CHAPTER 07

"Oops. I'm so sorry."

"What have you done?" he shouted out loud as he felt himself inside of her for the first time.

"What are you talking about? I bumped into you again. That's all," she told him.

"Bumped into me?"

"Yeah."

"You didn't just bump into me this time," he thought about pulling out of her right away, but didn't know how to do it exactly at first. It felt so comfortable and warm and wet inside of her.

"Don't you enjoy it?" she teased him.
"I ... I mean ..."

She intentionally moved and shook her hips, massaging the tip of his glans with the corridor of her vagina.

"Do you like when I move like this?"

"What do you want me to say?"

"I don't know. Should I continue or not?"

"Please."

"Do you want to continue or not?"

"Do you me to continue or not?" she kept moving her hips and her butt faster.

"..."

"Say something," she said.

"Please, don't make me do this."

"Say something."

"Ugh..."

"Say something!" she kept teasing.

"Please. Keep going. Continue," he gave up.

"So, you want this just as much as I want it?" she asked him.

"Right."

"Then, let's do it. Let's relieve our stress."

"You are reading my mind."

With this confirmation that the two of them were okay with having sex with one another, the mother-in-law began moving her butt even more and fast that she had done it before.

Even though it was still only the very tip of his cock that was inside of her, she made him feel awesome.

Up to this point, it was only a matter of time before he fully inserted his cock inside of her nice, tight and wet pussy. He was only waiting for her. Patiently waiting for her to do the first real move and to push her butt closer toward him again, therefore, truly making his hard dick enter deeper inside of her.

It was only a matter of time.

"Let's get you deeper inside of me then."

"Do you want to push or do you want to be in control?"

"Um, I firmly believe I am already fully in control."

"You have a point."

"There we go."

Karina wasn't taken by surprise as the young man behind swiftly shoved his big and veiny cock inside of her body. Ramming against her pussy lips and making his way inside of her without any issue.
It had begun.

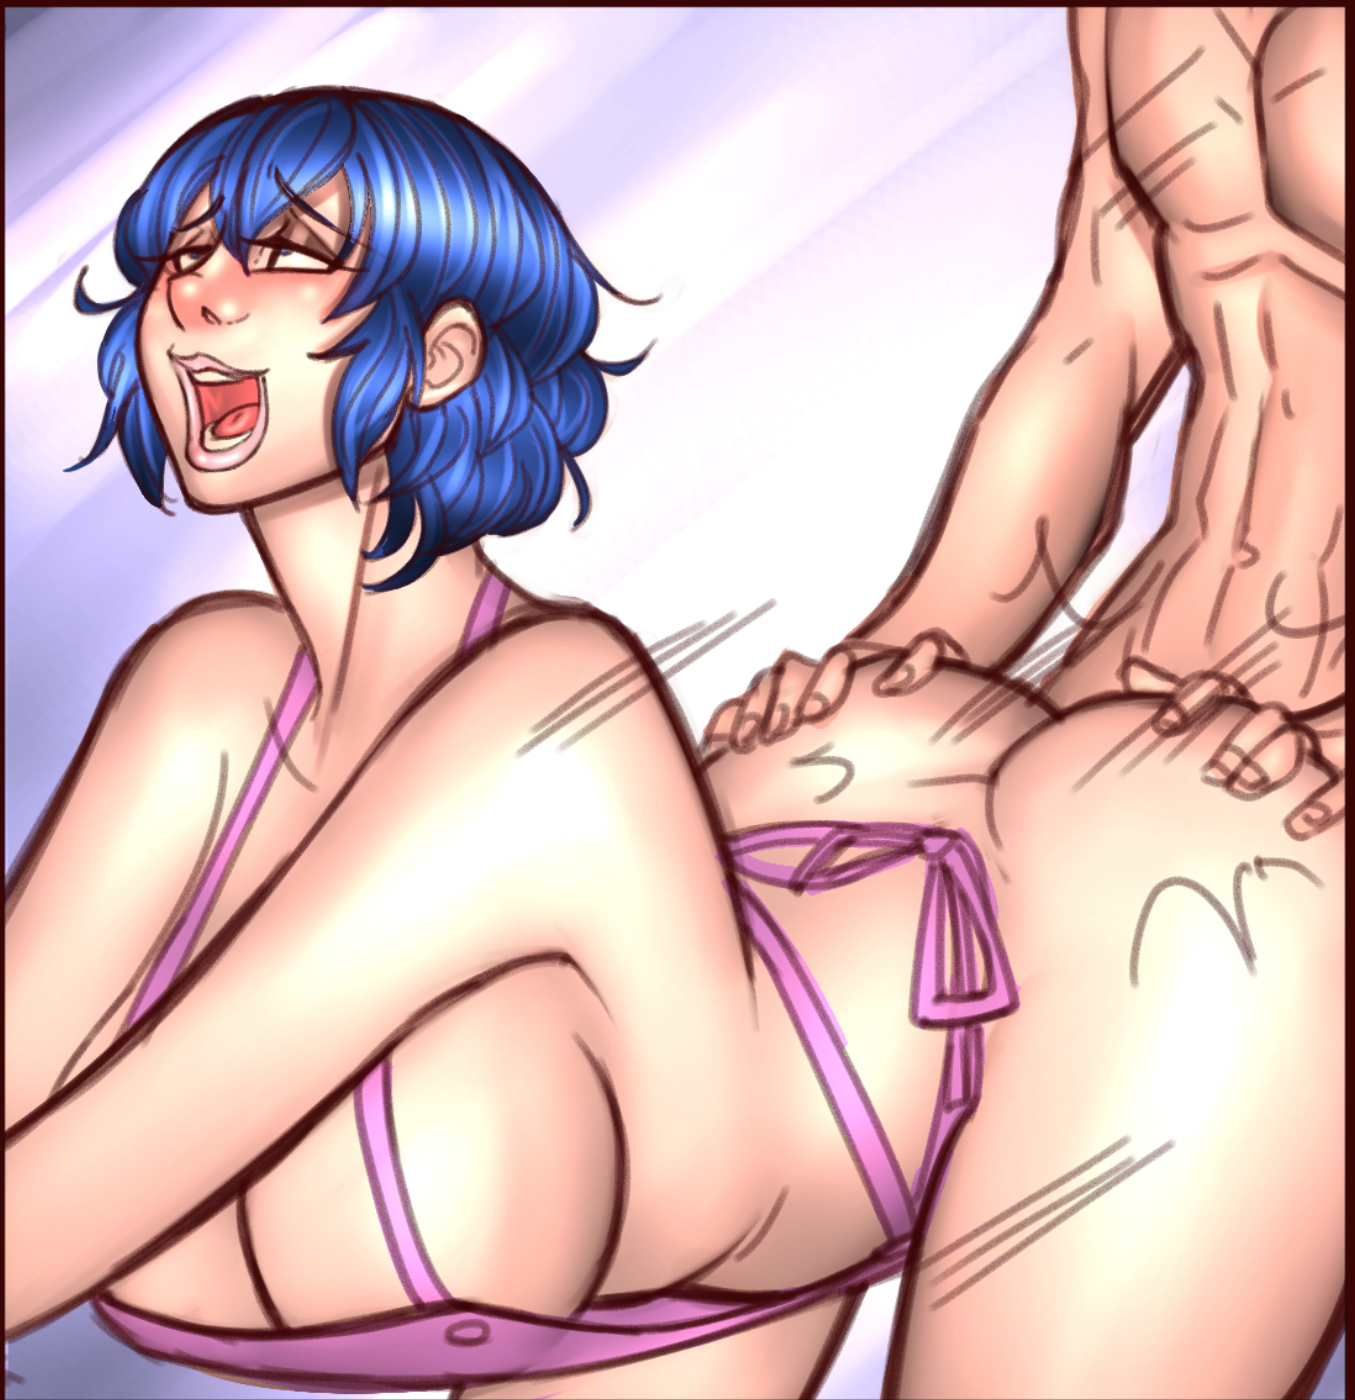

"Oh, yeah! That's exactly what I wanted you to do."

"It feels so great inside. It's warm."

"No kidding," she was playing with it. Still toying with him.

"I feel like I could spend hours inside of you, it feels so amazing."

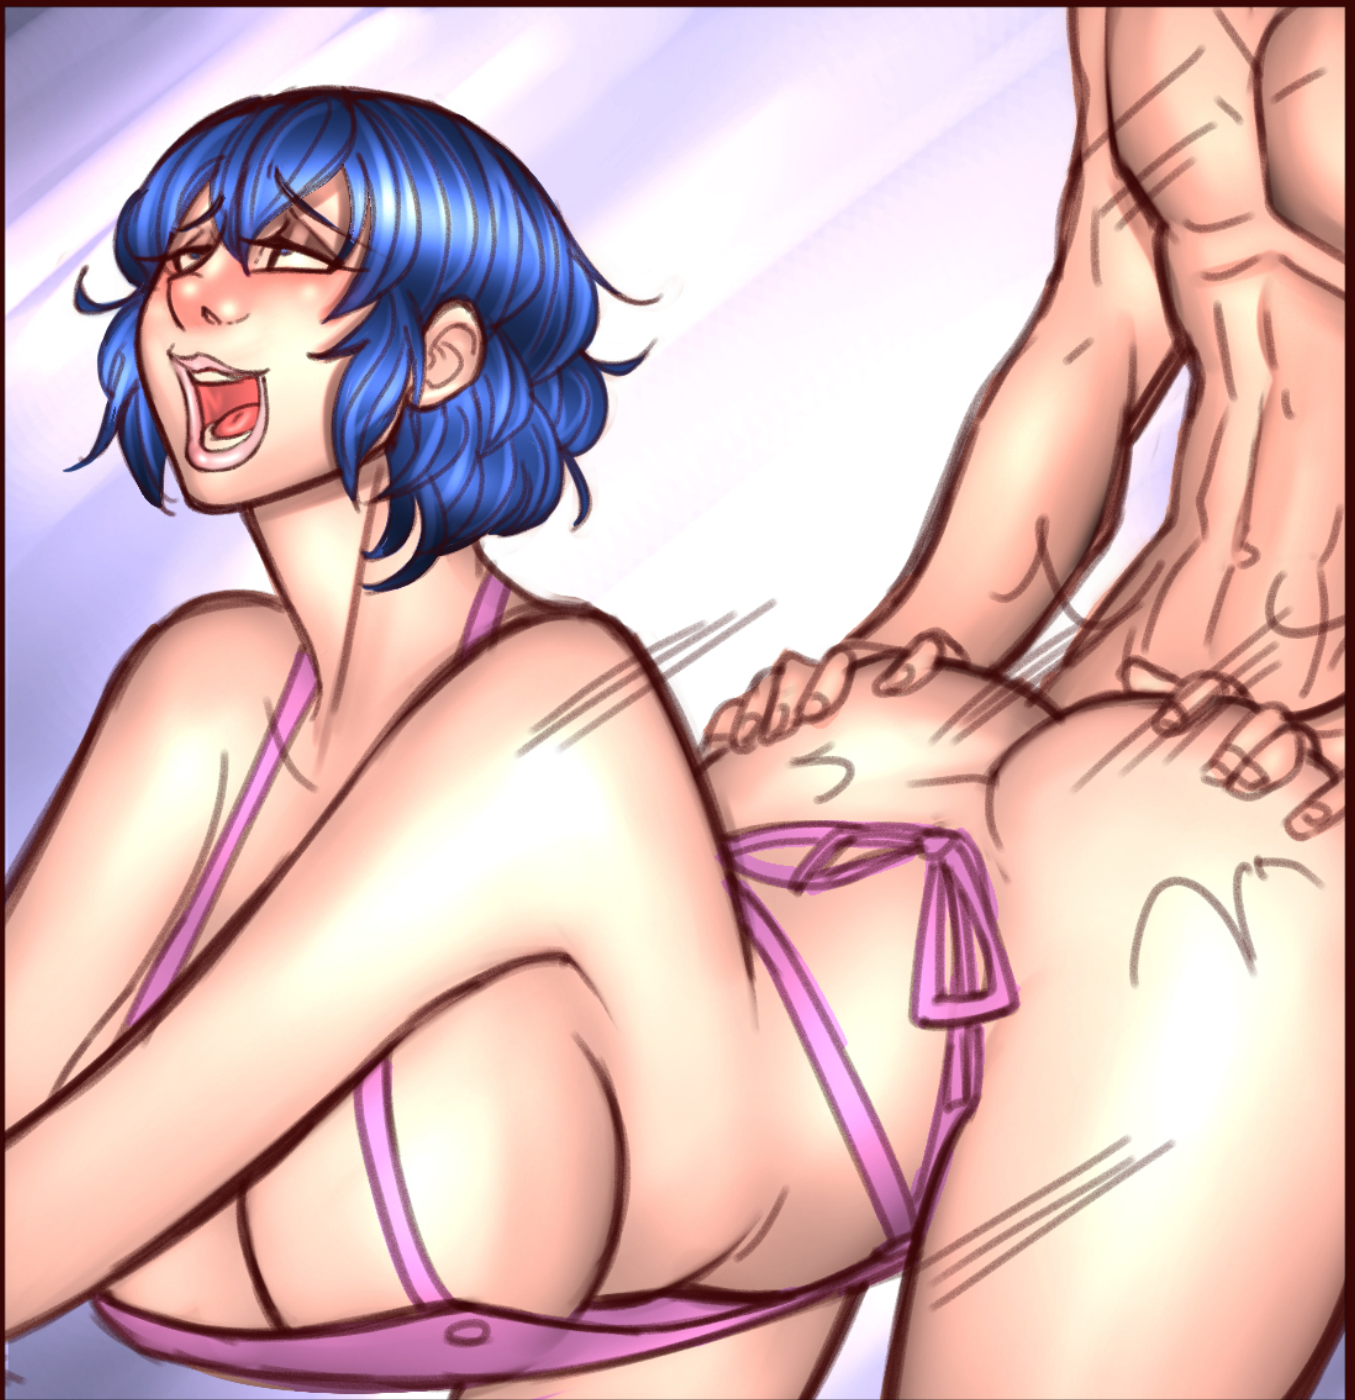

"See, you'll feel better after you come."

"That's a fair point."

"So, continue fucking me. Come whenever you feel like it. Just don't come inside of my pussy, okay?" she reminded him.

"For sure. No problem. I won't come inside of you."

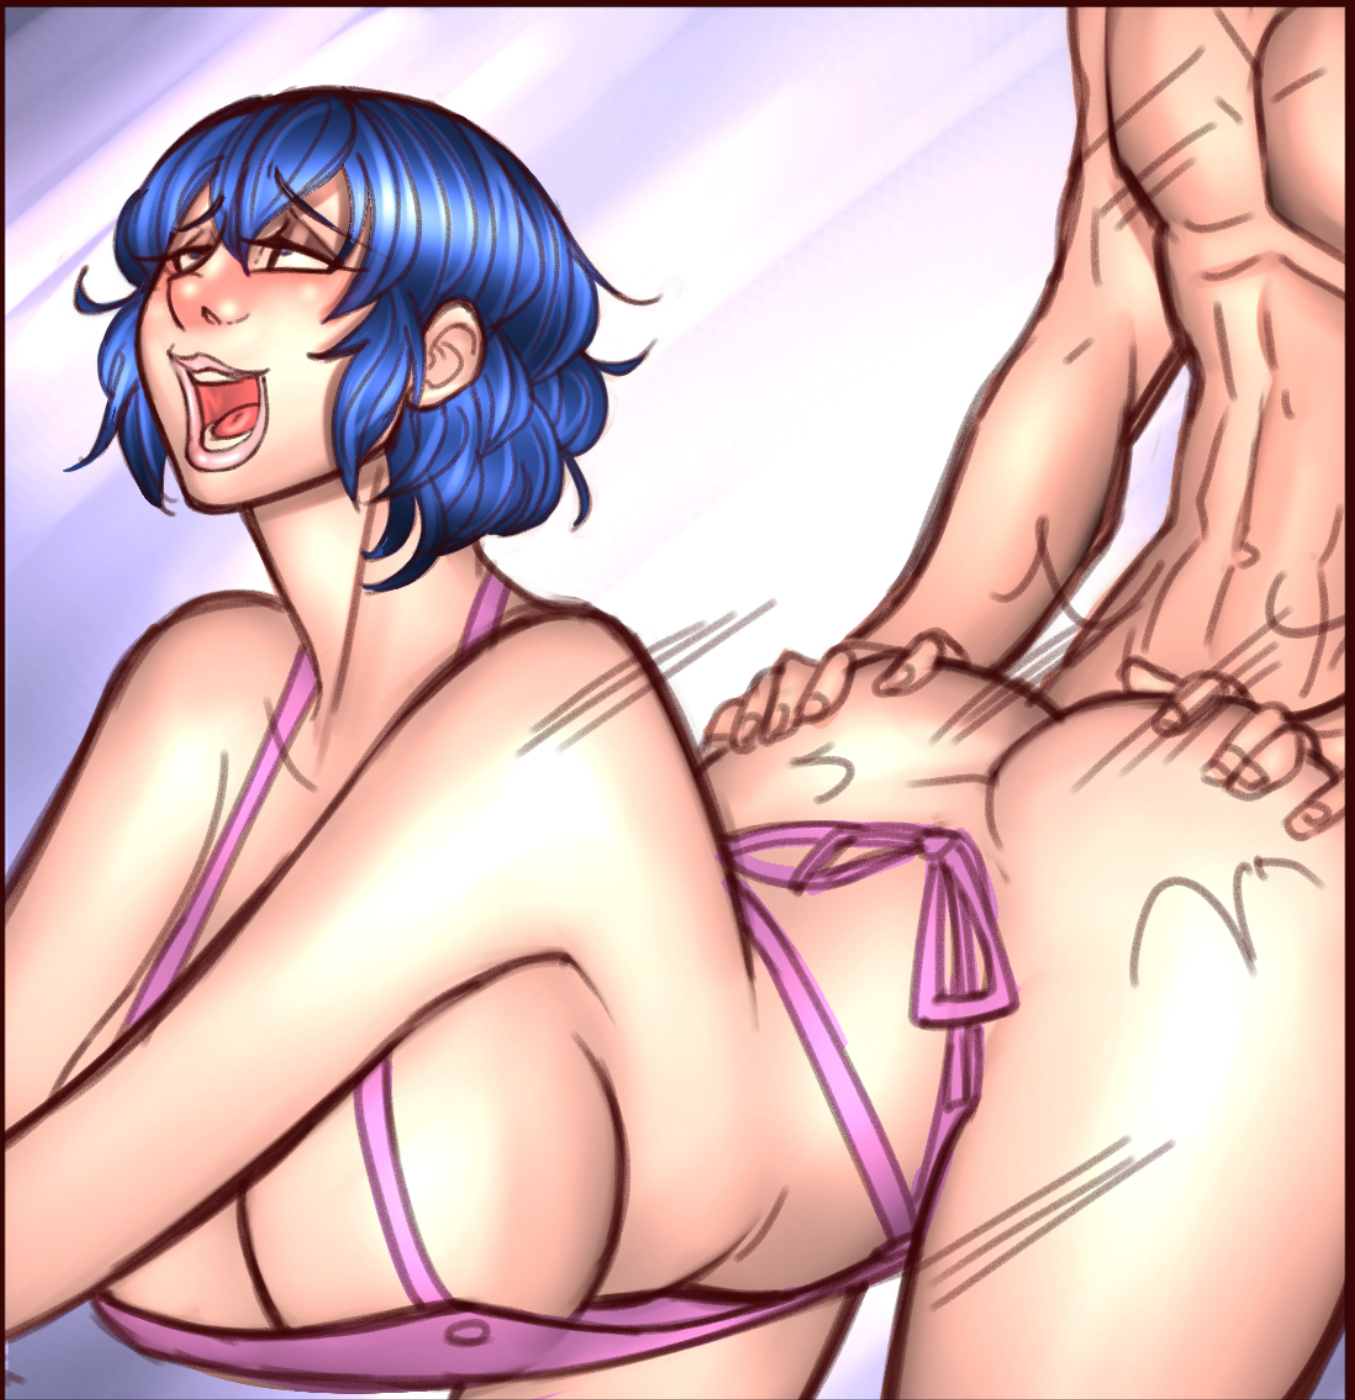

"It's pretty awesome," he said to her as he shoved his big cock, deeper into her body, causing her to moan even more.

"What is? The fact that you get to do this?"

"Yes. No. I mean, yes, but not only that..."

"What else is there?" she asked him.

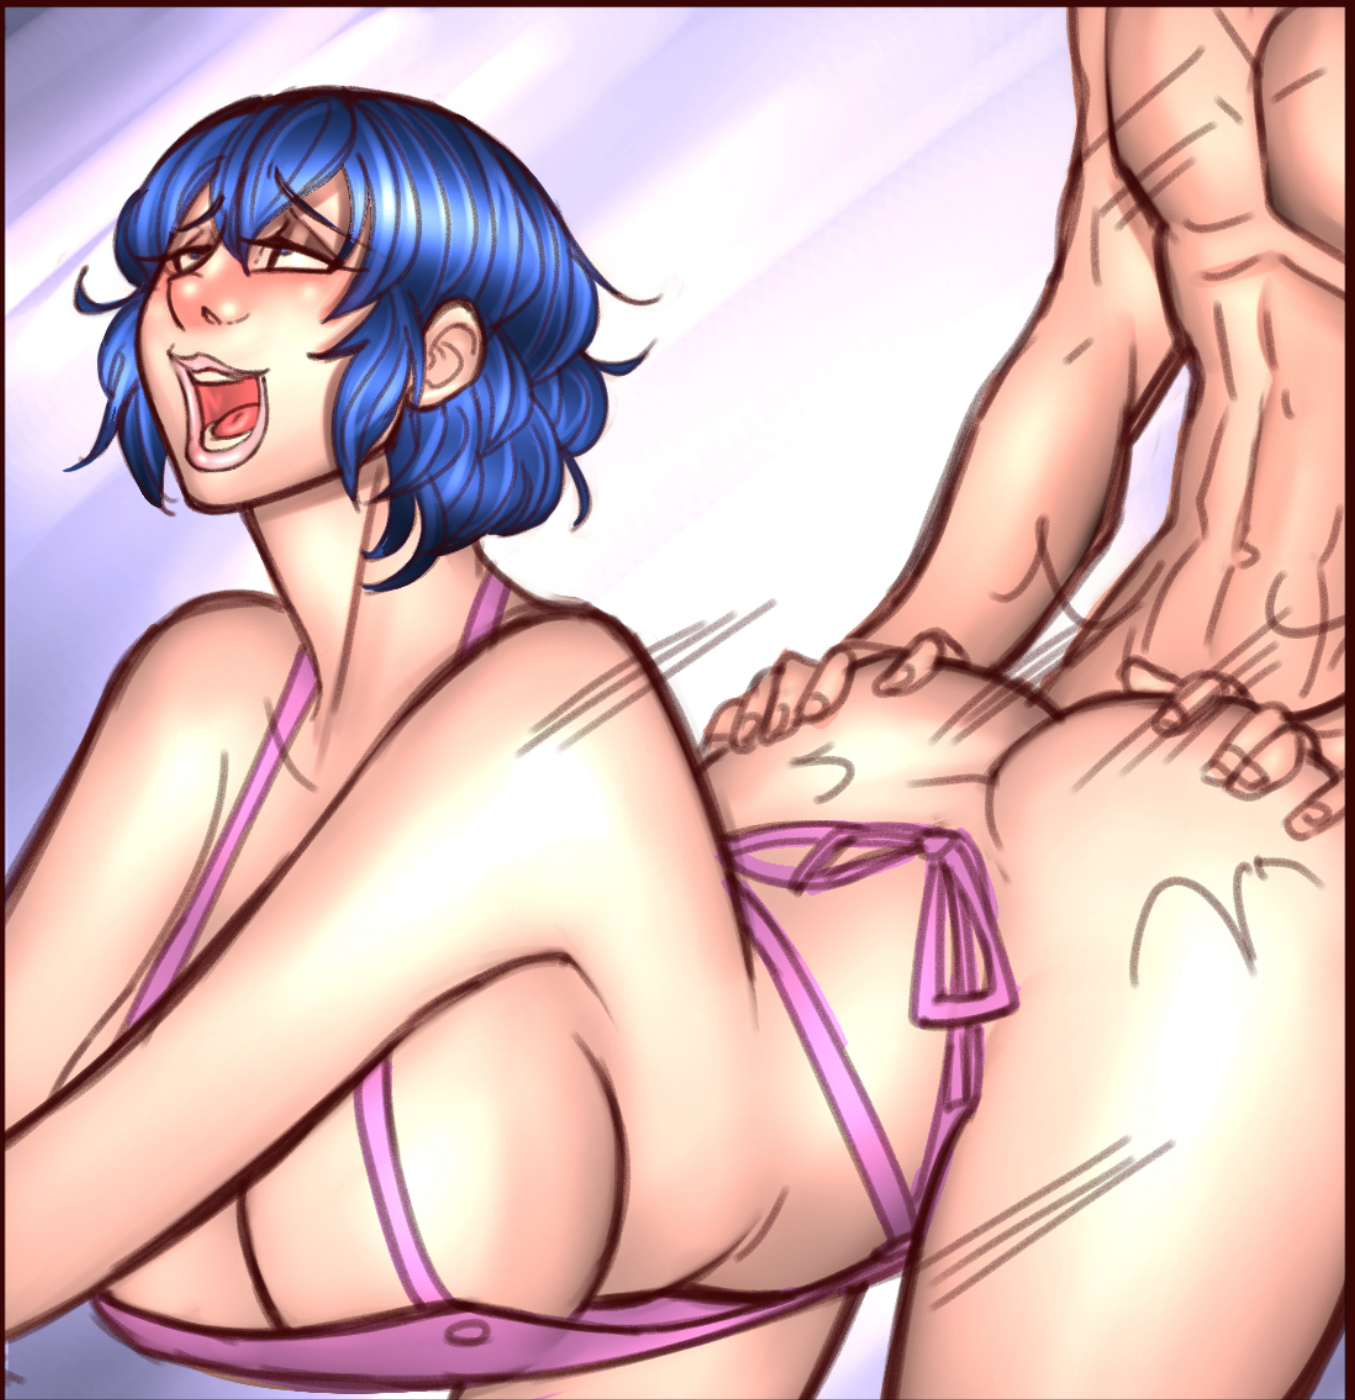

"I get to fuck you without using condoms."

"Ah?"

"I was forced to be using condoms all the time with other girls, so, that's something that I appreciate."

"I am so sorry for you..."

"Why?"

"Because it sucks with a condom..."

"I know, but it's a bit safer. Don't you think?"

"Yes. For sure, but I personally prefer directly feeling the skin of the dicks that fuck me. It feels so much better..."

"... And I never thought about feeling my own son in law's dick inside of me ..."

"I prefer feeling with your pussy without anything in the way as well," he told her as he began losing his cool and fucked her much faster than he should be doing it. He was overworking himself. Overworking his dick.

"So, is this the first time you do it with a mother?"

"Yes, that's right."

"I'm one of the few women you have sex with and I just happen to be your mother-in-law?"

"More or less..."

"What about my daughter?"

"I still love her. But is so hot to be doing this with her mom."

"You're sure about this? You want to go through with becoming a mother-fucker? "

"Yes...This has been my fantasy for so long!"

"Then... Let's make sure this is as good as your fantasy..."

"Oh god!! Thanks."

"The only thing I know for sure is that I found young men such as you quite attractive. But I never had someone as young as you before, so..."

"But it adds a risk."

"A risk?"

"There is always a risk of us fucking it up."

"You mean, getting caught?"

"Something like that."

"What if the risk turns me on?"

"The risk of getting caught turns you on?"

"I only said: 'What if?', Chase."

"You are such a tormentor."

"I'm not. I'm just having fun here. Oh, boy, your cock feels so good. You can go deeper if you want. Don't hold it back on me."

"Are you sure about this?"

"Totally. Go as deep as you wished. And pull on my hair as well," she commanded him to do.

"Understood," the young man suddenly pulled on her hair, went as deep as he could inside of her.

"Oh, yeah, that's good. I like when a man pulls on my hair."

"Nice."

"And even more so when they go as deep as they could inside of me."

"Is that deep enough for you?"

"That's pretty good."

"Cool."

"Just go a bit harder."

"Harder?"

"Yeah. It's never too hard."

"You are so interesting."

"I'm not. I'm secretly a slut."

"Is that deep enough for you?"

"That's pretty good."

"Cool."

"Just go a bit harder."

"Harder?"

"Yeah. It's never too hard."

"You are so interesting."

"I'm not. I'm secretly a slut."

"You are... Not a slut."

"Yes, I am. why do you say that? How do you know that I am not a slut?"

"Because you are not. You are loyal to your man... For the most part... Just like I am loyal to my girl... or the most part..."

"I don't understand what you are trying to say."

"We are loyal to our partners, we are only doing this between us to relief some of our stress... That's all..."

"No. There is no such thing as stress in this case, we are just having sex for the sake of having sex. Don't you, get it?"

"What?"

"It's not only about stress and relieving and about feeling nervous."

"Why? What do you mean?" he questioned her as he continued blasting her tight pussy with his horny rod.

"It's about getting a kick out of it and to be taking some weight off of her shoulders. You know? Not feeling as horny all the time."

"So, for you, it's really about getting laid and that's it?"

"Yes, Chase. That's it."

"I see..."

"Seriously, do you mind?"

"I'm not sure yet."

"Whatever. I don't care. Just keep fucking me. Okay?" she was heard moaning, seconds after she had commanded him to continue doing her.

"I guess..." he wanted to stop, but couldn't. It felt much too good inside of her pussy. He couldn't stop. Now, Chase wished her he was wearing a condom more than ever. What if he couldn't stop and that he suddenly ejaculated inside of her? This would be problematic to say the least...

Chase didn't know what to think, really. The only thing he could think about at the moment was the fact that he couldn't stop fucking her. He didn't want to stop. He wanted this moment to last forever. But everything had to stop at some point.

"I can't stop this."

"What do you mean, I don't want you to stop, big boy?"

"No. That's not it, I'm about to come."

"You are? You mean, now?"

"Yeah..."

"Well, what are you waiting for, then? Pull out. Pull out now."

"Okay. I'll try,"

Chase finally managed to stop fucking her, pulled out of her and circled around her.

"Come on my face."

"That's okay?"

"Yeah. Come on my face, right now, Chase."

"Okay. This is it," he stroked his cock for a few seconds before rapidly unleashing everything all over Karina's face.

She was dripping with his semen by the end of it. Chase felt so relieved once he had emptied his balls.

He sighed.

He was sweating like hell.

"It's so warm..." Karina mentioned to him.

"Is that okay?"

"It surely is," she said to him with a large smile on her face.
