**In a parallel world not too different from ours but some
years ahead in the future...**

Slave Loan

In a world where big loan companies get their money's worth when somebody can't pay them back by turning them into temporary slaves and selling them, Scarlett has fucked up... Thankfully her best friend Kessy has a heart... And enough money to buy her!

Featuring

Scarlett...

A woman who could not pay back a loan

Kessy...

Scarlett's best friend

Suki...

Kessy's girlfriend

ETTE SURPRISE
MYSTERY BOX

Yup...

This really
happening?

I can't believe your friend got a loan from EVOIVUM!

I know... she really fucked up...

SUNBERRY

I got her call only a few days ago...
I was just fixing my makeup in the
bathroom when my phone rang...

Scarlett!
Good to hear
from you, girl!
How are you?

Hey, Kessy...
I'm... just calling
cause I... I...

I won't be
reachable in
the coming
year or so...

Scarlett!
What did
you do!?

MYSTERY BOX SURPRISE

Turned into a slave for a whole year cause of some debt?

Well... it was a lot of debt...

Still, it's
crazy!

You tell
me!

If she had just
come to me
sooner I could
have paid it
off...

Would have been
way cheaper than
buying her too...

I still can't wrap my head around you buying your best friend!

1

Neither can I...
It's a crazy world.

2

But I won't leave her at the mercy of some perv! She's safest with me for that year...

Ding

Dong

An unusual couple stands in front of
Kassandra's flat. The guy seems to be quite
old with a hunched back. He's wearing a
tux and a hat. The woman on the other
side is standing tall with beautiful black
hair. She's completely covered up by a long
coat...

...

2 Indeed
ma'am.

1 You must be
from **EVOIVUM**?

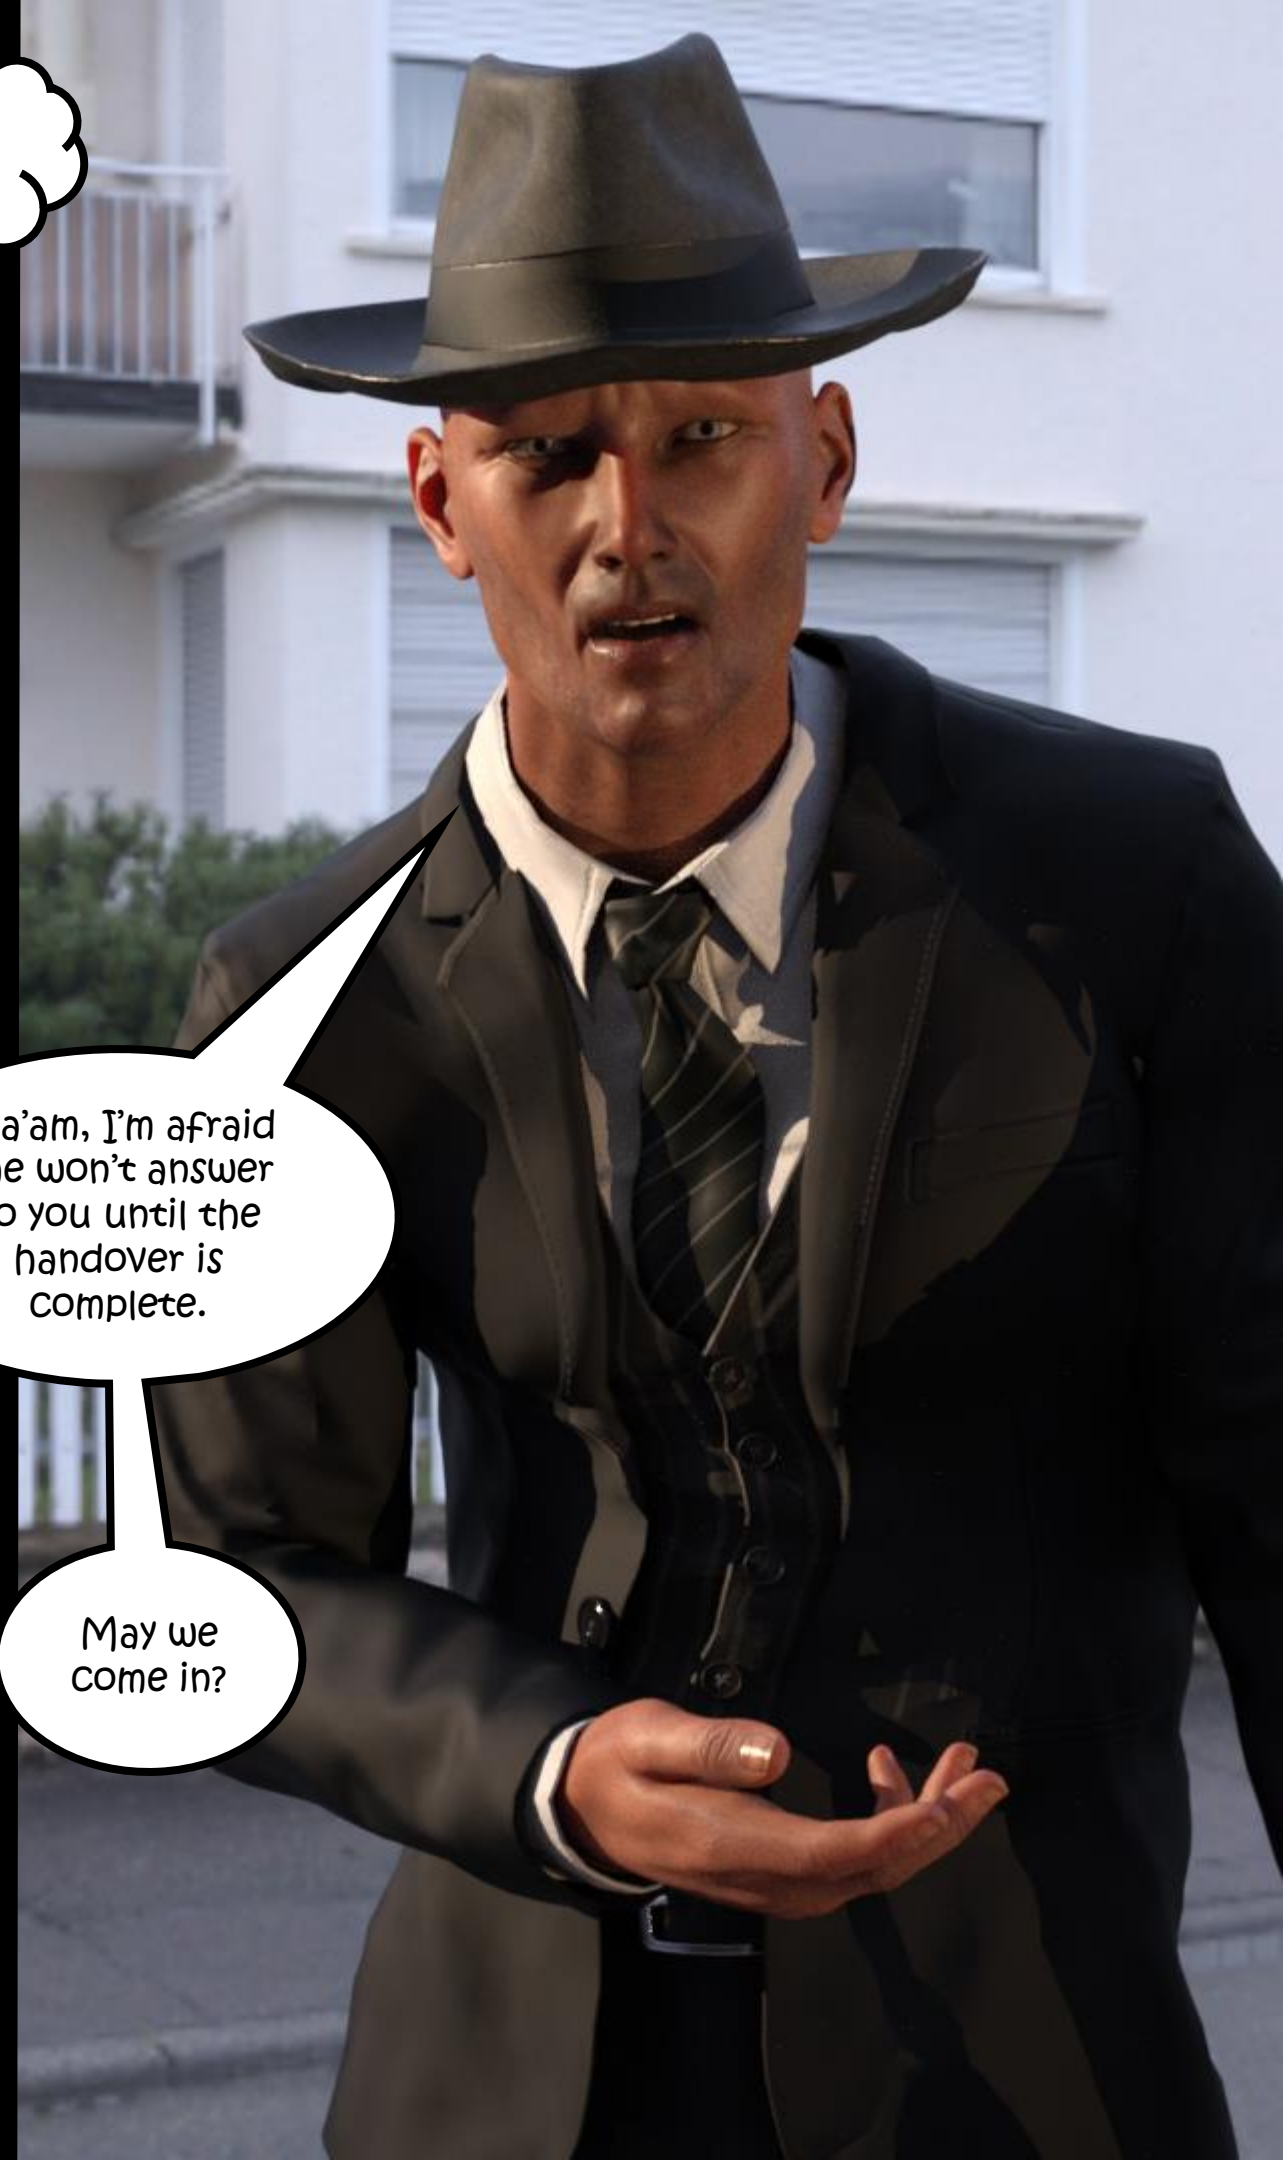

Scarlett!
Are you okay?
Say something!

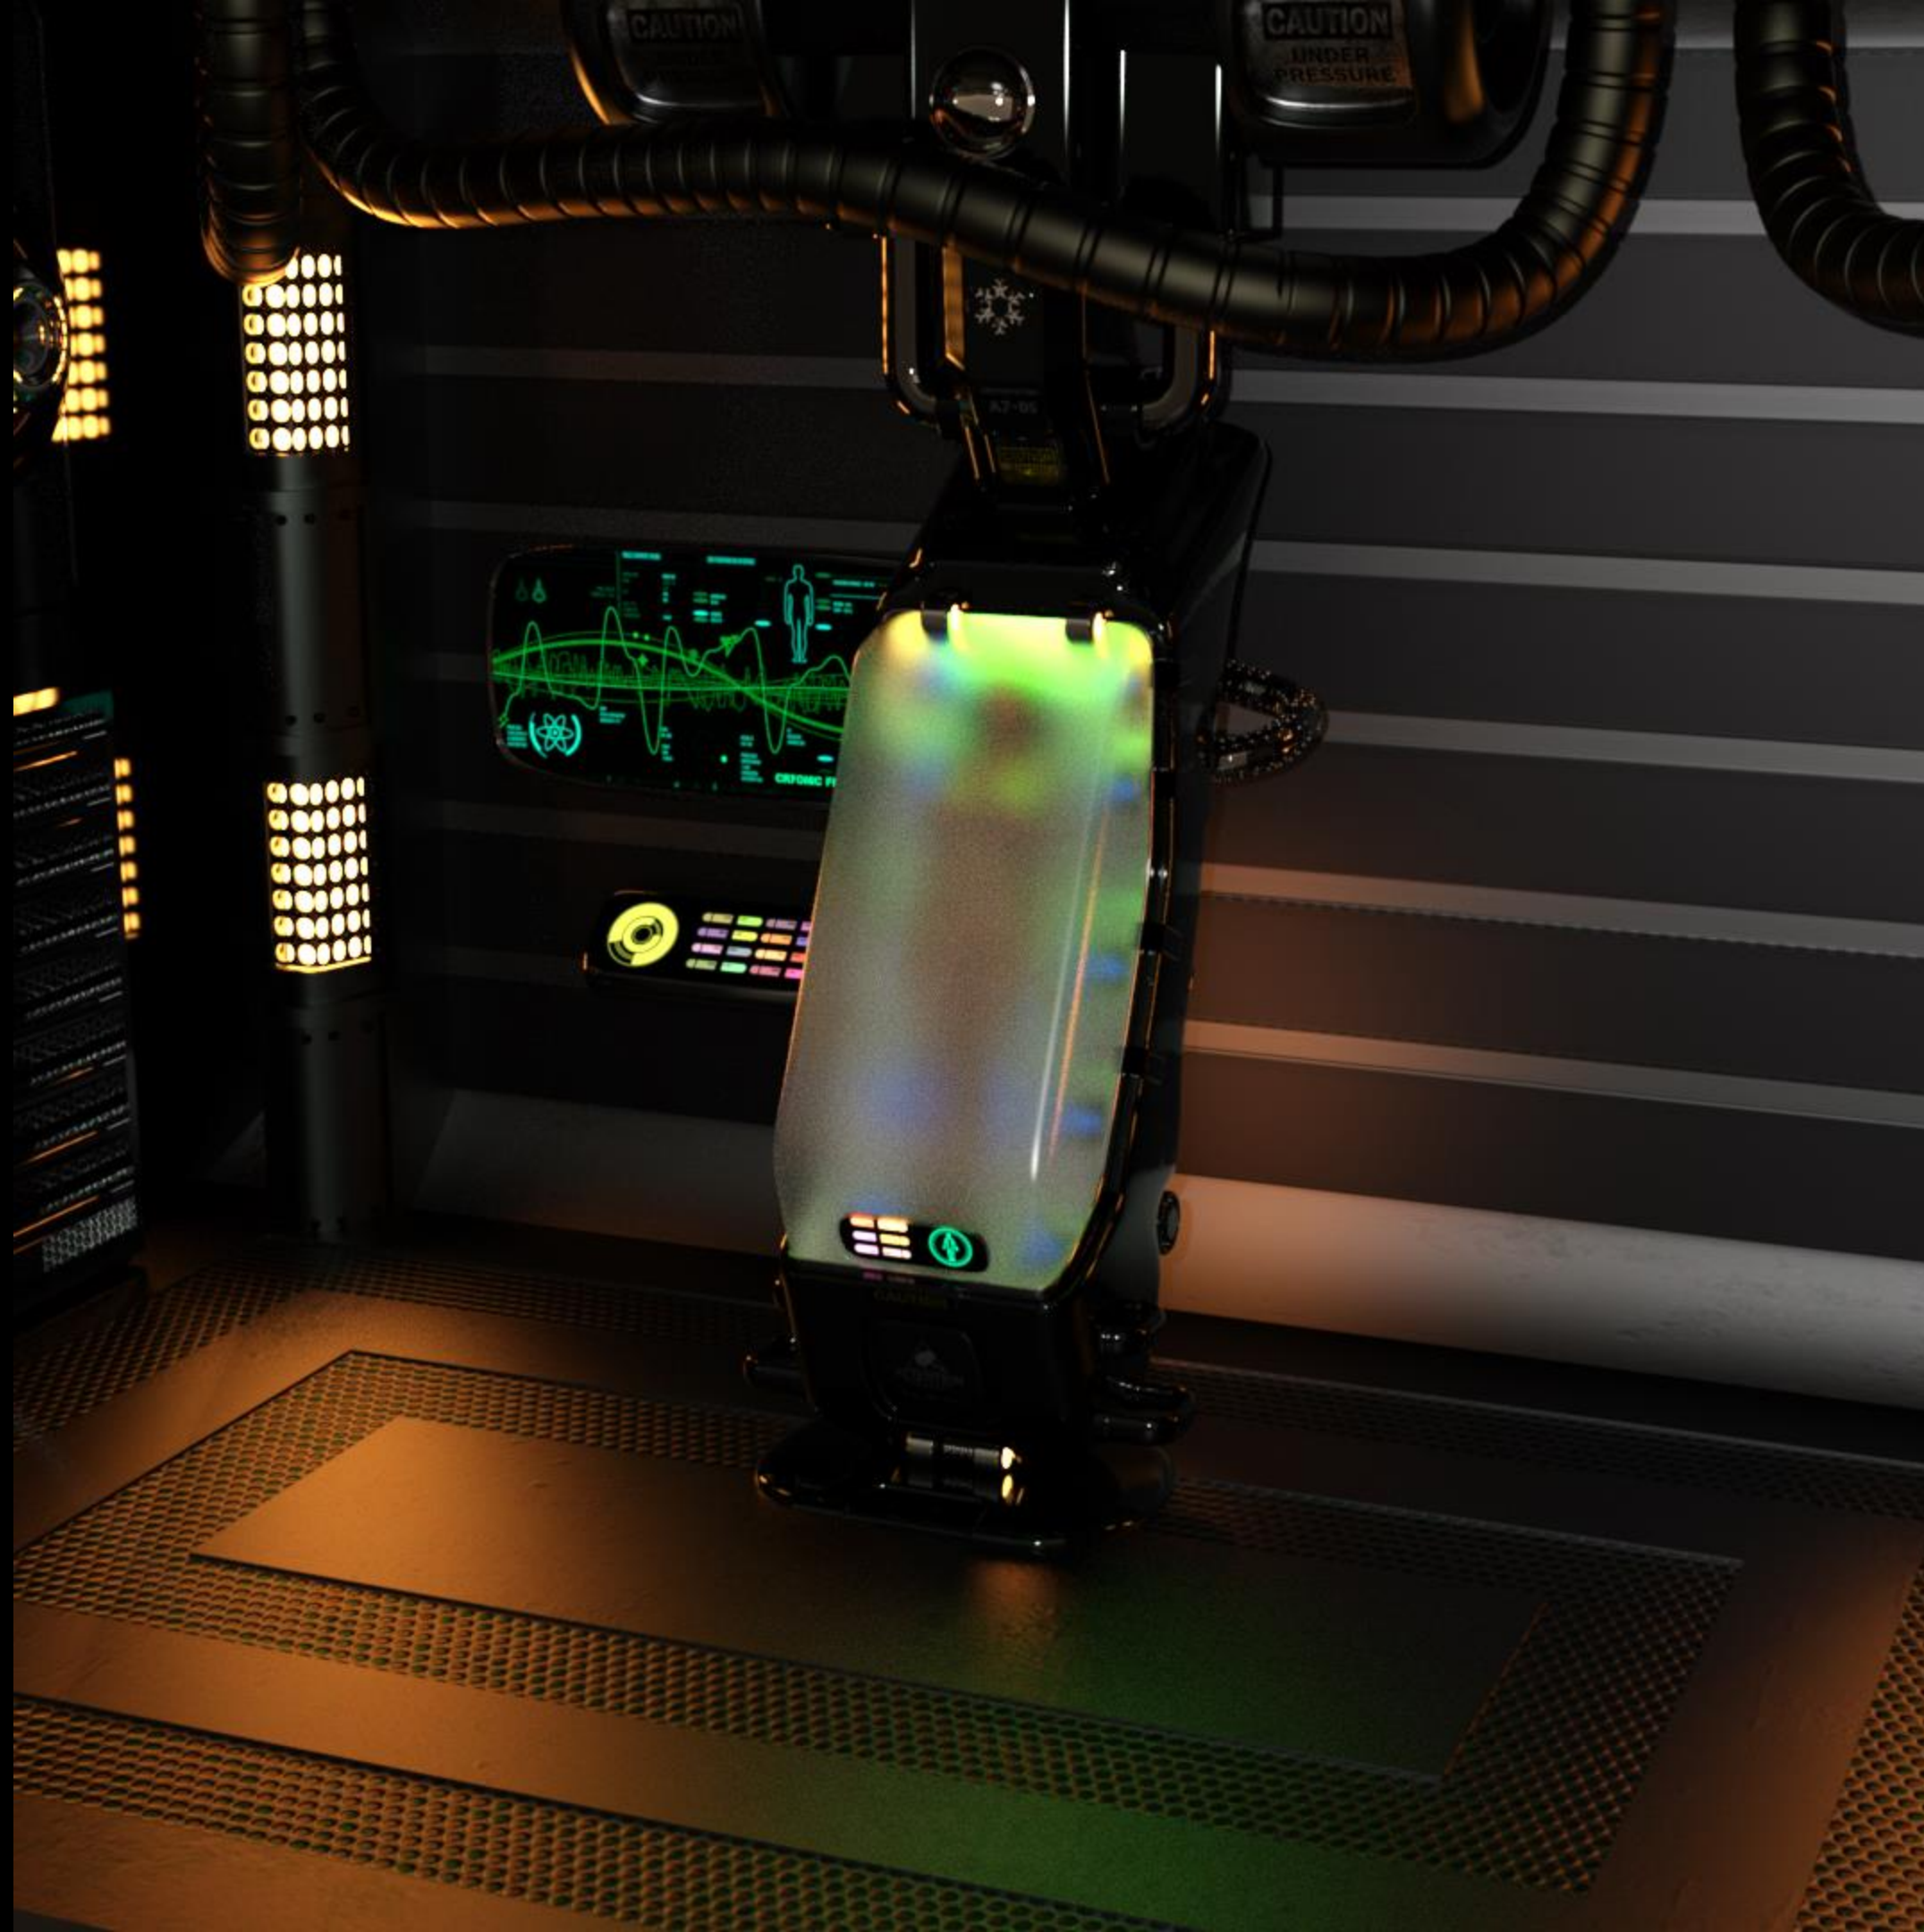

...

Ma'am, I'm afraid
she won't answer
to you until the
handover is
complete.

May we
come in?

Over the past decades, a new kind of loan business has established itself in the world... **Slave Loans.**

Instead of houses or cars as collateral... The collateral... is you!

If you can't pay back with interest within the specified time you are reprogrammed and rented out for a certain time (corresponding to the amount of your loan) as a slave to some rich people willing to pay...

Interest in personal, 100% obedient, slaves has skyrocketed... So the business is going great. Whether the companies get their money back with interest... Or not.

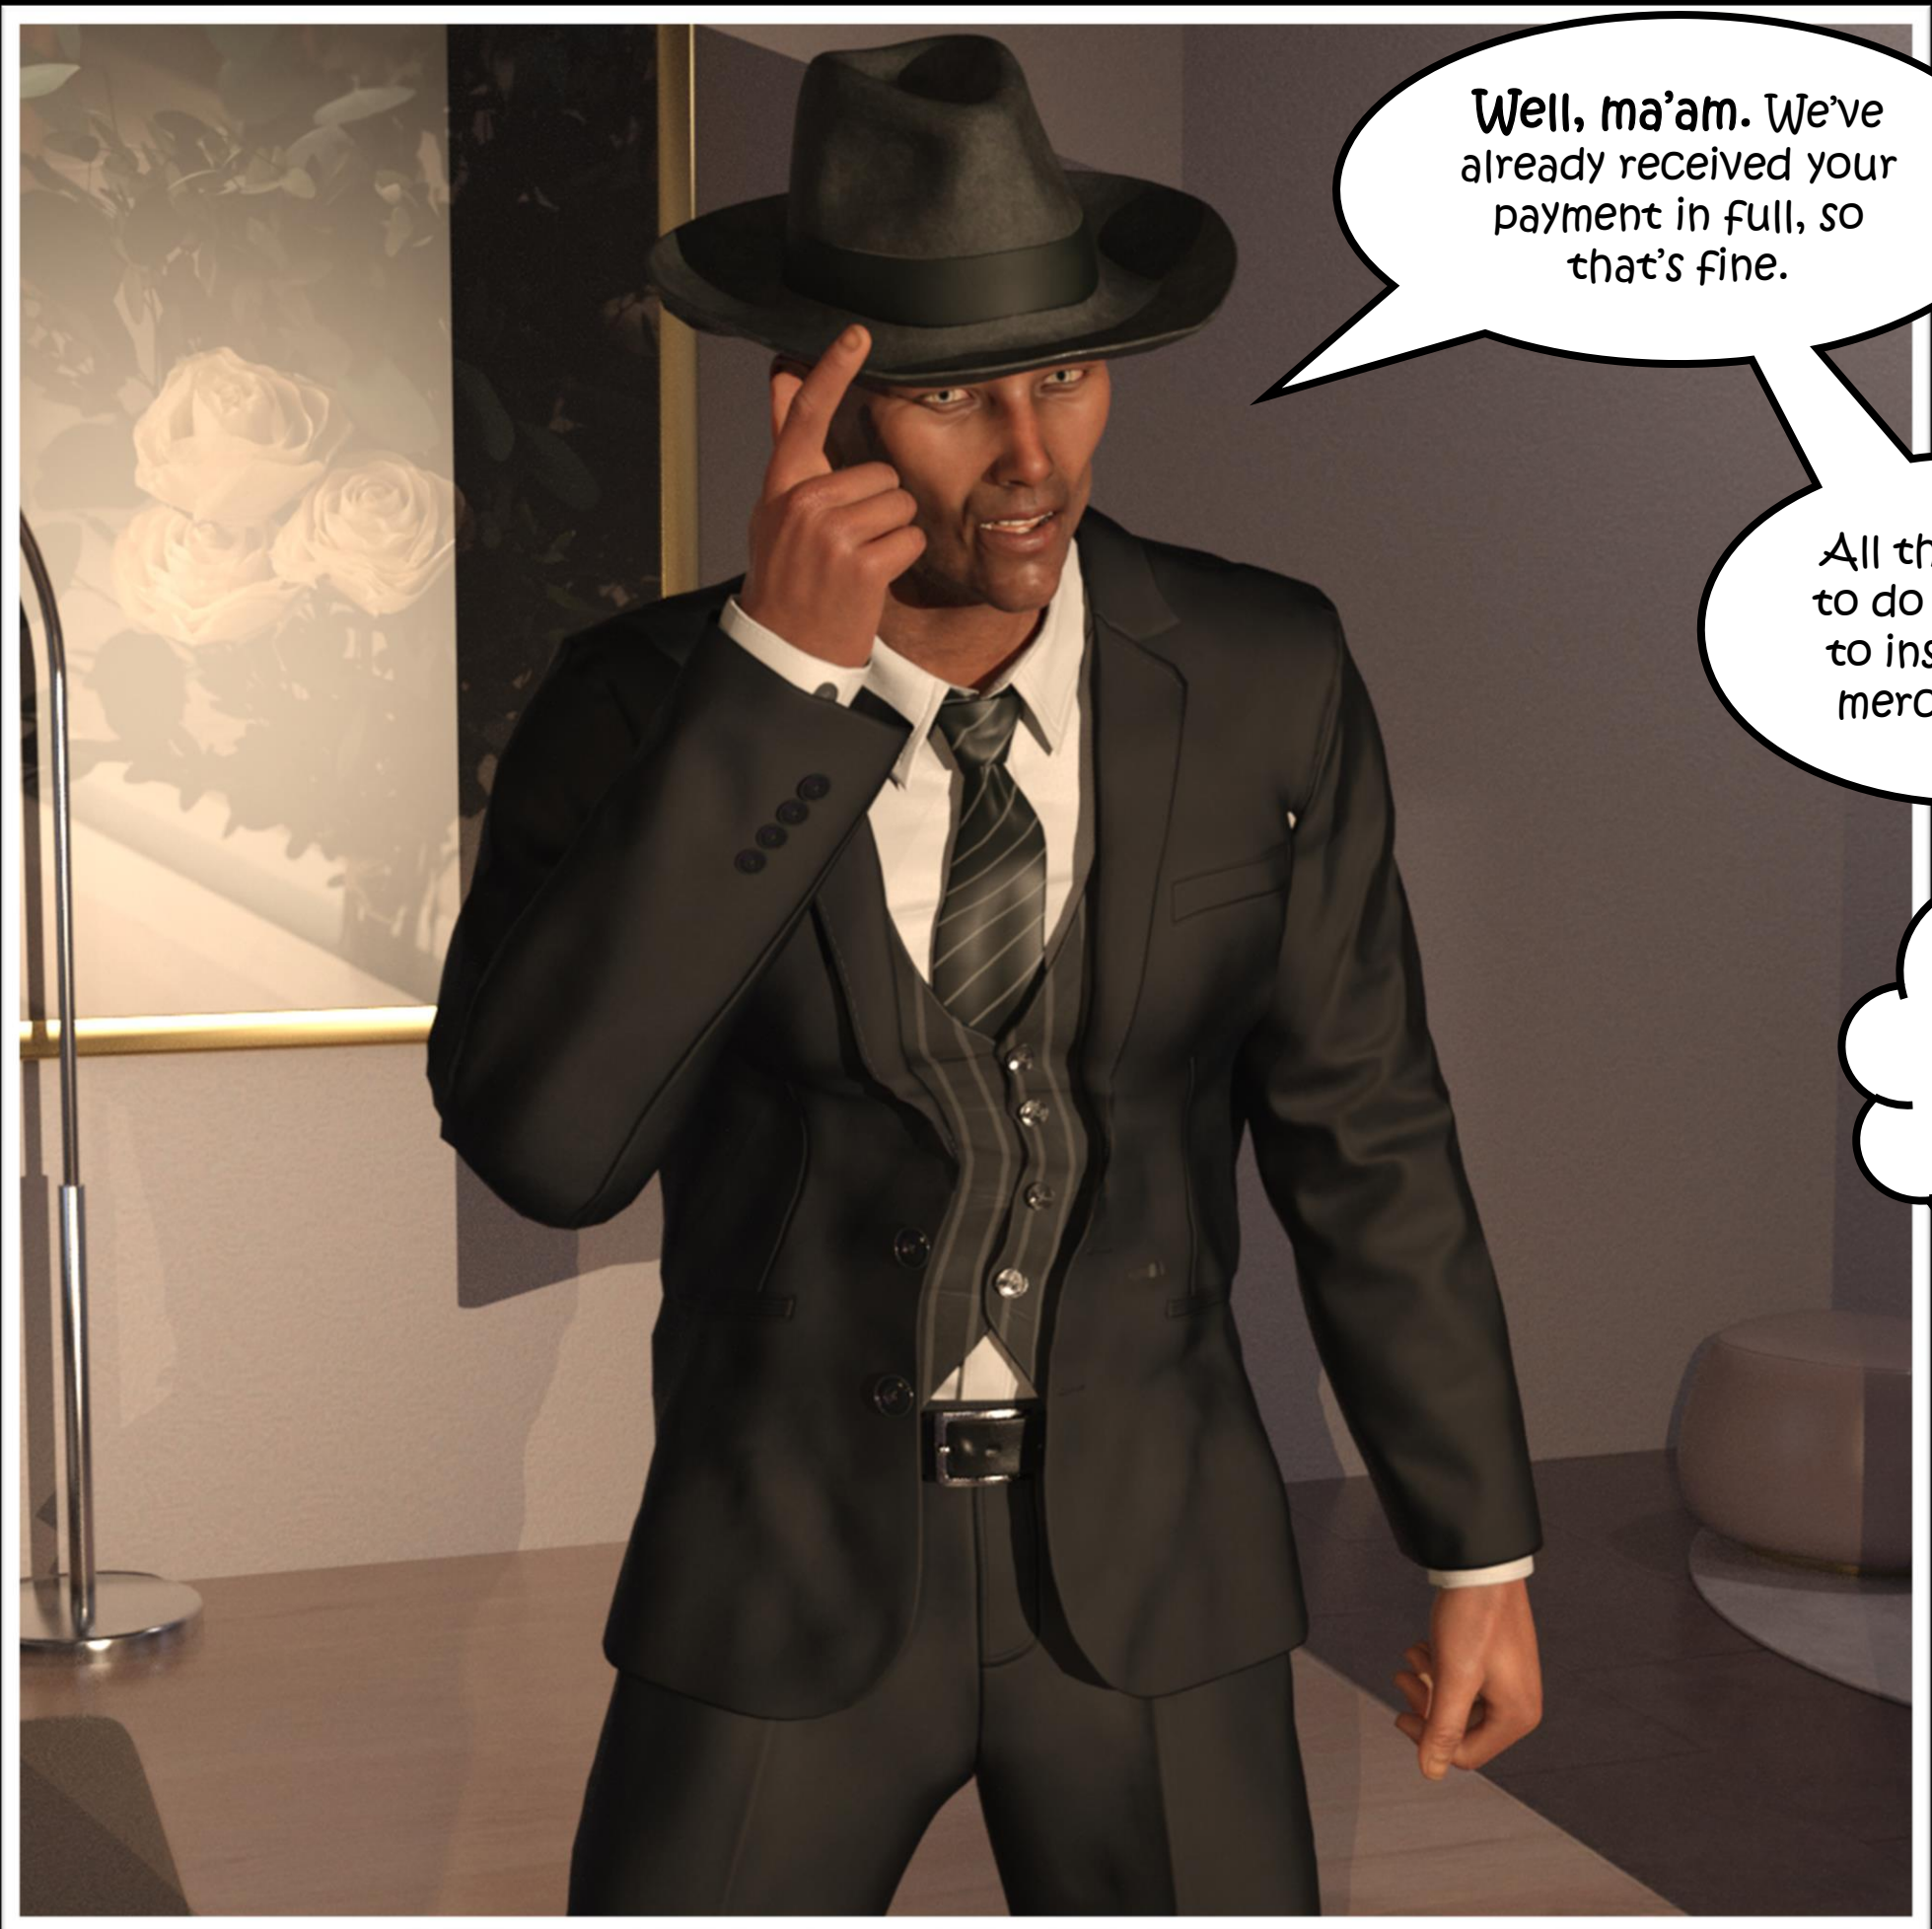

One of the biggest companies in this sector is EVOLVUM. A worldwide company that has its fingers in various shady businesses... Or so people say...

A photograph of a modern, multi-story building at night. The building features a grid of windows and is illuminated from within, creating a warm glow. A prominent sign on the upper part of the building reads "EVOLVUM" in bright red, glowing letters. The sky is dark and cloudy. In the foreground, there is a glass-enclosed area, possibly a rooftop garden or a covered walkway, with some lights visible.

EVOLVUM

So... how does
this work?

Well, ma'am. We've already received your payment in full, so that's fine.

All there's left to do is for you to inspect the merchandise.

Phew! I'm glad they are keeping their part of the deal. There are some shady rumors about these guys!

Yes,
handler.

Why don't you
drop the coat,
Sweetie.

And let your
new owner
inspect you?

As Scarlett removes her long coat, she's left with nothing but a revealing French maid outfit for clothes.

Ready for inspection.

She is my friend. I know her well.

That won't be necessary.

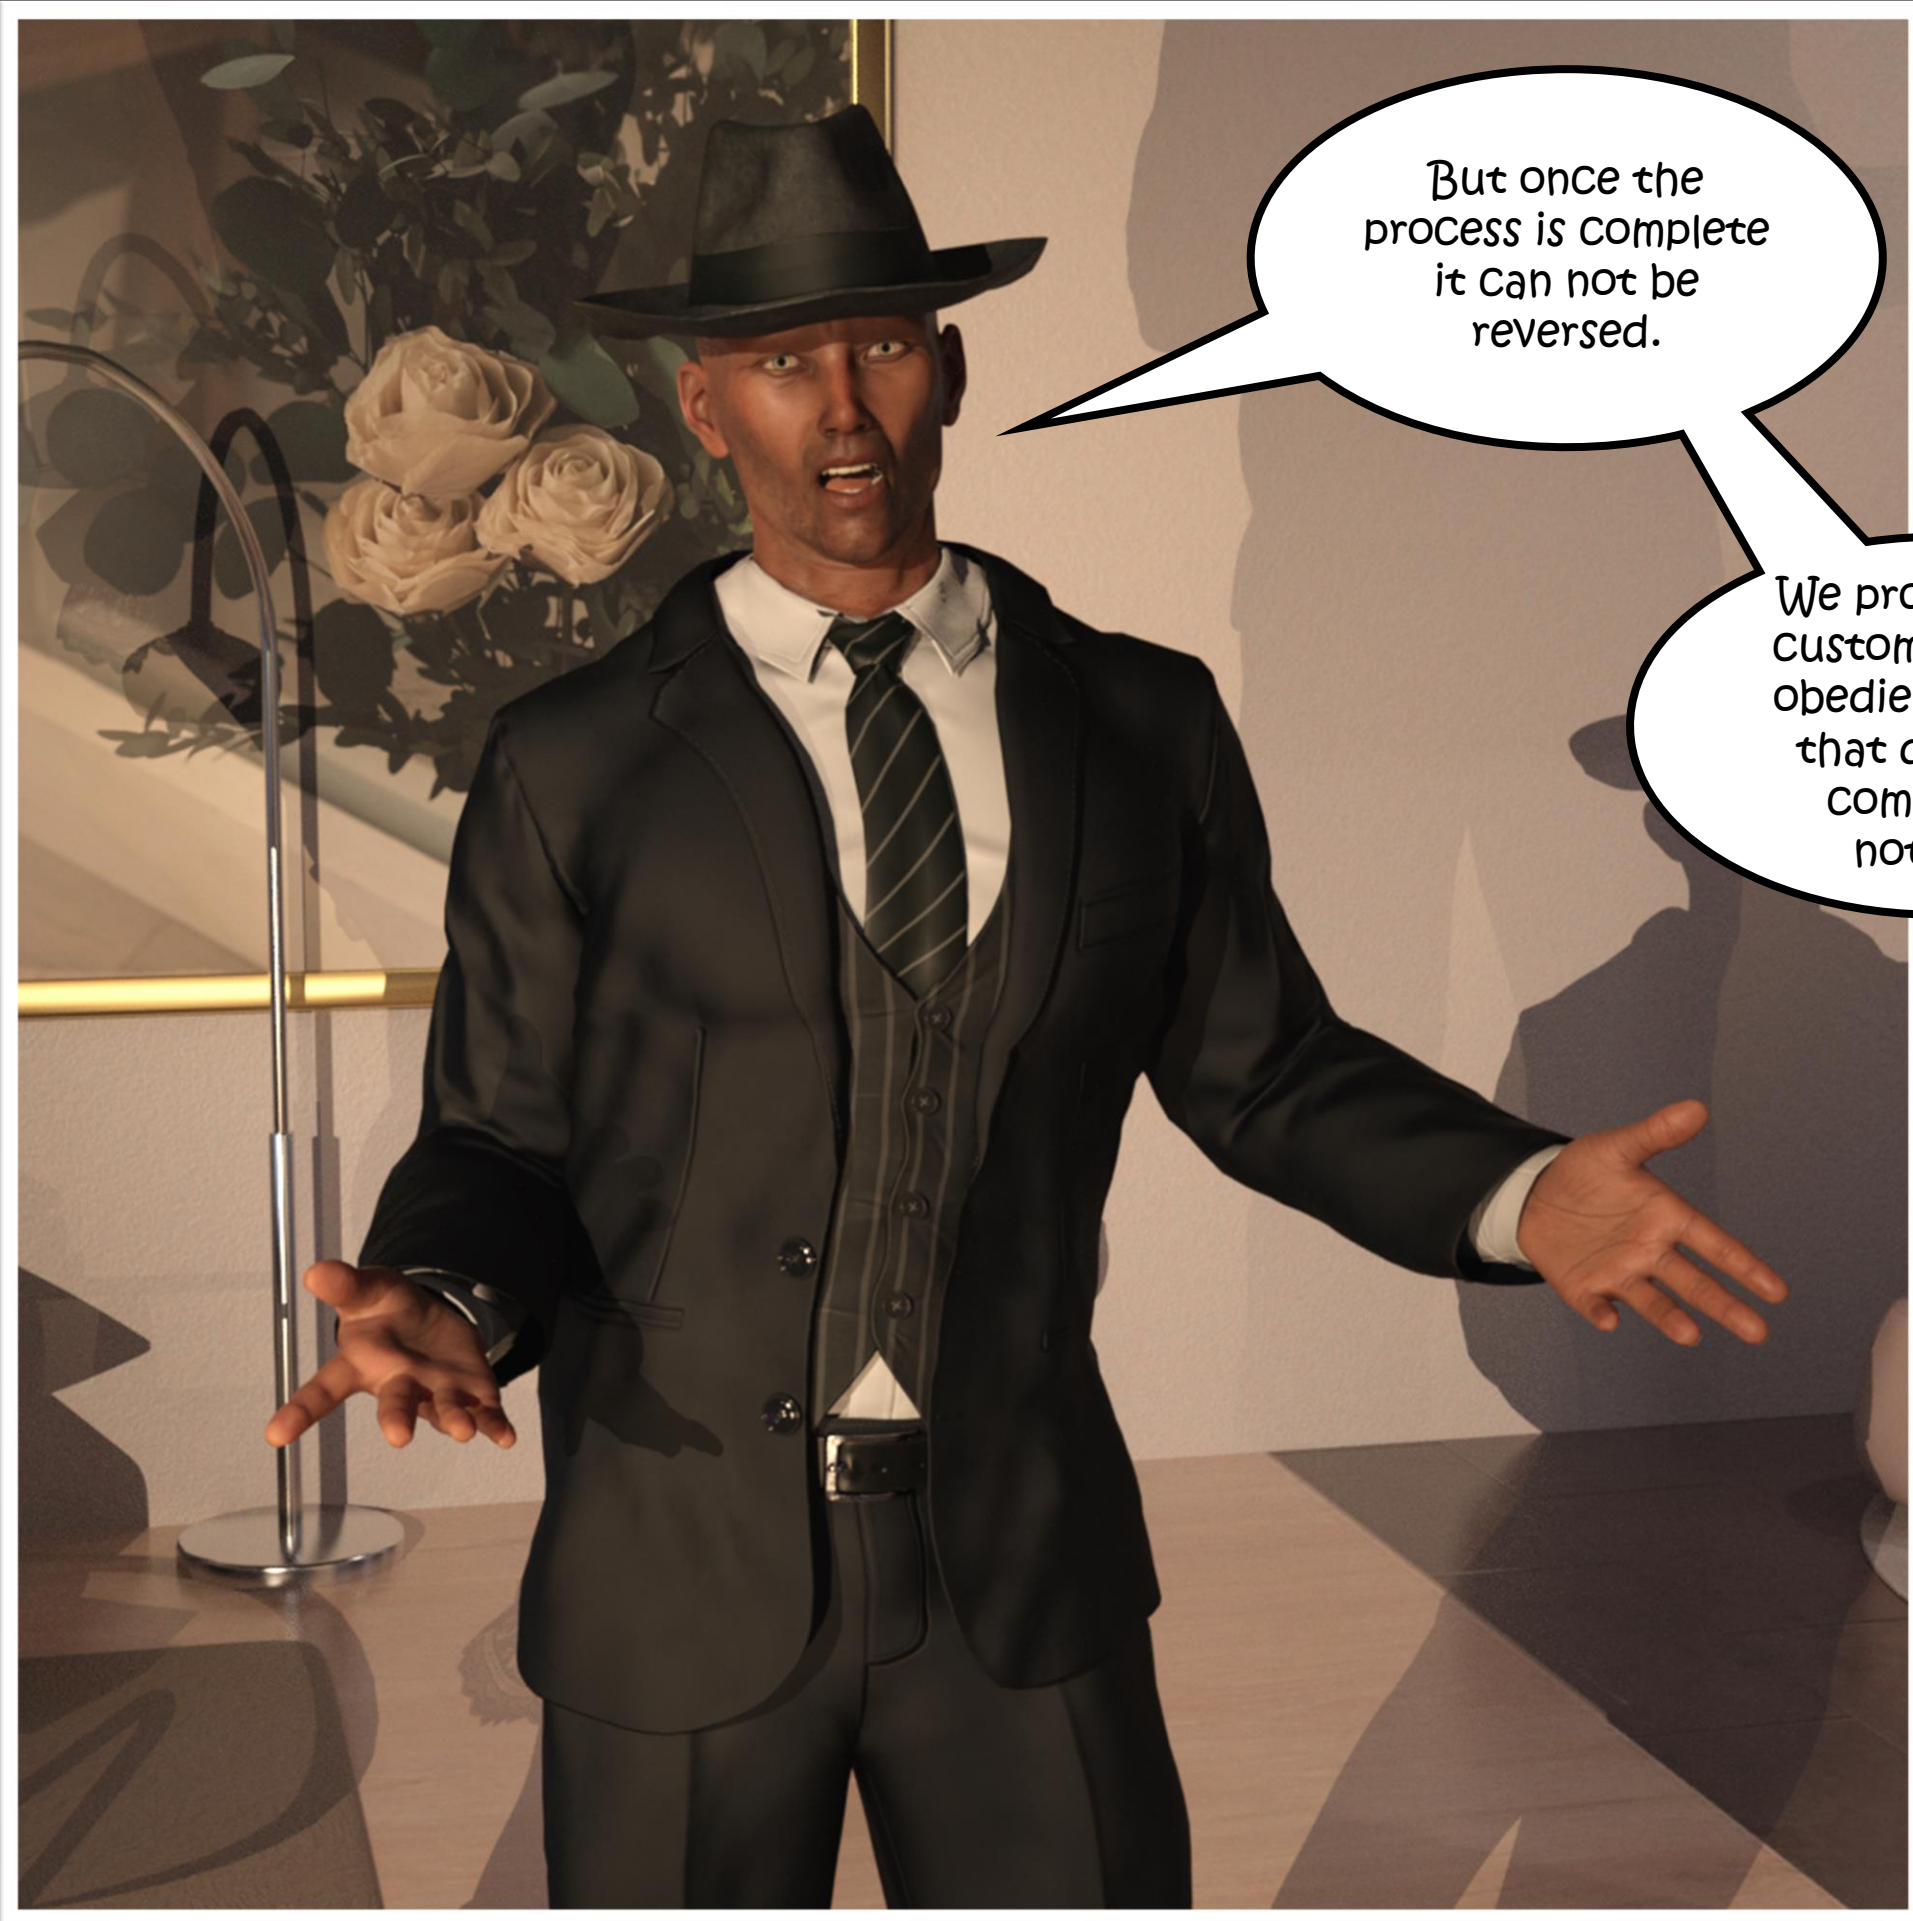

Oh... err...
I'm sorry
ma'am.

Can't we just
set her free?

If you had reached
out sooner I'm sure
we could have made a
deal in that regard.

In fact, now
that you have
the money...

But once the process is complete it can not be reversed.

We promise our customers 100% obedience. And that does not come from nothing.

FUCK!

tick

Starting...
now, she is
all yours.

But she will revert
back to normal in
exactly one year
from now - 8:00
AM sharp.

No further
procedure
necessary.

I'm taking my leave
now. Have an
exciting year with
your slave, ma'am.

She's my best
friend you
moron!

Devastated Kessy falls to her knees. She's kept up the facade of a strong woman for as long as that shady guy was there... But once she hears the door click into the lock the view of her enslaved friend overwhelms her and she starts crying.

Oh, Scarlett.
How could it come
to this...

sob

Hmm...

sob
sob

Those tits are even bigger than mine!

But yours are real!

And look at that butt!

Mother nature's really been friendly to you, girl!

What the fuck are you doing!?

Hands off her!

Sorry!
I... err... I was just trying to get a reaction...

She seems completely out.

You in there, girl?

Can you hear me?

Yes, I remember.

So that's what complete reprogramming can do?!

That's pretty hot!

But that does not matter.

You are my owner.

And that takes prerogative.

Oh, Scarlett...
Why did you not
ask me for help?

I could have
lent you that
money if you
really needed it
that bad...

Now, while Kessy poses a rhetorical question...

She unexpectedly gets an answer from her enthralled friend.

Because you'd have given me another one of your lectures.

Huh?

You would have just looked down on me. Mocking me for not having my life in order...

And how is this any better?! You enslaved for a year?! You could have been sold off to anybody! Maybe some old pervert!

Argh!
So stupid!

Okay...
everybody
calm down...

We'll make it
through this
year somehow.

And never
speak of it
again...

But first, we need
to get you out of
this humiliating
costume!

What were they
thinking putting
her in some skanky
fetish maid outfit?!
Grrrr...

Well... I guess most
people buy them as
sex slaves...

Argh! Why's everybody answering my rhetorical questions today?!

Woah!

What?
What's
wrong,
love?

Scarlett interprets her owner's comment as an order and strips off the French maid costume before standing back up – waiting for further instructions.

gasp

STRIP

FUCK!

I did not mean it like that!!

Go to the bedroom
and fetch yourself
some clothes!

You still know
your way around
I assume.

Yes,
owner.

What am I going to do...

I'm sorry this happened, love.

Do you want me to stay?

Wha...? No. You've got a class to teach. I'm fine.

You sure?

Okay. I'll be back in about three hours.

Maybe some alone time
thinking about this
messed-up situation will
do me good anyway.

As Suki leaves the apartment to teach her yoga class, she walks past the bedroom...

Shortly later after Suki has left the flat.

Okay... I just have to be professional about this.

I mean how bad can it be to have her around for a year?

It's just for a year. Everything will be...

A woman with dark hair and glasses, wearing a black business suit with a white shirt, is sitting on a white sofa. She has a surprised or shocked expression on her face. A speech bubble points to her with the text "What the fuck?!". The setting is a modern living room with a large window in the background showing greenery outside. A glass coffee table is visible in the foreground.

What the
fuck?!

The cause for Kessy's outrage of
Scarlett's choice in clothes...

Owner, I have
redressed.

Why the fuck are you wearing this?

Those are Suki's clothes!

For... Our special nights!!

But owner. I'm taller than you and my boobs would never fit in your clothes.

FUCK!

God!
I hate this
whole situation!

Argh!

Maybe I can help soothe your pain, owner?

sob

There are things I can do to you...

lick

moan

rub
rub

Or you could do things to me, if you prefer...

EWWW!

Stop that!

I can't deal with this now!

Go clean the flat. Do some chores!

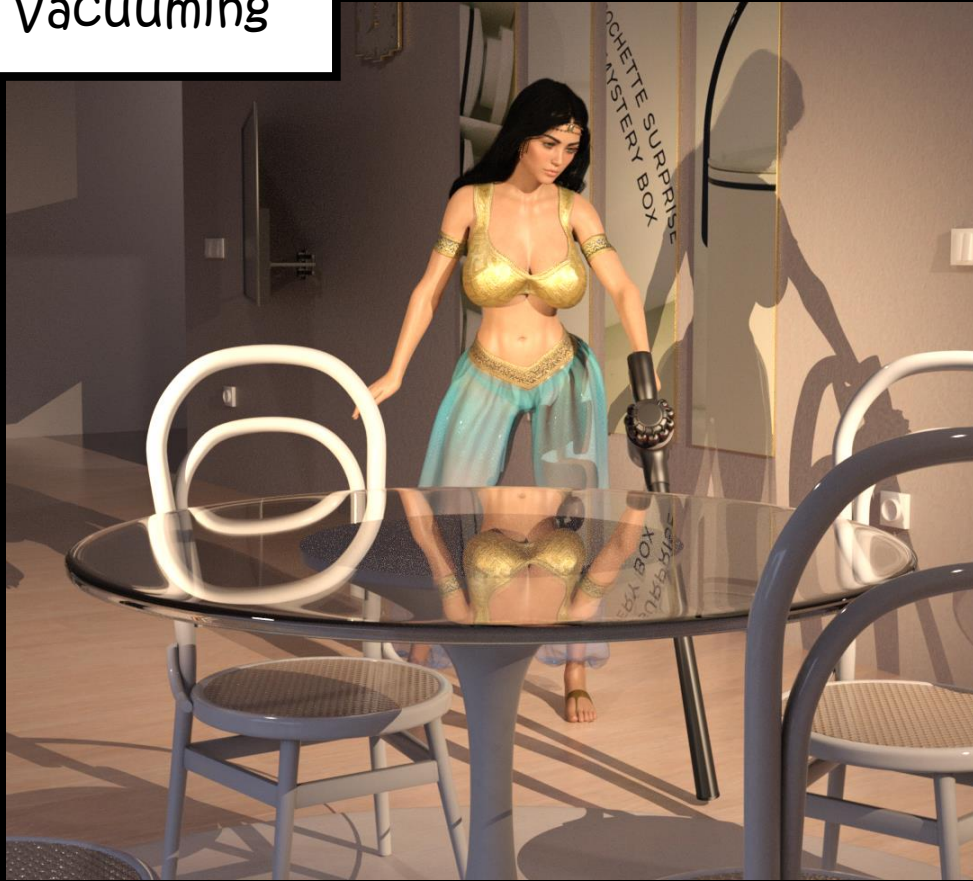

I will do chores.

As you command, owner.

And so, Scarlett starts doing chores around the house... In a harem's costume.

Vacuuming

Scrubbing the floor...

scrub

Cleaning the toilet

While Kessy tries to calm herself.

Alright.
I've ordered some
new clothes for
her.

They should
fit her...

Hopefully,
they arrive
tomorrow...

And soon, three hours are up, and Suki returns, wearing her yoga clothes.

Wow!

The flat's squeaky clean!

Hey, babe. I'm back.

How are you?

Well... I guess I'm slowly getting used to the situation at hand.

That's good to hear...

How was yoga?

Woah!

You got accustomed to this whole sex slave thing pretty fast!

Are those my clothes?

Your clothes were the only ones that fit her...

She's not a sex slave!

I've already ordered new ones.

giggle
Alright, alright.
I'll take a quick
shower now.

Though...
you sure you
don't wanna
tap that ass?
giggle

Shut it!

Well...

I think I can get used to a maid wearing a harem's outfit.

A shower and some
time later...

Hey, babe.

You coming to bed?

Yes. Just a sec.

I just wanna make sure
Scarlett has a blanket
and everything for the
night.

You don't need to bother with me so much, owner.

I'm happy to just sleep on the floor to the bottom of your feet.

facepalm

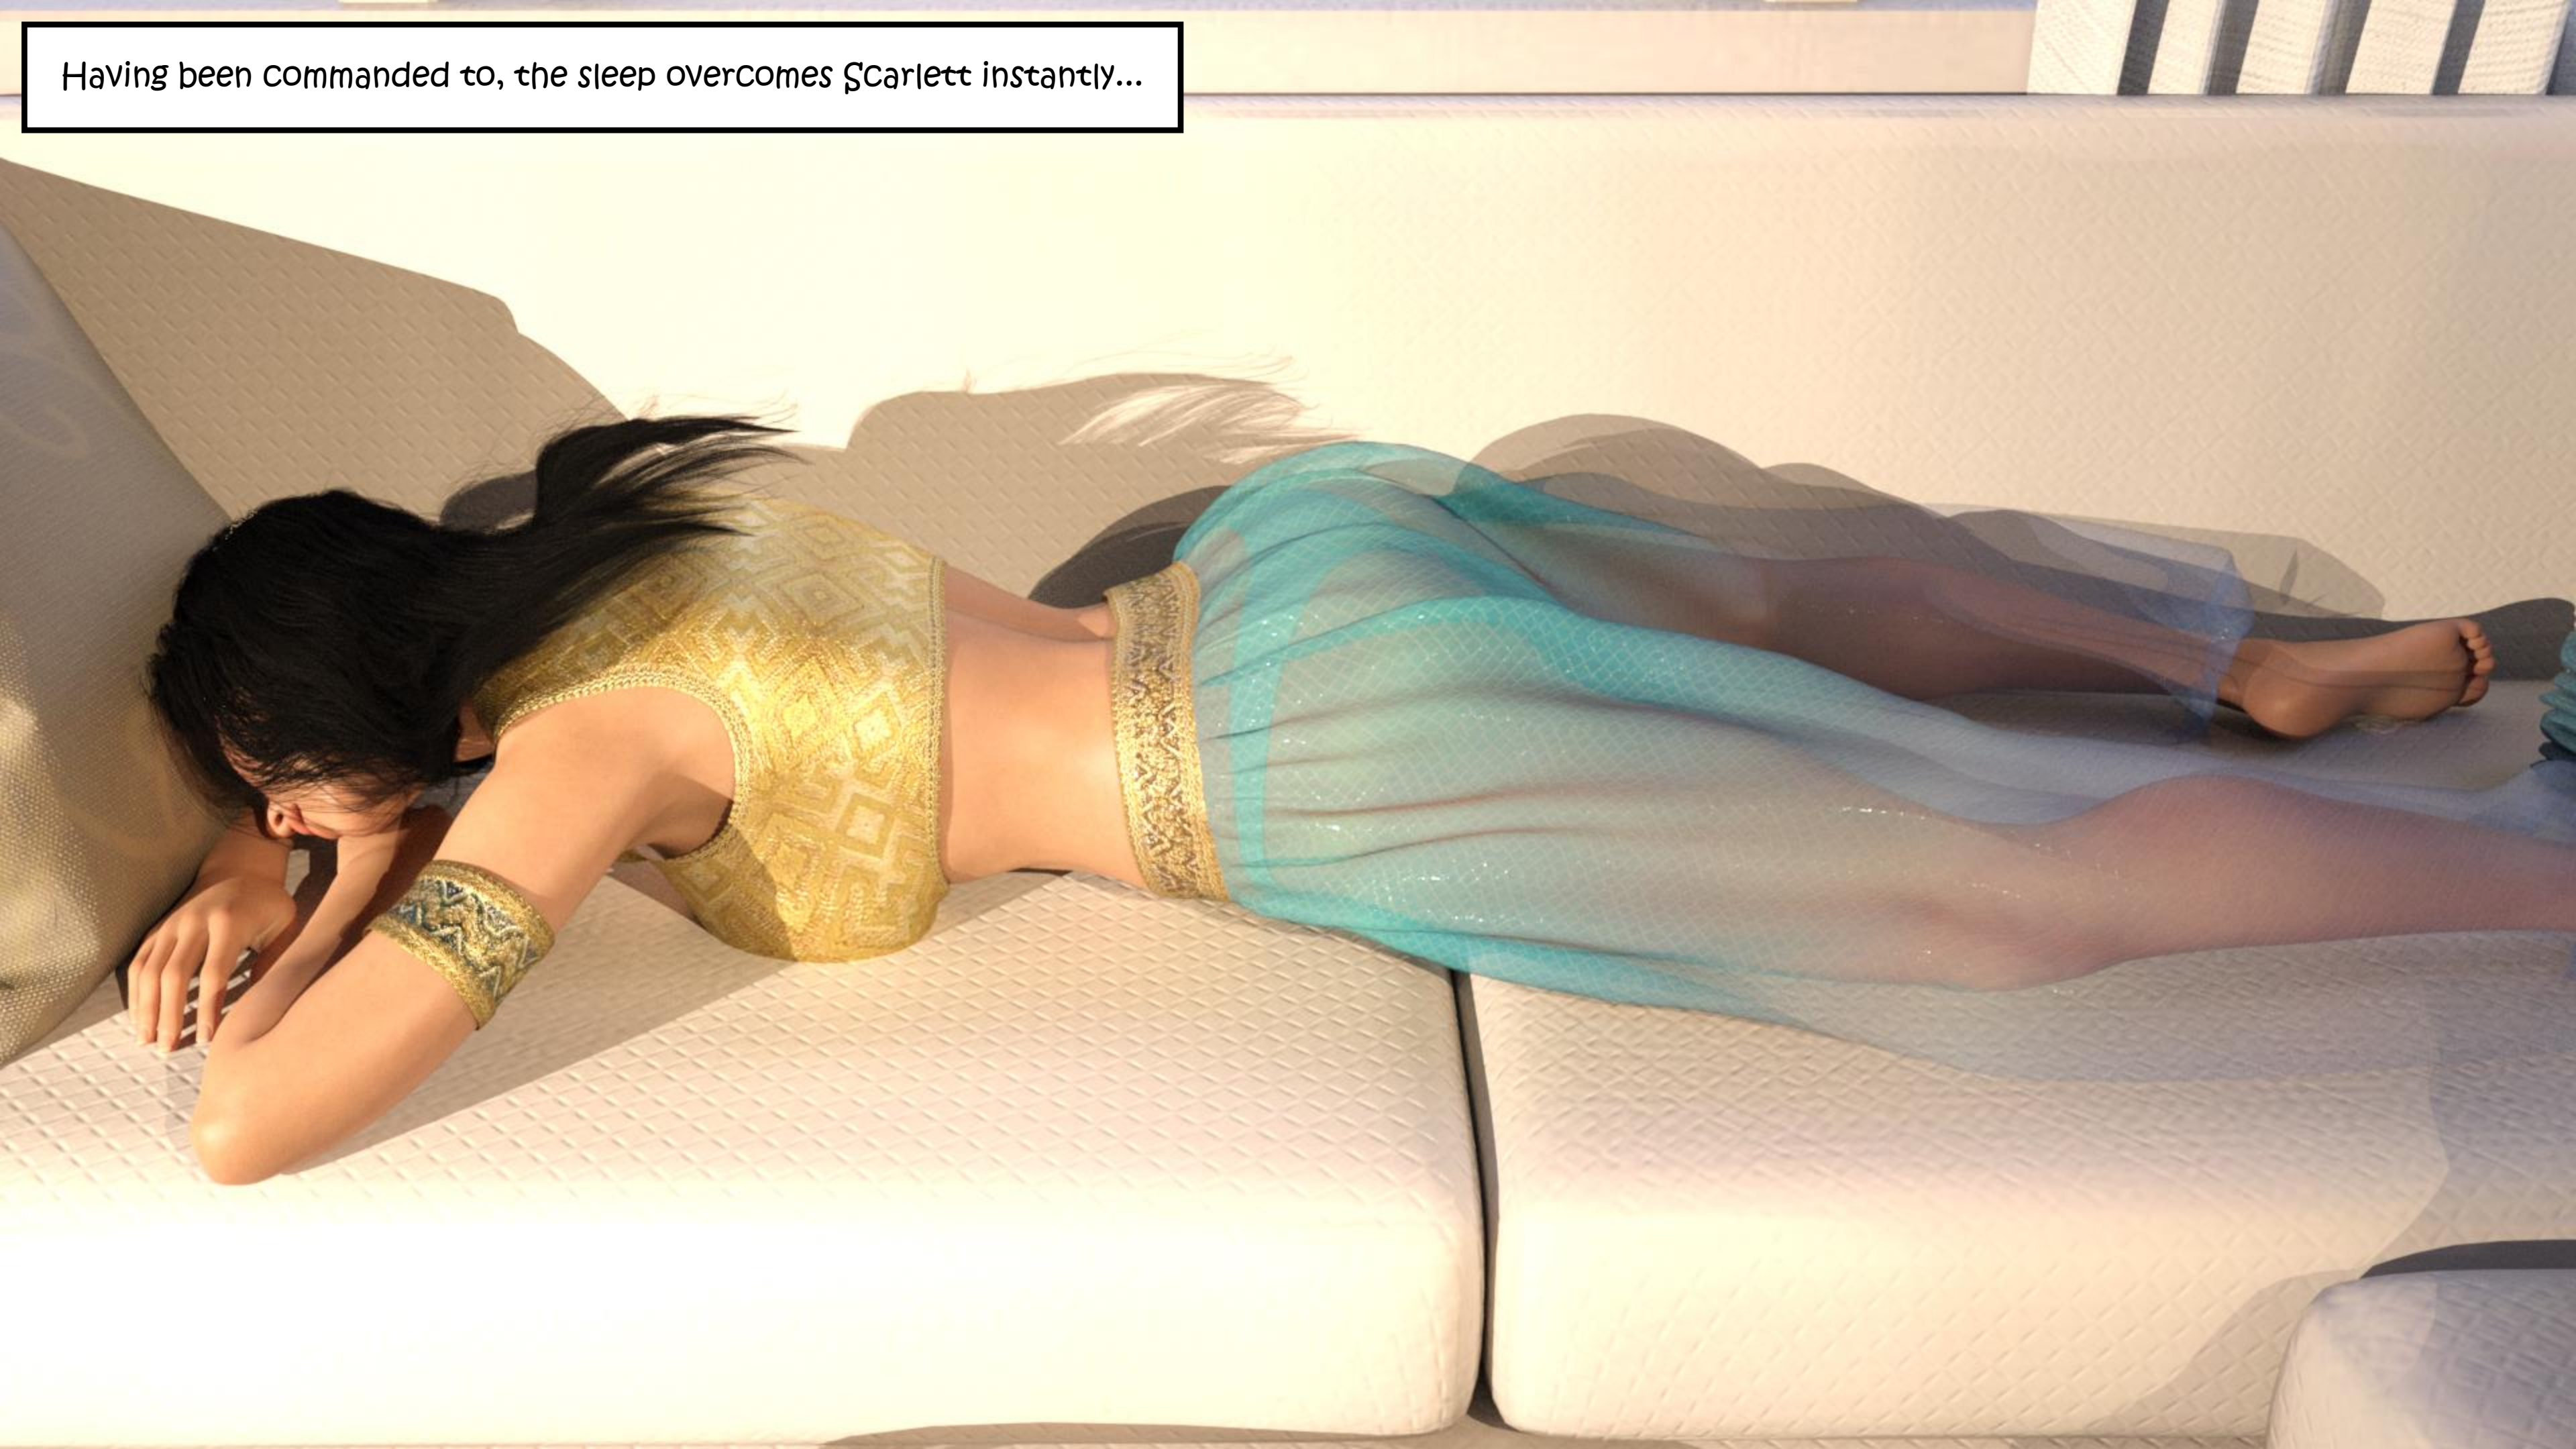

Urgh! Just go to sleep already, Scarlett.

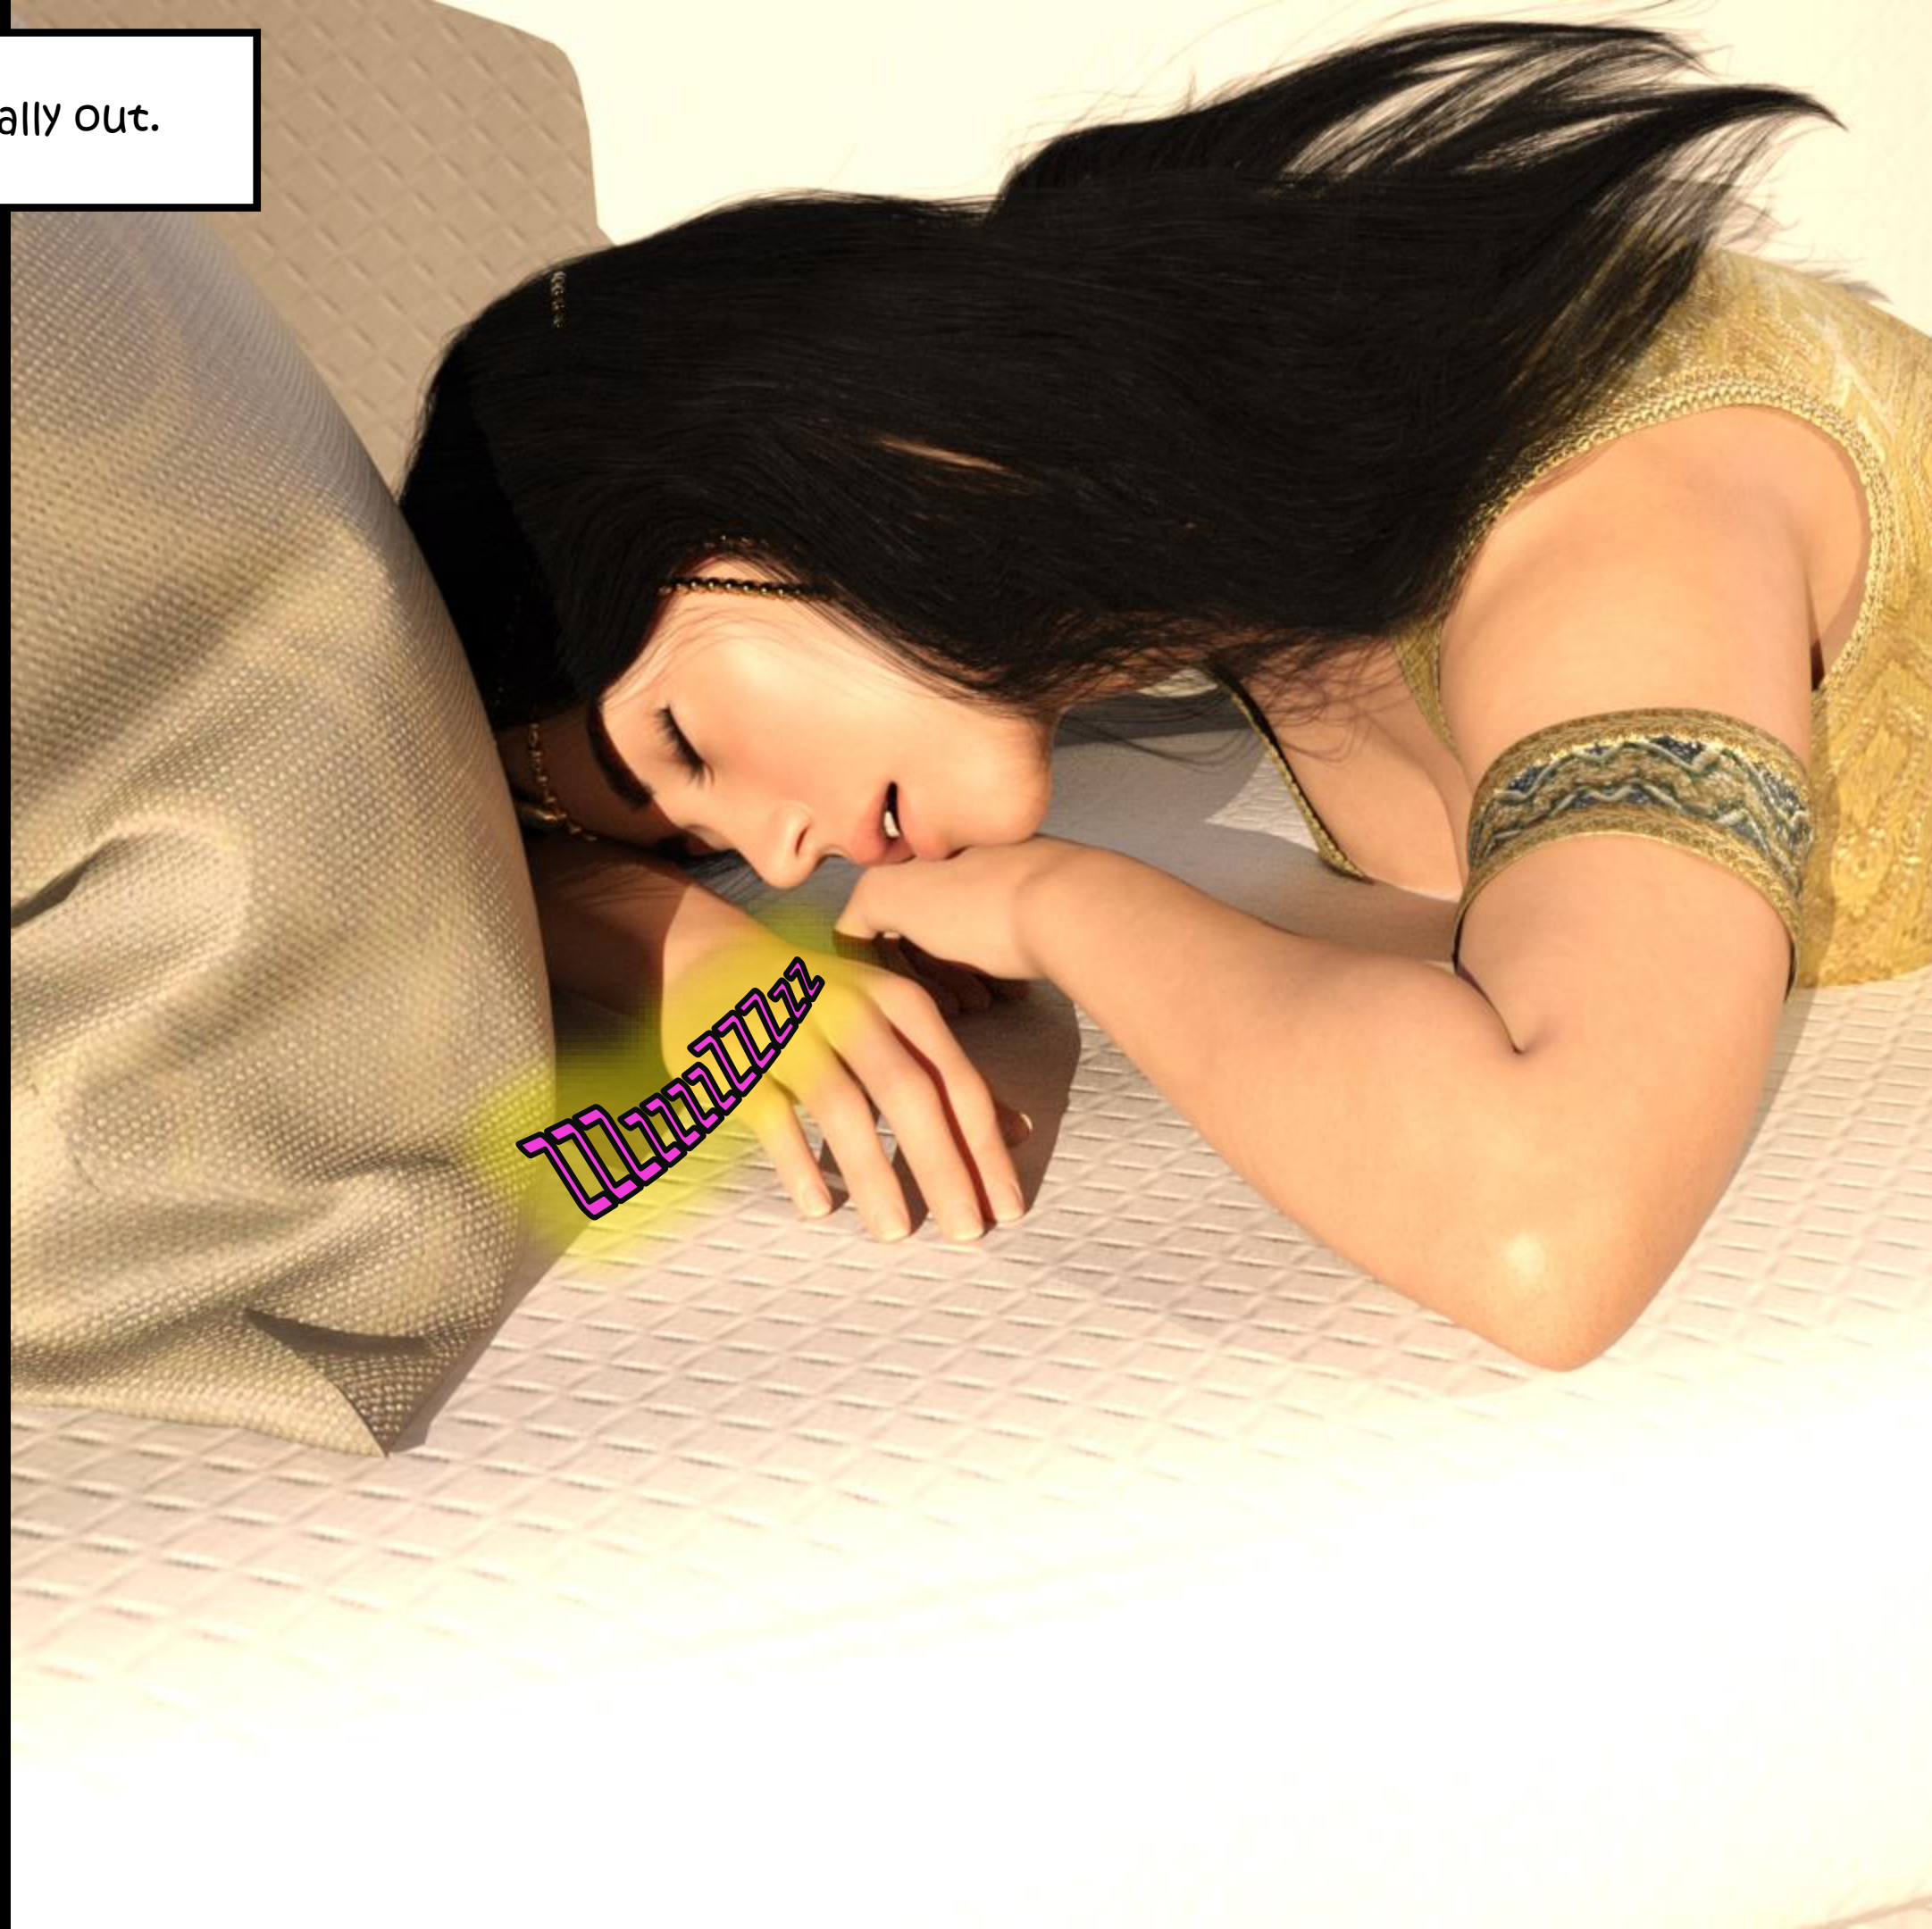

Yes, owner. As
you wish.

I will
sleep.

Having been commanded to, the sleep overcomes Scarlett instantly...

And within seconds she's totally out.

Shortly later in the bedroom...

It's not that bad.

The flat's clean. We have each other. And your friend is not exposed to some old geezer.

Come. Let me distract you.

Gladly Kessy joins her girlfriend in bed...

KISS

Who embraces her in a passionate Kiss.

Oh, yes.

And soon, at least for the moment, Kessy's problems are eagerly licked away.

Right there.

lick
lick
lick

lick
lick
lick

lick
lick
lick

I'm so close!

Oh, fuck yes.

Spank

Yes!
Come for
me, babe.

lick

Moan

Moan

Thanks love.

I really needed that.

I really hope we
make it through this
year somehow...

Don't be stupid. Of course we will!!

You're not mad my friend's bunking down with us?

I love you.

Everything's fine, Kessy.

I love you too, Suki.

kiss

lick

And so the first day of many to come goes by in Kessy's apartment with Scarlett sleeping on that couch...

To be continued...

Thank you for reading!

Hello, Hexxet here,

I hope you liked the beginning of this sapphic story so far. If everything goes as planned this will be a 4-chapter series.

Will Kessy, Suki, and Scarlett make it through that whole year unscathed? Or are their relationships about to go through some dramatic changes? Only time will tell! 😊

If you like my comics, please consider supporting me on Patreon or Deviant Art by buying my work. I need your support to keep creating more Magic-Control comics! 😊
