Good

Ah! Chief!

Good
Morning, Sir♡

Why?

He said I should share them with my colleagues!

My grandpa runs a small flower shop.

They're popular with office workers, I guess they relieve fatigue.

.....

You still should've asked me first.

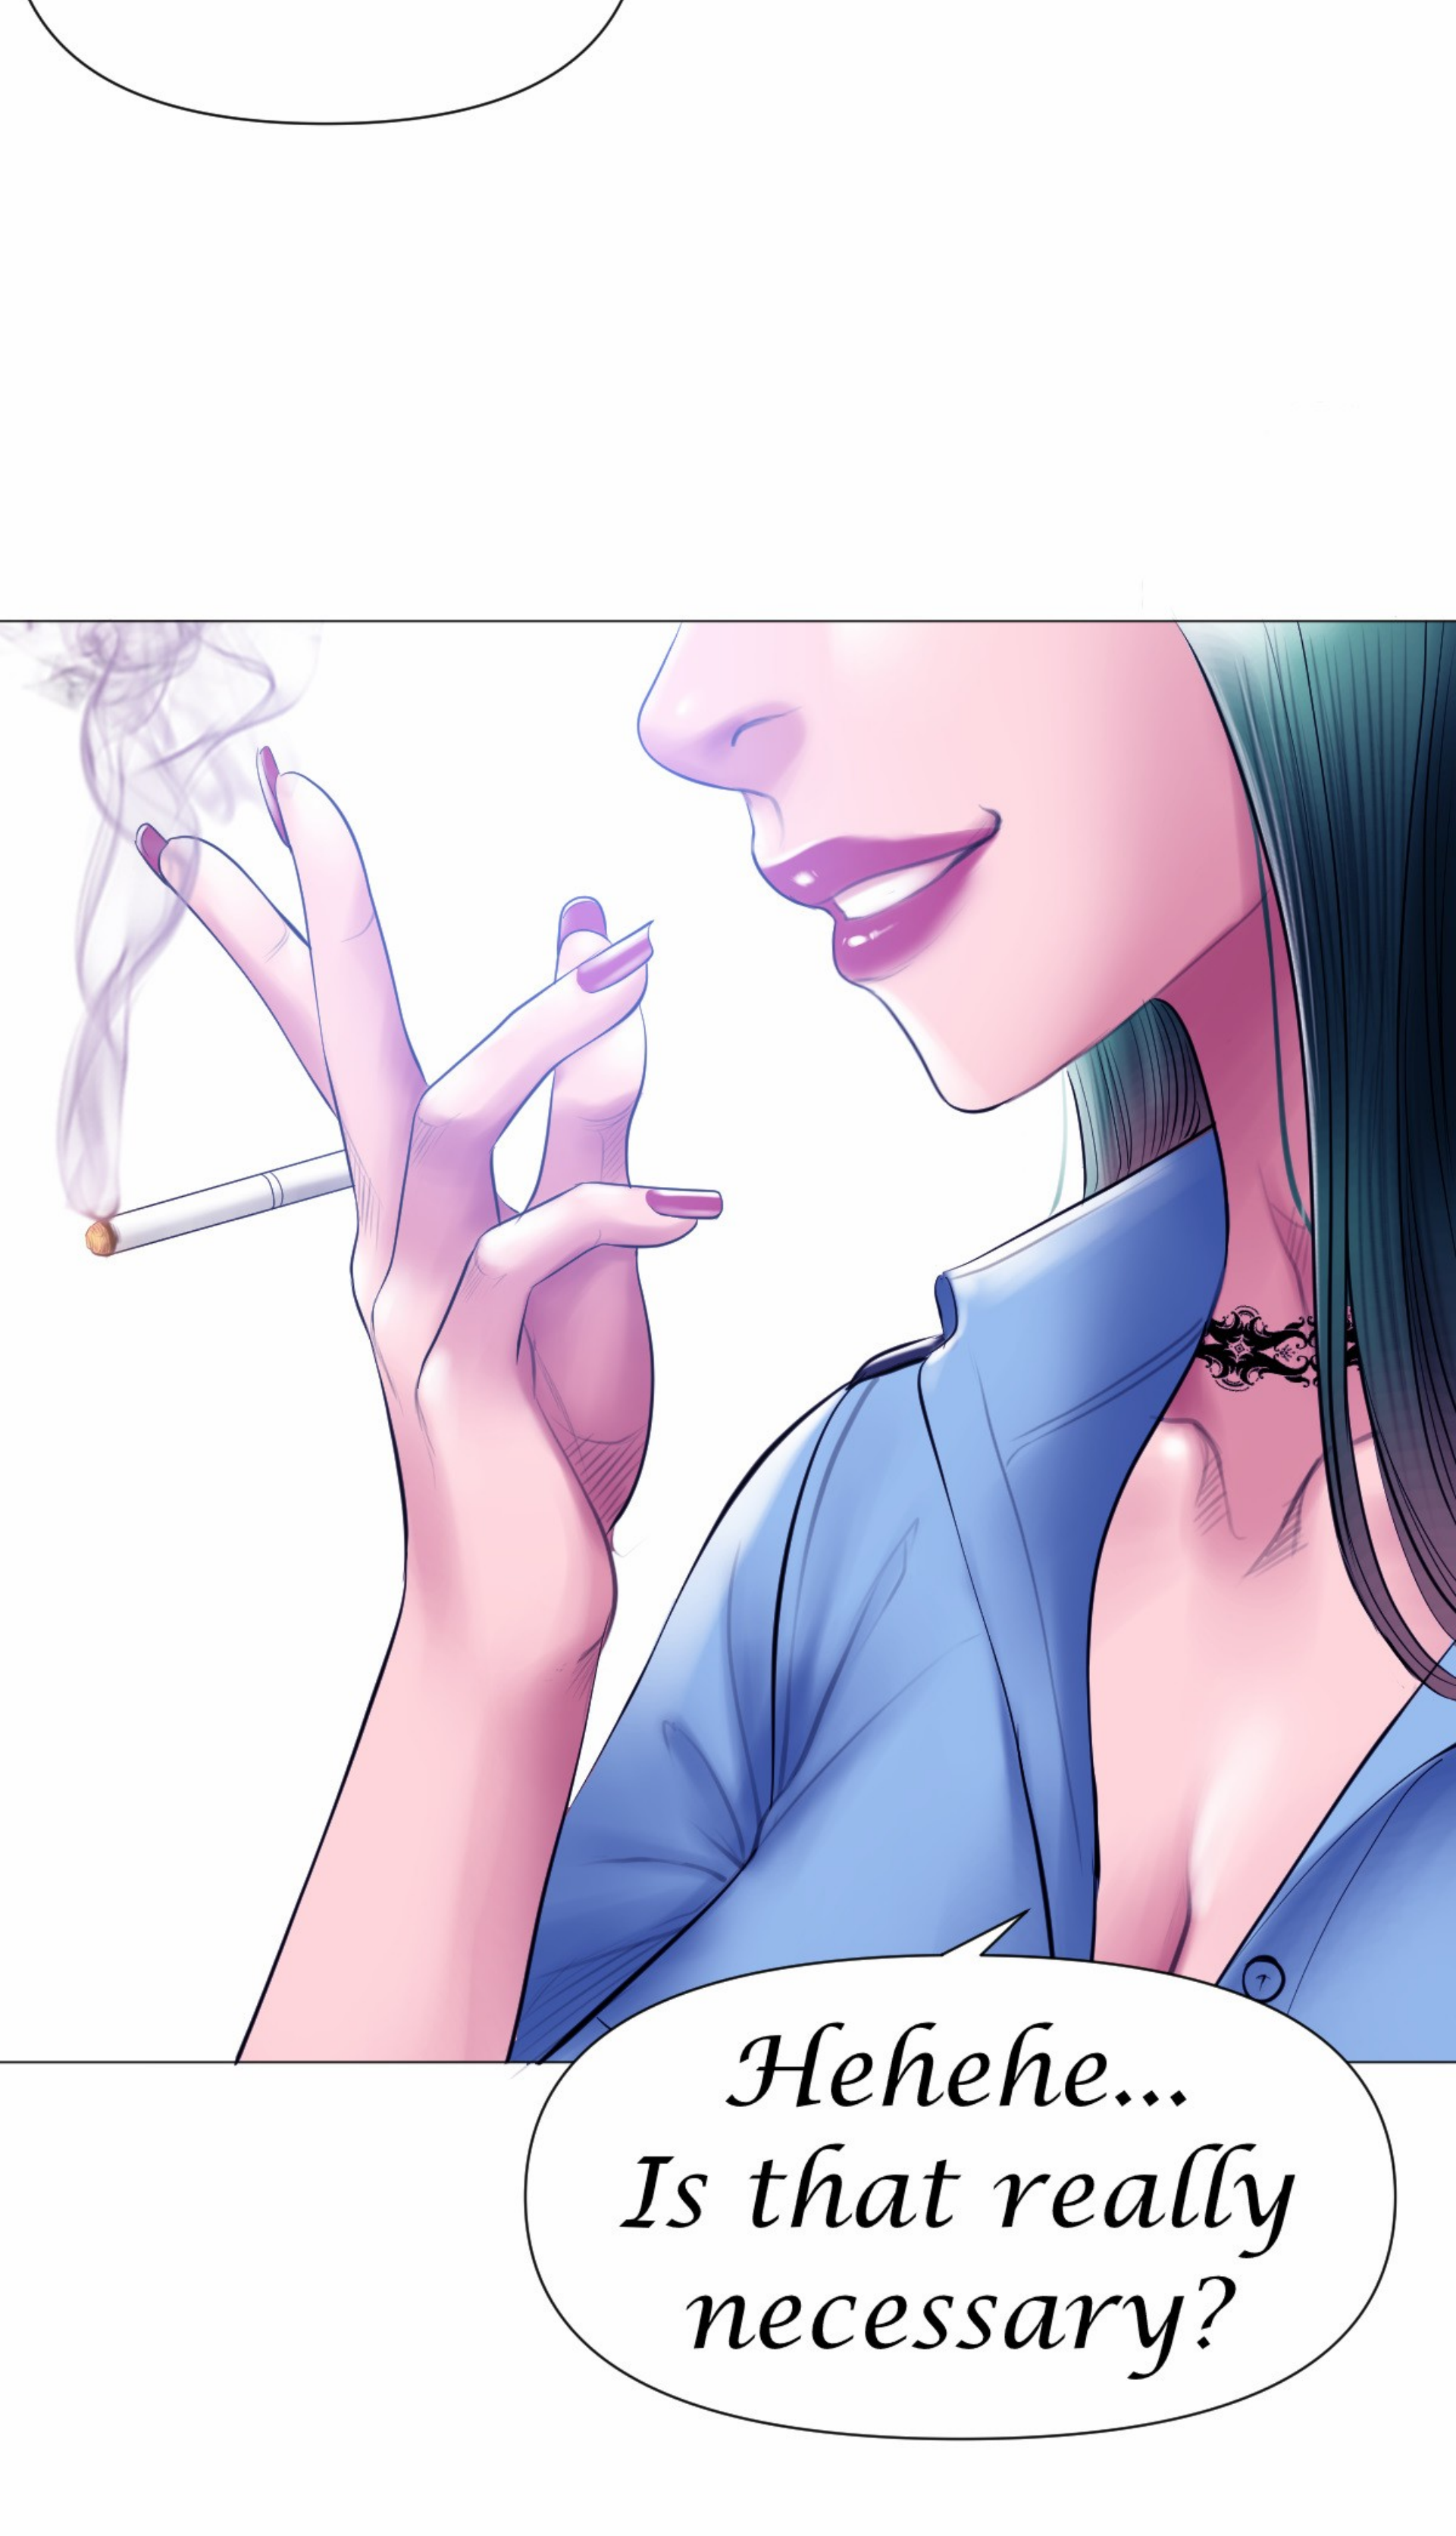

By the way,

What the hell are you doing?

Don't you know the office is a smoke free zone?

.....

Hehehe... Is that really necessary?

I'm not the only one smokin'.

?

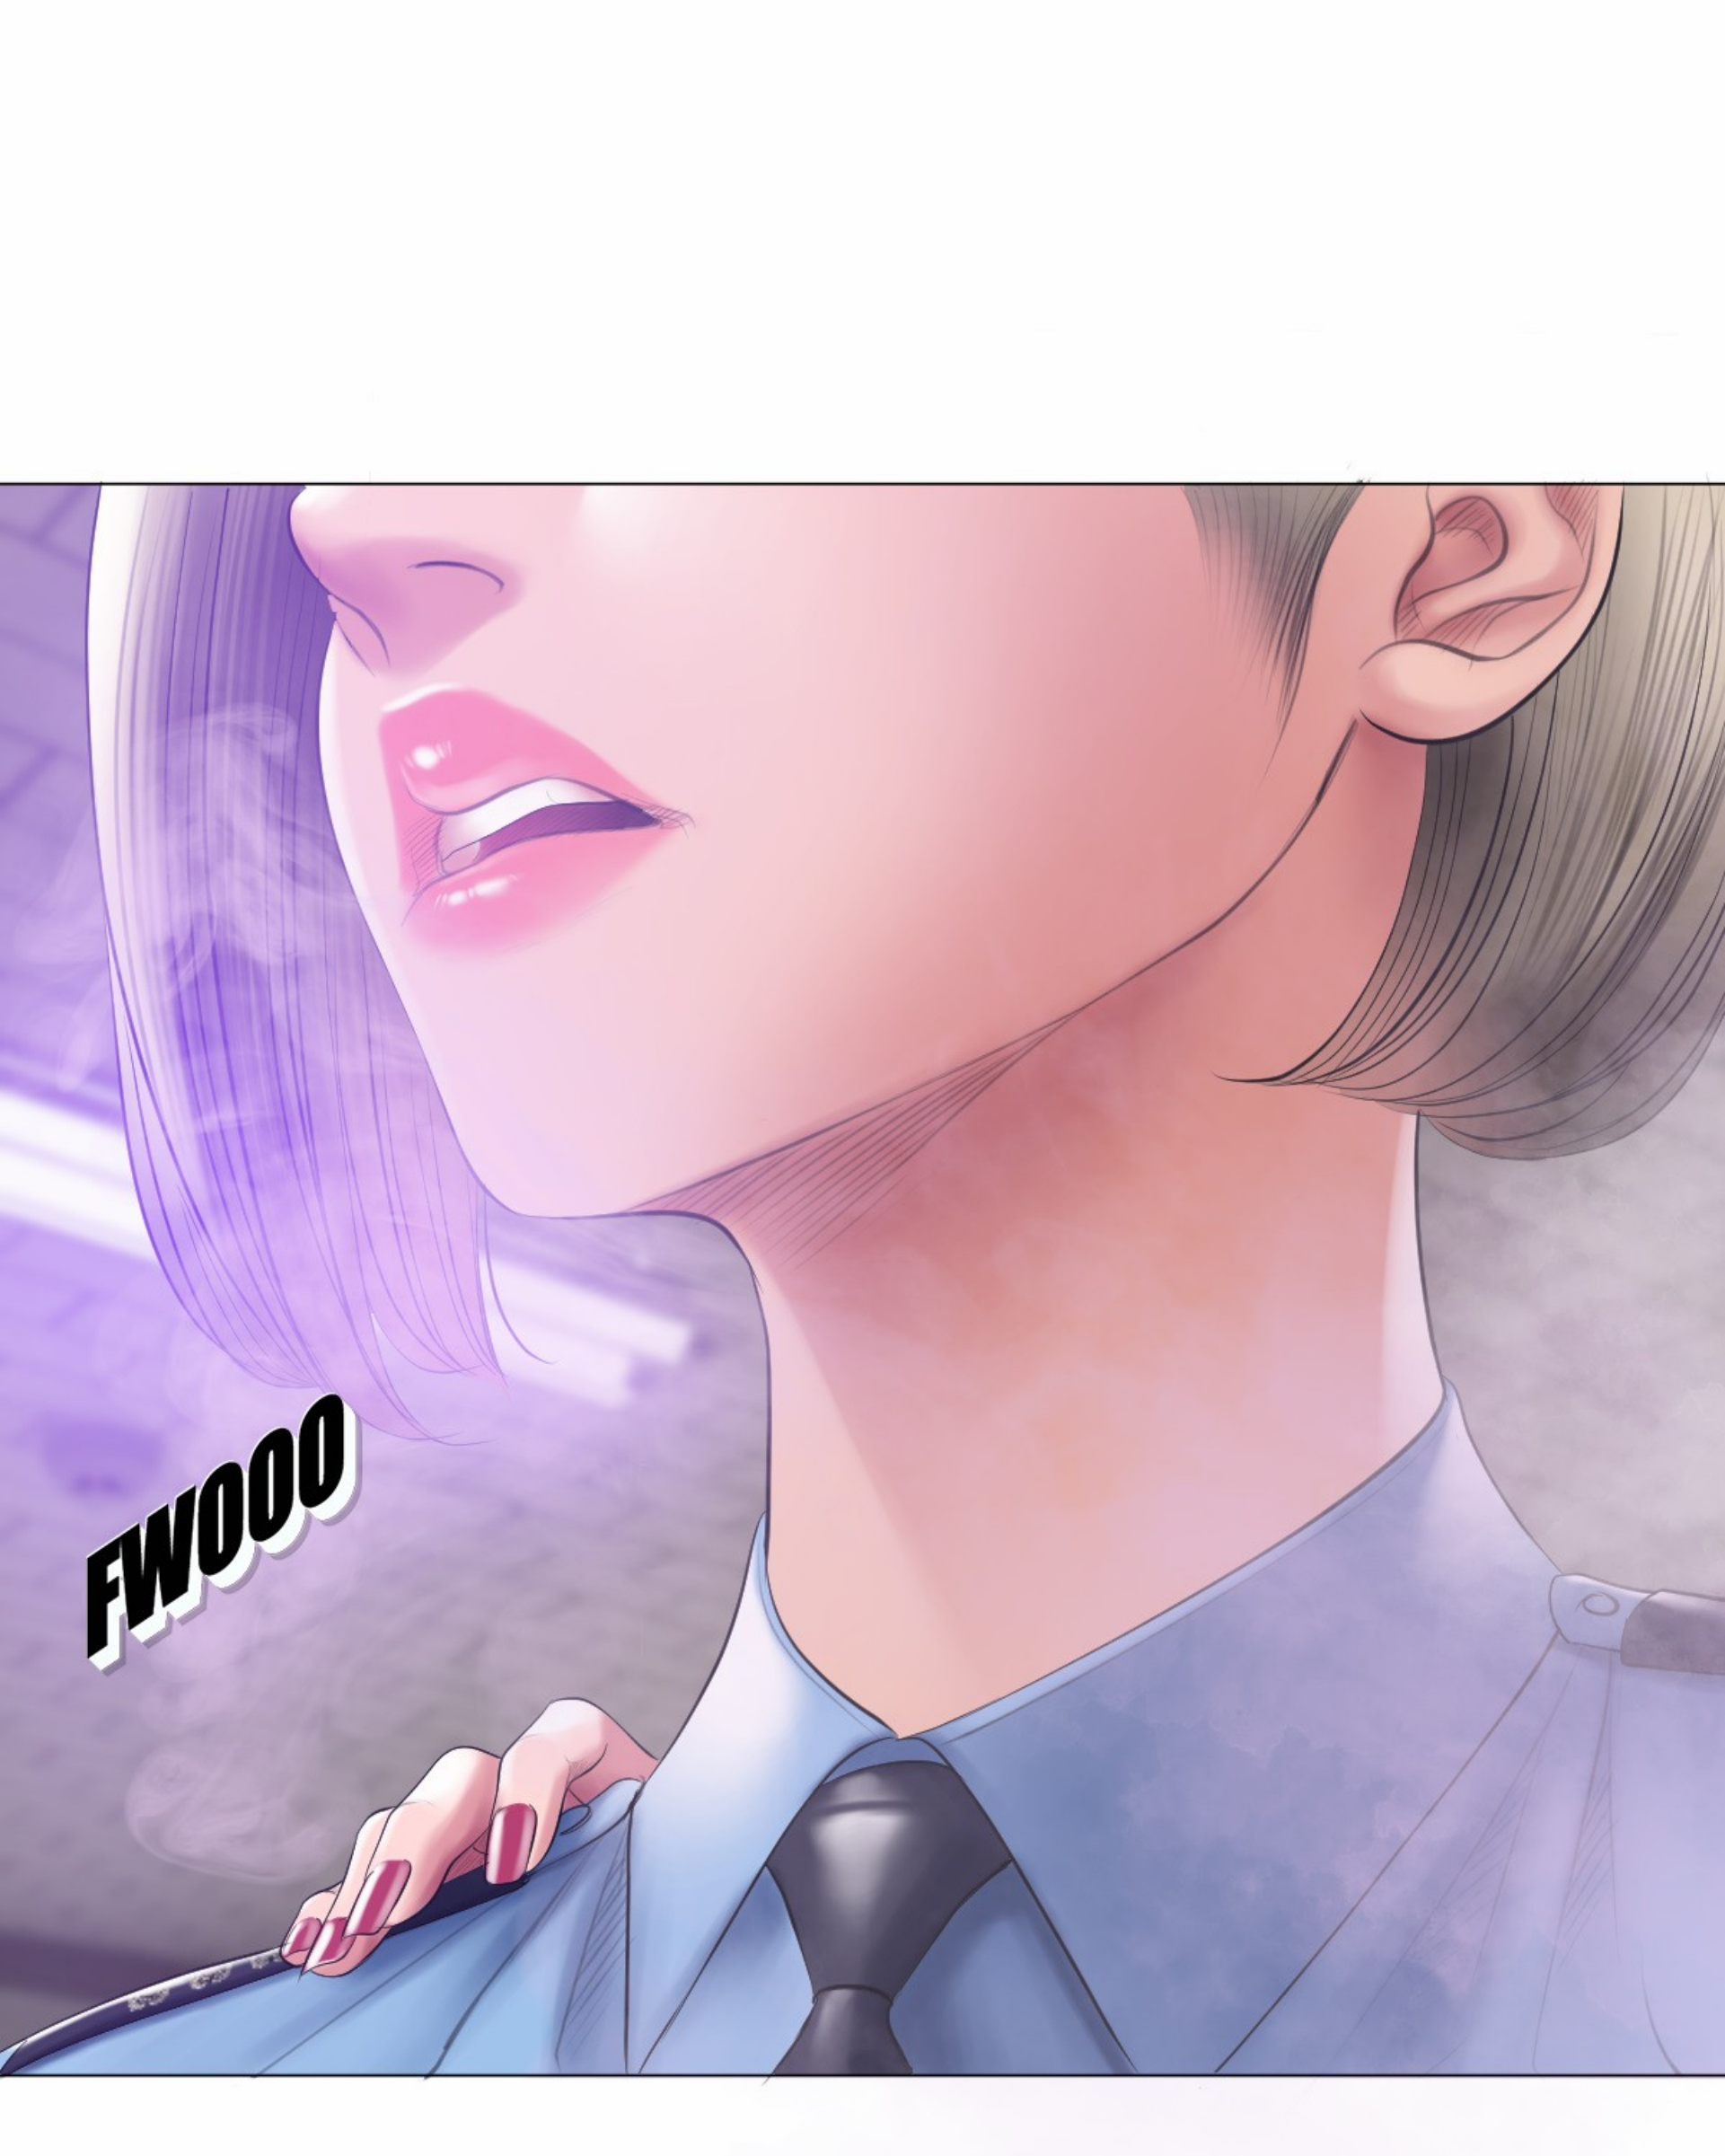

!

You're too uptight, Chief...

Bein' so obsessed with rules isn't good.

You need to relieve stress to be productive, right?

FWOOO

Hah.....

Stress?

!

Ugh...
No thanks...
I don't smoke...

Come on,
give it a
try.

It'll relax
you,

and make
ya feel
really great.

.....

Well...

Maybe trying one wouldn't be so bad...

Huh!

Shit!

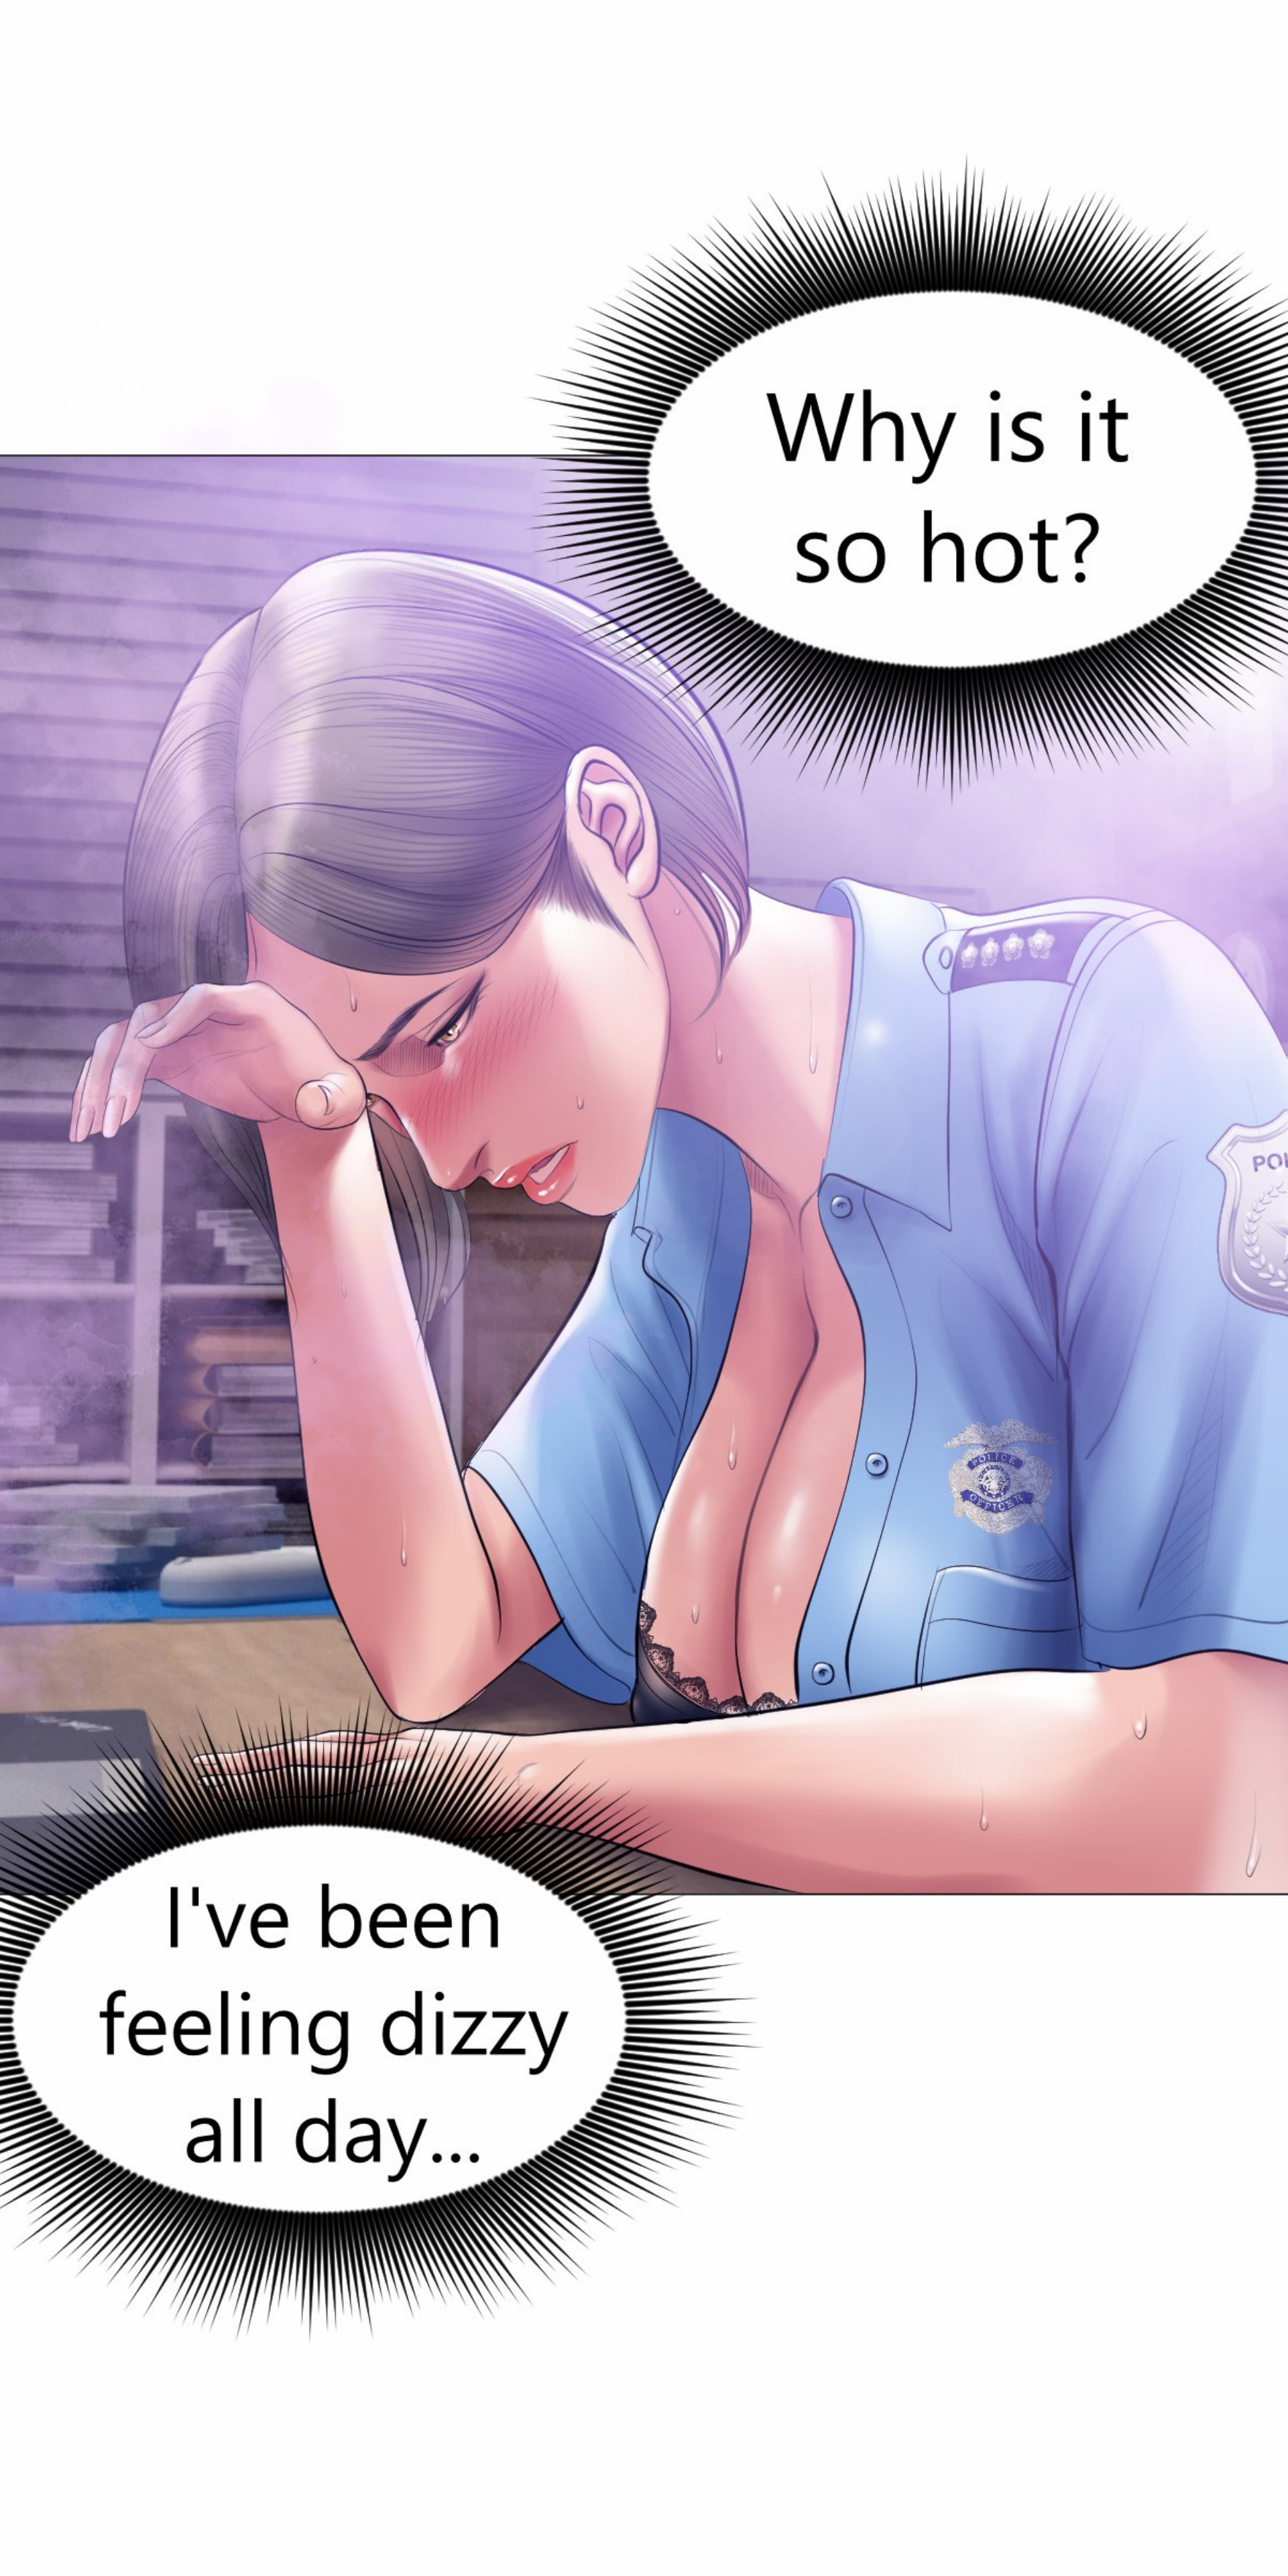

W-What am I thinking!

No, cut the crap!

Put them out! There's no smoking in the building!

CLICK

CLACK

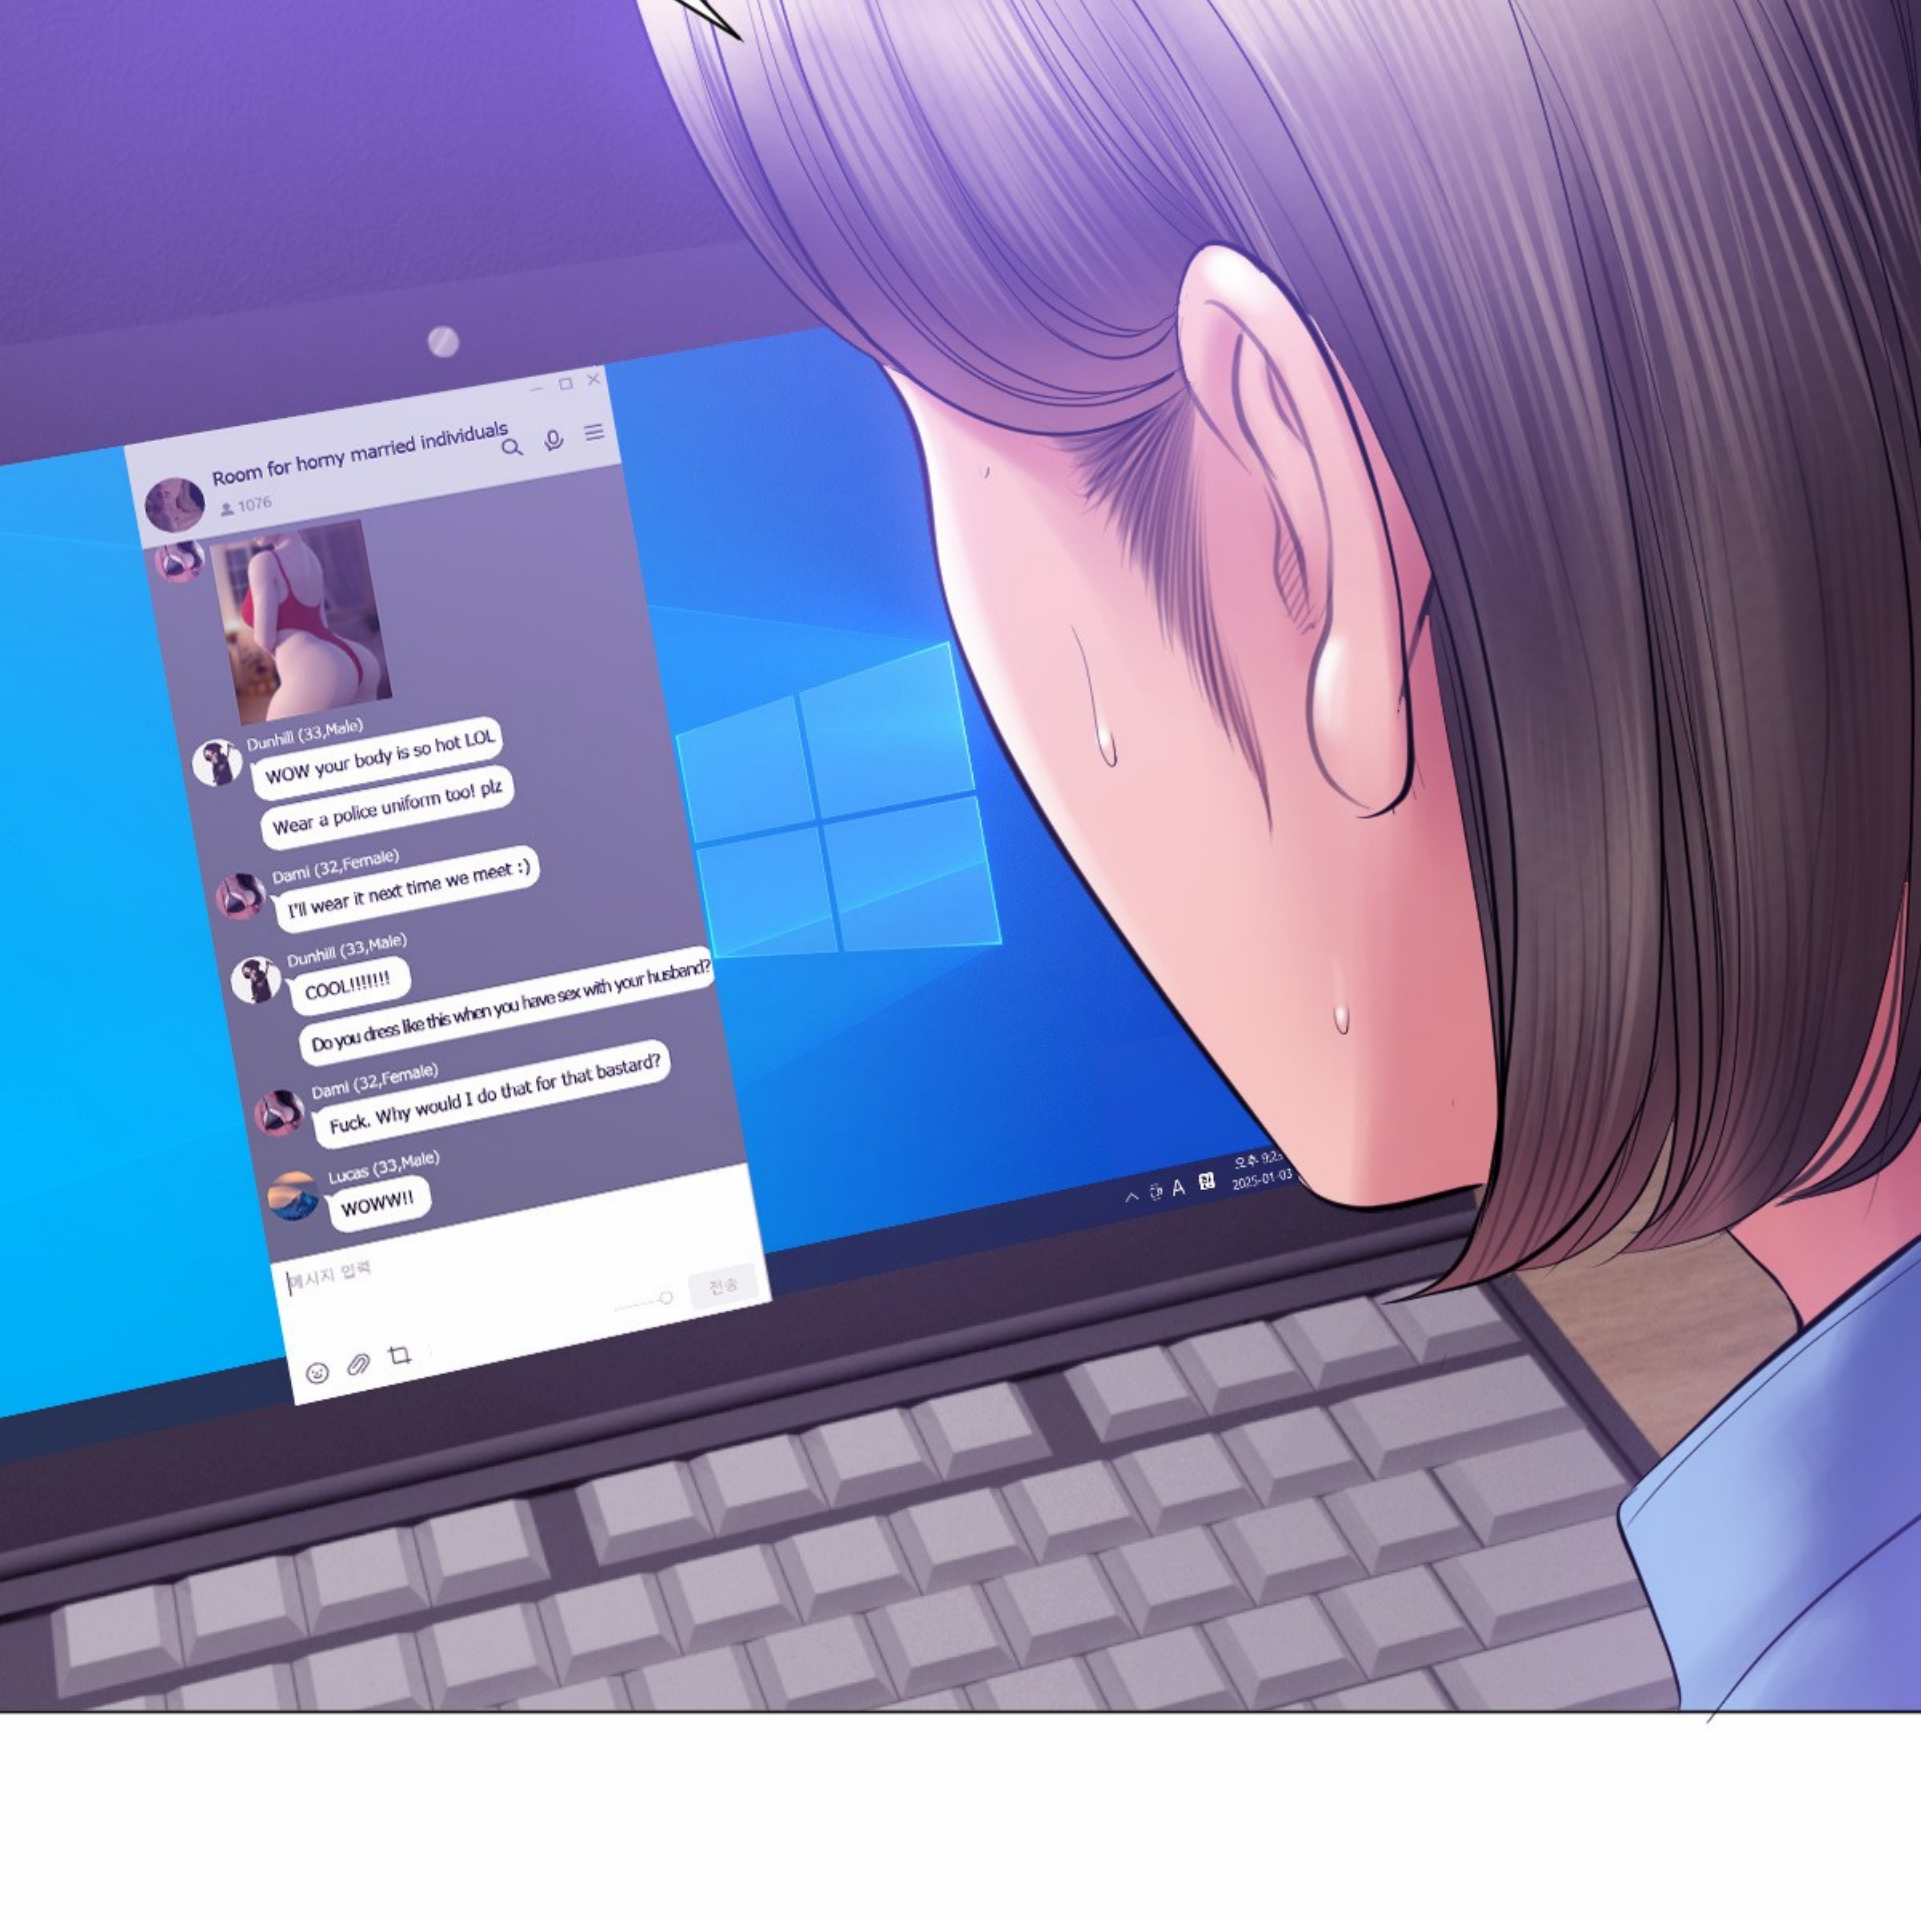

I've never thought about smoking before...

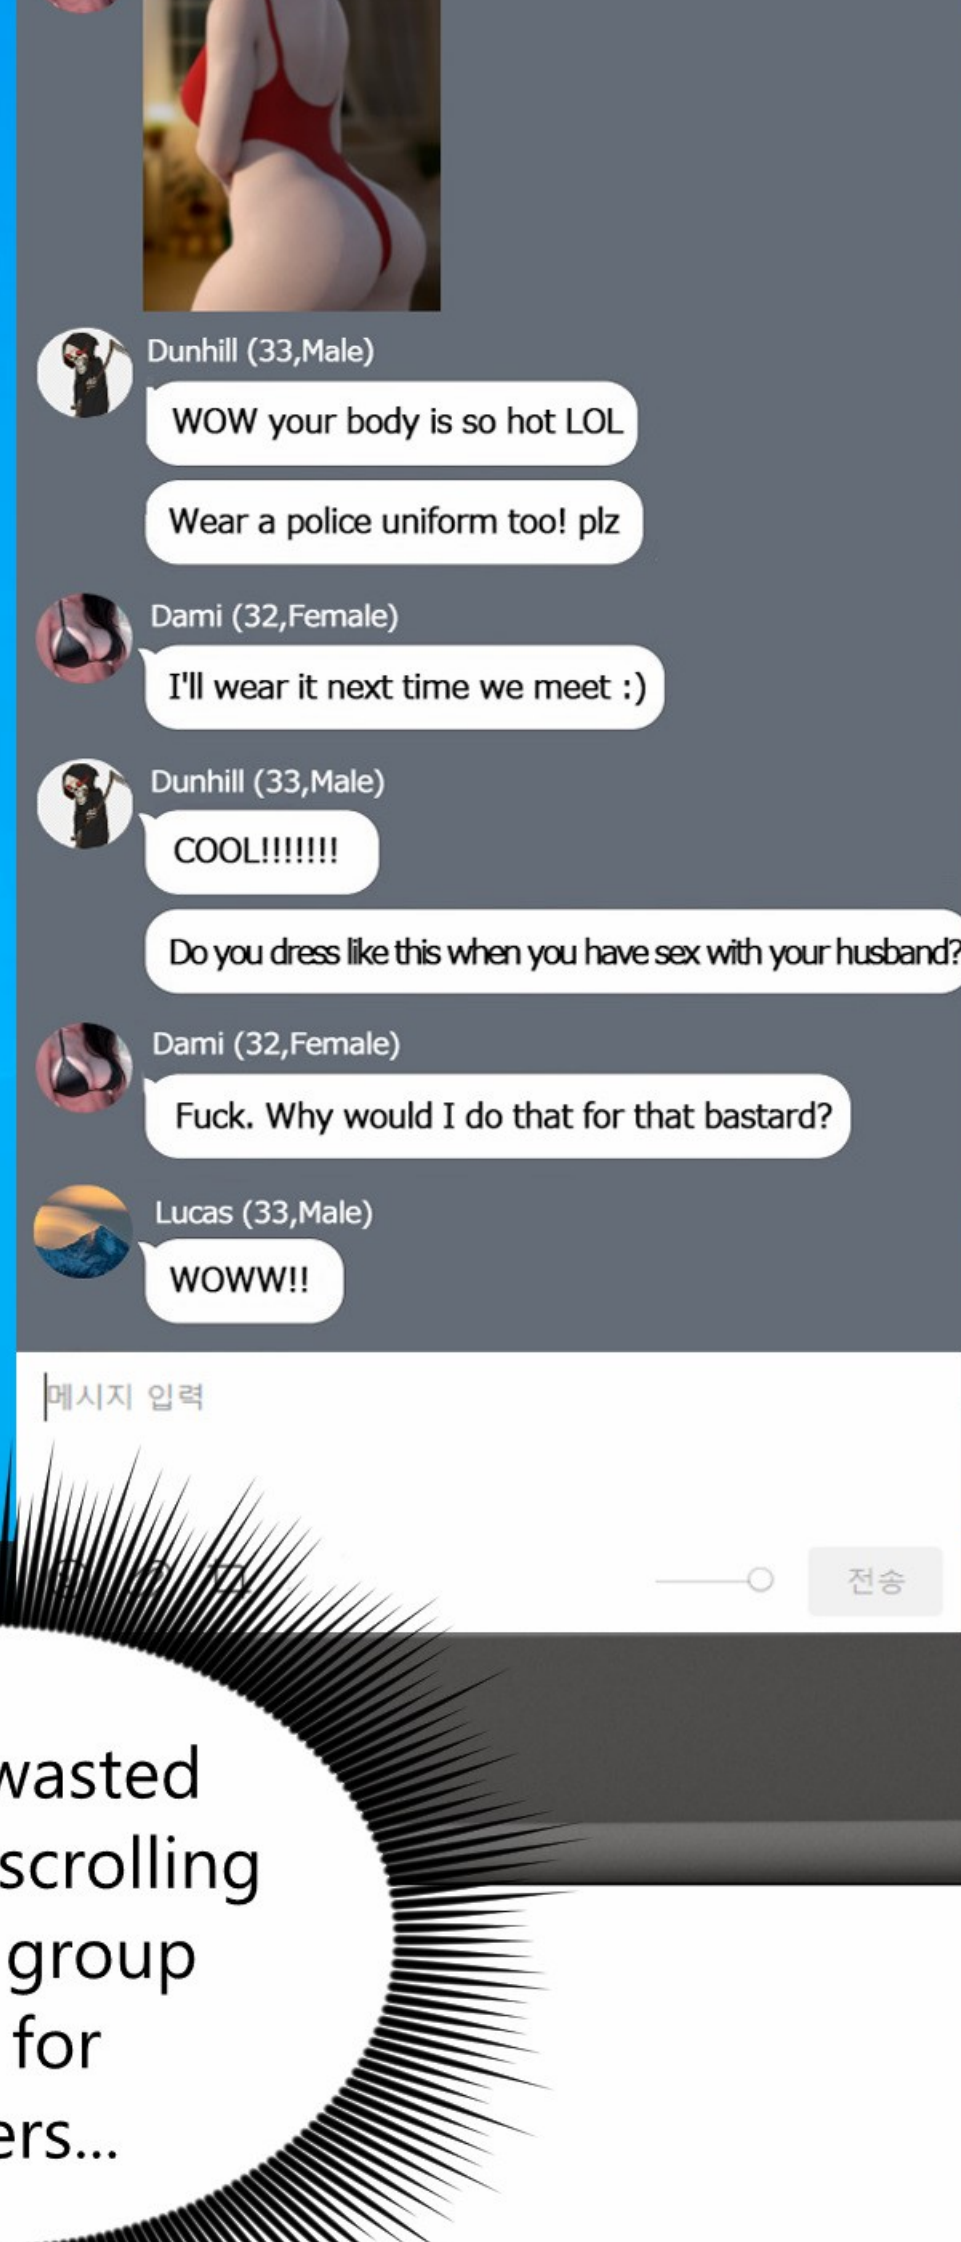

But now I can't get it out of my mind,

I can't even focus on work...

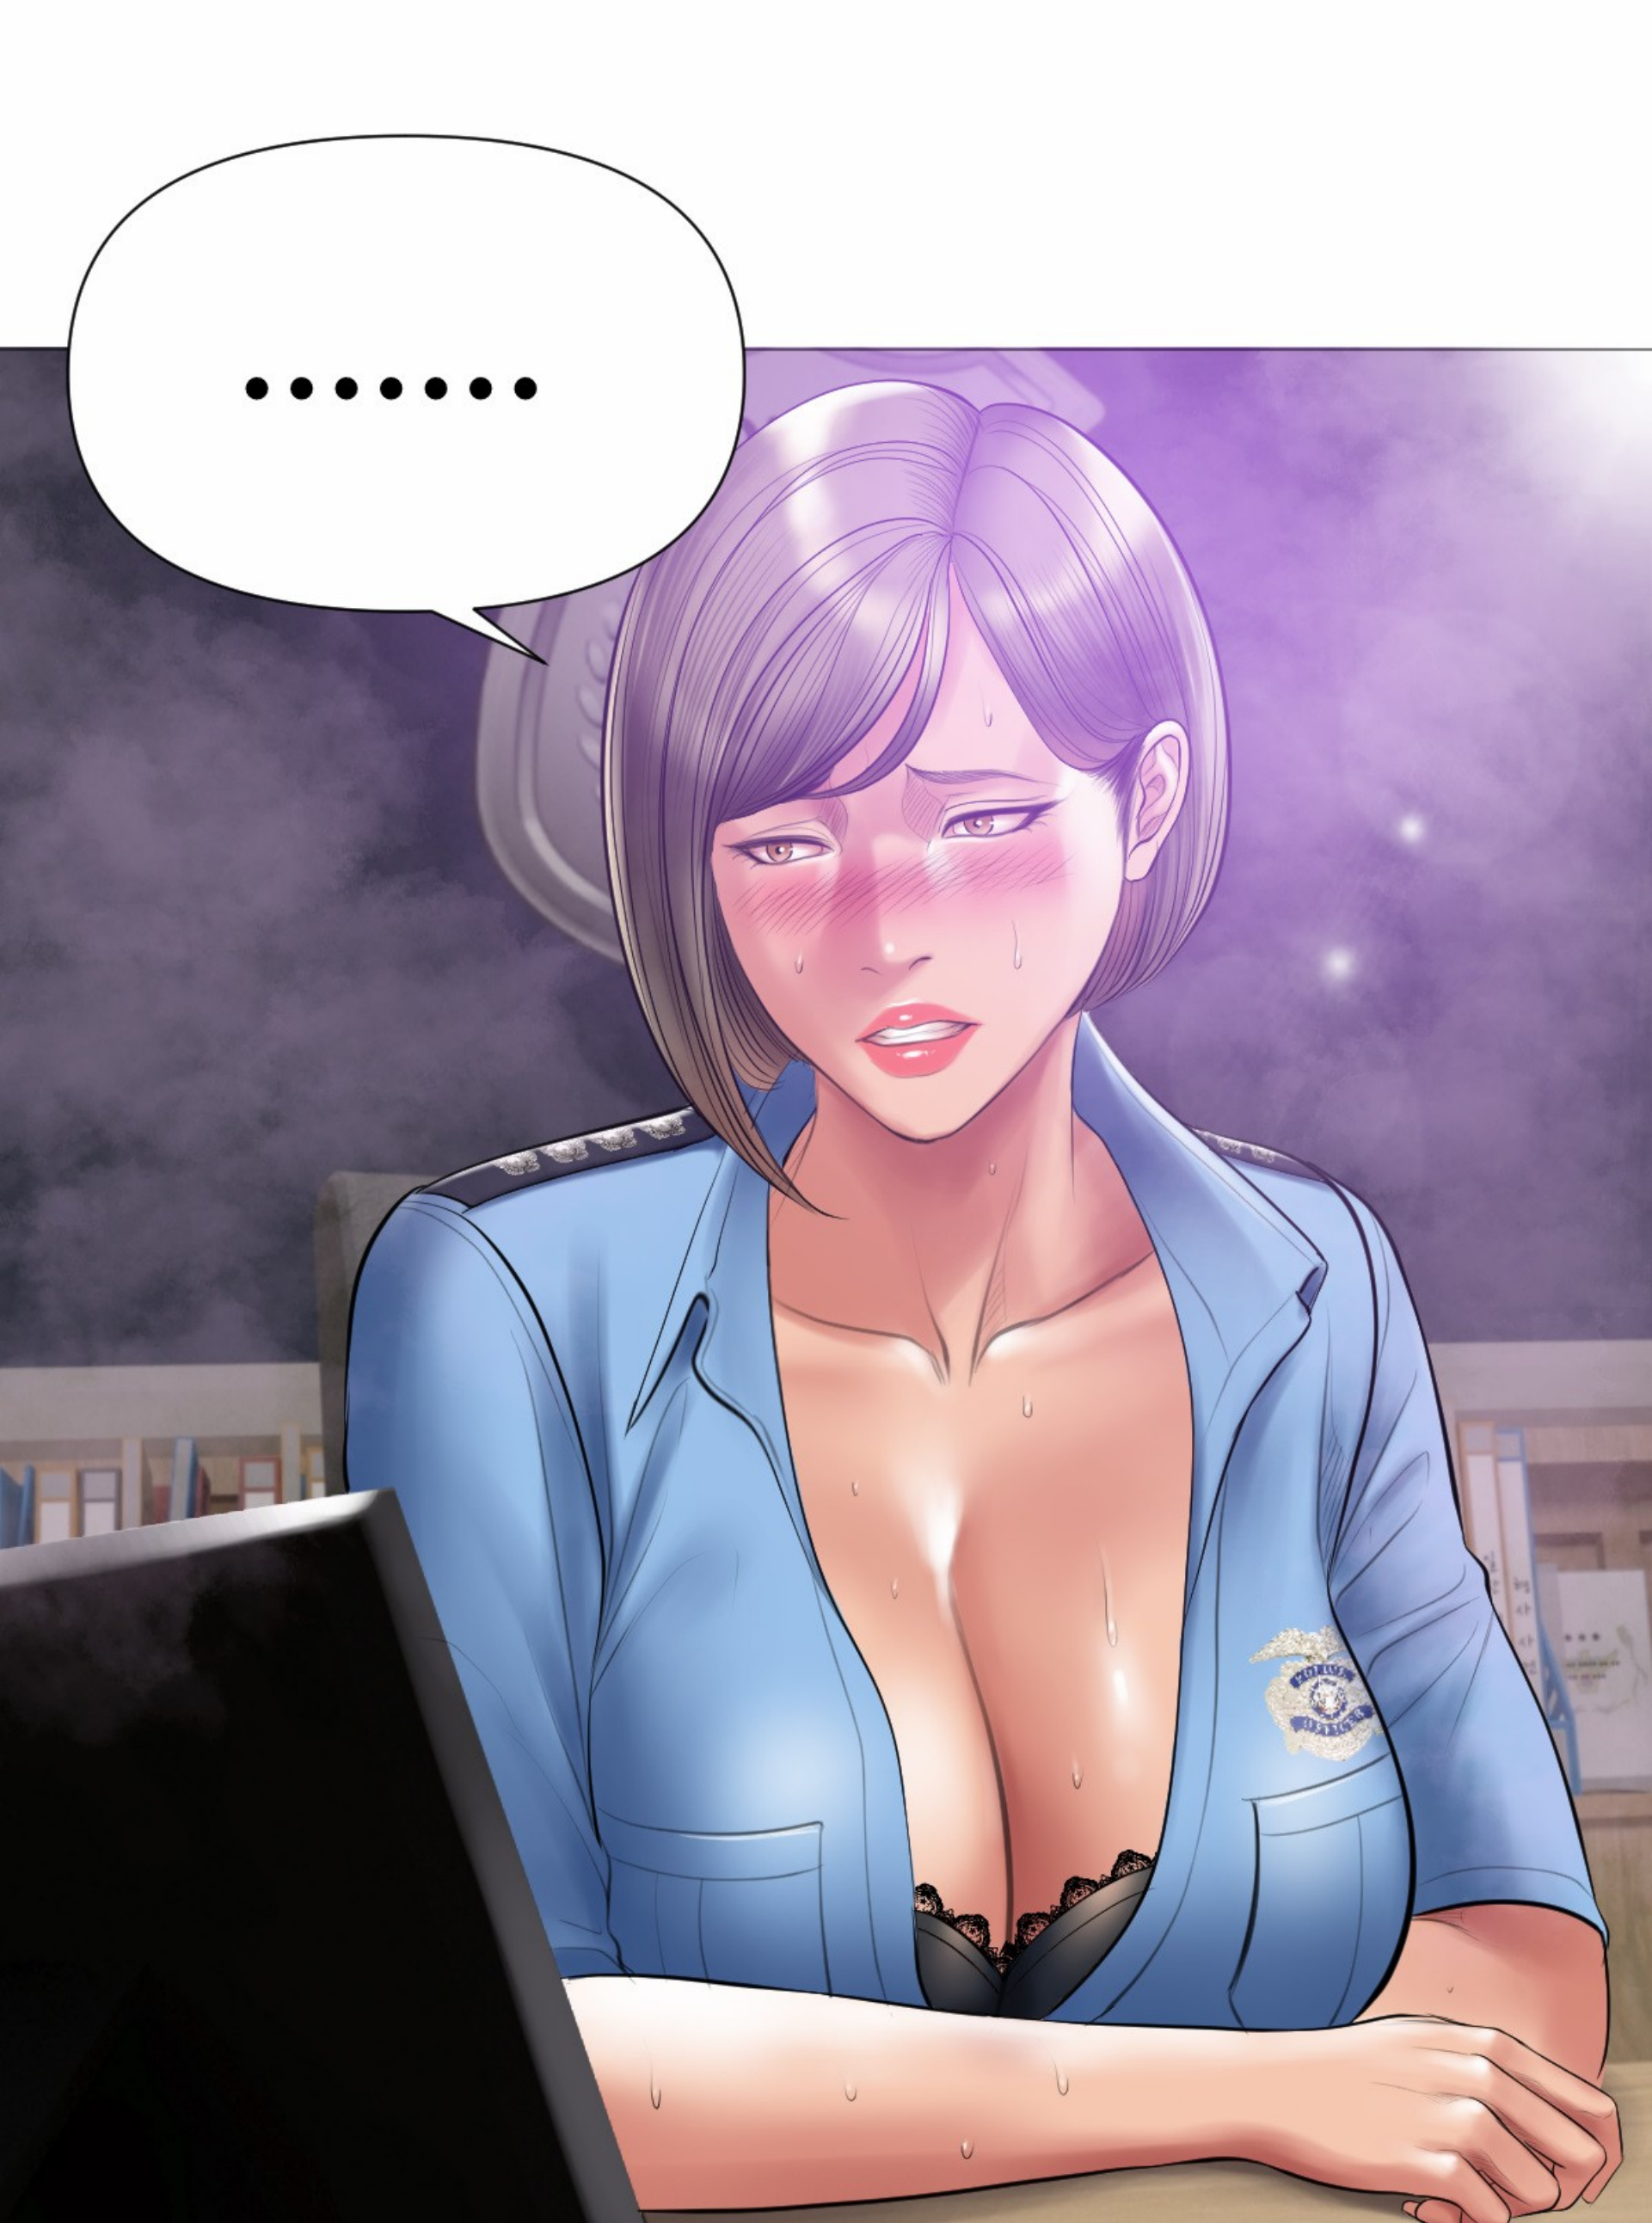

.....

I've been making excuses about monitoring chat rooms for drug trafficking,

but I've wasted hours just scrolling through group chats for cheaters...

*Hehe...
He's really
amazin' in
bed*

Huh?
The victim's
testimony is
weird...

*He told me
to boldly throw
away the ethics
that society had
instilled in me.*

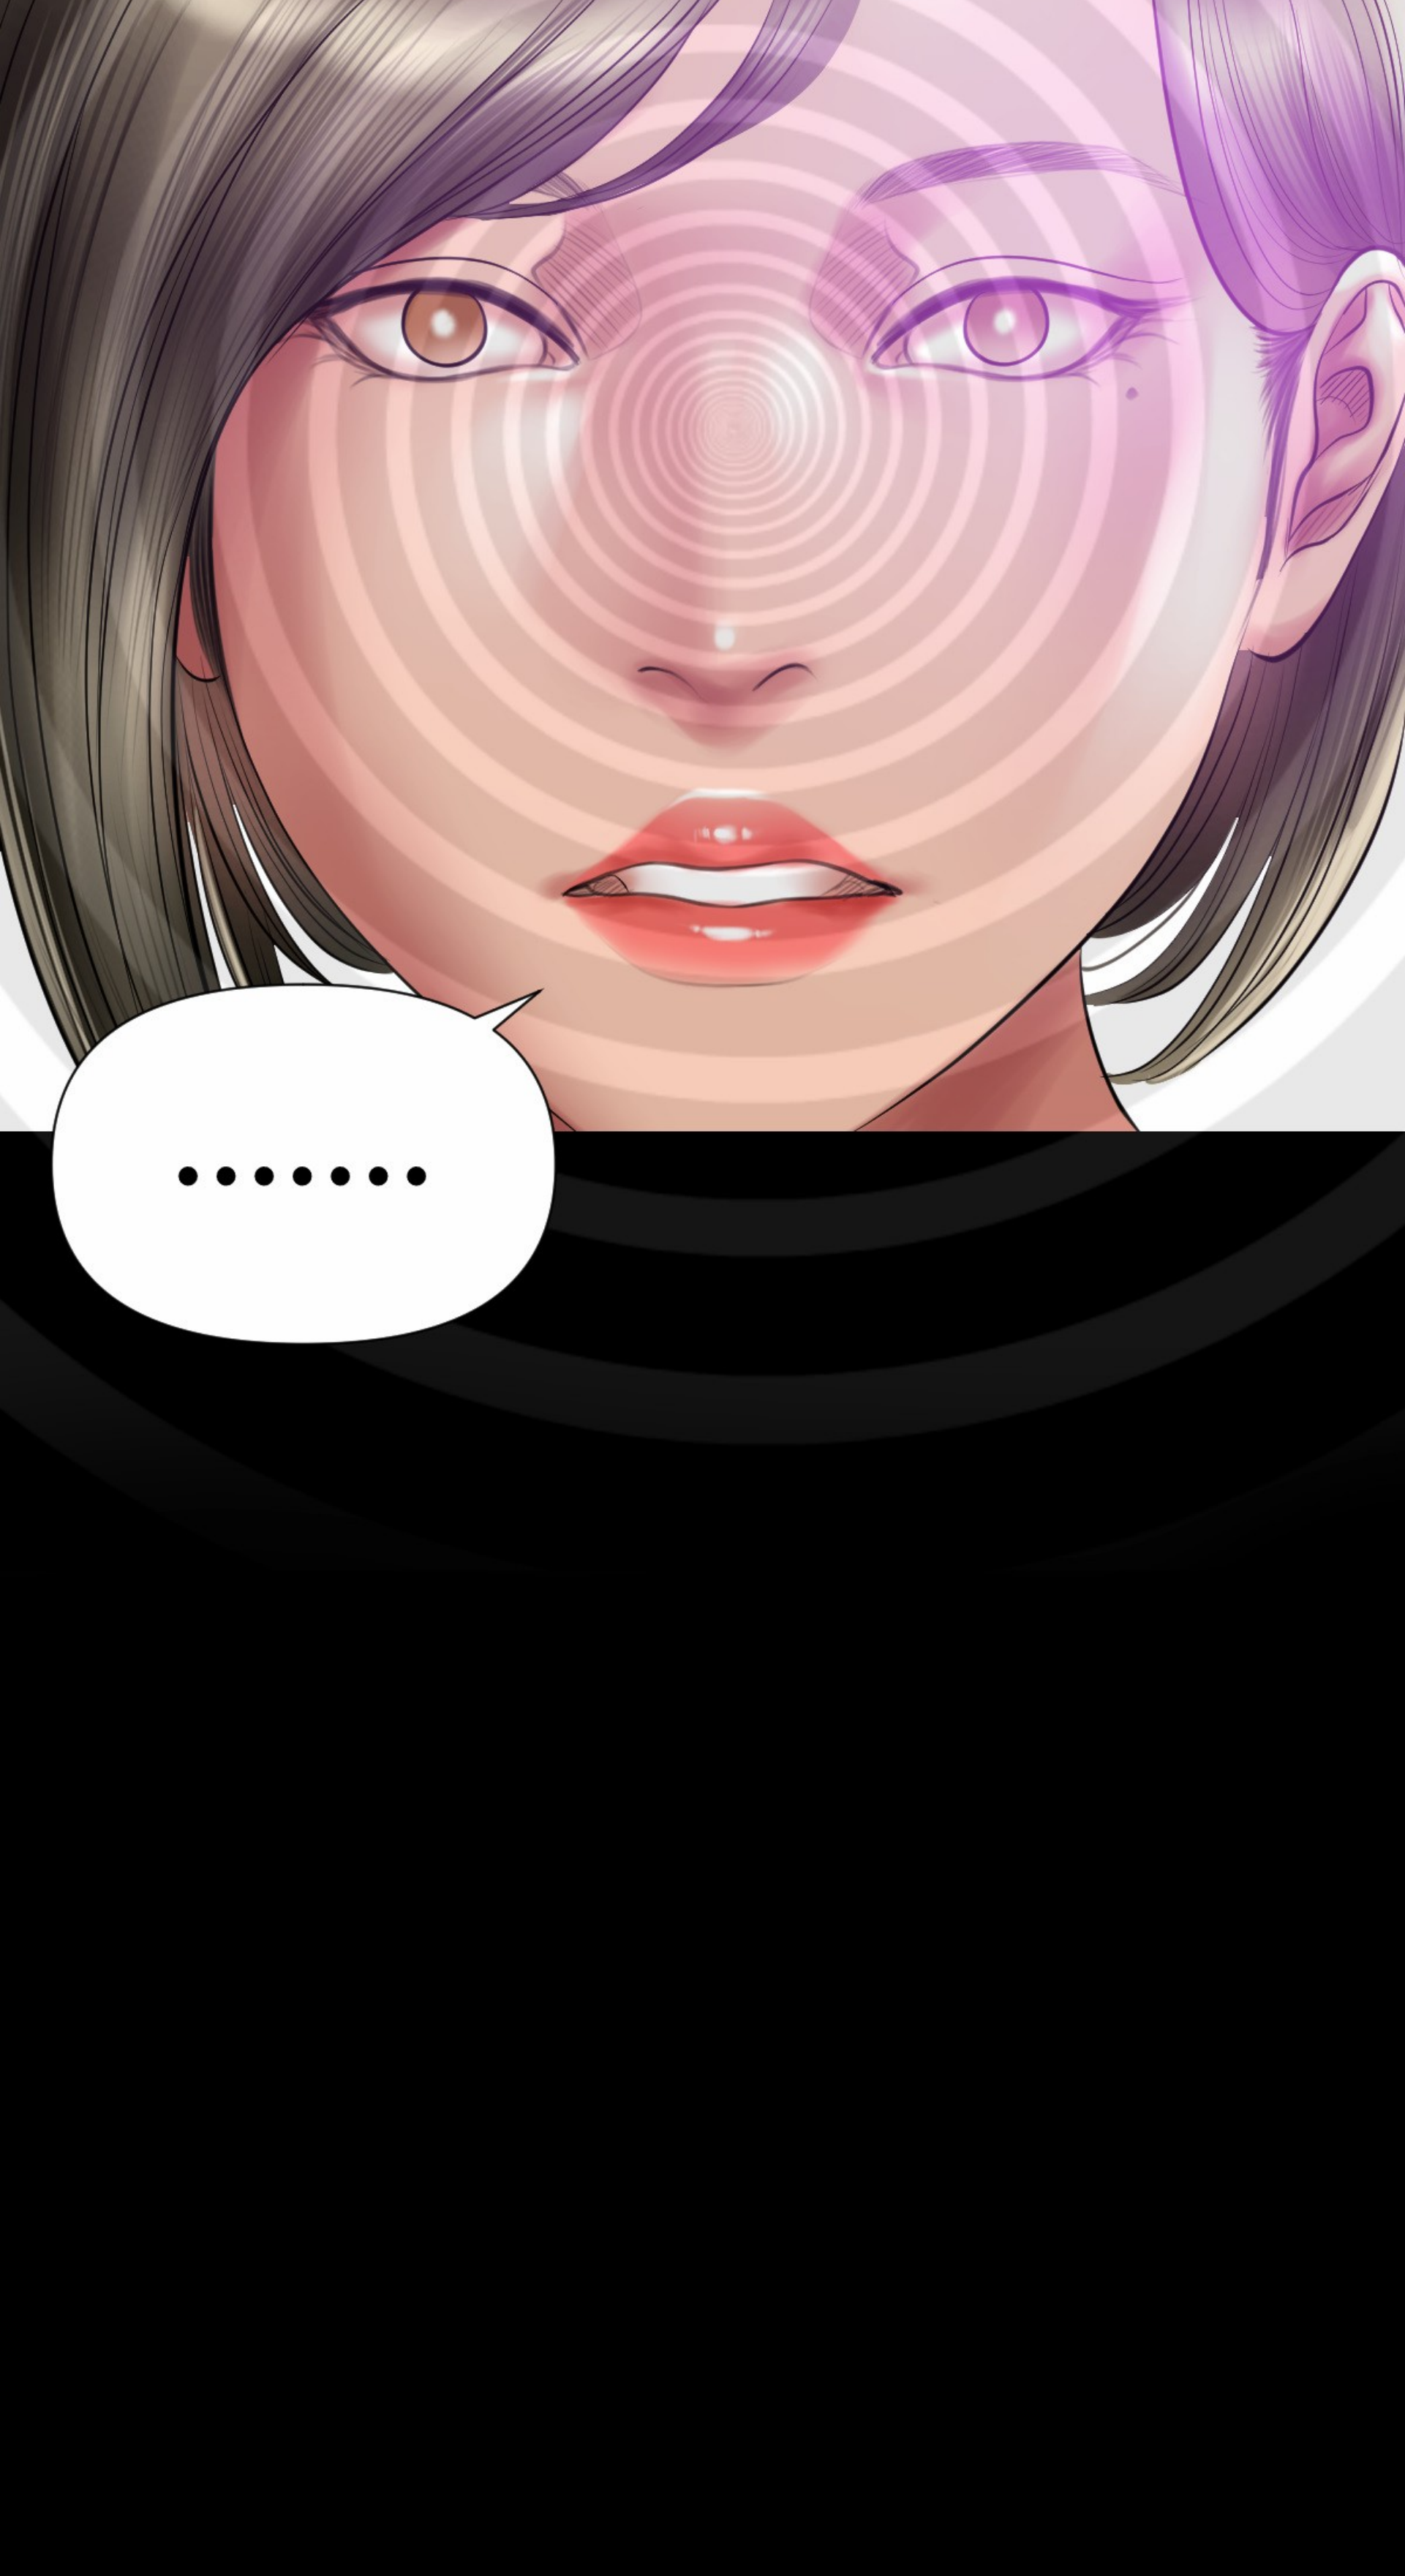

*At first, I didn't
understand what
he meant.*

*But now
I get it.*

*Ever since
receivin' Alex's
teachings,*

*I'm so happy
that my past
life seems
meaningless.*

.....

Throwing
away ethics...

...makes me
happy?
