# CHAPTER 12

"I'm going to  
cum!!!"

Her pussy was  
flooded with cum.

By then, her energy was already drained, but she managed to give a few more thrusts to give her son something he truly deserved.

She wanted to let Mark know how special their love and bond were.

When she felt her son's erection start to turn soft, she knew she had done her solemn duty as a mother.

And she knew her pussy was loaded with potent sperm. She pressed her face tightly against his.

"Exactly as I  
thought,"  
Judith said  
with a  
mischievous  
one.

"You two were meant for each other. I know sexual compatibility when I see it."

"And honestly,  
I've long had  
a fetish to see  
an incestuous  
coupling. This  
is the start of  
something  
new."

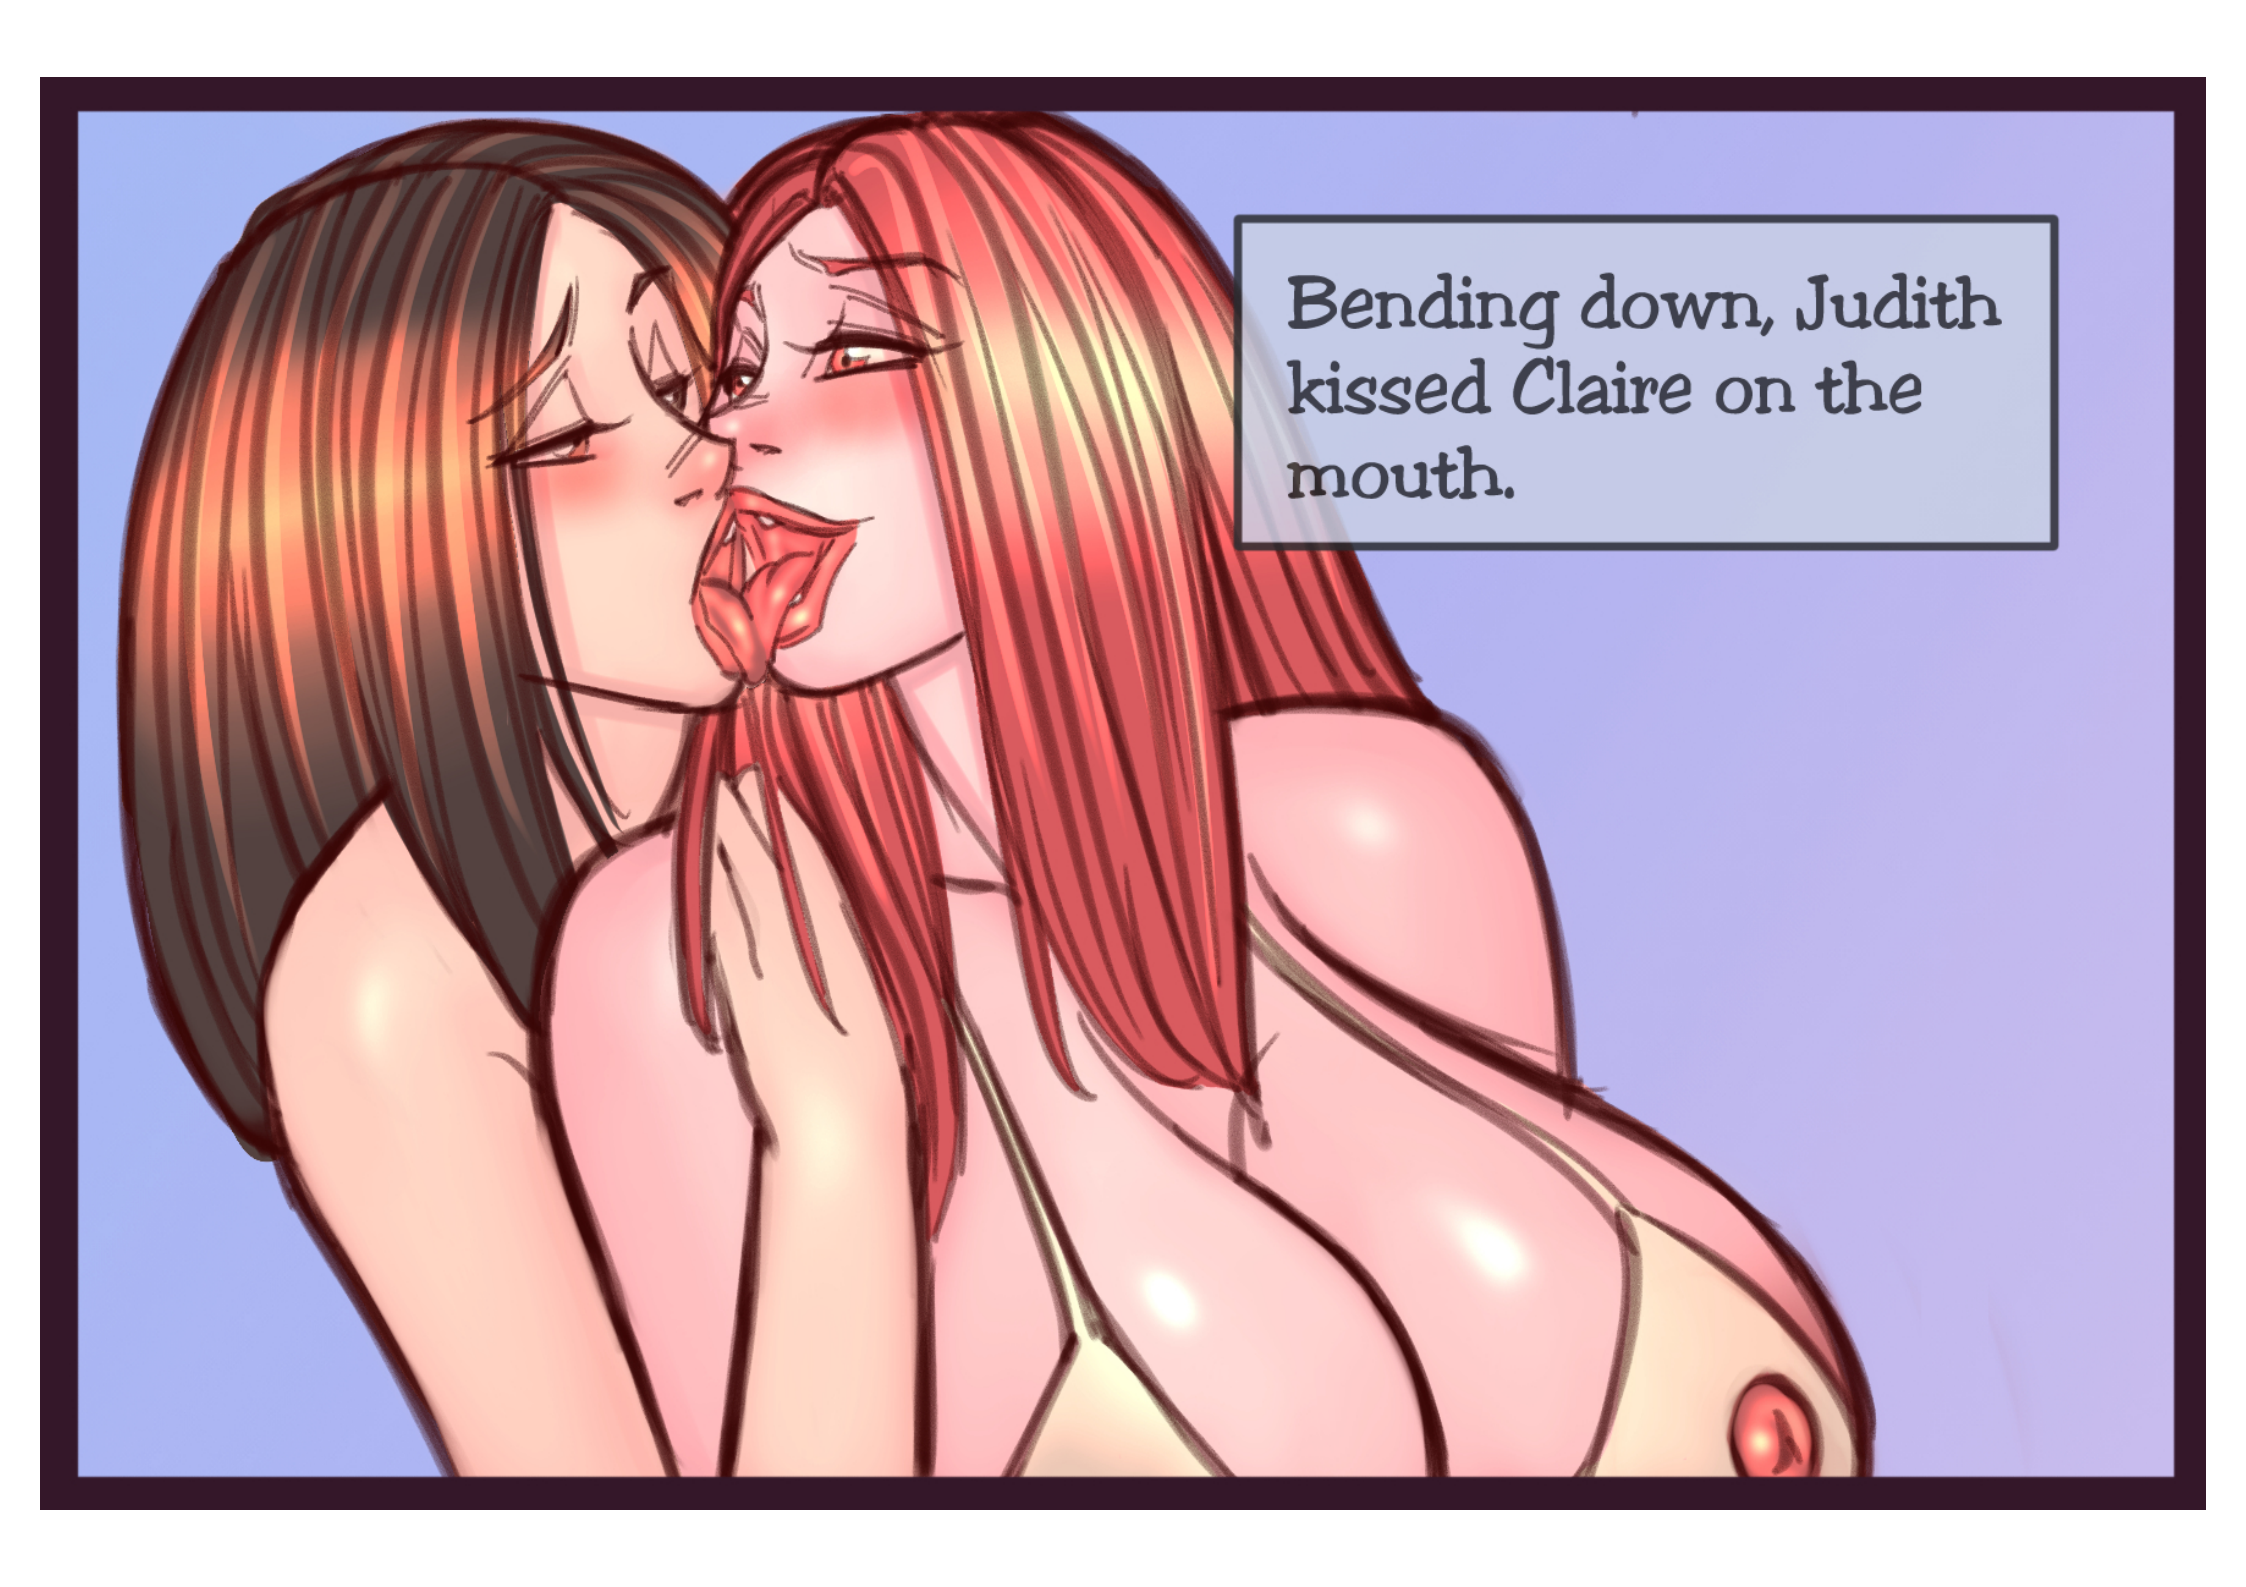

Claire struggled  
for words.

"I love you both  
so much. Both  
of you are my  
world."

"Likewise, my  
love."

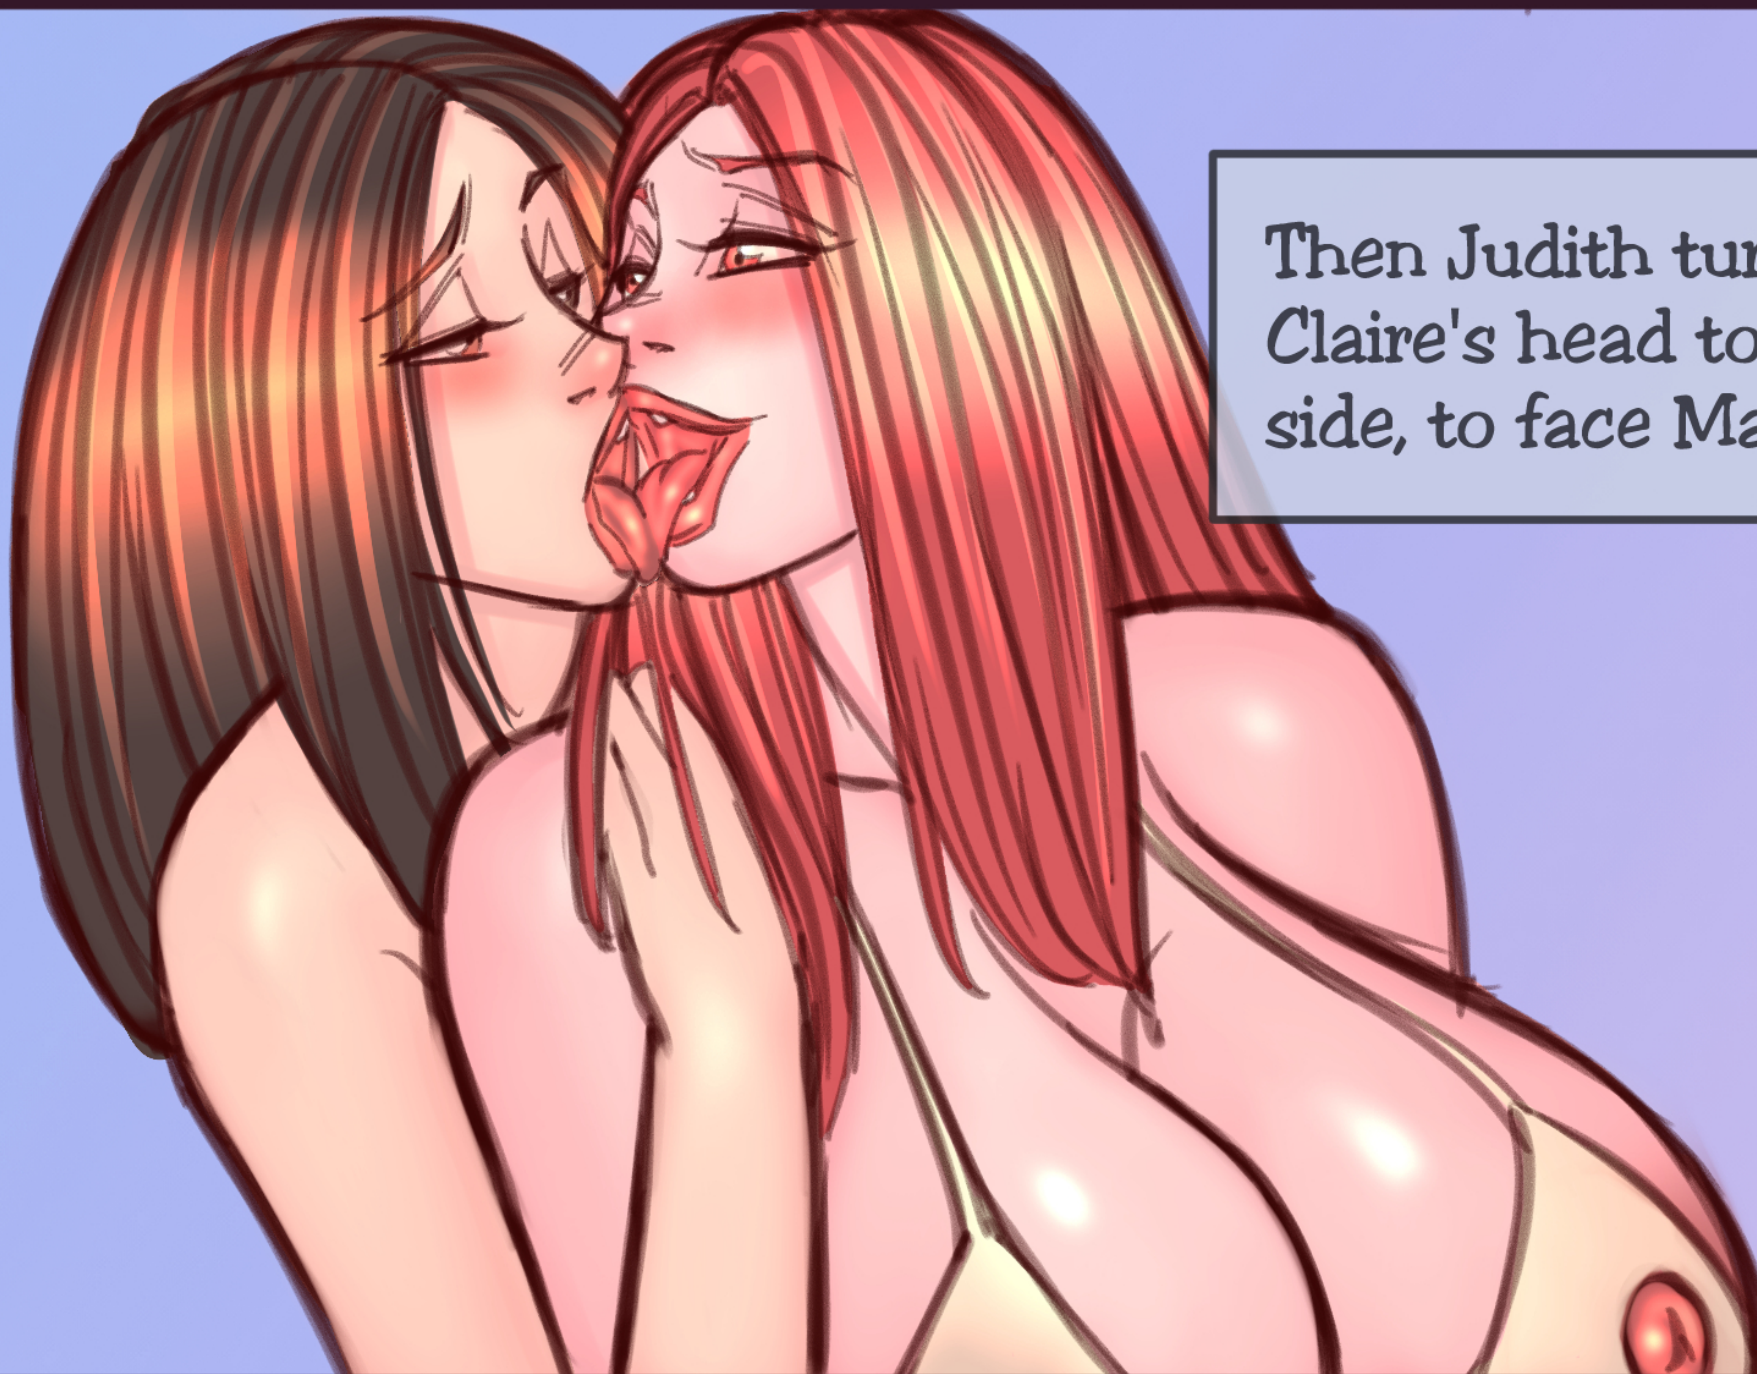

Bending down, Judith  
kissed Claire on the  
mouth.

A digital illustration of two women in a close embrace, kissing. The woman on the left has long, straight, dark brown hair and is wearing a dark, strapless top. The woman on the right has long, straight, reddish-brown hair and is wearing a light-colored, strapless top. They are both looking towards each other with soft expressions. The background is a light blue gradient. A speech bubble is positioned to the right of the women.

It was a wet tongue  
kiss, the kind they'd  
only share in private,  
behind closed doors.

Then Judith turned Claire's head to the side, to face Mark.

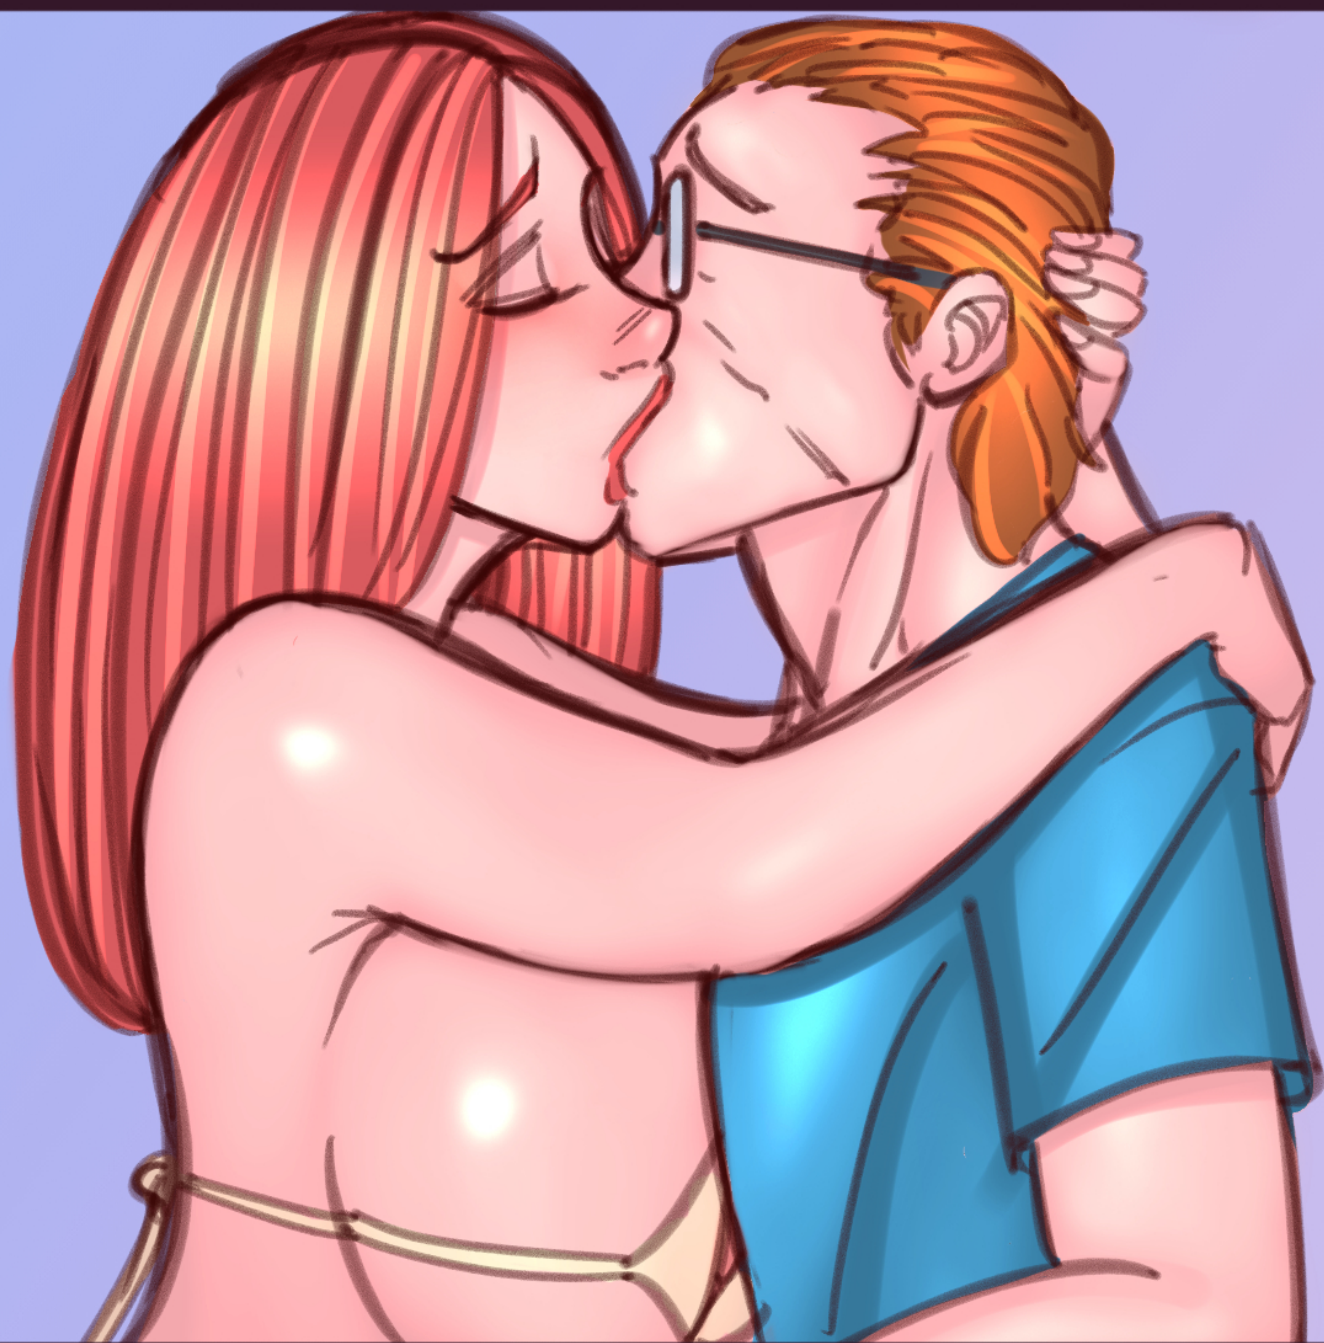

Now, Claire's lips were aligned with her son's. She could hear a small voice in the back of her mind:

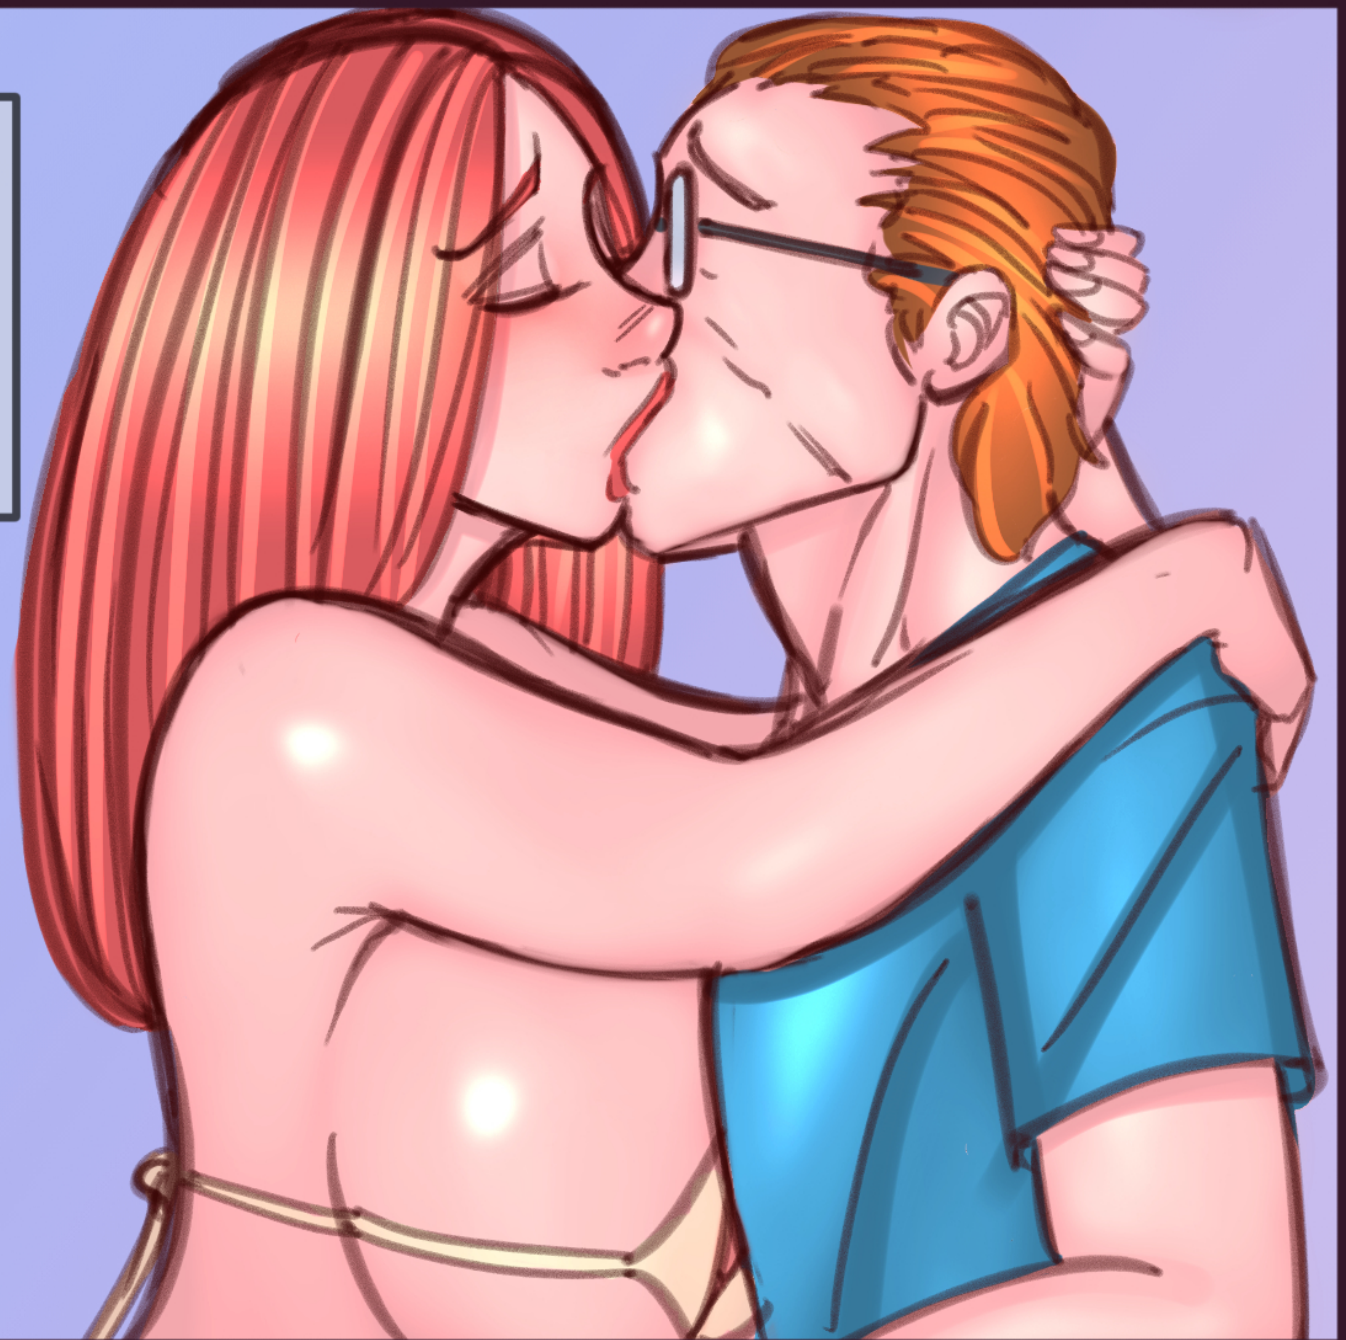

A comic book panel showing two women in a close embrace, kissing. The woman on the left has long, straight brown hair and is wearing a dark top. The woman on the right has long, straight red hair and is wearing a light-colored, possibly yellow, top. They are both looking towards each other with soft expressions. The background is a simple light blue gradient.

*'Just kiss him already.  
The poor guy deserves  
this.'*

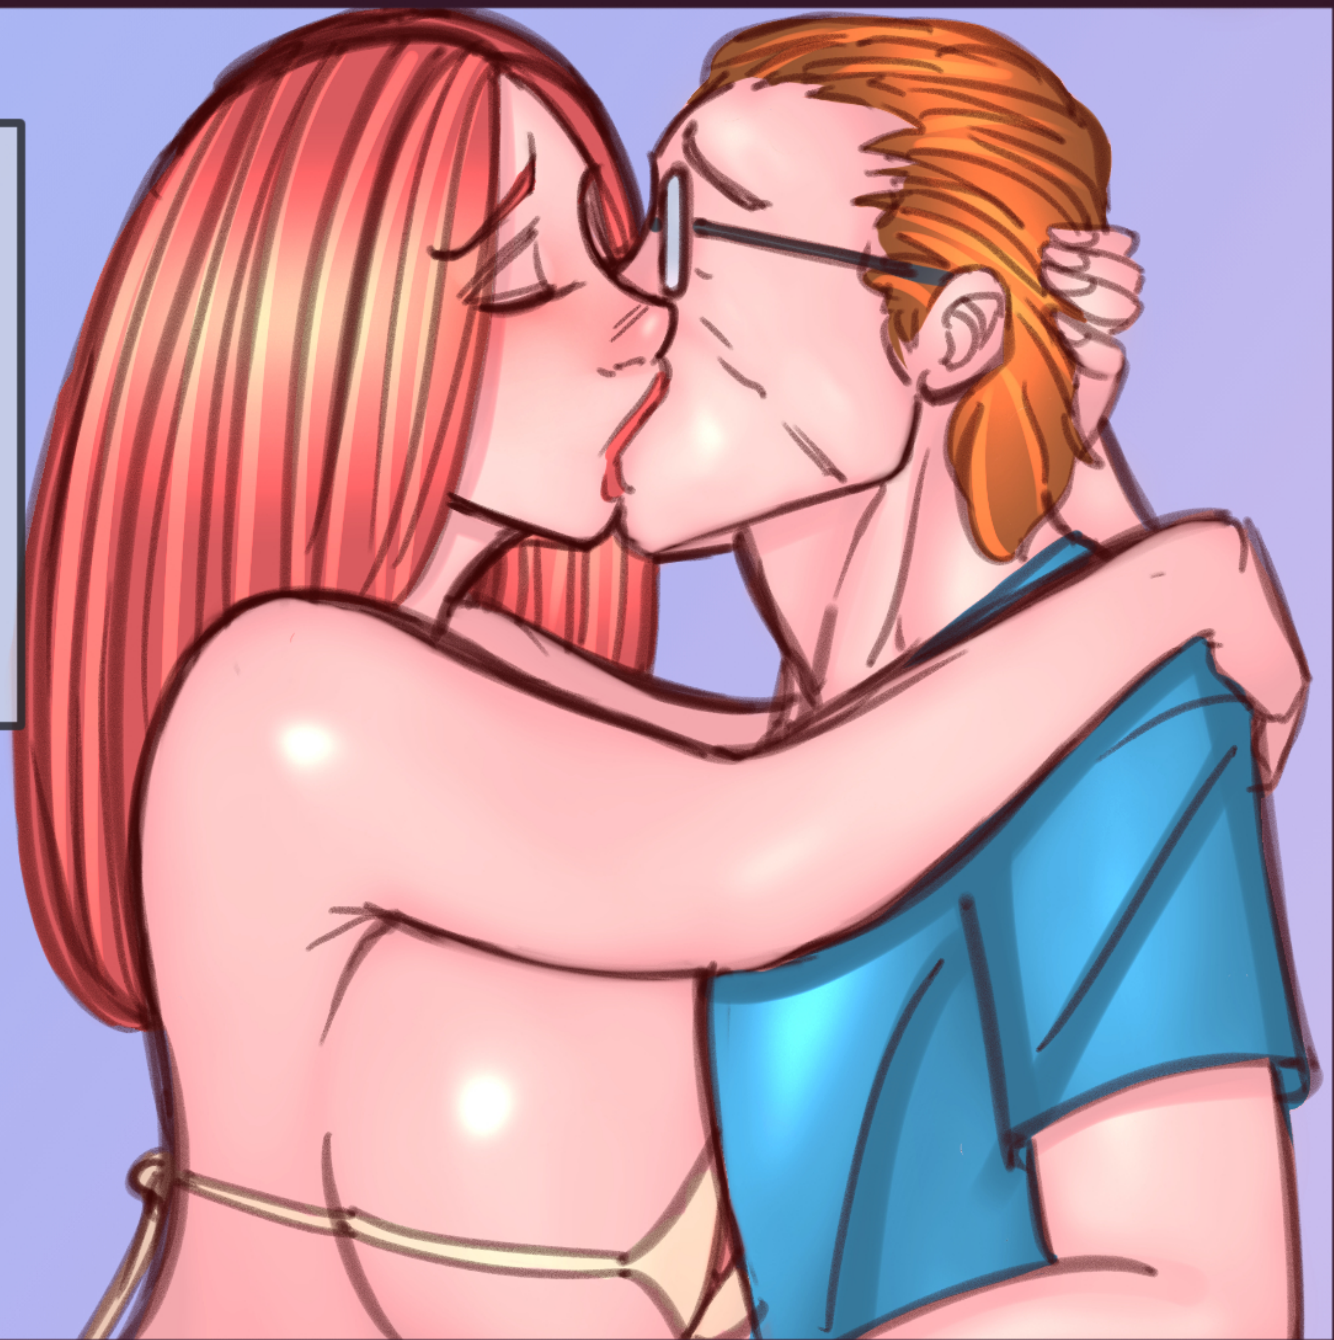

So she kissed  
her son.

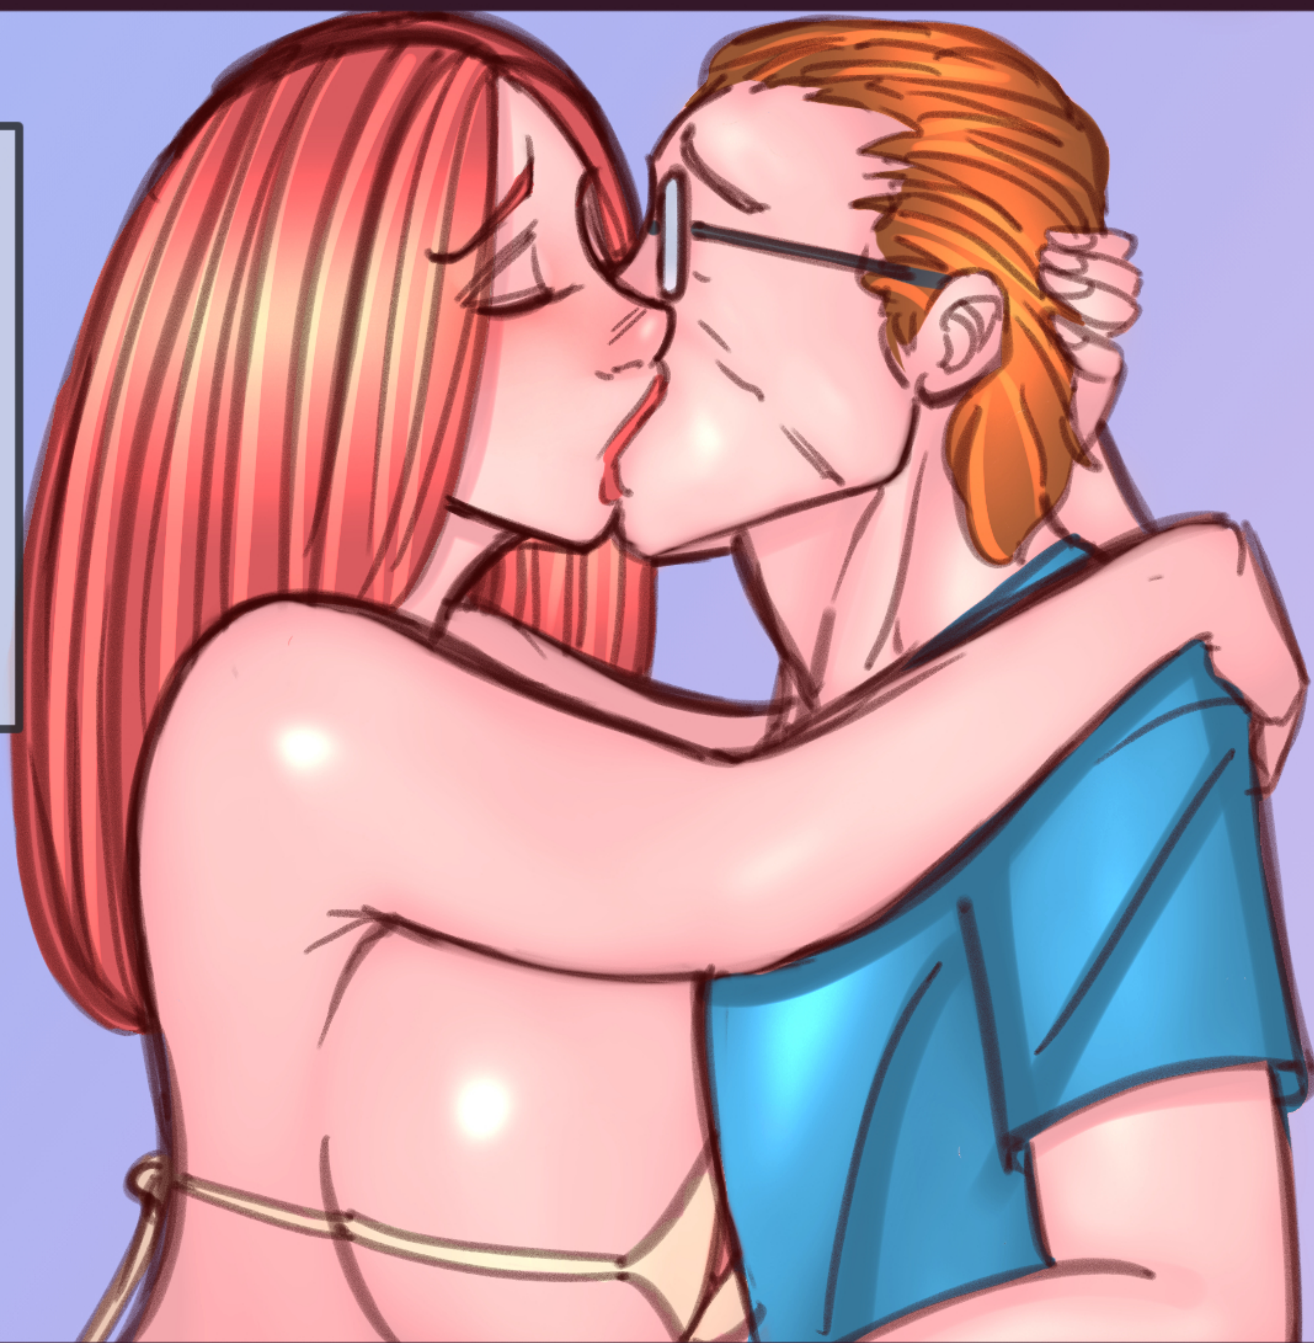

It was a soft kiss  
on the lips, which  
was still wet from  
Judith's saliva.

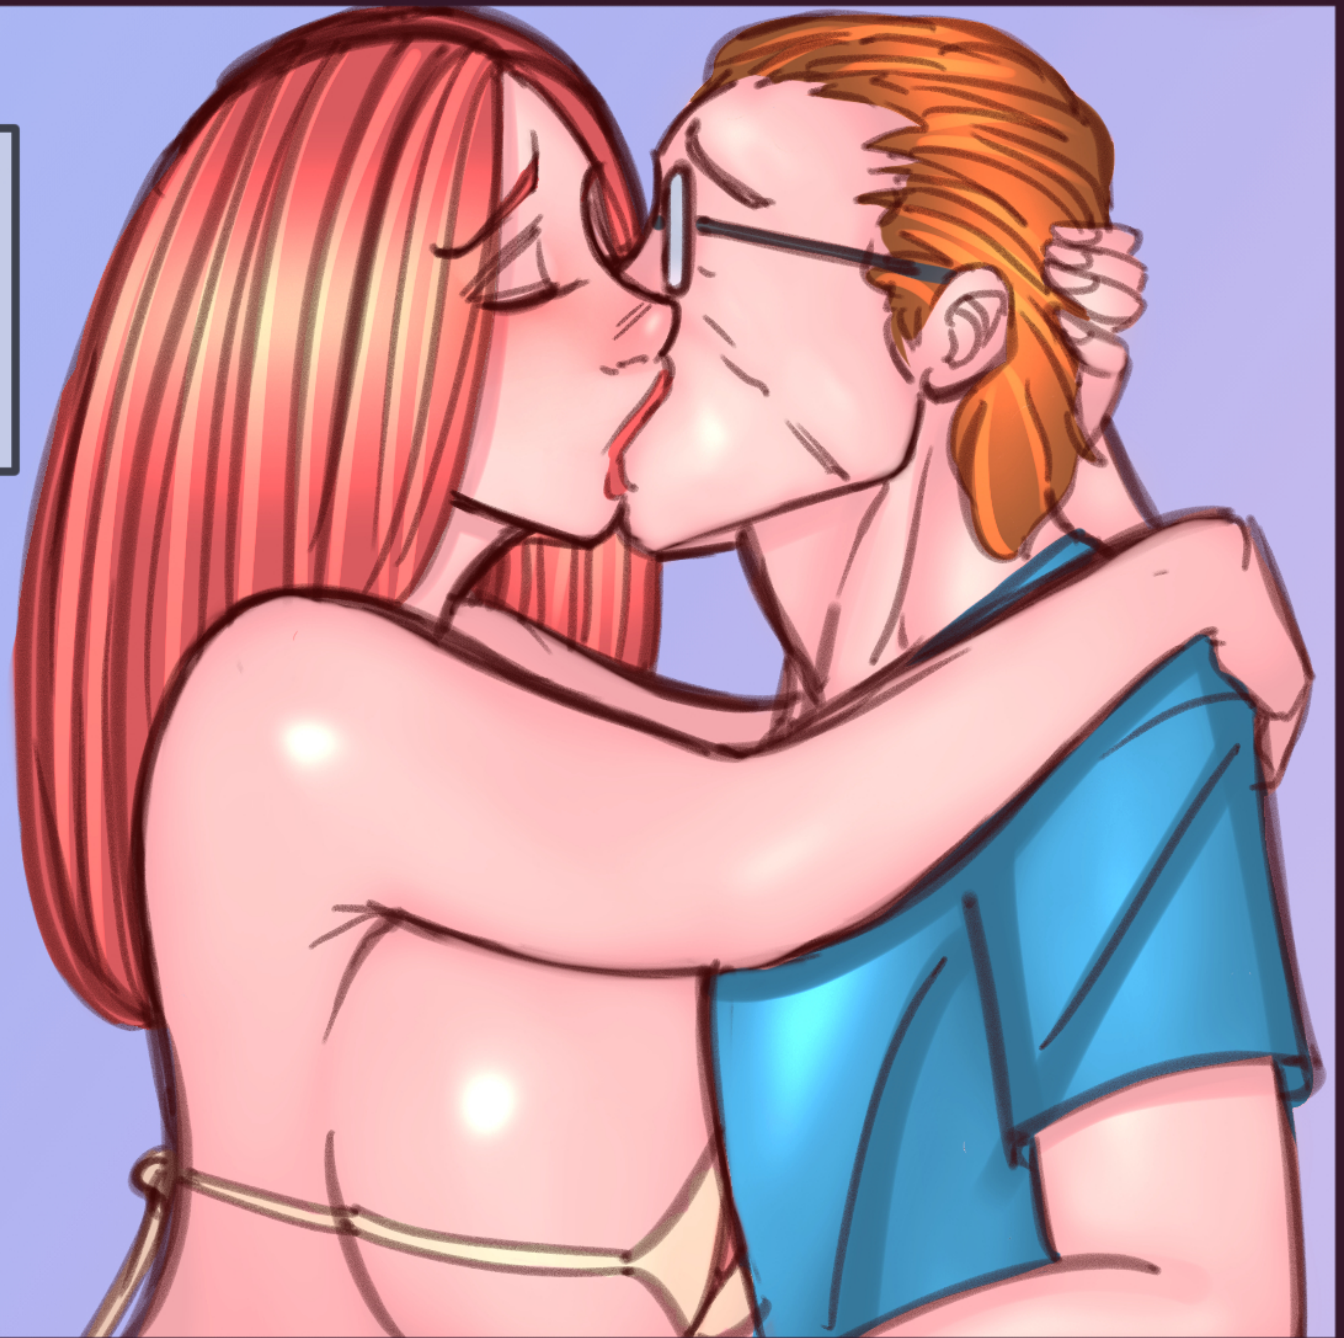

Her lips were still tense from the awkwardness, despite having already fucked her son.

But when she felt  
Mark's tongue  
pushing through,  
she kissed back  
and tongue  
wrestled her son.

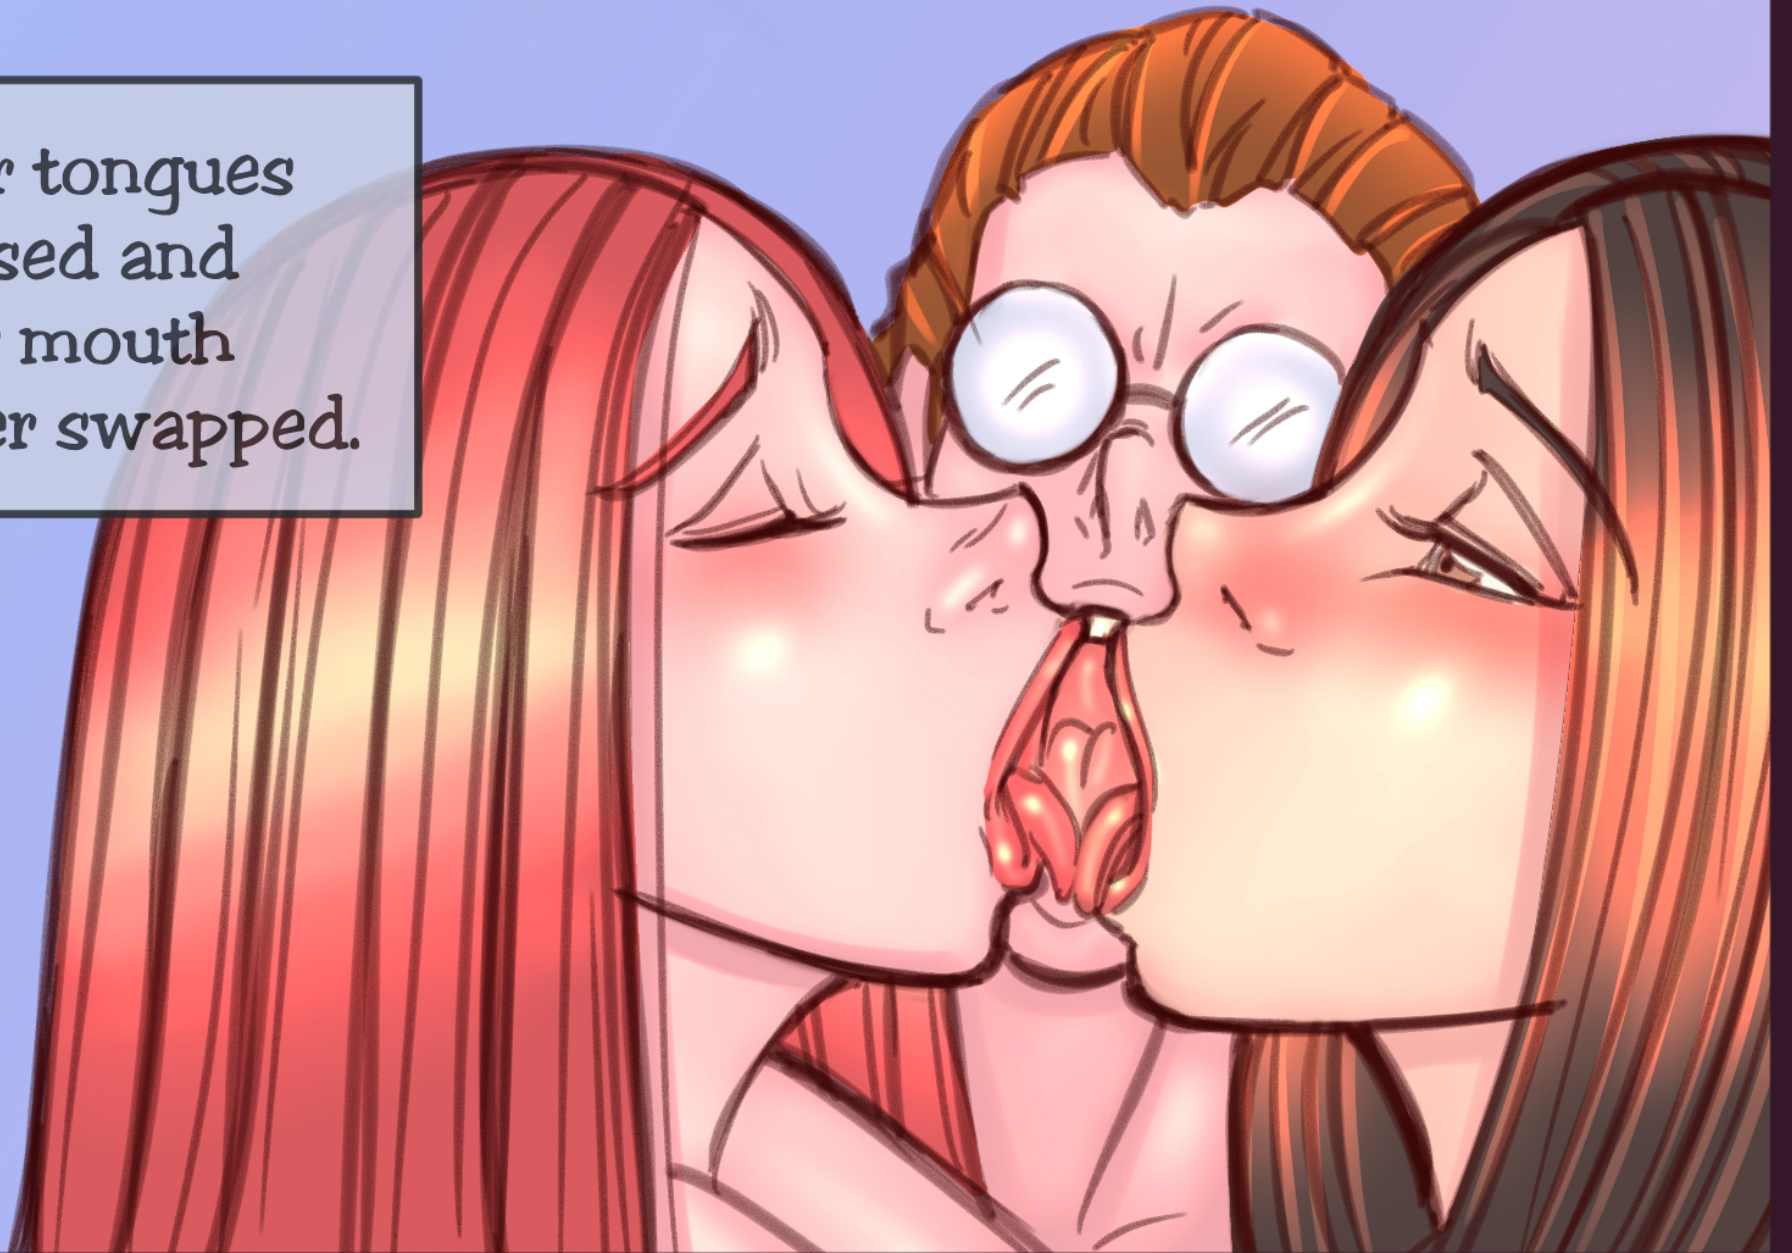

"Beautiful," Judith  
chimed in.  
"Mind if I join?"

The three of them shared the most taboo tongue kiss ever, with their mouths meeting in the middle.

Their tongues  
pressed and  
their mouth  
water swapped.

Never did Claire  
imagine life would  
take her in this  
direction, but here  
she was.
