CHAPTER 09

"What did you have in
mind?"

Claire was made to stand up, revealing her white panties, which had also been cut on the bottom, exposing her butt and vaginal entrance for her stepson to see.

With an outfit like this, there was nothing to hide. All of her sexual spots were visible.

She struggled internally when her stepson's eyes drifted down to her clitoris and labia.

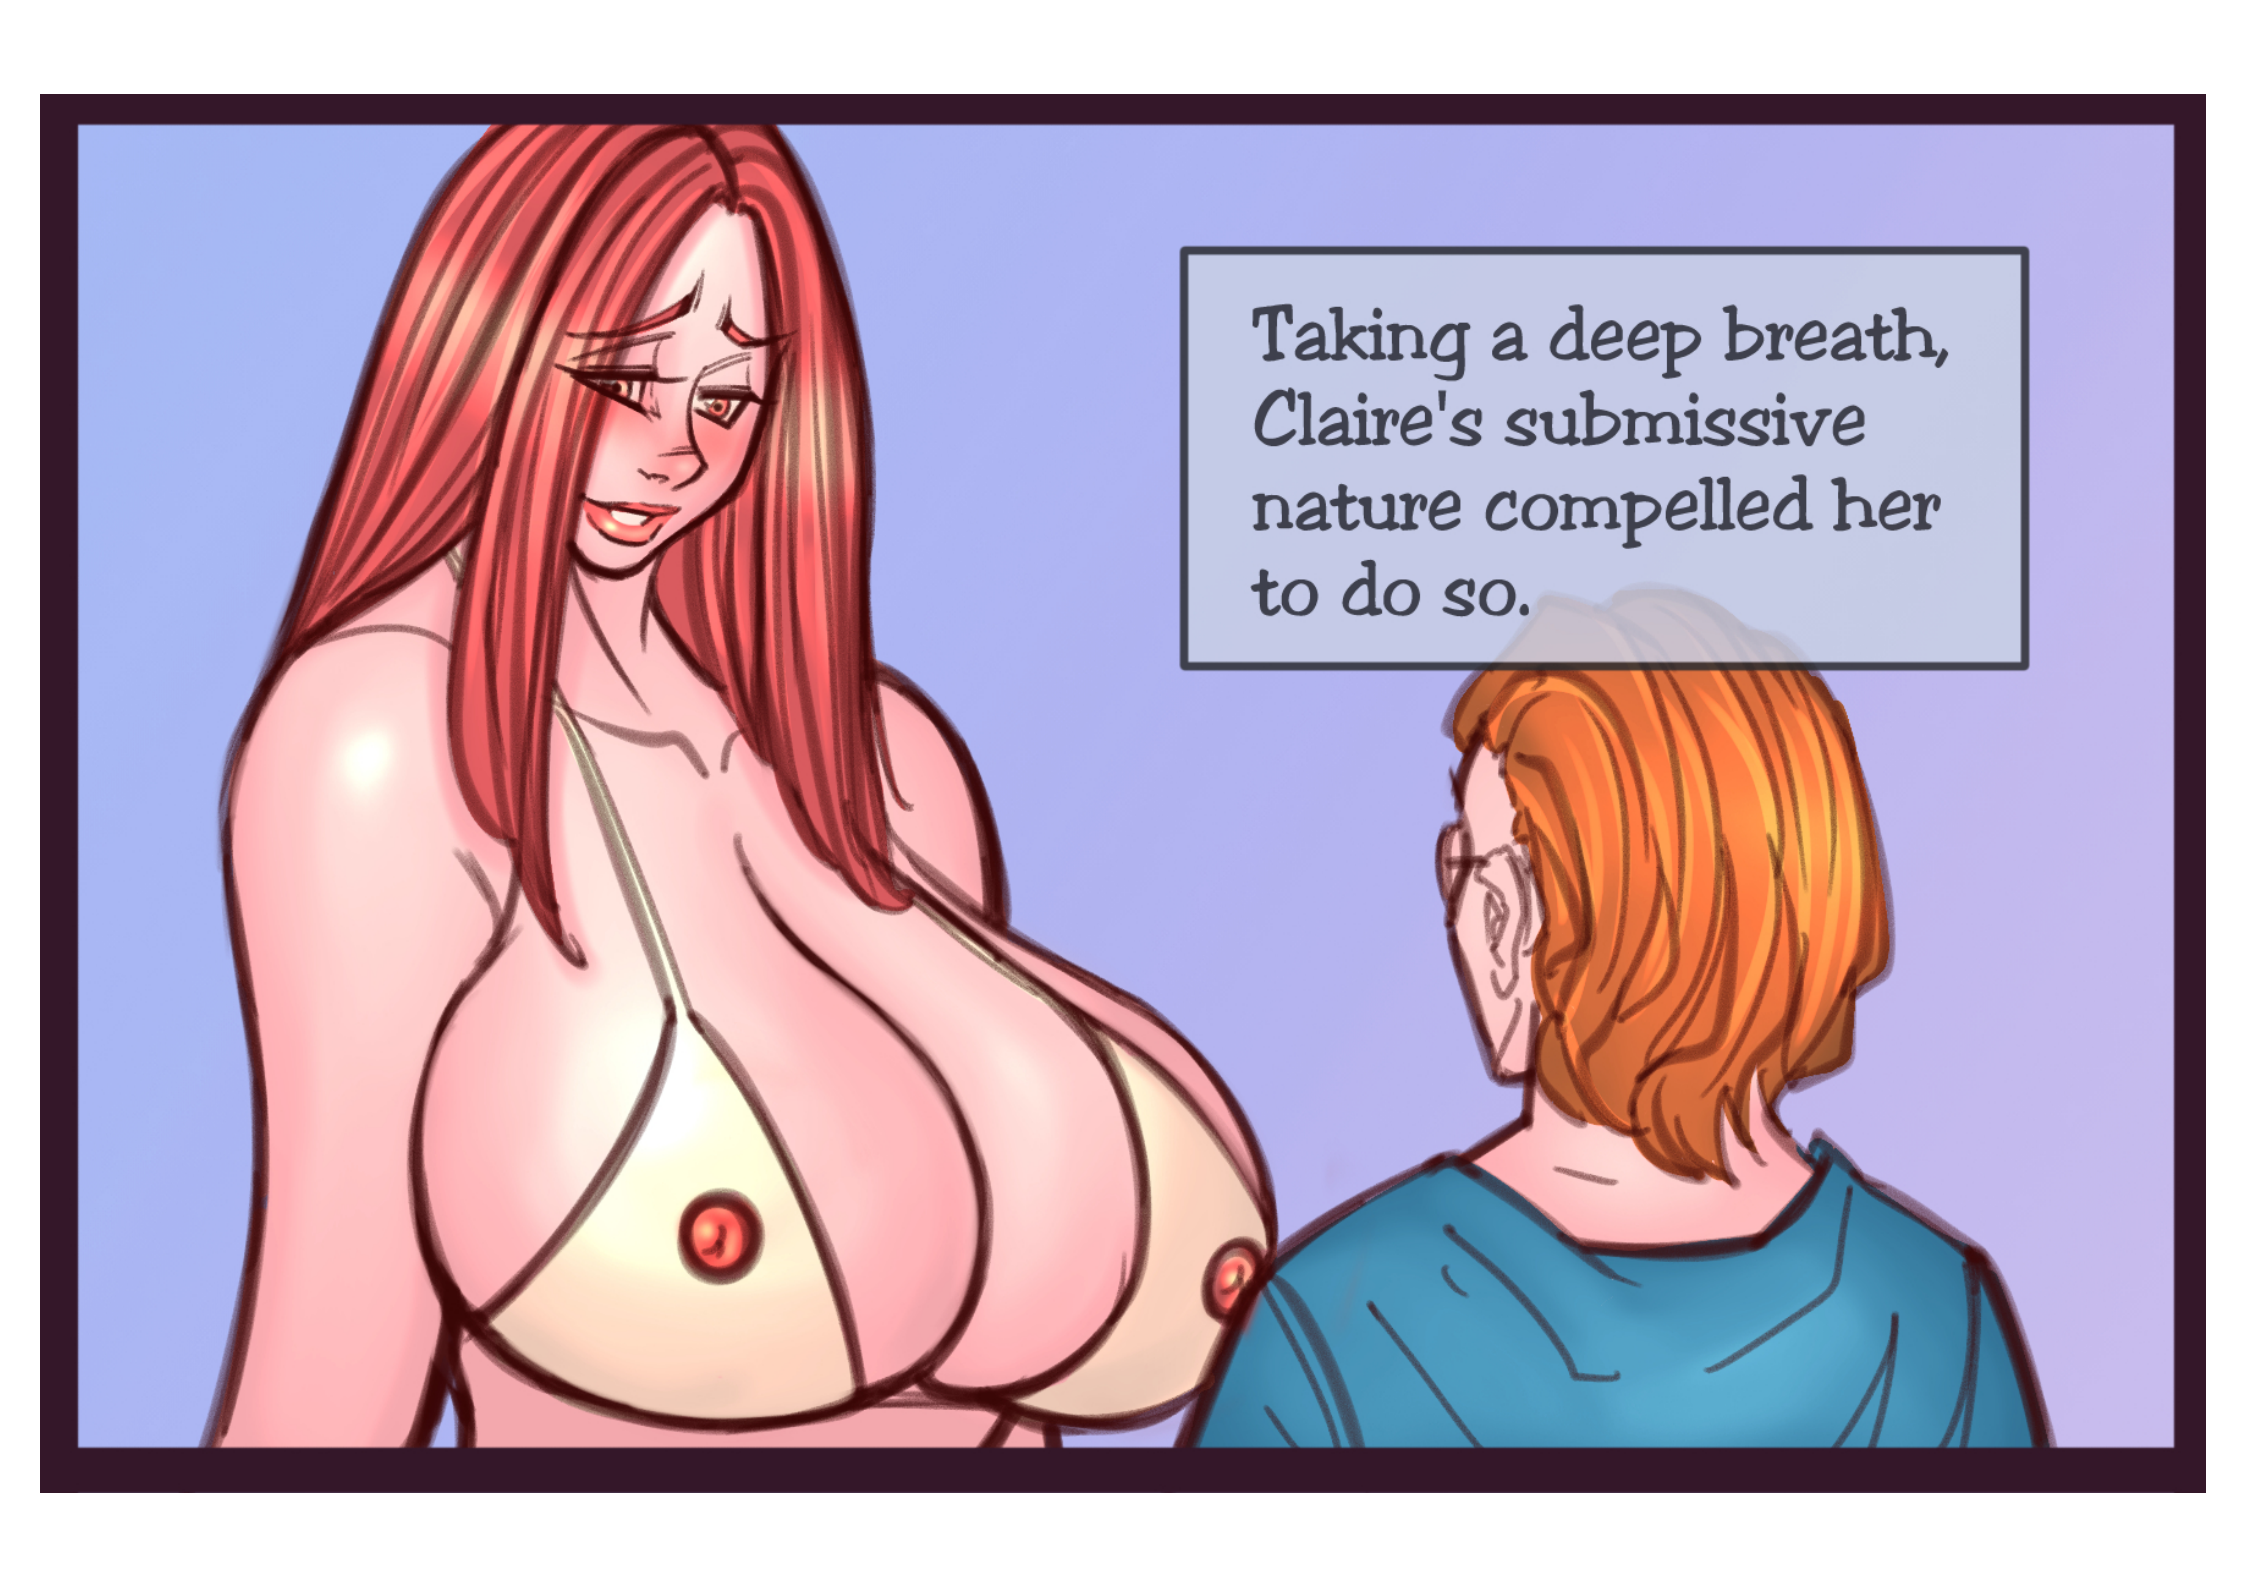

When she was guided to where her stepson was sitting, Claire knew that they were beyond the point of no return.

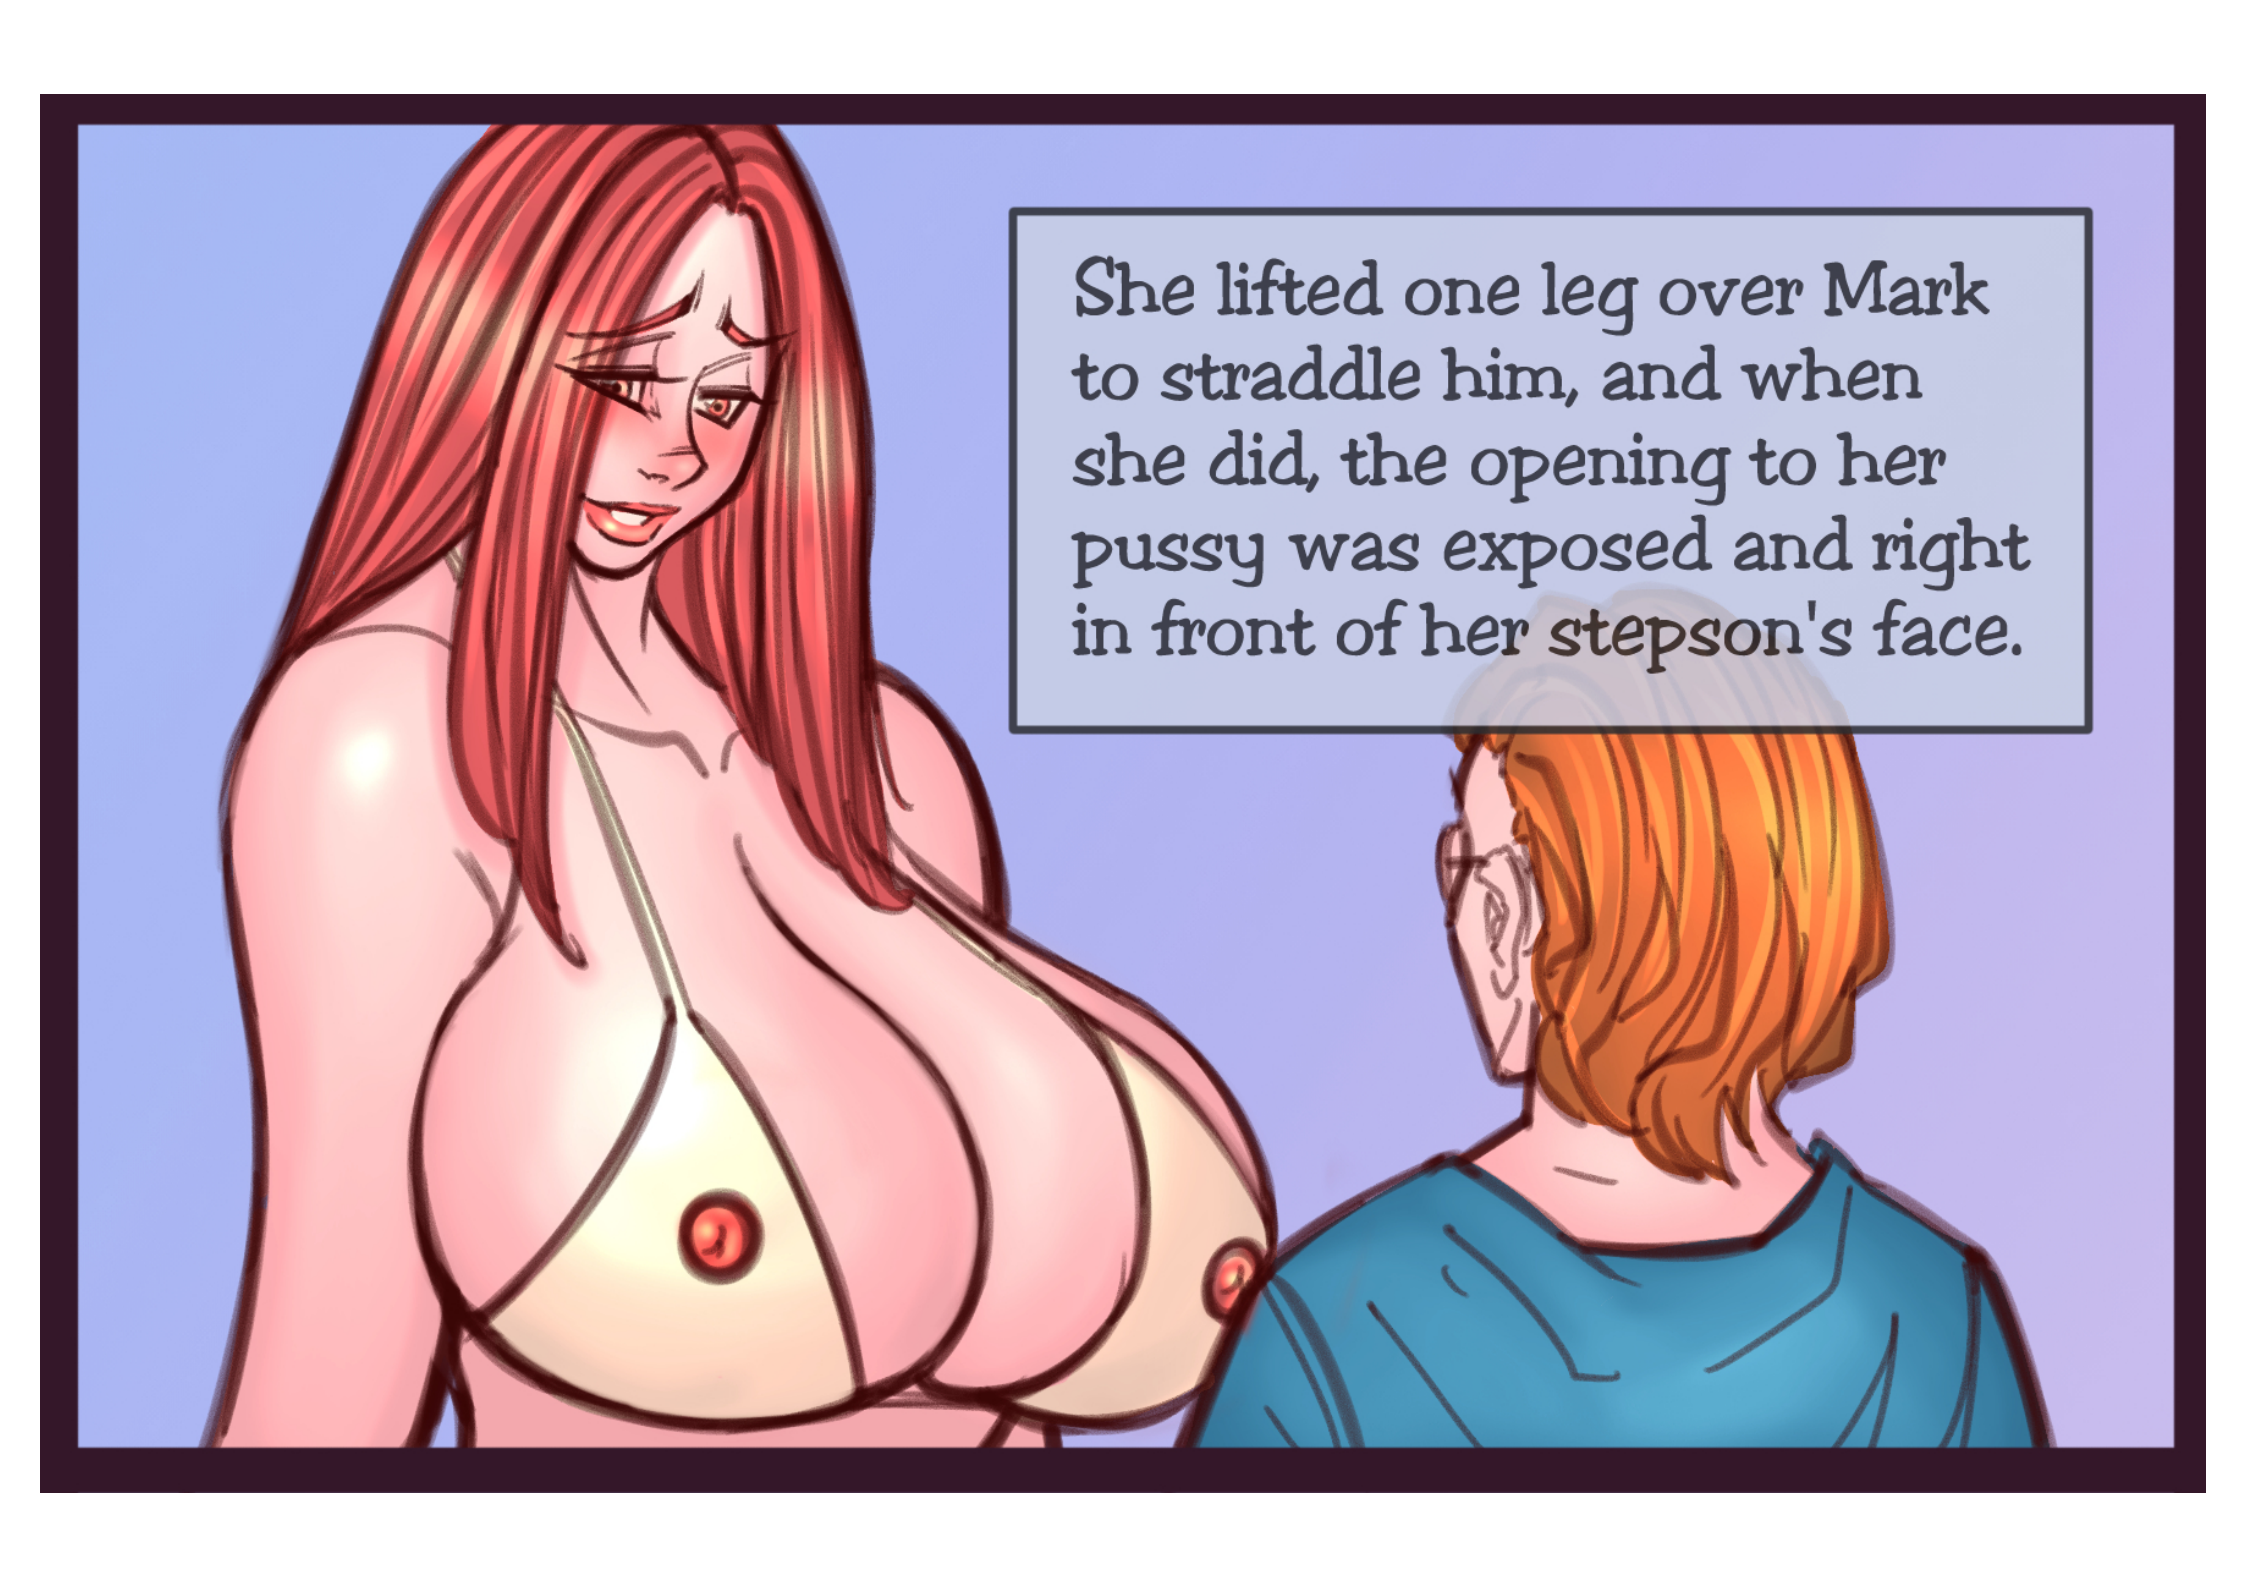

Her nipples and
clitoris were
swollen.

"Sit on your
stepson's lap,"
Judith said.

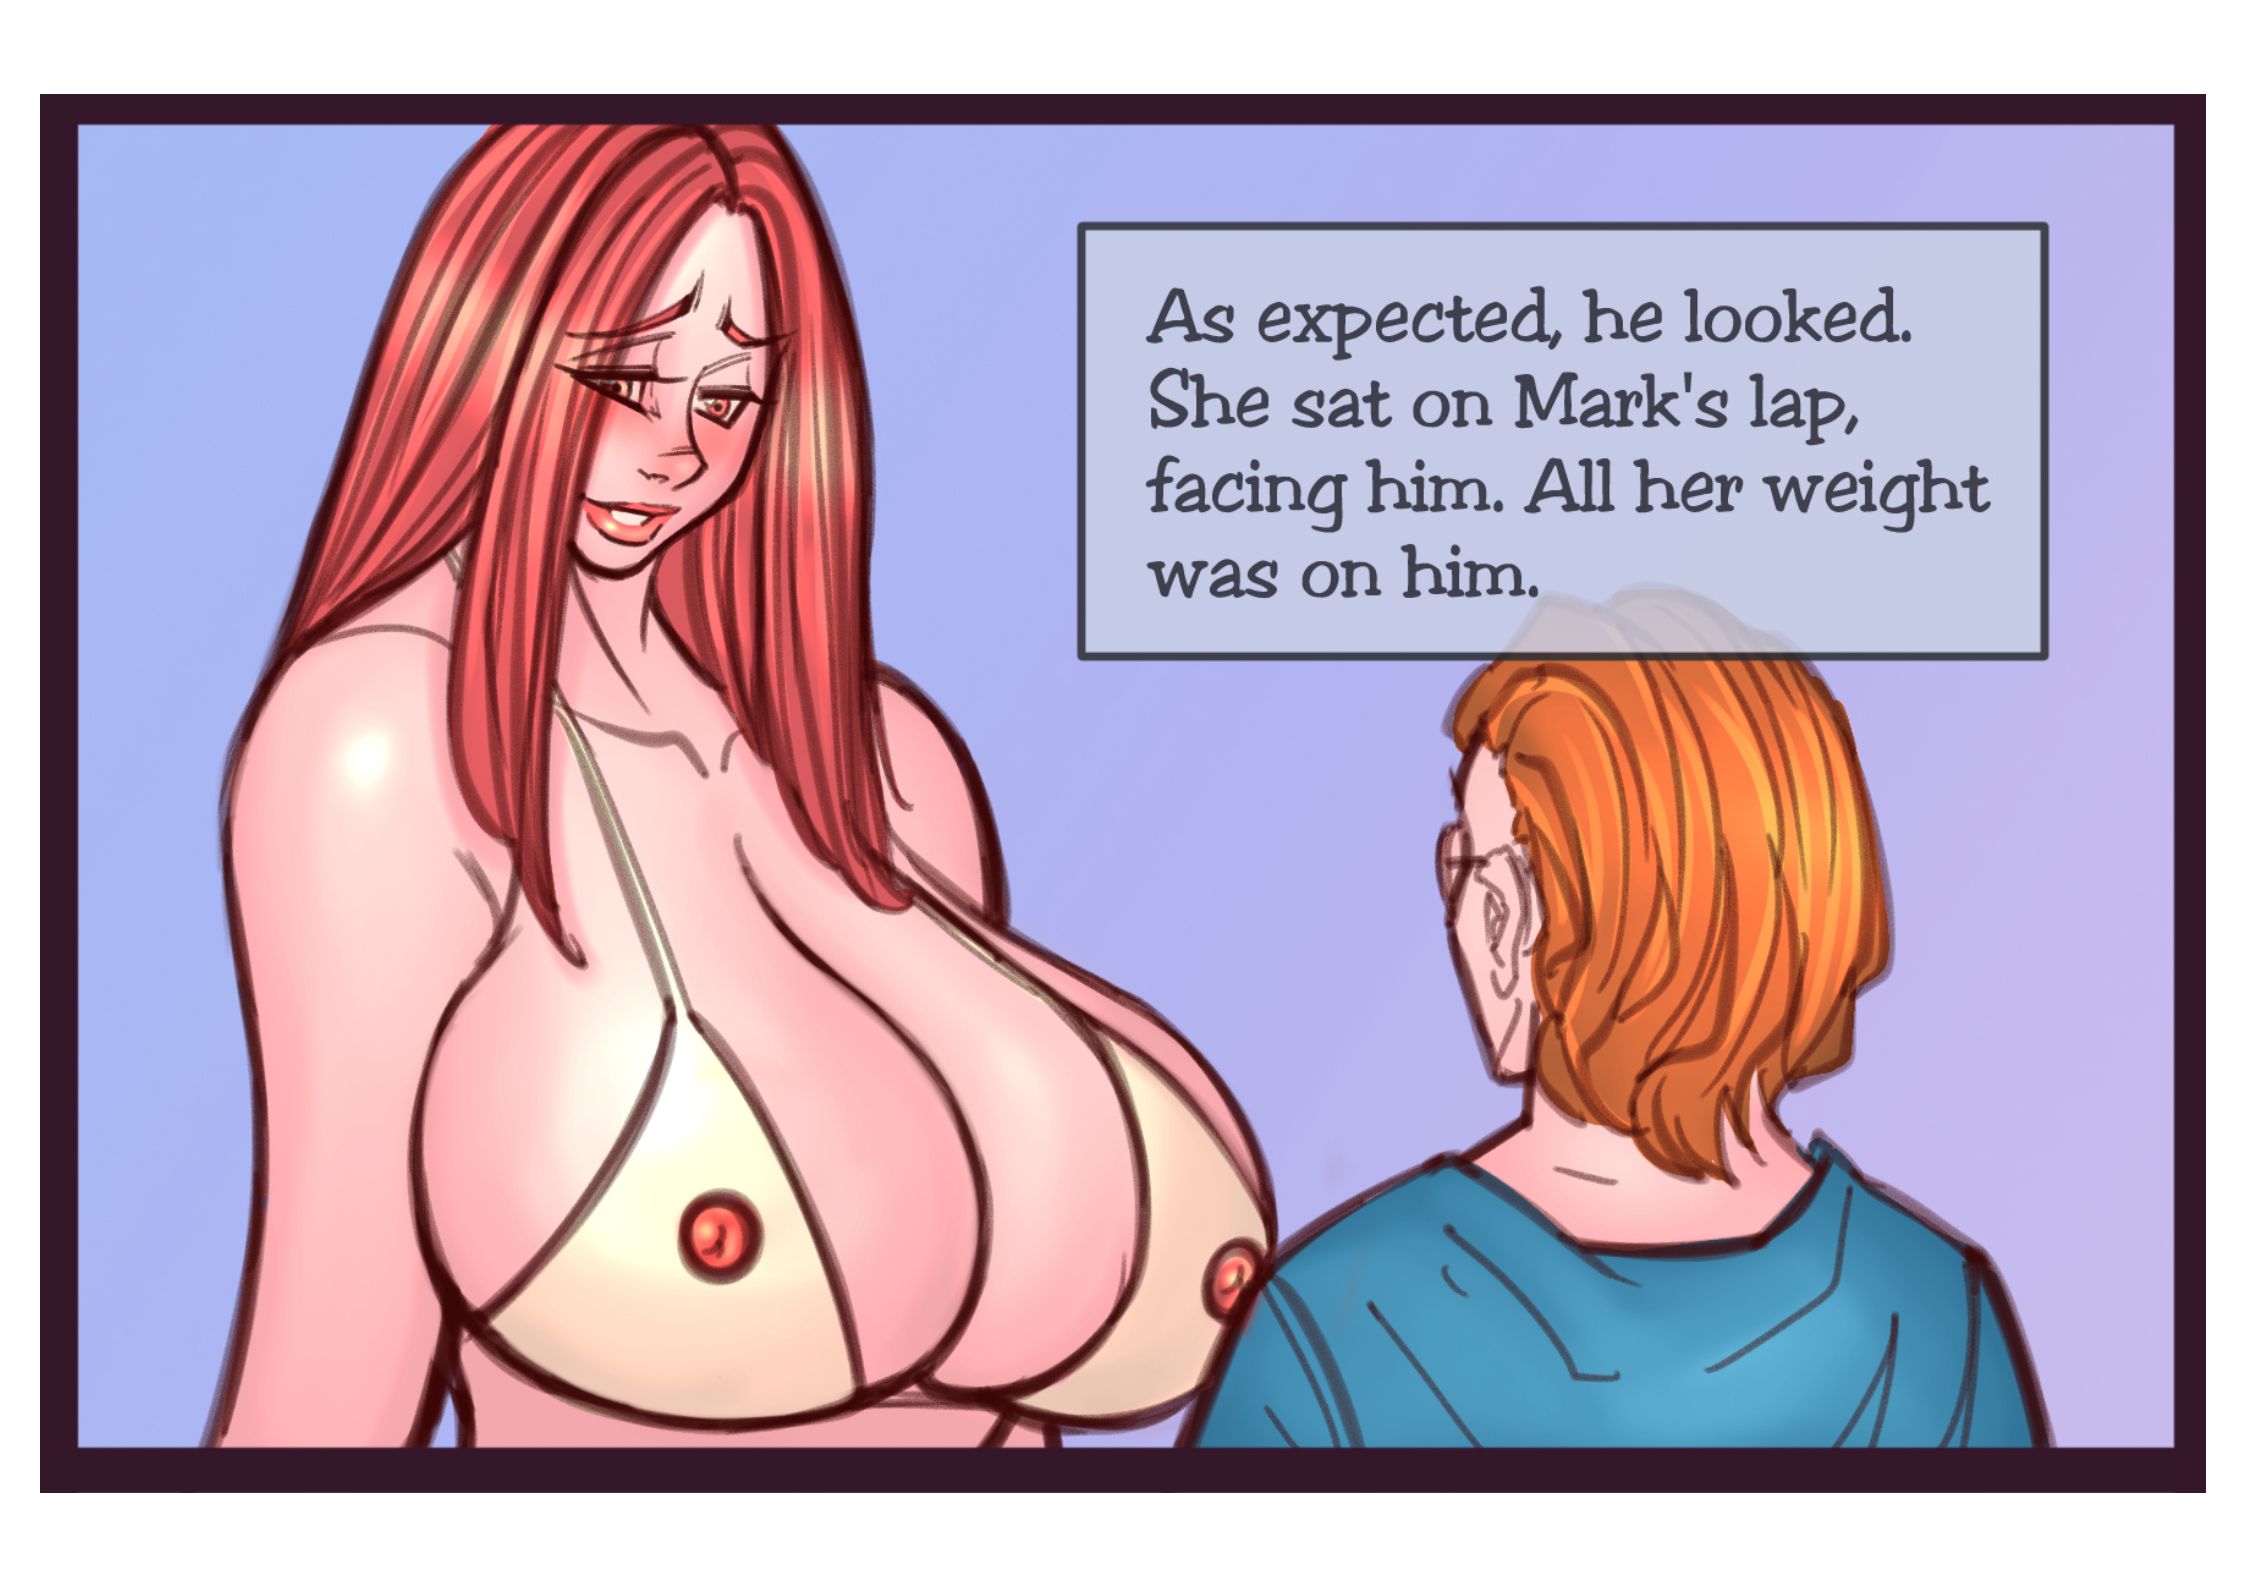

"Face him.
Straddle him."

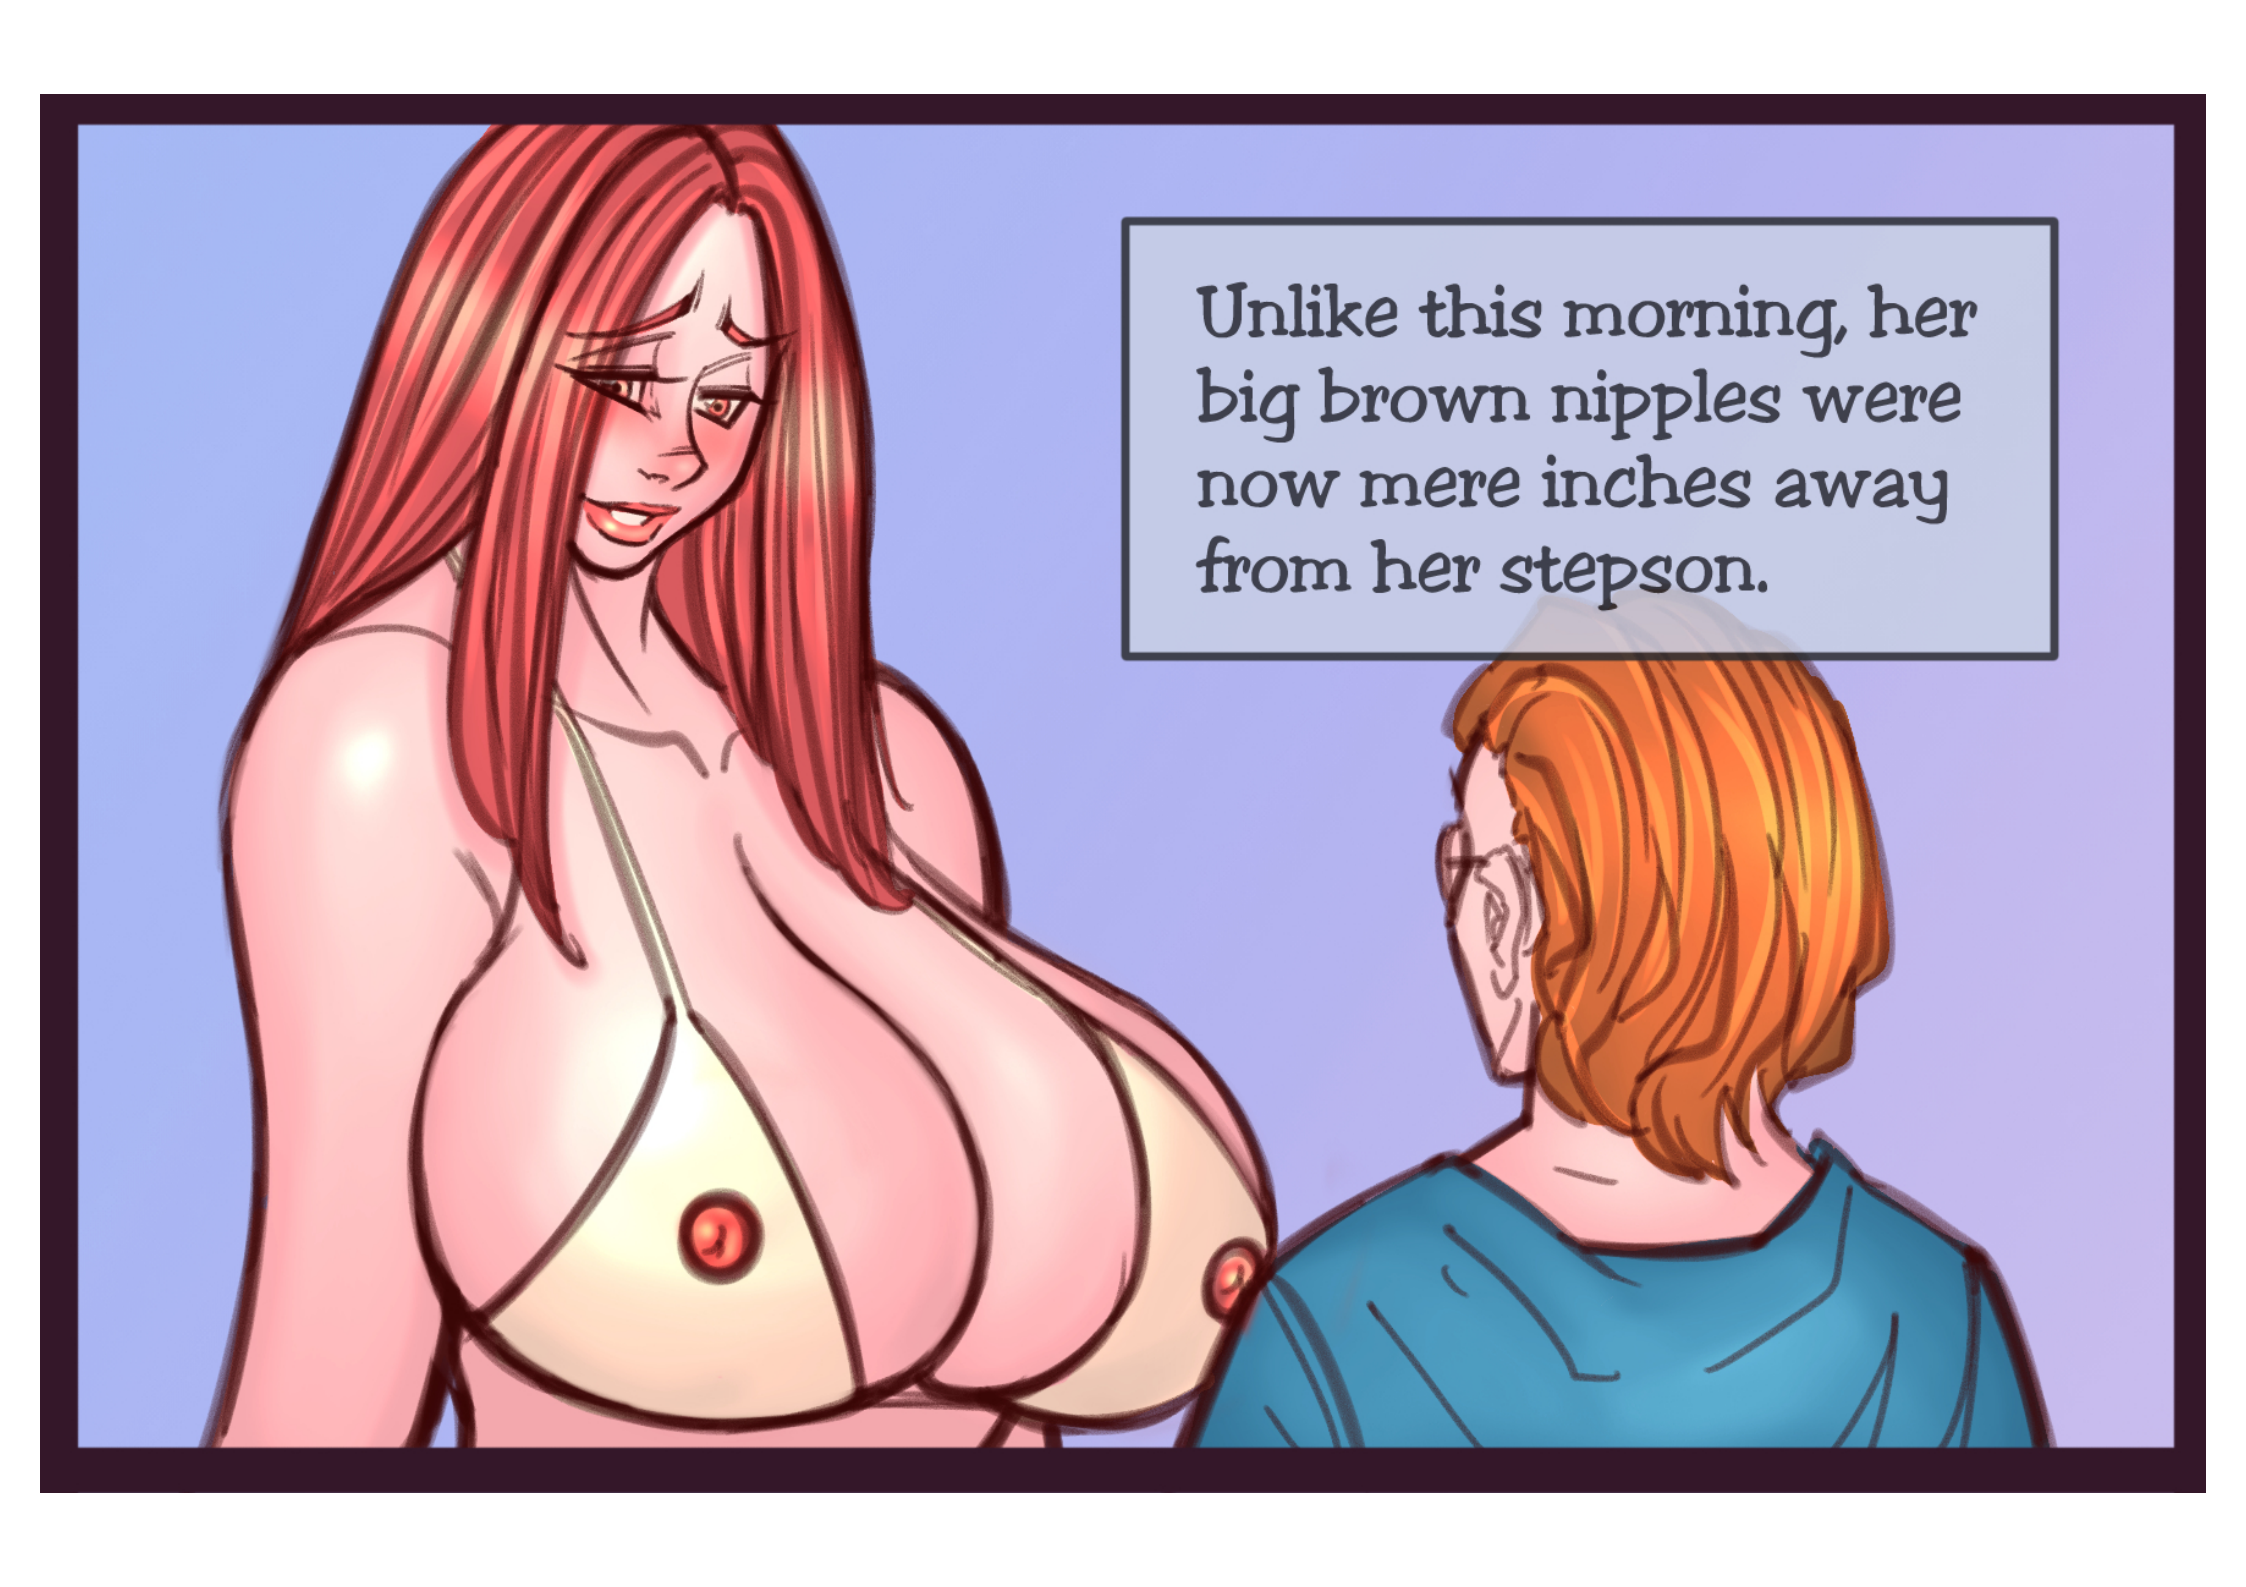

Taking a deep breath,
Claire's submissive
nature compelled her
to do so.

She lifted one leg over Mark to straddle him, and when she did, the opening to her pussy was exposed and right in front of her stepson's face.

A comic panel with a light blue background. On the left, a woman with long, straight red hair is shown from the chest up. She has very large, prominent breasts and is wearing a yellow bikini top with red circular accents. She has a slightly smug or satisfied expression. On the right, a man with short, wavy orange hair and glasses is shown from the chest up, wearing a blue t-shirt. He is looking towards the woman. A white speech bubble with a black border is positioned in the upper right quadrant of the panel.

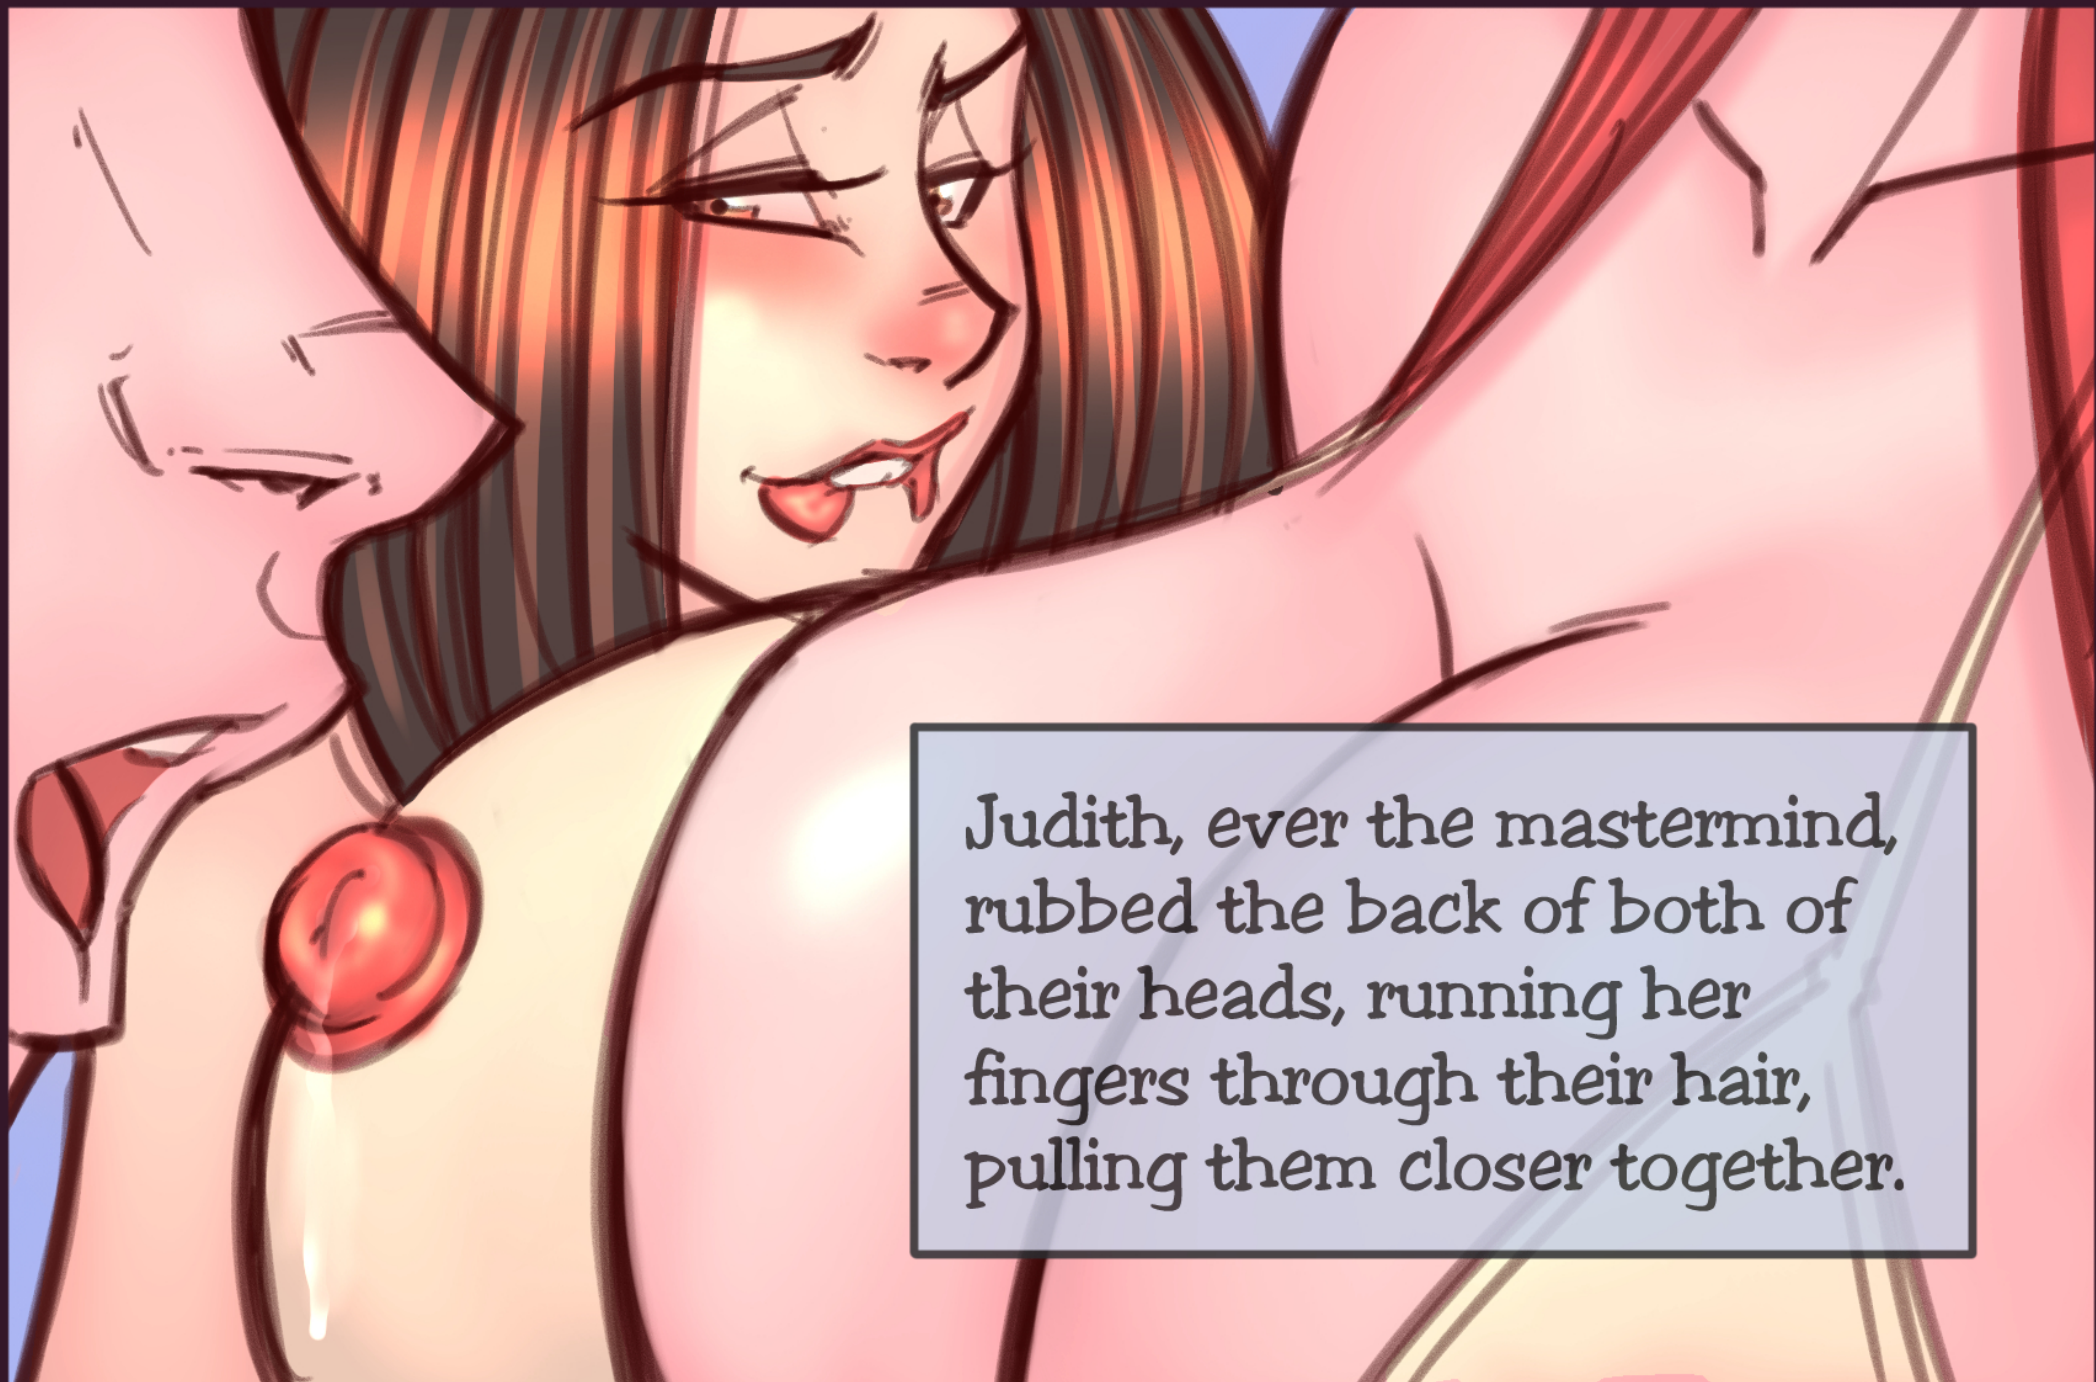

As expected, he looked.
She sat on Mark's lap,
facing him. All her weight
was on him.

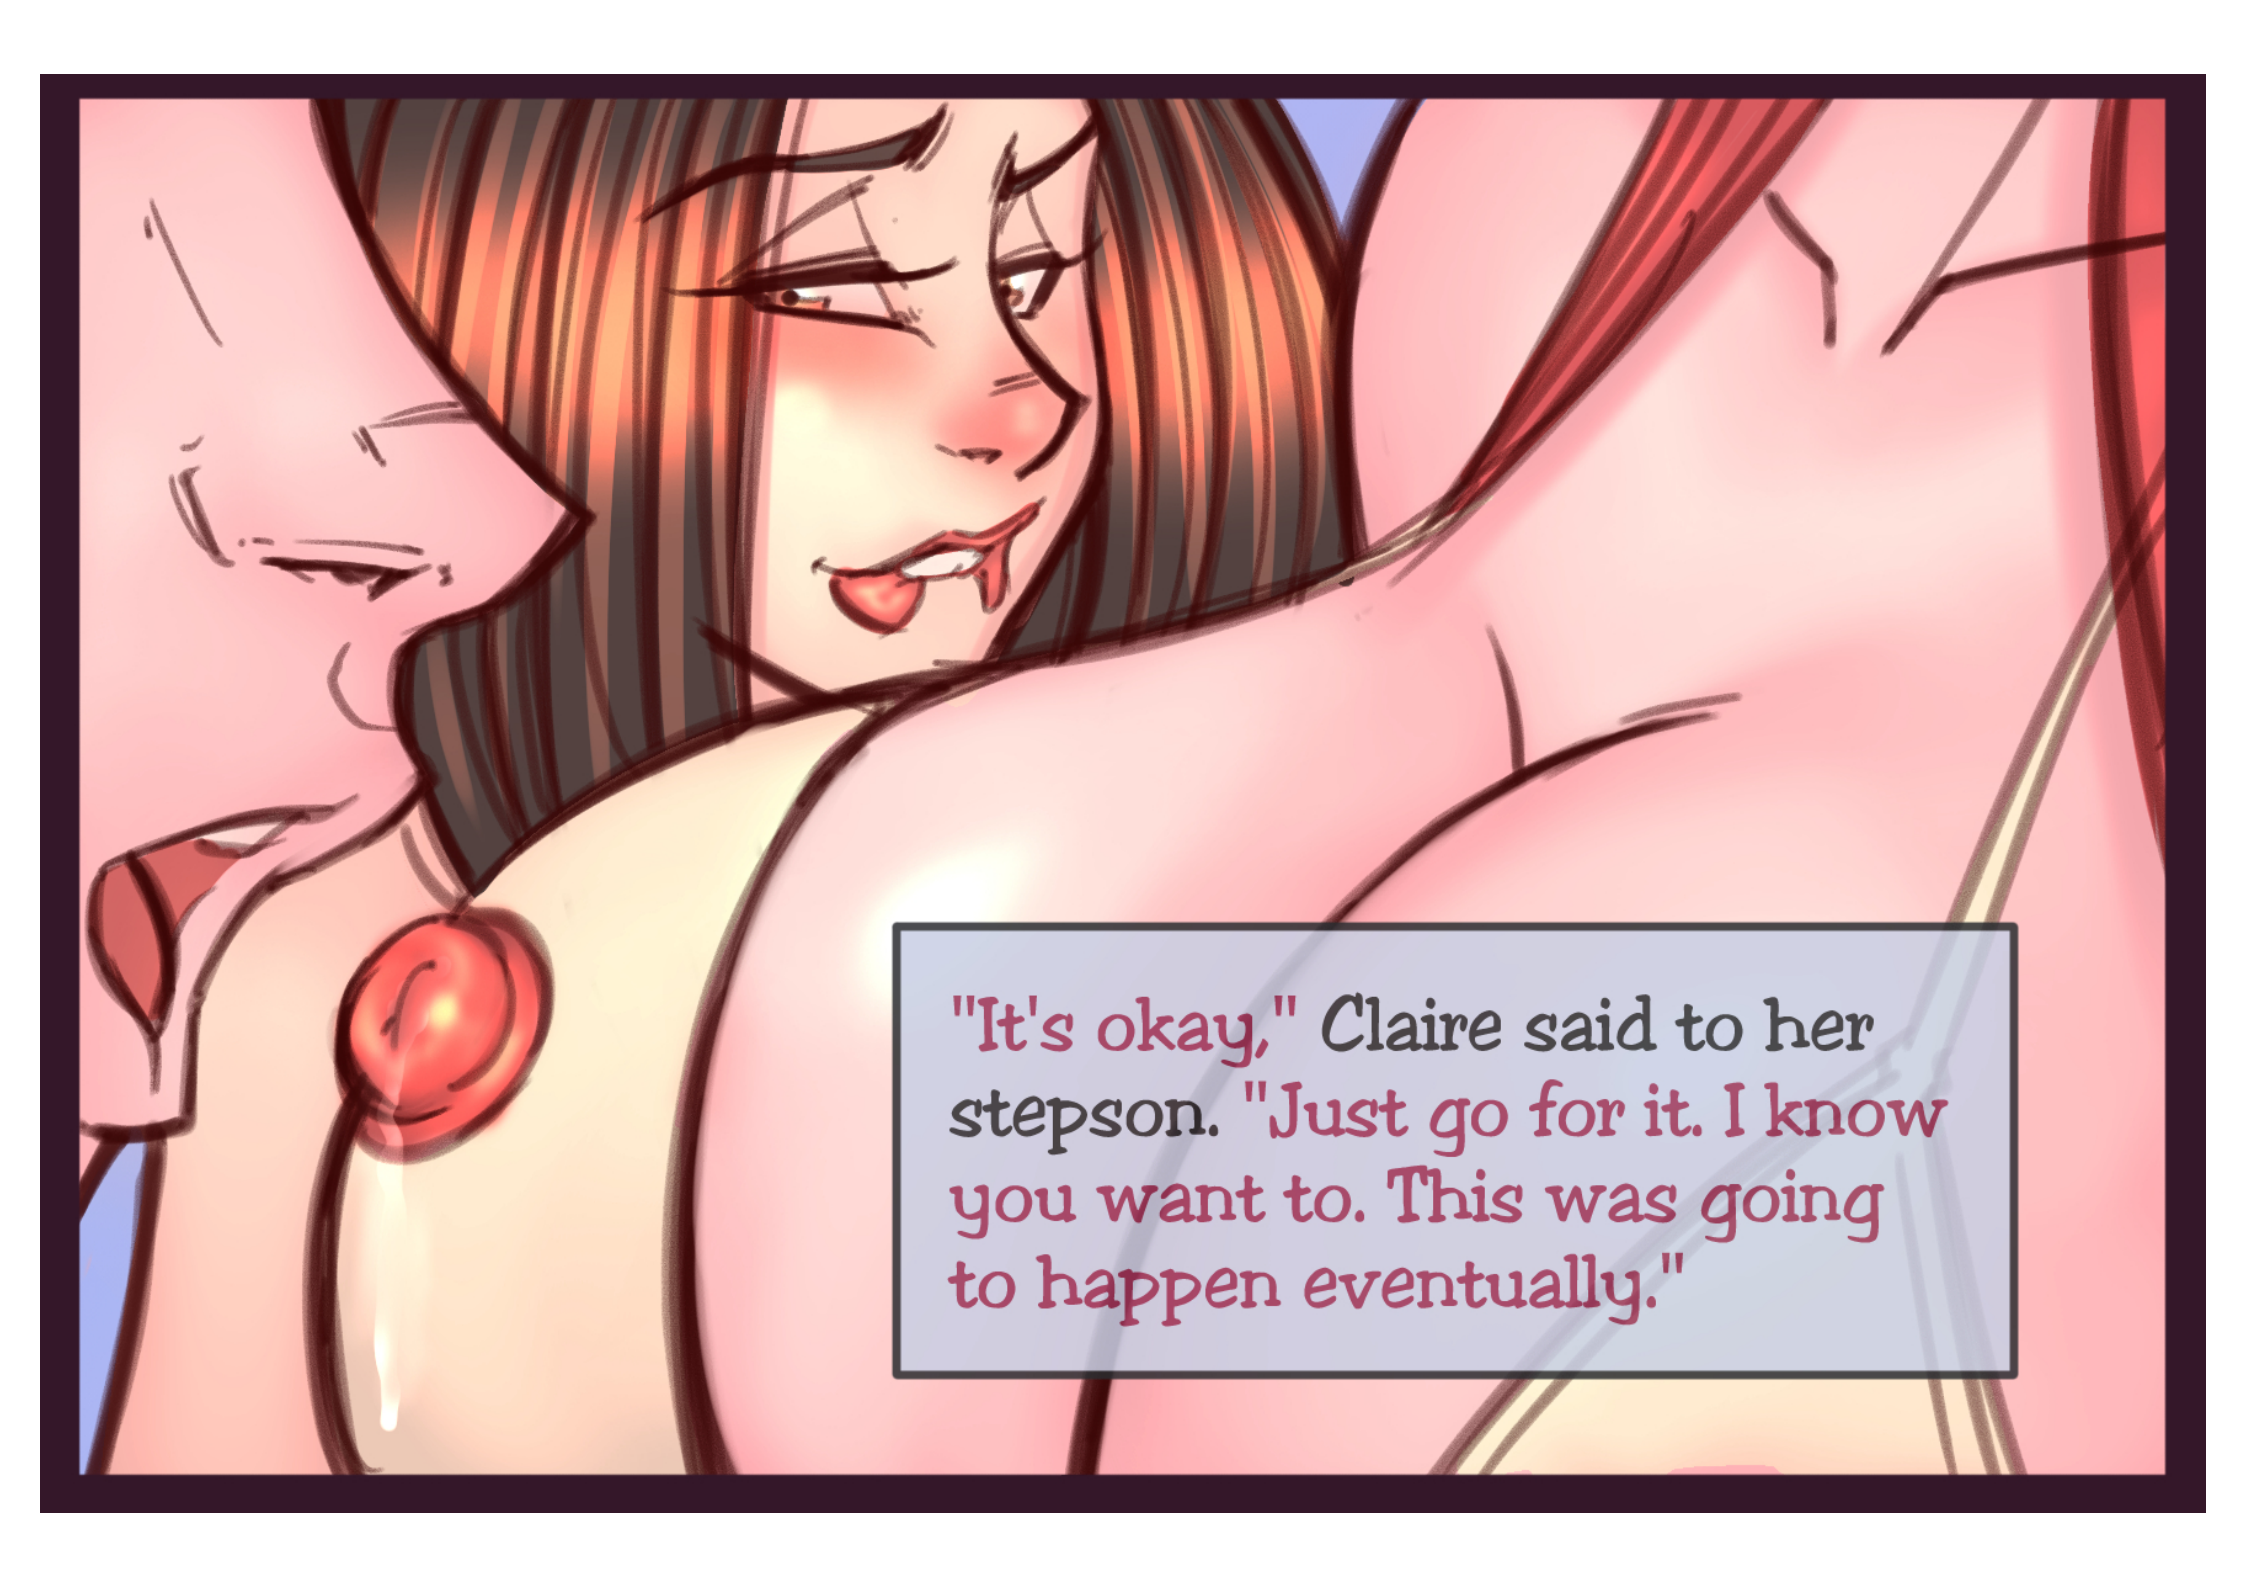

Unlike this morning, her big brown nipples were now mere inches away from her stepson.

"Milk is best when it's fresh," Judith said. "You two know what to do."

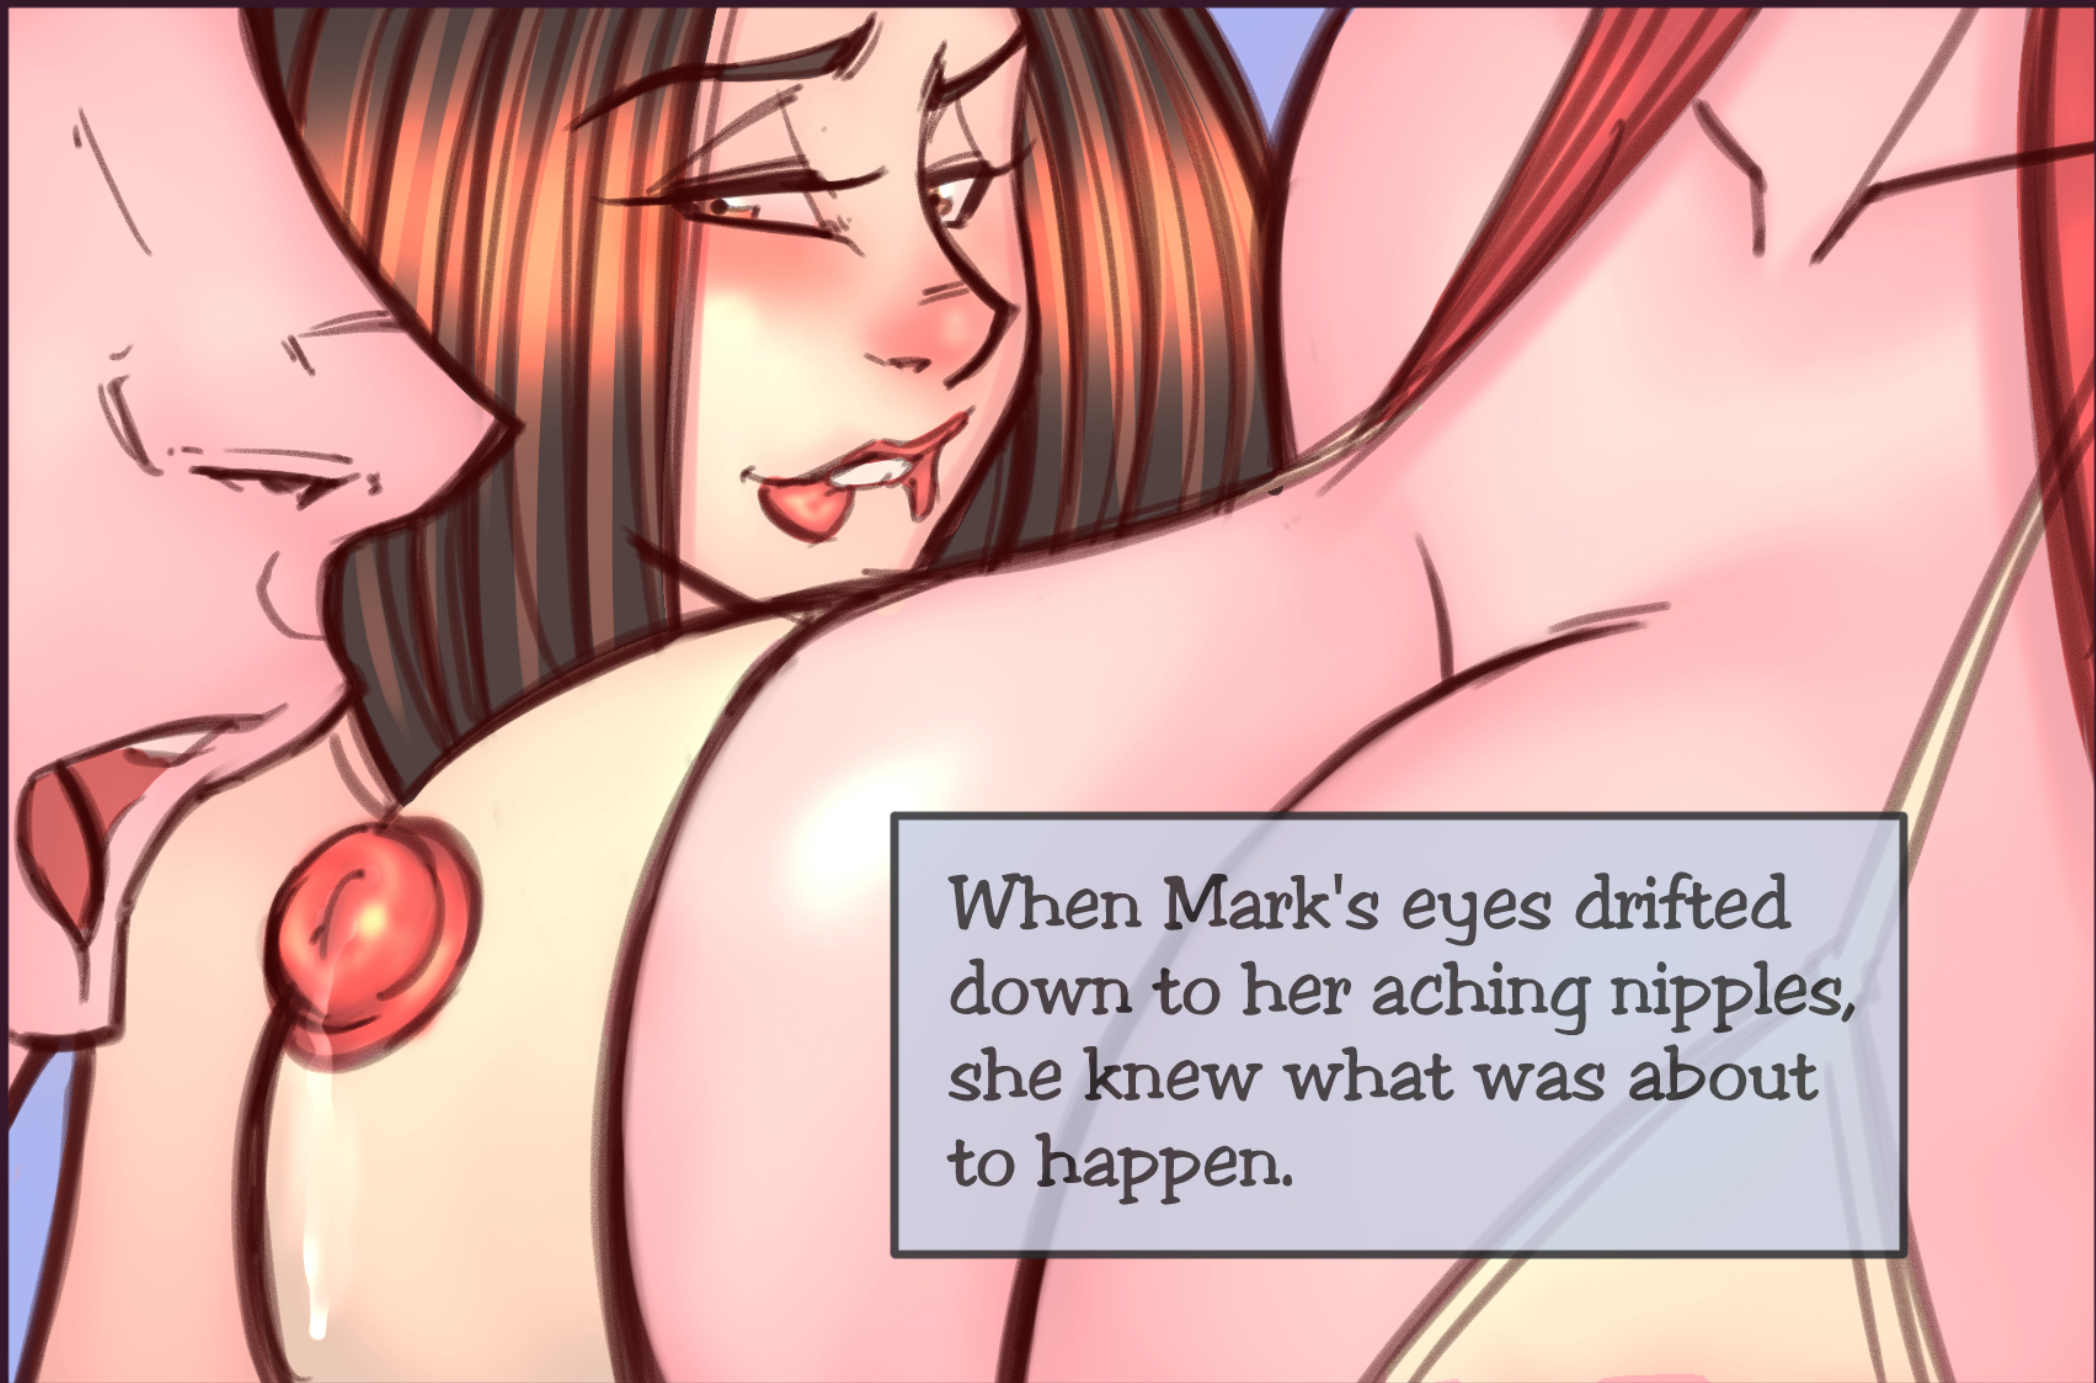

Judith, ever the mastermind, rubbed the back of both of their heads, running her fingers through their hair, pulling them closer together.

"It's okay," Claire said to her stepson. "Just go for it. I know you want to. This was going to happen eventually."

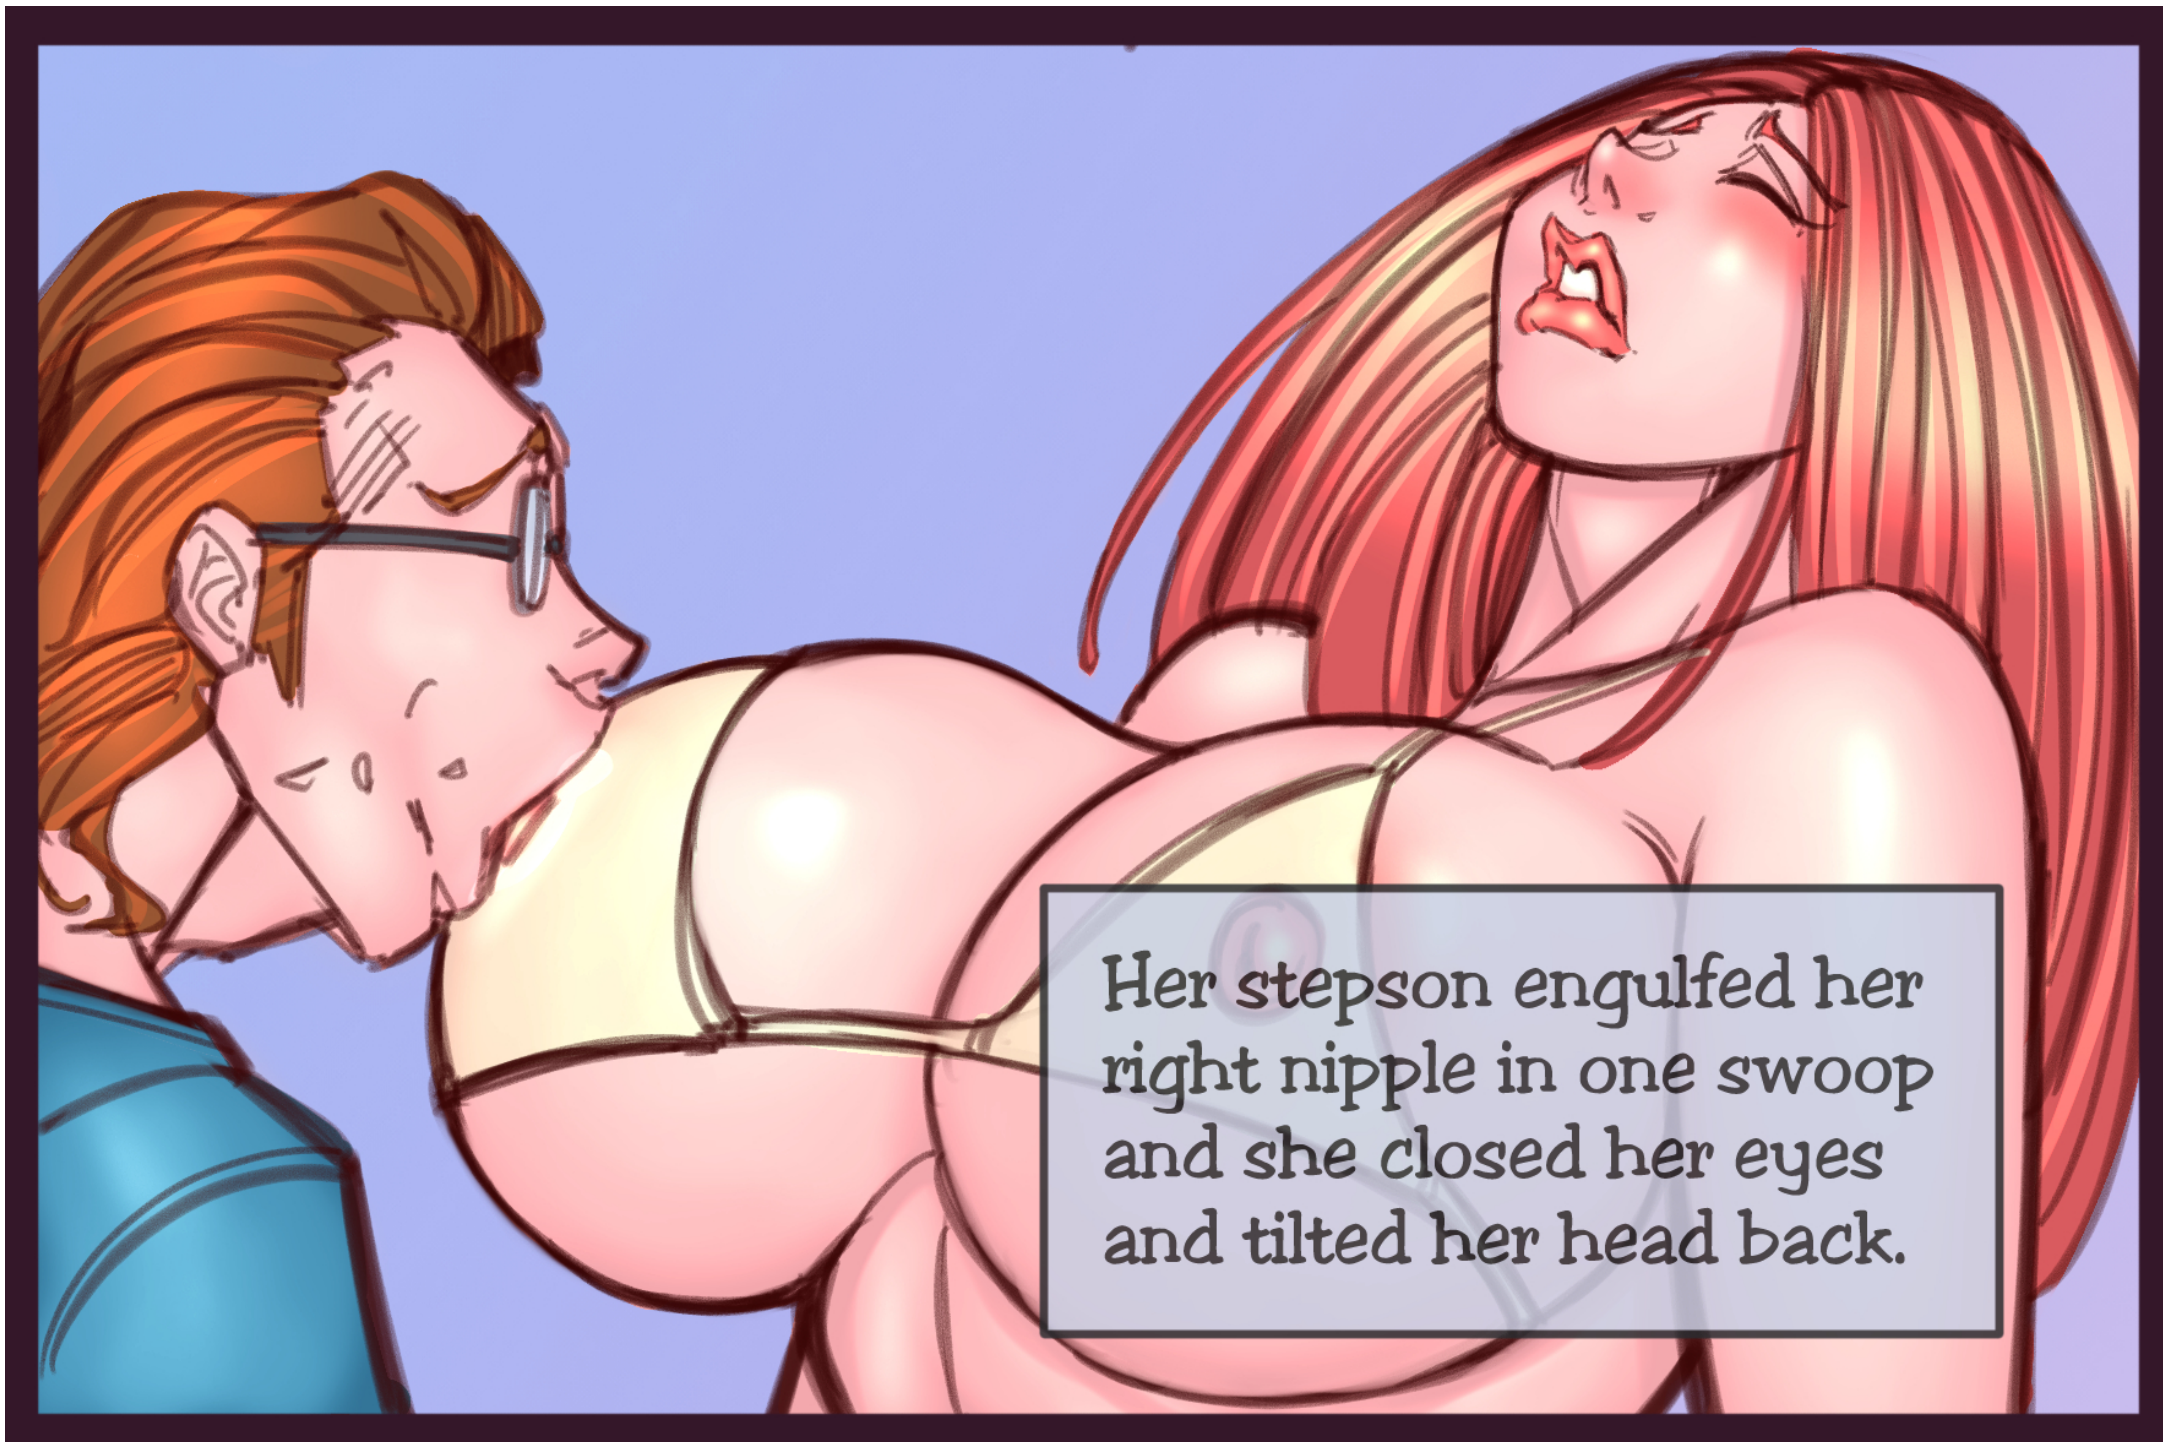

"Are you sure?" Mark asked.
"It's what my lover wants.
I want it too. I'm wet, okay?"

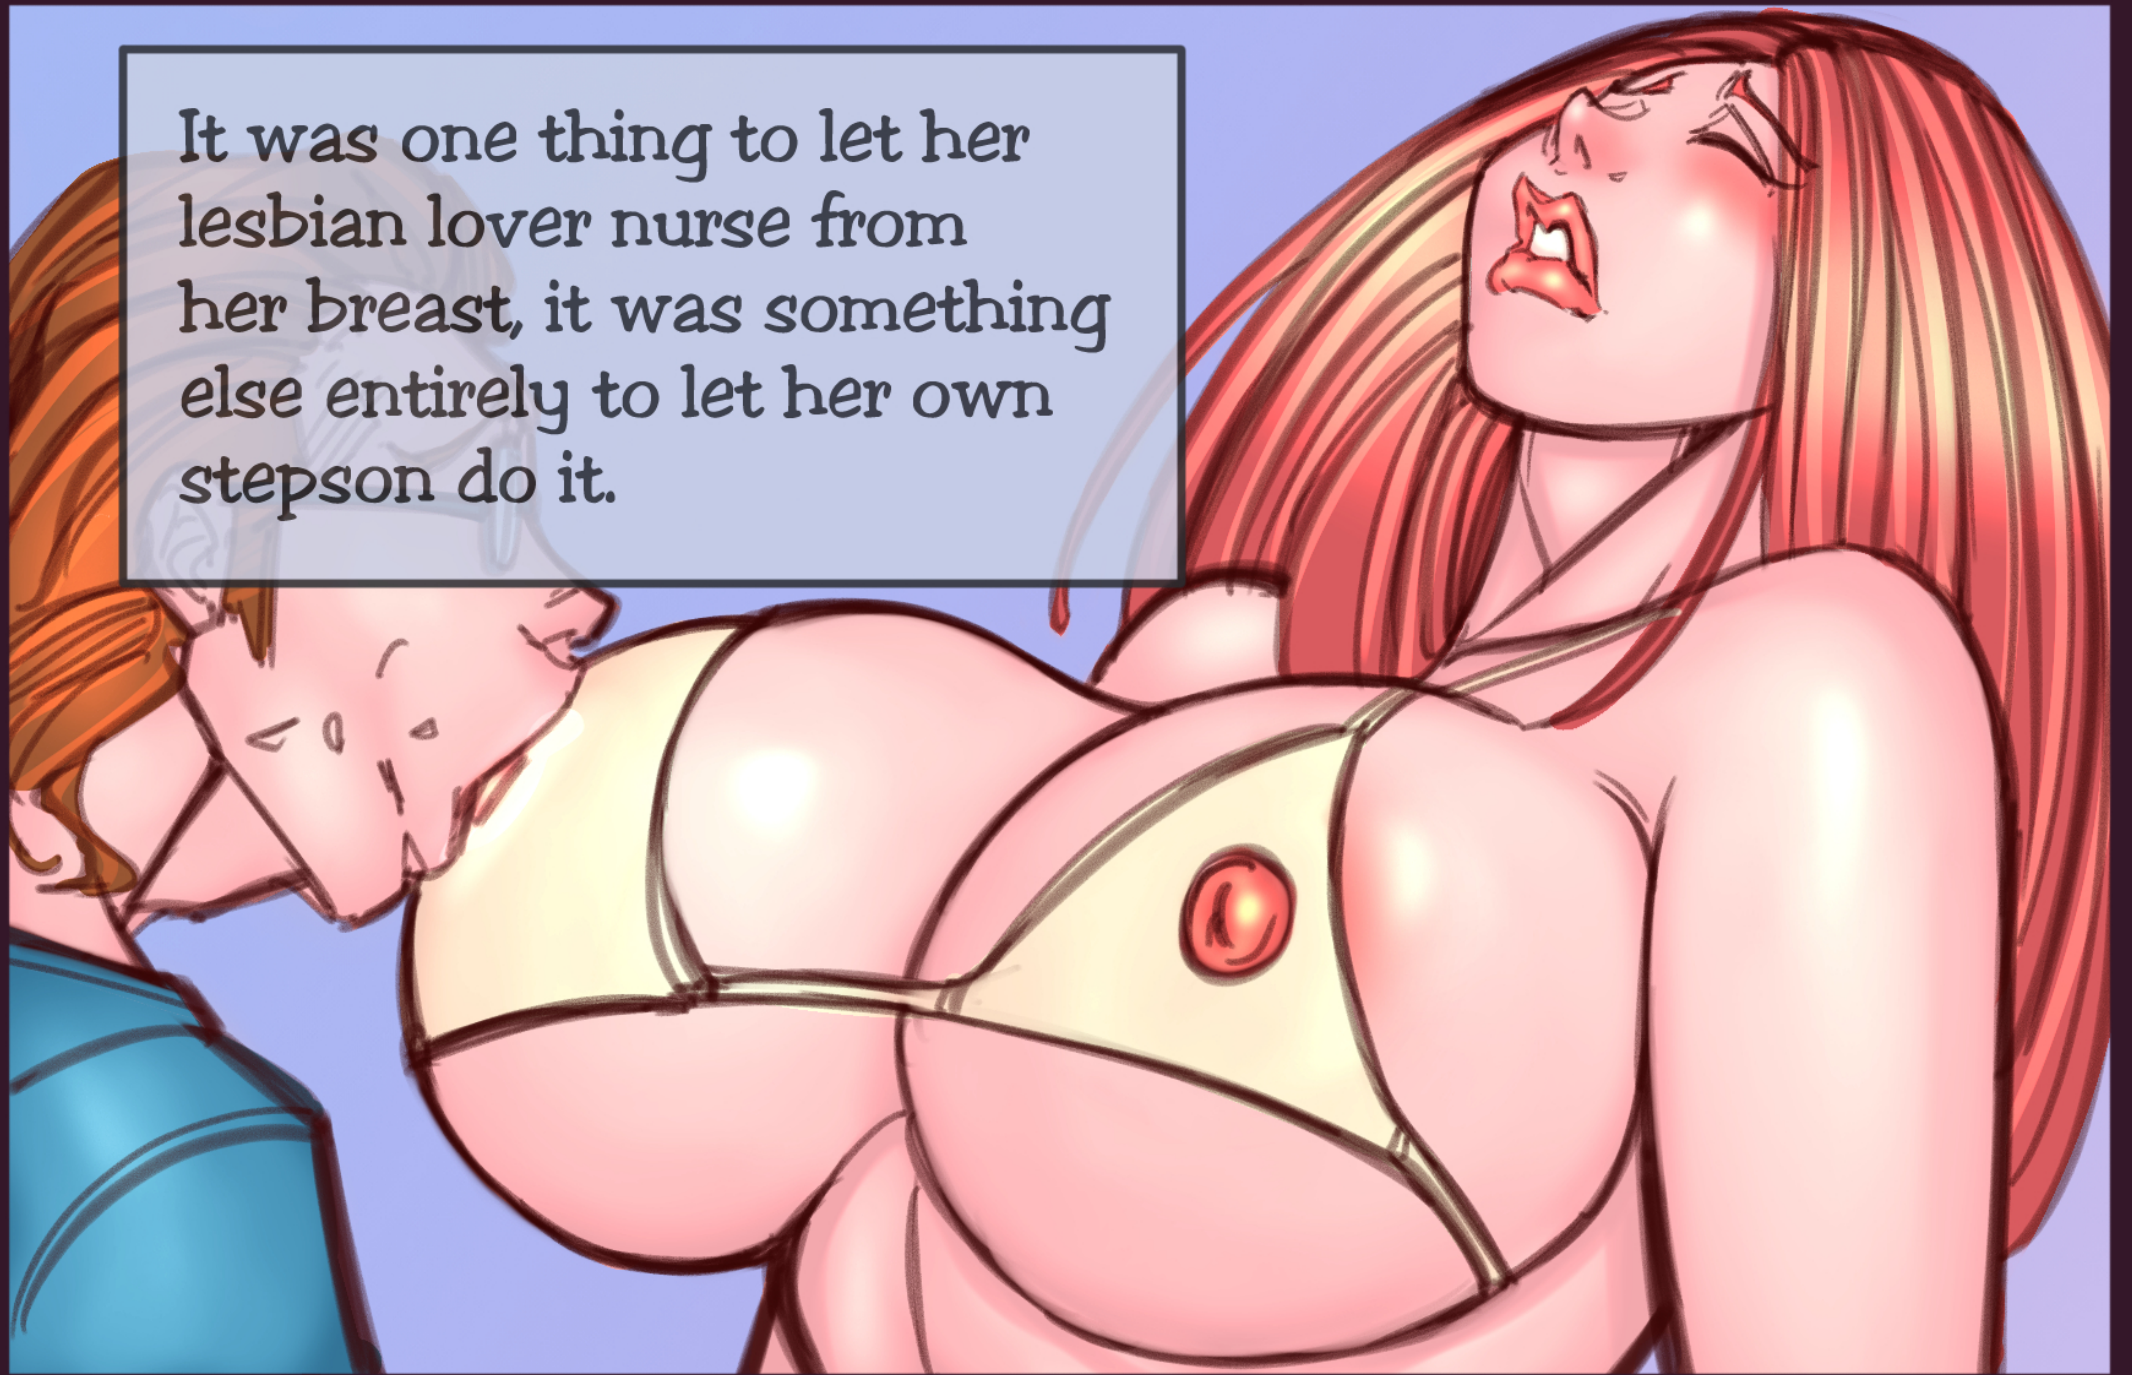

When Mark's eyes drifted down to her aching nipples, she knew what was about to happen.

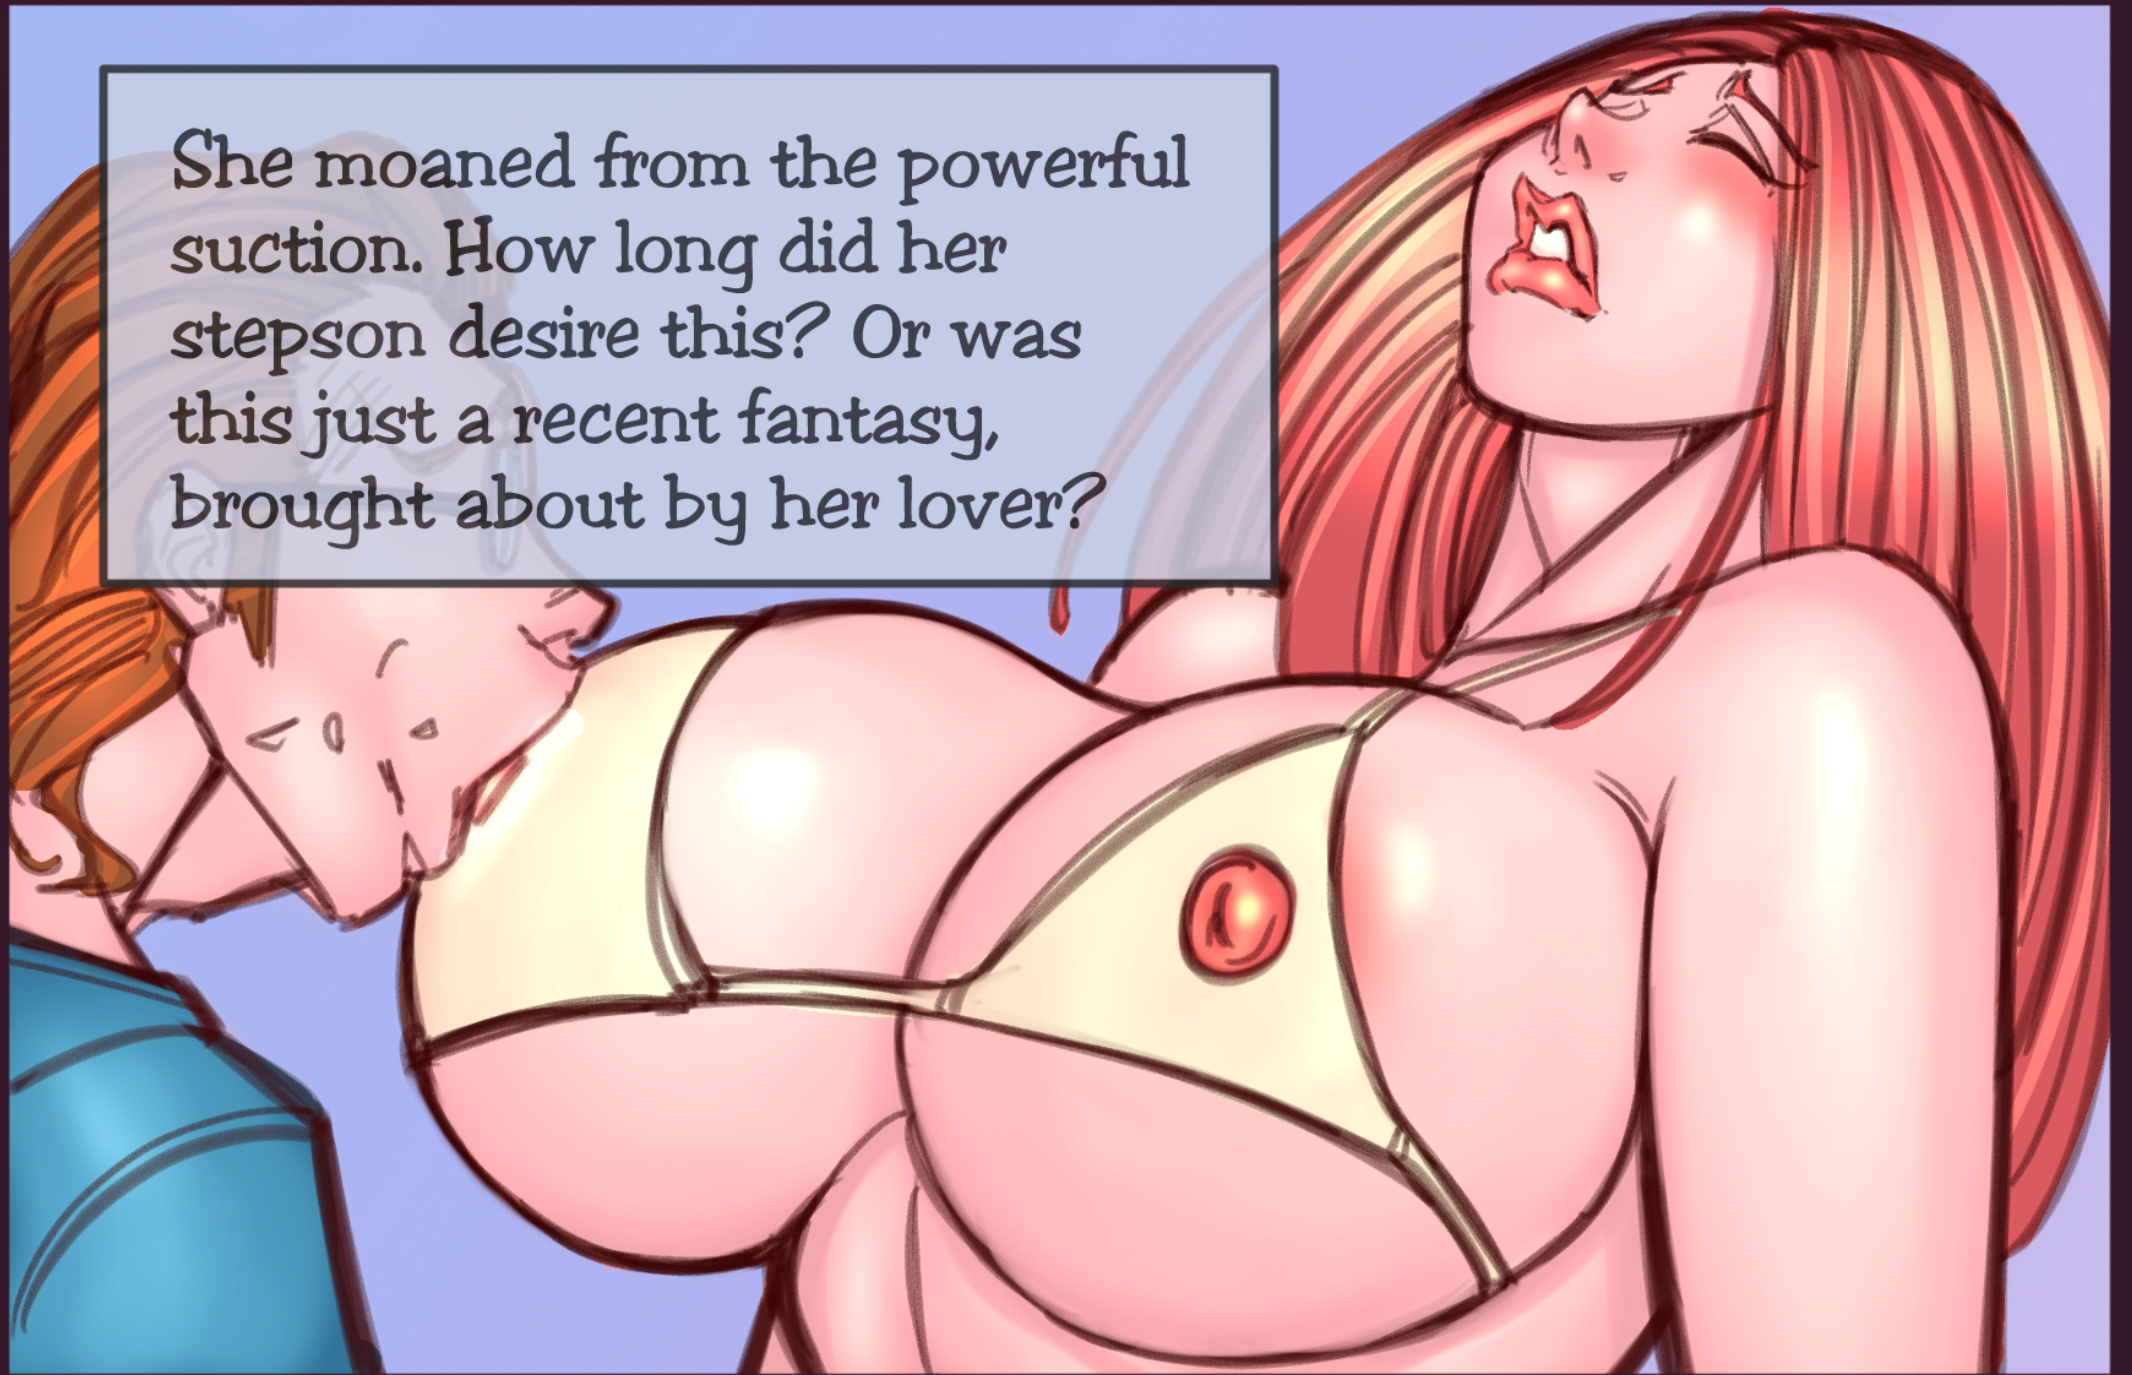

Her stepson engulfed her right nipple in one swoop and she closed her eyes and tilted her head back.

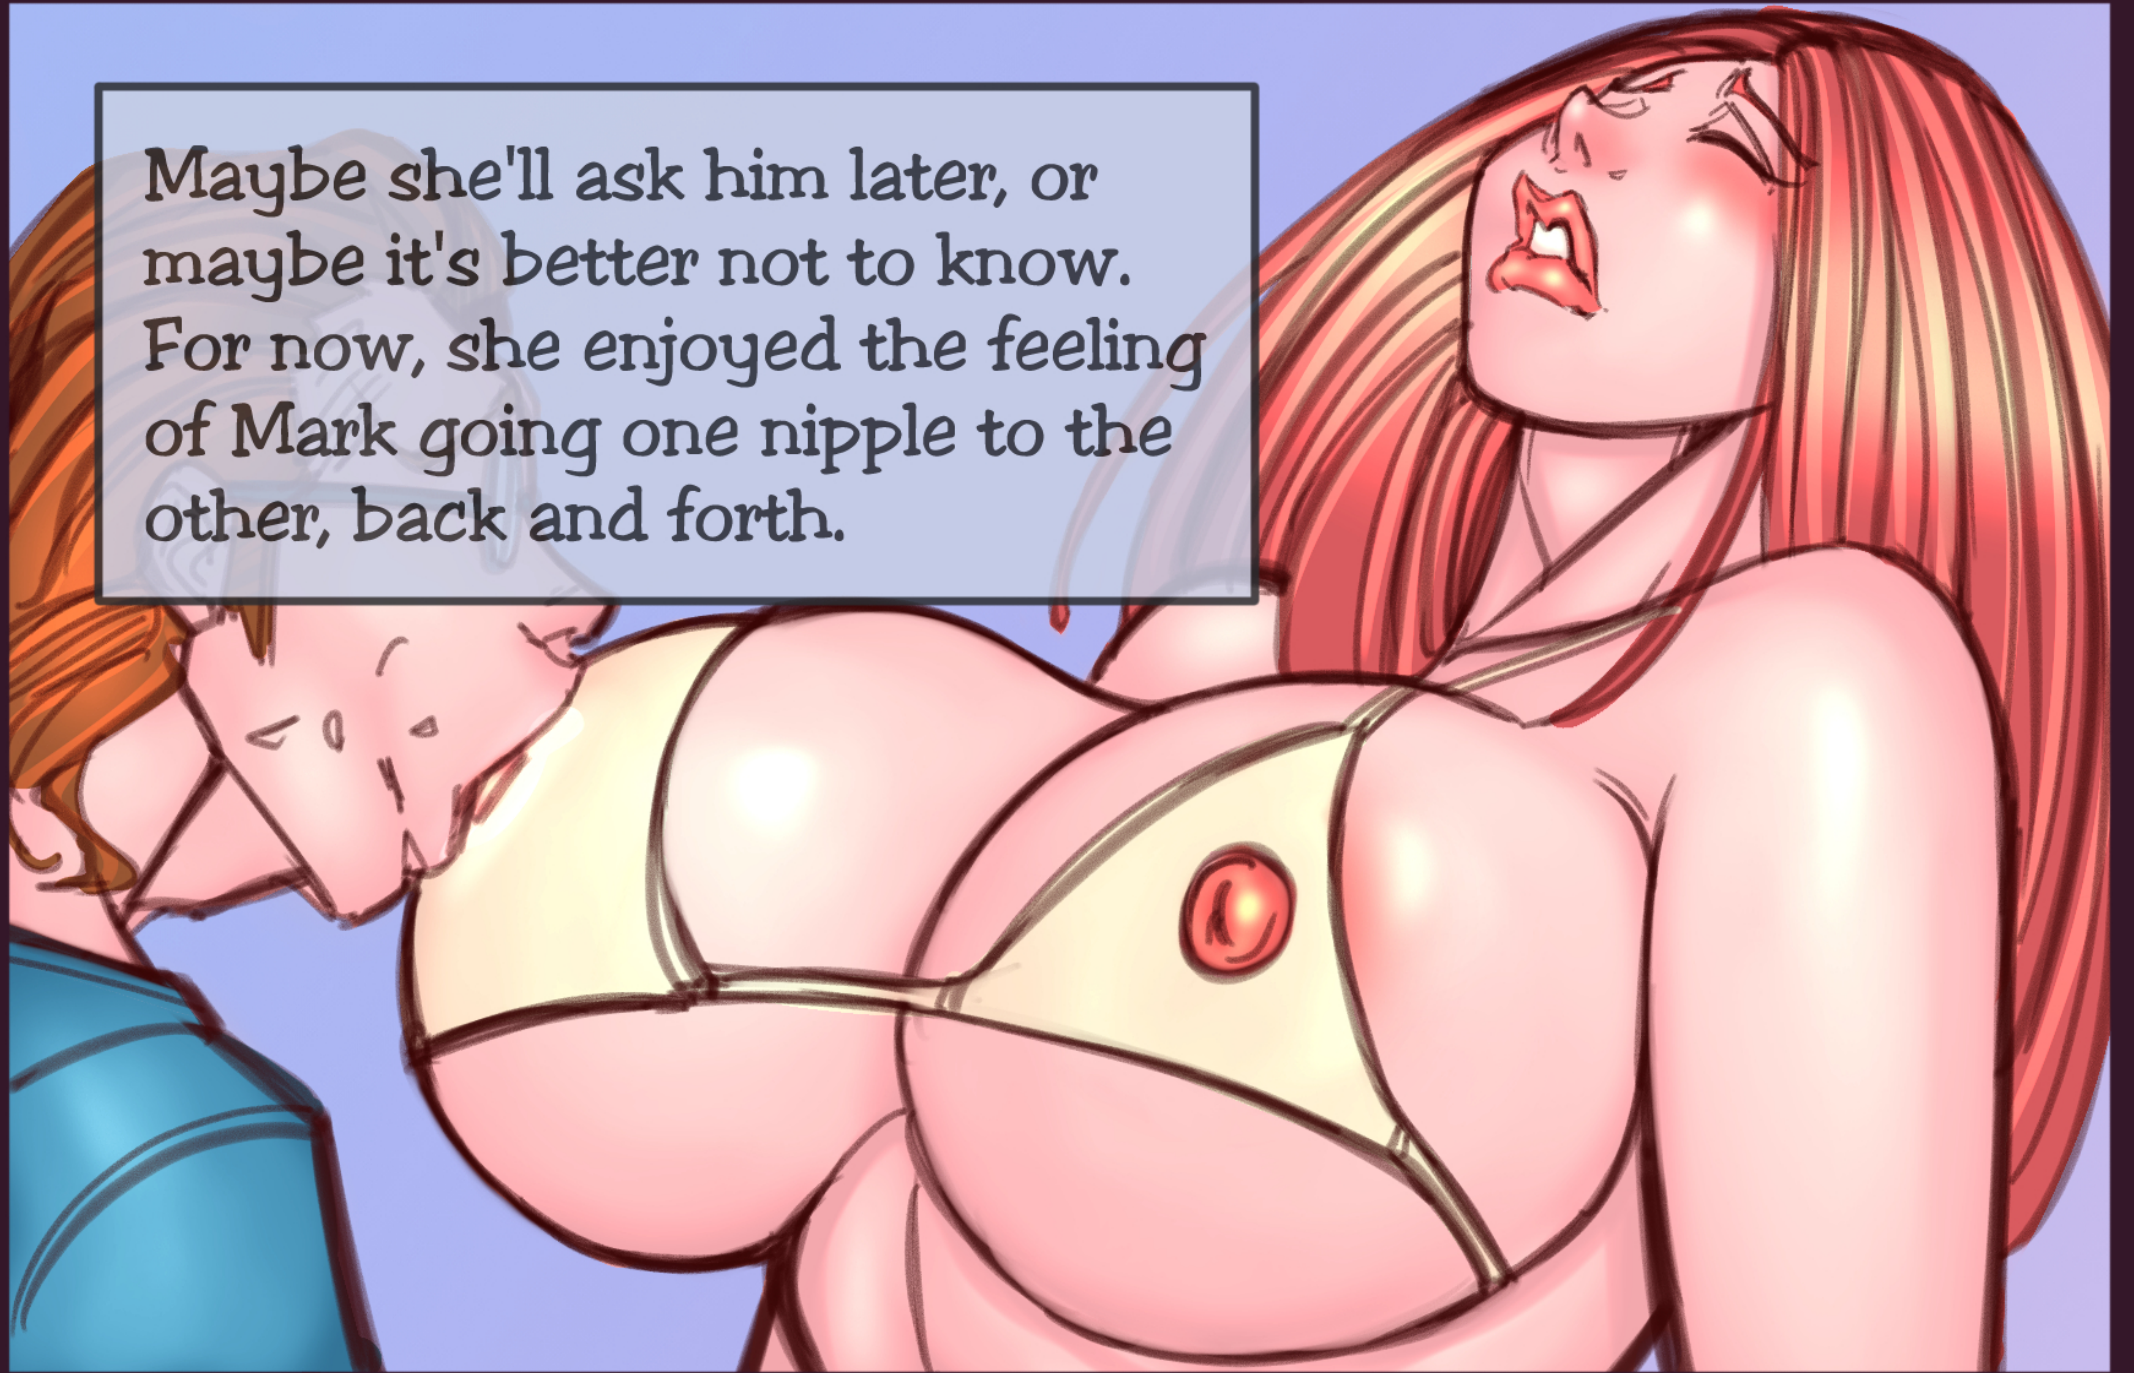

It was one thing to let her lesbian lover nurse from her breast, it was something else entirely to let her own stepson do it.

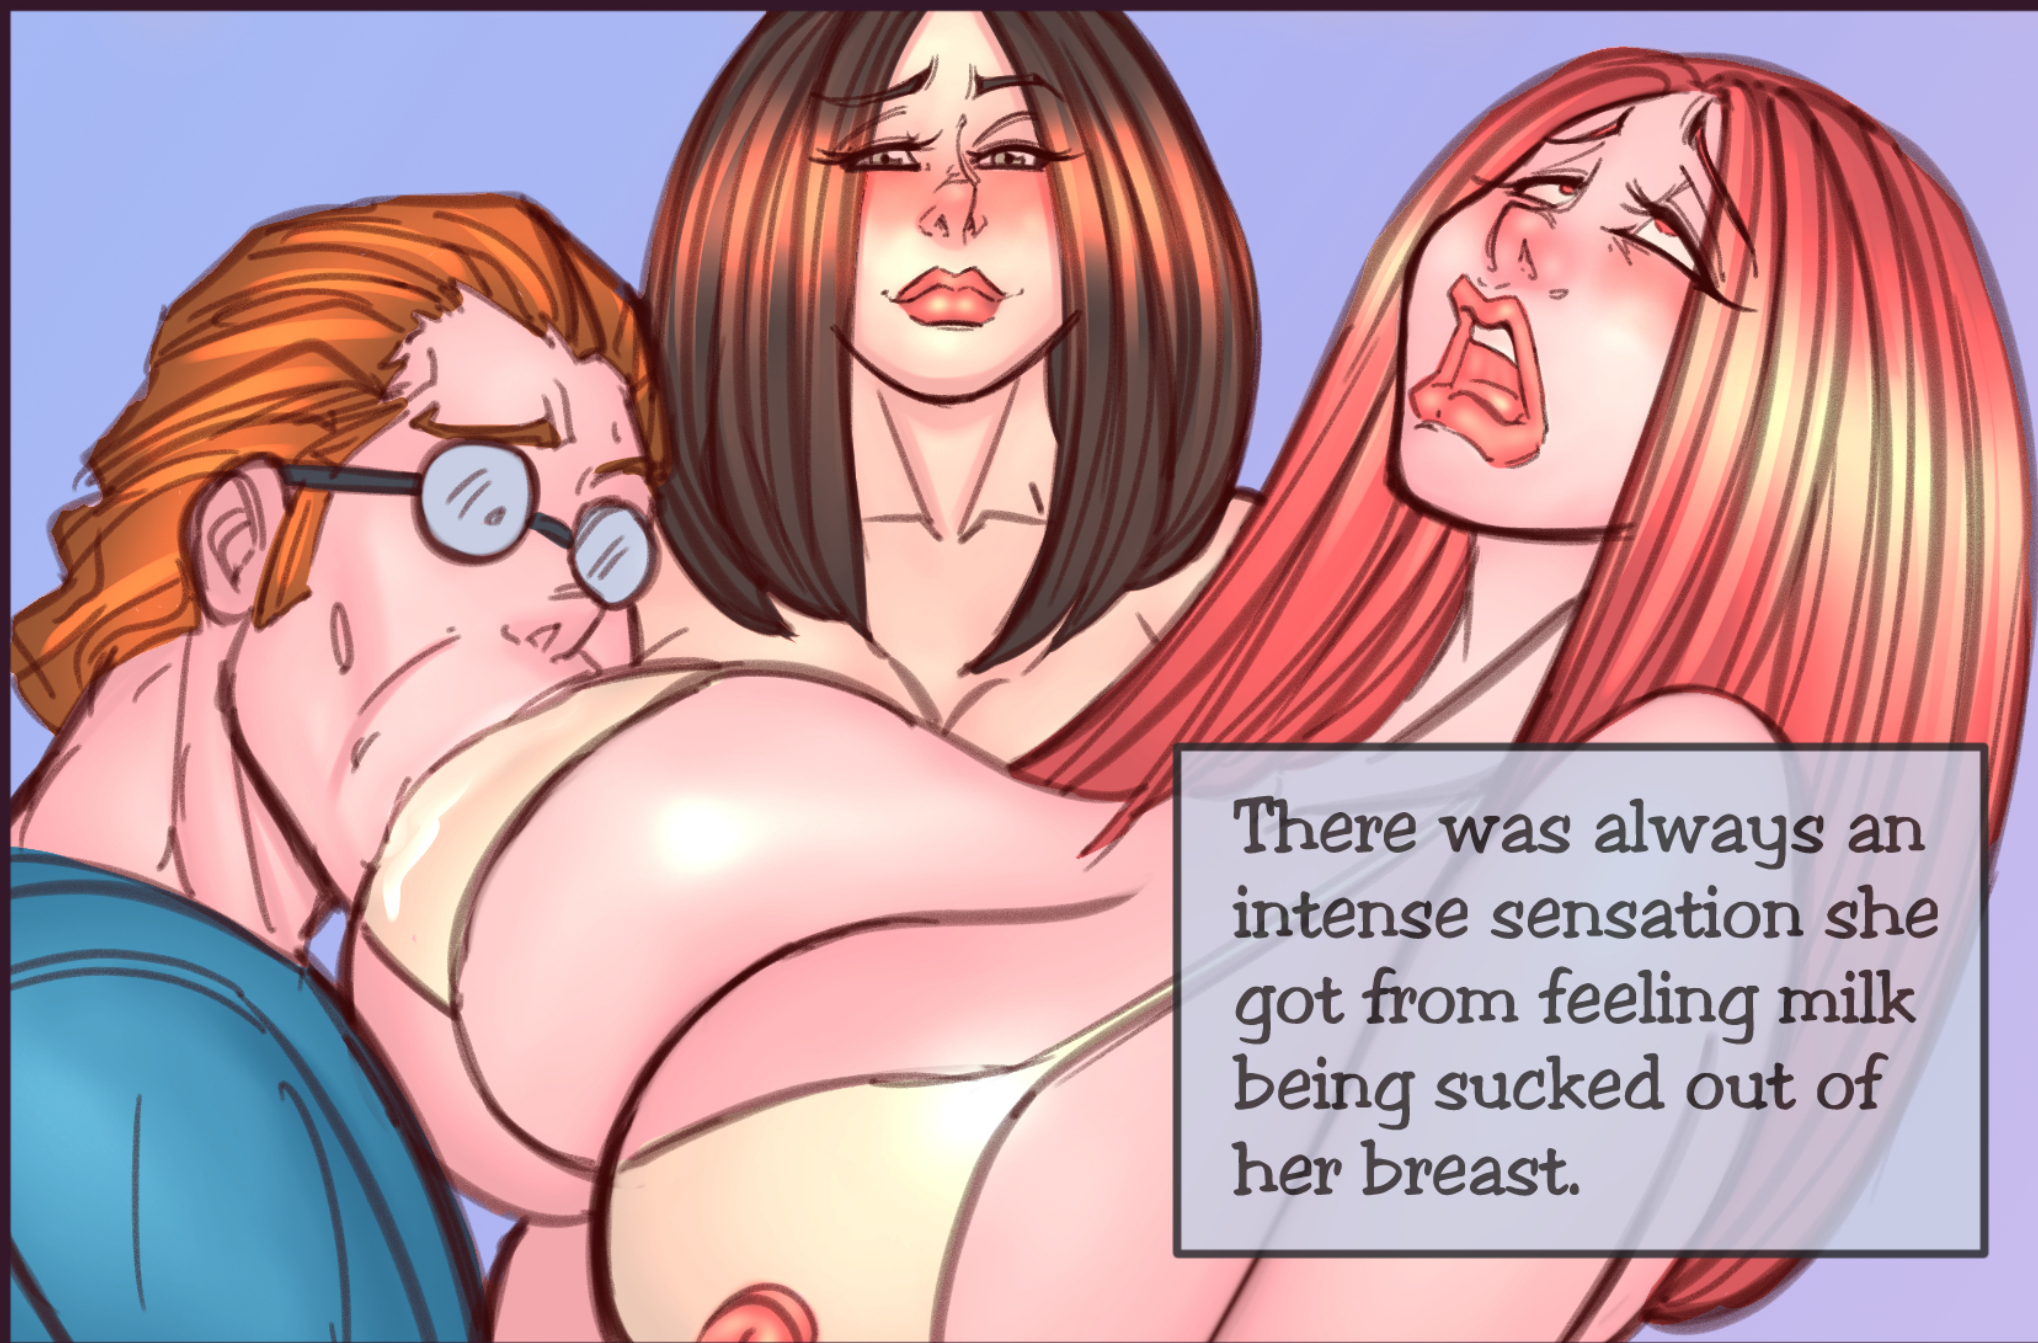

She moaned from the powerful suction. How long did her stepson desire this? Or was this just a recent fantasy, brought about by her lover?

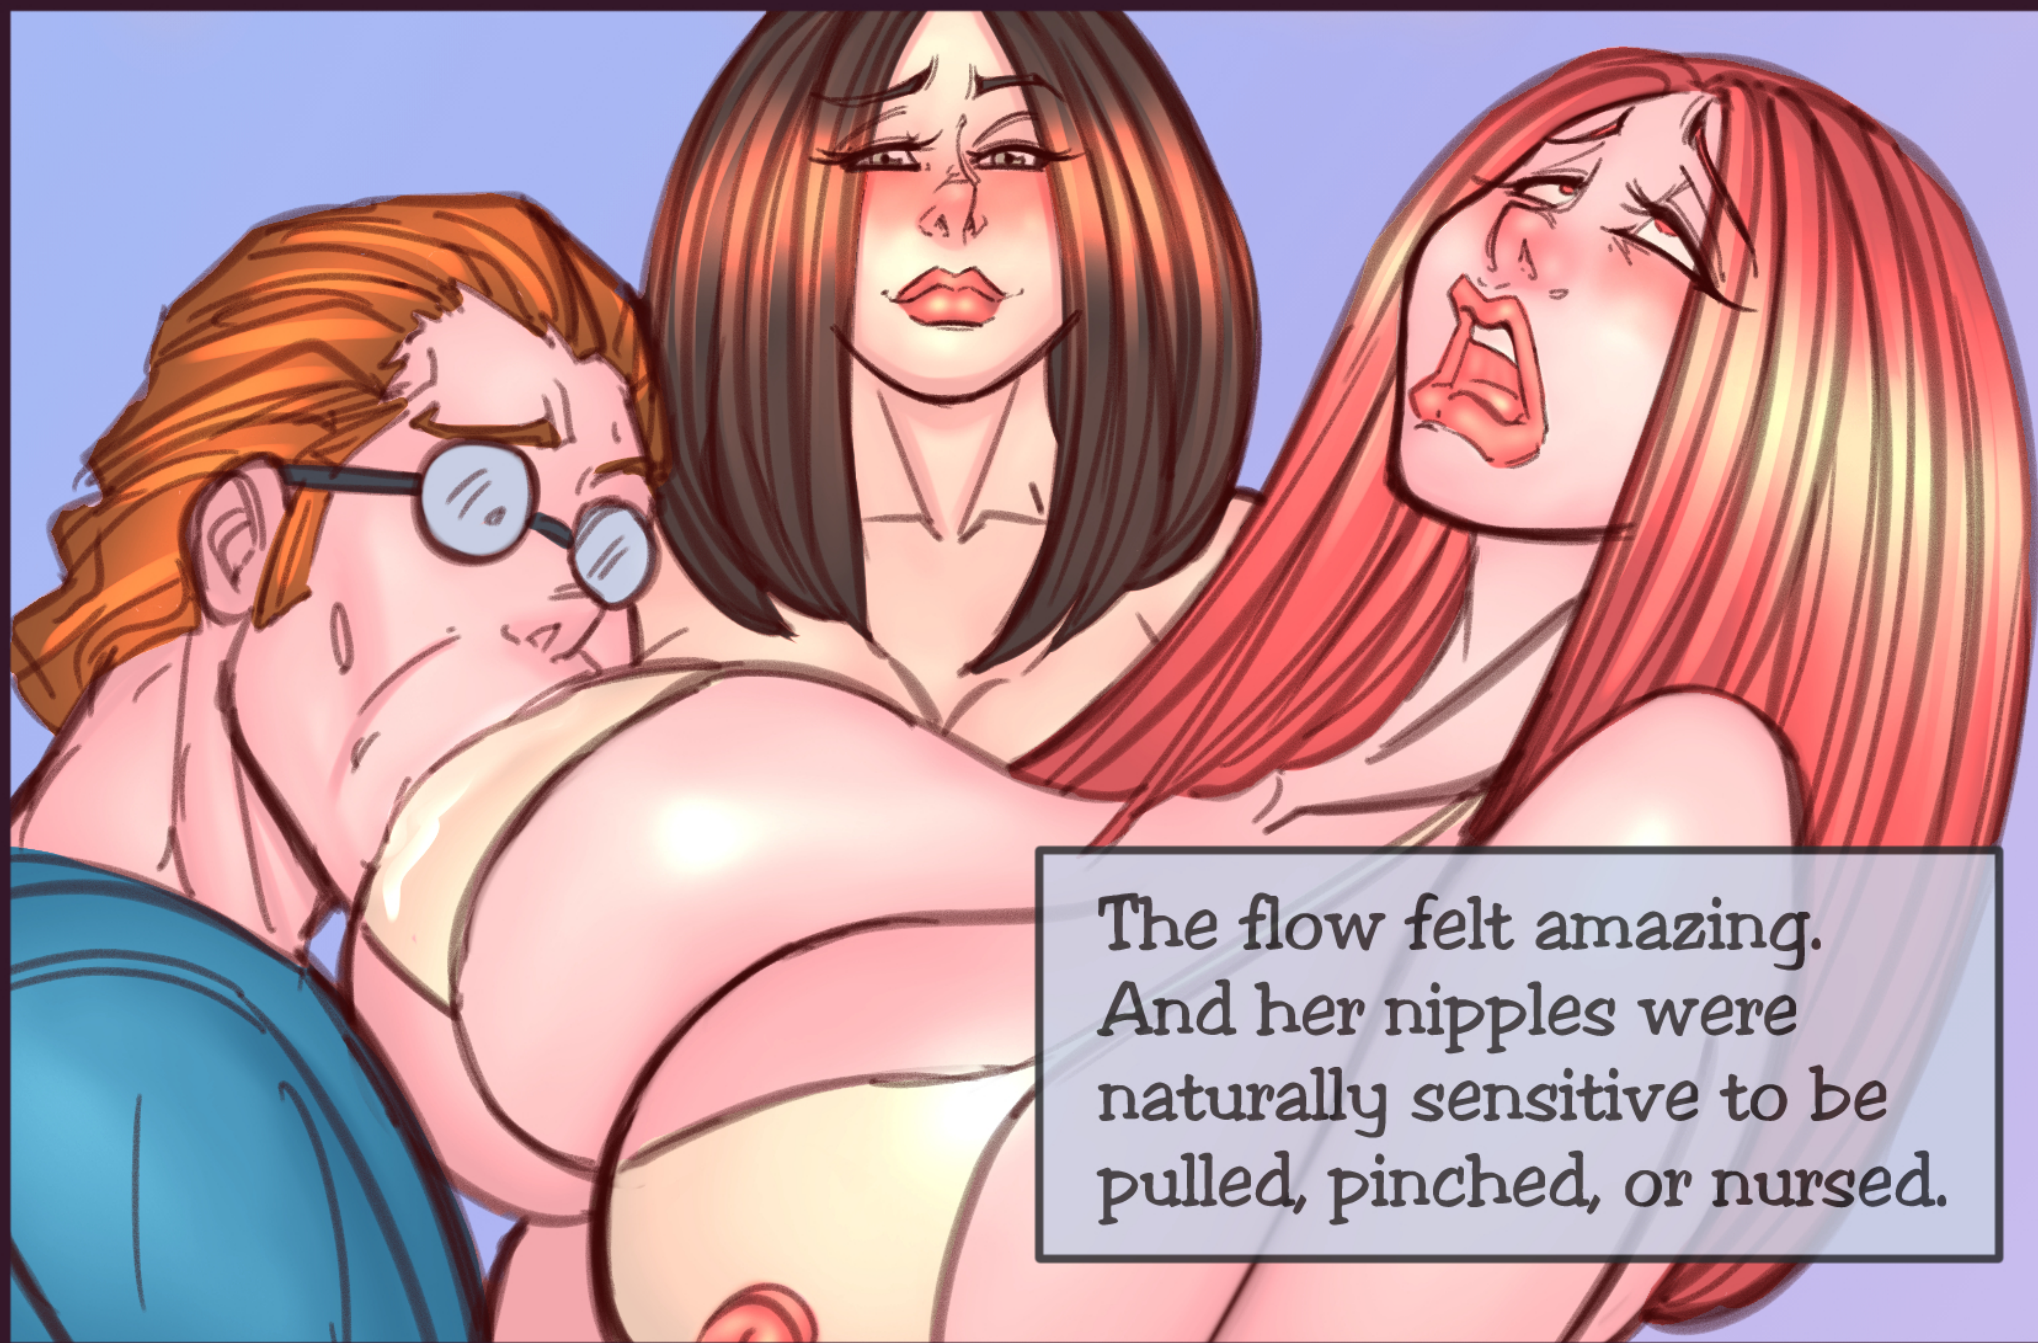

Maybe she'll ask him later, or maybe it's better not to know. For now, she enjoyed the feeling of Mark going one nipple to the other, back and forth.

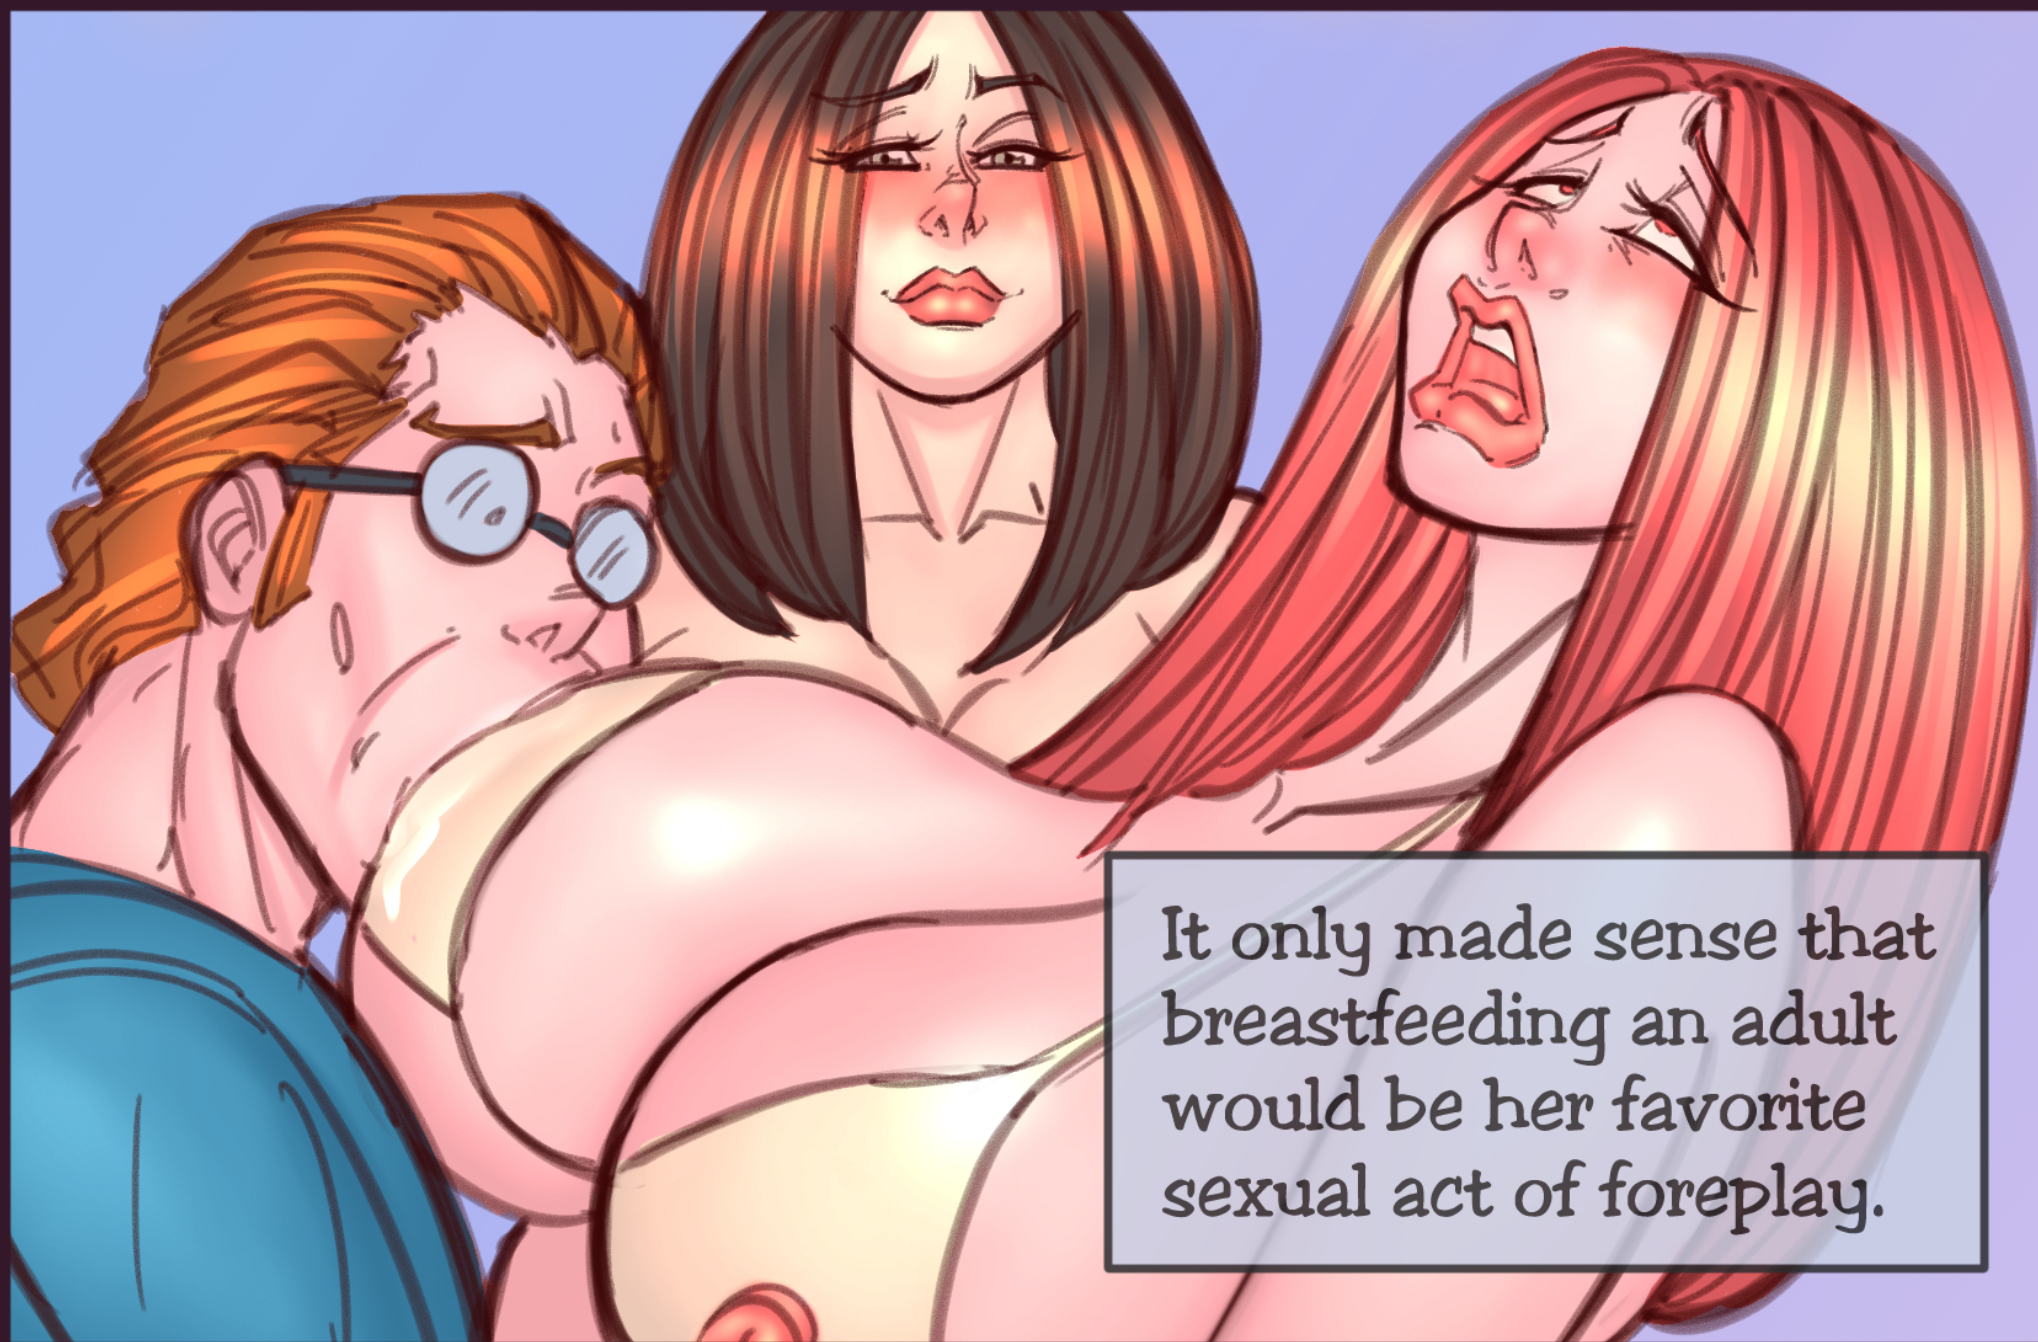

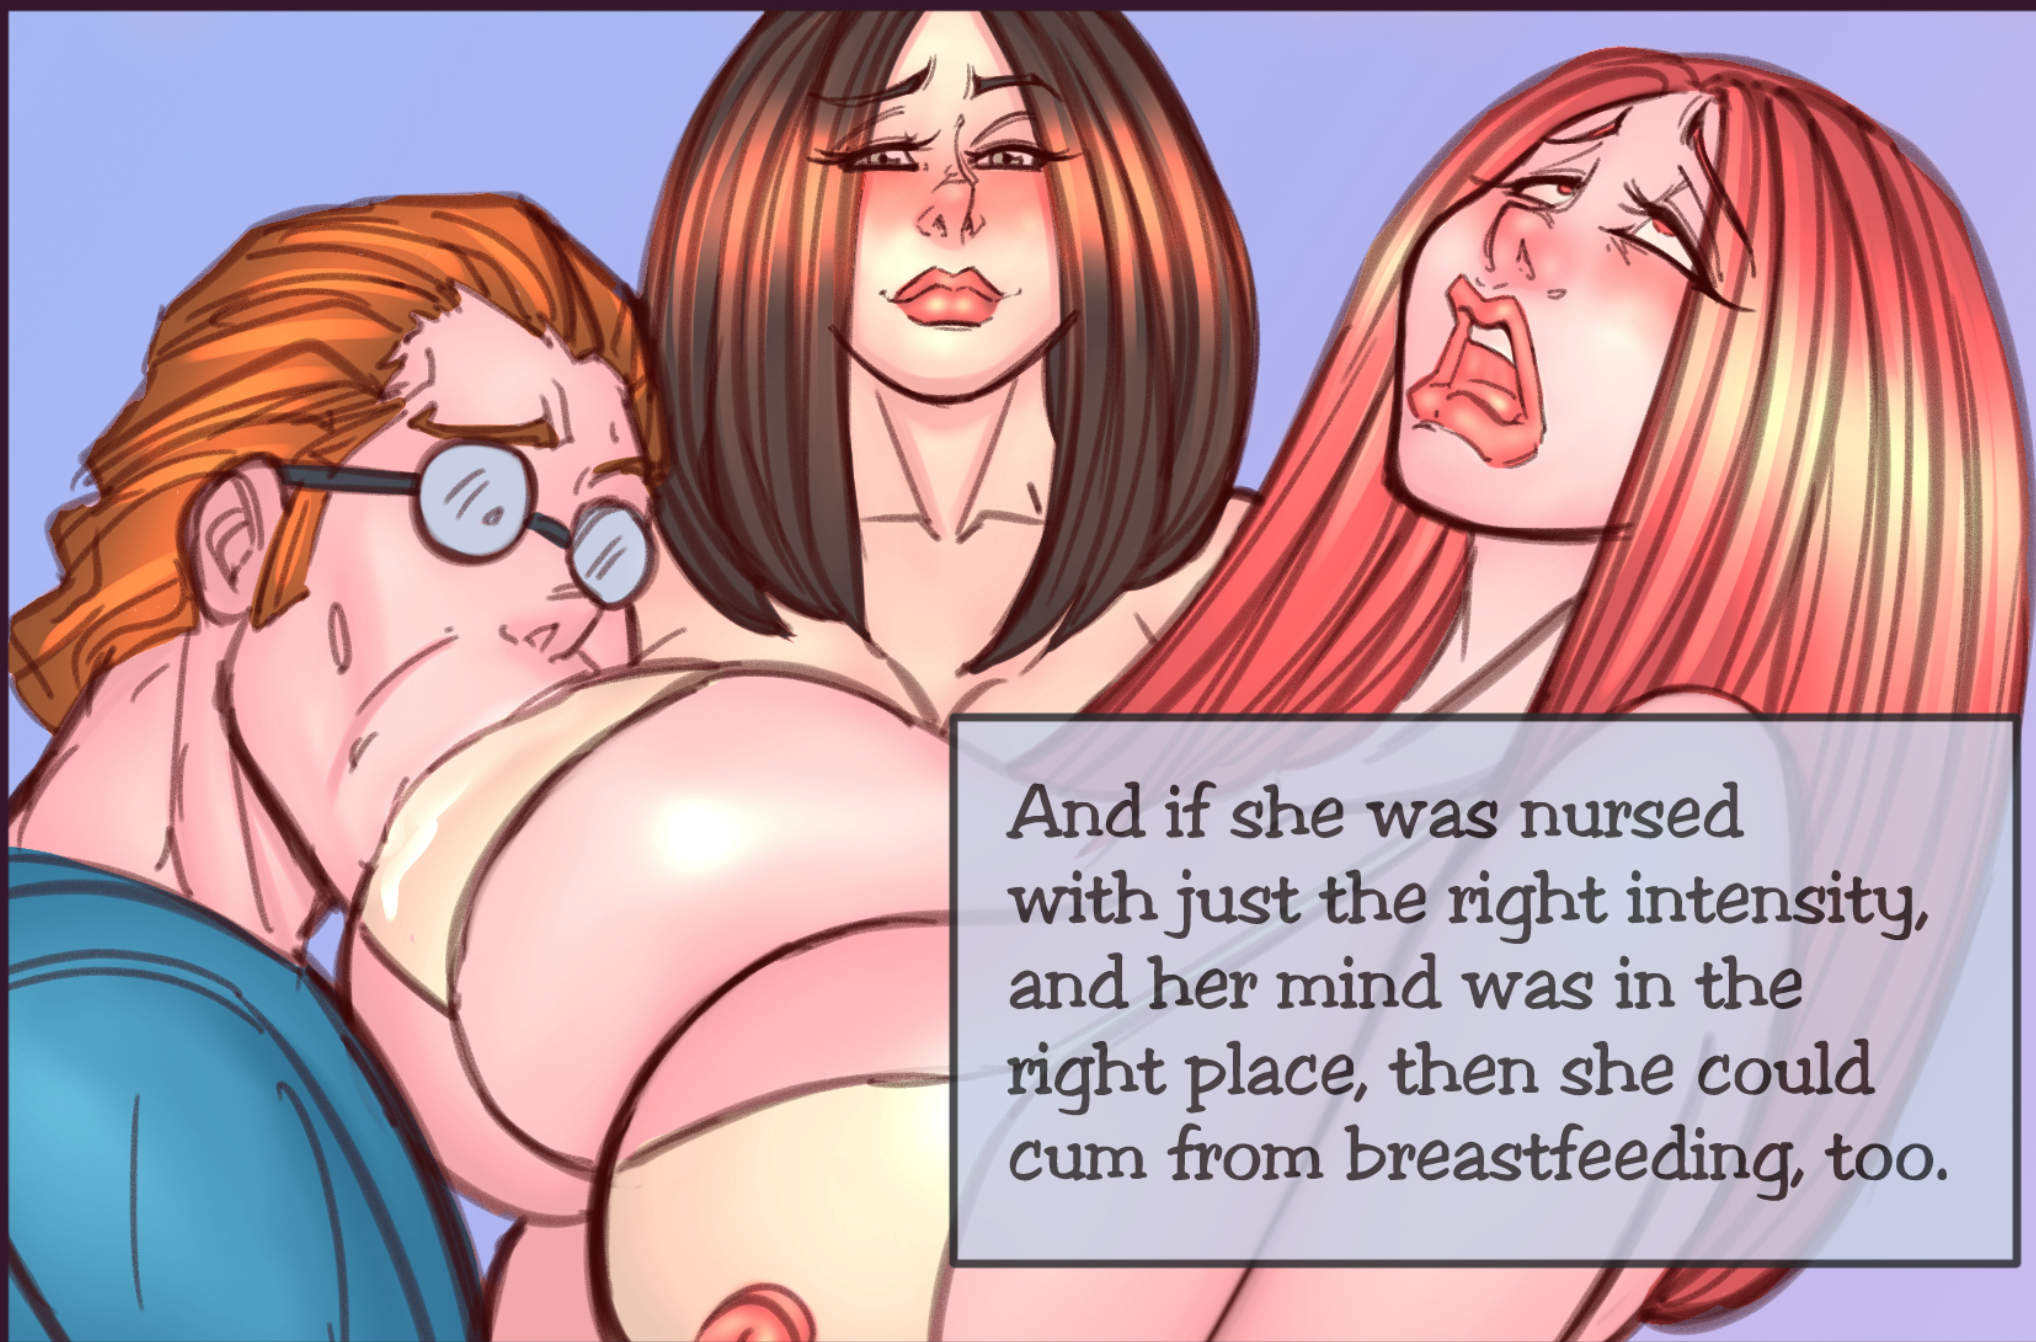

There was always an intense sensation she got from feeling milk being sucked out of her breast.

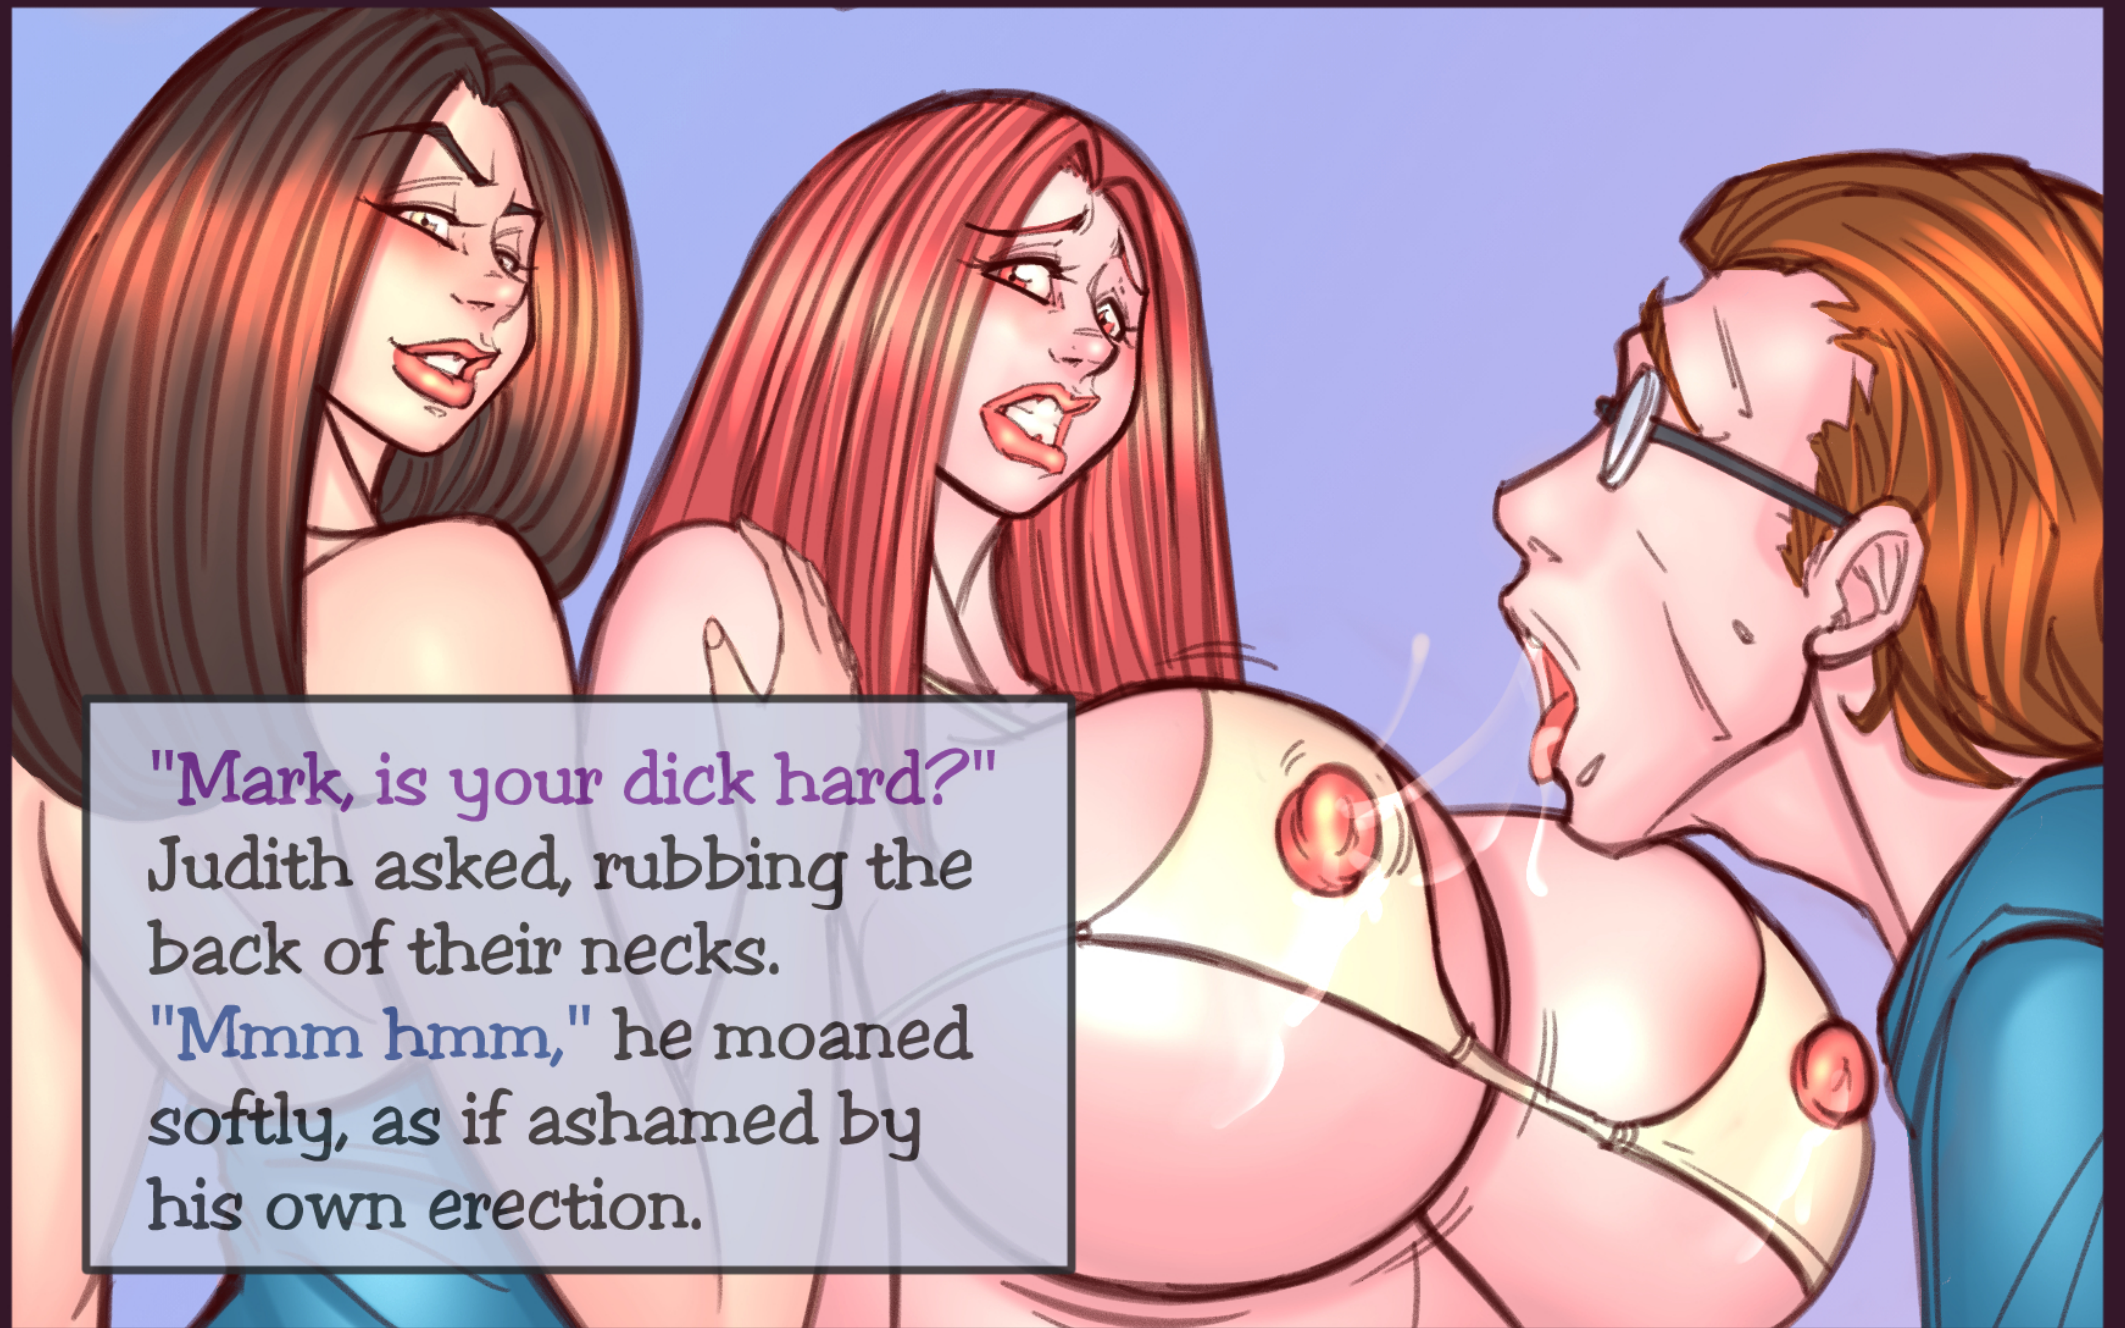

The flow felt amazing.
And her nipples were
naturally sensitive to be
pulled, pinched, or nursed.

It only made sense that breastfeeding an adult would be her favorite sexual act of foreplay.

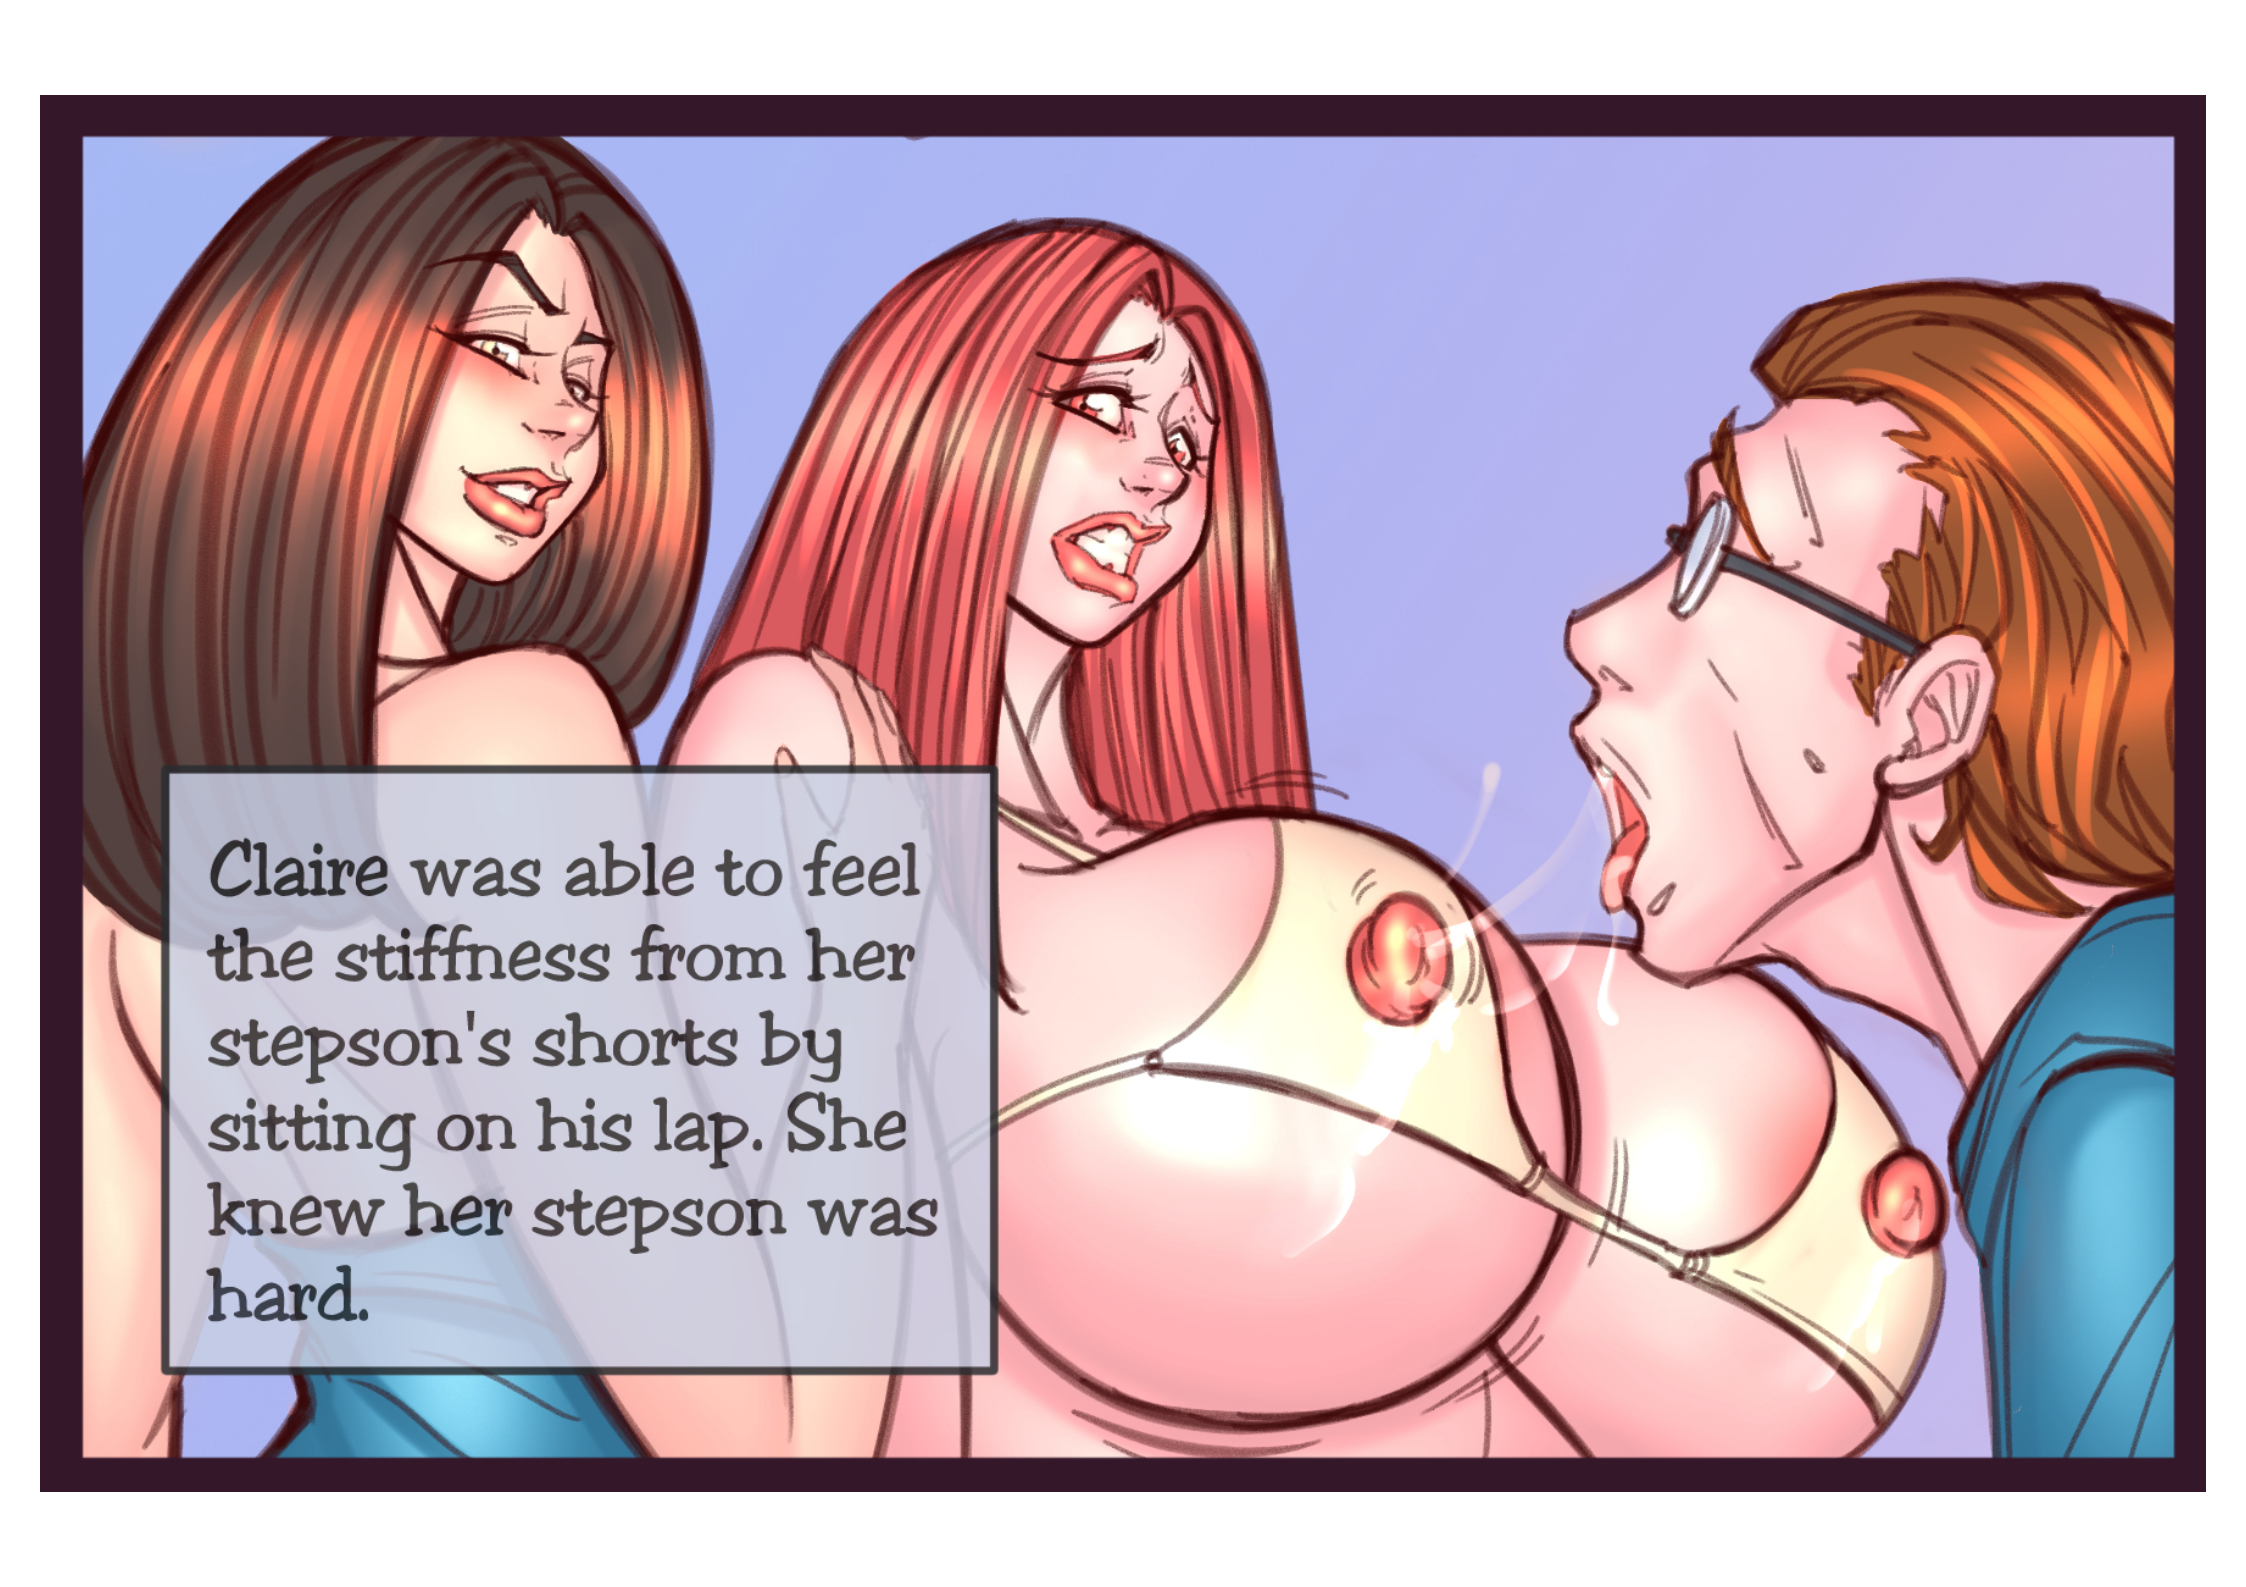

And if she was nursed with just the right intensity, and her mind was in the right place, then she could cum from breastfeeding, too.

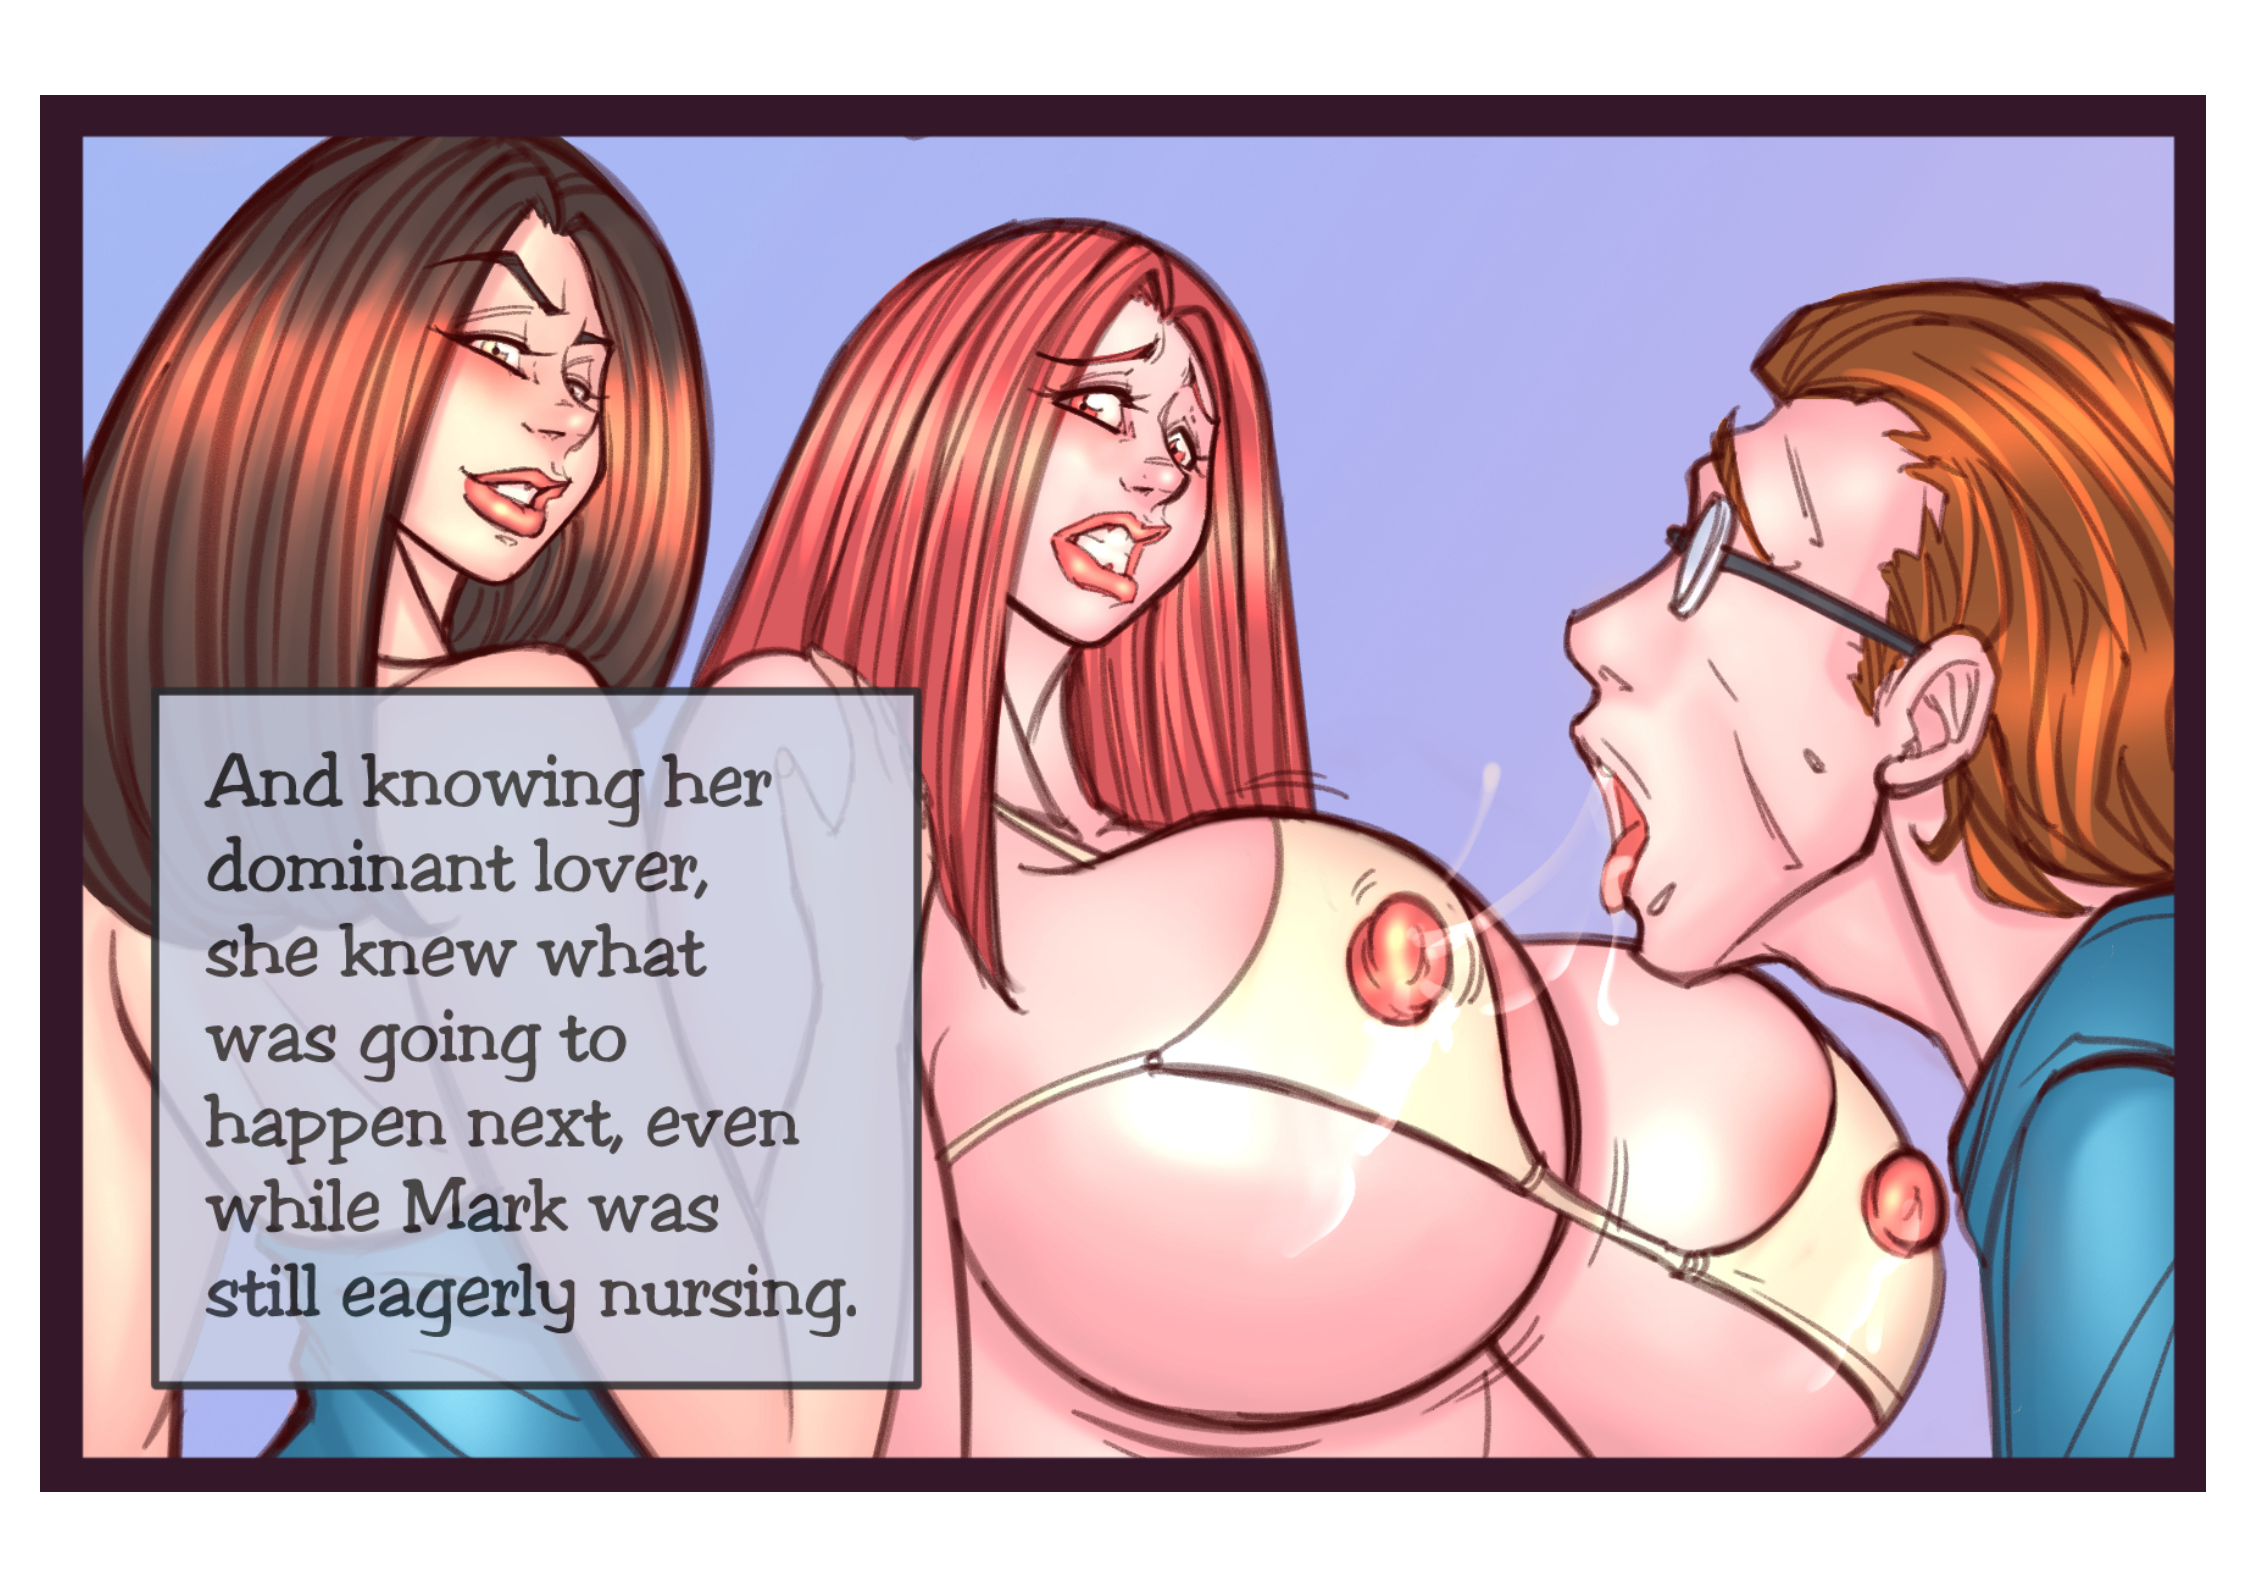

"Mark, is your dick hard?"

Judith asked, rubbing the back of their necks.

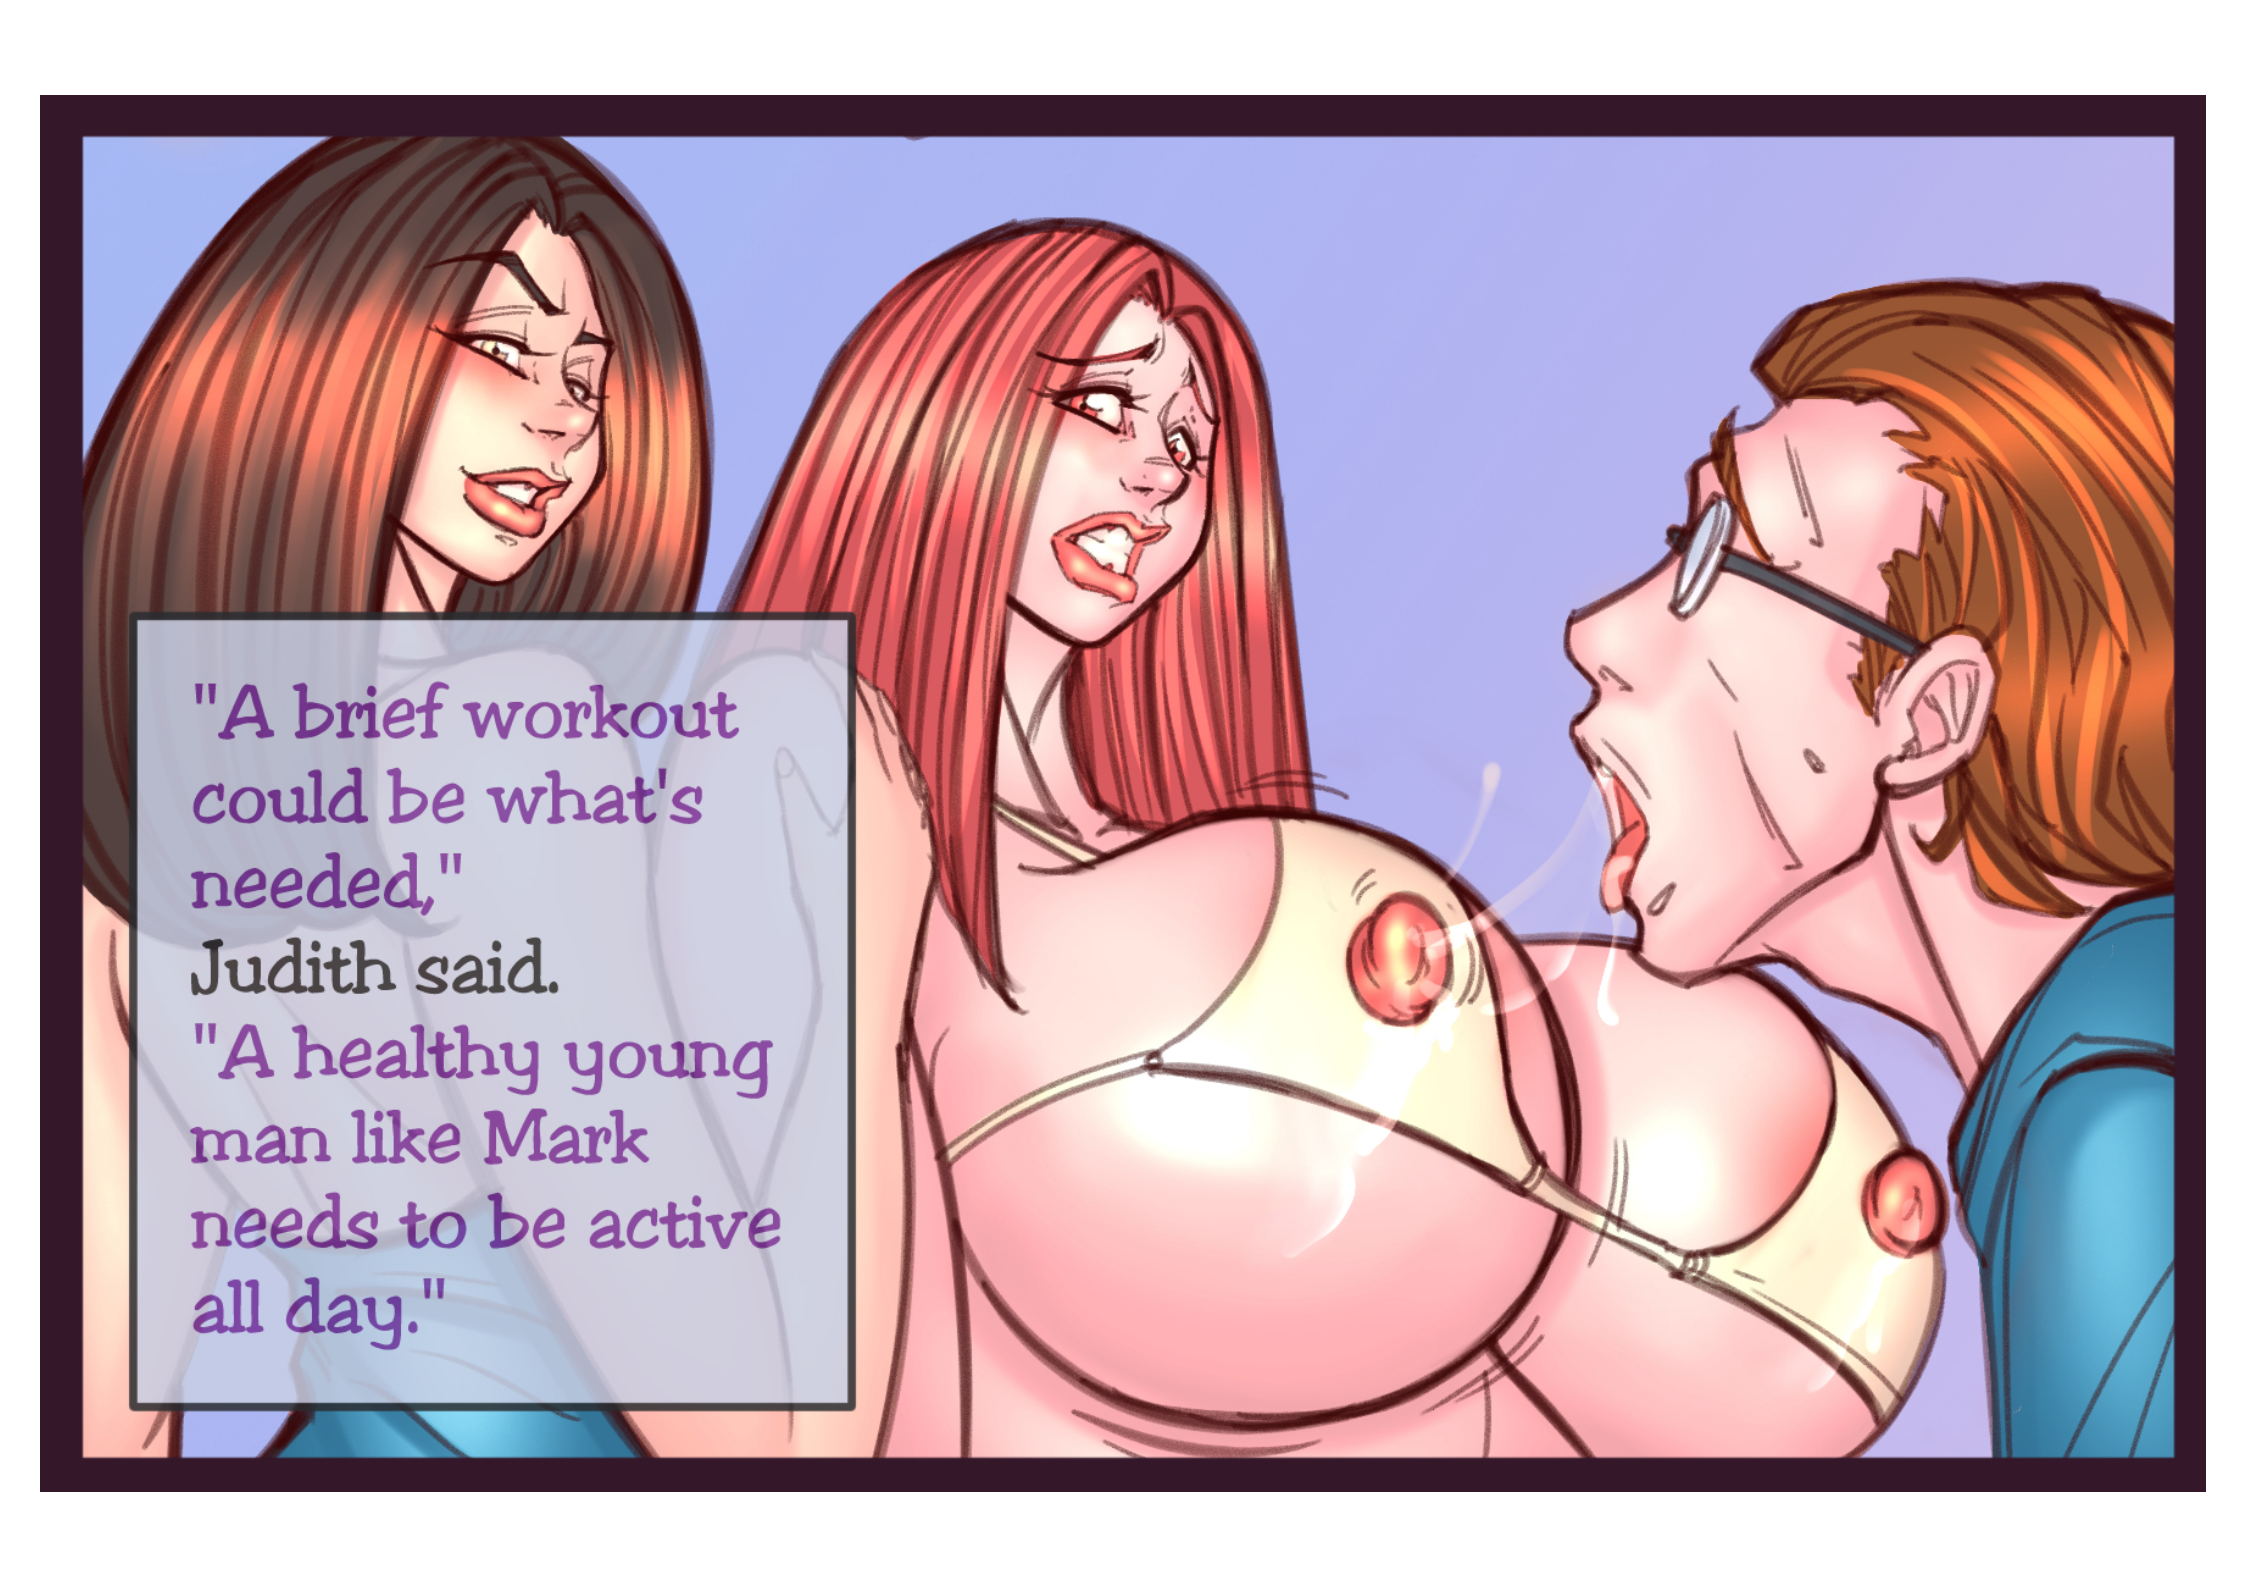

"Mmm hmm," he moaned softly, as if ashamed by his own erection.

Claire was able to feel the stiffness from her stepson's shorts by sitting on his lap. She knew her stepson was hard.

And knowing her dominant lover, she knew what was going to happen next, even while Mark was still eagerly nursing.

"A brief workout
could be what's
needed,"
Judith said.
"A healthy young
man like Mark
needs to be active
all day."

"We can't have
this athlete
turning soft,
can we?"

"Mark, help me take your penis
out."
