Neither can I...  
It's a crazy world. 2

But I won't leave her at the mercy of some perv! She's safest with me for that year...

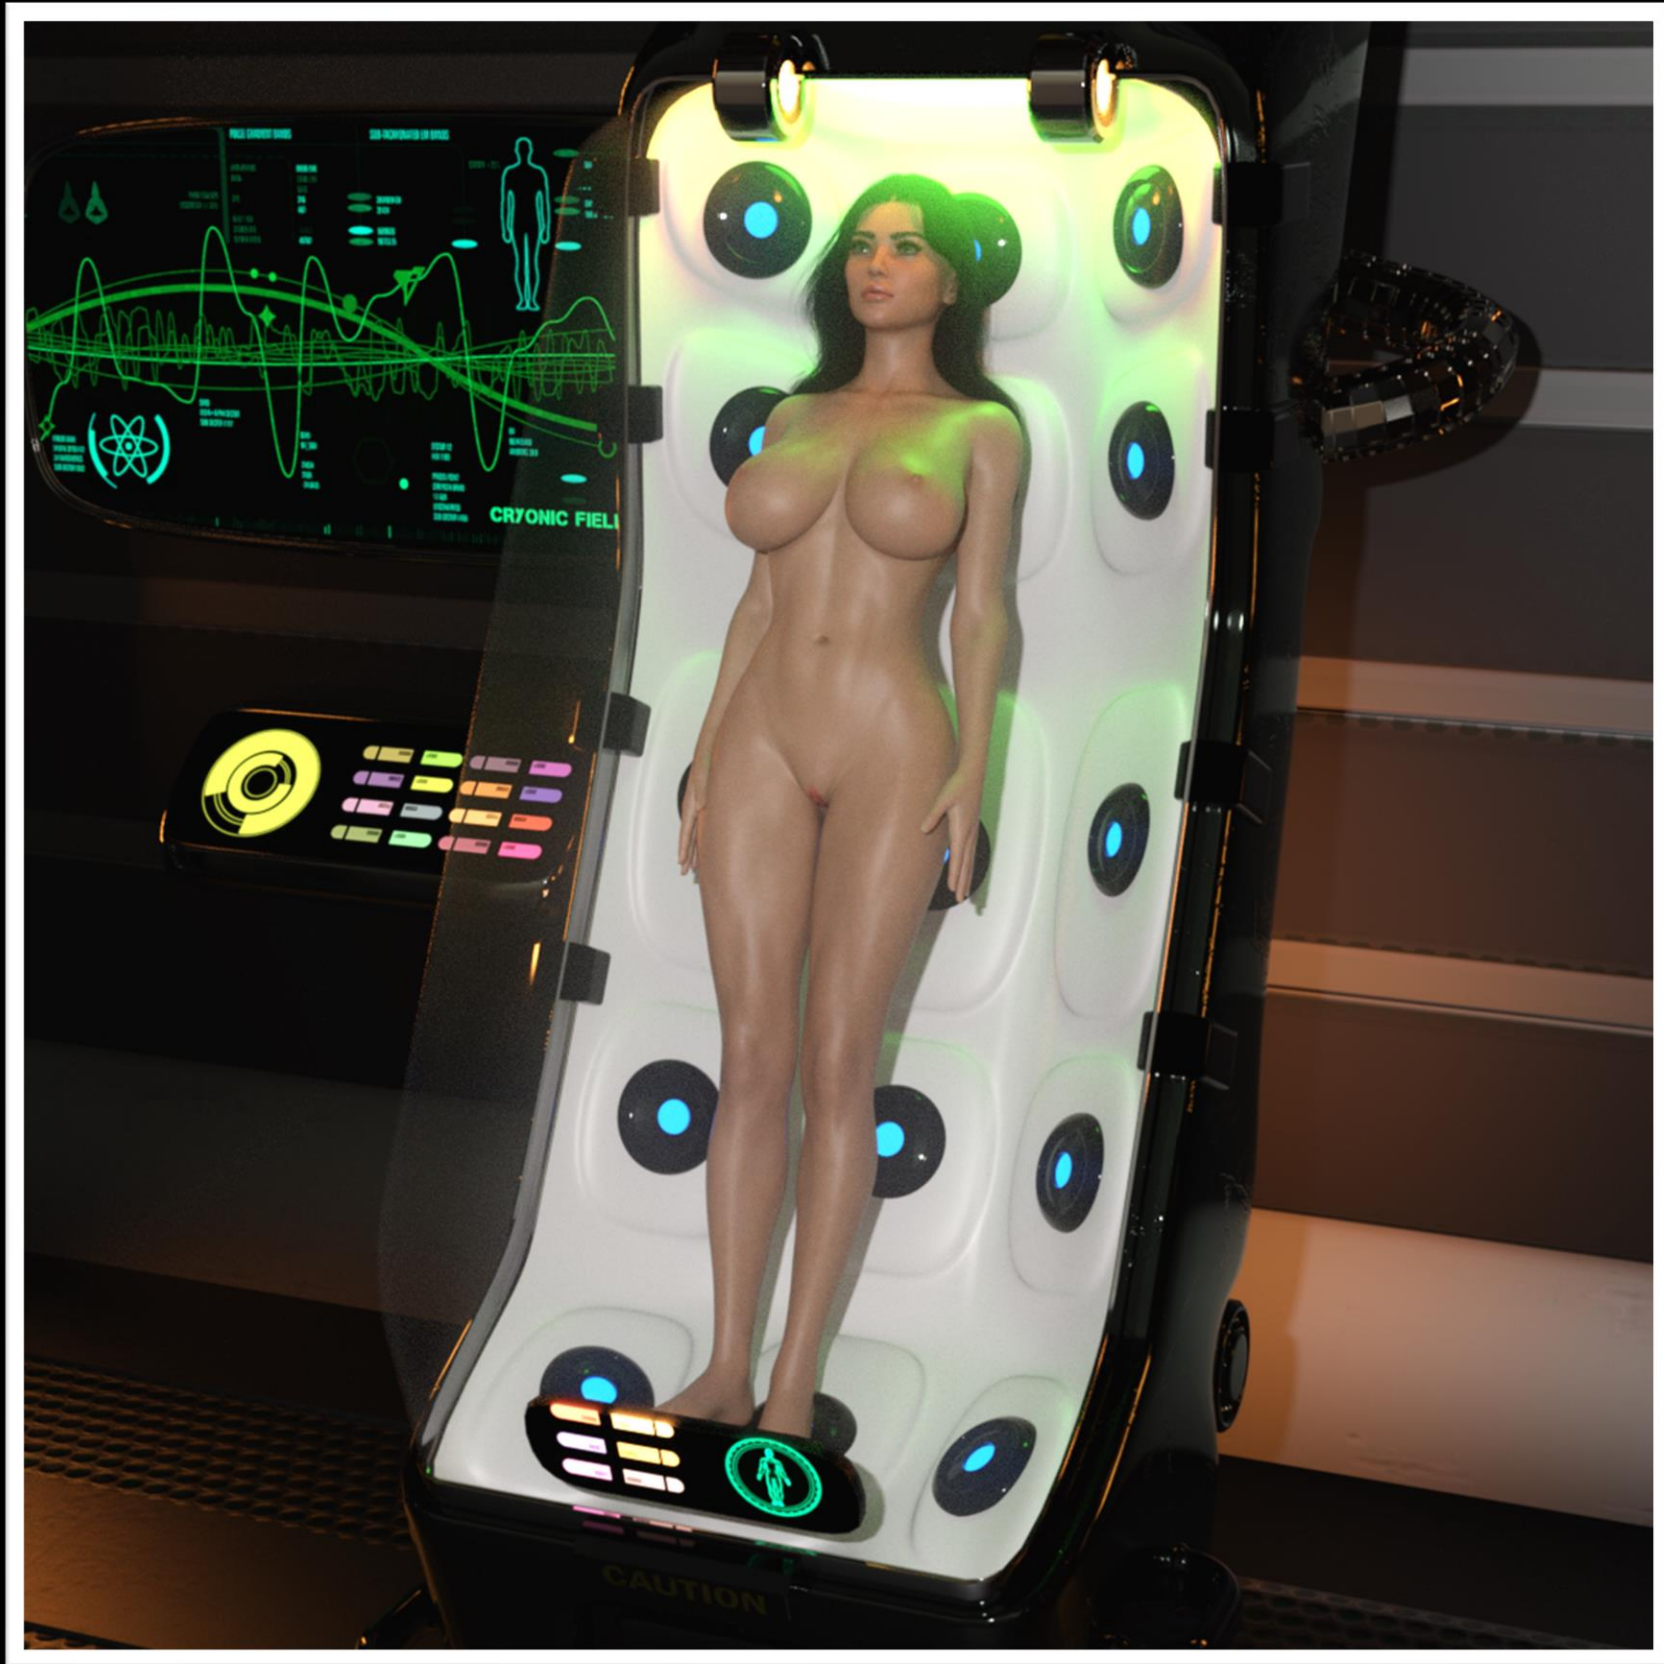

I still can't believe you are buying your best friend! 1

Drop the coat sweetie and let your new owner inspect the merchandise.

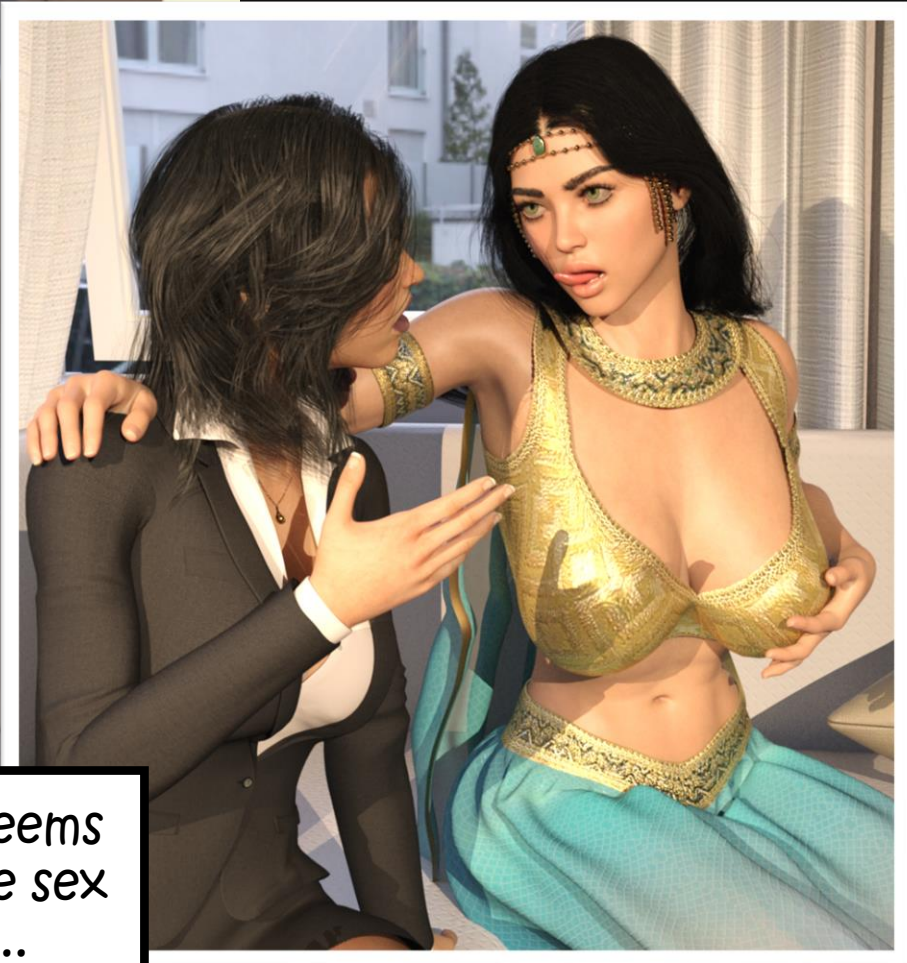

Yes, handler.

Kessy bought her best friend Scarlett who took a loan from a shady company called EVOLVUM. People who can't pay back with interest are sold off as temporary slaves until their time has paid off their debt.

Owner, I have redressed.

There are things I can do to you... **lick**

To Kessy's dismay, she seems to have gone under some sex slave reprogramming...

And everything seems like it's about to work out with this lovely couple and their new addition to their household.

2 Don't be stupid. Of course, we will!!!

1 Will we make it through the year, Suki?

3 You're not mad my friend's bunking down with us?

Almost three months have passed since  
Scarlett's arrival at the apartment...

We continue from a certain morning...

Finding our lovely lesbian couple sleeping in bed...

As their new „maid“ walks in to wake them.

yawwwn

Oh.  
Morning  
Scarlett.

It smells  
delicious.

Wakey  
wakey,  
love.

Morning,  
babe.

Mhhh...  
It smells  
delicious.

I could get used  
to this kind of  
morning service.  
**\*giggle\***

**\*chuckle\***  
Don't. It's only  
9 more months  
or so.

Shortly later at the breakfast table...

Good luck with that presentation today, babe.

Thank you. If everything works out, this could be a huge deal for the company.

And a raise for you. \*giggle\*

Uhhh!  
That looks  
delicious!

I hope this  
will be to your  
liking.

As Scarlett approaches the table with the prepared breakfast the couple's talk gets interrupted.

I'm glad my meager cooking skills are to your taste, Mistress.

A nice breakfast later...

As Scarlett gets to clearing the table, Kessy gets ready to leave for work.

Alright. I gotta go now.

Love you.

kiss

Bye, hon.

Bye, Scarlett.

Good luck with  
that presentation.  
I know you're  
gonna ace it!

Have a  
nice day,  
Mistress.

Thanks!

As Kessy leaves the apartment she's in good spirits.

At the beginning I was pretty stressed with Scarlett being around.

But it's all working out fine.

Everything seems to be working out nicely on the surface...

And if I can get that customer on board today paying for Scarlett's year of service won't be an issue at all!

But is it? Is it really?

And there she goes.

Clonk

As Kessy leaves the apartment and the door falls into the lock with a clonk, Suki takes a swing with her hand...

And lands an audible smack  
on Scarlett's ass.

Kessy's out now.

Yes, Madame. Would you like me to undress now?

Oh, abso-  
fucking-lutely.

Yes, Madame.  
I'll strip at  
once.

Obviously, this dynamic has been developed over the course of these past two months...

Whenever Kessy would leave the house, Suki would dominate their house slave.

Shall I remove the underwear as well, Madame?

Scarlett goes along with anything Suki says since she is her Mistress girlfriend and Kessy told her to follow her lead when she's away...

Only the bra for now. Show me those boobies.

Never would it have occurred to Kessy that Suki would abuse her power like this behind her back...

Tada.  
You like,  
Madame?

Stand at  
attention!

Yes,  
Madame!

Some people really are gifted by nature. Look at these natural tits!

Darn, you are a  
really beautiful  
birdy...

I'm glad my  
body pleases  
you, Madame.

Arms  
down.

I'm gonna kiss  
you now. Make  
sure to kiss me  
back this time.

As you wish,  
Madame.

As Suki explores Scarlett's mouth with her tongue her hands roam her curves – caressing her face and groping that perky butt of hers.

Alright.  
I've gotta  
teach some  
classes now.

But I will be  
back and then  
we'll have some  
more fun.

Do the usual  
chores until  
then.

*giggle*

Yes, Madame.

These past months really have been a blast!

I'm looking forward to your return, Madame.

As Suki leaves the flat,  
Scarlett gets back to work  
– clearing the table.

She brings the dirty dishes into the kitchen and starts the dishwasher.

What's not made for the dishwasher she cleans by hand...

Then she brings out the trash...

Due to her programming, Scarlett does not mind following orders or doing chores...

But after half a day full of various tasks she does get exhausted and a slight sigh escapes her lips.

But once she's done with her chores...

sigh

Mhh...  
My muscles  
feel a bit  
tense

I'm  
home!!

Where's my  
welcome home  
drink?!

New ones arrive...

You know  
what to  
do.

Yes,  
Madame.

Obediently Scarlett crawls over to the end of the couch and starts taking off Suki's sweaty socks.

Before she starts to rub Suki's feet to help her relax.

Your feet are  
very tense today,  
Madame.

rub

rub

Yeah, I had to  
dance a lot today.  
Show them the  
moves...

But what you do  
down there feels  
amazing...

However...  
kiss them  
now!

rub

rub

As you wish,  
Madame.

Without hesitation, Scarlett moves her head closer...

Puckers her lips...

And places a kiss on Suki's  
big toe...

She's doing  
anything I tell  
her! I love it!

*giggle*

*kiss*

Good girl.

I guess I should  
take a shower  
now. I'm all  
sweaty...

Come, follow  
me. Help me  
clean.

Yes,  
Madame.

Moments later in the bathroom...

Skillfully Scarlett starts to remove Suki's gym clothes.

A task she's built up a routine with over these past months.

And soon, she's got her „Madame“ undressed, and ready for the shower.

Good girl.

Let's go!

Yes, Madame.

Obediently Scarlett follows Suki into the shower and starts caressing her all over.

Don't forget about the boobs.

Scarlett cleans Suki very thoroughly from top to bottom...

scrub

Giving special attention to that bottom as she knows what Madame likes...

knead

After a steamy shower Scarlett is giving Suki a massage.

Let me ease the tension in your back, Madame.

knead

rub

moan

After about 20 minutes of having her back kneaded Suki decides it's time for a different kind of massage...

That was nice, slave. Very relaxing.

But I think you should rub something different now, slave.

Scarlett places a kiss on Suki's while caressing her head.

Before softly kissing her way  
down Suki's chest...

Her breasts...

And stomach...

Before finally moving her head in between Suki's legs where she starts to go down on her Madame's nether region.

lick  
lick  
lick

moan

In the meantime, Kessy returns from work sooner than usual.

The presentation was a full success!

Right there, slave.

Oh, you've really gotten good at this.

lick  
lick  
lick

Sadly the customer had no time for the planned work dinner.

As you wish, Madame.

But that way I  
have more time to  
spend with my  
girlfriend!

Maybe we can  
watch a movie  
before...

Oh, my!  
What's that  
noise?

Is Suki  
masturbating?  
Naughty girl!!  
*\*giggle\**

Hey,  
naughty girl,  
I'm back.

Kessy opens the bedroom door to surprise her girlfriend with her early arrival...

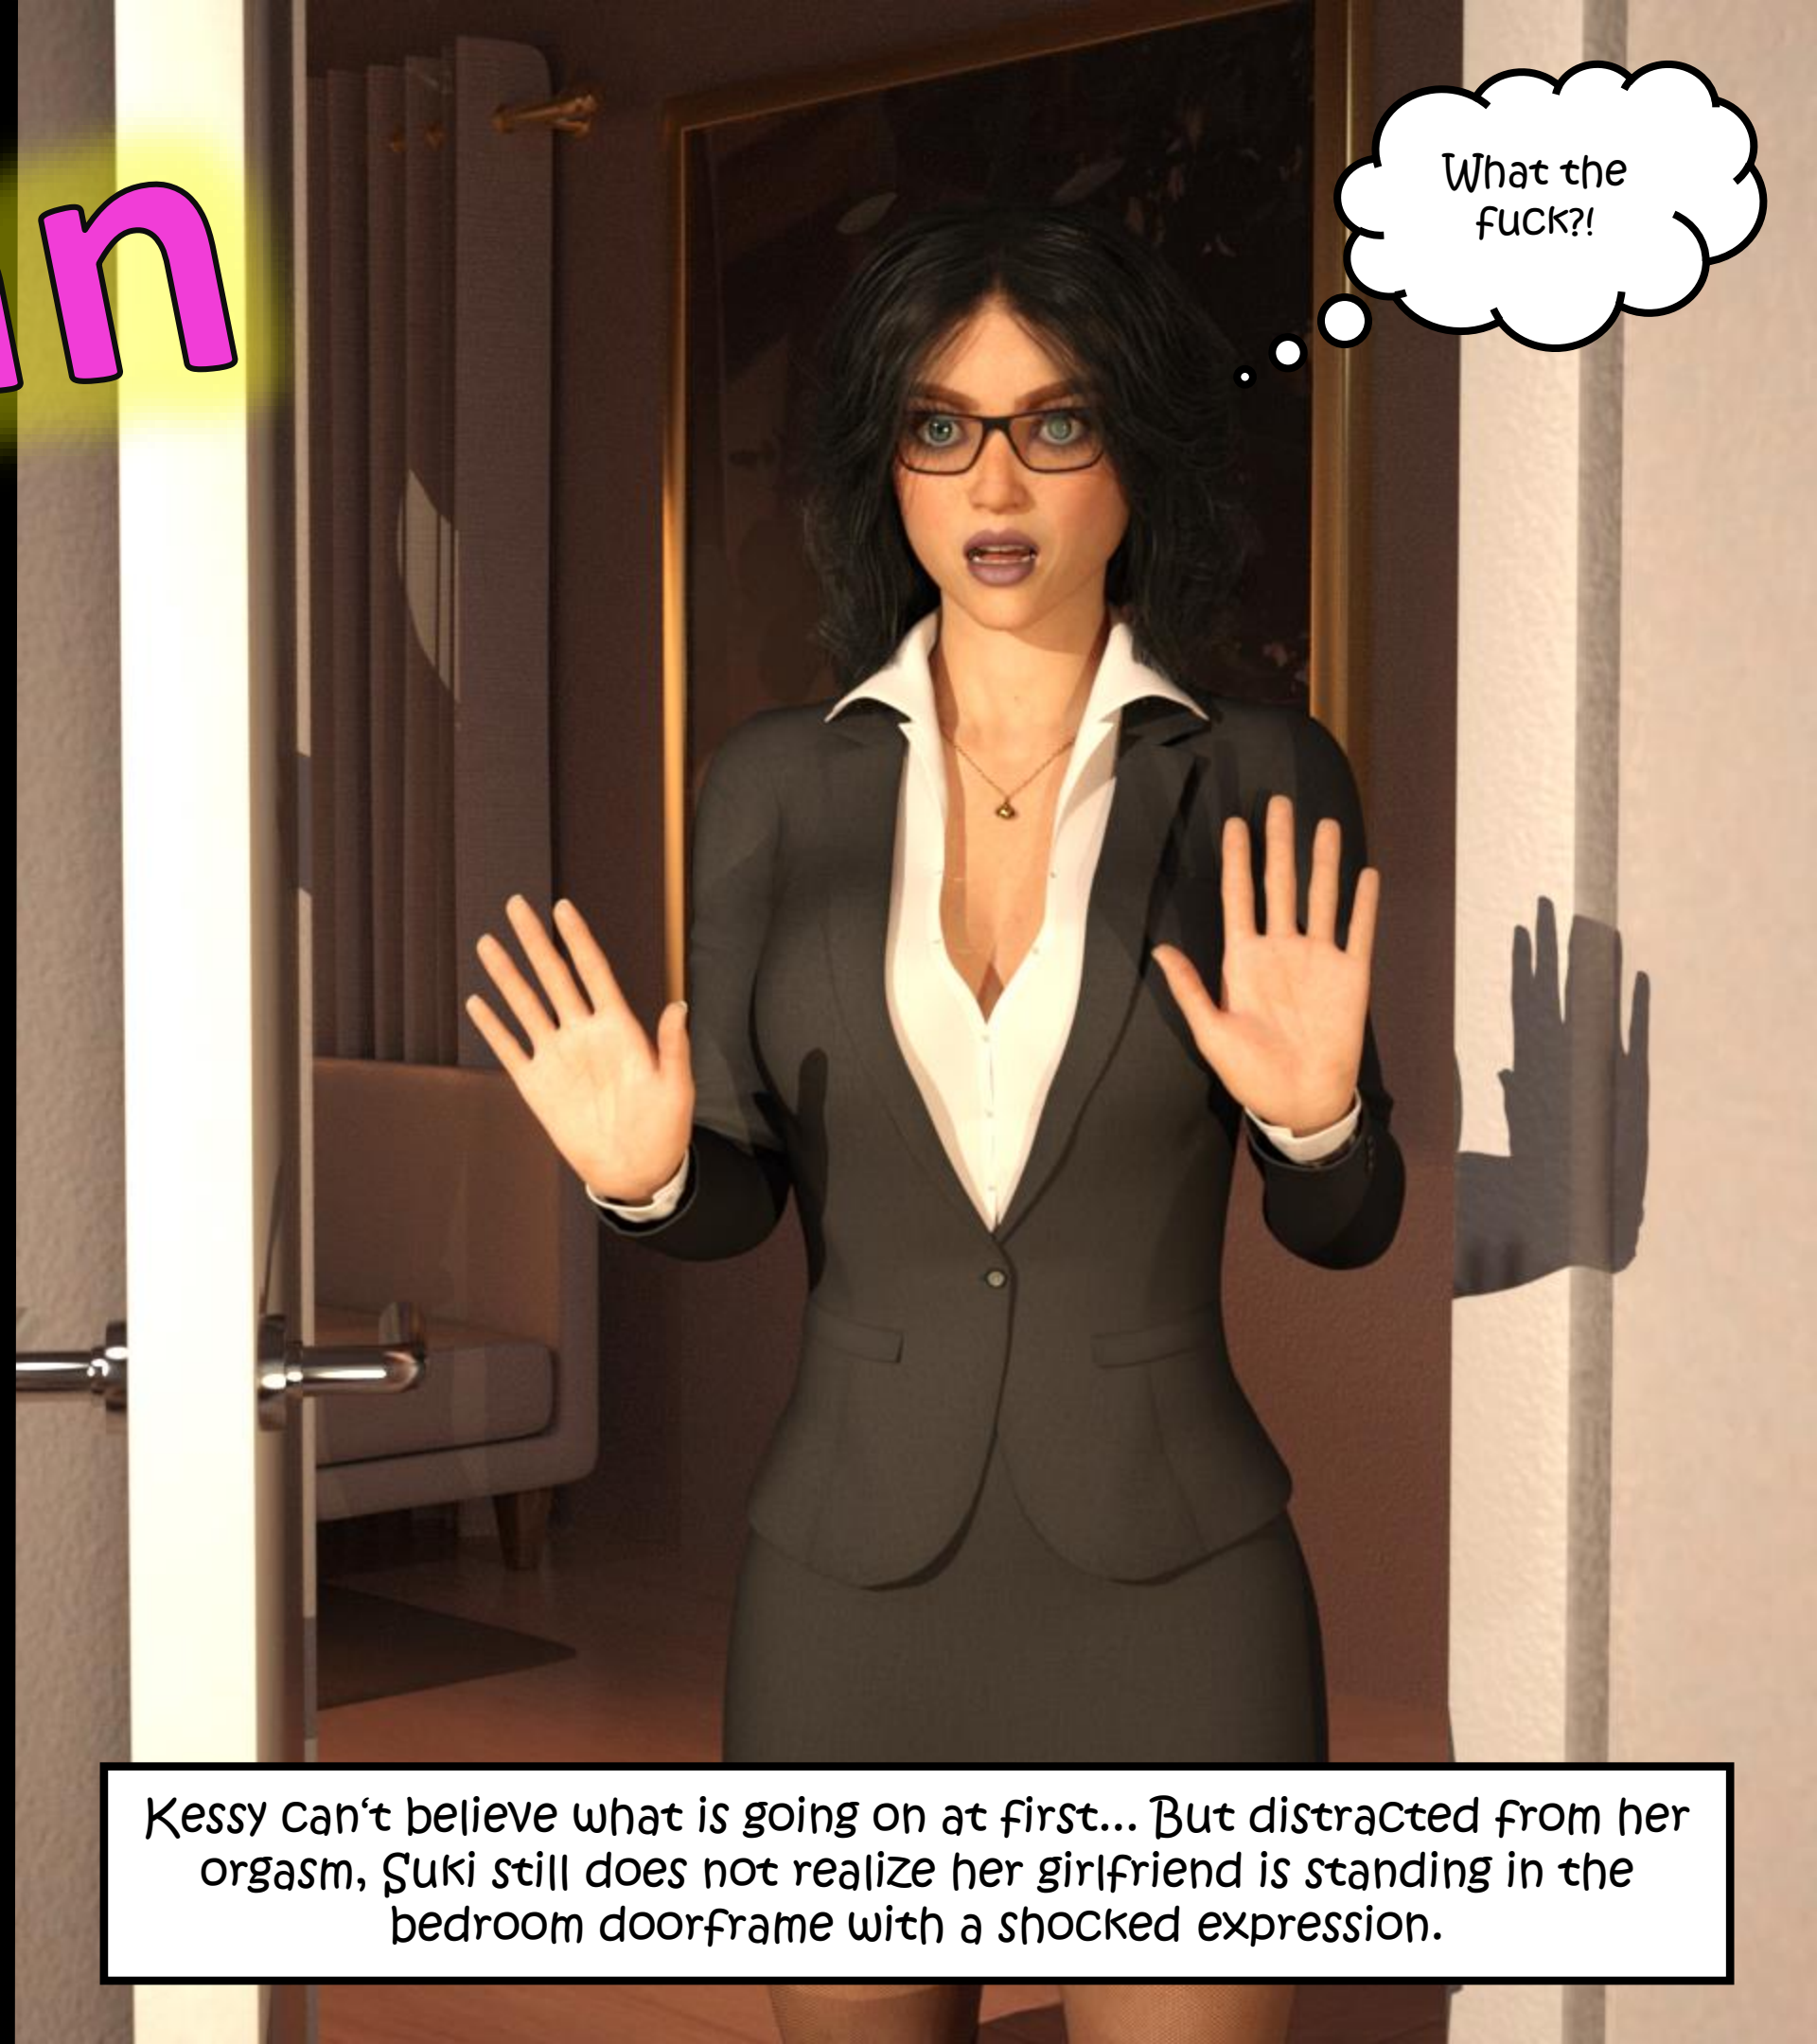

I'm cuming  
all over your  
face, slave!

Wha...

Need a  
hand?...

But the action unfolding in front of her is  
different from what she expected...

Kessy can't believe what is going on at first... But distracted from her orgasm, Suki still does not realize her girlfriend is standing in the bedroom doorframe with a shocked expression.

Moan

What the  
fuck, Suki?!

Kessy?!

What is going on here?!

It's not what  
it looks like!

**\*muffled noises\***  
I first helped Madame  
shower after a long day  
at the dance studio.  
Now I'm pleasuring her  
sexually.

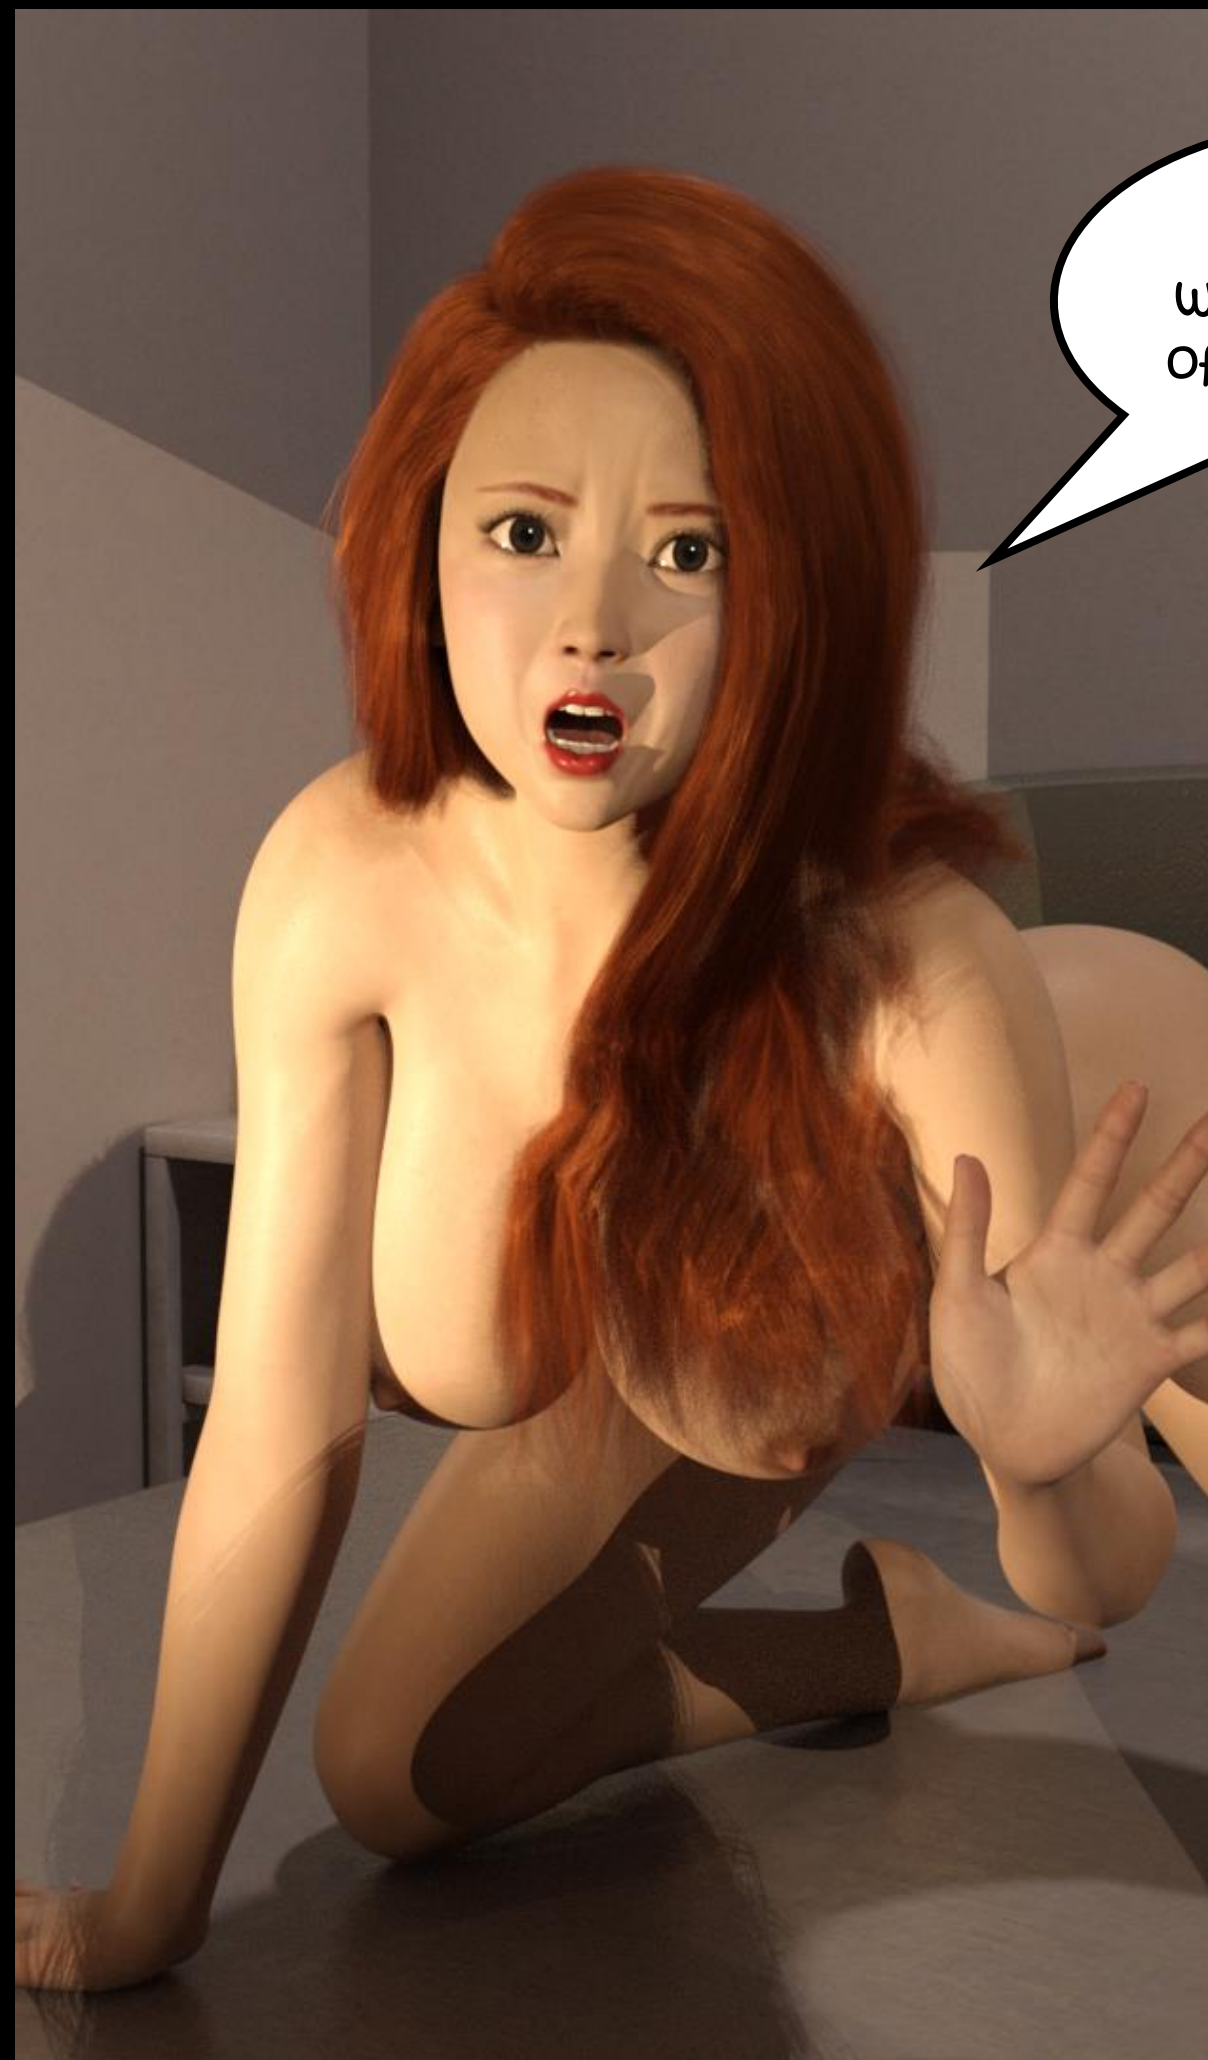

I can't  
believe  
this!

Suki quickly gets down from Scarlett's face, trying to plead with her girlfriend...

For how long is this going on?!

I... really, it was just a spur of the moment.

A one-time thing!

SHIT!

Madame's using me for sexual gratification for 2 months, 4 days and 12 hours now.

How could you?!

I'm sorry!

I... felt so ... alone.

You are always working so long....

Are you insane?!

I had her move in with us to protect her and you...

I did not mean to cheat on you, okay?

I just used her for release...

Err... I...  
but she  
liked it!

Are you  
fucking  
kidding me?!

2 For fucks sake she was programmed to be a sex slave!

You were abusing her state!

OUT!

1 See? It's not that ba...

Suki quickly puts some clothes on as Kessy pushes her out of the bedroom towards the door.

Please honey, let's talk about this.

You did to her exactly what I tried to protect her from!

She's my friend! I can't believe you'd do that to her!!

I never want to see you again!

Suki yields and leaves the apartment.

Kessy keeps on a strong resolute face til the door falls into the lock... Then she starts sobbing.

Crying, she returns to her reprogrammed friend and sits down on the bed.

Of course, I  
forgive you,  
Mistress.

Oh, Scarlett.  
What have we  
gotten ourselves  
into here...

sob

Is there  
anything I can  
do for you,  
Mistress?

sob

Just console  
me a little...

sob

Scarlett?  
What are you  
doing?!

Having interpreted Kessy's command differently, Scarlett has moved to the floor in front of her Mistress and pushes her legs apart.

I'm consoling you? With my mouth?

I did not  
mean in a  
sexual way!

Err... okay.  
Sorry, Mistress.

Moments later, we find Kessy leaning against Scarlett as she's patting her shoulder...

There... there...

pat  
pat

Where will Kessy's life go from here on, now that she has broken up with her girlfriend Suki and is left with only an obedient slave for company?

# Thank you for reading!

Hello, Hexxet here,

So, there was no on-screen MC, TF, or magic in this comic, but since it deals with the consequences of a slave, I hope you still enjoy how this story is developing. 😊

Can Kessy overcome her sadness? Will she find a new girlfriend? Will Kessy and Scarlett grow closer over the course of the coming year? And what's going to happen at her workplace? Slave Loan is planned to go on for two more chapters. I hope you are looking forward to how this story continues. 😊

If you like my comics, please consider supporting me on Patreon or Deviant Art by buying my work. I need your support to keep creating more Magic-Control comics! 😊
