

Curse that Cindy! Always upstaging me with her Bimbo act and getting the guys! Well lets see how she likes being a real slut!

By Amay2k12

A woman with long, straight black hair and bangs stands in a field of tall purple flowers. She is wearing a shiny, metallic, two-piece bikini. Her arms are outstretched to her sides, and she has a surprised expression on her face. In the background, there is a wooden fence and a wooden structure. A speech bubble is positioned above her head.
