CHAPTER 05

"I need to speak with you,"
Rose was on the phone
with a certain someone.

"What is it about?"

"Kevin. Listen to me. I'm pregnant."

"You are? For real?"

"It has been two months."

**"Two months that
you know about it
and you didn't tell me before?"**

Kevin overreacted a bit.

**"I didn't know how
to tell you really..."**

"Rose?"

"Mnmn!"

"What are you doing? Are you still there? What are those noises?"

"I'm still here..."

"What are you doing? Tell me."

"Hmnn! Nothing..."

"Don't lie to me."

"Mhn!"

"Alright, then..."

"Wait! Don't hang up now!"

"What is it?"

"I need to be satisfied in other ways..."

"In what way?" He asked her.

"I need your help."

"I know that."

"I want you now."

"Very well, but what I do I get in return if I help you?"

"I have something for you..."

"What is it?"

"I have a compensation for you: I just e-mailed you. I attached a video to it. It's a gift. Open the e-mail now. Open it."

"Okay... Let's see..."

He opened the mail
and then the video.
The video then
began playing...

'This is... This is a video of Robert fucking Rose. He is fucking her in any way possible. She sent me with this. She wanted me to see this. The video began with Robert obtaining a sloppy blow-job from Rose while the two were in our bed...' Kevin thought to himself.
"What do you think of it so far?"

"When did you do this?"

"It was last week. Why?"

"You did this in our bed?"

"We did. Yeah."

"And you were waiting to show this to me?"

"I decided to wait for the right moment... I hope that's alright with you..."

"It is. It really is."

"Was this the right moment?" She asked him.

"I believe it is. Thank you."

Following the blow-job, Robert immediately began fucking Rose as soon as possible.

'They did doggie-style in our bed. I should be angry, sad, but ... This is so hot, I started masturbating right there on the spot. I couldn't help it. I had to do it. I had to fap now!'

"No problem. Are you masturbating now?" She asked him.

"I am..." He admitted to her.

"Good."

"Did you have a lot of fun making this surprise video for me?"

"Are you kidding? I had the most fun in the world. Robert is so awesome. As you already know. And I am so fortunate that you are into this kink. I'm so glad I am able to have sex with other men and that it turns you on."

"It makes it, so our relationship is unique and becomes more and more interesting every time. That's why I don't want us to split. I'd like to stay with me, my love."

"You still believe in us?"

"Yeah. Don't you?"

"I still do..."

Then, someone else stepped into the room, joining them.

It was no other than Megan. Robert's partner. The video was so hot.

"Megan is in this, as well?"

"Oh! Of course, she is. Why not?"

"That makes it even better!"

"I know how much you find her hot."

"I do..." He admitted.

"So, this is becoming a threesome now."

"It is. Keep watching please."

"I will..."

A threesome was happening right before my eyes on the computer screen. Robert, Megan and Rose. Everything was so perfect. I enjoyed seeing them together like this.

First off, the two girls give blow-jobs to the man of the hour.

The two girls constantly kissed one another during the blow-job.

Their tongues swinging from one side to another.

"What do you see now?"

Now it was time for Robert to fuck all of them. One by one.

'This time, he did Megan, but Megan also licked Rose's pussy during that time', Kevin thought to himself as he kept watching and fapped.

"It's the threesome part."

"Oh! Mhm! That was my favourite part to film!"

"It was?"

"Oh, yes, it was so hot when Megan ate my pussy..."

"That's exactly what I am seeing right now. Oh, no, hold on, he is done fucking Megan, he is fucking you again now. Man! This dude is something. He's a bull. He's banging you so hard. You know what? His cock is so large... Did it hurt you a bit?" Kevin asked her.

"No, but it was quite rough... It was awesome..." She explained to him.

"That's good!"

"Are you still masturbating?"

"Yes! There is pre-cum coming out of my cock now."

"I'm so wet, too. I wish you were here."

"Me too."

"My nipples are so hard right now..."

"So hot!"

"Thanks..."

"He's sucking on your breasts now!"

"Aw! My nipples were so erect at that moment! I can still remember his tongue on my nipples!"

"I bet you do."

"I loved that threesome..."

"How long is this thing?" He checked.

"Oh, we are towards the end, already? That's too bad, but it's so hot that I am going to re-watch it over and over again."

"This should be the climax soon, then."

"I cannot wait!"

"It was an epic finale," she told him.

"I'm almost there. I'm almost about to cum myself, too."

"I had two orgasms so far while talking to you..." She told him.

"Wow!"

"I know..."

"How is this possible?"

"It's because of ..."

"What do you mean?"

"... The fact that you are watching the video and fapping to it is turning me on... So much..."

"You are amazing. Do you know that?"

"Thanks, Kevin..."

"...and the other reason ...

"What other reason??"

"I will tell you ... god! but, once you're about to cum ... Are you close?"

"I am."

"Good. Remember, tell me when you will cum ... What's happening in the video now?"

"Now, you are giving Robert blow-jobs again! You are teaming-up to give him blow-jobs."

"So many dirty kisses!" She said.

"Both of you, girls, are covered in semen... In Robert's semen, of course. You are still sharing his cock. You are almost fighting for it, though,"

"Yeah, I remember that!"

"You are fighting for it between all of those kisses."

"How does it make you feel?" She asked him.

"Horny as fuck... Oh god!!! I'm about to cum. I'm about to cum so hard for you!

"God ... yeah!! I'm also will cum and now I will tell you the other reason ... are you ready??"

"Yes!! please tell me!!!"

"Please, turn on the TV ... is connected to the laptop, showing a live video ... turn on now! **RIGHT NOW!!!**"

It was a video,
a live video ...
And there
it was

And there it was

Rose, being fucked so hard by
Robert ...

"It's that??" Kevin can't take his cum
anymore..

Then, he can hear Rose by phone,
and now, by a live video on the TV.

"Yes!! we're fucking right now ... He's fucking me like a monster ... Fuck me!!! Fuck me!!! Fuck me Robert!! fuck me Harder!! Harder!!!"

"That is so awesome! I'm cumming! It's finally happening! I'm cumming!"

Kevin shouted as he ejaculated while masturbating in bed. Solo.

"I love it!"

"Cum, baby, cum!"

She encouraged him.

"I did it! I came! I came so hard! I came all over myself!"

How many times they did before now?
Kevin thought to himself, still cumming.
his penis was flacid now ..
"Oh my God! Please send me pics
as soon as possible, then!"
She told him.
"Anything for you, sweetheart."

"And for you Robert ..."

The last frame of the video as her, Rose, my Rose with with Robert's cock over her mouth. rubbing against her lips.

Rose is still covered in countless ropes of his sperm load.

In that last frame of the video, Rose is staring straight at the camera.

Staring straight at me through the video.

'This last shot is absolutely perfect', he thought.

The End.
