

Well we're finally arrived

A woman with short, layered purple hair is standing in a gym. She is wearing a purple spaghetti-strap top and a black skirt with a repeating pattern of purple hearts, crosses, and cat faces. She is also wearing purple thigh-high socks. She has a slightly tired or apologetic expression. A speech bubble is positioned to her right. In the background, there are several treadmills with screens displaying nature scenes, and a white railing of a staircase or walkway.

Yeah yeah i'am
just gonna take a
nap i'm too tired

Oh come on we still
have most of a day
we can do so much

And remind me who will drive us everywhere oh right i will just like i drove us here for all those hours because someone didn't take drivers exams

Eeeee um i will call Zoe to let her know that we've arived as she asked

Hey we're at our room
but Amber to tired
down by driving here

Well there might can
you come to us our

favour to ask

I a i'm sorry i didn't

Can Amber possess you ?

Eee what what do you mean and why ?

Right so as you know she can't attend your yoga class as she is right now and it's her first time doing yoga so I thought maybe she can take your body that way she will be able to be there as well as learn directly from you

Fine i just ask that you won't
take me for to long as i still
have stuff to do today after

Your the best i promise that
i will repay you later so
come closer and let's do it

Wha what is this feeling

It's just the beginning

Yeah come to me more
let me feel more of this

Fuuuck

Fuck it's too good i need
to suck her in faster

Hehe nice

Now let me do my finishing touches

Holy shiiit it's so natural to move like that

Your welcome

Wow she's so different
and energised god i
love it so much

No need to
thank me

Wait is that
you Zoe

Yeah it's not like i don't
trust you but i prefer to
have my eye on you while
you control my body

Are you talking to
Zoe right now

Yeah she's
saying hi

Hmm ok just be careful
being a soul without
your true body can
mess with you

Um Amy can you take out
my body and leave my
soul in control i don't
think it's necessary to
carry and it can freely rest

Just a moment for the separation to be complete

Ok just to take out
your soulless body

Wow it feels so odd it's
my body but it also
doesn't feel like me

Yeah yeah i'm taking control of your body for a moment so it would be easier

I feel so relieved like taking out some unwanted weight

Come oooonn
get out

Oh well now that this
business is done can we
go now for the
promised yoga class

I'm so excited that
i don't even know
what to do

Hmm for starters you will have to take charge of the class

Easy there maybe Zoe has some helpful tips

Wait what

Don't worry i will help you

Ok for starters be confident you they will look up to you for help and instructions

Well it so happened that you already have one person who is lost and don't know what to do ay

Umm ... AMY on a mat
