"Open it wider so your son
can see what's inside..."

CHAPTER 04

My mom gave up
any opposition
she had to any
of this as she lifted
her shirt to reveal
her bare breasts.

Her large pink nipples immediately grabbed my attention and I'm sure everyone else's in the room.

They were bright pink and looked stiff as they were pointing straight forward.

"Now I want you to nurse him the way you used to do it many years ago," John said in a serious manner.

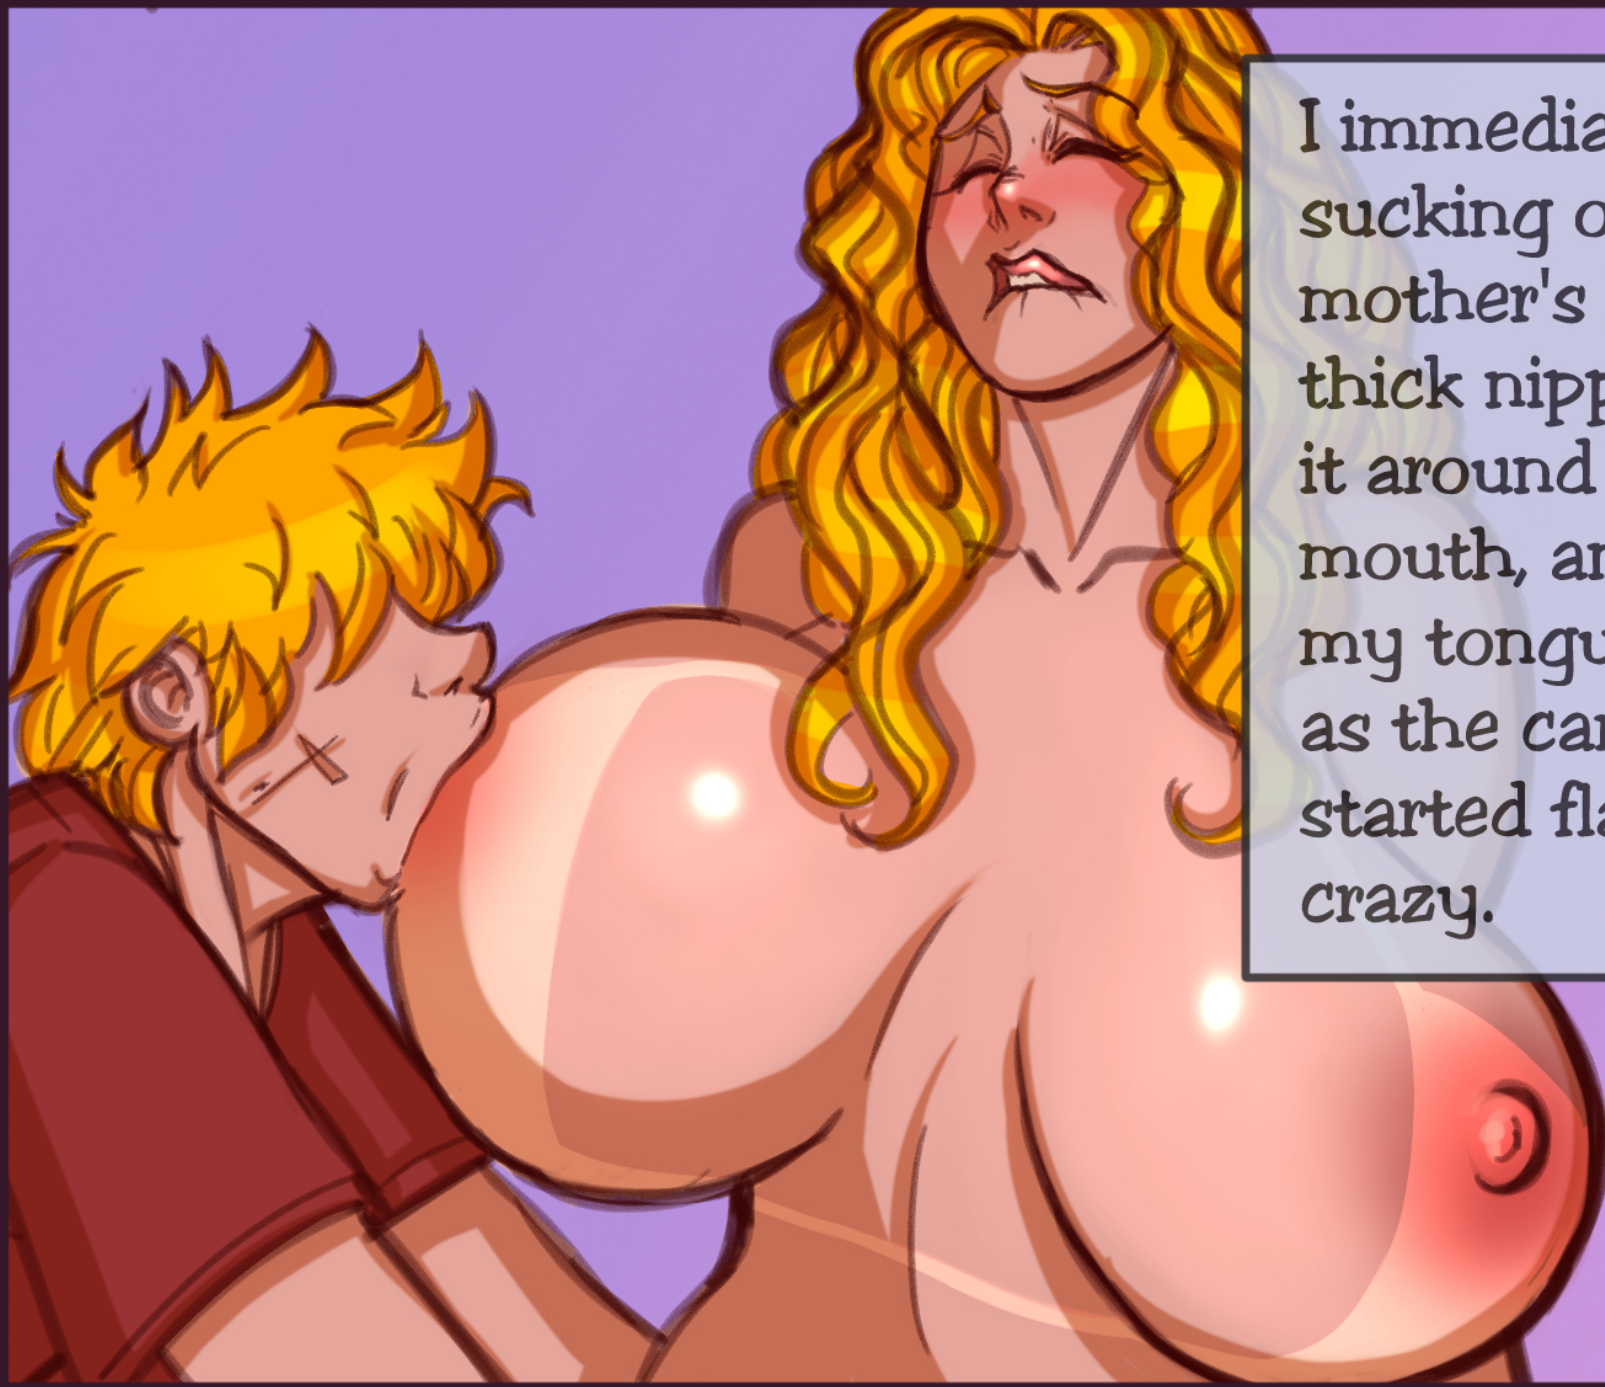

To my surprise, my mother didn't put up a fight as she gently pulled my head down to suck on her nipple.

"I'm sorry,"
she whispered
to me. "Please,
just do it."

I obliged as
I took one
of her most
private areas
inside my
mouth.

I immediately began sucking on my mother's long and thick nipple, rolling it around in my mouth, and flickering my tongue across it as the camera started flashing like crazy.

I simply couldn't resist, even though no one had asked me to suck so passionately.

She moaned, and I found myself enjoying this simple sex act on my mother.

She was enjoying it as well as she started moaning louder and rubbing her hand through my hair.

"I love seeing you
get pleasure out
of this Donna, and
it appears your son
is as well," John said.

I stopped sucking
and we both looked
at him.

He was looking down at my crotch to my growing erection, which my mother noticed after he pointed it out.

"Now why don't you be a good mother and take care of that for him," he continued.

"I'm sure he would love it. Take care of him the way you've been taking care of me these past few weeks."

"Oh god, you **CAN'T** be serious about this John..." my mother replied in horror.

"I am serious- serious enough to double your salary for this session. I'll give you \$20,000 in cash if you give your son a blowjob right now."

My mom looked like she gave it a serious thought for a moment before looking me right in the eyes with a bewildered look.

It was the type of look which said, 'I'm sorry, but I'm going to do this,' as she got down on her knees in front of me.

"Are you okay with this?" she asked, concerned about my feelings.
