

It was 2am and Nikki had just finished closing up Knockers bar and grill. After struggling to move an oversized, heavy table she had some blue glowing tap water and found herself larger, and stronger...But was it enough?

Ah reckon this table is gonna be a whole lot easier ta move now!

**CHAPTER 2**  
**"Something In  
The Water - Arrival"**  
By **ZZZ**  
aka thatbumzzz

Uuugh! Aww shucks it's  
still way too heavy for  
lil' old me.

A close-up, low-angle shot of a woman with long, wavy blonde hair and a green headband. She is holding a large, blue, textured cup to her lips with her right hand, which has a blue-painted thumb. She is smiling and looking up at the cup. The background is a wooden wall with various steampunk-themed decorations, including a large wooden ship's wheel, a pressure gauge labeled 'IMPERIAL STOUT', and a small sign that says 'NEW BR'. The lighting is warm and focused on the woman's face and the cup.

Let's see if more  
of this water will help  
me not be so lil'.

It wasn't long before she started feeling the effects. Her already tight shoes and socks became tighter...

Oh mah goodness! Tony  
ain't gonna be happy about  
havin' ta order more orange shoes!

A woman with blonde hair is lying on her back on a wooden floor. She is wearing a white bikini top and orange bottoms. She has a speech bubble above her head that says "And a new outfit!". The floor is made of wooden planks. There are some pipes and a circular object on the floor. The lighting is warm and orange.

And a new outfit!

Mmm much better!

With her new size Nikki proceeded to fix all the overturned tables and then danced around naked enjoying her new size of 8'5". After a couple hours she became incredibly sleepy and passed out on the bar floor...

The next morning Nikki awoke back to normal size and without memory of the previous night.

Oh shoot not again!  
Sorry Tony last thing ah  
remember is having some  
water and not much else!

Well I'll be an eskimo in the  
Sahara desert! This is the third  
time this week Nikki! Those shoes  
and outfit are comin outta yer tips!

Water? Yeah right! I bet  
some low life slipped you some  
moonshine. I'm putting Lynn on  
the closing shift with you to  
make sure you are safe tonight.

Meanwhile, in an office not too far away...

Everything is working as planned, Stephen. The river water tests, the memory erasing protein in the water you developed is working perfectly, and the cameras around town we had the team install. Only the audio recording is still not functioning.

That is excellent news Jane. The new serums are near ready for testing. Keep in mind that next month we are trying the slow growth serum on the investors daughter.

As for the cameras, we'll need to get more of them installed around town. Who knows what interesting results we might be missing out on.

That evening, at the Thompson residence, Matthew Thompson asked Tommy, Tony's 19 year old cousin, to babysit his 18 year old daughter Mary Sue.

You can count on me Mr. Thompson!

Tommy, there's been some strange animal sightings in the woods lately. Some say giant hulking dogs and cats and other critters.

I don't want to take no chances with my little girl so I need you to stay here and protect her while I'm out for the night.

Don't worry sir,  
I won't touch your daughter.  
Besides I have a girlfriend and  
I'd be more scared to piss her  
off than you, all due respect.

My small team and I are gonna  
be huntin them oversized critters.  
We'll be using rifles and other guns  
I learned to use during the war.  
So I'll be comin home carrying  
these guns, catch my  
drift Tommy?

Hannah Johansen right? She's a  
feisty one! I'd be scared to piss  
off any woman from that family.  
That's why her aunt is in  
the team. She's a wild one.

Happy hunting Mr. Thompson!

Have fun daddy!

Good night pumpkin! See you two tomorrow morning.

What Matt Thompson doesn't know is 4'10" Mary Sue is also very wild and feisty. That's why she is head of the cheerleaders at her school.

It's just you and me at last Tommy. Maybe we can have a little fun together?

Are you crazy Mary Sue? Your pop and Hannah would cut me up to pieces. Besides, I wouldn't cheat on Hannah anyway. We can watch a movie together if you want.

Hmph! You are so boring Tommy!

I would love  
to mess around with her  
but it's too dangerous!

Later that night Mary Sue decides to try another way to get Tommy to mess around. Her families lemonade is so sour yet delicious that it easily hides the taste of the Moonshine(97% alcohol) she added in.

Hey Tommy want some nice refreshing home made lemonade?

Thanks Mary Sue!  
This stuff tastes fantastic,  
perfect for this hot and  
humid night.

No problem Tommy,  
there's plenty more where  
that came from.

A few cups and an hour later  
and Tommy becomes very drunk.

Mary Sue I feel kinda drunk,  
what the heck is in this  
lemonade!?

Hmm, let's see. Some  
sugar, some water and lemons  
of course...

Mary Sue! You can't  
go around getting people  
drunk! You think you can  
always get what you  
want don't ya?

...Oh and maybe  
a little moonshine. \*giggle\*

Well now I'm gonna  
give you what you  
deserve, a good old  
fashioned spanking!

Hey cut it out  
Tommy this isn't funny!

Oh shoot I might have  
given him too much moonshine!  
I always overdo things!

Like my mama always says,  
this is gonna hurt me more  
than it does you Mary Sue,  
but I gots to teach  
ya a lesen!

That expression is so full  
of shit Tommy!

Owww!

Ooh I kinda like how that feels, but I better not let him know or he might spank too hard.

After a few spanks Tommy tells Mary Sue to bring him some more lemonade.

Mary Sue decides to water down the lemonade but notices the water has a strange bluish glow to it...

Hmm why does the tap water look like this? I hope it doesn't make him sick, but maybe it'll just make him fall asleep sooner.

This isn't the kind of messing around I had in mind earlier Tommy!

Mmm it tastes different  
but still delicious.

Well it's 2AM  
and I've got school  
tomorrow so I'm heading  
to bed.

Hey Mary Sue what'd ya  
put in this second cup? I feel  
incredible and full of energy!

Uh oh it was supposed  
to make him sleepy not full  
of energy! Wow the bulge in  
his pants looks so big suddenly,  
maybe there's still a chance  
to mess around?

Hey what the hell!?

Oh wow you shrank!

Right before their eyes  
Tommy shrank from 5'10"  
to 4'8".

I'm shorter than the  
freshmen at your school!

I've never been taller  
than a guy older than me!

I think it's kind of sexy  
being taller than you Tommy...

It is not sexy, it is messed  
up Mary Sue! I may be shorter  
but I'm still stronger  
than you!

Wha...what are you  
doing?

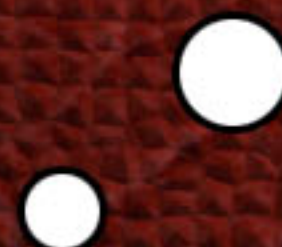

Let's see how you like  
being even shorter!

Mmmmff!! \*gulp\*

Nooooo I don't  
want to be any shorter,  
I hate being short!

Well now that's  
more like it!

Fuck you Tommy  
this is all  
kinds of wrong!

Mary Sue shrank just as quickly  
as Tommy, from 4'10" to 3'10".

The only wrong here  
is your language Mary Sue,  
time for another spanking!

Oh no, not again!

What a strange feeling  
all over my body, hope I'm not  
shrinking again!

...

Is it my imagination  
or is she getting heavier?

Ooh! I think I'm back  
to normal size!

And why do her buns feel bigger and firmer?

My clothes feel so tight, my sleeve just busted open when I flexed...I think I'm...

Uh oh...

I don't think I deserve  
a spanking, I don't feel  
like a little girl  
anymore Tommy!

In fact I feel  
like a big girl now!

Mary Sue had grown from a small skinny 3'10"  
girl into a 5'10" amazon.

I uh...wow!

And I think I need  
to be an even bigger girl!  
Let's see what drinking more  
of this stuff does.

No Mary Sue I don't think  
that's a good idea!

A woman with bright pink hair in pigtails, wearing a light blue short-sleeved button-down shirt and a red plaid skirt, is holding a glowing blue teacup. She has a frustrated expression. A man with dark hair, wearing a black t-shirt with a graphic, is standing in front of her, looking at her with a concerned or pleading expression. The background features a window with a white lattice and a dark chalkboard.

Dammit Tommy!

I think you've had enough!

Before the cup even hit the ground Mary Sue remembered the full pitcher she left in the sink. She quickly darted towards it, her much more muscular legs quickly carried her across the room before drunken Tommy could react.

Try as he might Tommy couldn't even budge Mary Sue's arm, and he could already feel her muscles under his fingers bulging and thickening...

\*Gulp gulp\*

\*Gulp gulp gulp\*

Her muscles continued to thicken and swell along with the rest of her. Her shirt popped open unable to contain her larger muscles and breasts. More of it tore apart as her skirt also began to tear.

Tommy finally stopped struggling when he saw how large Mary Sue's breasts had grown. He loved tall, strong, busty women, and Mary Sue was now the biggest he'd ever seen on all 3 counts. Why bother struggling when he could be enjoying the now 7'8" view?

Mmm that's big enough for now. Ooh my breasts feel nice and warm....

Mary Sue, your  
breasts...

Look like heaven!

Aww quit it Tommy  
yer gonna make  
me blush!

And your cute  
little buns...

Have grown super sexy  
and super perfect!

Hey what gives Tommy?  
I'm way too big to be  
spanked now!

My pops always says if you  
see the perfect woman, spank!  
Throw caution to the wind  
and spank that ass!

Do you think all this  
sweet talk is gonna get  
you out of trouble  
with me?

Aww come on Mary Sue, you're the one that got me drunk!

It's only fair that I get to spank you too!

Realizing it was her fault that Tommy acted the way he did and thinking about the compliments he gave her, Mary Sue just wanted to scare Tommy and simply patted his ass instead of giving him a real spanking.

Just keep in mind who's the boss now tommy! And your boss wants you to take all your clothes off!

Haha yes M'am!

After they both stripped all their clothes off, Mary Sue was pleasantly surprised by what Tommy was sporting beneath the belt.

Wow Tommy I never knew you were packing all this or I woulda tried winning you over much sooner!

Neither did I! I guess there was at least one good effect on me from that blue water.

Ohh even at my new size it  
really stretchess me! Ahhh!

Ohhh nice and tight!

After a few minutes Mary Sue insisted on getting it from behind. The only way Tommy could reach was by standing on the sofa.

I'm afraid its too high Mary Sue, you don't reach like this.

I have an idea!

Let's see if this will  
at least make me a little  
bigger. I'll drink it all  
down to make sure.

This time  
I'm not complaining!

Mmm my body feels so warm,  
I think it will make  
me a little bigger  
after all.

I'm looking forward to seeing it!

Ahhhh!

Her growing against  
my dick feels incredible!

And grow Mary Sue did, only much more  
than either of them expected...

Mmm I feel much, much bigger. And your huge dick still feels good!

Oh my god Mary Sue!

Mary Sue grew from 7'8" to 10' tall. She could now easily take Tommy's enlarged cock from behind, which she did for nearly an hour.

Afterwards Tommy enjoyed Mary Sue's huge breasts while giving her several small orgasms using his hand.

Mary Sue gave Tommy the best blow job he'd ever had, while he enjoyed the view of her magnificent new body.

Mary Sue was barely able to fit on the couch. Tommy burried his face between her massive breasts while pounding her with his enormous cock.

After hours of sex, they both were very sleepy. Mary Sue wanted to see if she could get even bigger before going to bed, but much to both their disappointment the water from the tap was back to normal.

Awww!

Oh well, you'll still be the biggest, strongest and sexiest girl in your school tomorrow.

Mary Sue gave Tommy a big, long kiss while playfully patting his rear before going to bed. Tommy greatly enjoyed it, but he began to wonder how he would end things with Hannah to be with his new amazon girlfriend.

He figured he'd worry about it tomorrow. Besides he now had super size Mary Sue to protect him. He wanted to get dressed but his clothes were too big. Tommy couldn't think clearly anymore and passed out into a deep sleep.

When Tommy awoke he was still  
in Mary Sue's house, but everything  
seemed so different, so serene...

Wake up Tommy!

H..Hannah?

Why of course it's me sugah,  
who were you expecting?

Oh Tommy what happened to you?  
You're so much smaller but so much bigger  
where it counts...

Uh Hannah there's something  
I've got to tell you...

Wow at my new small size  
Hannah looks even more incredible  
and her big breasts feel enormous.  
Not as enormous as Mary Sue's  
though...

Holy Toledo! You're huge Mary Sue!

Well hello down there!

I'm glad Mary Sue is here, that'll make things easier to explain to Hannah, and safer.

What the heck?

Ooh I love your new  
size and big muscles!

Mmm and I love  
being so much  
bigger than you!

Much to Tommy's surprise and joy,  
two girls that hated each other,  
Hannah and super size Mary Sue  
were making out.

Hannah sat on Mary Sue's face and called Tommy over to suck on his huge cock. Meanwhile, Mary Sue was fingering herself while licking Hannah's pussy through her panties. After a while Tommy began to precum into Hannah's mouth. It tasted different than usual to Hannah, very refreshing too...

As the minutes went by Hanah grew faster and took in more of Tommy's cock while more of her pussy covered Mary Sue's face.

Hannah continued to grow, her larger size allowing her to easily titty fuck Tommy. Her clothes began to tear apart, her pussy becoming exposed to Mary Sue's licking tongue...

Mmmfff!

Hannah was growing larger by the second, Tommy was enjoying the feel of his cock between her breasts too much to notice, while Mary Sue's face was covered inch by inch.

Hannah was growing so quickly  
her clothes burst off as her  
body and muscles swelled out  
of them.

Oh my god Hannah  
you're enormous!

Mmmmff!!!

Don't forget sugah,  
I'll always be the biggest  
woman in your life. And  
if I'm not...

Helpmmmffmmfff!

...I'LL  
JUST GET  
BIGGER!

Hannah had grown from 5'10" to 20' tall.

A 3D rendered image of a young man with dark, spiky hair lying in bed. He is shirtless and looking directly at the viewer with a surprised expression, his mouth slightly open. He is lying on a red, textured surface that appears to be a bed or couch. The background is a solid dark red color.

Tommy awoke from his dream back to normal size, but couldn't remember anything from the night before. He could clearly remember everything from his dream though. He wondered why he was dreaming of Mary Sue and Hannah as giant amazons...

What a great but strange dream! Giant Hannah was fantastic but I really liked giant Mary Sue the best...Thinking of, what the heck happened last night and why am I naked?

Tommy checked in on Mary Sue and saw she was safe and asleep. He got dressed and headed off to work, and thought about Mary Sue all day.

Mary Sue awoke a little later, also with no memory at all of the night before. She got dressed for school and wondered why her outfit from the day before was torn up in the trash.

Hey what's this cup of glowing water? A cocktail maybe?

Before she had the chance to taste it she noticed a new entry in her diary she didn't recall writing. Mary Sue had written all the details of the night before in her diary before going to bed. It turned out that when Tommy knocked the cup out of her hand it landed safely on the other couch and still mostly full. Mary Sue had much to think about that day, and wondered if she should tell her closest cheerleader friends about it...

That same morning, on the other side of Samson's Creek town, Rebecca Dubois awoke in a bed she had never slept in before.

I never thought I'd come back to this backwater town after Sarah's funeral, let alone sleep in her bed.

I'm glad Sarah's house never sold and that we left everything as is. It'll be perfect for my stay in town.

A woman with long, vibrant red hair is sitting on a bed with a light-colored, textured blanket. She is wearing a black lace bodysuit and is in the process of putting on a black high-heeled boot on her right leg. Her left leg is bent, and her foot is resting on the bed. In the background, there is a dark headboard, a nightstand with a lit lamp, and a window with white blinds. A large, abstract painting with red and black colors is on the wall behind her. Two speech bubbles are present: one on the left and one on the right.

Looks like Sarah's clothes still fit like when we were kids. I'm glad Nikki got all the size from us 3 sisters otherwise these boots would not fit for sure.

I just can't let Nikki know what I'm doing here. It would be too hard on her again if it turned out to not be true. I'll just let her keep thinking I'm just here to check up on her, which is partially true anyway. I want to be sure she is safe.

Having been a cop gave me a tougher skin than either of my sisters. And now as a private investigator I've gotten a good sense of what is and isn't real. And that mostly garbled voicemail felt very real.

"Sarah is alive..."  
If it turns out to not be true then someone is going to pay dearly. But from what Chris told me there is definitely something fishy going on in Samson's Creek and I'm going to get to the bottom of it.

Rebecca headed out to meet with Chris that evening who was an old classmate of Sarah's. He had stayed in touch with Rebecca after Sarah introduced them years ago. Rebecca was attracted to Chris but never really had time to pursue it.

Rebecca met Chris a few miles north of town, out in the woods right next to the river.

Hola Chris,  
como estas  
chico?

She looks as sexy as I remember!

Hola Rebecca!  
Wow I wish my Spanish  
students spoke spanish  
without an accent  
like you do.

It's probably all the French  
I learned while I studied abroad  
in Belgium. Romance languages,  
ya know?.

Oui, err I mean si, uhh yes  
I mean yes! You've got  
me all confused now  
Rebecca.

Good I like keeping  
people on their toes.  
So this is the  
place?

Si. This is  
the last and only  
place Jasmine remembers  
before her reappearance  
how she is now and...

And also the address  
the phone number she called  
me from was traced back to?  
Let's go see what's inside  
this supposed "abandoned" lab.

The lab was most definitely not abandoned, and much more high tech under the shabby exterior than expected.

I think I saw something move in that room over there, let's check it out.

It's crazy that all this is in here! The elevator back there showed there's at least 10 floors below.

A man and a woman are standing in a dark, industrial-looking room, looking at a large, glowing blue tank. The man is wearing a striped shirt and the woman is wearing a black top and jeans. The tank is filled with a bright blue liquid and has a small, glowing object inside. The room has a metallic, riveted ceiling and walls. There are other tanks and equipment in the background.

I wonder what all these tanks are for? The blueish water in some of them almost seems to glow.

There's the things I saw moving. Is that a...

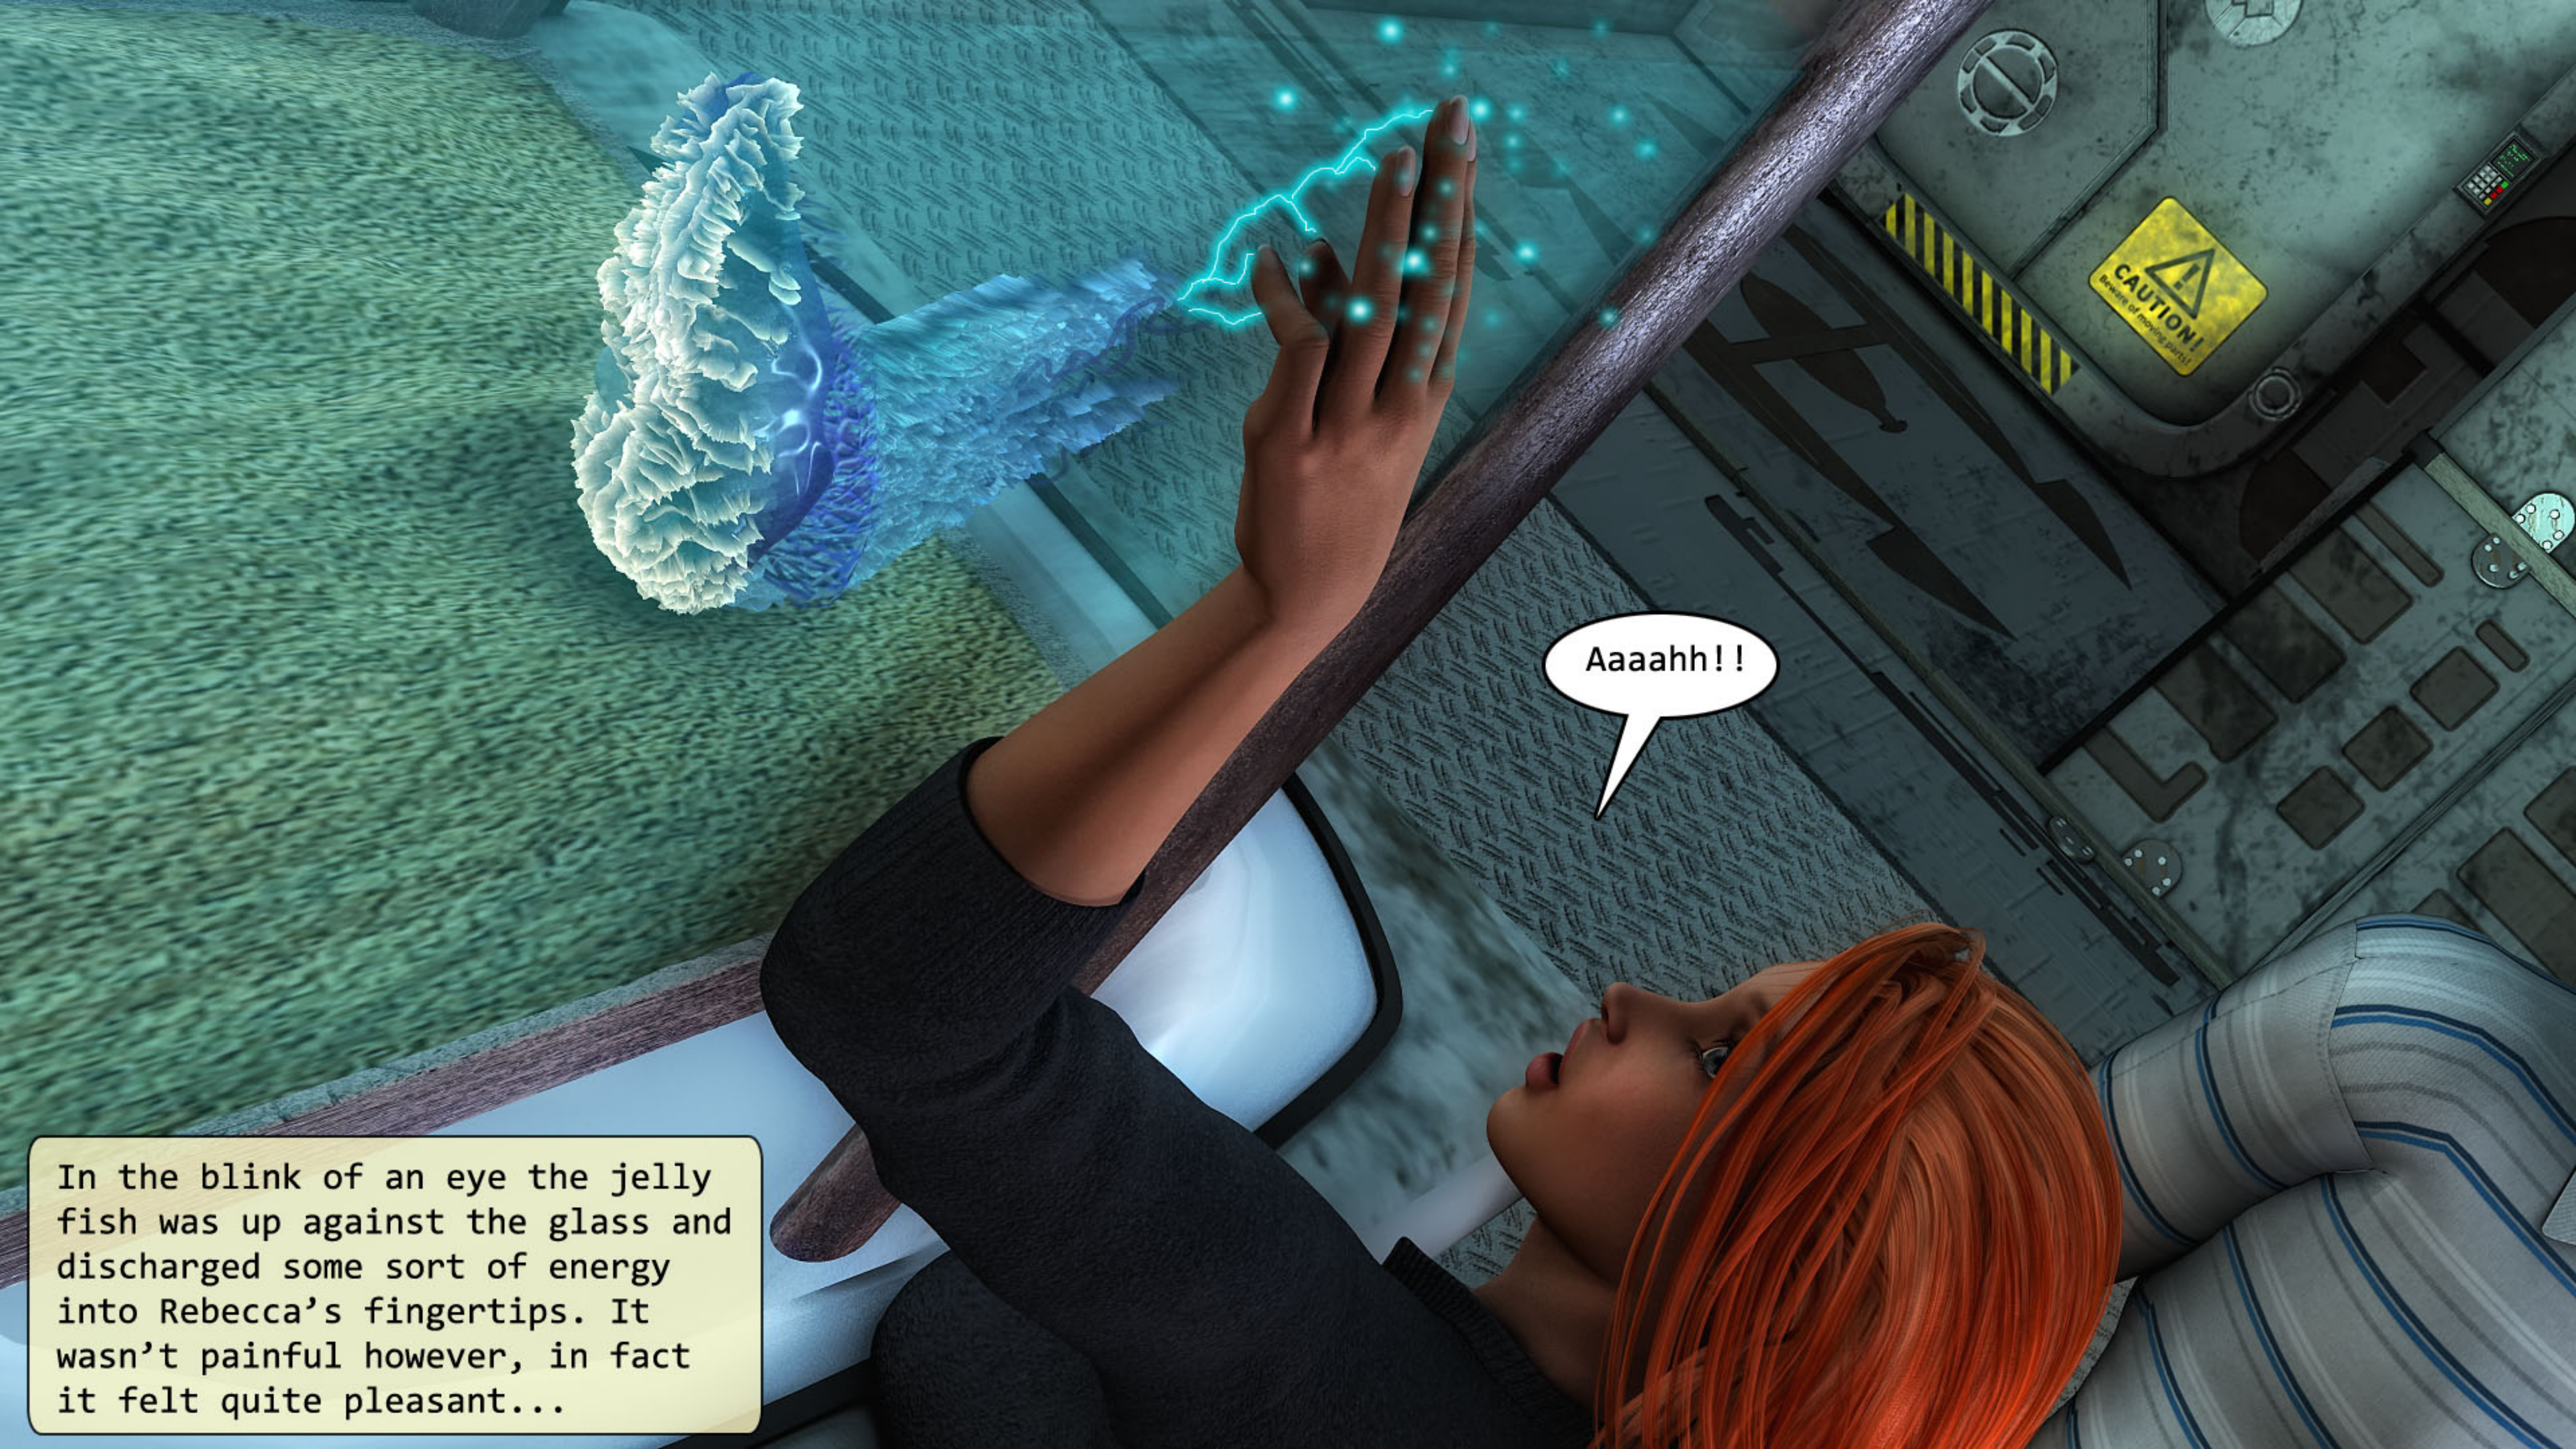

..Jelly Fish? Come here little guy I'm not gonna hurt ya.

Oh I know, Sarah used to study these things and told me all about them. I'm just gonna tap the glass to get it to come over so I can get a better look at it.

Careful Rebecca  
I've heard some jelly fish have a nasty sting.

Aaaahh!!

In the blink of an eye the jelly fish was up against the glass and discharged some sort of energy into Rebecca's fingertips. It wasn't painful however, in fact it felt quite pleasant...

A man and a woman are standing in a futuristic, metallic environment, possibly a space station or a high-tech laboratory. The woman, on the left, has long red hair and is wearing a black long-sleeved crop top and blue jeans. She is looking up and to the right with a surprised expression. The man, on the right, has short brown hair and is wearing a light blue and white striped polo shirt and brown trousers. He is looking in the same direction as the woman. In the background, there is a large, curved metallic structure with a glowing blue light source. The floor is made of dark, reflective panels. The overall atmosphere is mysterious and high-tech.

Ooh I feel so strange,  
like I'm getting goose bumps  
all over...

*\*Whisper\**  
Someone's coming,  
let's go find somewhere  
to hide...

Rebecca quickly snapped out of her trance and ran behind Chris into a nearby storage closet.

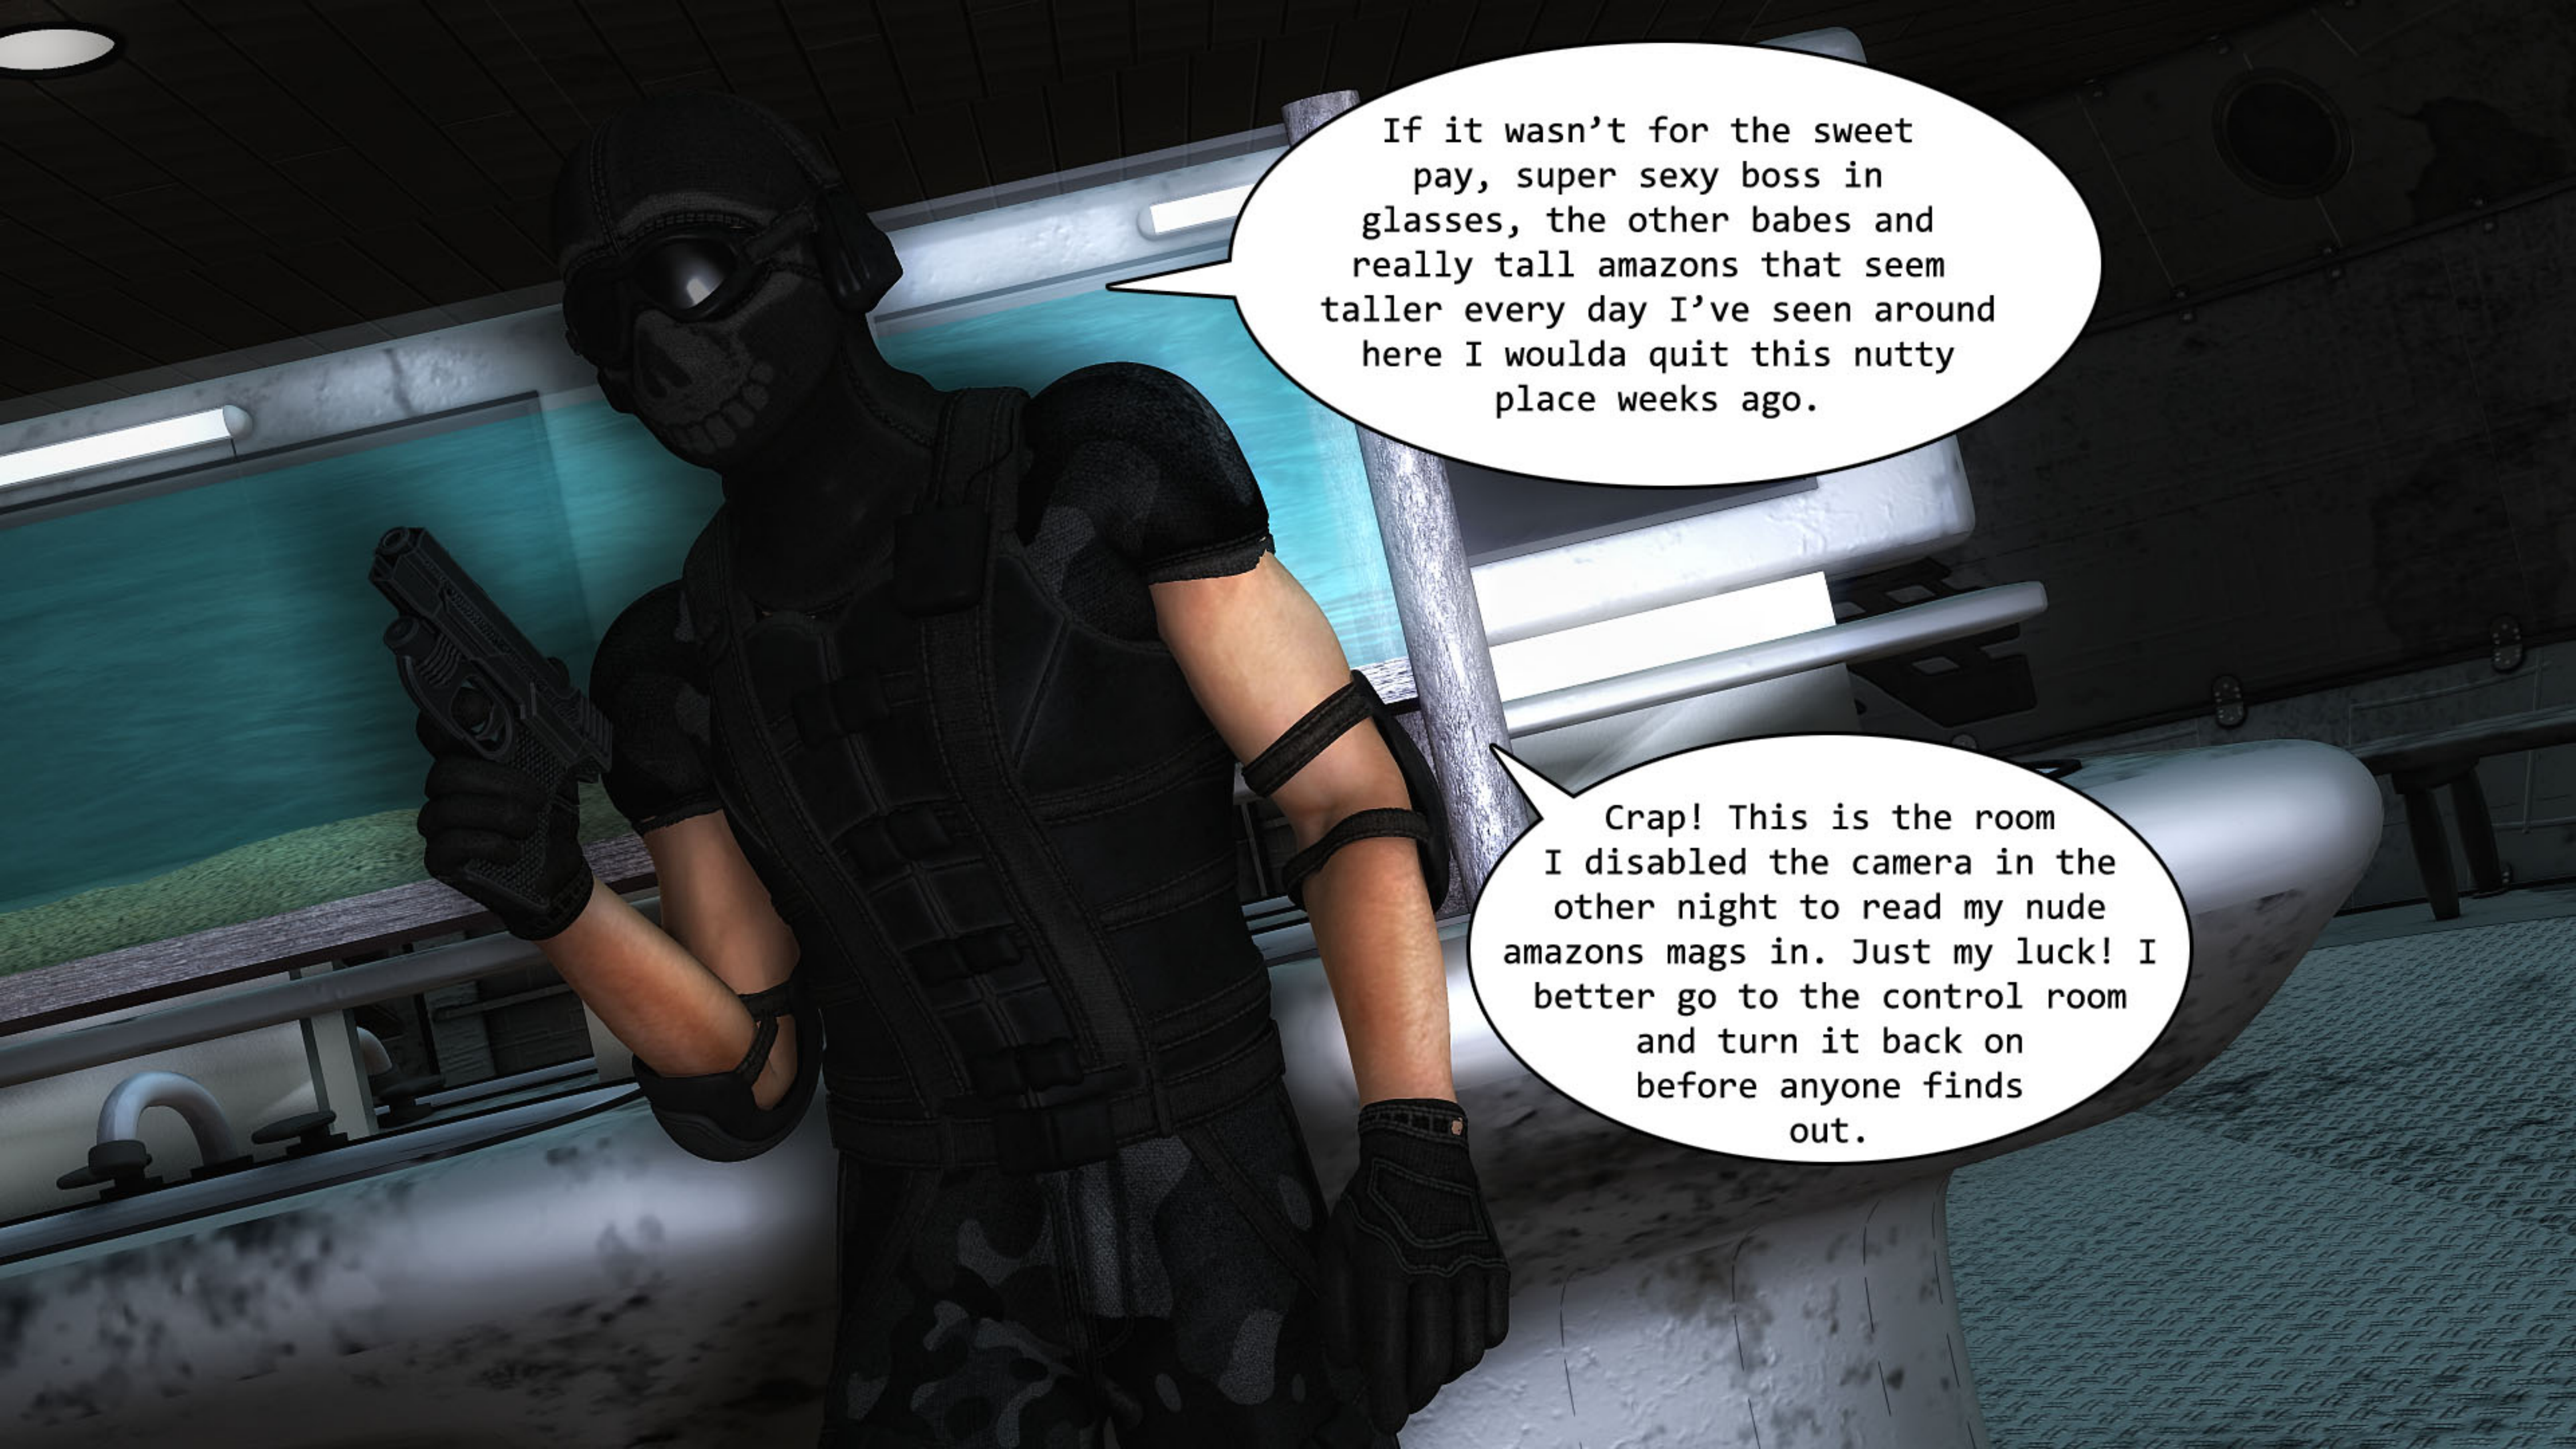

FREEZE SUCKAS

I'M GONNA POP A CAP IN  
YOUR...Aww there's no one here. I  
bet it was one of them giant animals  
that escaped again. I swear  
this place is gonna  
drive me crazy.

A character in tactical gear, including a skull mask, goggles, and a vest, is holding a handgun. They are standing in a room with a large window showing a green landscape. A speech bubble is next to them.

If it wasn't for the sweet pay, super sexy boss in glasses, the other babes and really tall amazons that seem taller every day I've seen around here I woulda quit this nutty place weeks ago.

Crap! This is the room I disabled the camera in the other night to read my nude amazons mags in. Just my luck! I better go to the control room and turn it back on before anyone finds out.

Rebeca and Chris were cramped and pressed up against each other in the storage closet due to the large boxes within.

*\*Whisper\** I think the guard is gone. He said some interesting things which might explain what happened to Jas...

*\*whisper\** Bad news, the door is locked from the outside.

A man and a woman are shown from the waist up, standing inside a large, open cardboard box. The man, on the left, has dark hair and is wearing a light blue polo shirt with thin horizontal stripes and a black watch on his left wrist. He is looking towards the woman. The woman, on the right, has long, vibrant red hair and is wearing a black long-sleeved crop top and blue jeans. She is looking back at the man. The interior of the cardboard box is visible, showing the corrugated cardboard walls and floor. Two speech bubbles are present: one from the man on the left and one from the woman on the right. The lighting is soft, coming from the side, creating a warm atmosphere.

I guess for now it's not so bad being trapped here, Rebecca's sexy little body sure feels nice pressed up against me.

*\*Whisper\**  
That goose bumpy feeling is back...

*\*Whisper\**

Are you ok Rebecca? You seem to be pressing up against me more, not that I'm complaining.

*\*Whisper\**

Oh I thought you were the one pressing up against me. Hmm my clothes feel really tight for some reason...

A man and a woman are standing inside a large, open cardboard box. The man, on the left, has dark hair and is wearing a light blue and white striped polo shirt. He is looking at the woman with a surprised expression. The woman, on the right, has long, vibrant red hair and is wearing a black, long-sleeved, off-the-shoulder top and blue jeans. She is looking back at the man. The box is made of brown cardboard with visible seams and some tape. The lighting is soft, coming from the side, creating a warm atmosphere.

Rebecca!

I...I don't think  
It's finished either...

Every inch of Rebecca grew larger as her clothes ripped to shreds...

Chris just watched in awe as Rebecca's body filled up and out of her clothes.

Rebecca let out a soft moan as her pants and blouse buttons popped open and her biceps ripped out of their sleeves.

Mmmmm . . .

I think Nikki  
might have a little  
competition for the  
biggest bust in town...

A screenshot from a video game showing a man (Chris) and a woman (Rebecca) in a warehouse. Rebecca is shirtless, wearing a black bikini top, and has her back to the camera. Chris is standing in front of her, looking at her. He is wearing a blue and white striped shirt. A speech bubble from Chris says, "\*Whisper\* Que increíble...". A yellow text box in the bottom left corner says, "Rebecca had grown from 5'4 tall to 7'3\"/>

\*Whisper\*  
Que increíble...

No need to whisper anymore Chris.  
I think if there was anyone out there  
they would have heard my moaning and  
my clothes ripping. Let's see if these  
muscles aren't just for show.

Rebecca had grown from  
5'4 tall to 7'3".

Mmm it felt as if the wall was made of paper mache, what a rush!

And you made it look like it was made of it!

Rebecca easily punched through the doors, sending some of the boxes stored inside through the air.

Hmm you don't  
seem as surprised as I feel,  
am I right?

Well to be honest,  
it kind of has to do with  
why I've been so mysterious  
about Jas...

Tell me about it when  
we get to the car. Someone  
may have heard that door  
blow open.

Hey that's odd,  
the jelly fish isn't  
in here anymore.

It is odd but  
it's probably for the best.  
As much as I'd like to see it,  
if it zapped you again you'd  
probably get too big for my car.

Aww what the hell!?  
Damn oversized animals made  
a mess again! I bet it was  
that dog again!

Hurry up slow poke!

What a nice  
ass!

Hey not everyone  
has sexy and long  
buff legs!

Chris and Rebecca drove off into the woods while fog grew thick around them.

Looks like we're in the clear. This fog will help cover us too.

I'm just glad you fit in the car.

Haha I barely do...  
Oh, I feel so weak suddenly...

So much for all  
that wonderful size.  
This is also so  
confusing.

I think it's time I tell  
you about Jasmine.

Chris told Rebecca everything. How Jasmine had slowly started getting larger and more muscular over just a few days. That they hooked up a few times during that period, and how she suddenly vanished for 8 months and recently reappeared with no memory of those 8 months or the week before and with a completely new physique. He also mentioned he started seeing other people after thinking Jasmine had simply skipped town.

It couldn't have been  
a dog, it was the size  
of a horse!

Wow I got all  
shook up and my heart  
was beating fast, and  
now the goosebump feeling  
is back way more intense  
than before!

Ooh the feeling  
is getting even more  
intense...

A woman with long, vibrant red hair is shown from the back, looking into the open rear passenger door of a blue SUV. The SUV is parked on a dirt path next to a large tree with green leaves. The word "PATHFINDER" is visible on the side of the vehicle. The woman's hand is resting on the interior of the door.

Oh great, I think  
this is the school car  
that needed a new jack...

Mmmm . . .

A muscular woman with long, flowing red hair is flexing her right bicep. She is standing next to a blue SUV, which has "PATHFINDER" written on its side. The scene is set in a lush green forest with many trees and foliage. The woman's physique is highly detailed, showing her chest, abdominal muscles, and arm strength. The SUV is a modern-looking vehicle with large windows and a side mirror.

Yup, no  
way to lift the car  
to change the tire.

I think I...

A digital illustration of a woman with extremely muscular, hyper-developed physique and long red hair. She is standing in a forest next to a blue SUV. The SUV has 'PATHFINDER' written on its side. She is looking towards the camera with a slight smile. A speech bubble is positioned near her head.

...might have  
a solution.

Rebecca had grown from 5'4" to 8'7".

So what did  
you have in mind?

Move aside and let  
me show you.

A 3D rendered image of a muscular woman with long, flowing red hair, standing in a dense forest. She is unclothed, showcasing her highly defined muscles, including her large breasts, abdominal muscles, and arm muscles. She has a slight smile and is looking towards the viewer. In the bottom left corner, the back of a man's head and shoulders are visible; he has short brown hair and is wearing a light blue and white striped shirt. The forest background is filled with green oak leaves and dark tree trunks. Two speech bubbles are present: one above the woman saying "Surprise!" and one near the man saying "Dios mio!".

Surprise!

Dios mio!

Mmm hmm!

Hmmm I think I'm even bigger than when we were in the closet together, don't you think?

But let's  
inspect more closely  
after we fix the car.

Oh...ok!

•  
•

I hope she means  
what I think she means,  
she looks incredible!

Yikes! It's still pretty heavy for me...

Rebecca, there's that glow again!

Rebecca is so focused on lifting the car she doesn't notice the goosebump feeling returns as she strains herself...

I think I've  
almost got it...

...That's more like it.  
\*Laughs\* The car seems  
so much smaller now.

She's incredible!

It feels so light now too.  
Anyway, are you just going to  
stand there and gawk all day Chris?

Wow! Oh hahaha!

Rebecca had grown from 8'7" to 10'2".

Well I just might  
gawk all day since  
I certainly don't mind  
the view!

Chris finished changing the tire  
while admiring the view next to  
him the whole time.

A 3D rendered scene depicting a man and two women in a car at night. The man, with dark hair and blue eyes, is wearing a light blue and white striped shirt. He is looking down at two women who are leaning over the center console. The woman on the left has long, straight, reddish-orange hair. The woman on the right has dark hair. They are all in a car with a blue interior. The ground outside the car is dark and covered with gravel and some autumn leaves. Two speech bubbles are present: one on the left from the woman with red hair, and one on the right from the man.

You sure took a long time  
with that tire.

Can you blame me? I  
just wanted to enjoy  
what I was seeing.

A man and a woman are in a blue car with its trunk open. The woman, with red hair, is in the foreground, shirtless, looking towards the man. The man, with dark hair, is standing behind her, wearing a light blue and white striped shirt. He is looking at her and has a speech bubble. The car's trunk is open, revealing a dark interior. The ground is covered with gravel and some autumn leaves.

I think it's  
my turn to enjoy  
the view.

Good thing I have that  
spare shirt in the back  
of the car!

I'll rip that one  
and your pants too  
if you don't get naked  
in 10 seconds.

Chris very quickly and happily undressed.

As soon as Chris was naked they went at it.

Rebecca easily lifted and pinned Chris up against the car.

Chris took Rebecca from behind while he sat on the hood of the car. With Rebecca's feet on the ground she was able to keep most of her weight off him.

Things got a bit heavy at times  
but the pleasure far outweighed  
the pain for Chris.

In the heat of the moment Rebecca didn't even notice she almost tipped the car over.

Rebecca was very dominating for most of it not just because of her size but because of her style, and Chris really enjoyed it since usually he was in control during sex. She finally let him get on top since she could tell he was exhausted. She on the other hand could easily go for much longer.

After hours of sex Chris passed out and Rebecca decided to take a nap next to him.

After a few minutes of sleep  
Rebecca returned to her  
normal size.

Hey sleepy head time to get up. We should go see Jas with everything we learned today to see if it jogs her memory of calling me about Sarah being alive.

Alright, but be ready. She's exactly the same person you remember from when you met her at Knockers a year ago but completely different physically.

And I guess you'll be wearing my spare shirt I have in the back of the car.

Chris put his pants back on while Rebecca put on Chris' spare shirt. They then headed to Jas' apartment.

So Jas' place  
was remodeled  
as well?

Si.

Hiya guys!  
And that's not the only thing  
that was remodeled...

A comic book panel featuring a woman with long, vibrant red hair and bright blue eyes. She is wearing a light blue, off-the-shoulder top and is smiling. In the background, the arms and hands of another person are visible, suggesting a close interaction. The setting appears to be indoors with a dark, patterned wall and a doorway in the background.

Wow Jas is that really you?  
I used to tower over you, and now  
you way tower over me! How tall are you?  
Love the cool purple eye contacts and  
new hairstyle and color!

Haha Thanks! I was as surprised  
as you. I'm 6'6" but I'm wearing 6" heels.  
I'm thinking of putting purple streaks  
in my hair, and oddly enough I don't need  
glasses anymore. Plus this is my  
actual eye color now...

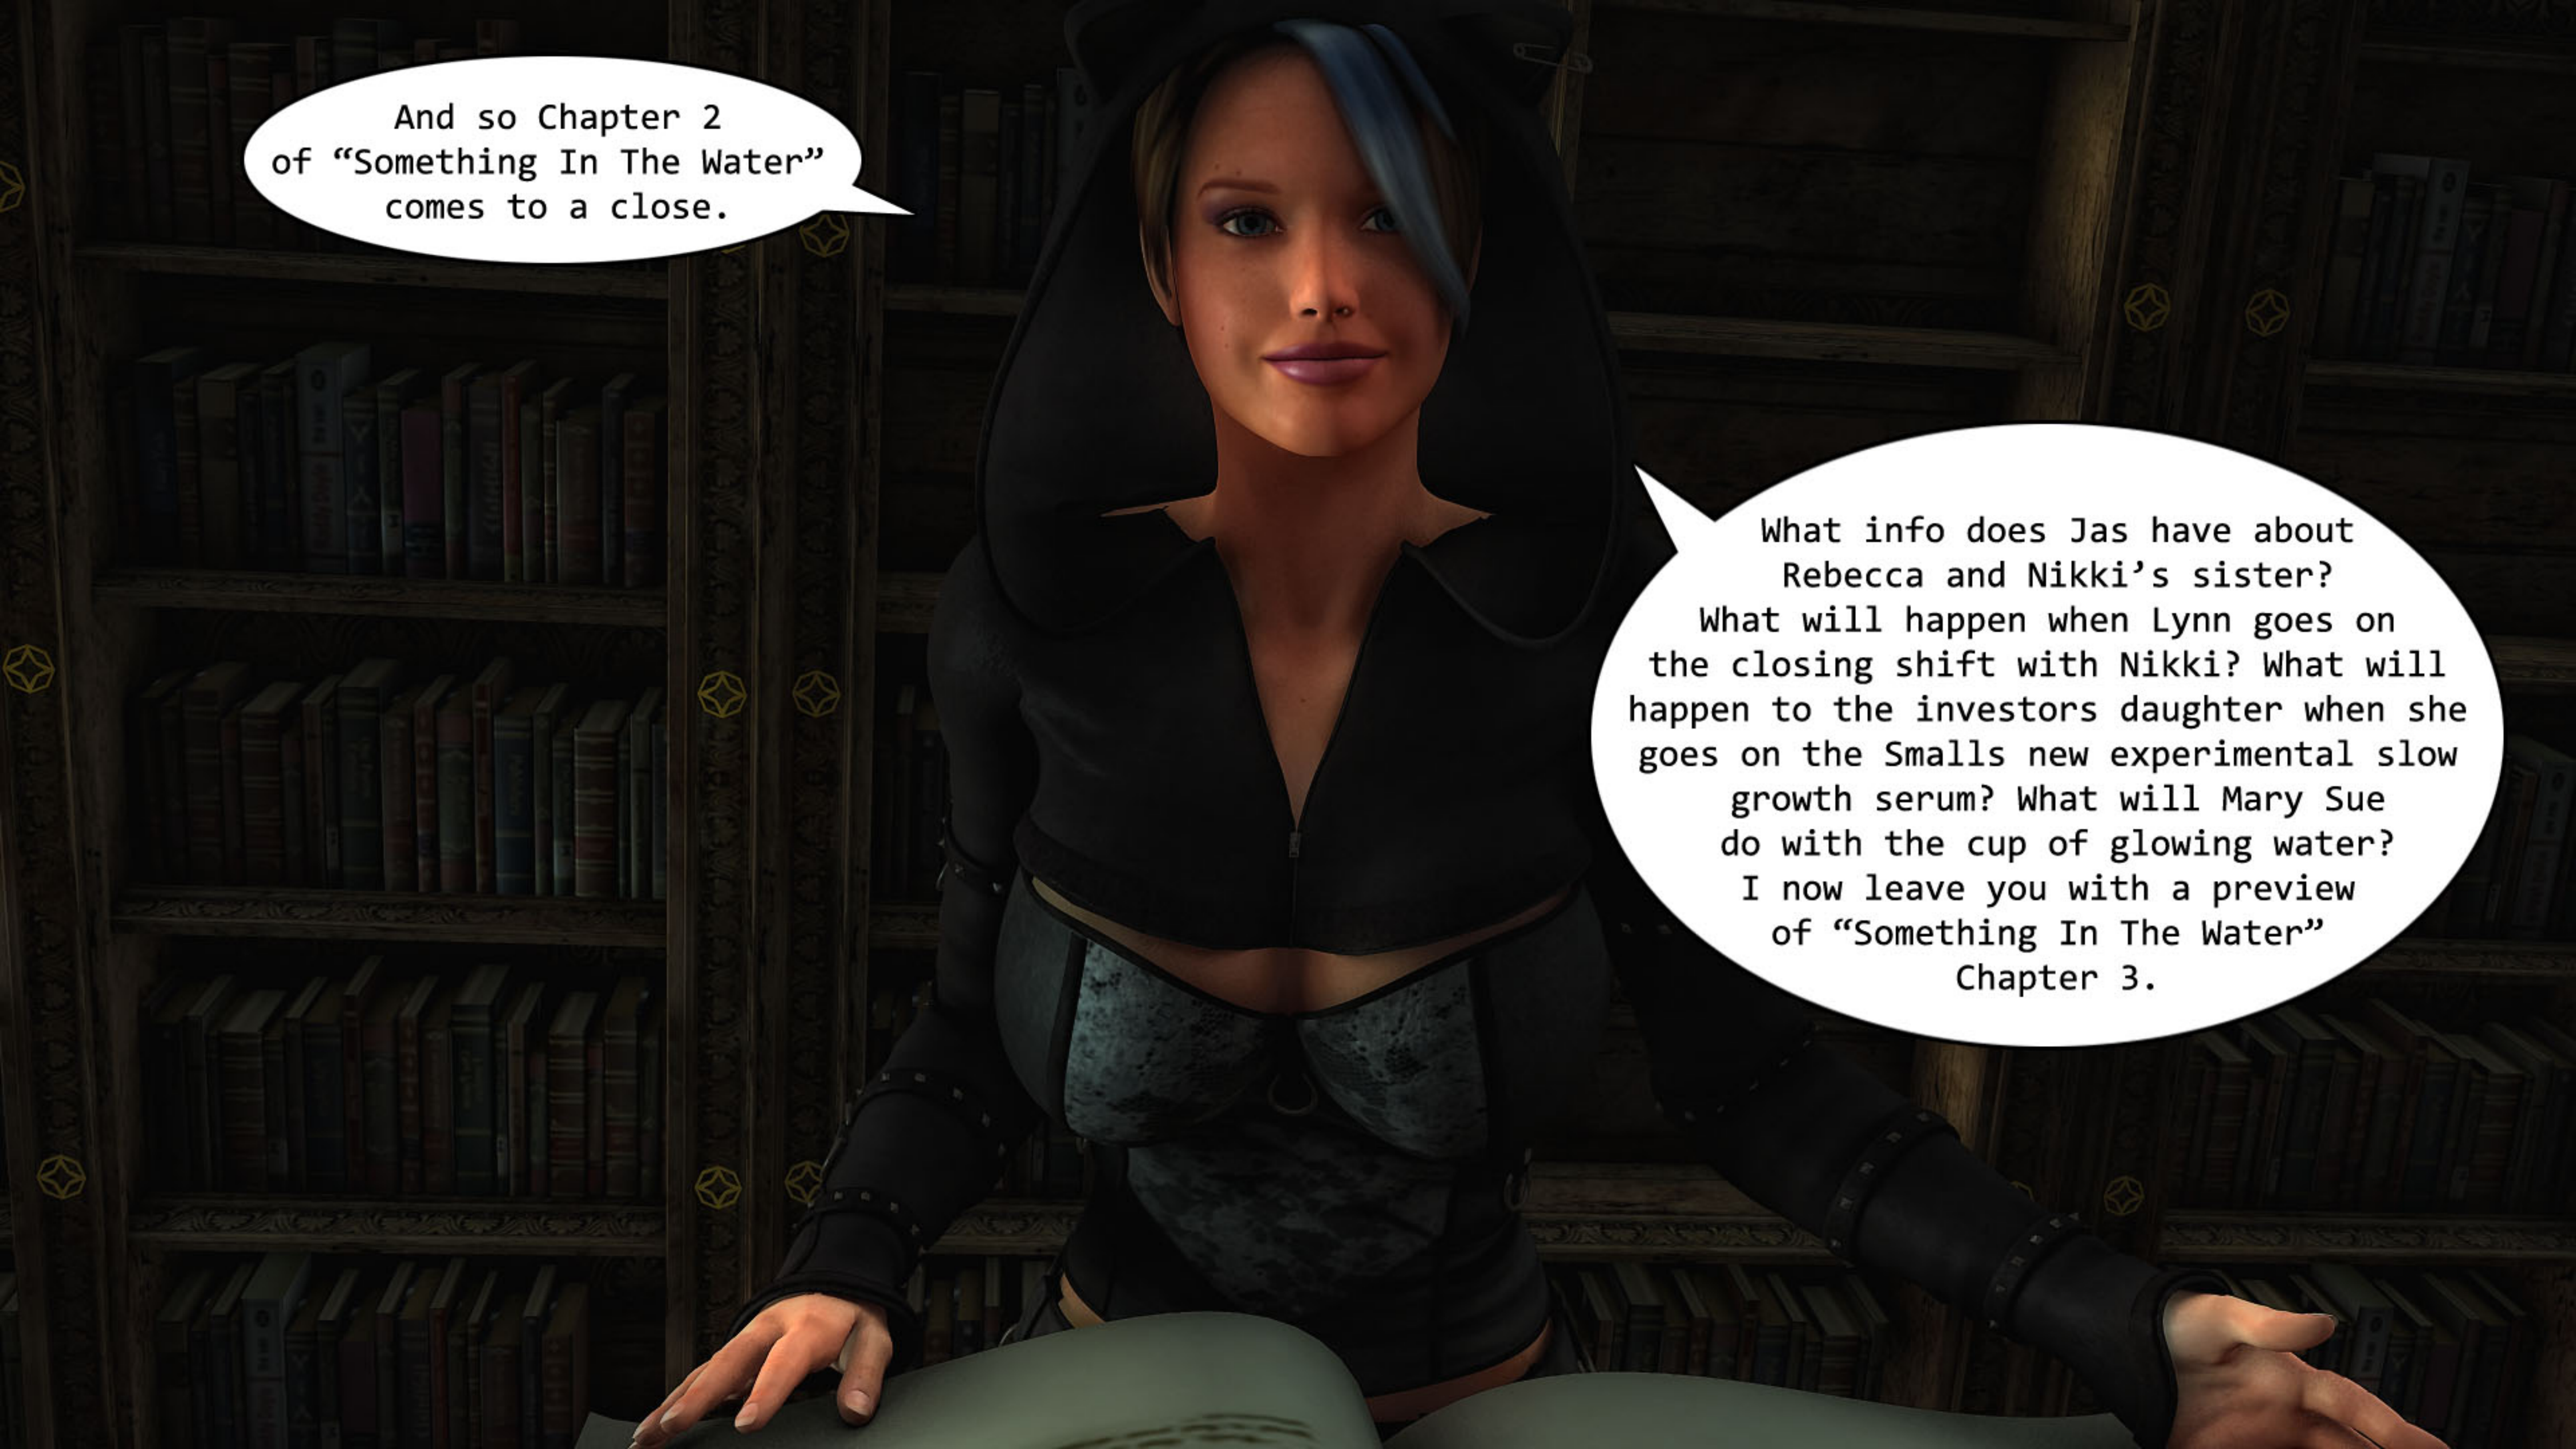

TO BE CONTINUED...

I still haven't gotten used to it.  
Also, I'm alot stronger than I look.

Anyway, I have some other mysterious  
stuff to tell you about that might  
have to do with Sarah...

A woman with blonde hair and blue eyes, wearing a black hooded cloak and a black zip-up top, is sitting in a library. She is looking directly at the camera with a slight smile. The library has wooden shelves filled with books. Two speech bubbles are present: one in the top left and one in the middle right.

And so Chapter 2  
of "Something In The Water"  
comes to a close.

What info does Jas have about  
Rebecca and Nikki's sister?  
What will happen when Lynn goes on  
the closing shift with Nikki? What will  
happen to the investors daughter when she  
goes on the Smalls new experimental slow  
growth serum? What will Mary Sue  
do with the cup of glowing water?  
I now leave you with a preview  
of "Something In The Water"  
Chapter 3.
