CHAPTER 08

In her bedroom,
the son-in-law
and the mother-in-law
reunited again.

It started with no words.
Only pure desires
being manifested
and brought to life.

Karina was offering a nice blow-job
to her son-in-law.
She properly lubricated his dick and
his balls.
Sucking all of them.
Licking all of them.

It was vastly important for her to lubricate his dick and testicles as well as possible so the rest of what she had in mind to go with him went as smoothly as possible. In no time, Chase was fully erect. Completely hard.

The tip of his cock was dripping with pre-cum. He was incredibly aroused to say the least.

She was too.

"Do you know what I want now?"

"What is it?" he asked her.

"I want you to ride you, young man."

"I won't stop you," Chase said.

"Good," she said as she pushed him on her bed. He was lying down on his back. She slowly and sensually climbed on top of him.

Crawling all over him.

She removed the thong she was wearing from underneath her nightgown.

She tossed it to the side.

"Better get rid of that. Right?,"

"Do you like me being in control?"

"I guess."

"You are so hard," she grabbed his cock again and sensually inserted it inside of her wet pussy. Pushing against her wet and perverted vaginal lips.

"Oh, that feels so good," he immediately admitted.

"It does. Doesn't it?" she told him.

The son-in-law was being dominated by her.

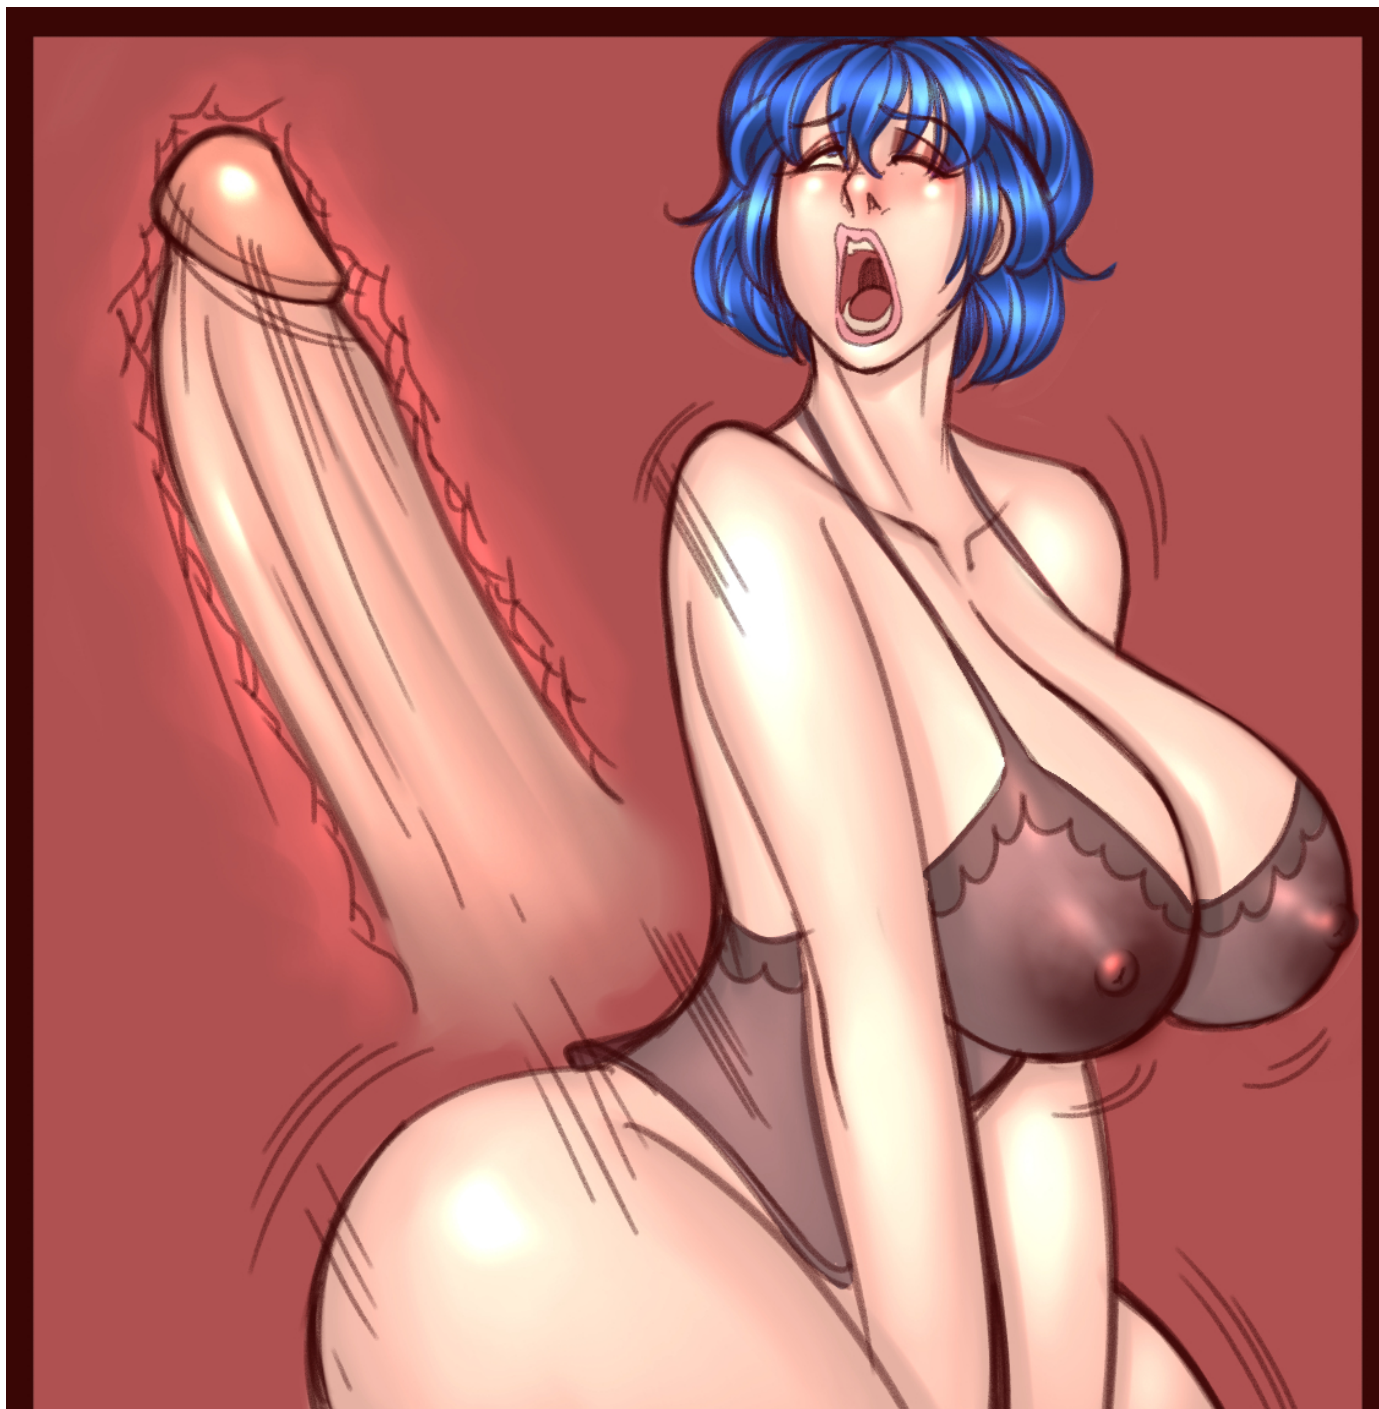

The mother-in-law was so into it that she accidentally dripped vaginal fluid all over his legs as the two banged.

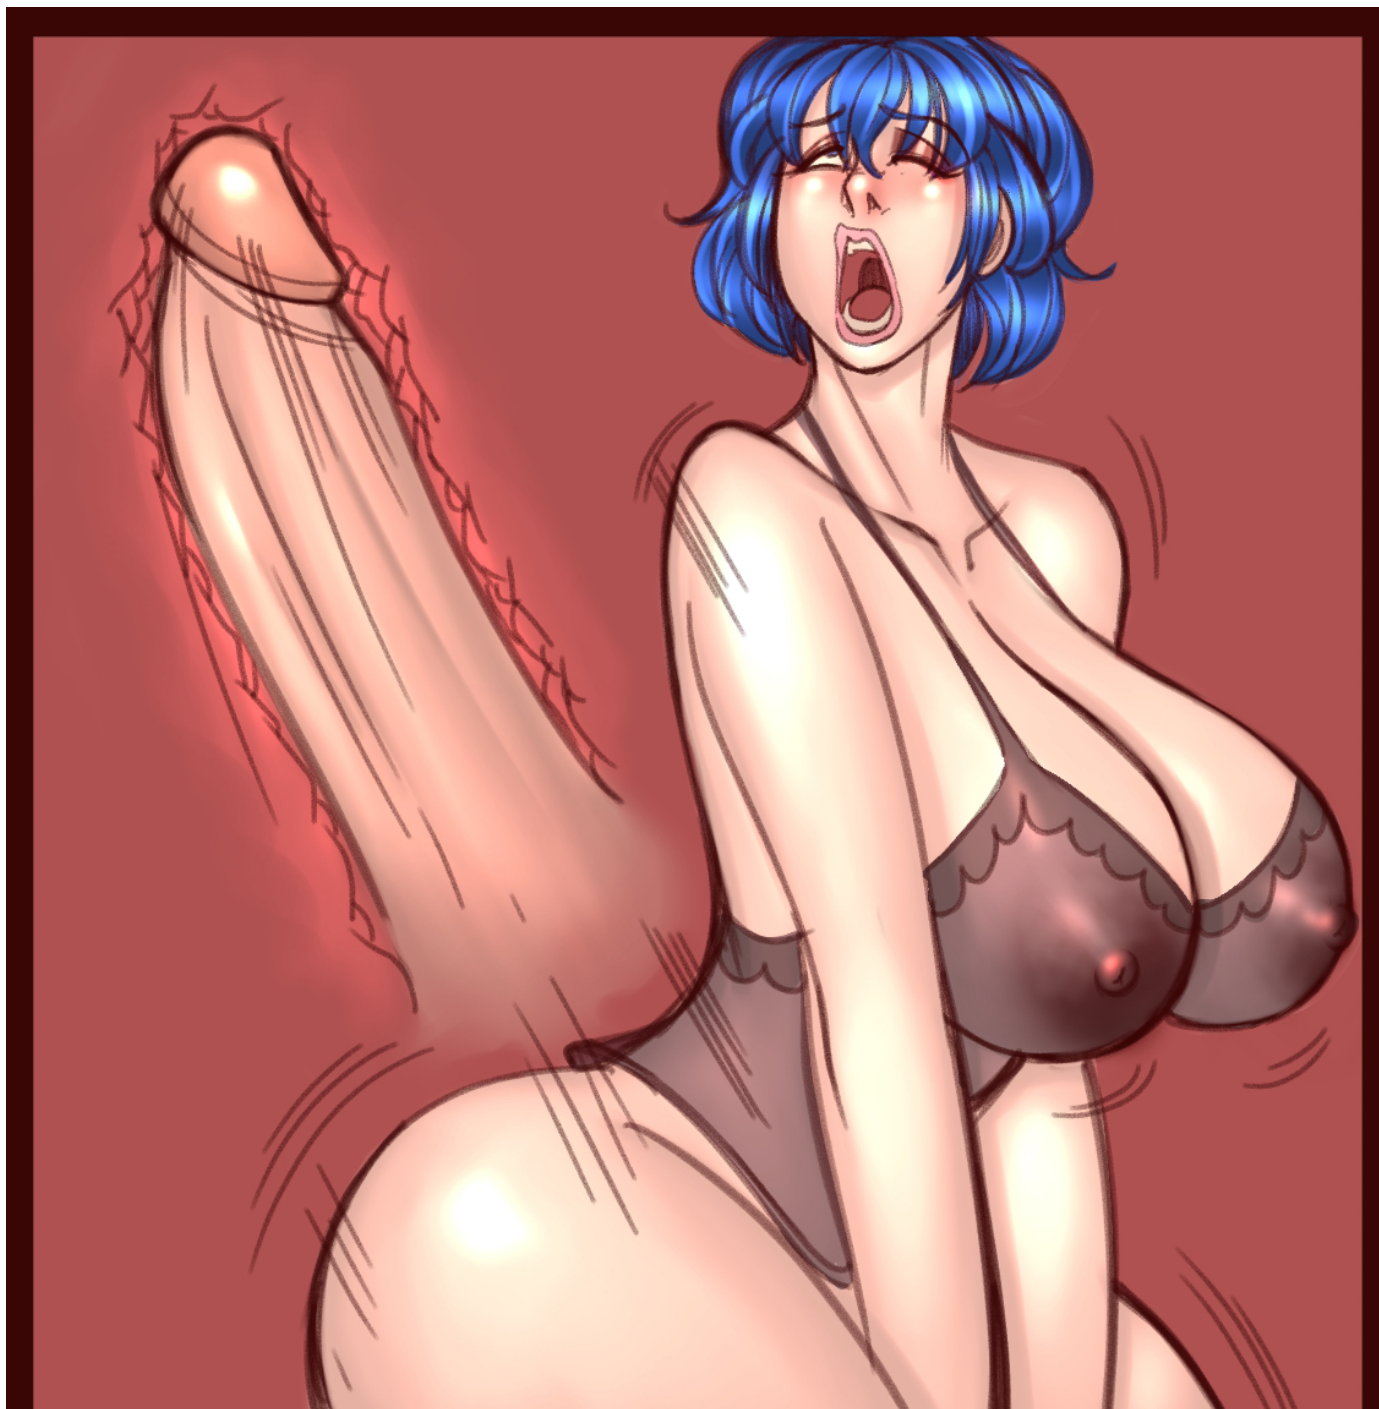

It was savage.

It was raw.

The two of them have been sexually frustrated for so long that everything was unleashed in one big shot.

Even though Karina was the one who was mostly in charge and was dominating and leading the scene, the son-in-law was more than fully capable of blasting her pussy by moving his hips as fast as he possibly could.

"Faster. Faster. Faster," she told him. Desperately wanting to pleasure her as much as possible, the young man tried his best penetrating her faster and stronger.

"Like that?"

"Um, yeah, just like that."

"That's what you want?"

"Um, yeah, oh, yeah, that's exactly I was looking for."

"Take this," he said as he fucked her with all the energy left in his body.

"GOD!!!! I'm Cummmiiiiing!!!!"

She came.

"I came!"

"You did?"

"You made me come," she confirmed.

"Now, it's your turn."

"God ... yeah!!"

"I want you to come."

"Where do you want me to come?"

"I want you to come inside of mouth?"

"Awesome. I feel like I'm ready to come already."

"Perfect," she said, purring.

They both changed positions in the bed, and she moved to her knees. Meanwhile, the young man, Chase, stood up on her bed. Towered over the mother-in-law as he was preparing himself to jerk off in front of her.

However, what happened was something a bit different.

She took him by speed and surprise.

She was the one who got a hold of his dick and first and proceeded to put his dick in her mouth.

"GOD!!"

She was actually a pro at it.

"I'm about to come."

In response, she started to moan, making the scene even more hot.

"I'm coming! I'm coming!"

And then, he shot his load all over inside the interior of her mouth as she was sucking ... As hard as she could. The taste was so strong she could barely take it, but she didn't want to let go of it. She loved it too much.

The smelled was also something pretty amazing that she loved being overwhelmed with. It was so warm in her mouth that it felt like there was a volcanic eruption inside of there...

"..." she smiled at him.

"I'm done."

"Take a look at the mess you've made inside of her mouth," she said, while remaining with her mouth completely opened.

"Thank you, mommy... but now, I want to cum on your pussy... we have to finish this" ... the cock was still hard, and ready for more ...

"No. I want to continue."

"You want to...continue?"

"Why are you so surprised?"

"I don't know. You still have the stamina to keep going?"

"with you ... of course"

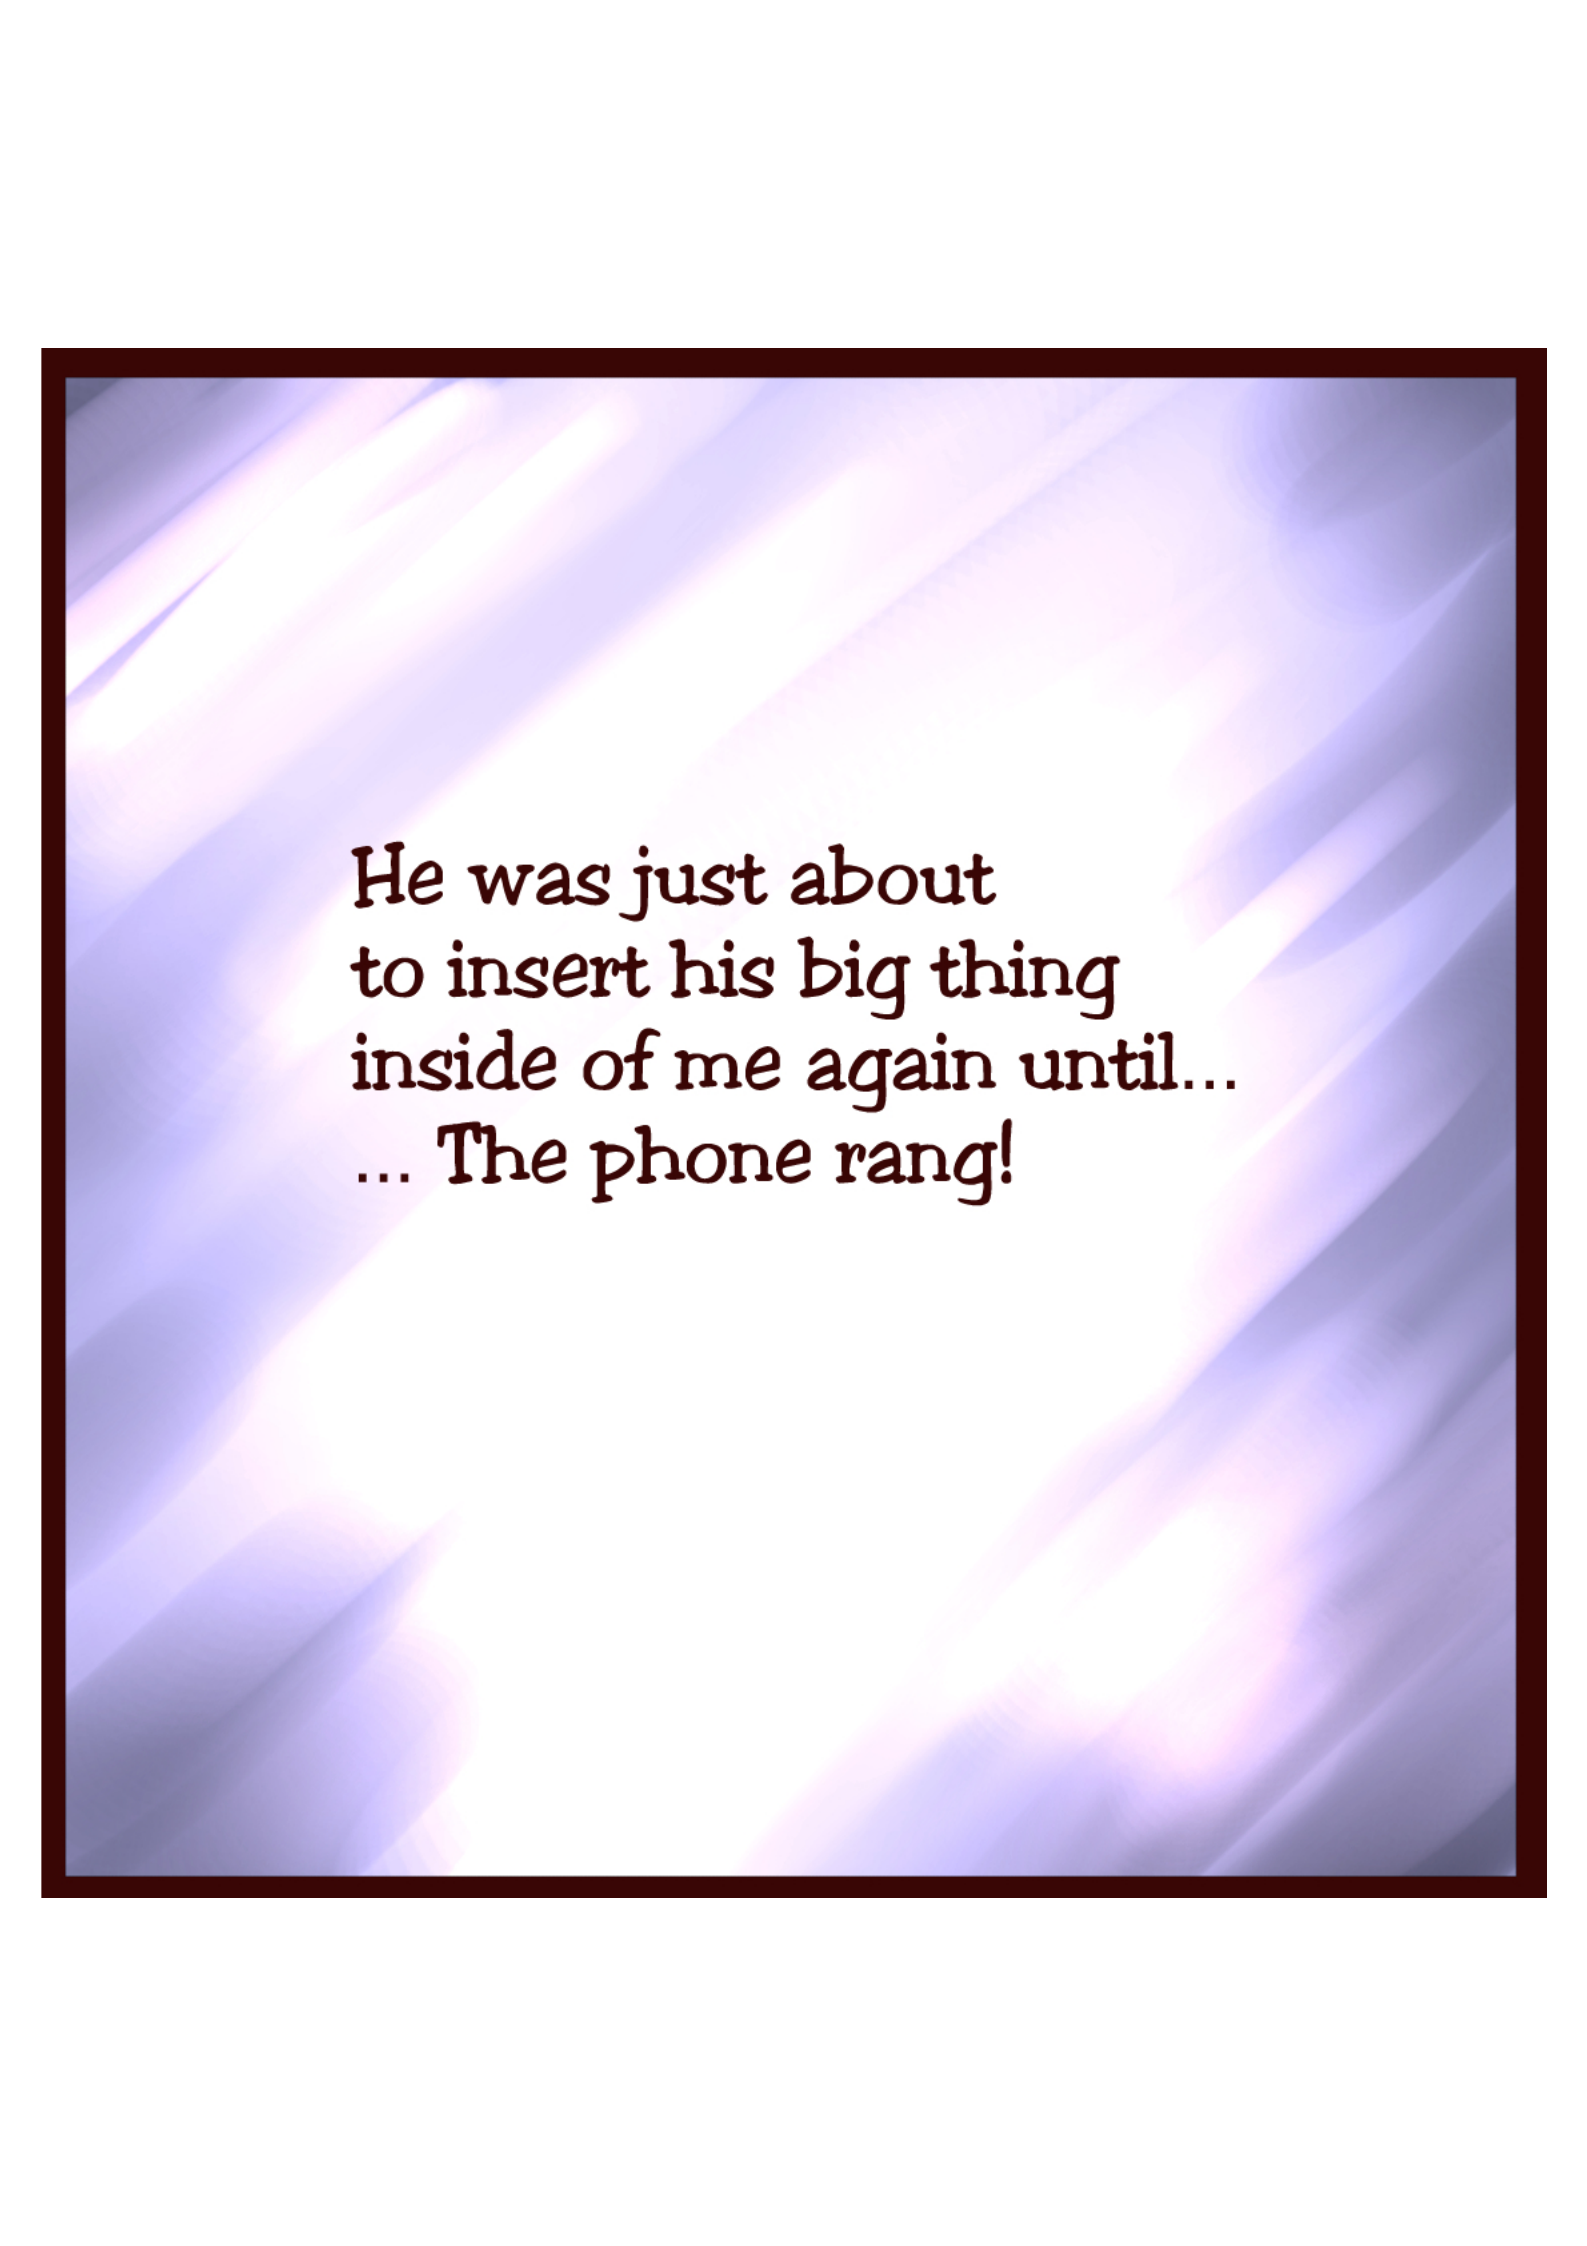

"A man who can last this long? Are you kidding?"

"This is a big turn for me. I can't believe how long he lasted so far. This makes me even more aroused."

"Alright."

"Then, let's continue, shall we..."

He was just about
to insert his big thing
inside of me again until...
... The phone rang!

Ring! Ring!
The phone rang so loud
and for so long
that she felt like
she had no other option,
but to answer.

Click!
"Hello? Yeah.
How are yo-
UGH!!!"

Meanwhile, the young man went down on her and began fucking her even harder. He didn't leave her any chance to muffle her moaning. There was no way for her to hide the fact that she was doing something kinky on the other side of the line.

"You know what? I cannot speak right now. The time's not right..."

However, the person on the other side of the line continued talking to her.

We could not hear what she was saying, but she was being kept on the line, no matter what.

She was being kept on the line against her will. This wasn't the appropriate time for a mundane call such as this. The anticipation for sex was building more and more in her. Karina didn't want anything to end. She wanted to have more sex.

The sweeping lust was still taking over her.

The young man was able to make her feel so horny.

She did everything she could to end this conversation as soon as possible, but nothing worked, really.

"Yes, the lockdown's pretty tough, all things considered... What? What happened?"

He continued fucking her even harder.

Coming in and out of her as fast as he could.

Making her moan more and more!

"You know what? I cannot talk too much right now... Ahn! Mhn! No!

That's not what you think! I'm exercising!"

He had a good laugh.
He was messing her up.
Screwing her over.
Making all of this a big nightmare for
her.
She attempted to hang up time and
time again, but it still wasn't anywhere
near enough.

Whoever that other person on the line was, she persistent, and she truly wanted to speak to her.

"Trust me! I'm exercising! It's ... a new ... routine-Ugh! Ugh!! Ohh!! ...That's ... all! That's ... why I'm breathing weird, too!"

It was so important for Karina to go through with this lie.

She didn't want whoever was on the other side of the line to think that she was having sex while chatting with her.

Even though, it was truly the case.

Her moaning only began intensifying. The more the young man banged her pussy and the more she could smell his dick smell, which turned her on even more. If only the girl on the other side of the could smell it, too...

Far from over, The young man banged her even harder. Nothing could prevent him from pumping her pussy up as hard and as fast as he wished to.

"I'm fine... I swear... It's just ... as ... a lot of tough ... exercising, that's all!!" She continued moaning louder and louder!

"Look. no, I really need to go. I can't speak like this on the phone while I'm training so much..."
Then...

... Something pretty radical happened to her.

She felt semen inside of her.

The young man just ejaculated inside of her as she was riding him and as she was still on the phone.

This caused her to come, as well.

"An! Mhn! I'm coming! I mean... I'm coming to see you as soon as the lockdown is over. But I got to go, now. Okay? Bye! Ahn!"

Click!

The call was over. And she continued moaning even louder once she was no longer on the line.

This was the right thing to do. She couldn't talk on the phone, anymore. Not while she was in the middle of coming.

The fact that he came inside of her didn't bother her, at all.

If anything, this was exactly what she was counting her. A man cumming inside of her always had a way to turn her on. She liked facials, as well, but having semen inside of her was much, much better to her, actually.

Feeling it moving inside of her... Then dripping out...

... This was the very best to her. Speaking of which, she felt a great amount of thick cum dripping out of her as soon as the young man pulled out of her.

Karina was pretty thankful that this darn phone call was finally done with because now, she could moan just about how loud as she wished.

Although, right about now, she was purring more than doing anything else.

Karina was ridiculously exhausted once she finished the call. When she finished the call, she was also finishing to come. One of the best orgasms she had in a long, long time. "Ahn! This felt so good!"

"Oh, yes..."

"Anyway ... my daughter... your girlfriend
... sends you her regards."

"W-Who?"

On the other side
of the line...

... It was Shelly...her daughter. She had a confused expression on her face.

"That was weird... Well, I cannot wait to see Charlie tomorrow! This is going to be a lot of fun."

"I only wish he can fuck me as hard as my cousin did during the trip..."

END.
