Skinsuit Of The Elite
Part 3

BY TSF AI

So Horikita... You actually managed to get some key information out of Ayanokoji?

Lets not waste anymore of our time... Tell me everything you learned about Ayanokoji and his past and I will keep my promise

I can only make educated guesses on why exactly she wants info on my past but lets play this safe for now

Lets give her a few crumbs and see how she reacts

All I managed to get out of him was the words "White Room"

''White Room'' You say... Hmm... That doesn't give me much to work with

How did he react when he told you about this?

Reserved and emotionless as always... Though he did say that he has no intention of going back to that "White Room"

I
don't know
what I expected
to be honest...
But this will
do for now

I'll
keep you
updated
if I find anything
new that
relates to
his past

So she didn't seem too intrigued about the info I just gave her

Could she have already known about the White Room?

I can't let her do whatever she wants anymore... She might get in my way

This voice...
Horikita-san! Wait for me!

What were you and Chabashira-Sensei talking about just now?

How did I not notice her following me down this hall?

Hello Kushida-san... We were discussing some curriculums

Ohh...
Is that so
because I could
have sworn
I heard you
talking about
Ayanokoji

Instead of getting rid of this obstacle I could use her to get rid of a bigger obstacle instead

I see... So you heard all of it

If you
agree to lending
me your assitance
I will show you
the truth about
what is going
on

I can use this opportunity to gather more information on her and others

The truth?

Follow me and you will see what I am talking about soon

Okay
I'll follow
you

A few moments later in Ayanokoji's room

Why are we in Ayanokoji's room?

Let me get these off and I'll show you why

Wait!
Why are you taking your clothes off?

Horikita is actually stripping in front of me

This might come as a huge shock so make sure to keep yourself calm

Thats easier said than done with what is happening in front of me

As you can see I'm not the real Horikita

Ayanokoji?
But... How...
What...

It's a hyper realistic synthetic skinsuit modelled after the real Horikita

Wearing one of these will turn you into a perfect clone of the person the suit is modelled after

I see...
But why show me that you have these things?

Because
I need
someone
to keep Chabashira-
Sensei occupied
while I handle
the real
Horikita

I see...
But what exactly is in this for me...
After all I have no reason to help you at all

I will give you 2 of the suits I currently have

I know this would help you with your own agenda quite a bit

You
got yourself
a deal
my dear
Ayanokoji

I really have to be naked to wear the suits?

In that case try to not get too excited about seeing my naked body

I know you can't help but want to grope these huge tits of mine you big pervert

With her distracting the teacher I should be able to move more freely and unsuspected using the suits

There is a super cute girl undressing in front of him and he couldn't care less

I hate
how he is always
so calm and
emotionless
nothing can make
this weirdo flinch
or even feel
flustered

Not that it really matters to me that much after all if I can get my hands on these suits it will be worth it

Give me that suits now so I can get dressed again

Woah!
My legs
already feel
different

I need to make sure the face is perfect

Mhm...
I think
I did it
right

Time
to see the
result

It really does work! But I'm sad that my chest is smaller now

Now
it's my turn
to get changed
into this
suit

This whole scenario feels like something out of a spy movie

Adjust the skin around the face... Align the features

No wrinkles... No creases in the skin... It has to be perfectly placed

I'm done changing could you hurry up a bit

Now the face should be aligned perfectly

Be patient Kushida

I need
to make sure
everything
is perfect

As long as you wear that suit... Everyone will think your the real Chabashira anyway

You are underestimating the intelligence and observational skills of some of the students

The disguises have to be flawless

One
tiny detail
missing
could un-do
everything

Aren't you just being too cautious?

It's better to remove any and all risk factors

If you say so "Sensei"

Just
make sure to
stay in the role
of Honami
Ichinose
and you should
be fine

Thinking about it... You and Sensei have very similar personality traits

I agree which is why it will be easy work for me to blend in as her

This is very exciting! I can hardly wait to walk around as Honami Ichinose

Having said that I think I should get going and look for the real Chabashira-Sensei

I promise
to keep the real
Chabashira-
Sensei distracted
for you

Make sure to not get yourself exposed as a fake version of Honami Ichinose

I'll do my very best to please you my dear "Sensei"

BY TSF AI

It's time for me to confront Horikita

To Be Continued?
