

Smoking Hypnosis

Dr. stein

Just be honest with me.

Who're you working for?

Who's supplying you with drugs?

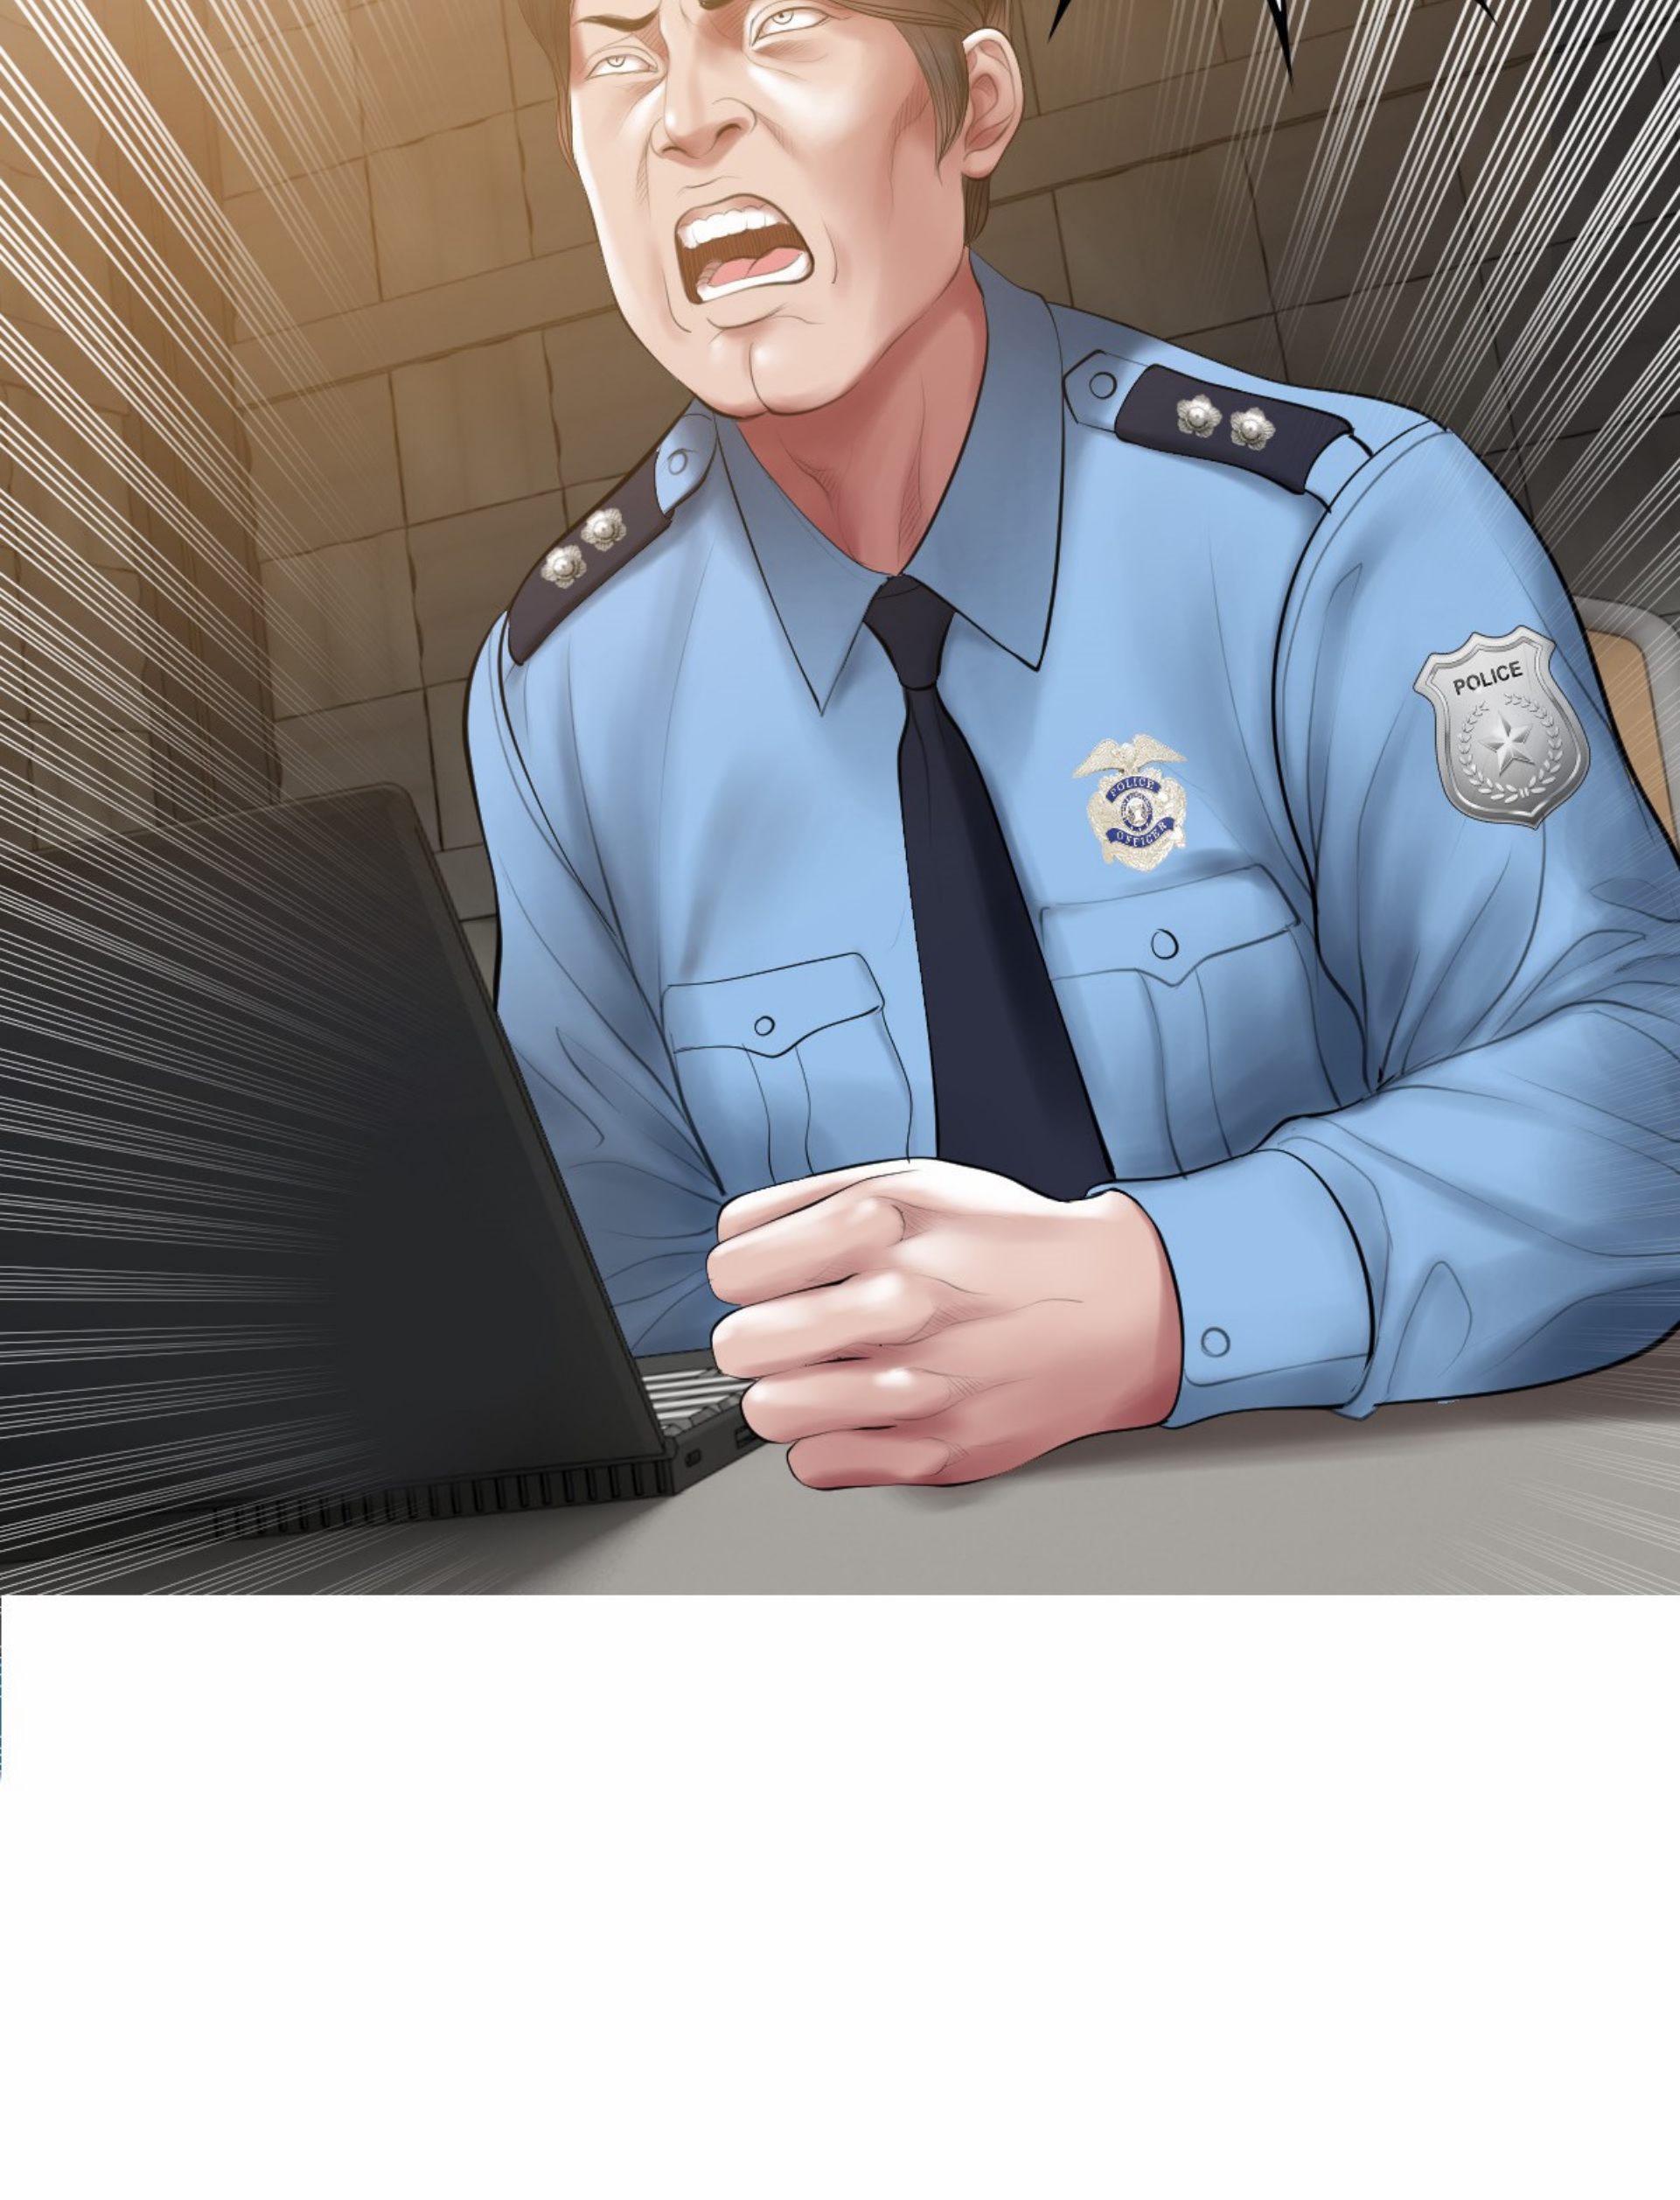

.....

BANG!

ANSWER ME!

I've already told ya I ain't got a clue about these drugs you're askin' about.

Fuck... You're a seriously stubborn pig.

Bullshit! You better watch your mouth!

##\$@#%!!

.....

Alex isn't the only one remaining silent.

Everyone we've managed to bring in aren't saying a word.

We've checked every spot Mia provided,

but haven't managed to find any evidence.

They've covered their tracks very thoroughly.

This is going to be harder than I thought.

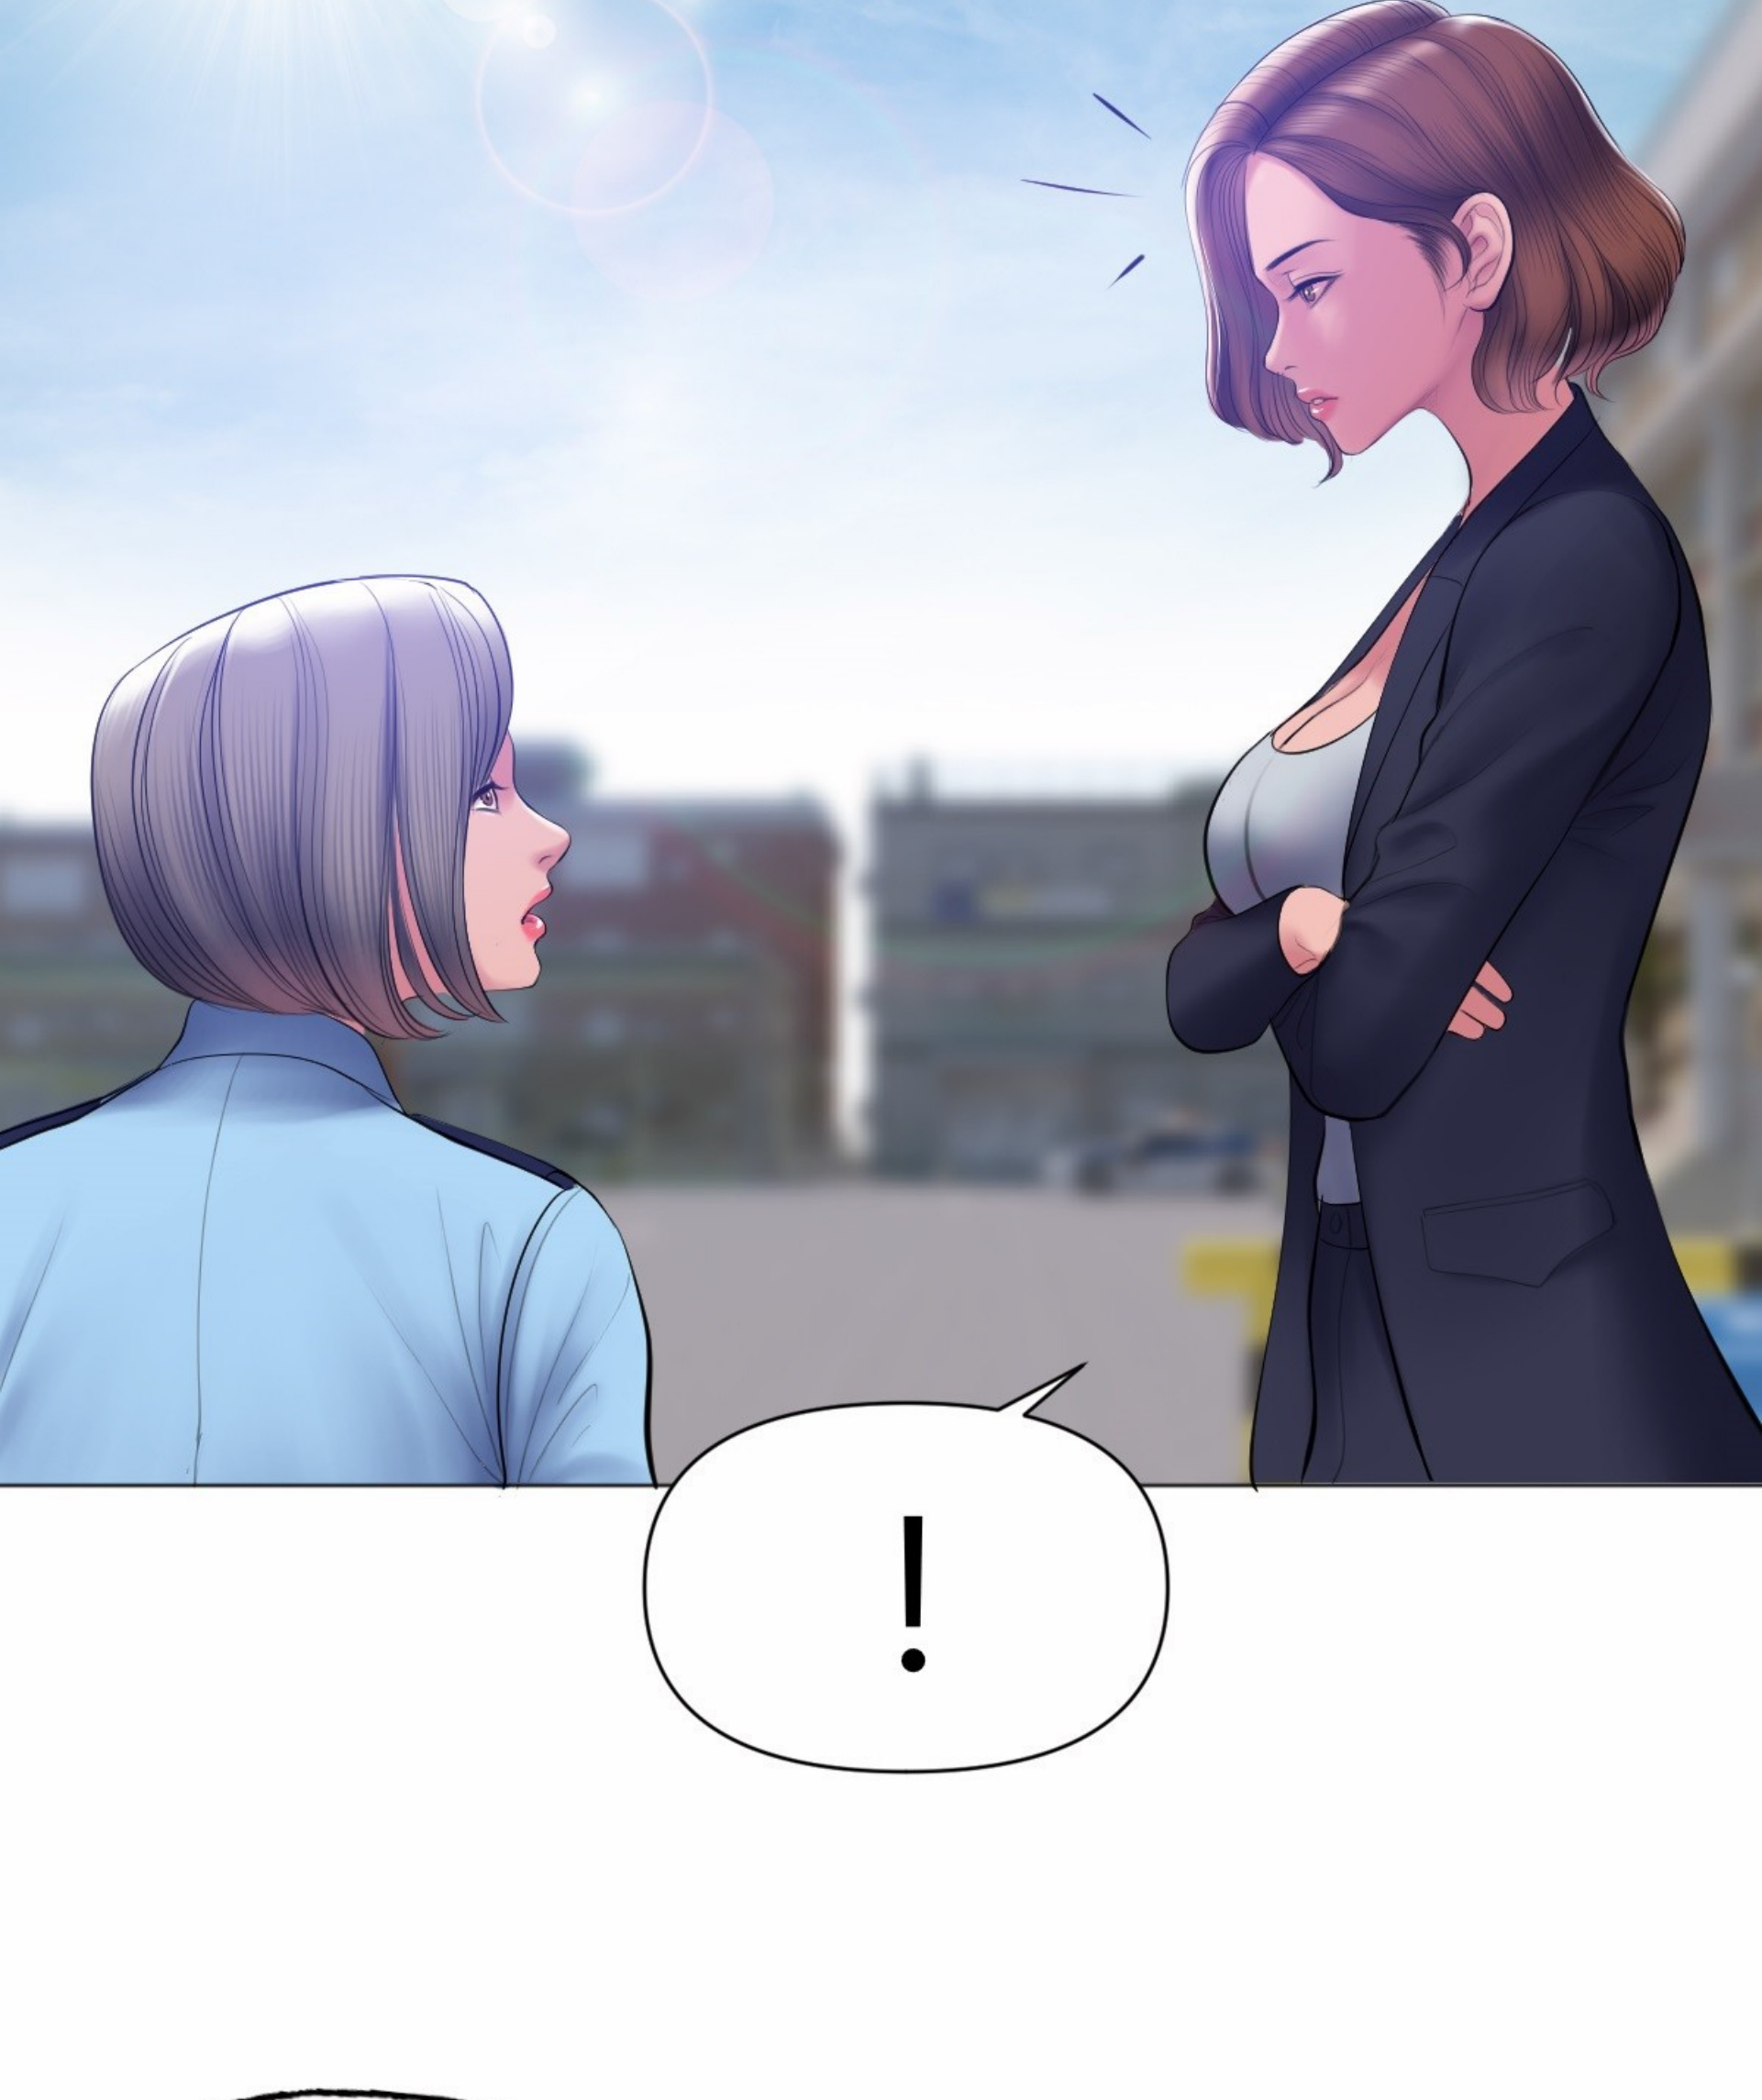

By the way, you never told me where you found this lead.

It was almost a perfect crime.

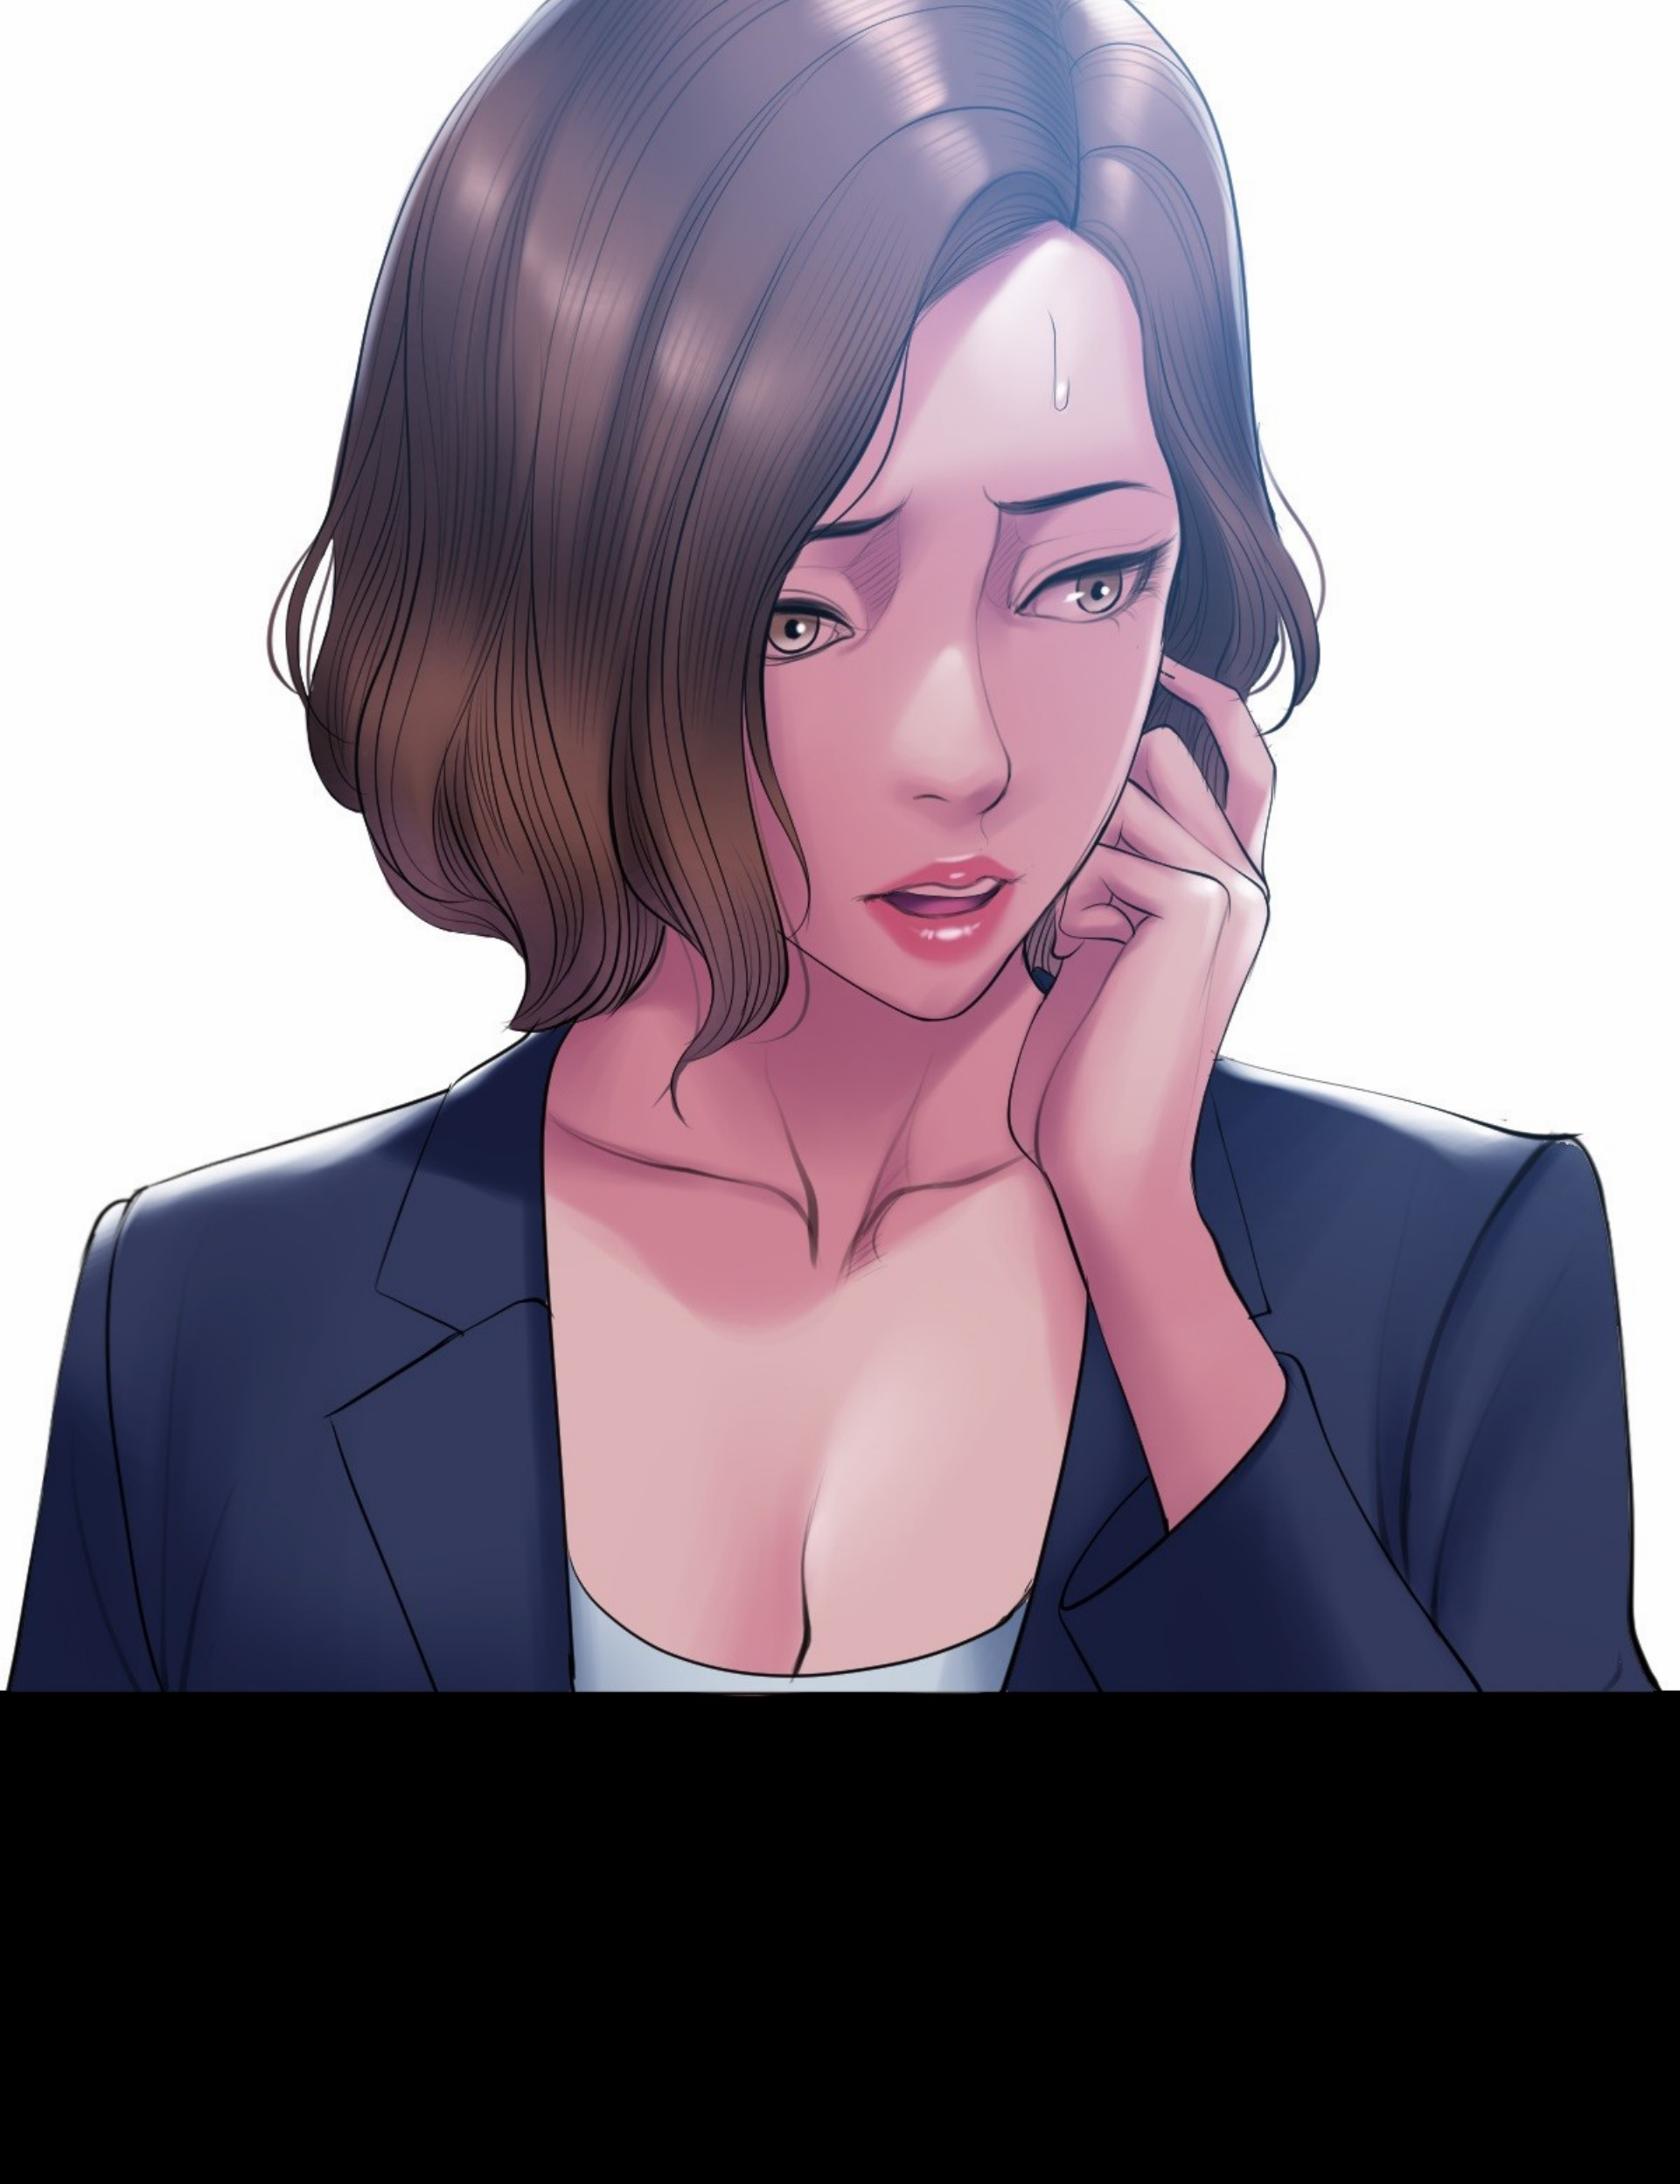

How did you get all this out of Mia

when every other victim refused to cooperate?

!

Oh...mmm... That's...

2. Rescue

Mia is...

Carter's best friend.

They've known each other since they were kids,

so Mia is like family to me.

But one day...

Carter said she'd been acting weird and showed me some pictures.

.....

I couldn't believe it.

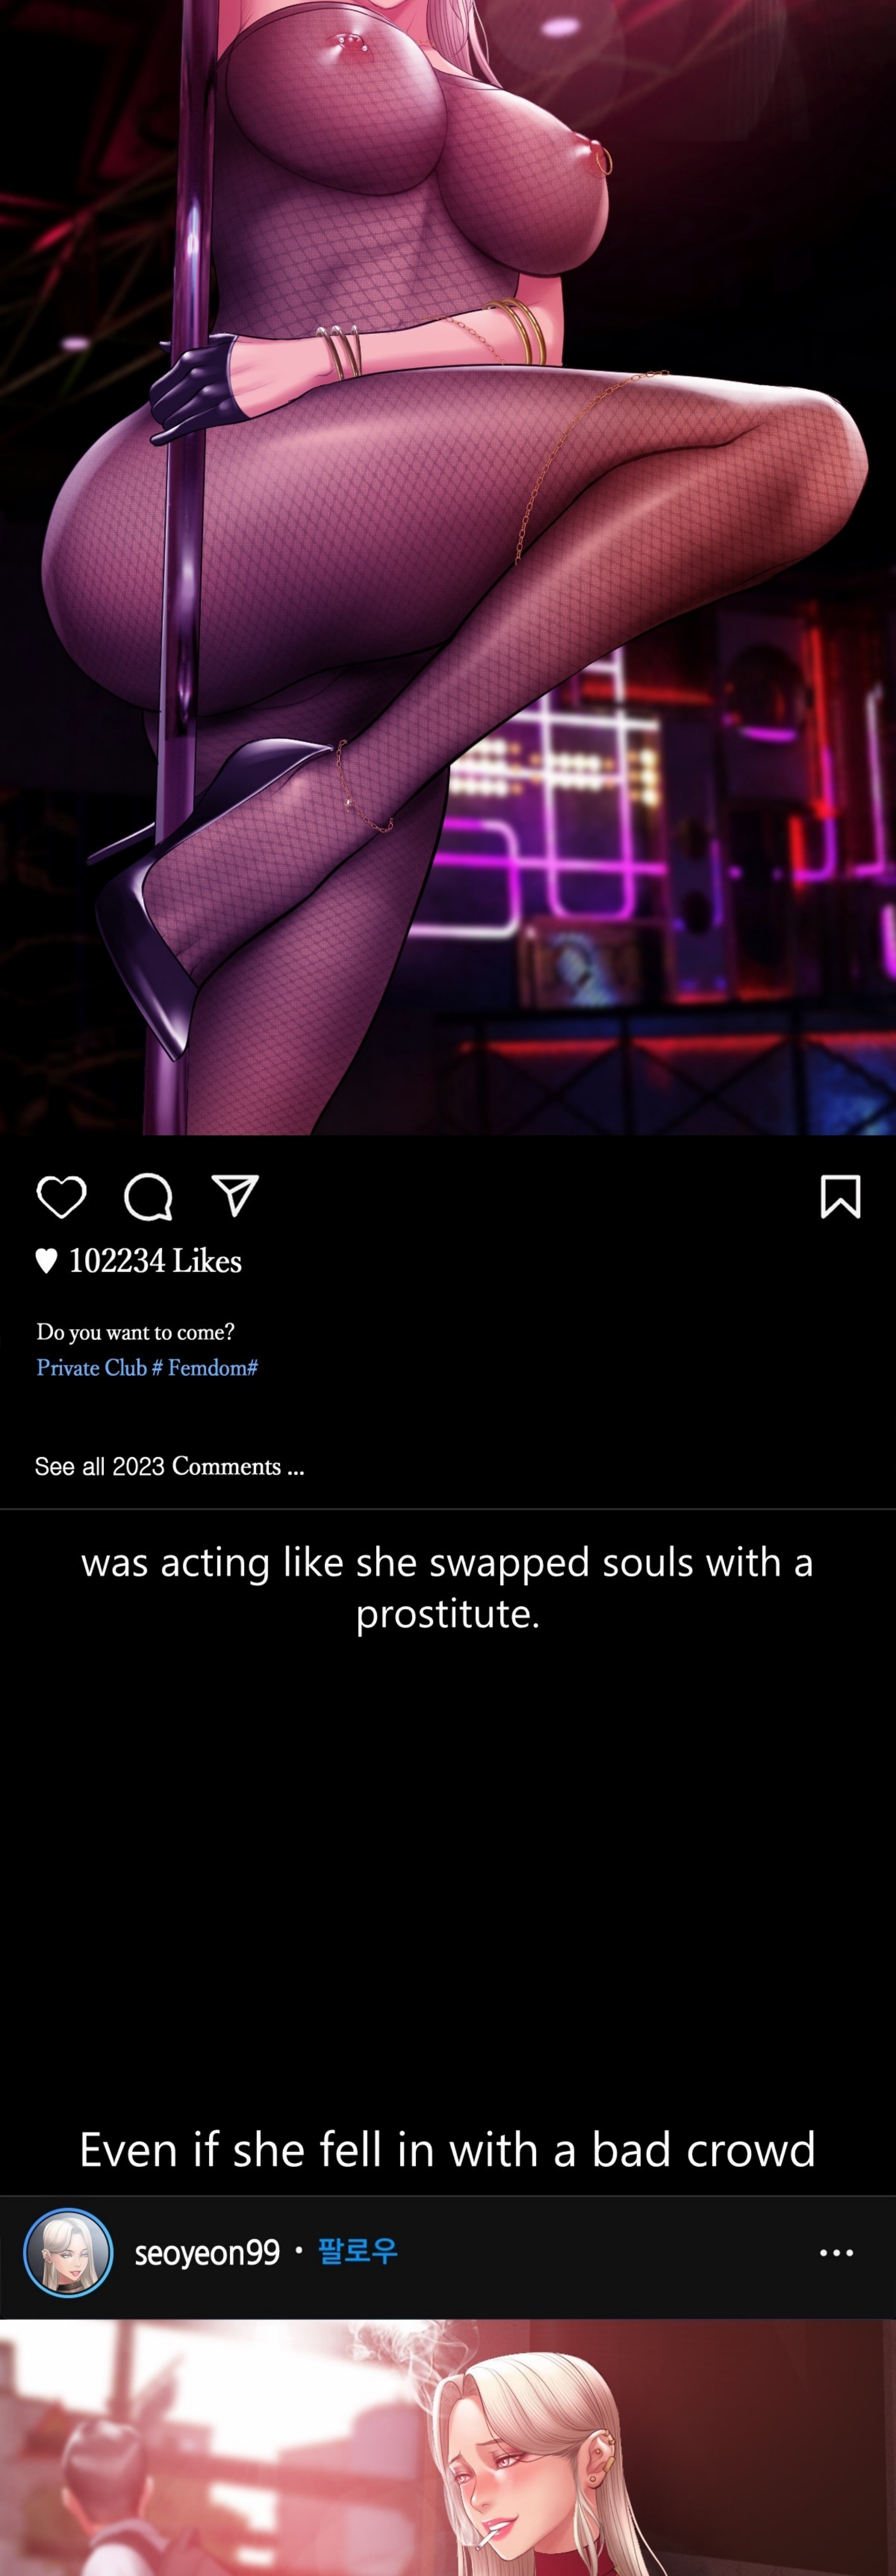

What the...

Mia, who was the most strait-laced girl I knew,

I'm smoking in a non-smoking area.
Ah, isn't that the problem? LOL

that's no excuse for such a drastic transformation.

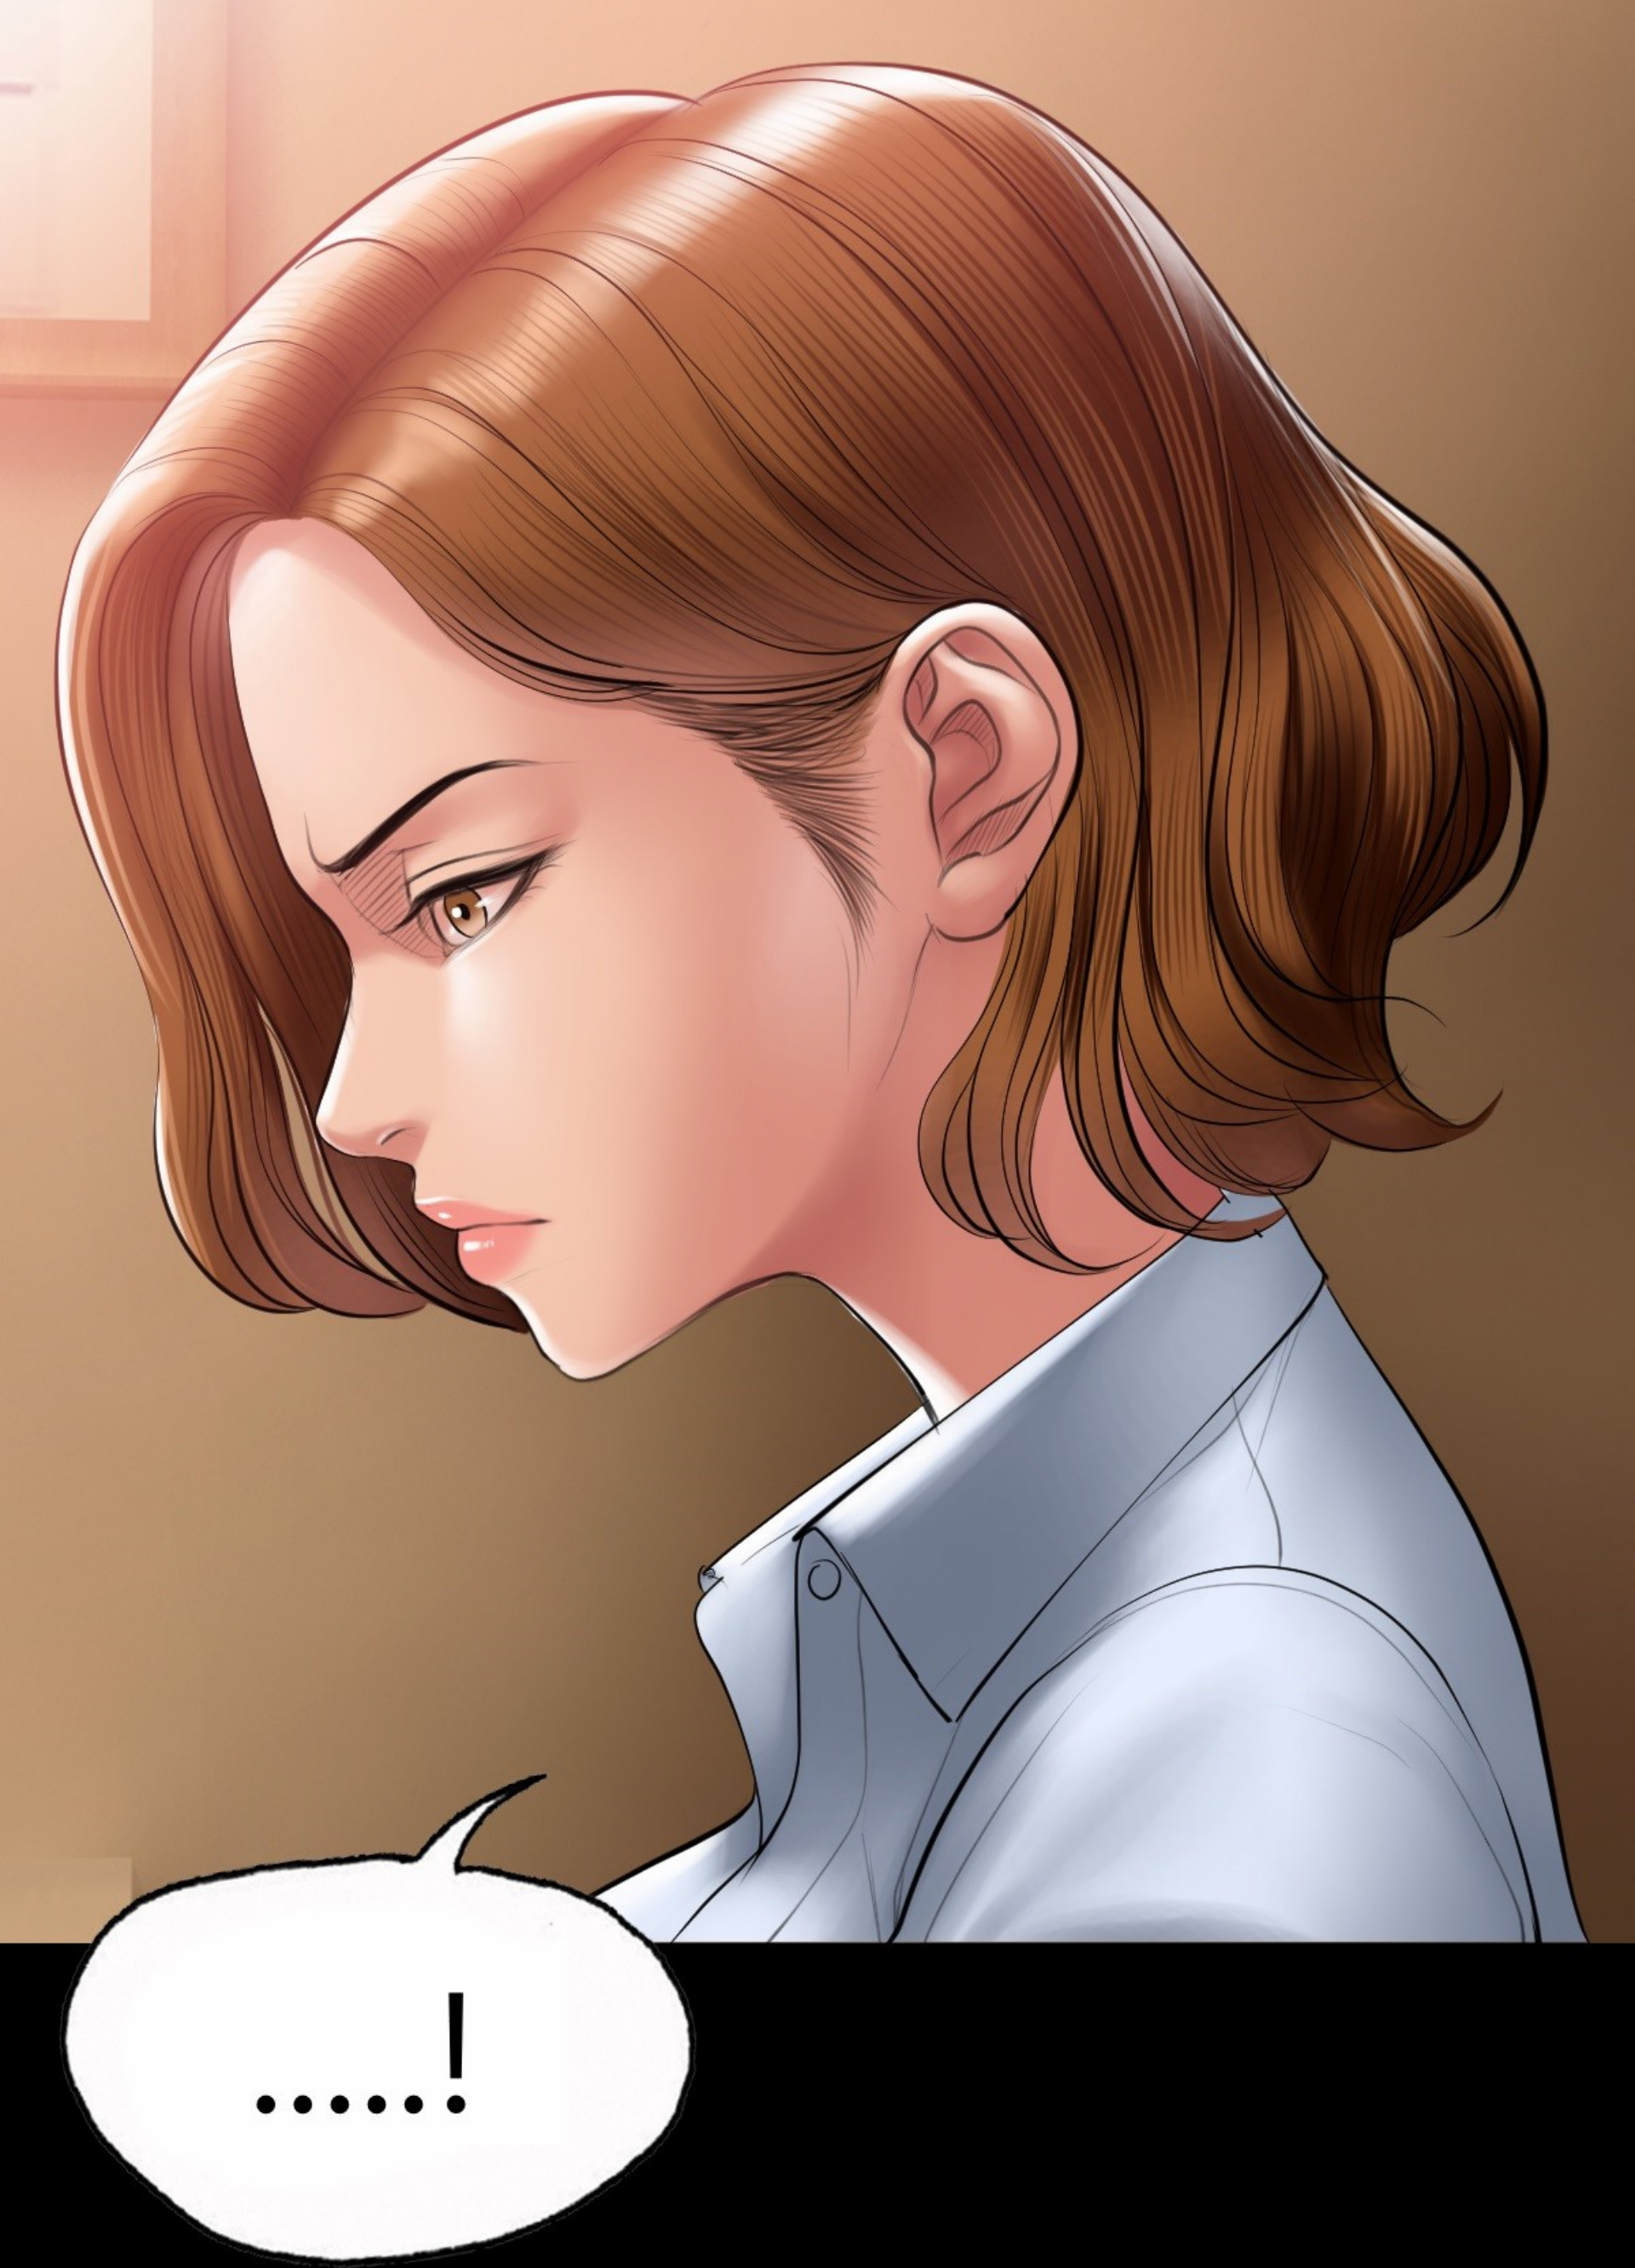

He told me what he thought happened, that Mia was being manipulated by a man.

You're a cop.

Is any of this making sense to you?

It reminded me of some rumors that had been floating around the office.

.....!

Rumors of a drug that brainwashes women and turns them into sex slaves and whores.

However, if such a drug did exist, it left no traces in the body. And with uncooperative victims, it was impossible to build an investigation.

Would you idiots leave me alone!

I've told you a million times I work here cause I like it!

Occasionally, the victims families would file a report.

I need your help! I think something bad happened to my sister!

Of course it's not her choice! My sister was a promising medical student, why would she suddenly become a prostitute?

But they would always withdraw them, saying it was just a misunderstanding.

*Oh, officer♥
Don't worry about that silly report, my sister went and explained everything to me.*

*Sorry for wasting your time, but I'm really busy right now♥
Can I go back in?*

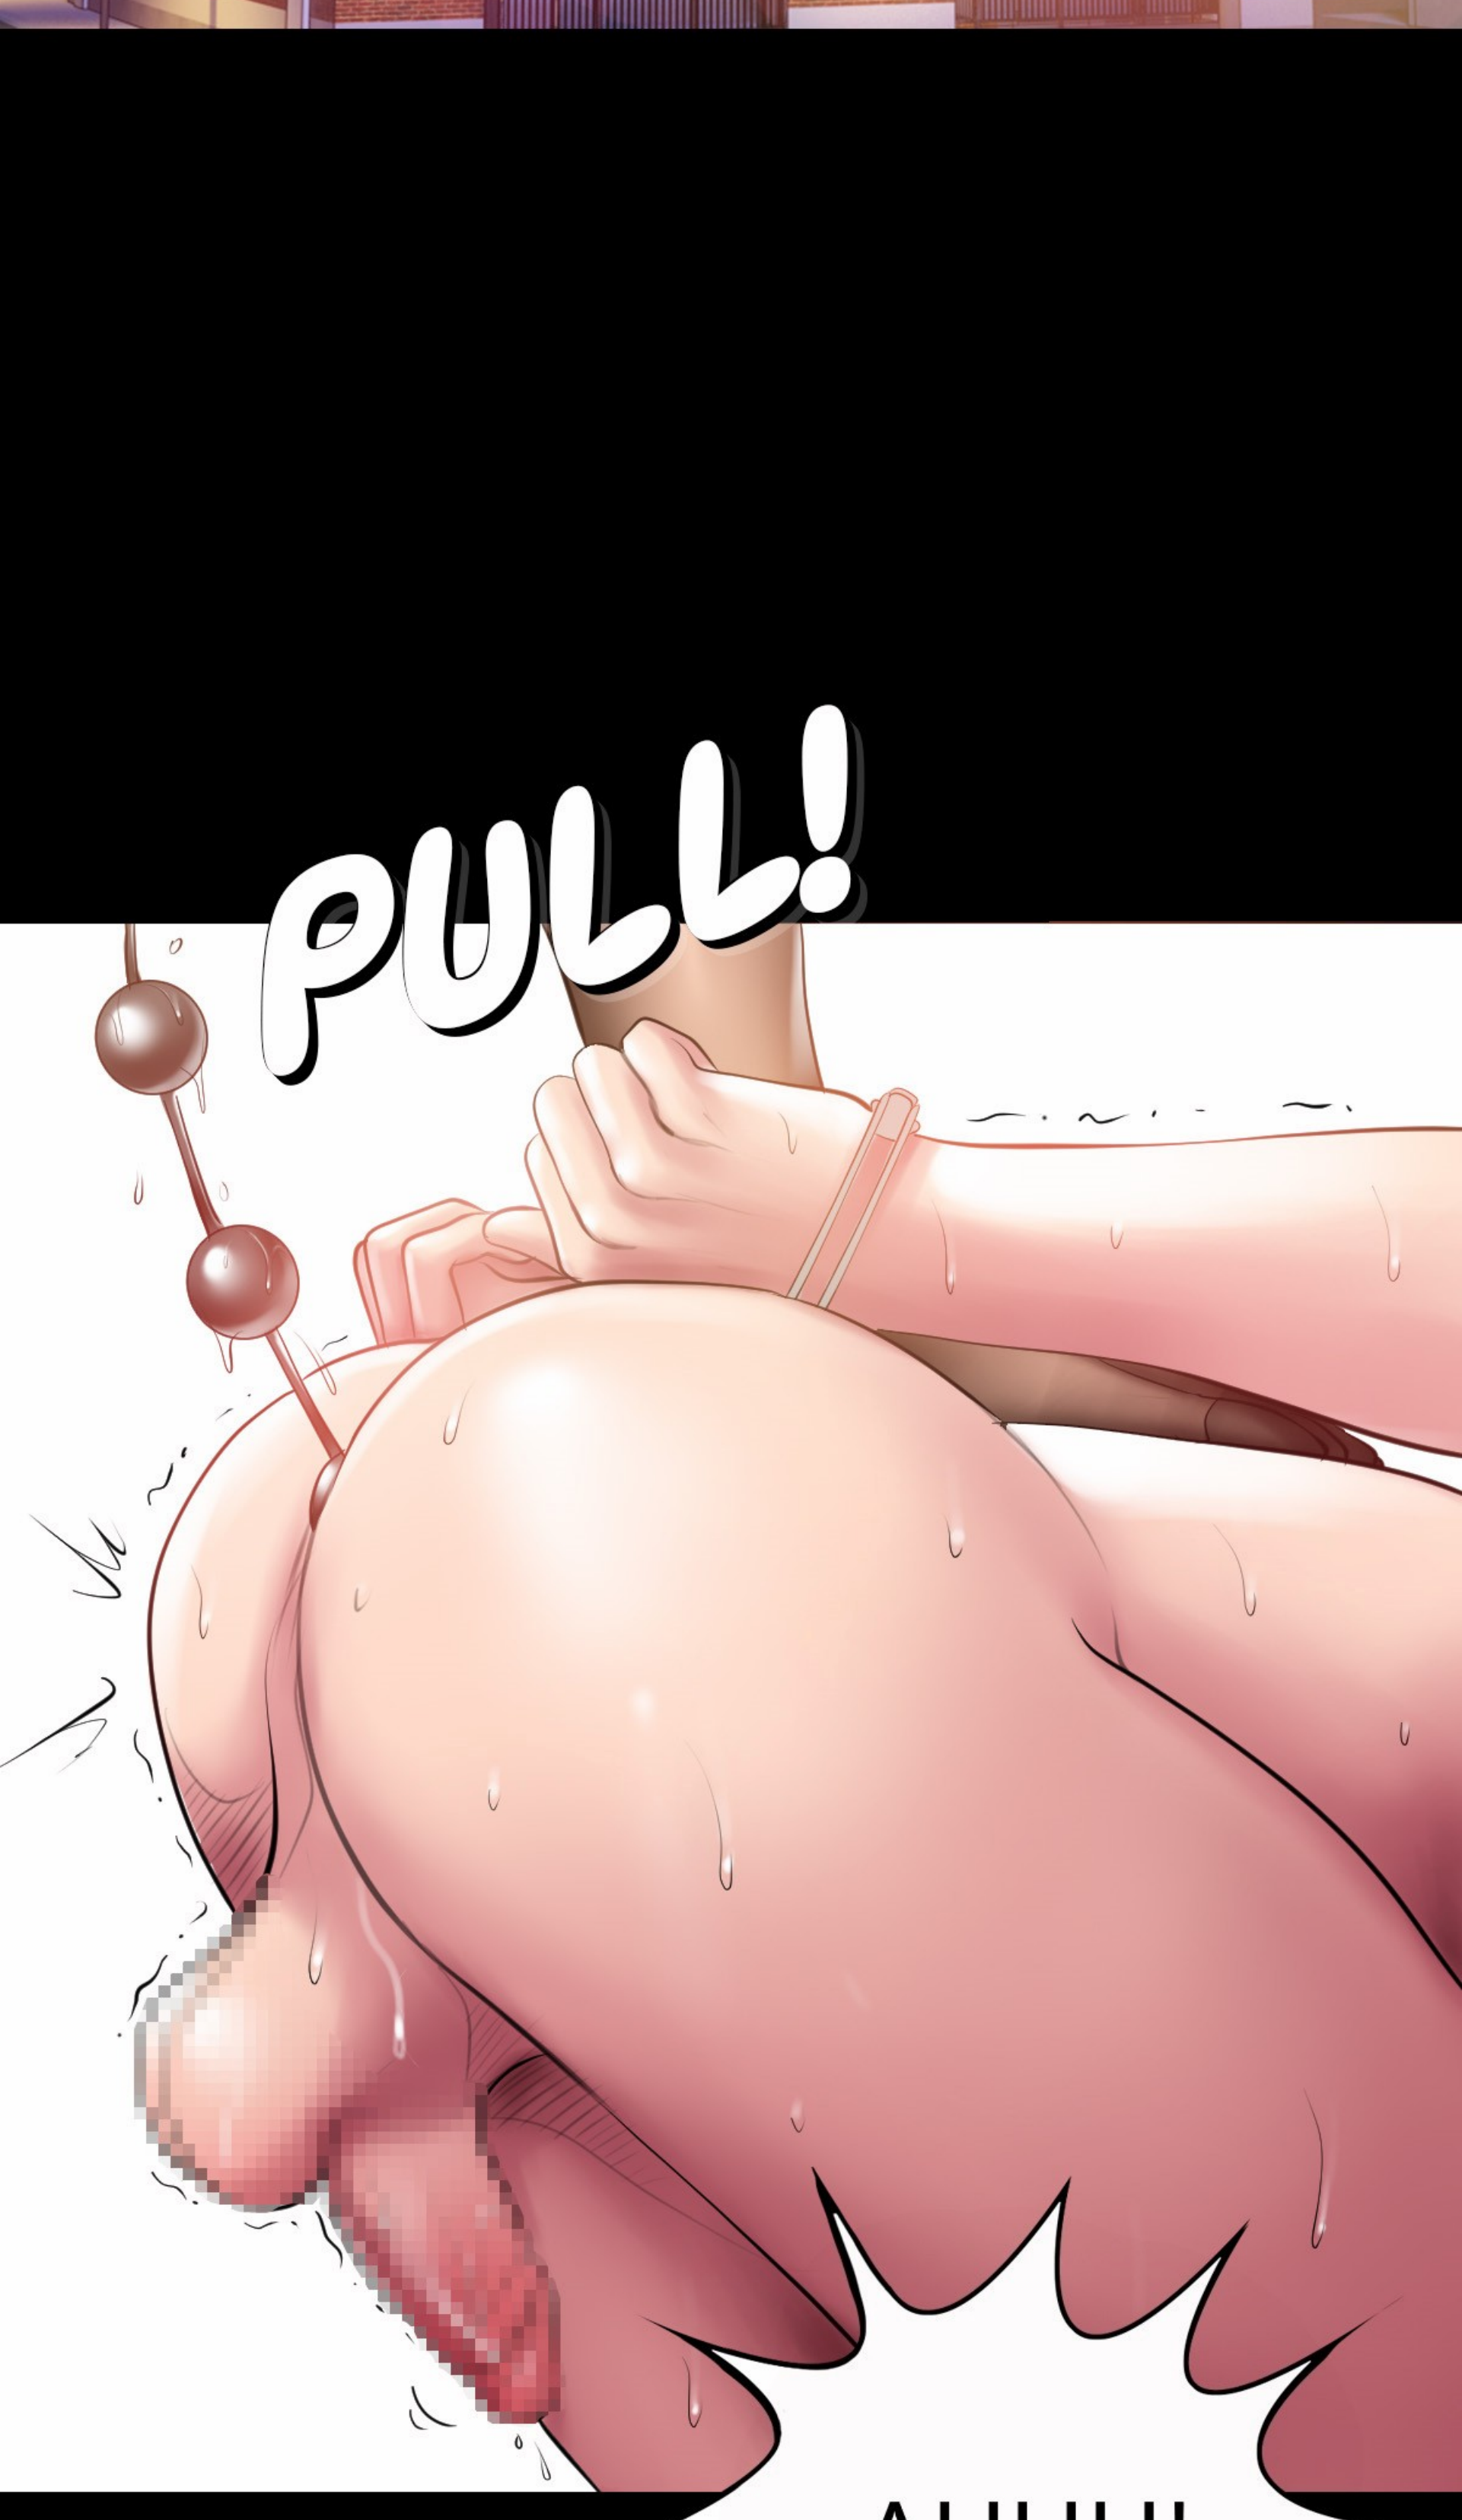

When I tried to explain how difficult it was to launch a full scale investigation based on such flimsy information, Carter begged me.

Carter said, "If it's that difficult to investigate, I'll kill him myself and save Mia!"

So I came up with an idea.

Although, it wasn't legal...

AHHH!

Mi...MISTRESS!

It hurts!
Please don't
pull so hard!

.....

AHH...

Puff...

Steve...

How dare you cum without my permission?

Impudent bastard.

I...I'm sorry Mistress!

It won't happen again...

CRACK!

OUCH!

Jessica must hate how fast you blow your load, it's so pathetic.

This time we're gonna keep these beads in until you learn to wait for permission, understand?

Y...Yes ma'am...

AH!

STEP!

I bet you're wondering if I'll finally let you fuck me.

PLOP!

Oop?!

Sorry, but a pathetic cock like yours doesn't deserve to be in my pussy.

You'll just have to settle for smellin' my cunt...

While my feet make you cum.

Now, what do you say?

HAH...Th... Thank you... Mistress ♡
