CHAPTER 06

"Care to fill me in?"

he asked cautiously.

"You don't want to know."

"After everything you've told me so far?"

he asked, trying to pry the secrets
out of her.

She thought for a moment,
looking out into the view.

"You remember
my paralegal,
Christine, don't
you?"

"Yeah, I remember
meeting her. She's
great."

"She's also a
lesbian."

Sophia was amused by her son shifting around. He even had to cover his shorts to hide a potential bulge.

"Really? I wouldn't have guessed."

"Neither would I," she replied.
"As it turns out, Christine is very fond of women. Especially older women. It's her favorite."

"Now this is getting interesting," he joked, unsure of what else to say. She smiled, "It's about to get even more interesting."

"We rented a small boat
and took it out to sea.
All of us were naked."

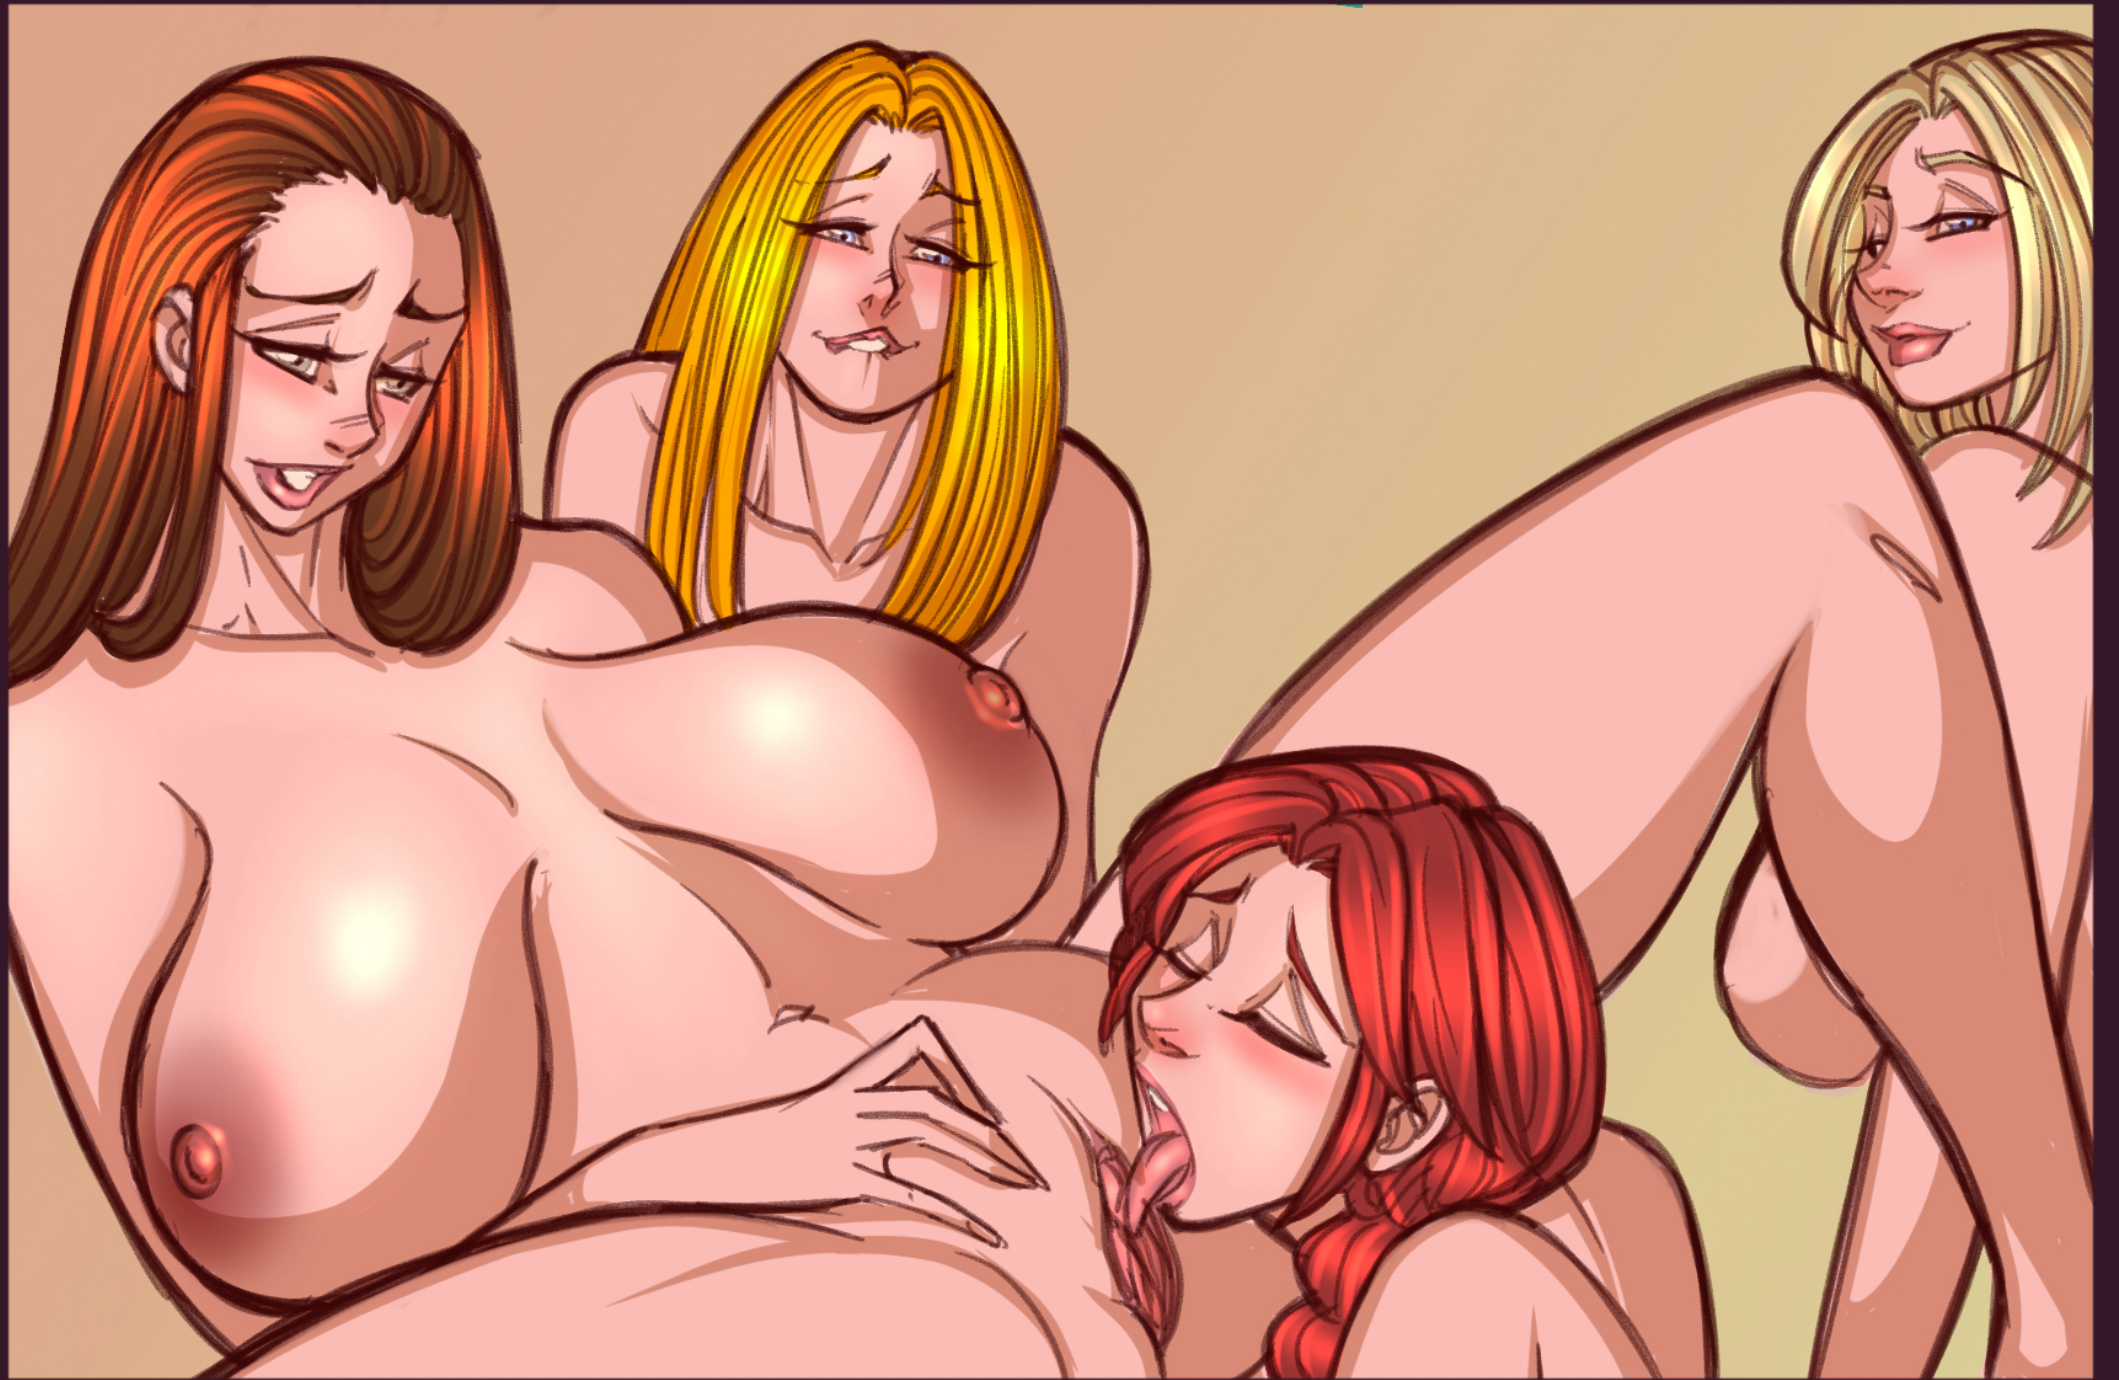

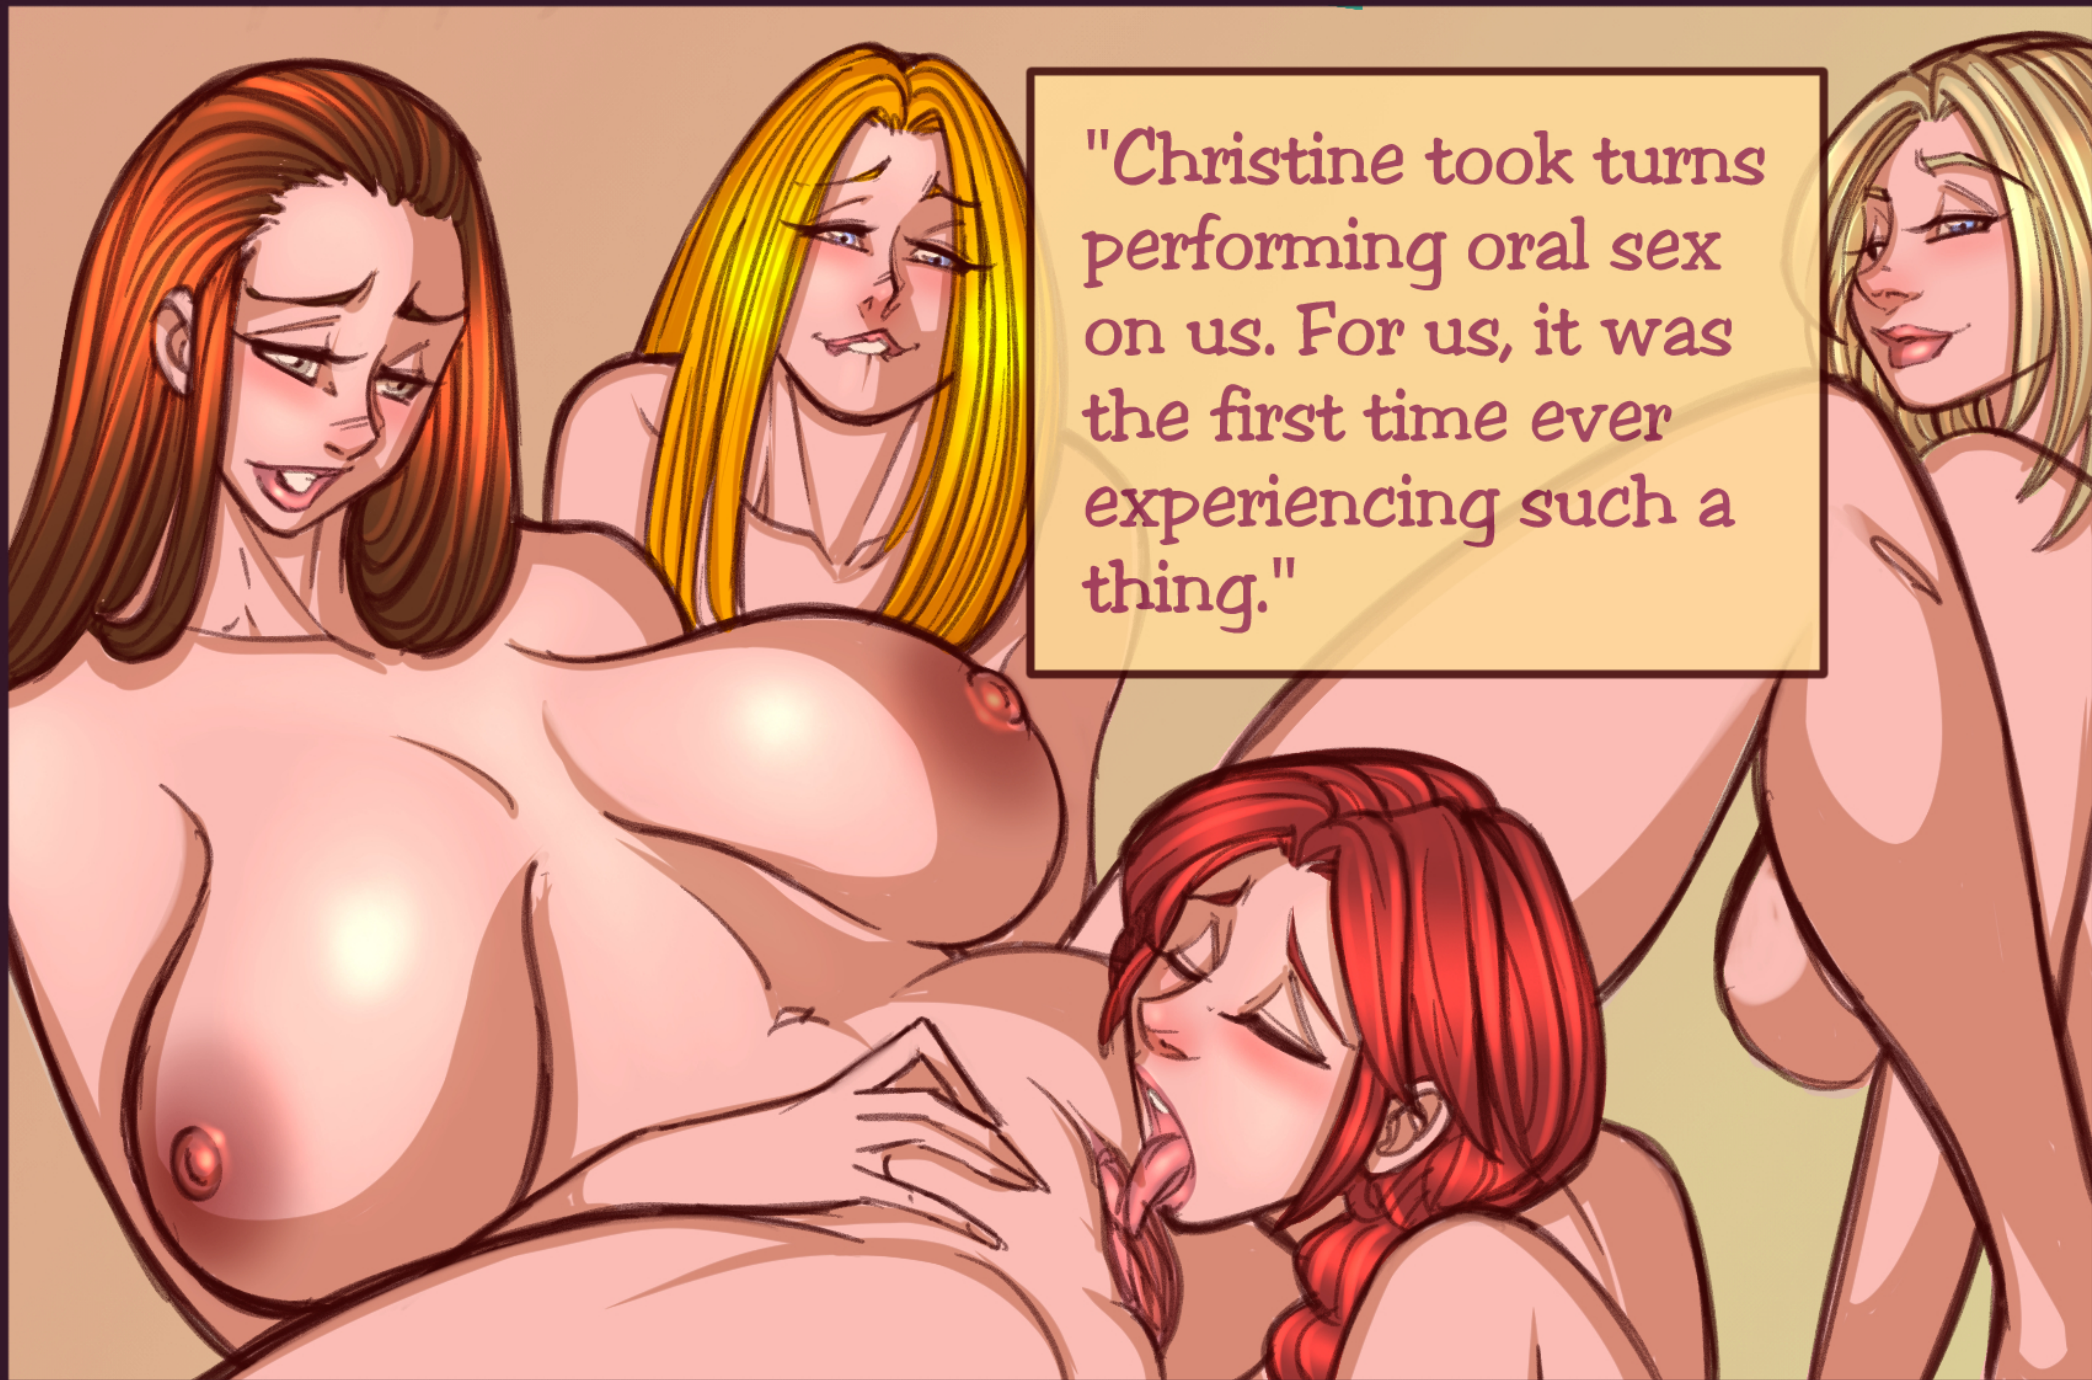

"Imagine that, a group of female legal professionals, naked together in a boat."

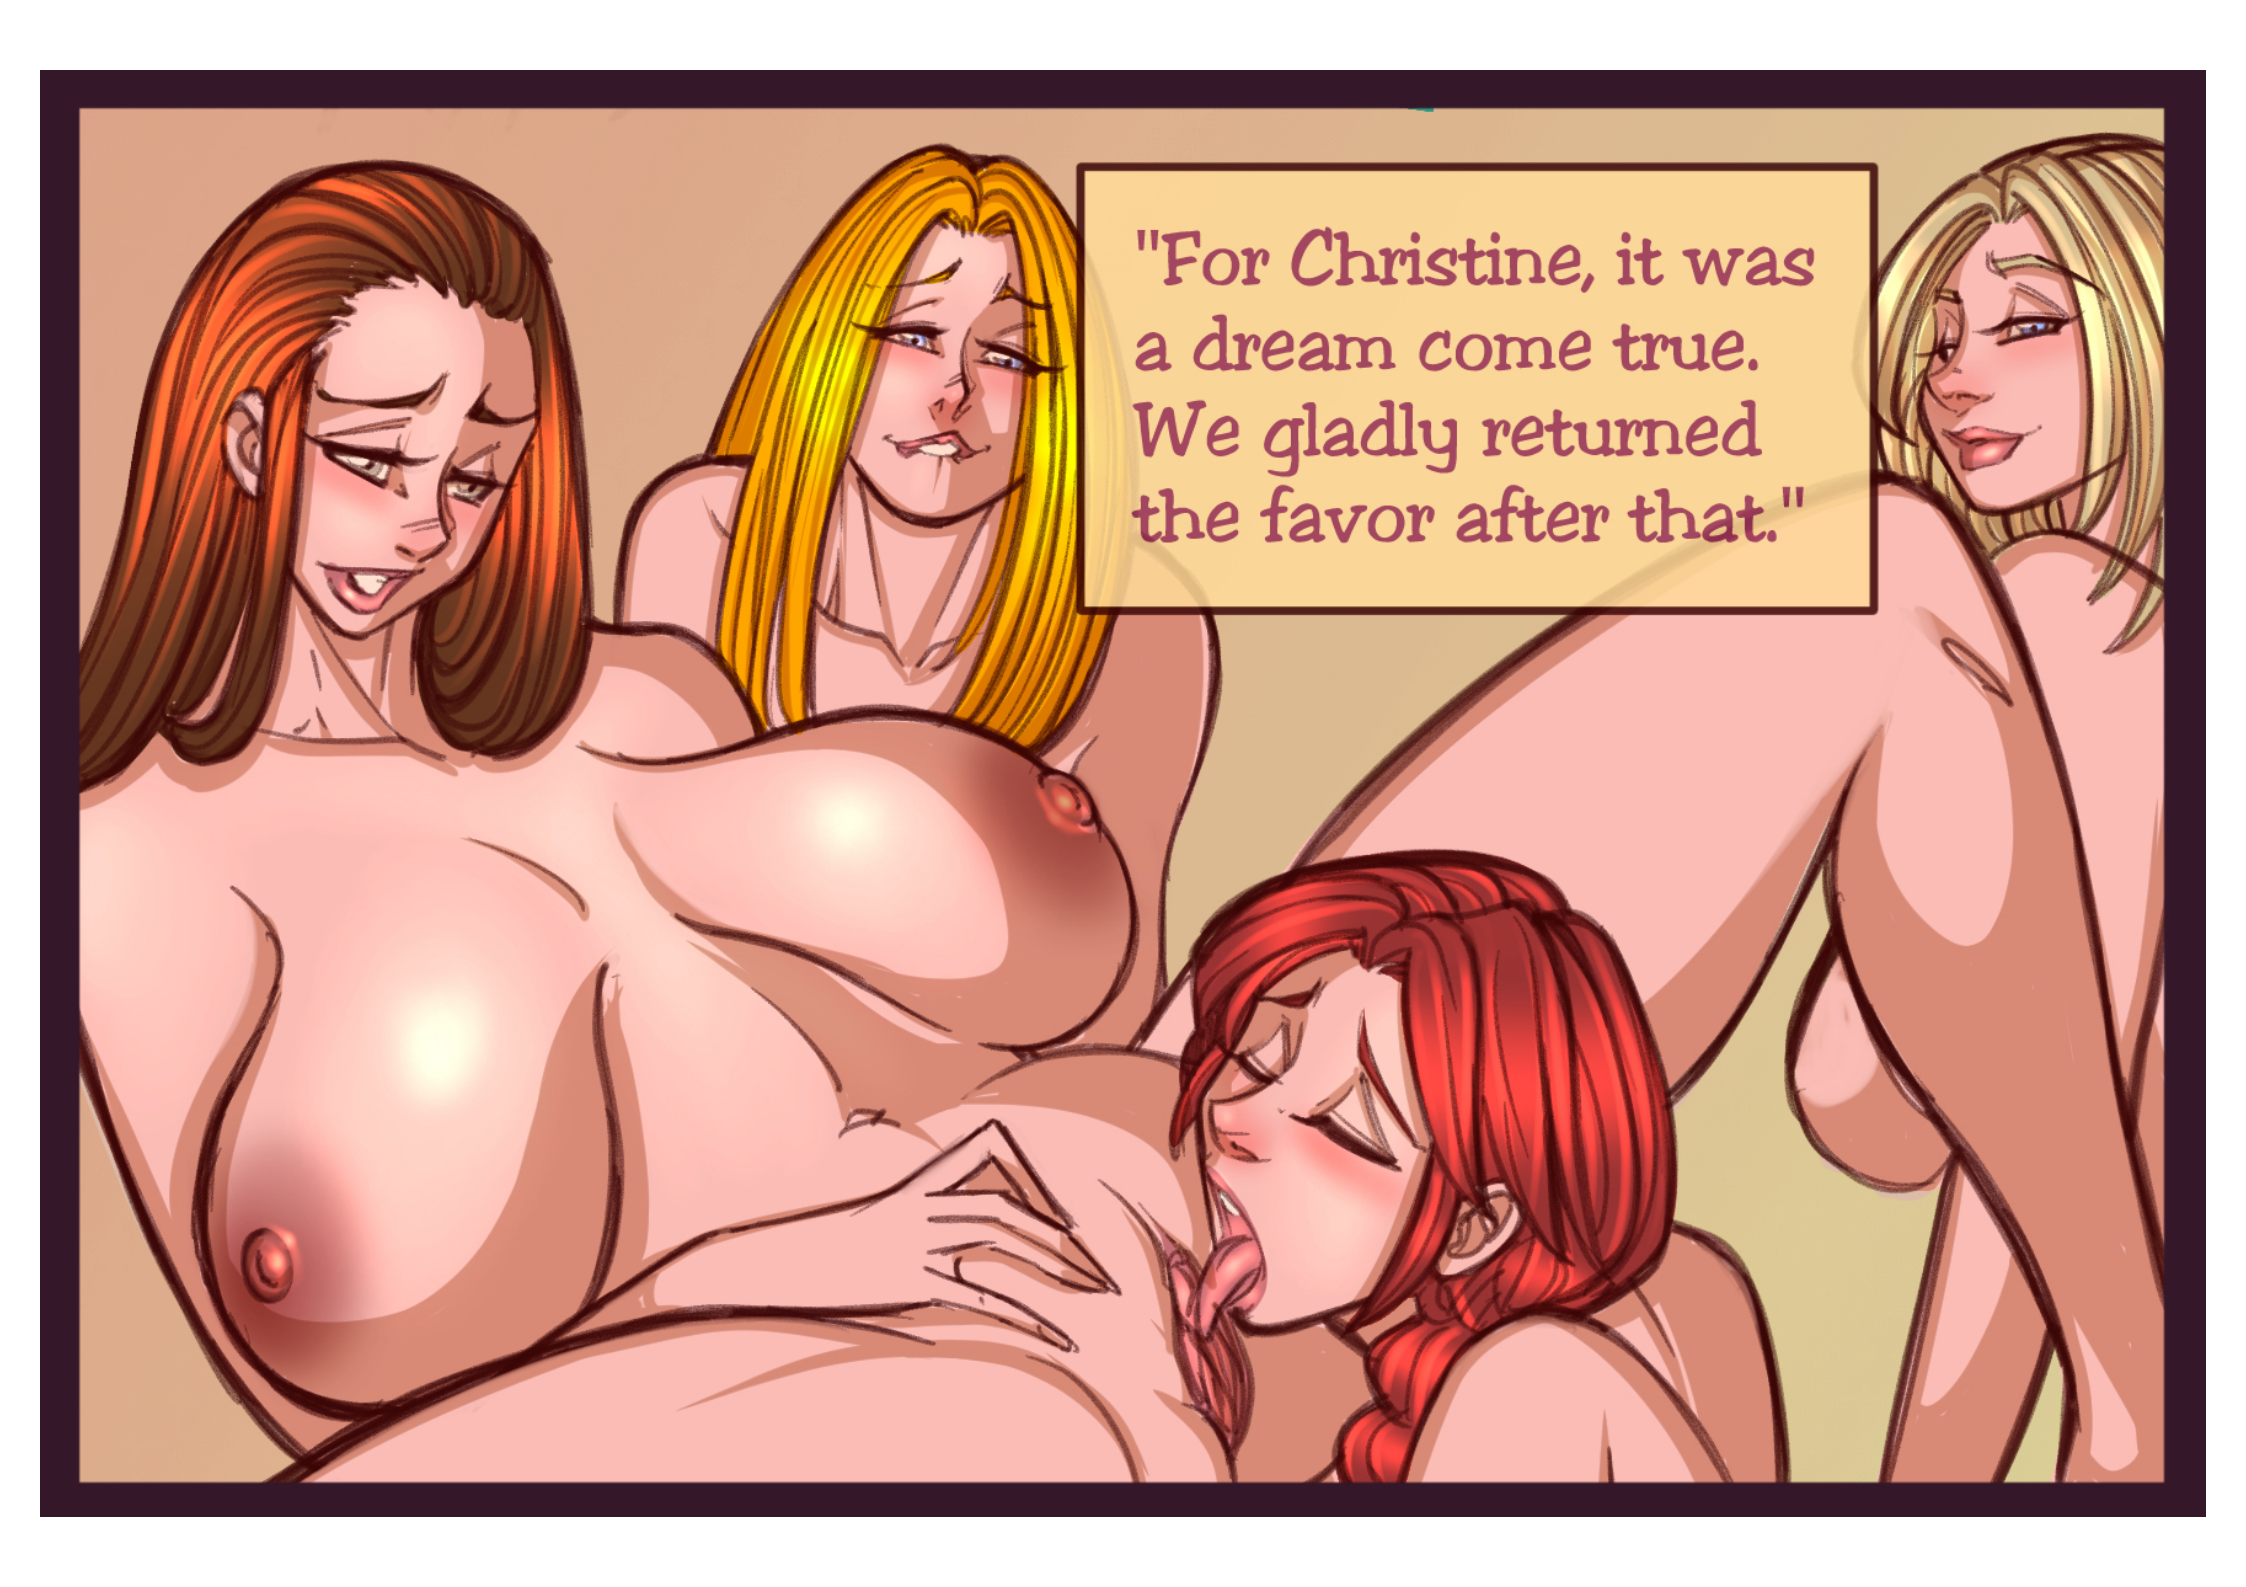

"What do you think
happened next?"
He gulped,
"I don't even want
to guess."

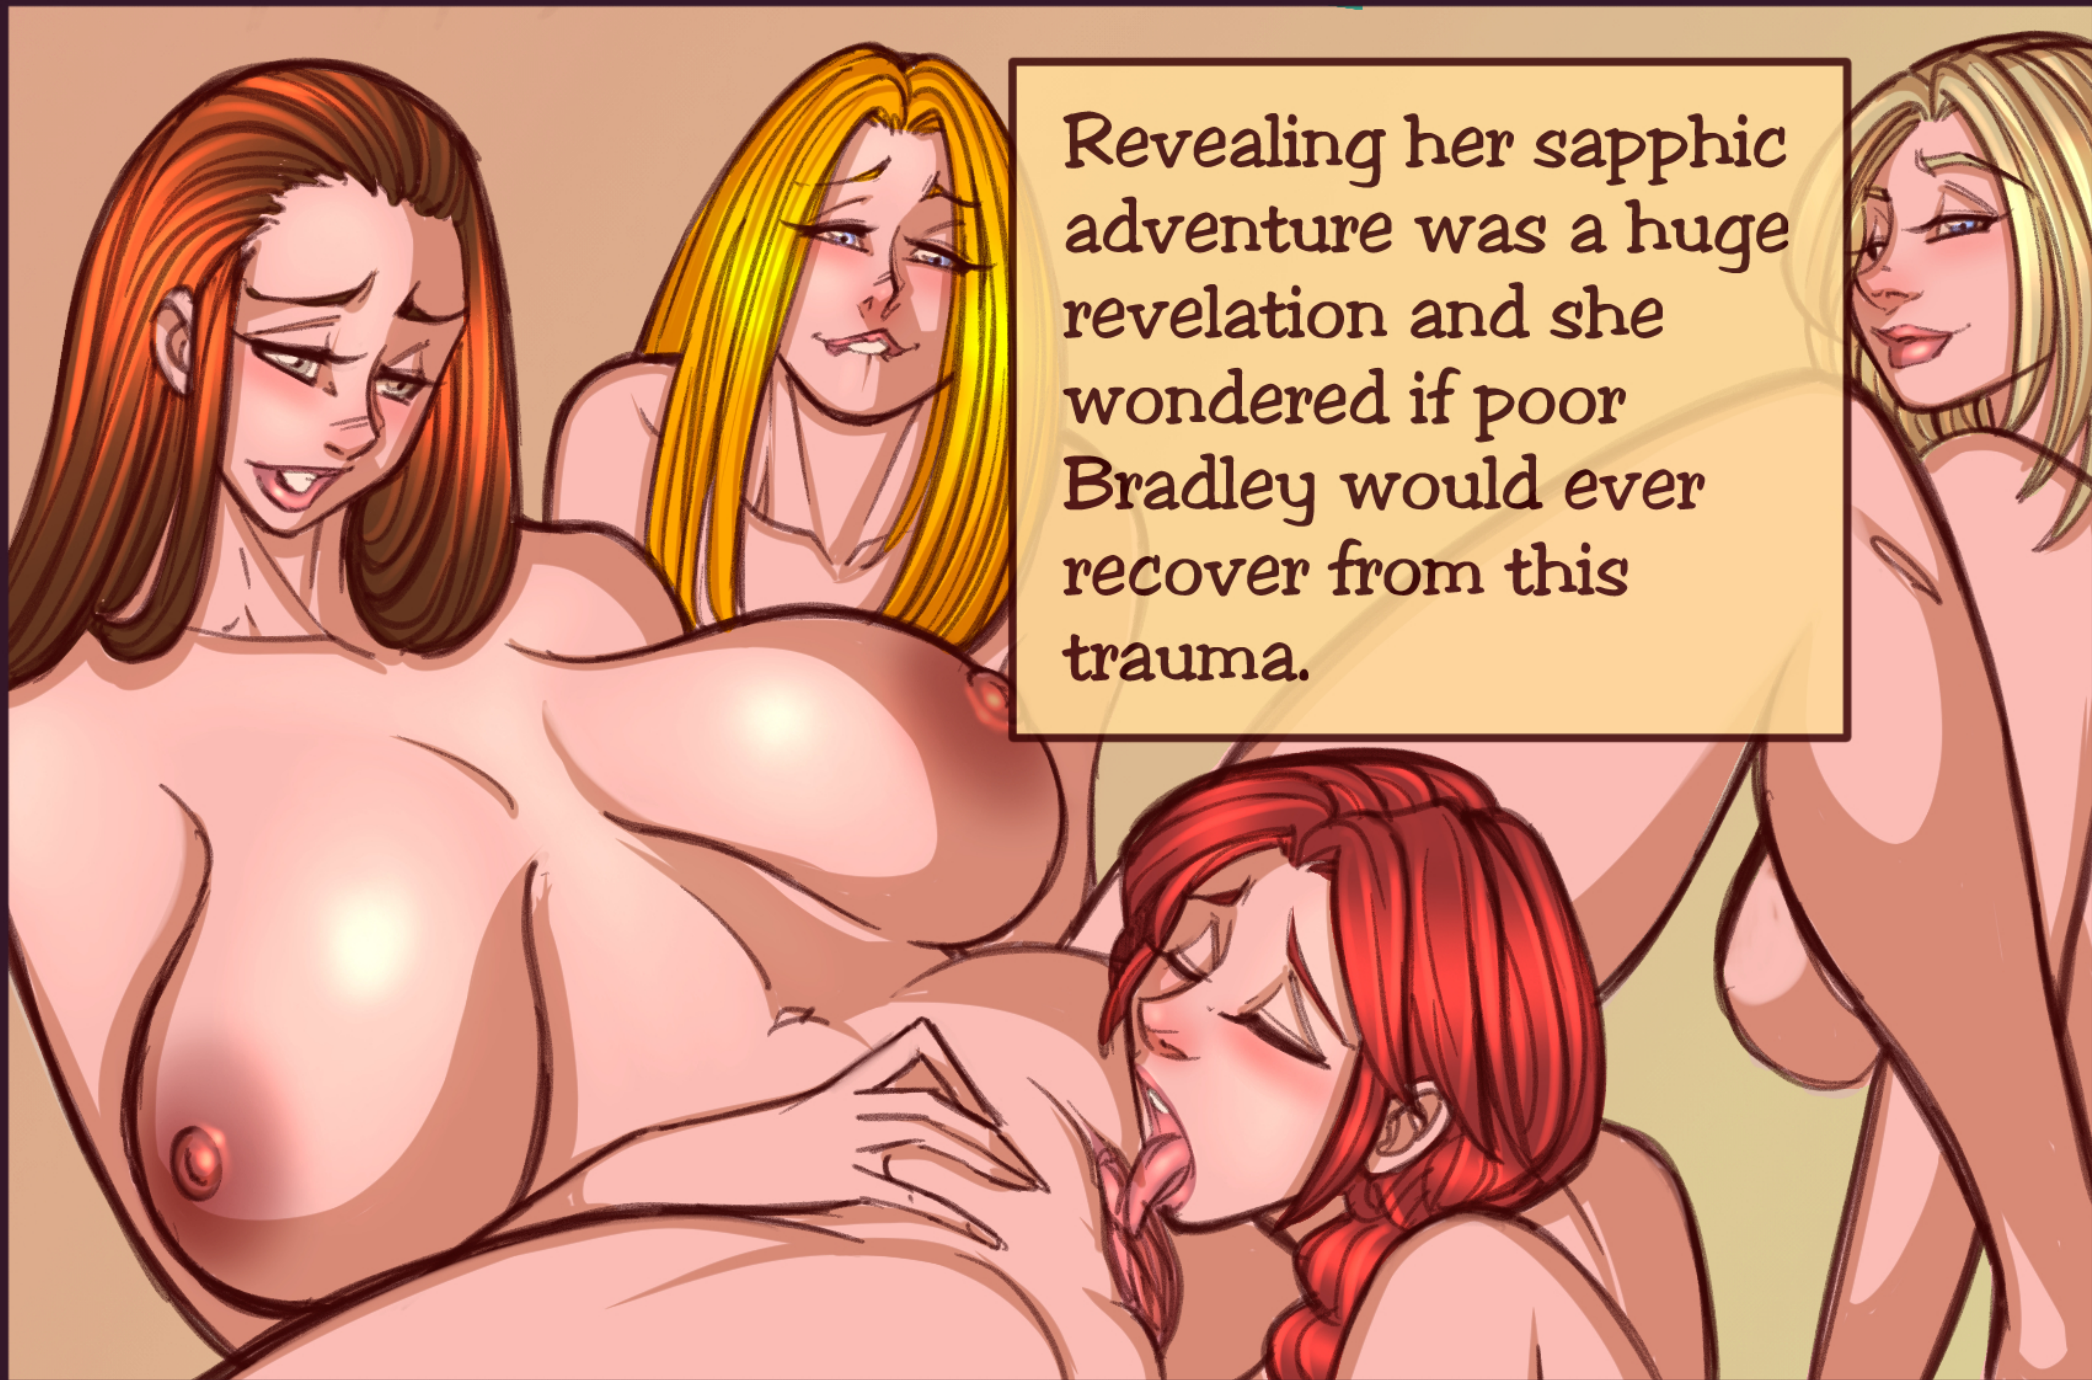

"Christine took turns performing oral sex on us. For us, it was the first time ever experiencing such a thing."

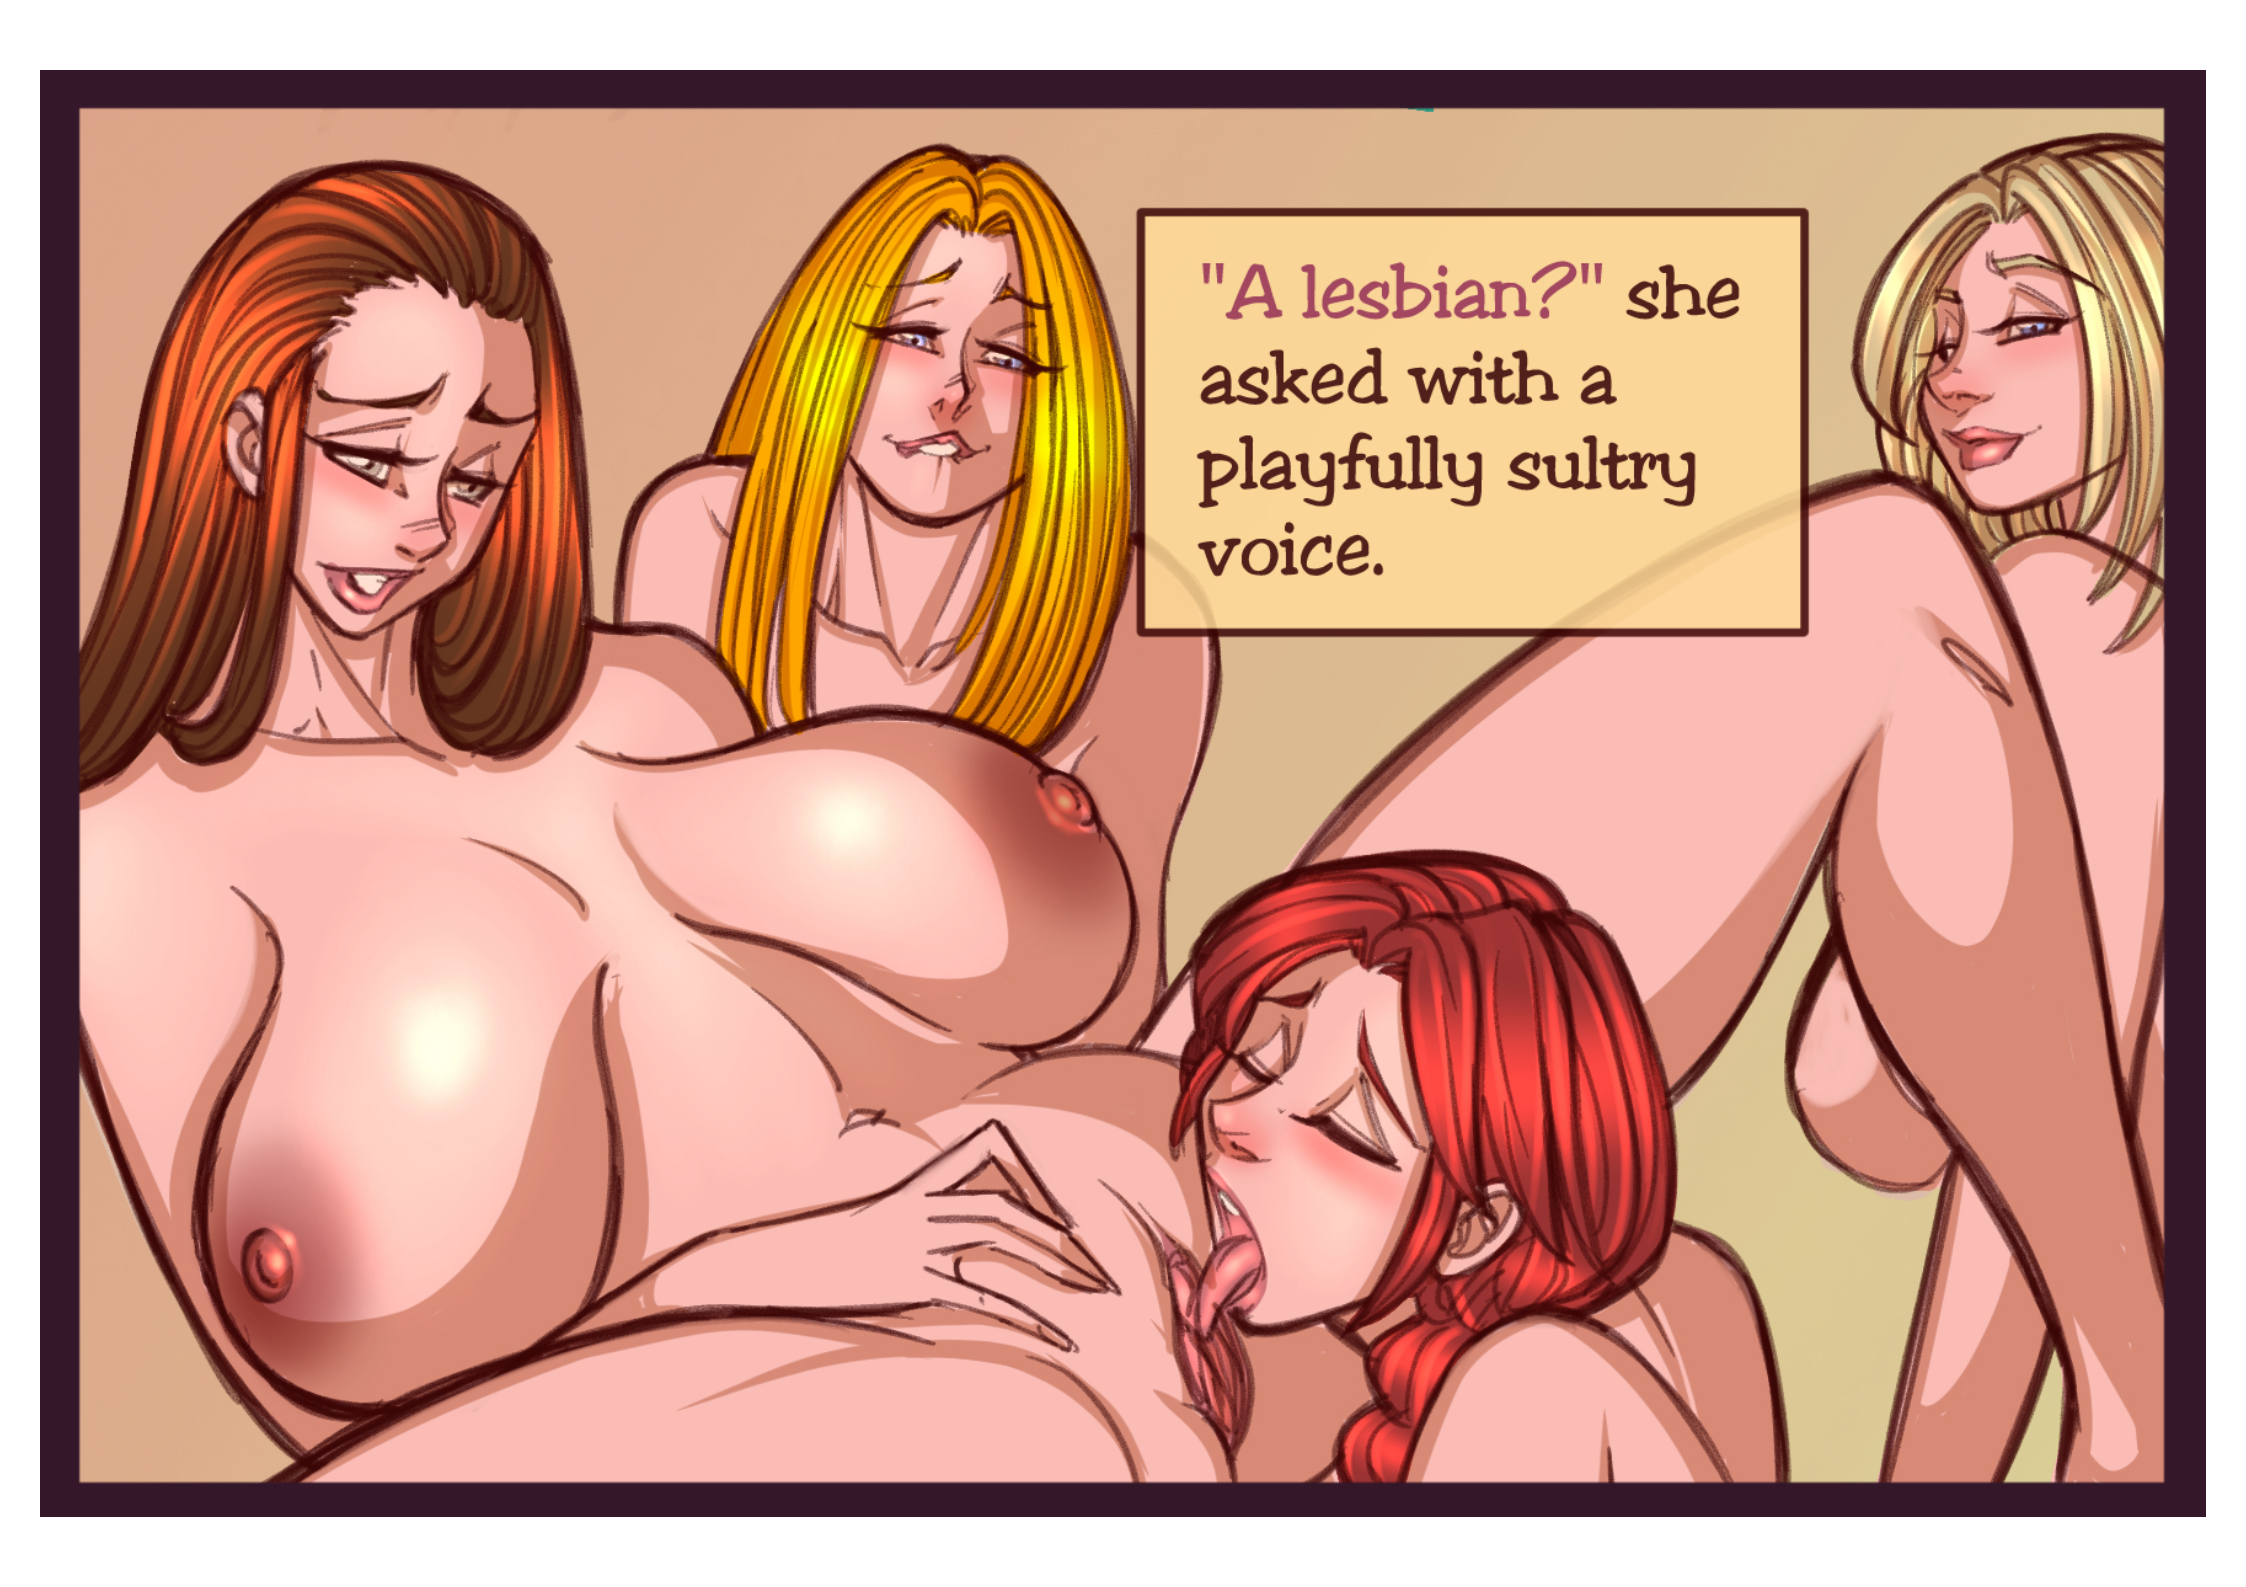

"For Christine, it was a dream come true. We gladly returned the favor after that."

Revealing her sapphic adventure was a huge revelation and she wondered if poor Bradley would ever recover from this trauma.

But in the end, she knew it only made him more aroused. "Are you a..." his voice trailed away.

"A lesbian?" she asked with a playfully sultry voice.

"No. I'm not. It was a chance to explore my sexuality and try new things. I wasn't going to refuse."

"I'm surprised."

"Me too," she
nodded.

"I'm only telling
you this because
I can be clumsy
with technology
and computers.

I always have a million things going on. So it might be inevitable that you see something that's shocking, like that topless picture I mistakenly emailed you."

"That makes sense."

"You don't seem
upset."

"We're both adults,"
he replied. "You look
good for your age.
Or any age. You
should be proud."

"Did you like
seeing my breasts?
Be honest."

He cleared his
throat.

"If we're being
honest, then sure,
I liked seeing it.
They're nice to
look at."

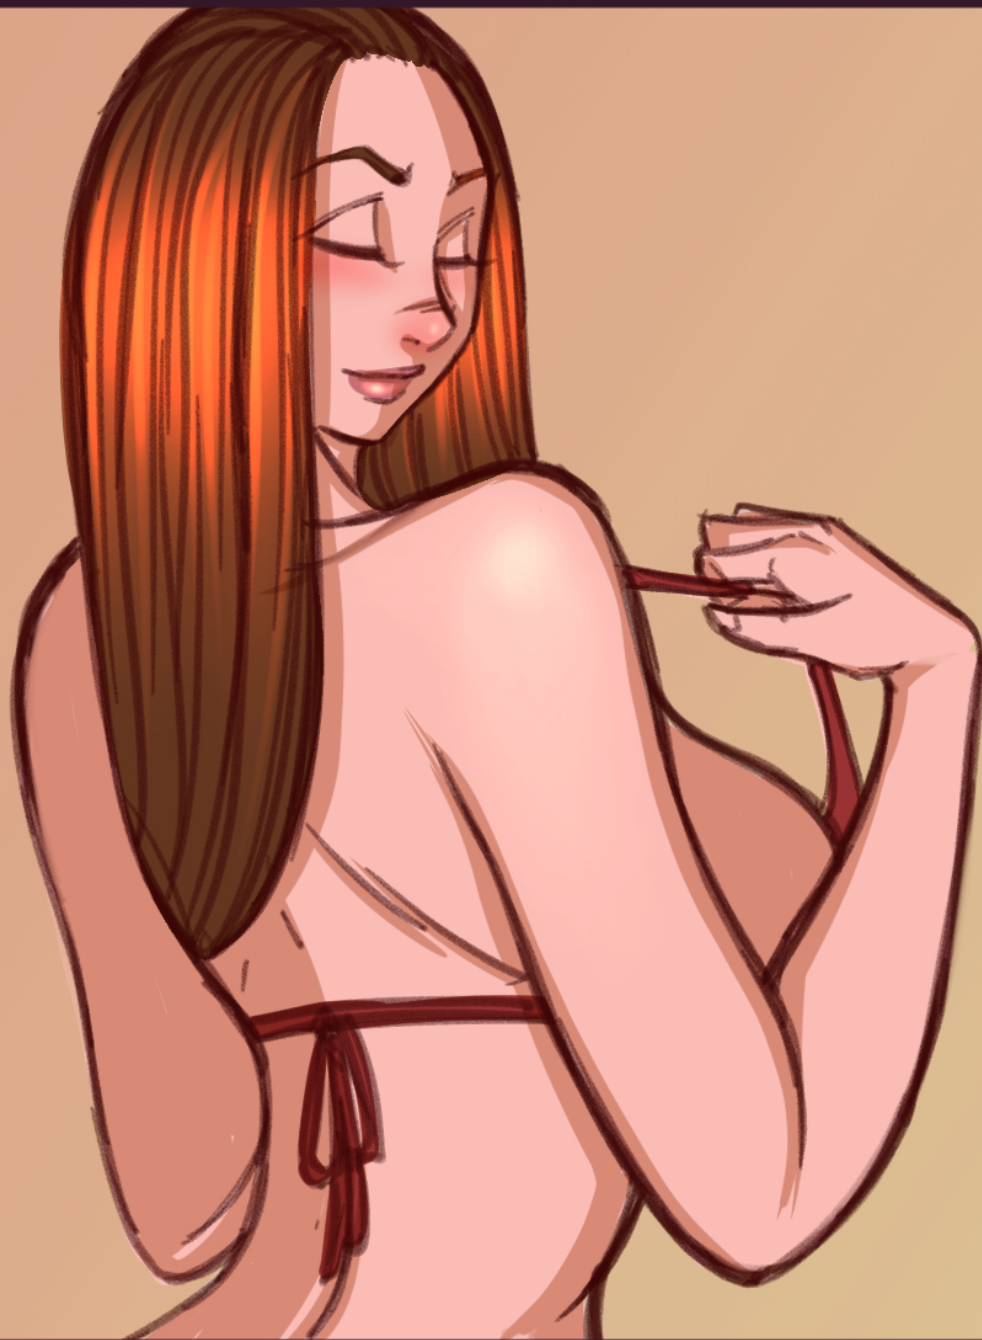

"Do you still look
at that picture?"

"Okay, I don't
think it's..."

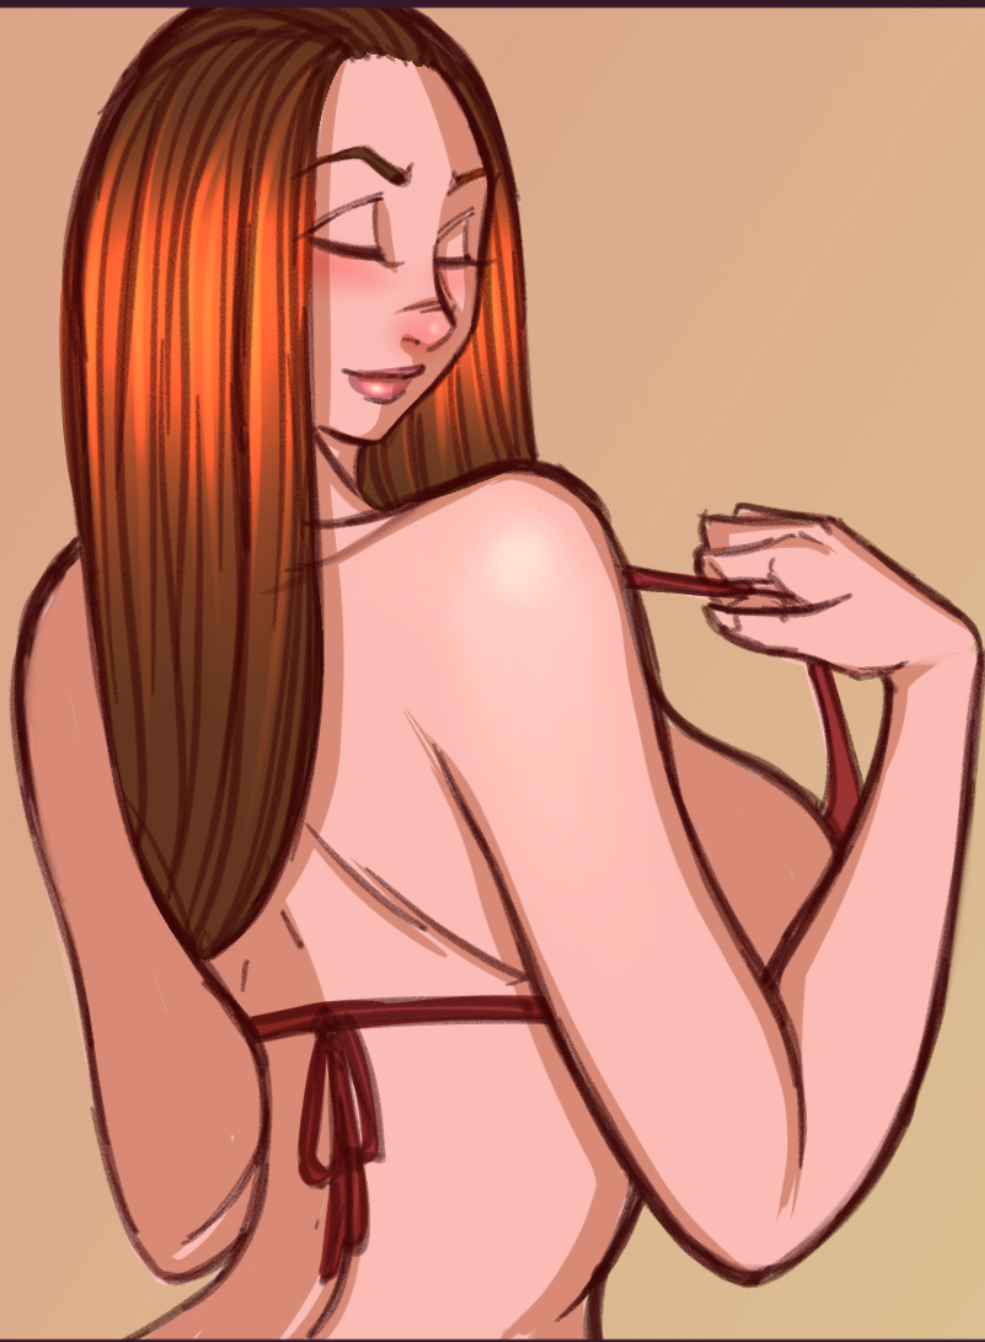

She cut him off.

"Would you mind
if I was topless
right now?"

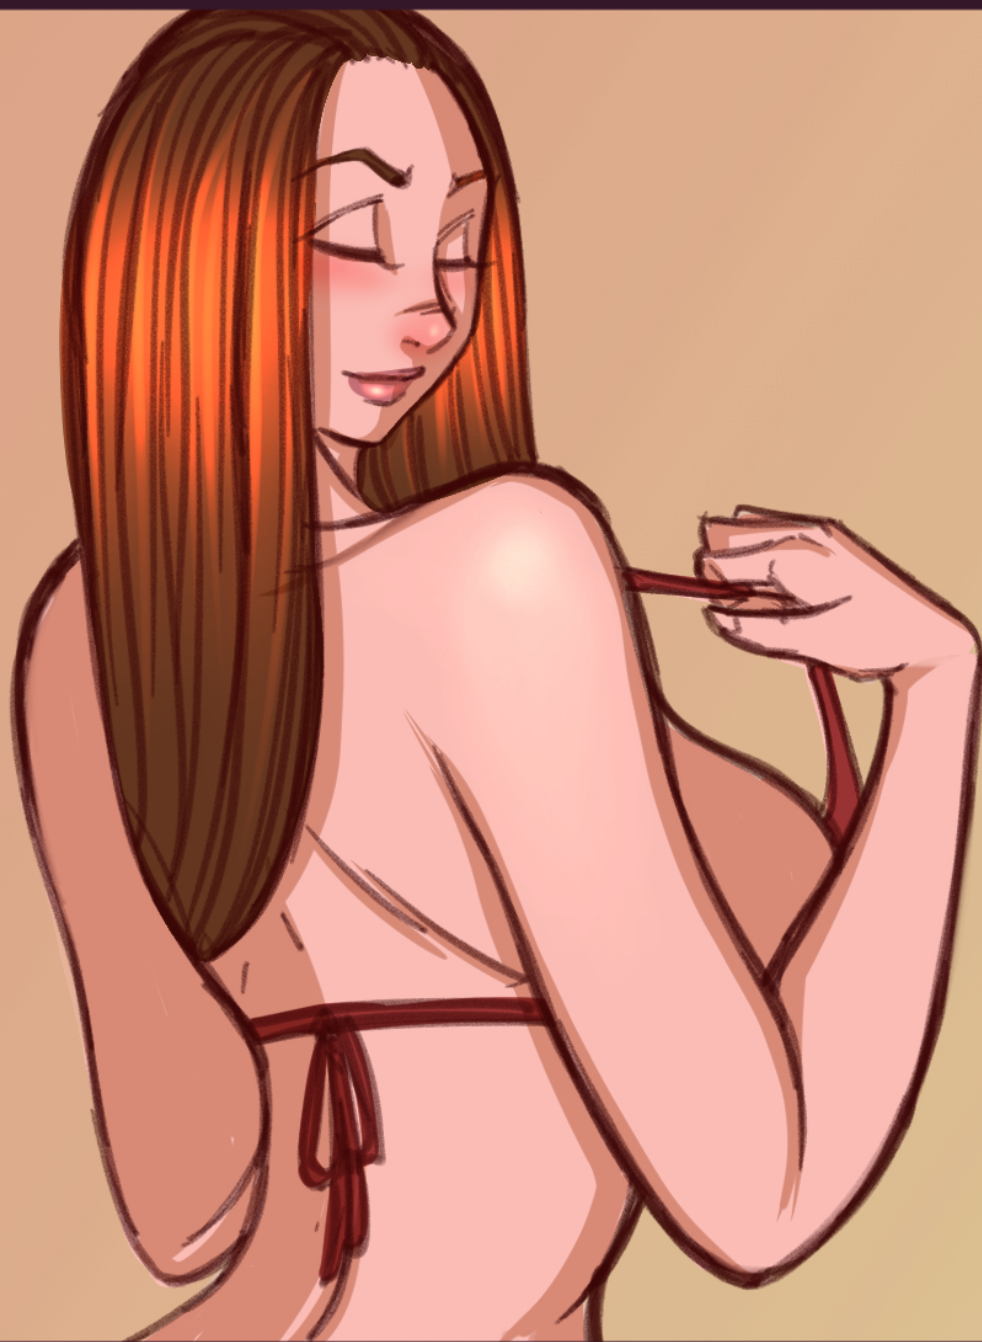

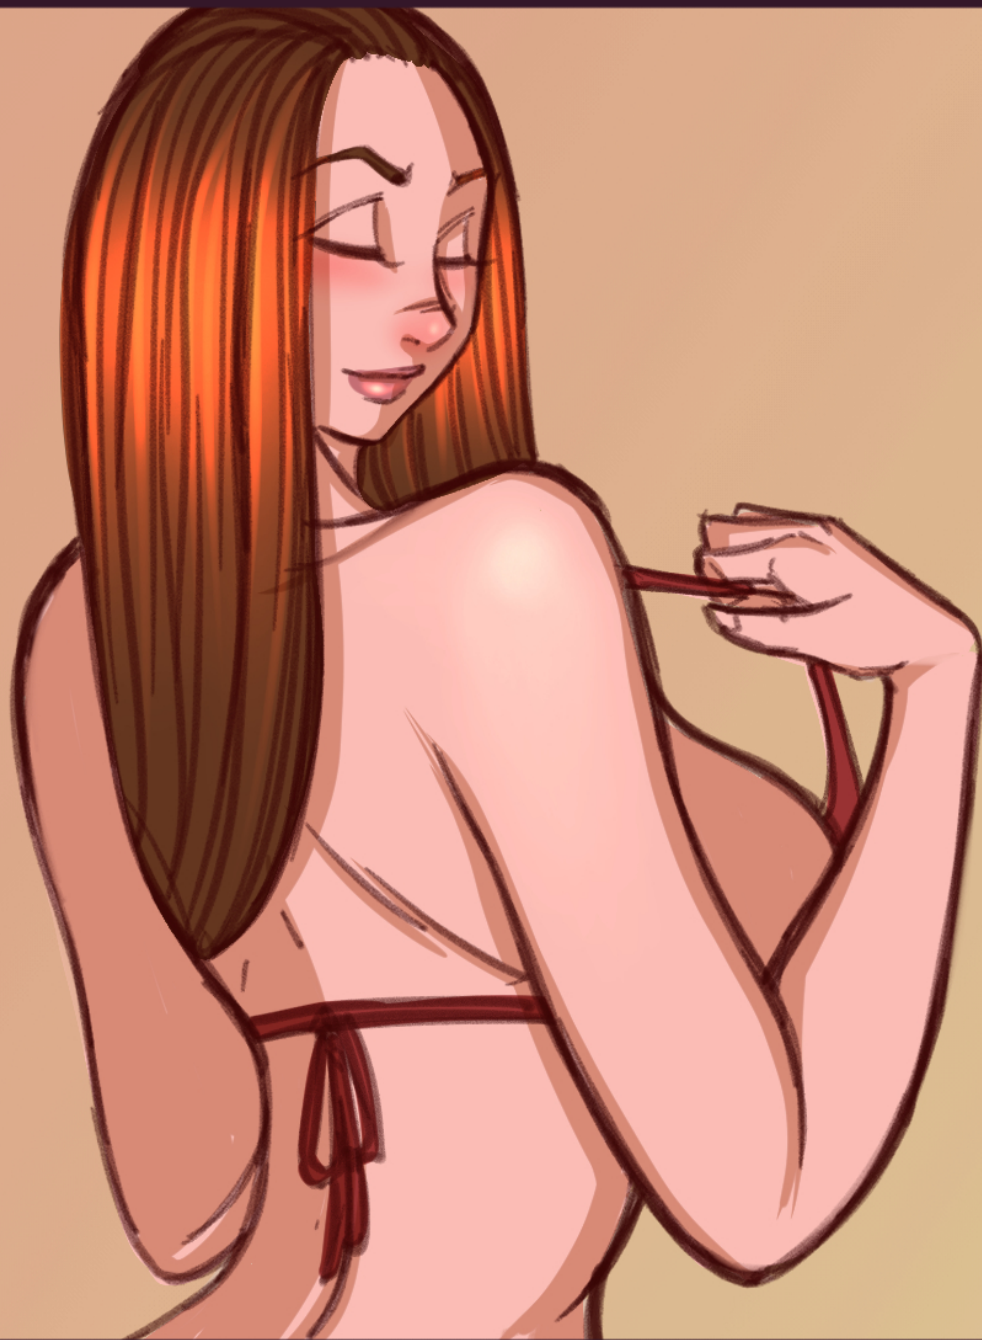

"I'd like to maintain my tan during the weekends. But I don't want to feel like I'm sneaking around to avoid you. It's a lot easier this way."

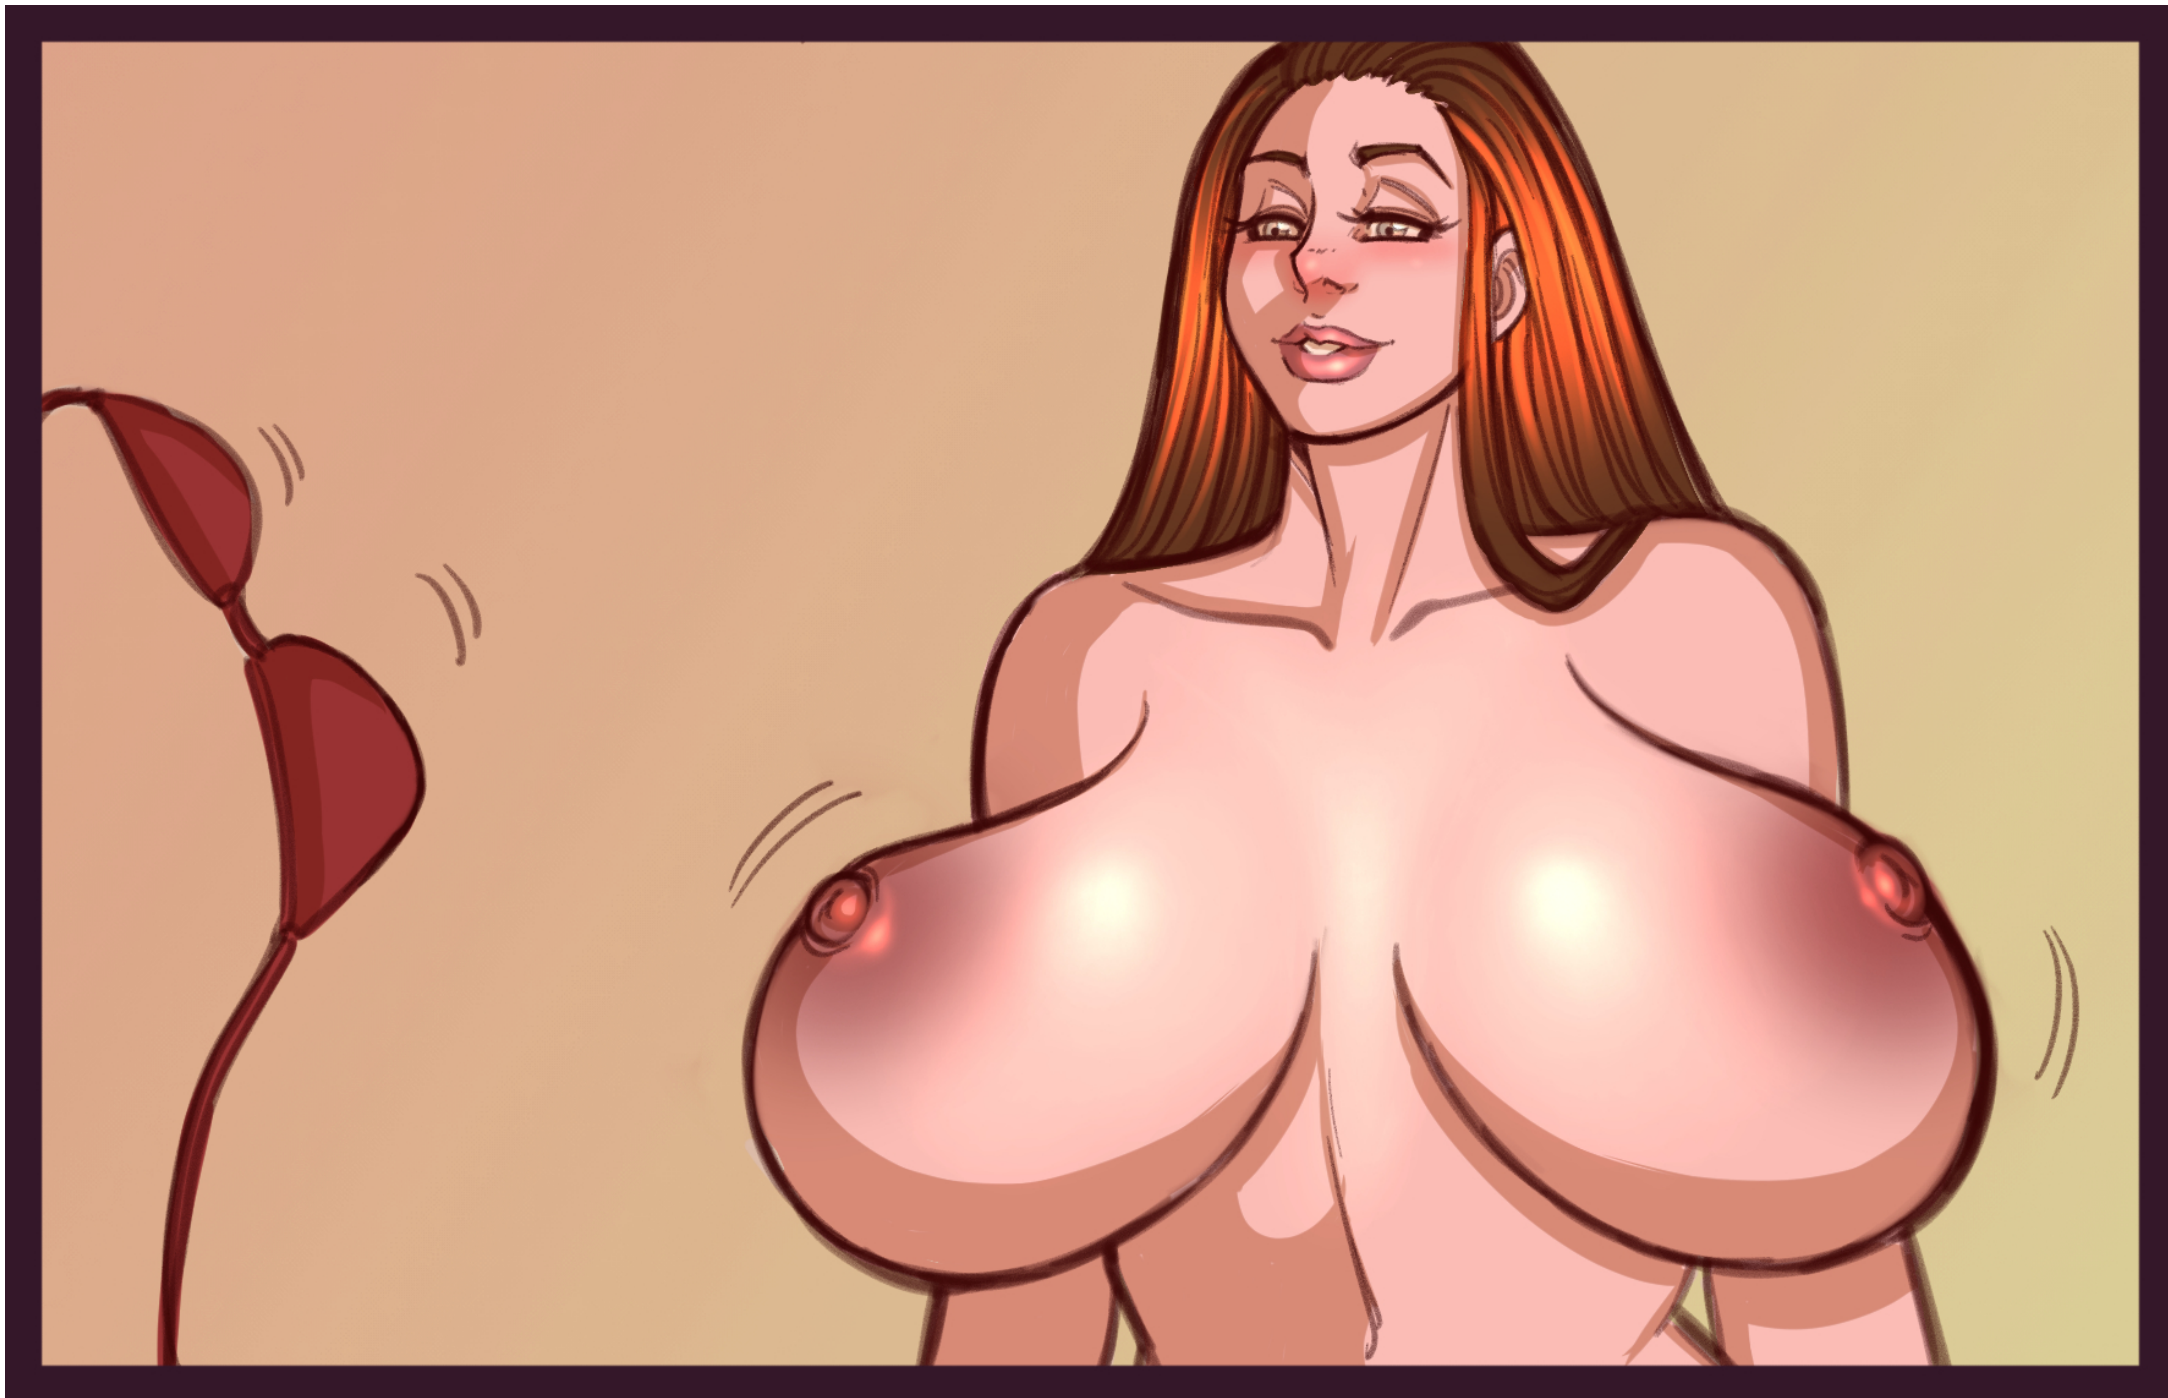

The moment of truth had arrived. "I don't mind," he cautiously replied.

"I already saw them
anyway, right?
And that tan looks
good on you."
She slowly nodded.
"Thank you."

She reached back and undid her bikini top. Then she put her hands in front of her chest and pulled her top away.

Her breasts were
free.

Her nipples were
hard. There wasn't
a single tan line on
her chest.

Her breasts had become used to being exposed to the sun.

"Would you mind
if this was the
new normal?"
she asked.

"Only on the weekends, of course, and in designated places."

"Mom, you pay the bills. You can do whatever you want."

She simply smiled
and laid on the
lounge chair to relax.
Her breasts proudly
exposed for him to
see.
