# CHAPTER 04

"Ahn! Oh, yes! Yes!"  
Alice shouted as she  
was taken from behind.

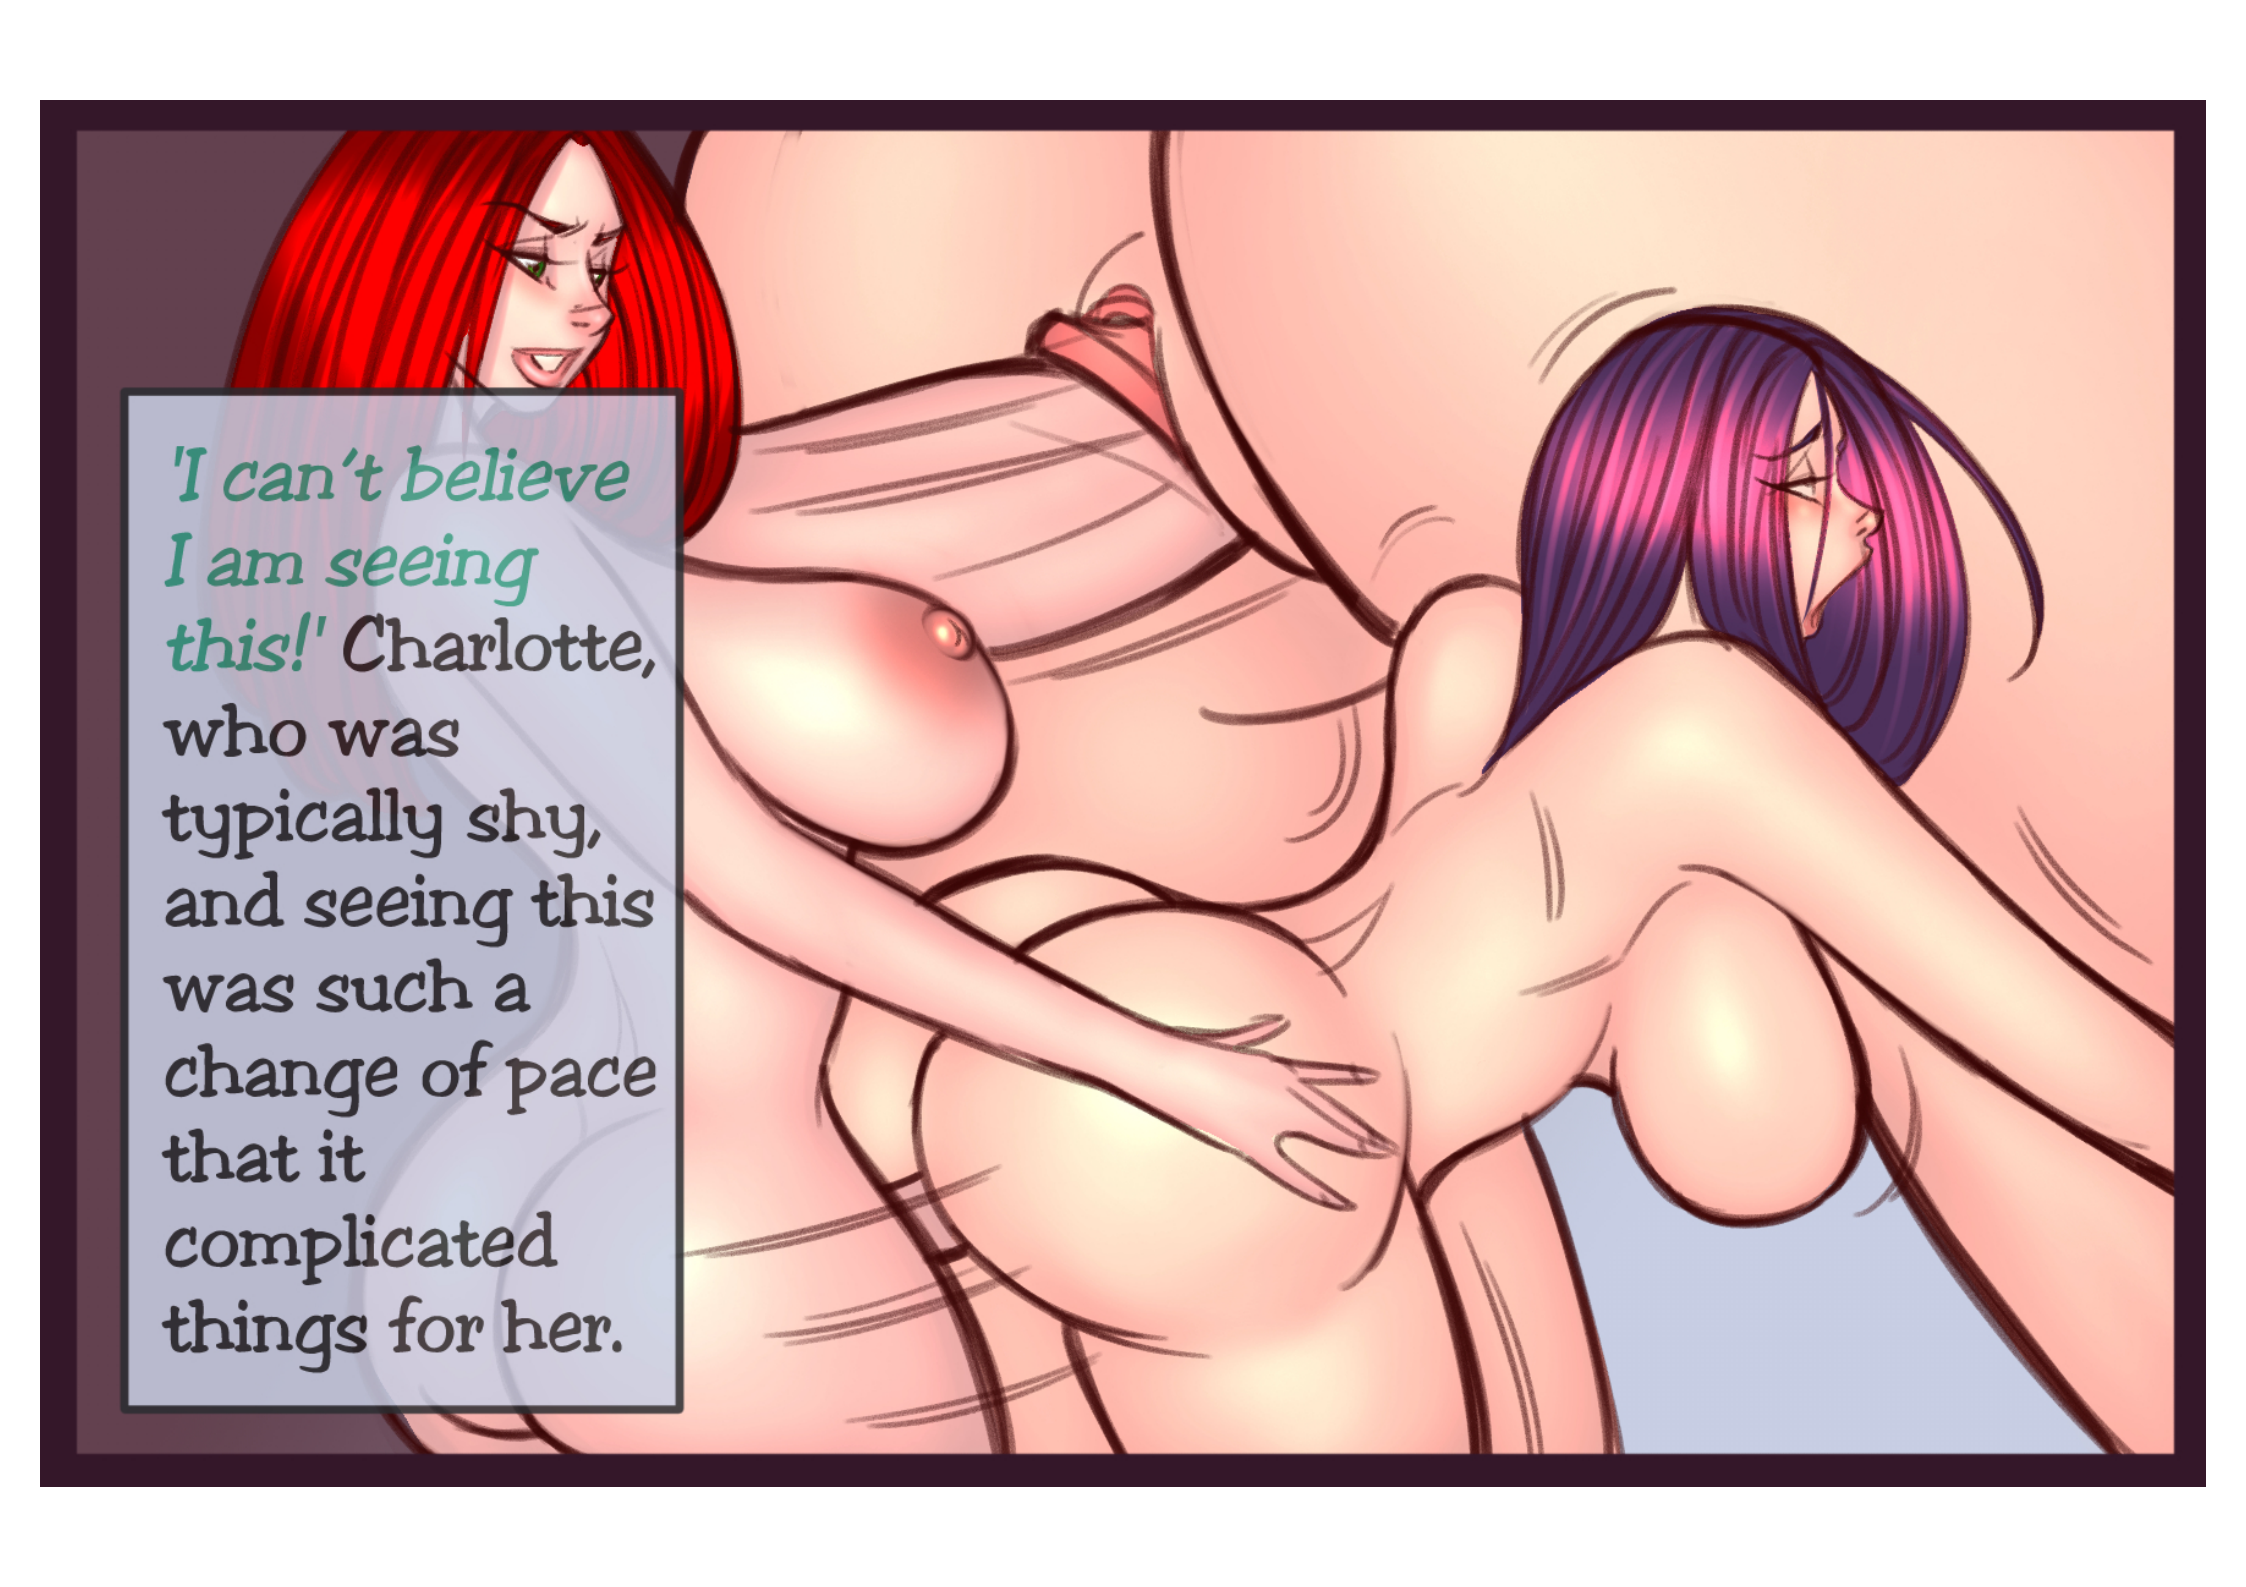

"Are you still okay?"  
"I'm fine! I'm just fine!  
Keep going..."

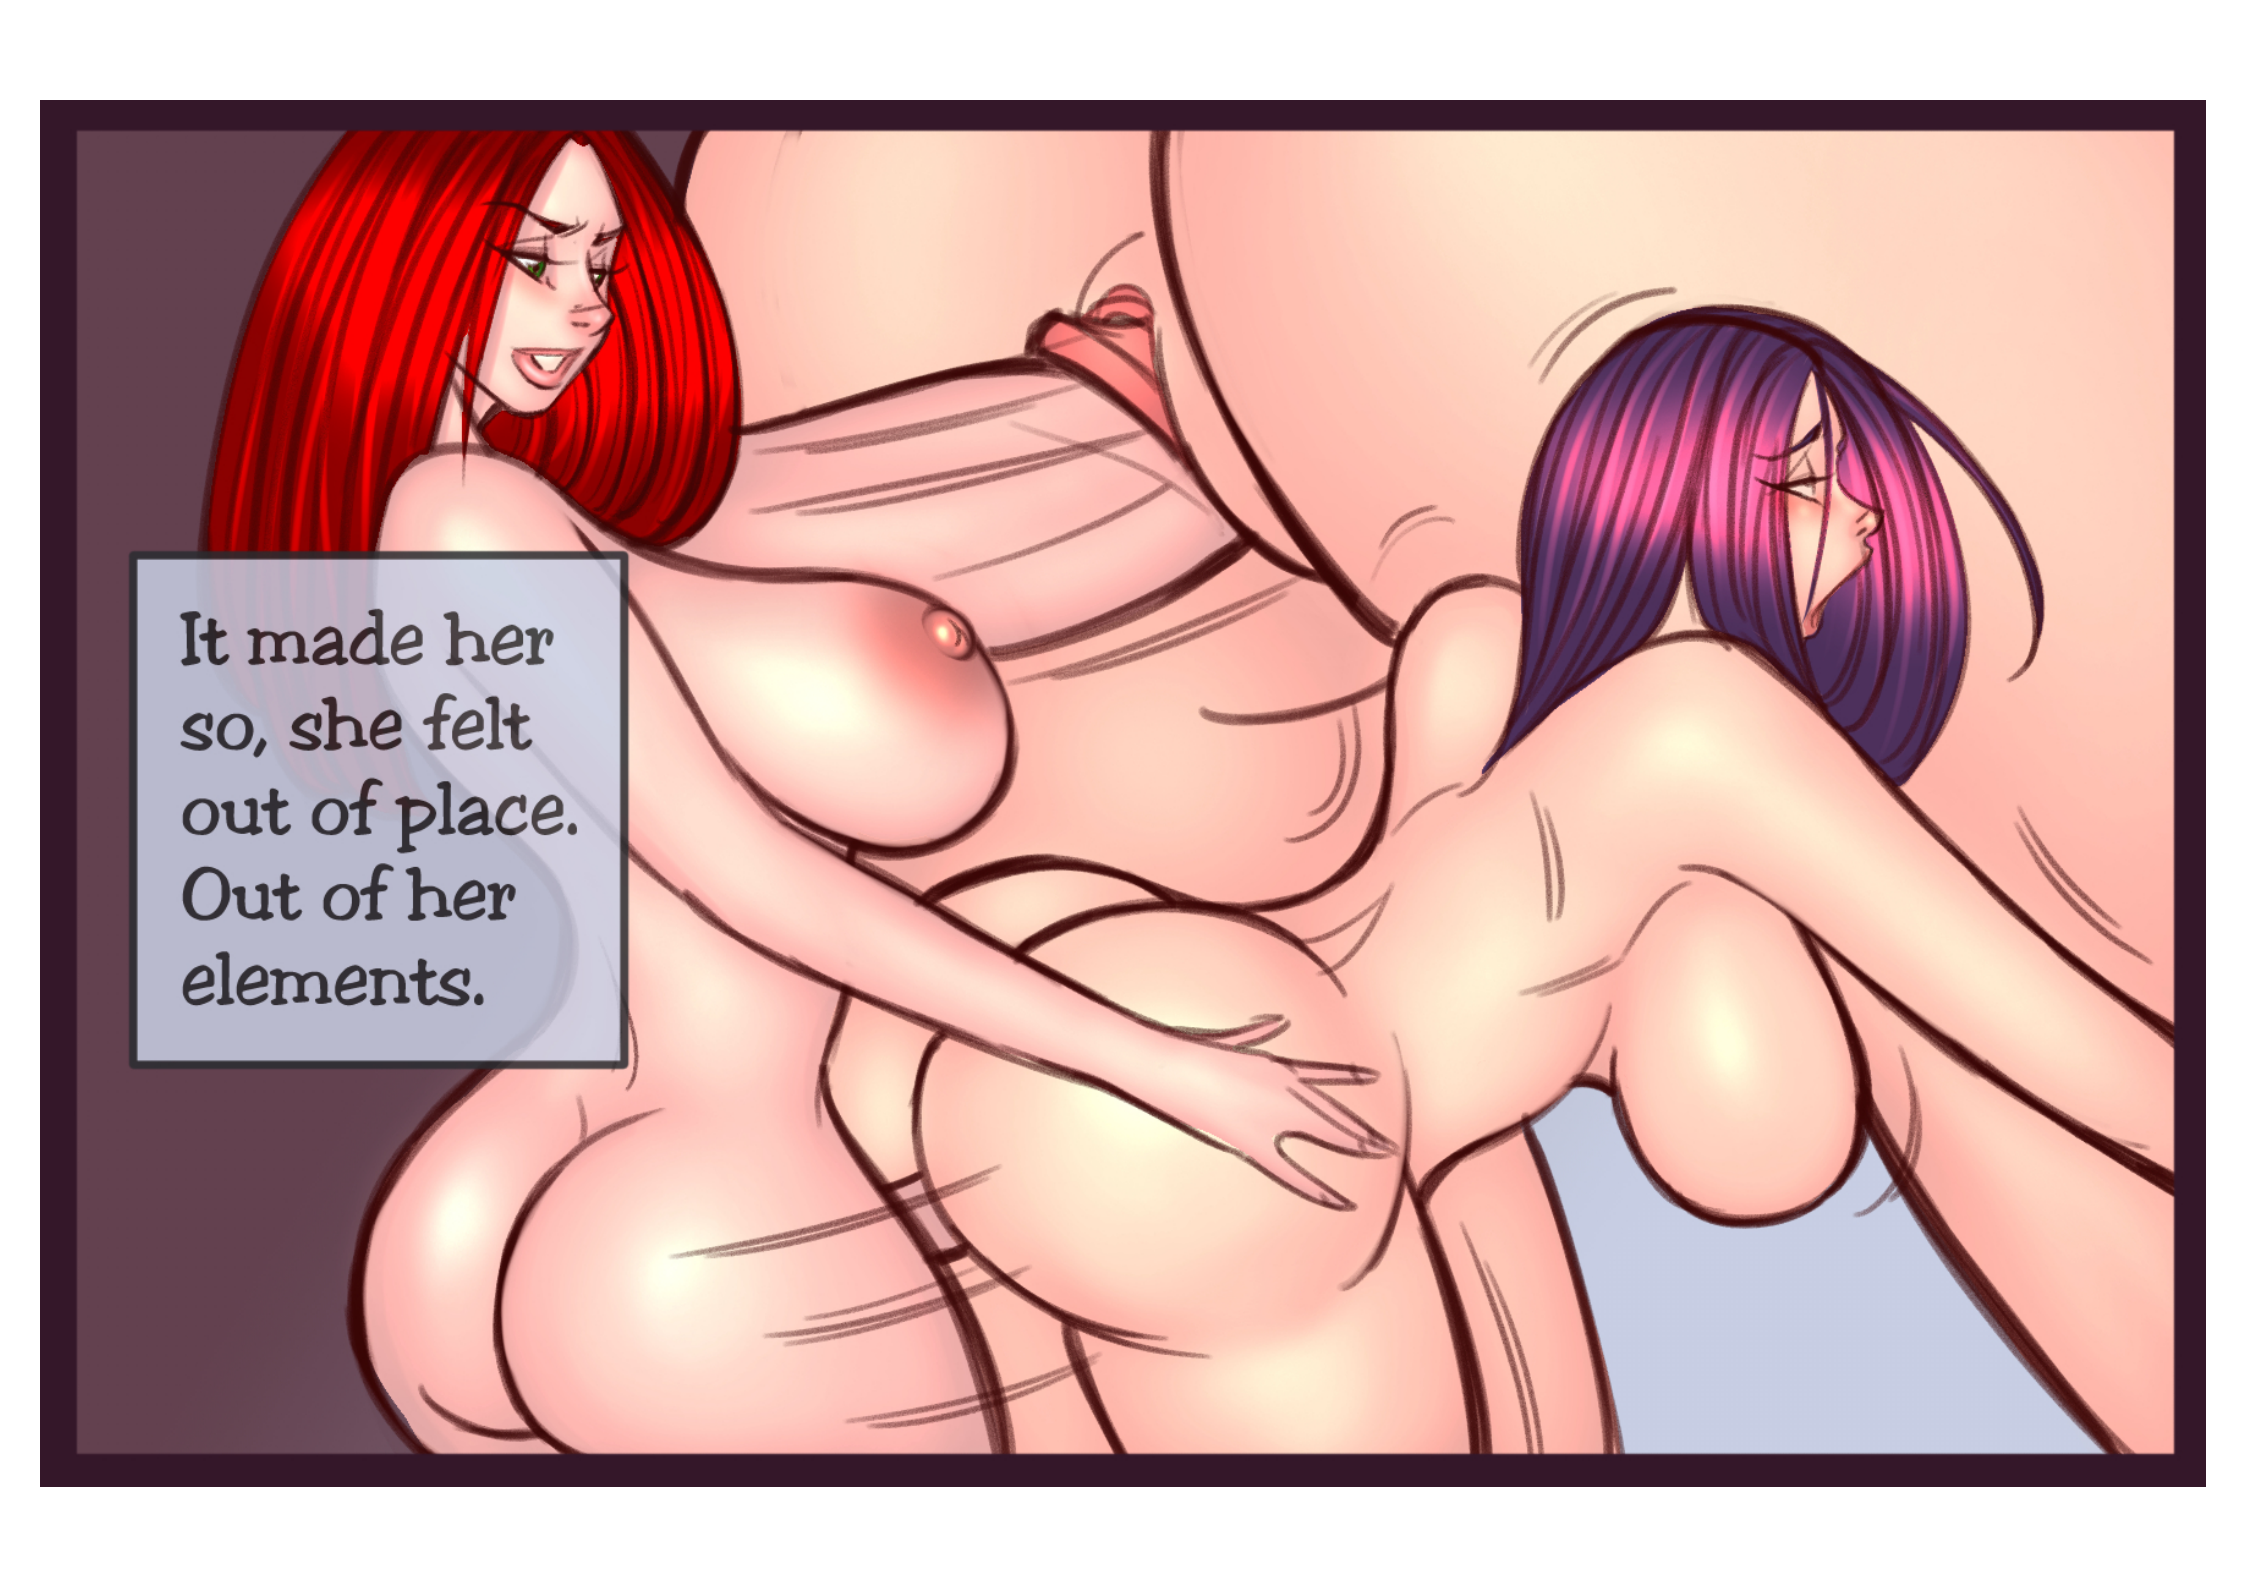

She was indeed okay, but judging by her constant and hollow moaning, she came across as if she was having a bit of a problem dealing with her lustful member.

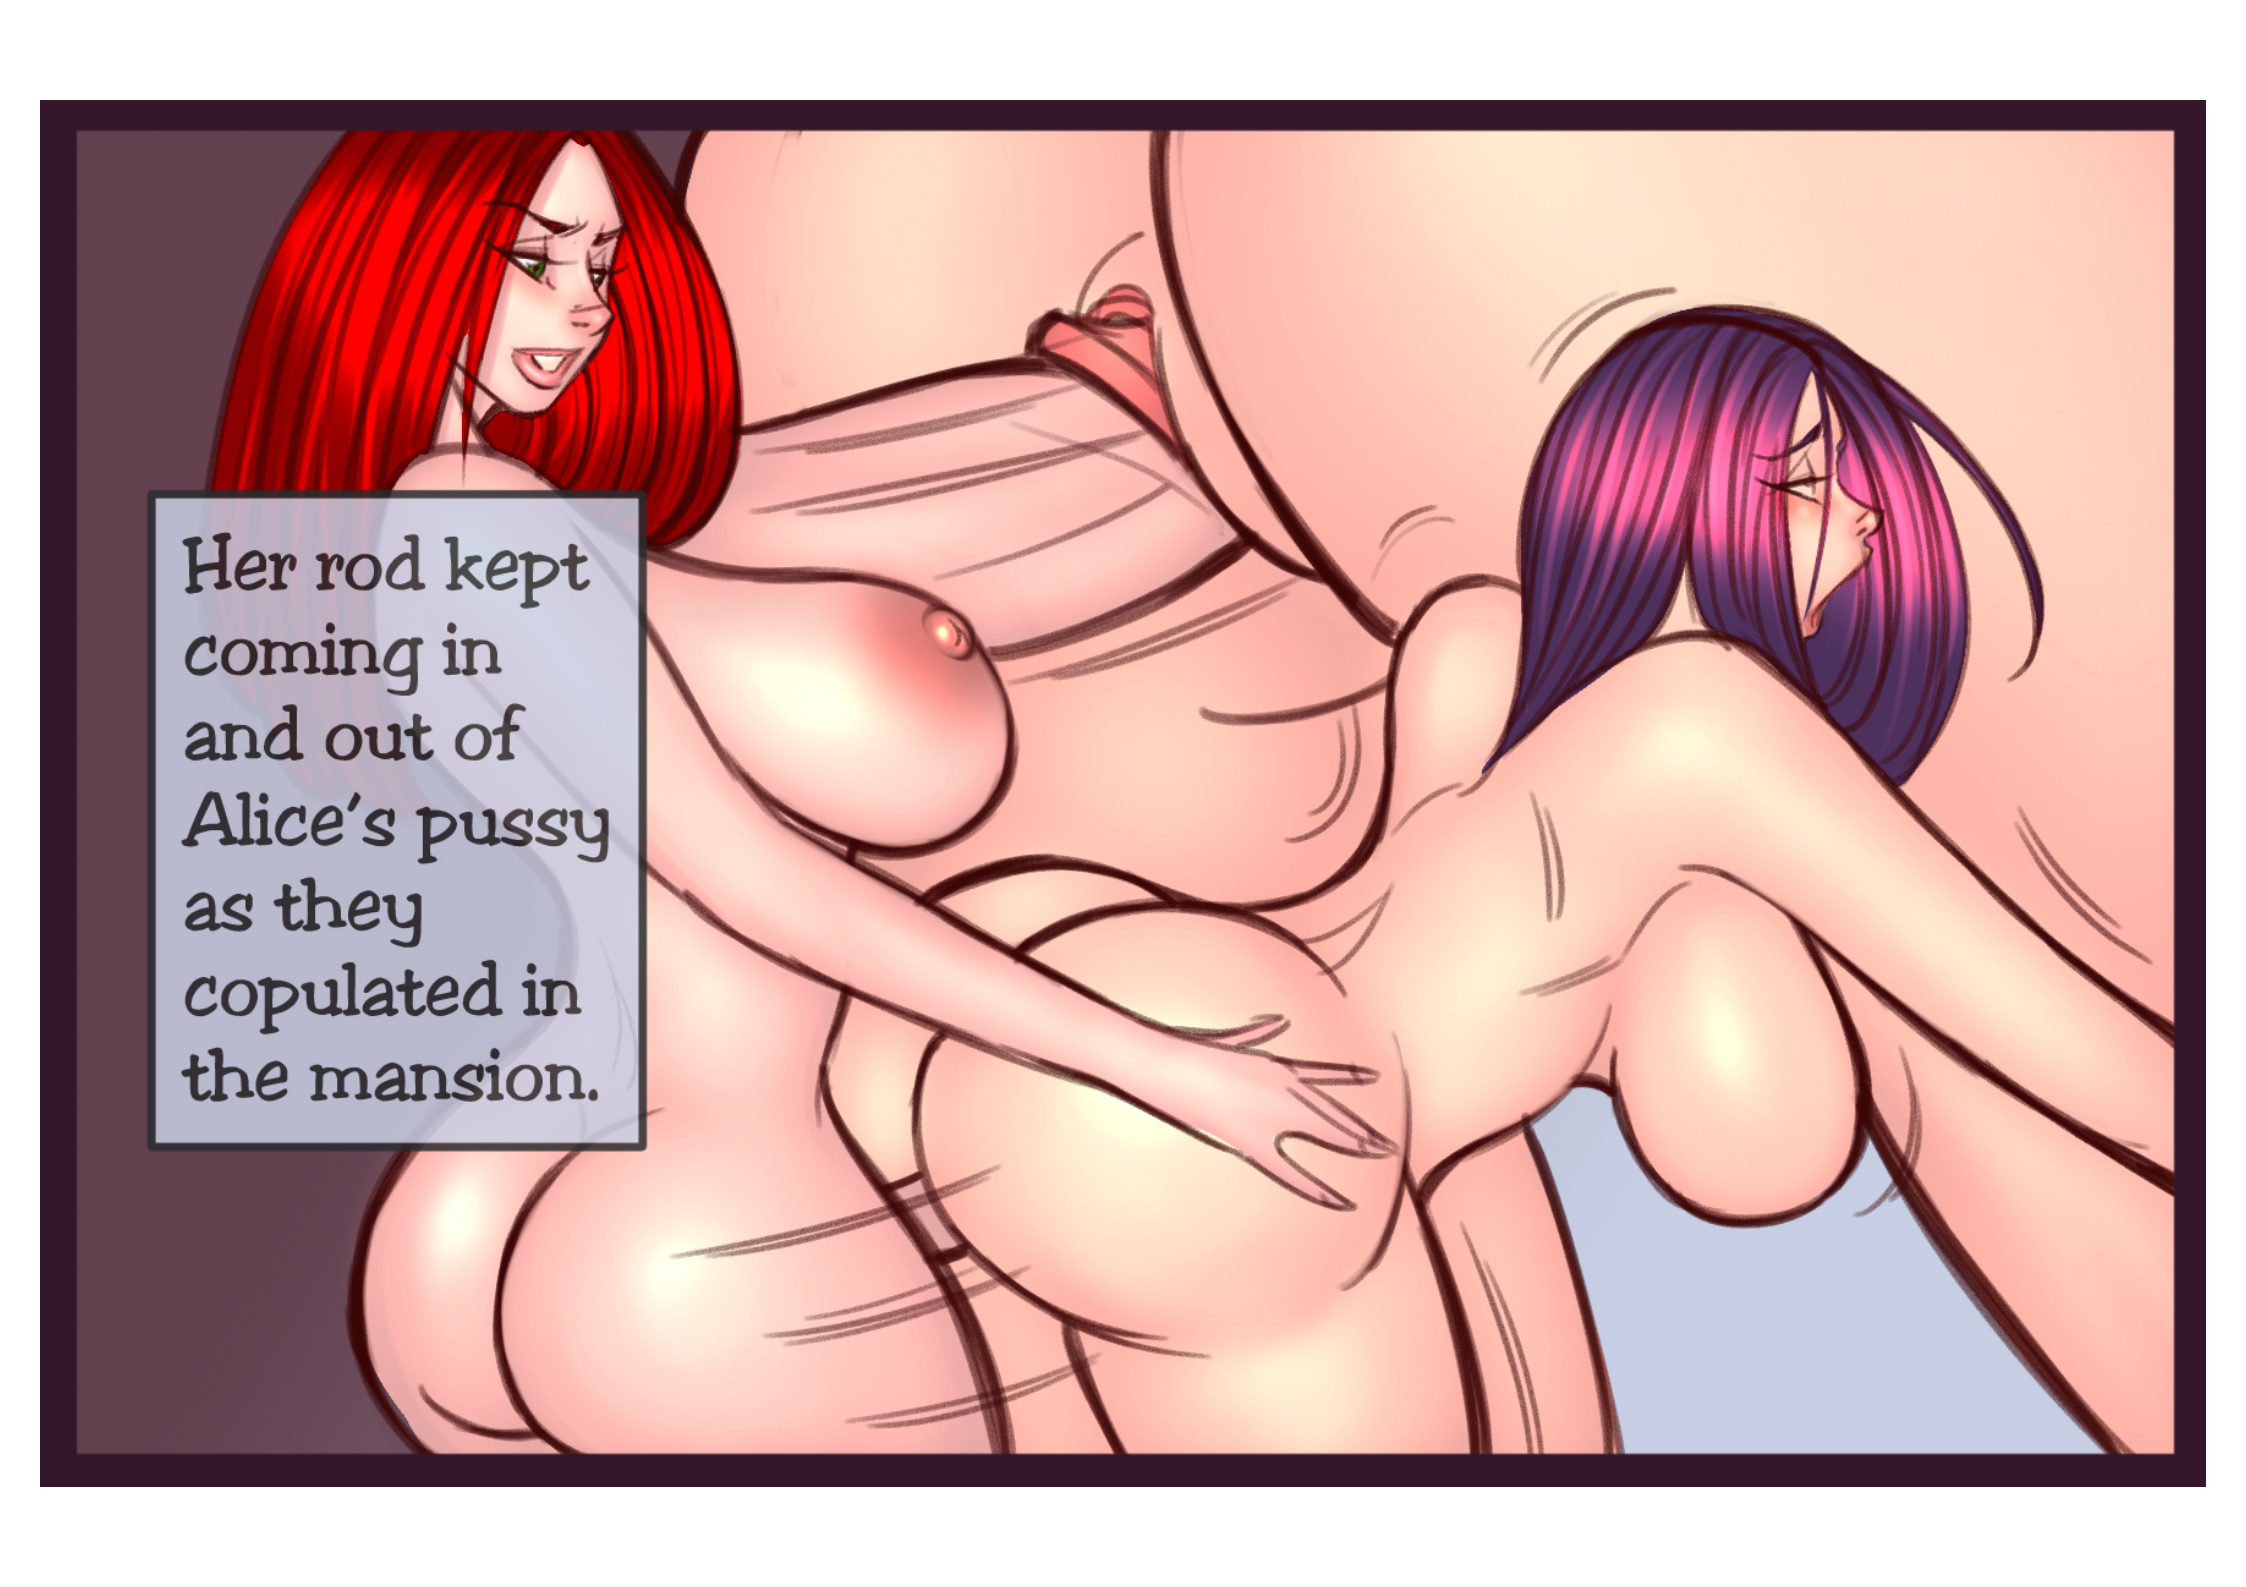

To put it bluntly,  
it was much too  
big for her hole  
and both of them  
perfectly knew it.

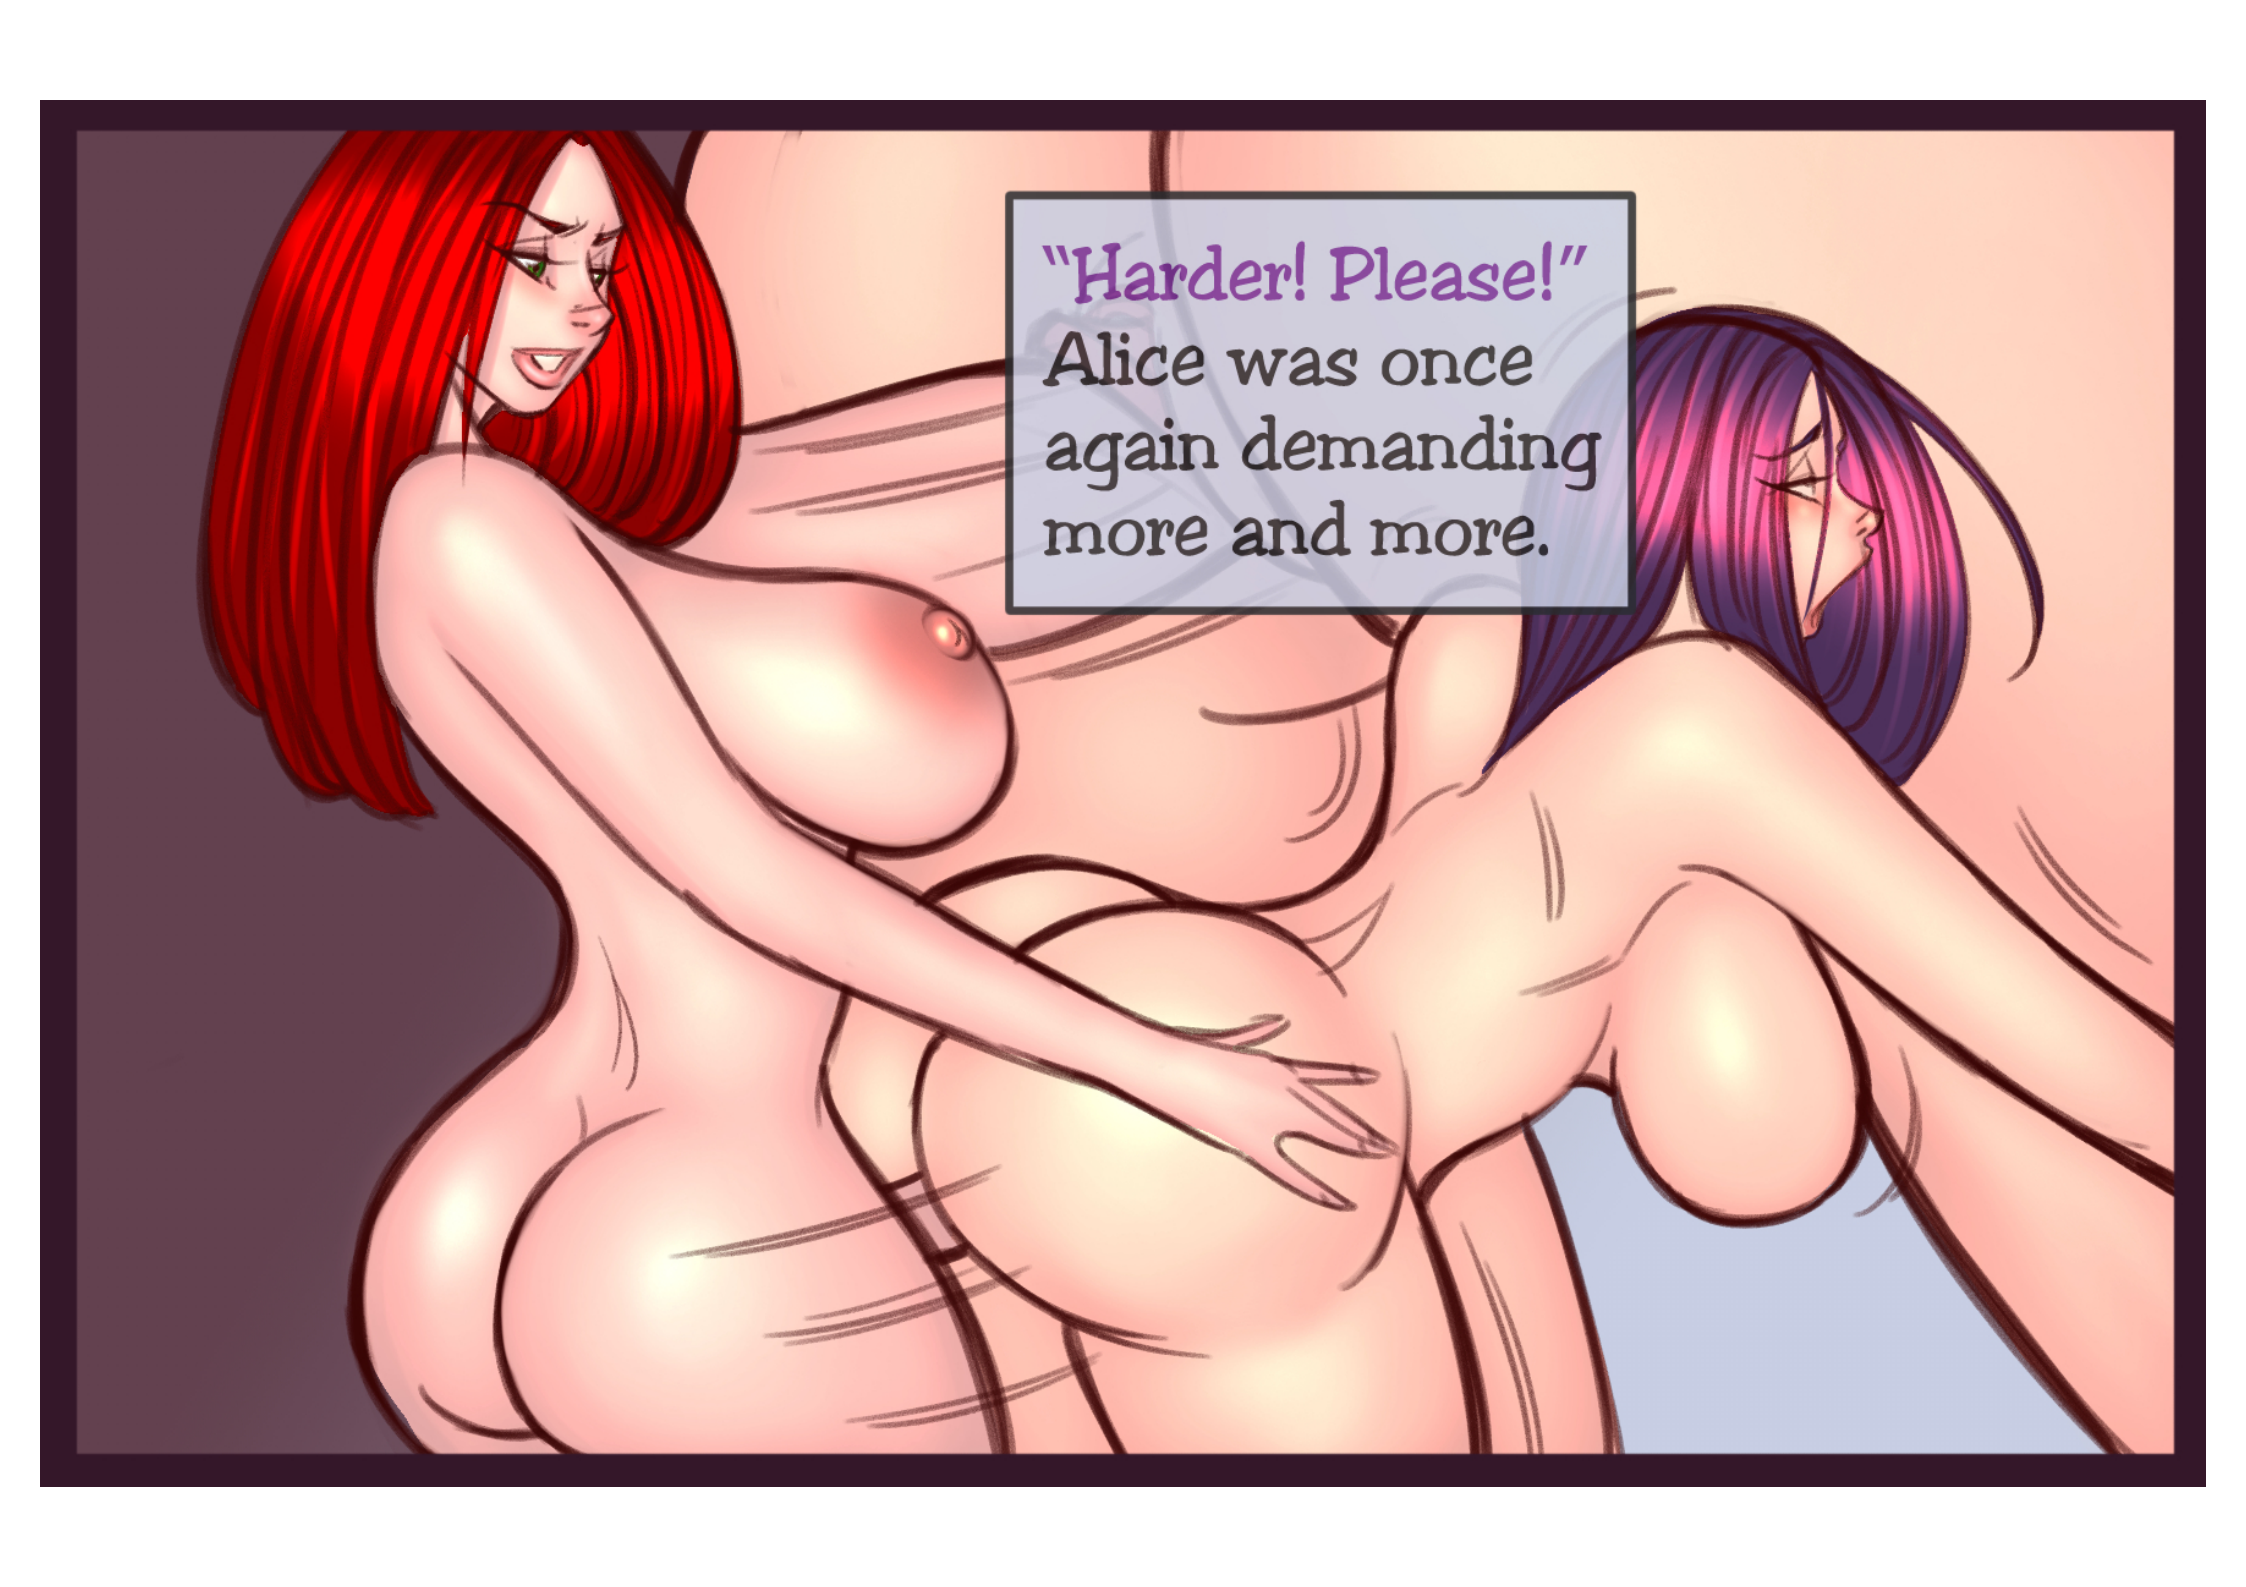

*'I can't believe I am seeing this!'* Charlotte, who was typically shy, and seeing this was such a change of pace that it complicated things for her.

It made her  
so, she felt  
out of place.  
Out of her  
elements.

Her rod kept coming in and out of Alice's pussy as they copulated in the mansion.

"Harder! Please!"  
Alice was once  
again demanding  
more and more.

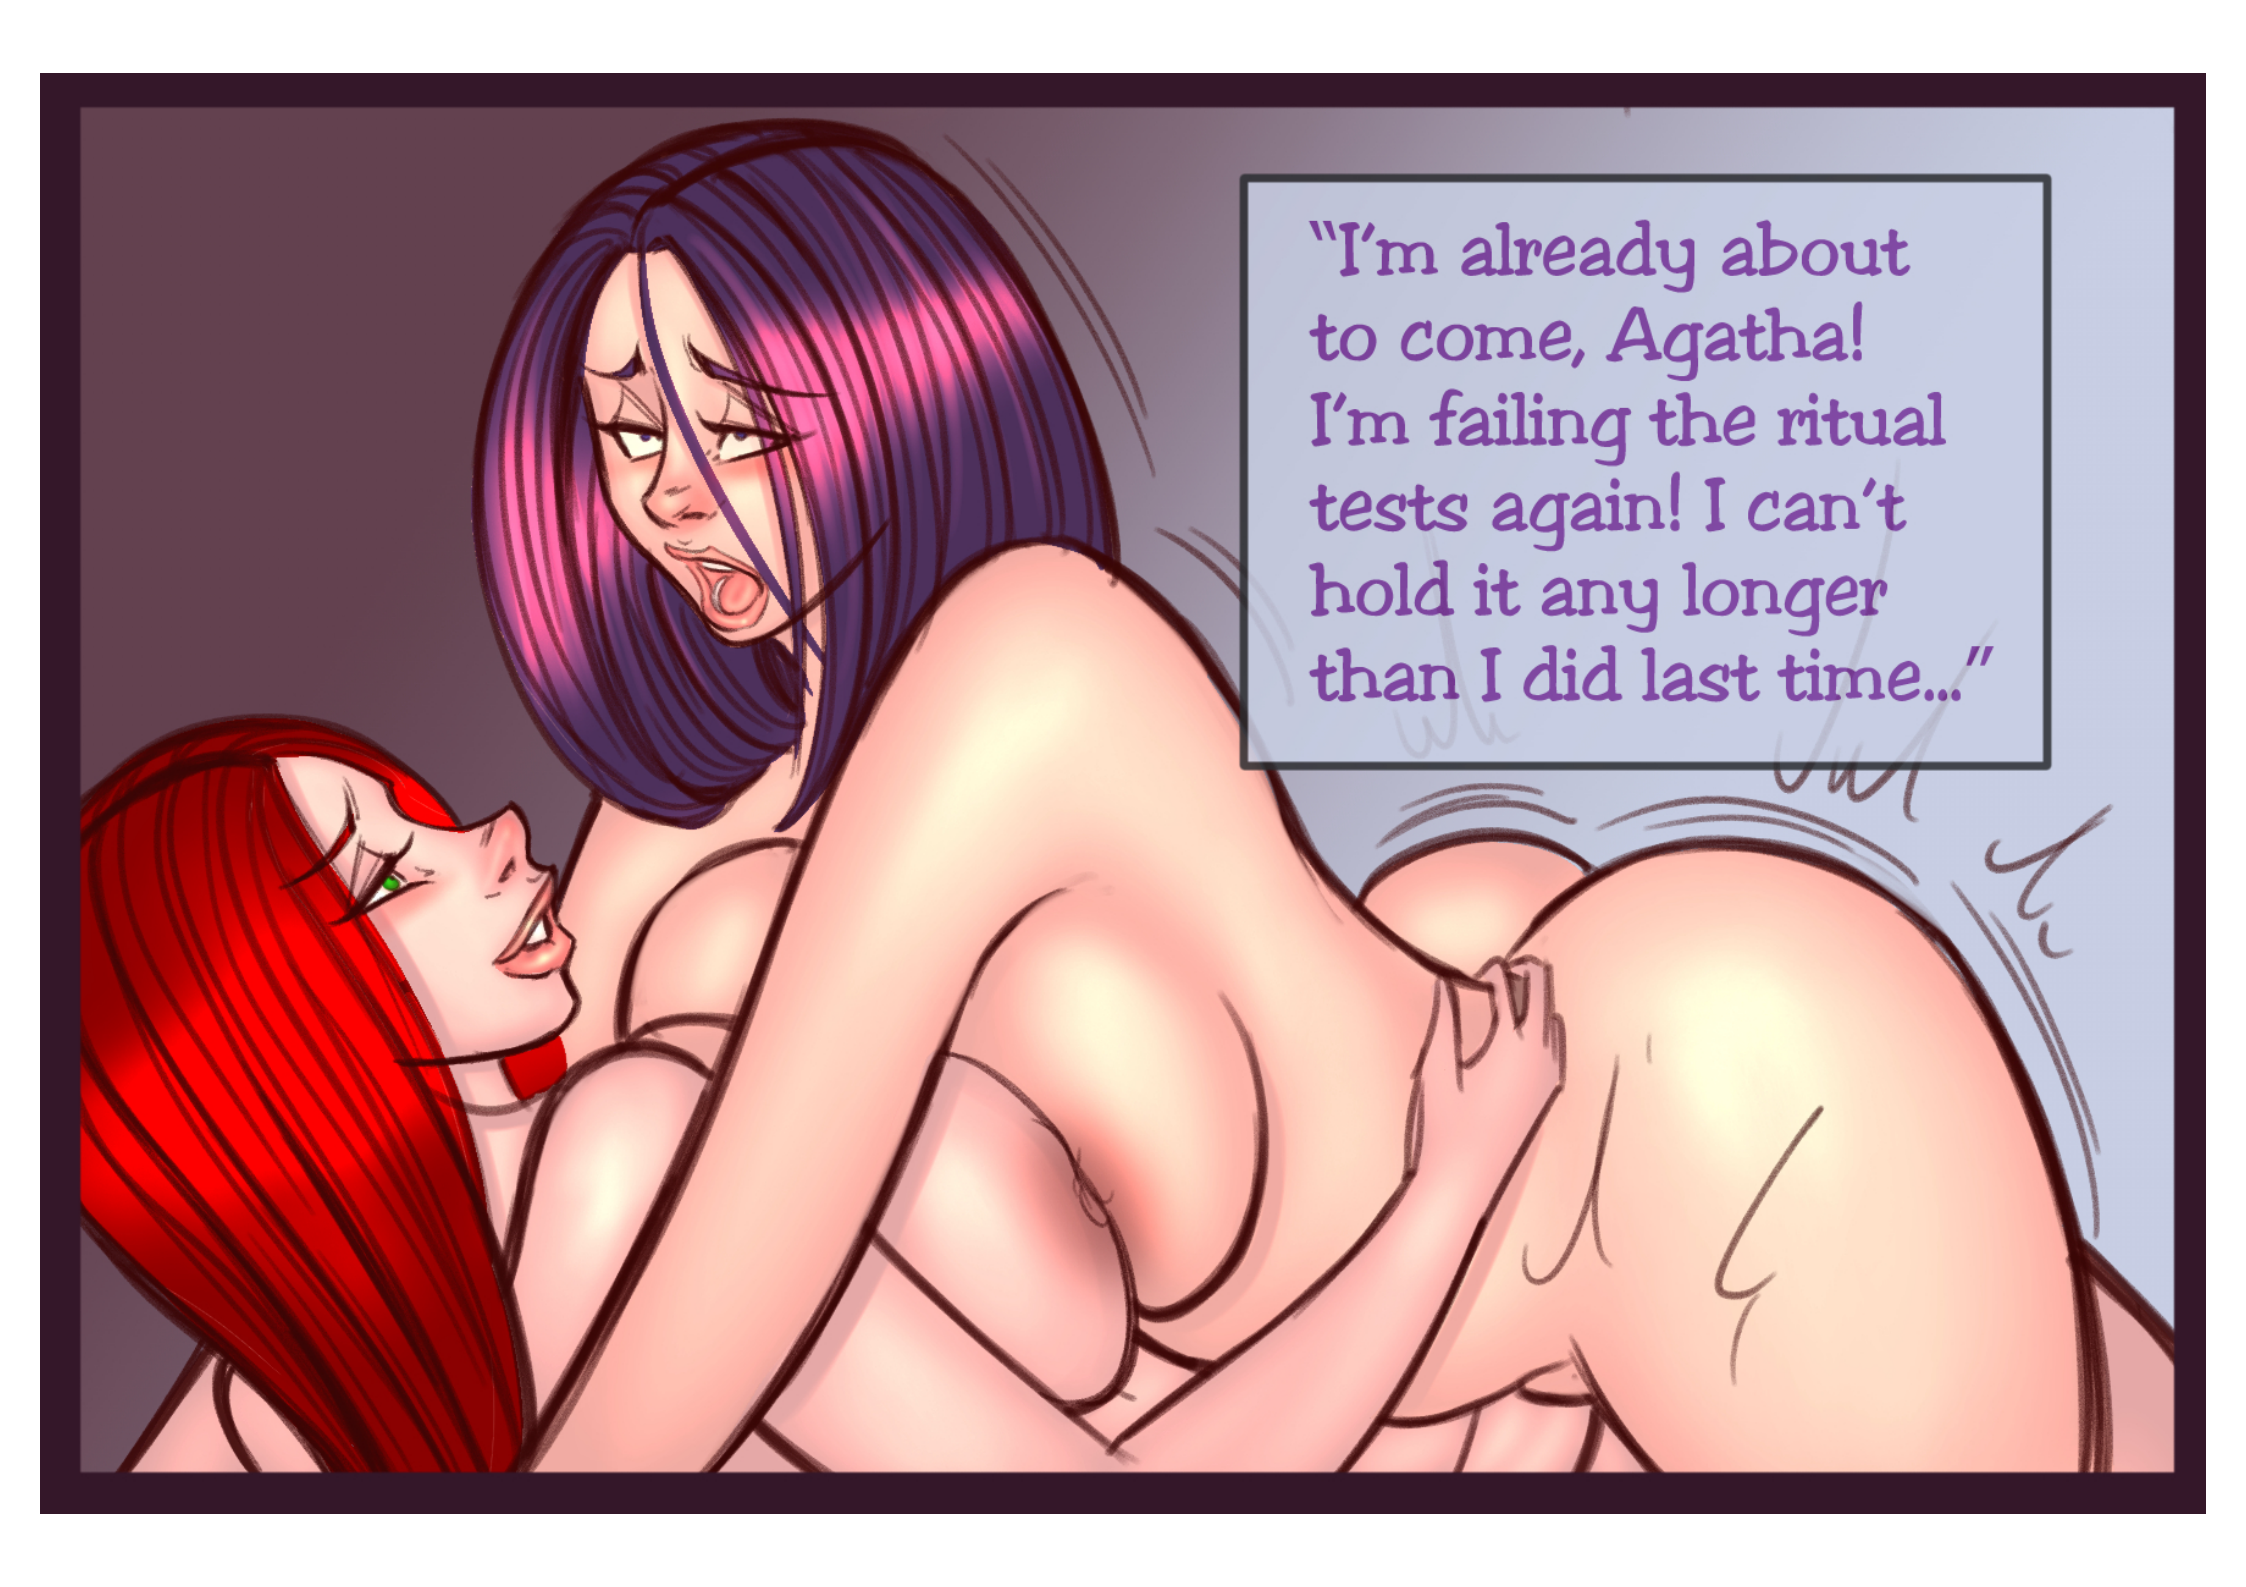

Alice began riding  
Agatha while Charlotte  
watched with envy and  
sheer, passionate pleasure.

Stating that she was amused by what was going on would have been a massive understatement.

"This ritual will be well-done! I can feel it!"  
Agatha declared to the young woman.

"I'm already about to come, Agatha! I'm failing the ritual tests again! I can't hold it any longer than I did last time..."

It definitely sounded  
like Alice was under a  
lot of stress...  
A lot of erotic stress...

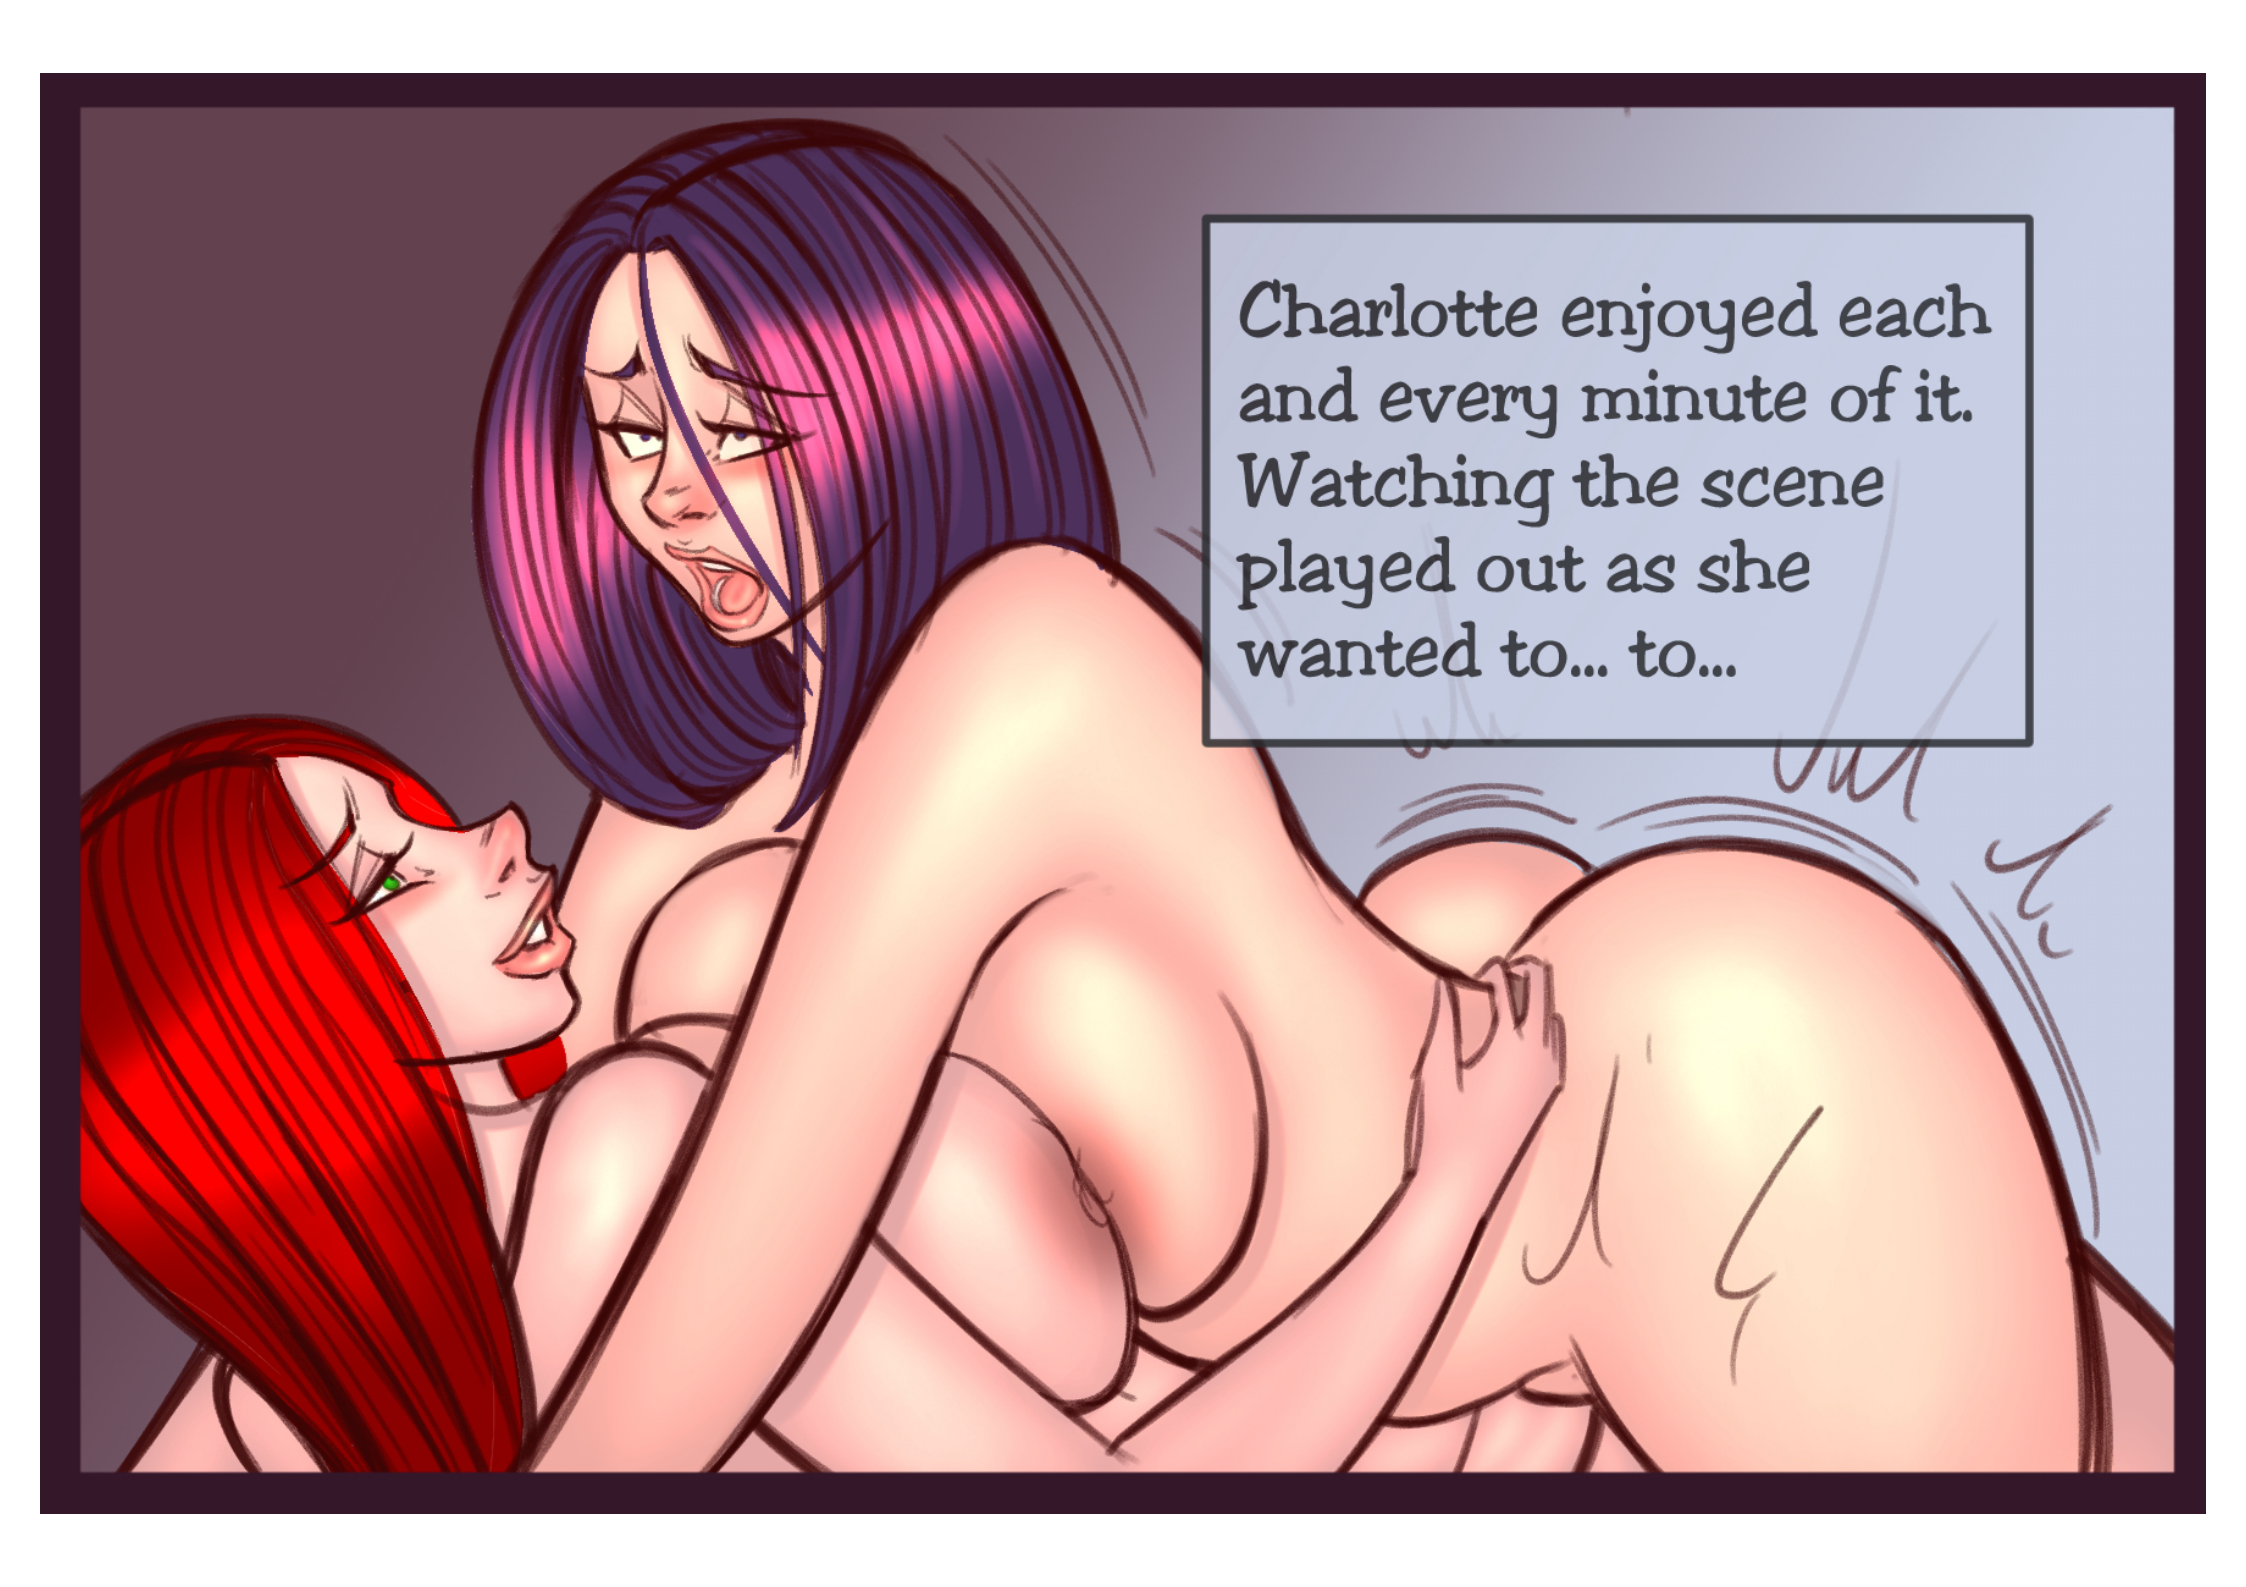

"We are going to have to do better with you, next time."

"Our God demands something better. A lot better."

"However, since you are already coming, I will join you in your shame, child. I will join you," indicating that Agatha was also about to come...

Charlotte enjoyed each and every minute of it. Watching the scene played out as she wanted to... to...

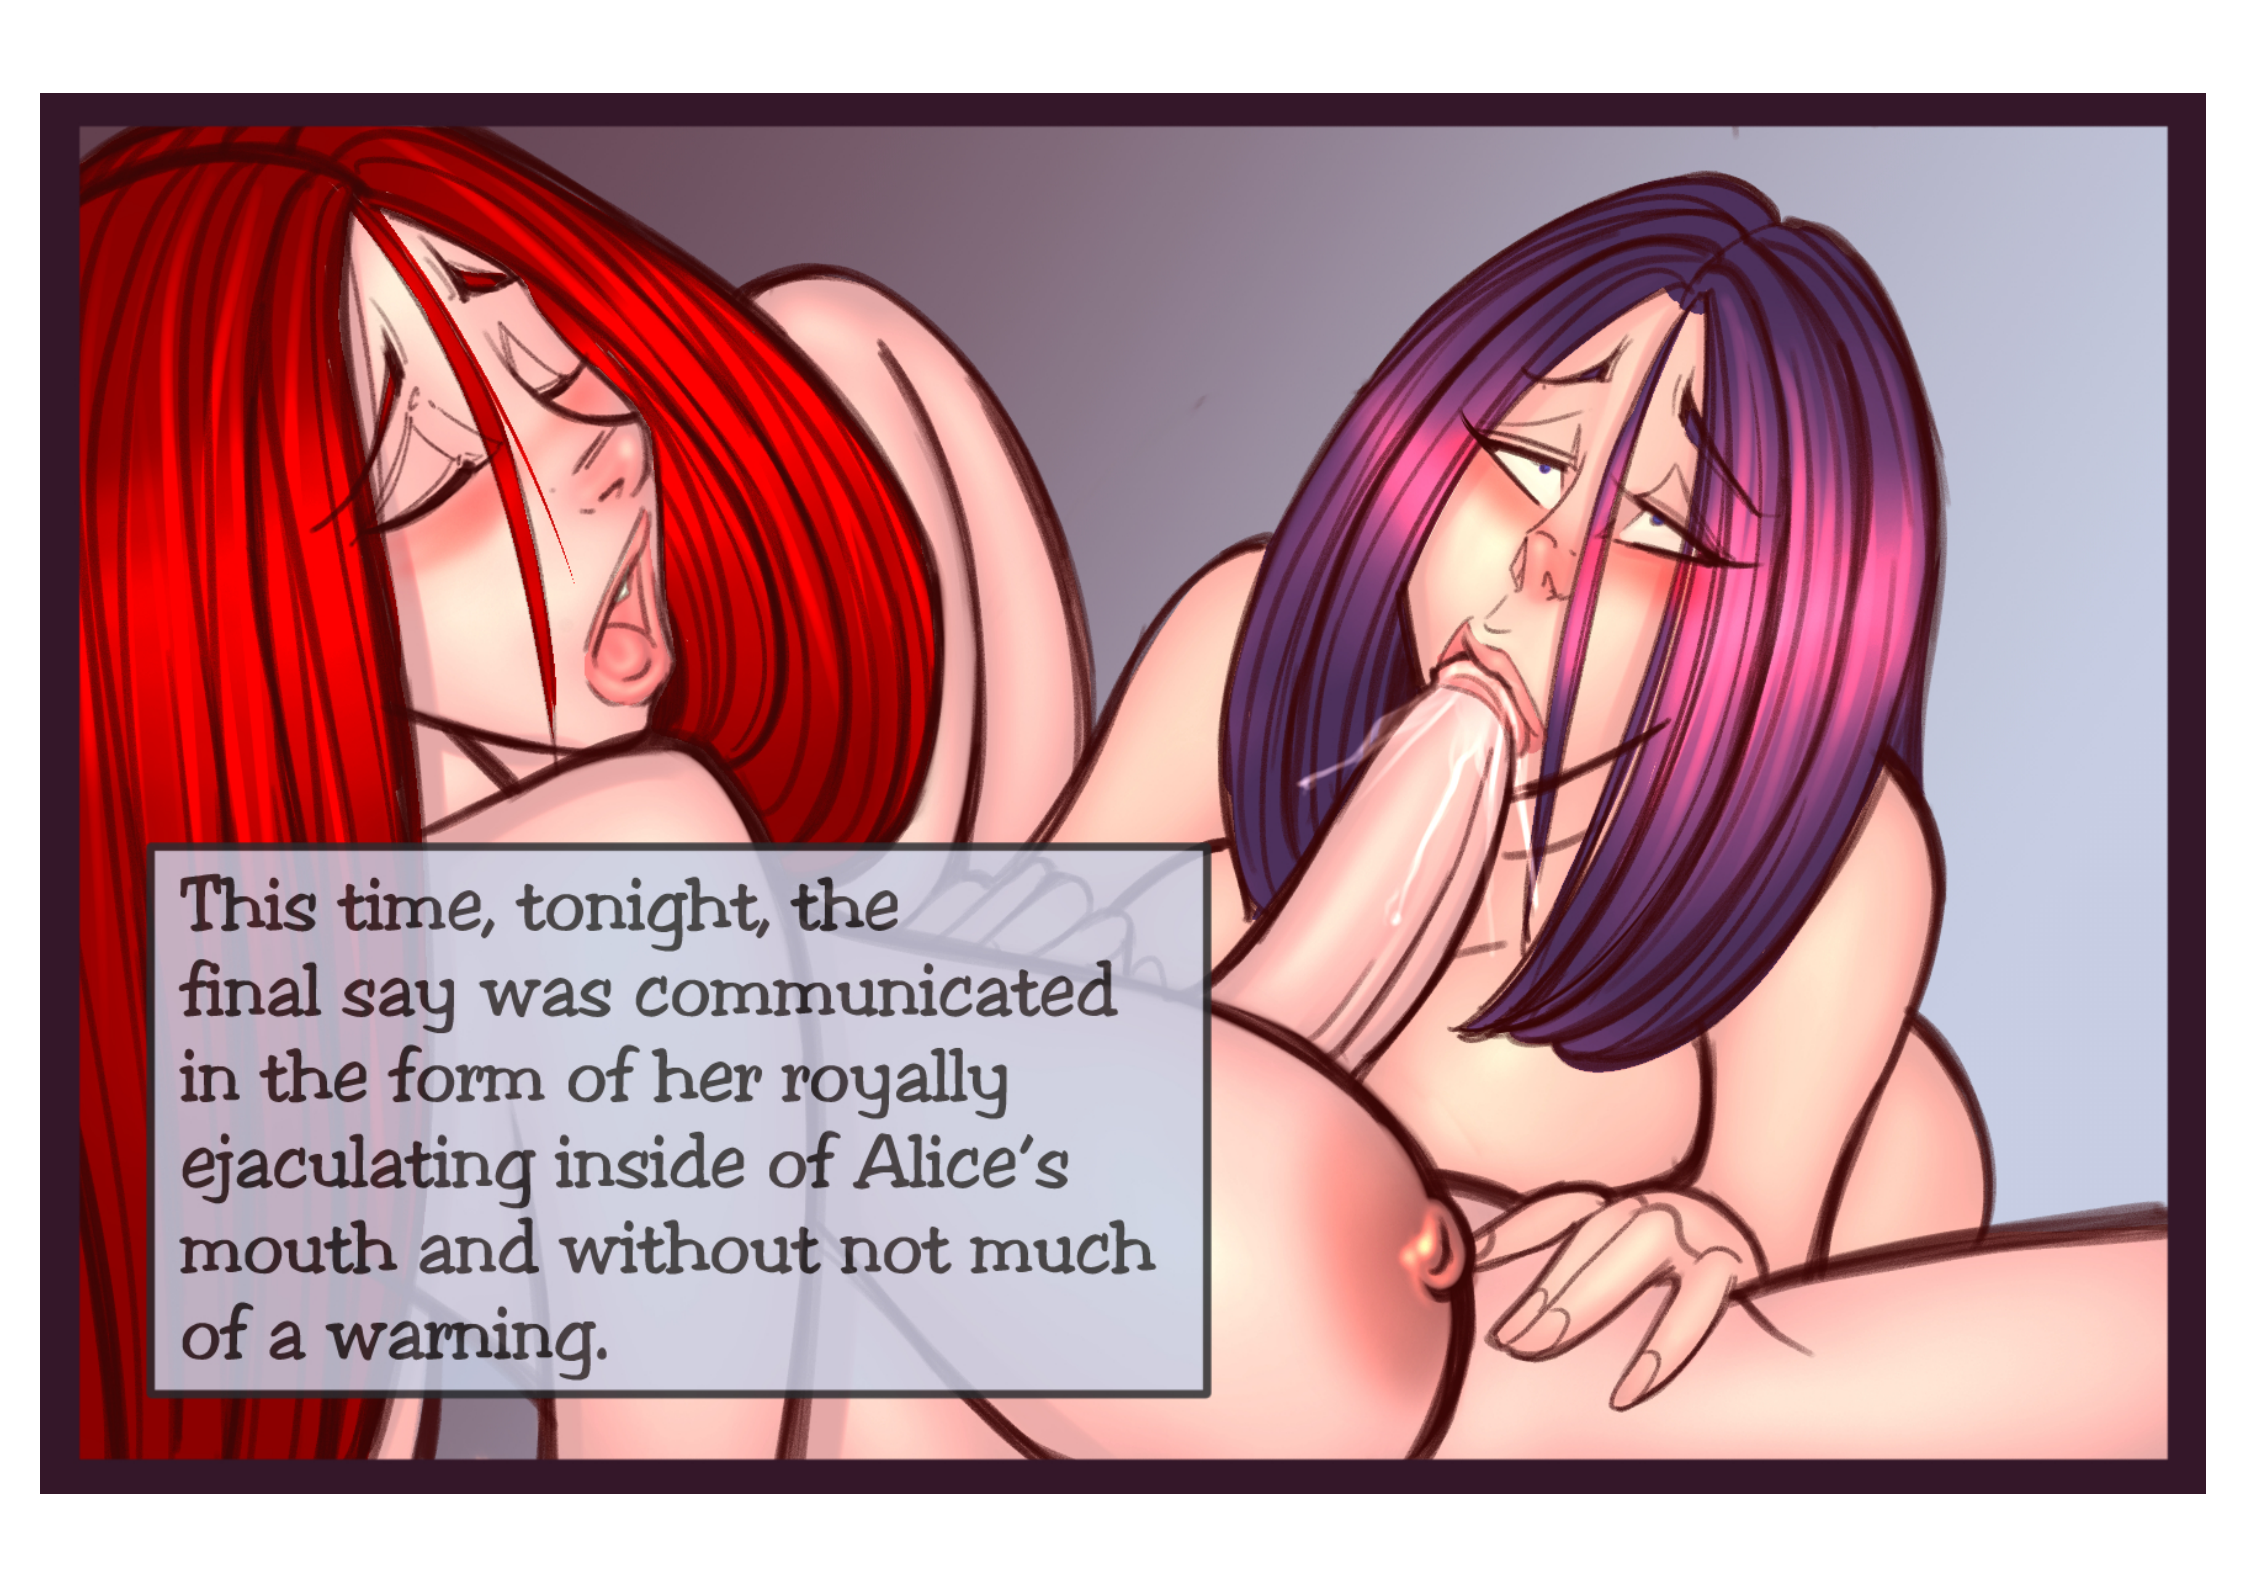

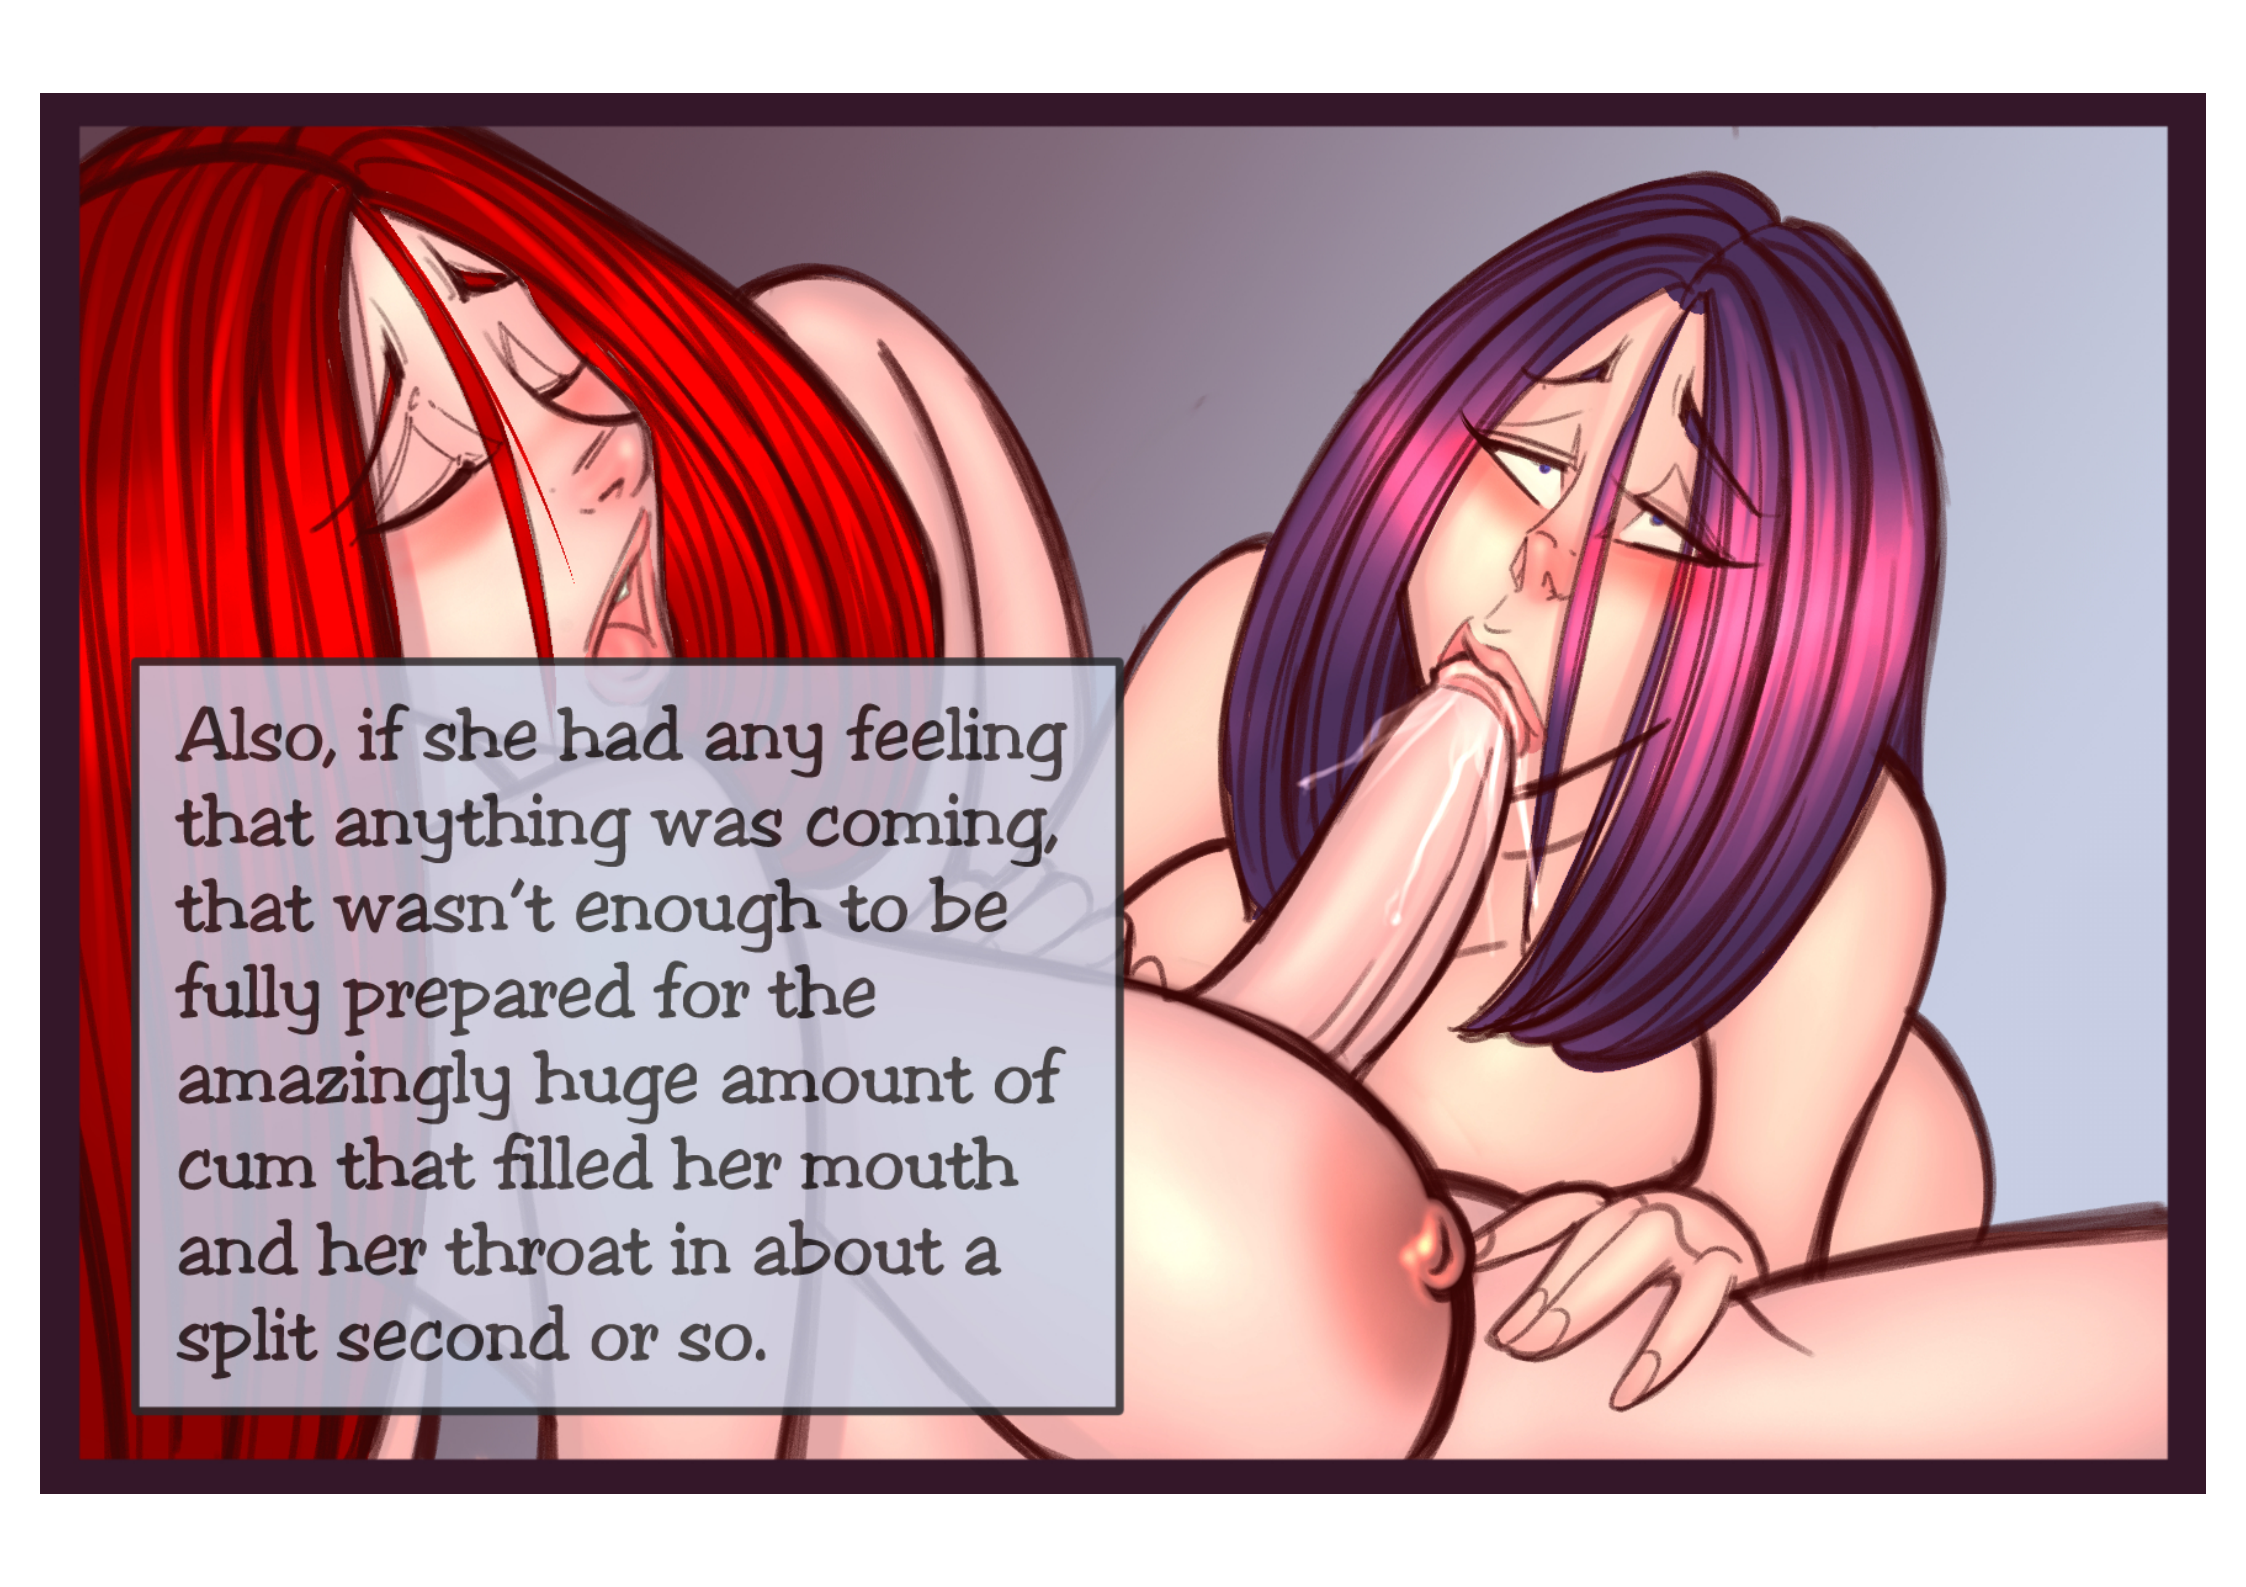

It was with no surprise that Agatha was intentionally dominating everyone she came across.

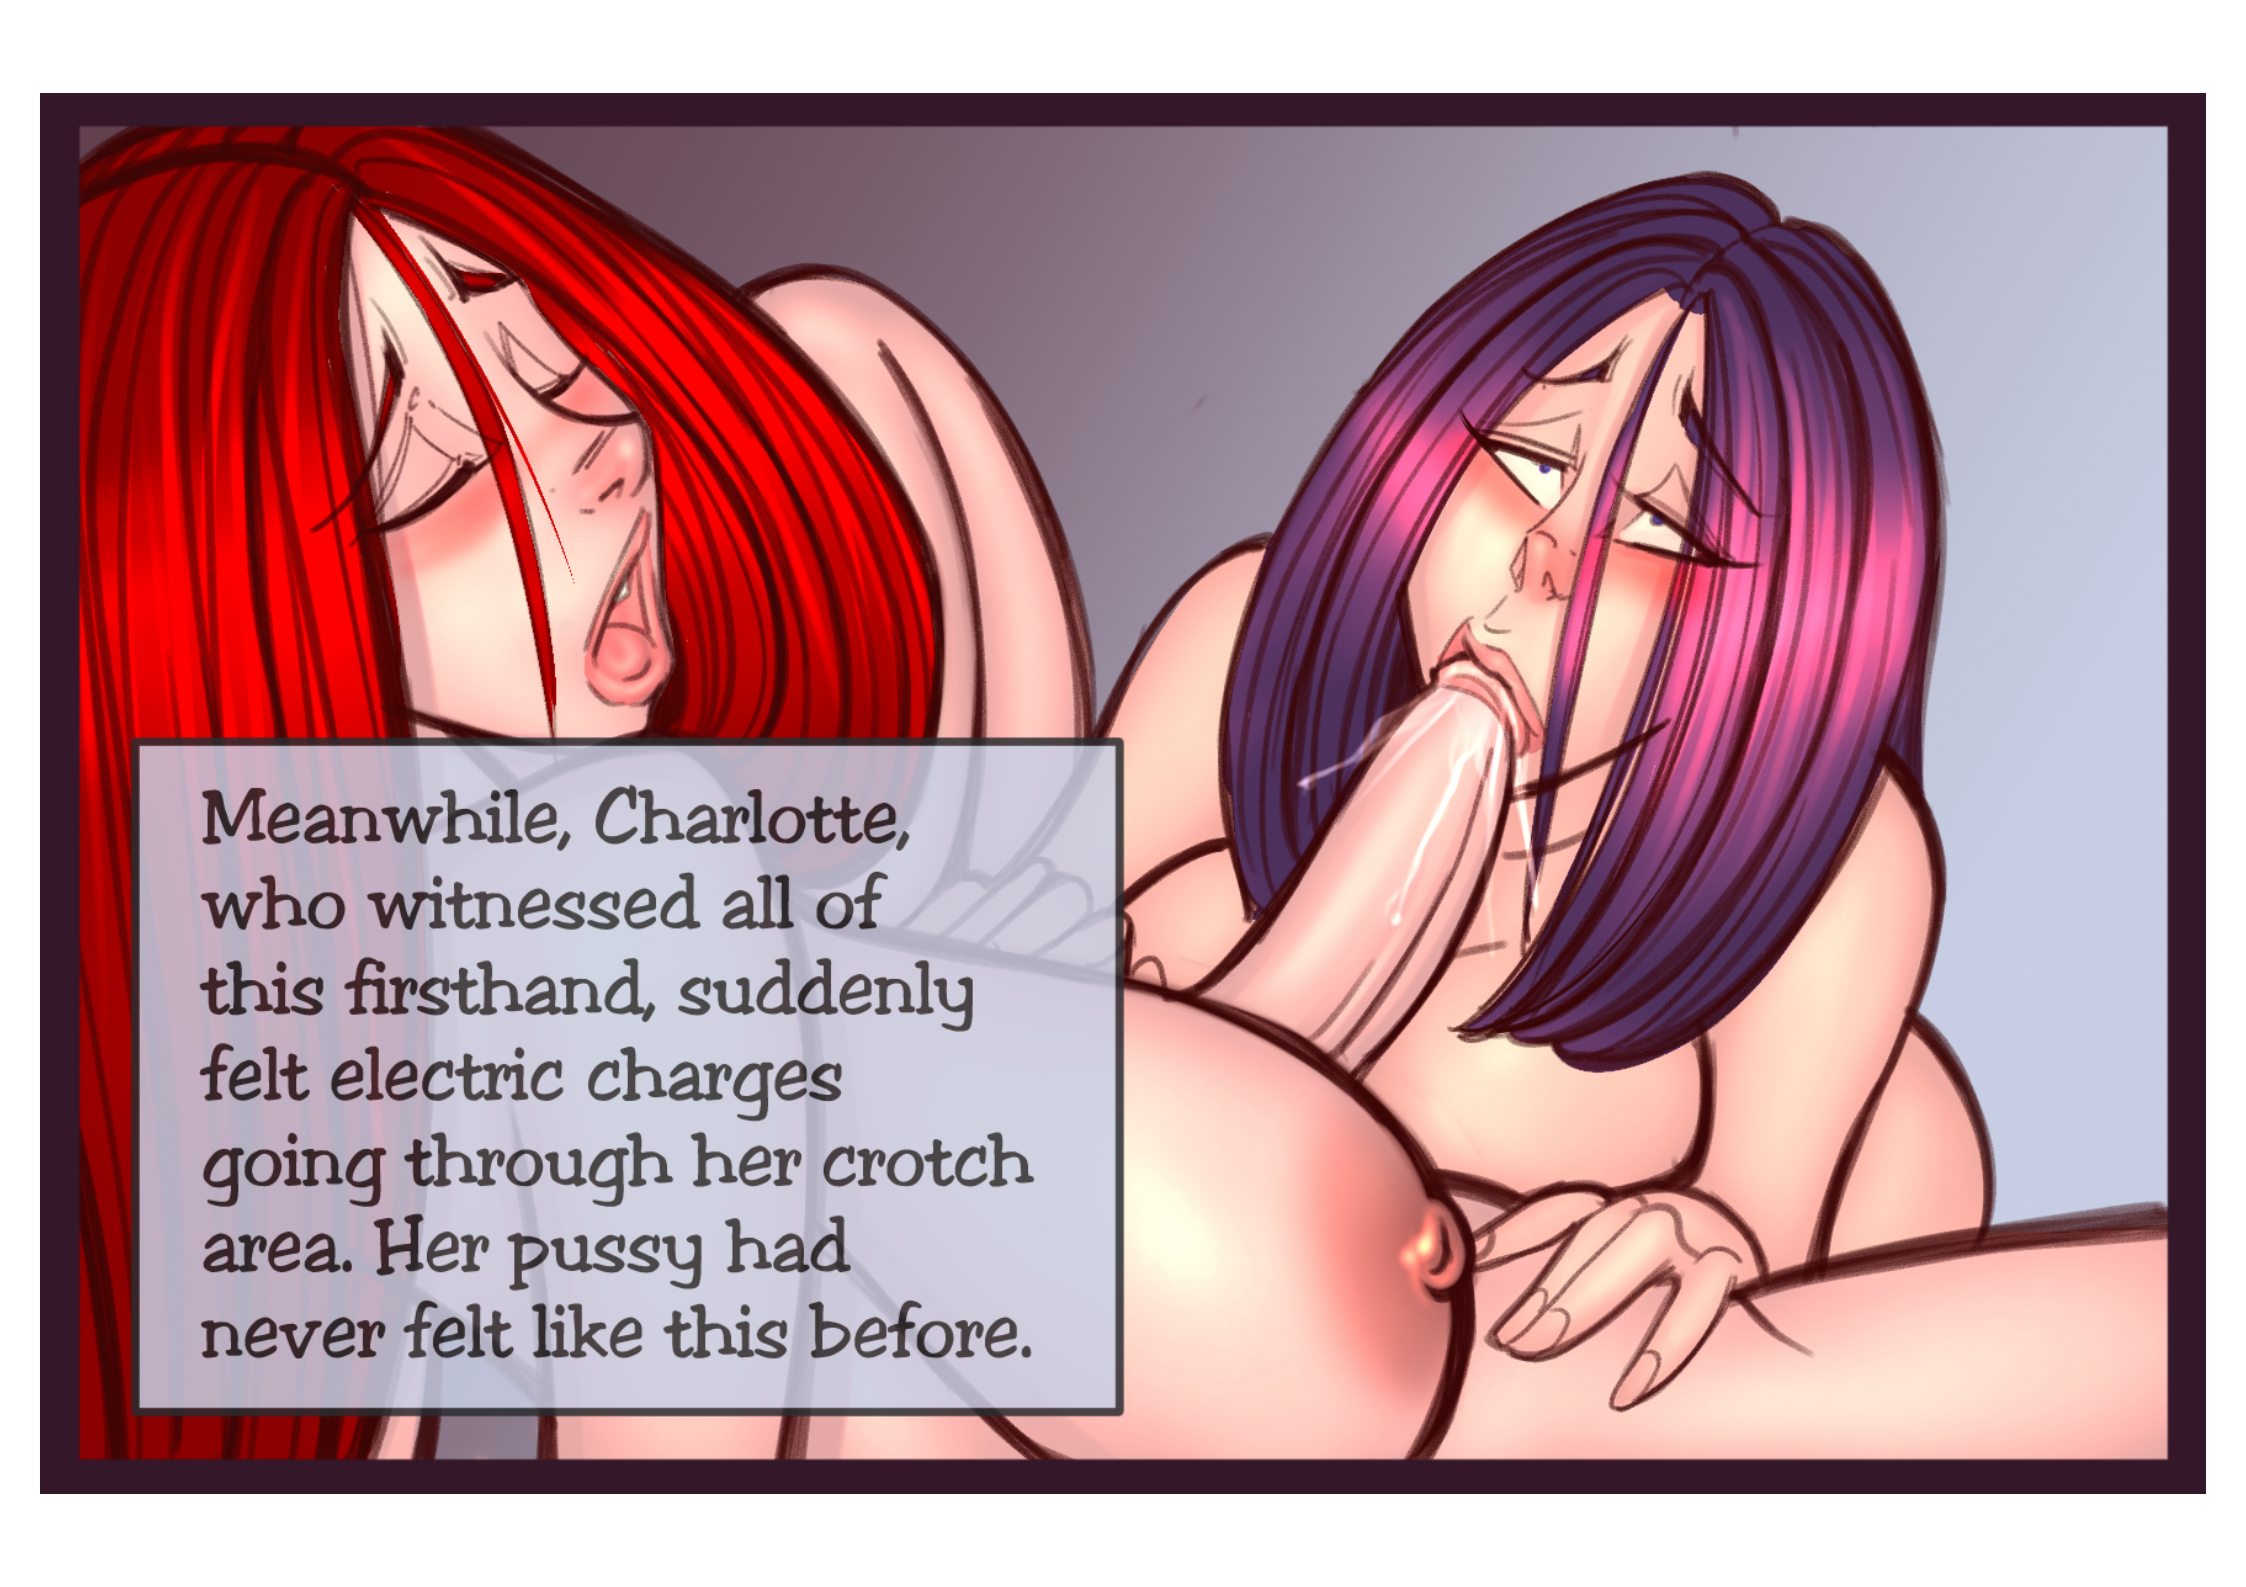

In this sect, she was the only one who ever had the final word.

This time, tonight, the final say was communicated in the form of her royally ejaculating inside of Alice's mouth and without not much of a warning.

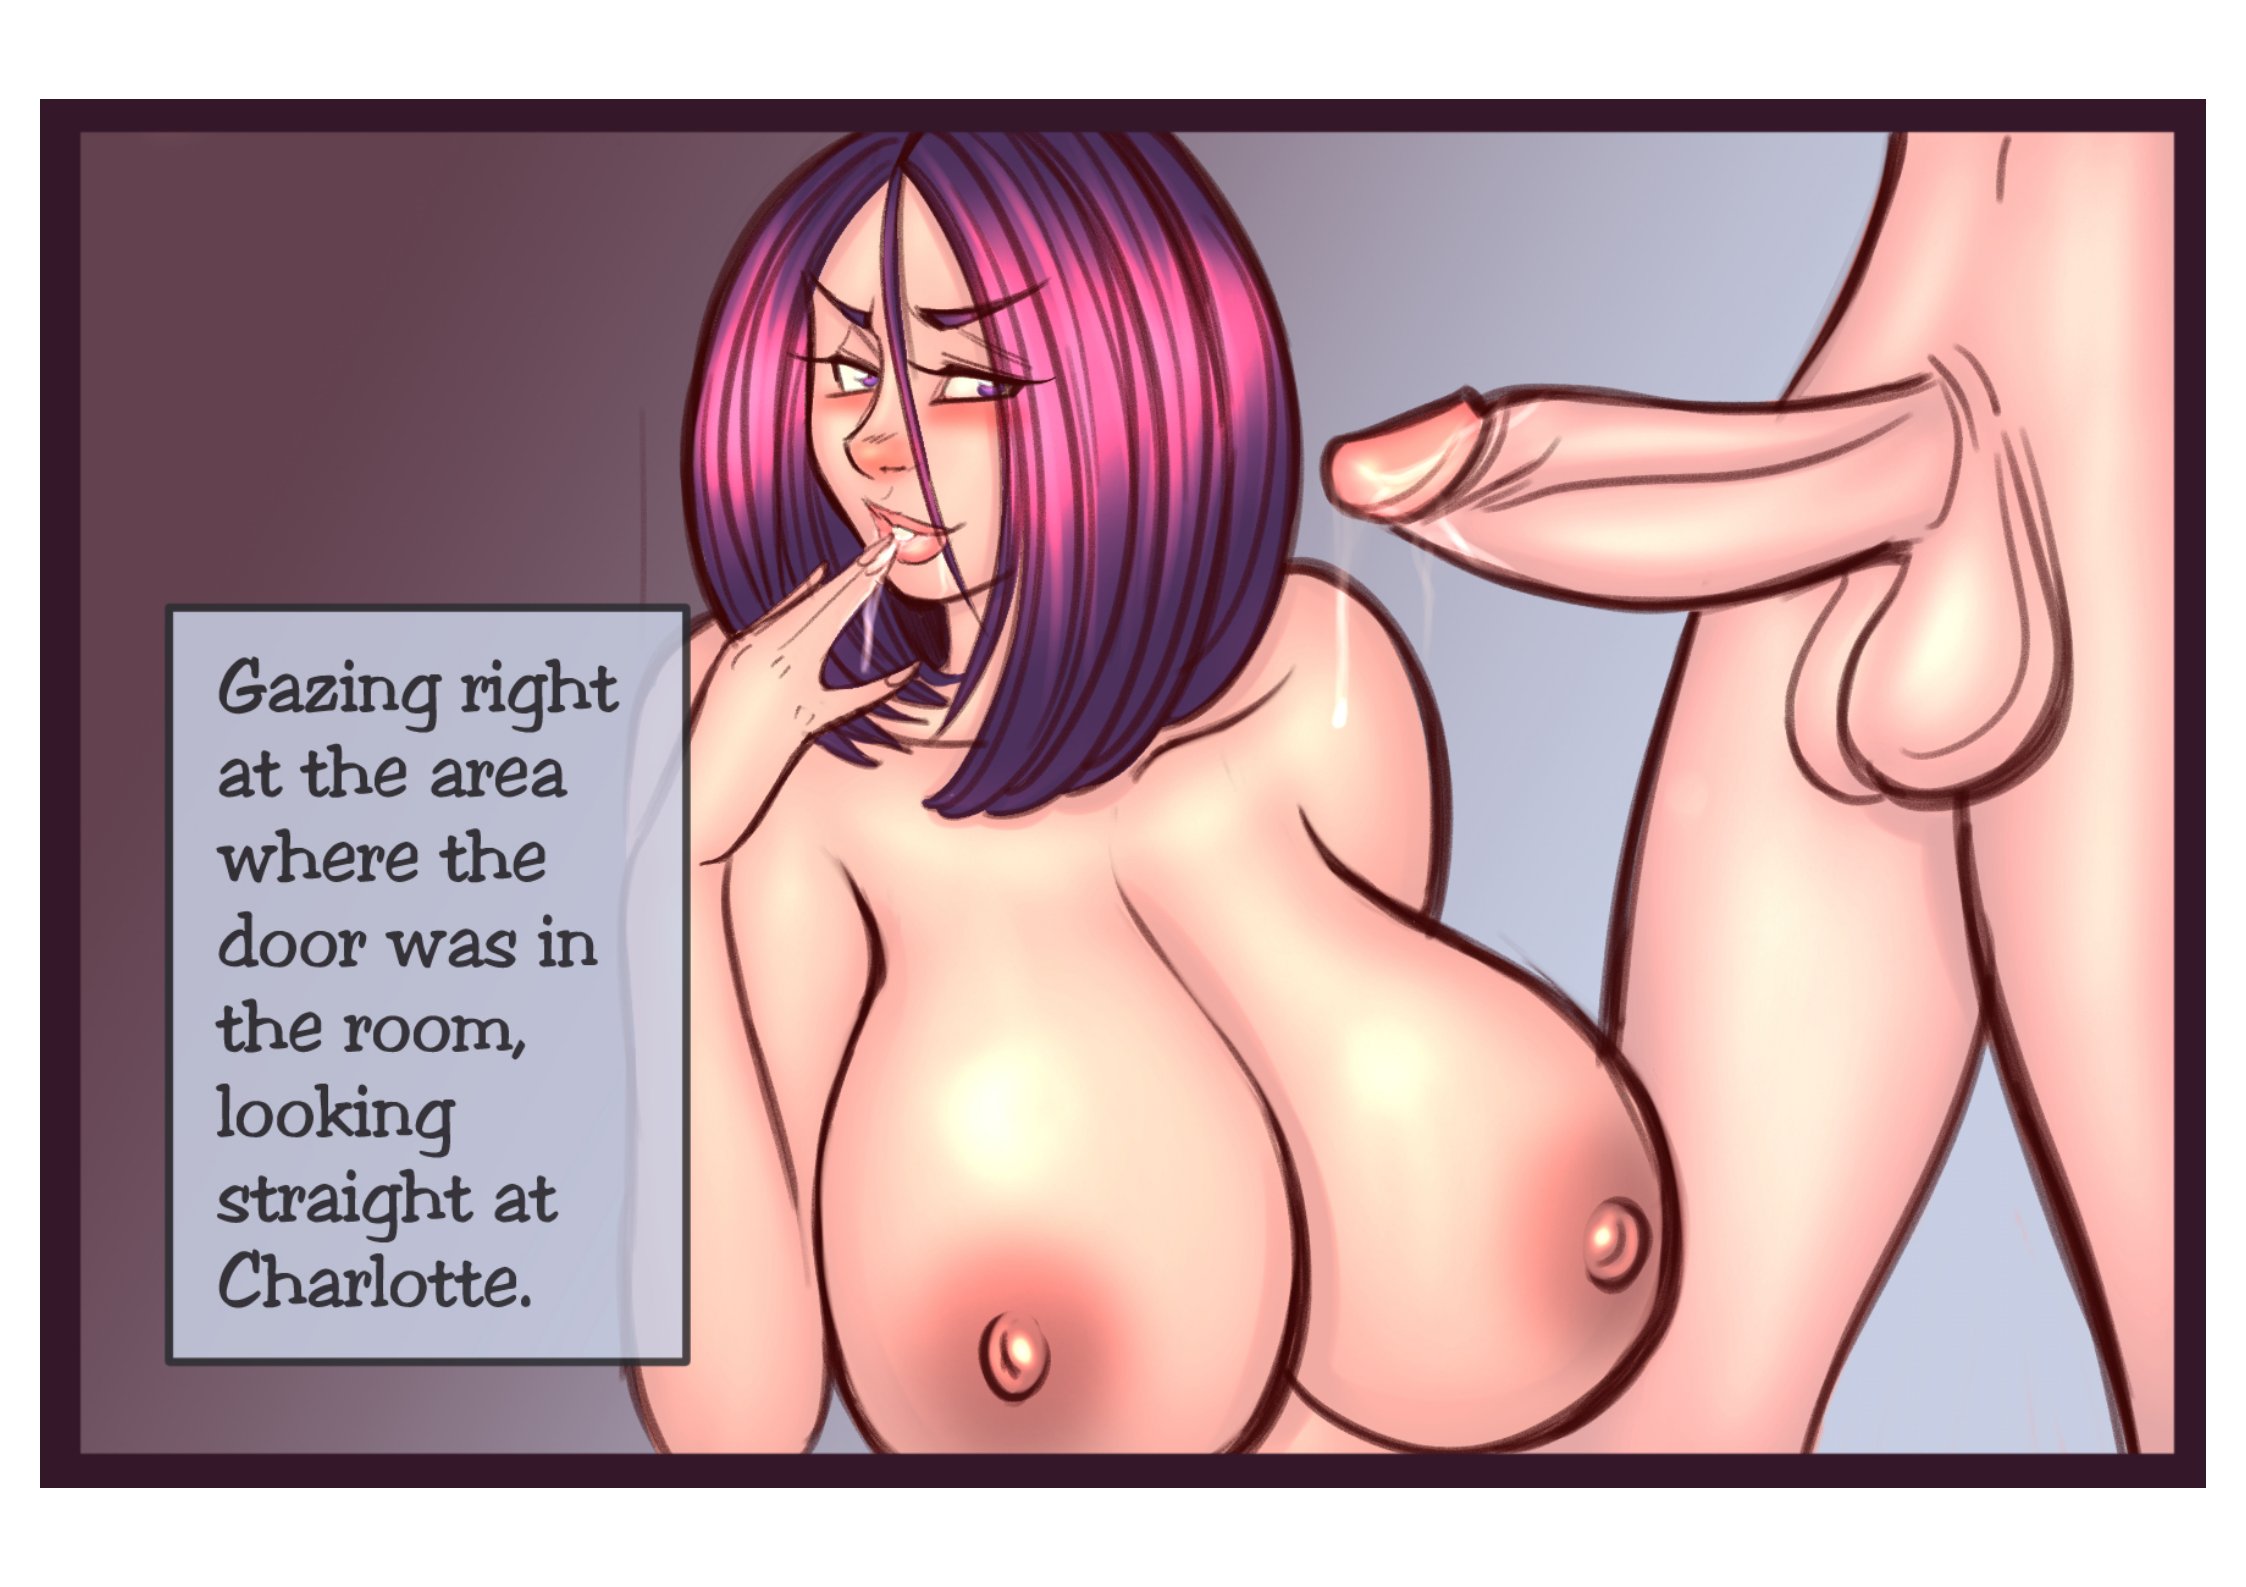

Also, if she had any feeling that anything was coming, that wasn't enough to be fully prepared for the amazingly huge amount of cum that filled her mouth and her throat in about a split second or so.

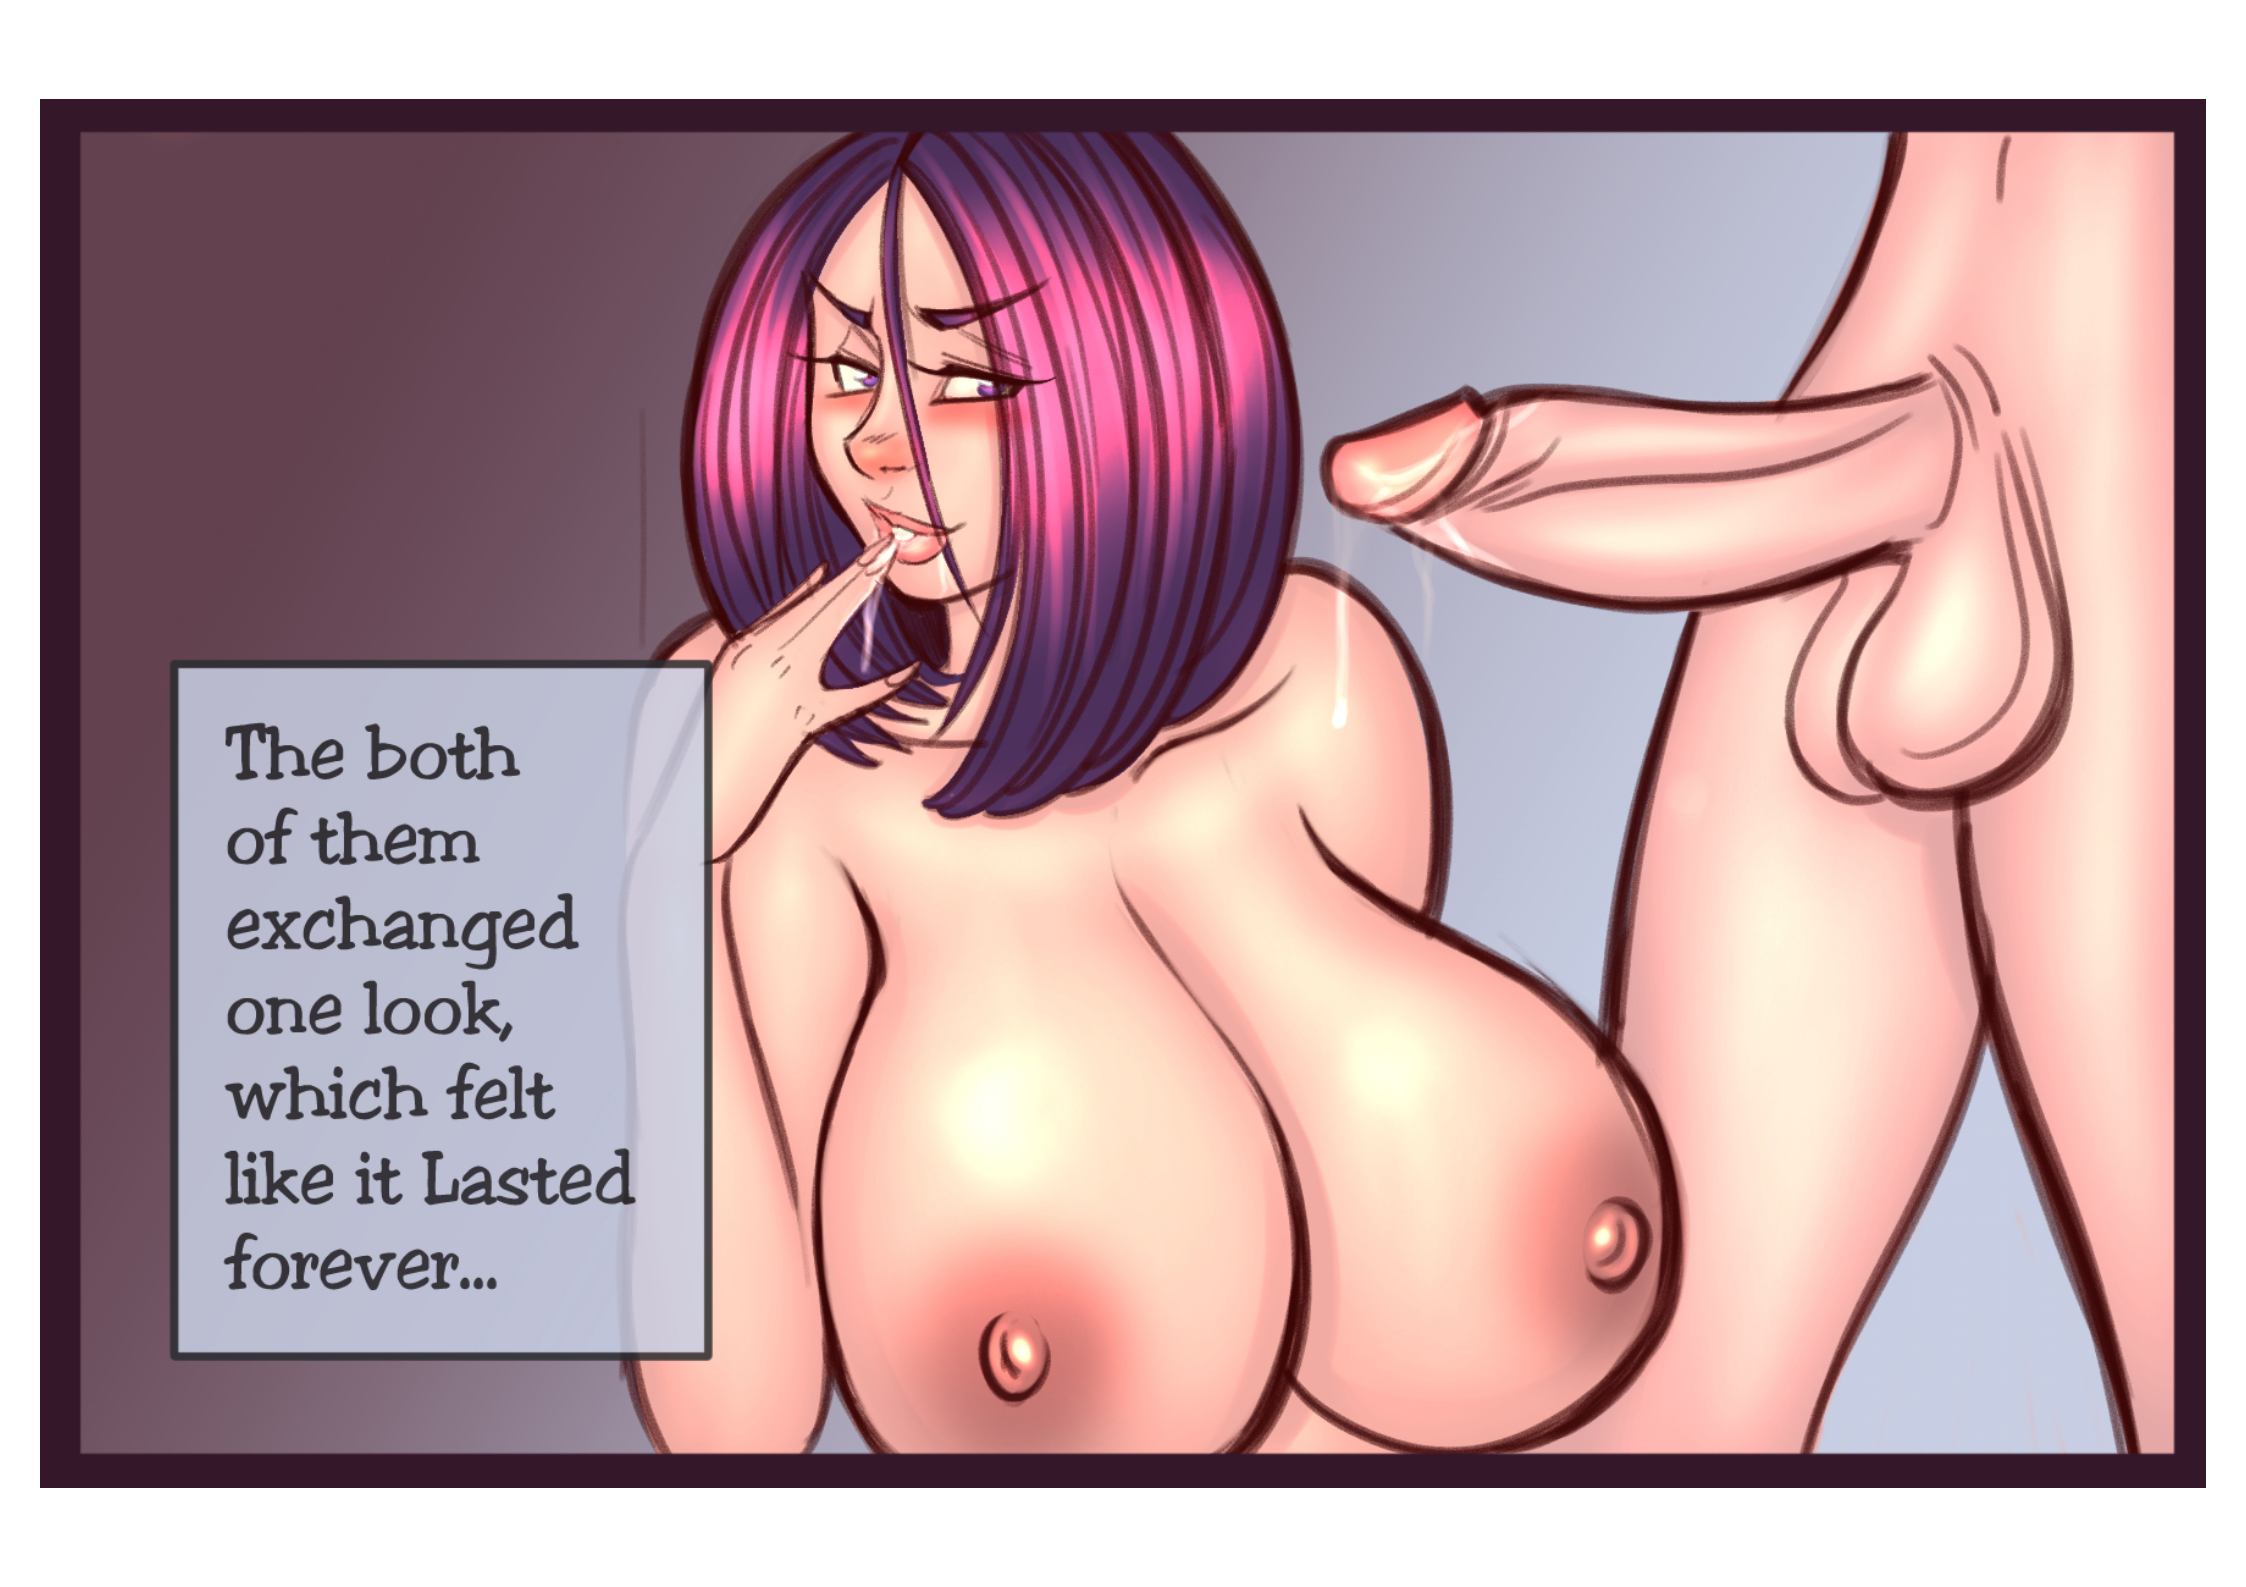

Meanwhile, Charlotte, who witnessed all of this firsthand, suddenly felt electric charges going through her crotch area. Her pussy had never felt like this before.

After the ritual had just been recently completed, Alice looked up.

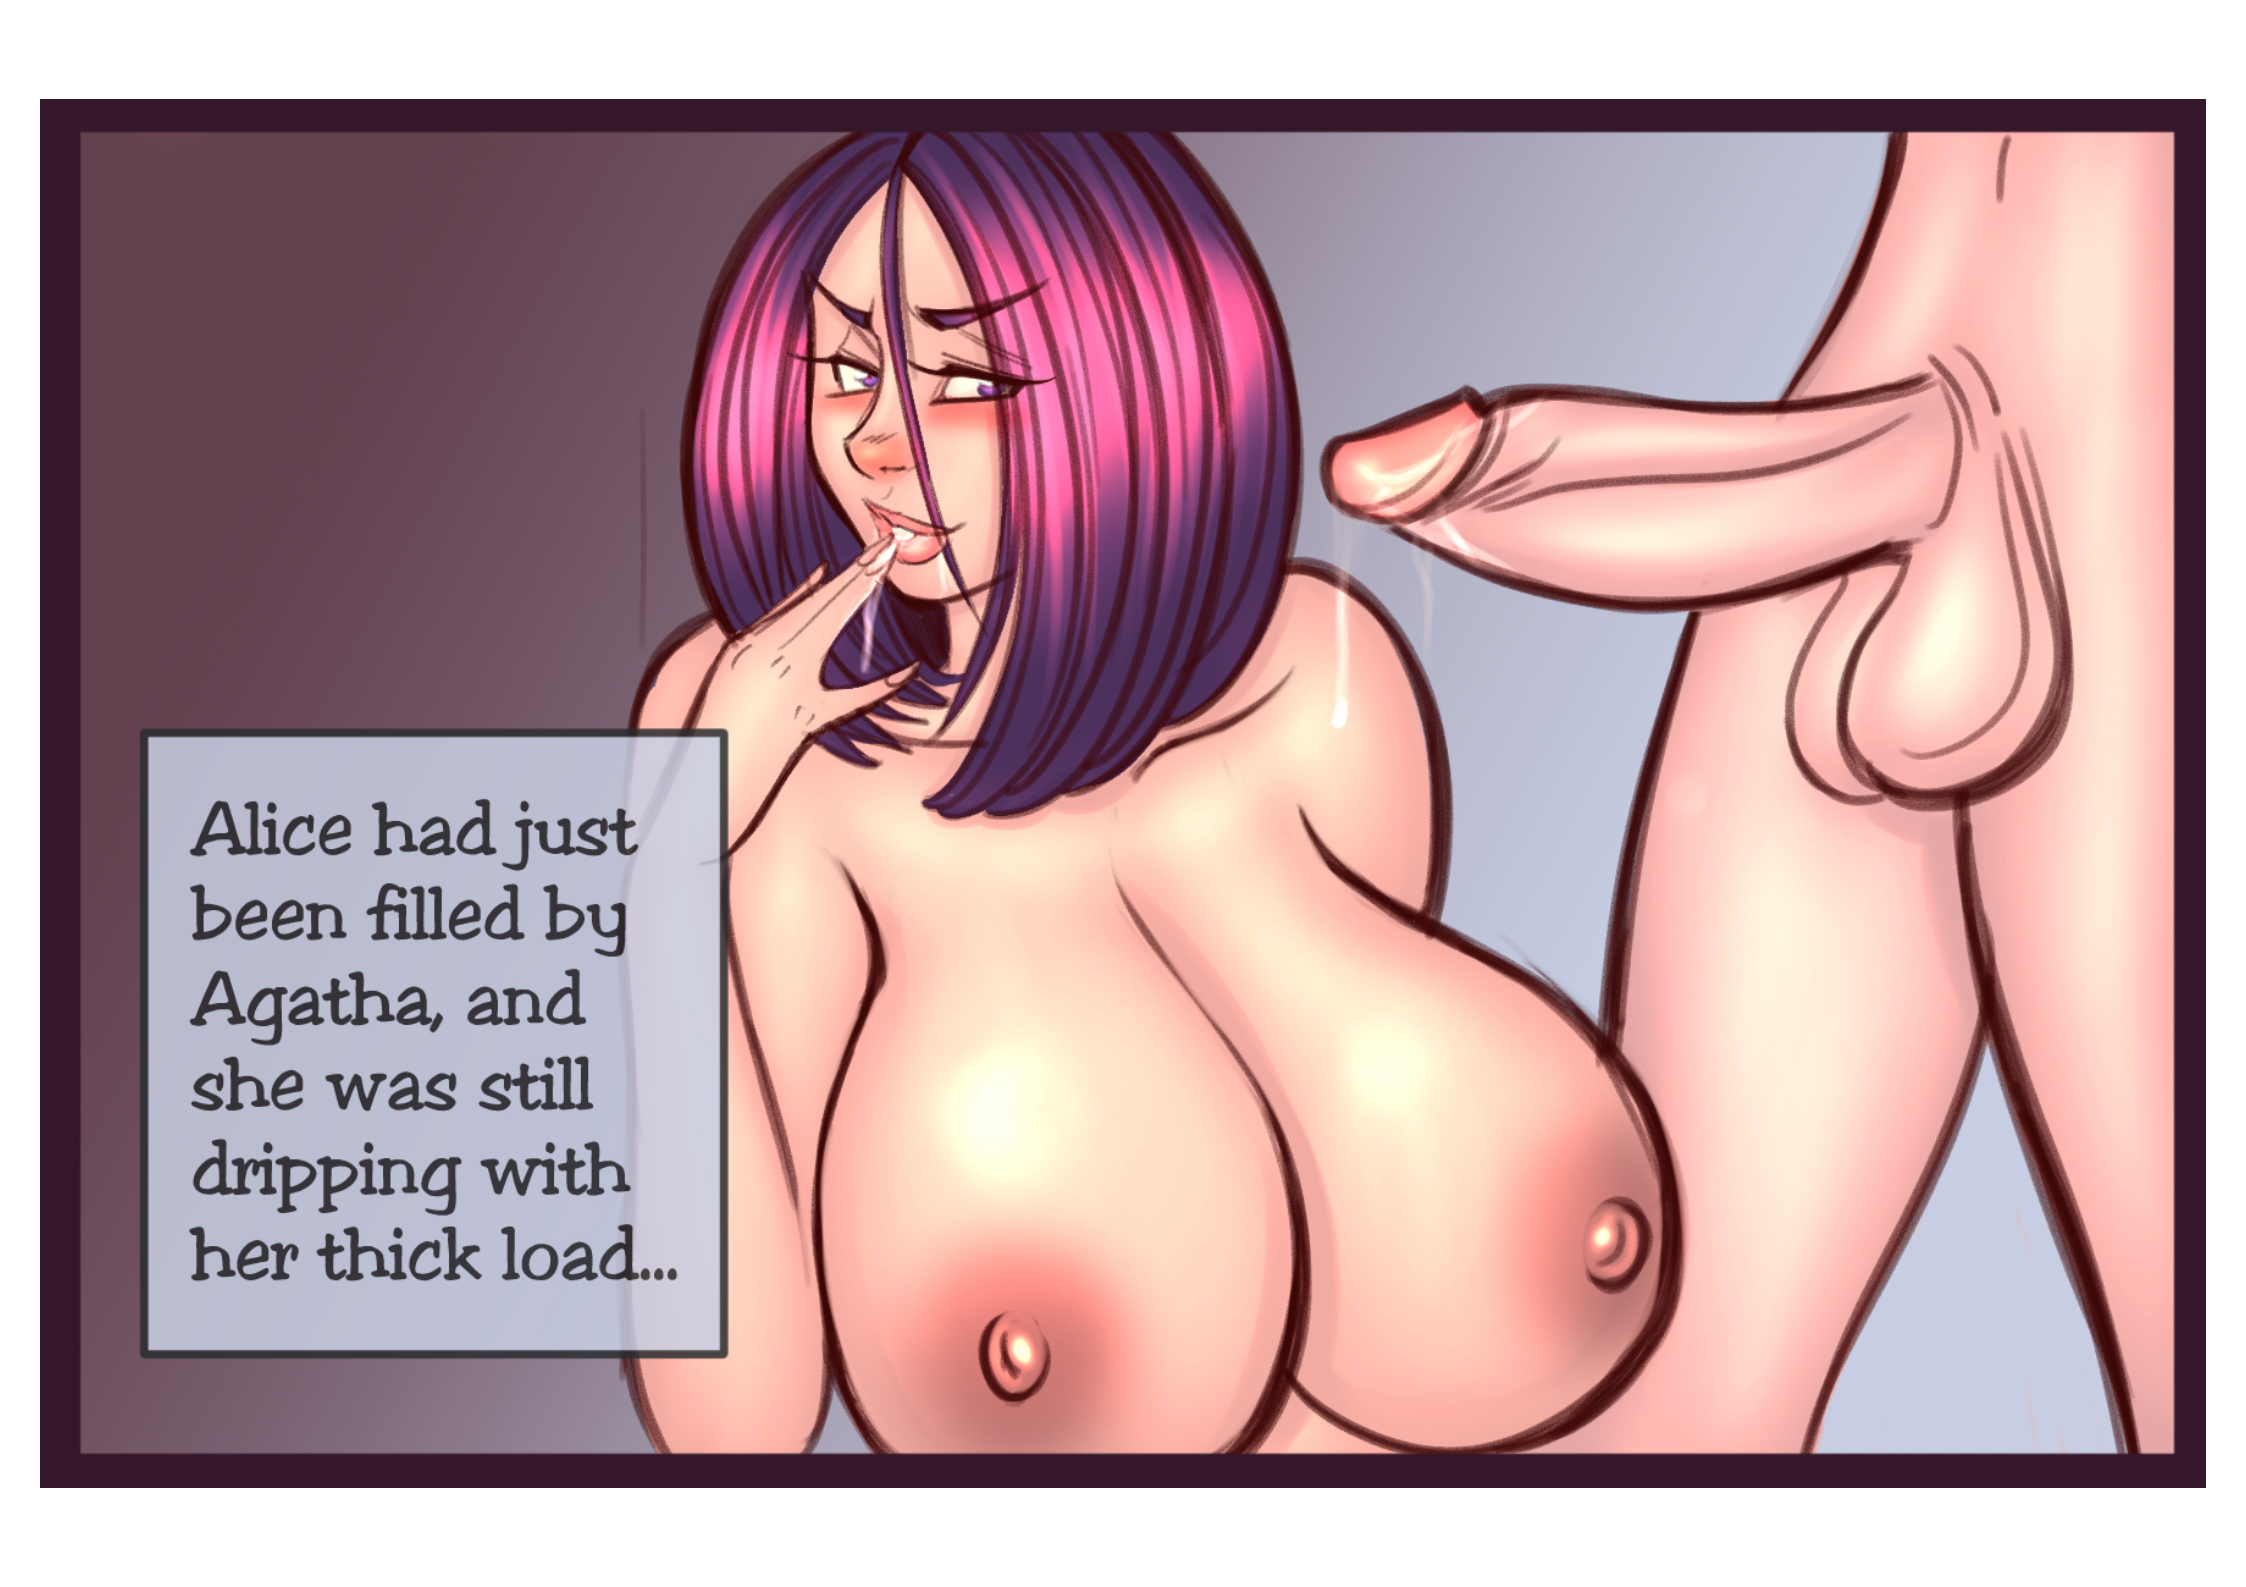

A comic book panel featuring a woman with short, straight purple hair. She is shown from the chest up, looking towards the right with a focused, intense expression. Her right hand is raised to her mouth, with her index finger pointing towards her lips. To her right, the lower torso and groin area of a man are visible, rendered in a soft, pinkish-red color. The man's hand is positioned near his groin. The background is a simple, light blue-grey color. A text box is located on the left side of the panel.

Gazing right  
at the area  
where the  
door was in  
the room,  
looking  
straight at  
Charlotte.

A comic book panel featuring a woman with short, straight purple hair. She is looking towards the right with a serious, intense expression, her hand near her mouth. To her right, a man's hand is visible, with the index finger pointing towards her. The scene is set against a dark, muted background. A light blue speech bubble is positioned on the left side of the panel, containing text.

The both  
of them  
exchanged  
one look,  
which felt  
like it Lasted  
forever...

A comic book panel featuring a woman with short, straight purple hair. She has a somewhat annoyed or disgusted expression, with her eyes narrowed and her hand near her mouth. She is looking towards a large, thick, pinkish-red penis that is dripping with a thick, white substance. The penis is positioned to the right of the woman, and its tip is pointing towards her. The background is a simple, light blue-grey color. The overall style is that of a digital comic book illustration with bold outlines and soft shading.

Alice had just been filled by Agatha, and she was still dripping with her thick load...

A comic book panel featuring a woman with short, straight purple hair. She has a pained or distressed expression, with her eyes squinted and her mouth slightly open. Her hand is raised to her chin. To her right, a large, muscular hand is shown touching her chest. The background is a simple, dark greyish-blue. A speech bubble is located in the lower-left corner of the panel.

"It's over...  
The ritual is  
over..." Alice  
grunted.

"Finally, our demonic forms are soon about to be unleashed..."
