# CHAPTER 03

The trip itself felt like yet another spiritual journey for Sophia. Normally she'd text her son nonstop to make sure everything was okay at home.

This time, she focused  
on living in the moment  
and letting everything go,  
although she did send her son  
a slew of beautiful pictures  
she had taken.

Most of the pictures she sent to Bradley were of the beach and resort area. There were some images of herself taken by a colleague.

There were also pictures of the other women at the law firm, as well as group photos.

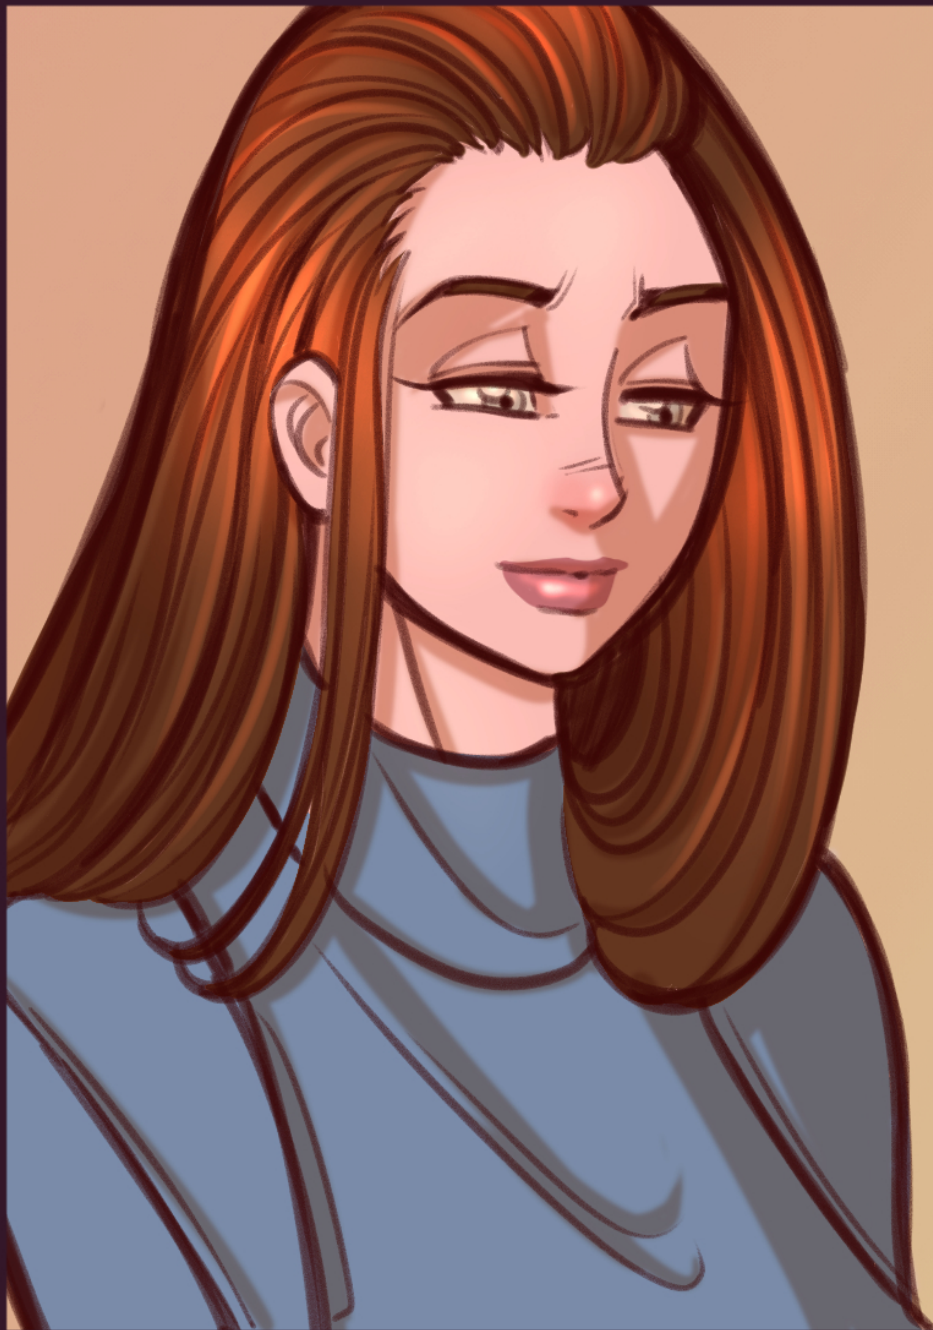

Despite their laid back beach attire, they still had the appearance of being well-educated. That's just the type of women they were.

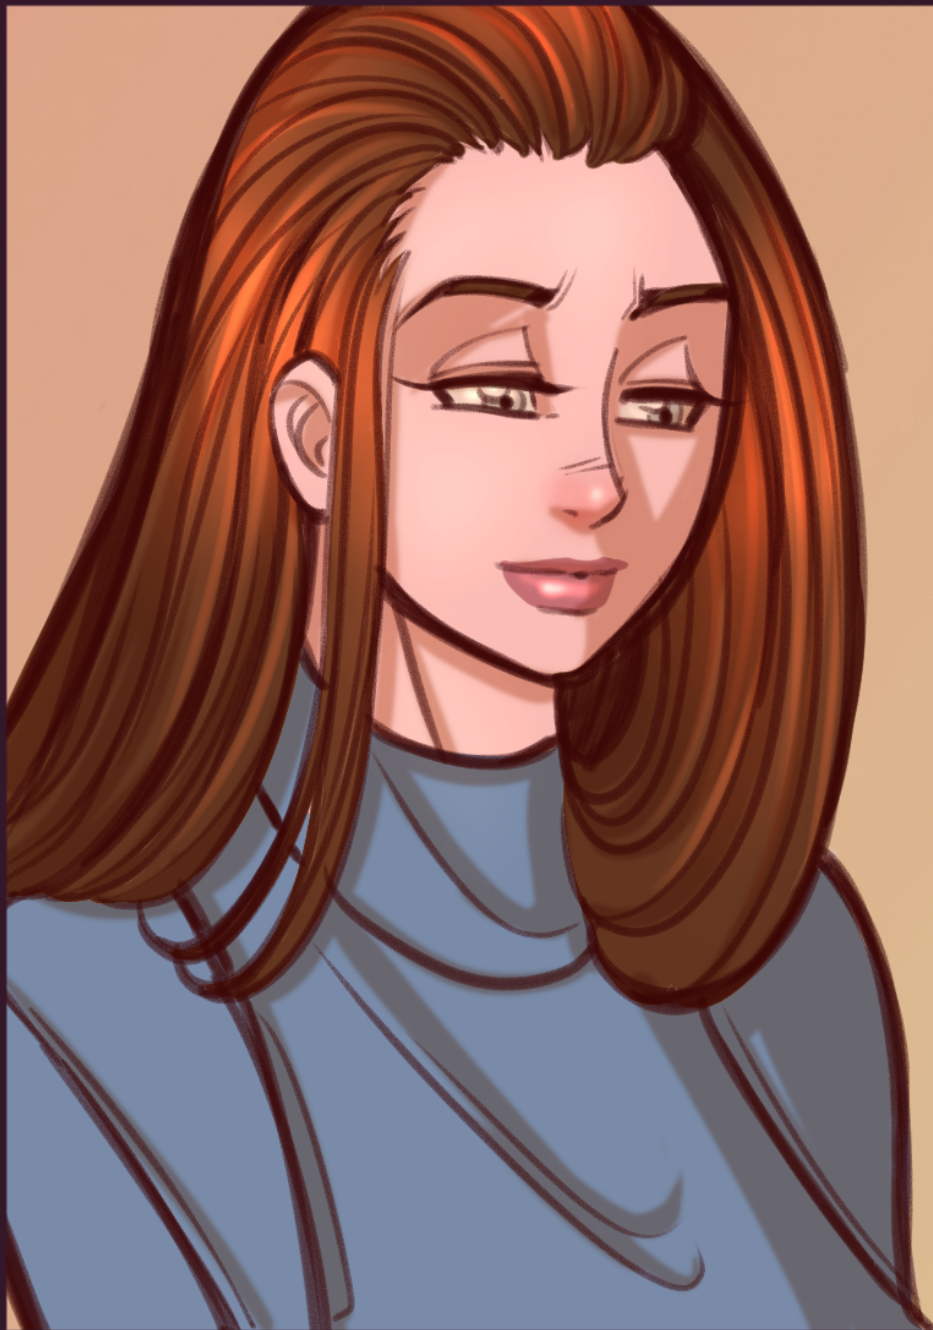

There was nothing but smiles on their faces as they posed on the resort and beach.

On the final night,  
Sophia emailed her son.  
She kept it simple:

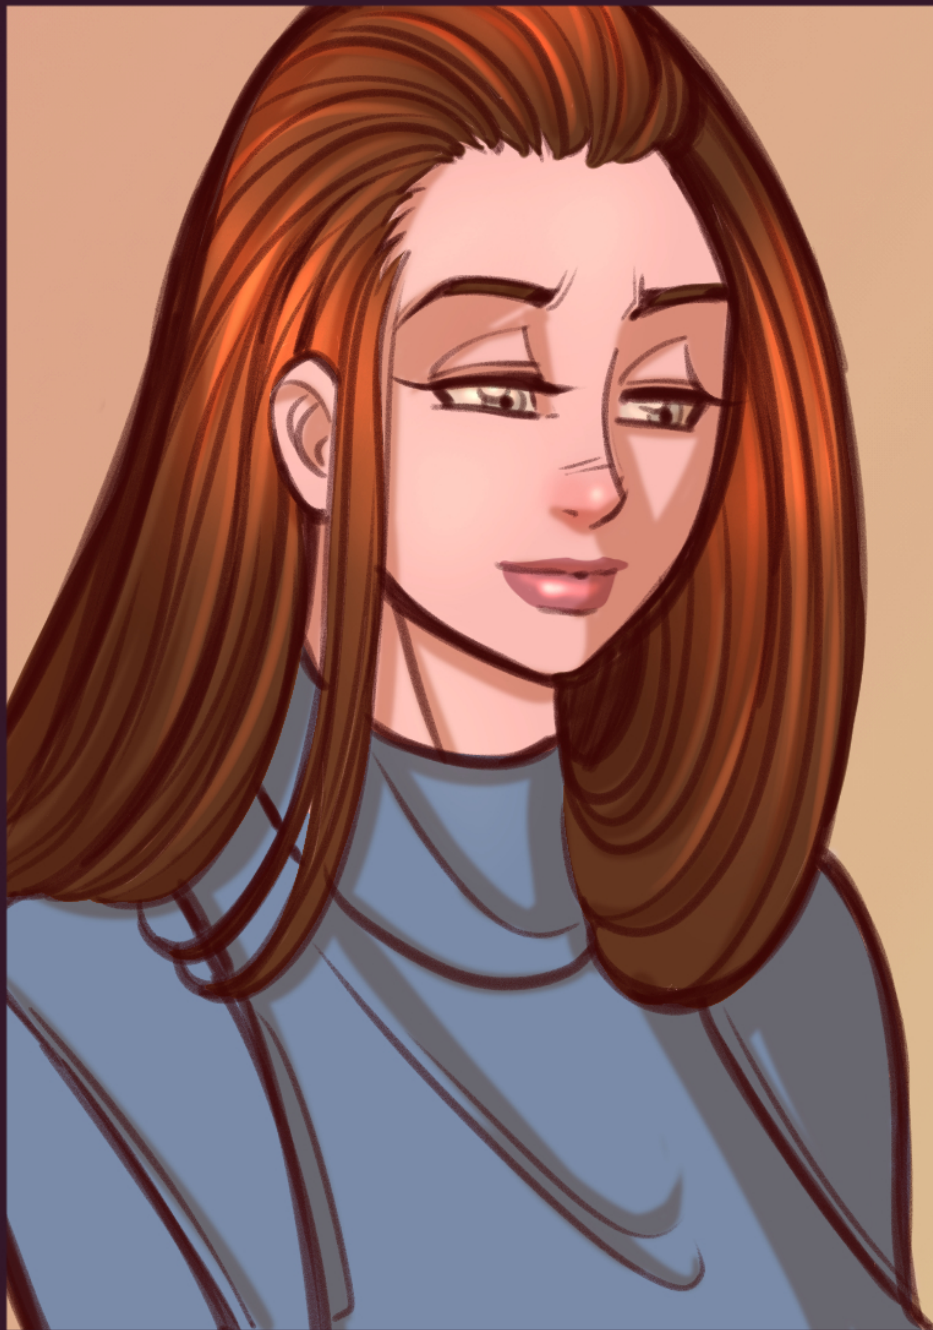

"I hope everything is okay  
at home.

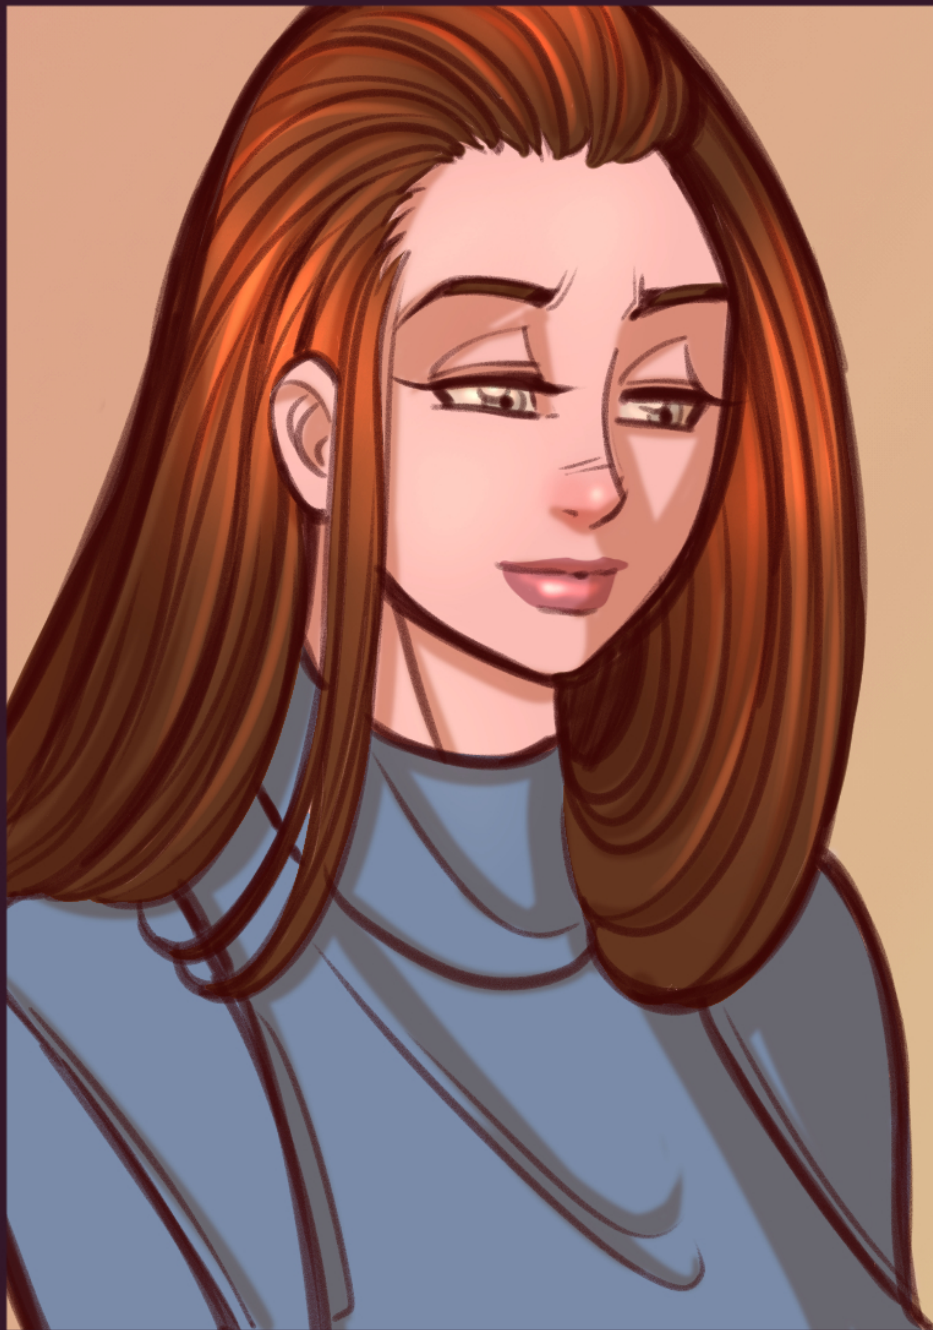

We're all having a great time  
here. I'll tell you more when  
I get back.

Here are more pictures.

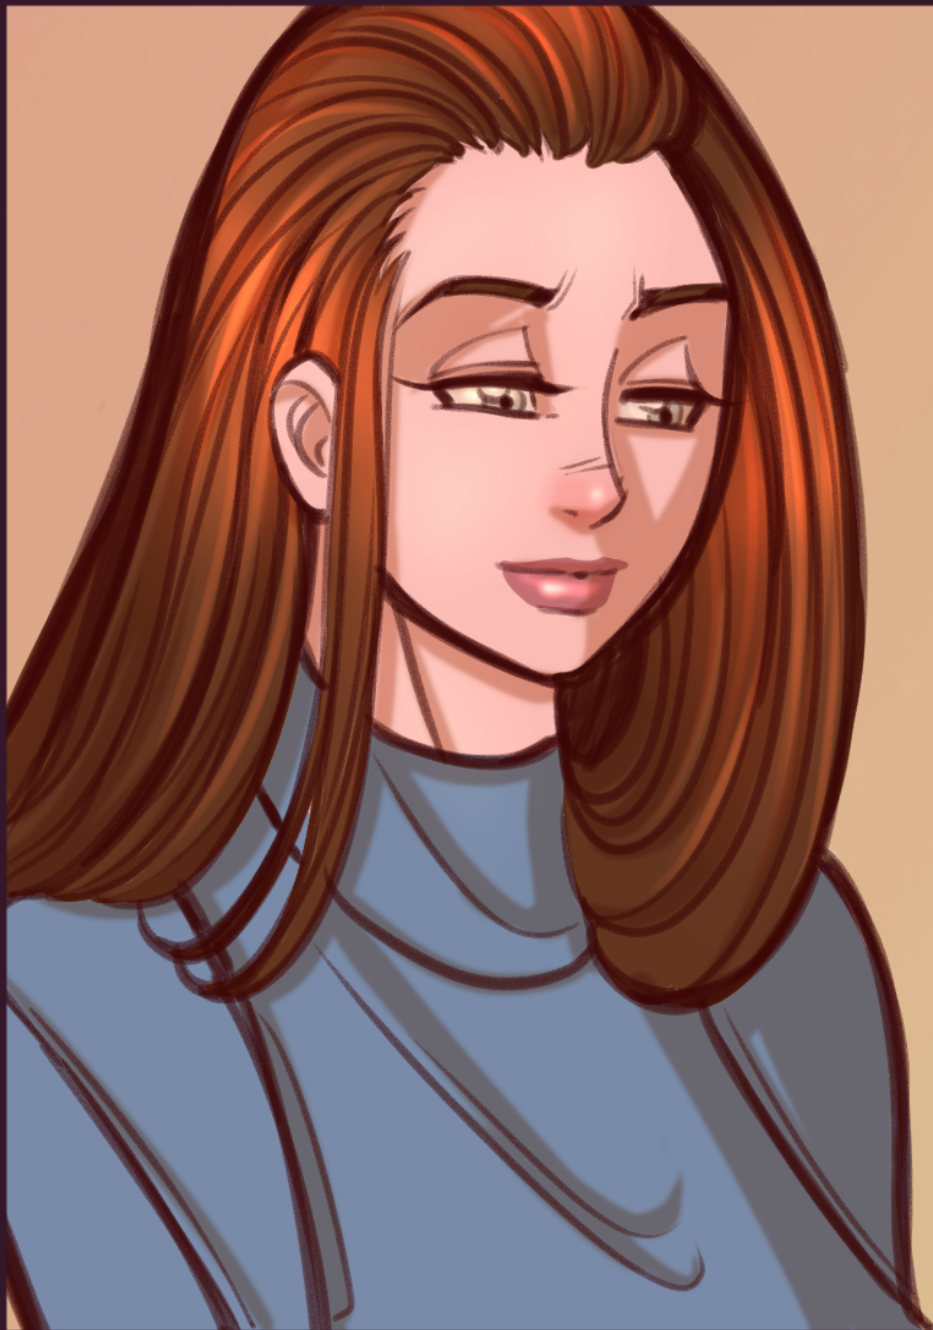

love mom."

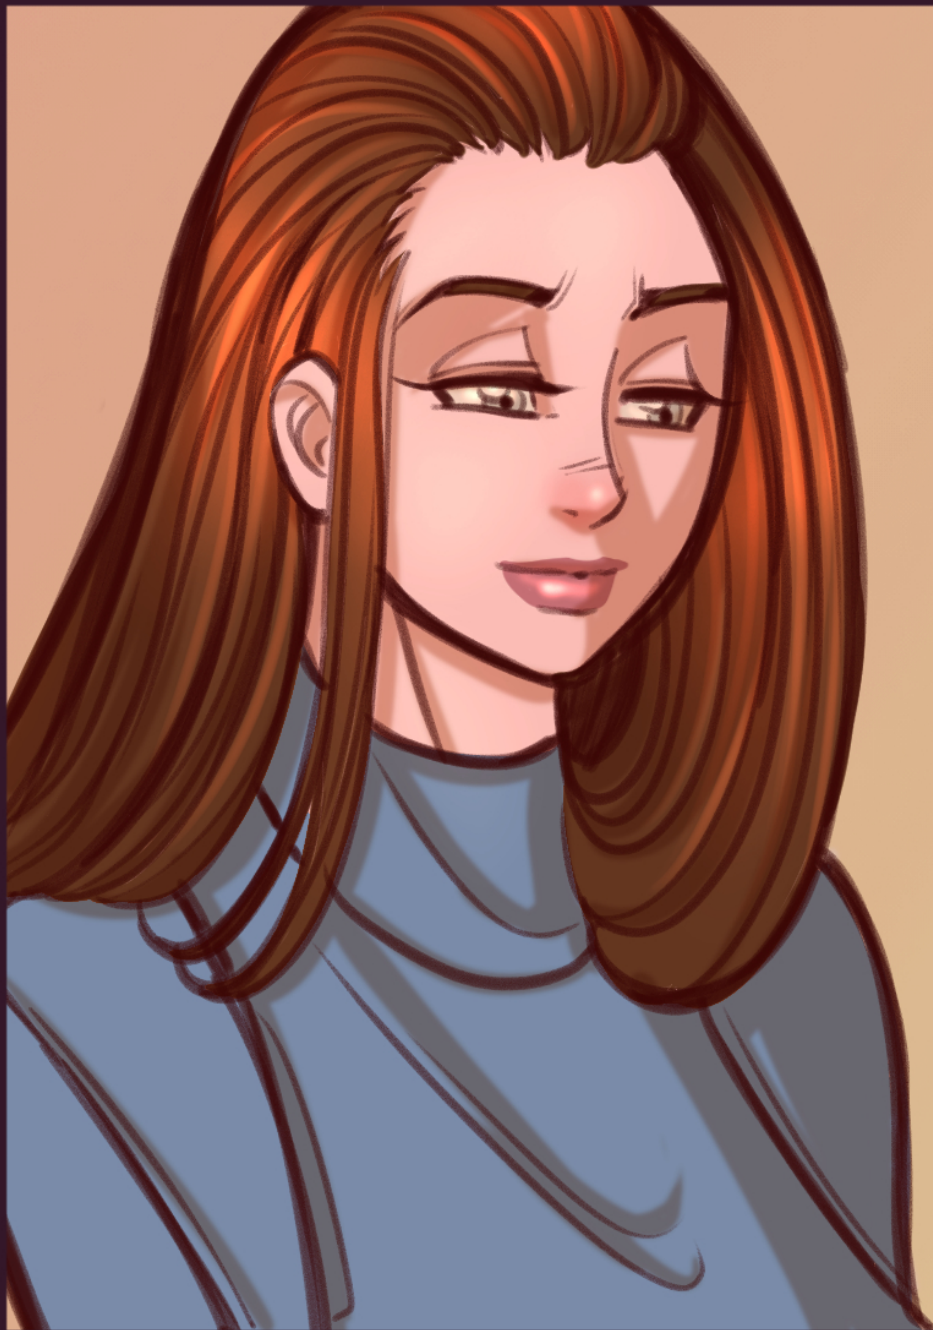

With a simple click,  
everything was sent.  
There were 68 images  
total, which meant  
that her son would  
have plenty to look at.

And she was certain that her son would be thoroughly entertained looking at the pictures of the women that she worked with.

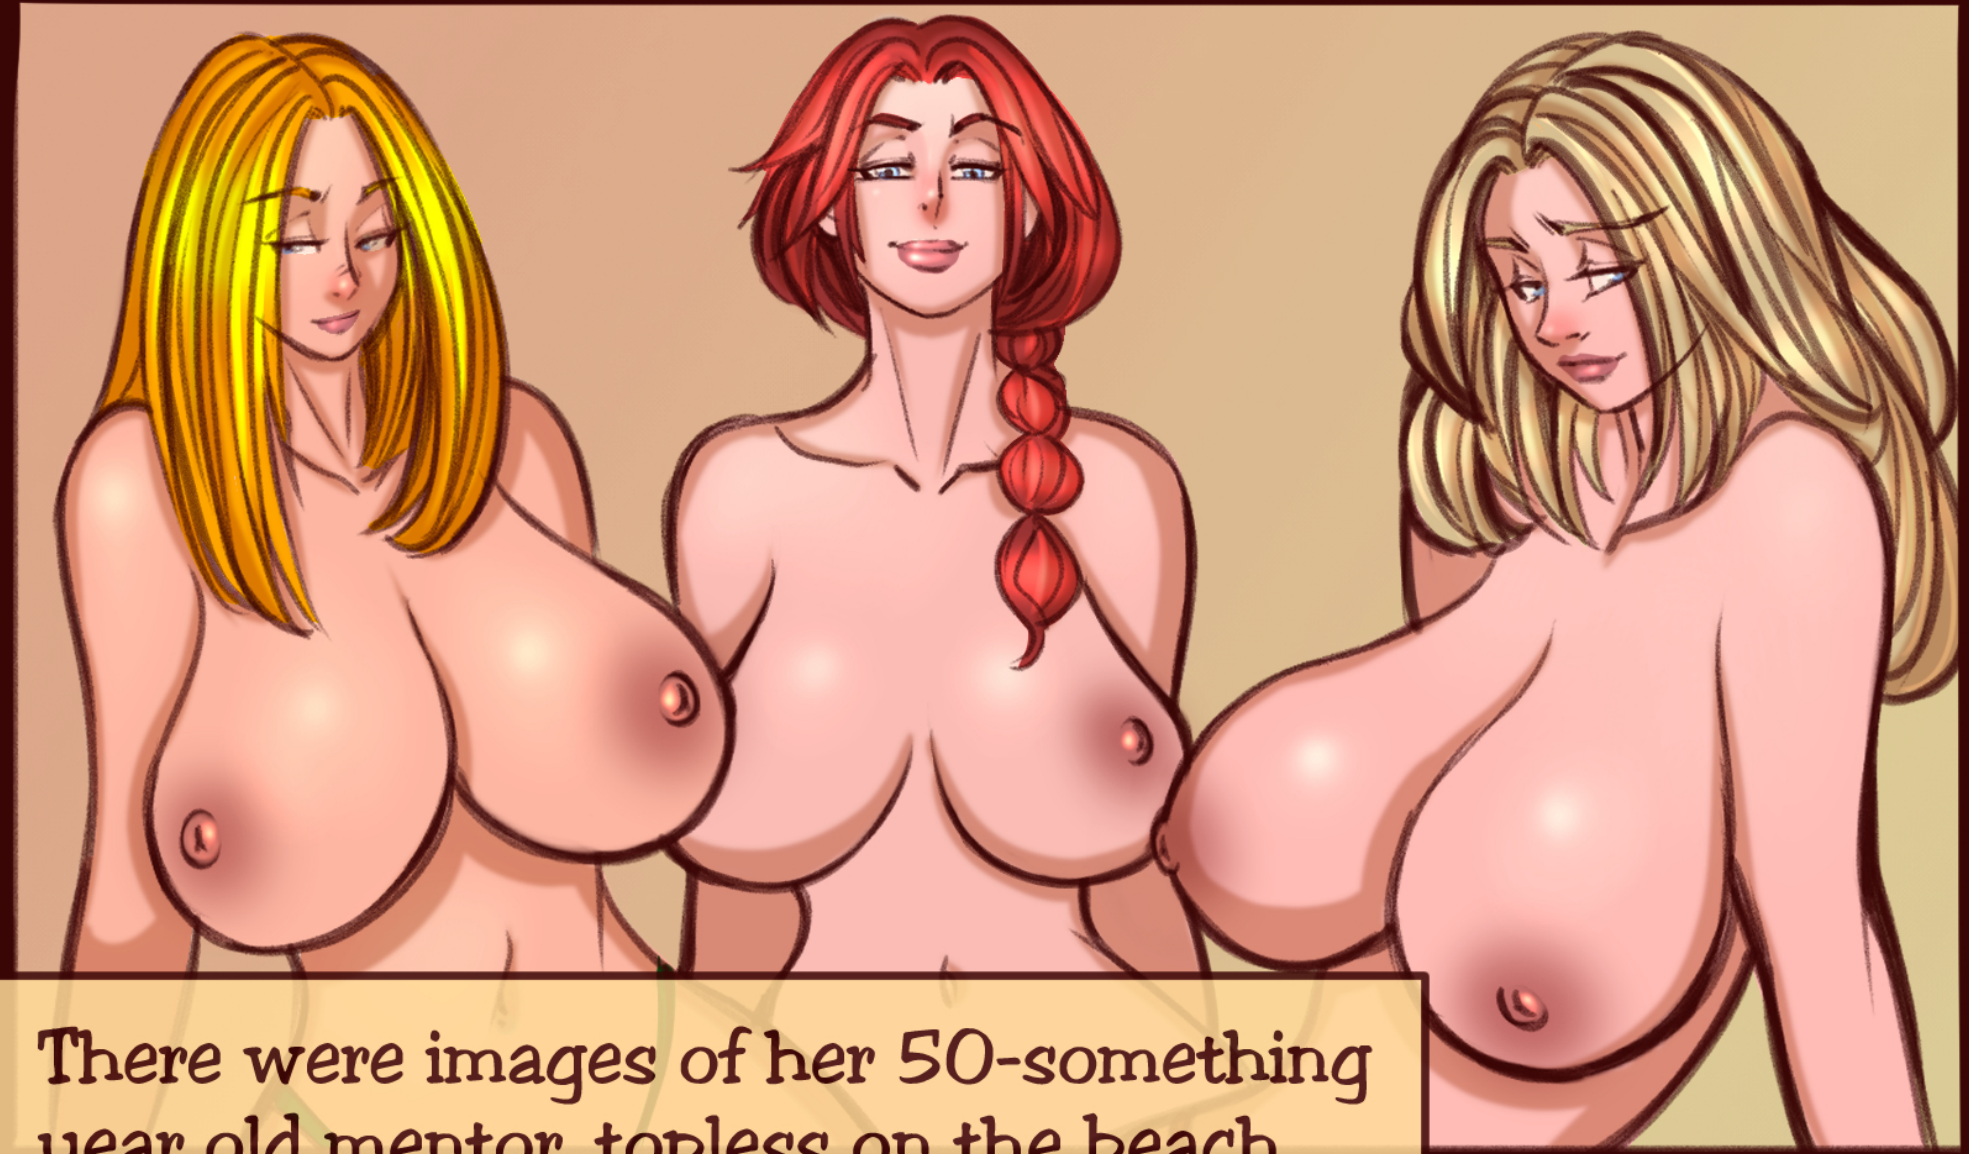

They were an attractive  
group of sophisticated  
ladies.

But there were other pictures too. Secret ones. Pictures she kept for herself.

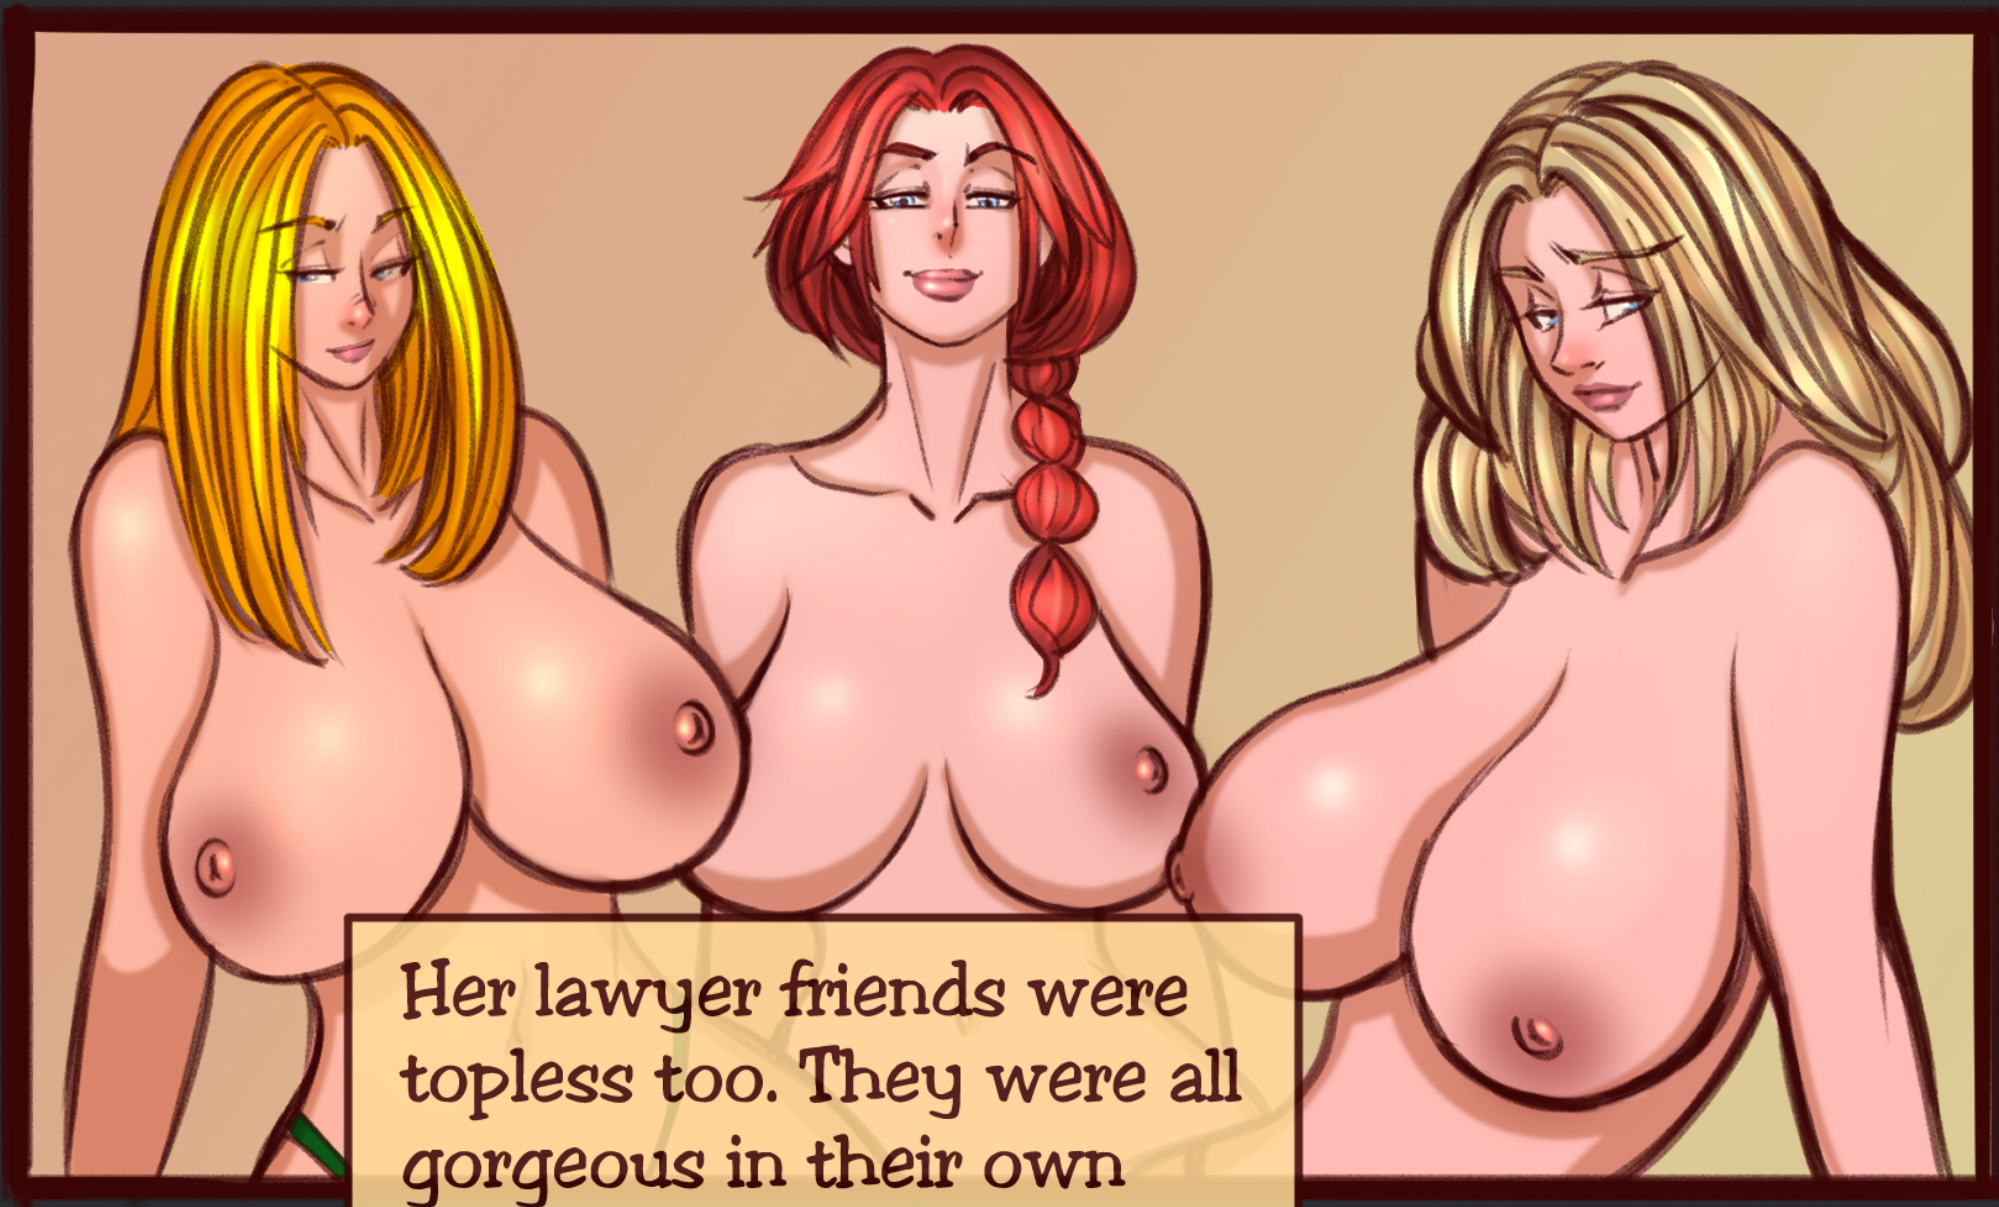

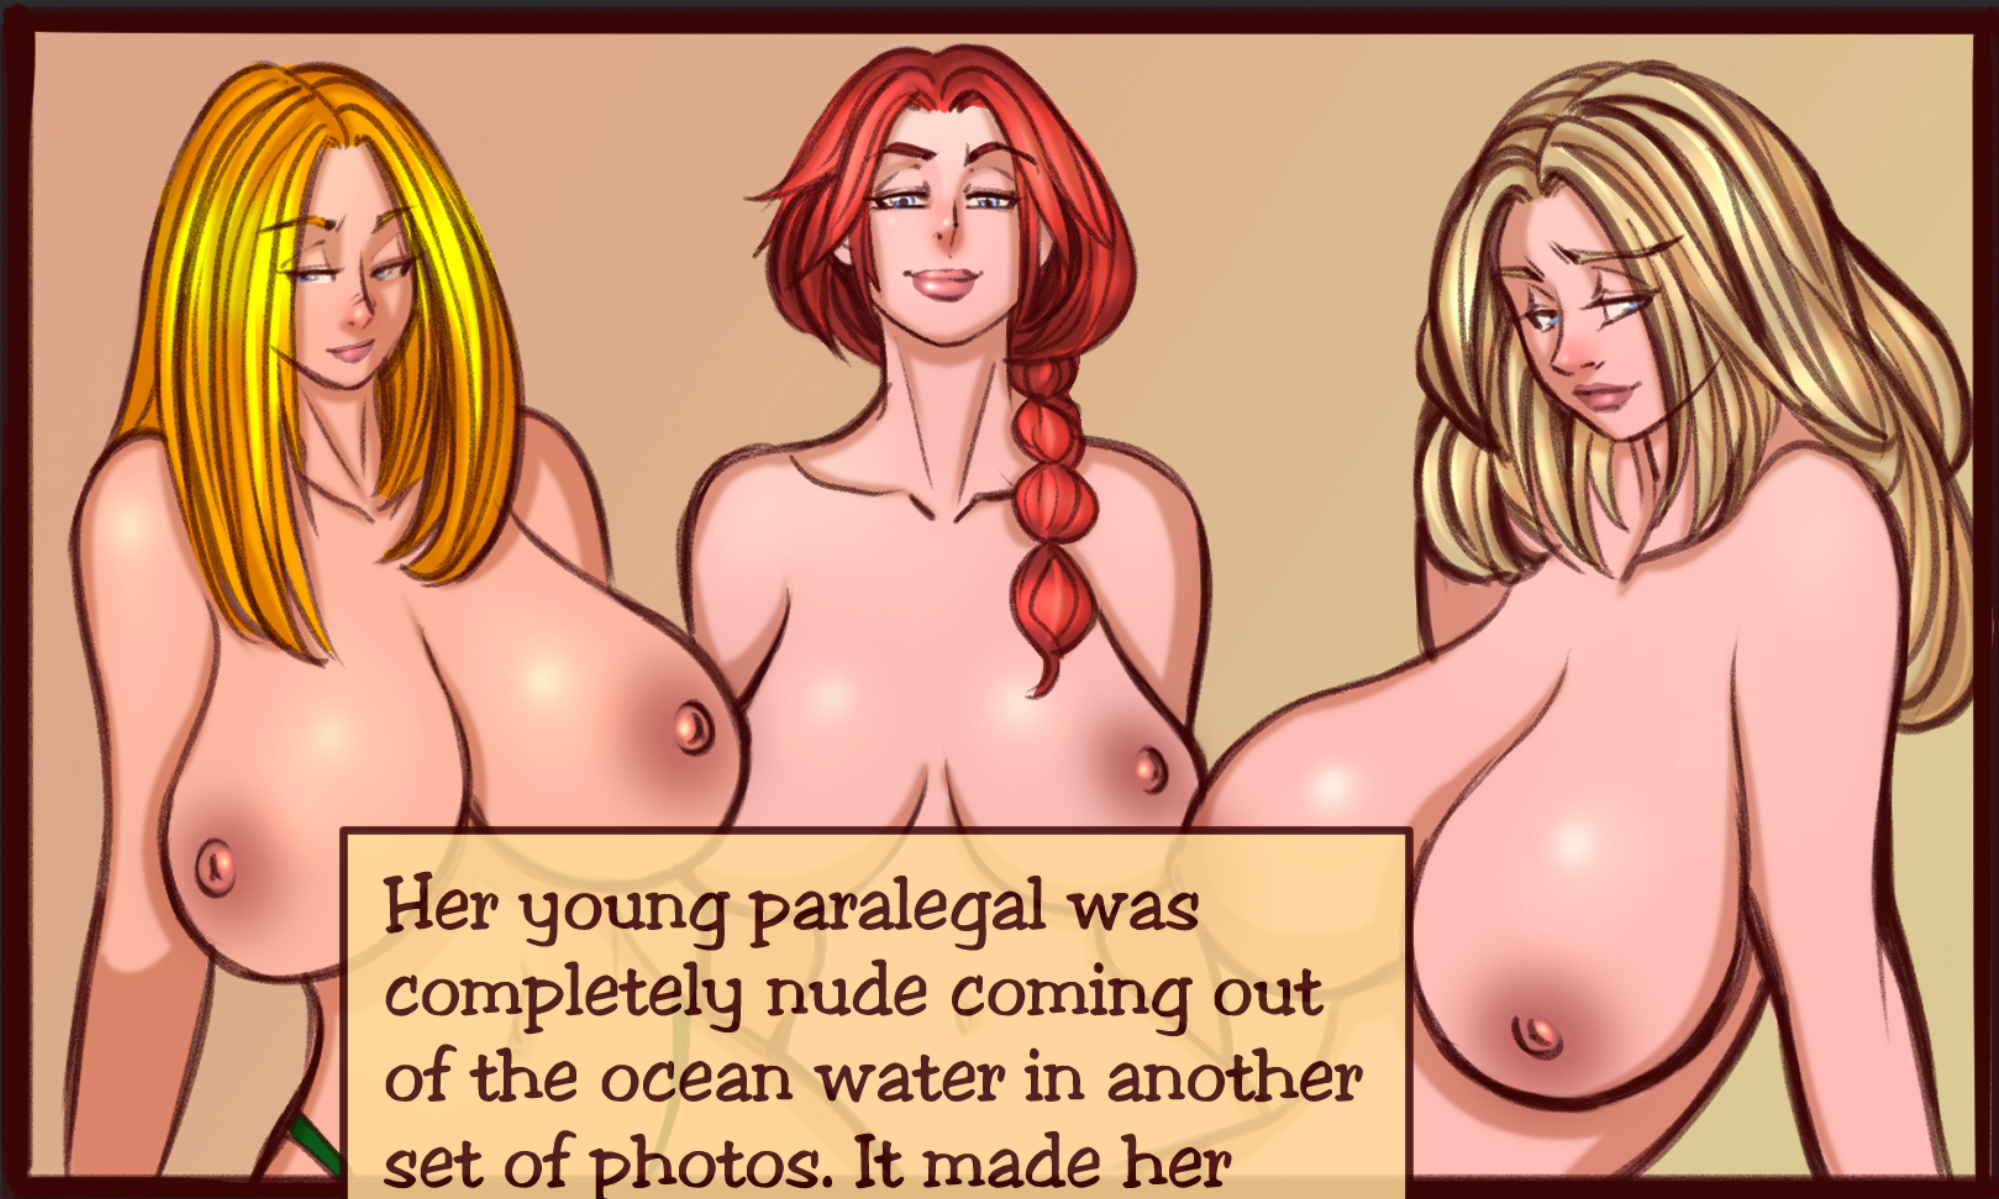

There were images of her 50-something year old mentor, topless on the beach with a smile on her face.

It was the most natural thing in the world to that lady.

Her lawyer friends were  
topless too. They were all  
gorgeous in their own  
ways.

Her young paralegal was completely nude coming out of the ocean water in another set of photos. It made her aroused just looking at them.

The final picture was her favorite. It was a picture of her, mostly naked together.

She could hardly believe that she had agreed to pose topless in a public area, let alone with a big smile on her face.

She could hardly recognize herself. She never thought she'd be so brazen and comfortable with her body.

But these were  
her secrets.

She was about to turn off her laptop when she took a final look at the images she had sent her son.

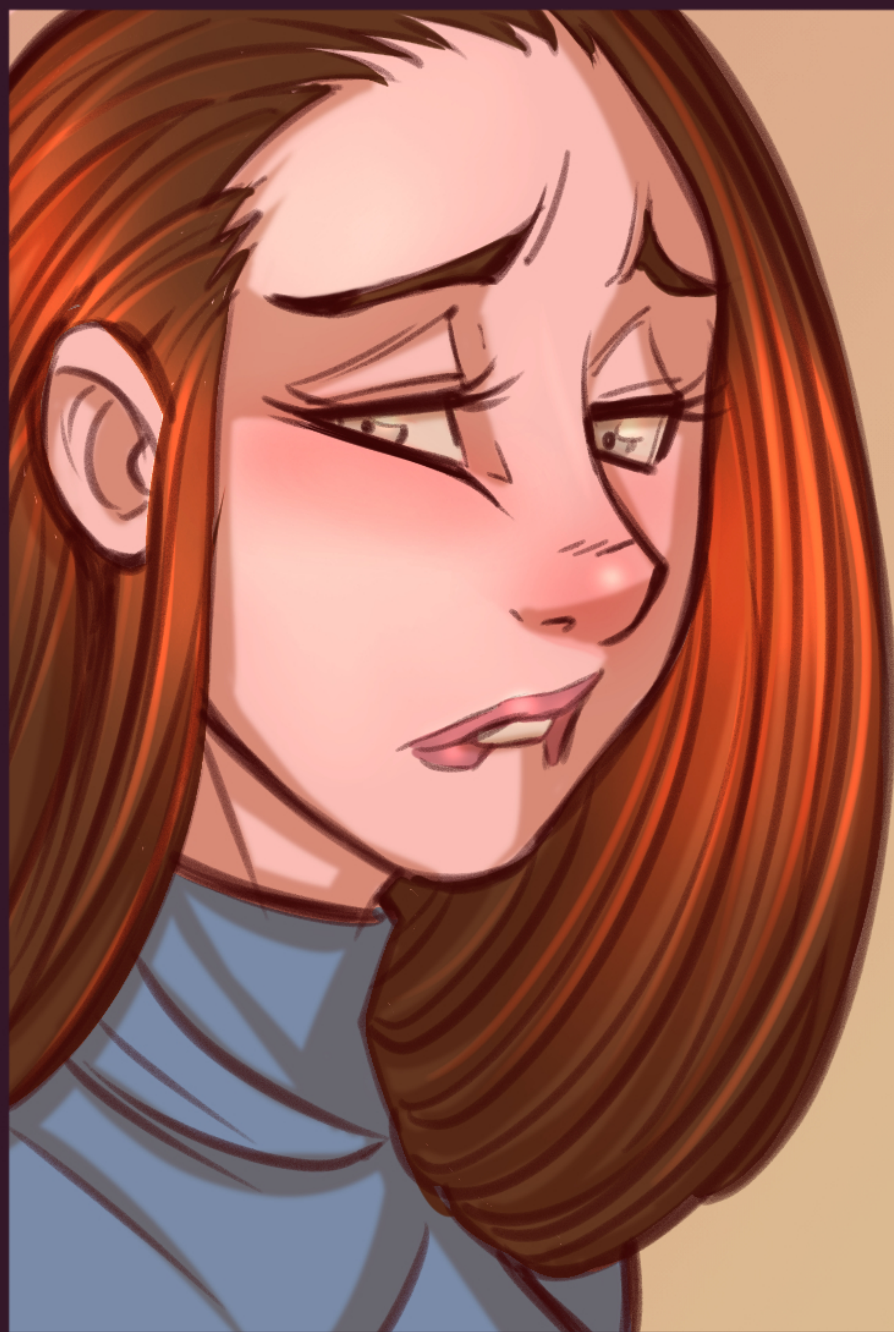

Her jaw dropped, almost in horror, when she looked at the last picture.

A woman with long, straight brown hair is shown from the chest up, looking at a laptop screen. She has a shocked expression, with wide eyes and an open mouth. Her right hand is raised to her chin. She is wearing a blue turtleneck sweater. The background is a plain, light-colored wall.

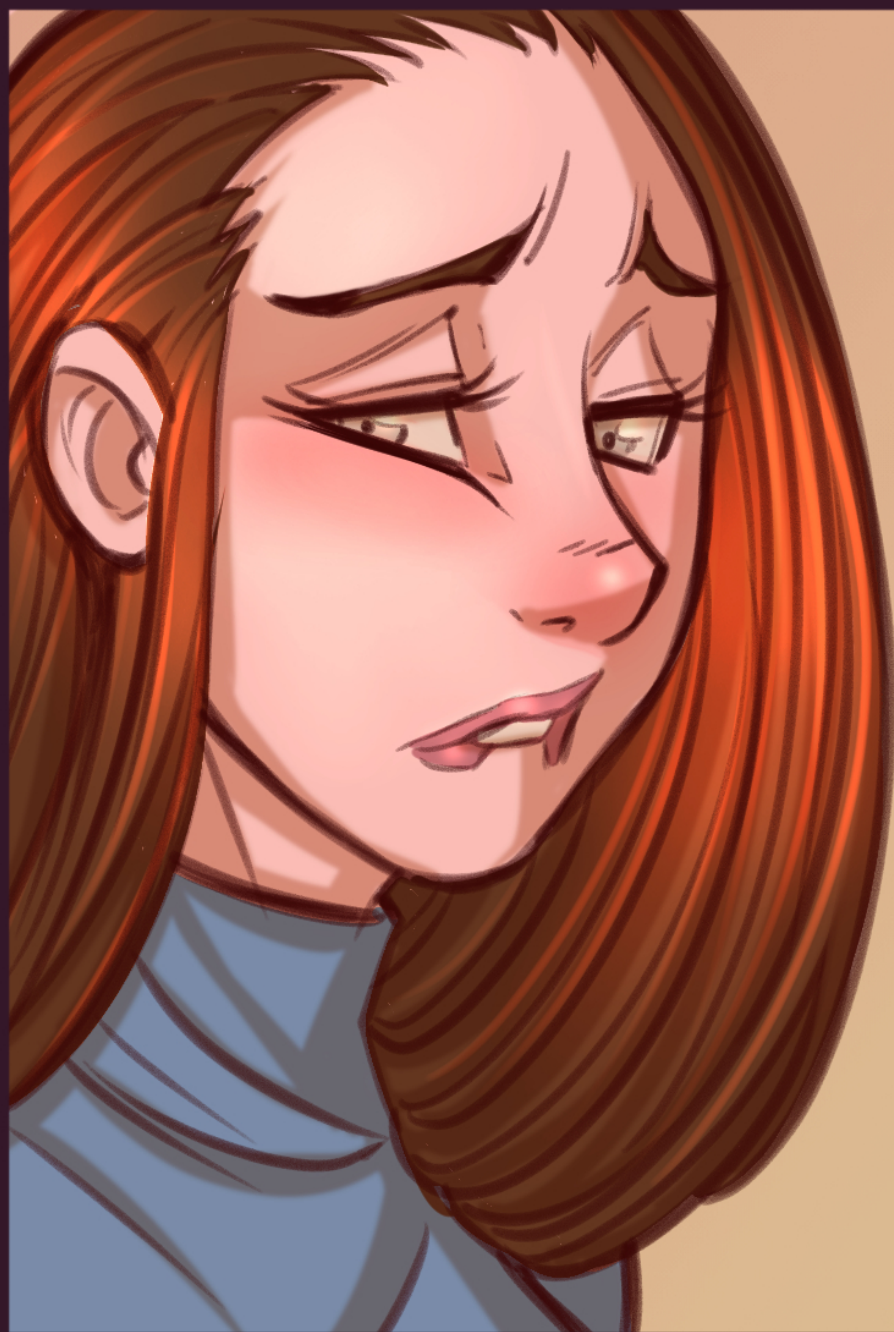

She had accidentally sent  
the topless group photo  
to her son!

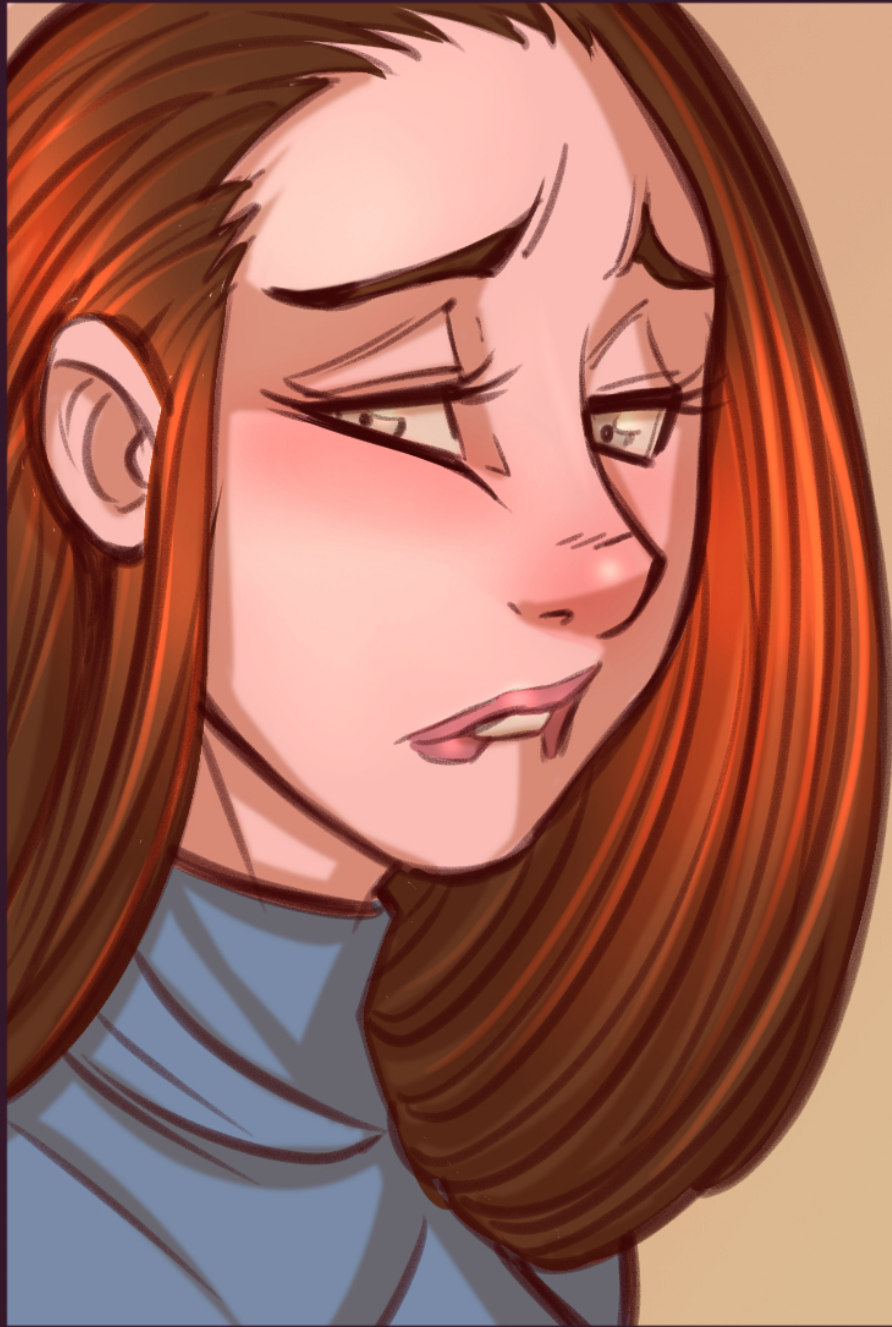

She couldn't believe her luck. In the midst of all her successes, both spiritually and with her career, Bradley had managed to see her vibrator and her breasts.

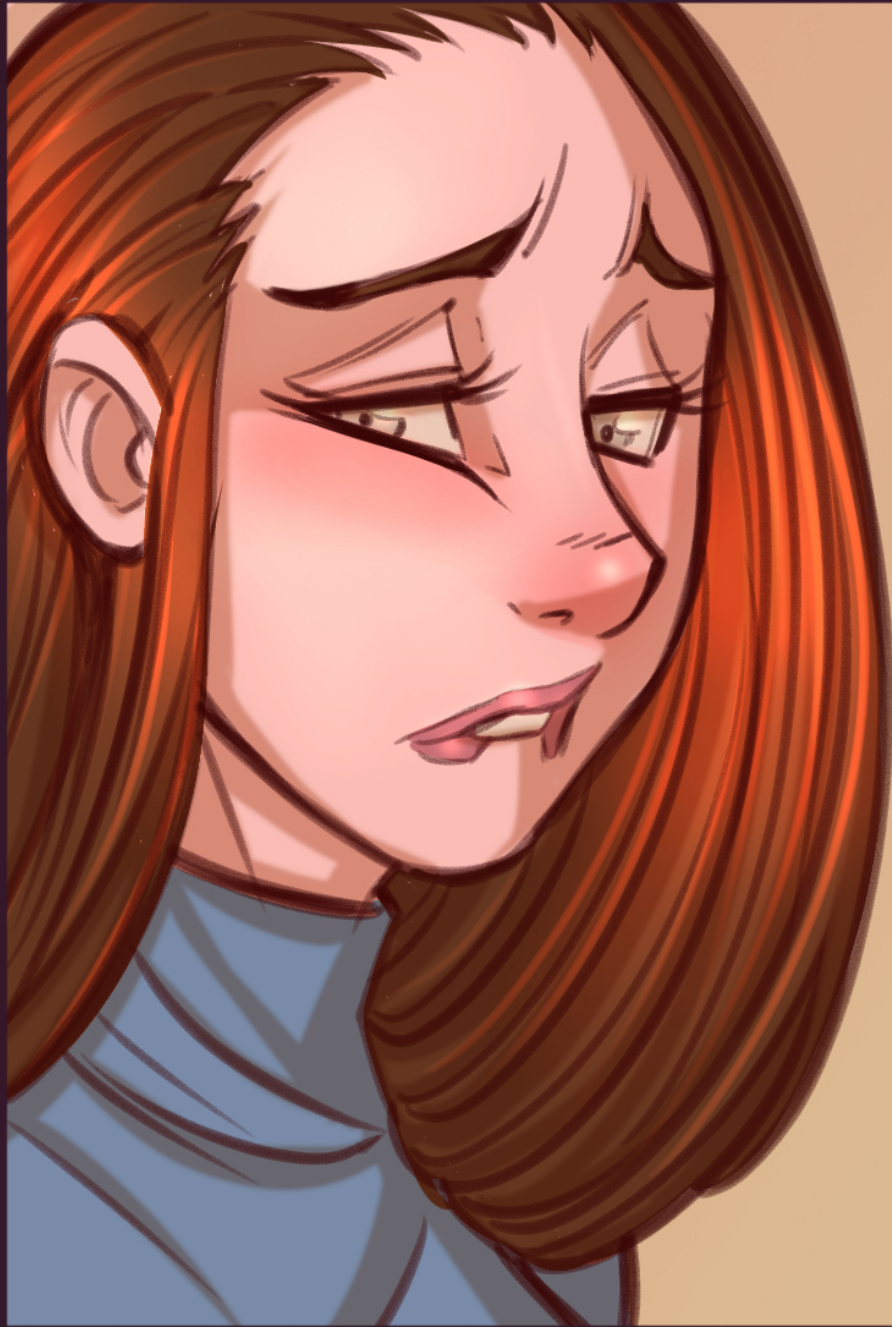

It was a blessing and a  
curse. And it was too late  
to take any of it back.

She tried to look on the bright side, that they're just tits.

But she was a traditionalist who believed that there are some things a son shouldn't see.

Strangely, she could feel her heart racing at the idea that her son would be seeing her topless on the beach.
