## TAKING THE LAW INTO THEIR OWN HANDS.

The police department in Fairville was one of the best in the country. What nobody knew was that Erika Clark, the chief of police, ran her department with an iron fist and a mischievous smile, filling the entire building with a level of depravity that nobody would expect from the police. If you asked any of the members of the all-female department, they would all say that they were delighted with their boss, and it was the truth.

It was a Friday in the afternoon when Troy got pulled over. He was driving erratically, and a few calls had alerted the local police force to deal with what was possibly a drunk driver or someone suffering from a medical emergency. Officer Pamela responded to the calls since she was the one closest to the driver. Pamela got on her cruiser and sped off after turning her lights on for people to get out of the way.

It didn't take the police officer long to find the offender as there wasn't much traffic that day. She flagged him down, and the driver complied, which made everything easier. Pamela got down from her cruiser after both cars came to a stop and slowly approached the vehicle, carefully observing the driver for any sudden movements. He was calm and collected and even

put both his hands on his steering wheel before the cop approached him. “Not a first-timer,” Pamela thought.

“Hello. Please lower your window.”

The man complied. Pamela got to see Troy’s face, and she wasn’t expecting to see such a handsome man behind the wheel. He had a beautiful facial structure, with a defined jaw, bushy eyebrows, and piercing blue eyes. It was evident that he had been drinking, judging by the look on his face.

“Are there any guns in the car?”

“No, ma’am.”

His slurred speech was the final nail in the coffin. Pamela was sure of it, but she still had to put him through a couple of tests. She instructed him to get out of the car, which he did without too much grace, stumbling around a little. The police officer admired Troy’s body; muscular but not overly bulky, tall, and impressive. She spent more than a few seconds staring at his forearms and thinking about all the things that she wanted to do to him.

Troy failed the sobriety test spectacularly, as Pamela expected. She checked the system, and he had been given warnings and detained before for driving under the influence. “Not a first timer indeed,” she said to herself. She put her handcuffs on him and put him in the backseat of the cruiser.

“I got one,” said Pamela over the radio for the whole department to hear. “It’s a code cobalt.”

She had to release the radio button before letting a giggle out. The law enforcement officer was visibly excited.

“Bring him home,” said a voice over the radio. It was Erika. The chief of police shared Pamela’s excitement over the report. Code cobalt was their favourites, and it was time to have some fun once she got back to the police department.

Troy was silent on the way back, and when the woman checked on him with the car's mirror, he was nodding off. "You'll be wide awake soon," she thought, licking her lips. He didn't look too drunk, and those usually sobered up quickly when the party started. It had been more than a week since the last time that they had a good-looking prisoner to abuse.

They arrived at the police department after a few minutes, and Pamela guided him inside. They got a few looks from other female officers, and they all exchanged a chuckle because of what was about to come. Pamela dropped him off in one of the cells. It wasn't the most comfortable accommodation, but he was in no position to make demands. He was still feeling dizzy from the alcohol that he consumed earlier that day.

Erika Clark made her way to Troy's cell. He wondered why he didn't get properly processed when he got there and instead just got thrown in a jail cell. His questions would be answered soon enough.

"Welcome to my kingdom," said Erika.

She strolled into the cell and stared at Troy, who was sitting on the floor.

"Uhm, hello."

"You should know by now that driving while under the influence is against the law. This isn't your first time, is it?"

"No, ma'am."

"You must know that a second time getting caught doing the same thing would get you in a world of trouble."

"I know. I'm sorry, okay? I promise I won't do it again."

Erika laughed at him. He looked confused at the type of treatment he was getting, and he was worried about the repercussions of his little stunt.

"Sober up; we'll talk again soon."

The police officer threw him a water bottle and went back to her office after locking the cell. Troy gulped down on the cool liquid like someone who just got out of the desert; he was getting nervous, and it always made him thirsty. He wished he could go back to the bar instead of having to deal with all this.

Another drink couldn't hurt at this point, right?

He finished his water bottle and fell asleep on the cell floor. He woke up a couple of hours later, feeling better and no longer drunk. One of the police officers found him awake during one of her rounds, smiled, and went back from where she came from to notify the chief.

Erika went back to Troy's cell and strolled around inside as she did before. He remained silent for a moment, trying to figure out what that smile was on the woman's face, but he finally broke the silence.

"Thank you for the water from before. May I go now?" he asked.

"Don't be ridiculous. Do you expect me to let you go after you broke the law like that? What kind of chief of police do you take me for?"

"I'll go straight home, and I promise that I won't drink again."

Erika looked at him in the eye and widened her smile. She was not letting her prey go.

"You don't want this arrest in your record, do you?"

"It would ruin me," Troy admitted.

"Come with me. Let's take a walk."

The man followed the chief of police through the building and up to her private office. The room had a wide desk with a computer and some files, and a couple of chairs for any visitors, but it was otherwise a big room with a lot of free space. A few pictures were on the walls and the desk, and Troy recognised some local politicians and other important people. Erika was well connected in that city.

“If we process you and put this on your record, things would get a little difficult for you, wouldn’t you agree?” she asked.

“Yes,” he replied, hesitant. “Please, help me out.”

The woman admired the man’s handsome face and body. She smiled again and showed him her pearly teeth.

“I’ll help you.”

The man sighed in relief; maybe she wasn’t so bad after all.

“Nothing is free,” she continued, smiling at him. “So, I’ll help you, *but* you’ll also do something in return.”

“What do I need to do.”

“Become my property. It’s as simple as that.”

Troy arched an eyebrow, but he saw on her face that she was serious.

“Let’s say I agree to that,” he said. “What would you expect of me?”

Erika sat down on her chair and turned back to Troy once again. She crossed her legs, leaving one of them hanging in the air.

“Take my shoe off, and we’ll take it from there.”

The man looked annoyed.

“I’m not here to be humiliated and let you make a fool of myself.”

Troy turned around and went for the door, but Erika’s voice stopped him in his tracks.

“If you disagree, we’ll be happy to book you, and your life will be ruined. I don’t care if you take that option but think about your future for a moment. Last chance.”

She was right. He would lose his car, do jail time, lose his job, and so on. It wasn’t something that he could take a gamble with, and he would be better off enduring whatever she had in mind instead of ruining everything else.

“Fine,” and that single word sealed his fate.

“Good boy. Now come and take my boots off.”

The man approached her hesitantly and dropped to one knee. He carefully took the boots and socks off, revealing her delicate and arched feet. They were dirty and sweaty after walking around in those all day, and a faint smell hit his nostrils as well.

“They’re a little dirty. Go ahead and clean them.”

“Do you have a towel or something I can use?”

“No. You’ll be using your tongue.”

Troy looked annoyed and disgusted, and Erika was having none of that. She coughed loudly, clearing her throat and then..

TU!

She spat forcefully on his face. The look of shock on his face was priceless; it took him by surprise.

“You can’t clean that off before you ask,” she said, as her saliva slid down the side of the man’s face. “Now, clean my feet before you sour my mood. Give me a massage as well.”

He nodded and left her spit there, on his face. He leaned in and got closer to her feet. He looked at them and admired the way she took care of them. Her nails were trimmed and healthy, her toes had a beautiful shape, and there was no callous on sight. He took his tongue out and trailed the edges of her feet first, covering her in a thin coat of saliva while he gathered all her sweat and dirt with his tongue, swallowing from time to time. He went from the edges to her soles, to her toes, complying with her orders and making sure to do a good job so she would be satisfied.

He took her toes into his mouth, once by one, massaging them with his lips and mouth to the woman's satisfaction. She let out a few quiet moans during the whole ordeal, which woke something inside of Troy. He took her feet into his hands when he was done sucking and licking them. He applied pressure in different spots, alternating the intensity and giving her one of the best massages she ever had. Her feet twitched under the man's motions.

Her delicate skin was a treat for him, even though he had to deal with the sweat and smell. Erika put her hand up to signal him to stop after she was satisfied. Troy thought that maybe he would be able to walk now, but she was just getting started.

She picked up her radio.

"Everyone, change to the cobalt frequency."

Erika adjusted the frequency on her radio and continued.

"I want all of you in my office as soon as possible. We got a good one here."

Everyone started coming into her office, one by one. The room was almost full after a couple of minutes with a dozen female law enforcement officers.

"Pamela, come here," said Erika to one of them. "You should be next; you deserve it since you were the one who brought him in."

Pamela stepped forward and looked at the sorry man kneeling on the floor after sucking on Erika's feet.

"Drop your pants, Pamela."

The officer did as instructed, revealing her white panties to everyone. She looked comfortable with it, and Troy realised that this wasn't the first time she exposed herself to her coworkers, and he probably wasn't the first man they abused and kept as a slave in that precinct.

"Eat her out, Troy. Lick her pussy and make it good. You stressed our poor Pamela out with your drunken shenanigans, so it would be the right thing to give her that in return."

Troy crawled towards the girl and pulled her panties down. They had a wet spot in the middle, and it made it evident that she was looking forward to it and that she knew what was going to happen when Erika called everyone to her office. The man used his tongue on her folds, exploring her and tasting her, using his lips to kiss her pussy and suck on it. His tongue entered her after a while of circling the edges without committing himself fully to it.

Pamela got vocal quickly enough. She held on to one of her coworkers when her legs started to fail her as the handsome man gave her oral with such prowess that the rest of the girls got wet just from seeing him in action. The woman came loudly and violently, and her juices ran down Troy's chin. He cleaned himself off with his shirt while Pamela pulled her panties up and fixed her clothes.

Erika and the rest of the girls saw the scene with smiles on their faces, and some of them rubbed their pussy through their clothes. It was too much to remain motionless, and Erika didn't mind; she liked that the girls enjoyed themselves with their slaves.

The police chief instructed two girls to take their shoes off as well, just like she had Troy doing it before everyone joined the show. She pointed at them, and the man complied without the need for further instructions. Their feet were even more sweaty and dirty and even swollen from a day of active duty. He did his best to please them, massaging their feet and using their mouth and tongue to clean them. He tickled one of them by accident and got a loud slap on the face for it since she didn't like being tickled.

Troy continued his work after being reminded what a useless sack of shit he is for messing it up and making her enjoy it less. He bit his tongue and continued working because he didn't want to fall off their good graces. It was the most humiliating thing he had ever experienced, but he was too deep to turn back now. He closed his eyes and thought about how they

would ruin his future if they felt like it; he was trapped with them, and they could do whatever they wanted with him.

Erika noticed that Troy had an erection, and it had been there for a few minutes. It was time for another act, and she didn't feel like being the protagonist.

"Sara," Erika said, looking at another officer. "It's your lucky day." "Troy, get on your back on the floor."

The man did as ordered.

"Take off your pants."

He did it, and his erection became evident to everyone in the room. His massive cock was standing high, thanks to all the things Erika had made him do, and he was ready to burst. It didn't make him particularly proud that he was so turned on, but he couldn't do anything about it. His cock twitched on its own while Sara walked up to him and sat down on him, straddling him.

She took his entire cock in one swift motion accompanied by a deep moan. She was tight and gripping his cock with her pussy in such a way that he almost came immediately. Sara jumped up and down, punishing his cock using her whole body weight and twisting herself to get him to hit a different spot inside of her. She rocked her hips back and forward whenever she found a spot that she liked, and she was happy with the man under her and how he was holding himself off from ejaculating.

Once the fucking went on for long enough, Erika stepped in once again.

"Troy, it must be painful for you to keep it all inside, and I don't intend to torture you that much. You may cum now."

The man grabbed Sara's thighs as she kept moving on top of him, and he felt how a wave of pleasure built up inside of him and exploded to fill every limb of his. Abused or not, he loved the feeling, and Sara's pussy was one of the best he ever had. He squeezed her thighs as he emptied himself inside of her. His cock shot string after string of thick, white cum that flooded her

insides and spilled out with her erratic movements. Her eyes turned back, and her own orgasm hit her like a truck, leaving her almost limp and unresponsive, shaking with pleasure.

The other girls helped Sara, and they got her up from Troy, who remained on his back with a cock that got softer every second after being spent. He wasn't used to being observed by so many women like that, but he didn't want to do anything that Erika could take the wrong way. He awaited instructions, which she noticed and appreciated. It wasn't easy to come across such obedient and educated slaves.

Erika dismissed everyone else except for Troy and promised the girls that their turn would come, but not that day. She got up and walked up to him.

“You can sit.”

She leaned in and swirled her index finger on the top of his cock, making him wince in pain and pleasure since he was still very sensitive.

She took her finger covered in the remnants of his cum and put it in her mouth, licking it clean and finally tasting Troy's seed. He tasted good. Troy kept a furrowed brow because his cock had been punished a lot by Sara, and he could barely take Erika's rough handling in that state.

“I'll let you go for now, but keep in mind that I'll call you here whenever I feel like it or whenever one of my girls feels like it. Is that clear?”

“Yes, it's clear.”

“Good.”

“Am I the first man that you do this with?”

“You're not the first, and you won't be the last,” said Erika. “But now that you belong to me... to us, you need to come back whenever we desire.”

“I understand. I'll be going now.”

“See you soon, love. Sooner than you expect.”

Erika continued before he left the room.

“It should be obvious, but let me remind you that you’re not allowed to tell anyone about our arrangement or about what went on here.”

“I wouldn’t do that.”

“I believe you, but some have tried in the past, and let me tell you, it doesn’t end well for whoever dares. I’m well-connected, and I can do whatever I want.”

“I promise I’ll behave.”

“That’s what I like to hear,” she said. “Go on your way now.”

He wondered how many men they had controlled like this by bending the law and using them for their carnal pleasure instead of booking them and processing them. He was still in shock from everything that happened that day, but the outcome wasn’t so bad as he got to keep his freedom and life.

Troy left her office and the building. Despite being abused and humiliated, he was satisfied since Erika allowed him to cum inside of Sara. He retrieved his car and drove off. He knew that he would be called back there, but he didn’t know when it would be. He had to be ready if he wanted to keep his freedom and his life from falling apart. Only time would tell what Erika would want from him next, but he enjoyed the air hitting his face while driving home.

He parked in the driveway and got into his house. A beer from the fridge would make everything better as it always did. He relaxed for the rest of the day and went to bed early. His knees were bruised from the crawling in Erika’s office, but it was time to rest now. He had earned a good night’s sleep.
