In a parallel world not too different from ours, but some years ahead in the future...

Slave Loan 04

In a world where big loan companies get their money's worth when somebody can't pay them back by turning them into temporary slaves and selling them, Scarlett has fucked up... Thankfully her best friend Kessy has a heart... And enough money to buy her, but one thing leads to another... and simply living together seems to turn into love... But how will Scarlett react once her contract runs out?

Featuring

Scarlett...

A woman who could not pay back a loan

Kessy...

Scarlett's best friend

EVOLVUM...

The company that lent Scarlett Money and handles the slave contract

Last time on Slave Loan, we followed Kessy to her workspace...

Yo, KessKess...
Heard you are
single now...

Where her boss asked her for
a date to the office party...

No sorry...
I already have a
new girlfriend...

Kessy makes up a lie
on the fly...

And she has to invite her friend/slave to the party...

One thing...

KISS

Leads to another...

And we continue from here as our two freshly baked sapphic love birds return home...

You still up for... this?

giggle

Course I
am...

Love.

carass

As soon as the two former friends, now lovers, enter the bedroom, Scarlett pulls Kessy close, and searching hands soon explore each other's bodies...

Now, let's get you out of your dress.

carass

We should have done this much sooner.

Abso-fucking-lutely!

Scarlett pushes her new lover and surprised, she falls into the soft sheets.

Now, let's get
this party
started.

Quickly, Scarlett takes her own undergarments off before bending over and removing her lover's panties.

You look so good lying in bed like that.

Let me
make you
feel good,
love.

With one smooth motion, Scarlett climbs into the bed, the mattress dipping slightly beneath her weight as she positions herself on all fours above her best friend.

giggle

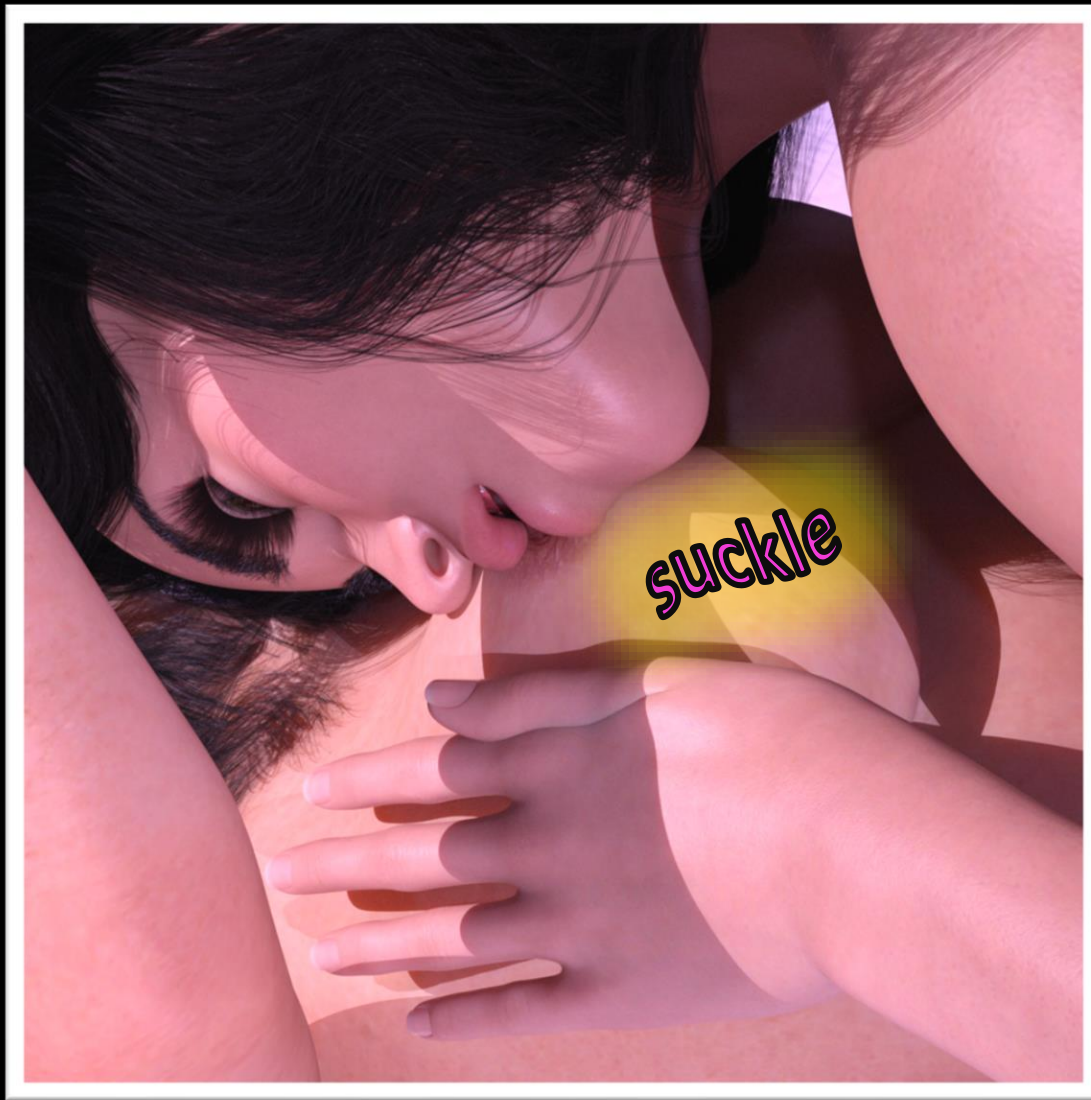

Their eyes meet – a loving gaze full of passion.

And once again, they embrace in a passionate kiss...

kiss

Before Scarlett slowly moves down south her lover's body...

And from that night on, the two women's dynamic at the apartment changed a lot.

Now you are glad we did not throw it away, right?

giggle
Kiss me!

The French maid costume has become a major part of their daily routine.

While Kessy would work and bring home the money to support the apartment...

With love, she prepares dinner every day to welcome her lover home after a long day at work.

Scarlett was in charge of the household duties...

A woman with long dark hair and glasses, wearing a black blazer over a white collared shirt, sits at a round glass dining table. She is looking towards the other woman. On the table in front of her is a white plate with a yellow dessert and a black pizza box containing a pizza topped with cheese, herbs, and a slice of lime. The background shows a dining room with a white shelf holding several glasses and a gold candle holder.

Delicious as
always, babe!

A woman with long dark hair, wearing a black and white maid-style outfit with a white lace headband, black gloves, and a black choker, sits at the same round glass dining table. She is looking towards the first woman. On the table in front of her is a white plate with a yellow dessert and a black pizza box containing a pizza topped with cheese, herbs, and a slice of lime. The background shows a dining room with a white shelf holding several glasses and a gold candle holder.

Glad you like
it, Love!

Then afterwards, she would dutifully attend to the dishes.

While Kessy would relax after a hard day at work by watching TV.

Dishes are done, Love

Great timing. My favorite show is on.

Come, join me.

Watching TV together is Kessy's favorite pastime...

giggle
This show is just brilliant.

And when Scarlett gets bored with the show Kessy decides on...

Moan

She finds something more interesting to do...

OH, fuck yeah!

And so, days go by...

Days become weeks...

Thanks for the lovely evening, babe.

Anytime, Love.

And weeks turn into months...

And Kessy was enjoying every minute of it.

Oh... Hey
there, babe!

I love waking
up to this!

On weekends, Scarlett would often use her mouth to wake her lover just like this...

But today... is a very special morning...
for it has been exactly one year since
Scarlett joined Kessy at the apartment...

A woman with long dark hair is standing in a shower stall, looking surprised or shocked with her mouth open and hands near her face. She is unclothed. The scene is lit with warm, yellowish light, casting shadows on the wall behind her. A speech bubble is positioned to her right, containing the text "I never want to see you again!".

**I never want

again!**

Weirdo!

Unbelievable!

Don't leave me, Scarlett!

No... Please!
