# CHAPTER 08

"Marge and I shared  
intimate things during our trip.  
We bared our souls  
to each other.  
I've tried to keep  
an open mind, sexually speaking.

But what I heard  
shocked me to the core."  
Bradley listened attentively.

She continued,  
"As it turns out, believe it  
or not, Marge is far more  
liberated than I ever could  
have imagined."

"Sexually speaking, she's open to everything. And she's done everything too."

"I won't go into all the details, but that woman is experienced."

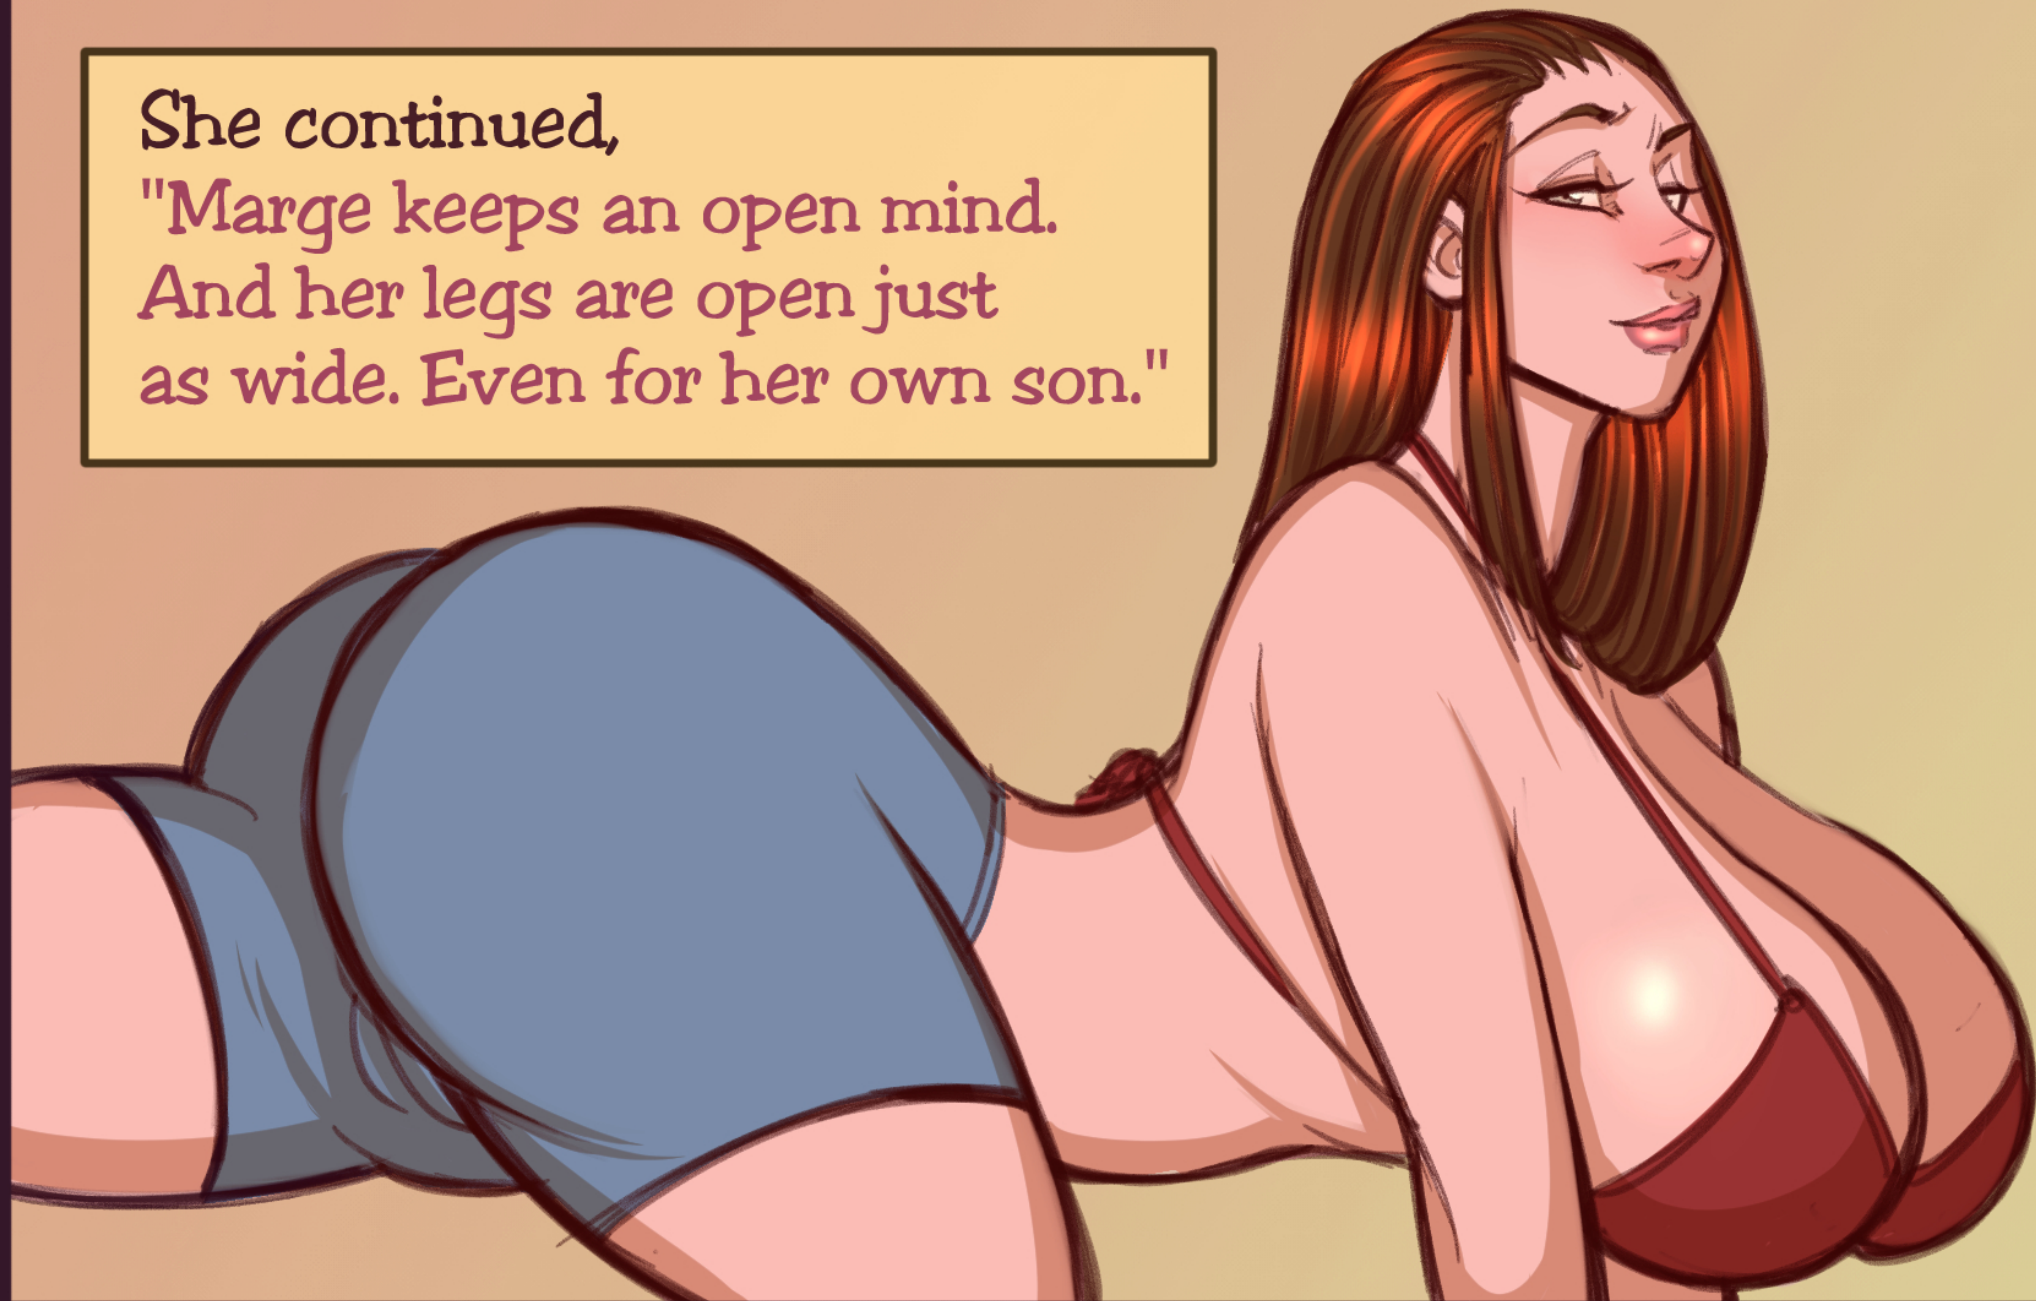

"Anyway, she dropped a bombshell one night that I still don't think I've recovered from."

Bradley just listened,  
wondering where this  
was headed.

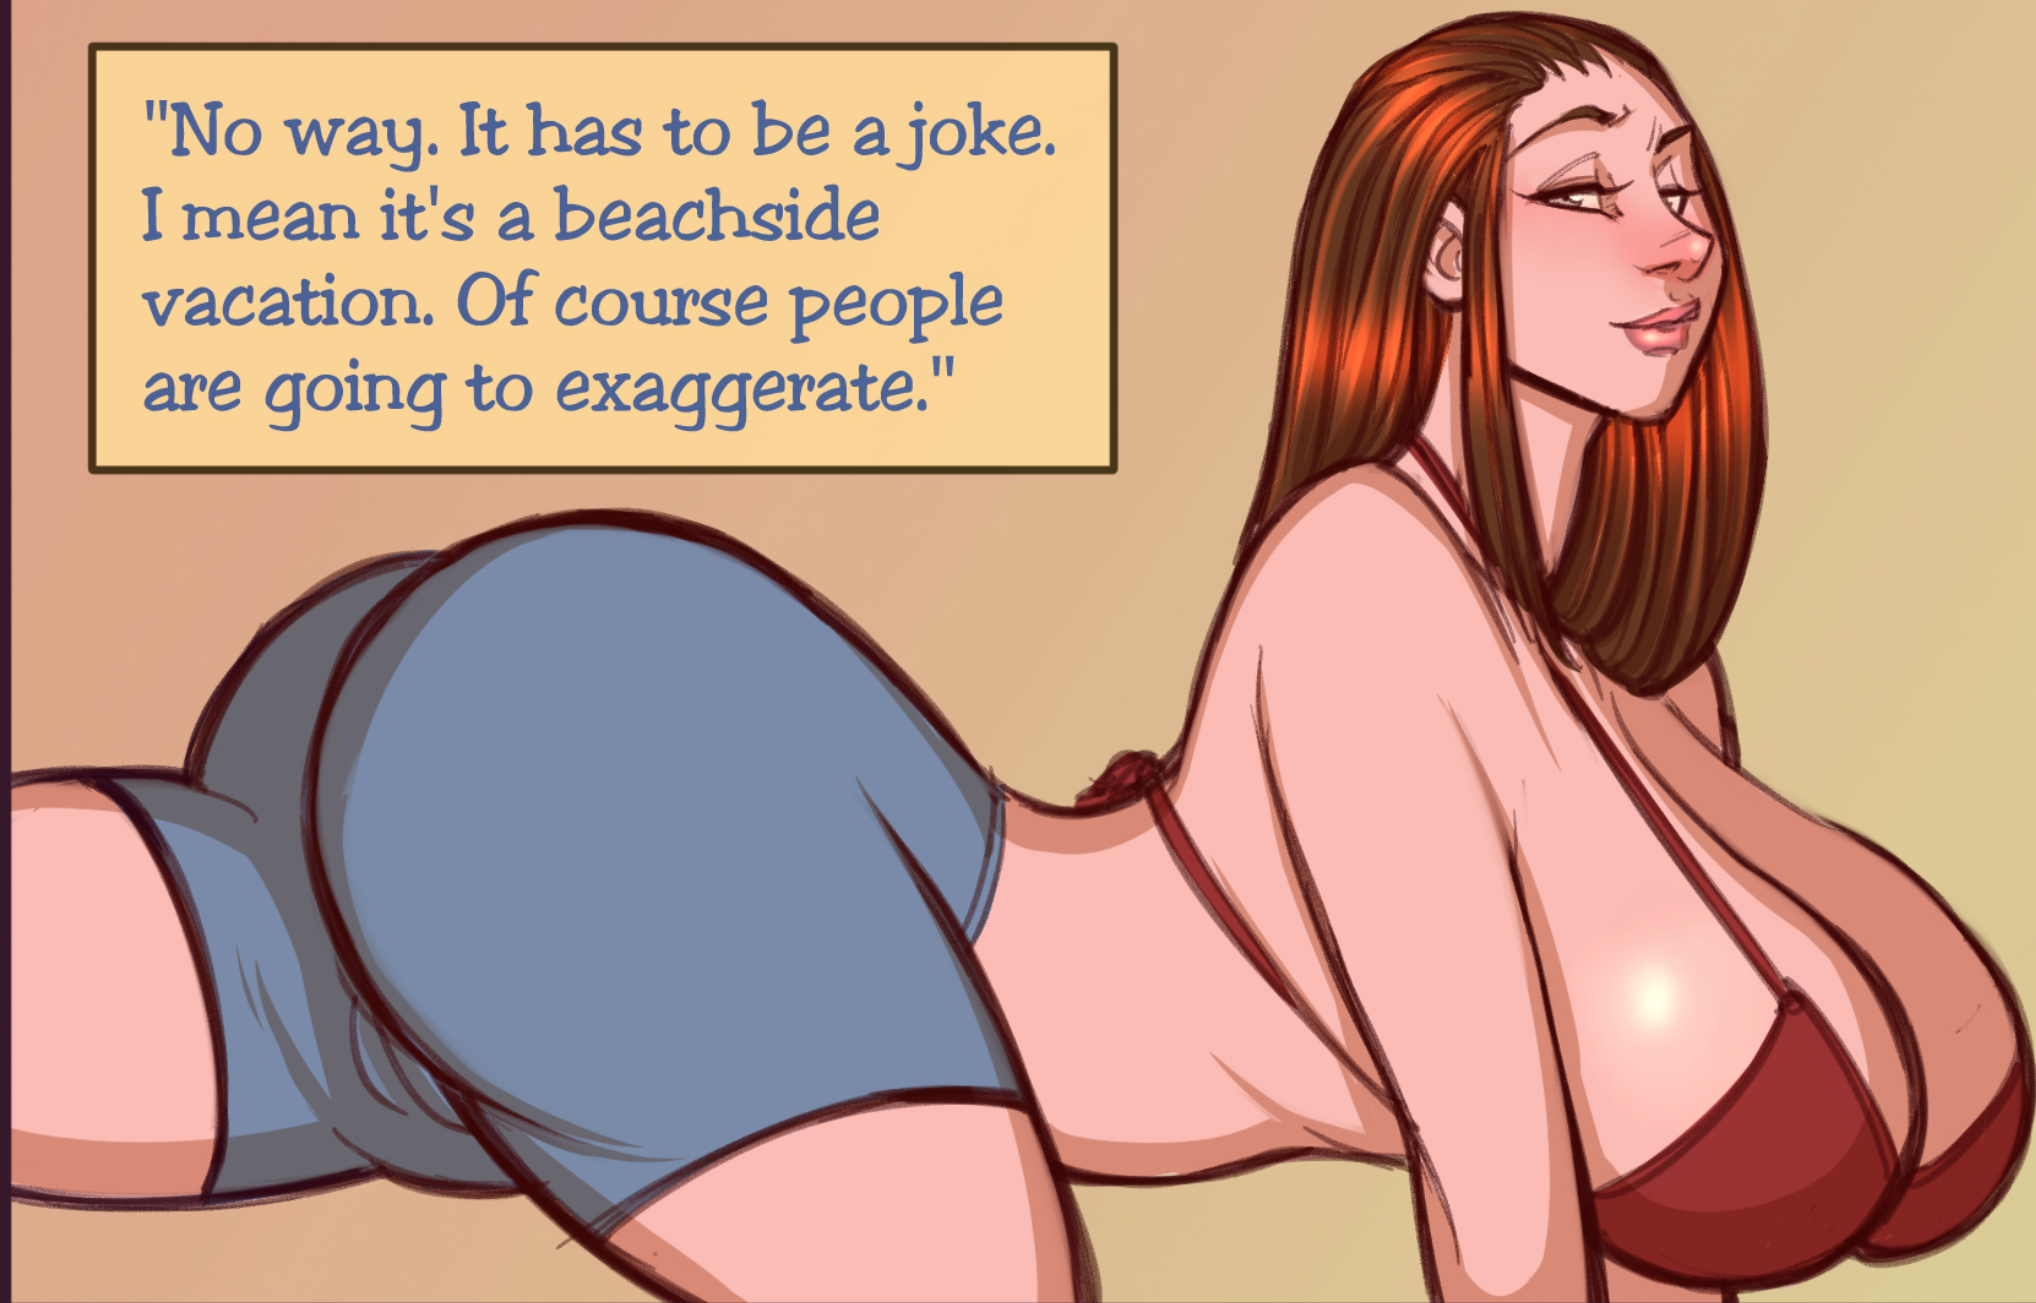

She continued,  
"Marge keeps an open mind.  
And her legs are open just  
as wide. Even for her own son."

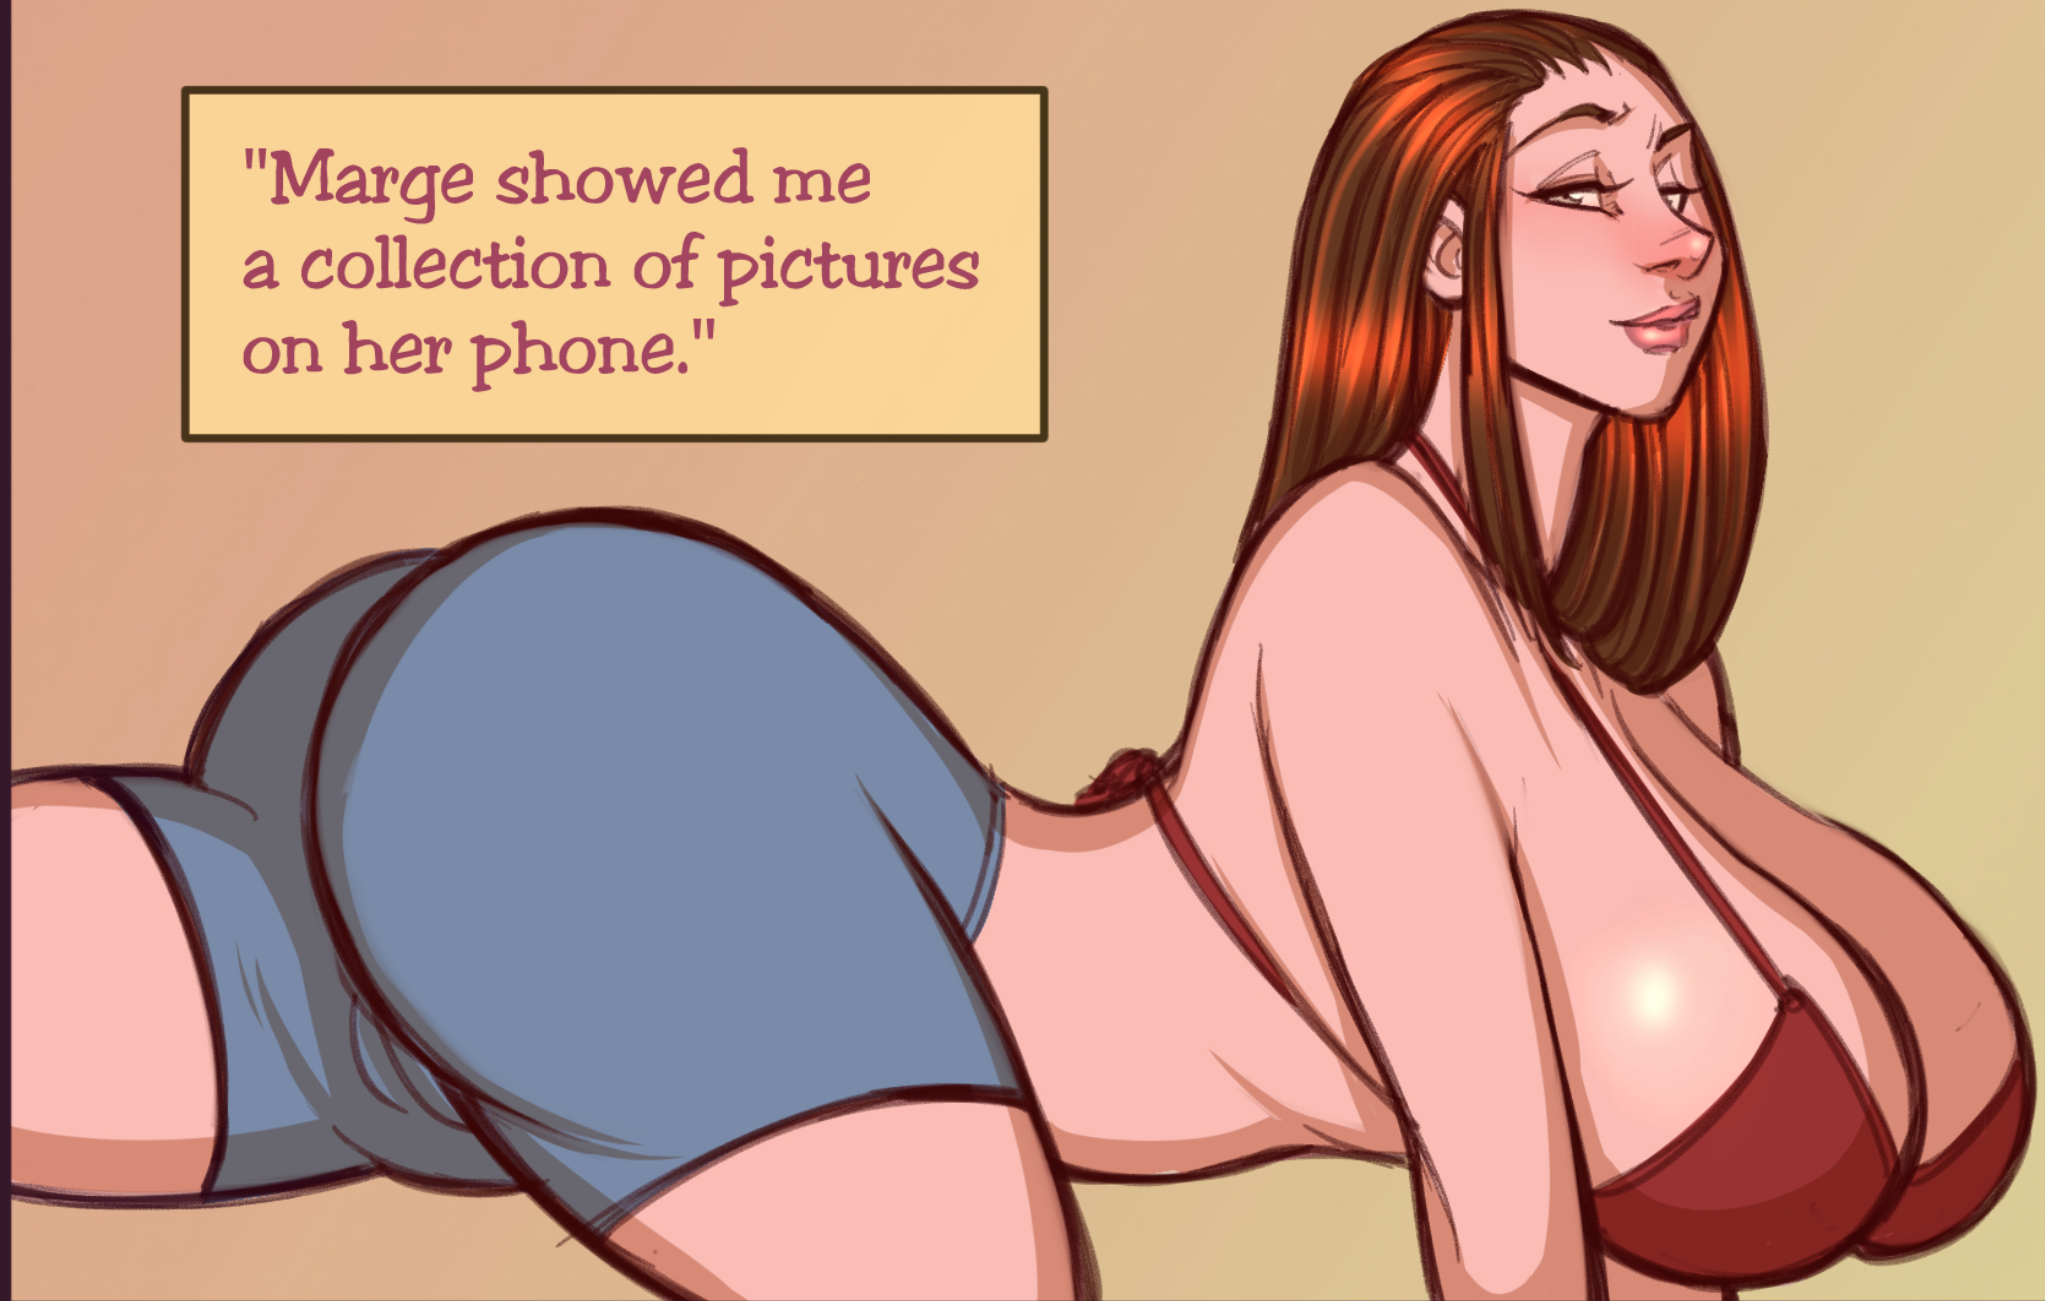

He was taken aback.  
"Are you saying that..."  
"Yes, I'm saying that."

"No way. It has to be a joke. I mean it's a beachside vacation. Of course people are going to exaggerate."

"Marge showed me  
a collection of pictures  
on her phone."

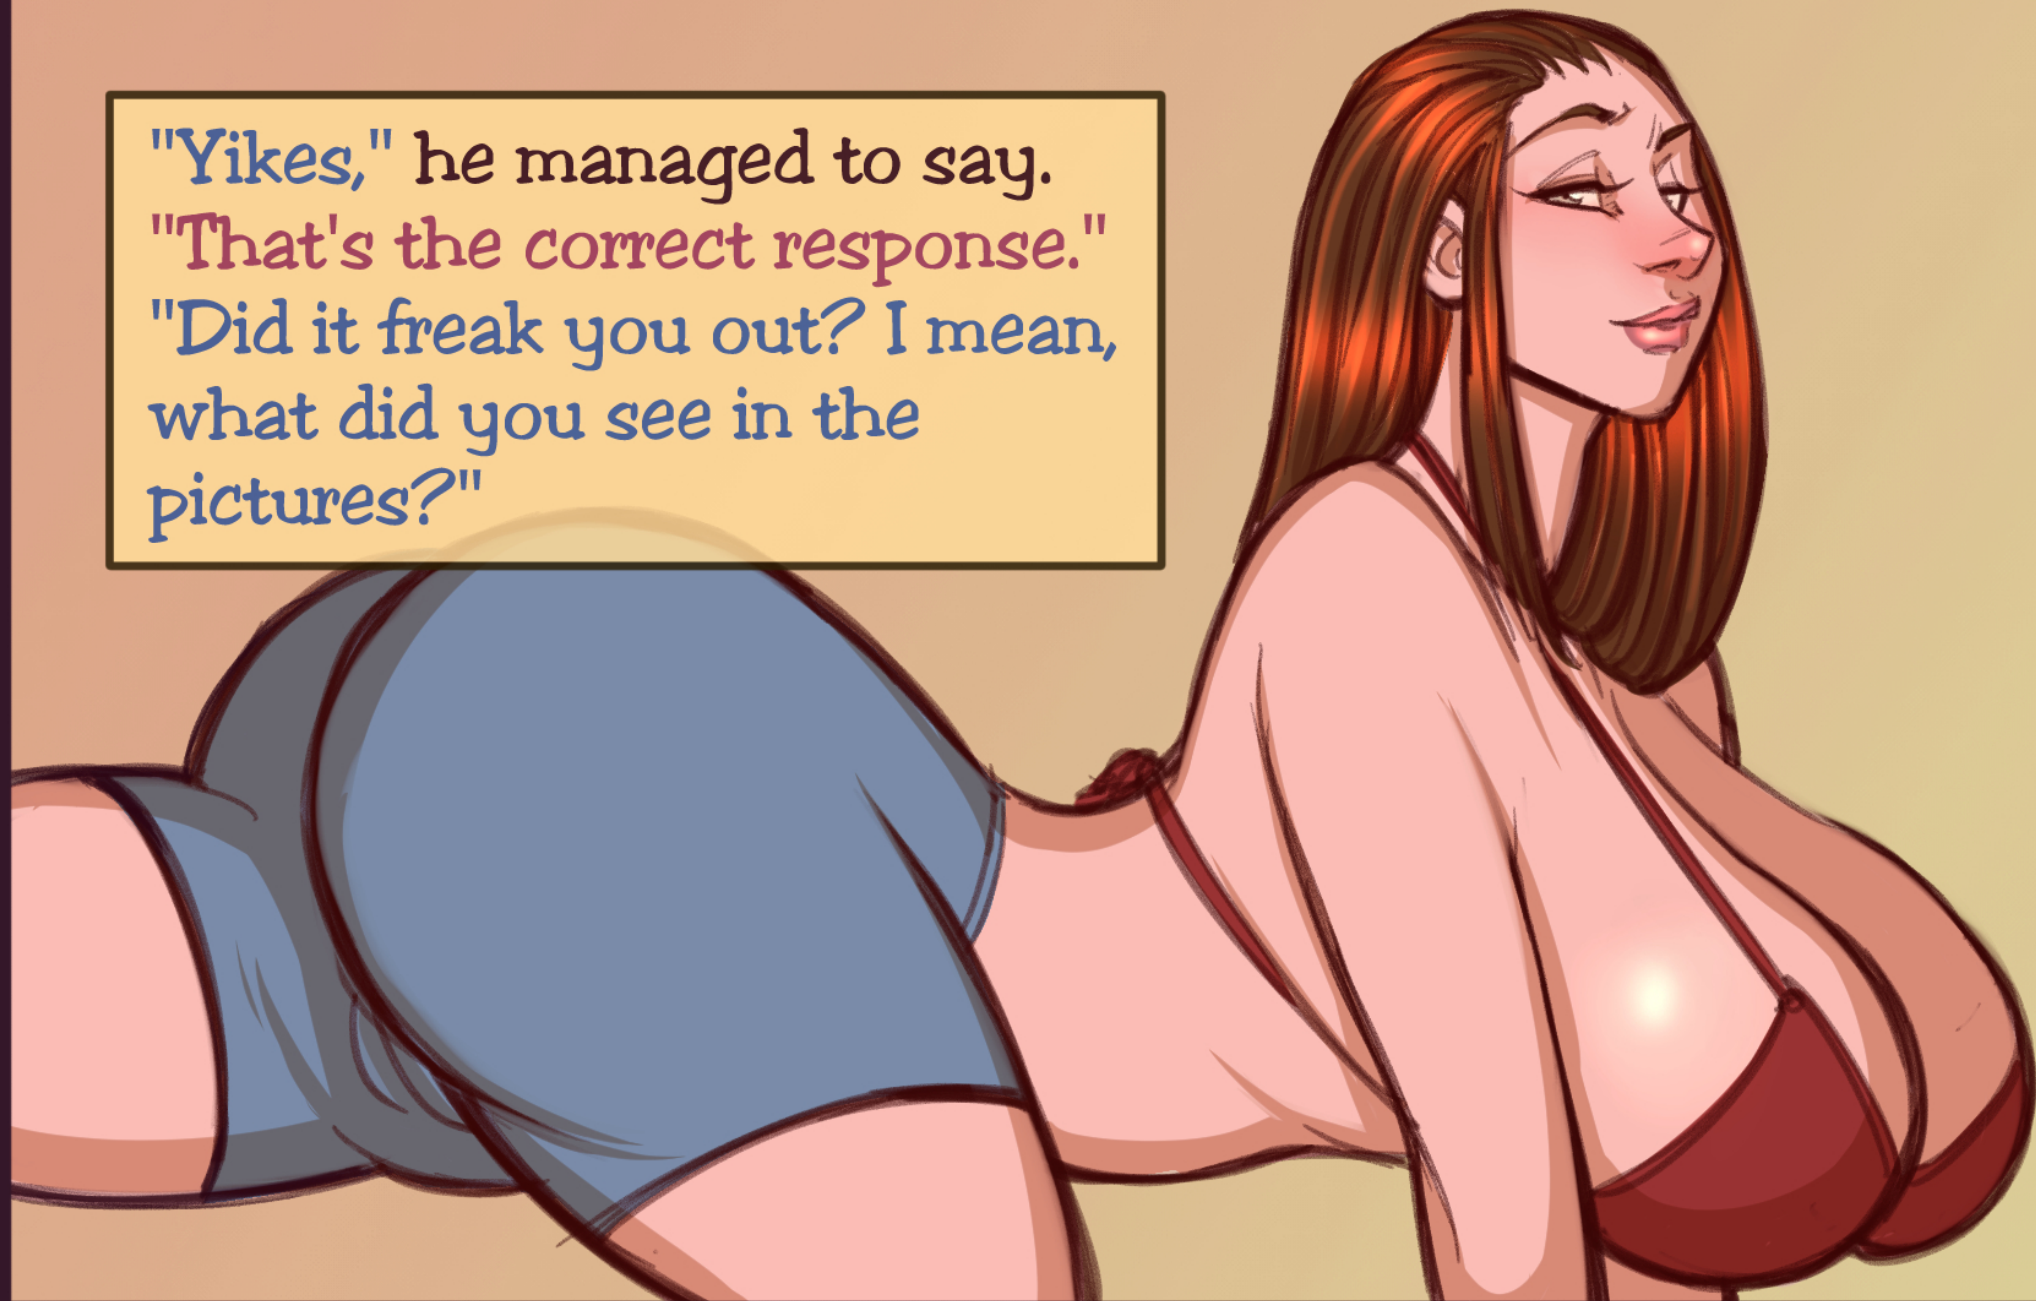

There was suddenly a  
silence between them.  
He was shocked.

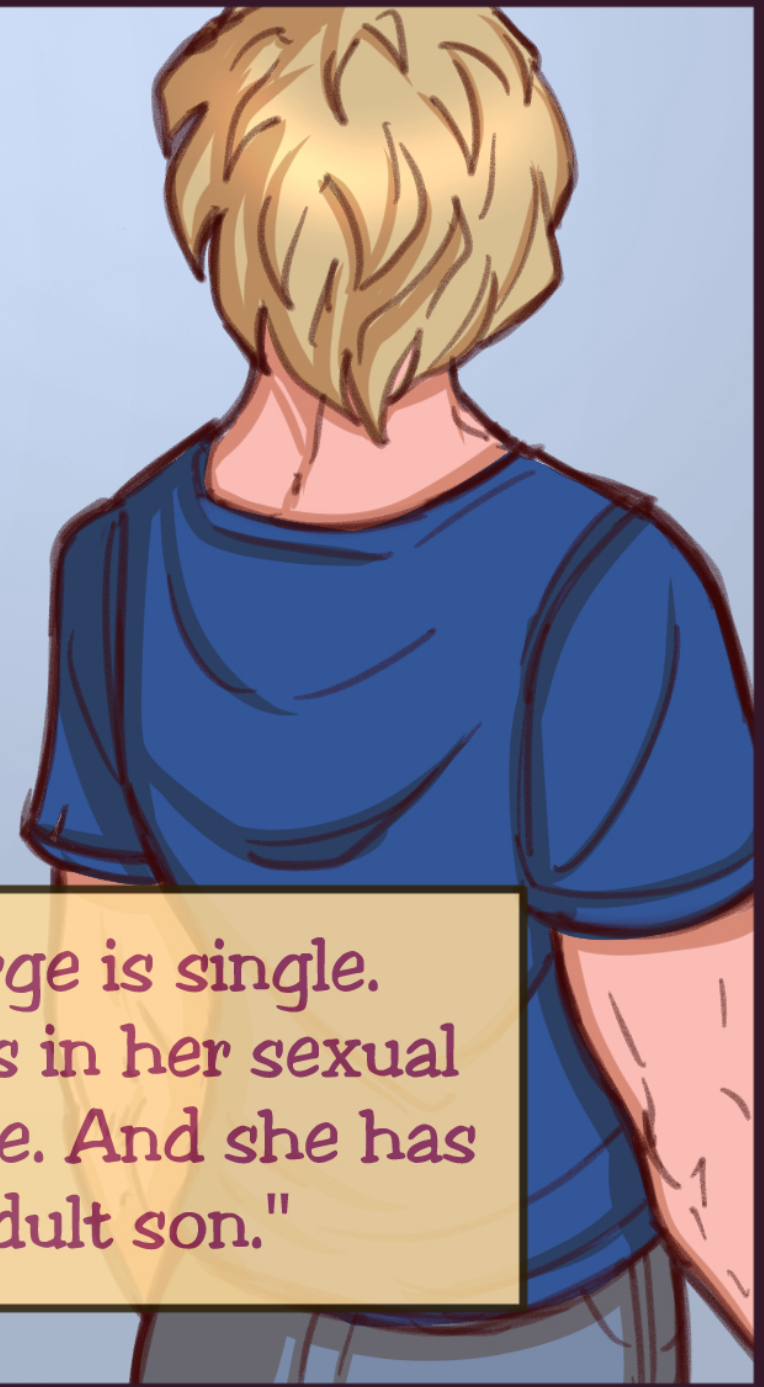

And Sophia had a look  
on her face which said,  
*'Yeah, believe it, because  
it's true.'*

"Yikes," he managed to say.  
"That's the correct response."  
"Did it freak you out? I mean,  
what did you see in the  
pictures?"

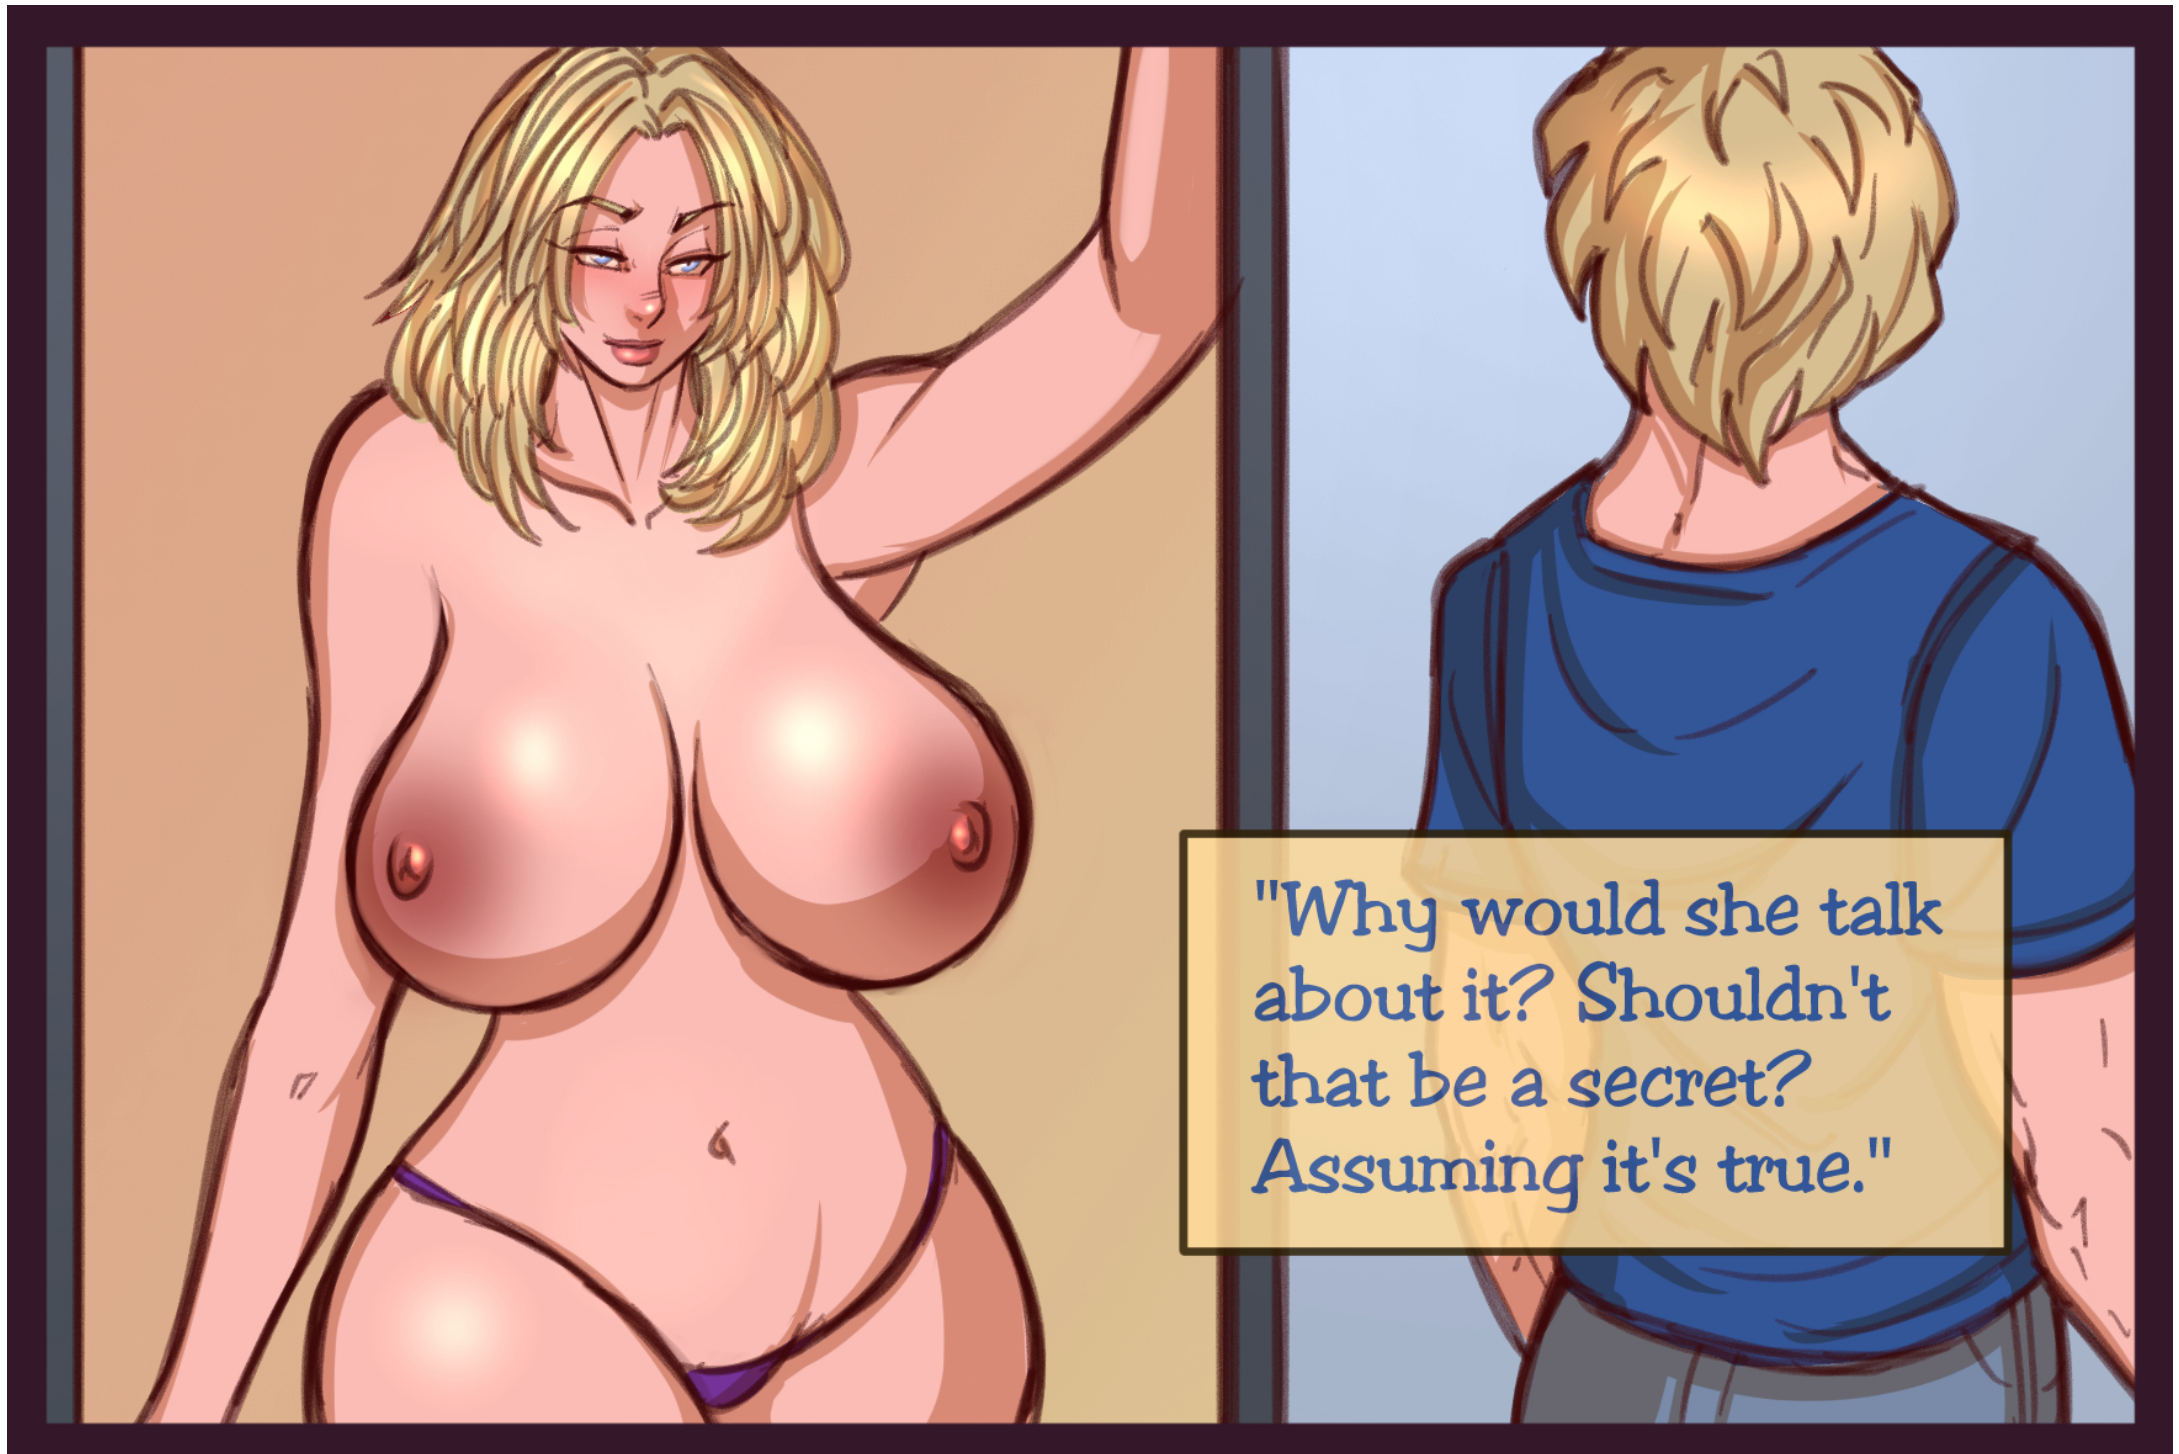

"Things which are so naughty,  
I'd rather not discuss,"  
she replied humorously.

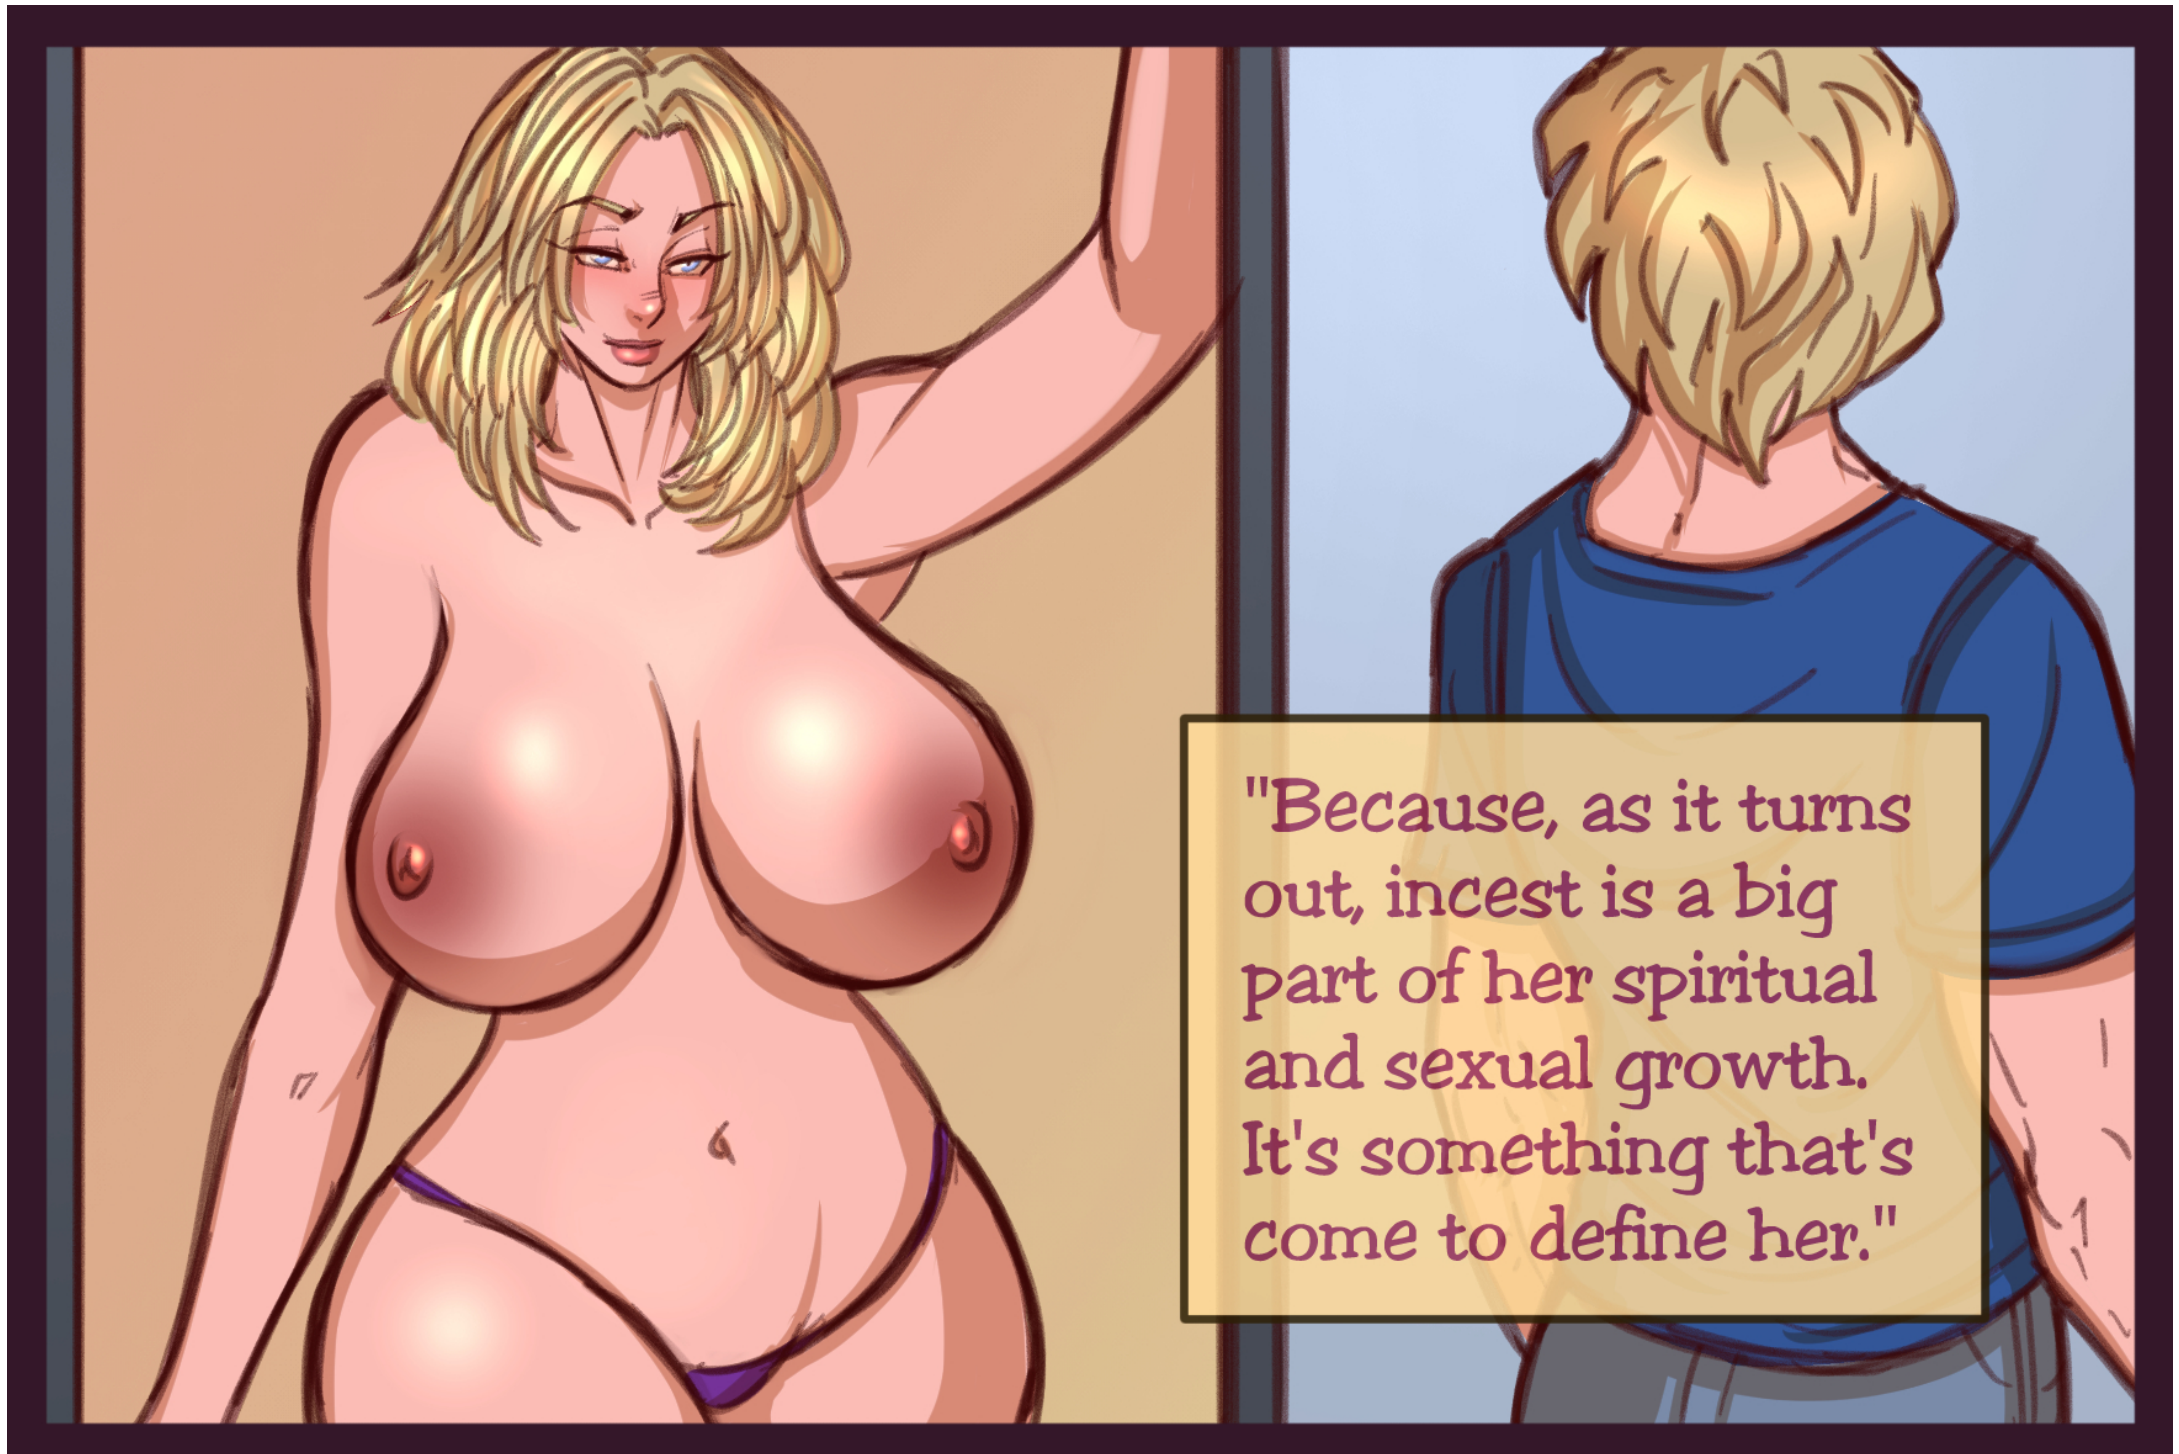

"Marge is single.  
She's in her sexual  
prime. And she has  
an adult son."

"Apparently she's a big fan of keeping things in the family."

"Why would she talk about it? Shouldn't that be a secret? Assuming it's true."

"Because, as it turns out, incest is a big part of her spiritual and sexual growth. It's something that's come to define her."

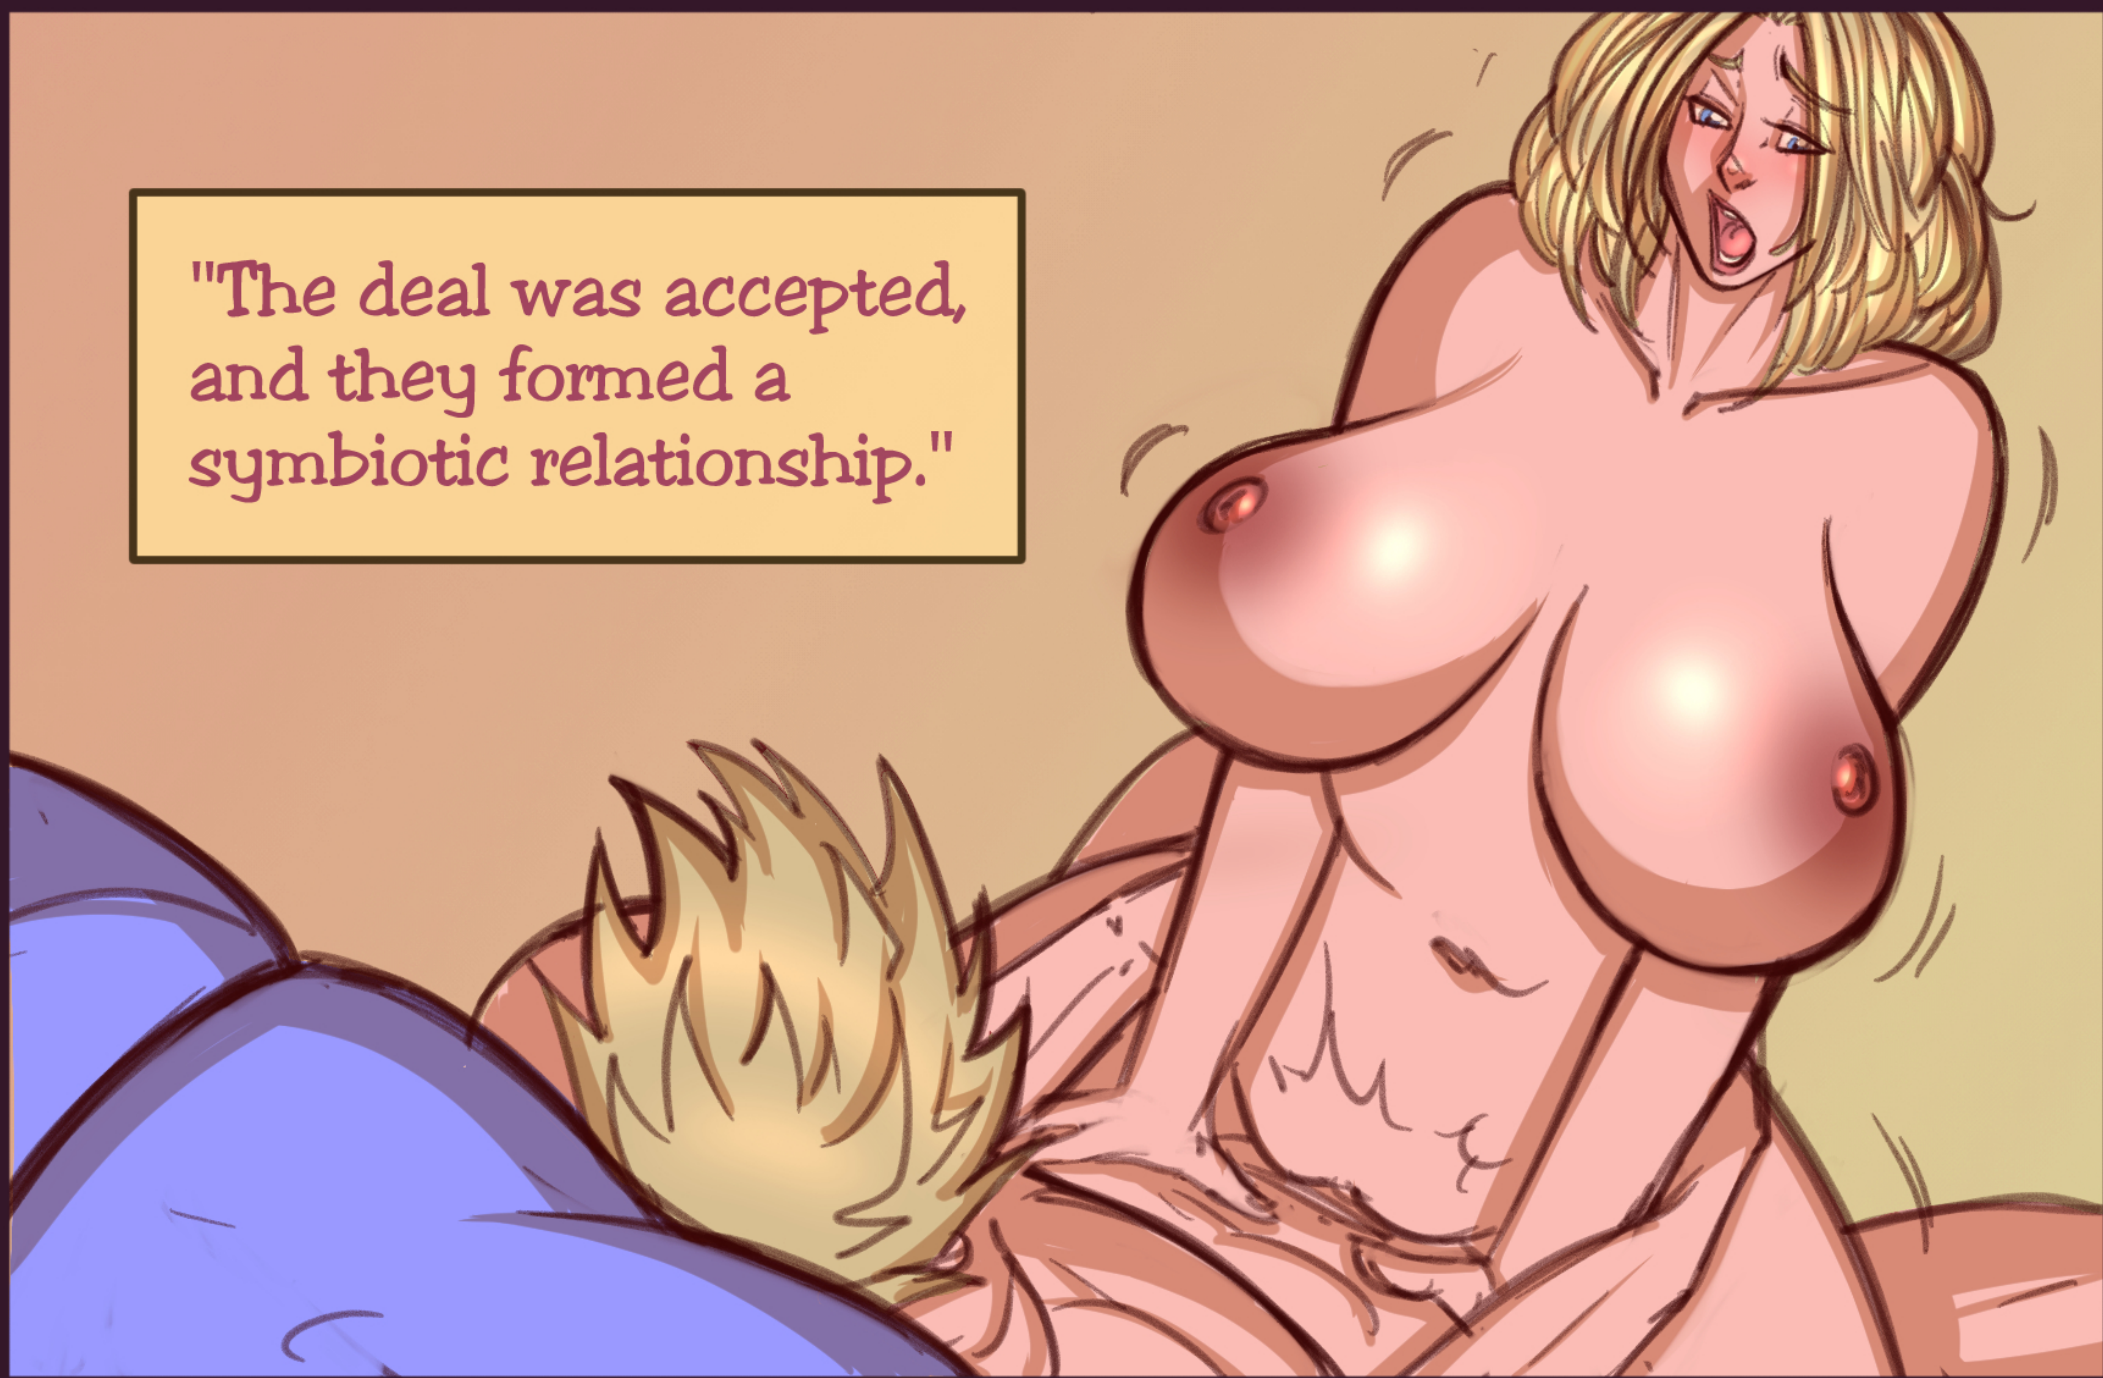

"Once Marge's son  
had turned 18 many  
years ago, she made  
the offer."

"And the offer was,  
that if he was respectful  
and discrete, then she  
was willing to exchange  
sexual services."

"The deal was accepted,  
and they formed a  
symbiotic relationship."

"It led to the best orgasms they've ever experienced in their lives. They still do it on a regular basis."  
"Oh..." he gasped.

"You see, Marge believes that regular orgasms with a partner is a necessity. It's part of being a healthy person."

"She also believes that the maternal bond only increases the power of the orgasm."

She smiled,  
"And I thought  
the same thing."

"I was  
stunned  
hearing  
my best  
friend  
admit to  
something  
like that."

"But the more I thought about it, the more sense it seemed to make.

It's worked very well for them."

"Sounds like a provocative story."

"I know,"  
she nodded.

"Now I want to make that offer  
with you."
