SKINSUIT NO JUTSU

I have to find a safe way to infiltrate the hidden leaf village

Their security is among the best

If I use transformation jutsu to Impersonate someone I will likely get found out

Those are footsteps! Someone is nearby

Another solo escort mission completed

I wonder if Naruto is back from his mission as well

Darn
it's a leaf shinobi...
If she notices me
I have no hope
of getting into
the leaf village

WAIT!
If I use "THAT"
Jutsu she could
be my ticket
into the
village

I can't wait to see Naruto again

If only I had the courage to tell him how I really feel

PLEASE HELP ME SOMEONE

Huh? A scream for help

Hold on!
I'm on
the way

Arghh...
My ankle is killing me

Uhh...
Are you
the one
that called
for help
Miss

Yeah
that was me
I twisted my
ankle and
can't walk

Could you lent me a helping hand kind looking shinobi

Okay
let me help
you up from
the ground
first

ARGH!

What the hell was that shock I just felt?

Are you okay Miss? Did you also feel that shock?

Huh!
I can't feel
my own legs
anymore!

Ughh...
why can't
I feel
my legs?

Did my legs go numb for some reason?

Wait!
Could this
have something
to do with
the weird shock
I felt
earlier?

MY LEGS!
THEY'RE
DEFLATED!?

Please
Miss you have
to help me!
Something is
wrong with
my body

My village is nearby... Please hurry and call for help!

I'll go
to your village!
But first I'll
need your
body

Transformation jutsu?
You need my body?
Don't tell me you're trying to infiltrate the leaf

Thats right girlie thanks to the forbidden Skinsuit Jutsu passed down in my clan

I will turn you into a wearble costume then impersonate you and infiltrate the hidden leaf

AHHHHHHH!

No...
You... can't...
Plea...Se...
Dont.....

Don't worry girlie I promise to put your body to good use

A few moments later

This will be my first time wearing a female body

My lower half is already taking her shape

My lower half is already feeling different and more femine

Now I just need to wear the rest

My whole body is inside her skin now

I just need to make sure everything is perfect

Ahhh!
Only the
face needs
a few adjustments
then it should
be perfect

Mhmm...
I think this
should do
the trick

Phew! Everything should be perfect now

Lets take a good look at my new female body

Oh my!
This kind of
view is very
different
to that of
a man

I can barely see passed her two huge breasts

This body will take a little bit of time to get used to

Her...
Aherm...
My breasts
feel heavy yet
soo soft

My whole body tingles when I touch the nipples

Mhmm...
All of these
new sensations
are so
intoxicating

Lets calm down a bit before I spend the entire day fondling my new body

I need to focus on my objective and not get distracted

I can play around with my new body as much as I want later

I can't excatly walk into the hidden leaf naked

First
are the
panties

They fit nice and snug over my new ass

Next
is the bra
so my new
breasts
don't bounce
around all
the time

Perfect!
That is
the underwear
taken
care of

I can't believe I managed to get my hands on such a nice body

Oh yeah! Can't forget my new headband since I'm now a leaf shinobi

Time to get the main outfit on

Just
the jacket
left and then
I'm ready

Perfect!
Now I can
infiltrate
the leaf with
no issues

Lets see....
According to
this girl's memories
her name is
Hinata Hyuga
a member of the
famed
Hyuga clan

Wow
I really did
hit the jackpot
with this
body

Moments later in the hidden leaf village

Finally I've managed to find and infiltrate the hidden leaf village

Now that I'm inside I can finally put my plan into action

Huh!
Is that
you Hinata

Oh...
Hi there
Sakura

Crap!
Did she figure
out that I'm not
actually Hinata!?
That can't be
the case

Loosen
up a bit
Hinata
you're always
so tense

Sorry Sakura... You're right I need to be less tense and shy

Exactly!
Now if you'll
excuse me
I need to
take care
of some
stuff

See you
around
Hinata

Of course! Take care Sakura and see you later

Thank god I have all of Hinata's memories or that could have been bad

Now I can focus on getting my revenge on "THAT" woman

Just you wait! I'll make you pay

To Be Continued?
