CHAPTER 11

She tugged at her son's shorts, and he lifted himself so that his shorts would slide off. She pulled at his underwear too.

Bradley's hard cock
was fully exposed
and Sophia looked
surprised by it.

She wasn't expecting him to be so aroused by her at this point. The thing was absolutely swollen.

But then again, she
had done a marvelous
job of bringing this on.

She stood just above his hard cock, then she slowly lowered herself.

For the first time
in her entire life,
she touched her
son's erection with
her soft fingers
to hold it upright.

Entering wasn't hard. It wasn't difficult at all. Her legs were spread wide open.

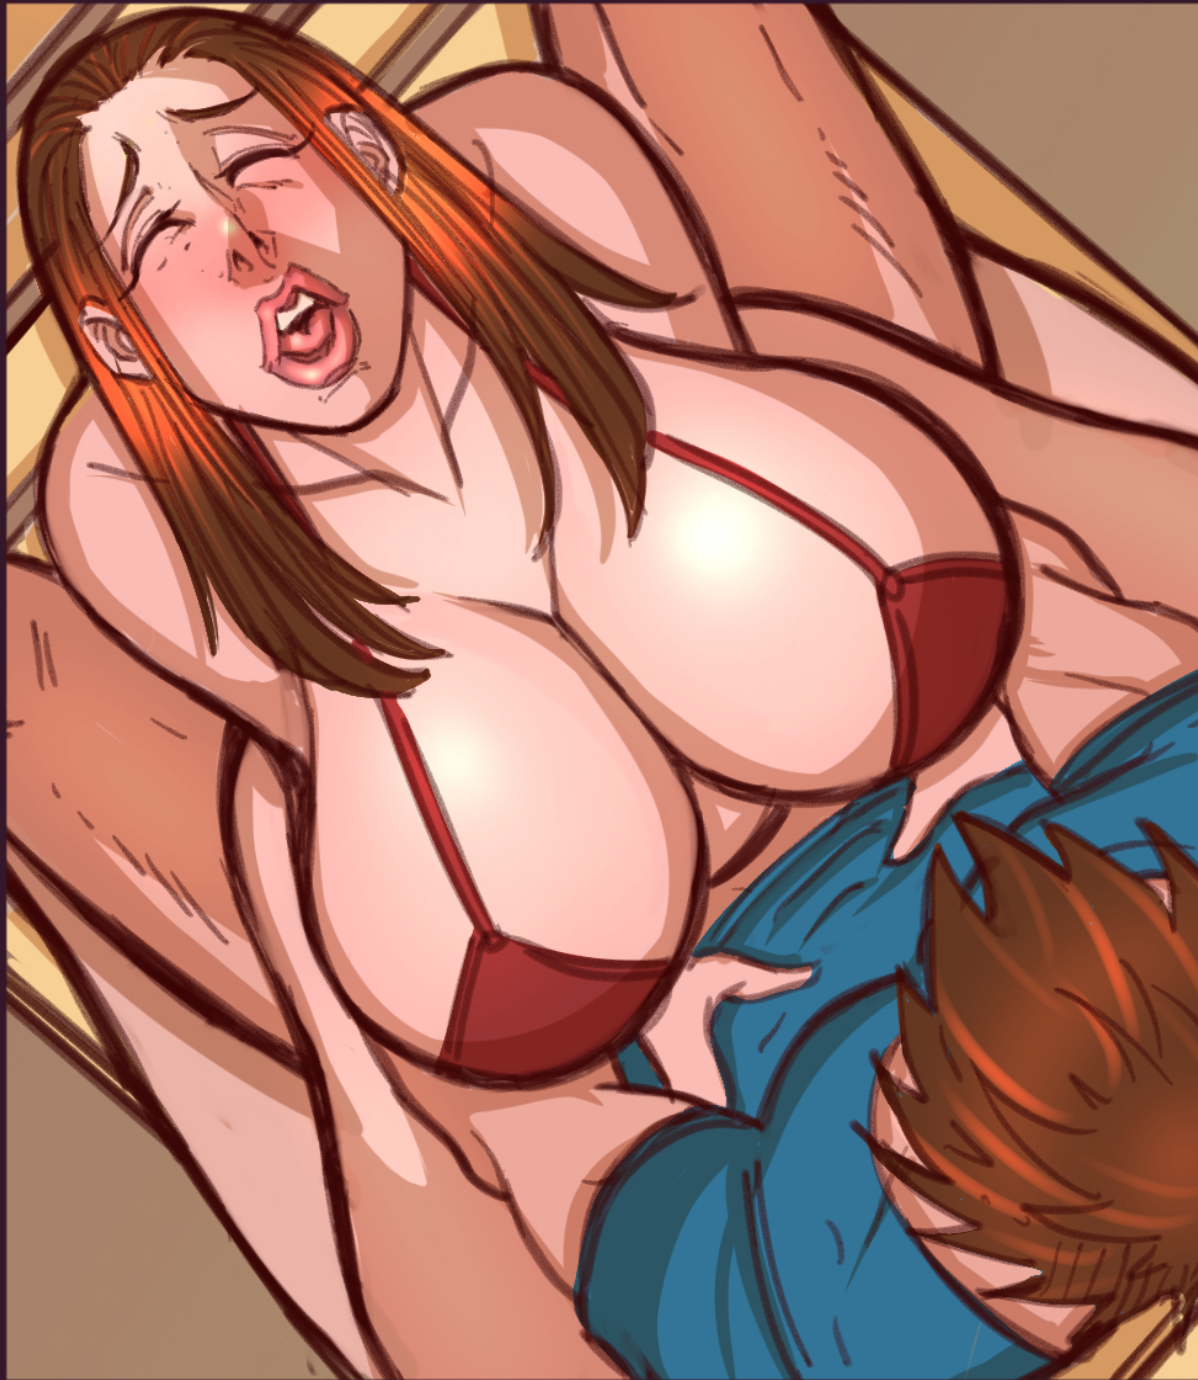

Most of all, her pussy was soaking wet, providing more than enough natural lubrication.

Bradley's cock
slid inside her
little hole, which
was warm and
moist.

Both of them gasped
as his cock went all
the way inside of her.

They both had starry-eyed expressions as this was happening, but Sophia, being the professional that she was, had to keep herself composed.

"Consideration is a very important aspect of creating a binding contract," she explained, showing off her self-discipline.

"There must be a quid-pro-quo. In other words, both of us have to perform something."

"It's not fair that I simply offer you my womanhood and sexuality. I need something in return."

She clenched her vaginal muscles, which sent a shock of pleasure throughout her son's body. Then she gently rocked her hips.

She continued,
"And what I need
are orgasms in
return."

"This isn't a free ride for you. This is for both of us."

"It's for both of our
spiritual well beings,
so we can live happily
and be healthy.
Understood?"

It almost seemed like Bradley was at a loss for words for a few seconds.

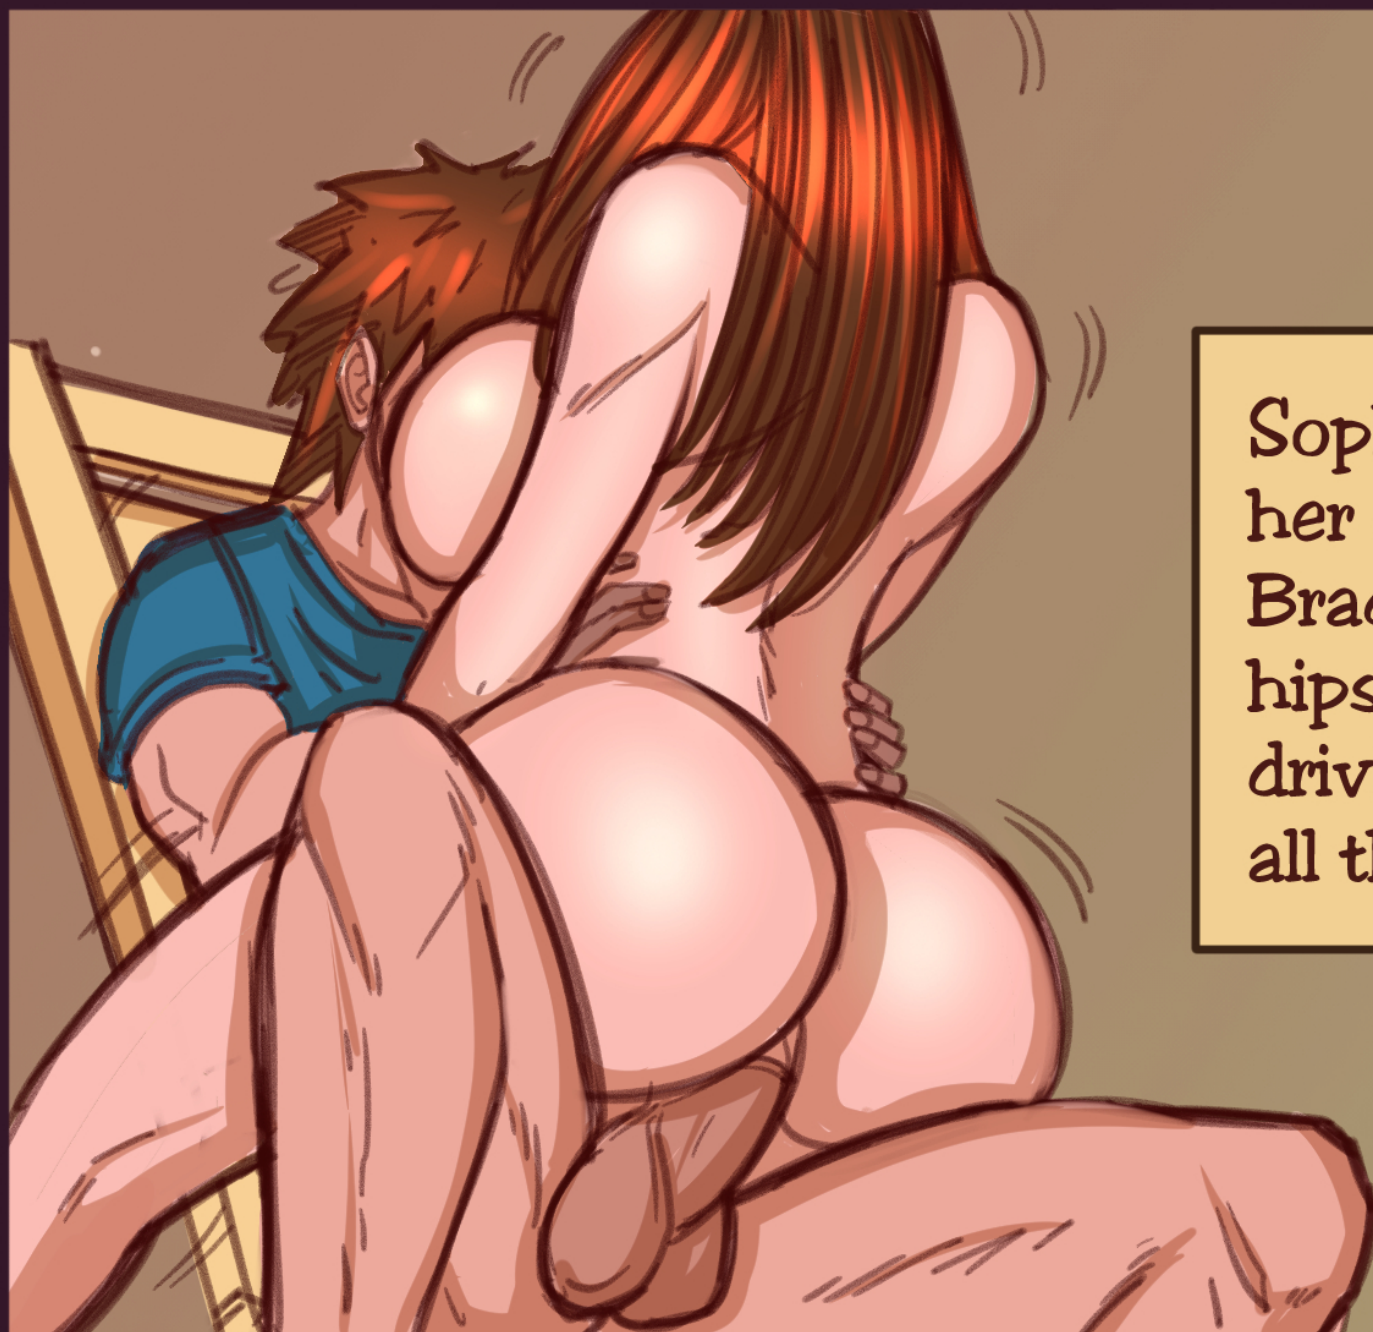

"So much pressure,"
he smiled.
She winked,
"Then you better
start performing."

"Good sex requires
the participation
of two people."
"That's true," she
agreed.

Sophia was caught her off-guard when Bradley pulled her hips forward, driving his cock all the way inside.

Her eyes widened.
Whatever she was
about to say, she
suddenly forgot.

It wasn't important
anymore.
