# CHAPTER 10

"You like that, don't you?"  
she smiled, breathing heavily  
as she was getting fucked.

"Don't be shy.  
We have a job to finish...uhhh  
...fuck me...  
own my pussy."

We continued this carnal fucking, and it was taking its toll as I was on the verge of cumming inside her.

She looked like  
she was going  
to climax as well.

Her once  
beautiful face  
was now  
twisting with  
pleasure as  
she clenched  
her jaw tightly  
and was  
squeezing her  
eyes shut.

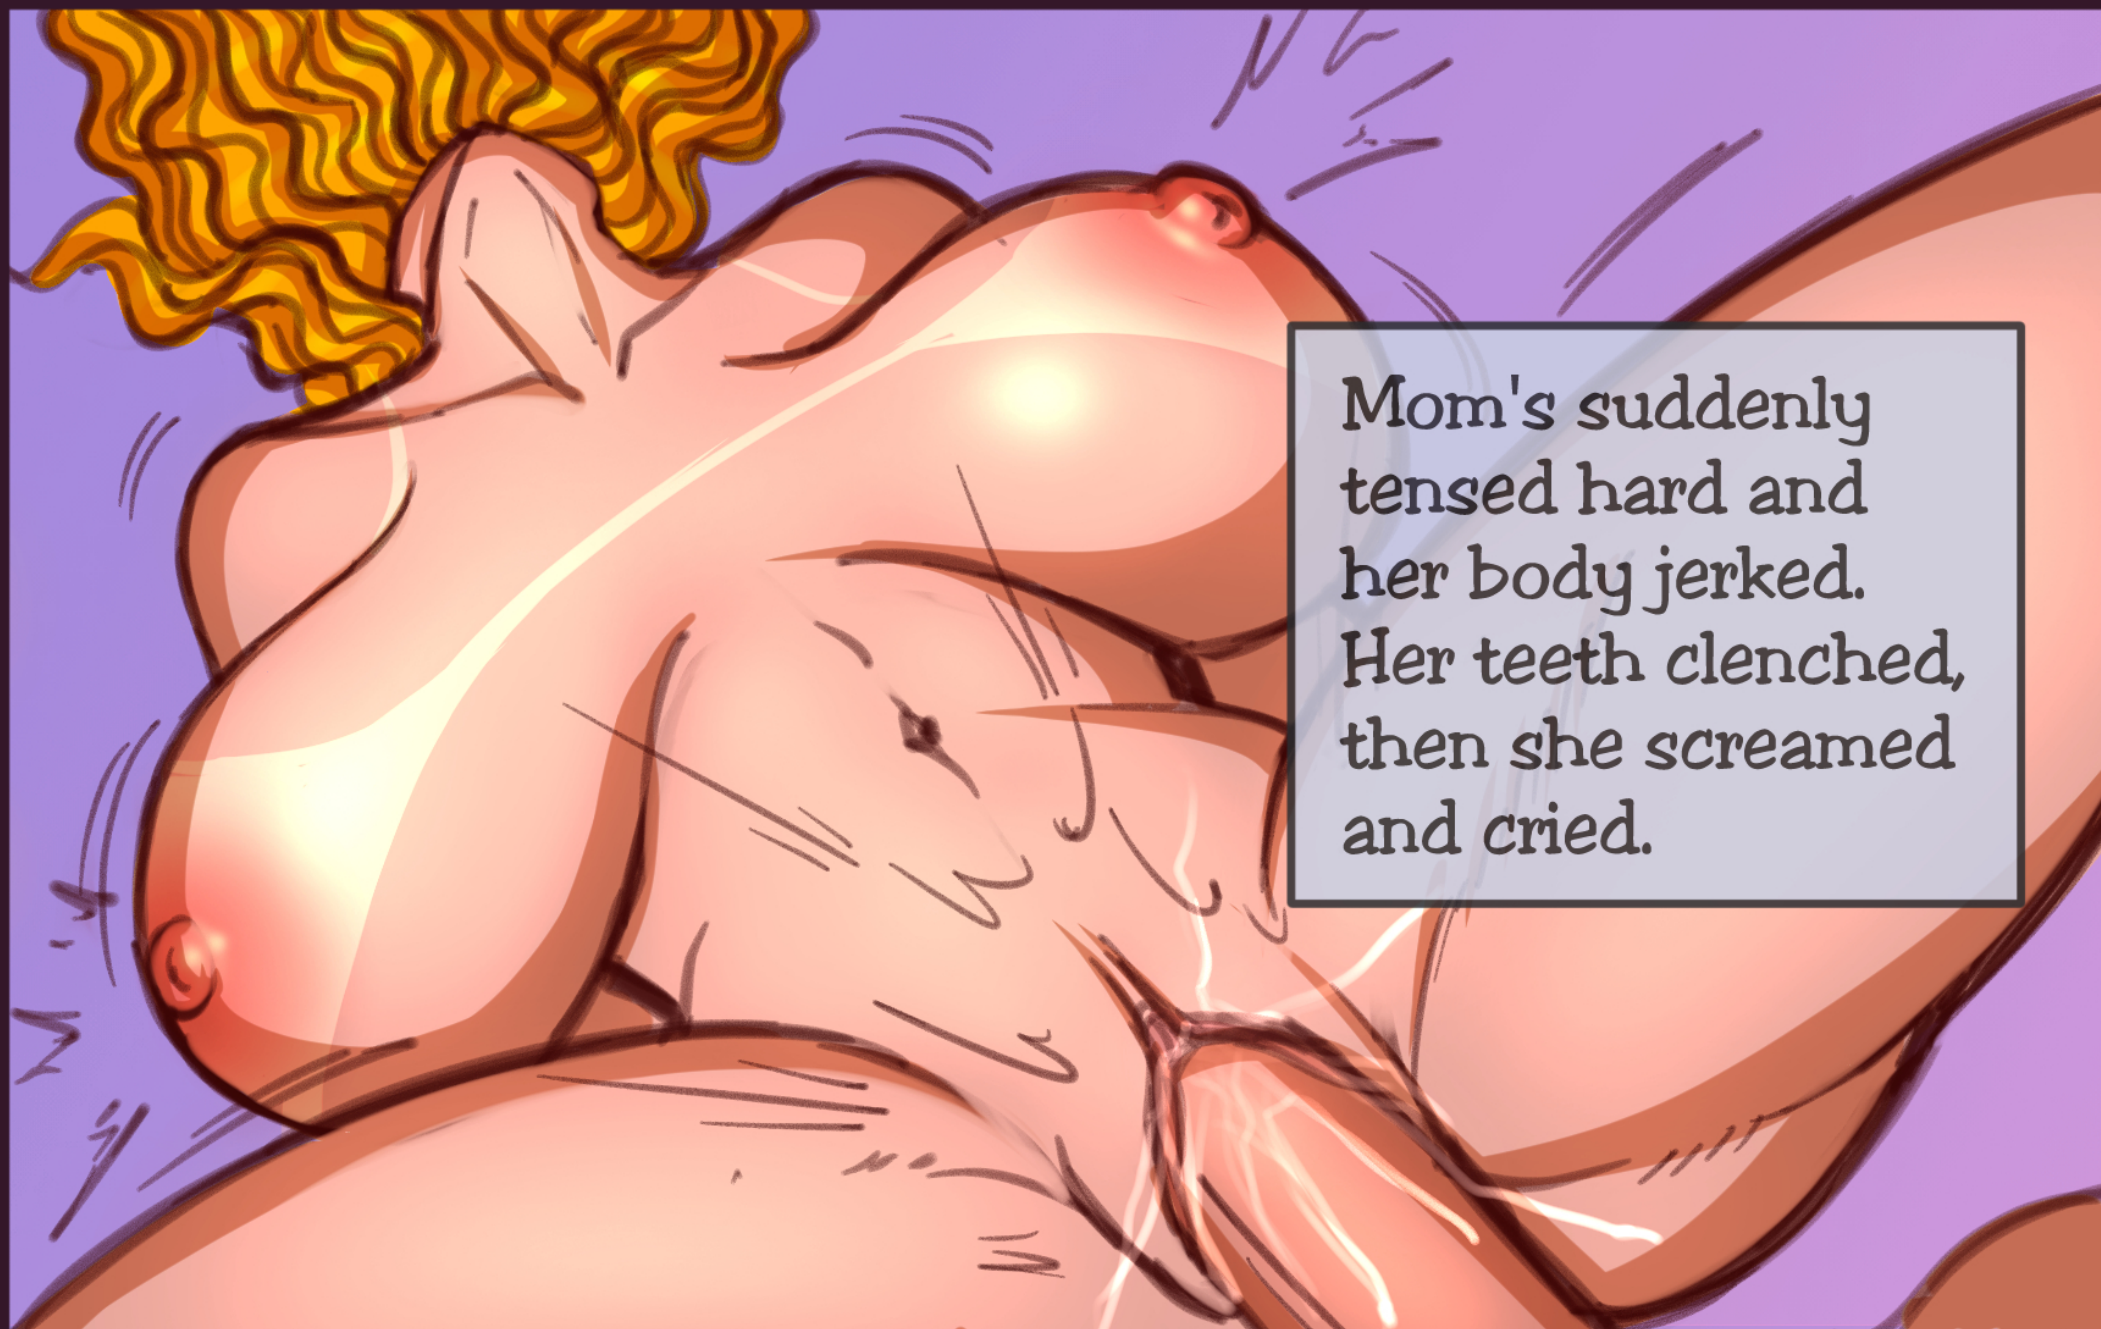

"I'm going to cum!!!" she screamed passionately. "Don't you dare slow down!"

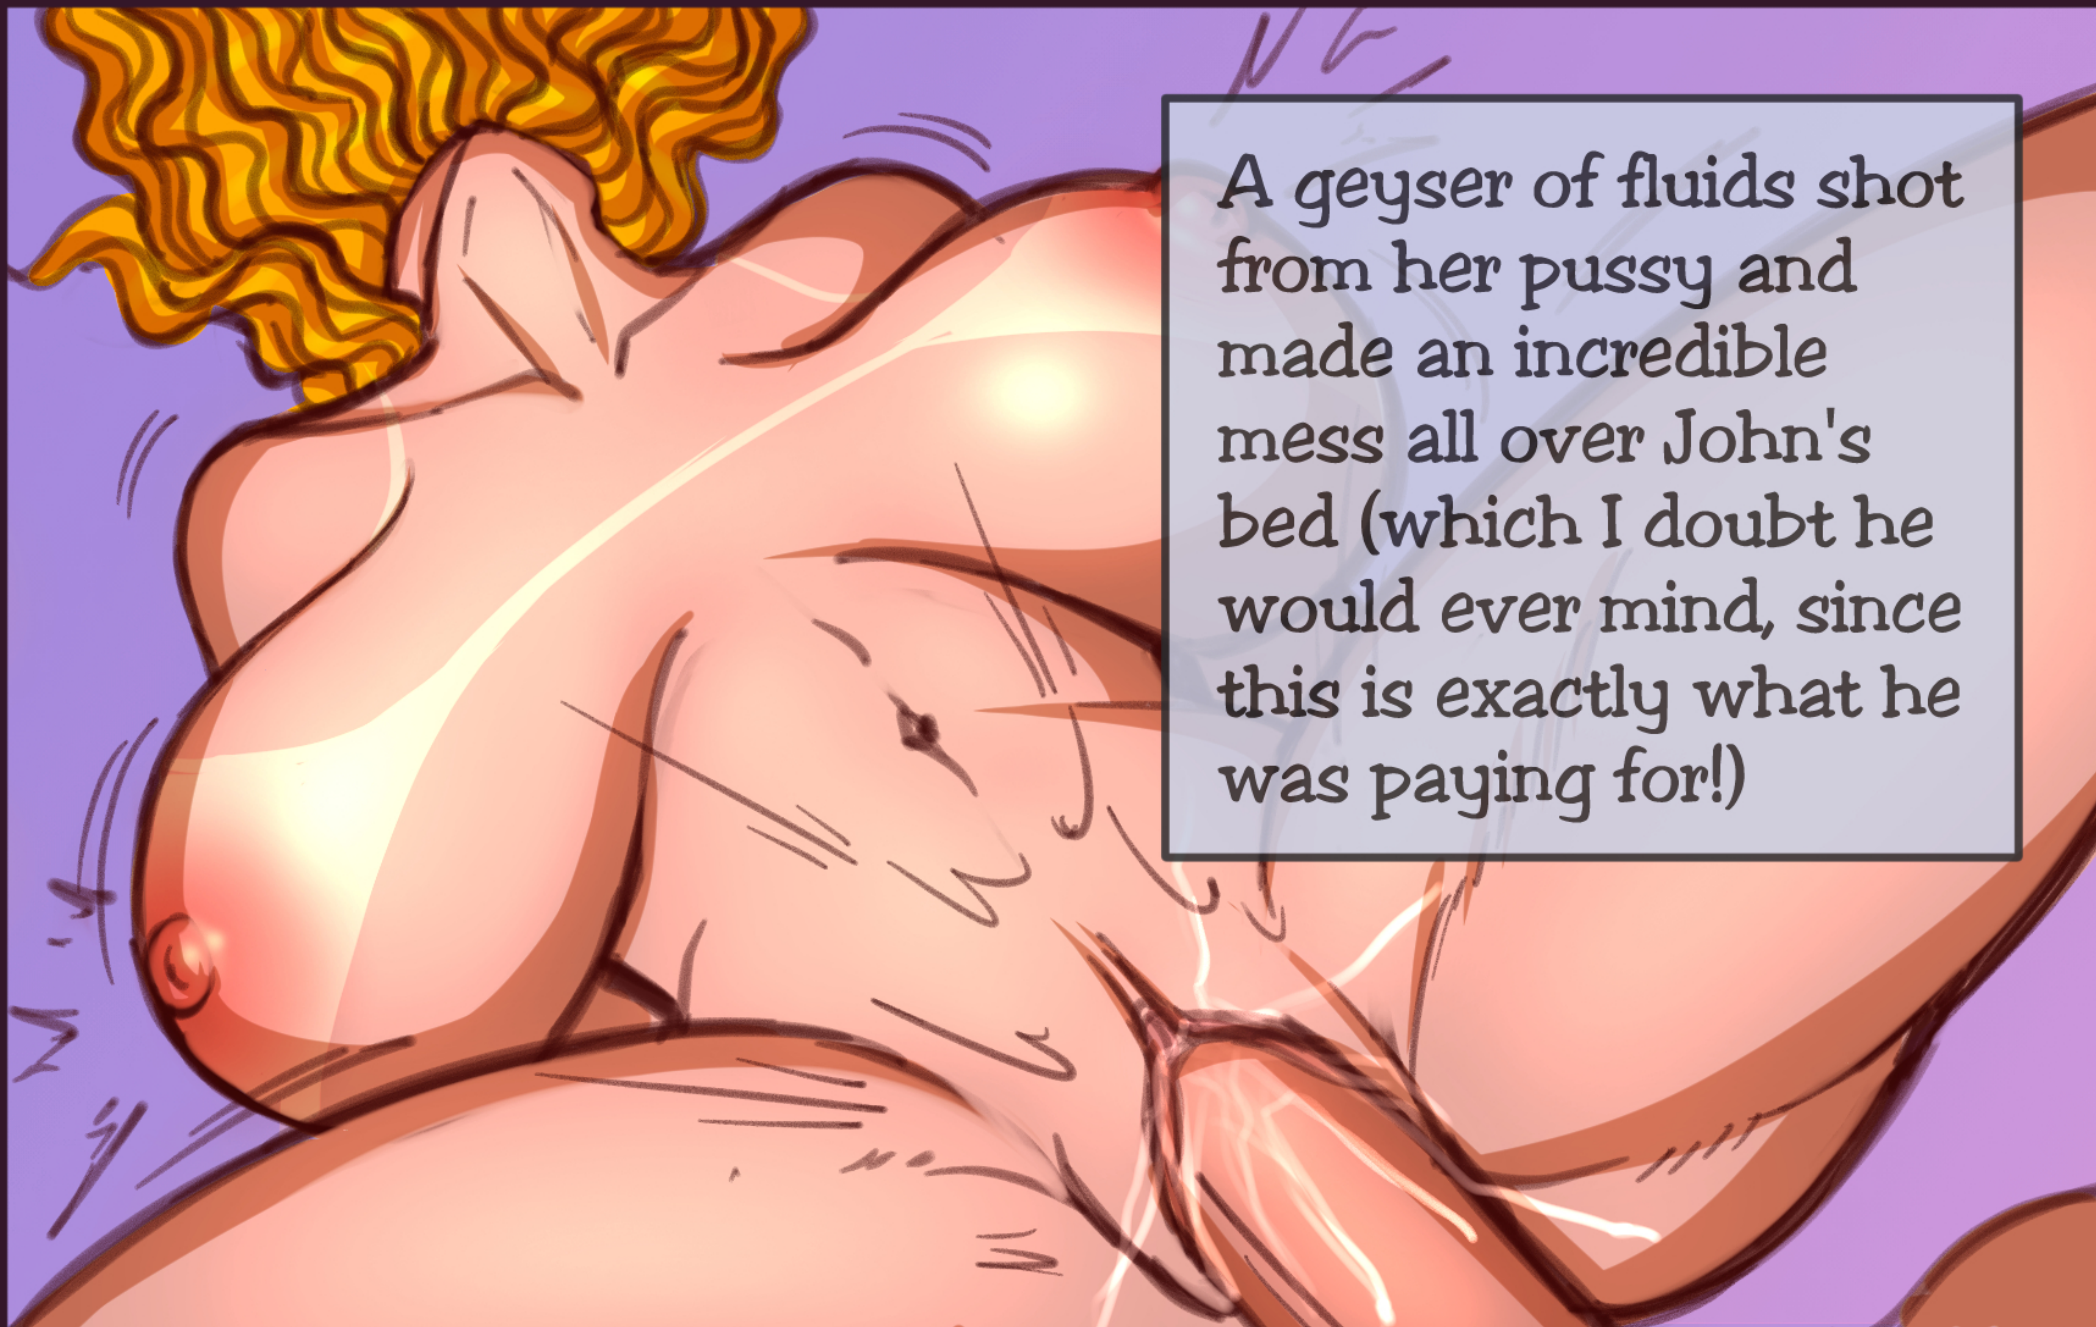

And she was  
true to her  
word.

Mom's suddenly tensed hard and her body jerked. Her teeth clenched, then she screamed and cried.

A geyser of fluids shot from her pussy and made an incredible mess all over John's bed (which I doubt he would ever mind, since this is exactly what he was paying for!)

Her body was jerking as the fluids came out. And I kept on fucking her.

It was then  
my turn to cum,  
having left mom  
in a state of  
ecstasy, with my  
cock still buried  
in her pussy.

Shot after shot  
of my cum began  
spurting deep  
inside my mother's  
womb. It felt  
amazing.  
Absolutely crazy.

And it looked like she was getting off on the feeling of her own son's sperm being deposited inside of her, prompting her to furiously rub her clit to bring more pleasure to herself.

I collapsed on top of her when it was all over, pressing against her meshed breasts, which felt sweaty and glorious.

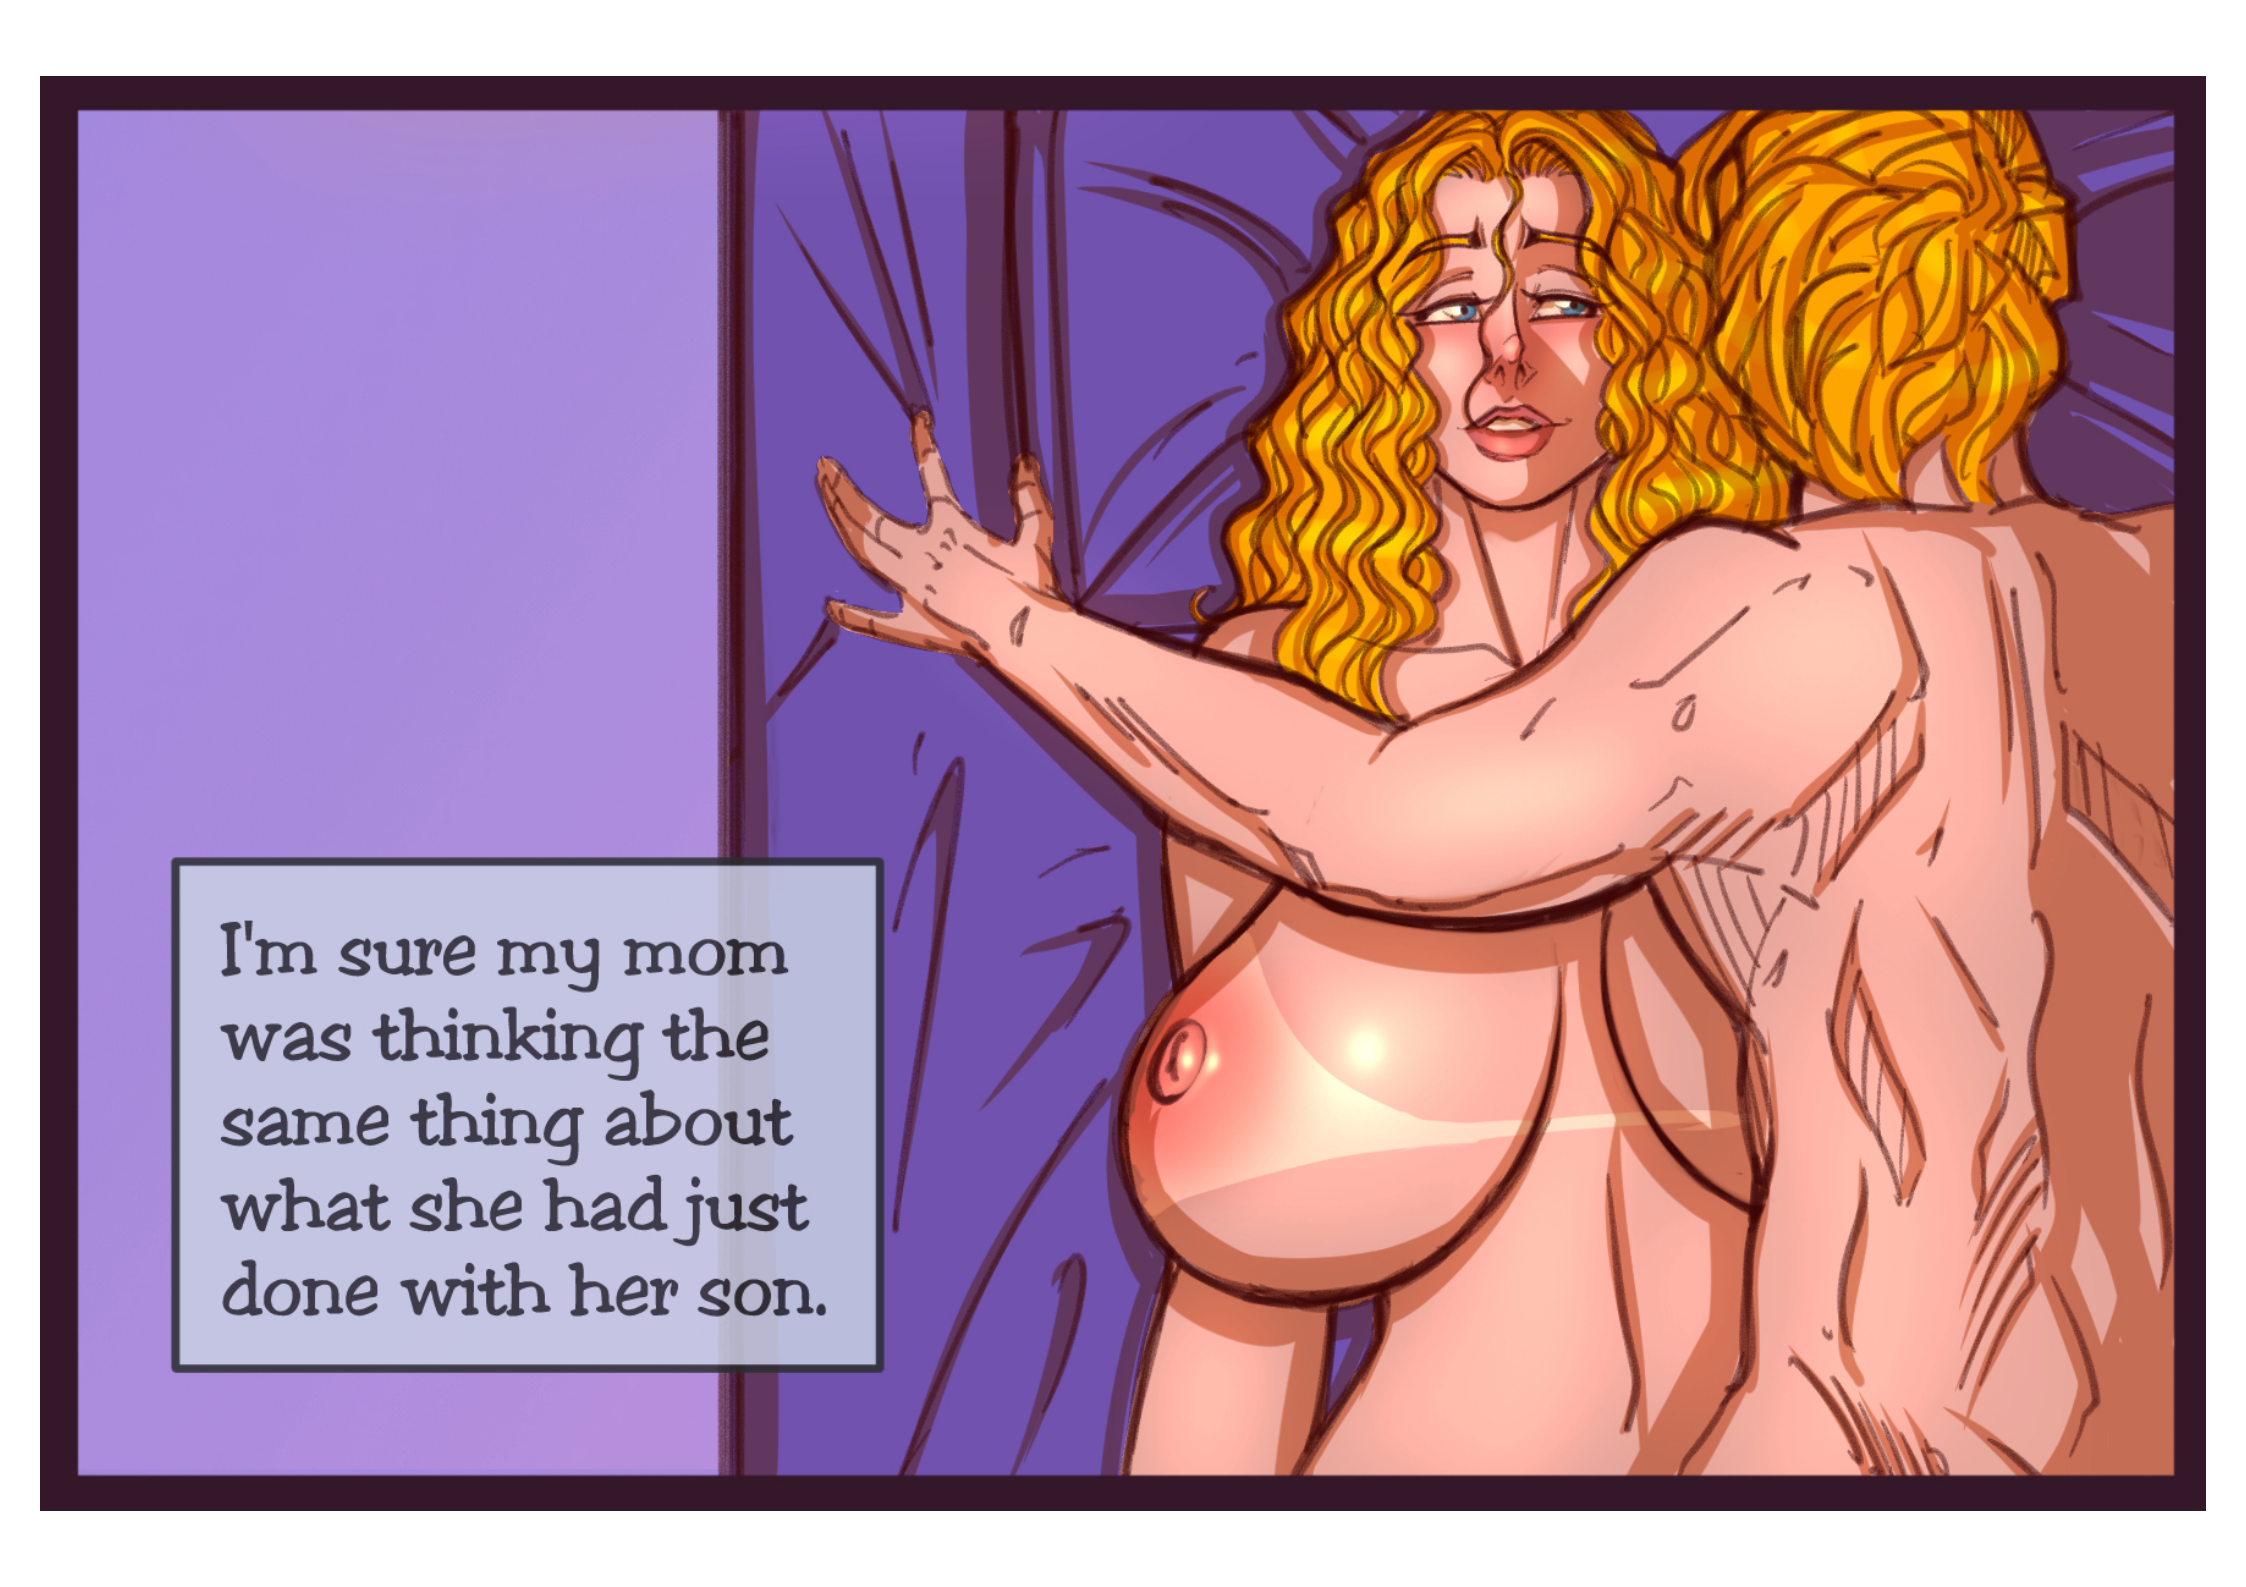

Her nipples were still hard, too. We were both breathing heavily and no one in the room said a word after what had just happened.

I rolled over  
on the bed and  
let it sink in that  
I had just fucked  
my own mother  
for some guy's  
viewing pleasure.

I'm sure my mom  
was thinking the  
same thing about  
what she had just  
done with her son.

When mom recovered from the powerful orgasm, she sat upright, her breasts hanging free and her breathing still labored.

"Now I finally understand this delight you have with incest."

"Bravo," John said as he got out of his chair. I turned and saw John wipe the cum from his now flaccid penis using a tissue, before putting his cock back inside his pants.

He walked over  
to my mother  
and caressed  
mom's hair (with  
his clean hand).  
"That was  
beautiful, just  
beautiful," he  
said to us.

"Donna, seeing a mother and son make love to each other like that was more amazing than I ever could have imagined."

"I would very much like for us to continue this in private. I'll pay good money, of course."

"And if you're interested, I know that a few of my wealthy friends would enjoy seeing this as well, and I'm sure they would also be willing to pay a hefty fee."

"You and your son could really make a great living doing this. So what do you say?"

Mom turned to me  
and smiled when  
she saw the eager  
reaction on my face.

"I'm sure we can  
work something  
out," she replied  
to him.

Exploring the possibility  
of a new deal,  
mom bent over and kissed me,  
full on the mouth.  
A nice wet tongue kiss  
which felt awesome.

Then her kisses went downward,  
to my neck, then chest,  
then stomach.  
John's eyes lit up in  
anticipation.

Mom re-positioned herself  
and winked at John,  
knowing she was about to do  
something nasty,  
before taking my cum soaked cock  
into her mouth.

She sucked my flaccid penis while looking at this wealthy man, flickering and swirling her tongue too.

She gladly swallowed  
my cum, and her too,  
while performing this  
raunchy sex act on me.

I was slowly getting  
hard again, and mom's  
mouth worked wonders.

END.
