CHAPTER 11

*"Chris!"
'He's here!
He's right
here!
What is he
doing?"*

This revelation came as a big shock to her as he not only was on the other side of the door, aching to come inside, looking more gorgeous and seducing than ever.

*'He... He's
staring at me...
What should
I do... What
should I be
doing now?'*

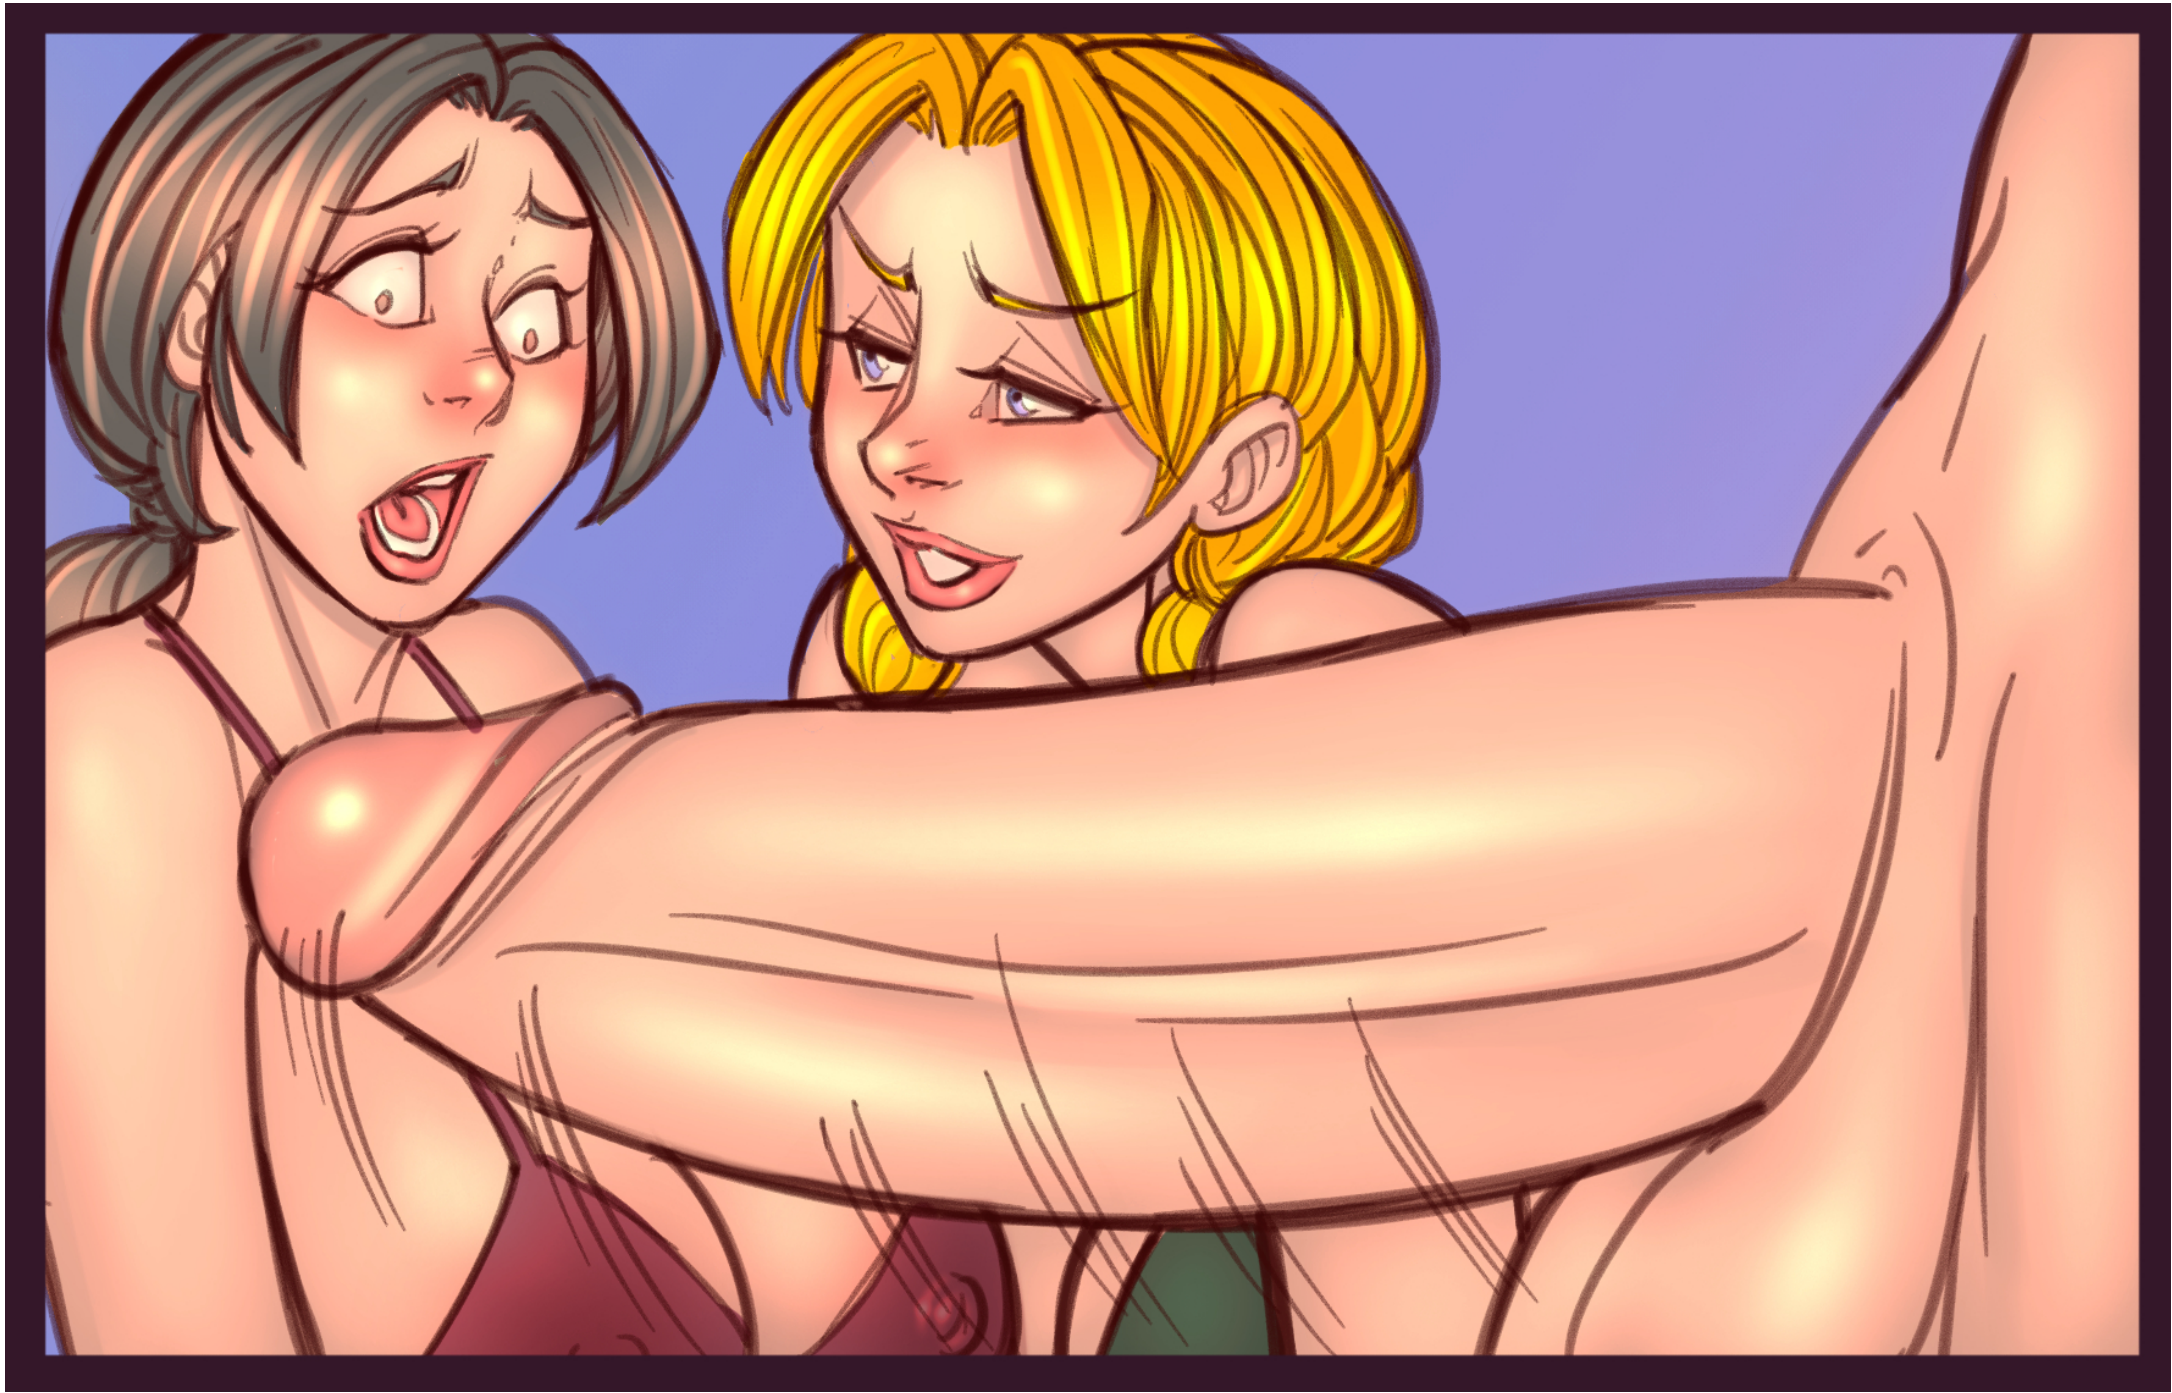

Still in shock,
Heather felt
her nipples
suddenly
becoming
erect.

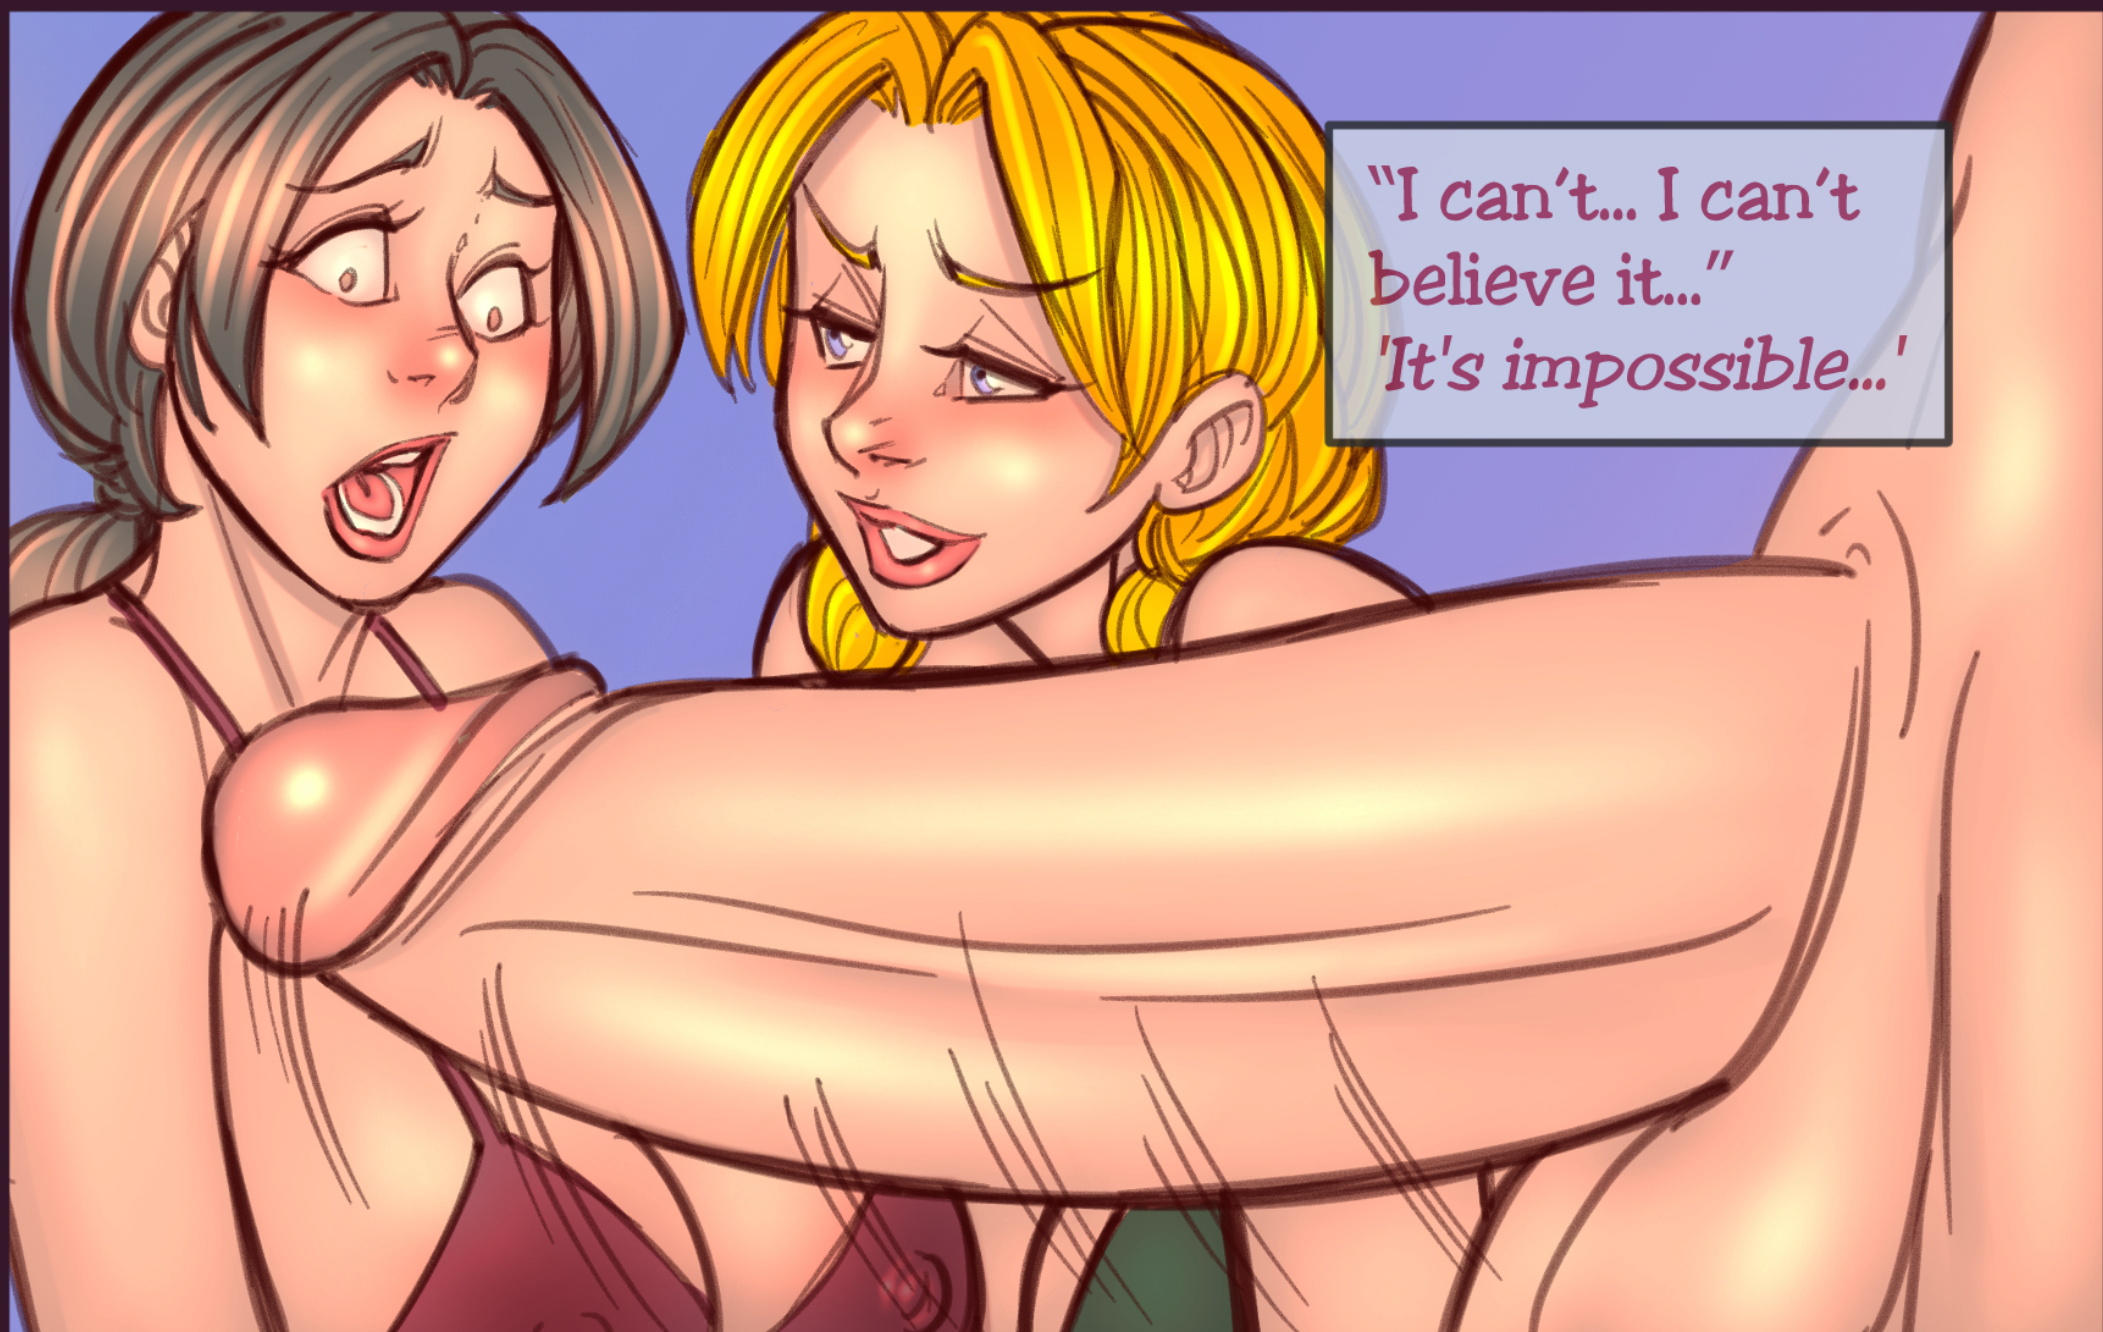

They were so thick and hard that she soon found herself unable to think about anything else.

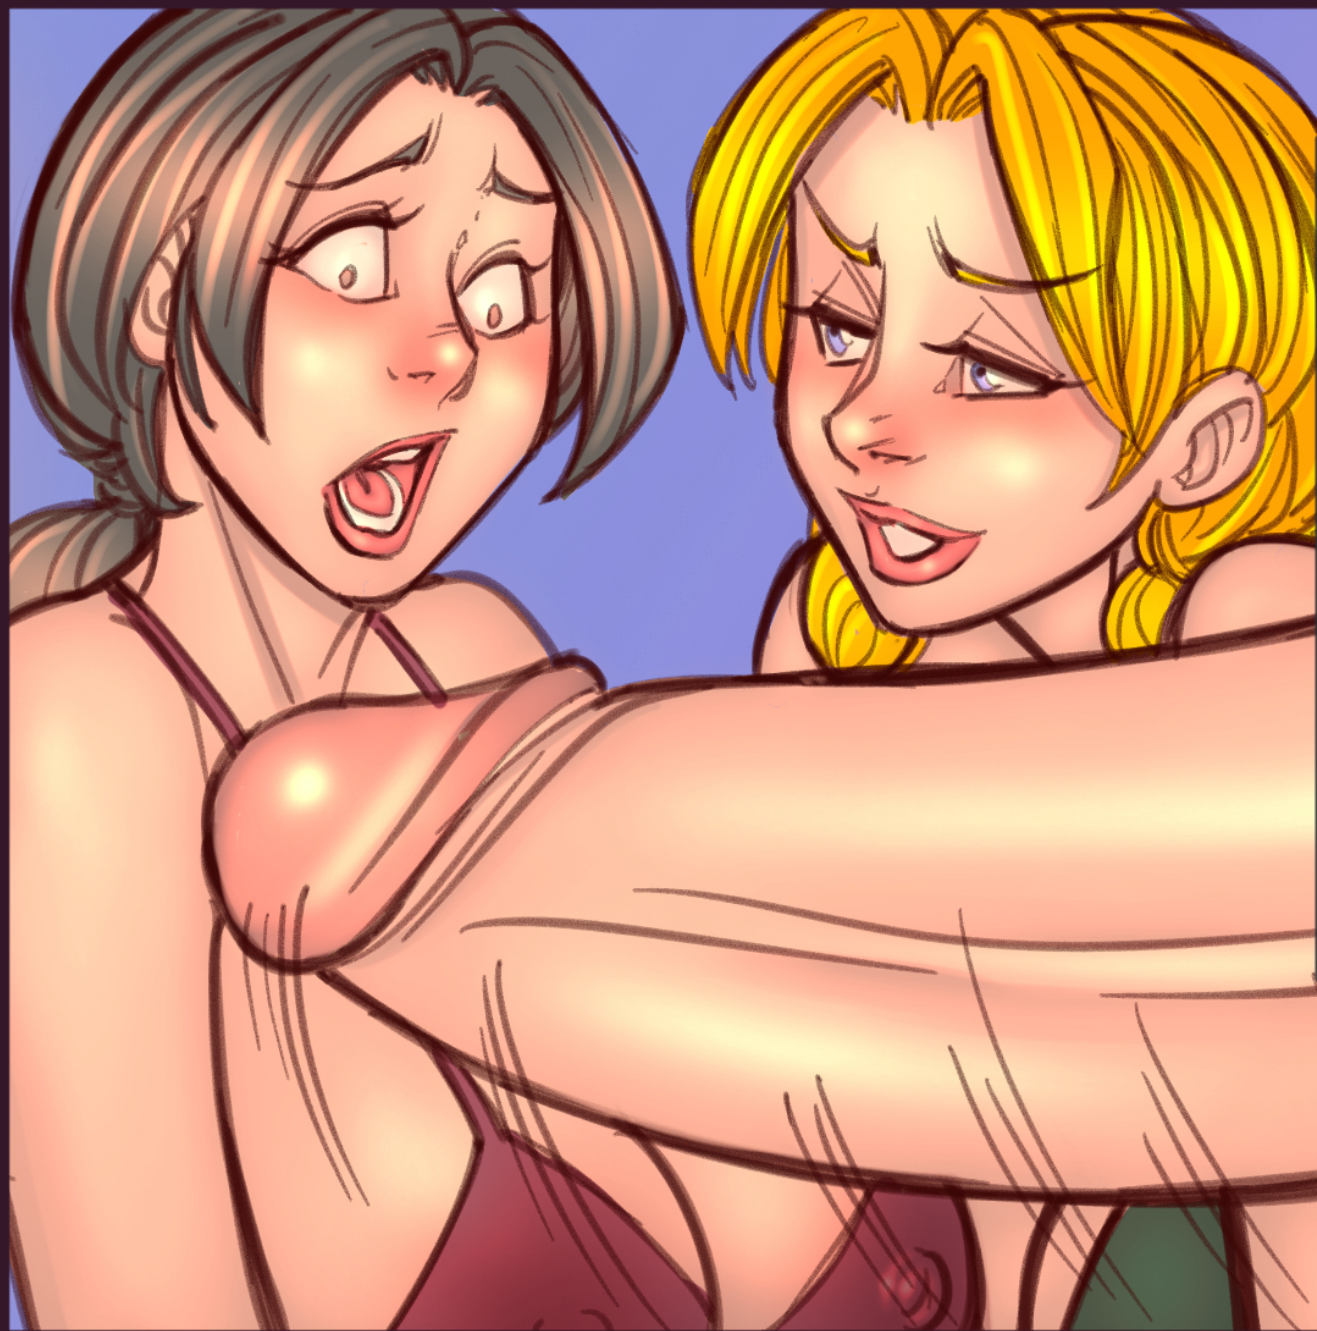

"Chris, what are you doing?"

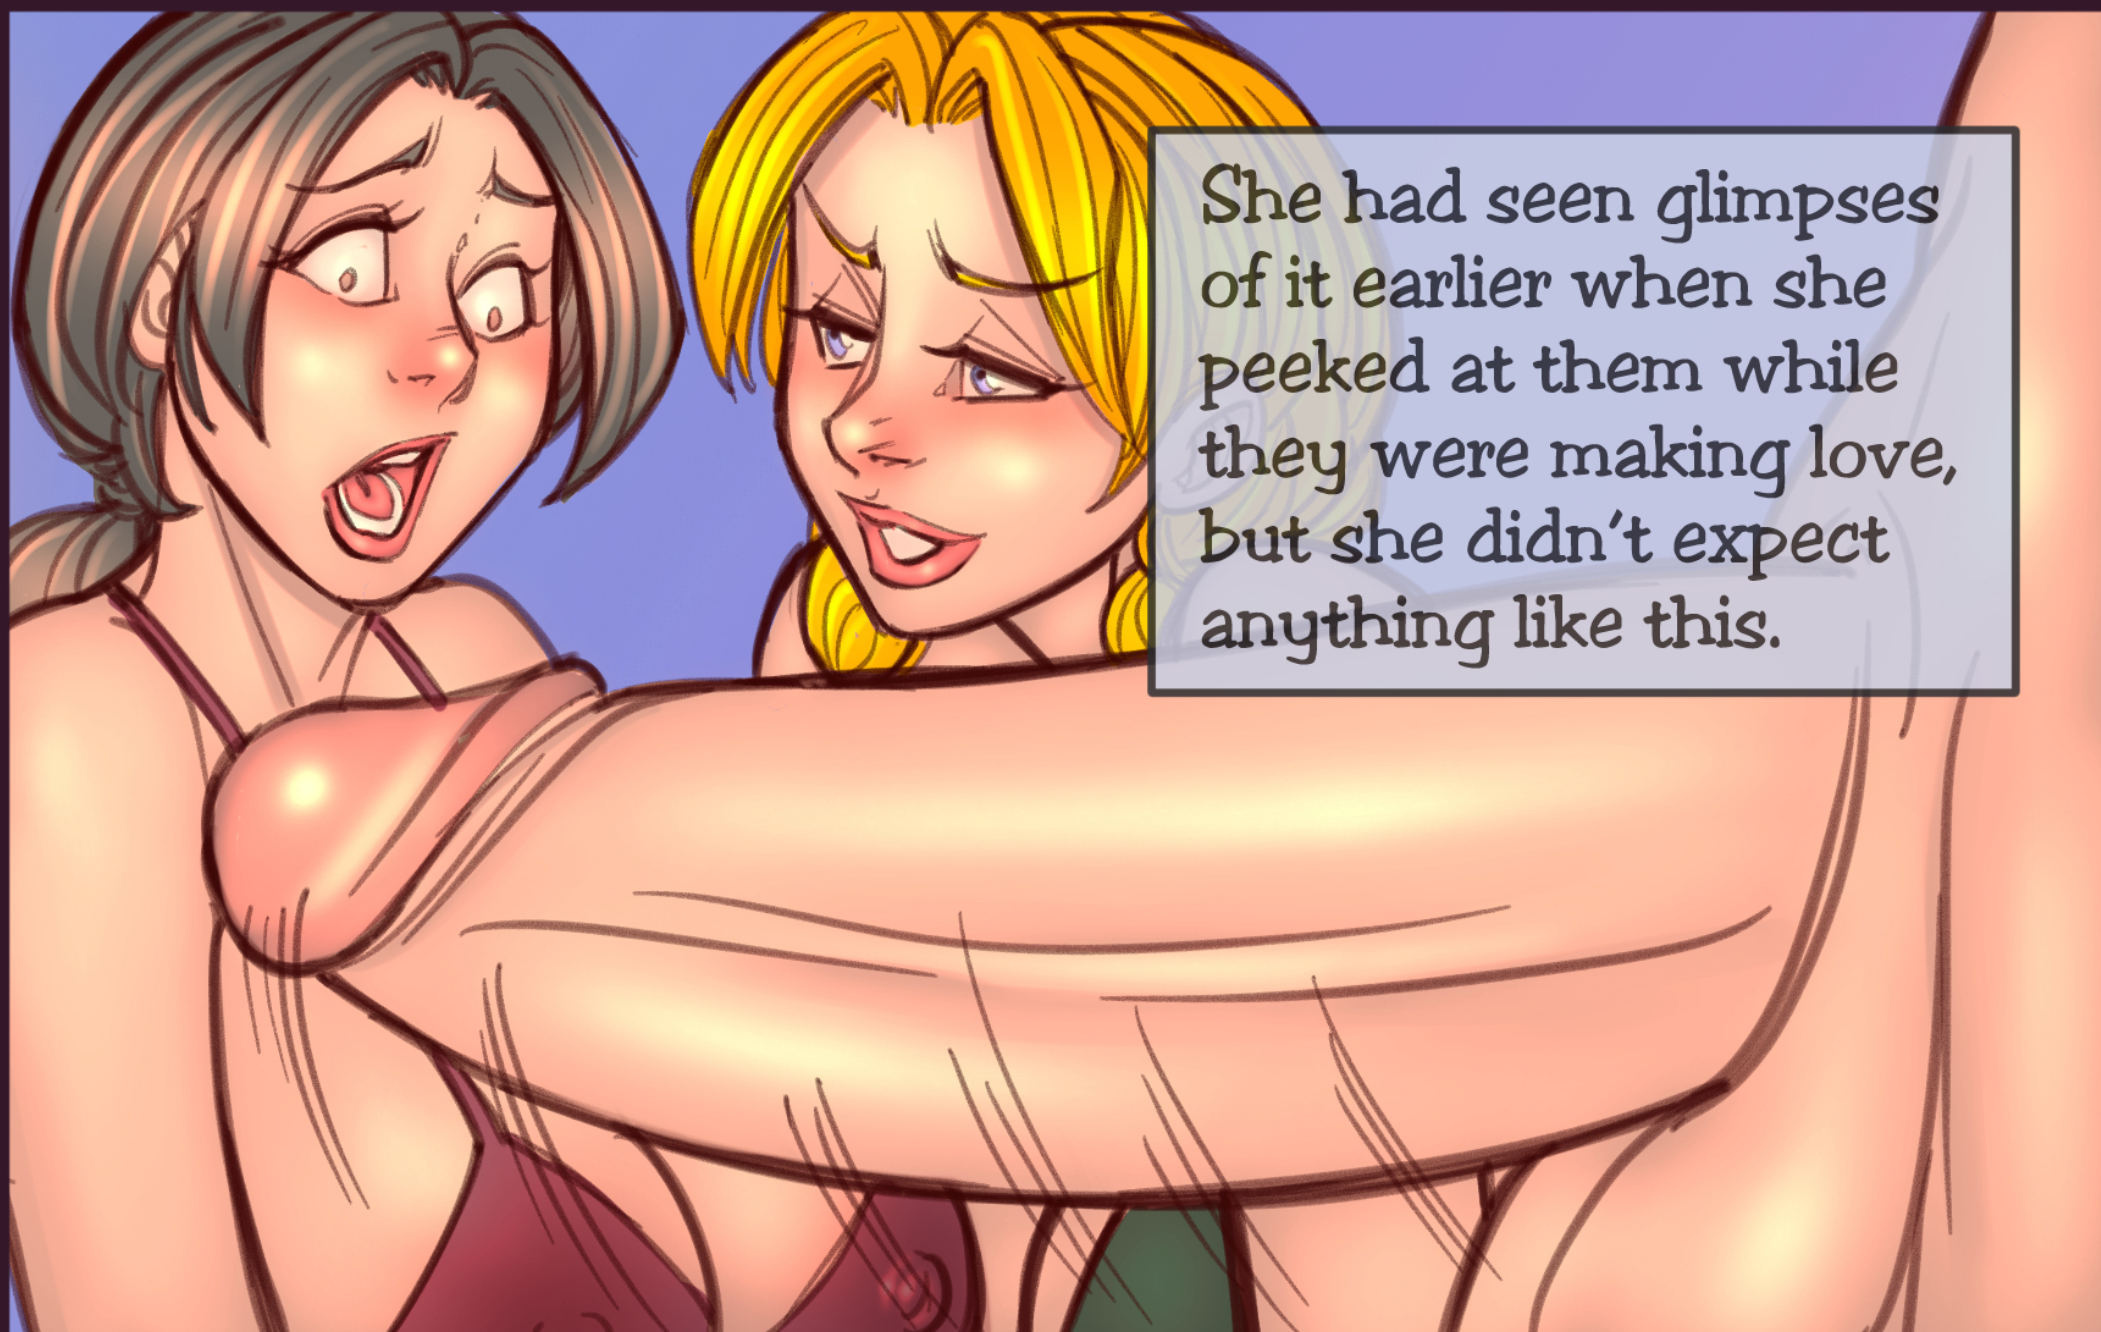

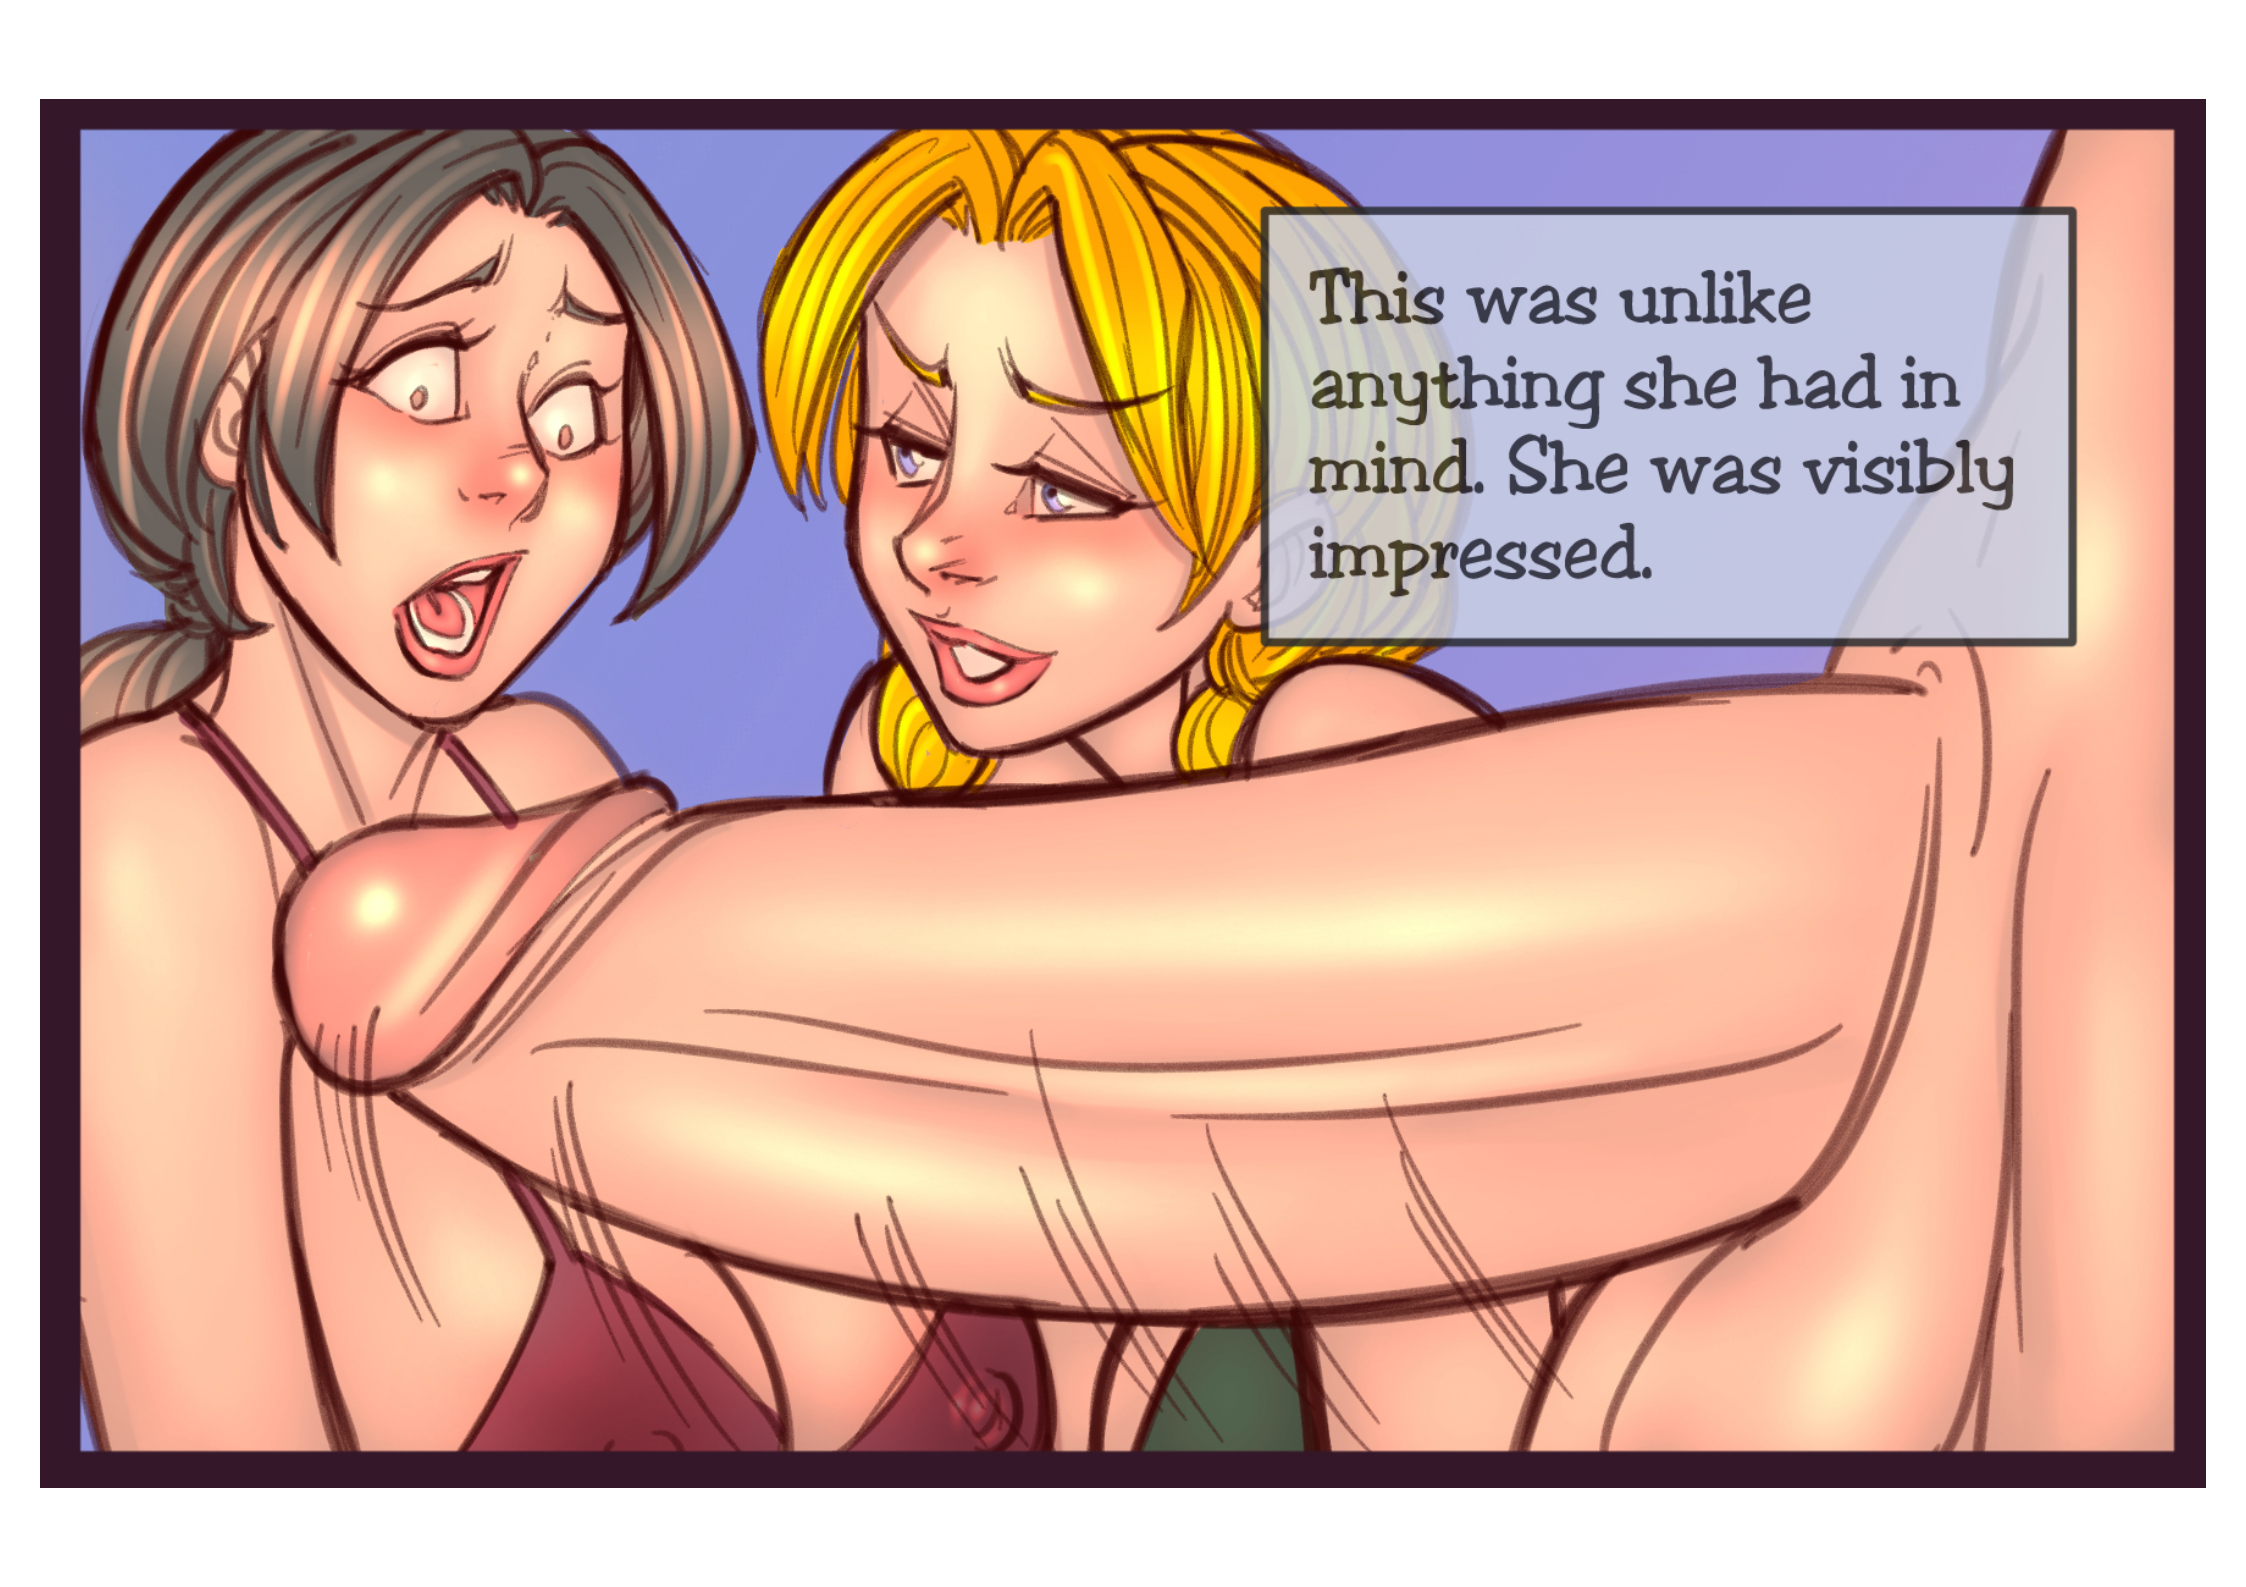

"I can't... I can't
believe it..."
'It's impossible...'

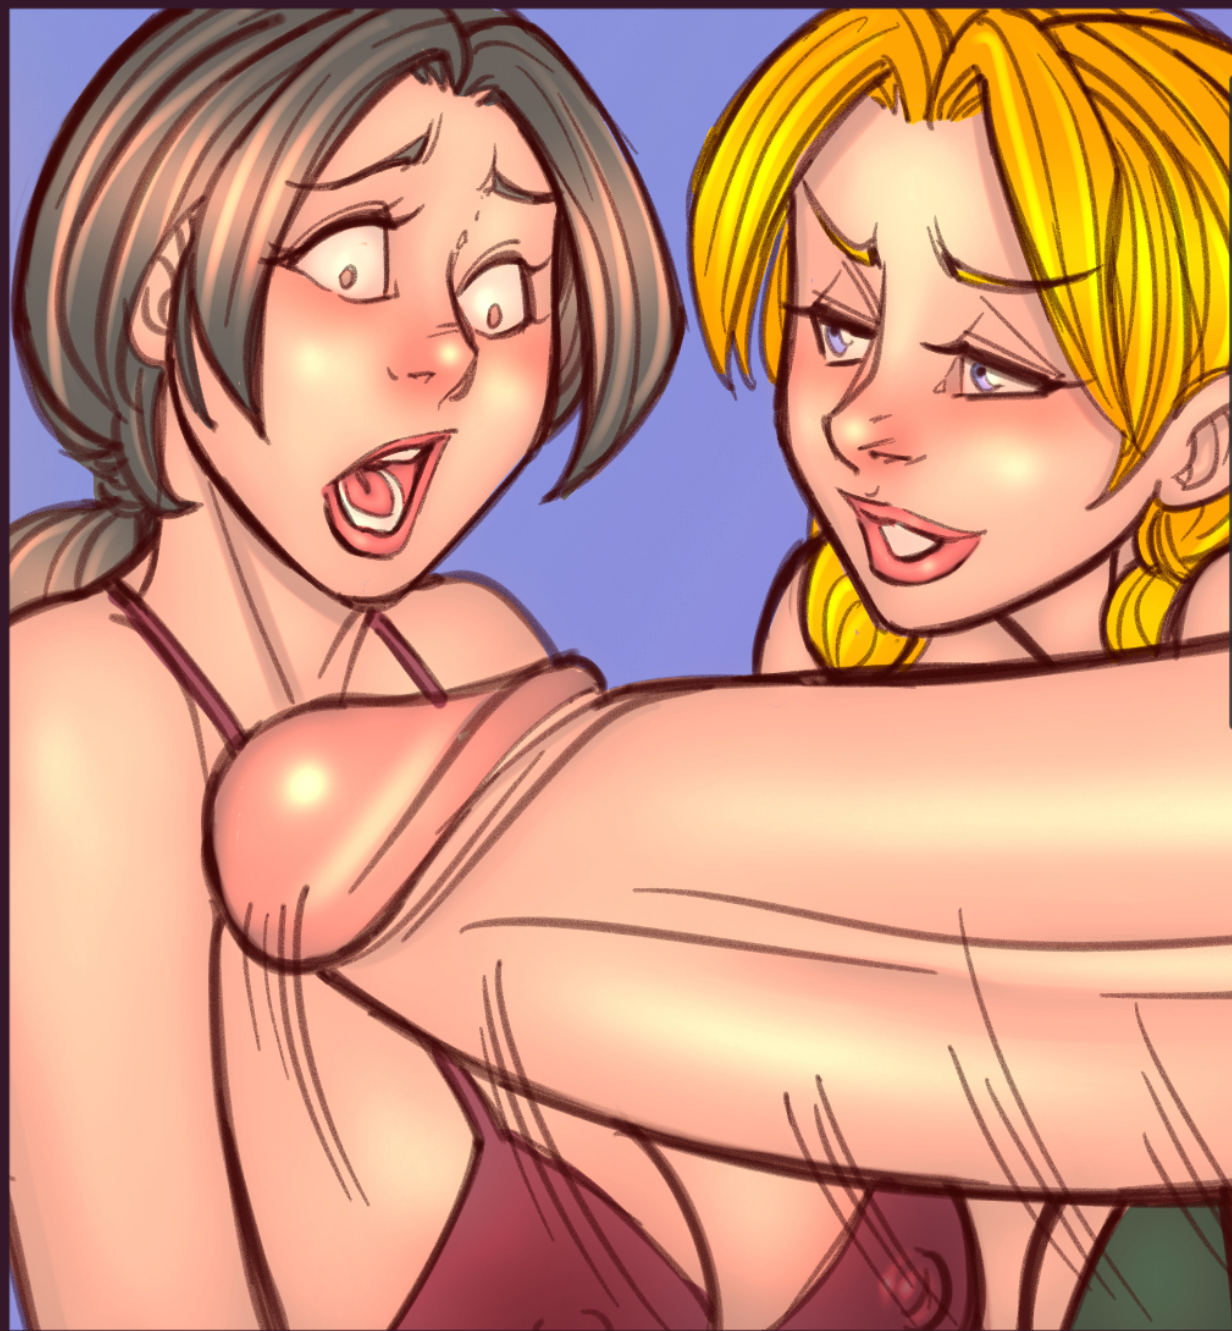

She could not believe what she was seeing. Chris's put his cock away, and it was something a lot manlier and bigger than what she expected.

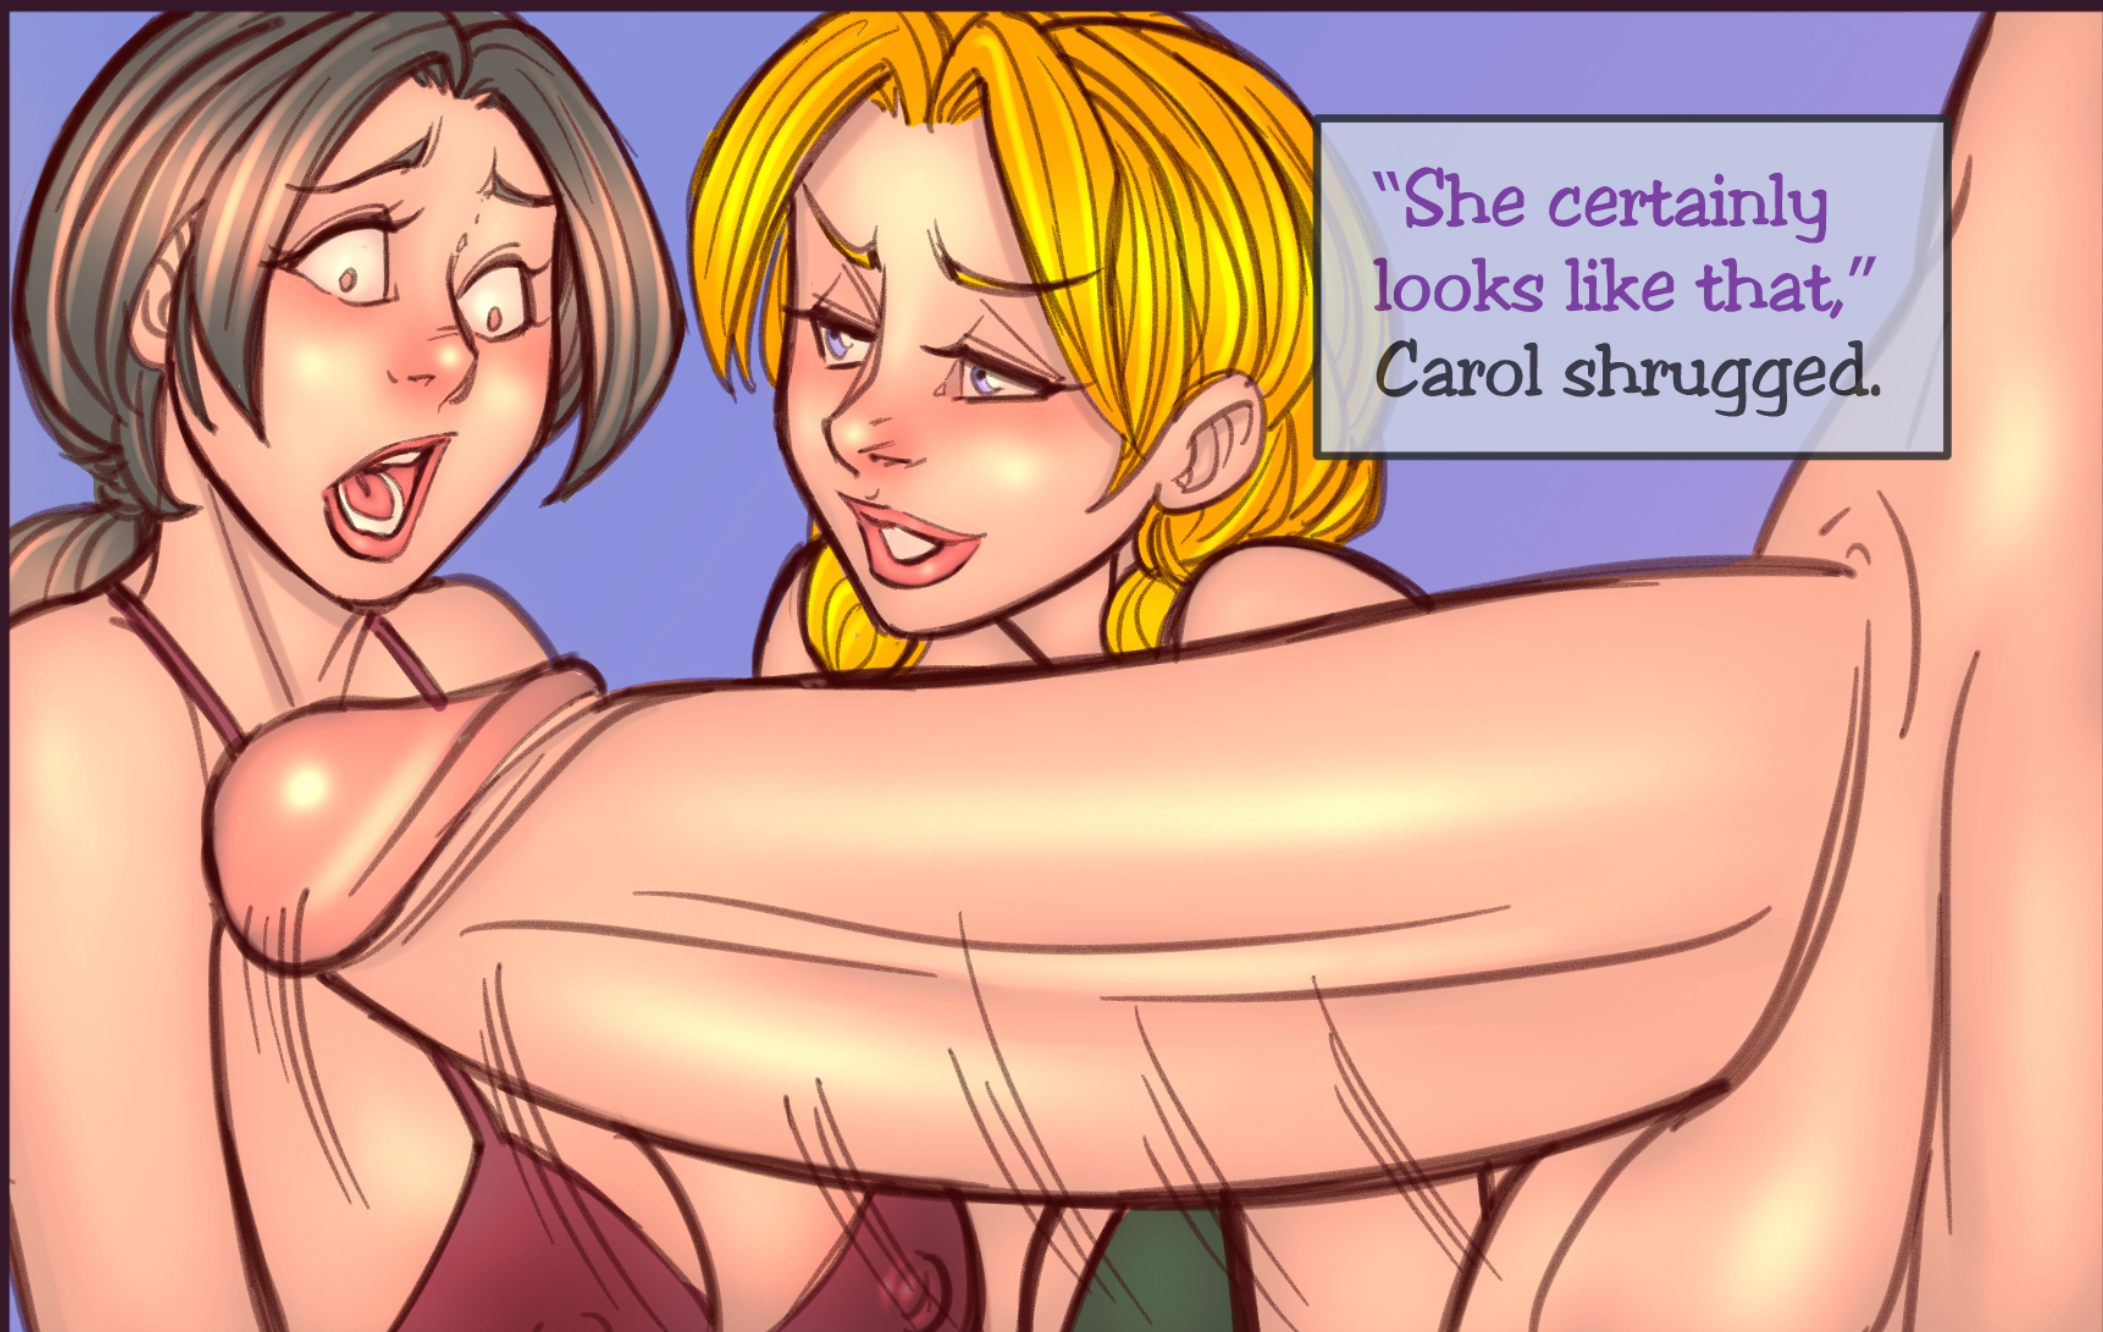

She had seen glimpses of it earlier when she peeked at them while they were making love, but she didn't expect anything like this.

A comic book panel showing two women looking at a large, muscular arm. The woman on the left has short grey hair and a surprised expression with wide eyes and an open mouth. The woman on the right has blonde hair and a more composed, impressed expression. The arm is large and muscular, with a prominent bicep. The background is a simple blue and purple gradient.

This was unlike anything she had in mind. She was visibly impressed.

"What's wrong? You look like you've seen a ghost or something?" Chris said to her as he stepped into the room.

"She certainly looks like that," Carol shrugged.

"Come here, now."

"What are you doing, Carol?"

Smooosh!

The wet and comforting sound of Carol removing Heather's nightgown was something that shook her up and took her by surprise at first, but certainly not something that she denied.

She never declined, but this was something that she appreciated and enjoyed, but this came at a pretty bad time...

Having her big tits being played by Carol was one thing, but it soon became something entirely different once she surrounded one of her nipples with her lips.

Overwhelming
lust took over
her. There was
truly no escape.
"Carol..."

She didn't only place her lips tightly around her nipple, but she actively began sucking.

"You're sucking too hard!"
This was becoming increasingly problematic.

Soon, Heather forgot that Christ was right there and that he was about to enter the room.

Soon, there
would be no
escape for her.
Soon, there
would be no
turning back.
"Mhnh..."

"Awwn!"

Everything happened so fast that Heather didn't even understand it yet when Chris placed the head of his big cock over her magnificent and ultra-sensitive clitoris.

Since it was as sensitive as ever, she felt every single pore of his skin on his dickhead once it was placed over her clit.

"GOD!"

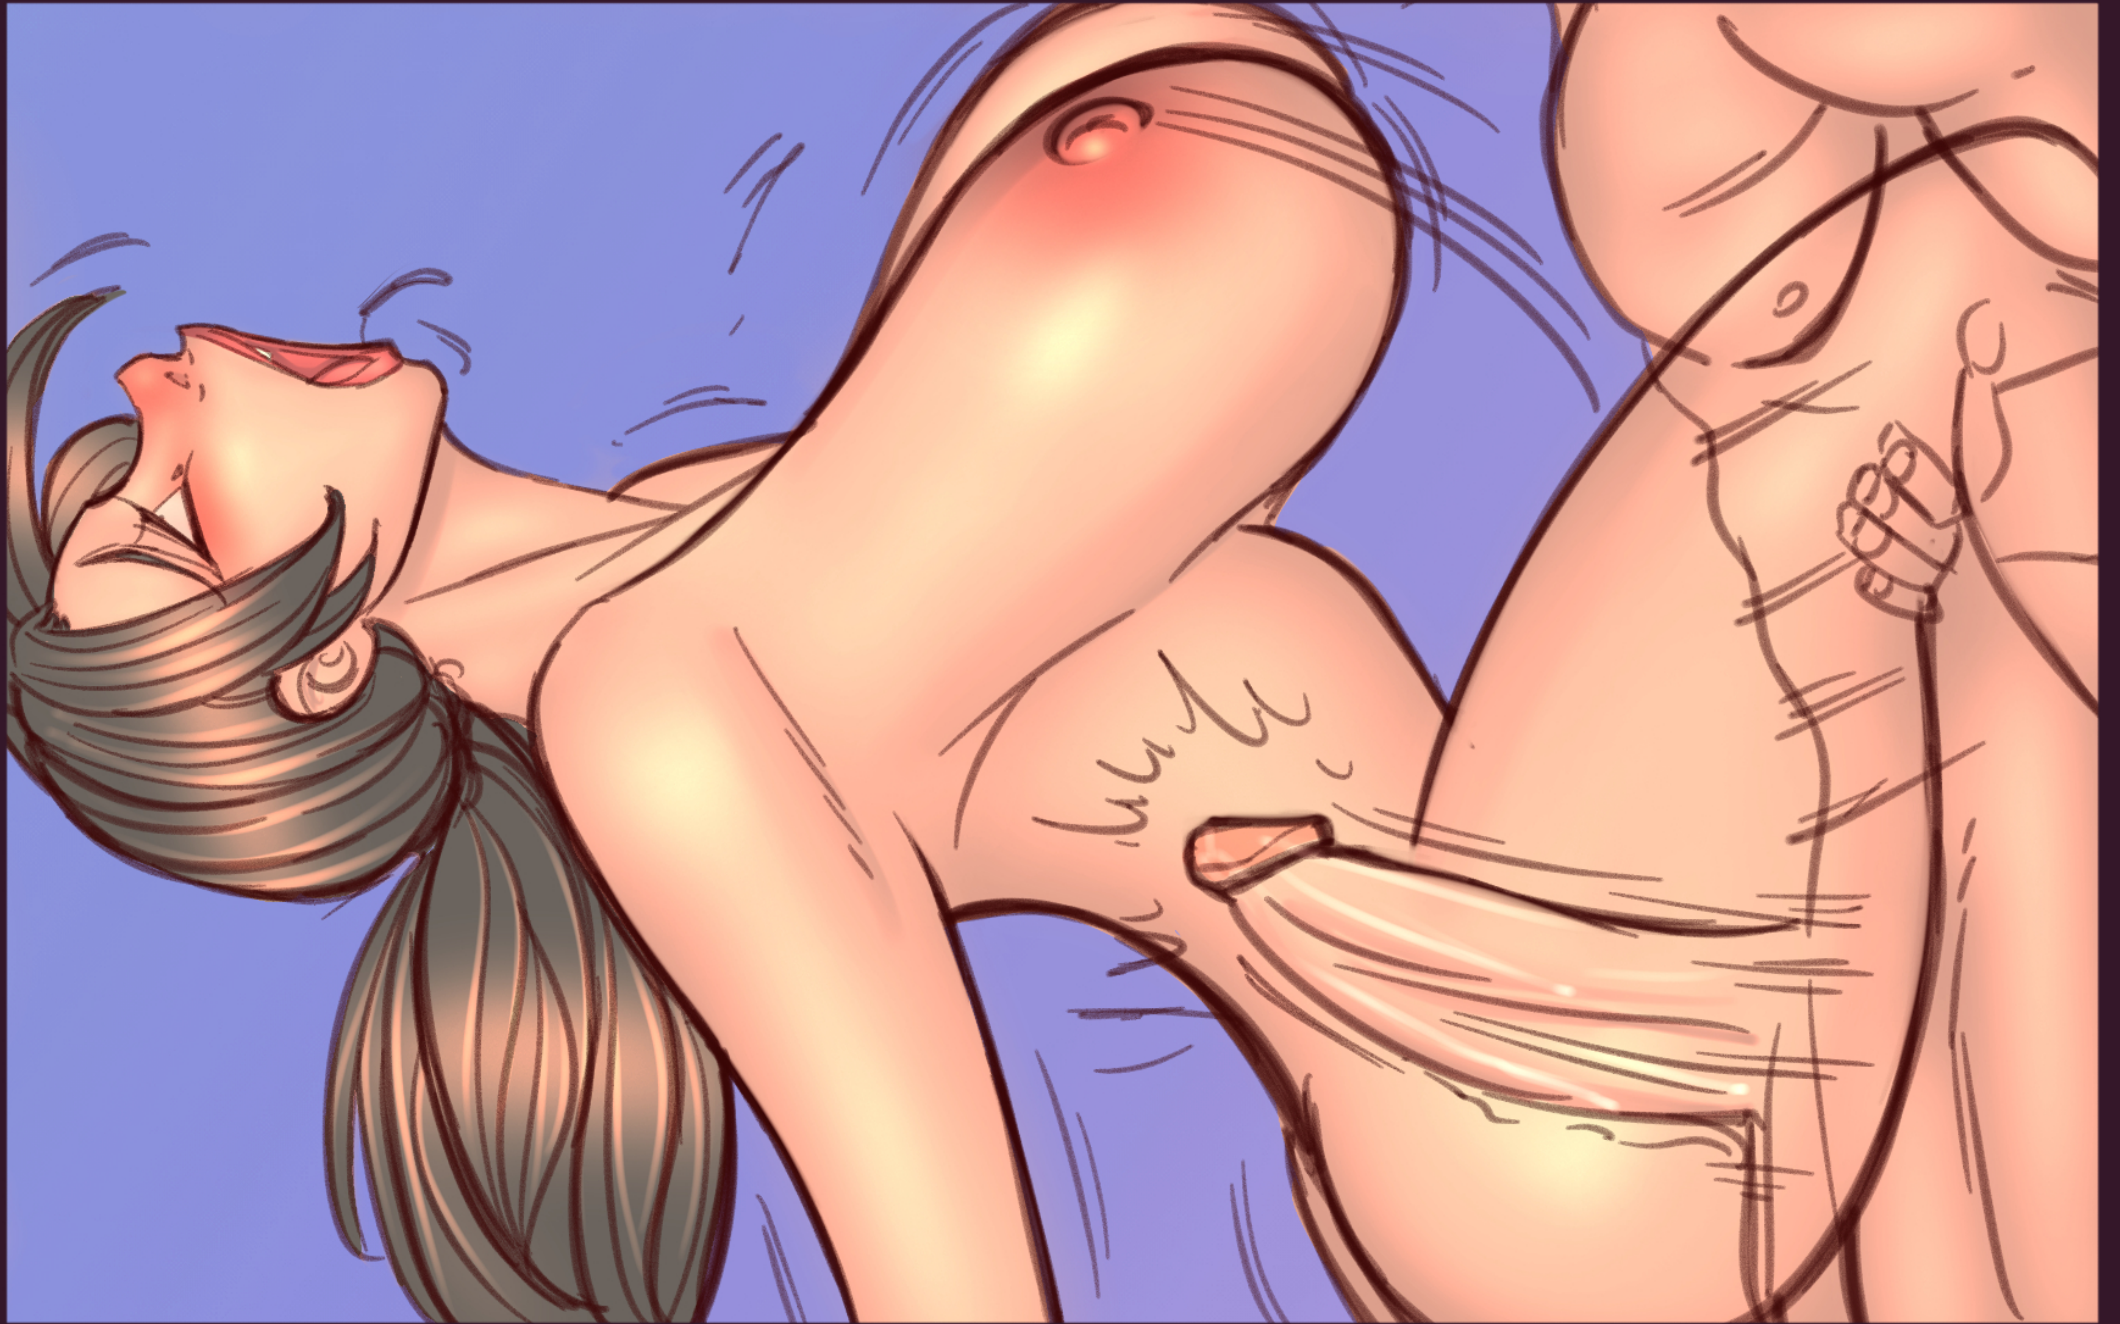

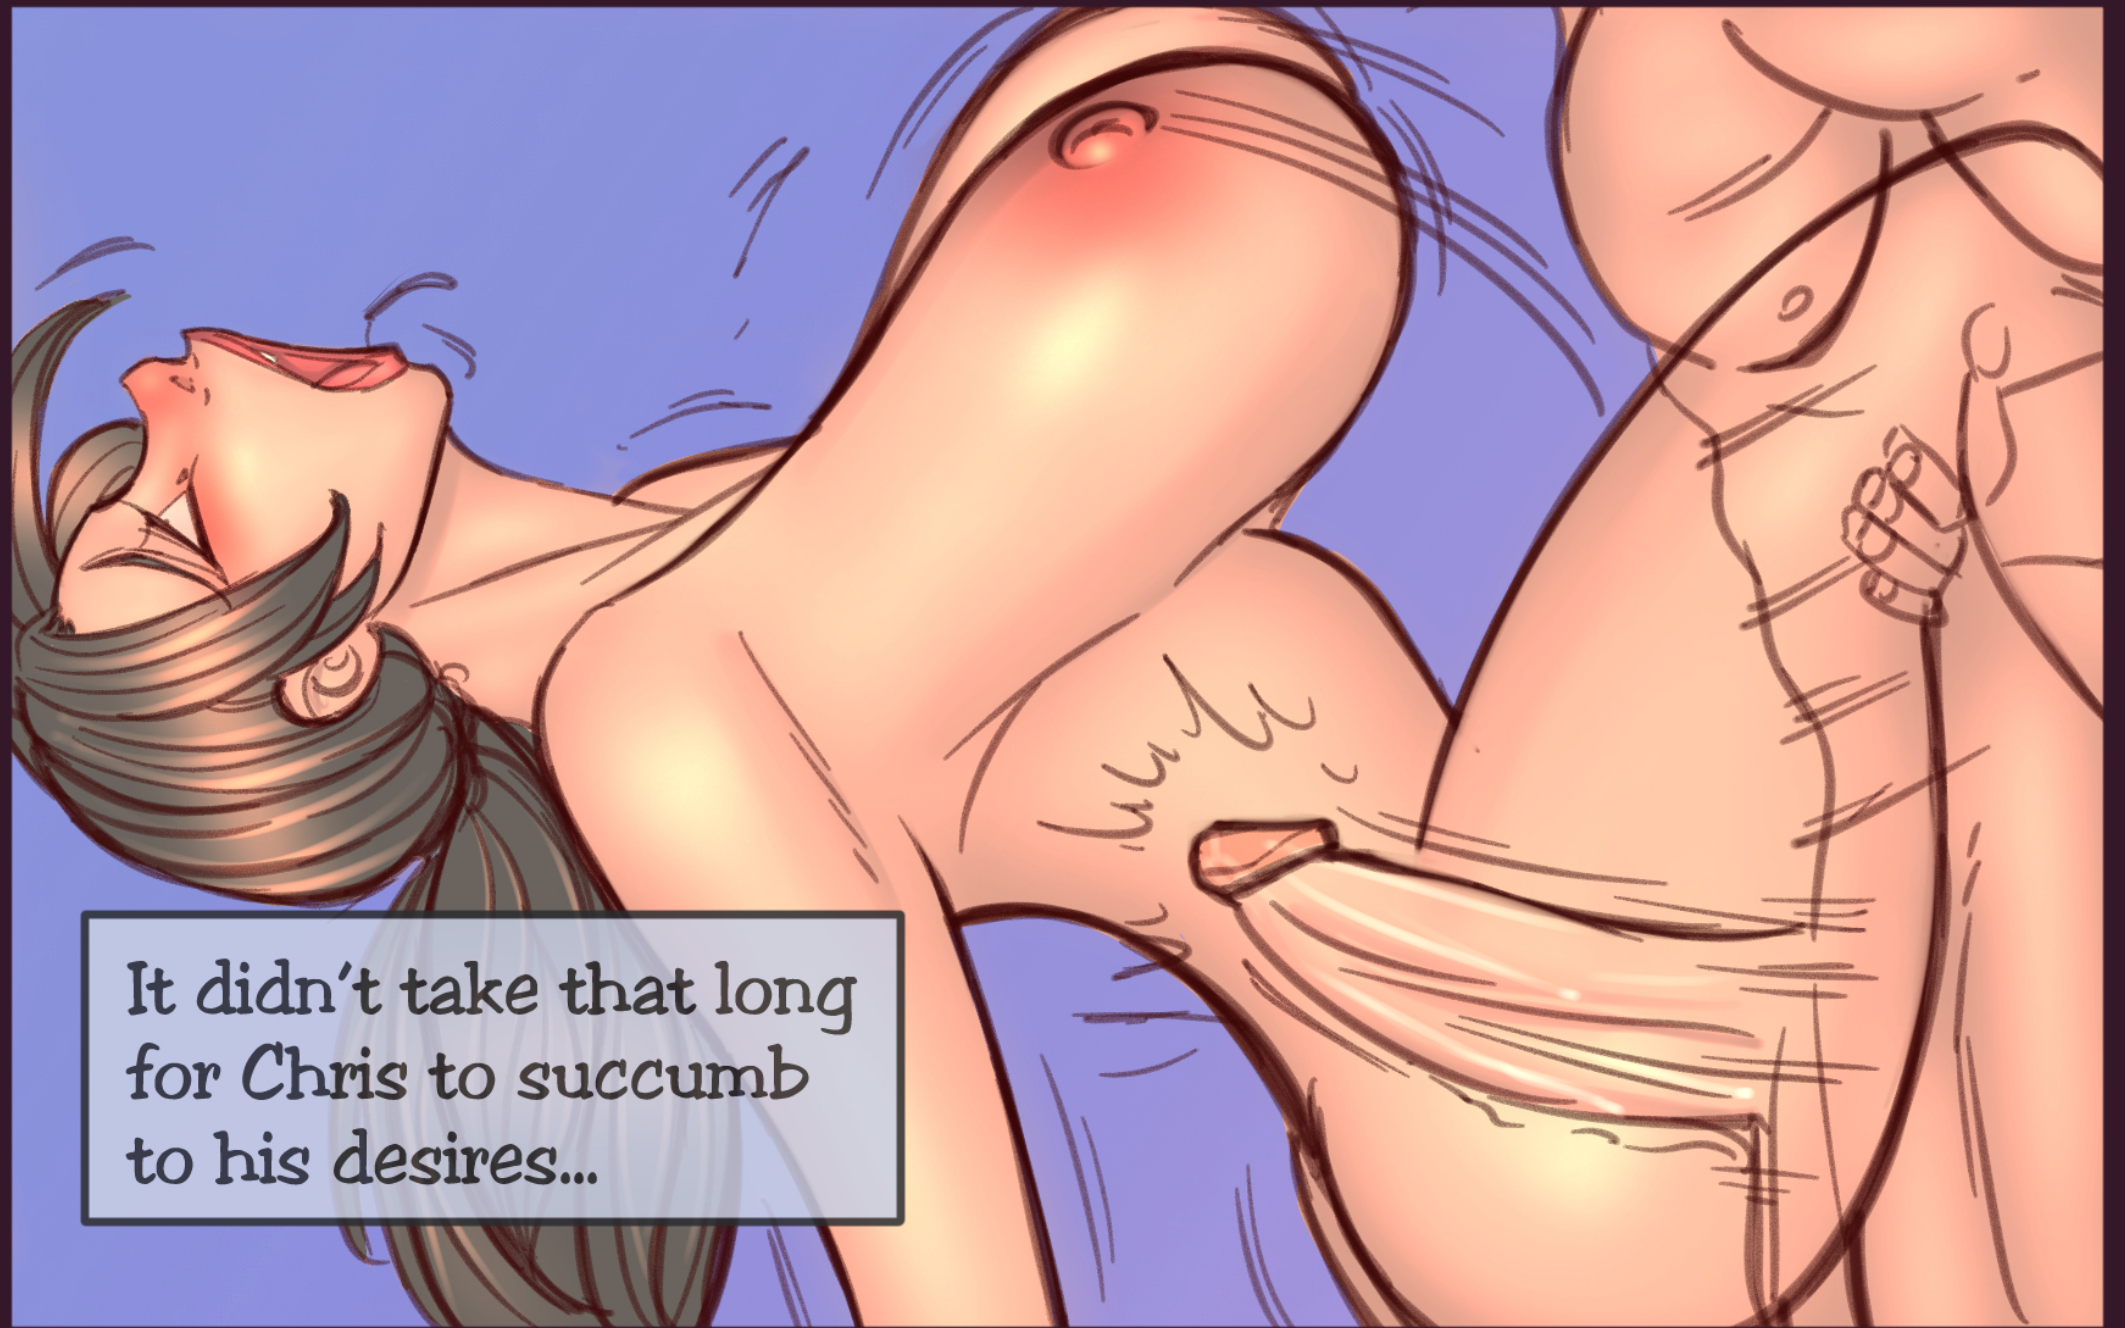

"Don't worry,
we'll take care
of you..."

Chris didn't want her to think that they were not going to be gentle with her because this was exactly what they were intending to do.

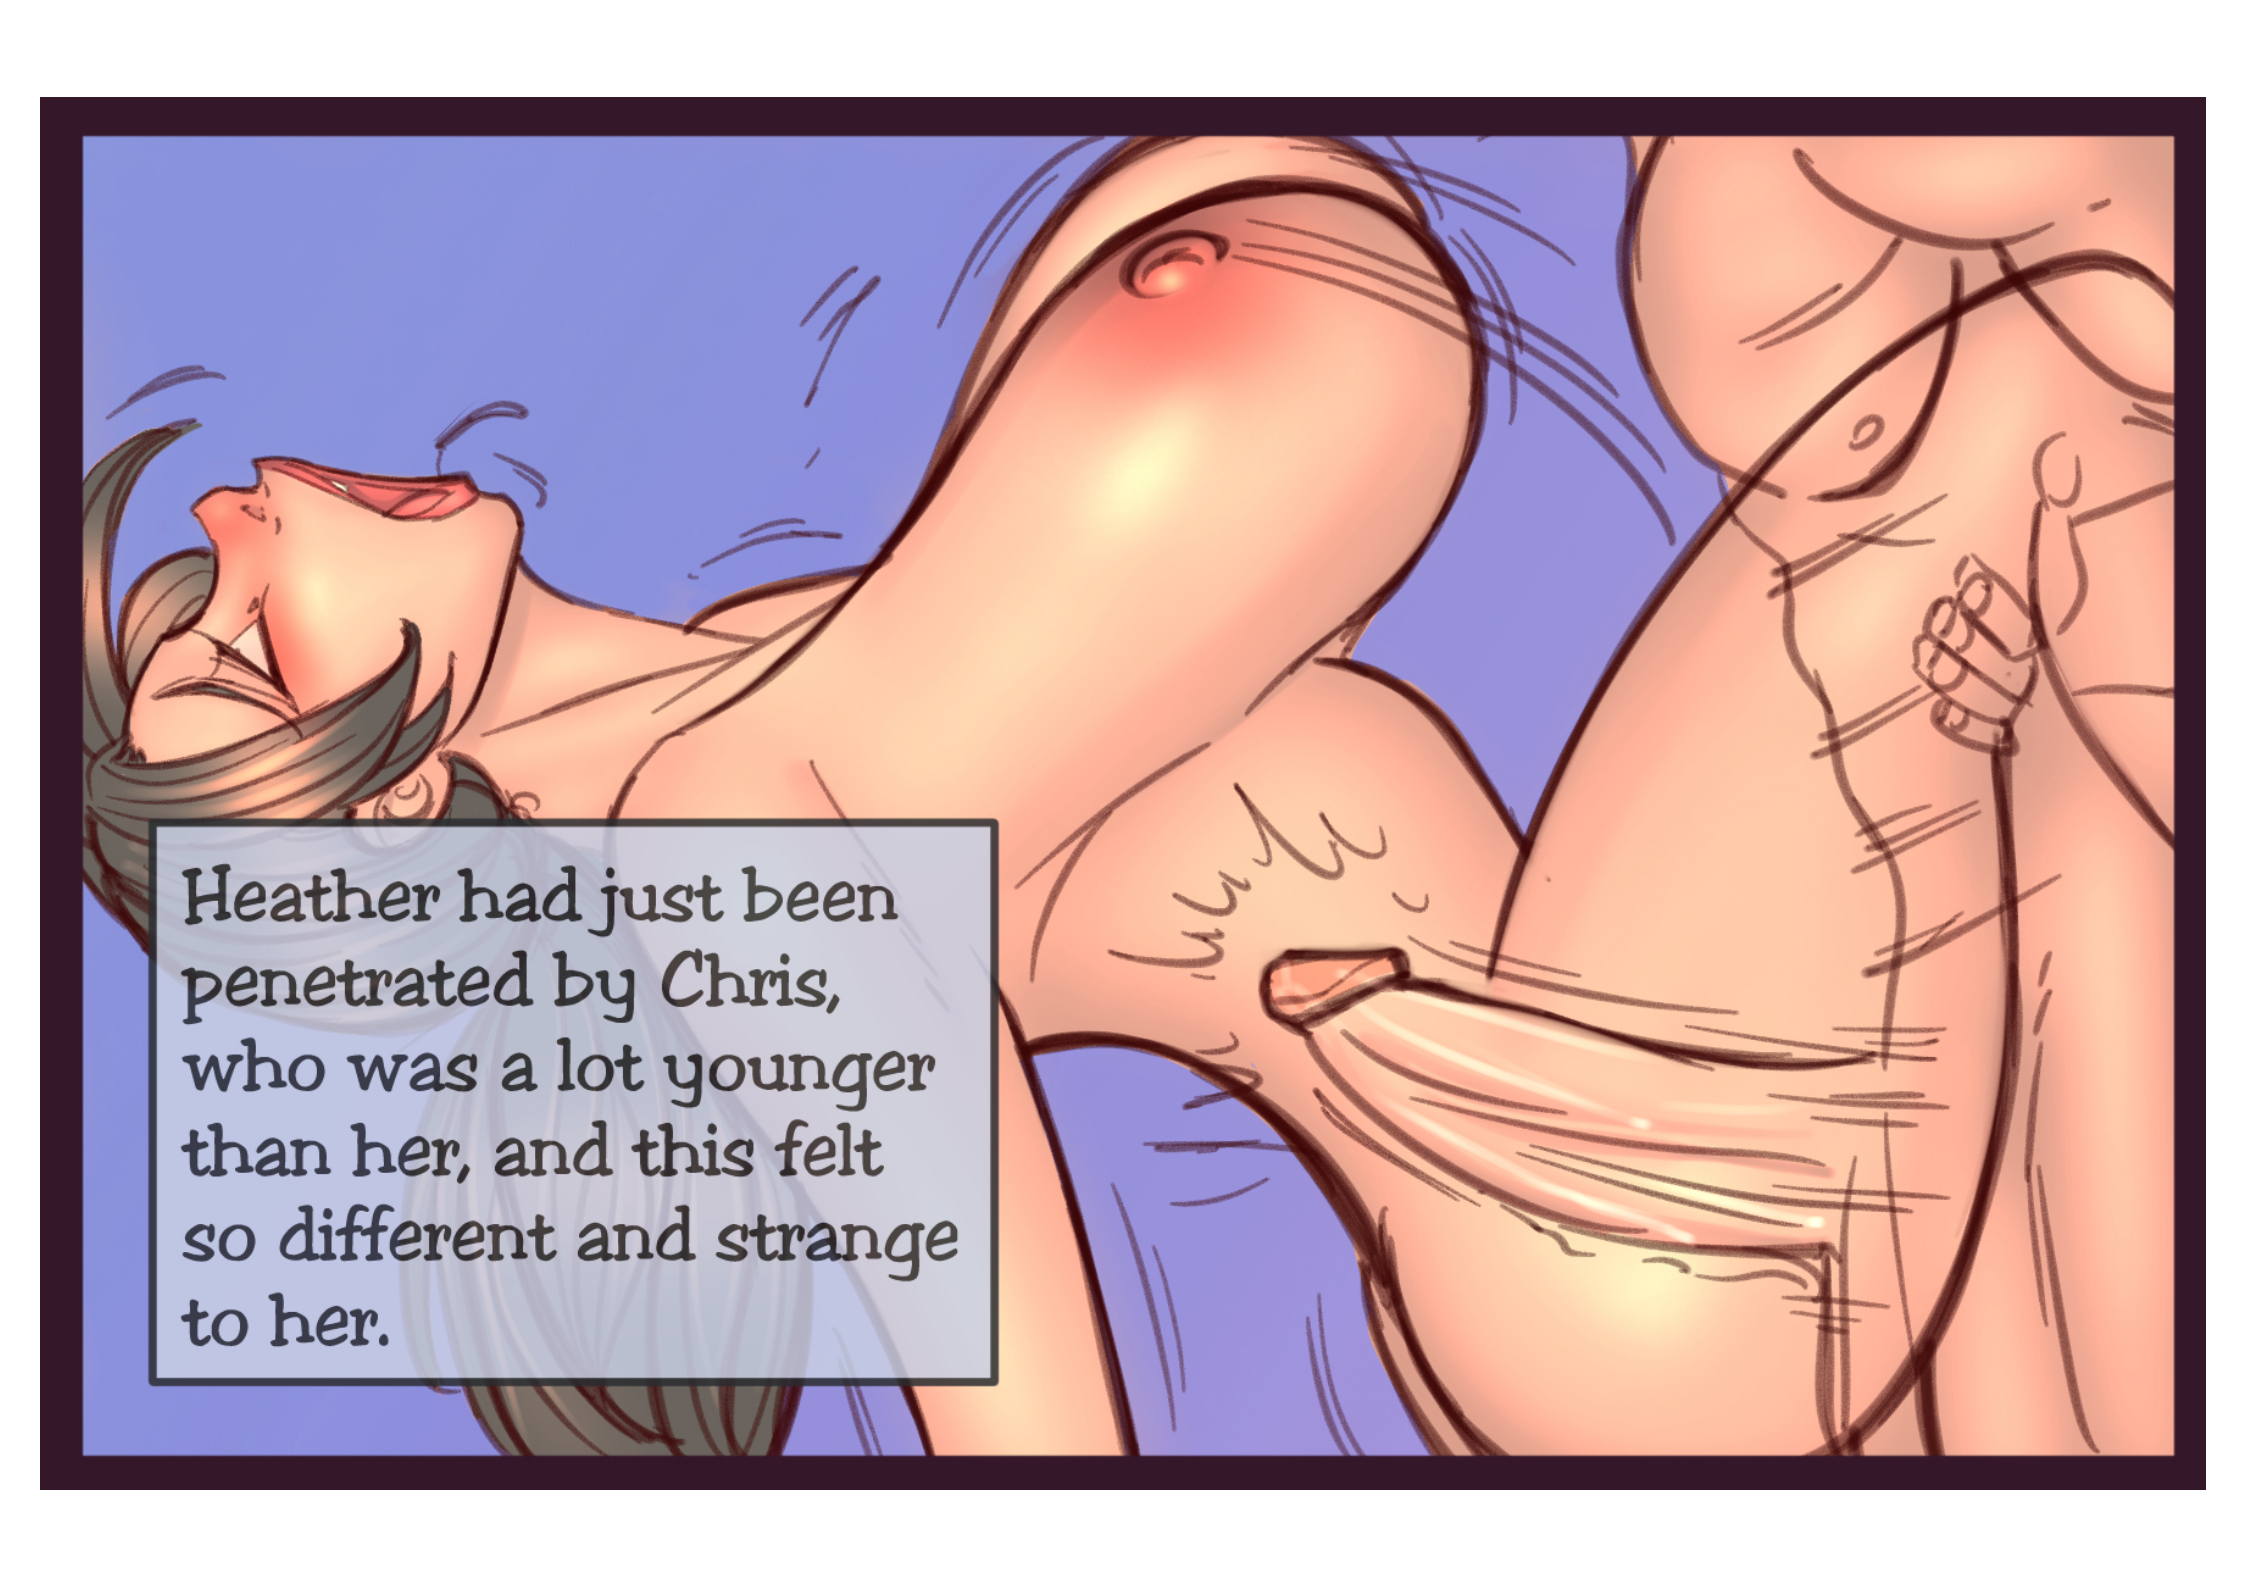

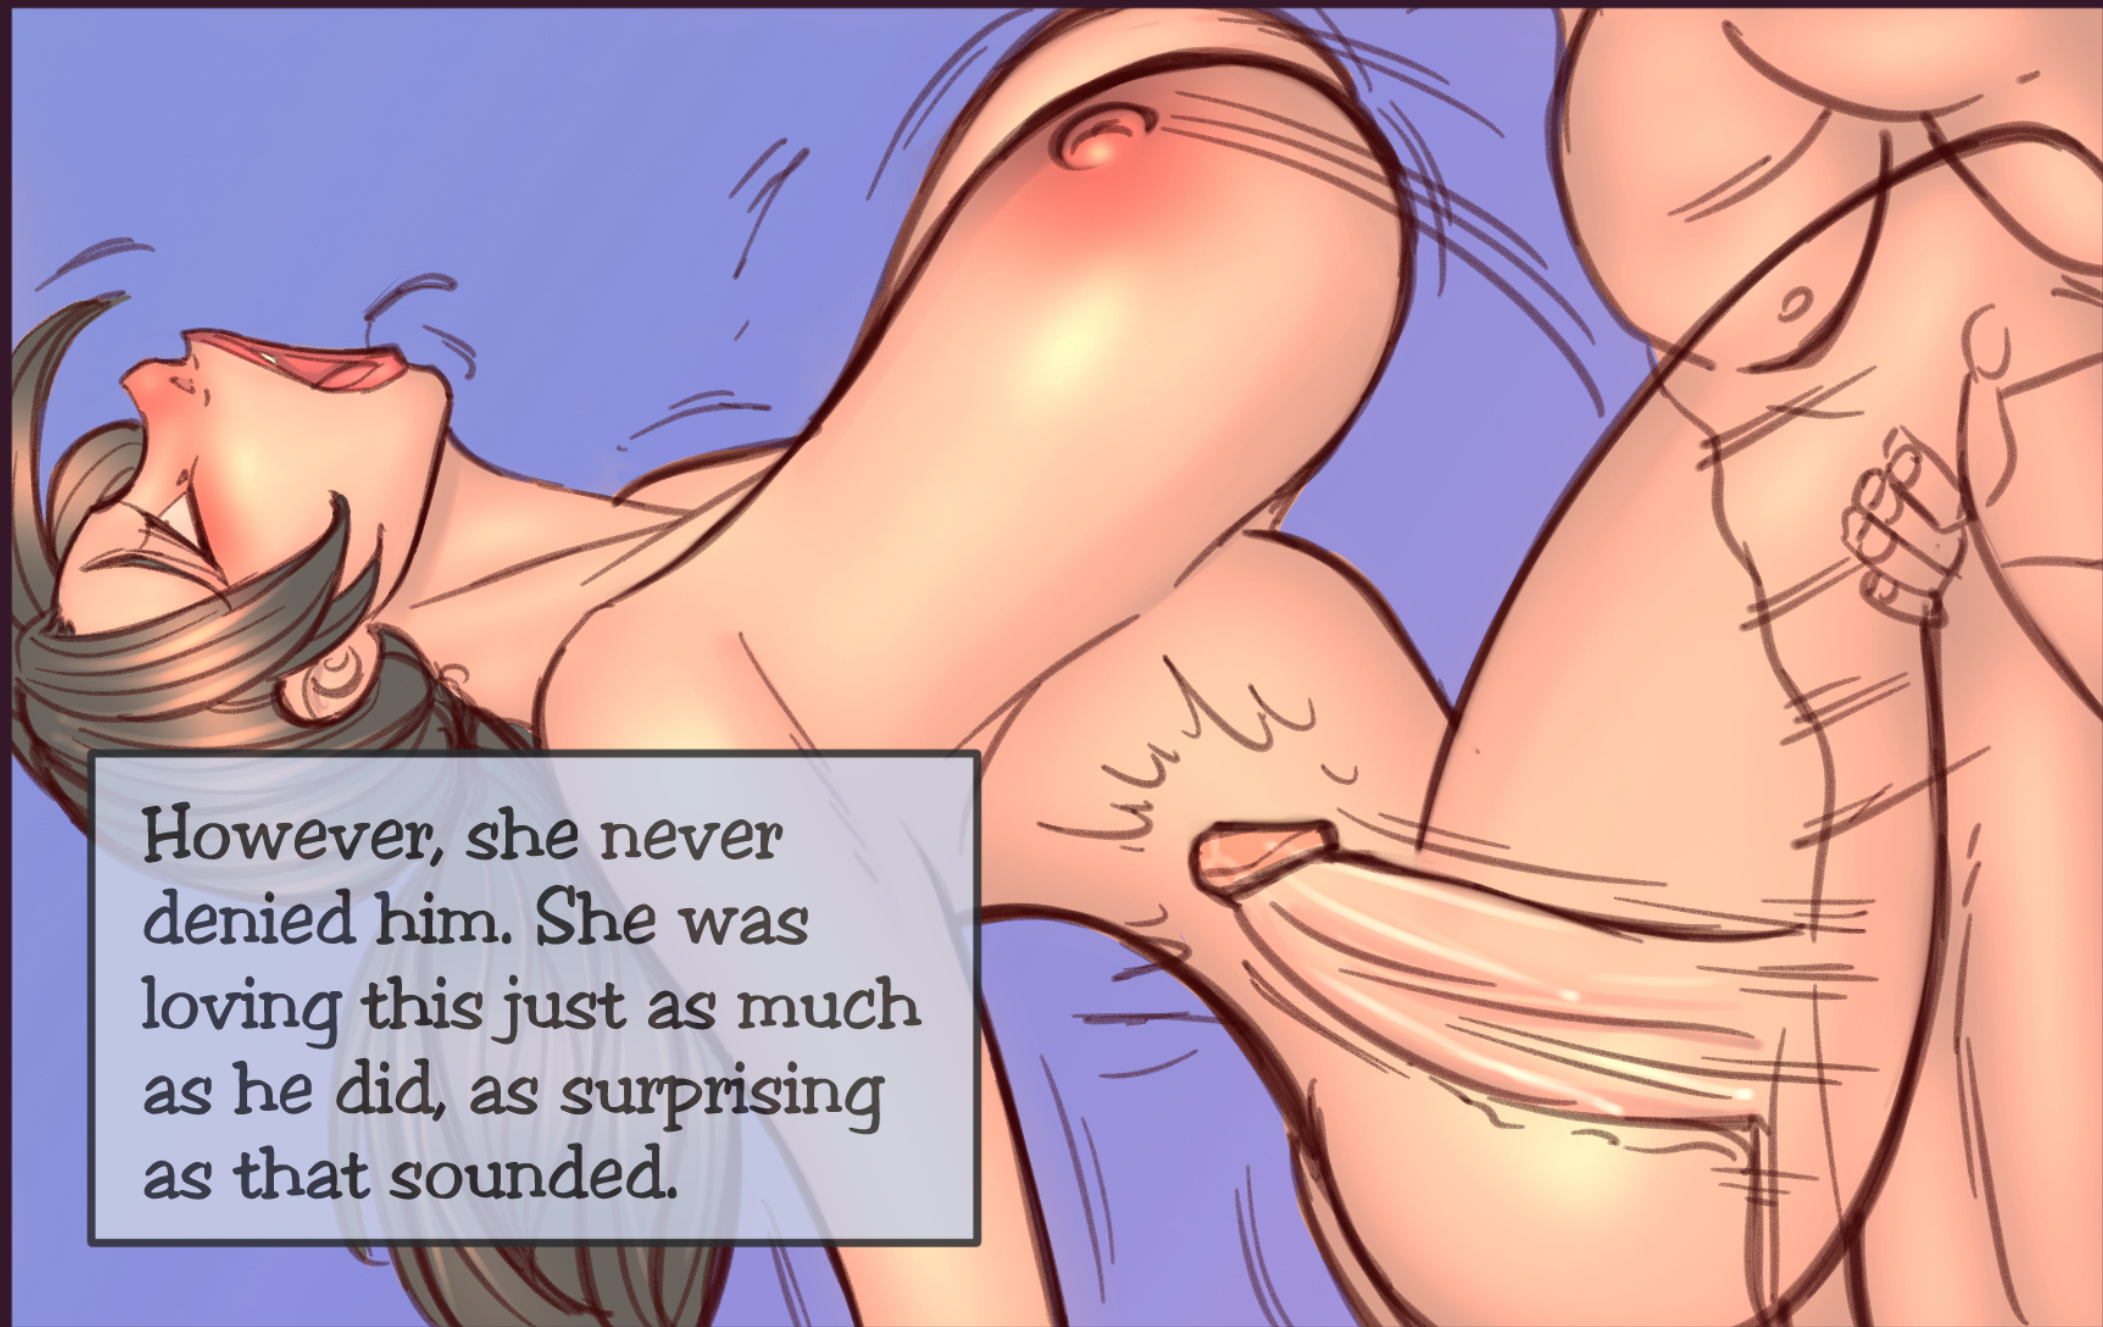

It didn't take that long for Chris to succumb to his desires...

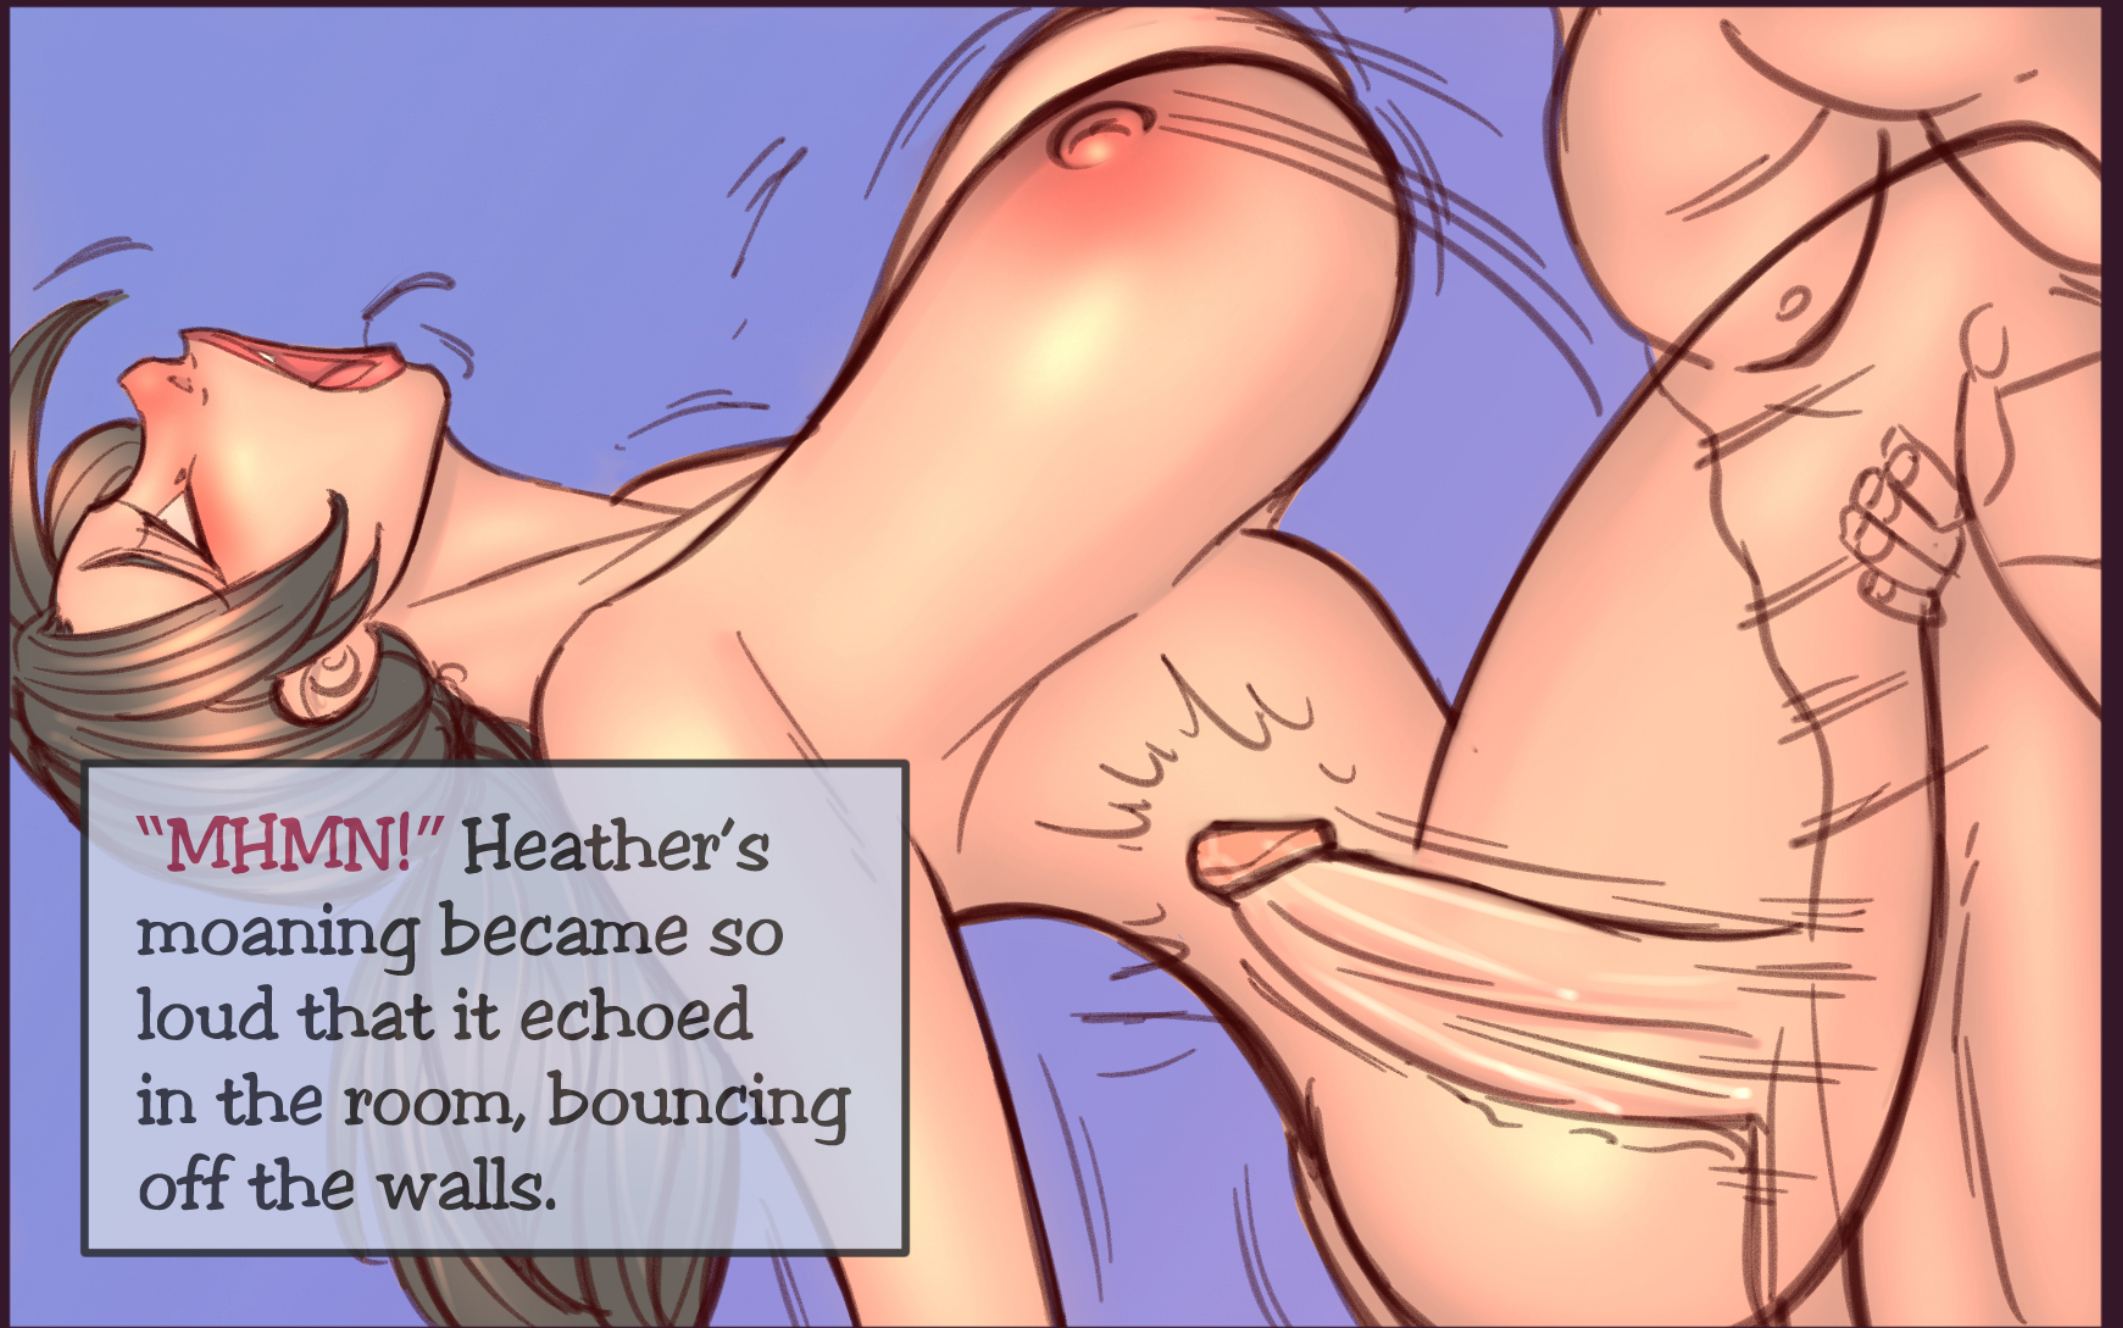

What followed next was him suddenly inserting his big cock deep into her tight pussy.

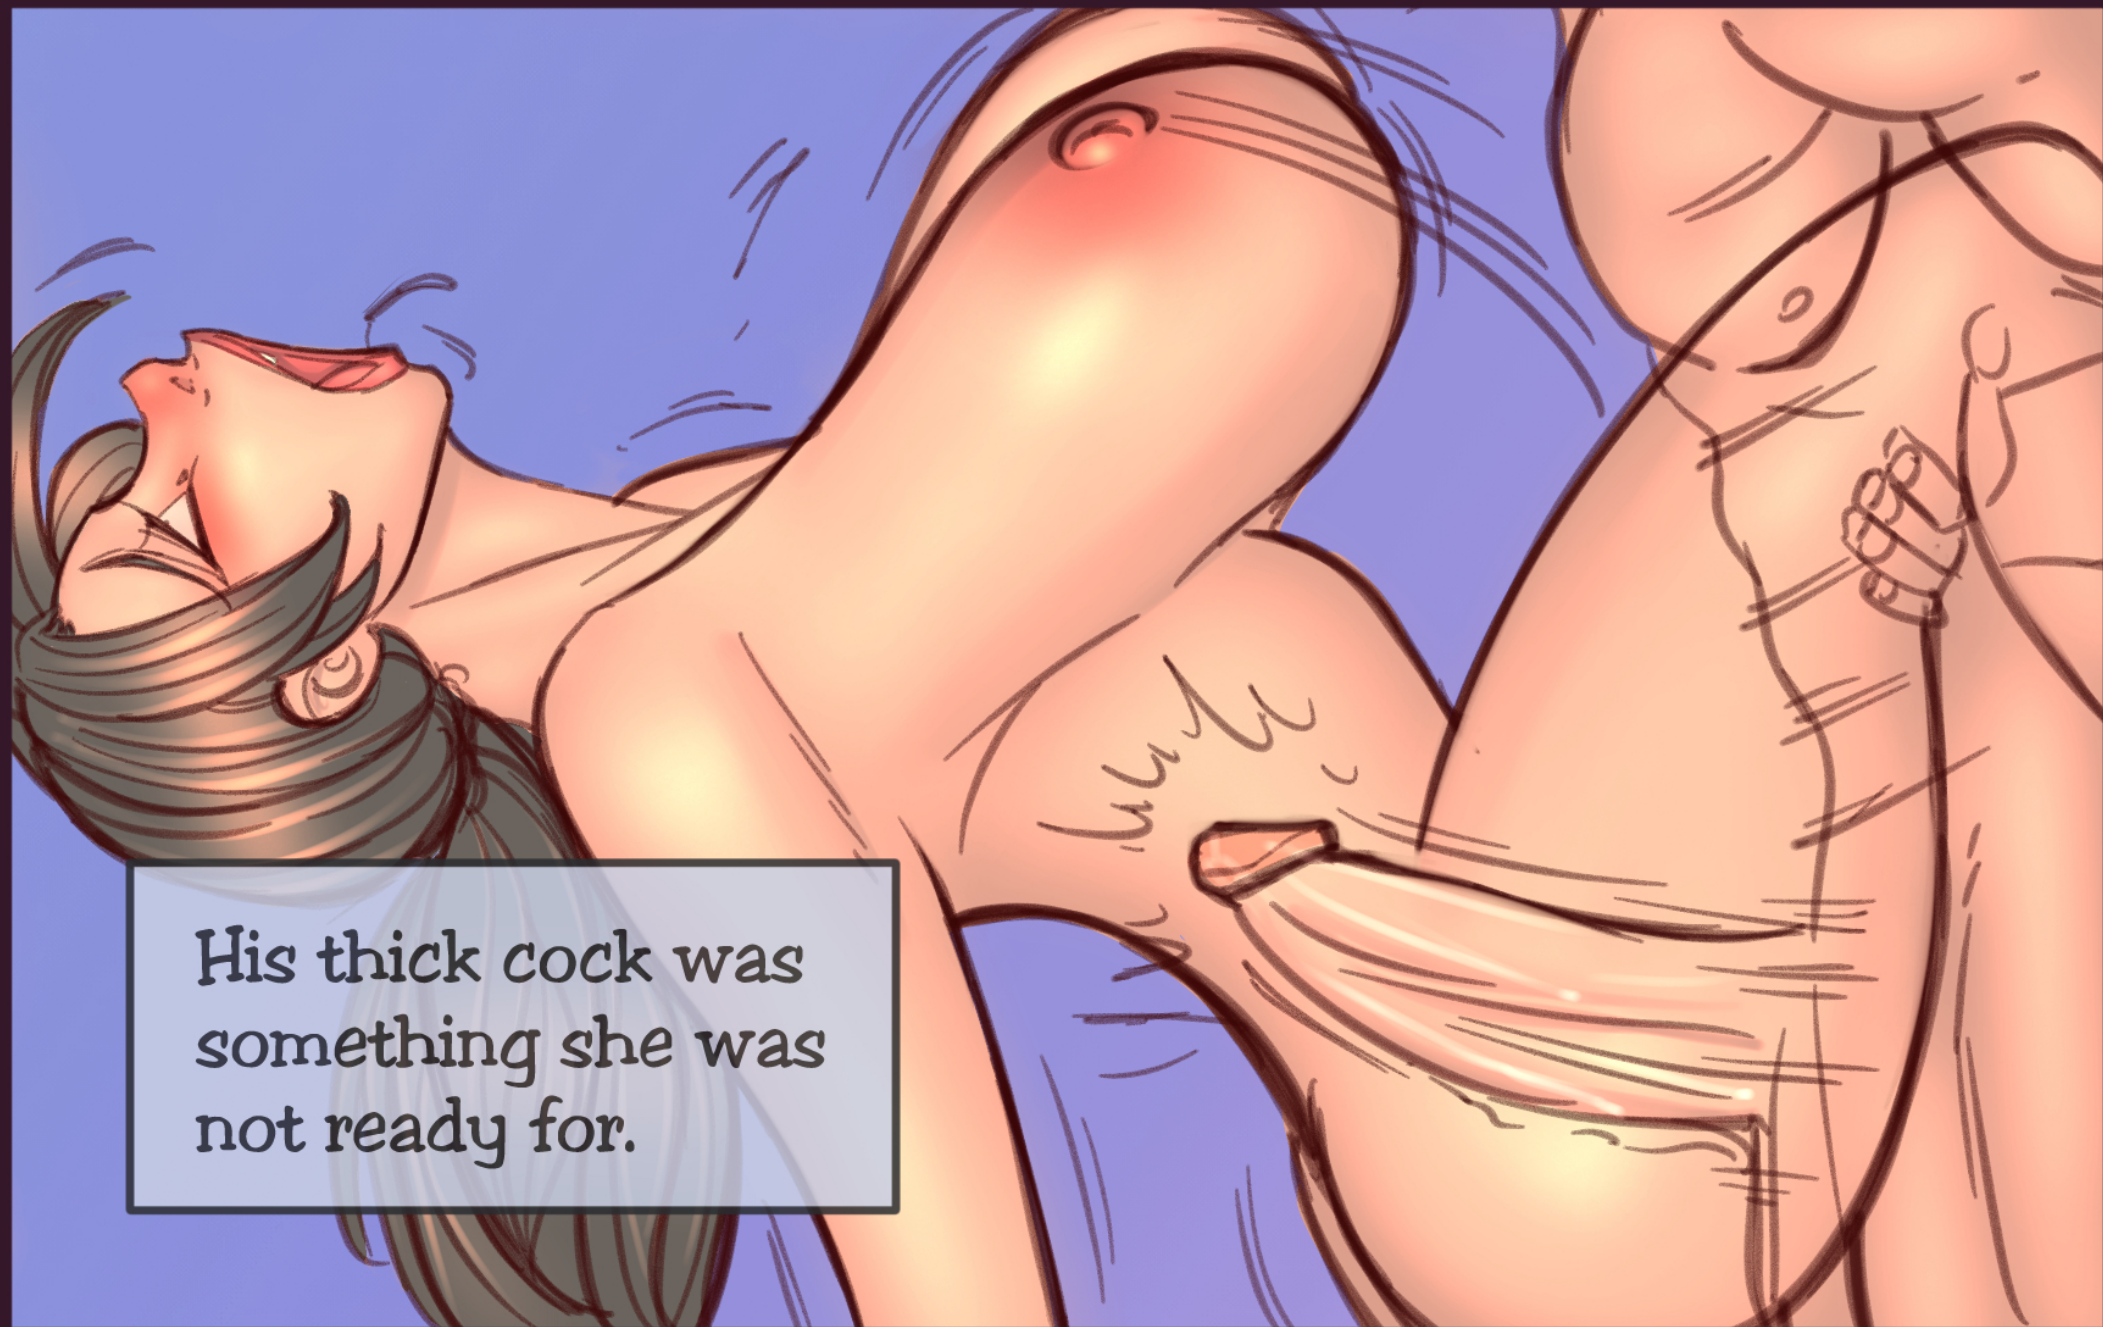

Heather had just been penetrated by Chris, who was a lot younger than her, and this felt so different and strange to her.

However, she never denied him. She was loving this just as much as he did, as surprising as that sounded.

"MHMN!" Heather's moaning became so loud that it echoed in the room, bouncing off the walls.

His thick cock was something she was not ready for.
