Slave

FF

Neither can I...
It's a crazy world. 2

But I won't leave her at the mercy of some perv! She's safest with me for that year...

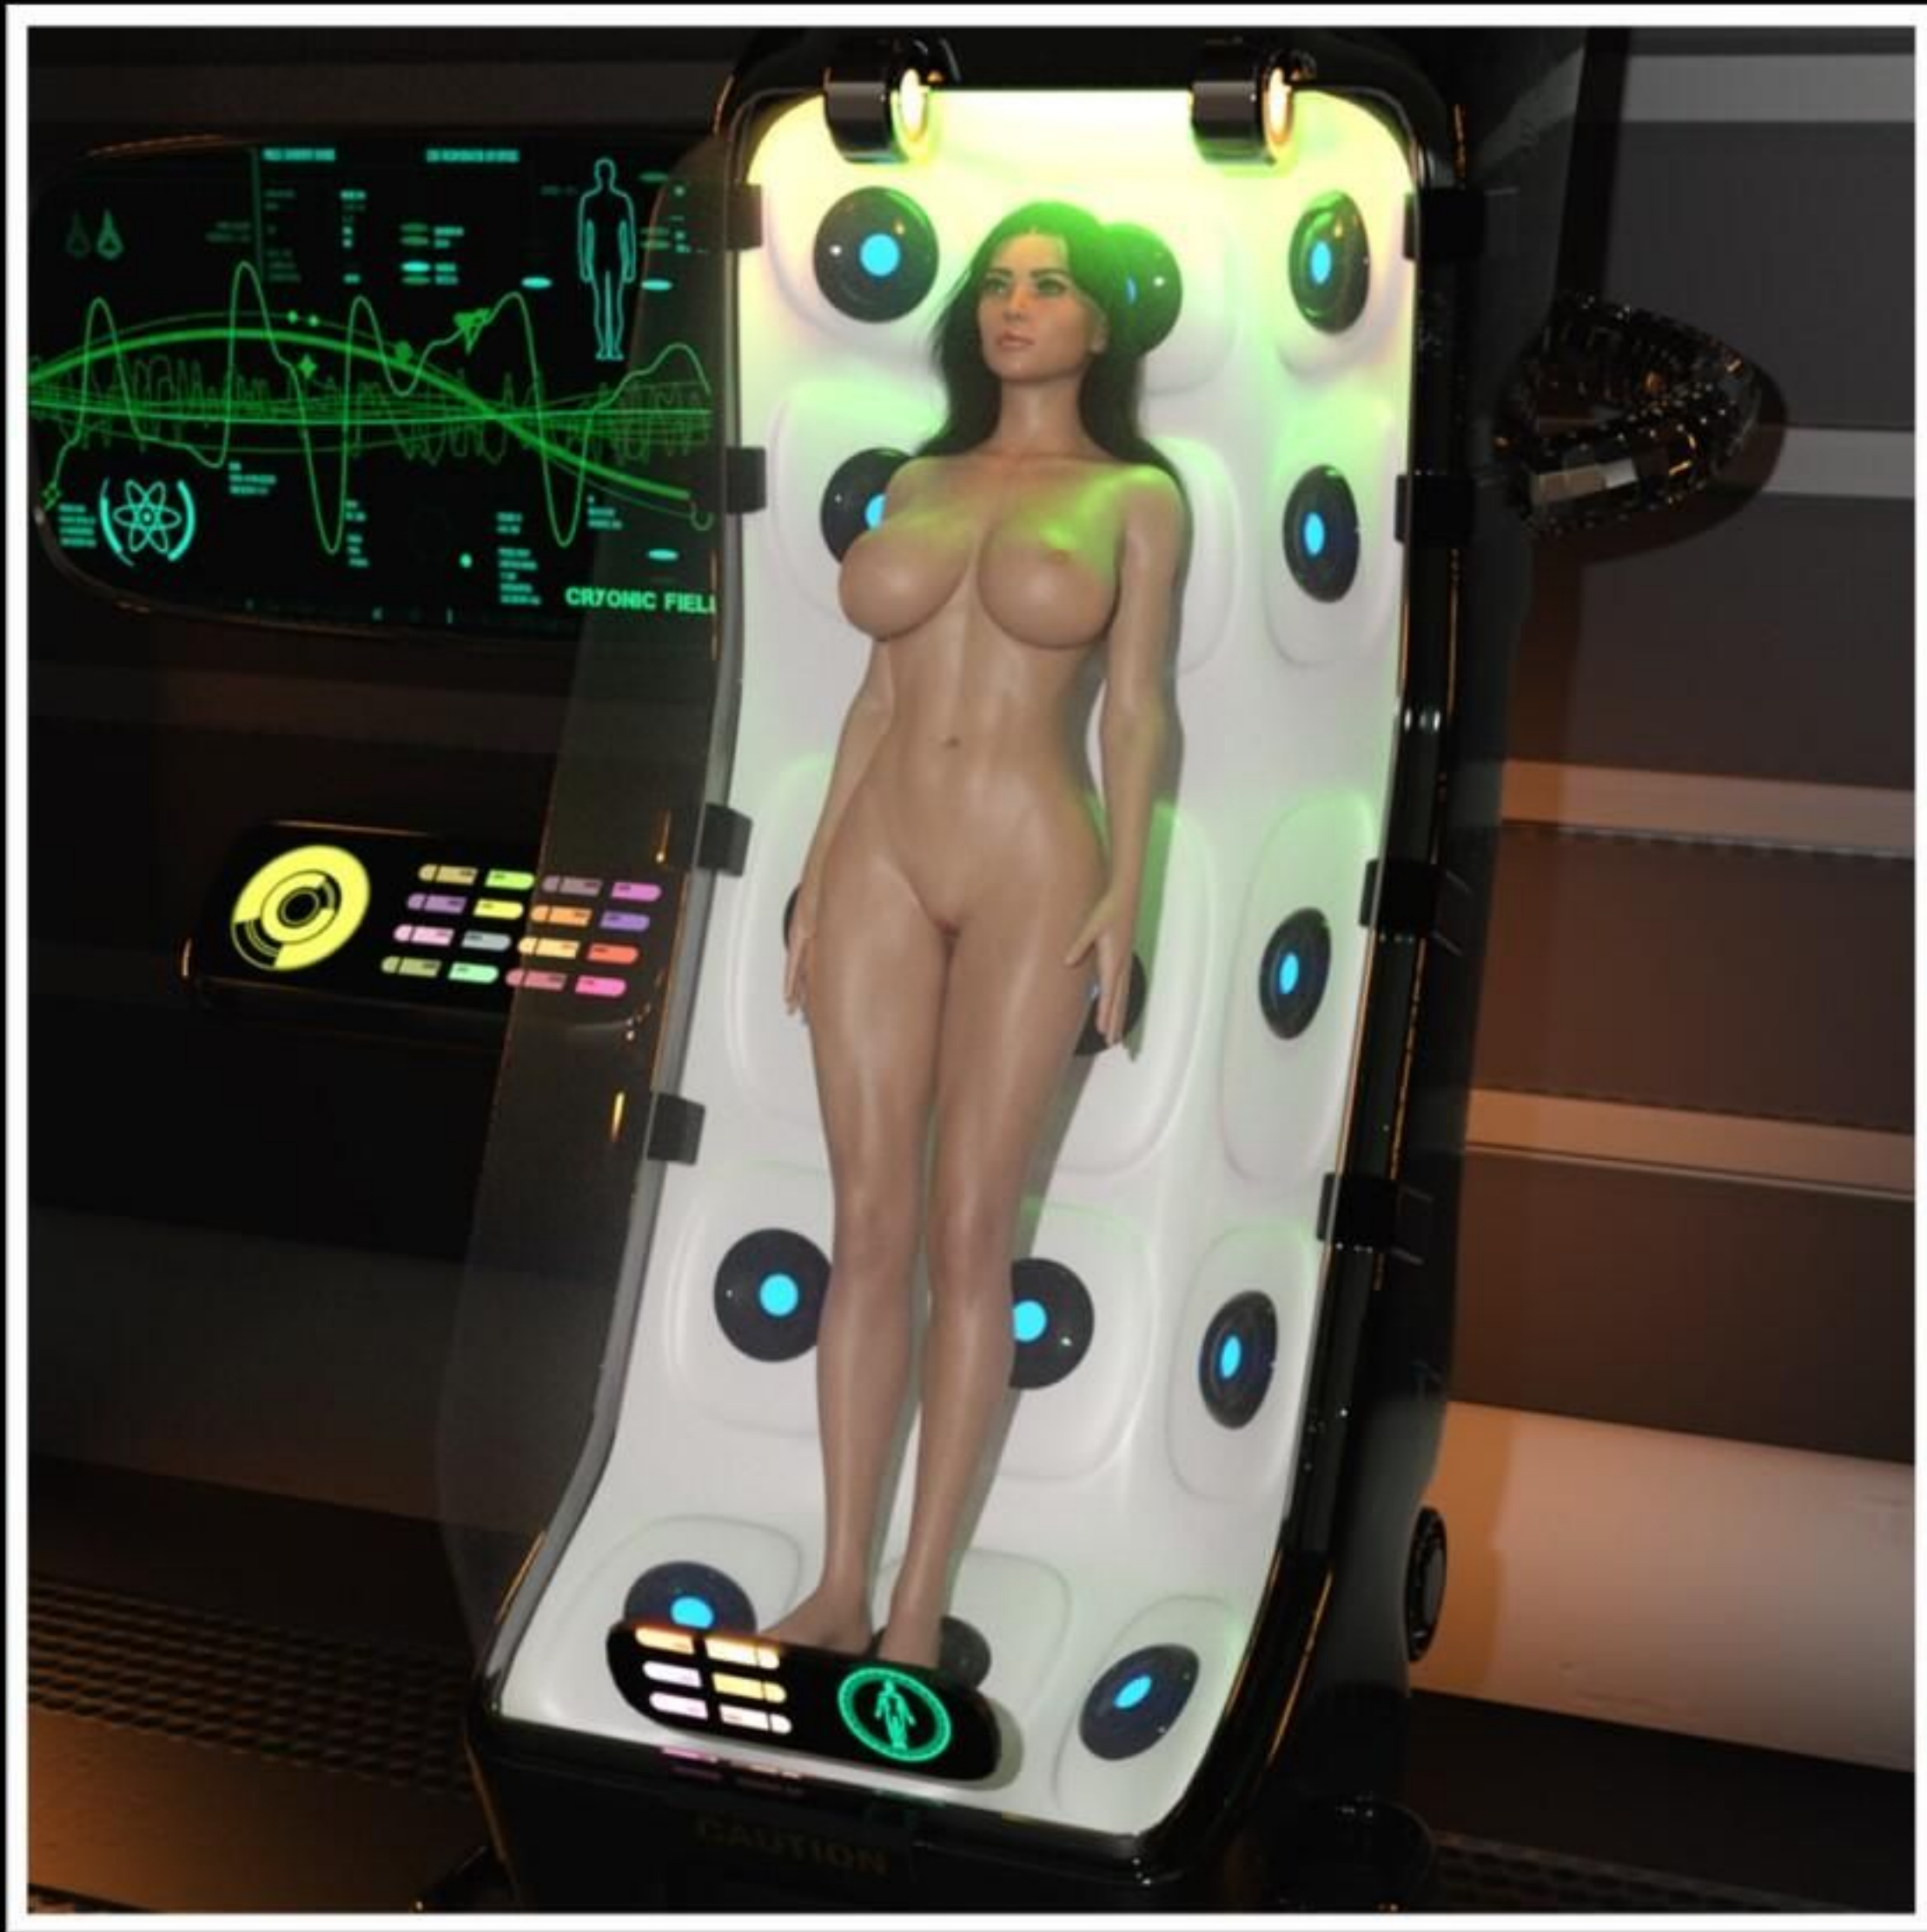

I still can't believe you are buying your best friend! 1

Drop the coat sweetie and let your new owner inspect the merchandise.

Yes, handler.

Kessy bought her best friend Scarlett who took a loan from a shady company called EVOLVUM. People who can't pay back with interest are sold off as temporary slaves until their time has paid off their debt.

lick

Everything seems to be working out nicely on the surface...

Getting through this year will be a piece of cake!

But what is that?! Once Kessy leaves the apartment...

Kessy's out now.

Yes, Madame. Would you like me to undress now?

What will Suki have Scarlett do while Kessy is out?

Yeah, I had to dance a lot today. Show them the moves...

But what you do down there feels amazing...

However... kiss them now!

And what kinda dirty fun
will Kessy await at home
when she returns early
from work that day?!
