# CHAPTER 04

**"I have never  
been more ready  
than now!"**

*"Did I just say that?  
Or was it just  
my imagination?"*

Rose was lost  
in her supreme pleasure,  
and losing the boundaries,  
losing in her guilt,  
in her lust ...

"Rose. Let's do this," he told her.  
"Yes..." She responded.

*"Without another word being said, he inserts his cock inside me. It begins. Everything begins right at this moment. He starts fucking me!"*

*"Robert is already up in my face. He pushes Kevin out of his way and joins me in bed."*

*"This man is so savage and reckless.  
He aggressively grabs my legs and  
pulls me closer to him.  
His cock is throbbing.  
It's .... It's ... I -I ..."*

*"... I LOVE IT!!!!"*

*"I didn't care if Robert was rude like this, I still wanted him to fuck me. As hard as he could. The savagery of his cock going inside me.*

*Penetrating me. Over and over again. Which was exactly what was happening right this second. I never wanted this moment to end."*

*"The love of my life is watching everything. It's making this even more arousing to have him present here."*

*"I wanted him to see. The same thing for Megan."*

*"She is watching just as much as my man is. It's awesome. Everybody is watching. I could feel Robert's fingers digging into the skin of my legs. This is perfect. His finger don't exactly hurt me too much, just a little. Just enough to make this even more of an aggressive fuck as he dominates."*

*"Exactly what I have been hoping for all this time. His cock is so huge. Penetrating me. Fucking me so hard. His glans is probably the hardest part of his cock right now. It's rock solid. And it feels so darn good."*

*"I came close to moaning, definitely close, but for some reason, I did whatever I could to hold back my moaning. As much as possible. The only thing I wish for right now is not to pass for someone that is in need of rough-sex. I am."*

*"This is exactly what I am after, I mean, I want to become pregnant, sooner rather later, but I don't want to pass like someone in need of sex. It wouldn't be fair to my husband. Even though he does not satisfy me too much, it's okay, I want everyone to be happy at the end of the day."*

*"That is a pretty good reason for not wanting to moan too much, even with his big cock deep inside me."*

*"However, holding off on the moaning didn't work for too long. The deeper Robert got inside me, the more I came closer and closer to moaning out loud. It was about to happen.*

*Soon.*

*It was bound to happen in the next minute or so."*

*"Even perhaps before that. It wouldn't surprise me too much, honestly..."* Rose thought as Robert fucked her.

*"You are about to come soon, right?"* Robert asked her.

*"What? I can't believe he is telling me that just now..."*

*"She is definitely about to come... Oh, yeah..."*

*"She is so adorable, this slut. My man, Robert, is going to make her come in two seconds. That's for sure..."* Megan thought to herself.

*"Go to town, honey! Make her come!"* Megan shouted.

*"I am not about to come..."* Rose lied to herself.

*"What am I saying right now? Of course, I am about to..."*

*"Ugh! No! You're right! I'm about to come! I'm coming!"*

*"I knew it!" Robert shouted. "You are coming, slut!"*

"I came! I came! I am still coming!"  
Rose announced.

*"I'm about to cum, too. I can't keep this up forever. I am going to cum so hard inside her. She is going to be amazed by how huge of a load I have for her."*

*"She is going to love it.  
She is not prepared for any of this.  
Oh, yeah!"*

*"He is cumming! He is cumming so much! His load is amazing! His load is so astounding! It's filling me up! I am definitely going to get pregnant! But, I sort of wish this would have gone on a bit longer. Robert didn't cum too fast, it's not about that. He came. I came. But I hope all of this, this..."*

*"Erotic event is not going to be ending too fast..."* Rose thought as he filled her up.

"I am pulling out. There you go. You will be pregnant."

"Good job, sweetheart!" Megan congratulated him.

"T-thank you so m-uch..." Kevin was... happy.

"Thank you, but hold on a second..."

"... You are still hard, Mr. Robert. I can still feel it and it's been a lot of time ... How is that possible?" Rose asked him.

"It always happens to me. I get hard right after I cum, and I can continue, like women ..."

"How amazi- I .. I mean ... How ... interesting..." Rose enjoyed that fact.

"Why? What do you have in mind?"  
Robert asked her.

"I don't know..."

"Do you want a second load, babe?"  
He offered her.

"Um..."

"Rose?" Kevin didn't like that.

"Oh, you know, Kev, it's just to secure the pregnancy, right, Mr. Robert?"

"Ee ... yeah ... Right... sure"

"O-okay, then..." Kevin accepted.

"I want a baby, Kev. That's the only thing that matters here."

"I understand."

"Thank you, my love."

*"I am such a big liar! Yes, I definitely want a baby, but I secretly want him to fuck me again. But I am not going to say that to him. Fuck me hard. Please, fuck me hard, Robert.!"* her lust invaded her body and mind completely.

"So, are you sure about this,  
babe?"

Robert asked Rose.

"Yes, I want a baby! Please make sure I get pregnant with your second load. Ah, fuck it... I didn't want to say it out loud, I didn't want you to know, Kev, but I want that man to fuck me hard. Please, Mr. Robert, fuck me hard. As hard as you can. Okay?"

"I accept, babe," Robert smiled.

**"Rose, really?"** Kevin asked her, shocked.  
"I'm going back inside!"

*"And he did. Robert penetrated me again. I am oozing with his thick load, but I am taking him again. He shoves his big cock inside me while everyone is still watching. Kevin. Megan. Kevin looked like he was ashamed of me. I didn't care at this point."*

*"I just wanted to make sure I was going to have a baby. I wanted to be banged by him again. I couldn't believe that he was still as hard as he was. It was impressive. I loved it. He fucked me even harder during the second round. And during the third, and during more and more rounds ..."*

*"I just lost the count ..."*
