

SOMETHING IN THE WATER 3

THE WILD ONES

BY ZZZ AKA THATBUMZZZ

I don't remember the exact details but Sarah is in my memory, much more realistic than a dream, but still very real.

I knew it!
She really is
alive!

Well, it could just be a dream, whatever happened to Jas in the woods obviously affected her in a drastic way.

Maybe we could
do something to
jog my memory?

How about we
try taking her to
that underground lab?

I think that could
be very dangerous with
the security they have
there. She was however
wandering the woods
for a couple days before
I found her, maybe
a drive around the
woods would help?

Before we do that I want to show you something else that reminded me very much of Sarah. Rebecca, didn't Sarah do work in the ocean?

Why yes, she was a marine biologist and also took photos occasionally while snorkeling.

That's what I thought.
Check out this photo that
was put on the door. It
isn't something that I
took or purchased.

Hmmm, are Jas' breasts even larger than when I found her?

That looks like one of Sarahs photos!

I had forgotten how sexy Rebecca is...

There's something
else here that is strange
and doesn't belong to me...

Why would one
of Sarah's photos be
on your wall?

This big box full
of these blue glowing
liquid filled vials was
stashed in the closet.

That's the same
kind of box Chris and I
found in the underground
laboratory!

Two weeks ago, in the underground lab...

Don't worry rookie. The gig is pretty easy aside from some oversized critters and strikingly tall women. Maybe once you have been here for half a year like me you might get a promotion too.

In my country of Hungary there are some tall women too so that does not bother me. I will work hard to be promoted faster.

Yeah good luck with that, only the tall buff babes err women seem to be promoted these days.

In that case
I may have to, how do
you say...work out?
More. Much more.

When you see
the kind of muscles these
babes have you will
probably give that
up right away.

ELENOIR 4'8"

One week ago...

H...how is that even possible!?
And on top of being so much bigger
you even got promoted to my rank!

It's good thing they
have uniform in so many sizes.
This one already feeling tight.
Sorry Chester I not allowed
to talk of serum.

ELENOIR 5'8"

Two months prior...

I sure hope this serum gives me the confidence to confront Edgar like Jane promised. She said to only take a few sips but I think I will need all of it with how drunk and angry he is today.

A man with dark hair and a mustache, wearing a green V-neck sweater over a white collared shirt and light-colored trousers, stands in a living room. He has a thoughtful or regretful expression, with his hands near his chin. To his right, a woman with long dark hair and glasses, wearing a blue long-sleeved sweater over a white collared shirt and dark trousers, stands with her hands clasped. She looks towards the man with a concerned expression. The room features a large window with light-colored curtains on the left and a wooden cabinet on the right. A brown leather sofa is partially visible in the foreground.

I...I shoulda
done more! I was a great
sniper and an even better
soldier and I couldn't even
save that girl!

He just can't seem
to get over that day on the boat.
I think he had something going
with that woman but I myself
was not innocent.

Please Edgar,
it's been several months since
that day...

Shut up Julie!
I wouldn't have even
been out there if you
hadn't cheated on me
with that man!

I've said
sorry a million...
Aaaackk!!

BUMP!

Now look what you've
gone and made me do!

Ughhhh...

I feel so strange,
I was in pain for a
moment but now...

"Basically Stephen she reached that "Wild One" state we thought we had eliminated from the serum..."

Two days ago...

At least now we know the Sigma serum still needs some work before we test it in the water supply.

Julie was my friend in college, I had to help her. Because of this she is now working with us, one of the best geneticists in the country.

But that poor man was hospitalized with broken bones, the house was destroyed and she divorced him! And his boat months ago...

Not a coincidence is it?

Maybe, maybe not.

Yesterday afternoon...

Good afternoon
Mrs. Miller!

She looks
so babelicious
as usual!

Hi Mrs. M!

Hello Tommy and Frank.
Tommy you received a B+ on
your test, great work. Frank you
scored a C-. You may need to
cut back on the sports.

My stupid new job
is keeping me up late!

Can I stay and help clean the classroom after school like I did last week Mrs. Miller?

That'd be wonderful, thanks Tommy.

Oh how I'd love to clean those too!

I know exactly what he is thinking. If only I weren't his teacher! At least I can be the one enjoying the view while he cleans after school.

Tommy if you
can come over this
weekend and help May
study for the next

it too.

That lucky dog!

No problem Mrs.
Miller, I'm happy
to help her!

Spending the weekend
with two sexy, tall, busty
blondes? Score!

Good afternoon
Mrs. Miller!

Hello Hannah.
Great job on the test,
A-. I hope you don't
mind if I borrow your
boyfriend Tommy this
weekend to help my
daughter study?

Ah can come help
too if y'all want.

Thank you for offering
but May gets easily distracted
when there are too many
people around.

Heya sugah
whadda ya think
of my new blue top?

Uhh hi Hannah.
Yeah, looks nice...
Hi Mary Sue!

Hi Tommy!
Hi Mrs. Miller.

Why is Tommy
paying attention
to that brat?!

Great work on
your test Mary Sue, B+

Thanks Mrs. Miller!
Hey Tommy, how do you
like my new skirt?

It's very pretty
Mary Sue!

Wow he has never
complimented me before
or seemed so interested
in what I say. Maybe he
remembers some of
last night?

May, honey I asked Tommy to come help you study this weekend. The F on your test would have greatly upset your dear departed father.

I know mom, I know. It's just so hard to concentrate or even focus sometimes.

I'd just rather
do cheerleader stuff
anyway! Oh, here
is your cup, you
left it over in the
teachers lounge.

Thanks May,
but why were
you in the
teachers lounge?

I think one
of the teachers gave
it to Mary Sue and then
she gave it to me, pfft
I forgot already.

Hello Alison
and Wanda. A+ Alison,
fantastic work. Wanda
you got a B,
nicely done.

Cool.

I'm so
fucking high.

Thanks Mrs. Miller.
I hope I can get

A blonde woman with extremely muscular and exaggerated features, including very large breasts and a very defined, ripped midsection, stands in a classroom. She has her hands on her hips and is looking towards a male student. The background includes a chalkboard with some faint writing, a corkboard with a map and a diagram, and a desk lamp.

What did you
think of your special
lesson today Tommy?

I love this class,
but I think there's
more extra credit
to be done!

A few hours later Susan wakes up next to Tommy...

Oh god! What have I done!?

Zzzzzz...This is the best school ever zzzz...

A few minutes later, after reading a note she left to herself before passing out due to the serum...

Thoses assholes! It has to be them! After all these years they found a way to continue Leon's work! For now I have to fix things with Tommy.

Good thing I wrote this note and put the desk back before passing out, I don't remember any of what happened. The Smalls will pay for this!

That same evening...

Rah rah rah!

If we can't do it,
no one can!

Its a good thing Medi
wasn't at practice today. She would
have flipped out at how much longer it
ran than usual because you couldn't

A digital illustration of three cheerleaders standing in a school hallway. They are wearing matching red and white uniforms consisting of a choker, a halter-style top with a red cup and white trim, and a skirt. The cheerleader on the left has long blonde hair and is looking towards the center. The cheerleader in the middle is taller, has blonde hair, and is looking slightly to the right. The cheerleader on the right has dark hair with bangs and is looking towards the center. The background shows red lockers on the left and right, and a tiled wall with a sink and a mirror in the center.

Come on Wanda, Medi is
my best friend plus the
tallest and sexiest team
captain ever!

I think Alison
would be sexiest if
she was as tall as
you or Medi.

Thanks Wanda!
I'm just bummed
Mary Sue had to leave

I really wanted to try

A 3D-rendered comic book panel showing three women in a locker room. The woman on the left has blonde hair and is wearing a dark red bra with white trim and black lace underwear. The woman in the center has long blonde hair and is wearing a matching dark red and white cheerleader outfit. The woman on the right has dark hair and is topless, wearing a white and red skirt. They are standing in front of red lockers and a large window. Speech bubbles contain dialogue about Wanda, Alison, and a boyfriend named Frank.

I wouldn't mind seeing Wanda in a bigger size, those juicy breasts of hers would be huge!

And what would your boyfriend Frank say?

Woo I get so excited imagining Alison at your height. Maybe we can try the stuff tomorrow?

He loves that I like both guys and girls. He'd just want to watch or join in hahaha!

I'll join you two

Meanwhile nearby...

Stephen, we might have a serious problem. You know the one person who we installed filters on in her house so her and her daughter wouldn't find out about the serum before it was ready?

My sister-in-law!? As if we didn't have enough headaches. I'll deal with it later. We have a more pressing matter; our first investors daughter has arrived.

A 3D-rendered office scene. On the left, a woman with brown hair and glasses, wearing a brown blazer over a red patterned top, sits at a wooden desk. Her right hand is on a computer mouse. The desk has a monitor showing a muscular person, a keyboard, and some papers. Behind her is a window with a cloudy sky. In the center, a man in a black suit stands with his back to the camera, gesturing with his right hand towards the woman. The background features a dark wall with a clock, a wooden cabinet, and a bookshelf. In the bottom right, there is another desk with a chair and some papers.

Just turn that off

present good news to Annie.

Yes, of course.
I can tell her about the new
and improved Sigma 2 serum.

It's a pleasure
to finally meet you
in person Annie. You
are as lovely as
your voice.

Haha! Please, feel
free to call us Stephen
and Jane. It's much less
confusing that way.

Oh wow it is nice
to meet you too Dr.
Small, err and Dr. Small?

Annie this is our latest and strongest serum yet, The Sigma 2. Just one sip will give you a quick boost. It also has no shrinking side effect and a less noticeable glow.

Ah yes, the British fighter? You'll have to tell me how you got her so big using the old serum while we prep you for your permanent effect serum. Sadly the Sigma 2 still has some "Wild One" results if too much is taken.

My girlfriend will love it! She hates the shrink side effect.

A few minutes later Elenoir enters Jane's office...

<Now this is what I need to get to a nice size! Good thing I saw her input her vault code from the security camera!>*

A close-up, cinematic shot of a woman with vibrant, long red hair. She is looking upwards and slightly to the left, drinking from a translucent blue bottle. Her expression is one of satisfaction or perhaps indifference. A large, black, textured gun barrel is pointed directly at her head from the upper left, creating a sense of tension. The background is dark and out of focus, with a clock visible in the top right corner. A speech bubble is positioned to the left of her face.

A woman with short blonde hair and a blue streak, wearing a black hooded cloak and a black corset with a grey lace-up bodice, stands in a library. She is smiling and gesturing with her hands. The library has wooden shelves filled with books. A speech bubble is on the right.

And that concludes Chapter 3 of Something In The Water. What will happen in Chapter 4? Will Mary Sue get to share her water? What about the girls in the showers? How about Tommy and Susan? What's going on at the bar? And if you're wondering about Elenoir or maybe Rebecca, here is a sneak peek...
