CHAPTER 11

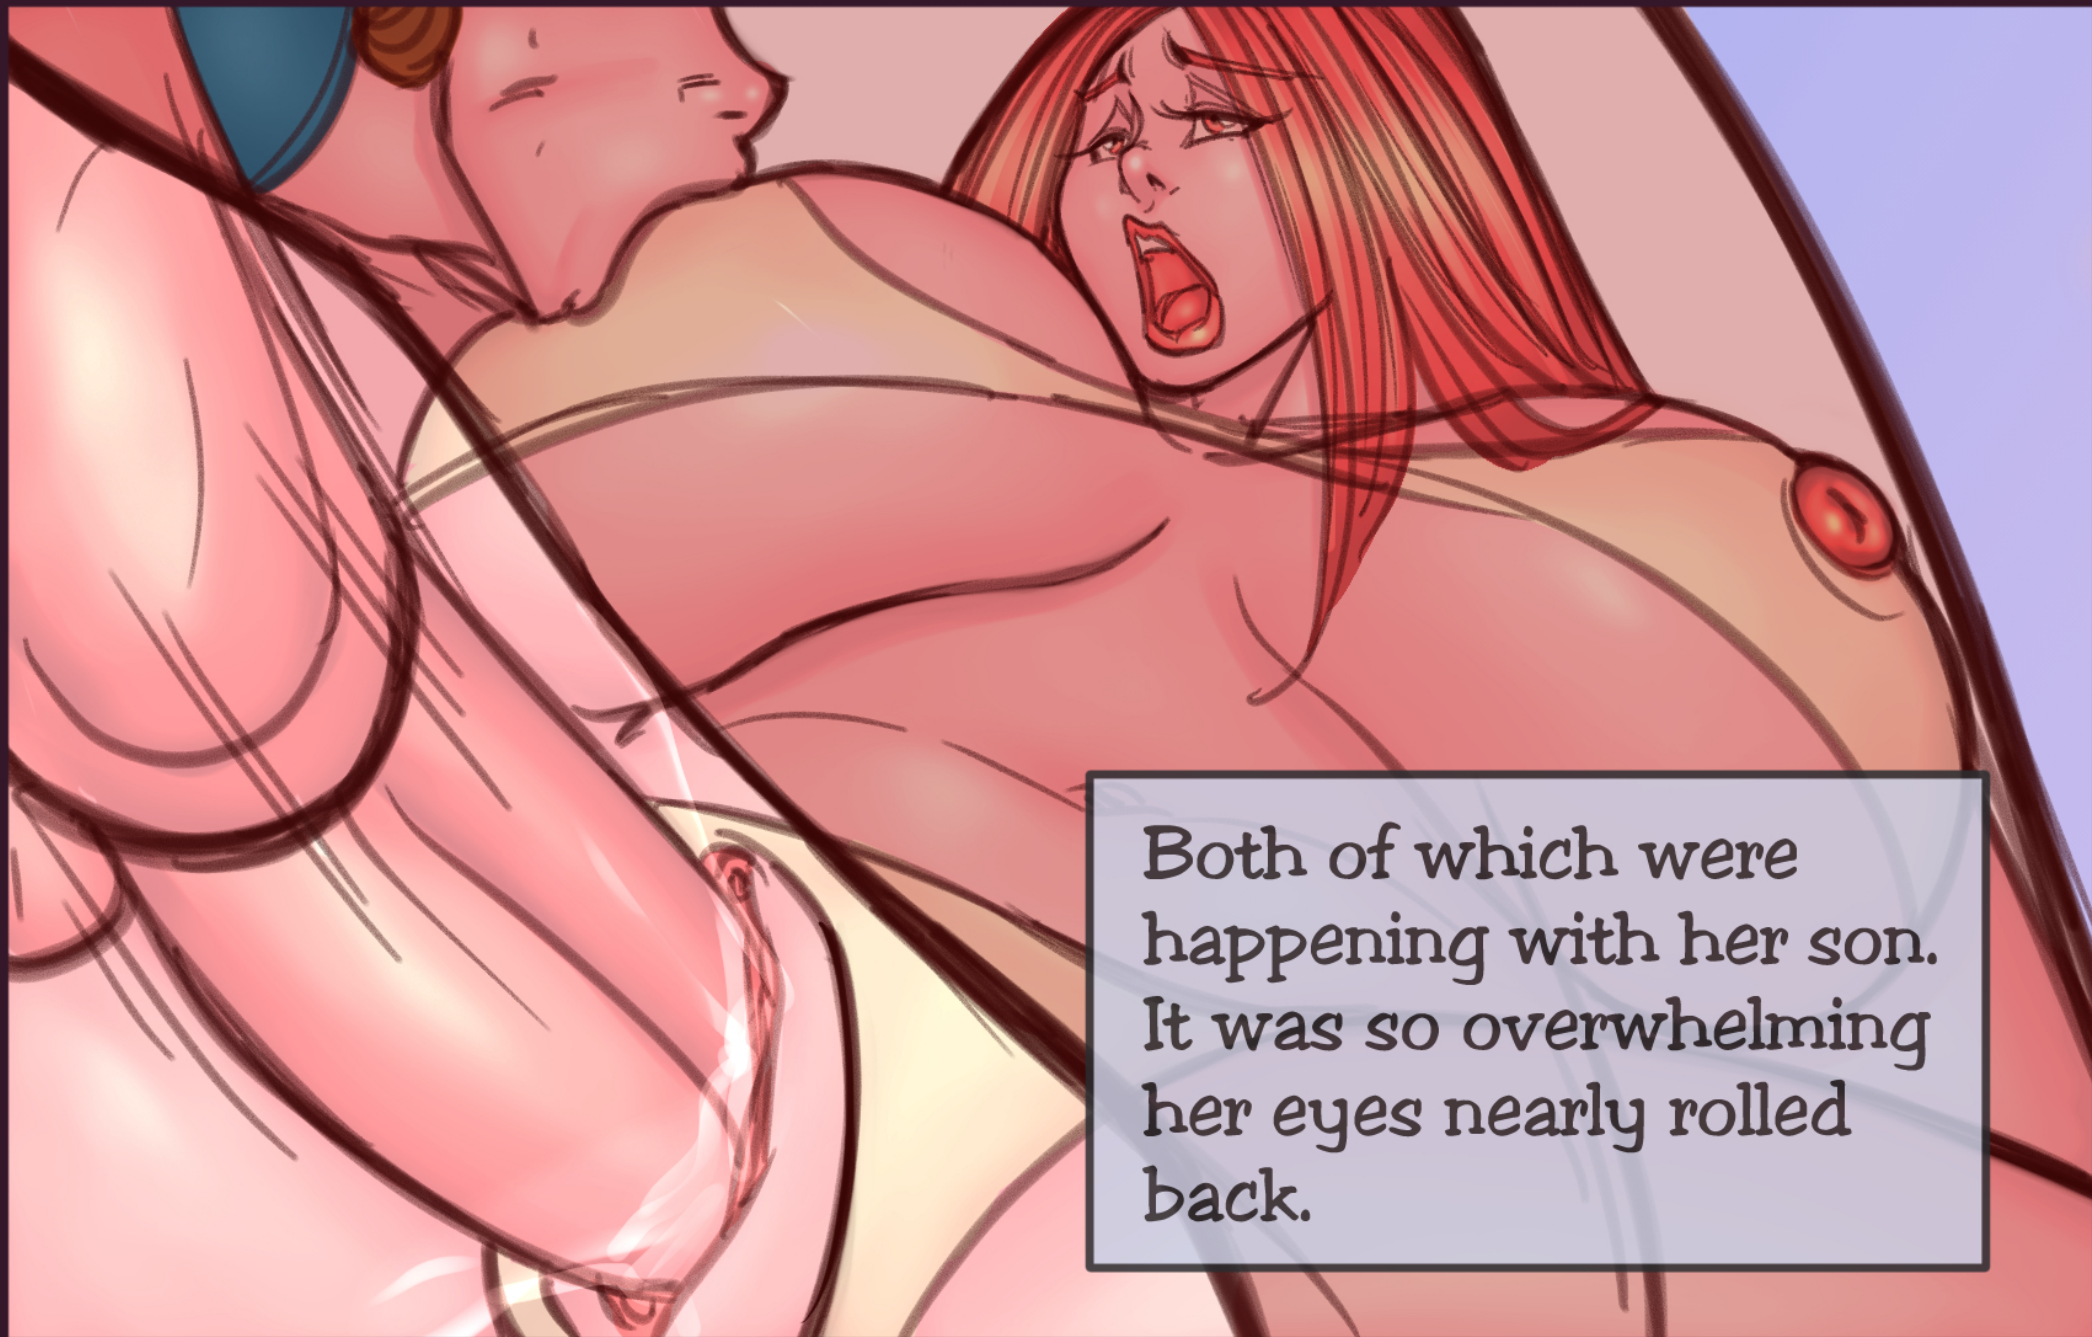

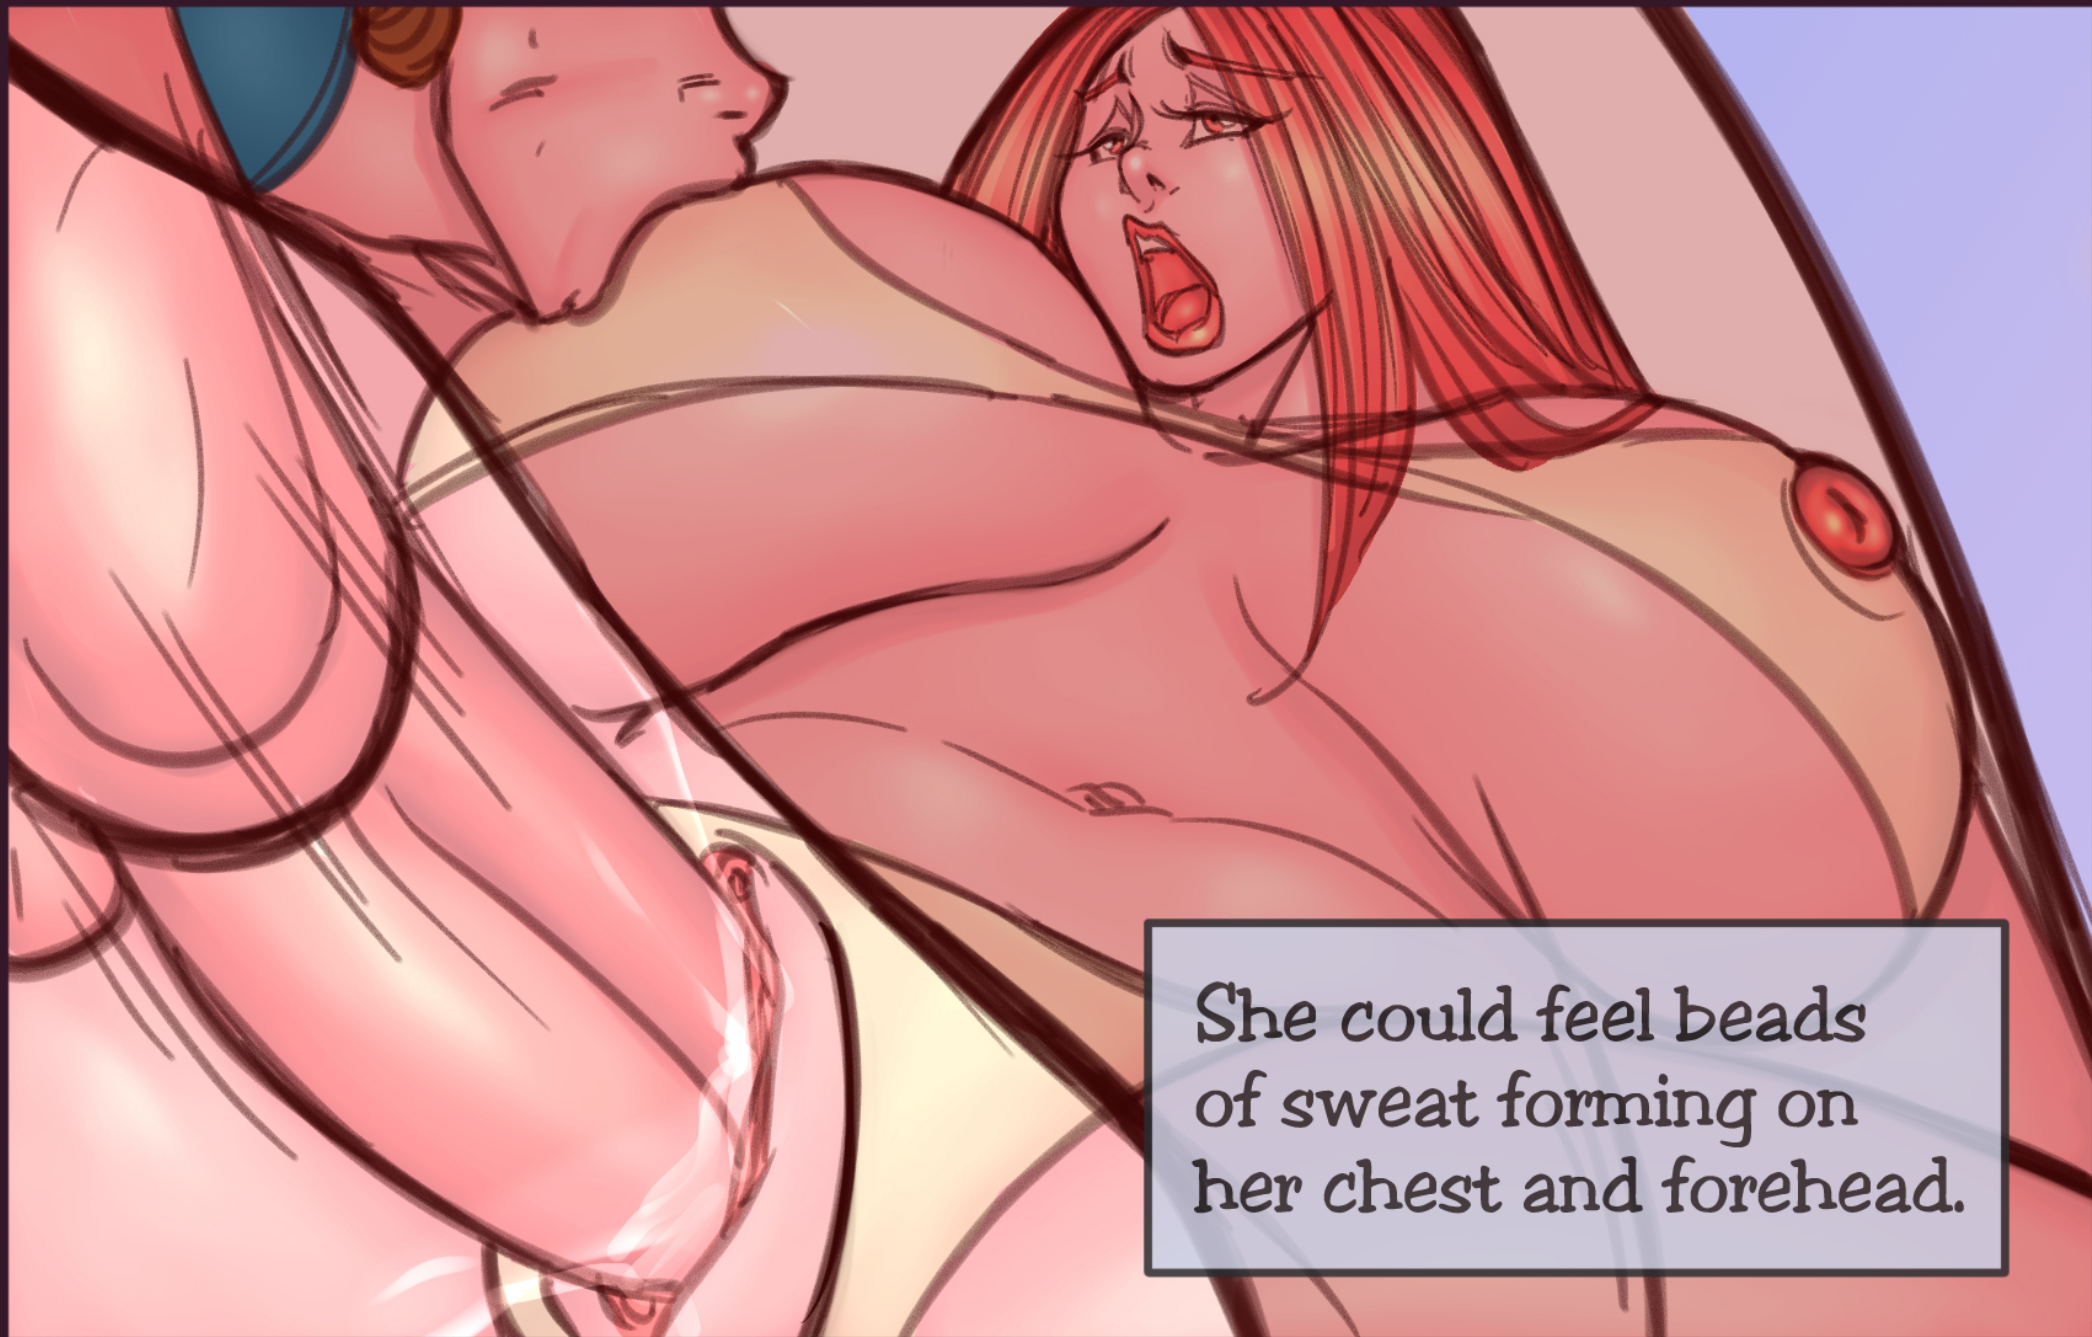

At Judith's direction,
Mark's head was
guided towards her
nipples again.

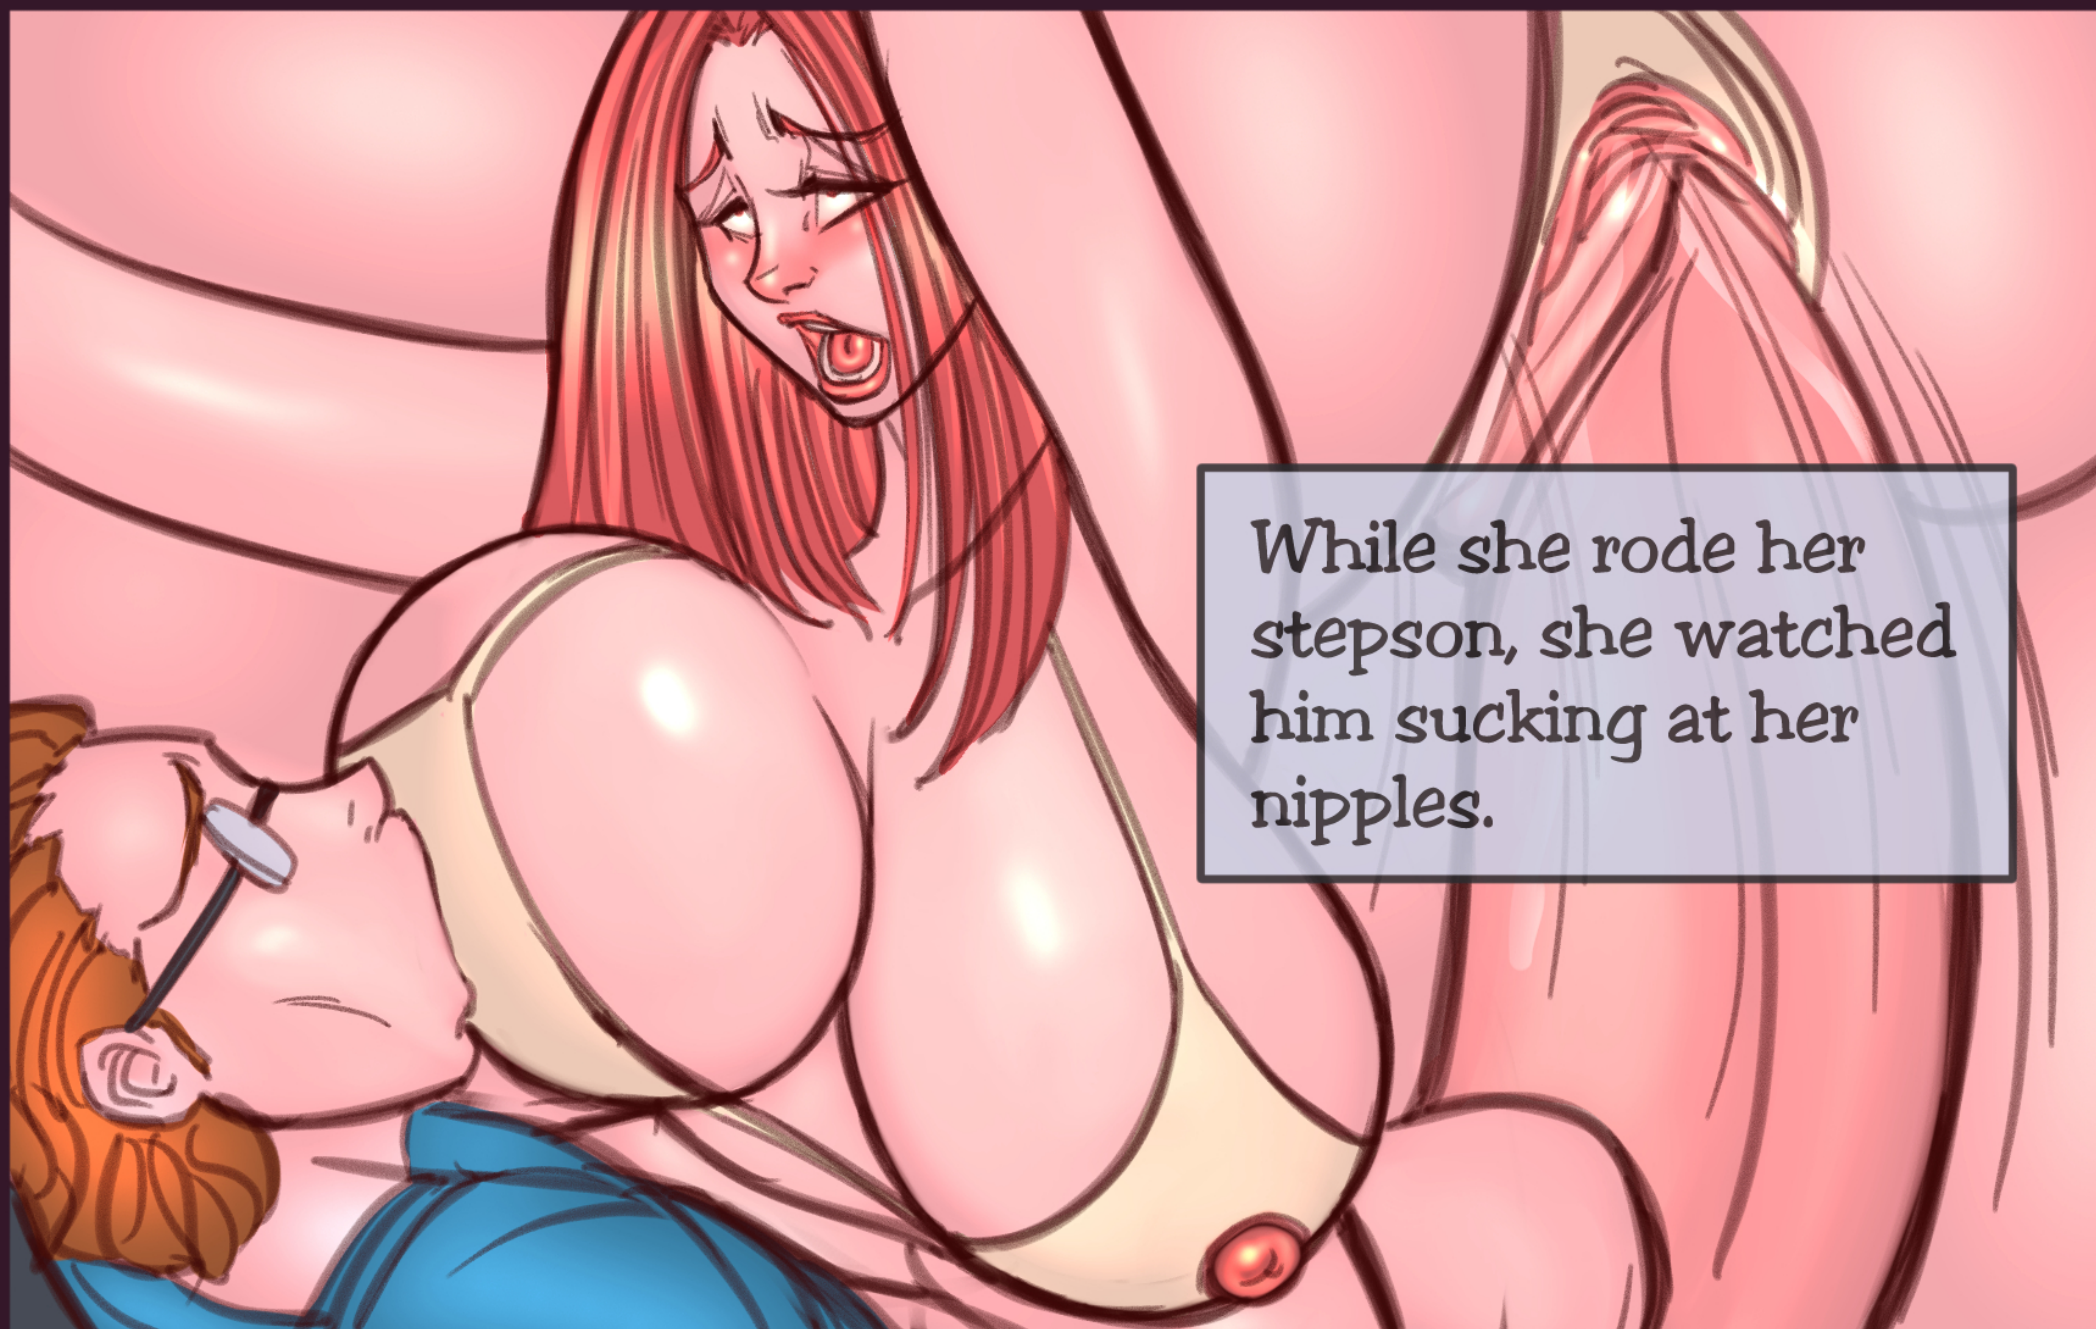

It was like worlds collided when Claire's pussy was being fucked and her nipples were being nursed.

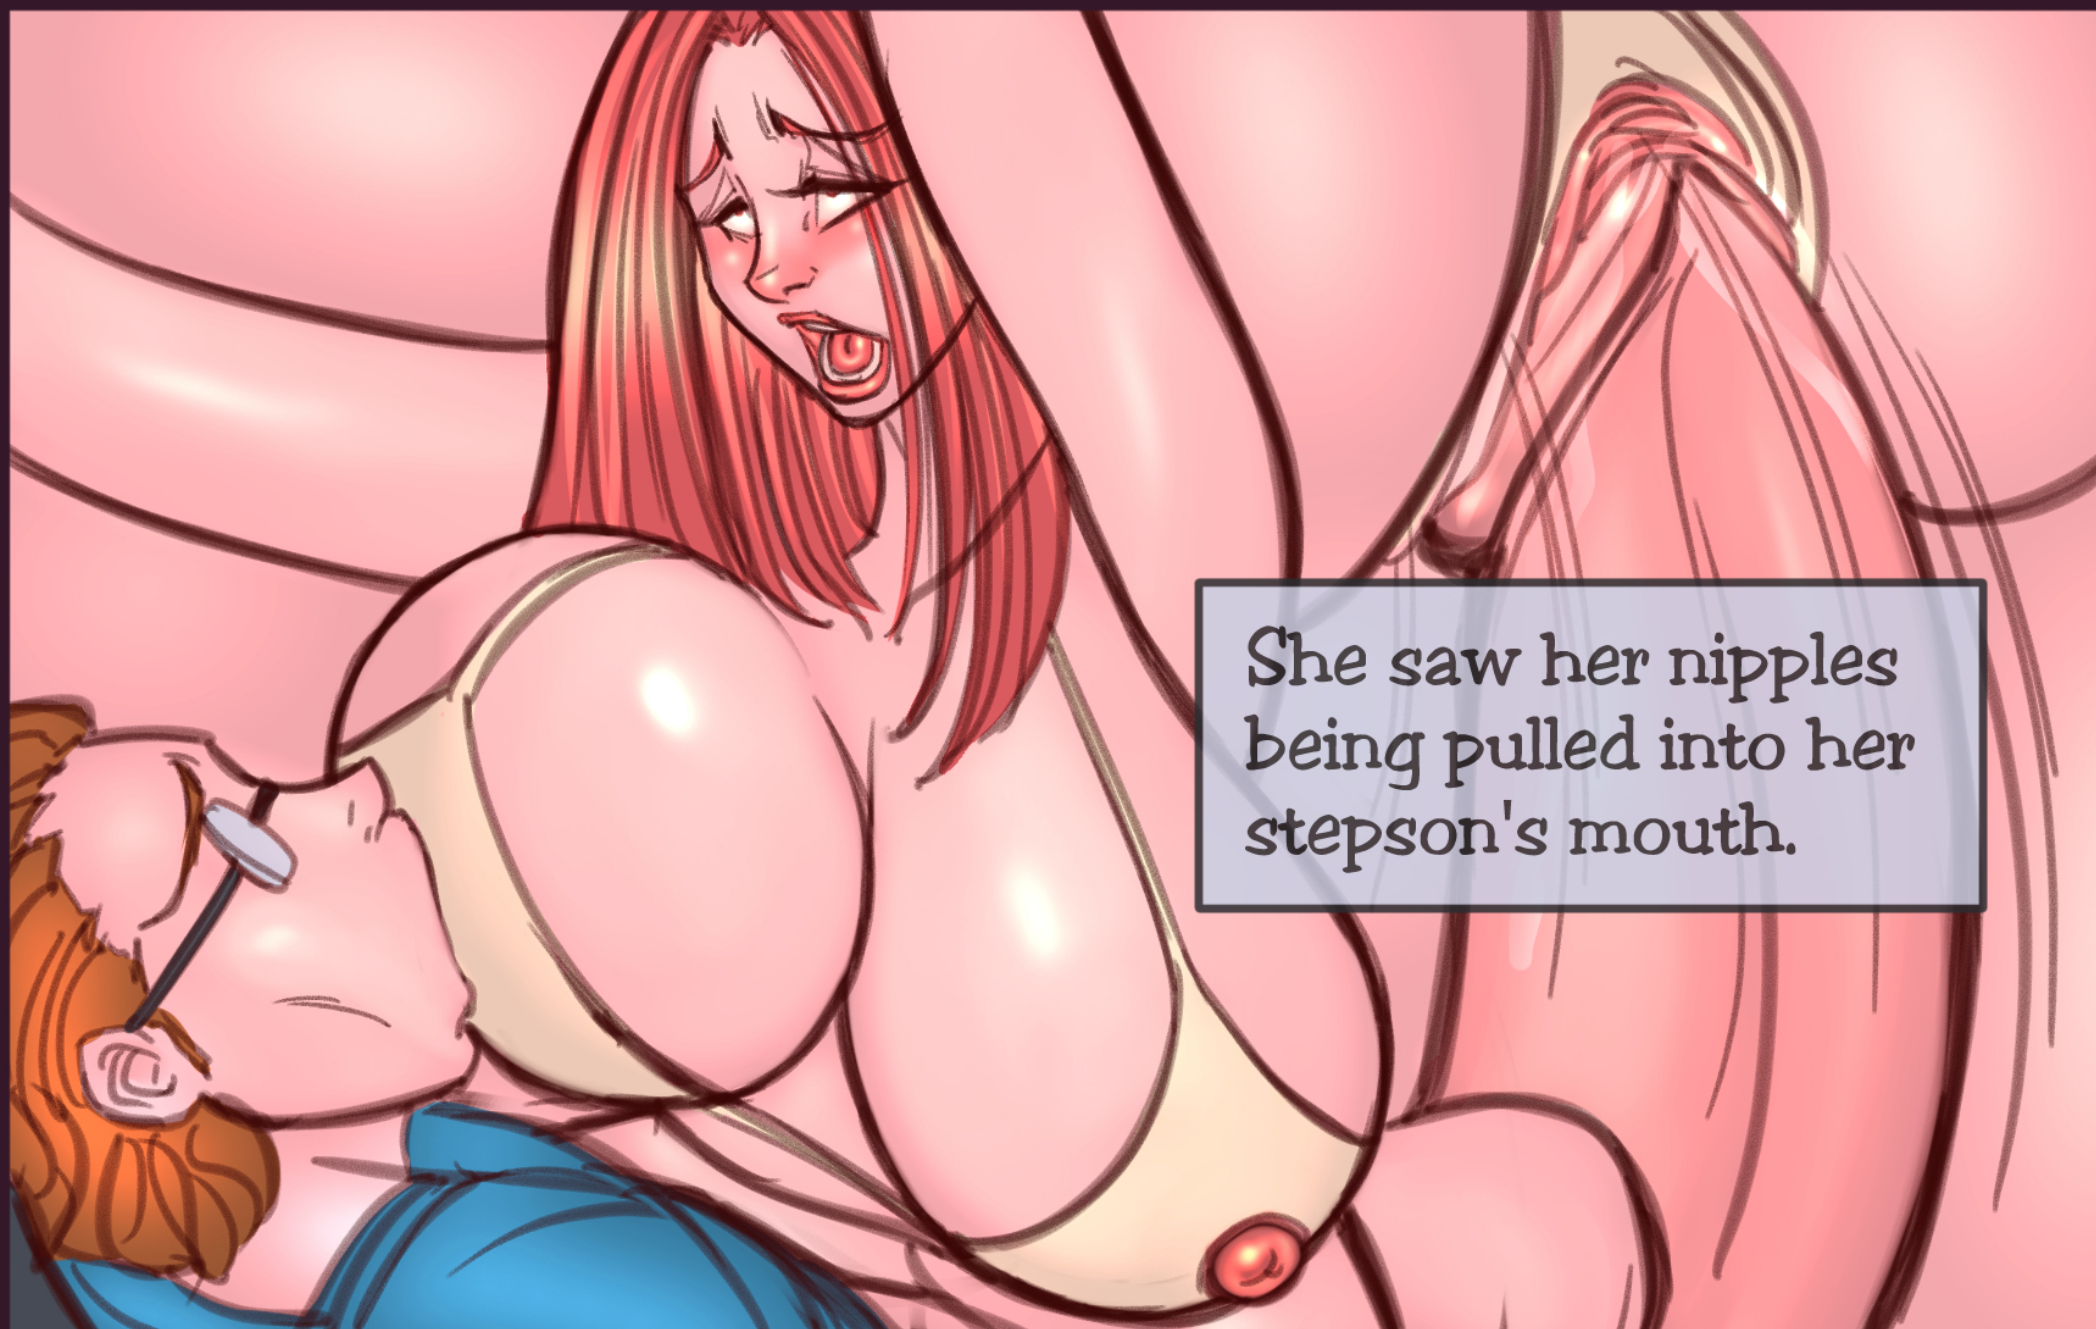

Both of which were happening with her son. It was so overwhelming her eyes nearly rolled back.

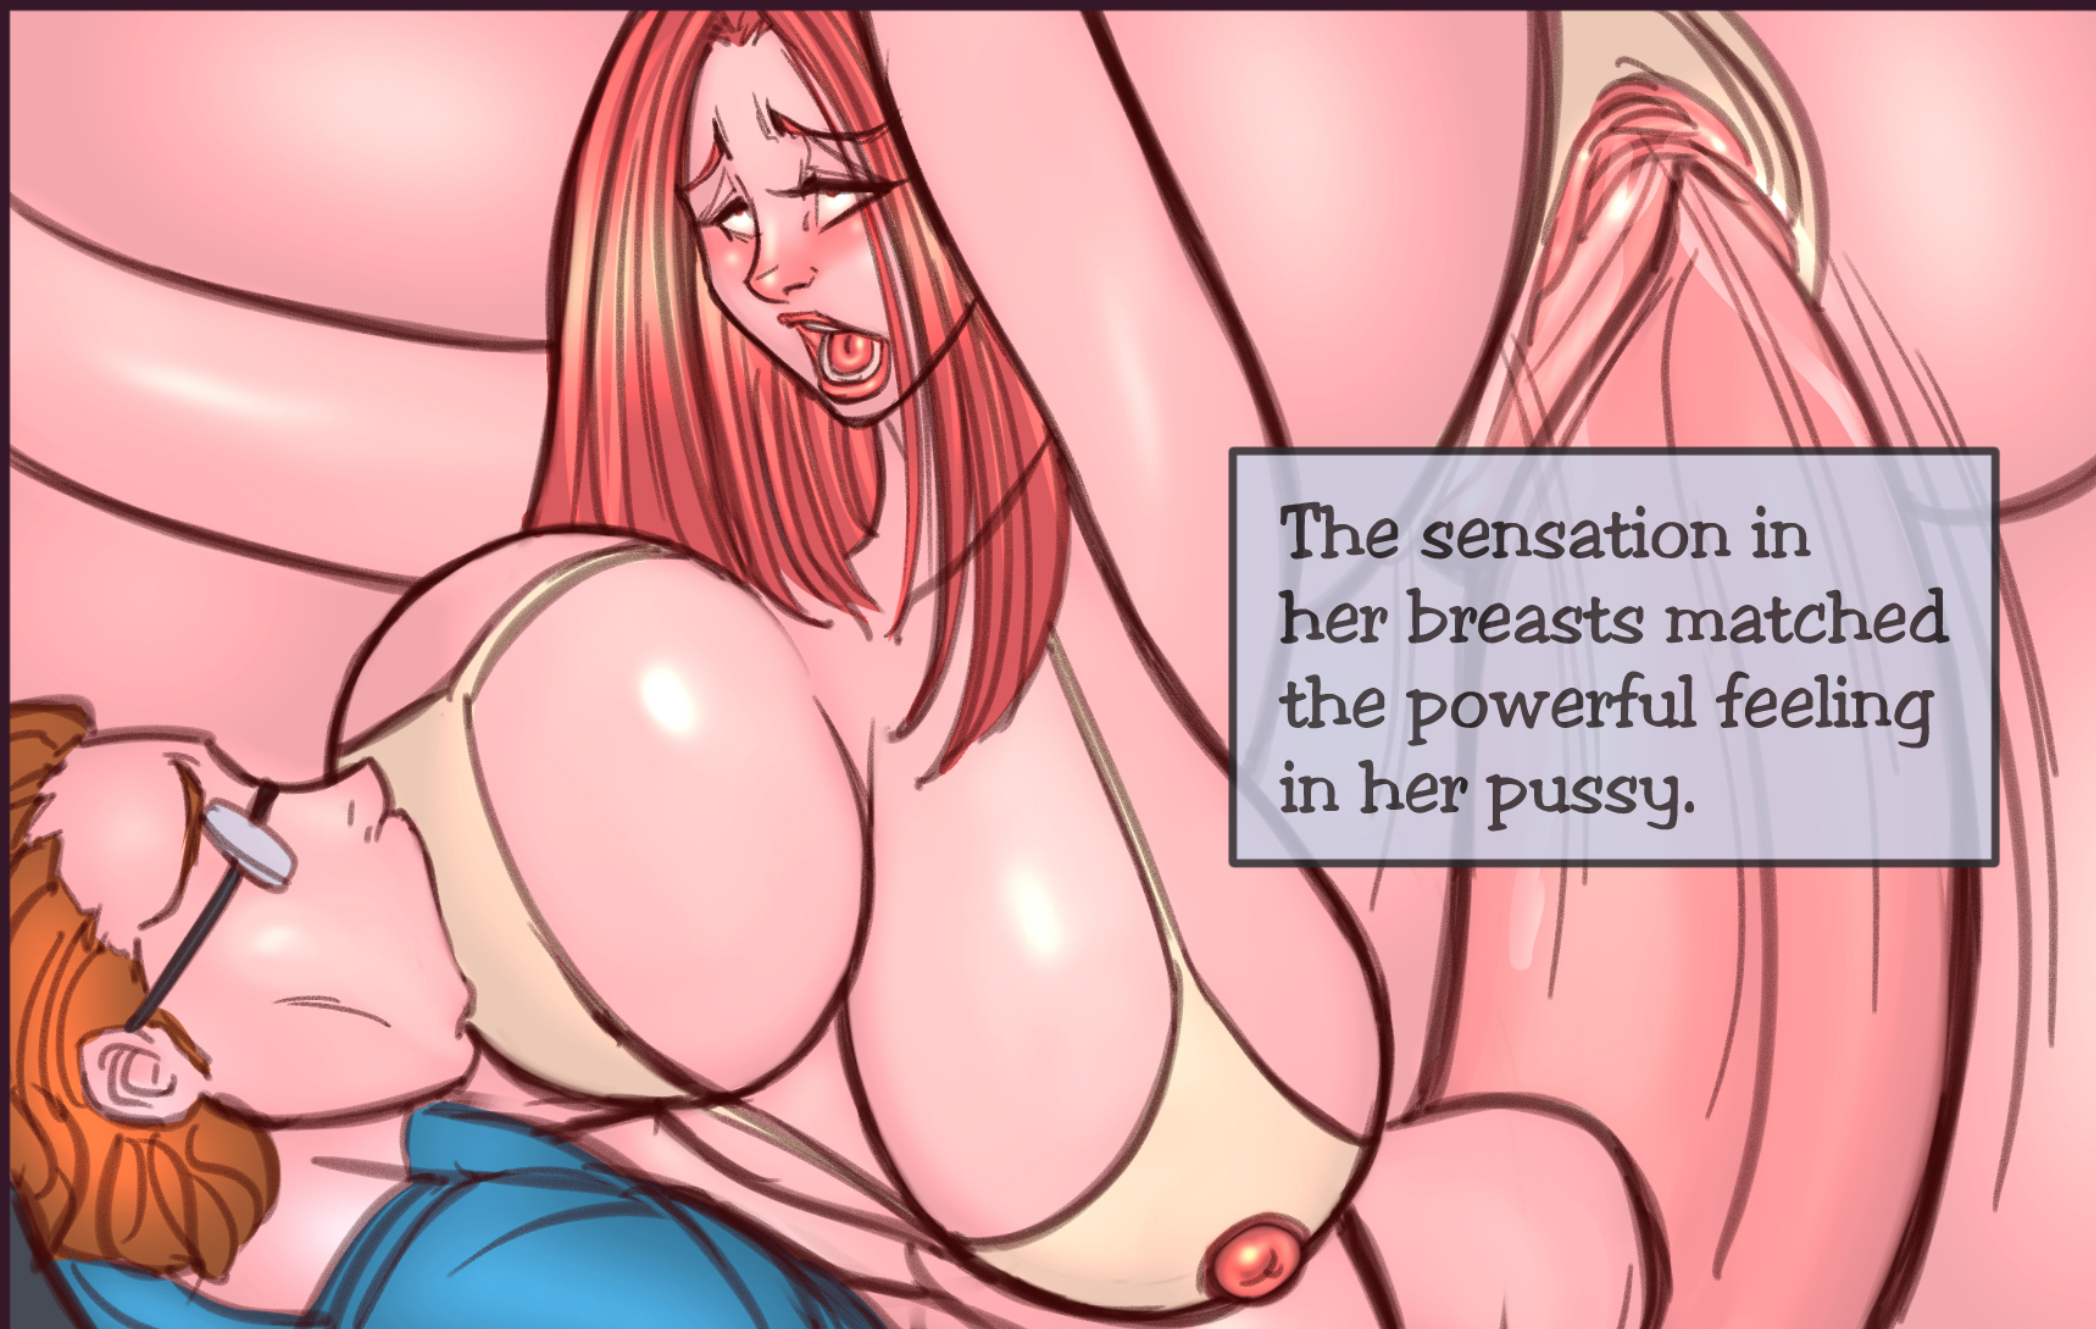

She could feel beads of sweat forming on her chest and forehead.

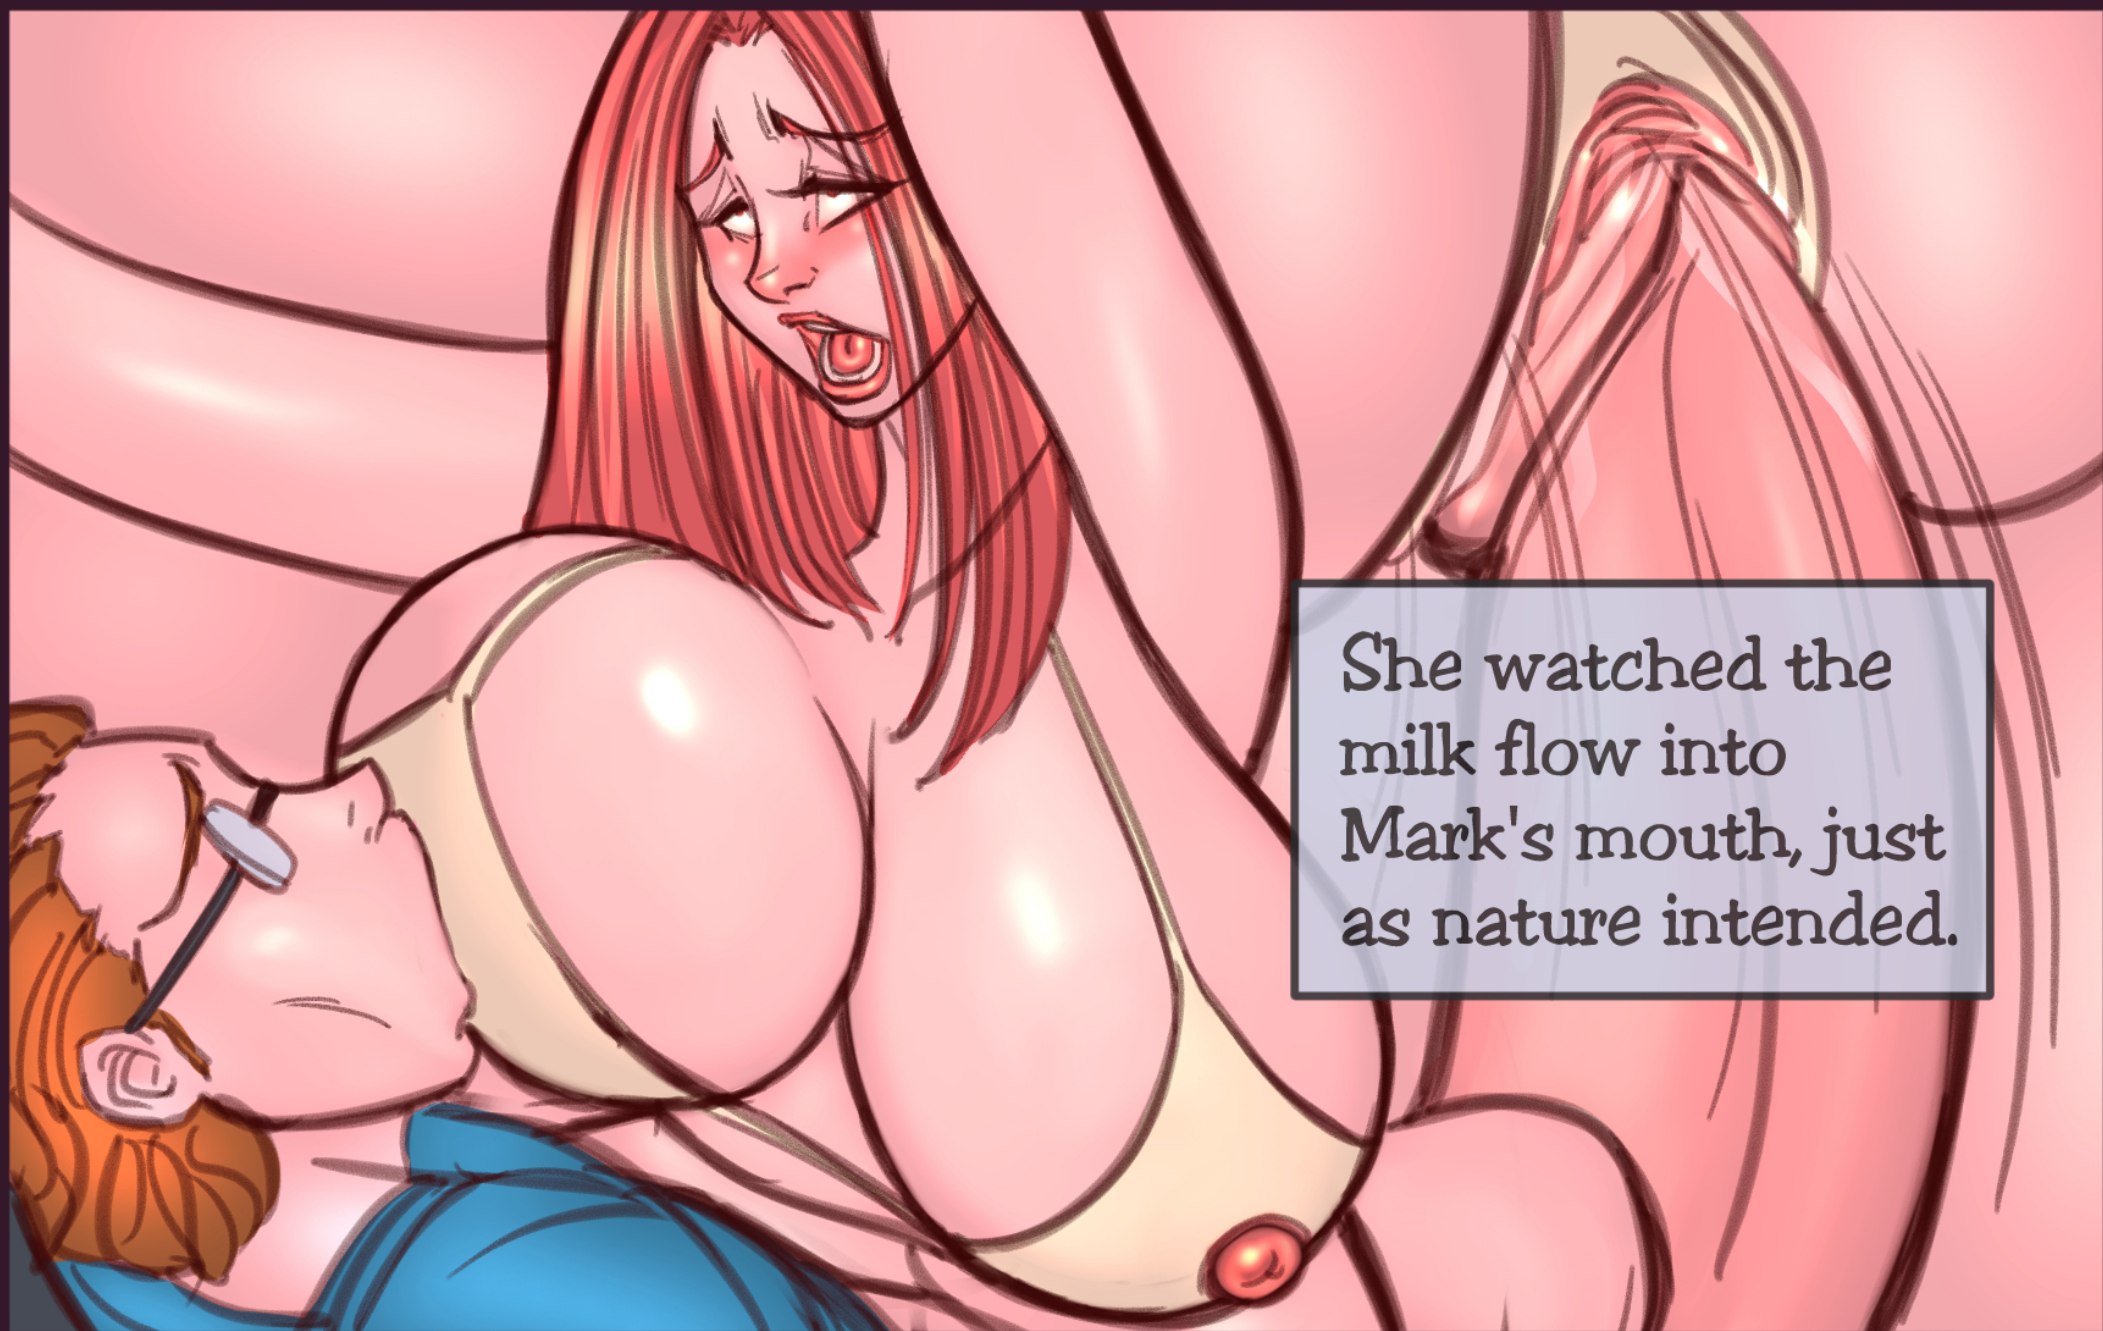

While she rode her stepson, she watched him sucking at her nipples.

She saw her nipples
being pulled into her
stepson's mouth.

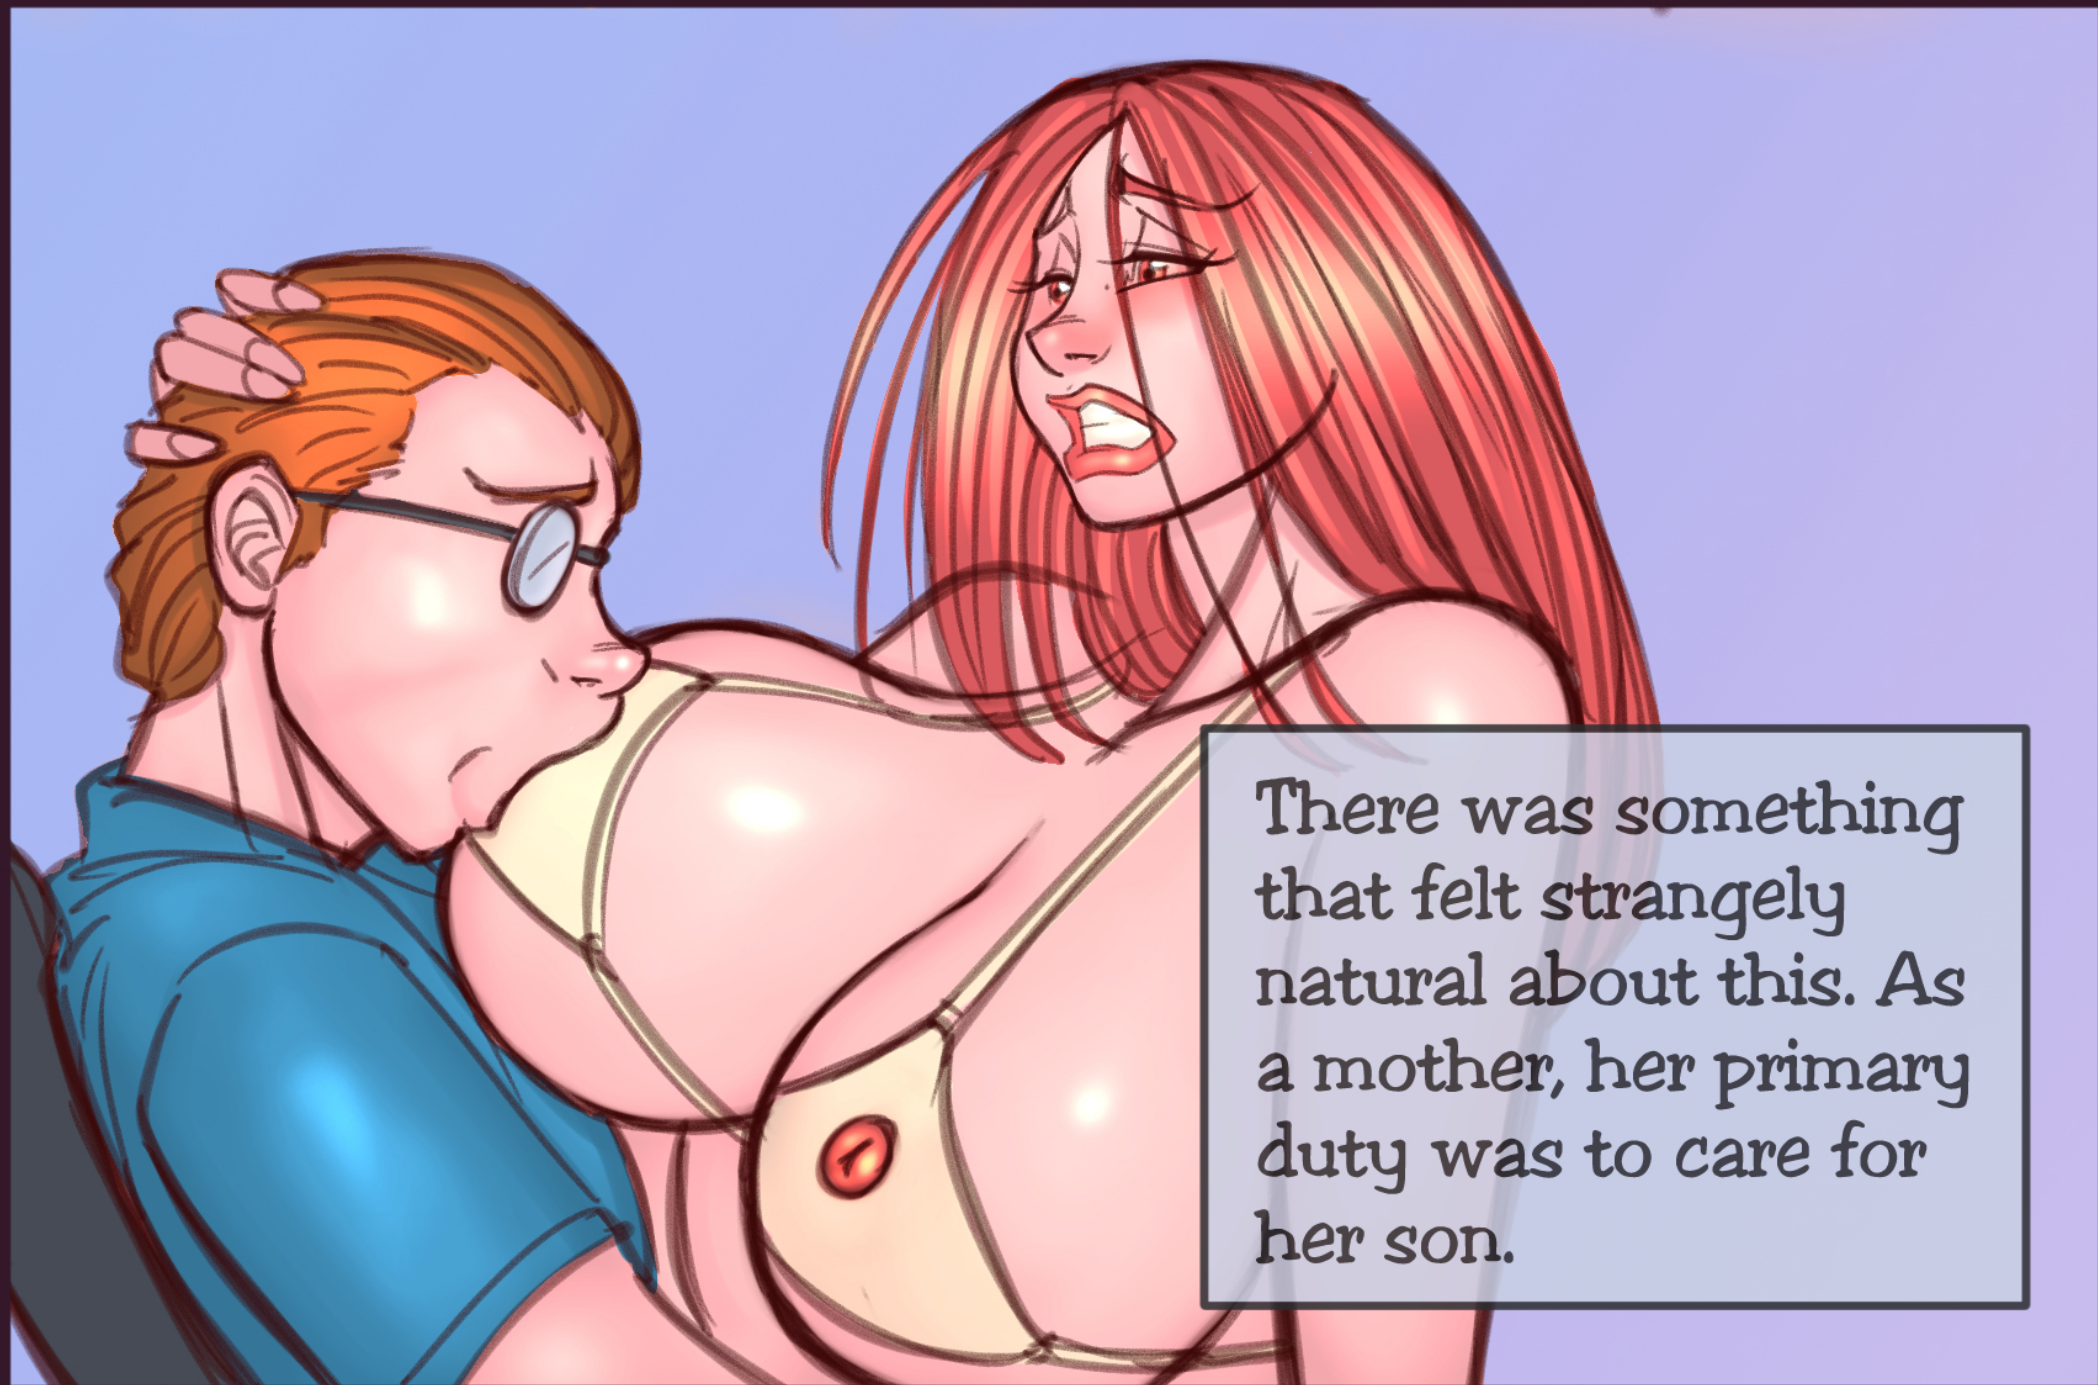

The sensation in her breasts matched the powerful feeling in her pussy.

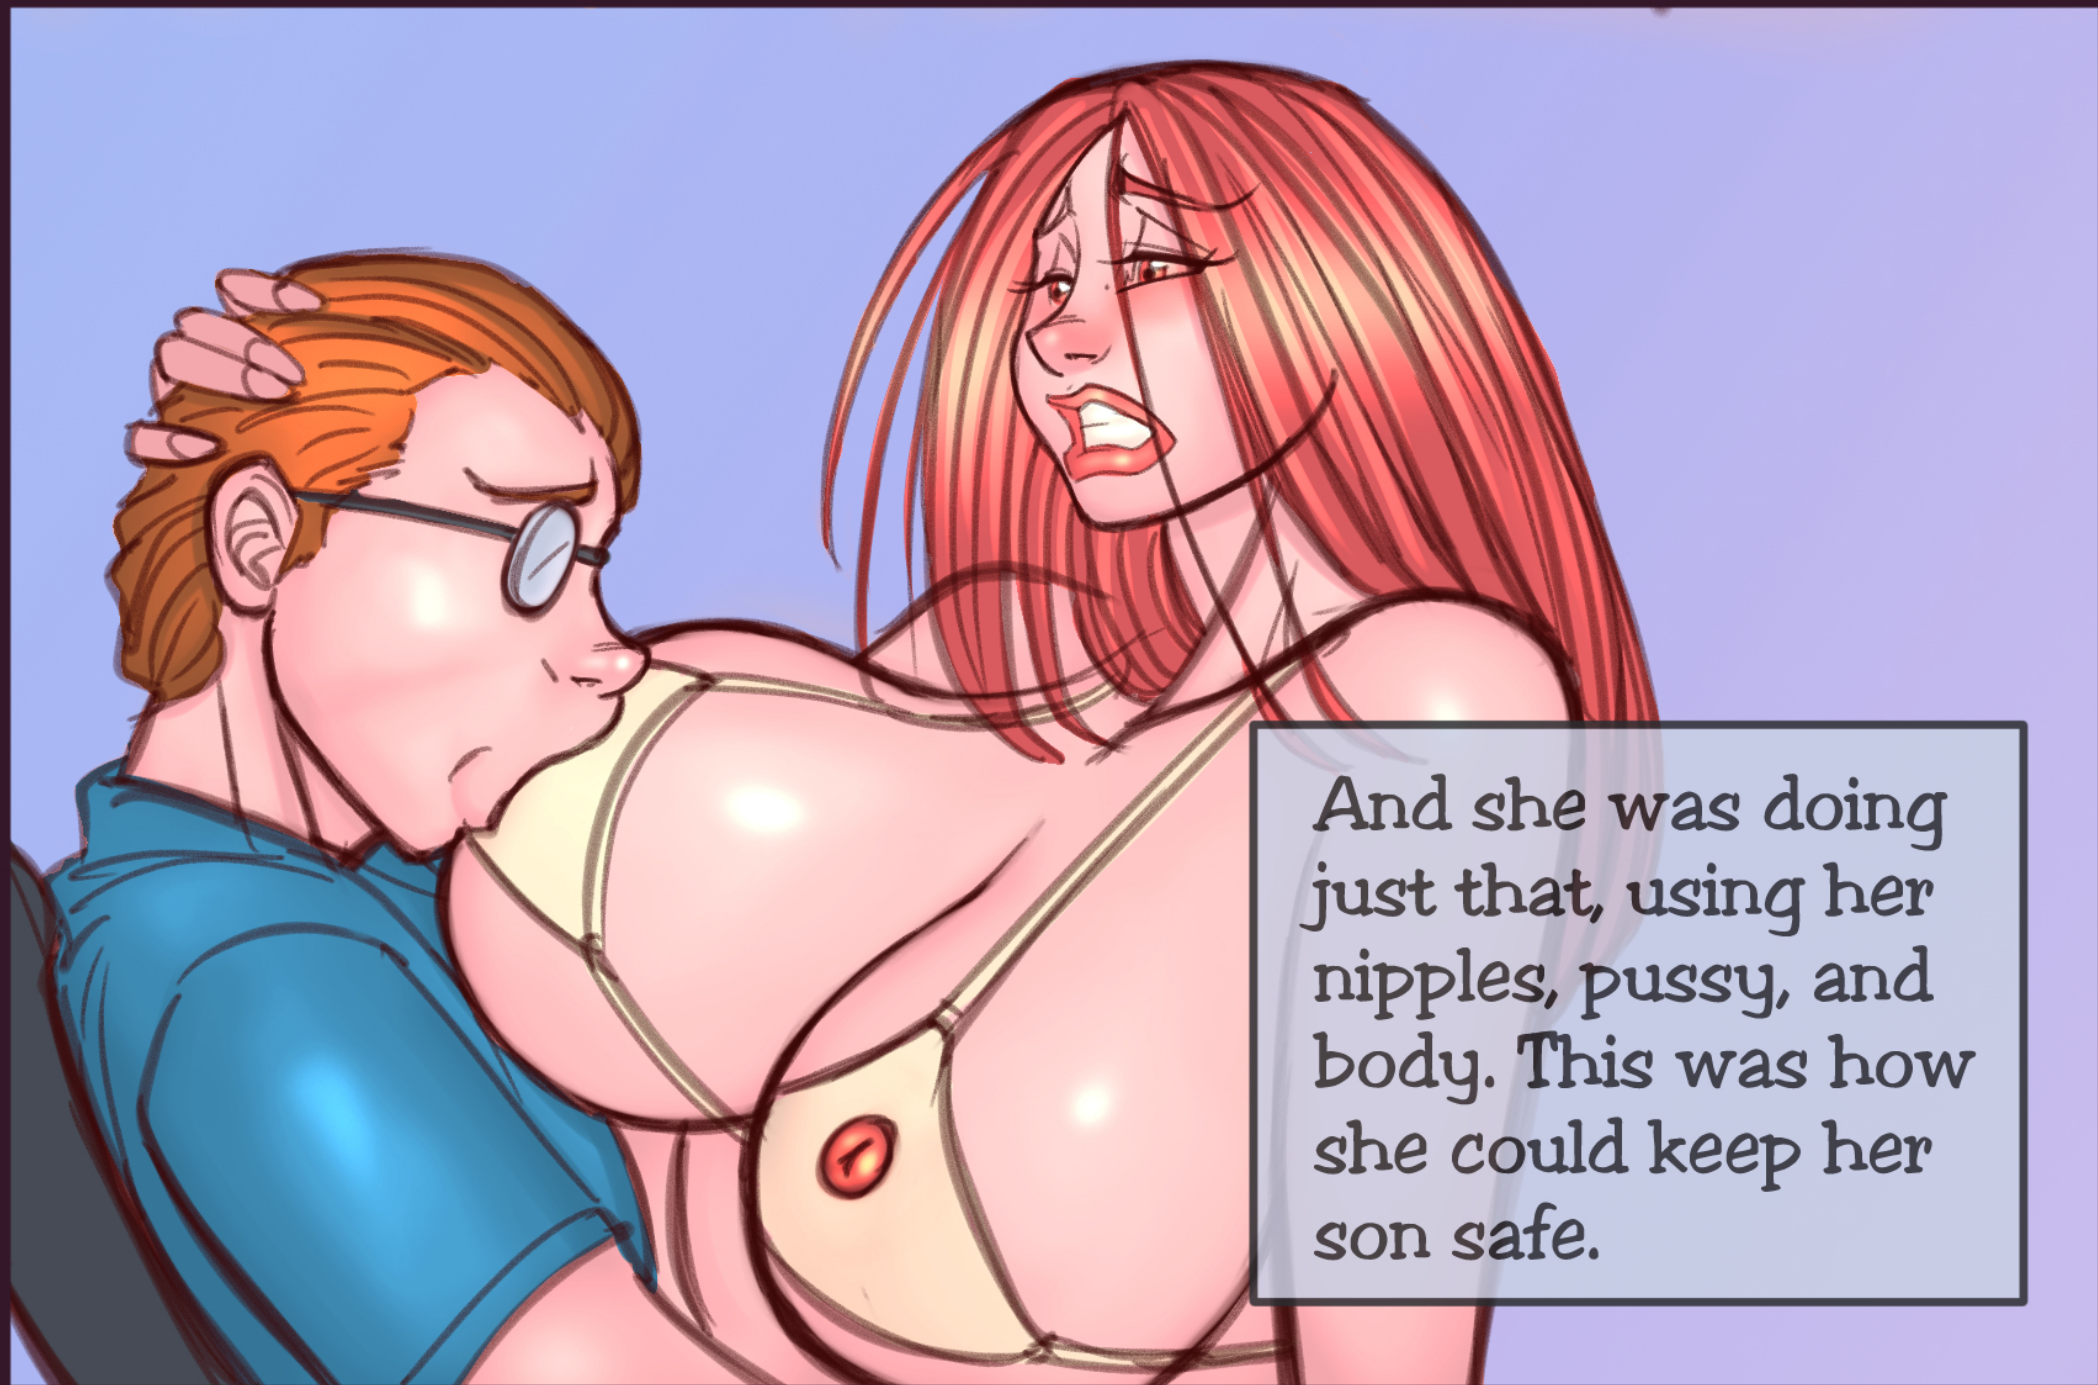

She watched the milk flow into Mark's mouth, just as nature intended.

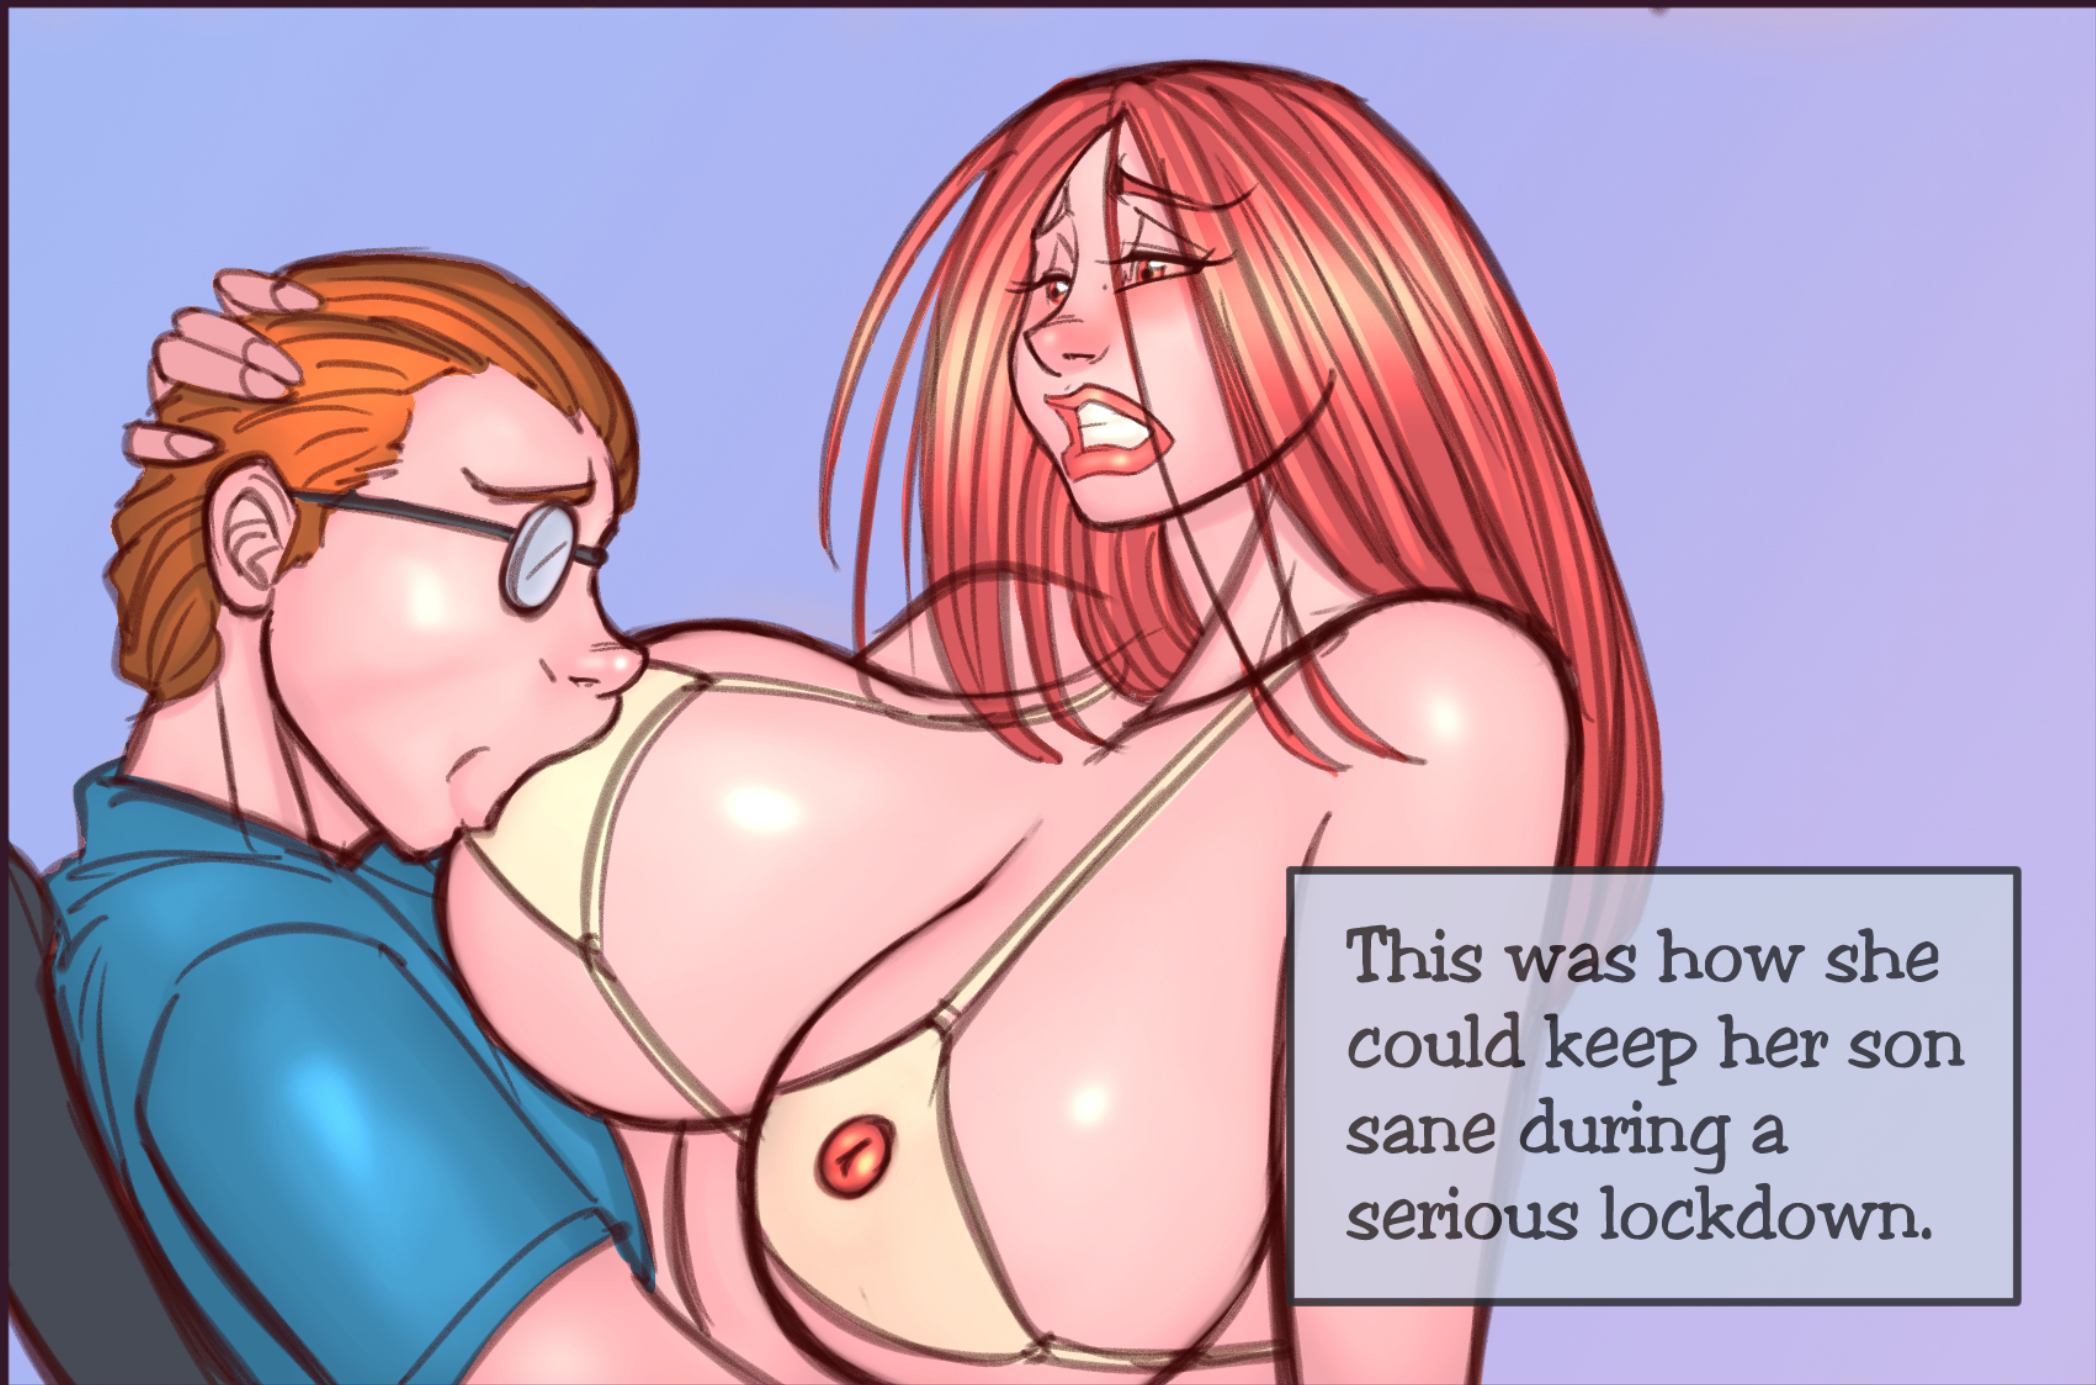

Claire pulled her son's head tighter into her large breasts. Society be damned, she thought.

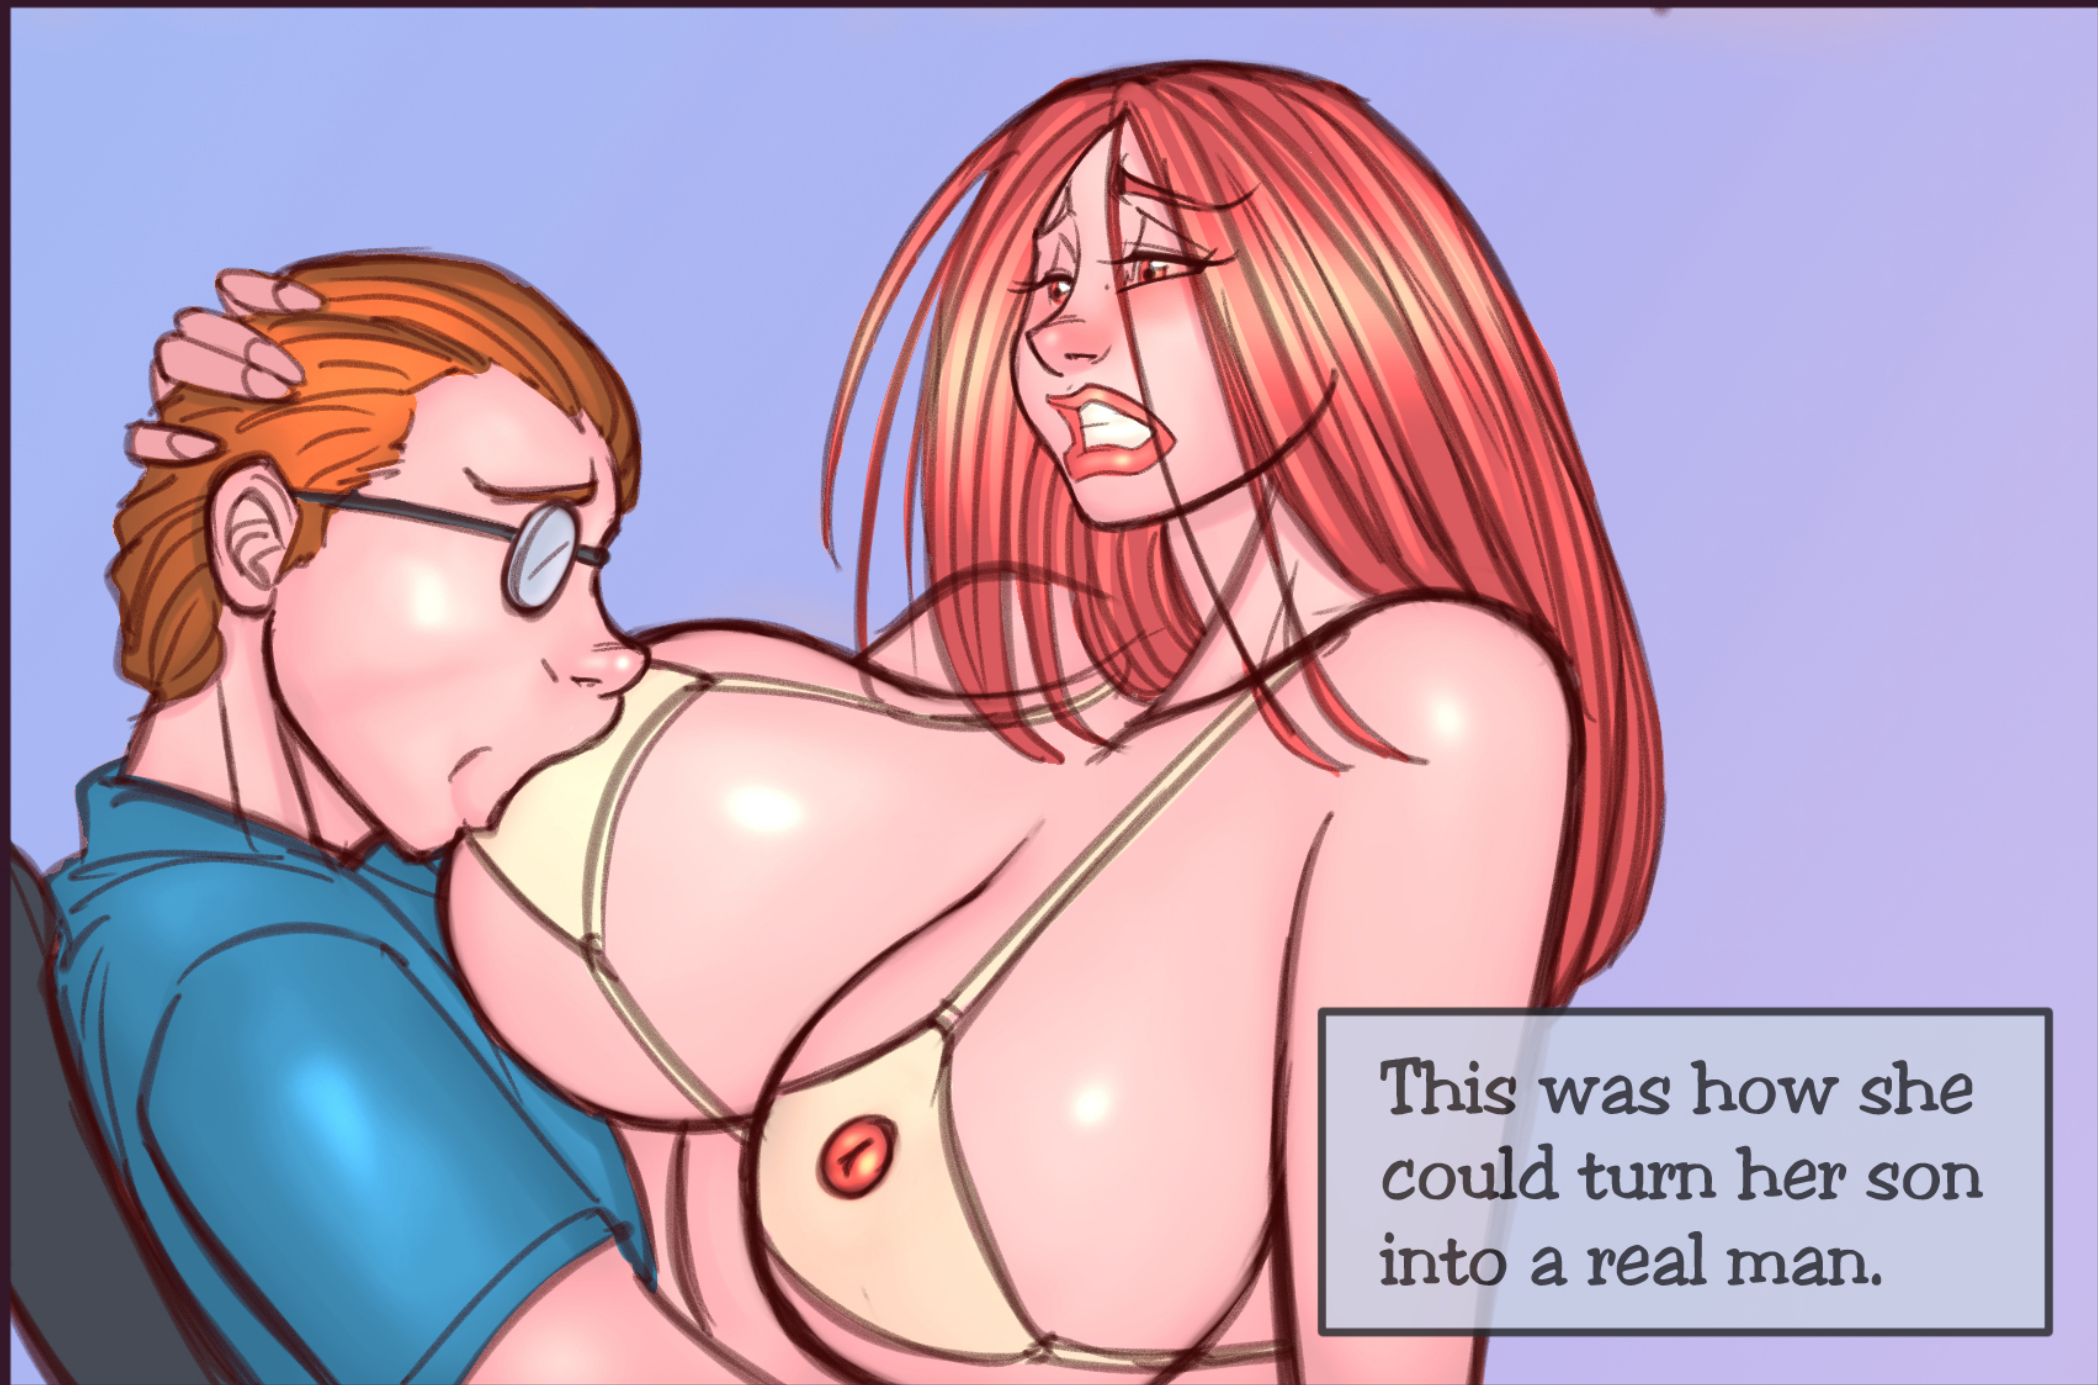

There was something that felt strangely natural about this. As a mother, her primary duty was to care for her son.

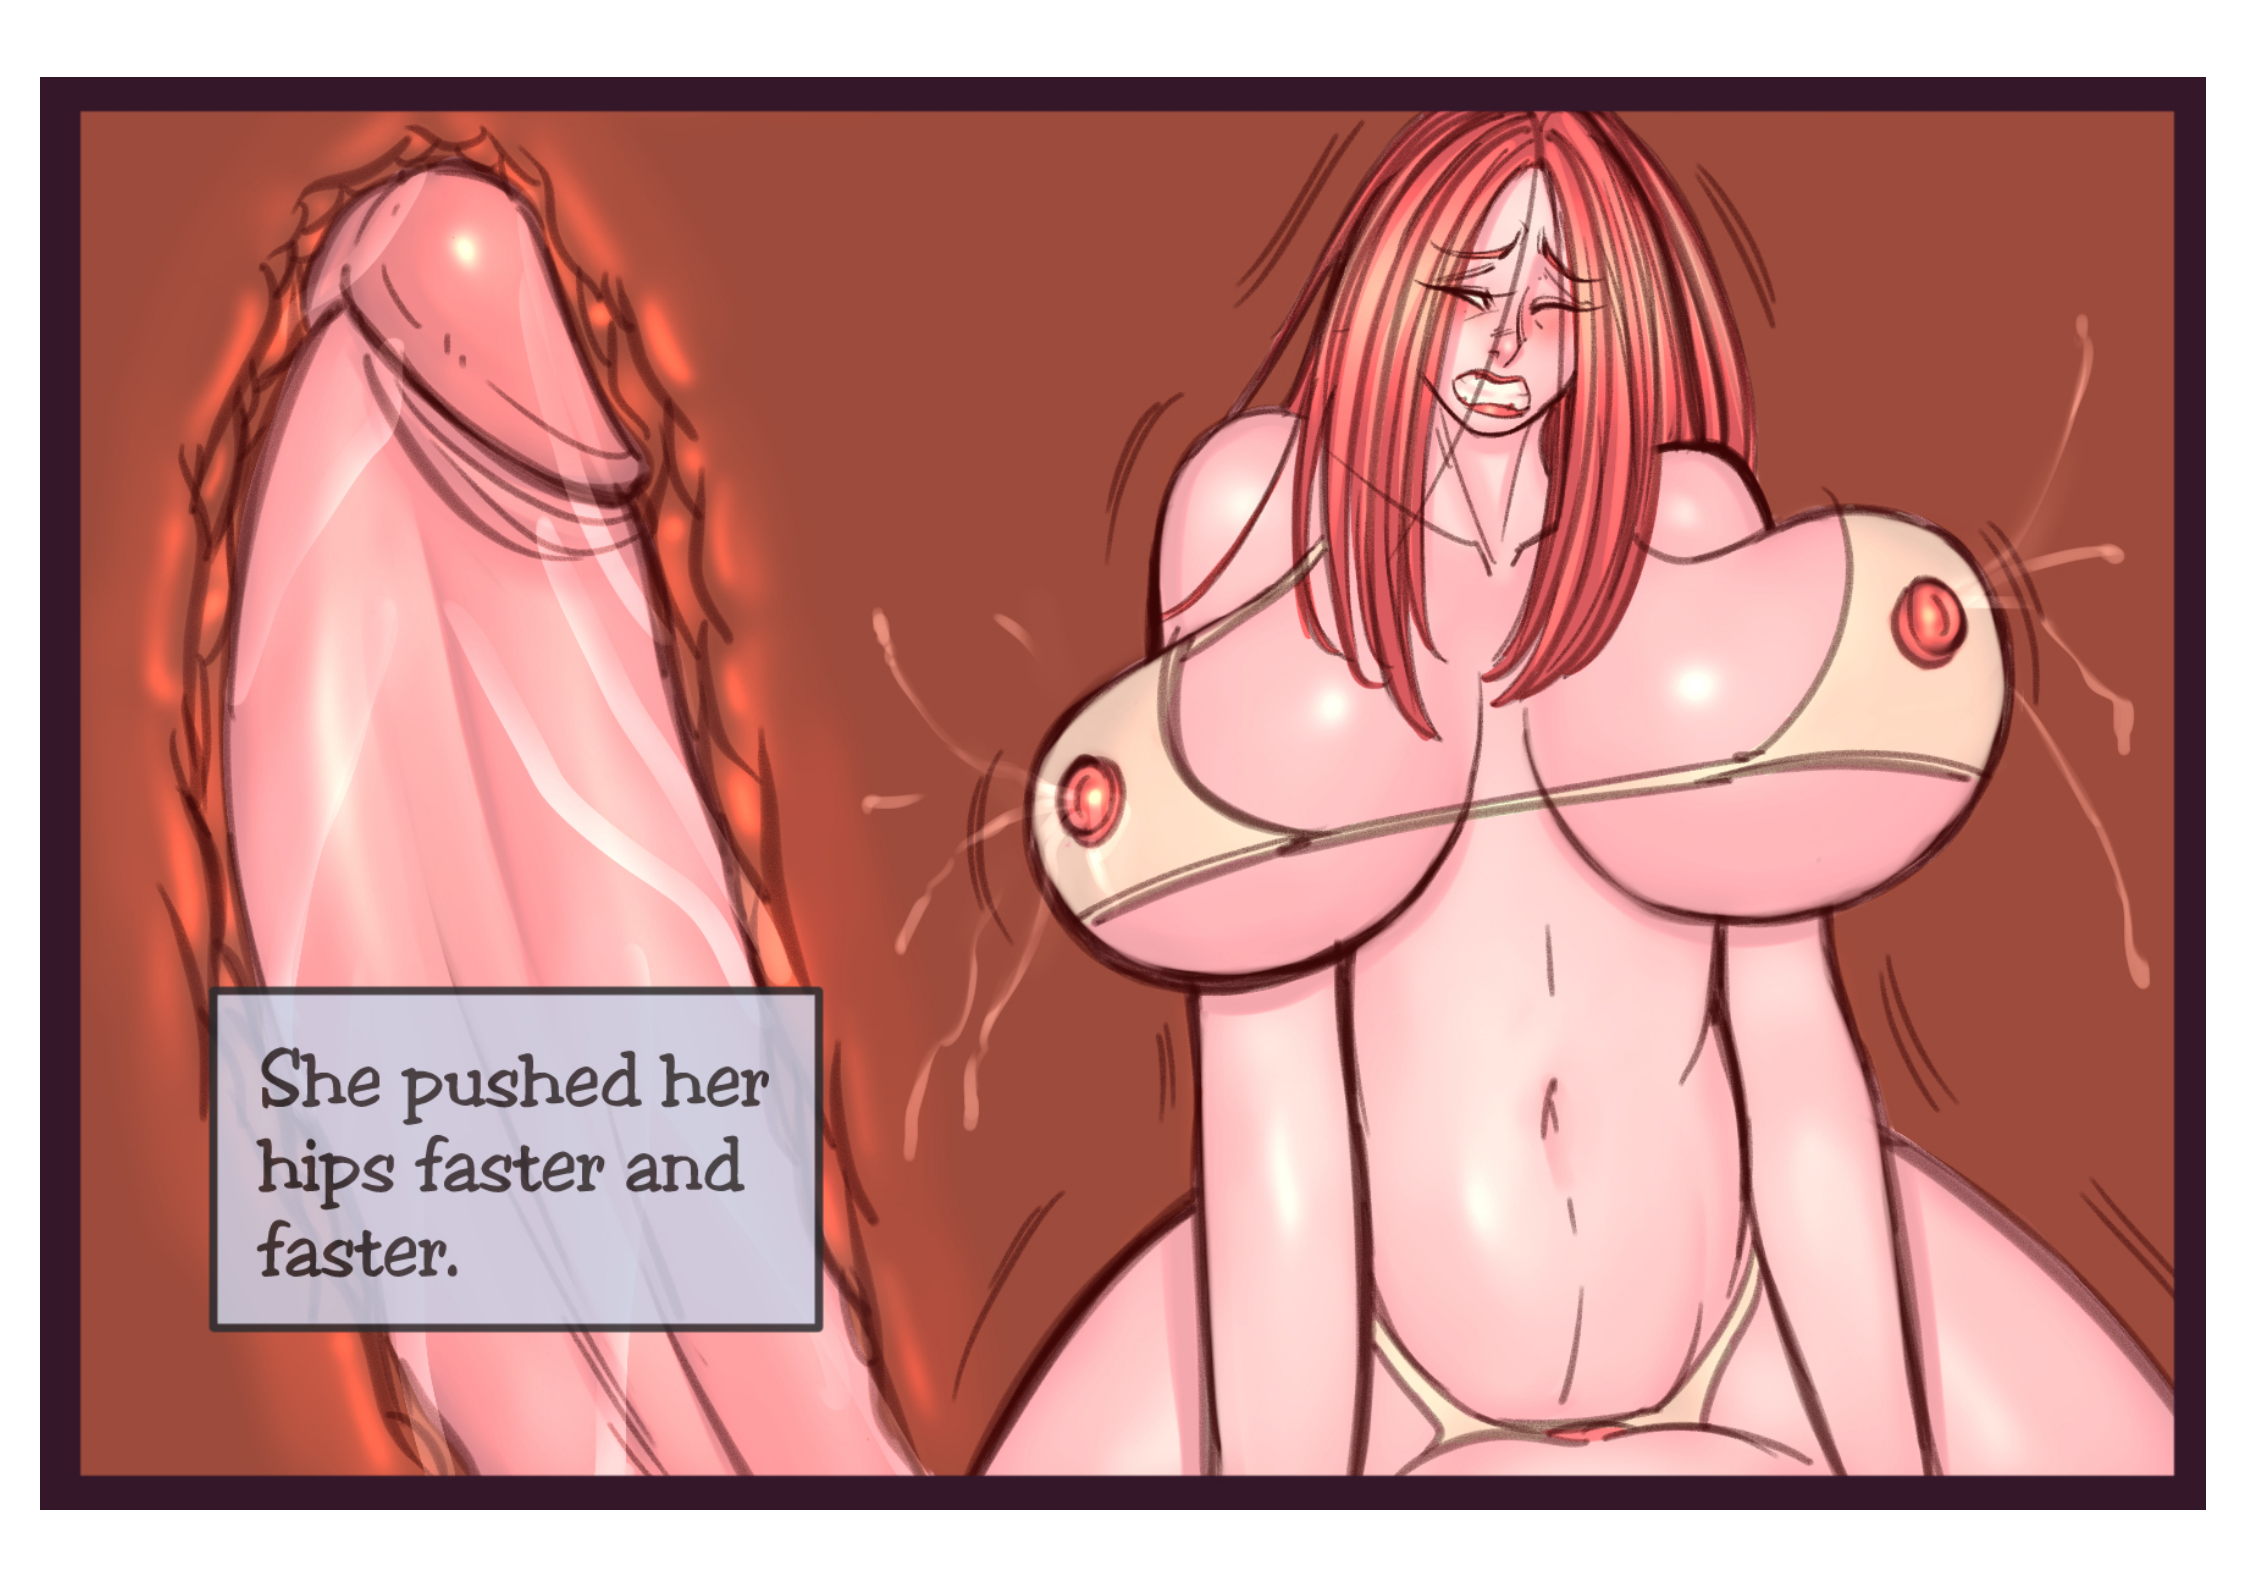

And she was doing just that, using her nipples, pussy, and body. This was how she could keep her son safe.

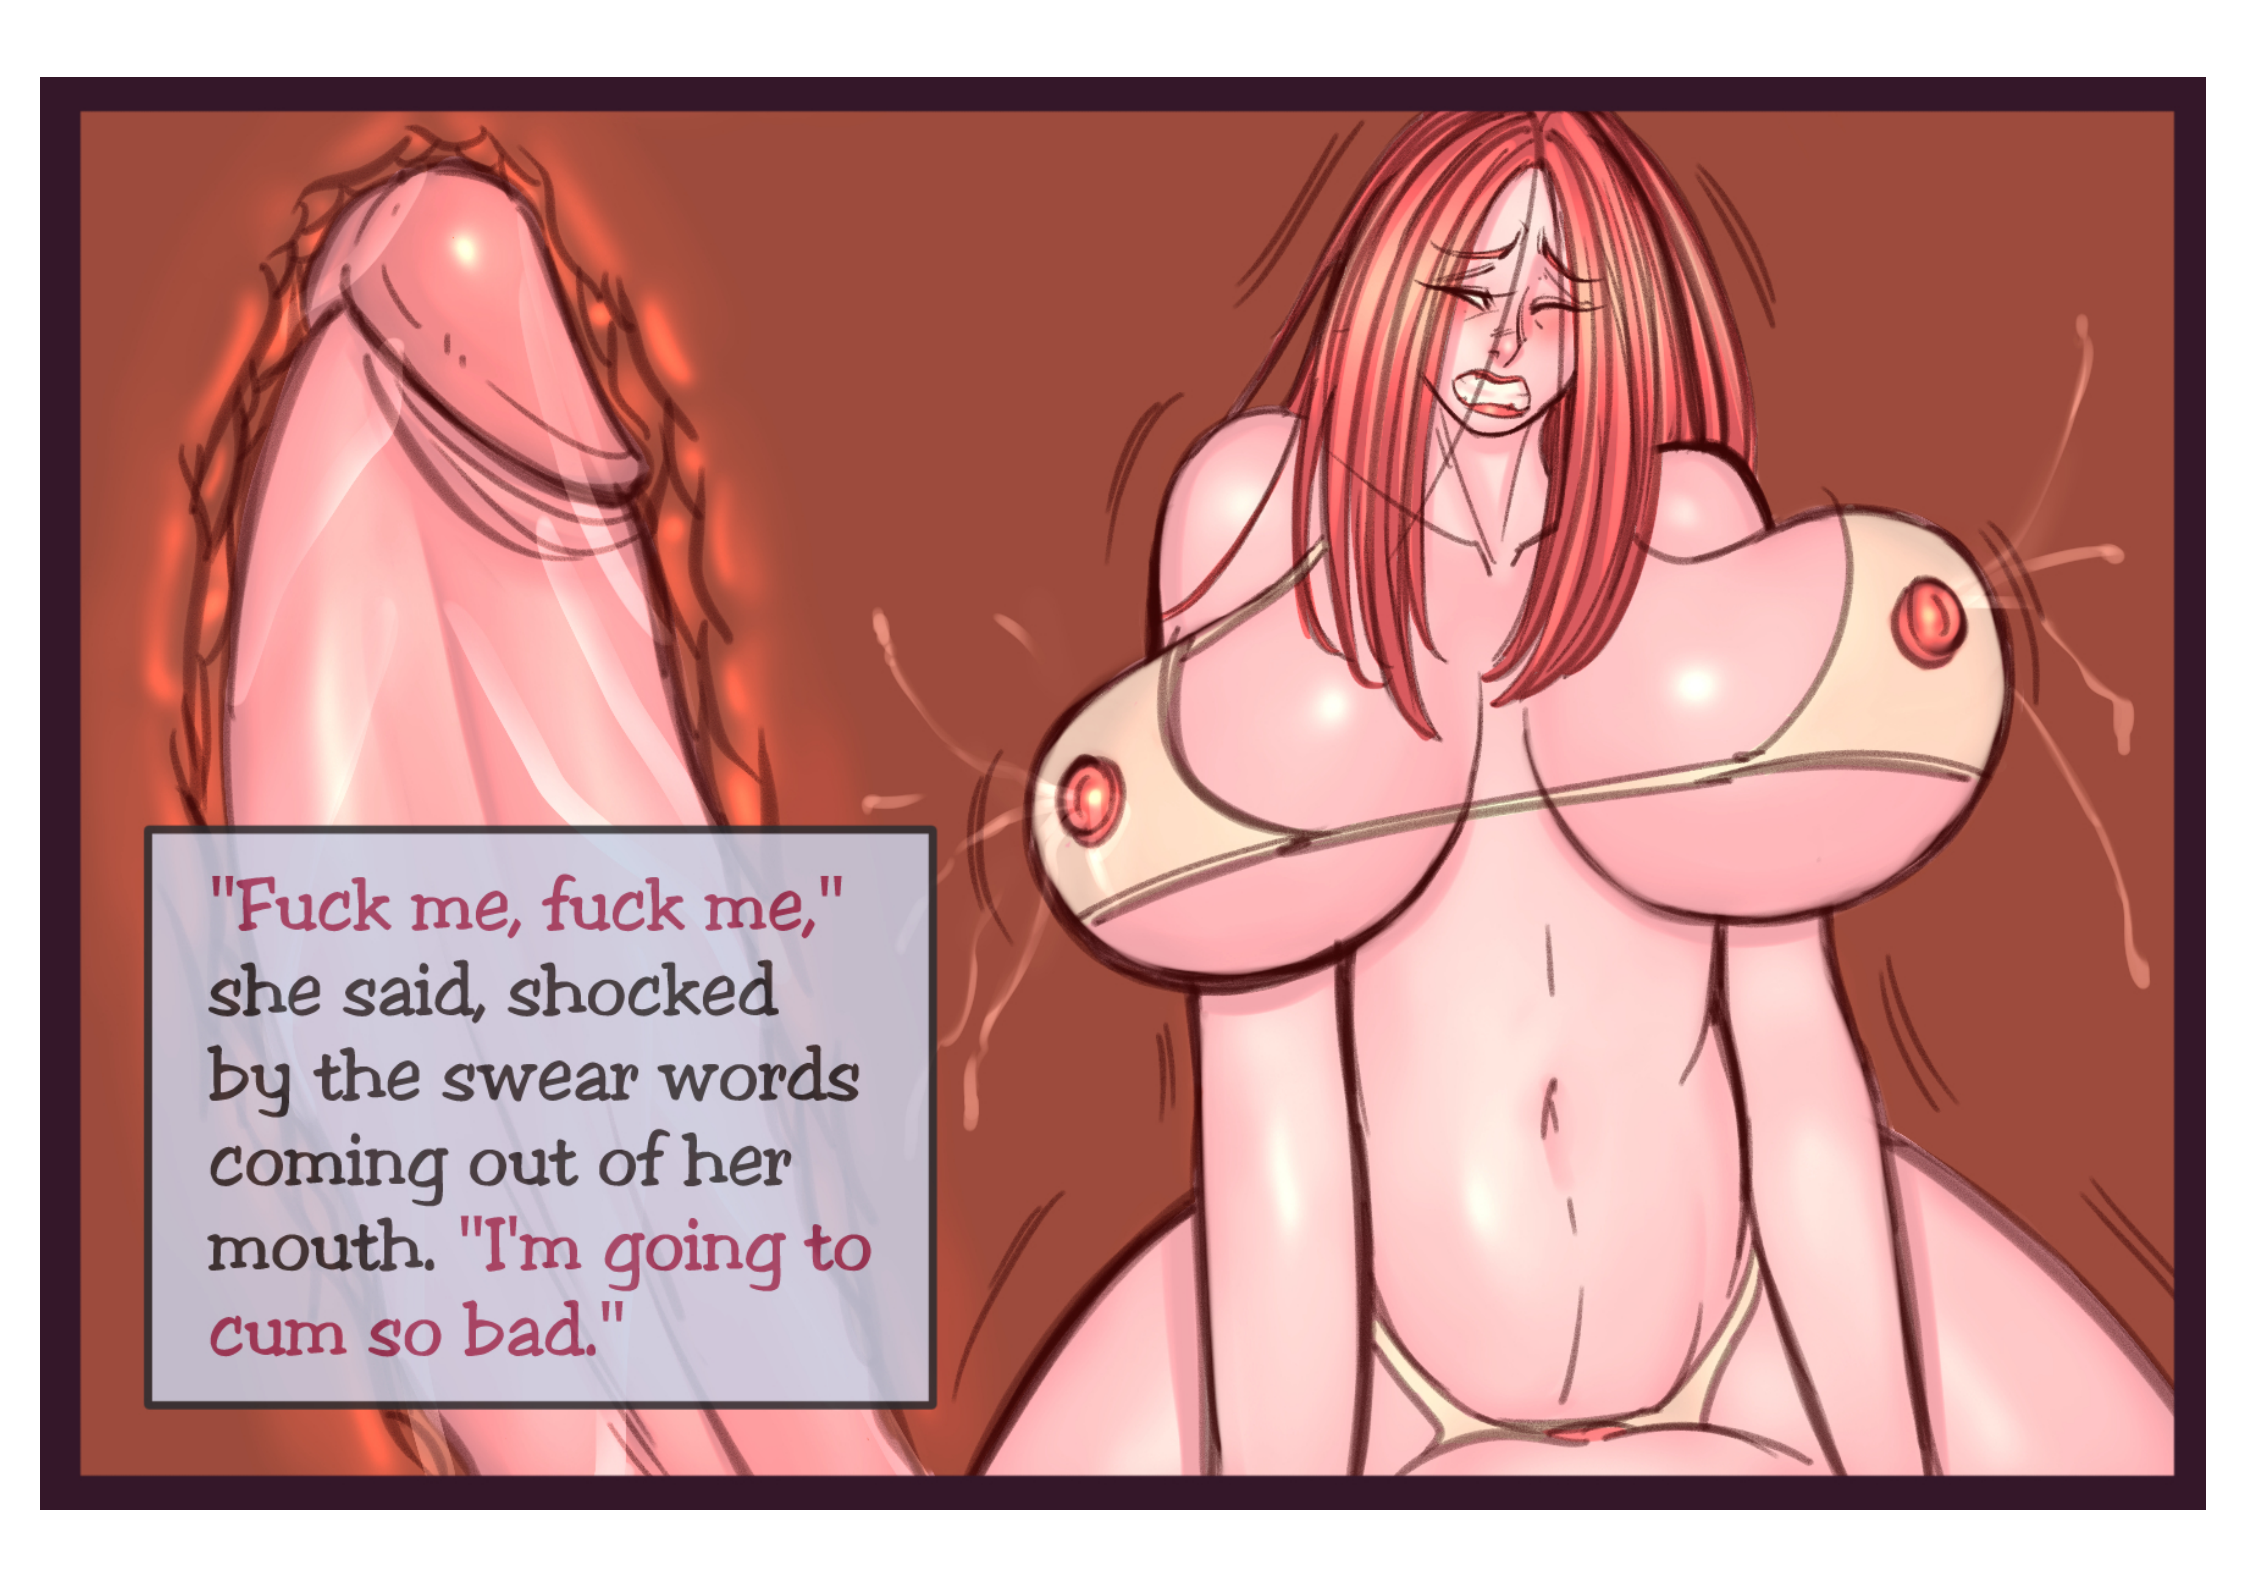

This was how she could keep her son sane during a serious lockdown.

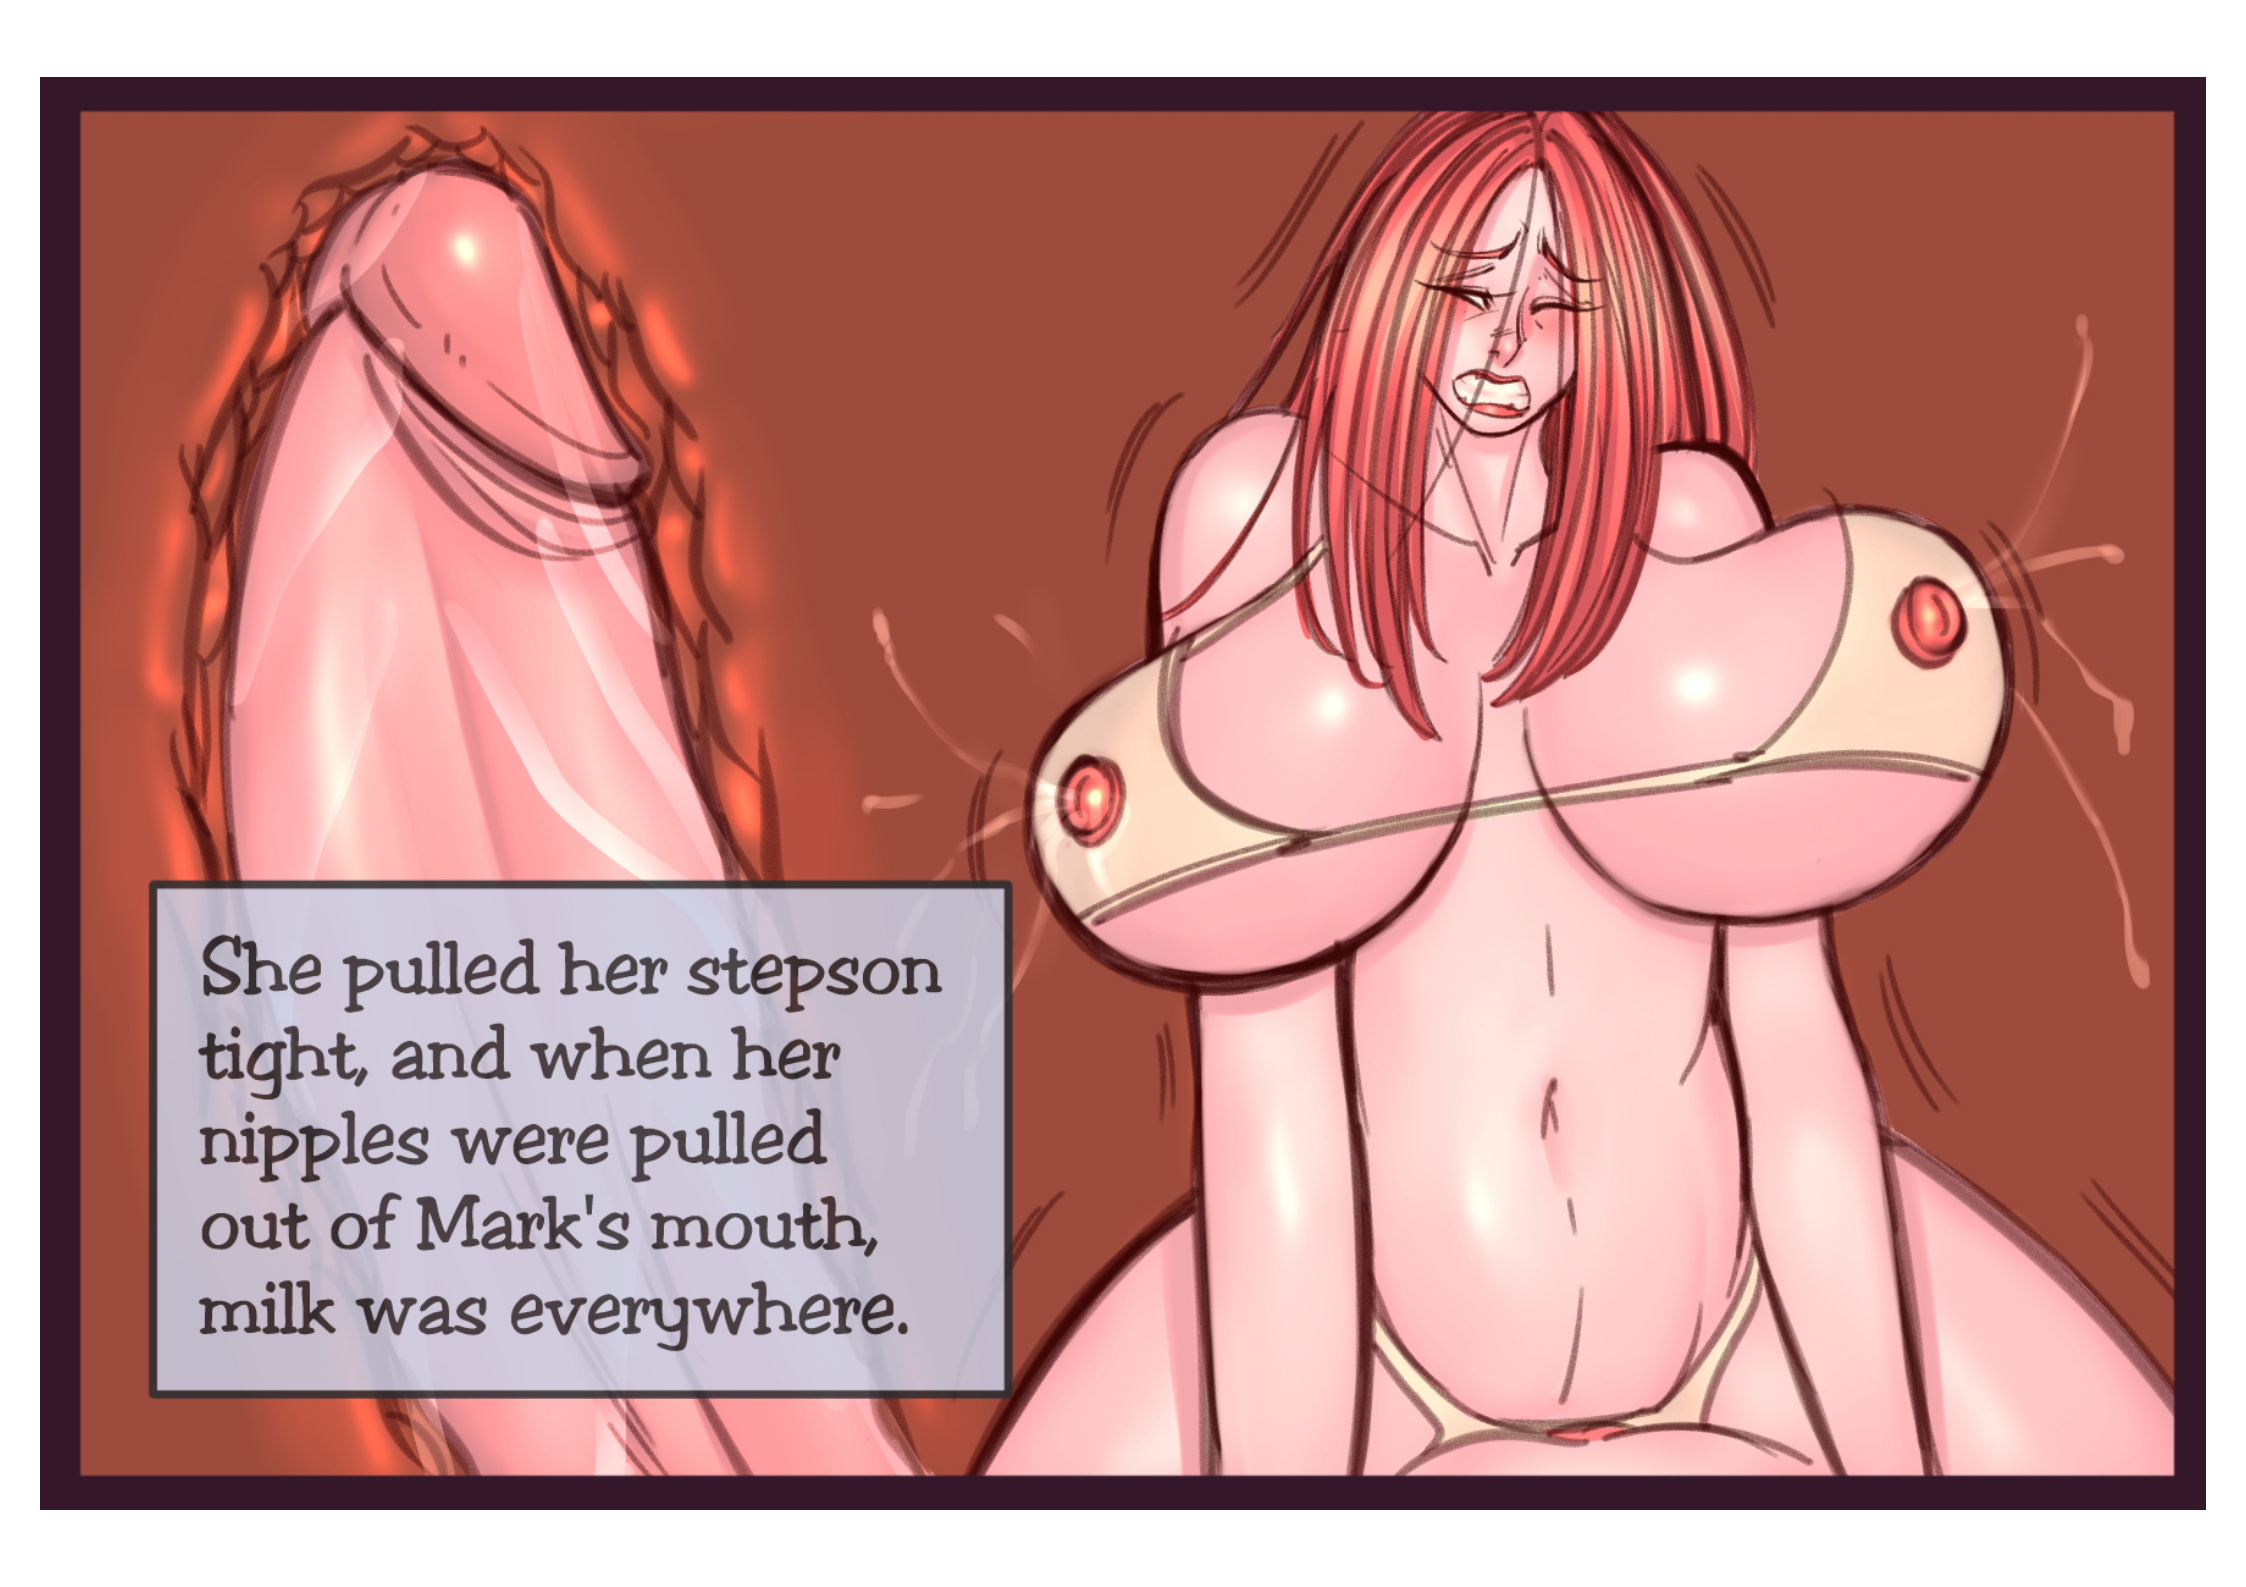

This was how she
could turn her son
into a real man.

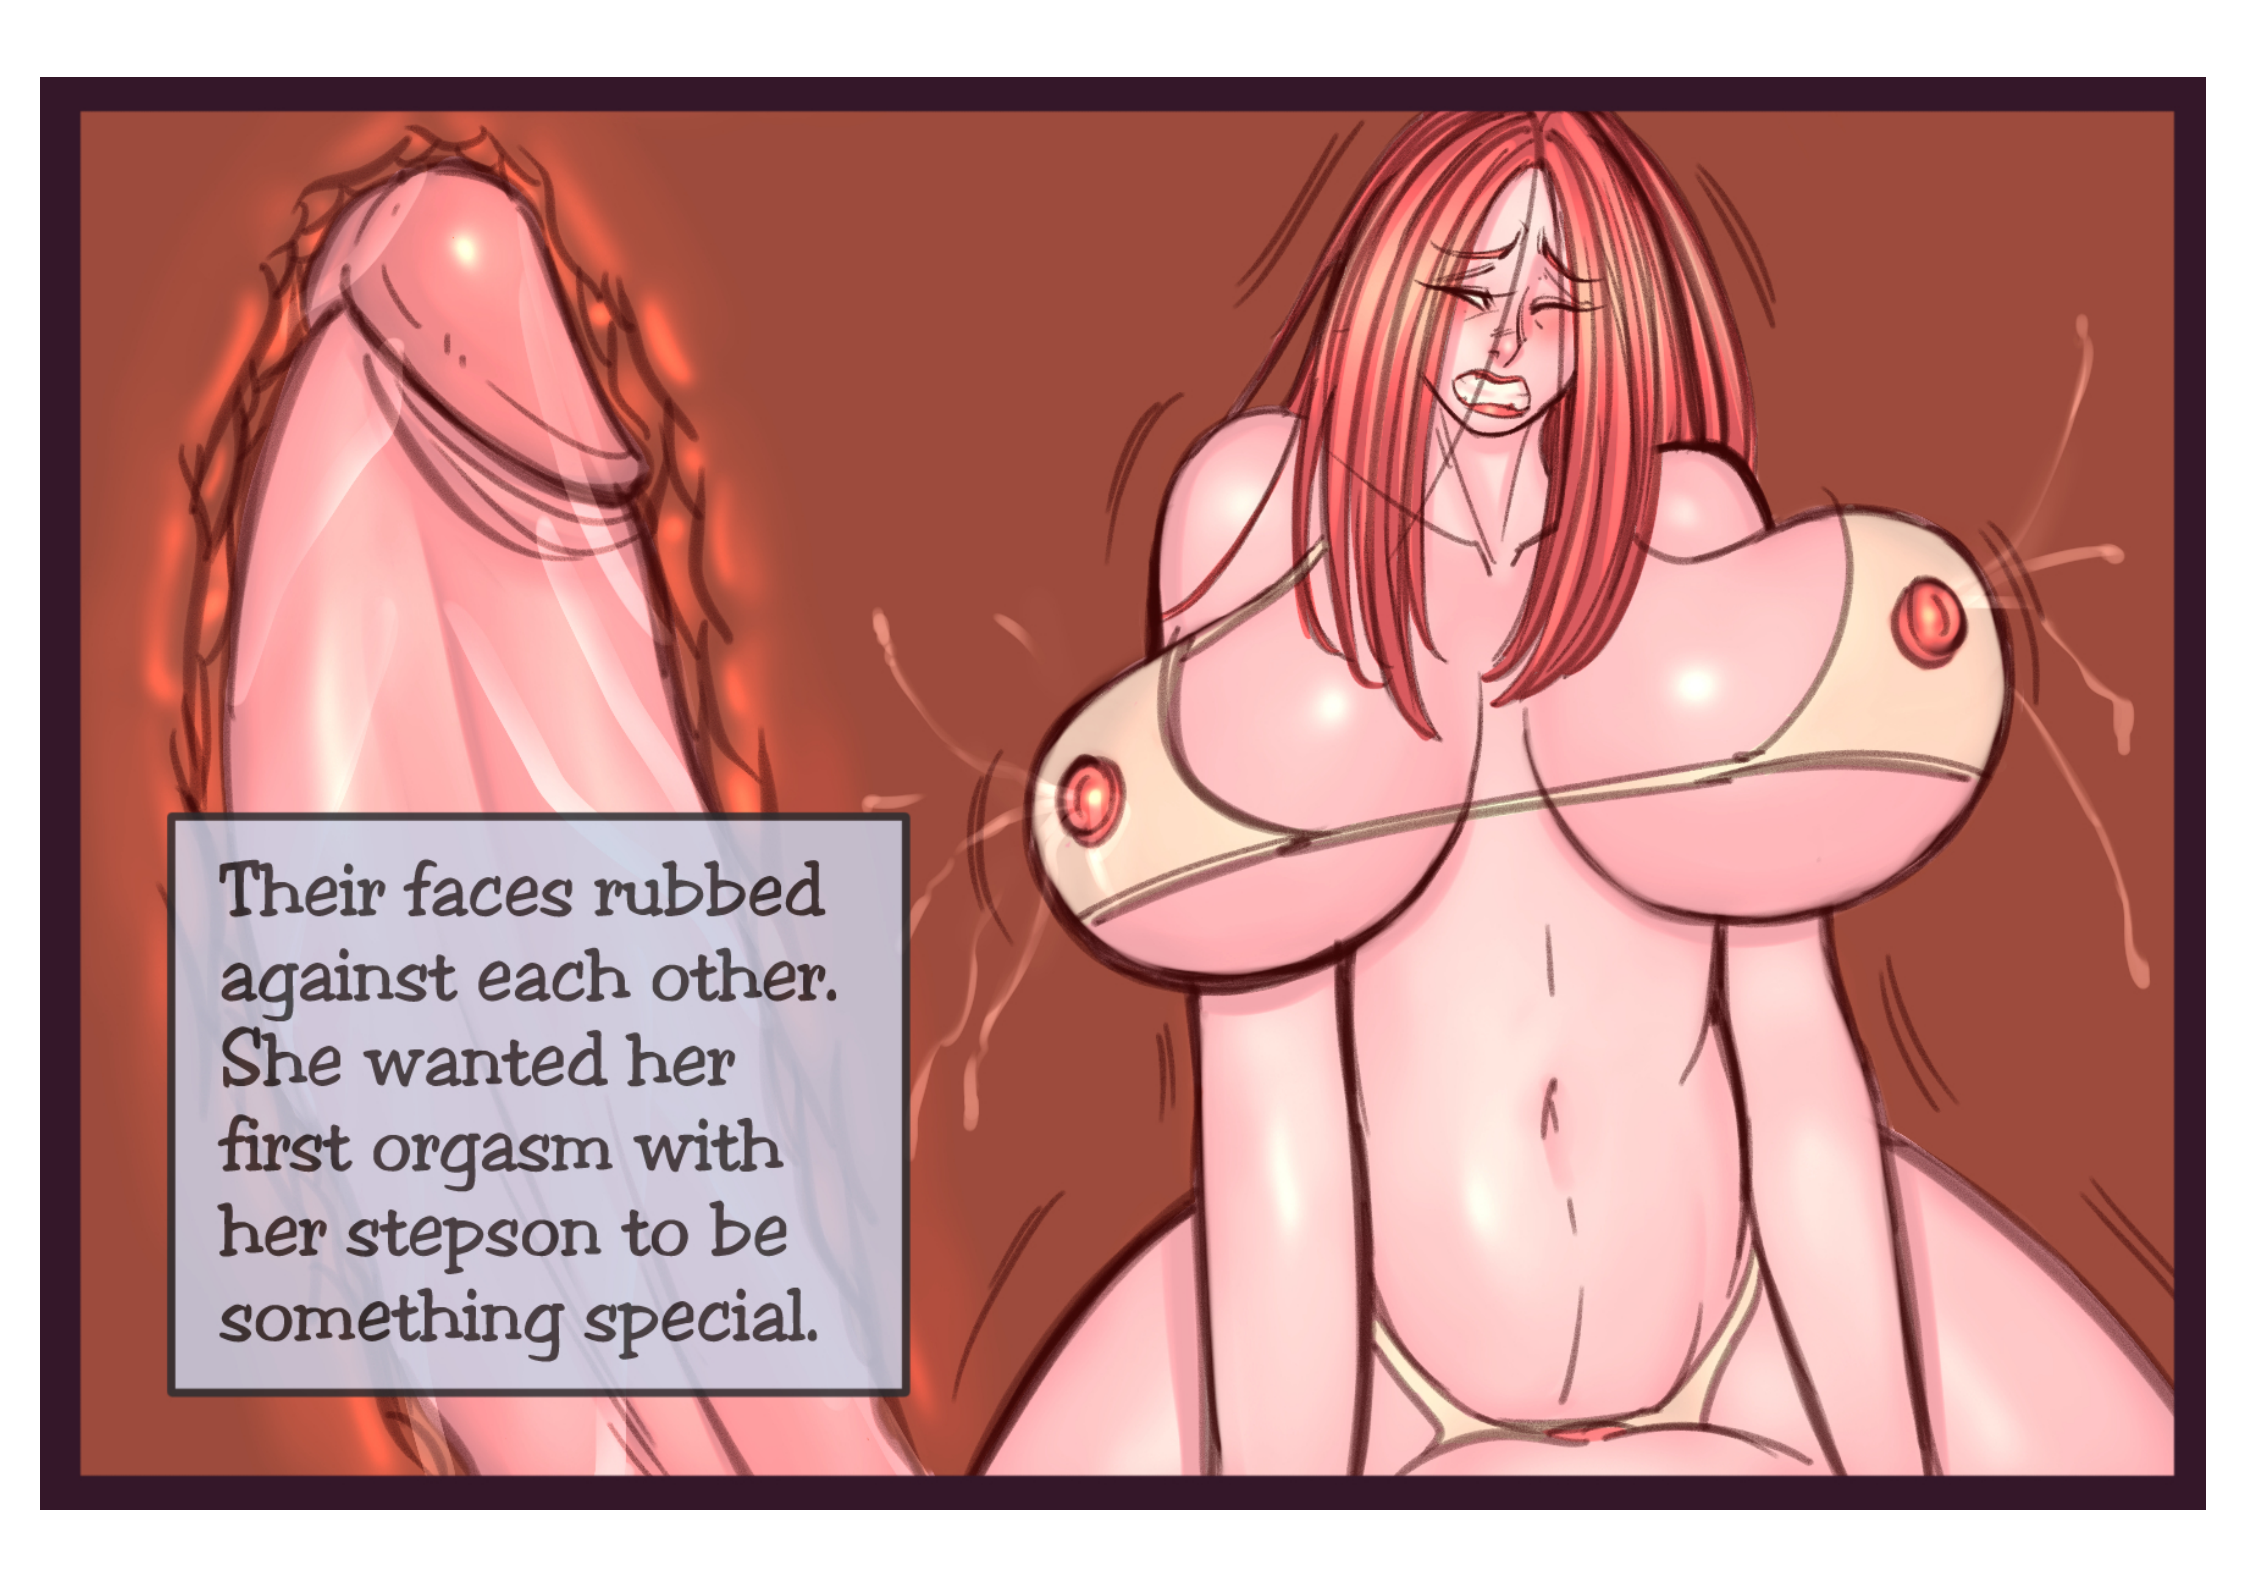

She pushed her
hips faster and
faster.

"Fuck me, fuck me," she said, shocked by the swear words coming out of her mouth. "I'm going to cum so bad."

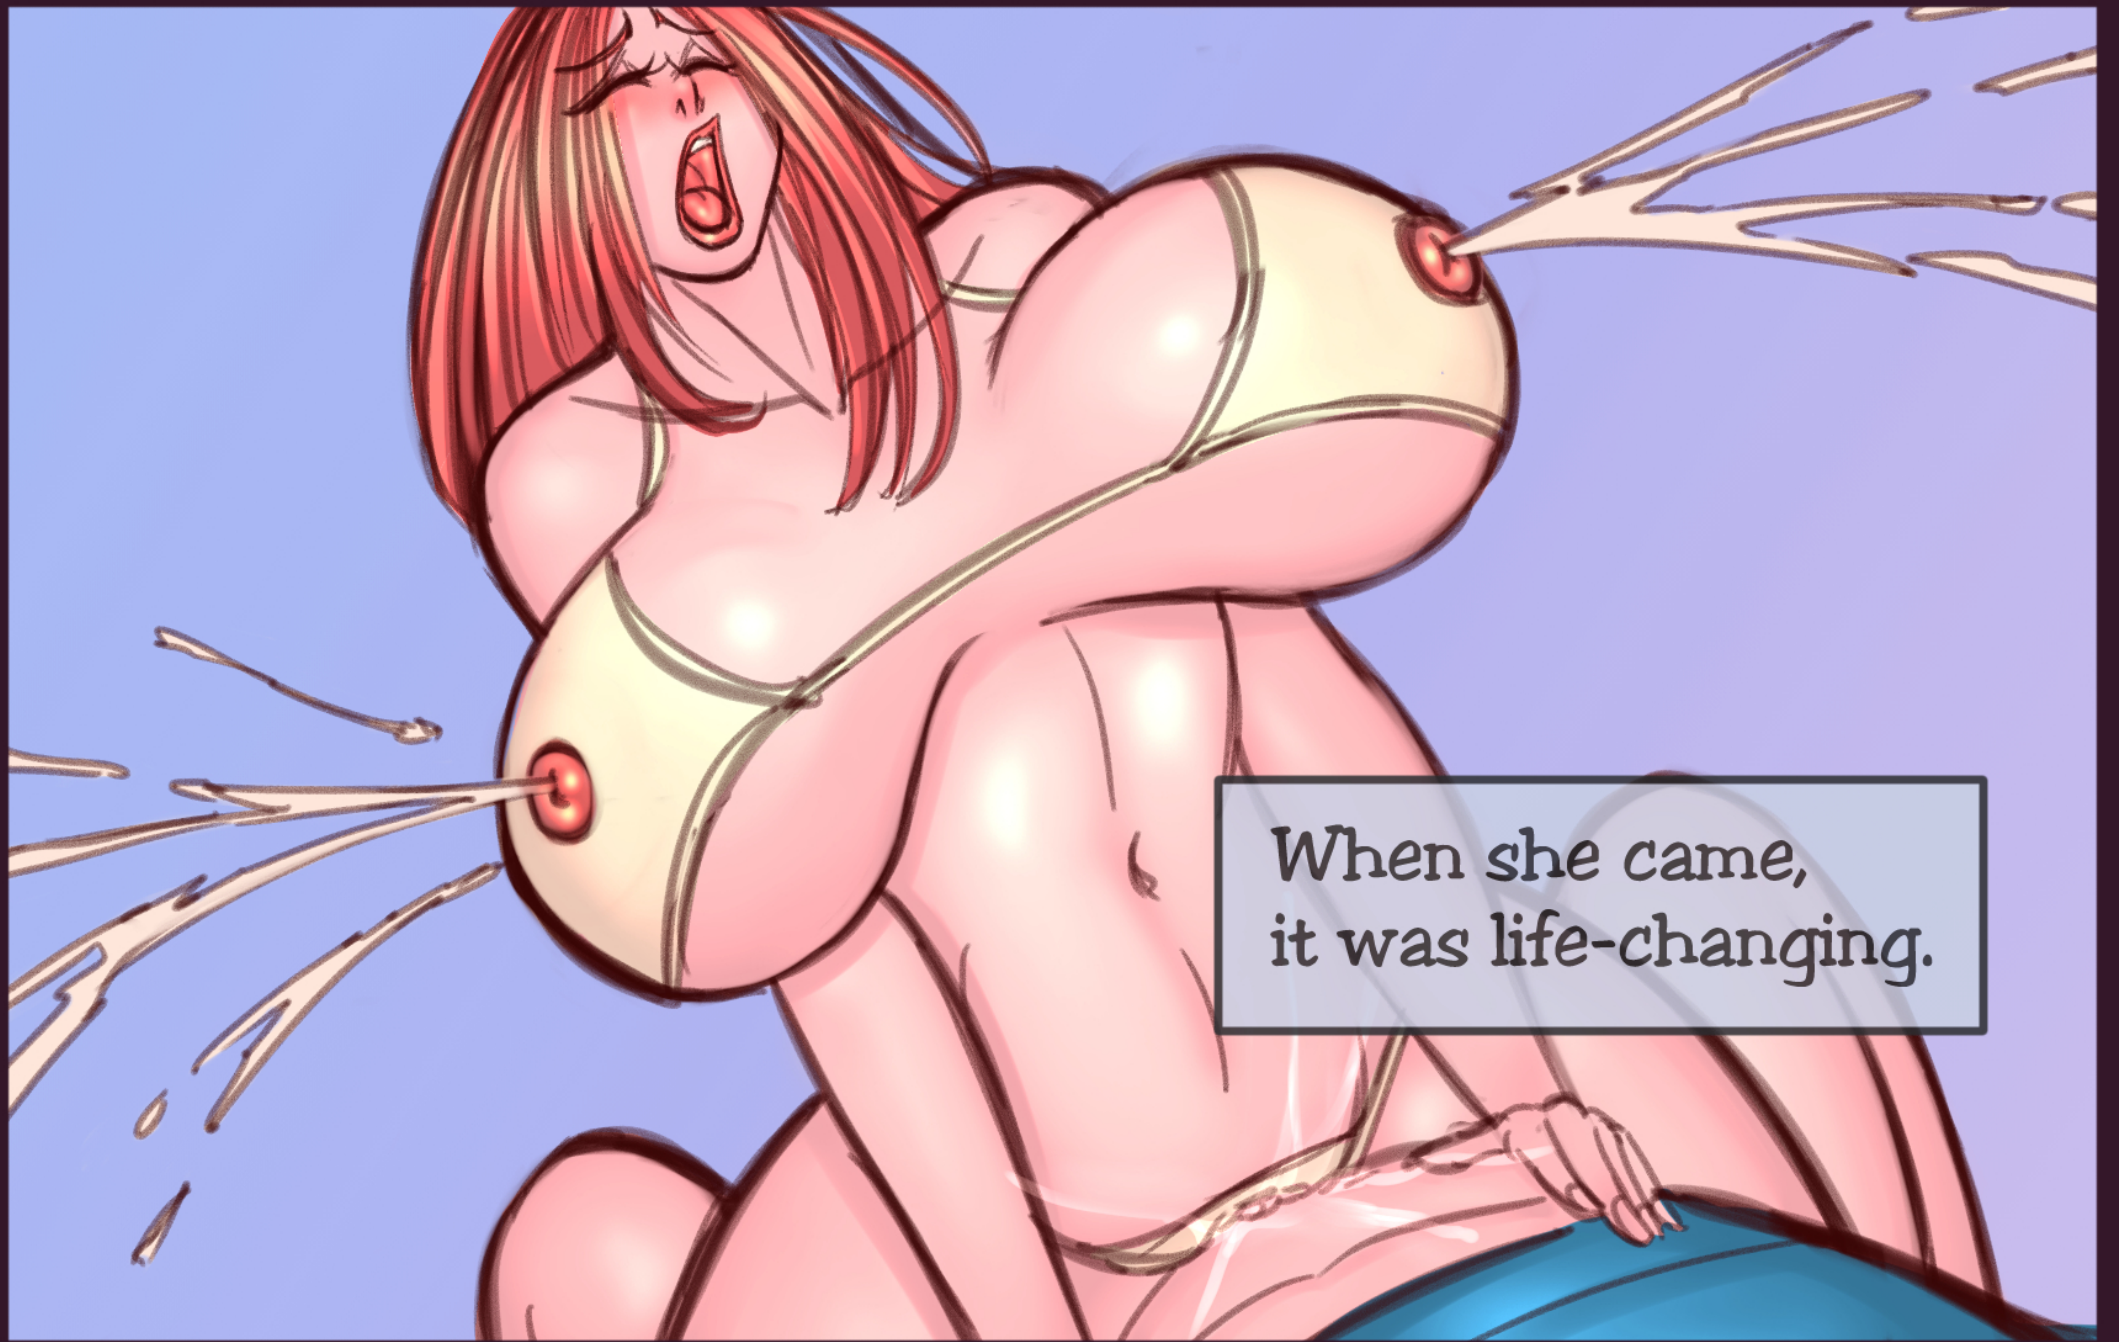

She pulled her stepson tight, and when her nipples were pulled out of Mark's mouth, milk was everywhere.

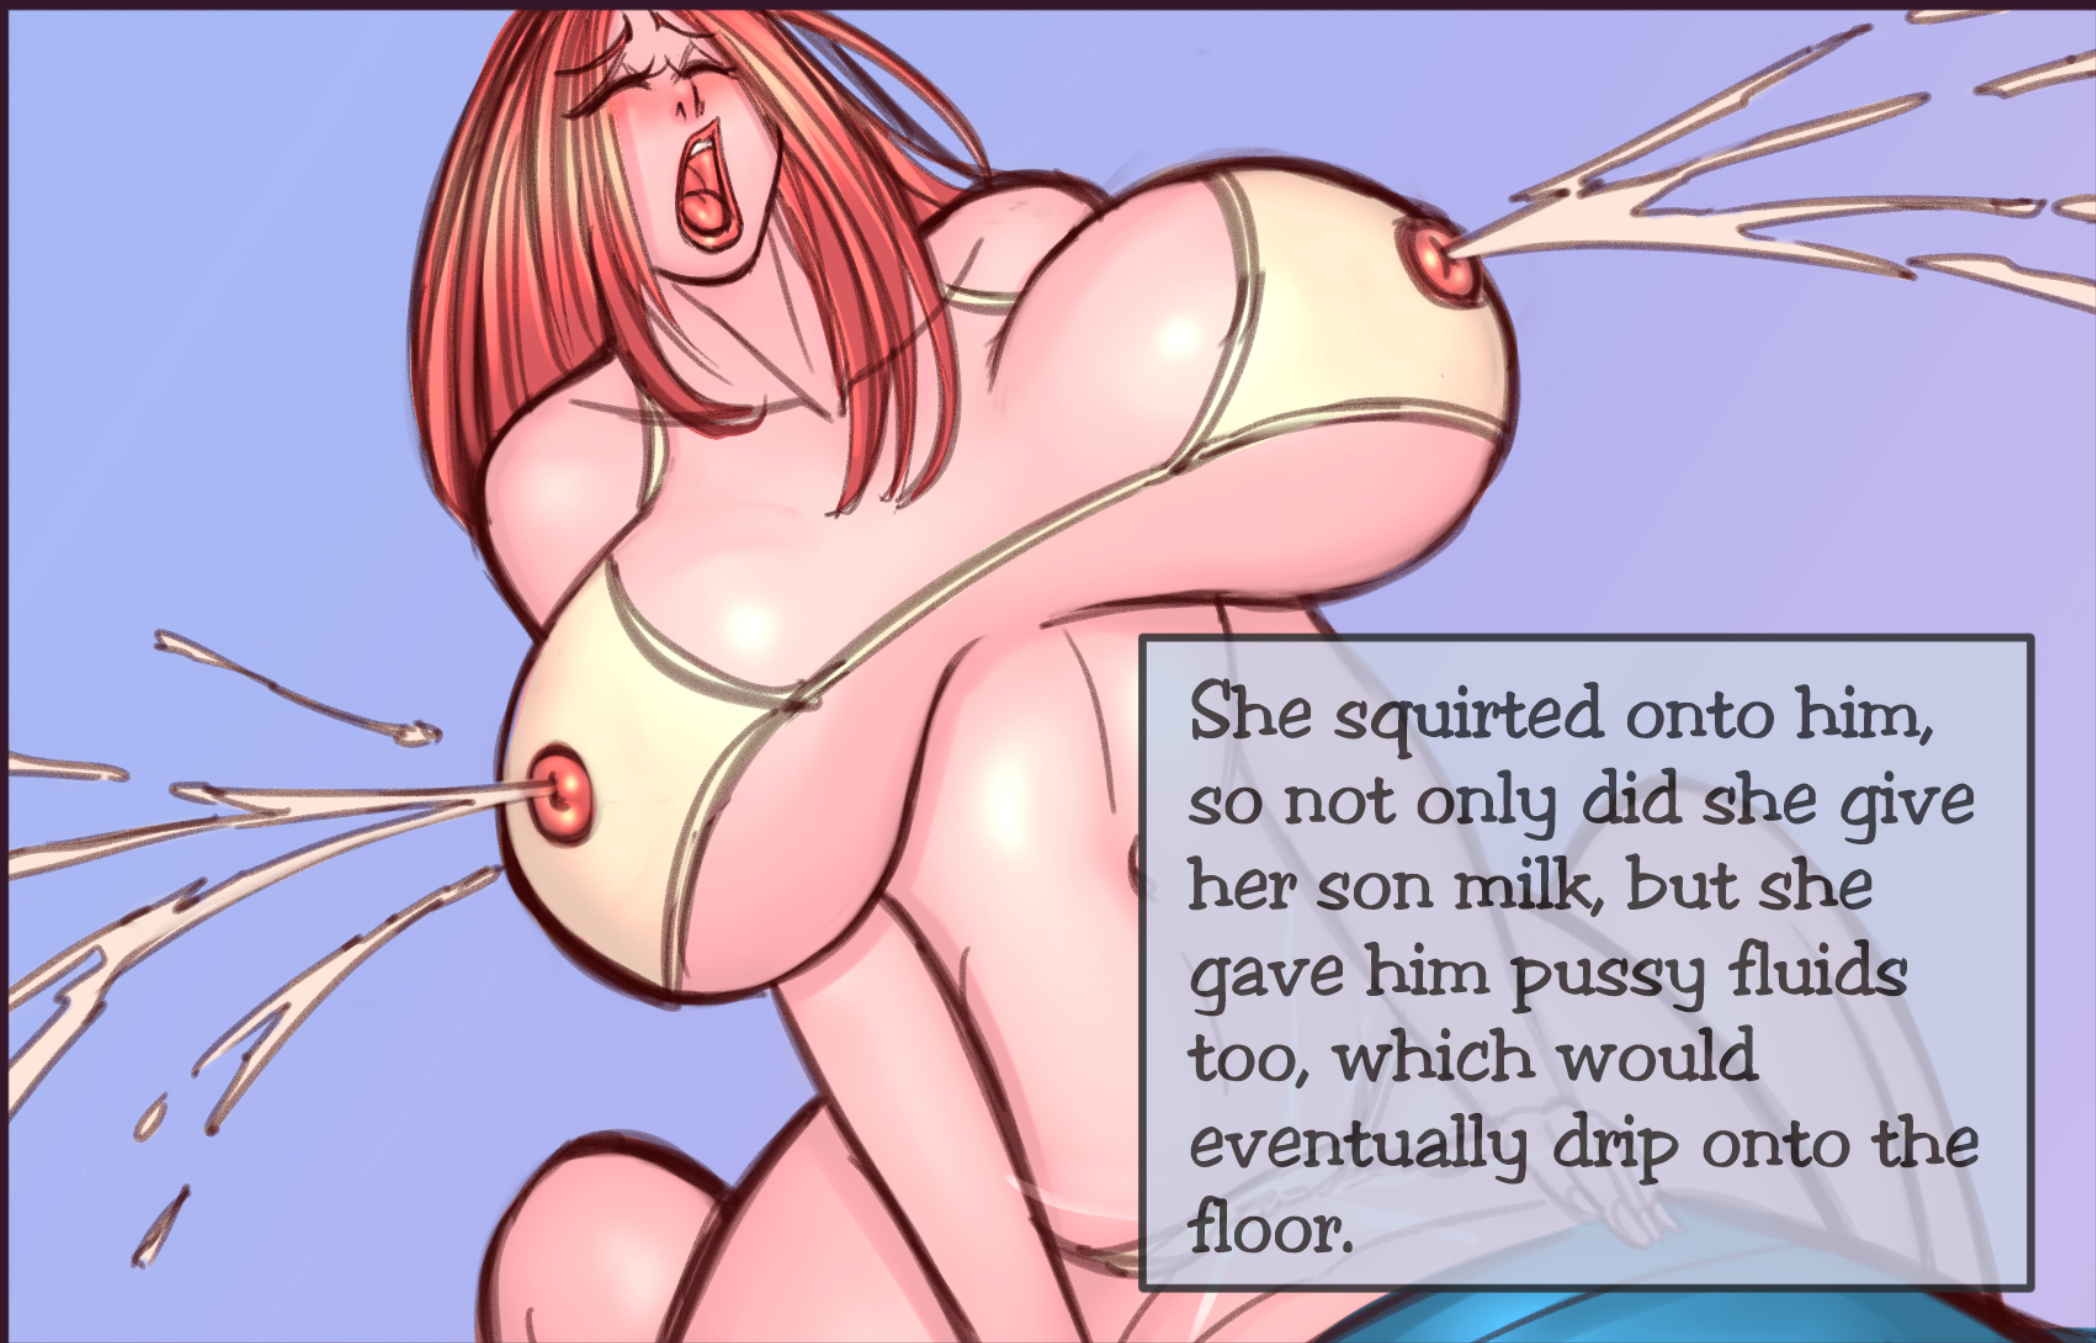

Their faces rubbed against each other. She wanted her first orgasm with her stepson to be something special.

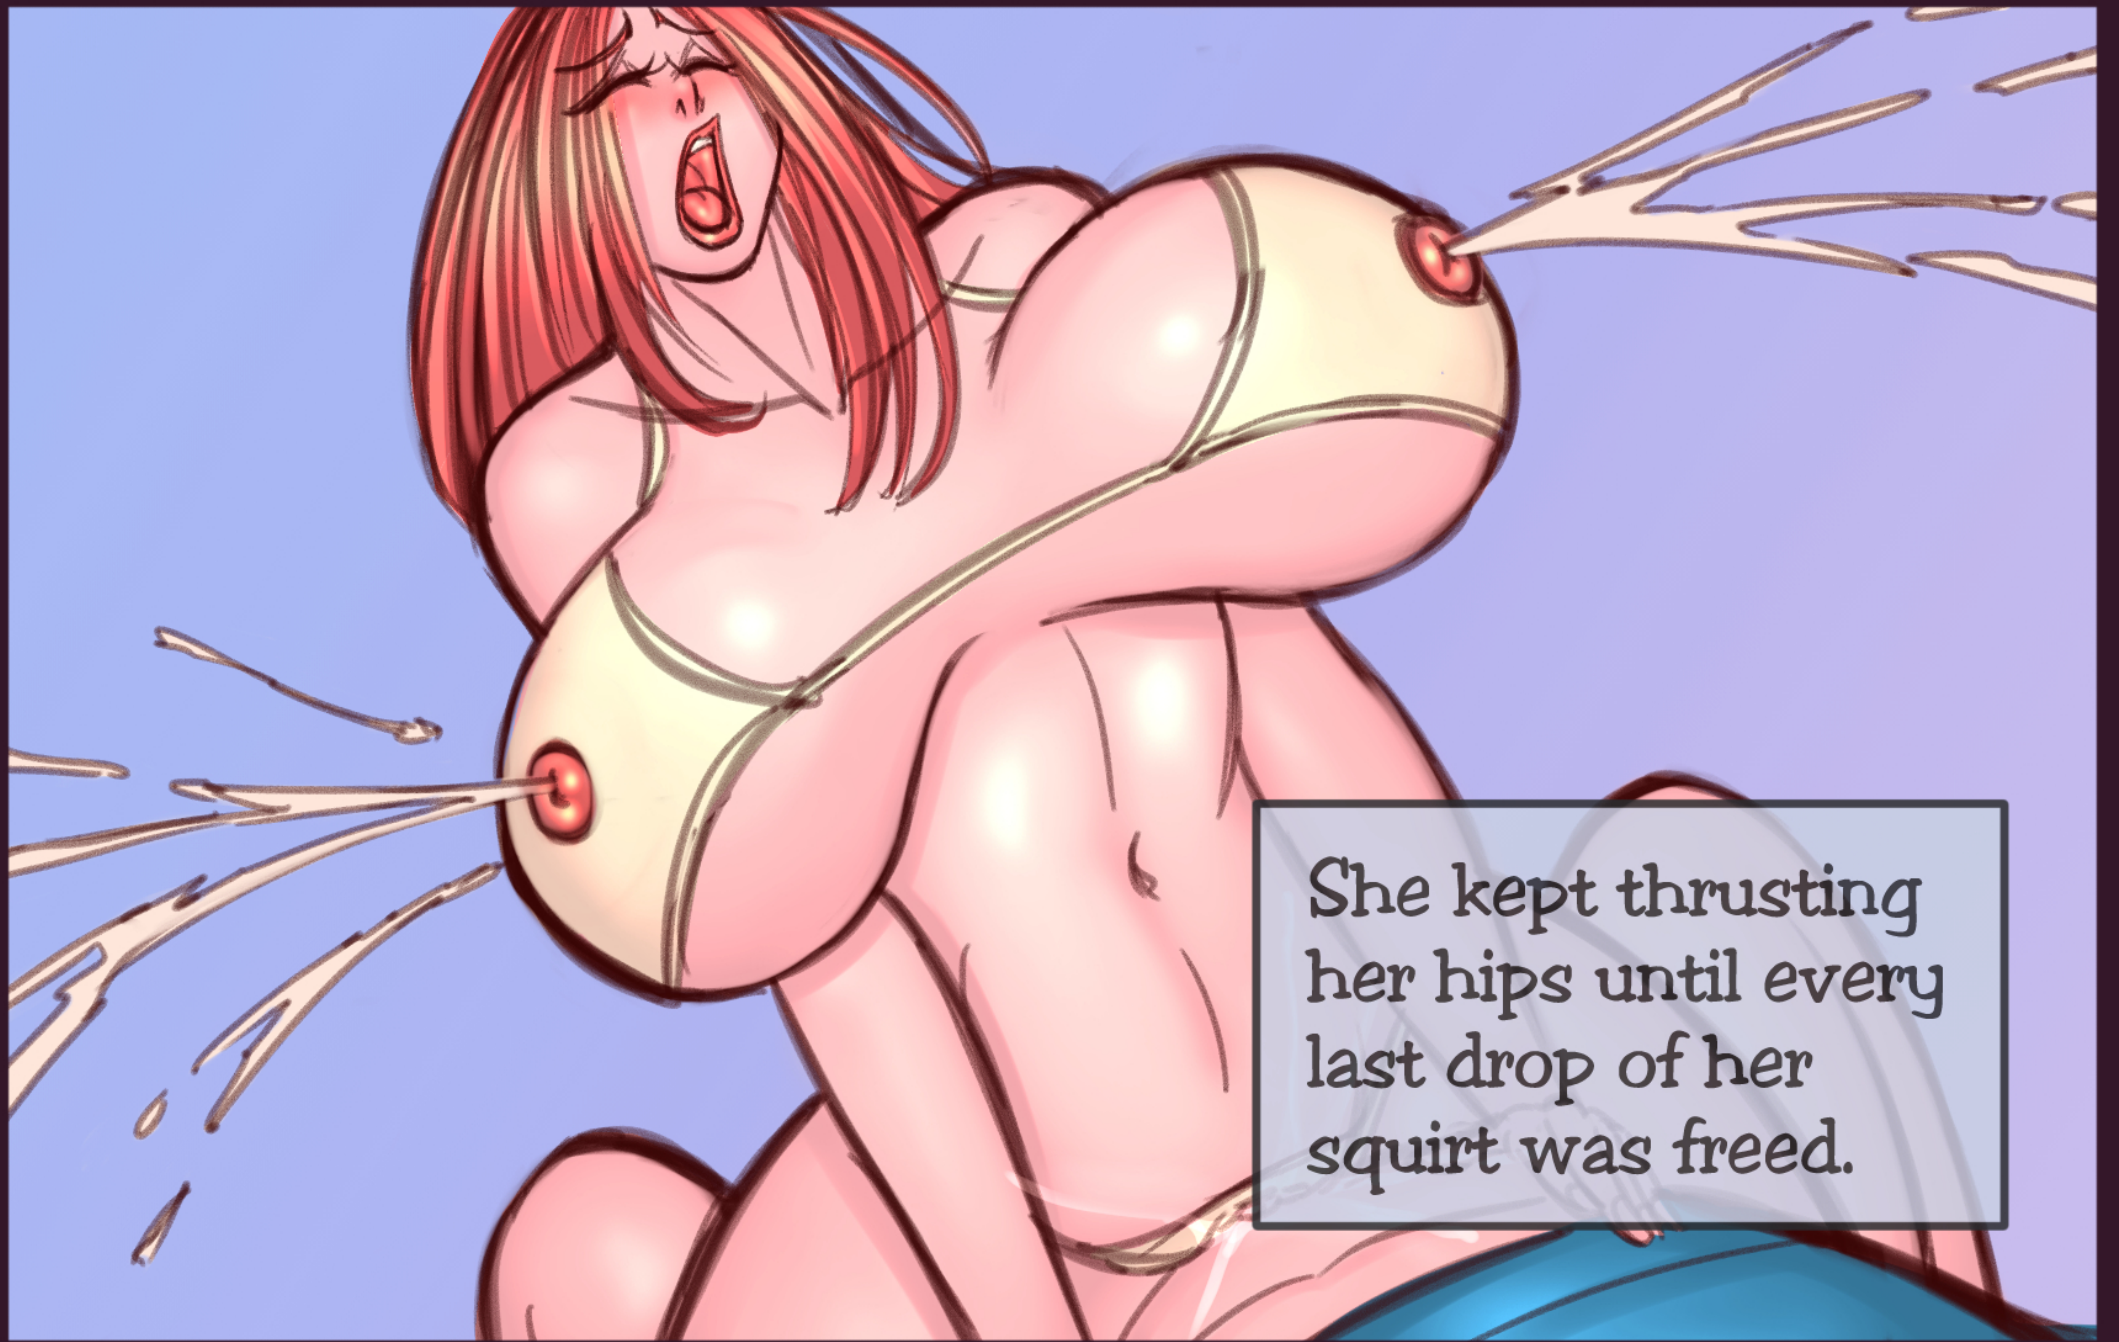

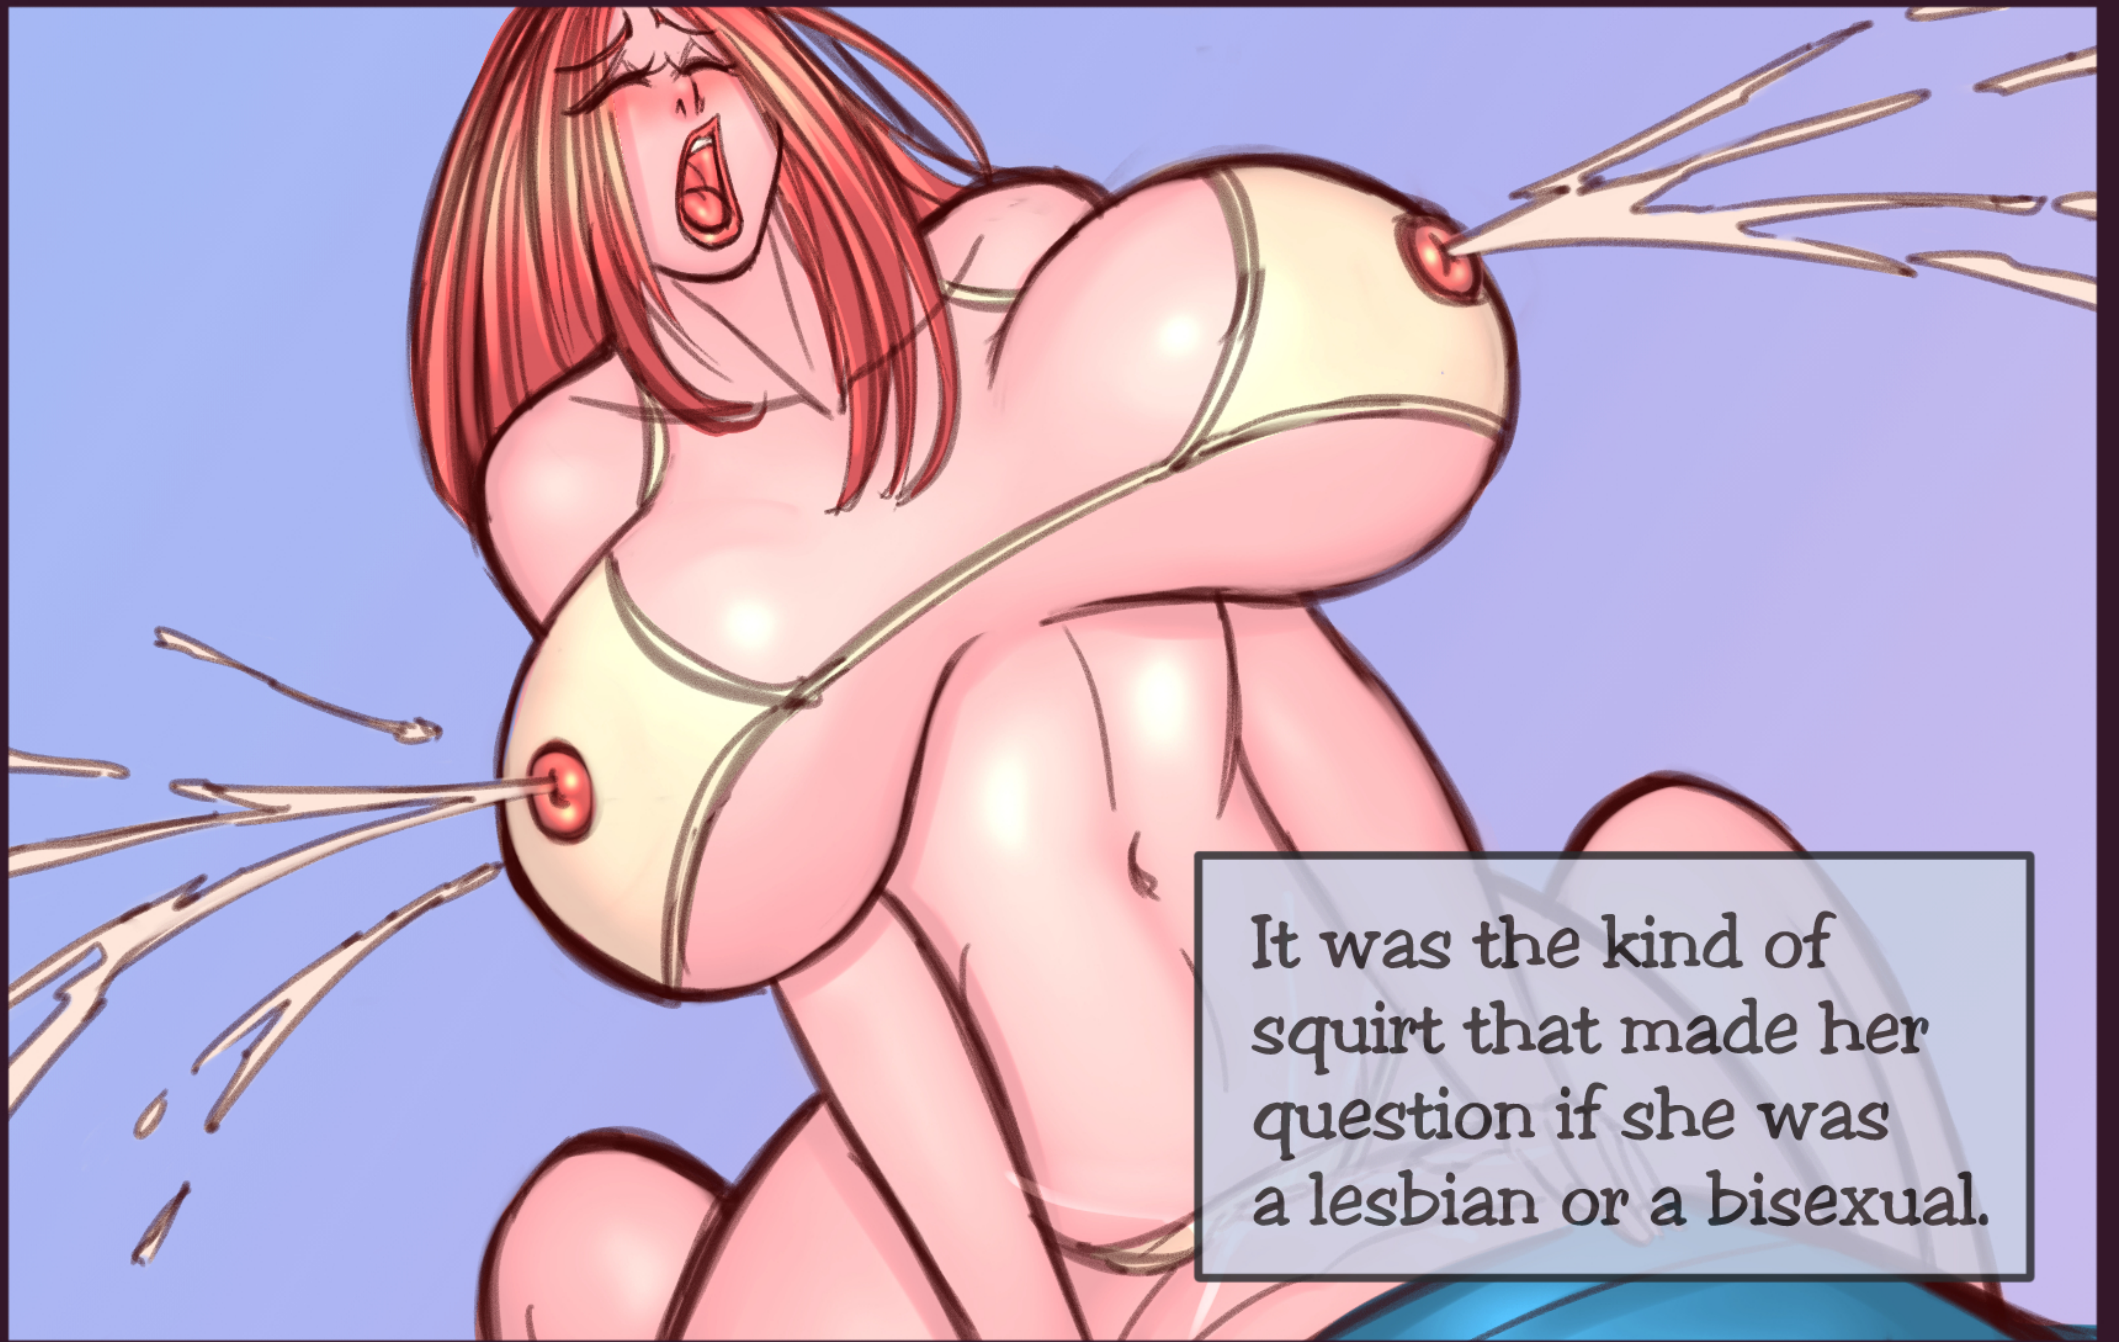

When she came,
it was life-changing.

She squirted onto him, so not only did she give her son milk, but she gave him pussy fluids too, which would eventually drip onto the floor.

She kept thrusting her hips until every last drop of her squirt was freed.

It was the kind of
squirt that made her
question if she was
a lesbian or a bisexual.

"I'm going to cum too," Mark whispered in her ear, as if it were some kind of dirty secret.

"Please do."
