## HE'LL DO WHATEVER IT TAKES.

Things had been rough for Billy since he lost his last job. Being constantly late and slacking off finally caught up with him, and his former boss let him go. He could not find a job ever since, and the young man was on his wit's end because the problems kept piling up.

Billy's girlfriend, Michelle, was considering leaving him. She outright told him that it was because of his laziness and lack of ambition, both proven by the fact that it had been six months since he last had a job. He was behind on rent, too, and he was about to lose his apartment. His landlord was an understanding man, but he was done helping Billy because he wasn't putting any effort towards bettering his situation.

Aware of how things were spiralling out of control, he finally got off his ass and started seriously looking for a job. He sent countless resumes, but he never got called back, and he was getting desperate when he came across a particular ad. It was a personal assistant position to be filled by a responsible, punctual, and remarkable young man. They didn't ask for many qualifications, which Billy was thankful for, but they emphasised that they wanted someone reliable and willing to go the extra mile.

"I'll go the extra mile," Billy assured to the empty room illuminated only by his computer screen. "How hard could it be?"

Billy thought it would be a regular and easy job, but he was far from the truth. Working for Ms. Jenna Mae would prove to be a monumental task that not any guy would be able to endure.

The young man was thrilled when he got an email saying that he had to come in for an interview. He shaved, took a shower, and wore some freshly ironed clothes to cause a good first impression. He nailed the interview with a “fake it until you make it” attitude, embellishing his experience a little, but nothing major. Notes were taken, and hands were shaken, and Billy got the job.

He went back home to celebrate with his girlfriend, and his landlord was relieved to learn that he had gotten a job. A personal assistant. How hard could it be?

He showed up early the next day in Ms. Jenna Mae’s office. Billy was a skinny and somewhat short young man, which contrasted with Jenna’s appearance. She was a tall, blonde woman who was considerably large and curvaceous. She was stylish, and her outfits complimented her voluptuous body. Her curves and size impressed Billy when he first met her.

The address was the right one, but Billy double-checked anyway. He went into the building and knocked on his new employer’s door.

“Come in,” said the large woman from her office.

“Hi. I’m Billy.”

“Yes, I’ve been expecting you. Sit down.”

Billy sat down in front of her luxurious desk. It was a big, wooden desk with golden ornaments—a testament to Jenna’s style and aesthetic.

“You look young,” said the woman.

“Thank you,” but he didn’t know if she meant it as a compliment or not. “I can assure you that I’ll do a good job, and you’ll be happy with me.”

“We’ll see about that. The hiring agency doesn’t always get it right.”

“I’m sorry to hear that, Jenna, but-”

“It’s Ms. Mae.” She said sternly.

Billy knew he fucked up by her tone. He shuffled in his seat and corrected himself.

“Right. Ms. Mae. I’ll do my best to keep you happy.”

“Okay. This is what you’ll have to do on your first day.”

She seemed pleased with his eagerness as her voice and face softened. The large woman explained how he’d have to take calls, answer emails, and keep an excellent record of several things, filing everything in a large filing cabinet that she kept in her office. She still wanted to keep a physical copy of a few things, despite living in the digital age.

What looked like an easy job ended up being an exhaustive endeavour. Billy got to his apartment that night, completely defeated, and fell asleep on the couch while her girlfriend made dinner. She left the food there in case that he woke up in the middle of the night, which he did. He was thankful for her as he devoured the delicious food one bite at a time, sitting at the kitchen table in the dark.

He went to bed while making as little noise as possible to not wake his girlfriend up. He got a couple of hours of sleep on his bed before his alarm woke him up. He took a shower and headed to Ms. Mae’s office.

The second day was easier than the first, as he got used to his new obligations. He learned that the woman’s assistants didn’t last long, and that’s why she wasn’t convinced that he would last. He wanted to prove her wrong, mostly because he needed the job but also because of his pride; he

didn't like to be seen as someone unreliable or that dropped things and walked off.

There was a reason for her assistants walking off, and it wasn't related to the job. She had different expectations than everyone else regarding the job description.

Billy found out about them on that second day.

"Billy, come to my office," said Jenna.

"Right away, Ms. Mae."

He walked in and closed the door behind him. They were the only two people in the building, but she still liked having the door closed.

"What can I do for you?"

"Come here."

The young man approached her desk and stood there, expecting further instructions.

"I'm tense. Give me a massage."

He wasn't expecting such a thing, and they weren't on that level of familiarity, but he complied. Bill got behind her seat and put his hands on her shoulders. He massaged them, gently rubbing and squeezing the big and soft shoulders with his small hands. He was no expert, but he would give her girlfriend a massage from time to time.

"Mmm, that's good. Harder."

The intensity needed for the heavy woman wasn't the same one that he used for his thin girlfriend. He used more strength, kneading her shoulders as if he was making some bread. She seemed to like it.

"That's better. I barely felt you before."

"I'm sorry about that."

"All right. That's enough."

Billy headed for the door, but Jenna wasn't done with him.

“That's enough with the shoulder massage; that doesn't mean that you're done here.”

He winced, knowing that he fucked up again. He wanted to keep her happy because the job was very important to him.

“My bad. What else can I do for you?”

The big woman crossed her legs and dropped one shoe on the floor. He looked at the young man, then at her foot, and then back at him.

“You can continue your massage but with those instead of my shoulders,” she said pointing at her feet.

The new task took Billy by surprise. He didn't think that it was very professional to request (or to give) a foot massage in the office. He wasn't entirely comfortable with it, but he figured that it couldn't be too bad and that maybe it was a sign that she liked him and that he would keep that job for a long time.

Billy went back to her and kneeled in front of her. He rubbed her large foot with his hands, gently using his fingertips to massage her soles and using his palms to rub her bridges and ankles. He put special care on her toes, going between them with his fingers as the woman rested her head on her chair and closed her eyes. “It must feel good,” he thought. He was right; Jenna Mae was pleased with her new assistant's skills.

“They're really nice, aren't they?” she asked.

Billy looked at her, puzzled.

“My feet,” she continued.

She wiggled her toes to bring the man's attention to them. It should have been obvious, judging by her tone. He nodded, and she smiled.

“They’re great, Ms. Mae.”

“Many men would kill to be in your position, you know? To be able to touch my feet and adore them.”

“I don’t doubt it.”

He massaged her for a few more minutes and admired them in silence, doing the best he could to make it pleasurable for her. That kept going until she held a hand in the air as a signal to stop.

“Thank you, Billy. That will be all for today.” She said, not even bothering to look at him as she spoke.

“See you later, Ms. Mae.”

The young man left the office and went back to his apartment. His hands smelled of her feet, and he kept thinking about what just happened on the way back.

It was evident for his girlfriend that something was weighing on his mind.

“Hey, is everything okay?”

“Yeah. Just a weird day at work, that’s all.”

“What happened?”

He wanted to talk about it, but he didn’t want her to know everything, so he told her a mild version of the events.

“My boss asked me to give her a massage. Is that weird?”

“Like a…”

“A shoulder massage.”

“I wouldn’t say that it’s weird. Maybe a little unusual, given that you’ve known each other only for a couple of days.”

“Yeah, I thought the same.”

“Did it make you uncomfortable?”

“No, it’s not that. I just didn’t know if it was weird or not.”

He knew that it wasn’t normal for an employer to ask their employee for a foot rub, though. He kept that part for himself so the girl wouldn’t get jealous or think badly of him. The scene replayed in his mind while they talked.

“It’s okay, baby. Let’s watch a movie, yeah?”

“Sounds good.”

The couple watched a movie until it was time to get dinner, but they were so comfortable and tired that they ordered pizza instead of making something.

The big, blonde woman had something more in store for Billy in the upcoming days. He thought that it was a one-time thing, but things were about to get wild.

It was during a break in a business meeting when Jenna Mae asked Billy for another foot massage later that week. He wasn’t sure if that was the right place for it. What if someone saw them?

“Ms. Mae, I don’t know.”

“You don’t know... what?”

“If we should do that here.”

“I’m not asking you, Billy. It’s an order.”

Billy swallowed his pride and nervousness and massaged and worshipped her feet for a second time. They were alone in the meeting room while the others took a break elsewhere, but he still felt observed. The thrill of the

public setting brought a smile on Jenna's face, who thoroughly enjoyed having her assistant's hands touching her feet, soles, and toes. She wasn't done, though.

"Good work, Billy. Use your mouth now."

He was surprised by her request.

"What do you mean?"

"Exactly what I said."

Billy hesitated, but he didn't want to anger his boss. He looked everywhere to confirm that they were alone in that room, even if he already knew that. He repeated the scene from Jenna's office, gently rubbing her feet and toes. She moaned with delight under the man's movements, and she gave her a familiar nod to let him know that she wanted him to use his mouth and tongue again. This time, her feet were a little sweaty from being out and about all day, carrying her large frame around. He still used his tongue, coating her feet in a thin saliva film as a consequence of cleaning them up by licking them.

Some footsteps alerted him that the other meeting attendants were coming back, and he quickly got back to his seat while his boss simply put her shoes on. She still had his saliva on her feet, but it would be their little secret.

Jenna Mae carried on with the meeting as if nothing happened. Billy was nervous and sweating, but Jenna's charisma and strength owned the room like always. She was the woman in charge, and everyone knew it. He slowly calmed down. There was no reason to panic anyway.

The meeting wrapped up, and everyone went on their way. Jenna squeezed the young man's shoulder and gave him a long look before parting ways. He looked as she exited the meeting room, large as she was. Billy grabbed his things and went on his way. Doing those kinds of things during a meeting break was something that he never knew he would be doing under Jenna's employment. He decided that he would keep that job no matter what, and he was doing just that.

The weekend came along, and he briefly forgot about his encounters with his boss. The tall woman appeared in his dreams sometimes, and he had to kiss and lick her large, chubby feet while she laughed and enjoyed herself. He kept it a secret from his girlfriend, as she wouldn't understand that it was something that he had to do.

Jenna Mae had more plans for Billy. He realised precisely how much Mae liked to be serviced the following week at the office. She just closed a business deal, and she was in the greatest of moods. She was horny and wanted to enjoy herself, and that's where Billy came in.

“Billy, get in here, please.”

He thought that she wanted another massage, and he was already in the mindset for it. He wasn't expecting the new instructions that he would receive that day.

“Yes, Ms. Mae?”

“Come here, Billy. Sit down.”

“Thank you.”

“Today is a big day, wouldn't you agree?”

“Yeah. You closed a big deal today.”

“I did, I did. Good days can become even better, though.”

She had a different tone today. Playful but bashful.

“You're right. Do you have anything in mind in particular?”

She smiled widely, a smile that he hadn't seen before on her.

“I do. Enjoy the show.”

Jenna stood up from her chair and strolled around her office, slowly removing her clothes. Billy was shocked, and the large woman dropped her

clothes around, revealing her massive breasts and folds. She wore a matching underwear set: cream-coloured bra and panties that barely contained her assets. Her enormous ass jiggled as she walked around, with her thick thighs bouncing around as well.

Billy found himself with his mouth wide open, in awe at her boss and the audacity of stripping down in her office with him in it. She took her underwear off, leaving it on her desk.

The young guy looked at her while she was completely nude. Her enormous breasts rested on her abdomen and down to her sides, with big areoles and hard nipples. She rubbed her fat pussy while he looked at her.

“Kneel.”

Only one word escaped her lips, but it was enough to get the man moving. He followed her command, quickly getting down on one knee in front of the tall woman. She grabbed his head by the hair and pulled his face closer, rubbing it against her wet pussy.

“Lick it,” was the next command.

Billy stared at her entrance, but he didn't want to turn her away. He wanted to please her, and he kissed her and used his tongue on her. The man's skill put a smile on her face, and she hummed and nodded in approval. His tongue explored her folds and insides like it was his first time eagerly pleasing a woman.

She was on edge, but she didn't want to cum just yet.

“Do my asshole.”

She turned around, giving him her gigantic ass to eat. He put his hands on her ass cheeks and squeezed them until his hands went numb. Her ass was soft and bigger than his girlfriend's, and even though he wasn't used to a big ass that size, he did a good job worshipping it and handling it. He spread the cheeks and pressed his lips against her asshole, using his tongue to penetrate her while the woman squirmed. His tongue got her feeling a certain way, so intensely that she needed to be rougher.

“Get on the floor, flat on your back.”

Billy distanced himself from her ass and took a deep breath. He did as instructed, and the massive woman lowered herself on his face until she was sitting on it. It was troublesome at first, and he gasped for air since he was suffocated by the weight and sheer size of the woman.

He put his tongue to work, eating her pussy like there was no tomorrow. Her hips moved on their own, grinding against the man’s face. She was on the brink of orgasm, which was brought to her quickly by the man grabbing her thighs and burying his fingers into them while using his tongue to pleasure her insides. Her tanned skin contrasted against his fair one while they mixed in a whirlwind of passion.

It was an immense wave of pleasure that hit Jenna Mae and almost knocked her out in a massive shaking fit. She squeezed her thighs together with the man under her and pinched her nipples as she came. The electrical jolt that started in her spine quickly covered her whole body, and nothing else mattered for a moment. She allowed herself to fall on the floor, next to the man, enjoying her ecstasy high and making it last for as long as she could.

Billy stayed there, motionless, except for his chest going up and down from his rapid breathing. He wiped a few pearly drops of sweat from his forehead with the back of his hand and turned his head to look at the woman who was riding his face a few moments before. Her tall and massive body kept shaking, and he smiled at the idea of giving her such a powerful orgasm that she couldn’t stop doing that.

He could still smell her. Her fragrance stuck to his skin, and for a moment, he worried that his girlfriend would notice it, but he just had to wash it well enough to prevent that. He enjoyed the smell for the time being and licked her lips, swallowing a bit of her juices that got on them.

His mind was racing. He just made his boss cum, and she was still recovering on the floor, next to him. That was the actual job description: to do anything that Jenna Mae wanted, be it file some papers or lick her pussy until she came.

The blonde lady finally got up from the floor and put her clothes back on. She sat on her chair as if nothing happened. Her face was stoic and severe like before.

“Thank you, Billy. That would be all.”

“Is there anything else that I can do for you before I go home, Ms. Mae?”

“No. But you did well today. Be punctual tomorrow.”

She let a small smile appear on her face before the man went on his way. He left her office, happy to fully know what his job entailed. It was challenging to have such a monumental woman sitting on his face, but he adapted quickly. It wouldn't bother him to the same degree the second time, and perhaps he could focus on her pleasure even more.

He wasn't worried about his girlfriend anymore. He did what he had to do, and he enjoyed it. Jenna Mae was massive, which meant that he had more to squeeze and touch. He walked home this time, thinking about everything that happened that day. Her smell and taste remained with him all the way back.

He couldn't wait to go back to work in the morning and be dominated by the big, beautiful woman he had for a boss.
