CHAPTER 10

"Mark, help me take
your penis out."

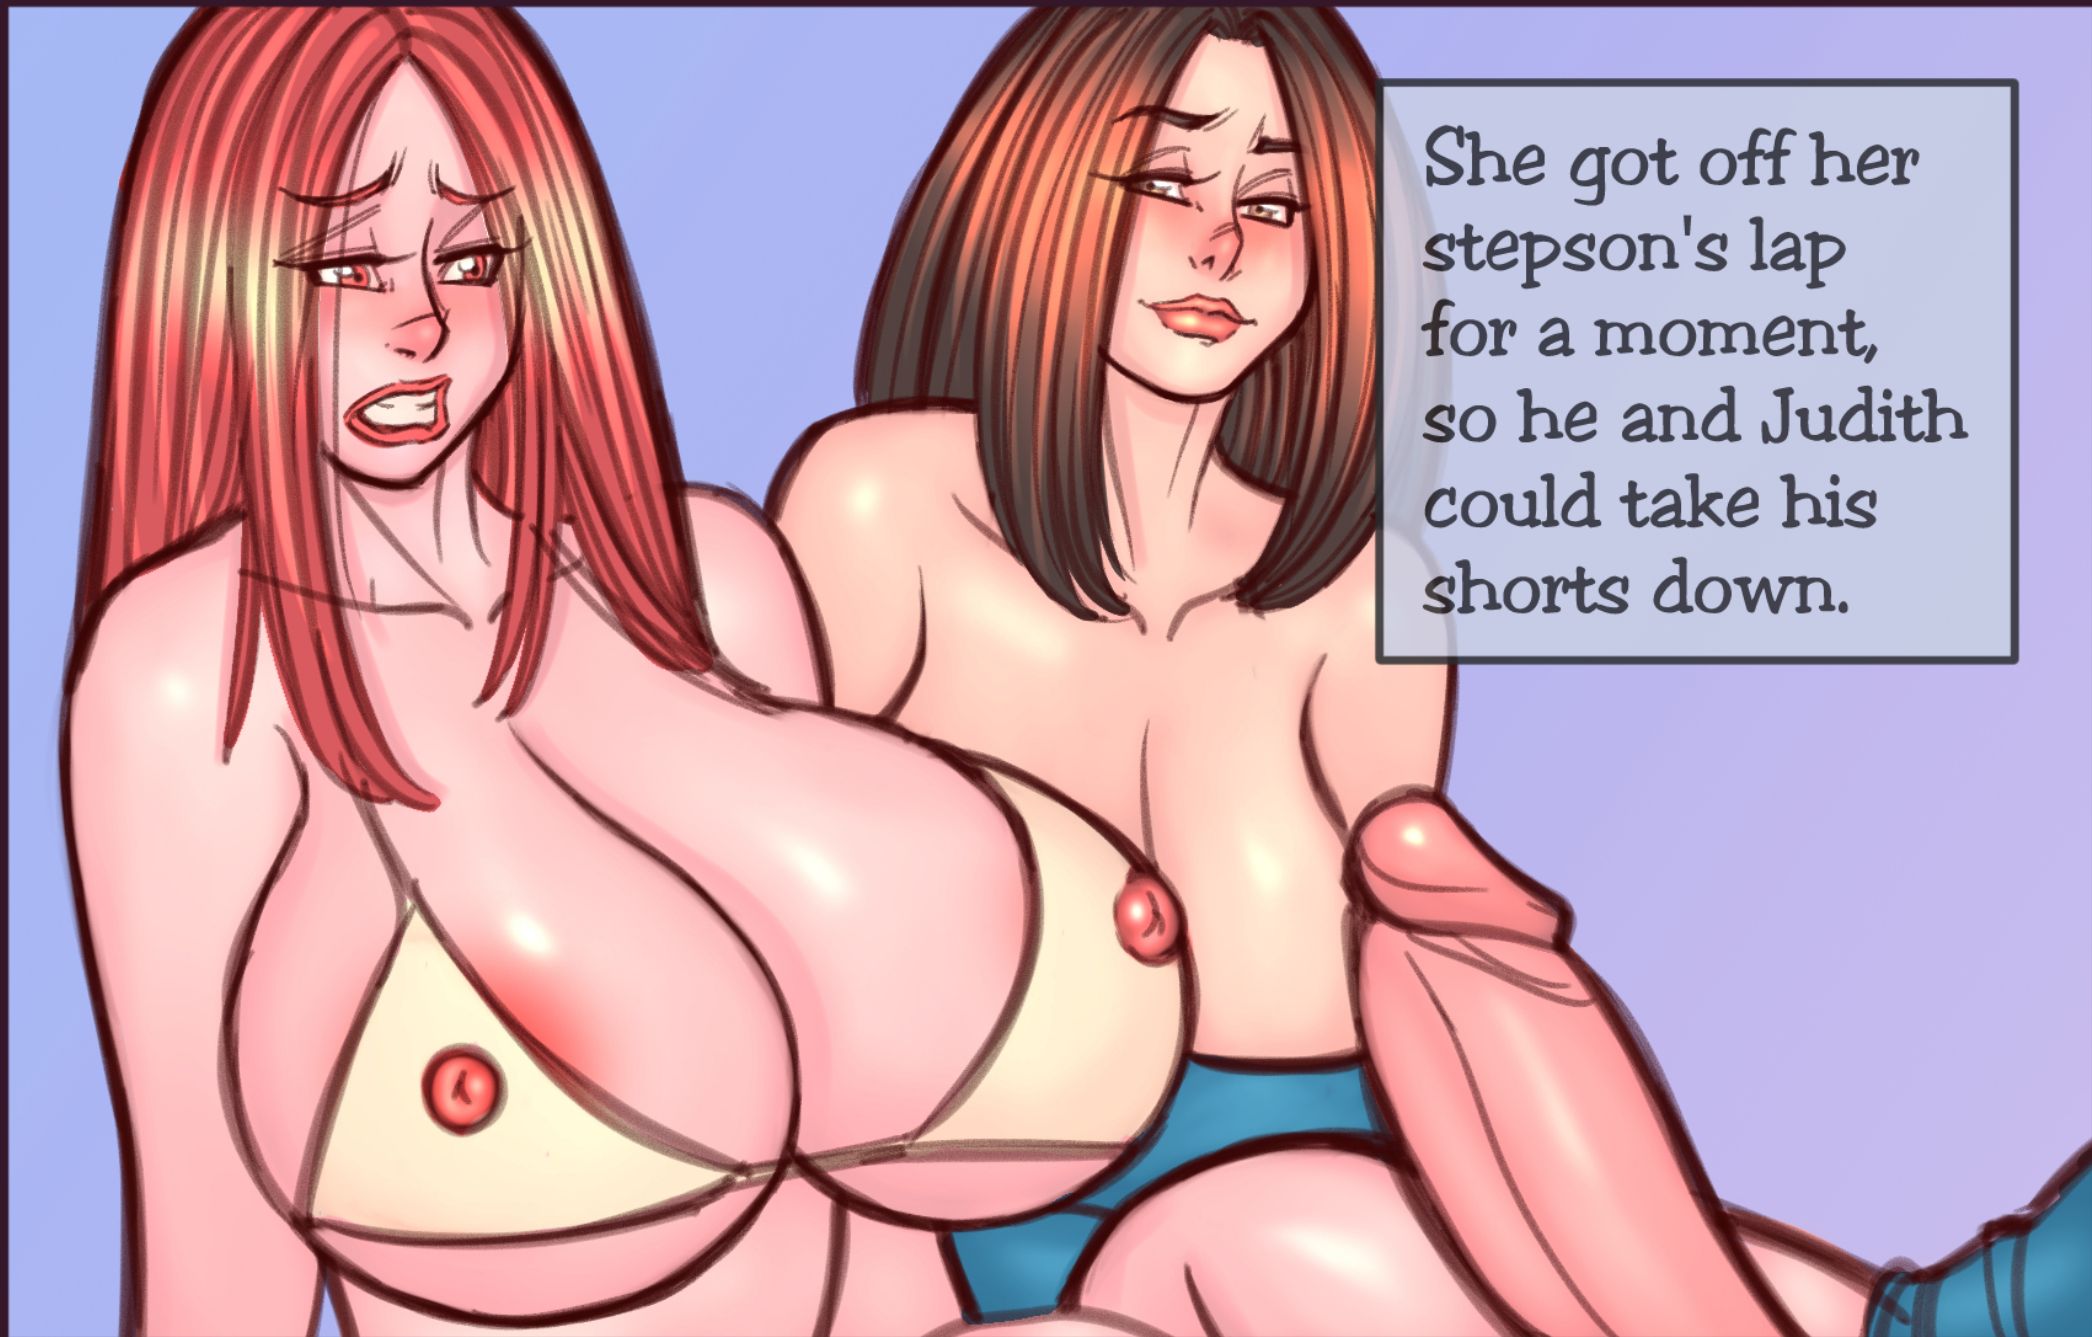

Claire was mortified when she looked her stepson in the eyes.

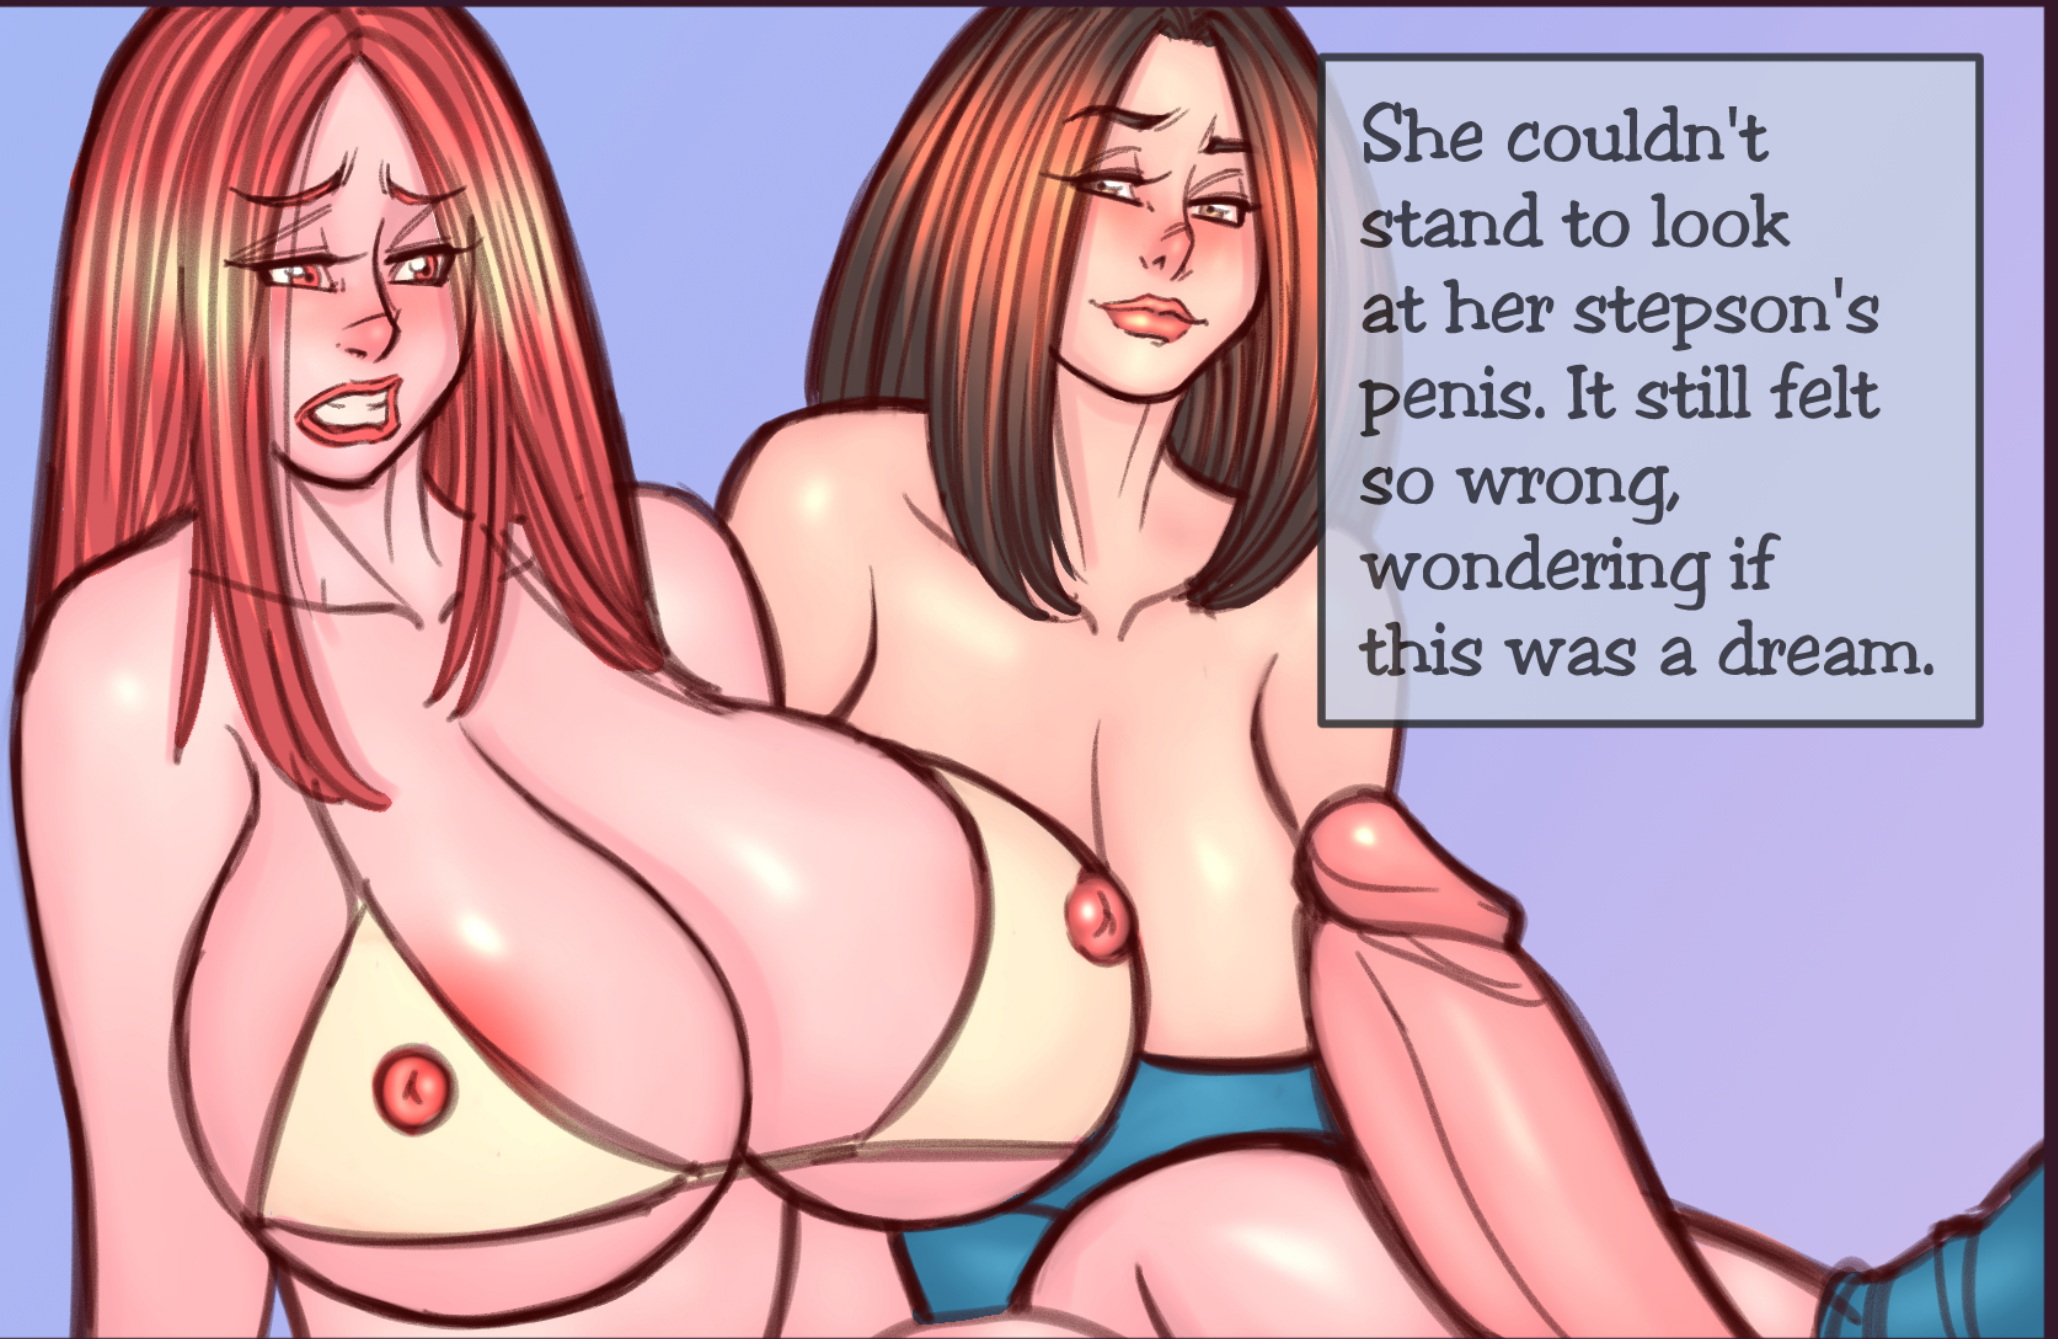

The feeling seemed mutual, but she could tell her stepson was desperate to fuck.

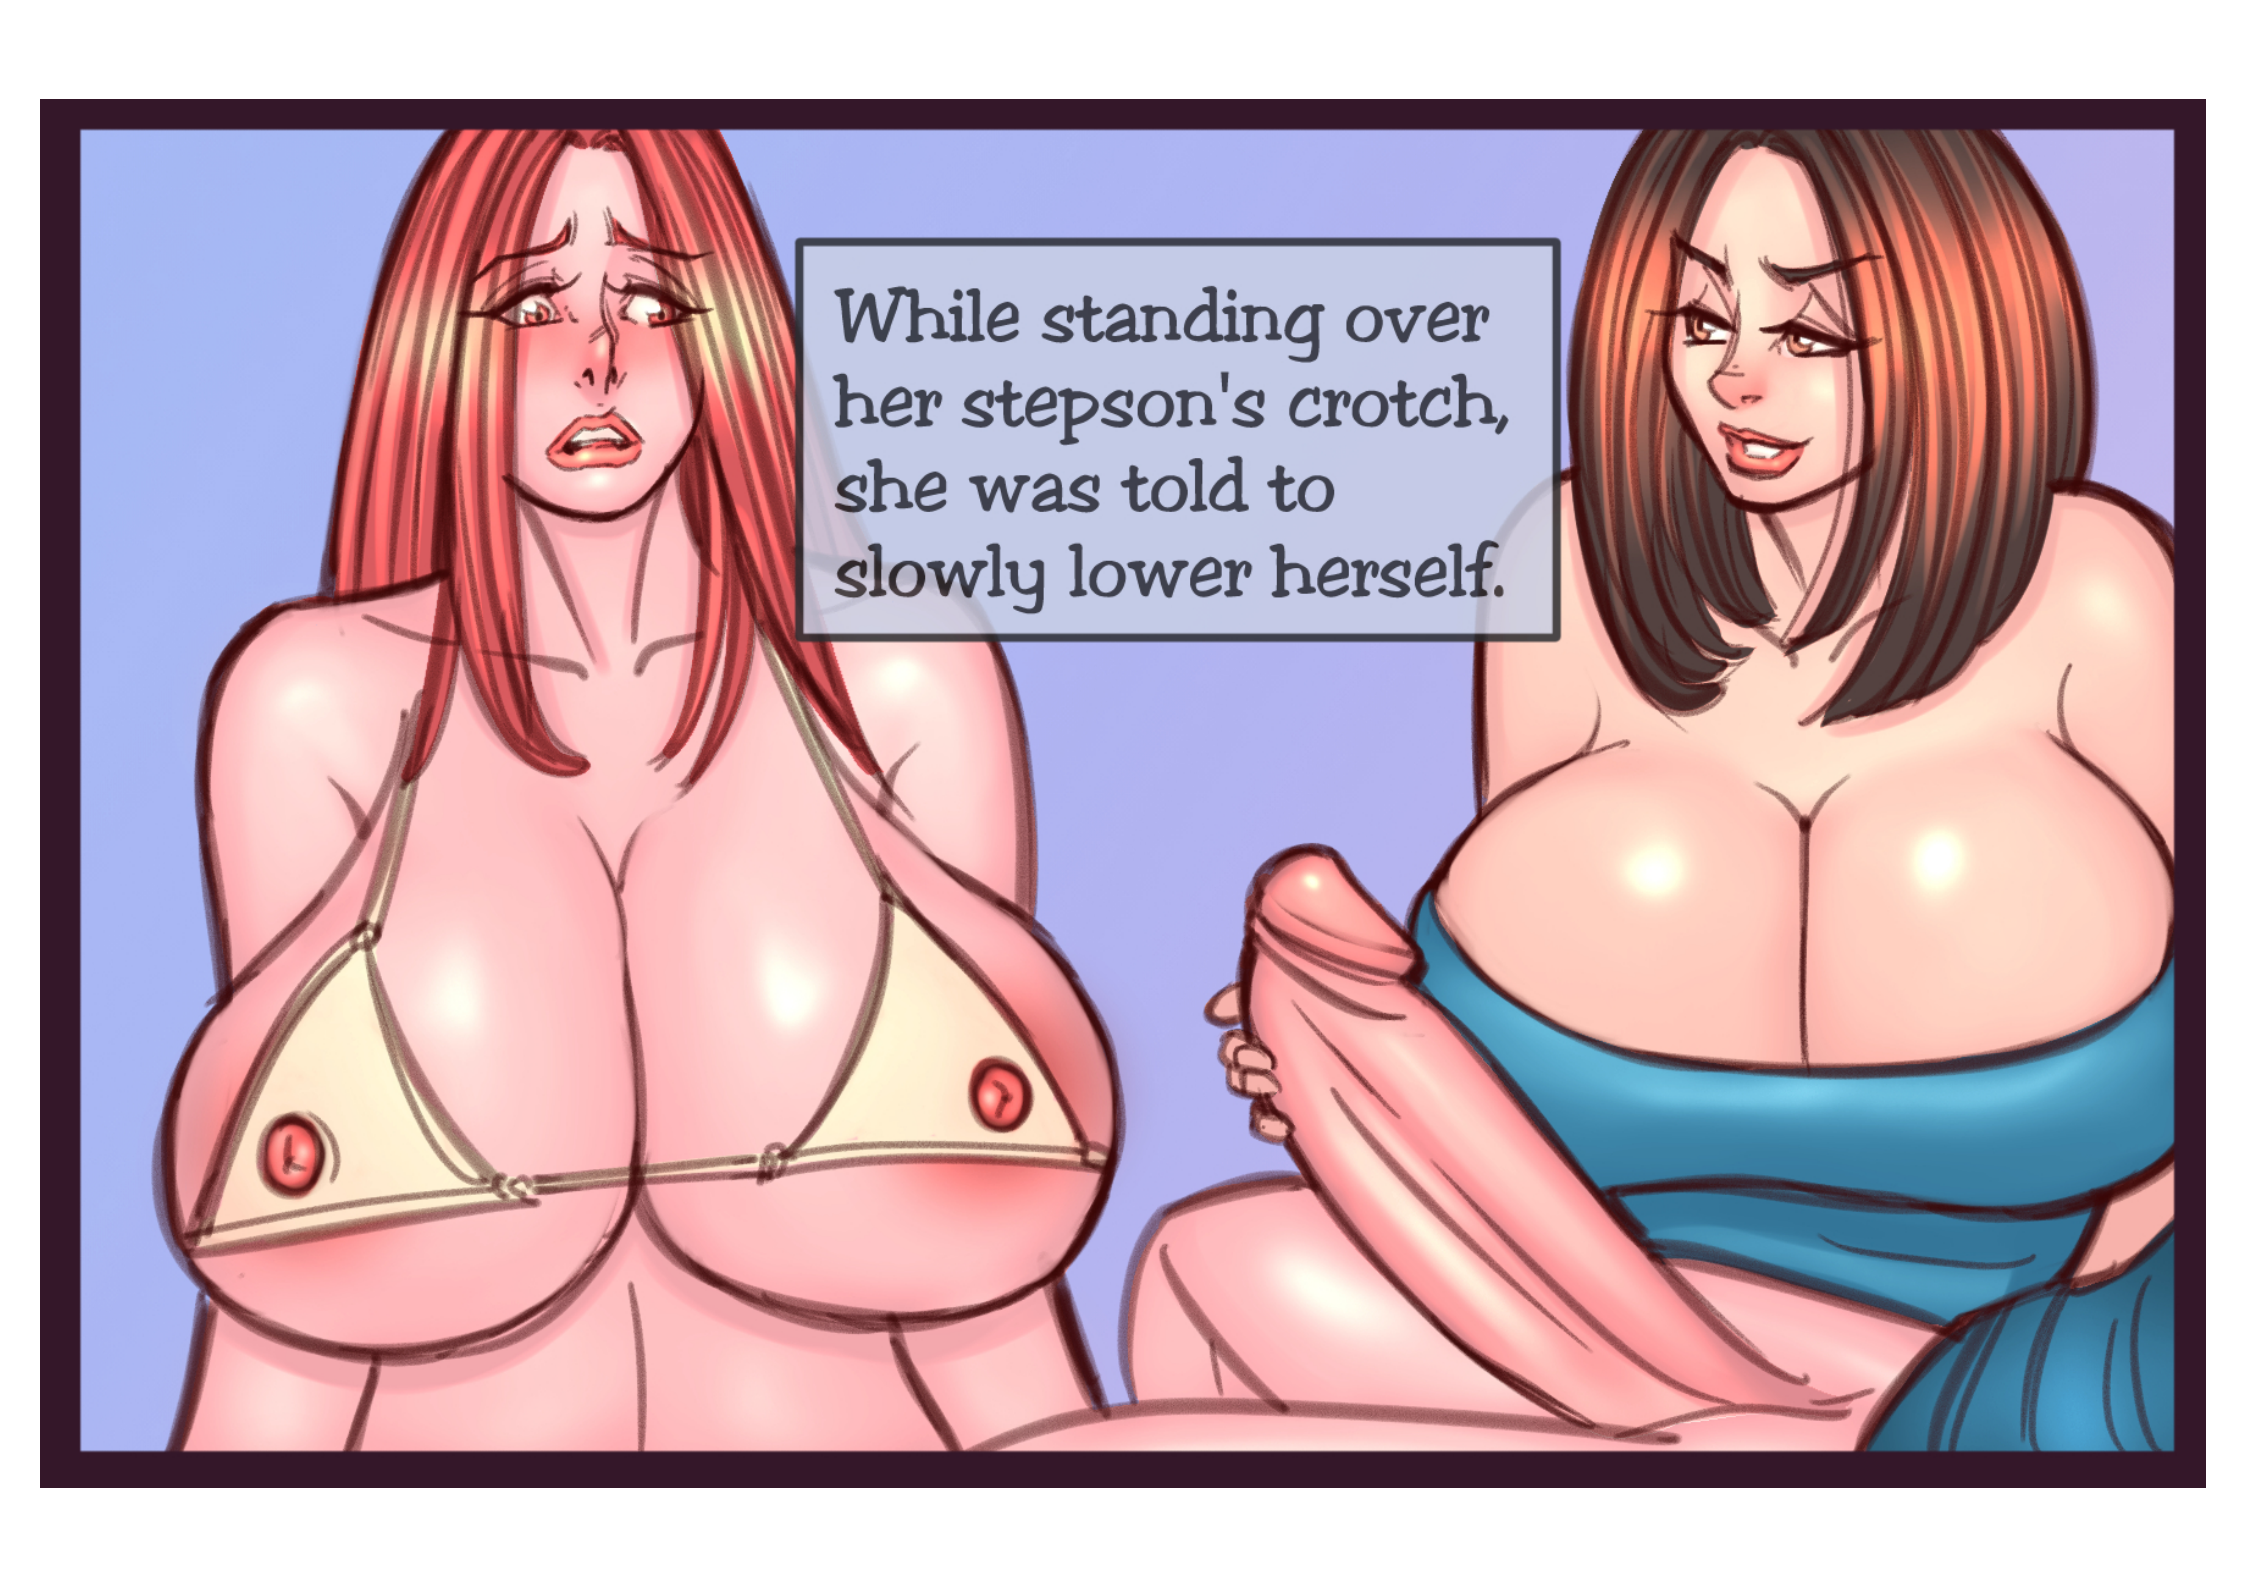

Any young man
would be in the
mood for sex
after sucking on
nipples like hers,
stepmom or not.

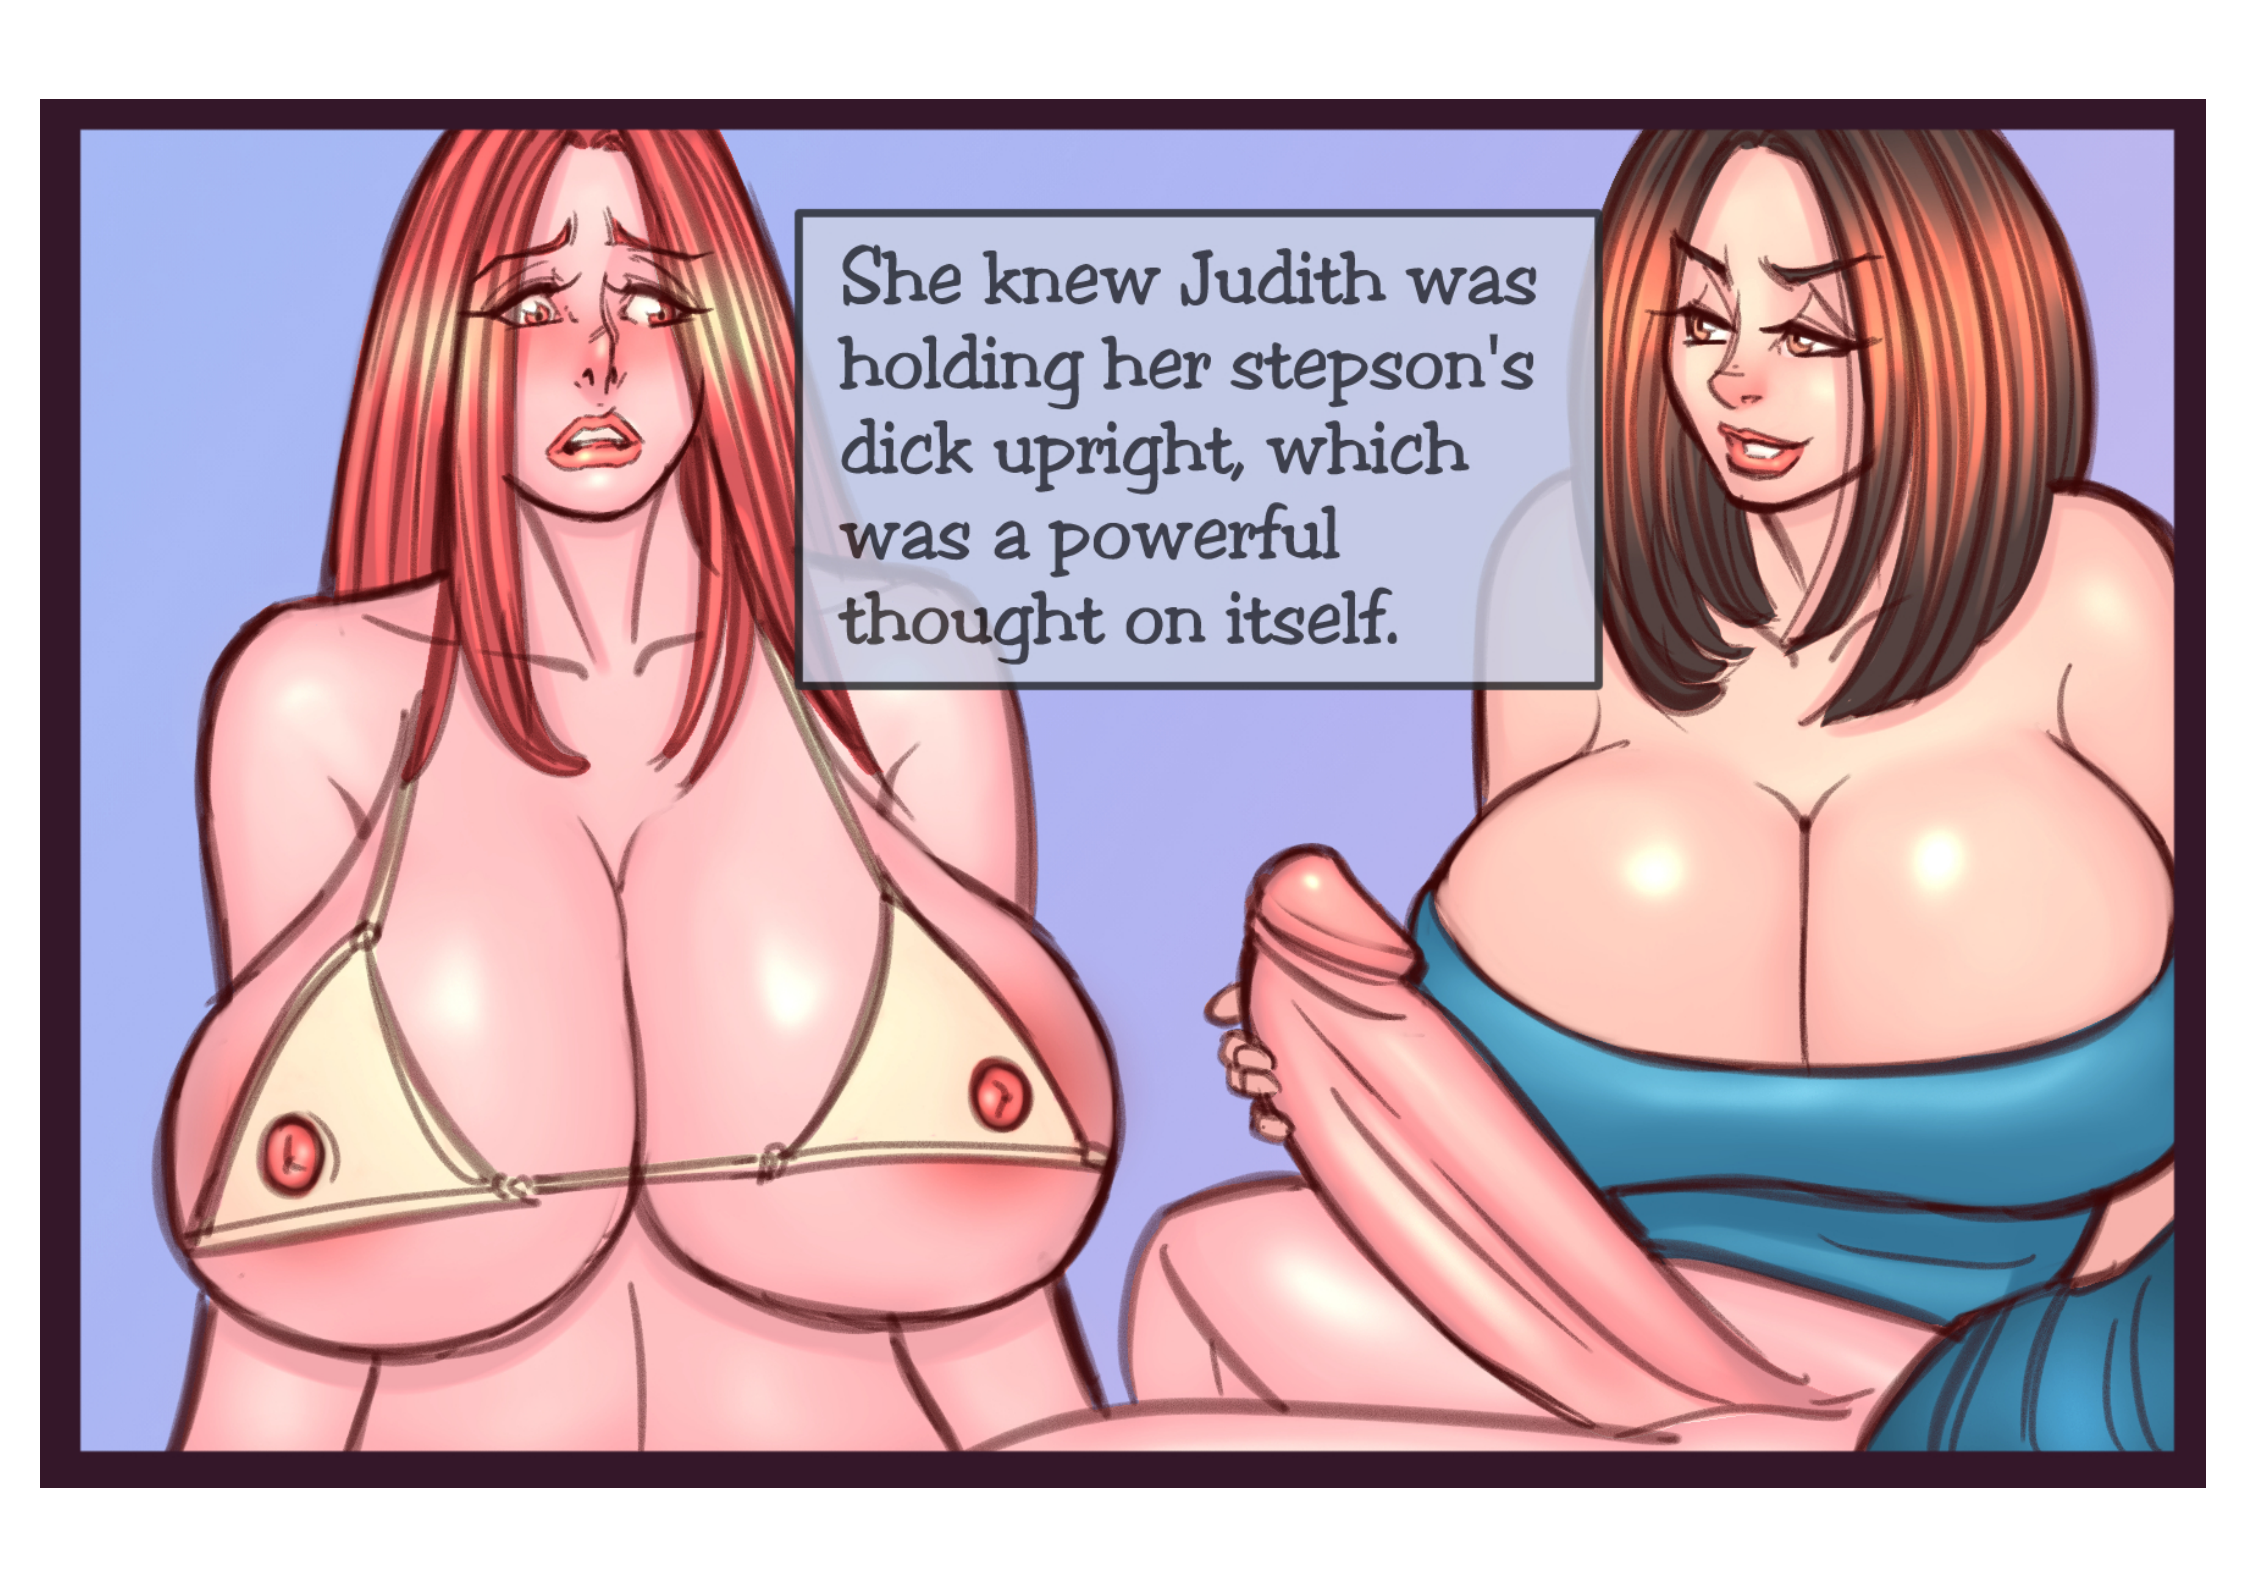

She got off her stepson's lap for a moment, so he and Judith could take his shorts down.

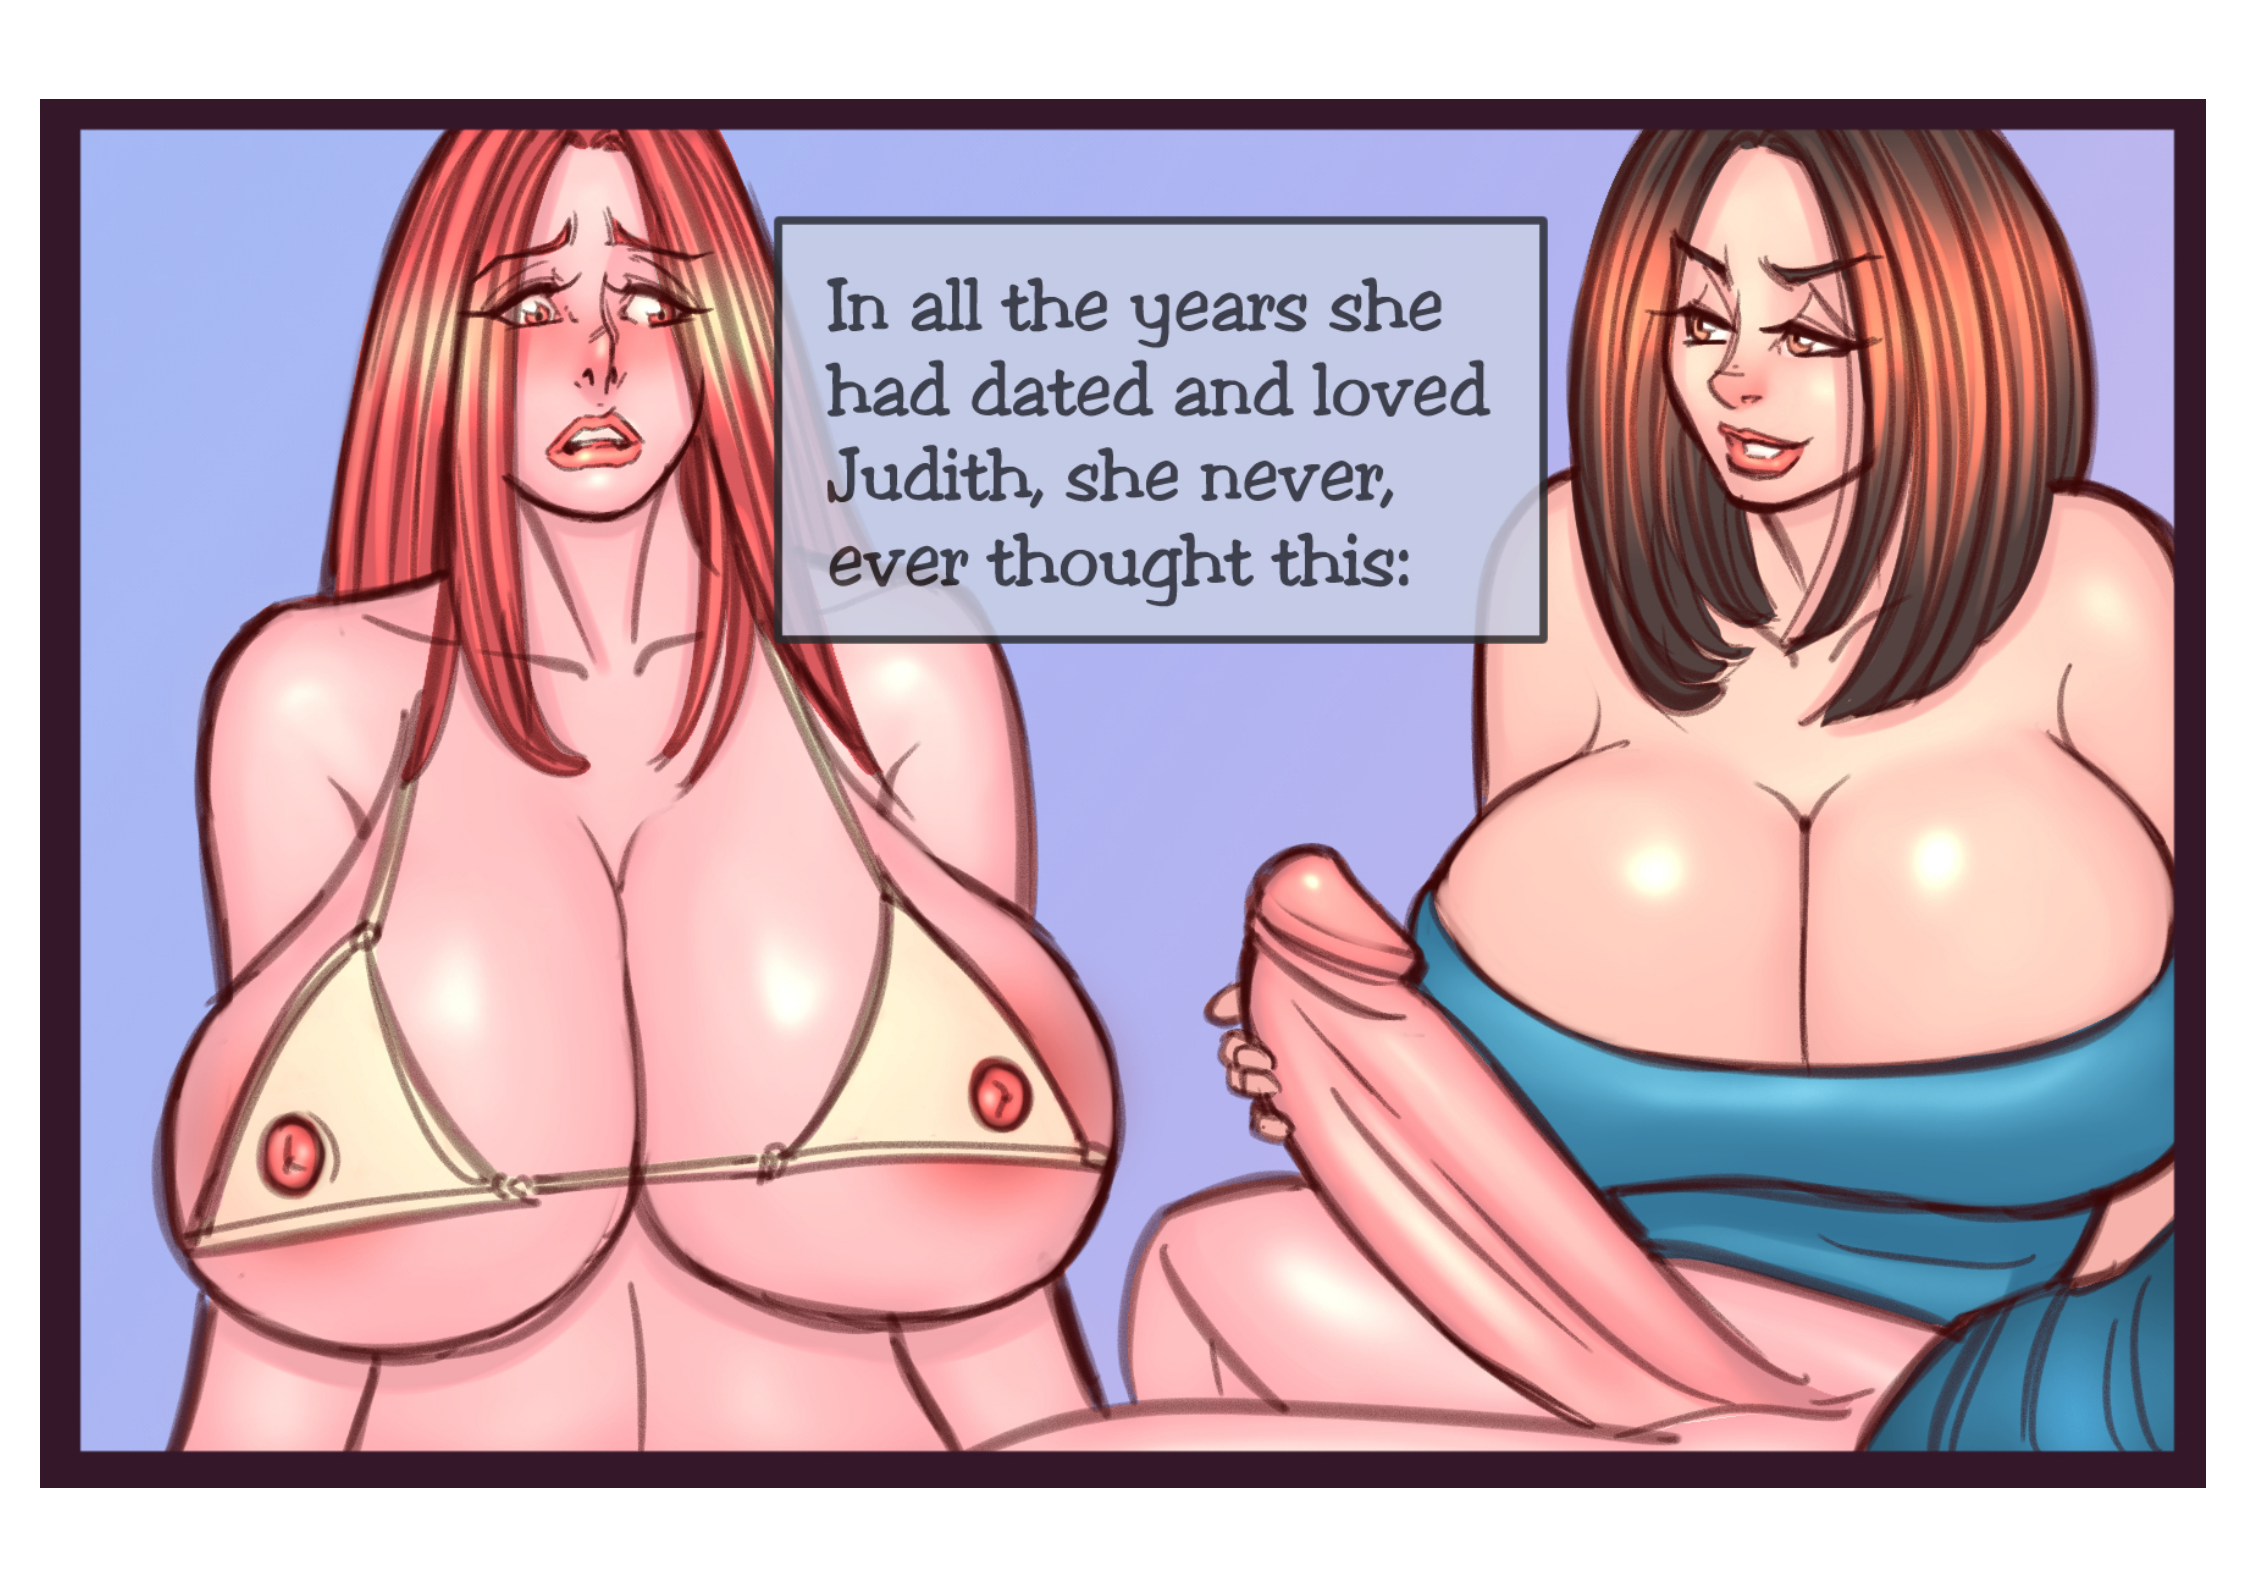

She couldn't stand to look at her stepson's penis. It still felt so wrong, wondering if this was a dream.

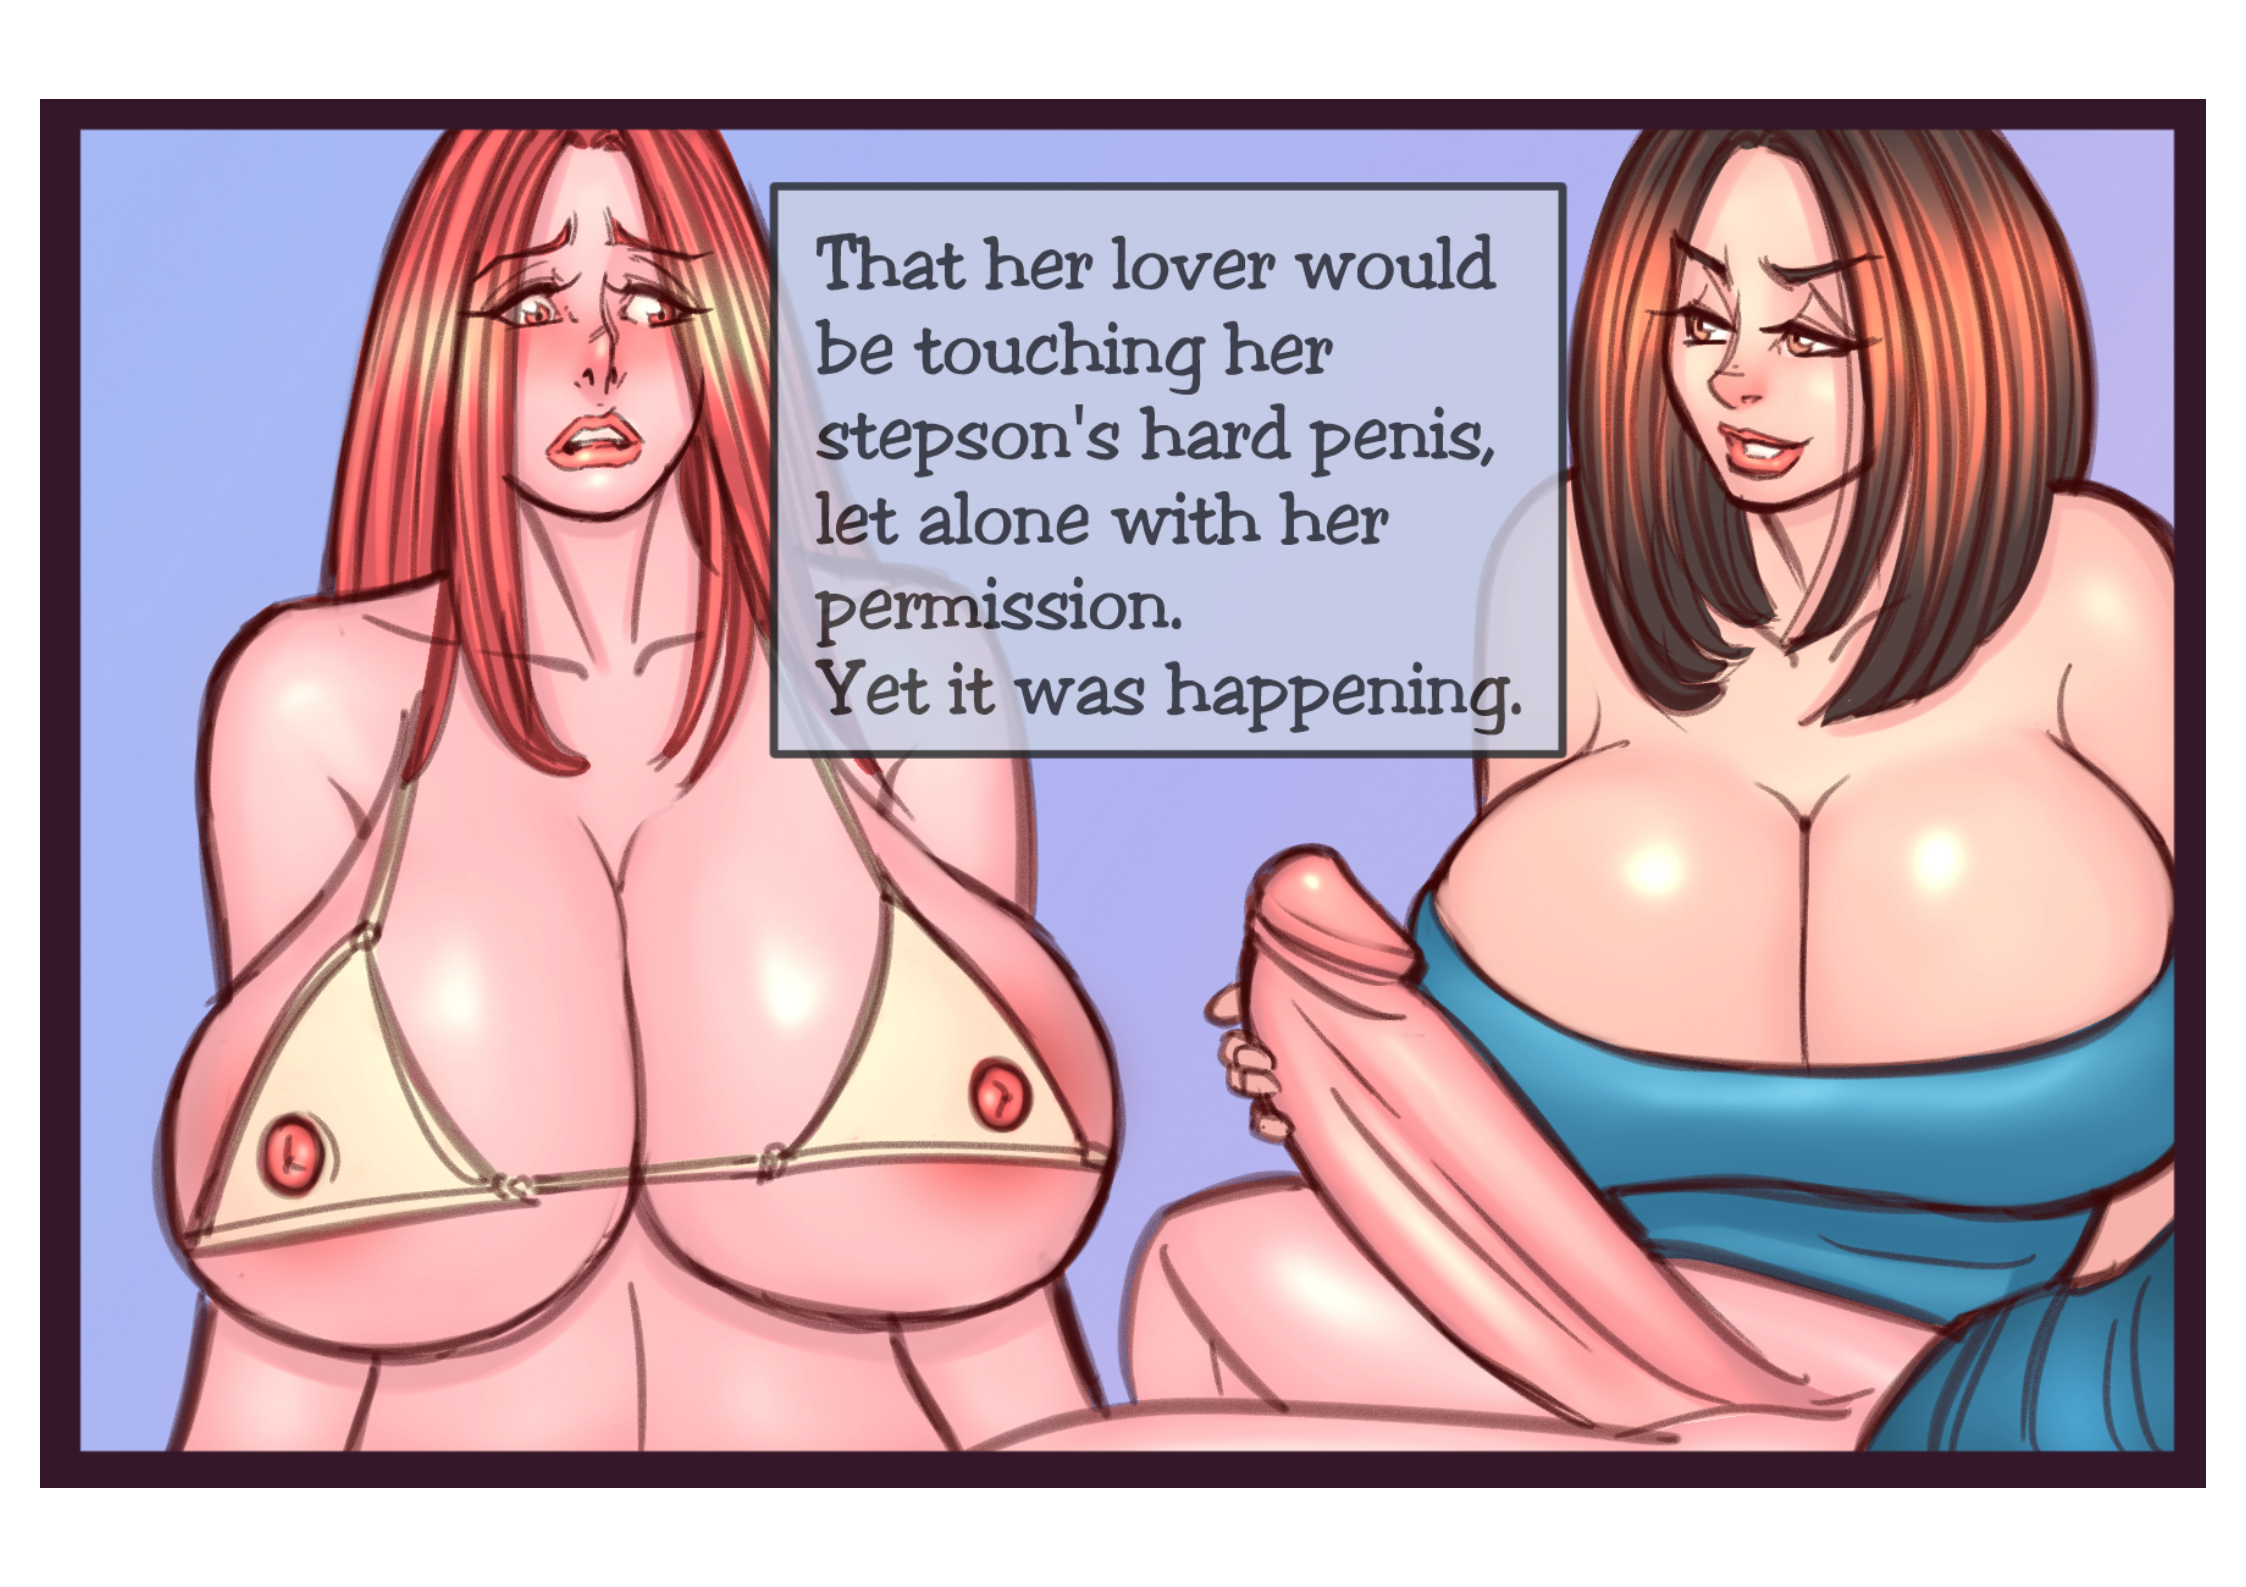

While standing over
her stepson's crotch,
she was told to
slowly lower herself.

A comic panel featuring two women. The woman on the left has long red hair and a distressed expression, wearing a yellow bikini top with red circular accents. The woman on the right has dark hair and a smug expression, wearing a blue off-the-shoulder top and holding a large, pink, phallic object. A text box is positioned between them.

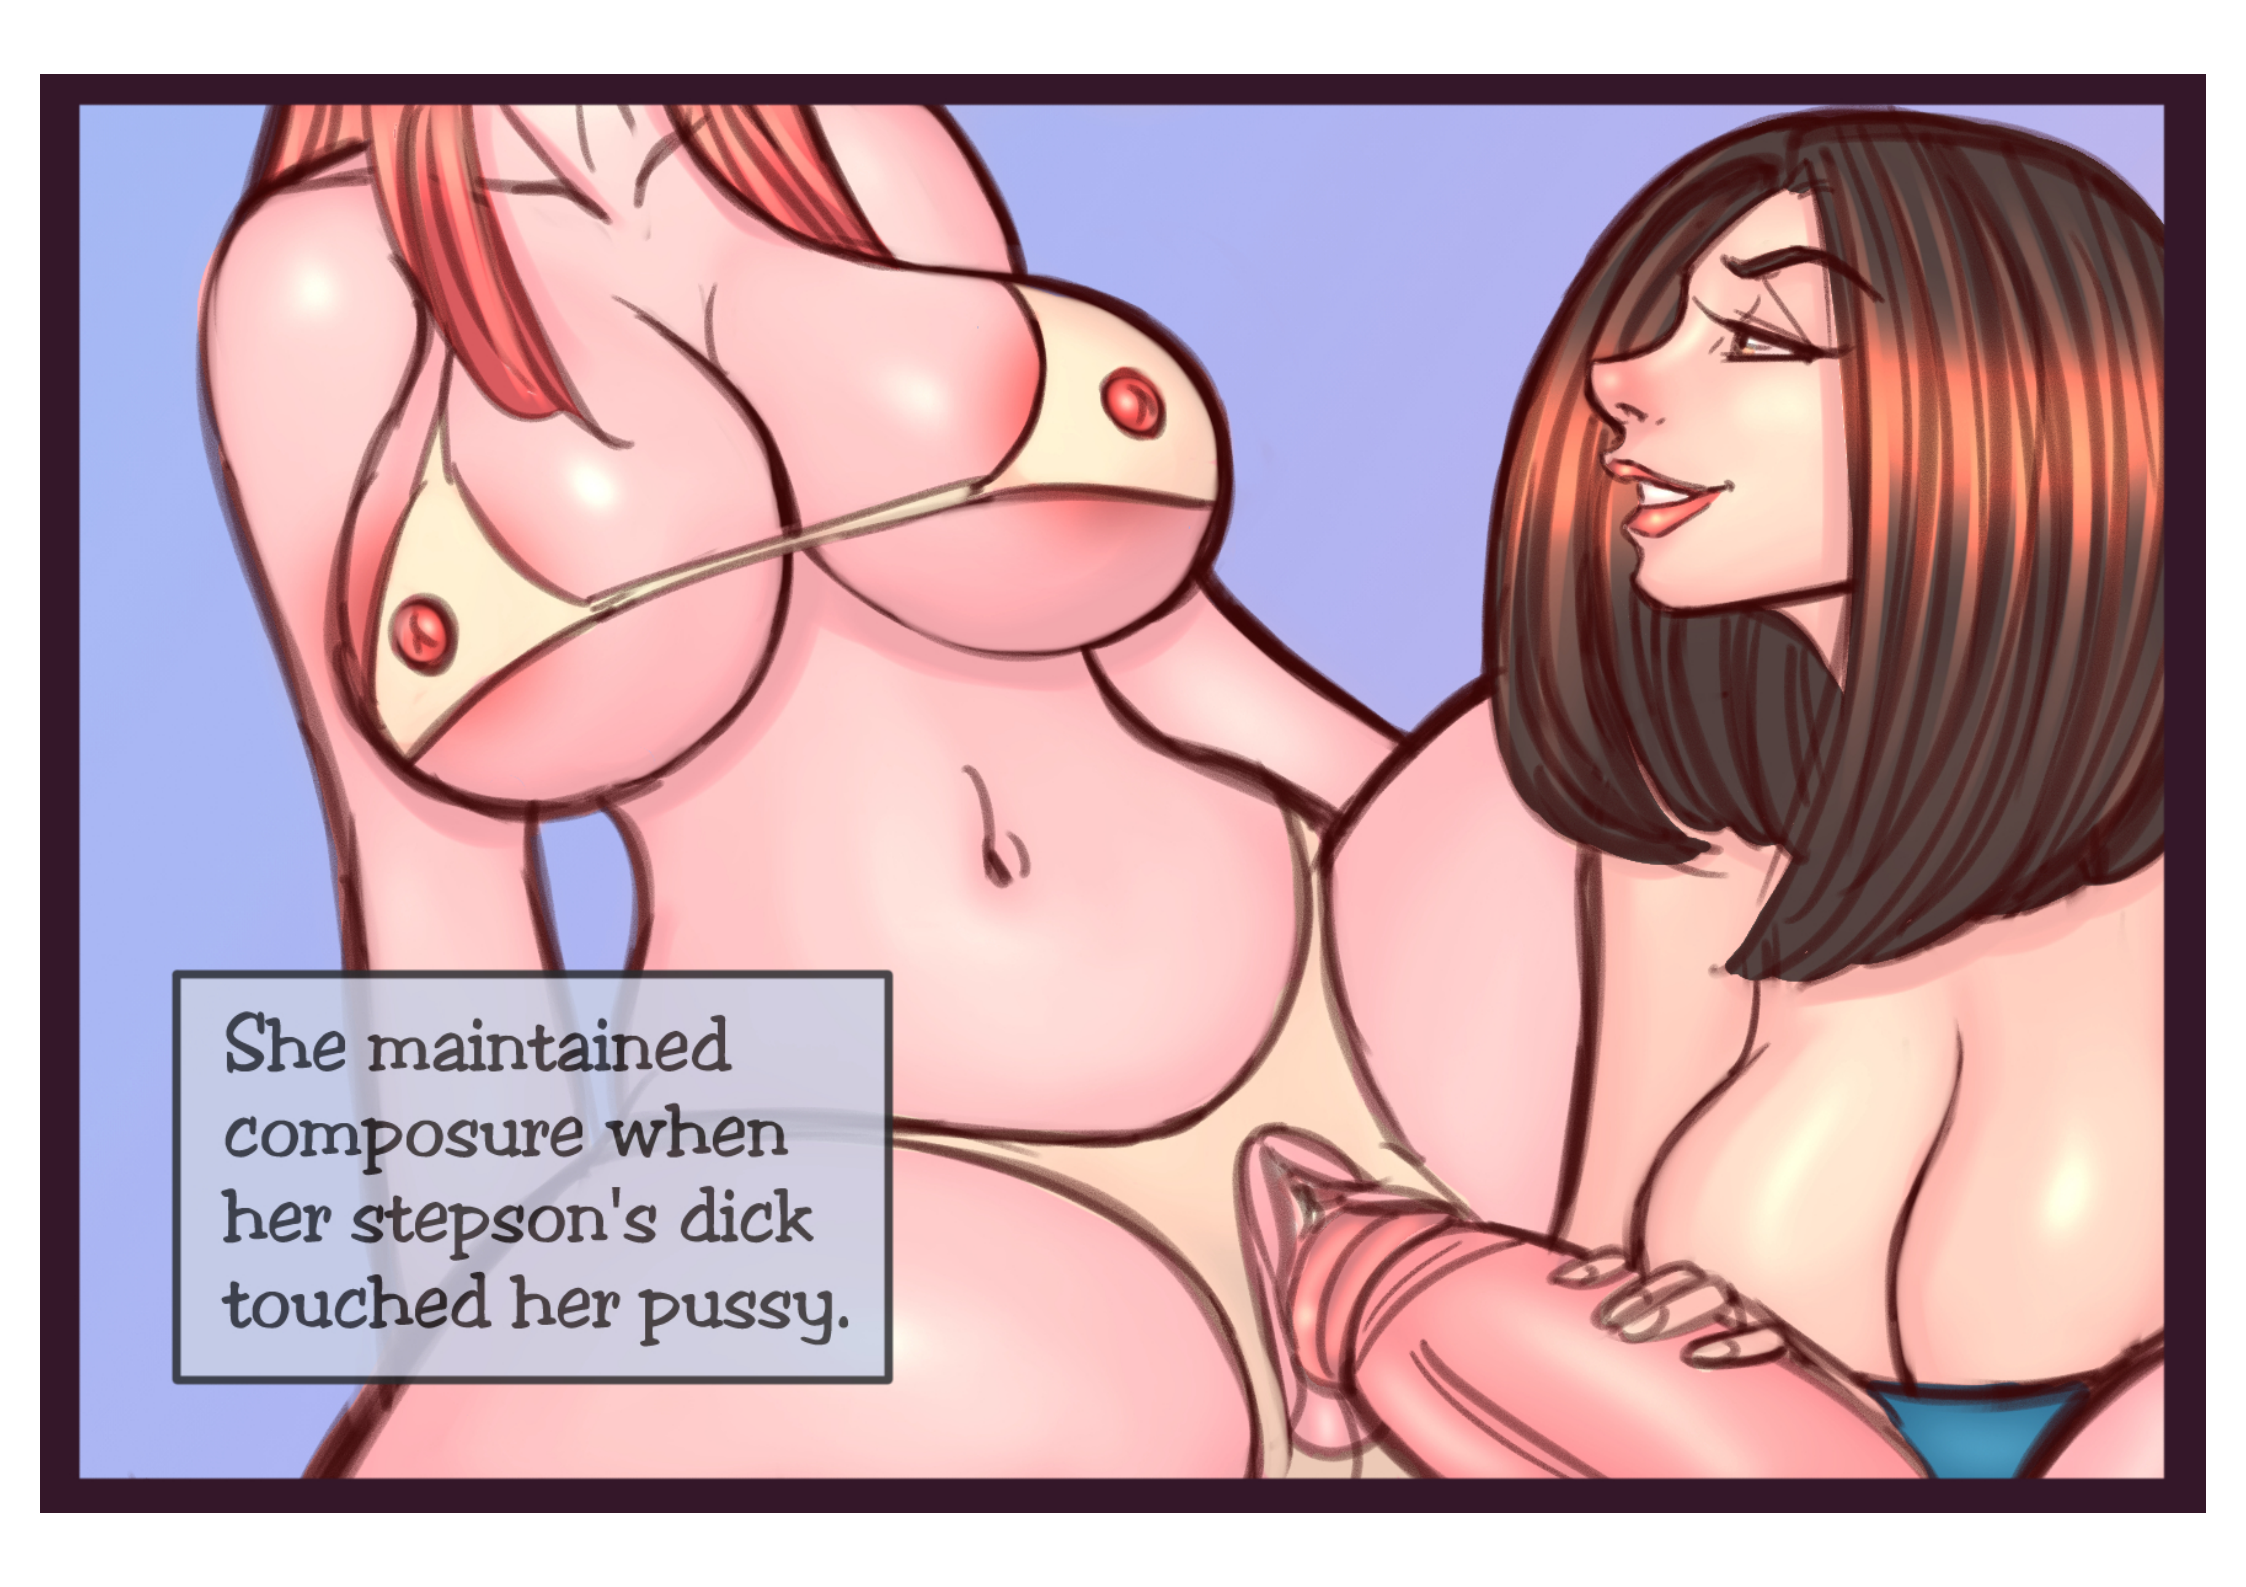

She knew Judith was holding her stepson's dick upright, which was a powerful thought on itself.

In all the years she
had dated and loved
Judith, she never,
ever thought this:

The background is a simple light blue gradient.

That her lover would be touching her stepson's hard penis, let alone with her permission. Yet it was happening.

She maintained
composure when
her stepson's dick
touched her pussy.

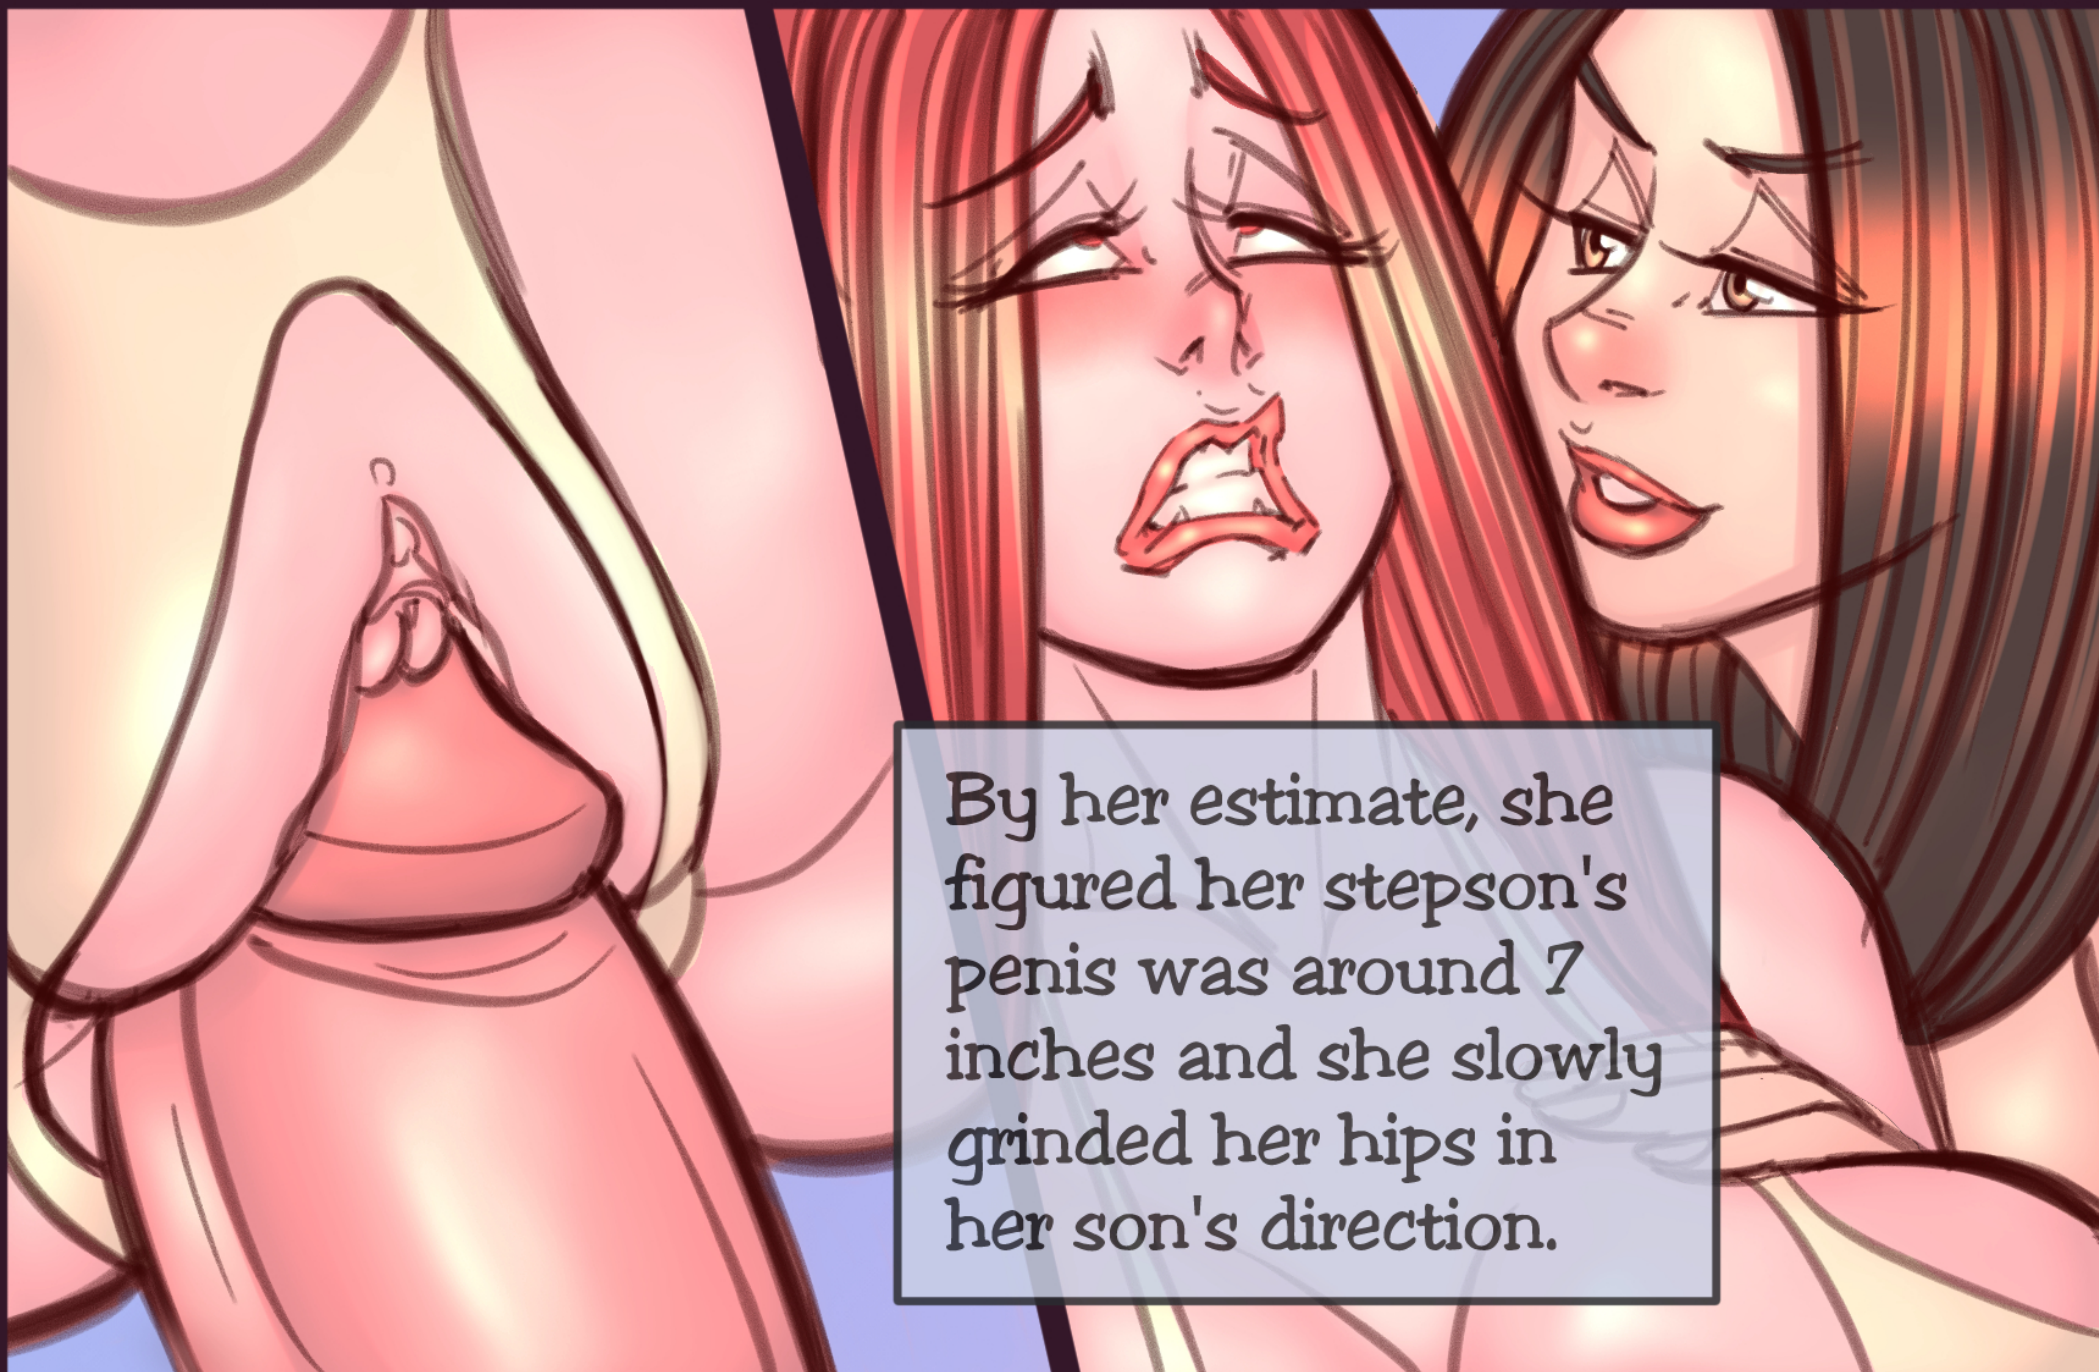

And she was steadfast
when she kept lowering
herself, allowing Mark's
hard penis to go inside
her desperate pussy,
under the guidance of
Judith.

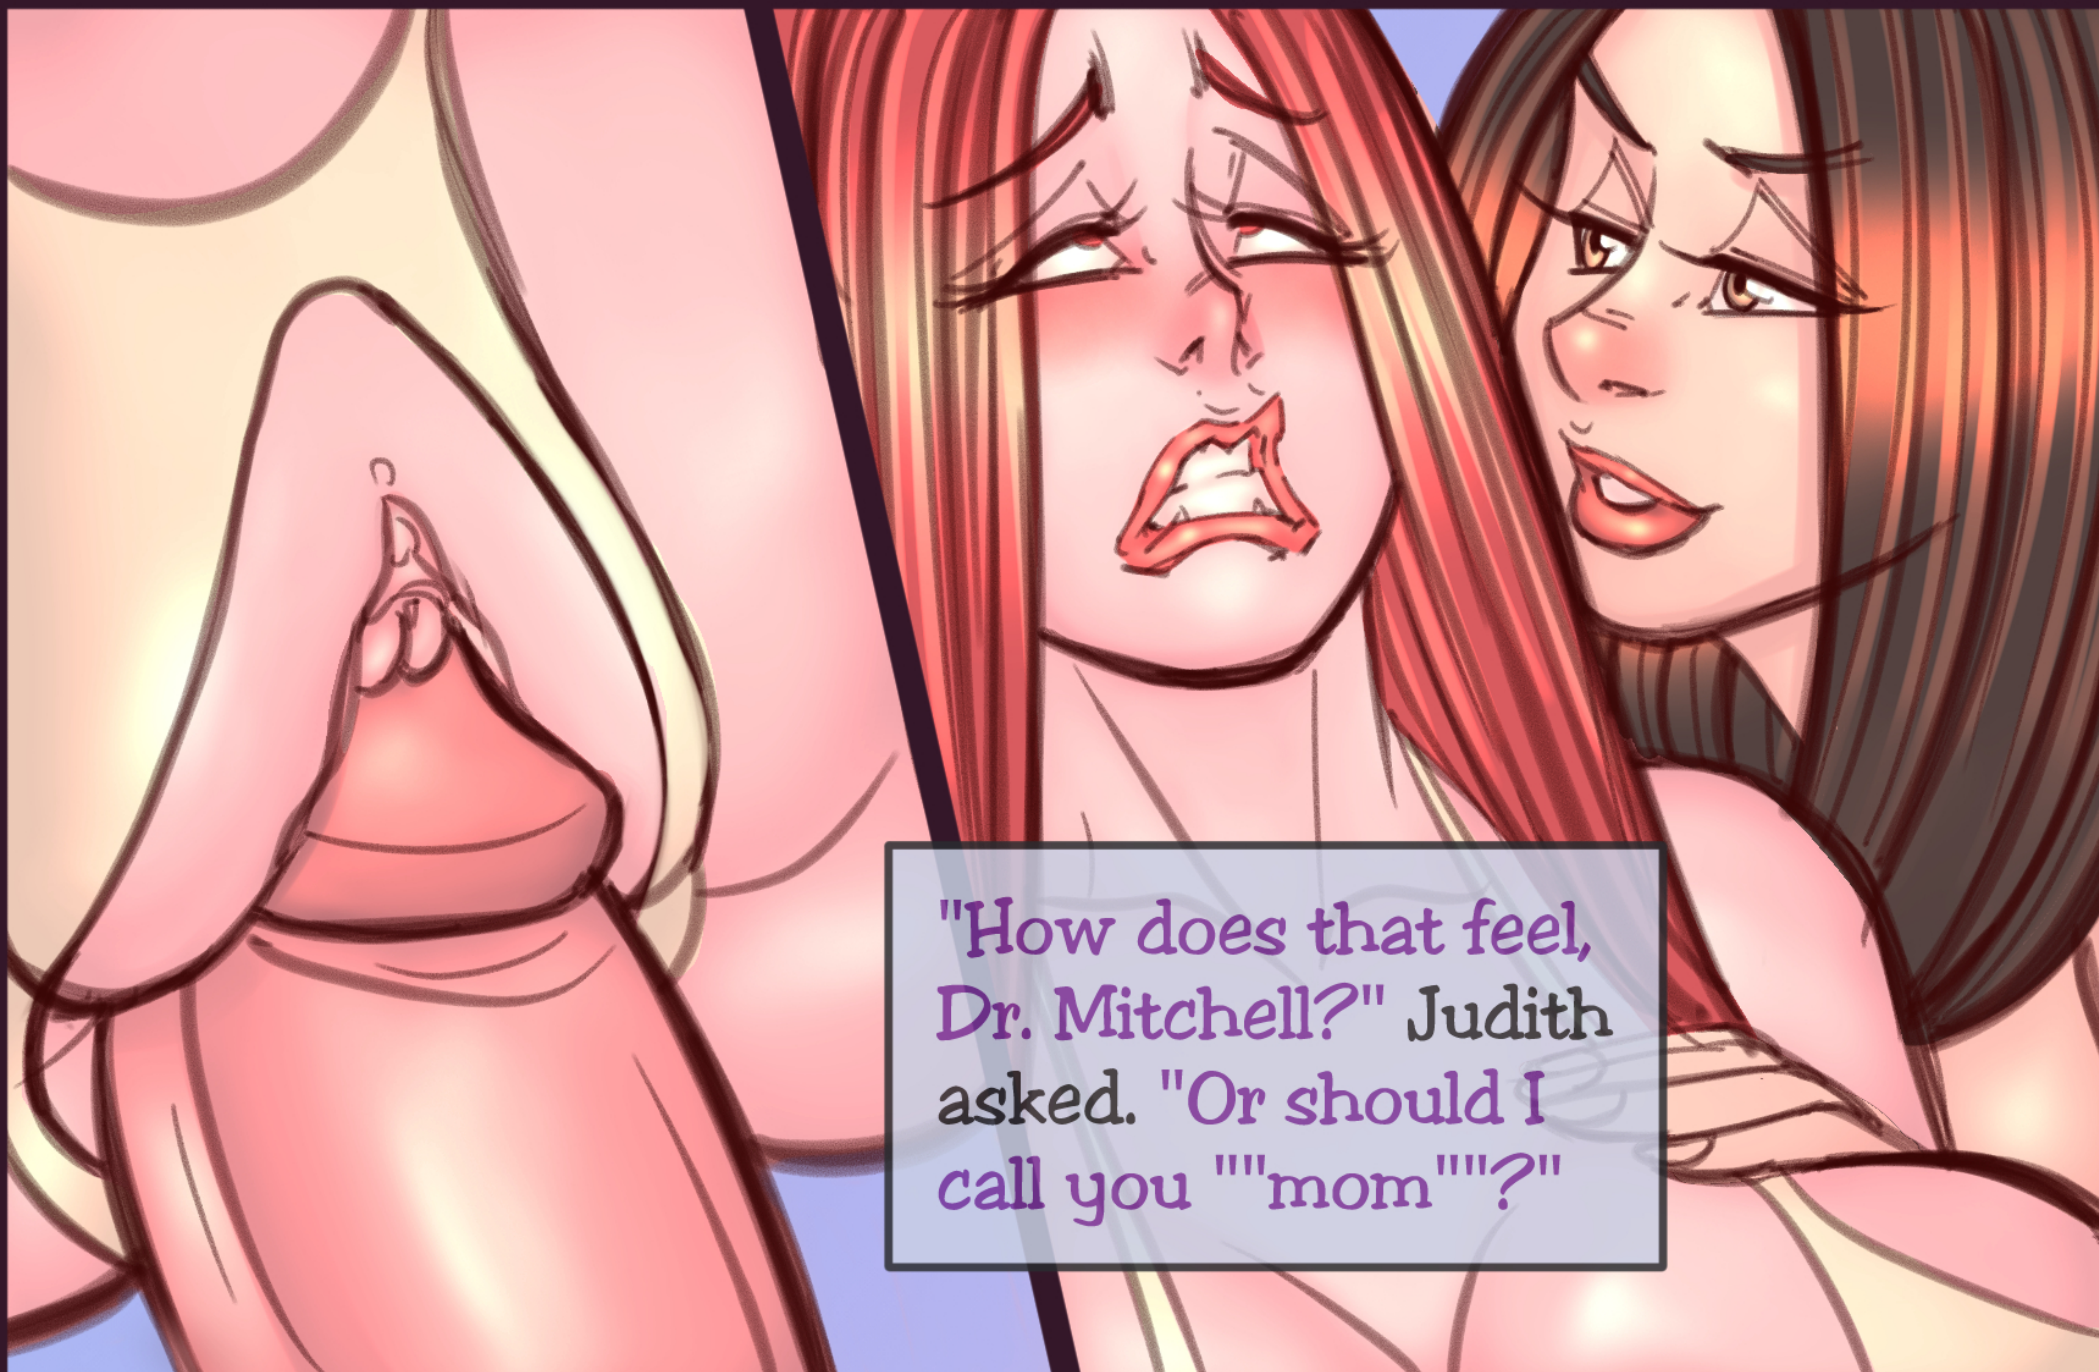

This was the first dick
inside of her pussy since
she had officially turned
lesbian years ago.

Inch by inch she
was penetrated,
until she sat all the
way down again.

By her estimate, she figured her stepson's penis was around 7 inches and she slowly grinded her hips in her son's direction.

"How does that feel, Dr. Mitchell?" Judith asked. "Or should I call you ""mom""?"

"Do you like being called 'mom' right now? Do you like being referred to as a mother, since your stepson's hard penis is inside you?"

Claire was breathless.
"I feel like a sex toy."
"At home you are.
Now start fucking.
Make your son cum.
Nurse him. Make him
a real man."

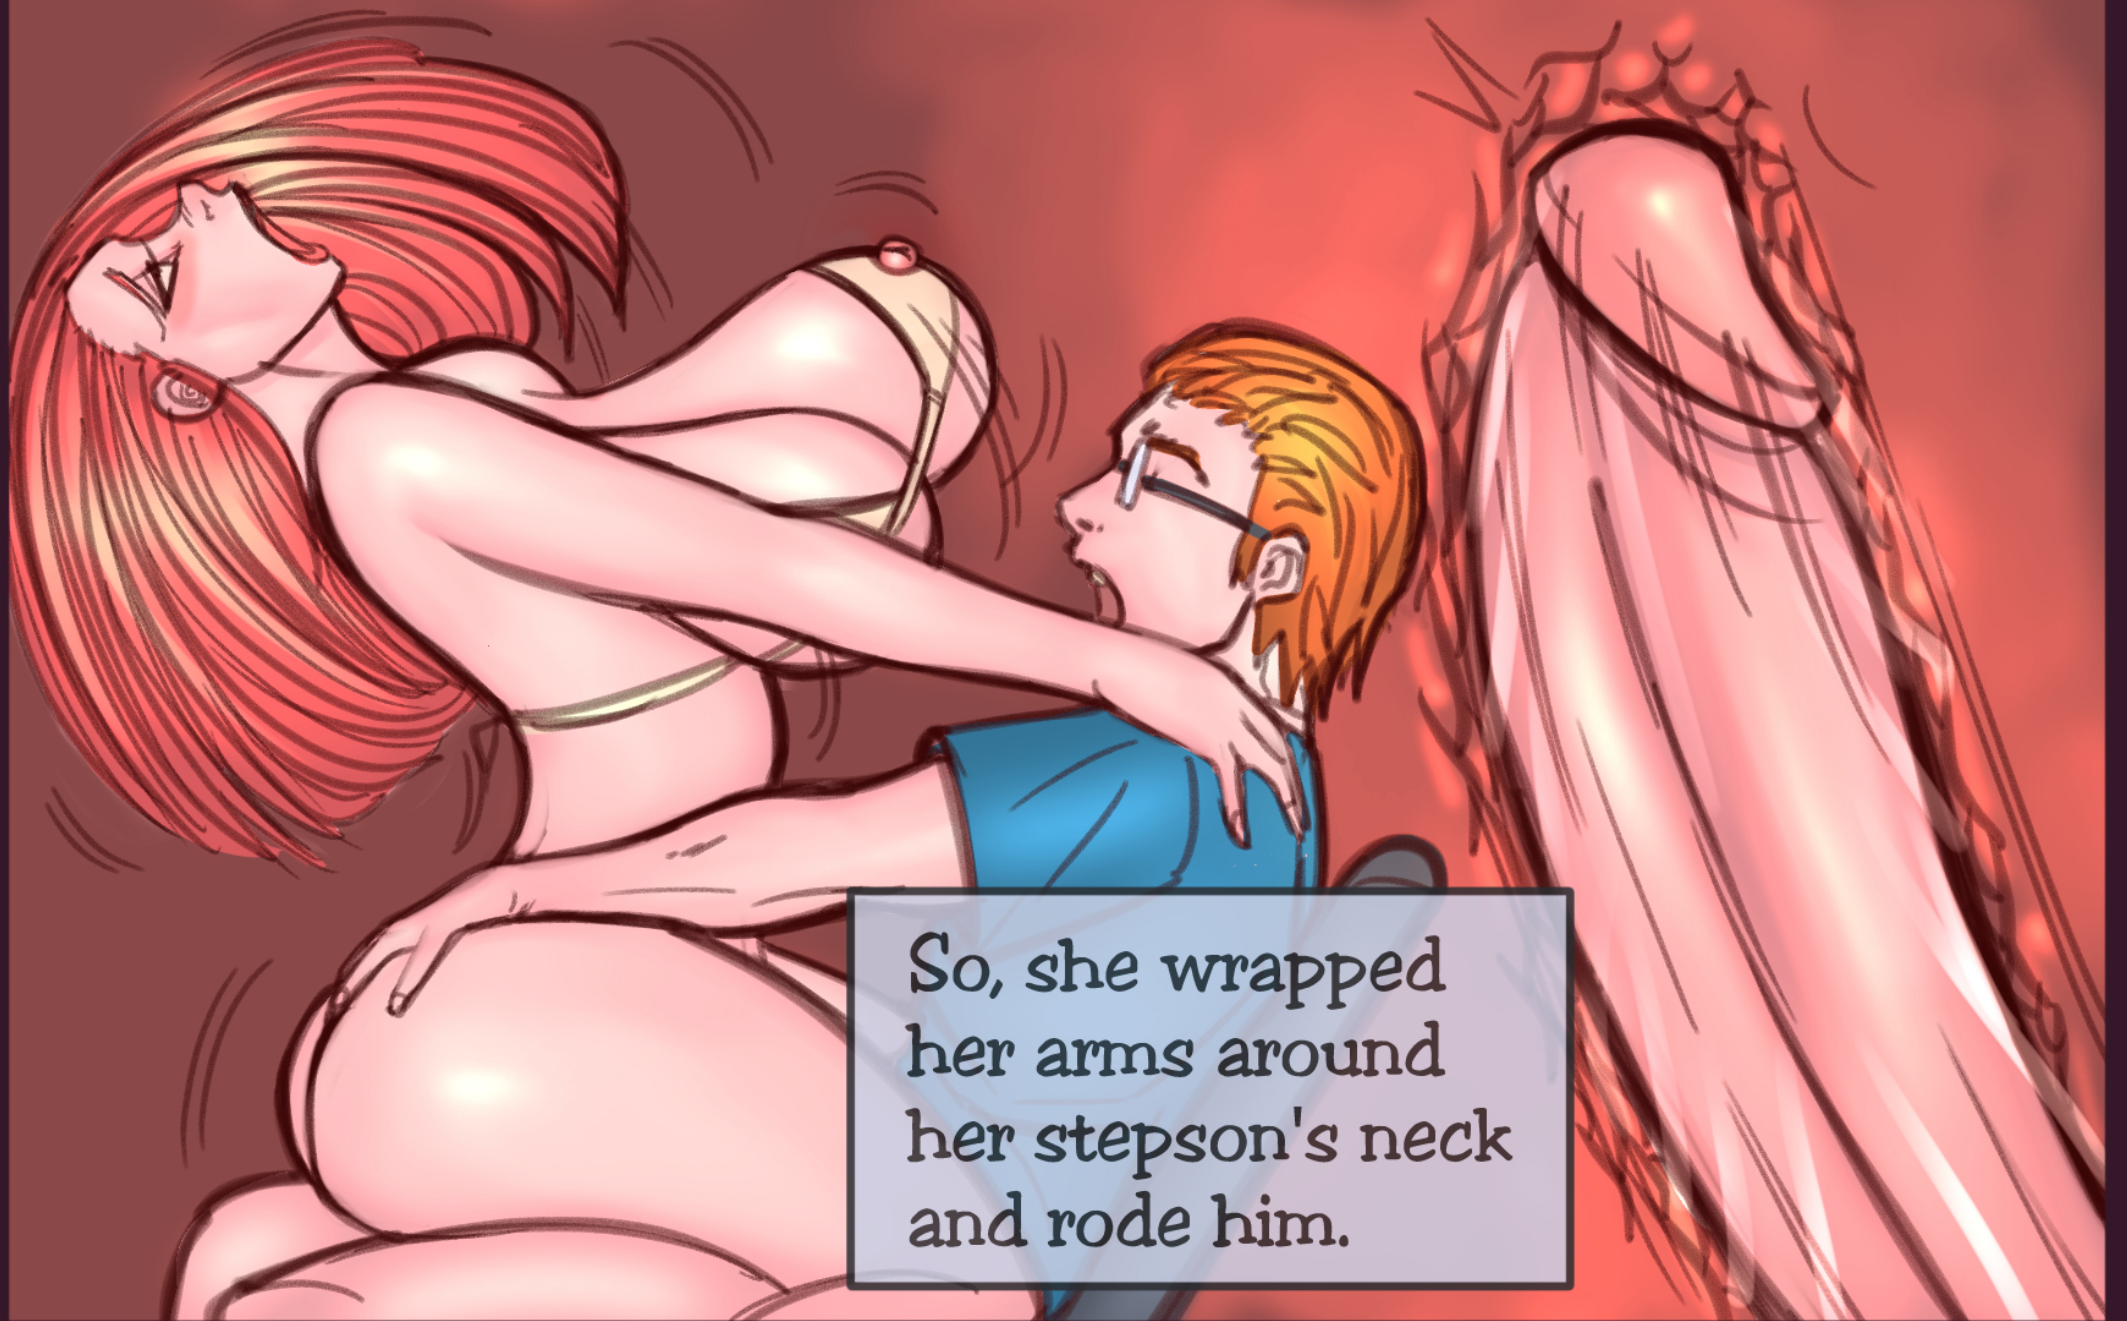

Although it had been many years since she had last been with a man, some things are never forgotten.

She knew what to do.
She knew how to make
her pussy feel good
with a man's cock.

And most importantly, she knew how to give her stepson an abundance of sexual pleasure.

So, she wrapped her arms around her stepson's neck and rode him.
