# CHAPTER 02

"Maybe your stepson could help  
us.

It's an interesting approach  
and I've been thinking about it  
all day.""

"Have you?" Claire gulped. Her lover went back to nursing and she wondered how long Judith had been having this fantasy; if it was something short term or long term.

She patiently waited as Judith kept on sucking each of her nipples, before taking her mouth away again.

"Think about it. If a young man can't hang out with friends, play sports, or go to the gym, what other interests does he have?"

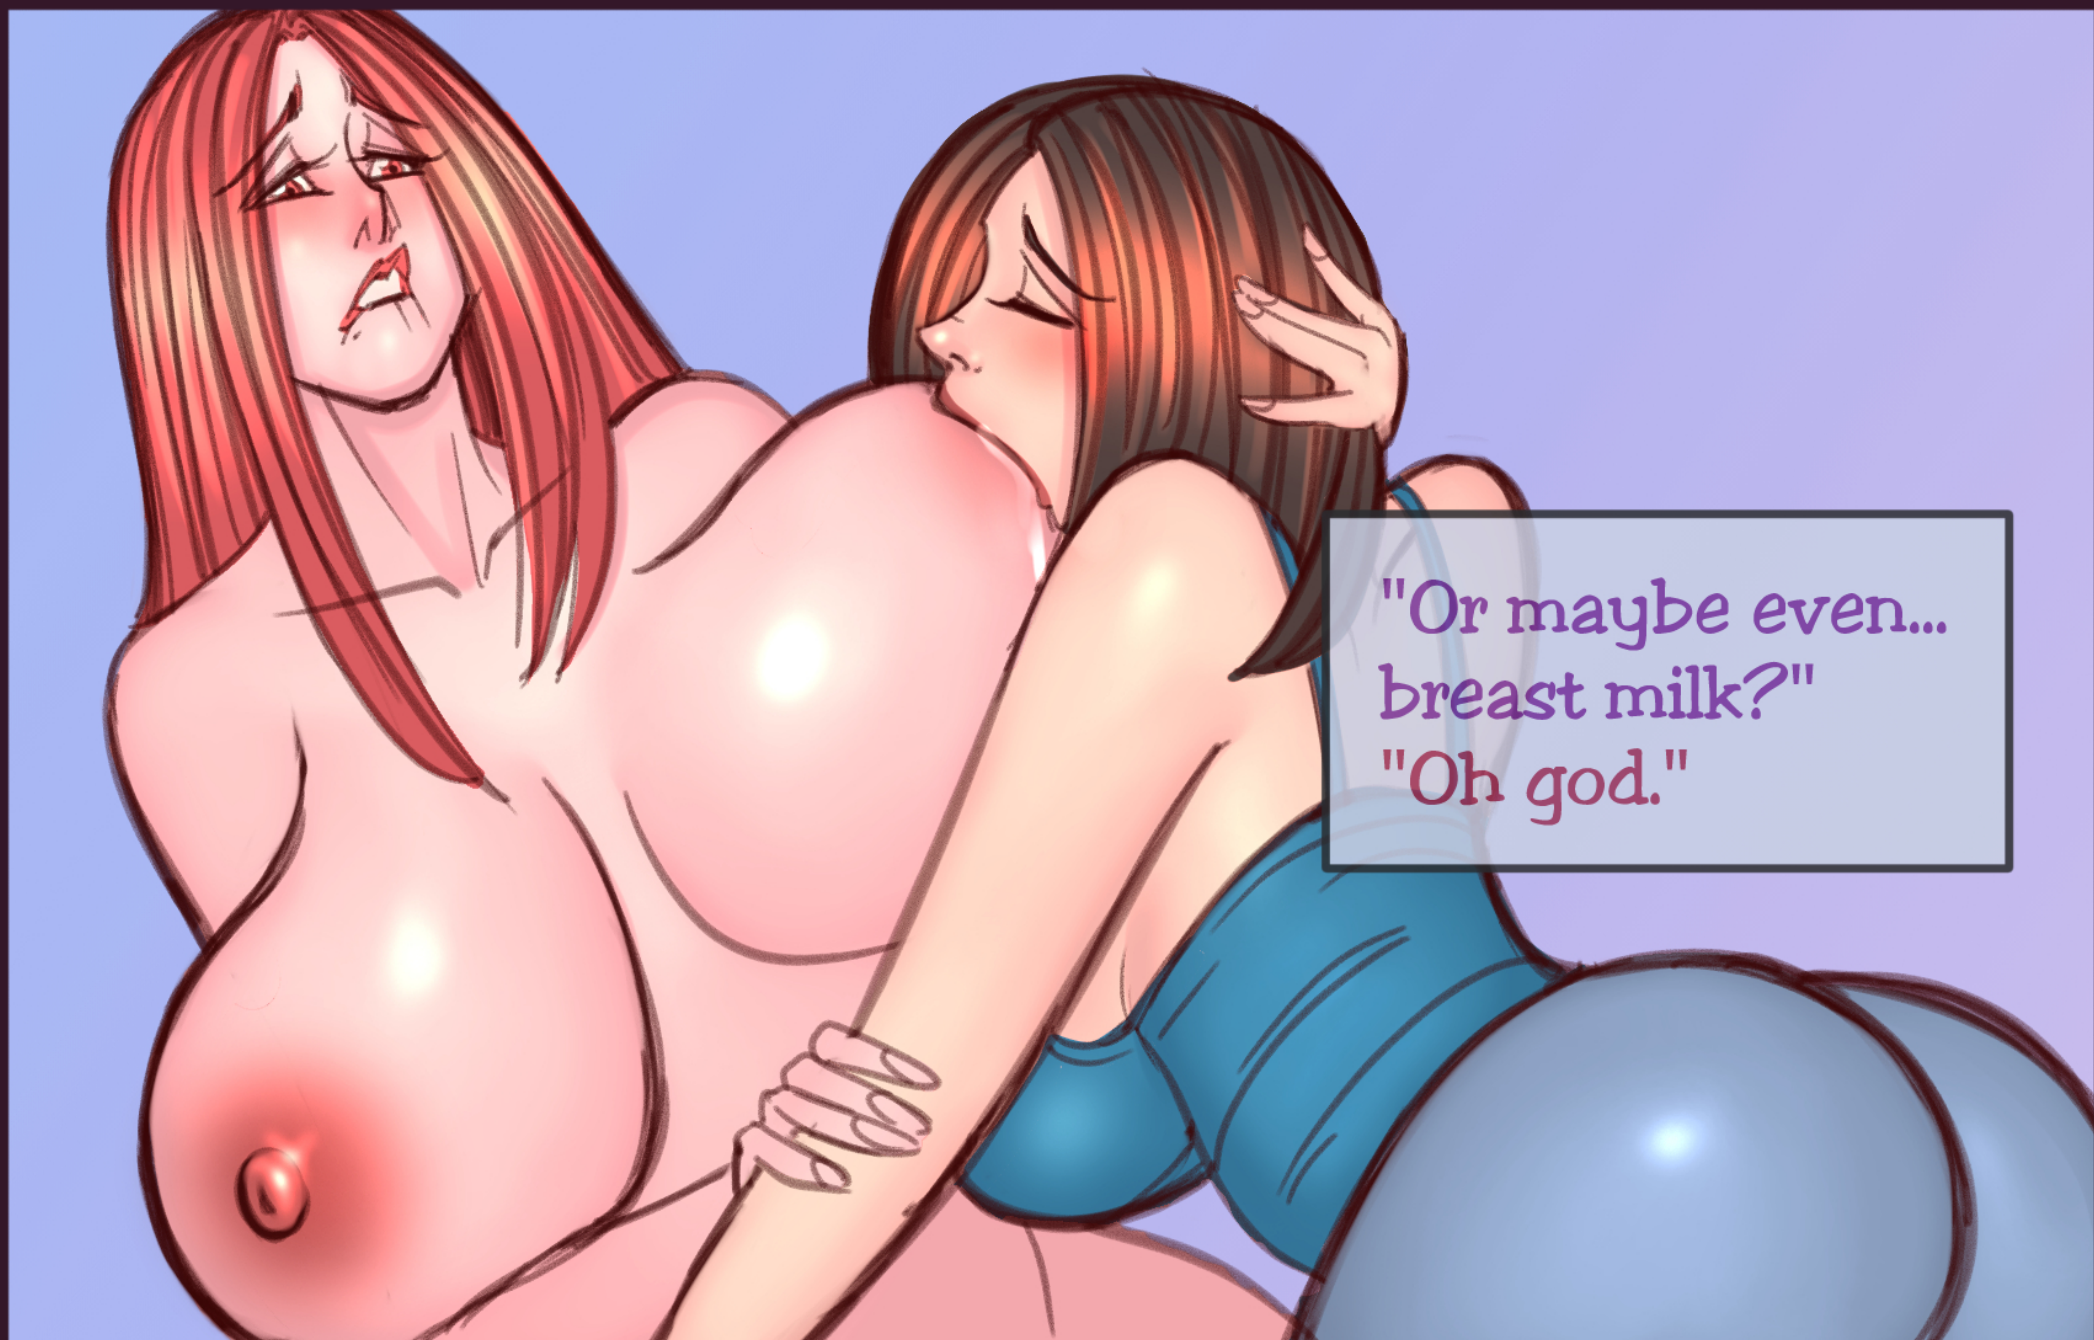

Claire decided  
to be cheeky.

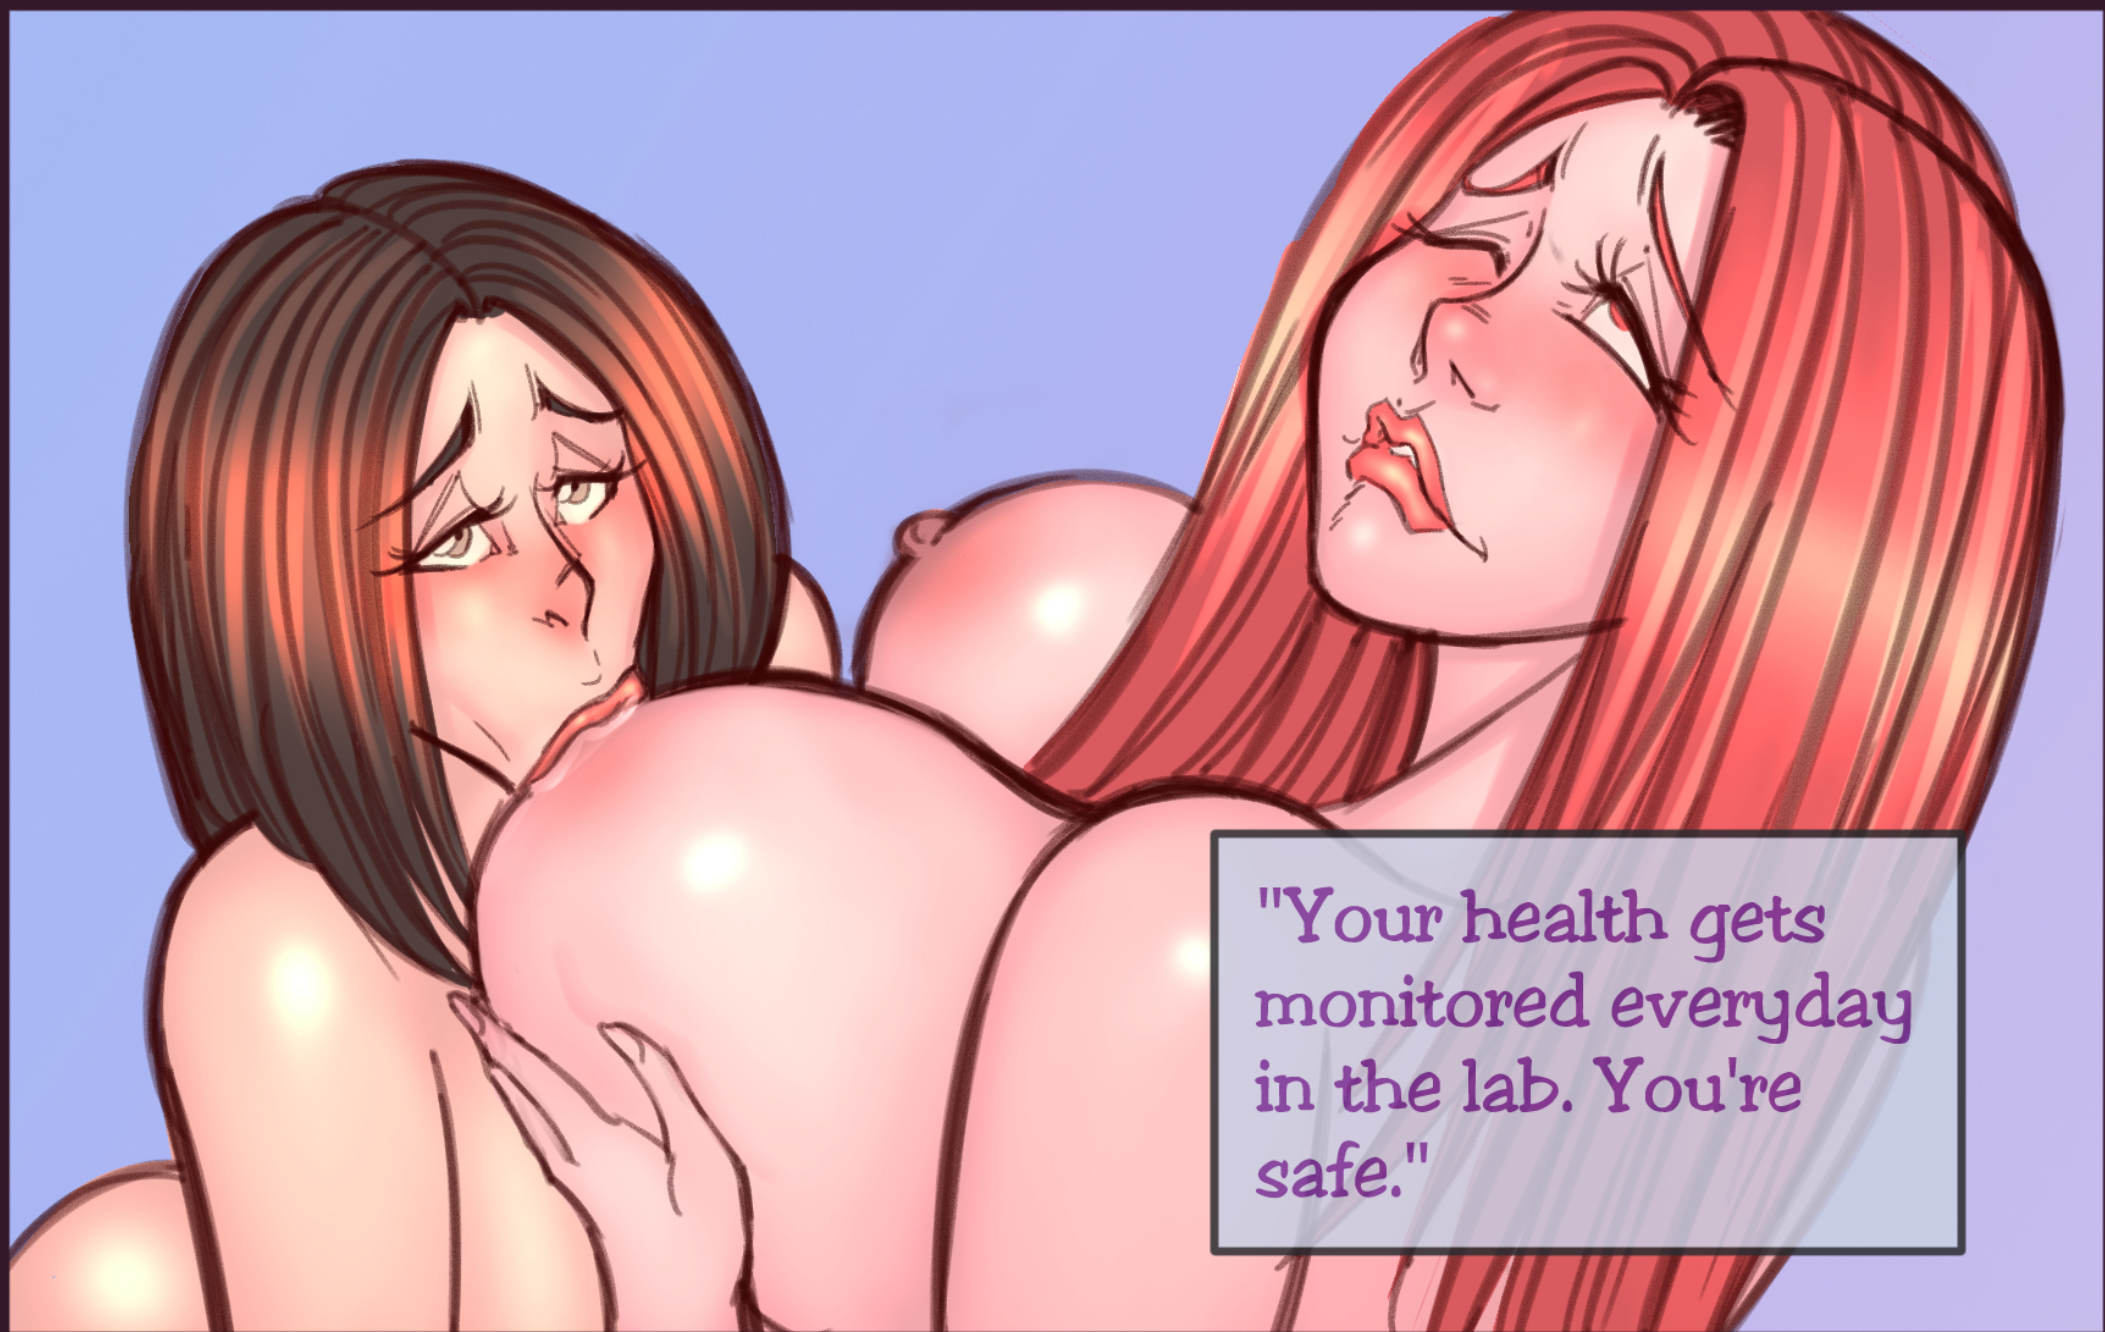

"Masturbation."

"How about pussy?"

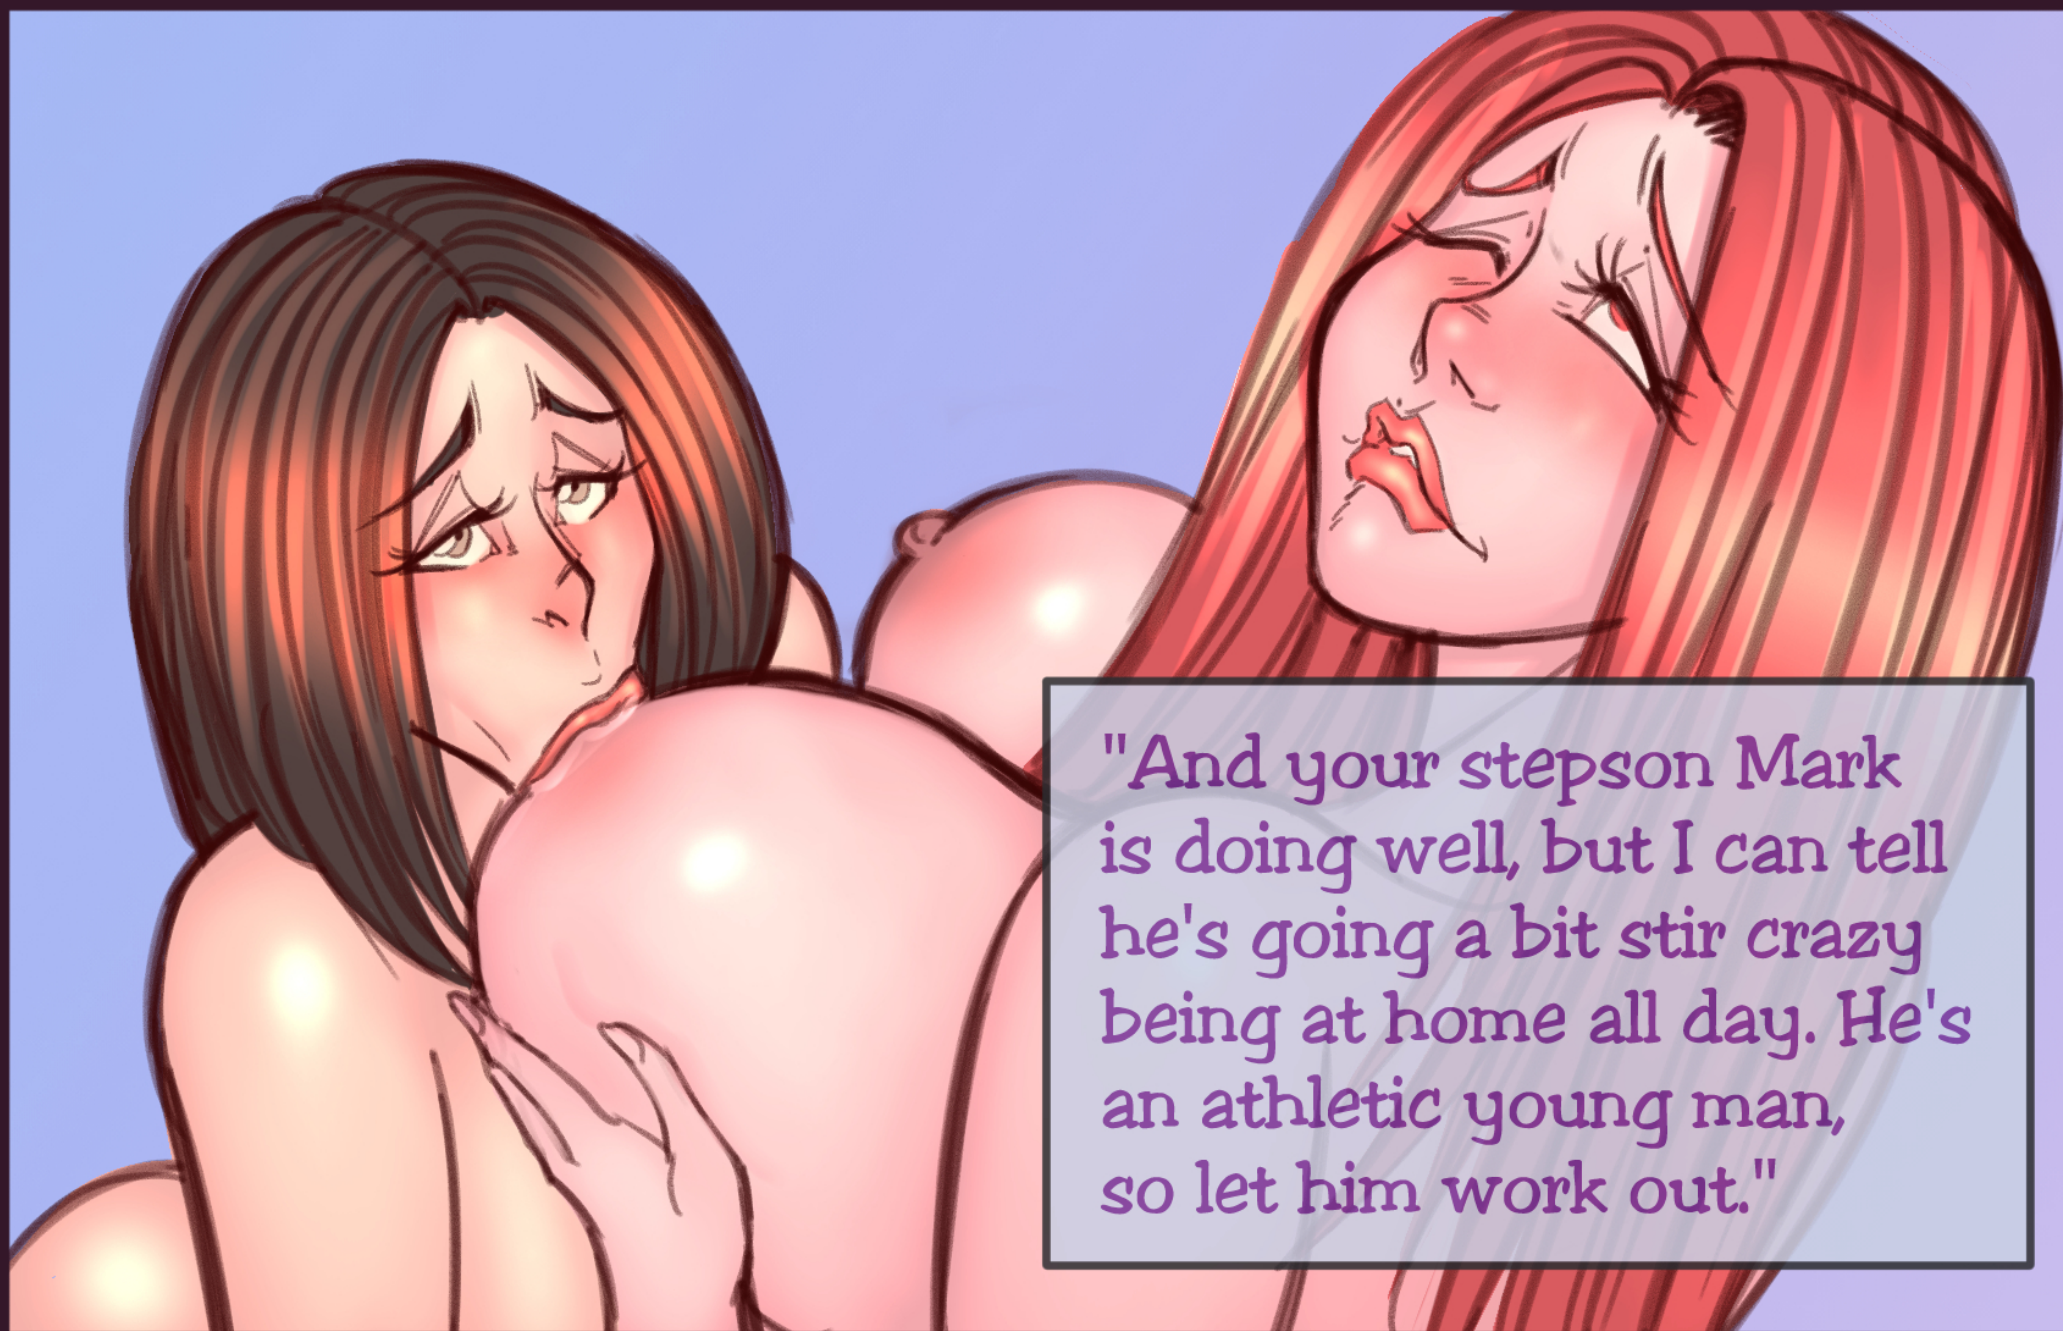

Judith replied,  
kissing Claire's big  
nipple.

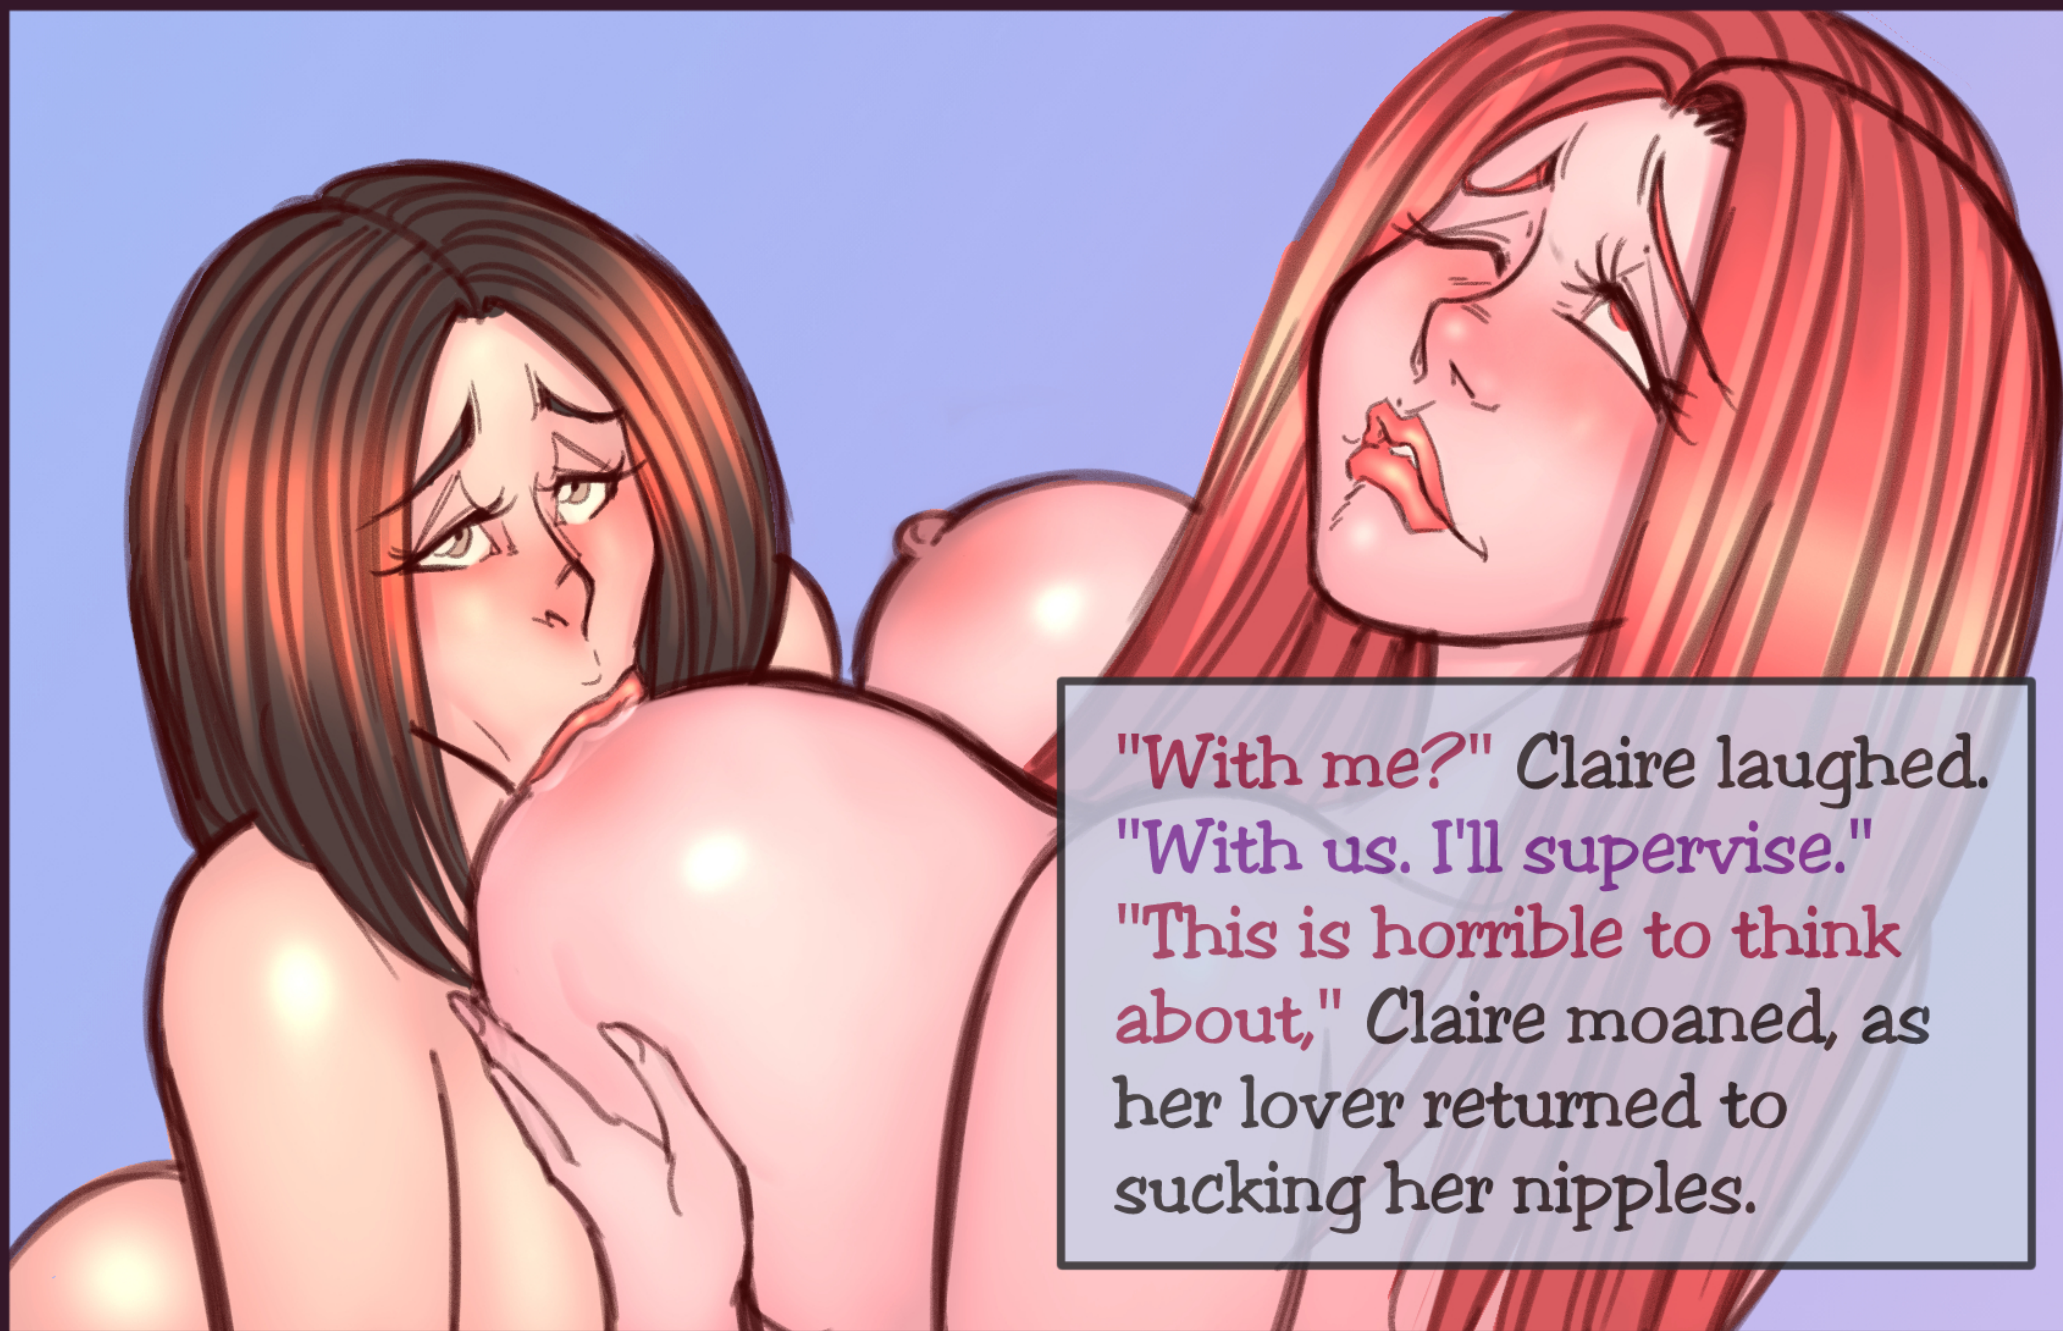

"Or maybe even...  
breast milk?"  
"Oh god."

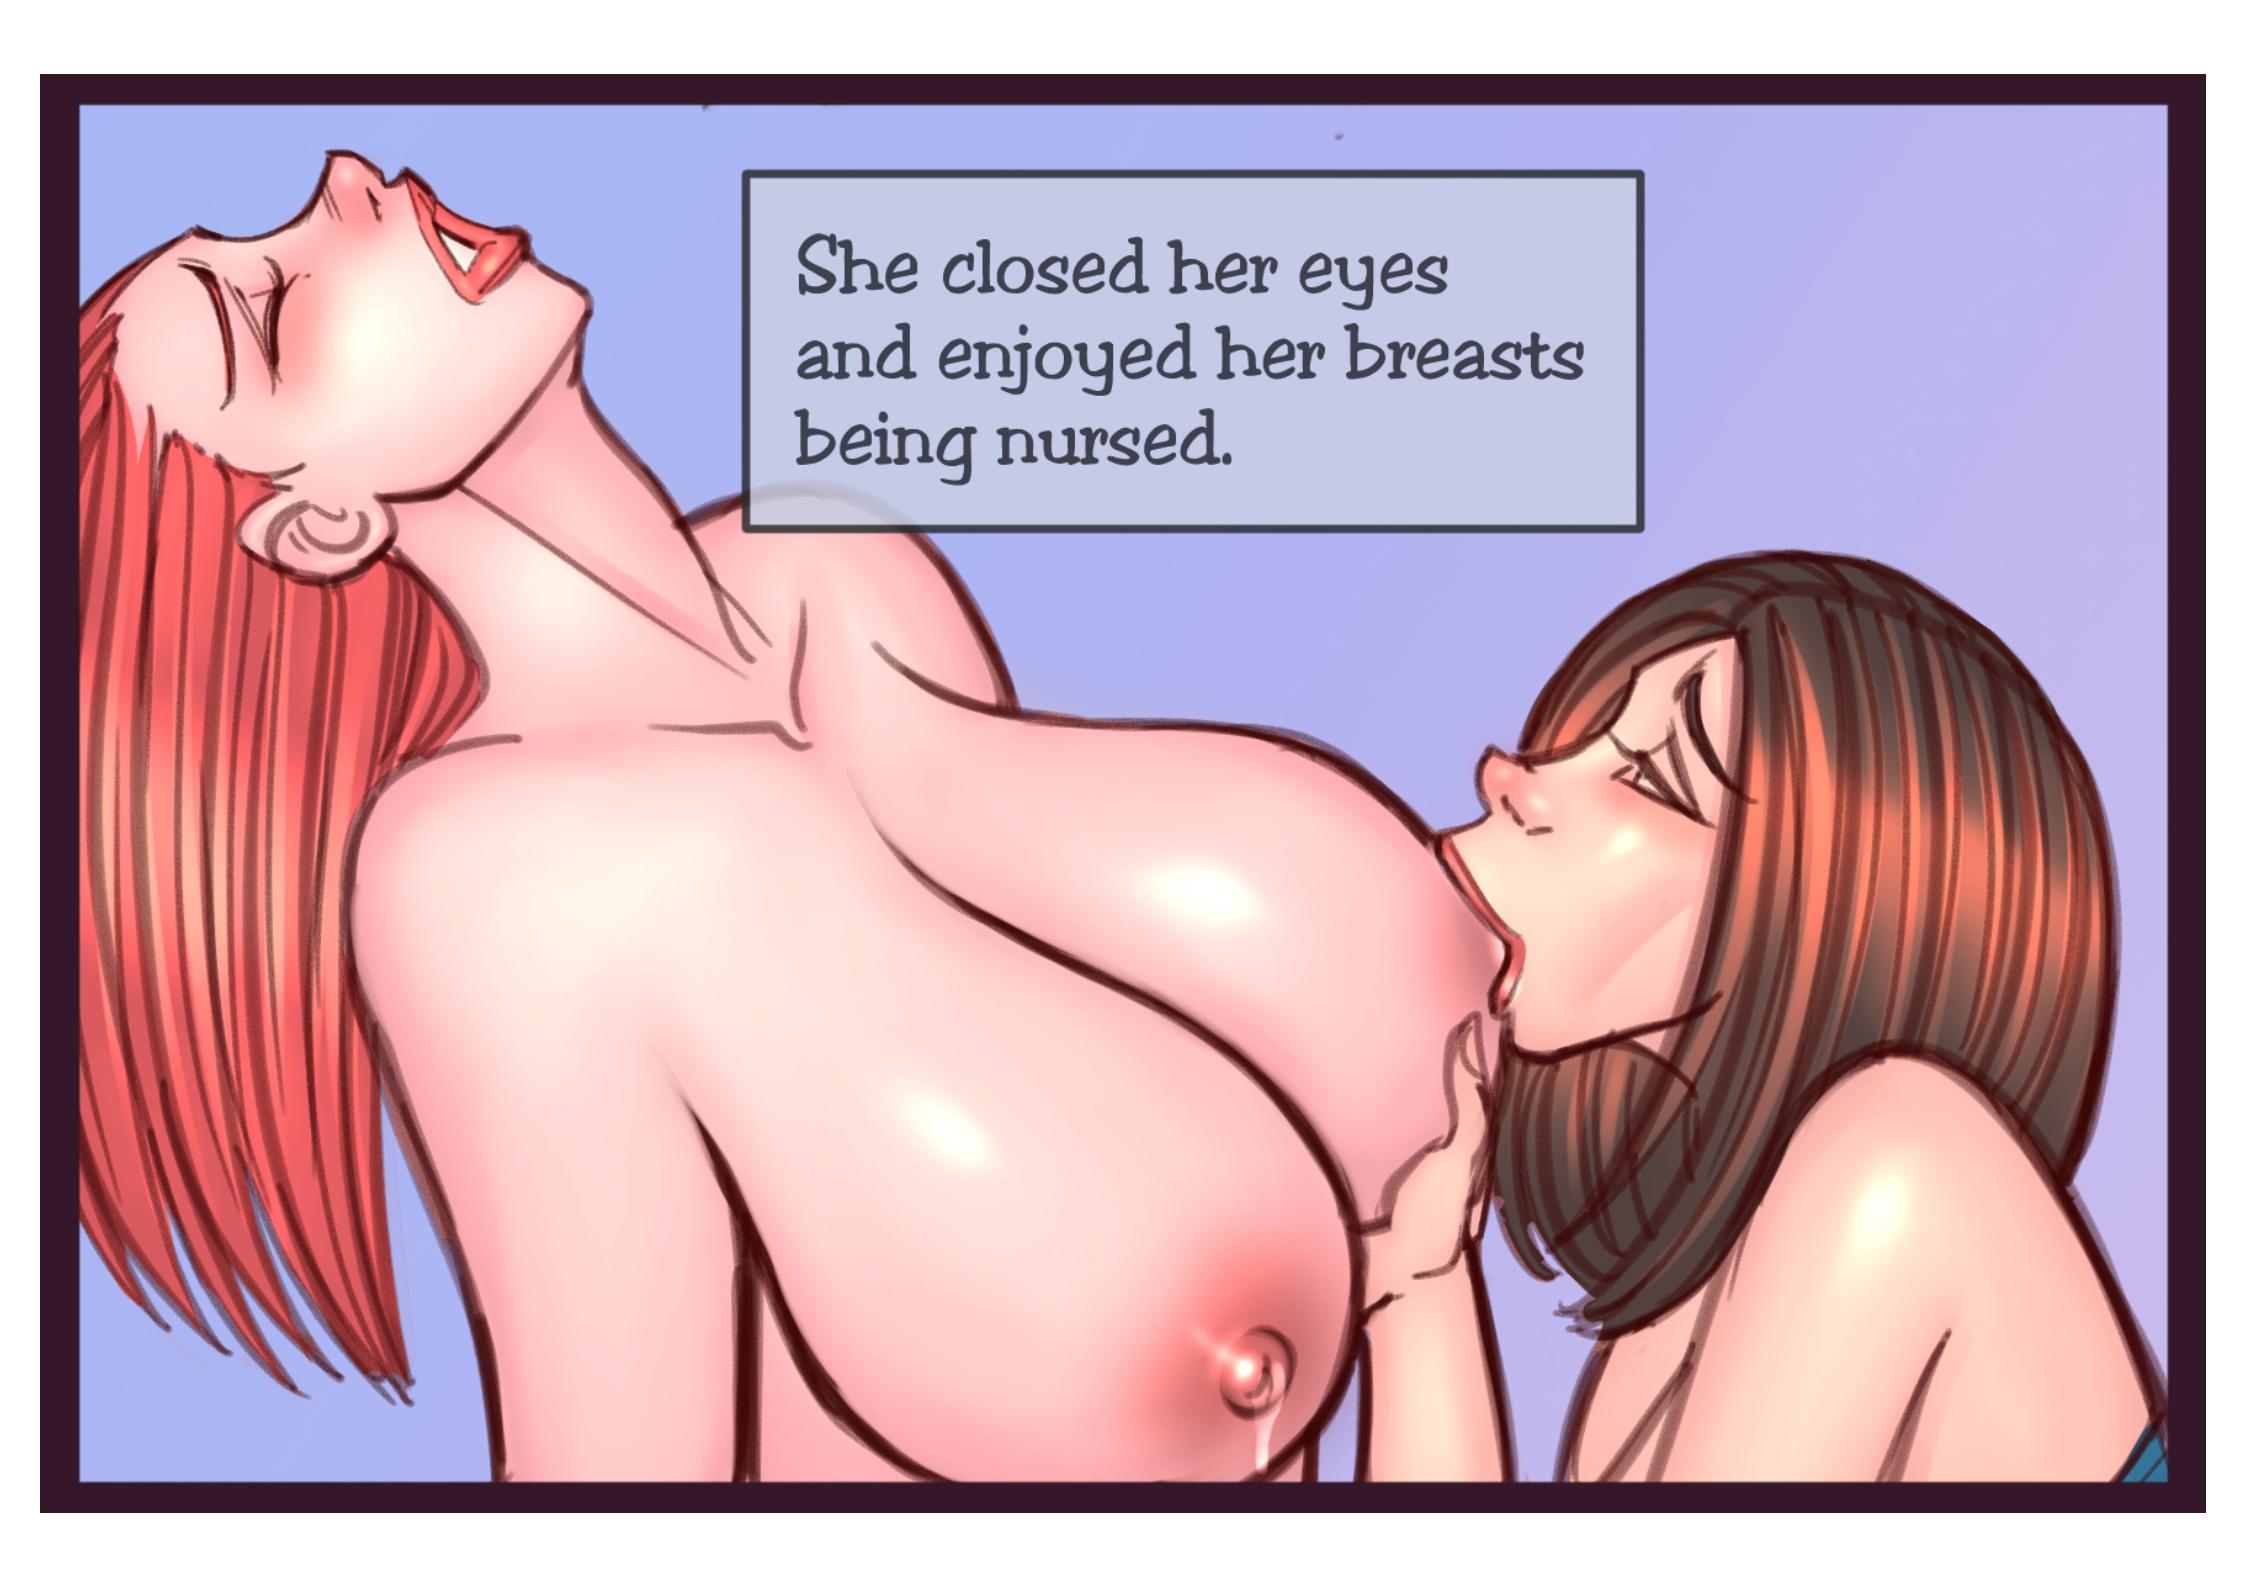

"Your health gets monitored everyday in the lab. You're safe."

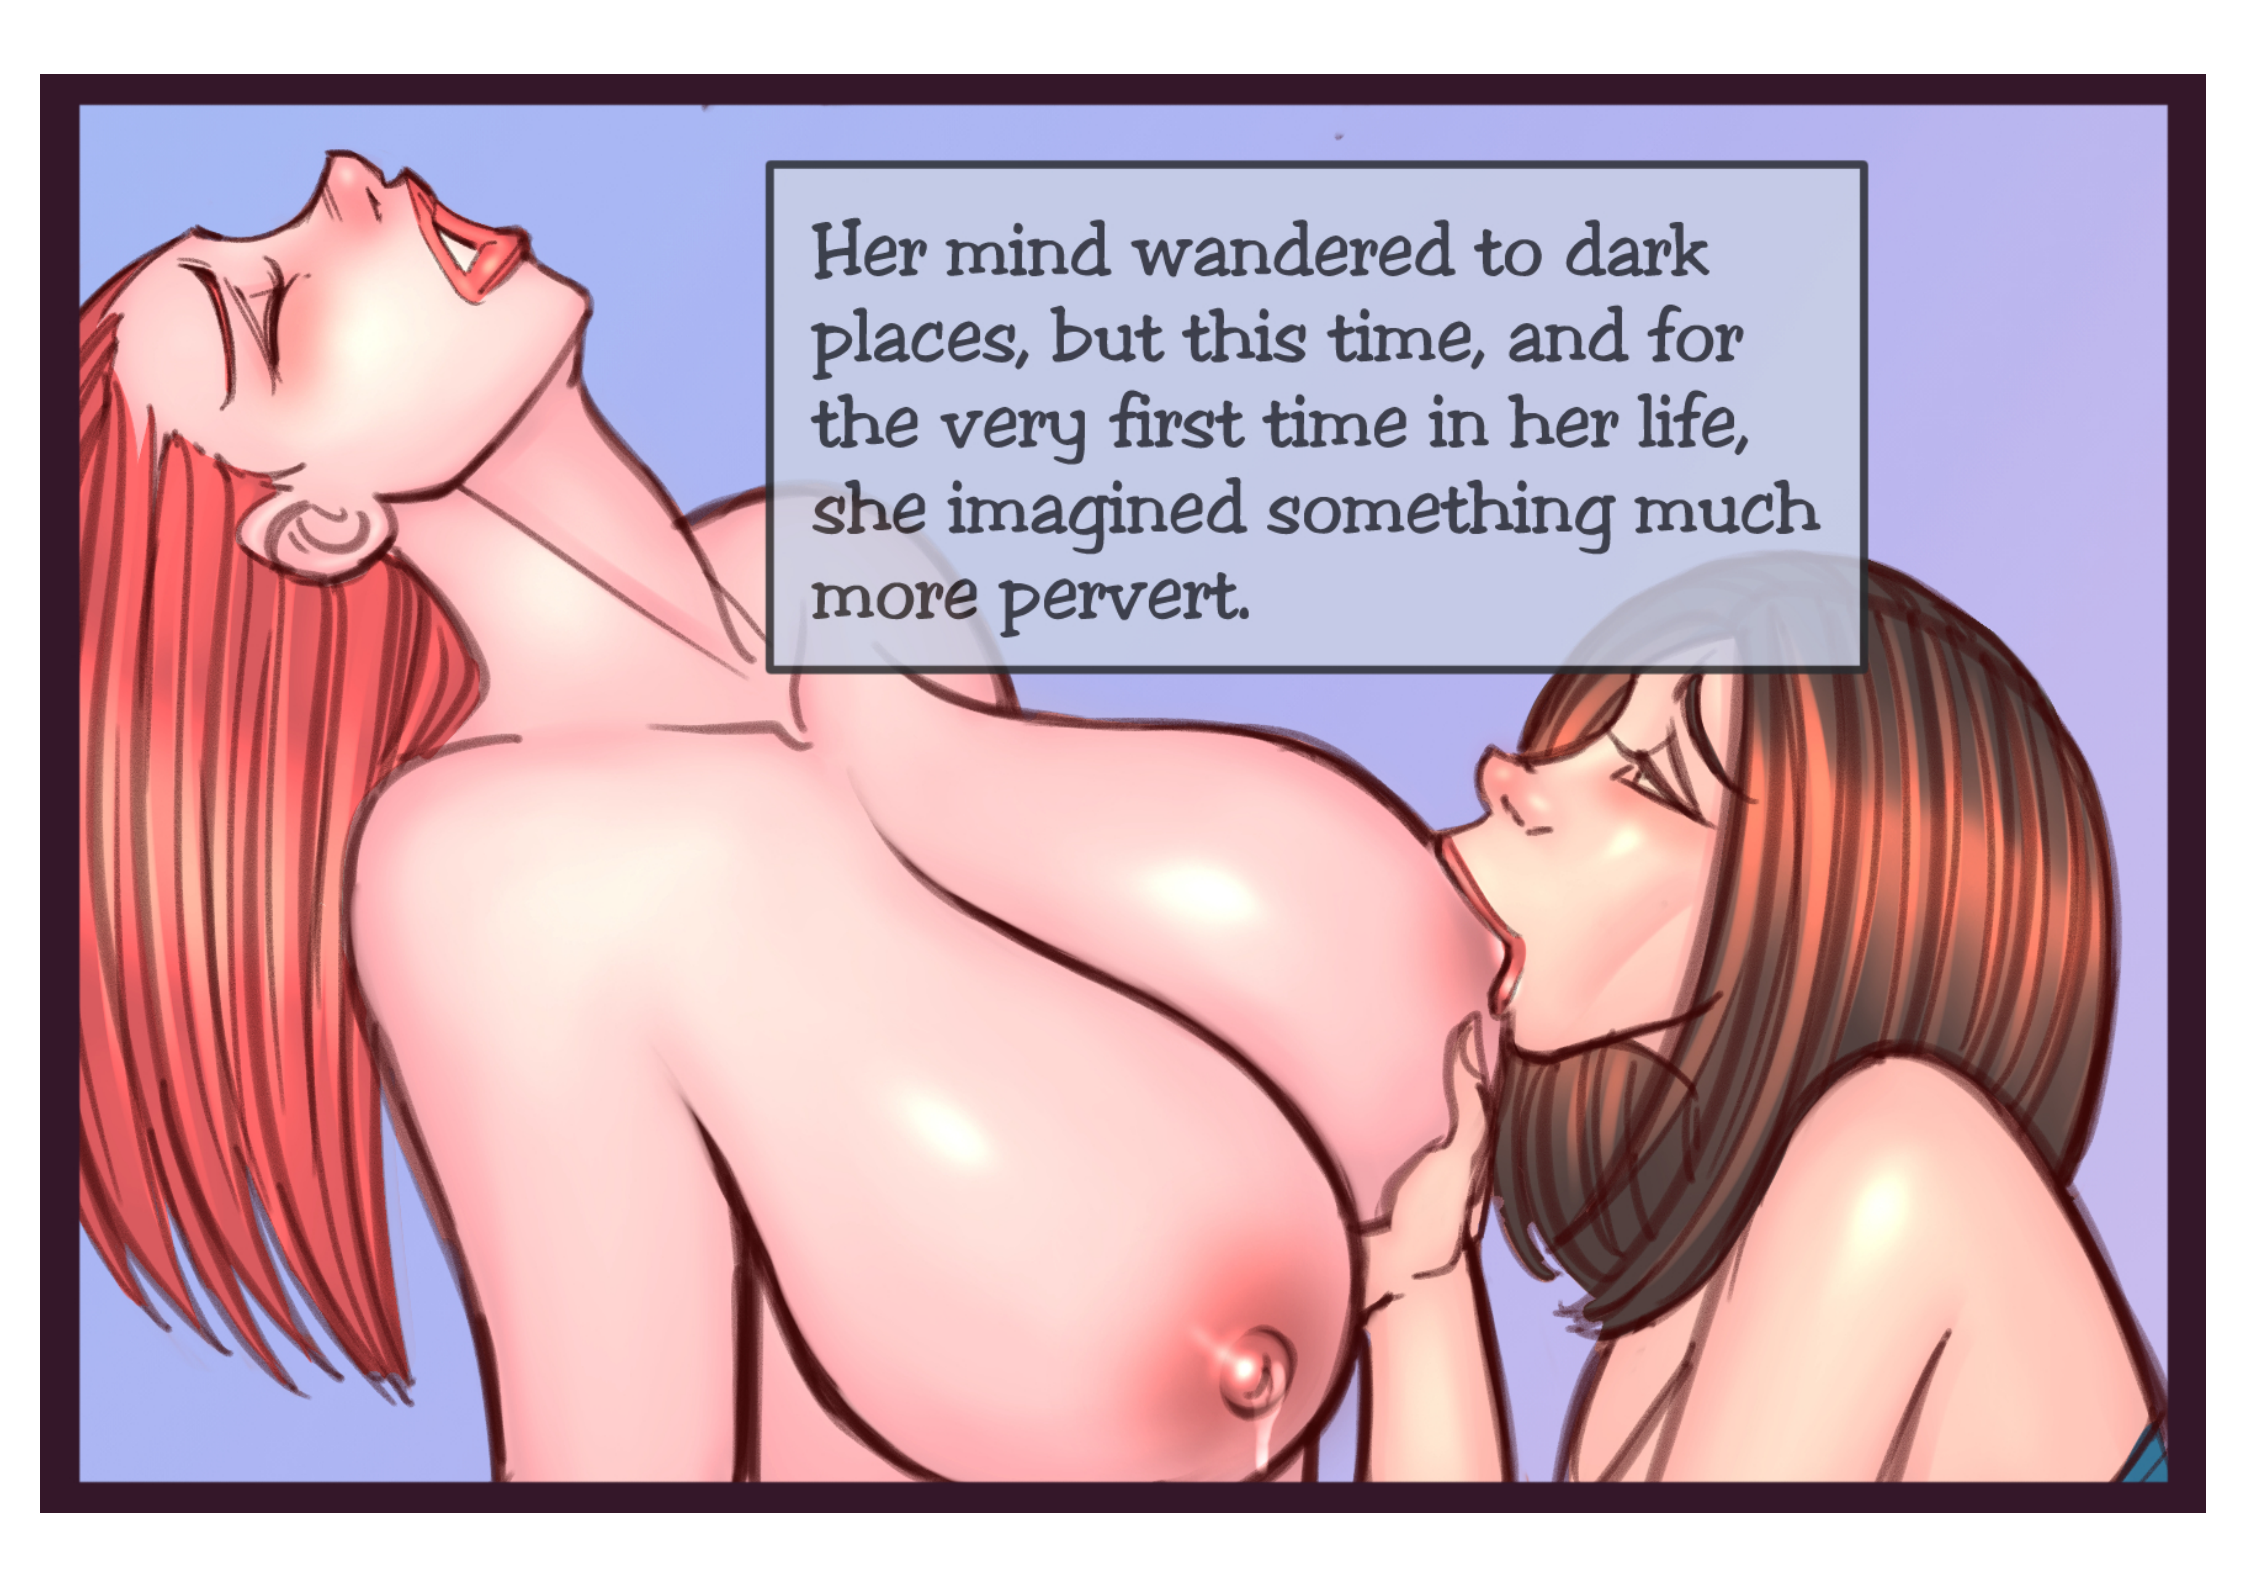

"And your stepson Mark is doing well, but I can tell he's going a bit stir crazy being at home all day. He's an athletic young man, so let him work out."

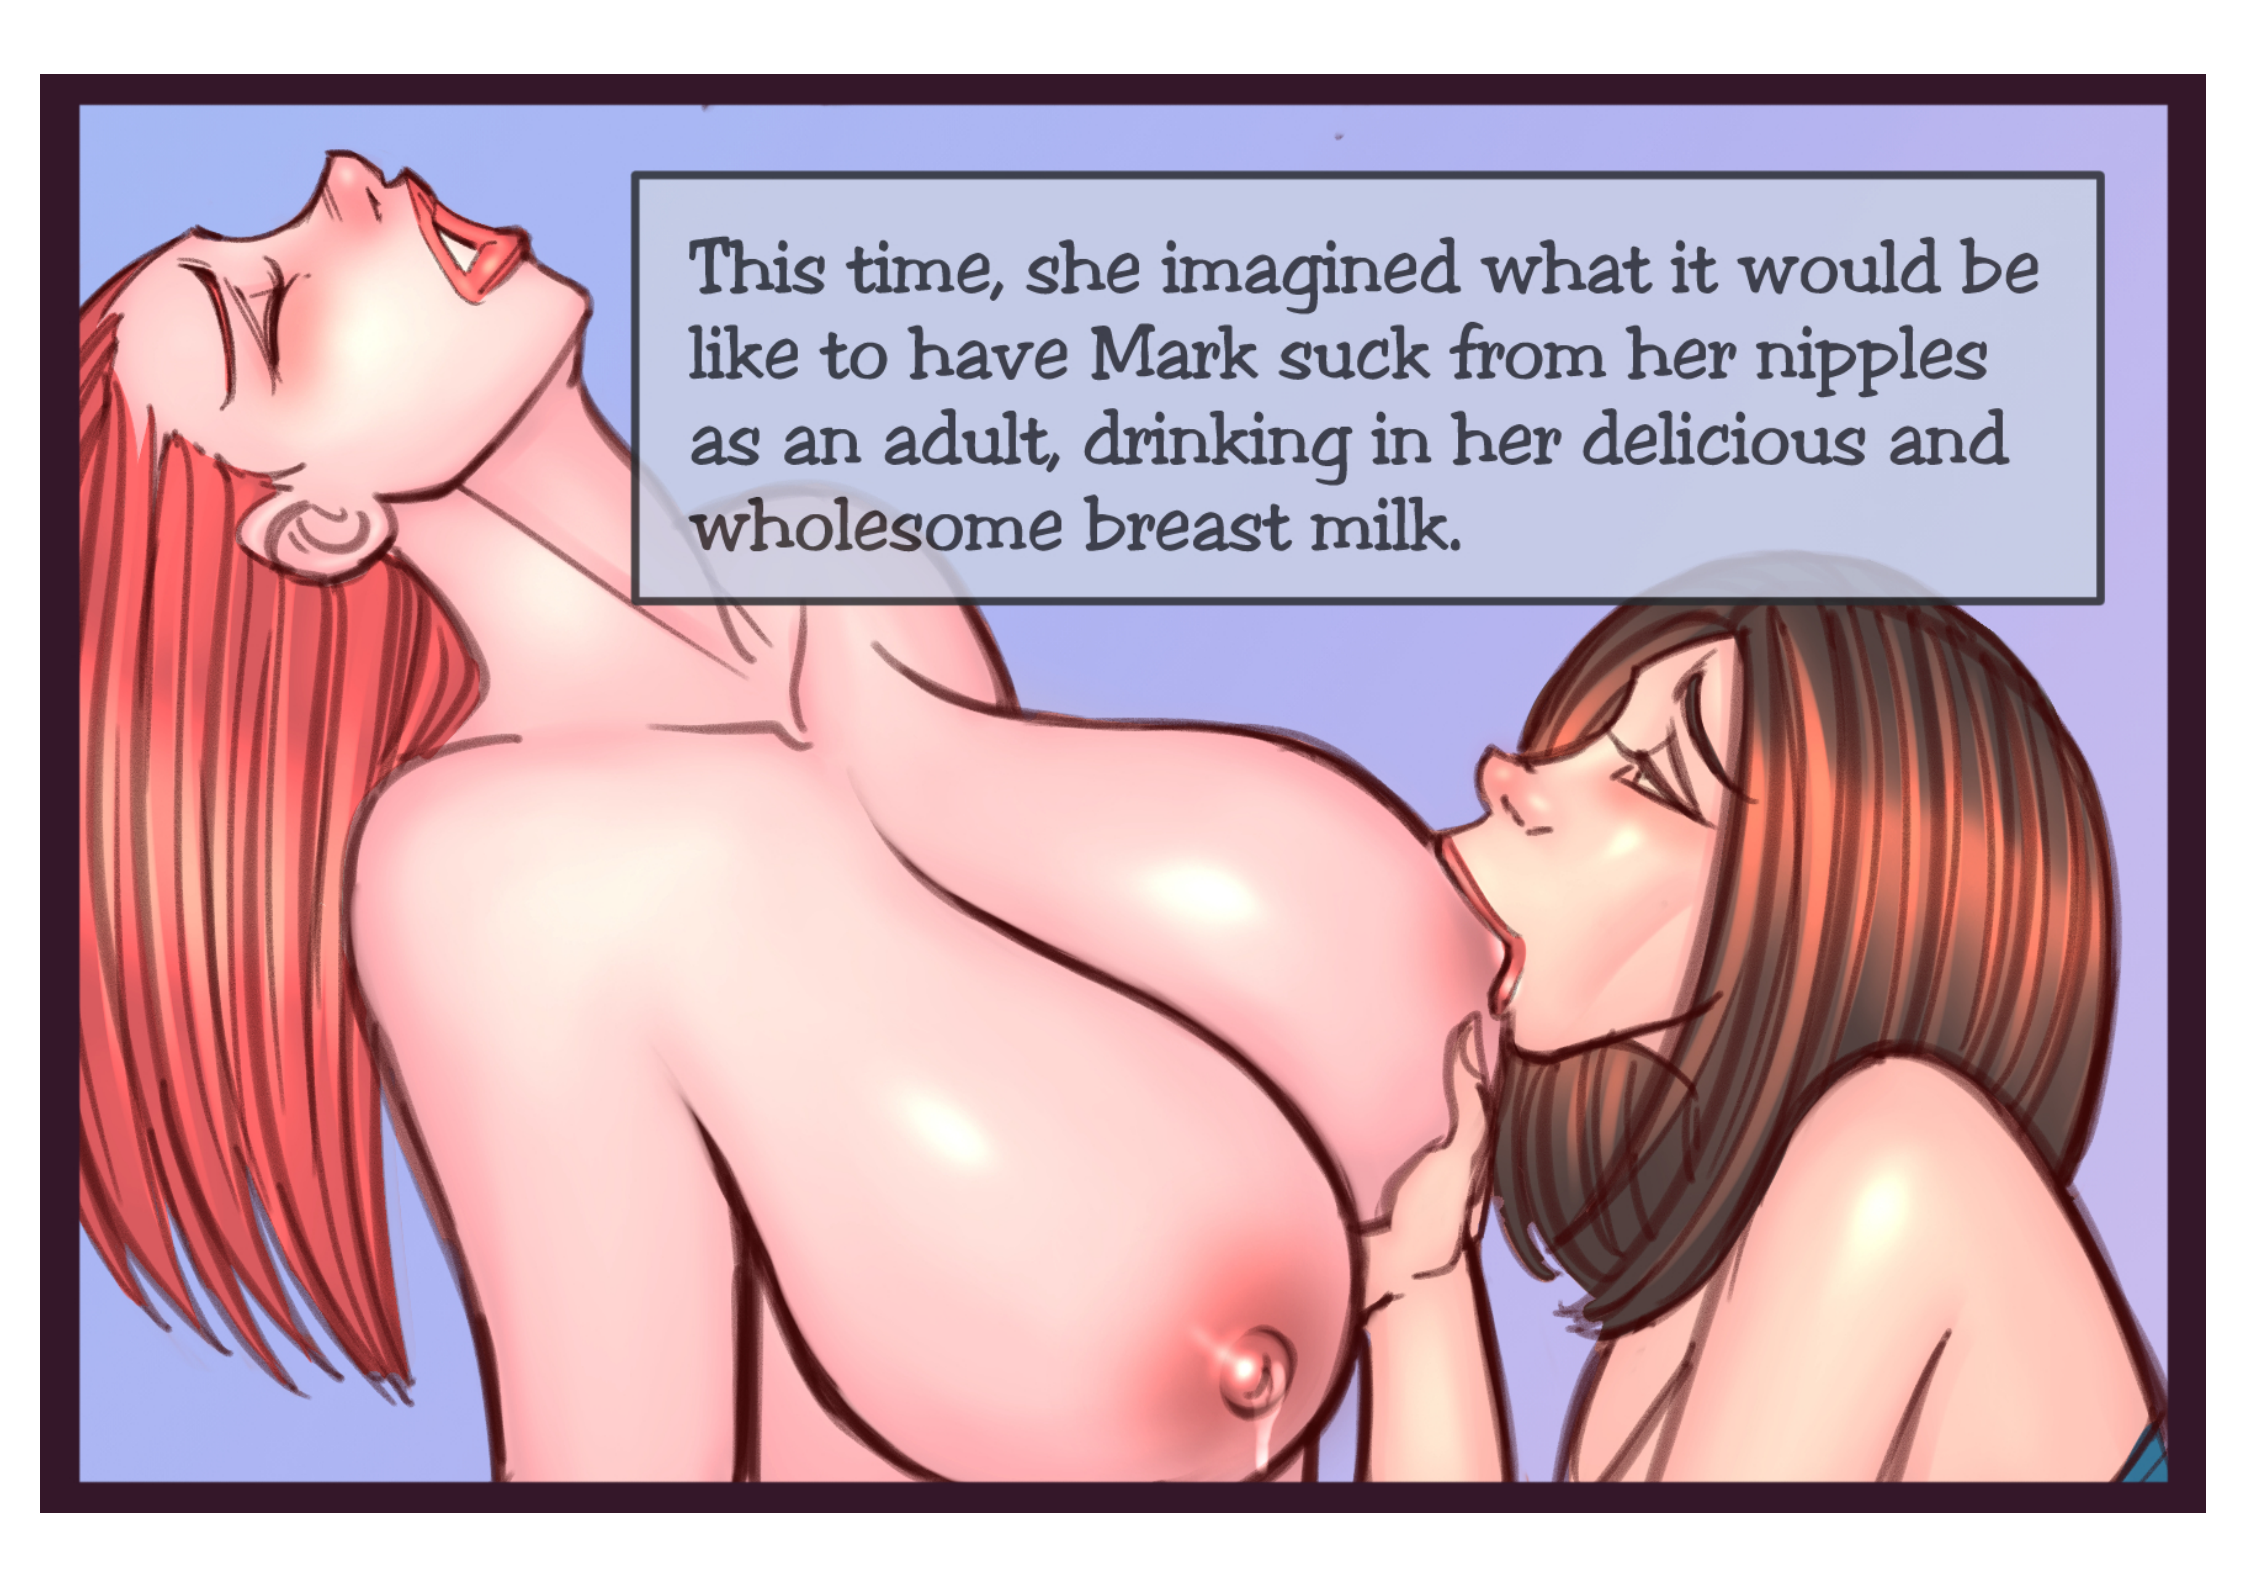

"With me?" Claire laughed.  
"With us. I'll supervise."  
"This is horrible to think  
about," Claire moaned, as  
her lover returned to  
sucking her nipples.

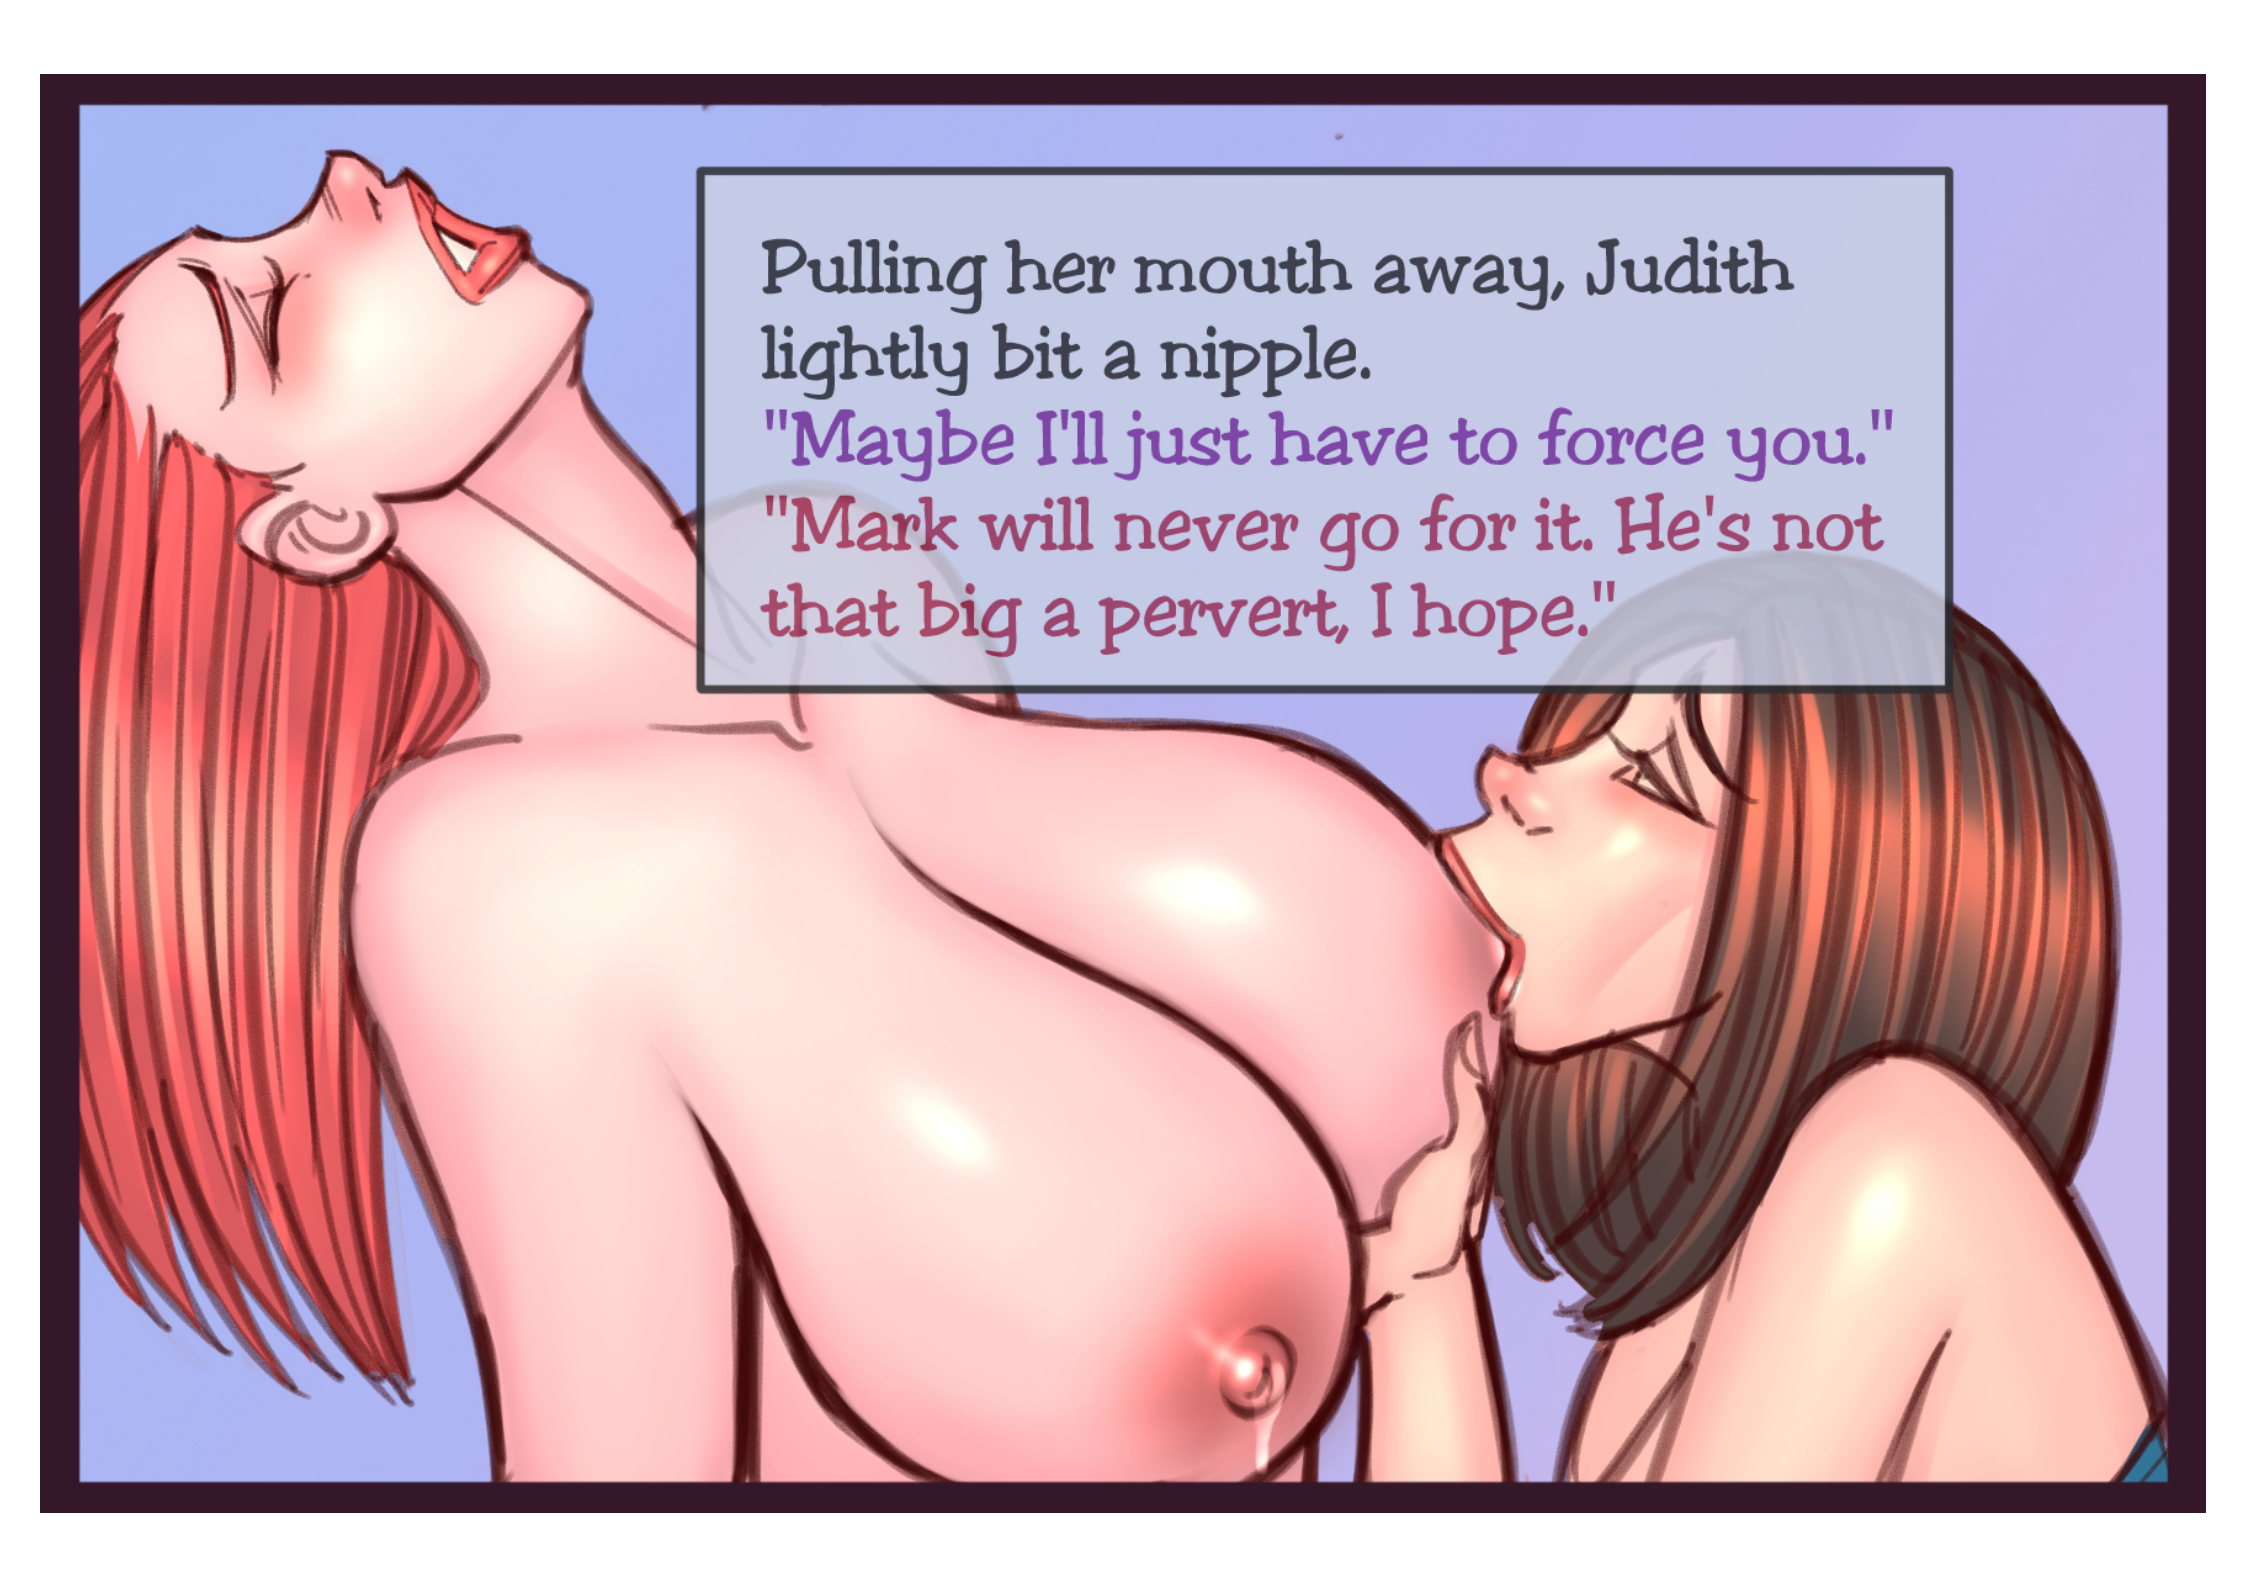

She closed her eyes  
and enjoyed her breasts  
being nursed.

Her mind wandered to dark places, but this time, and for the very first time in her life, she imagined something much more pervert.

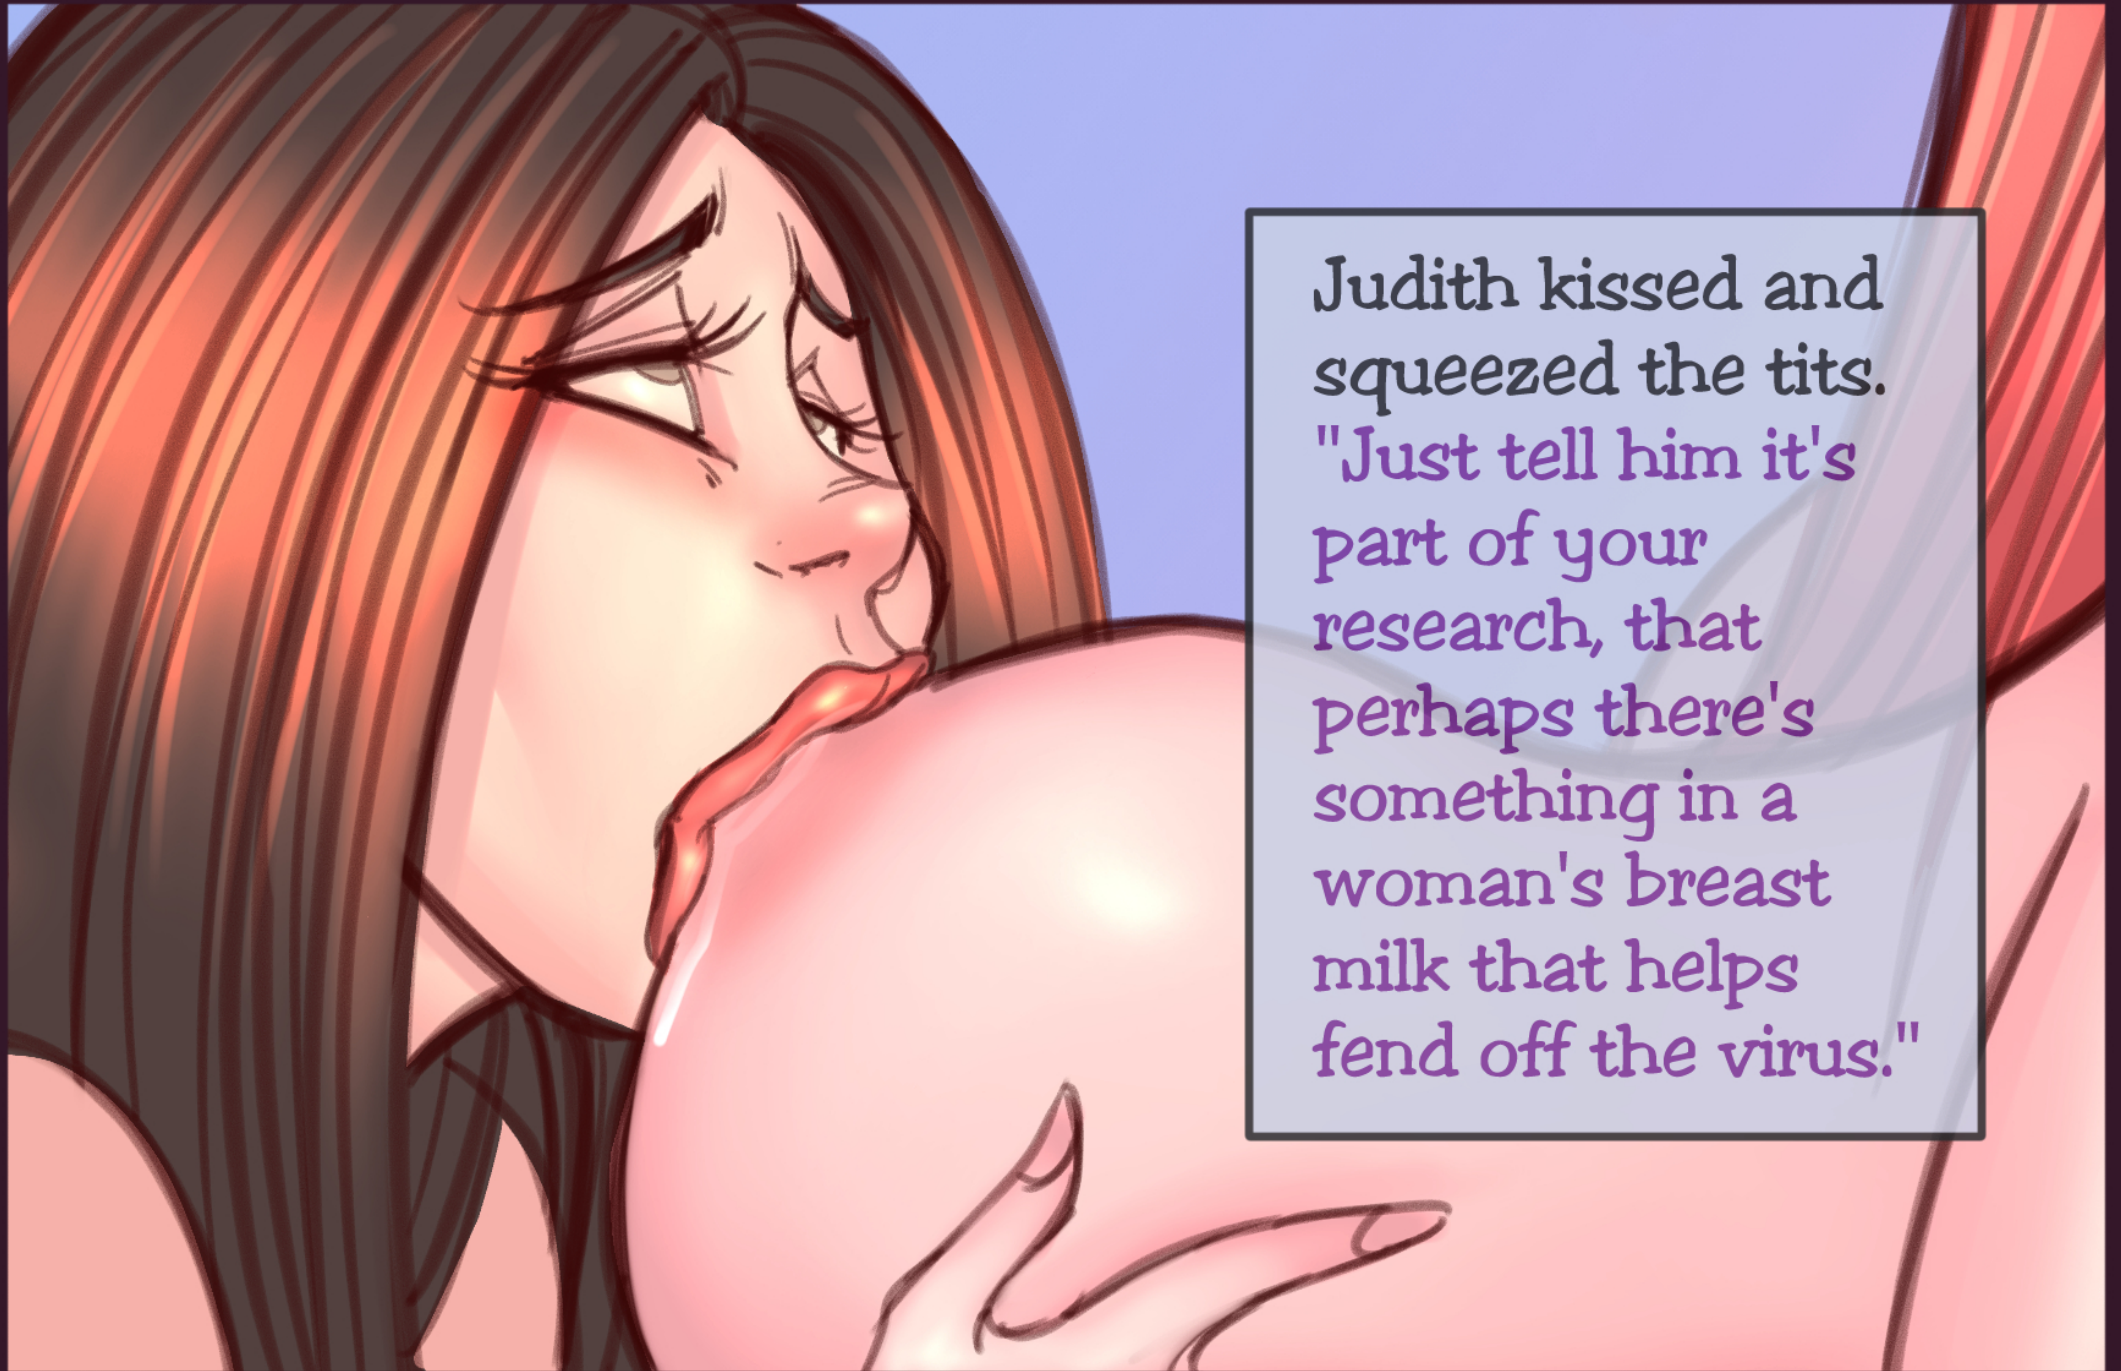

This time, she imagined what it would be like to have Mark suck from her nipples as an adult, drinking in her delicious and wholesome breast milk.

Pulling her mouth away, Judith  
lightly bit a nipple.

"Maybe I'll just have to force you."

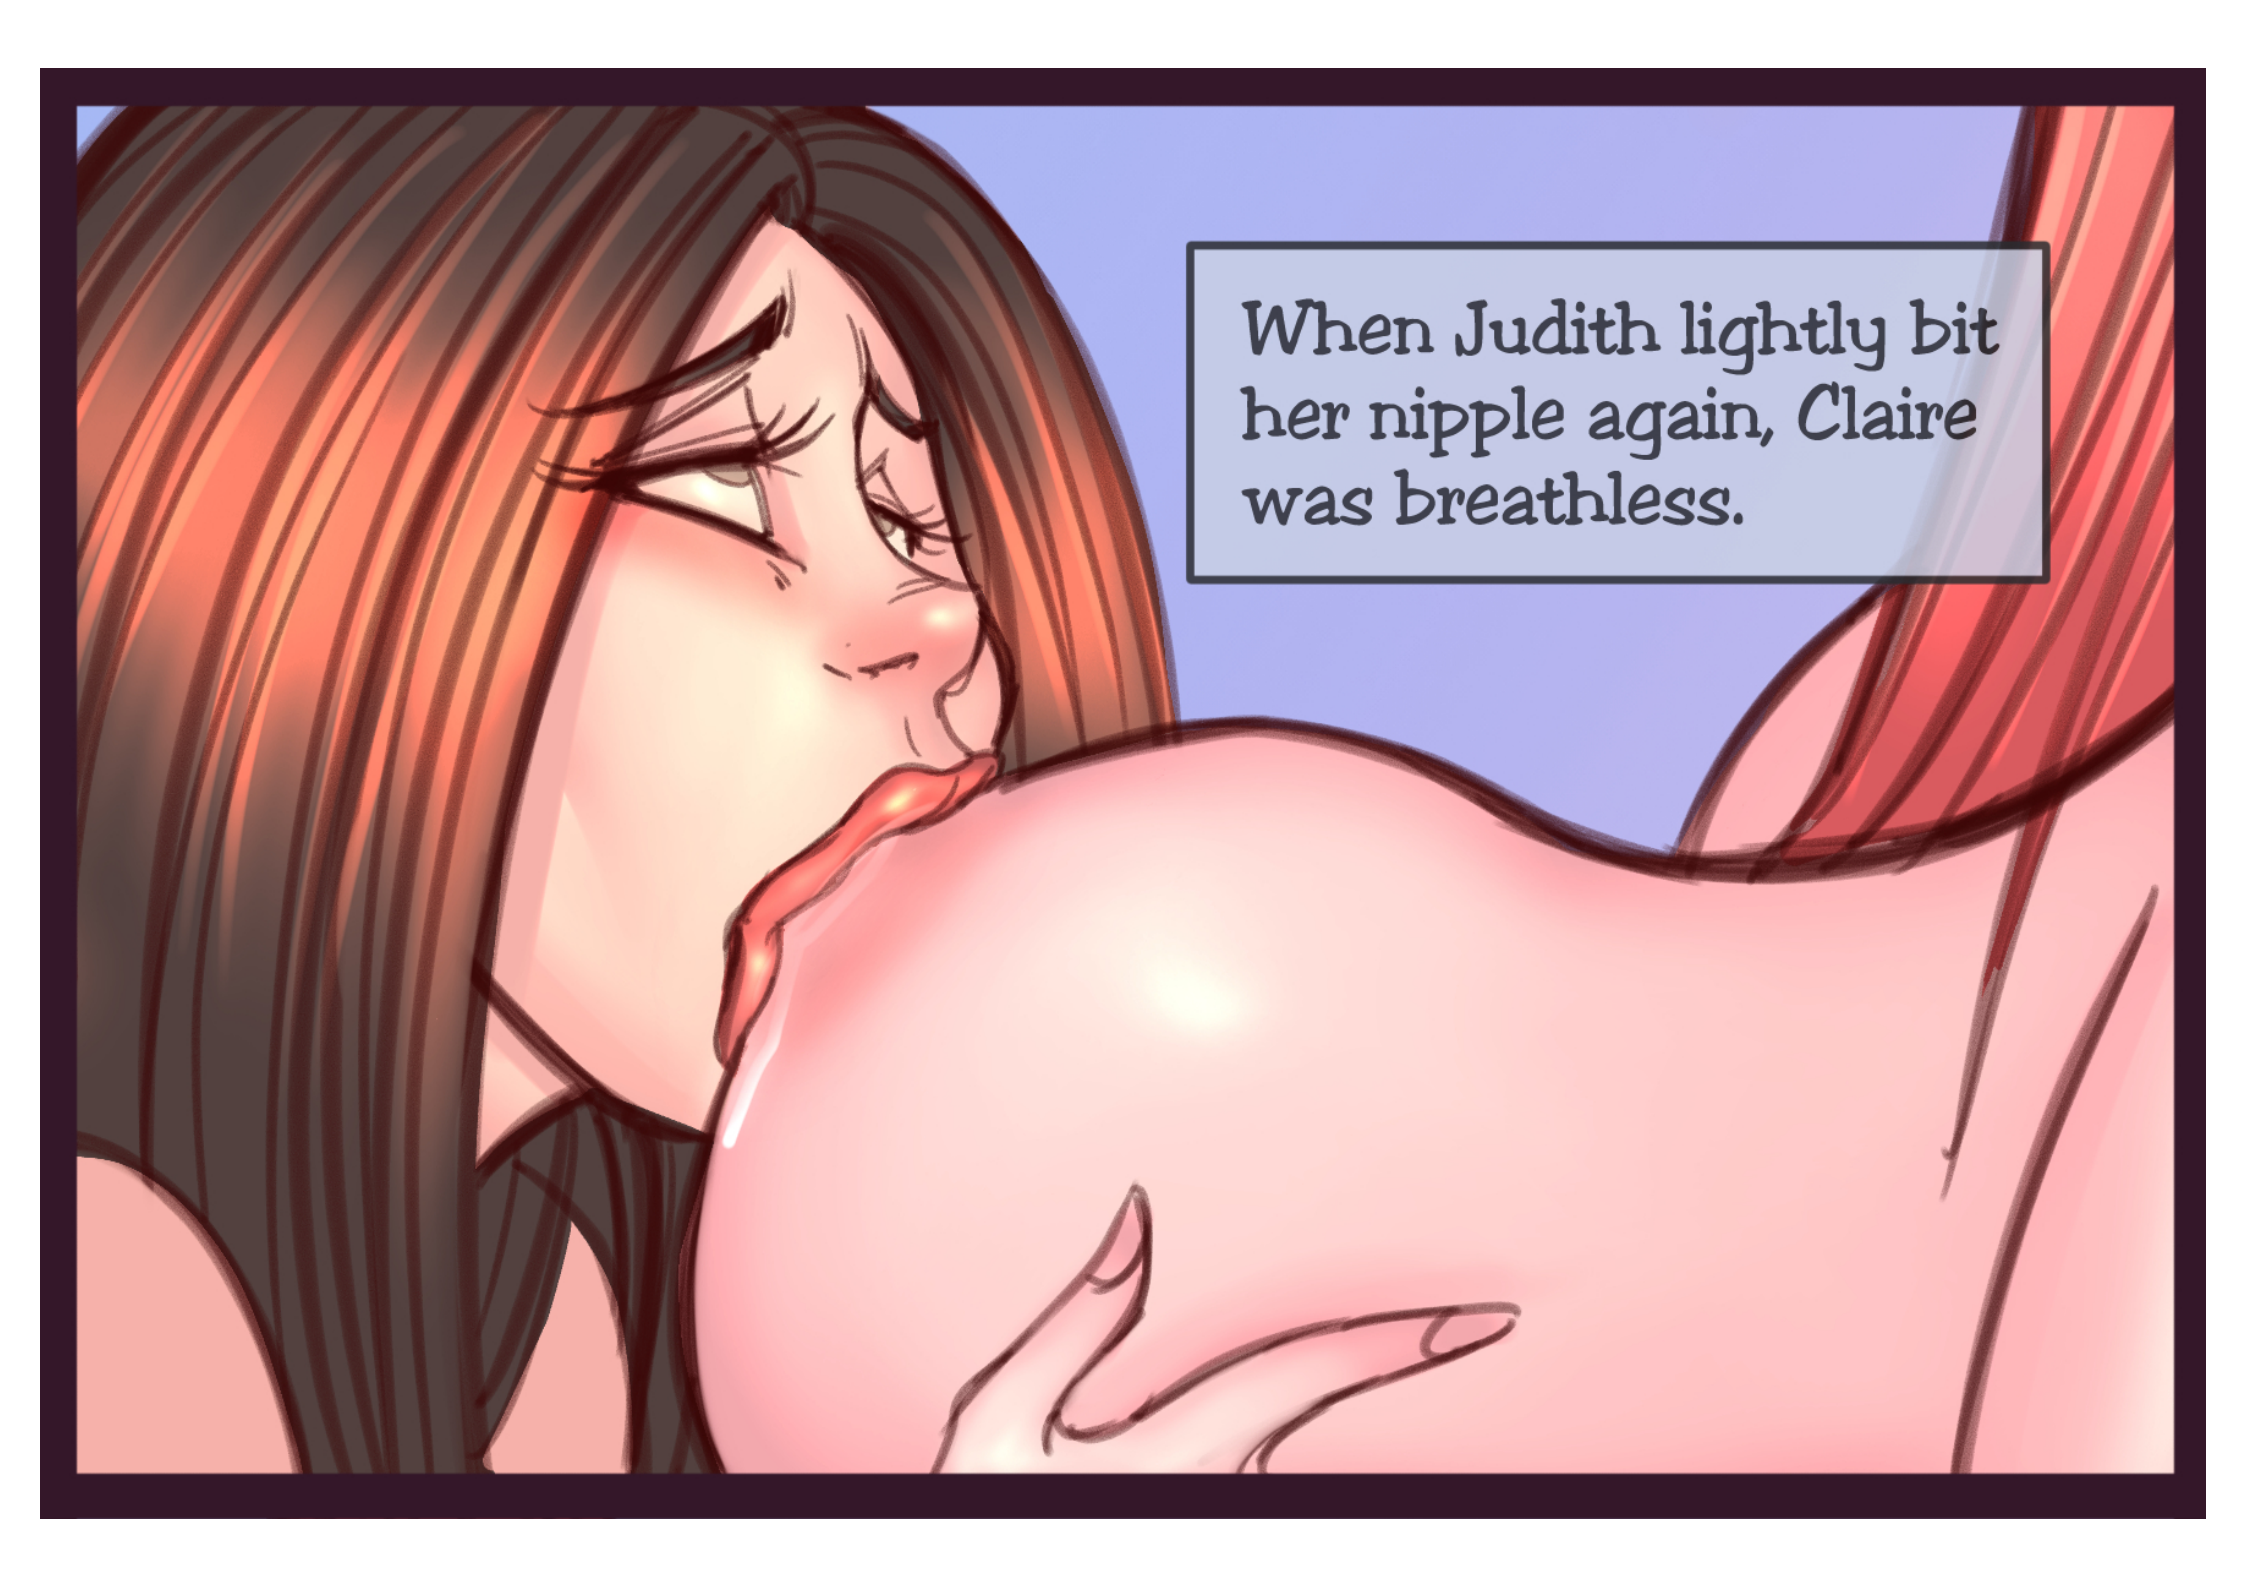

"Mark will never go for it. He's not  
that big a pervert, I hope."

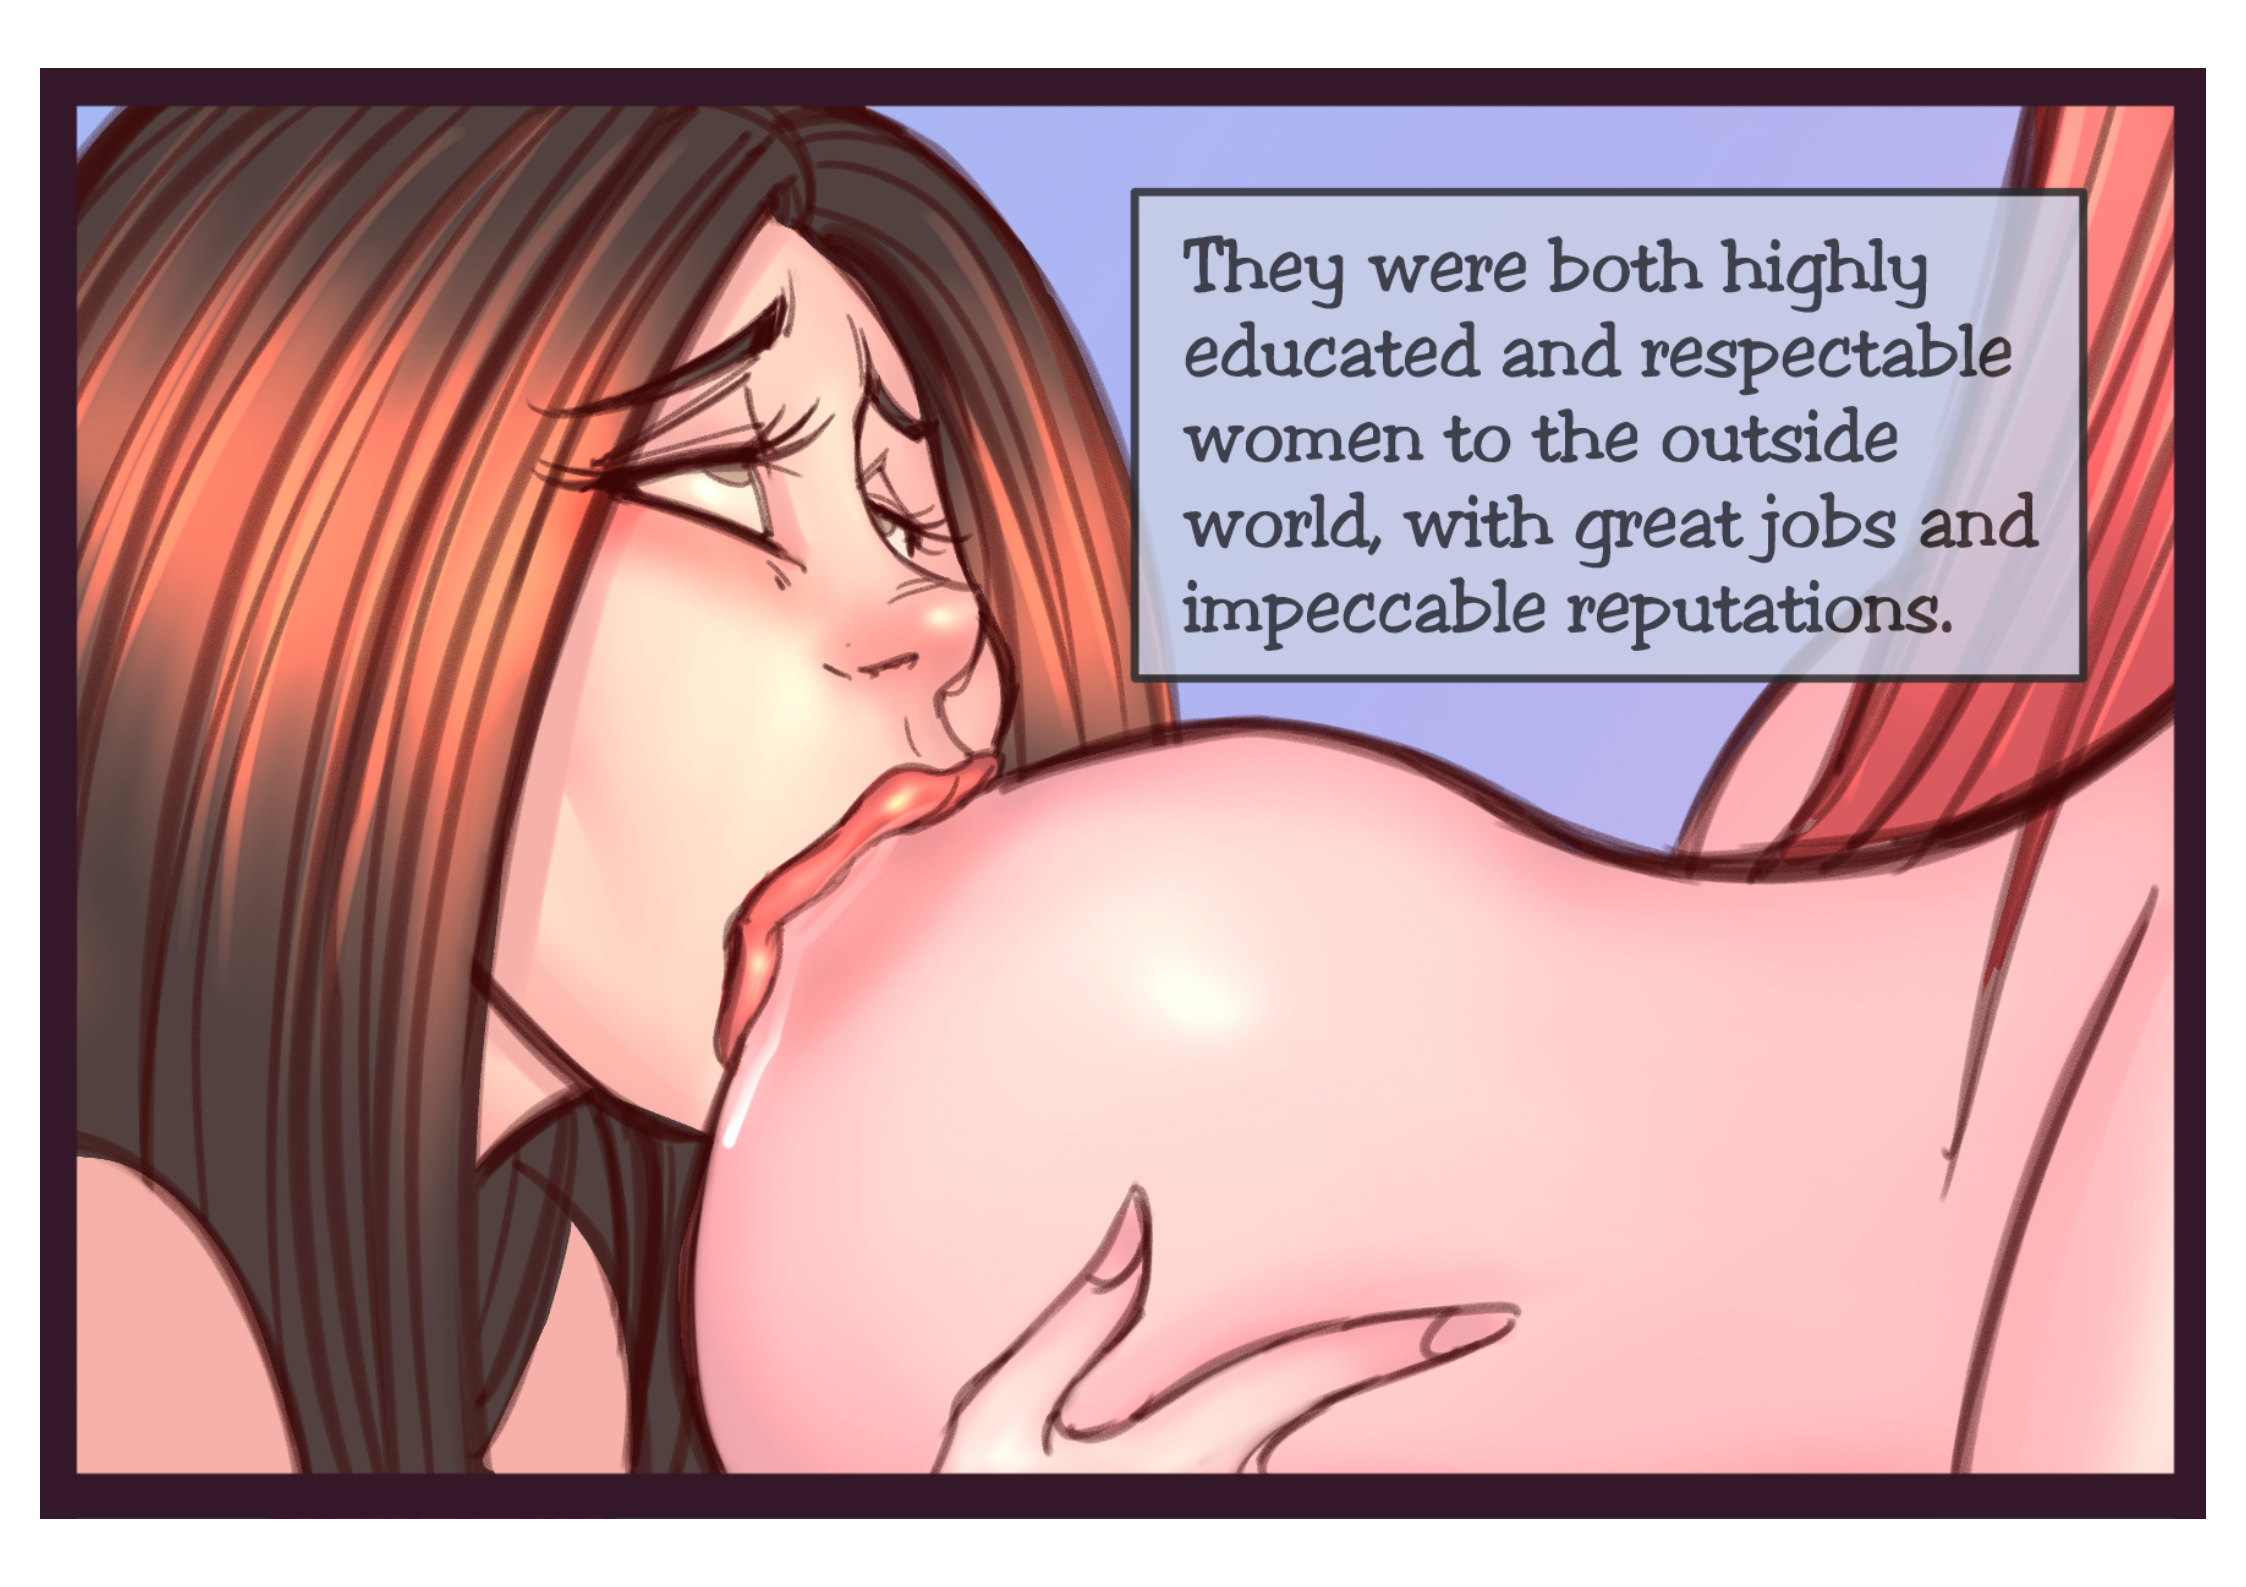

Judith kissed and squeezed the tits. "Just tell him it's part of your research, that perhaps there's something in a woman's breast milk that helps fend off the virus."

A close-up illustration of a woman with long, dark brown hair. She is shown from the chest up, wearing a dark green top. Her eyes are closed, and she has a gentle smile as she kisses her bare, pregnant belly. Her hand is resting on her belly. The background is a soft, light blue. A speech bubble is positioned in the upper right quadrant of the image.

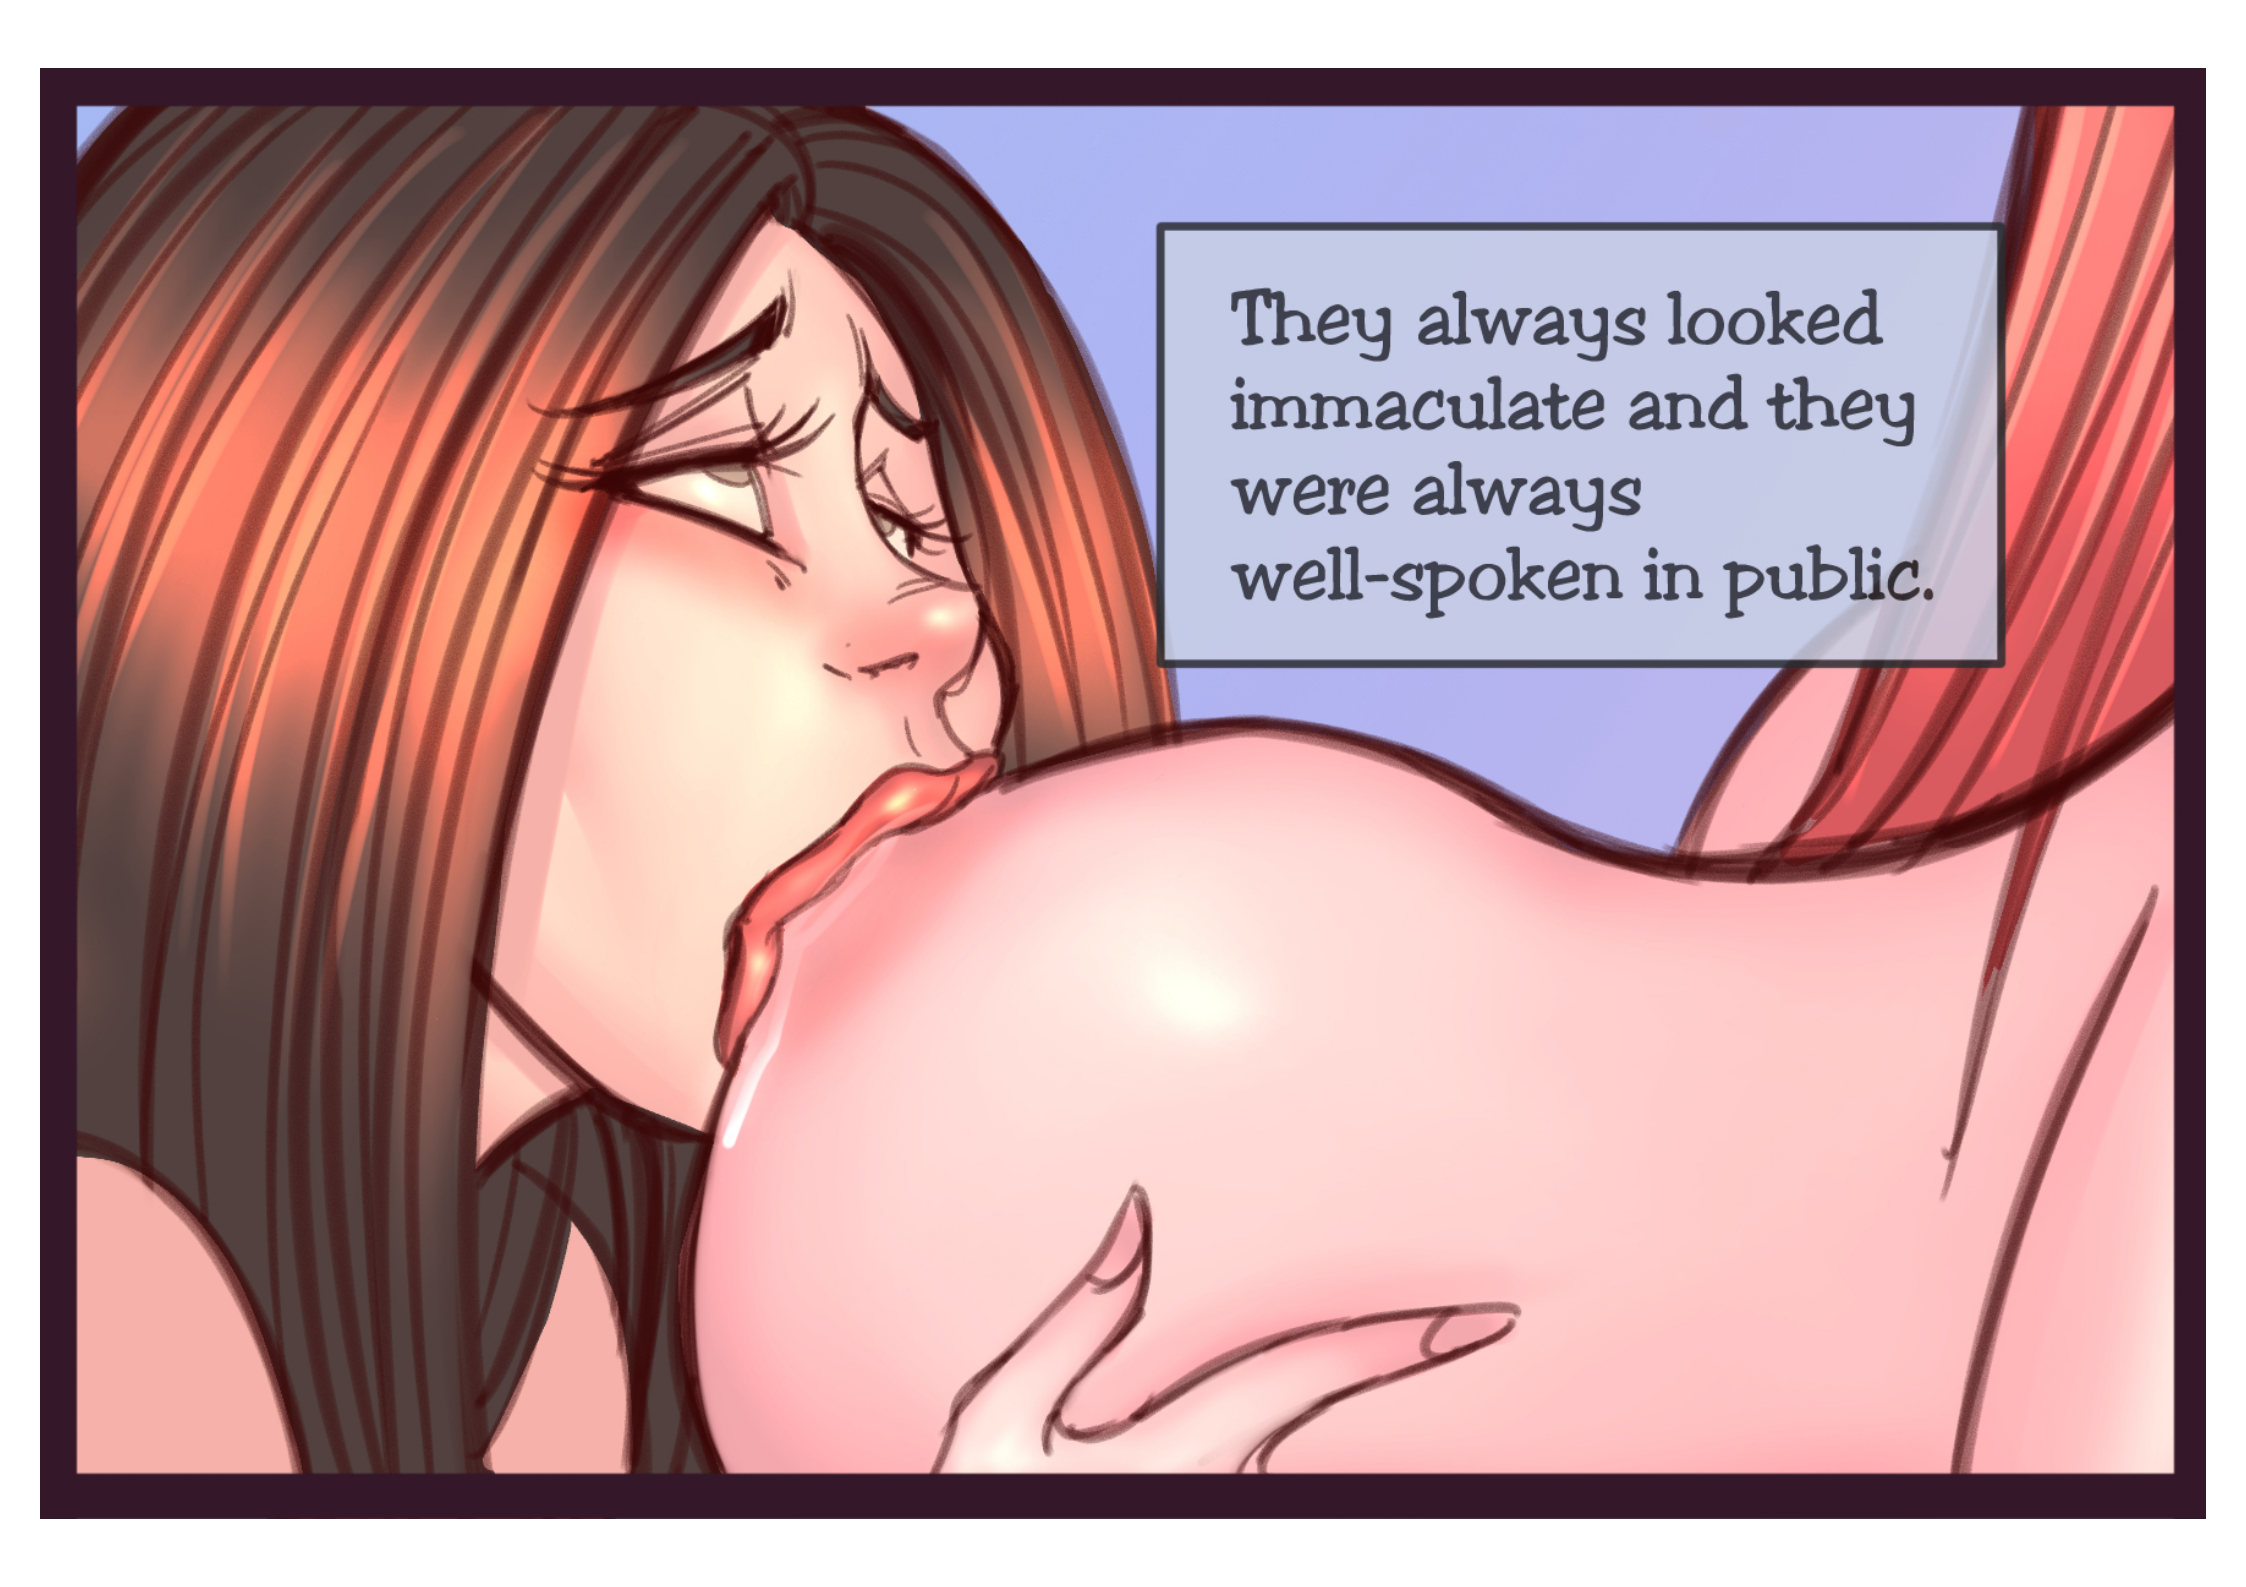

"I know your breast milk has kept my immune system strong for many incredible years."

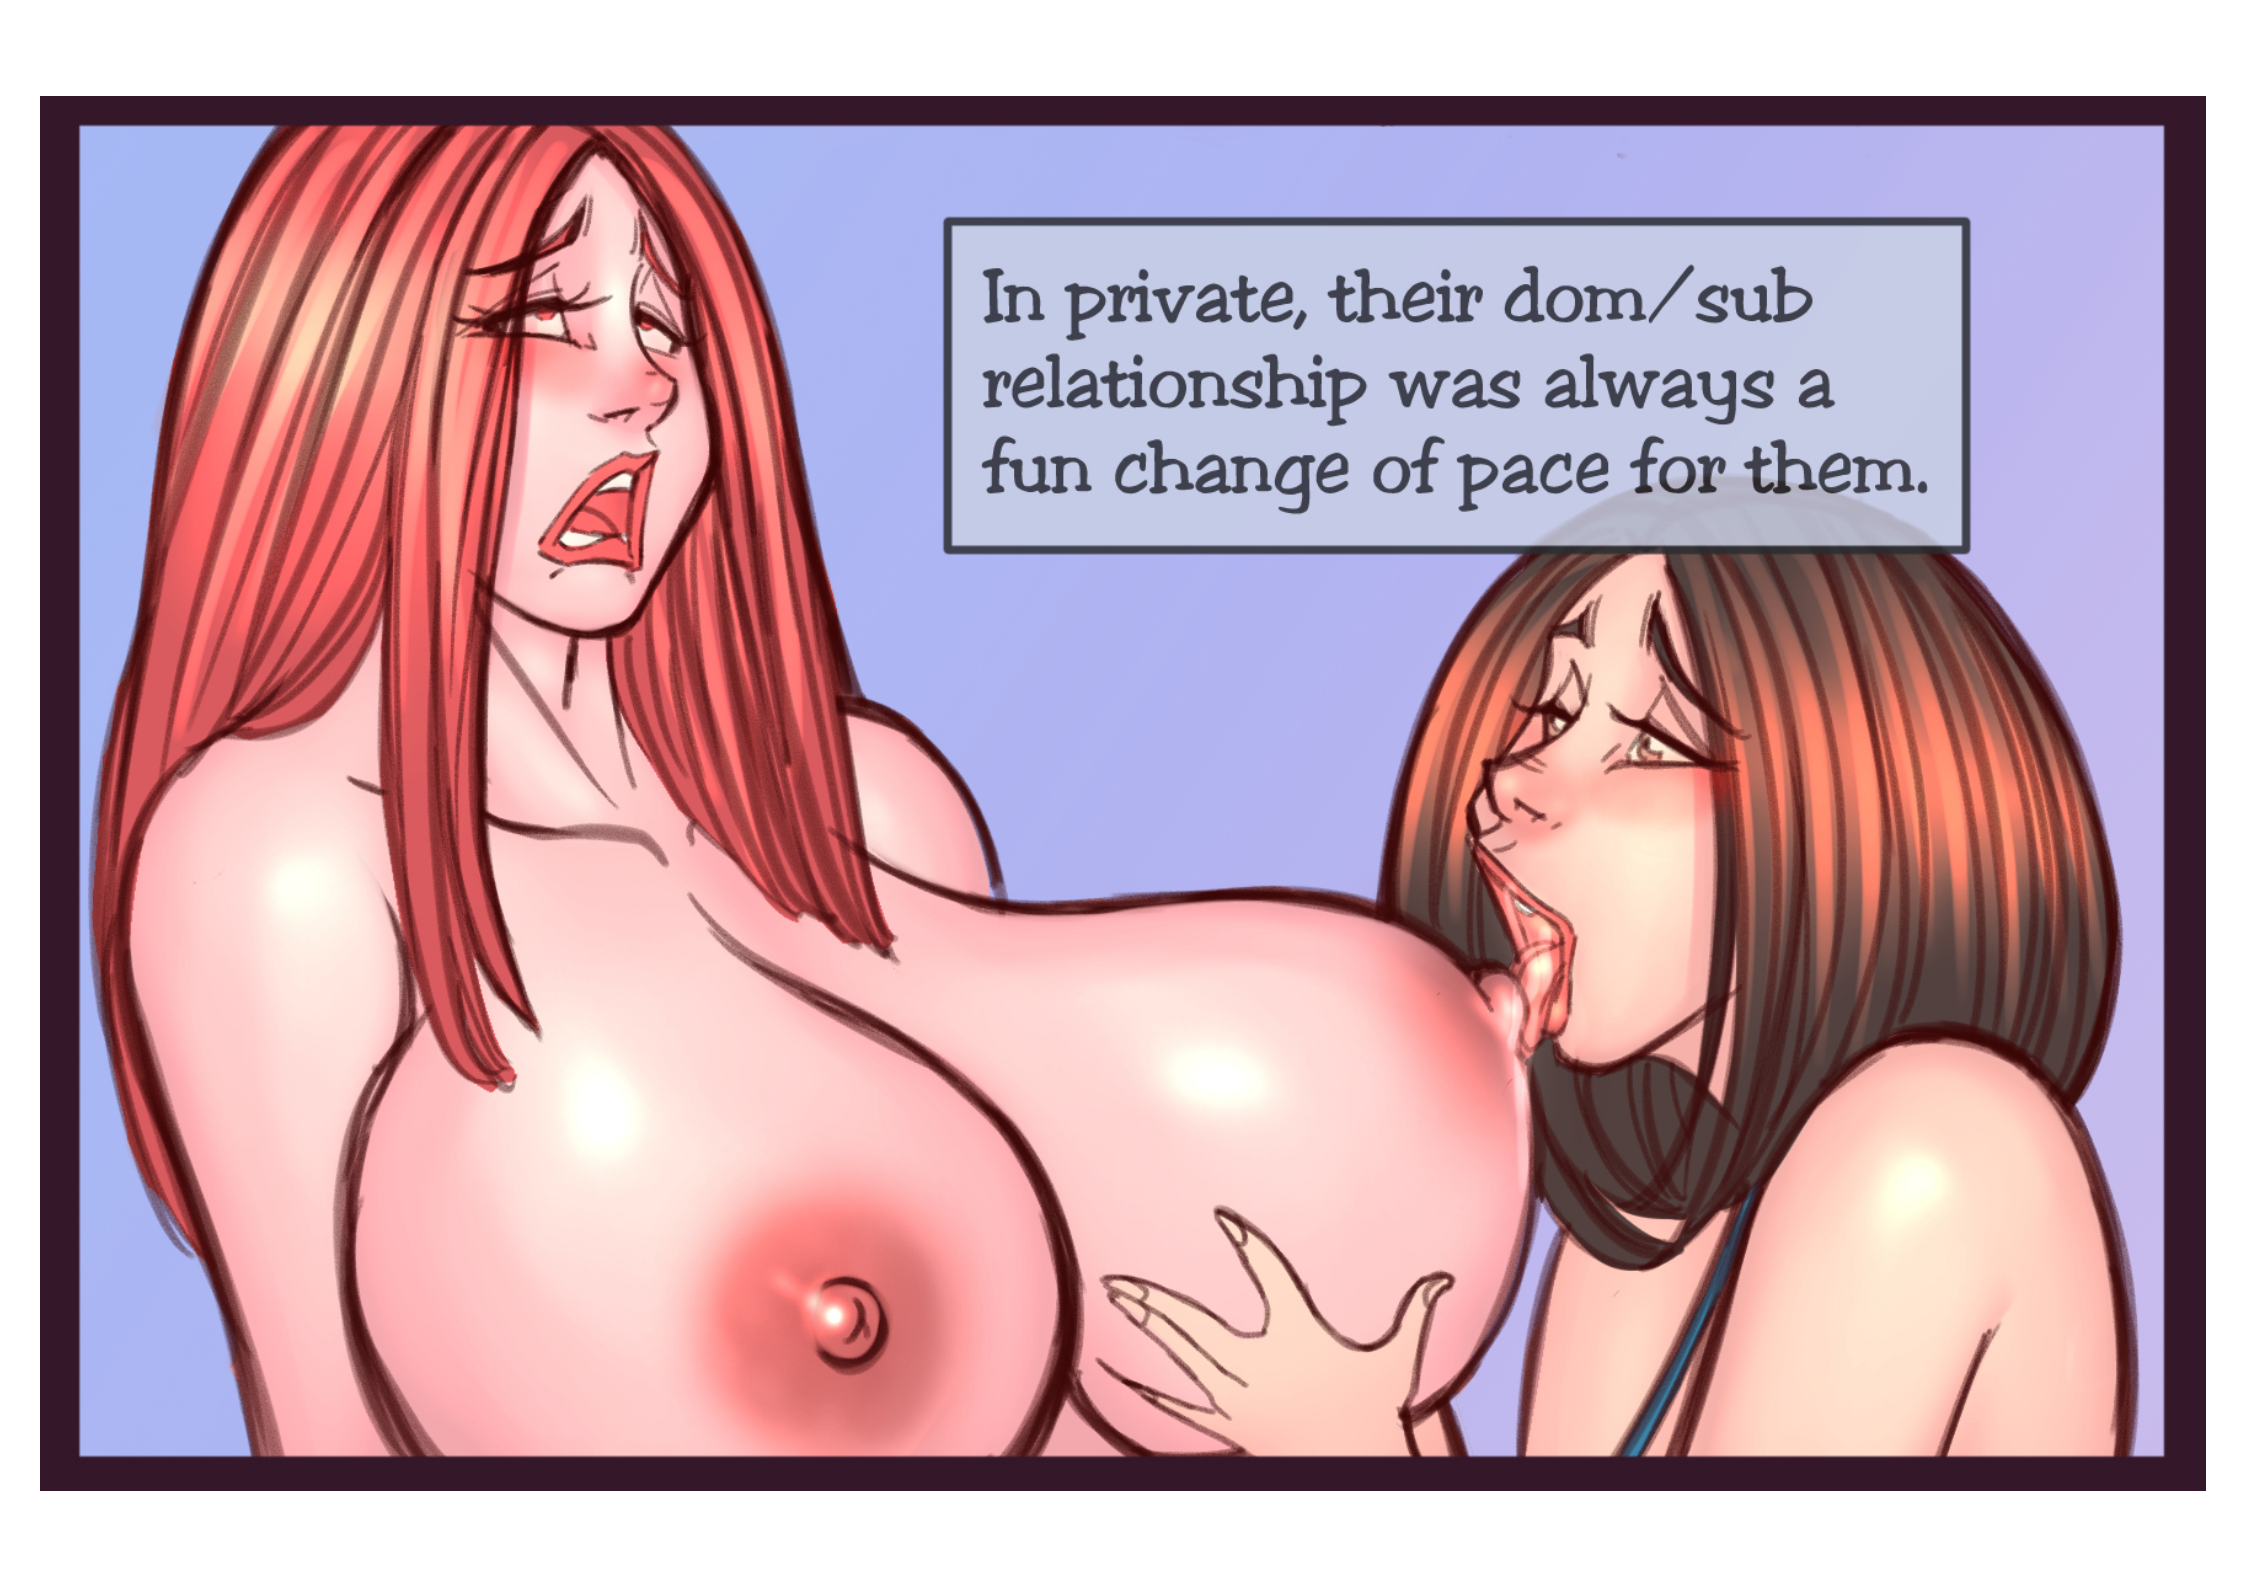

When Judith lightly bit her nipple again, Claire was breathless.

A close-up illustration of a woman with long, dark, wavy hair. She is shown in profile, leaning forward to kiss a pregnant belly. Her eyes are closed, and her expression is one of affection. The background is a soft, light blue. A speech bubble is positioned in the upper right quadrant of the image.

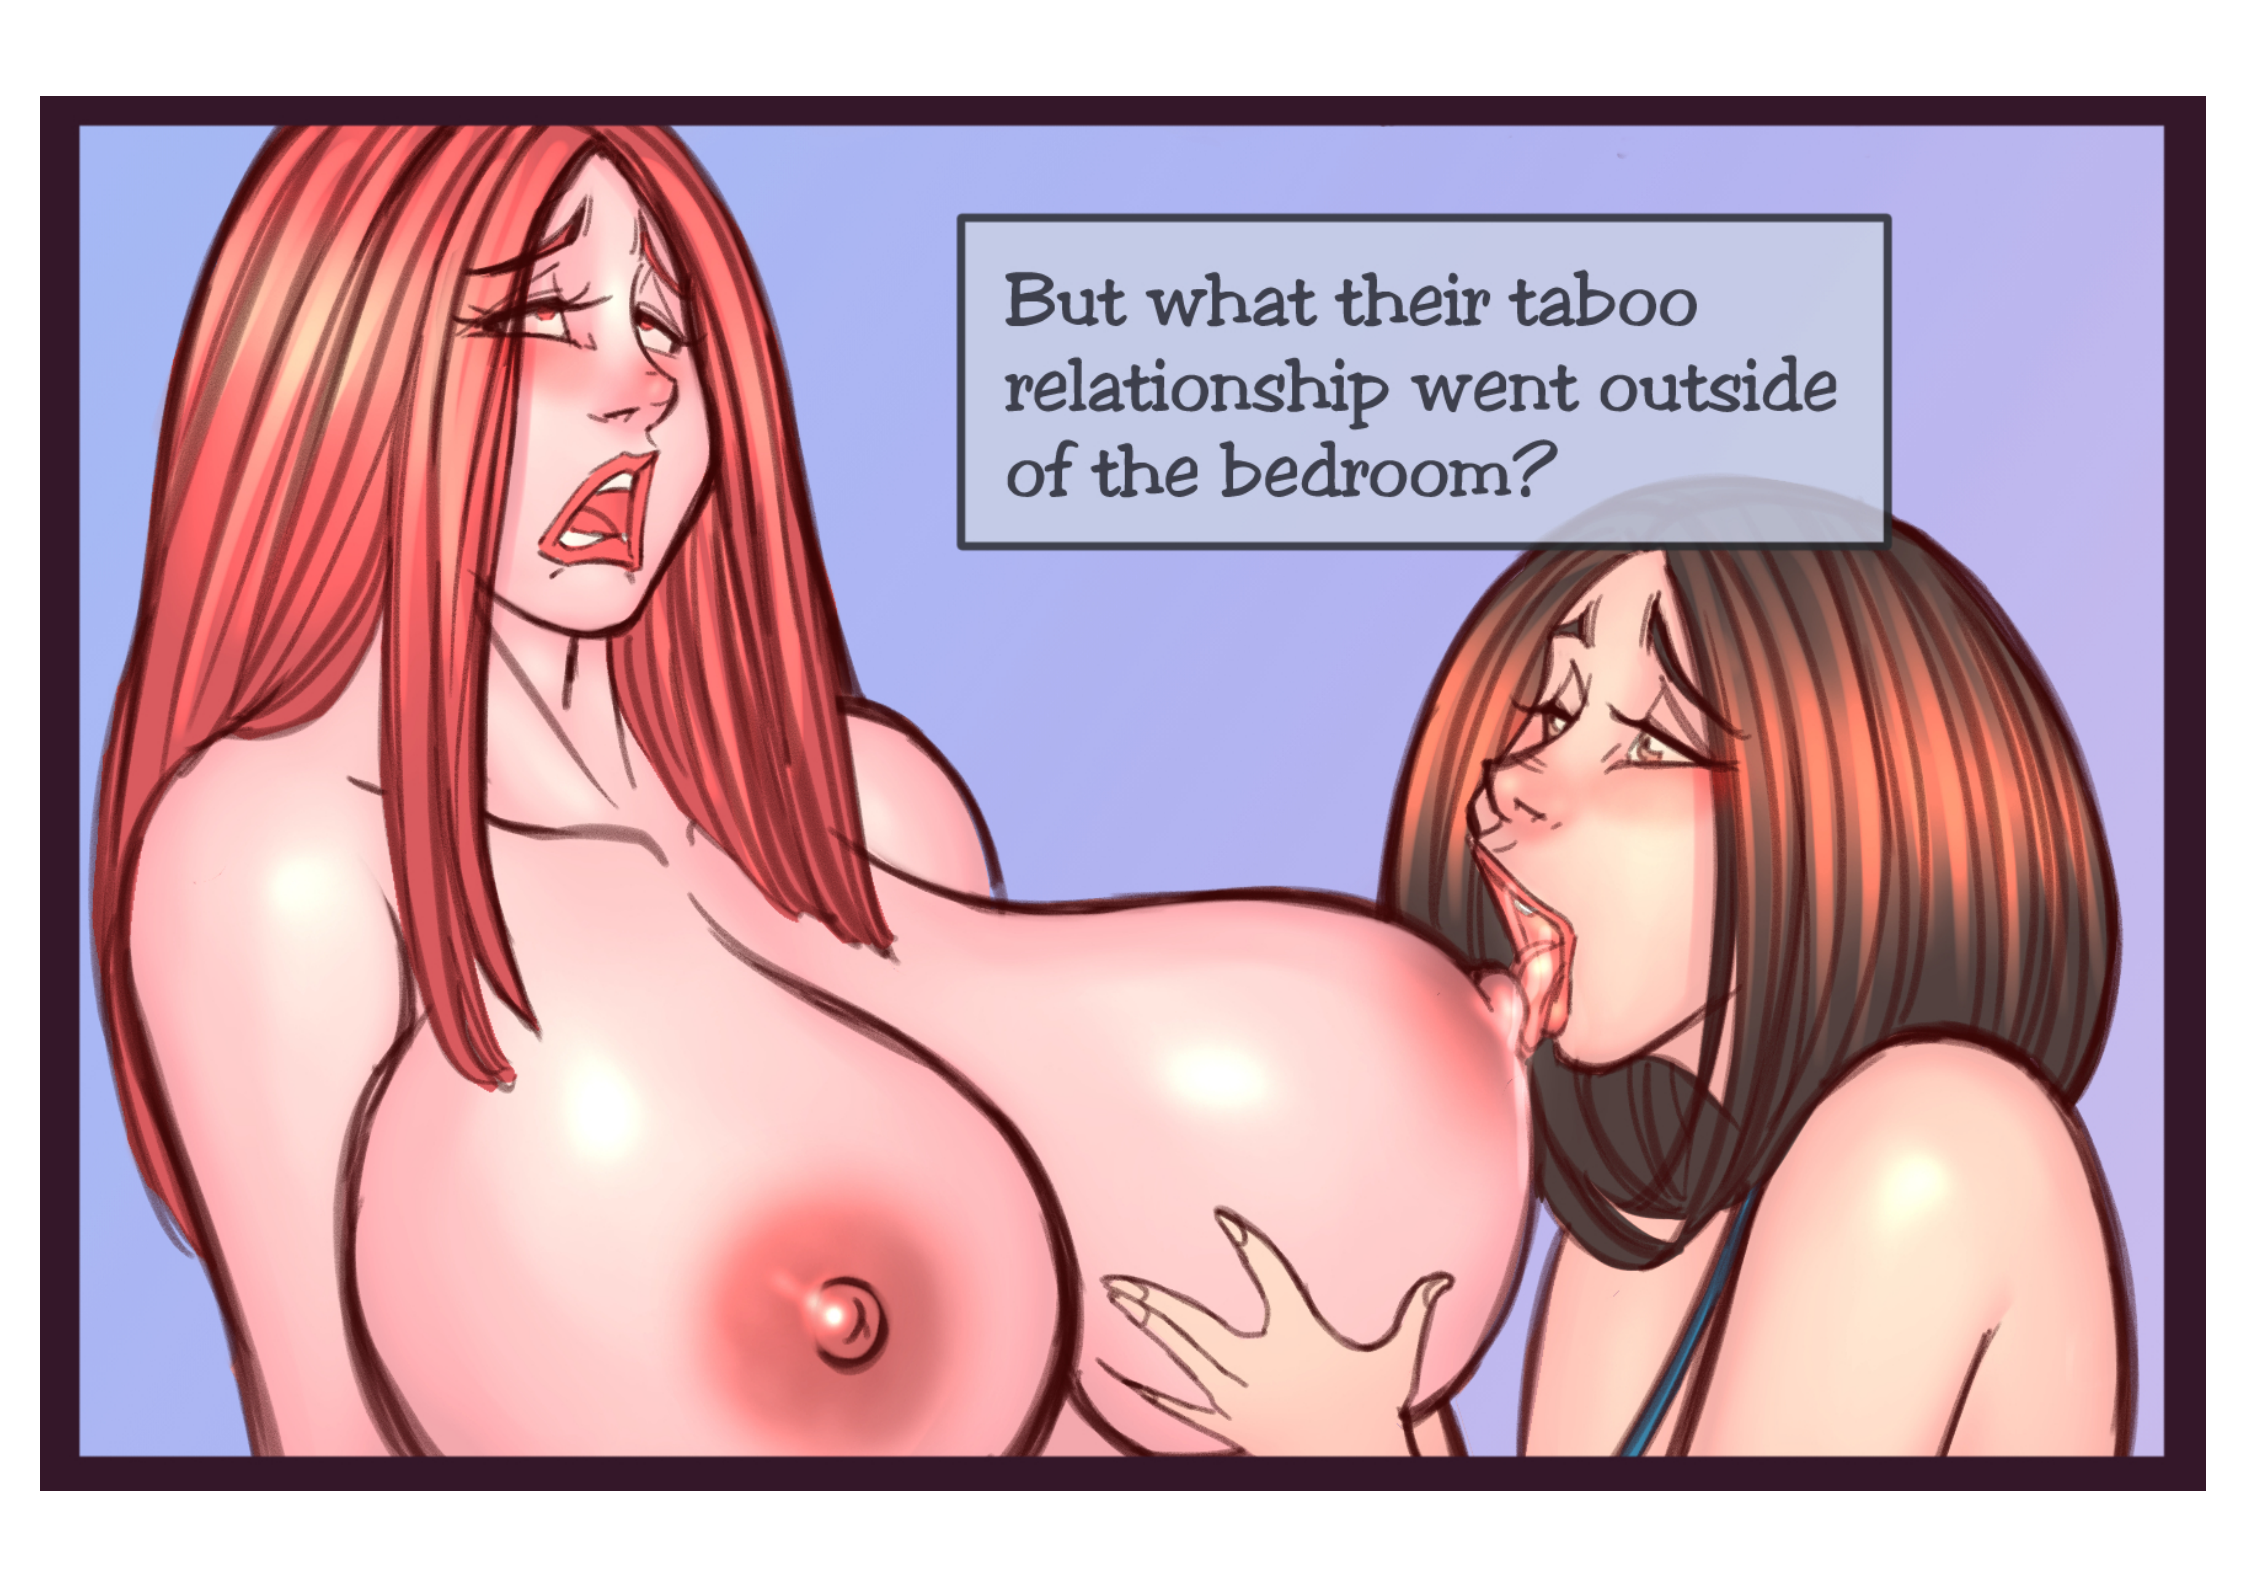

They were both highly educated and respectable women to the outside world, with great jobs and impeccable reputations.

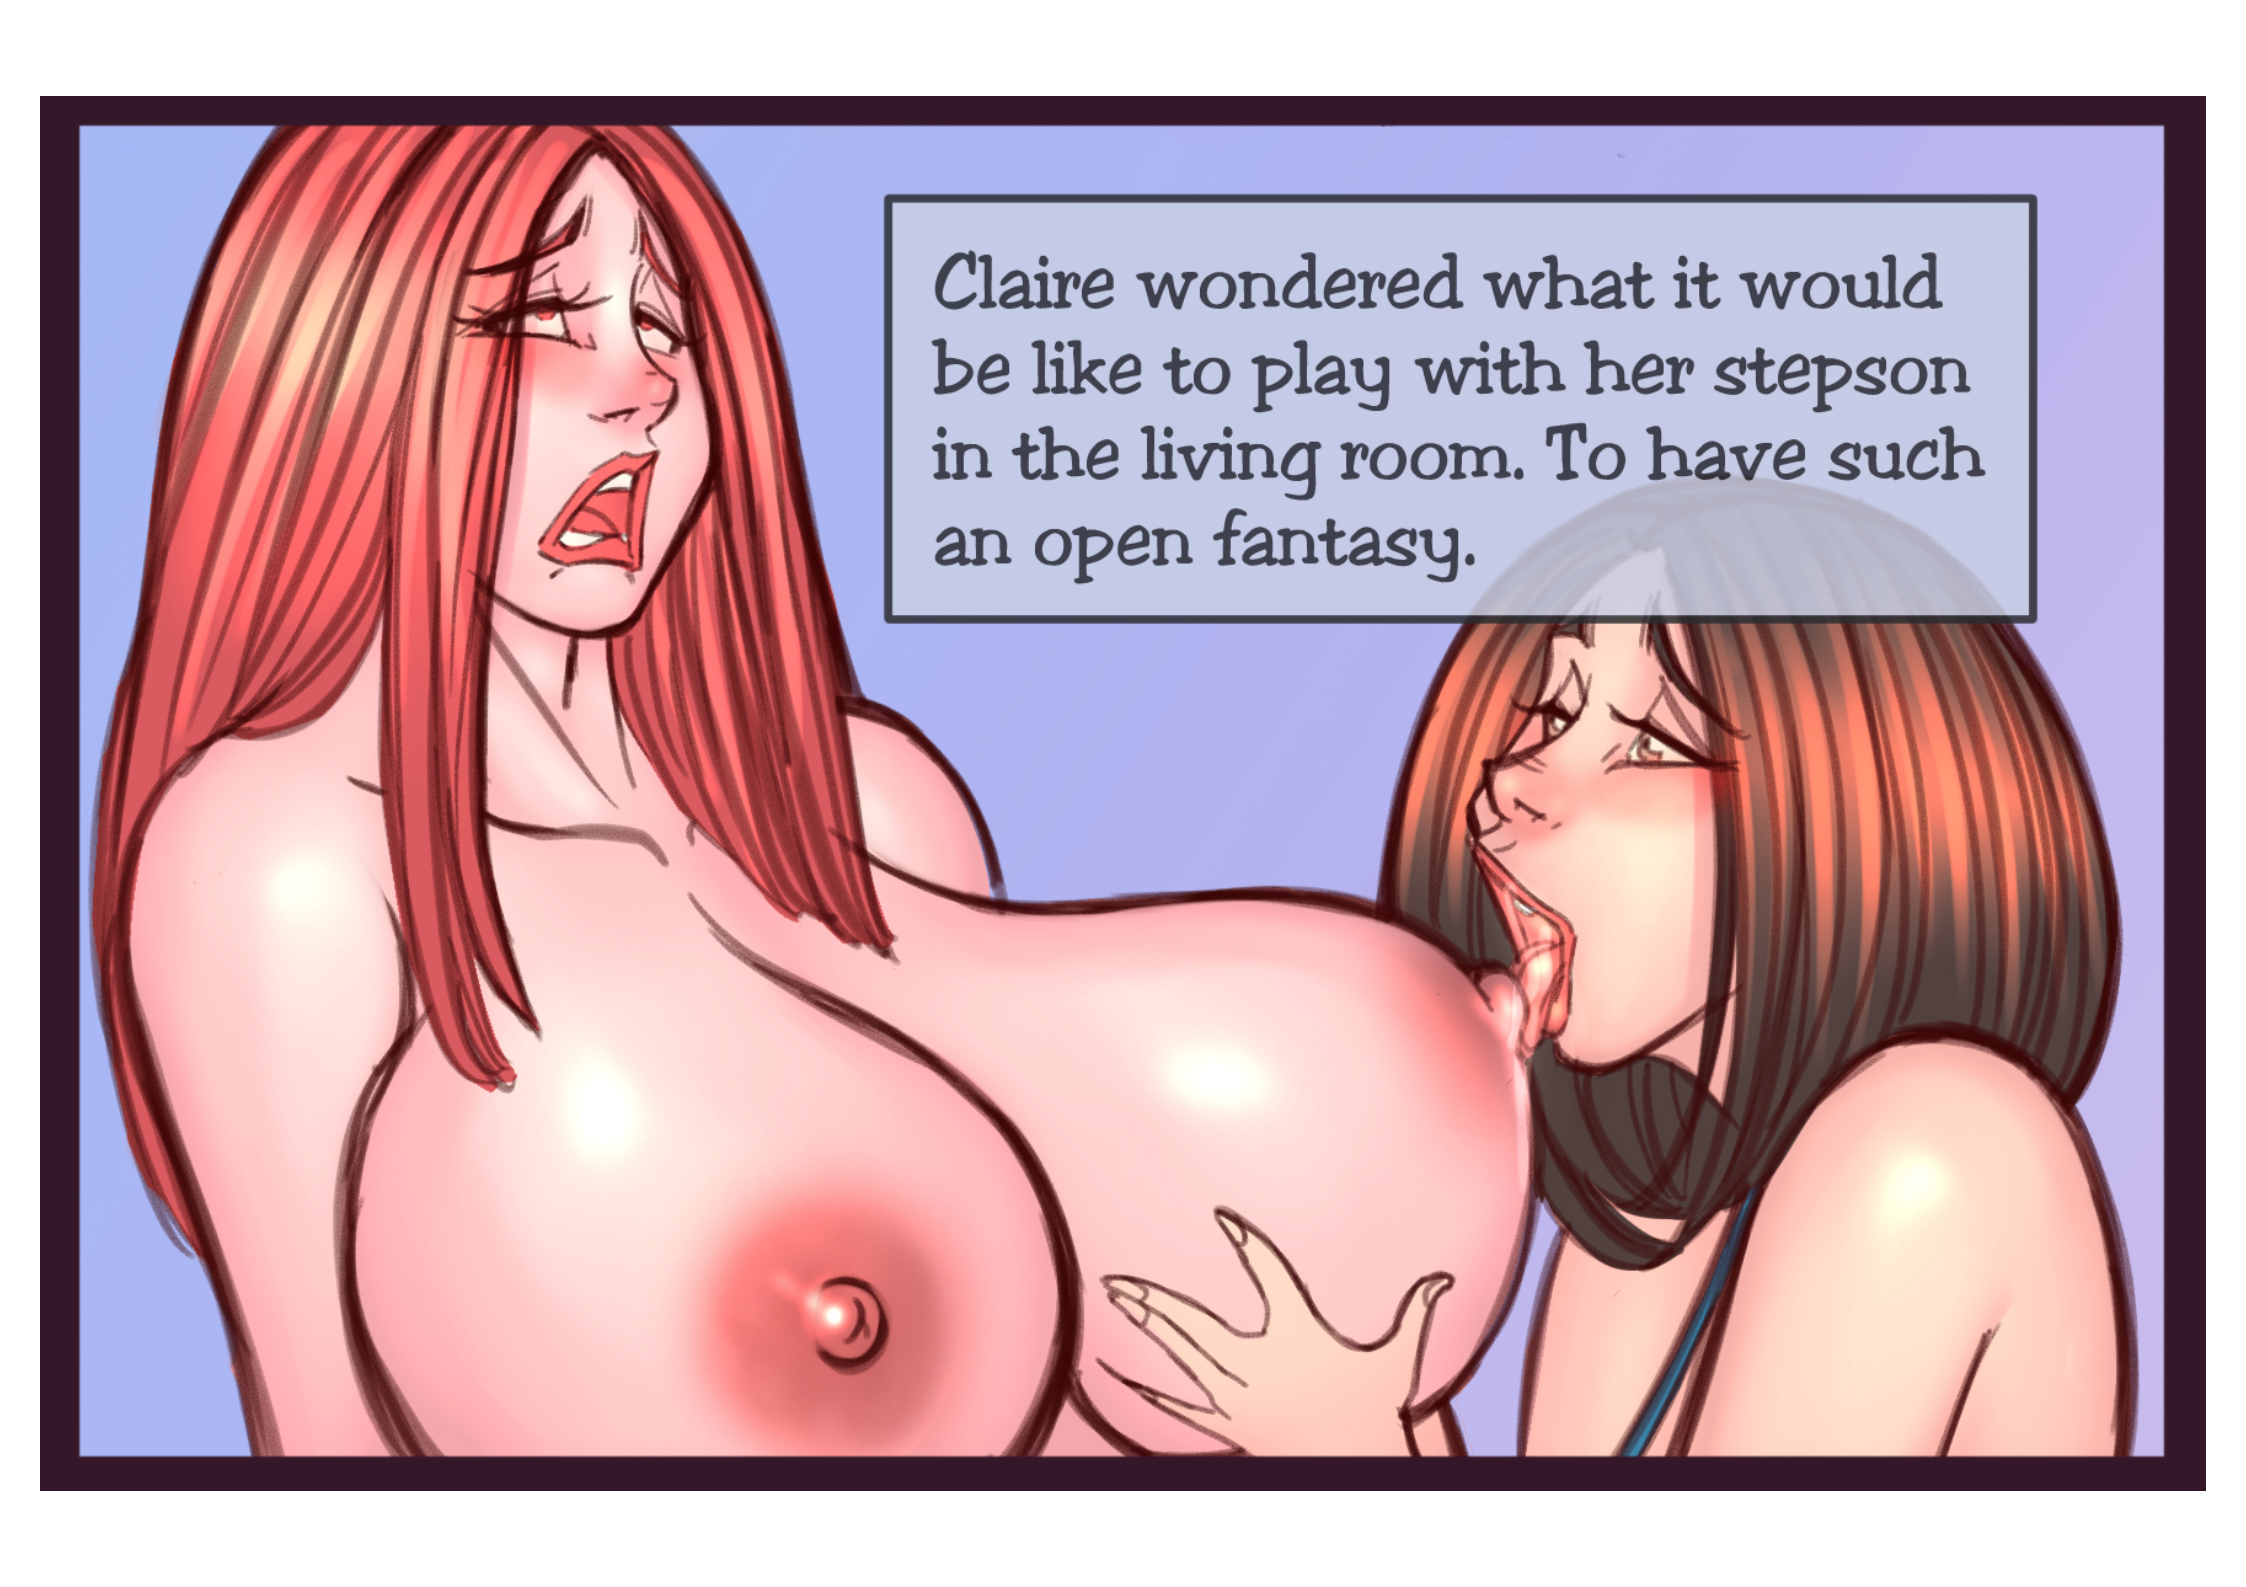

They always looked  
immaculate and they  
were always  
well-spoken in public.

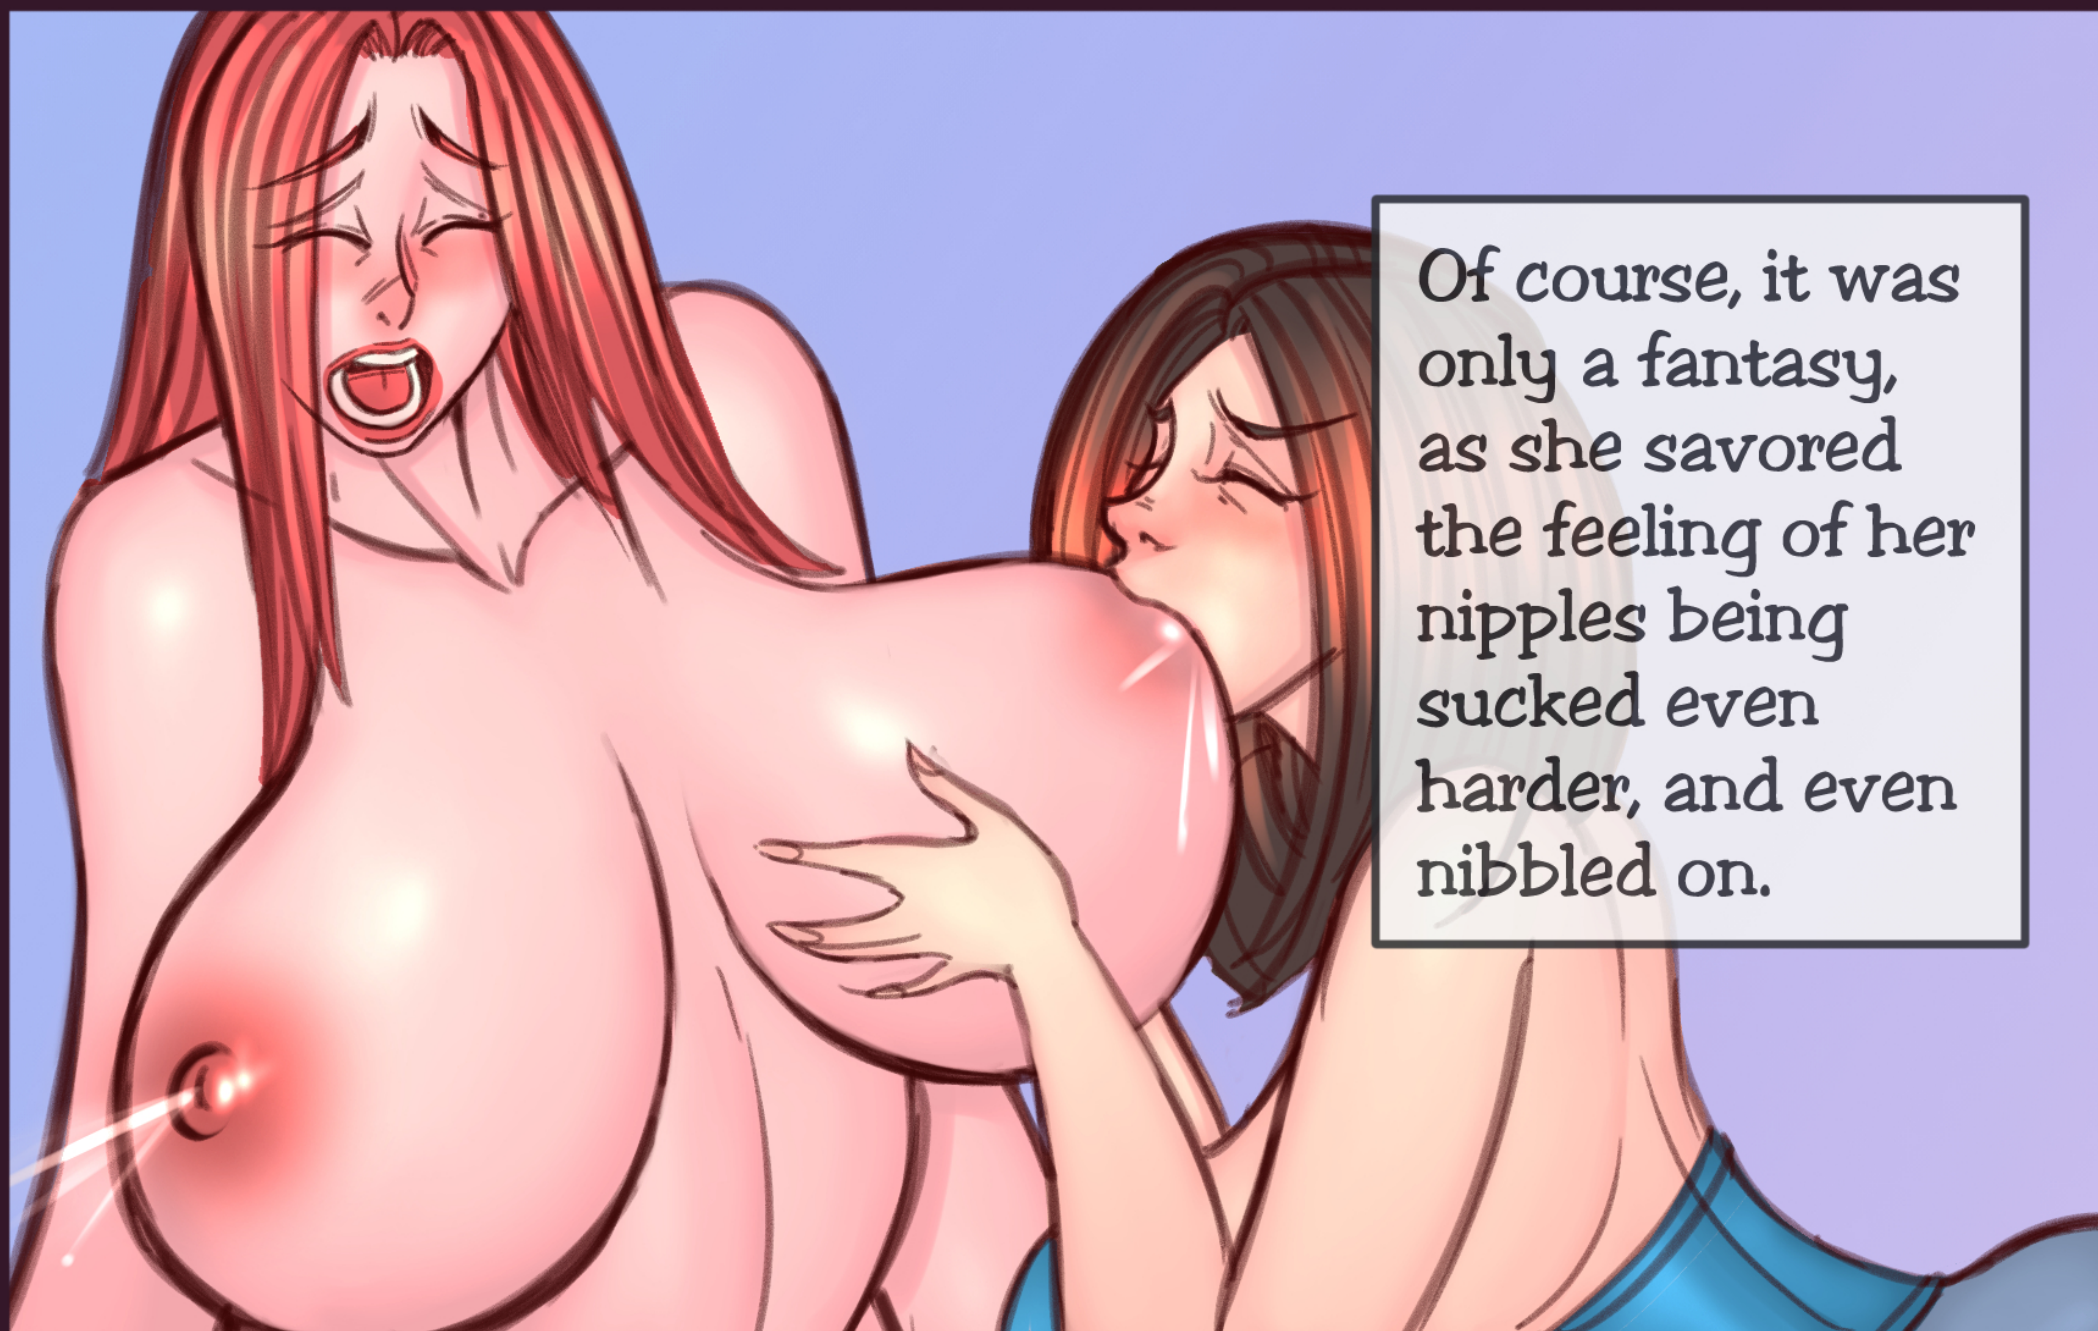

In private, their dom/sub relationship was always a fun change of pace for them.

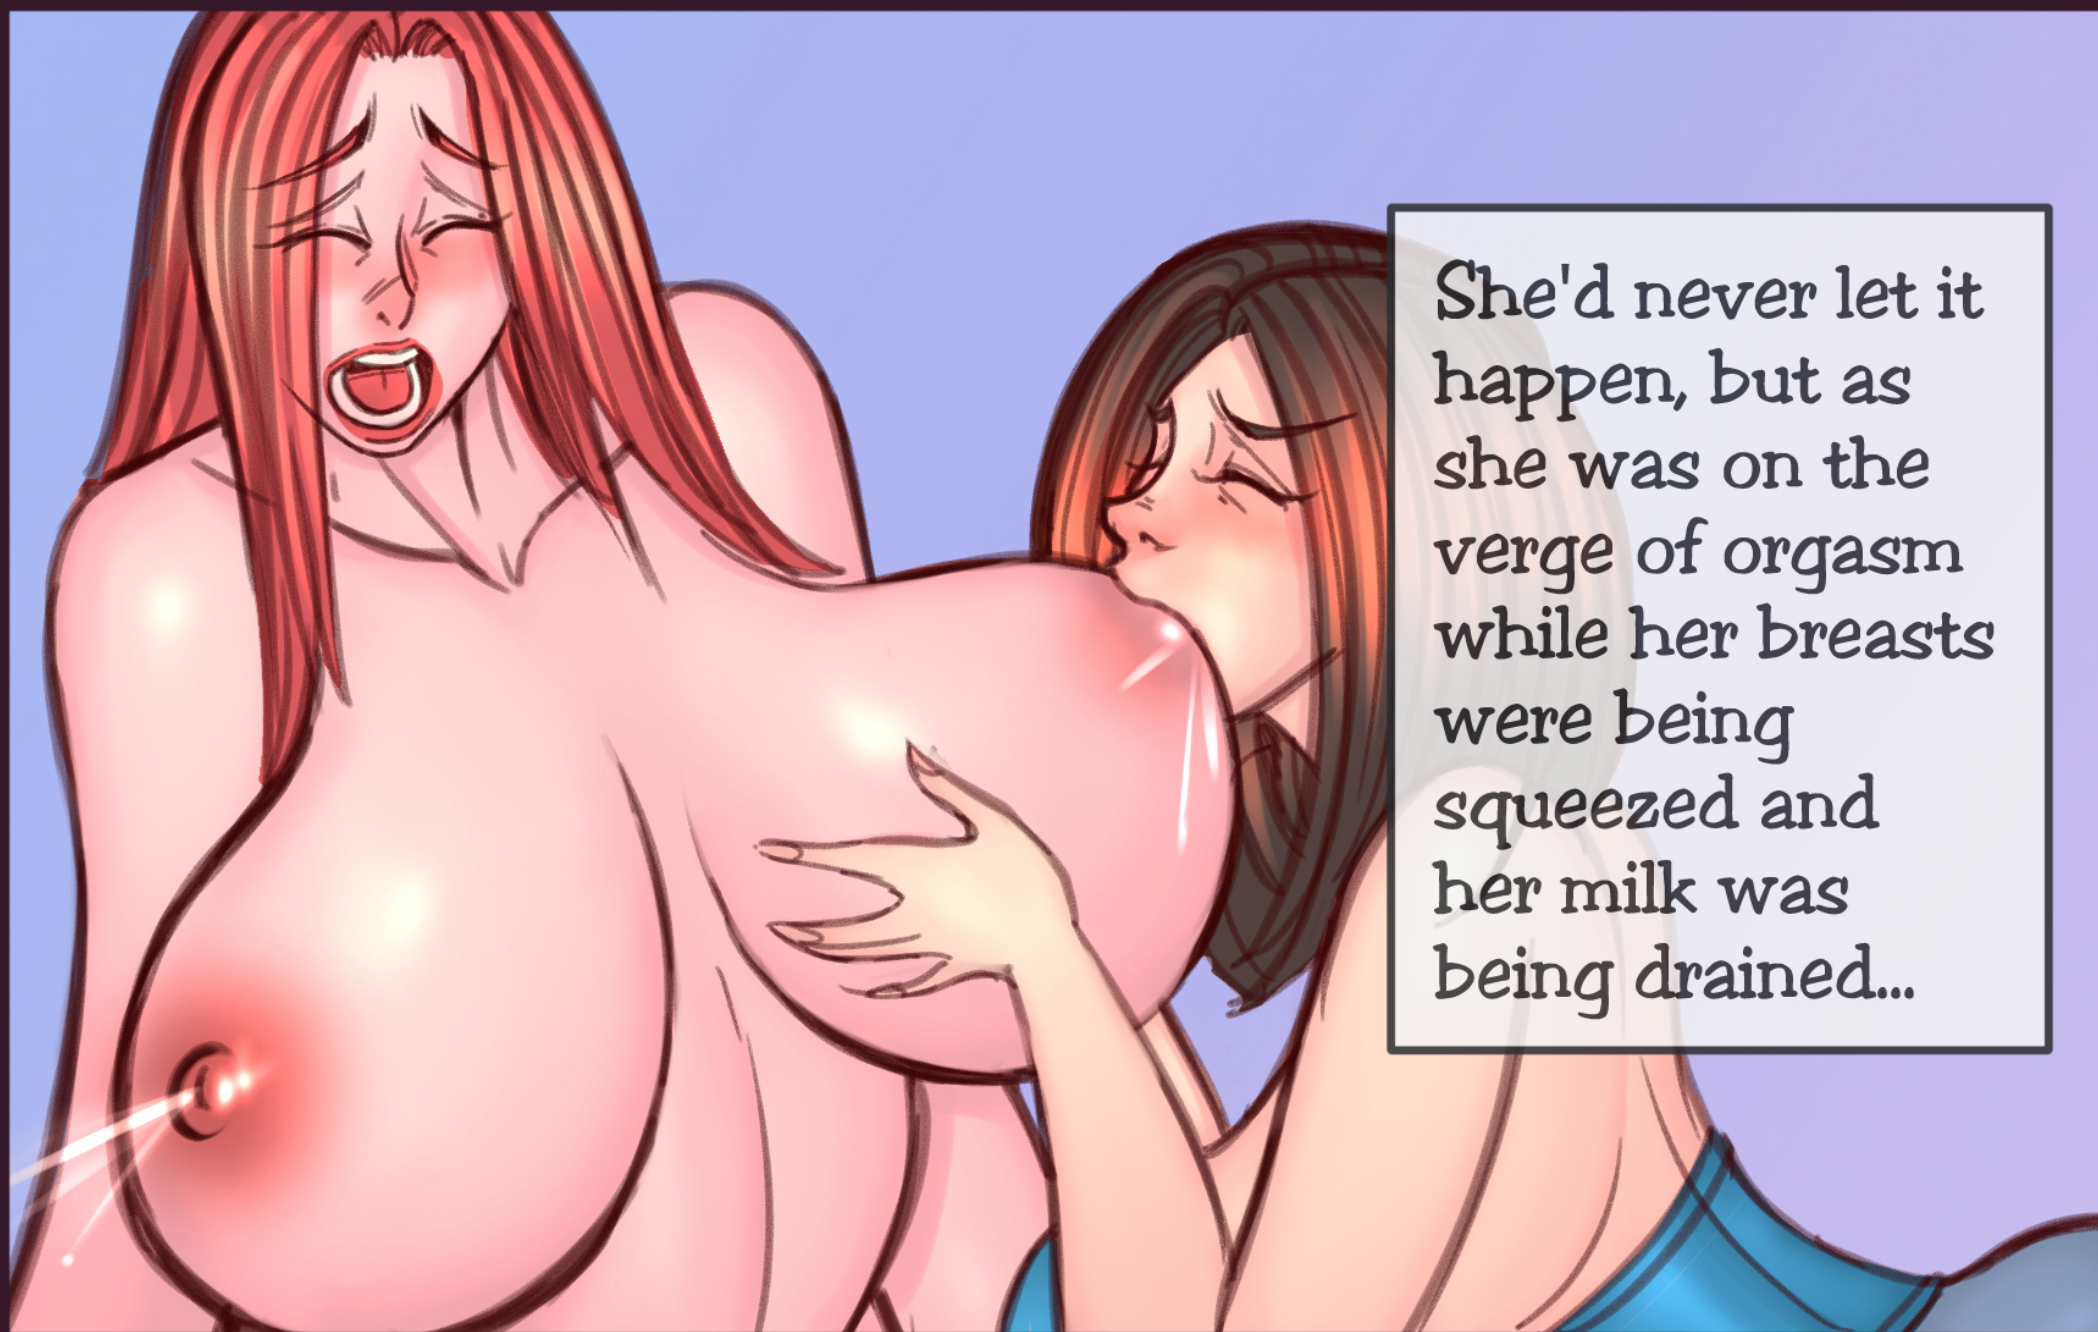

But what their taboo relationship went outside of the bedroom?

Claire wondered what it would be like to play with her stepson in the living room. To have such an open fantasy.

Of course, it was only a fantasy, as she savored the feeling of her nipples being sucked even harder, and even nibbled on.

She'd never let it happen, but as she was on the verge of orgasm while her breasts were being squeezed and her milk was being drained...

...she felt herself  
on the verge of  
having a massive  
orgasm.
