the closer she came to her orgasm. She finally grabbed the back of my head and pushed my head towards her while squeezing me harder than I thought would be possible. I think we both saw stars at the same time. Sophie from her powerful orgasm and me from passing out.

When I came to she was gone and so was my camera. I got my camera back from her, but not the film that was in it. She said the photos were very nice. Maybe she'll let me look at them some time.

End.
