CHAPTER 03

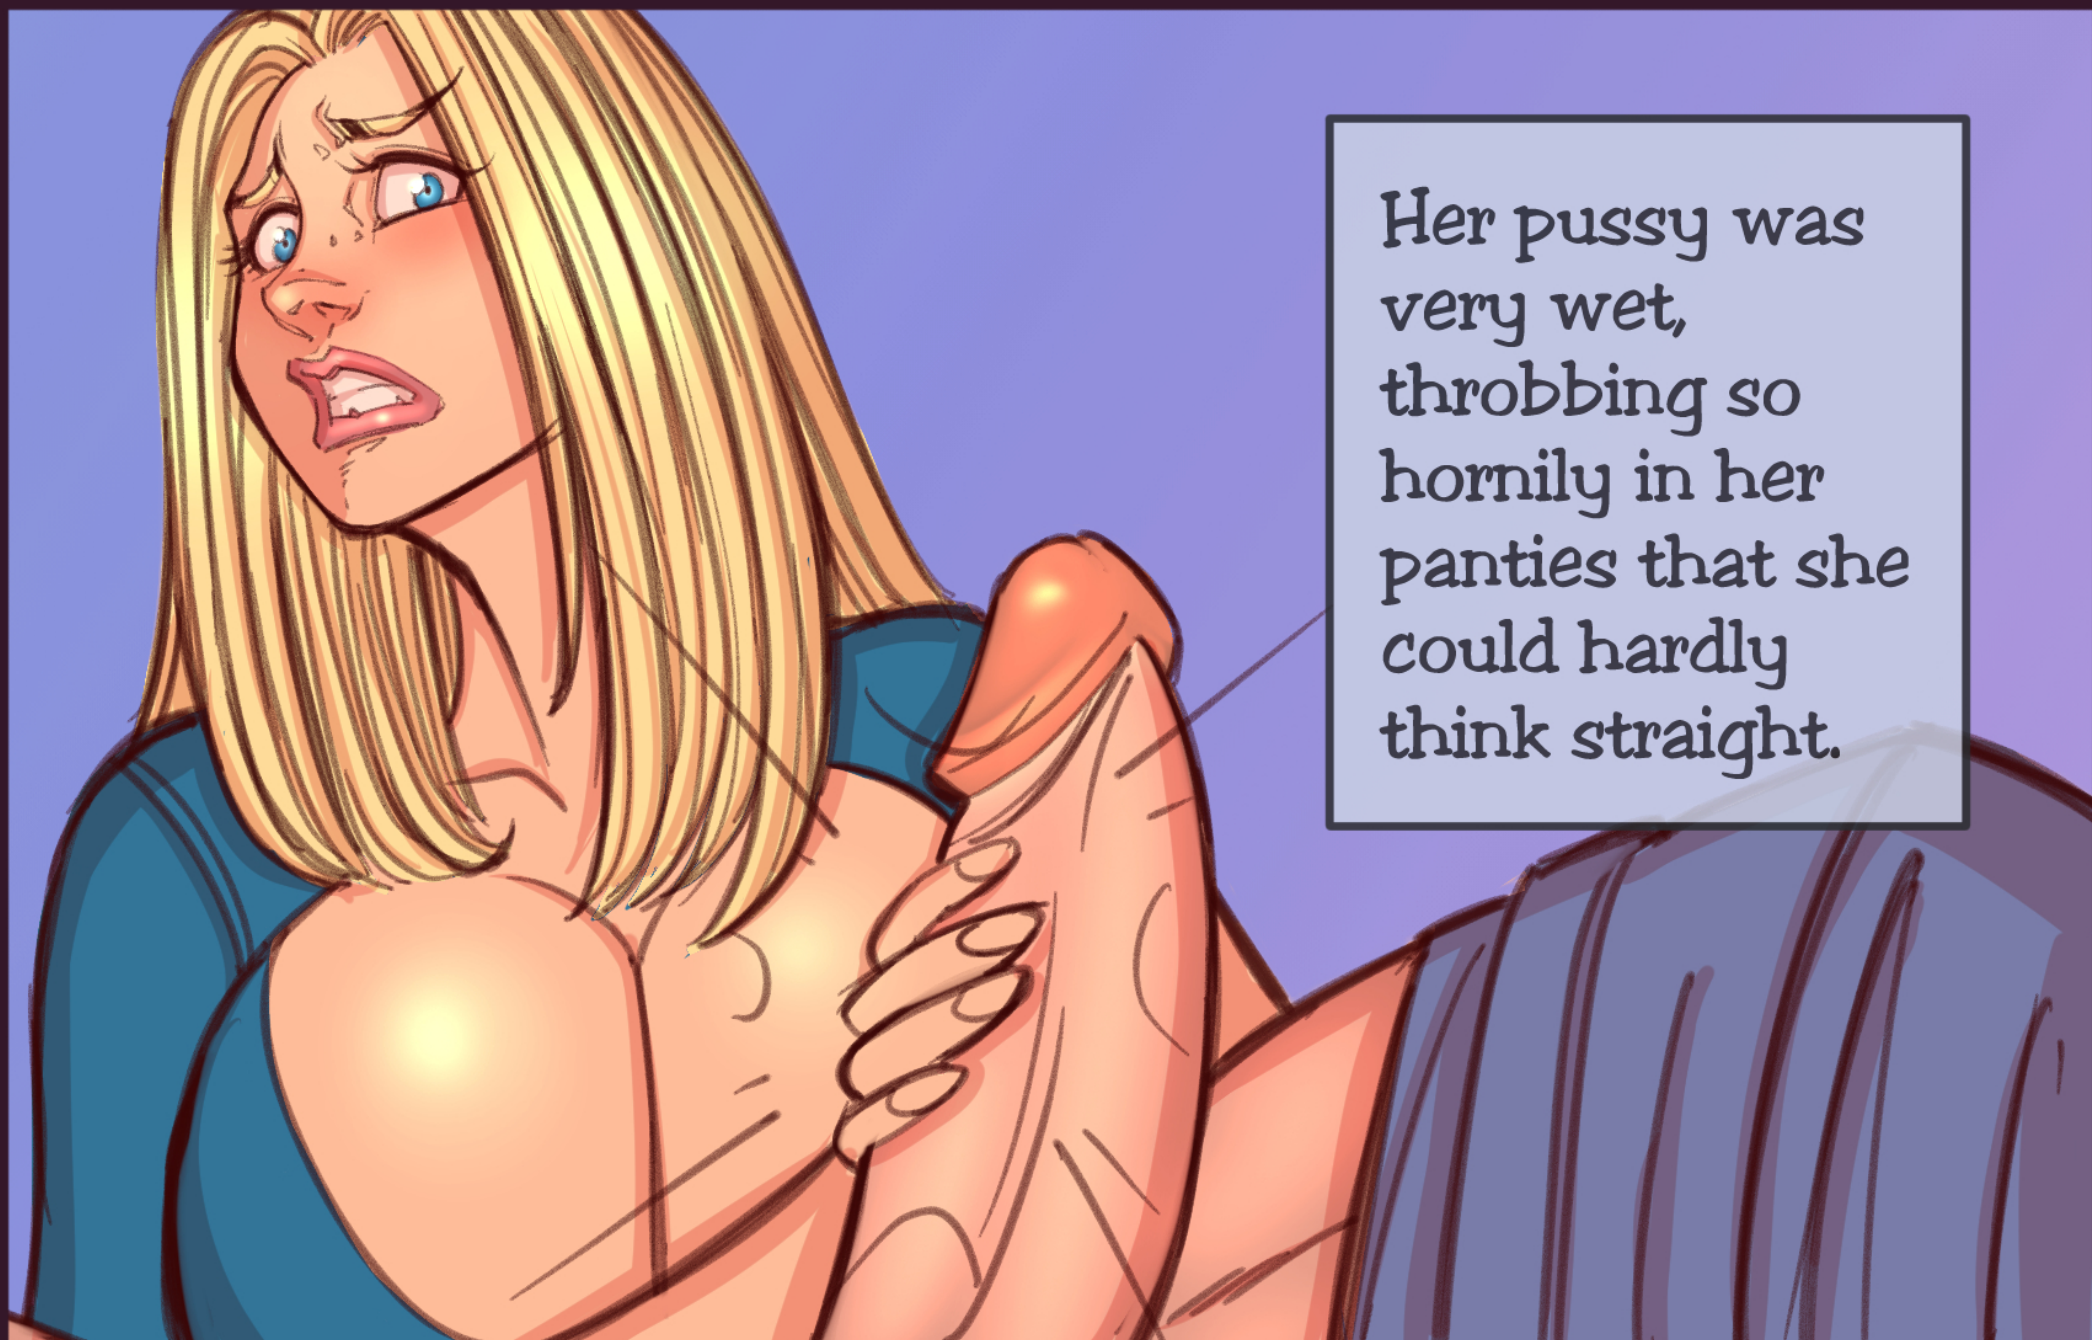

"Ummm, that feels good, Mom!
Why don't you rub it
for me?"

"You little bastard!"

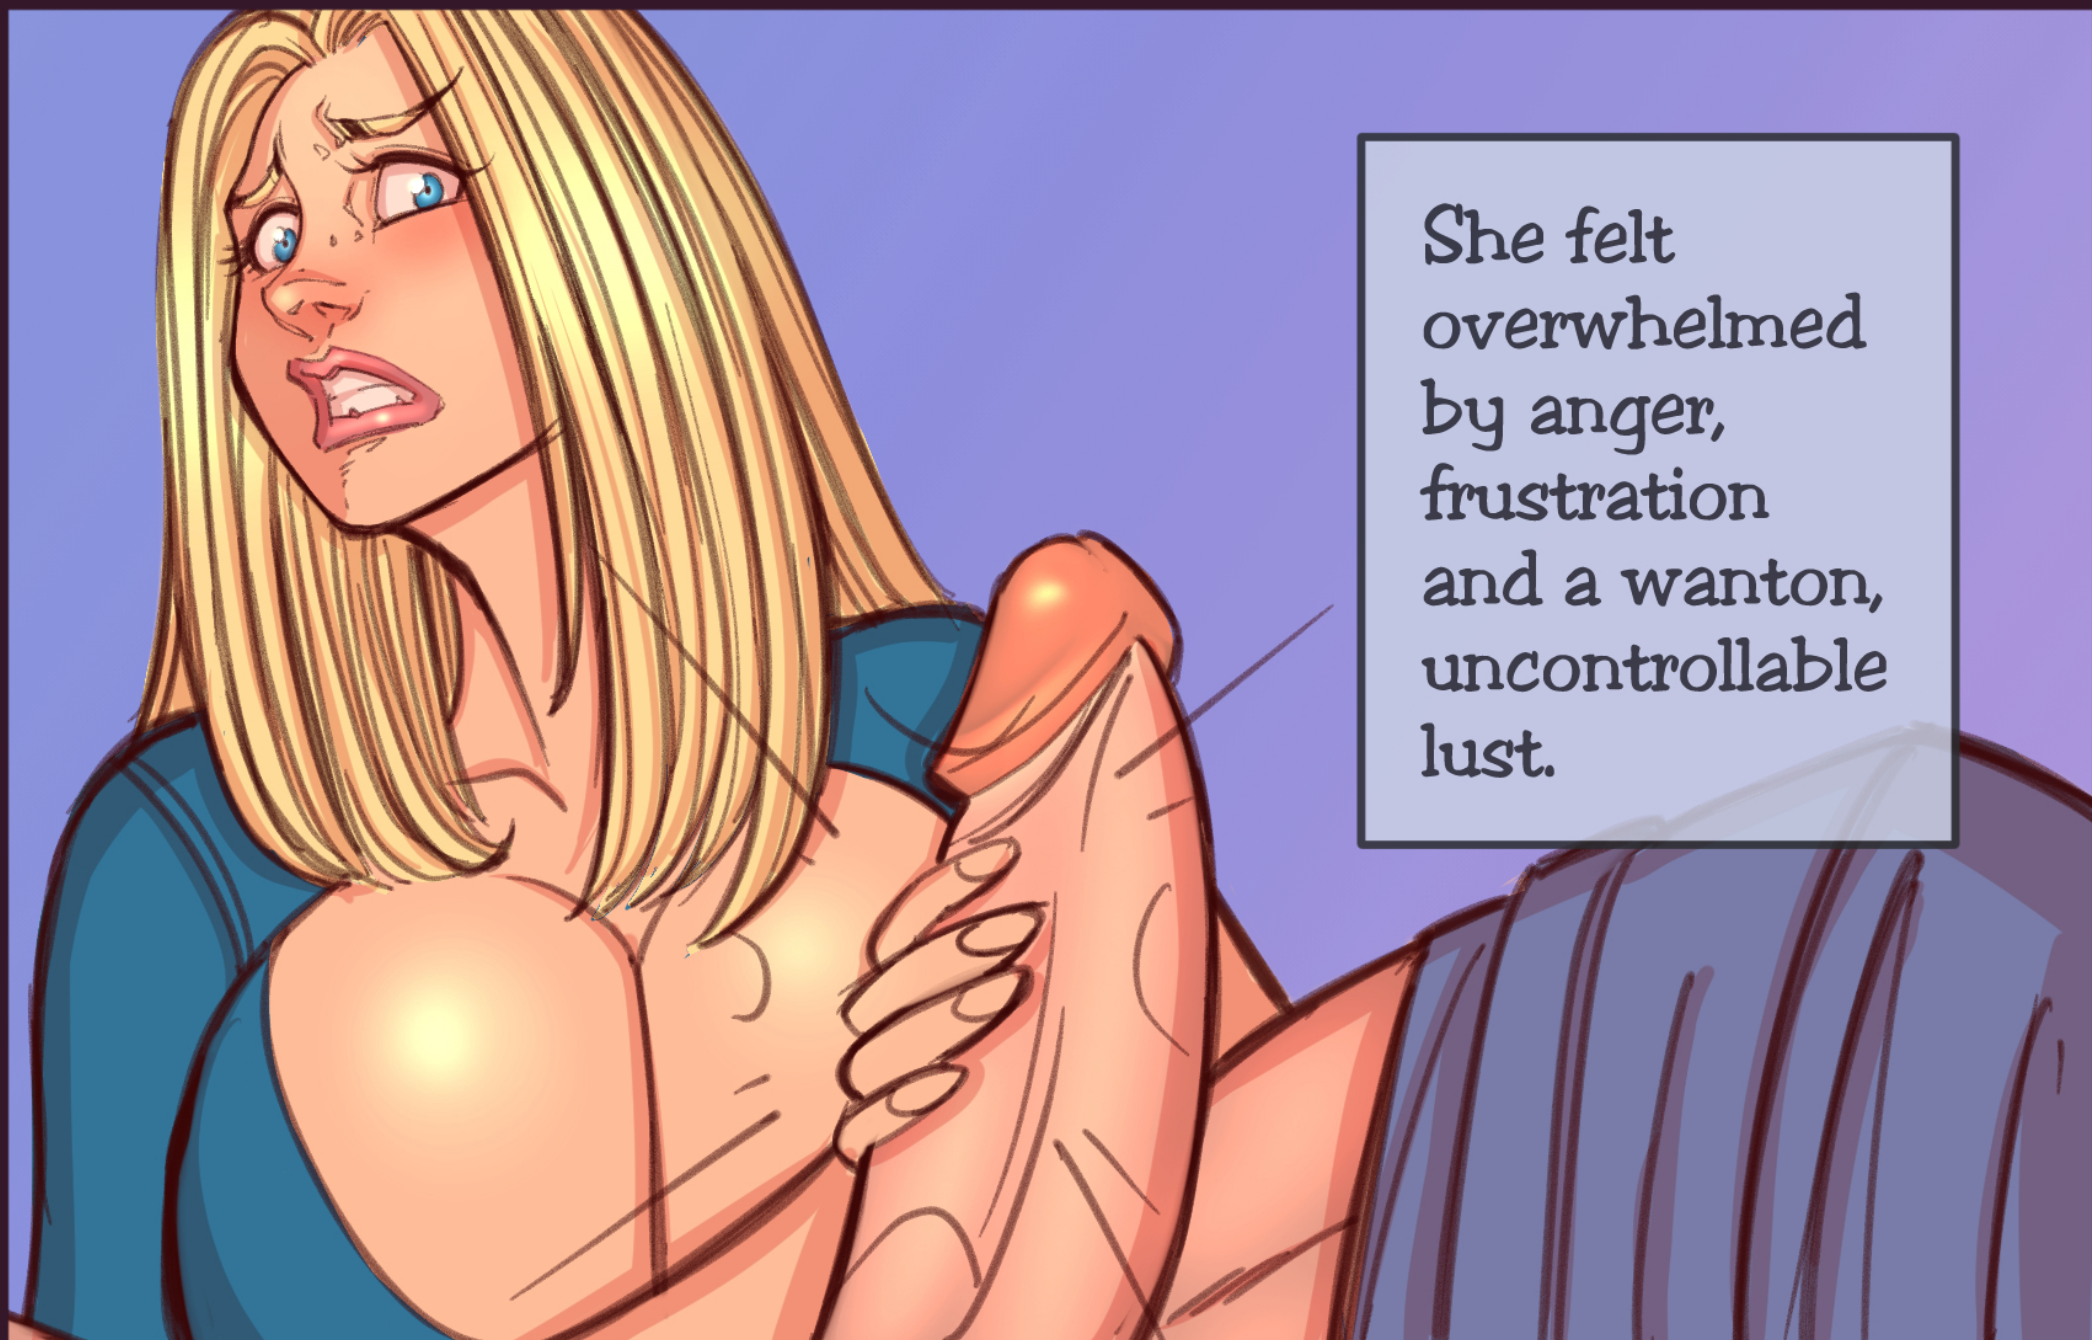

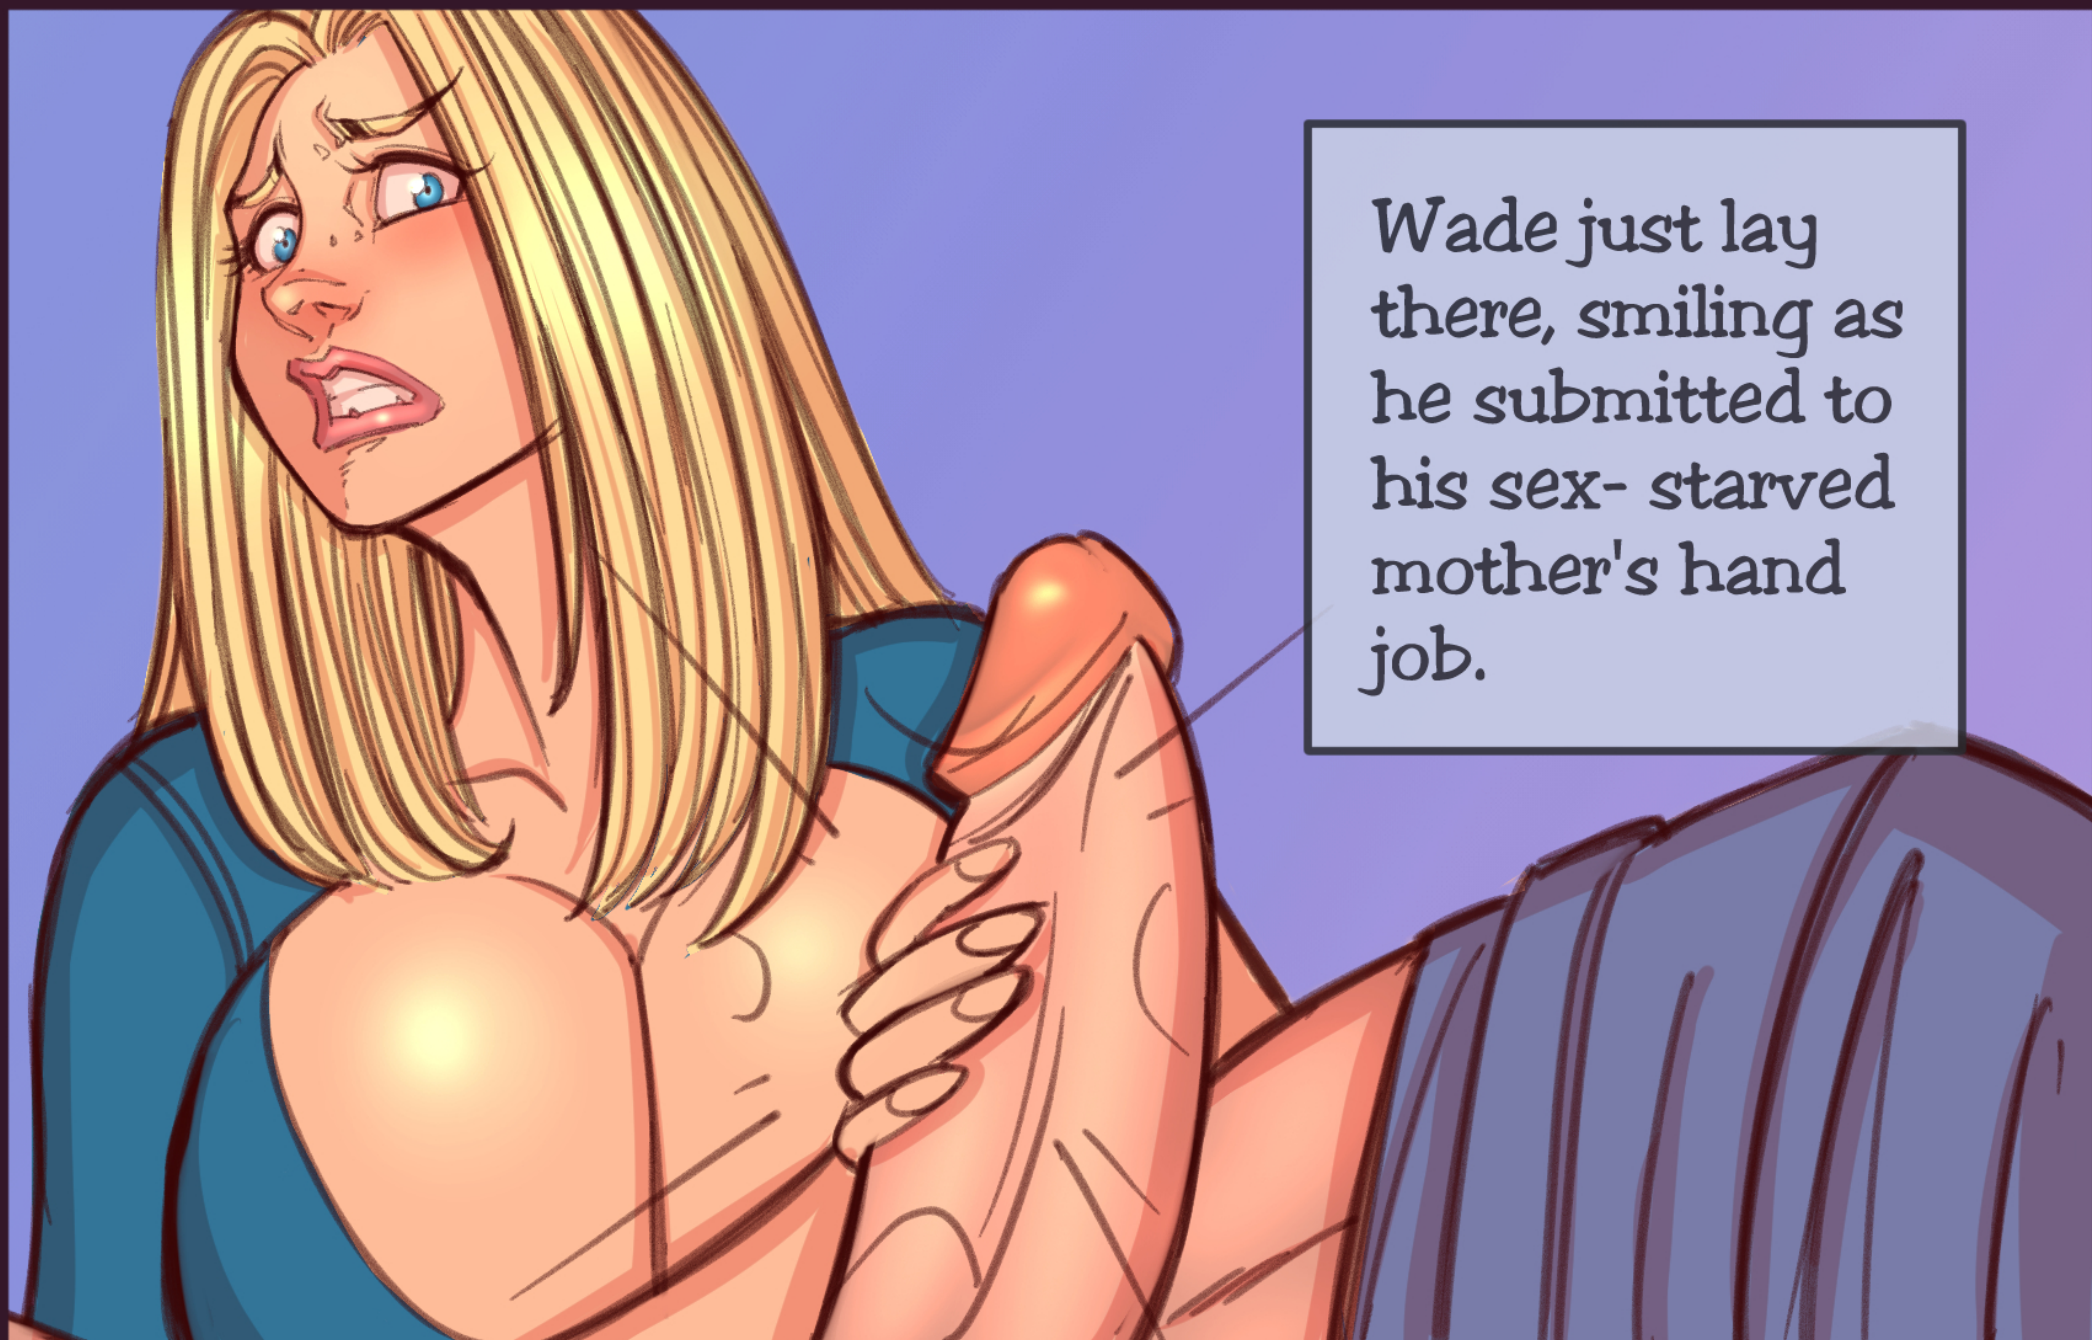

She didn't know what had come over her, what had prompted her to begin the worst possible sin with her adopted son.

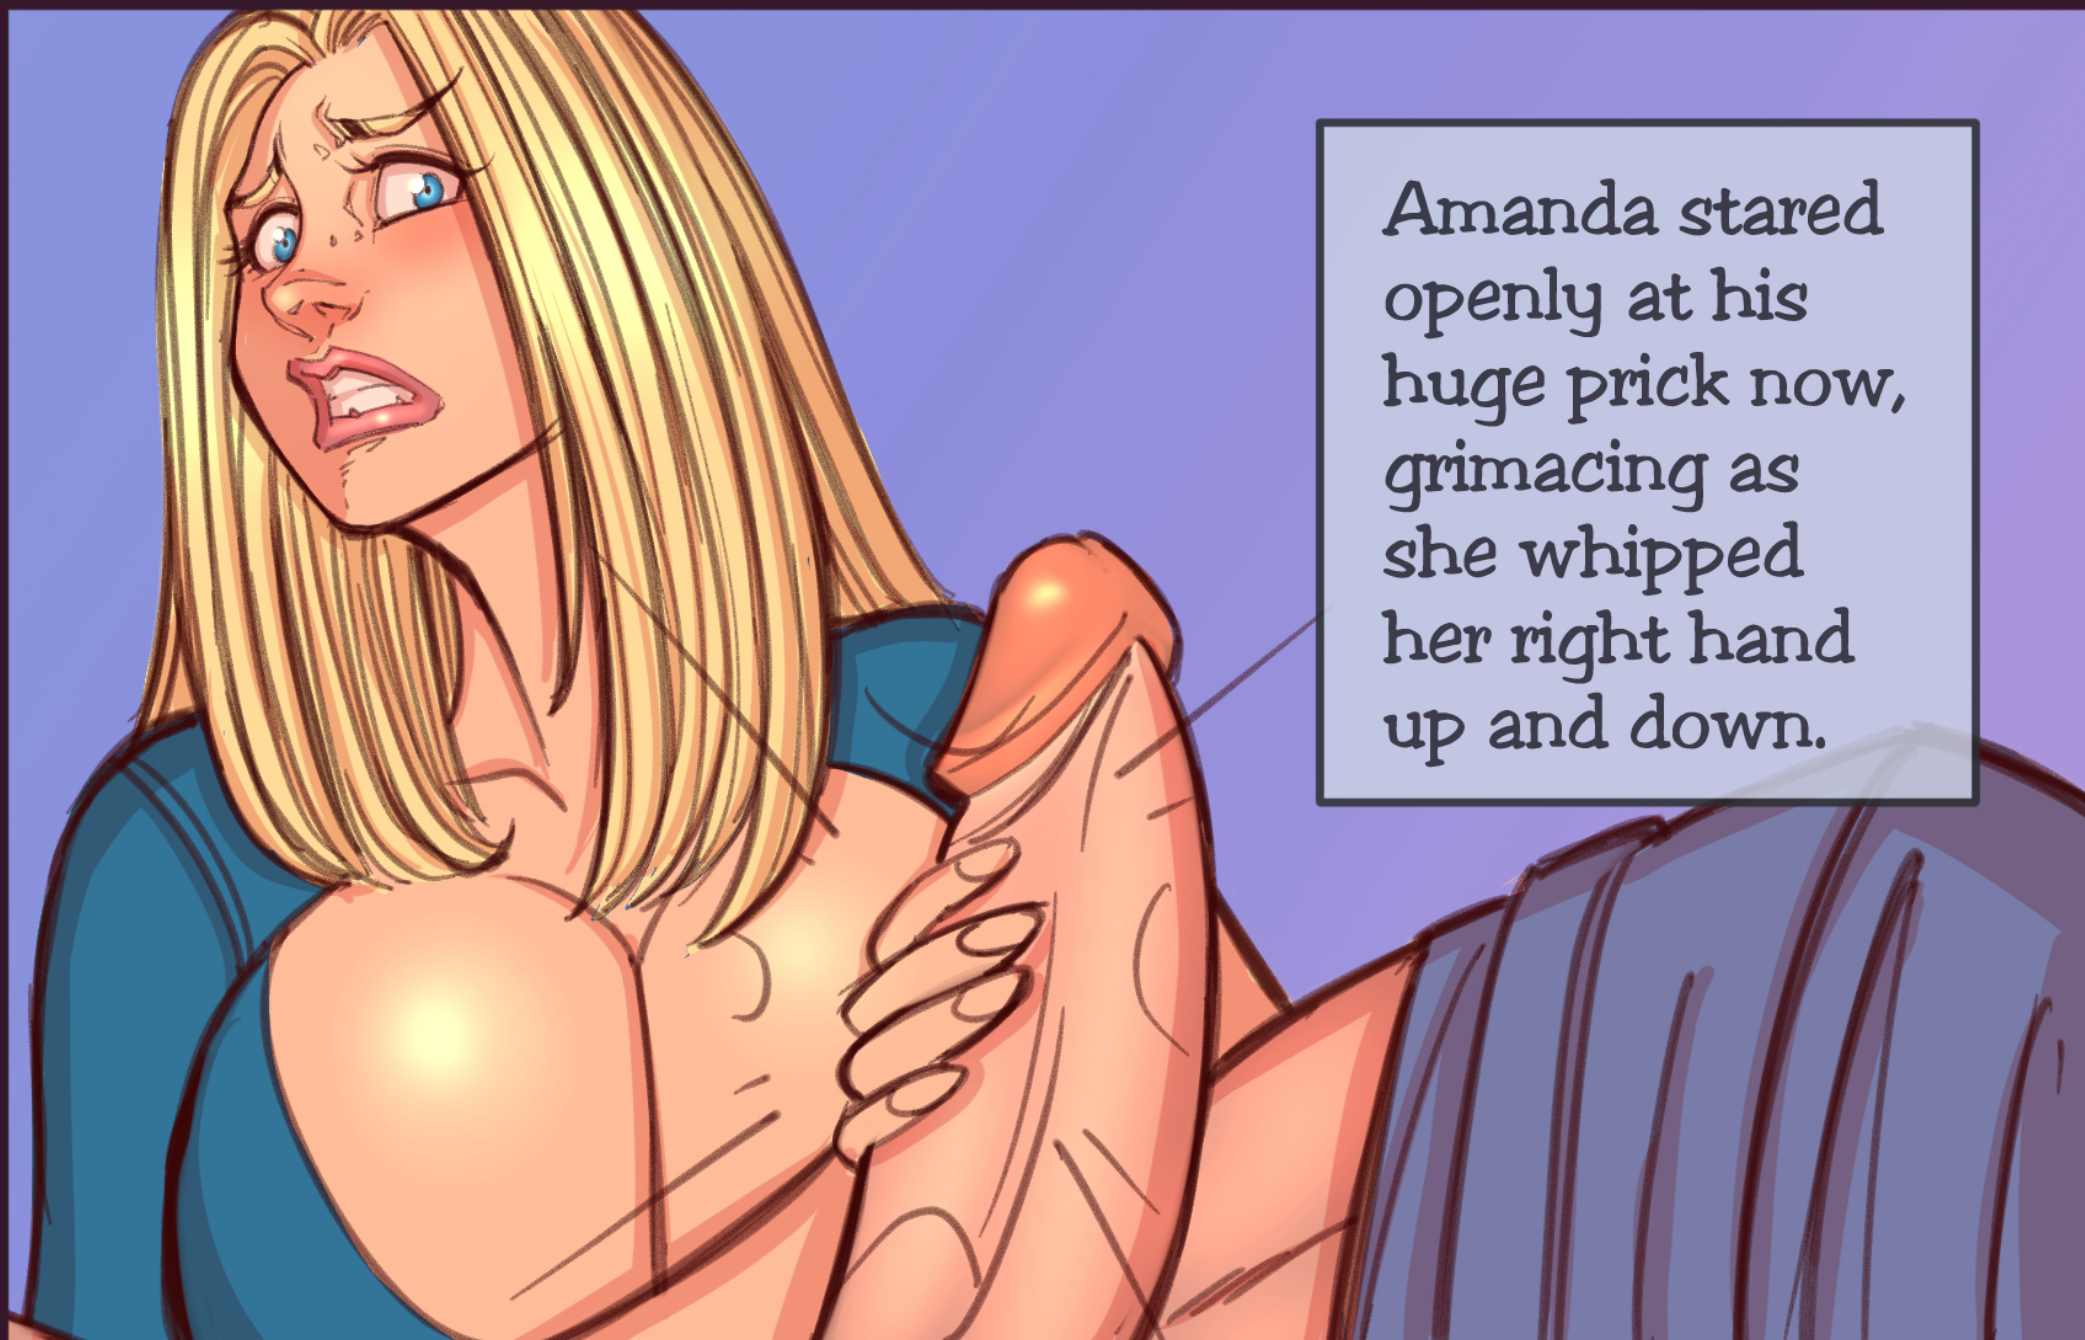

Her pussy was very wet, throbbing so hornily in her panties that she could hardly think straight.

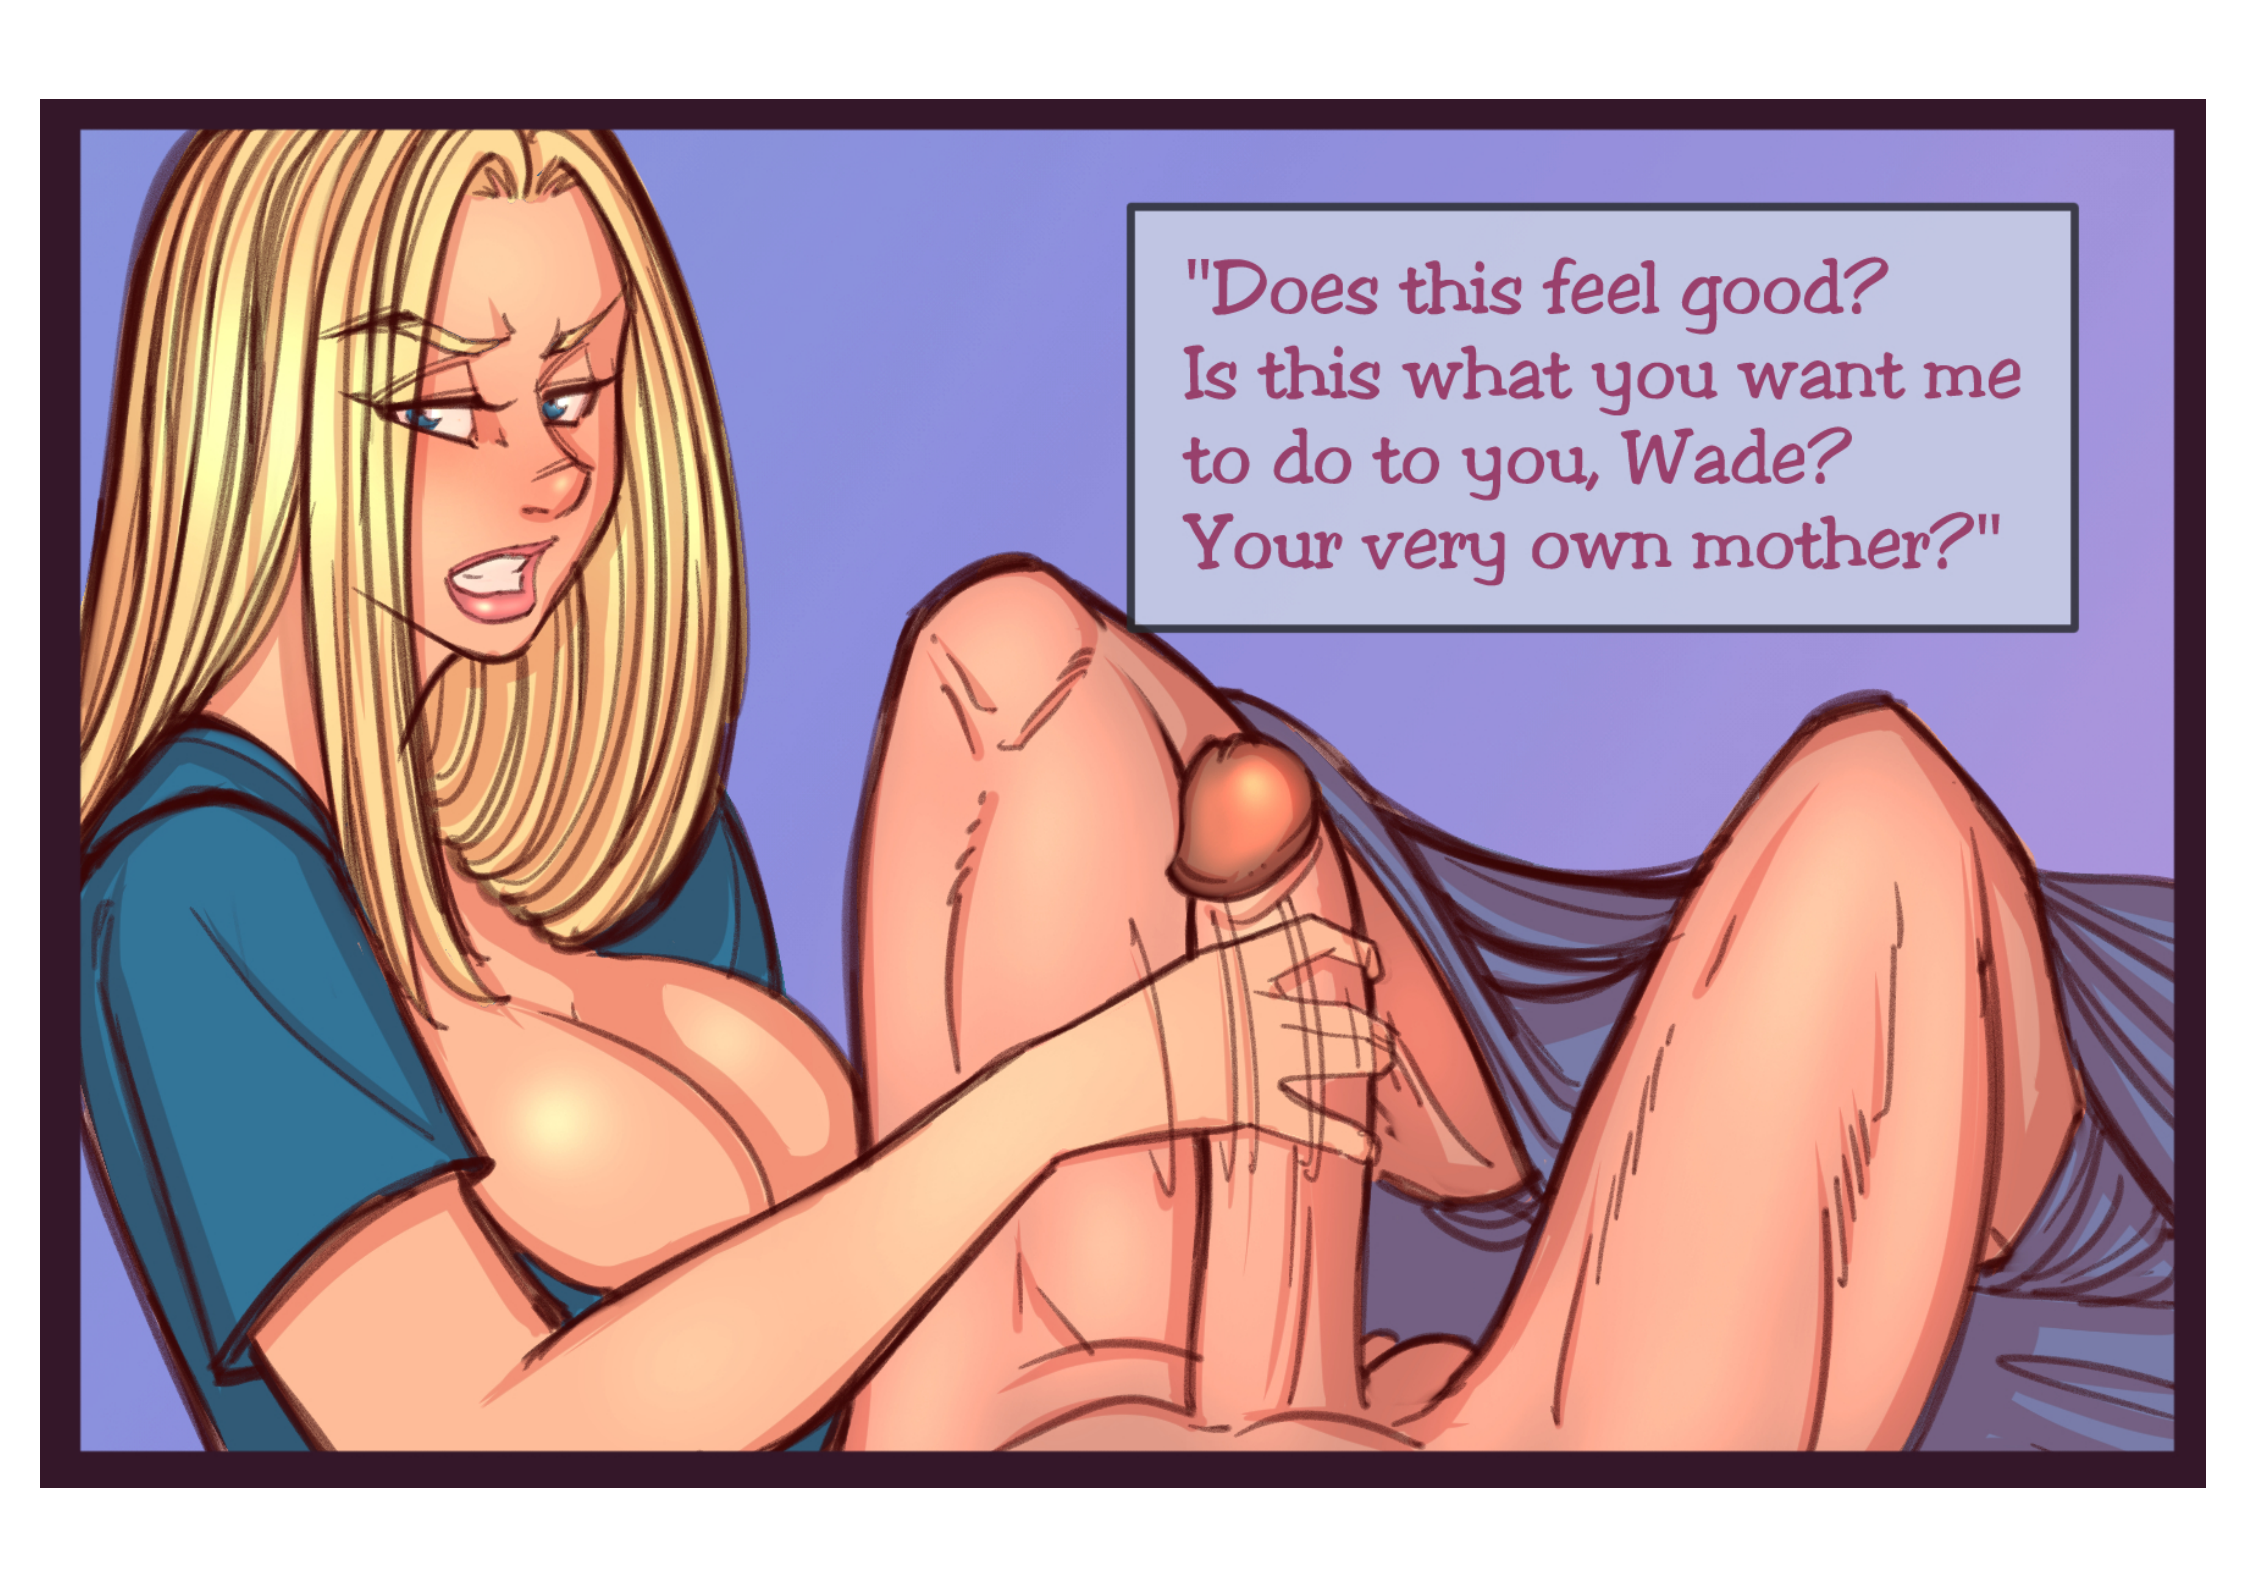

She felt
overwhelmed
by anger,
frustration
and a wanton,
uncontrollable
lust.

Wade just lay there, smiling as he submitted to his sex-starved mother's hand job.

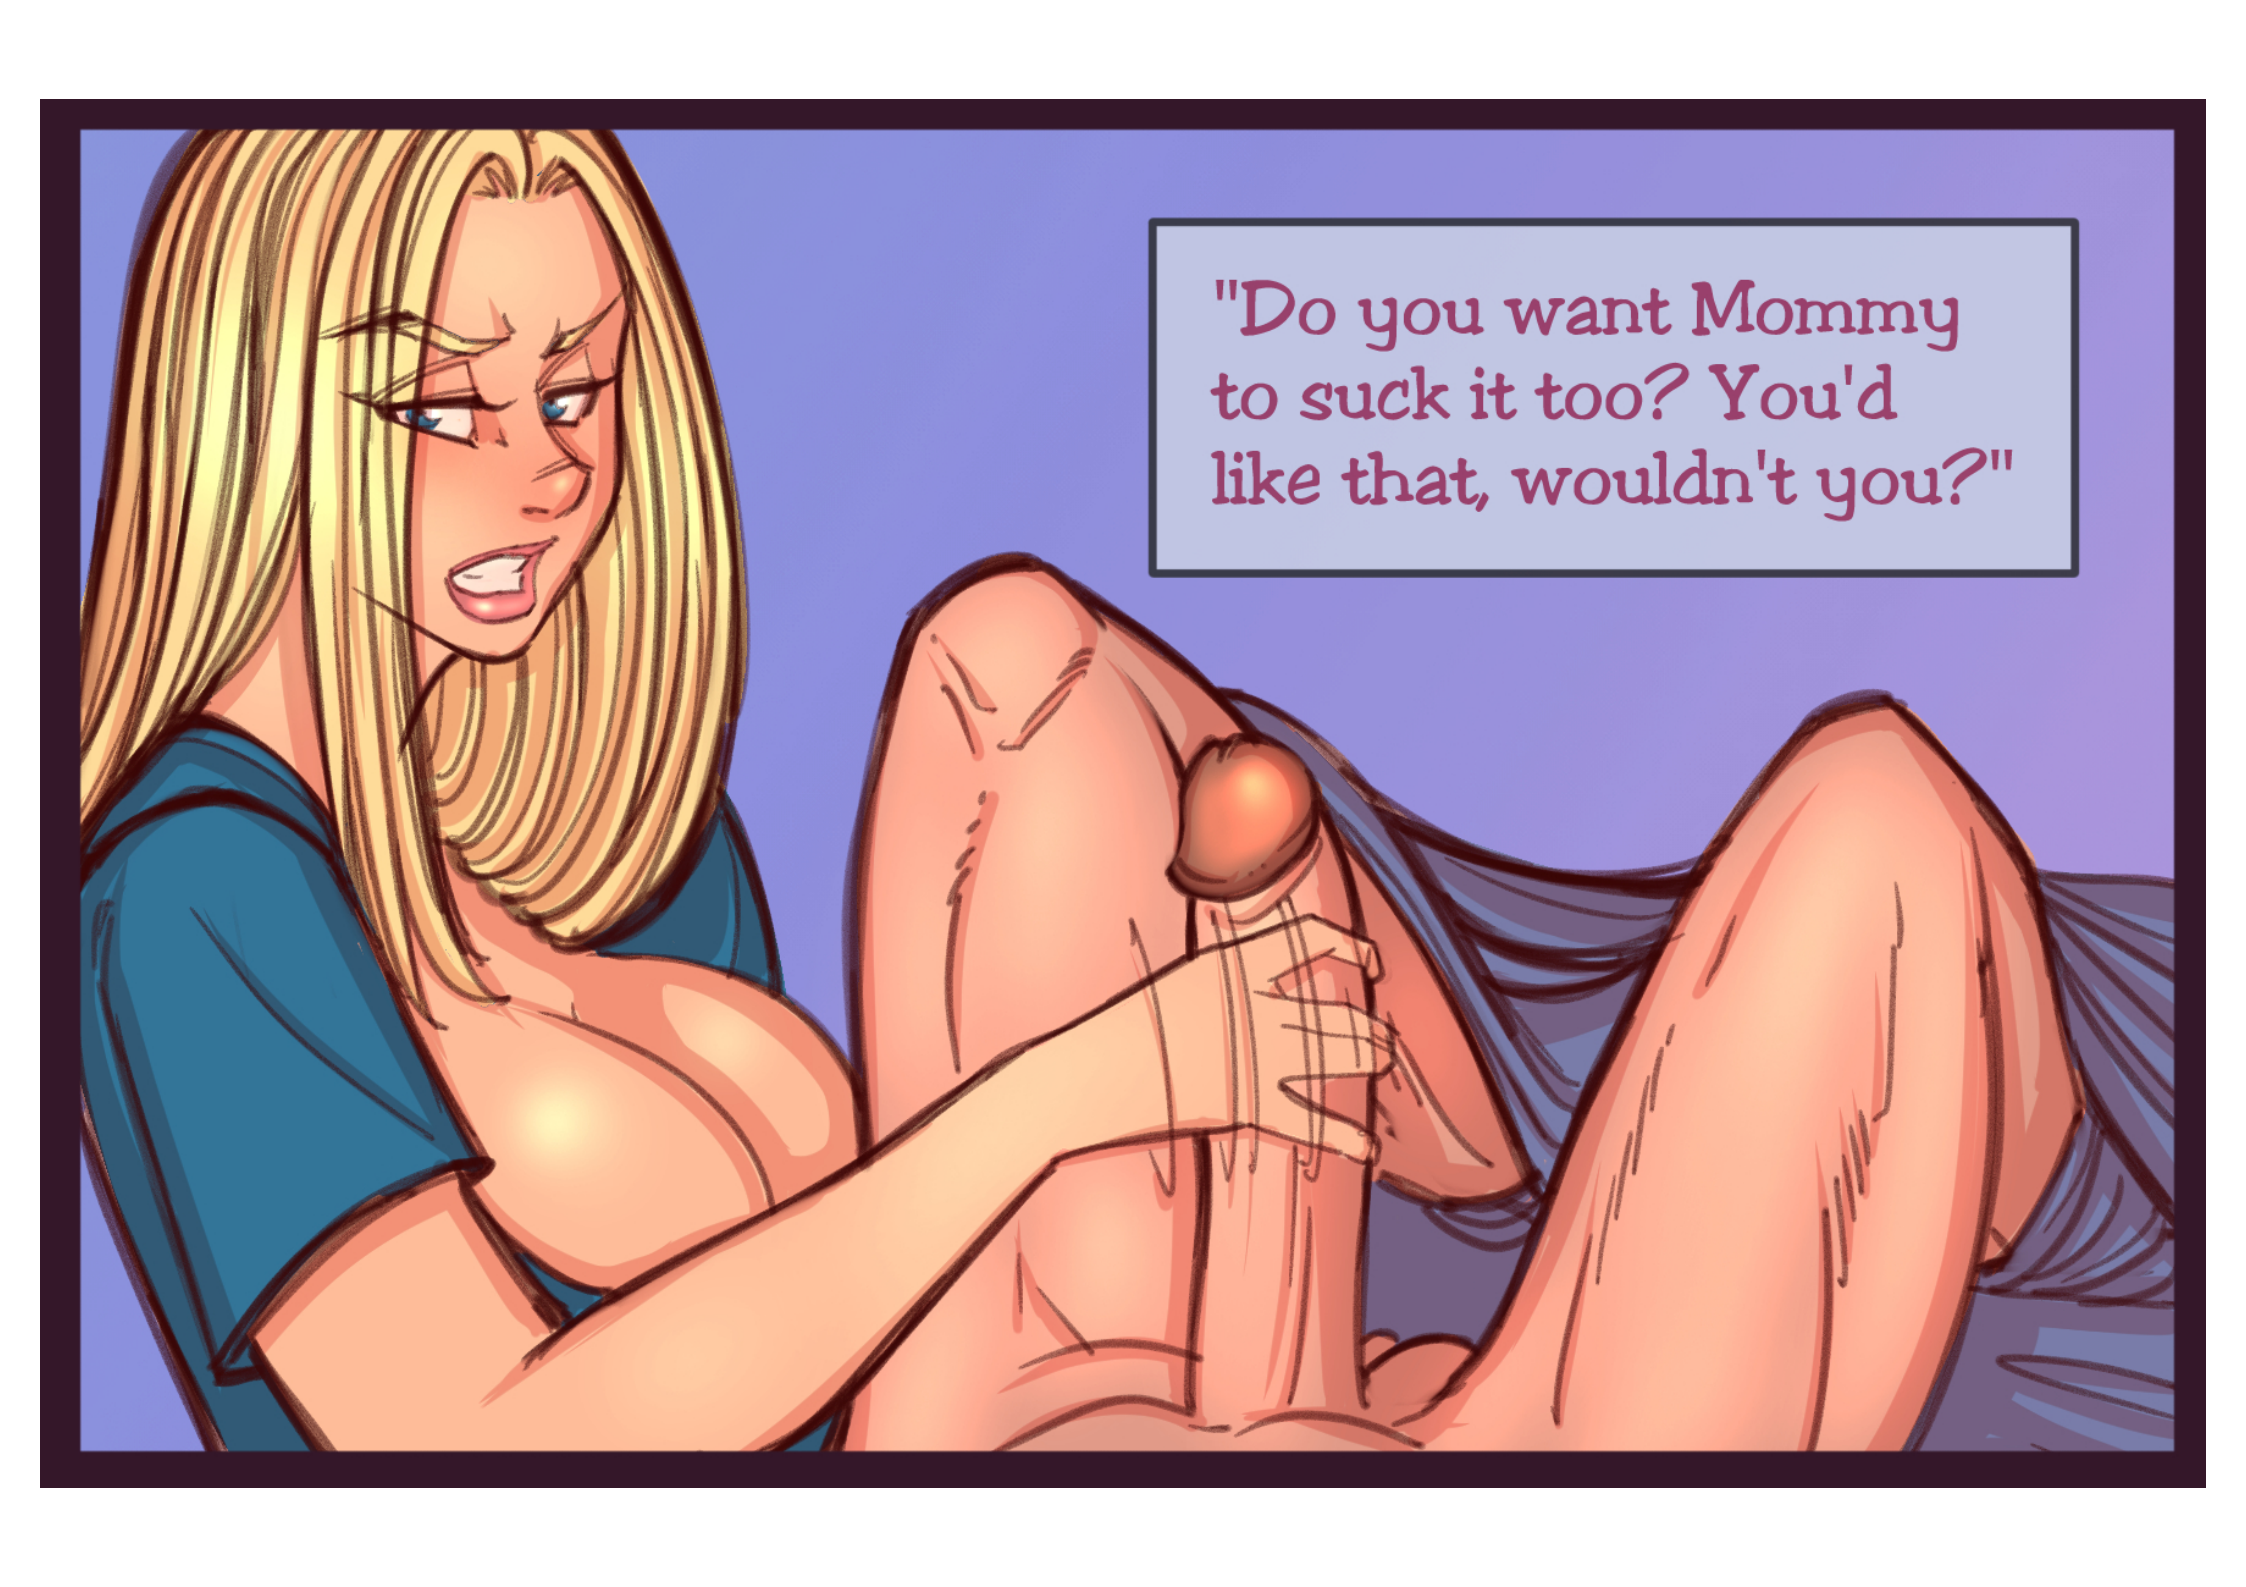

Amanda stared
openly at his
huge prick now,
grimacing as
she whipped
her right hand
up and down.

"Does this feel good?
Is this what you want me
to do to you, Wade?
Your very own mother?"

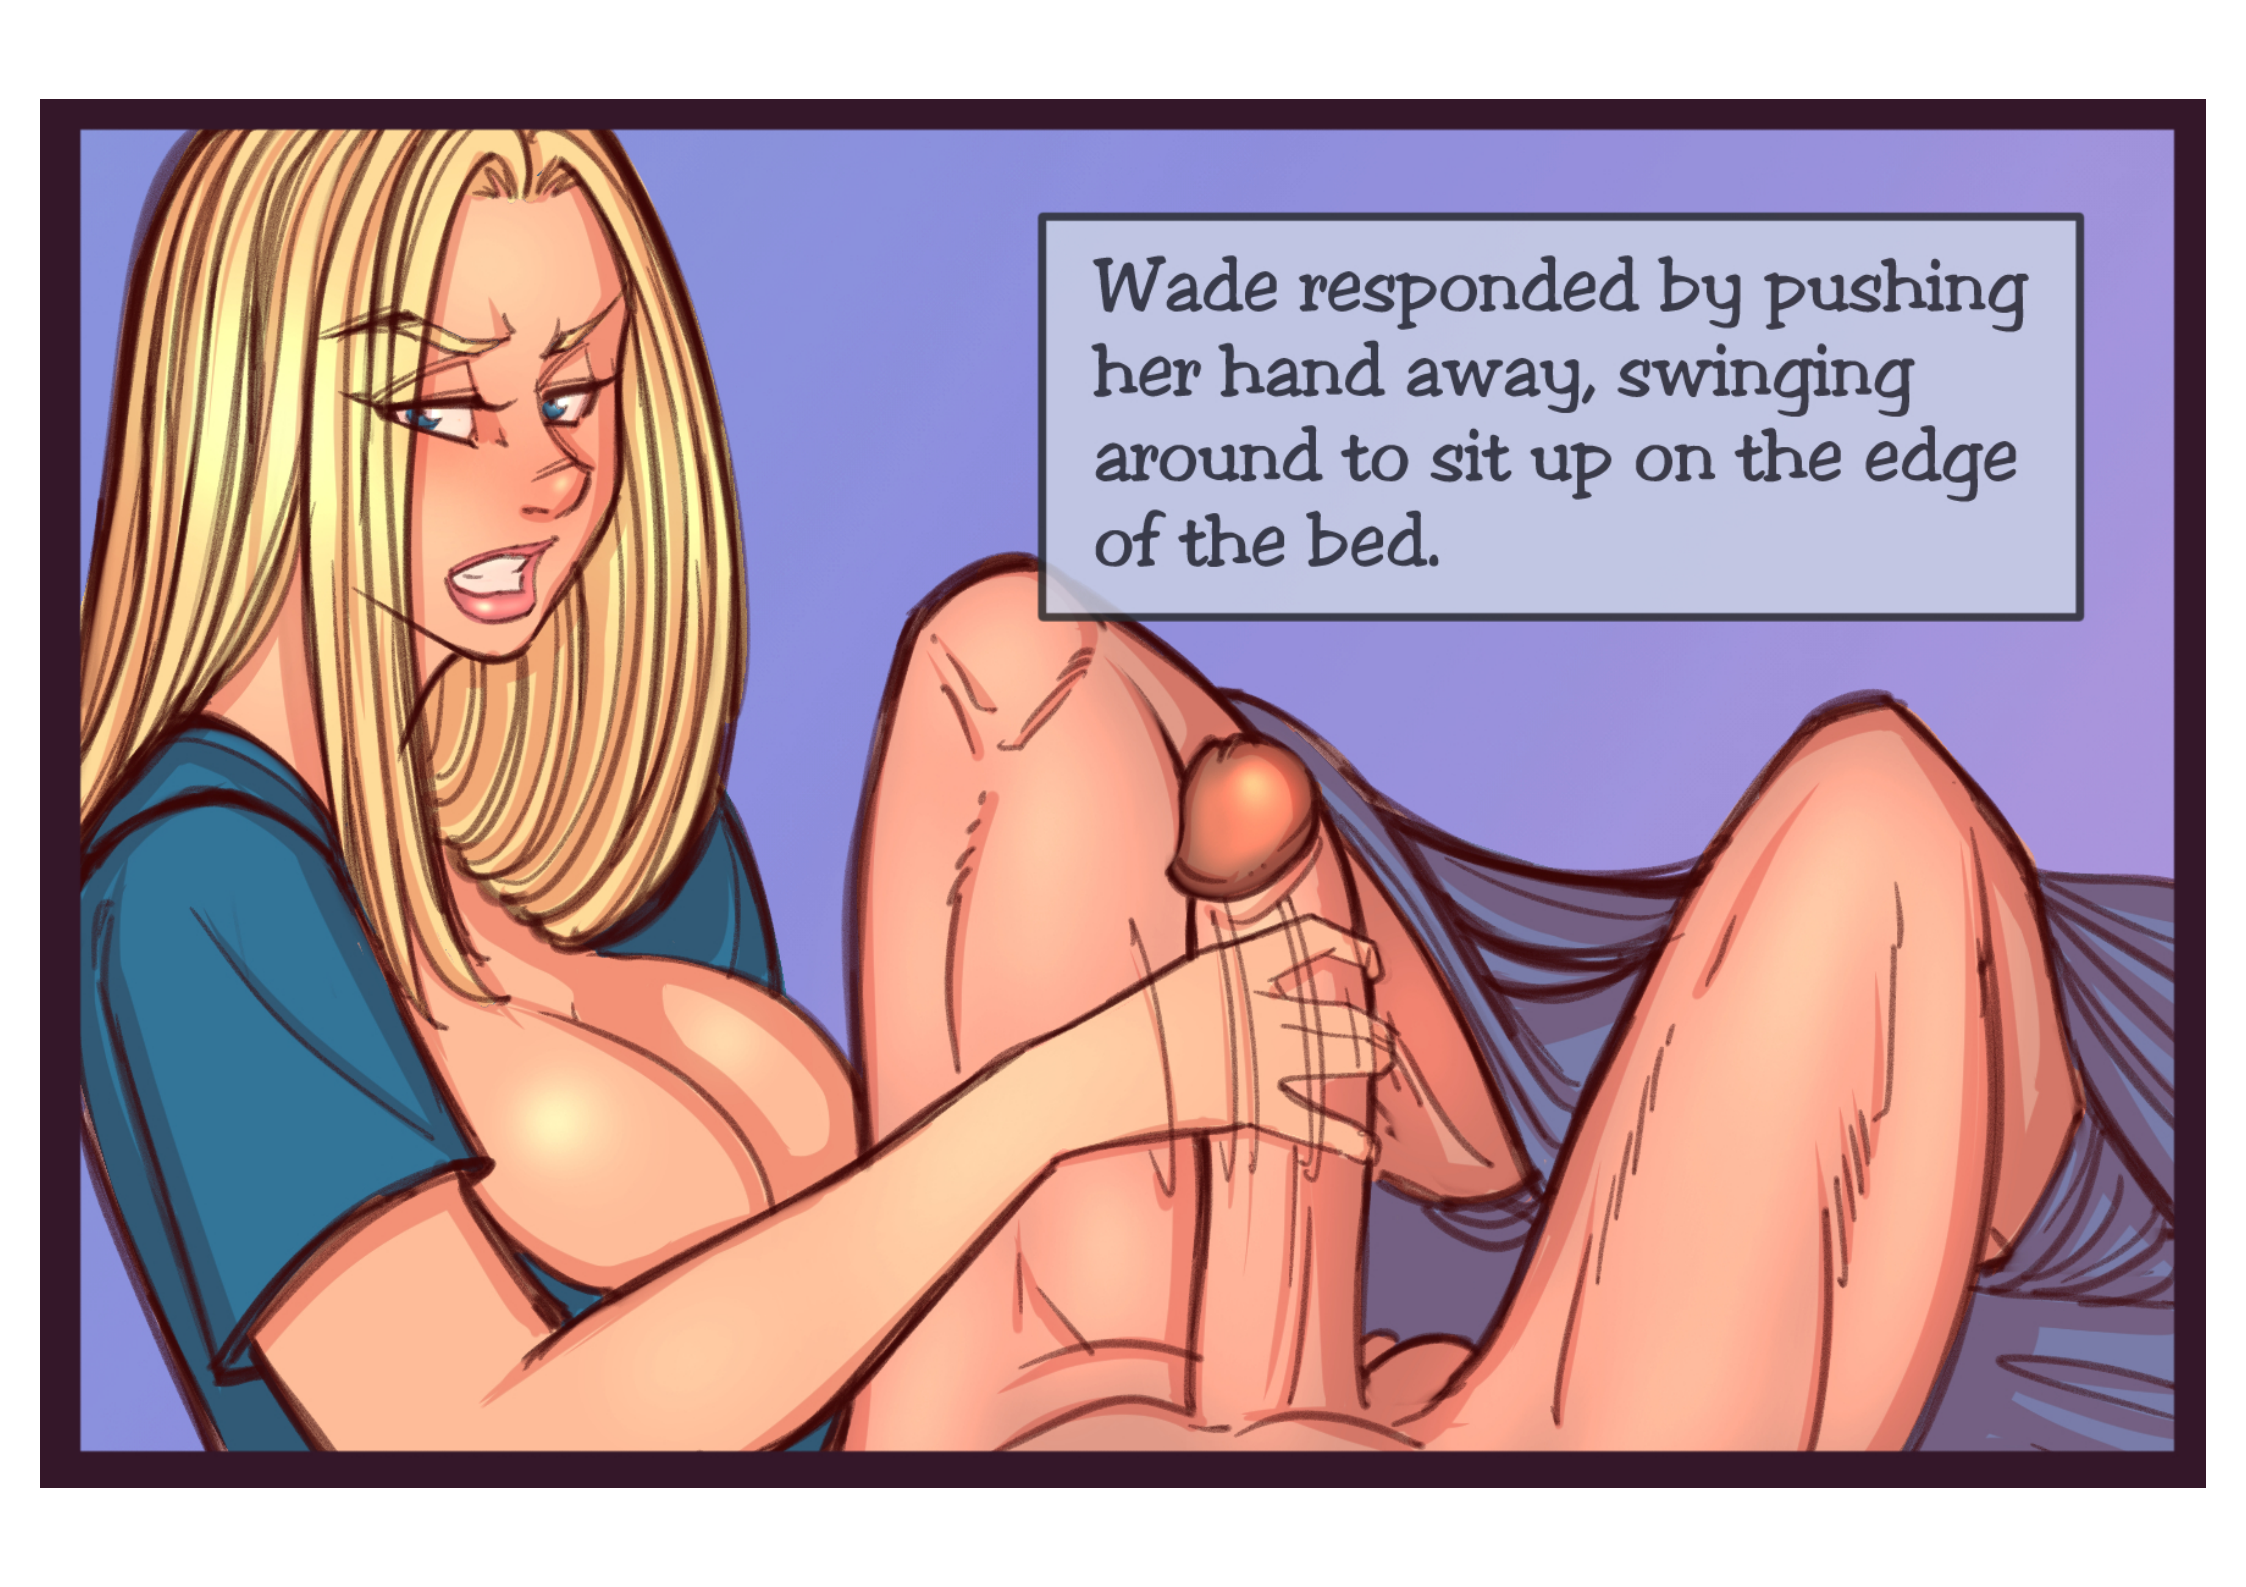

"Are you really so disgusting that you want your own Mommy to jack on your cock like this?"

A blonde woman with long, straight hair is shown from the chest up, wearing a blue top. She is looking down with a slightly smug or suggestive expression at a person whose torso and groin are visible. The person's hand is near their groin. The background is a solid light purple color. A speech bubble is positioned in the upper right quadrant of the image.

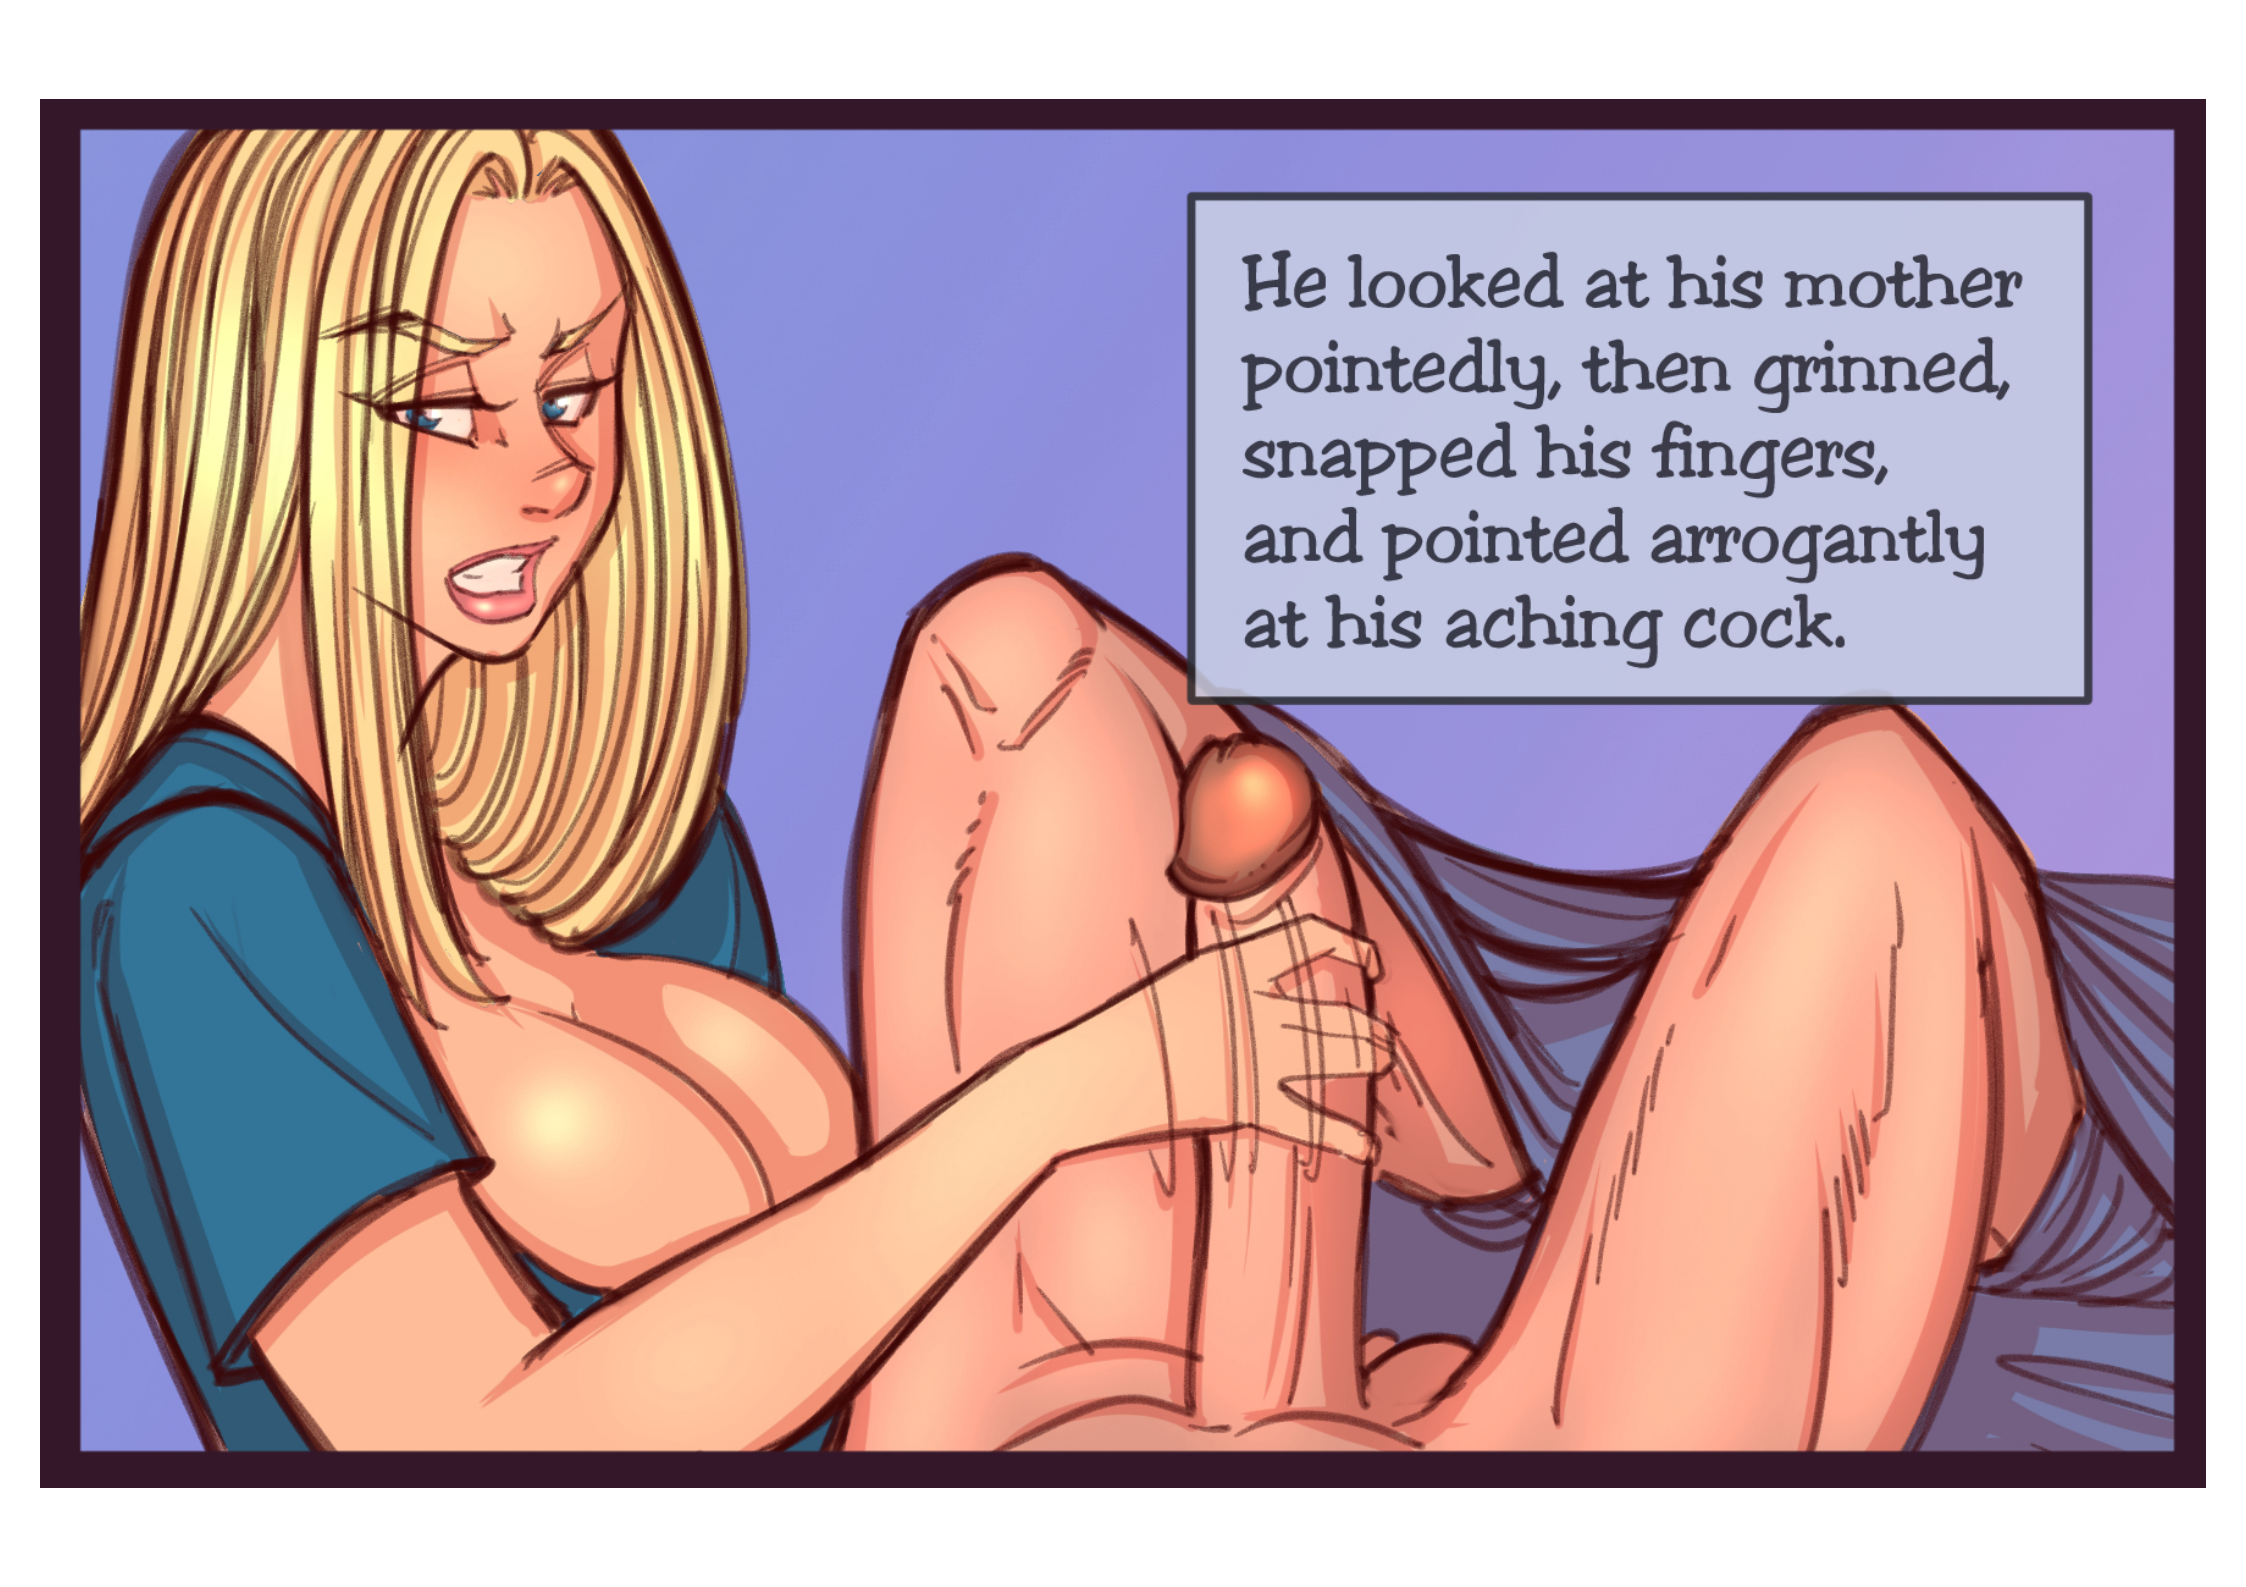

"Do you want Mommy to suck it too? You'd like that, wouldn't you?"

A comic book panel with a purple background. On the left, a blonde woman with long hair, wearing a blue top, is shown from the chest up. She has a stern, somewhat angry expression and is looking down towards the right. Her right hand is holding a penis. On the right side of the panel, a man's torso and legs are visible, showing his groin area. A speech bubble with a black border is positioned in the upper right quadrant, containing the text: "You'd like your own mother to put your prick in her mouth and swallow your hot cum!".

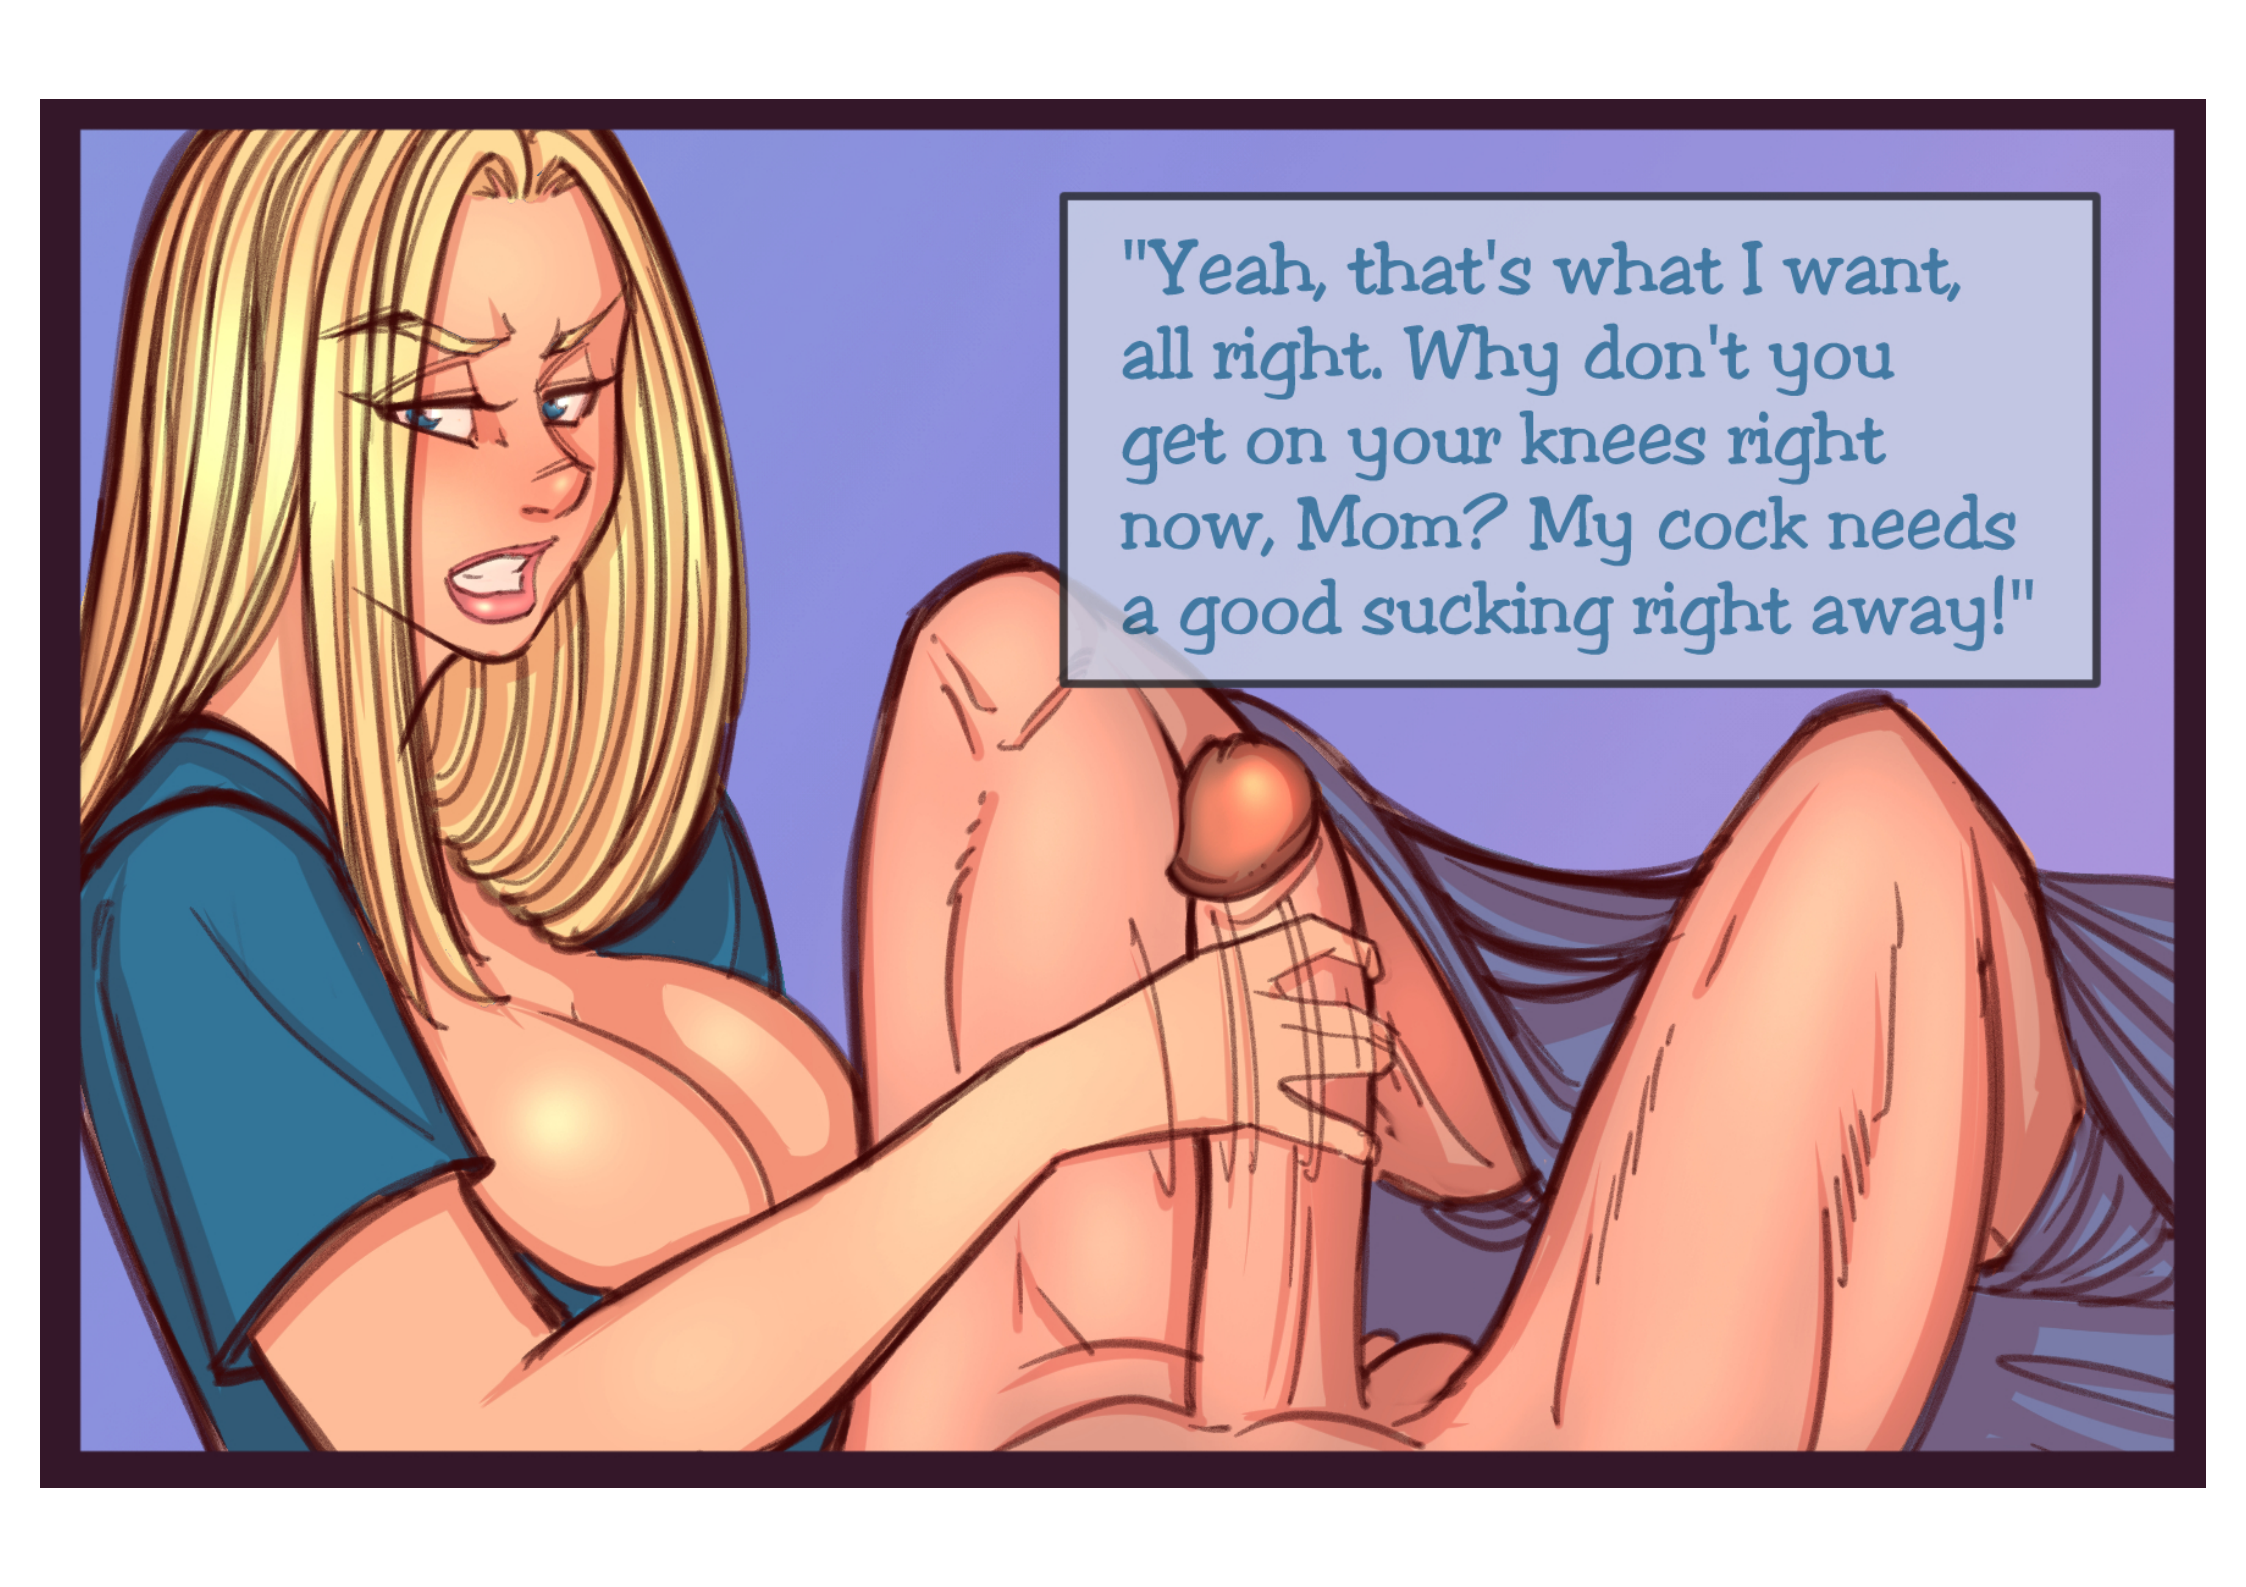

"You'd like your own mother to put your prick in her mouth and swallow your hot cum!"

A comic book panel with a purple background. On the left, a blonde woman with long hair, wearing a blue top, has a frustrated or angry expression. She is reaching out with her right hand to touch the chest of a man whose torso is visible on the right. The man's skin is shaded in warm tones. A light blue speech bubble with a black border is positioned in the upper right quadrant of the panel, containing text.

Wade responded by pushing her hand away, swinging around to sit up on the edge of the bed.

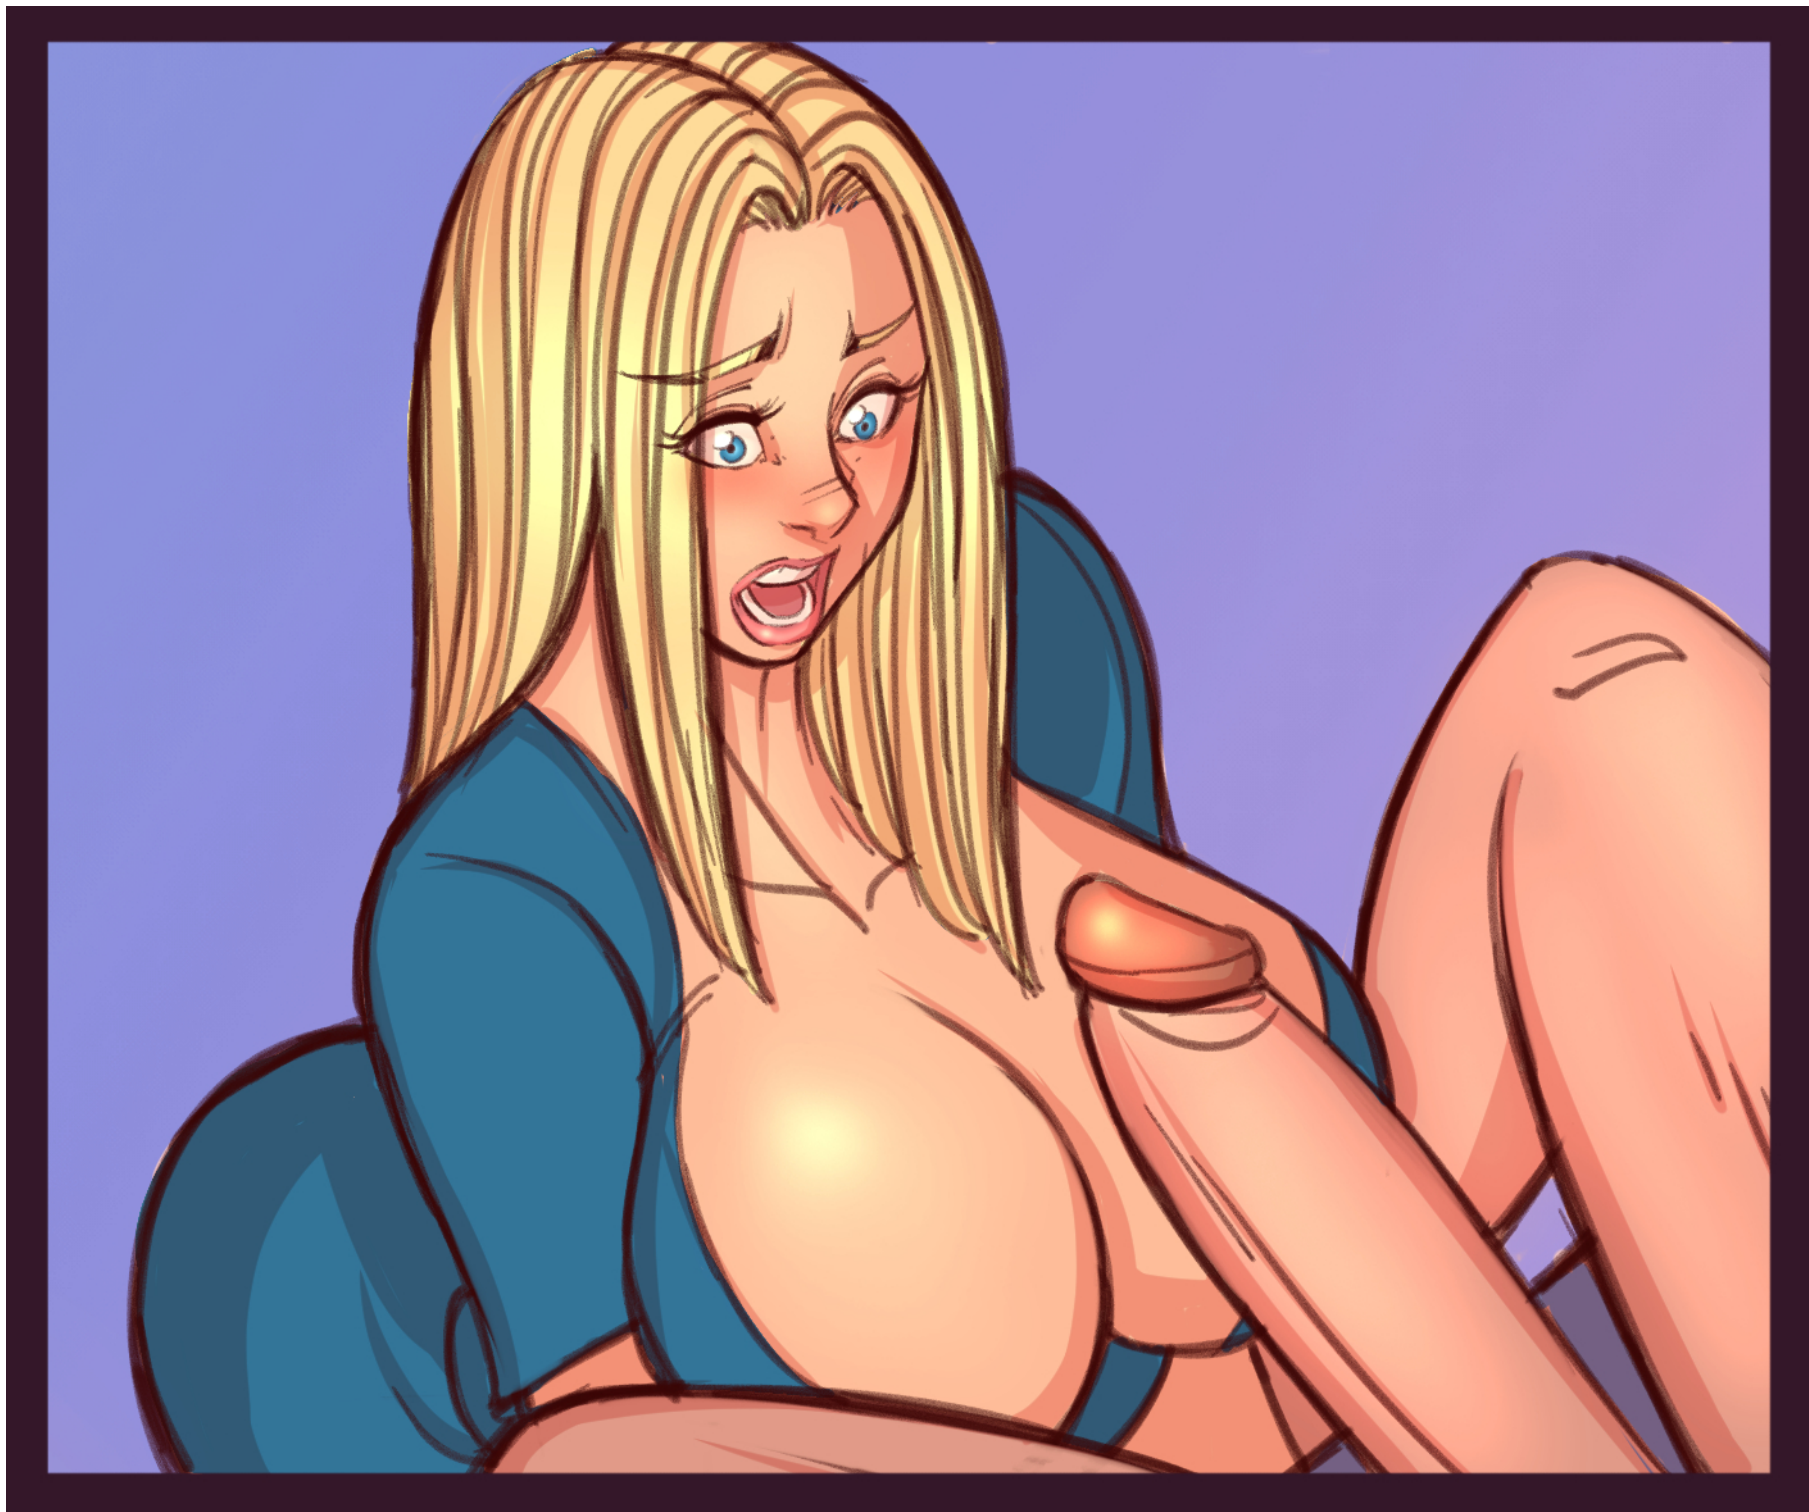

He looked at his mother pointedly, then grinned, snapped his fingers, and pointed arrogantly at his aching cock.

"Yeah, that's what I want, all right. Why don't you get on your knees right now, Mom? My cock needs a good sucking right away!"

"You filthy, shameful,
little boy - "

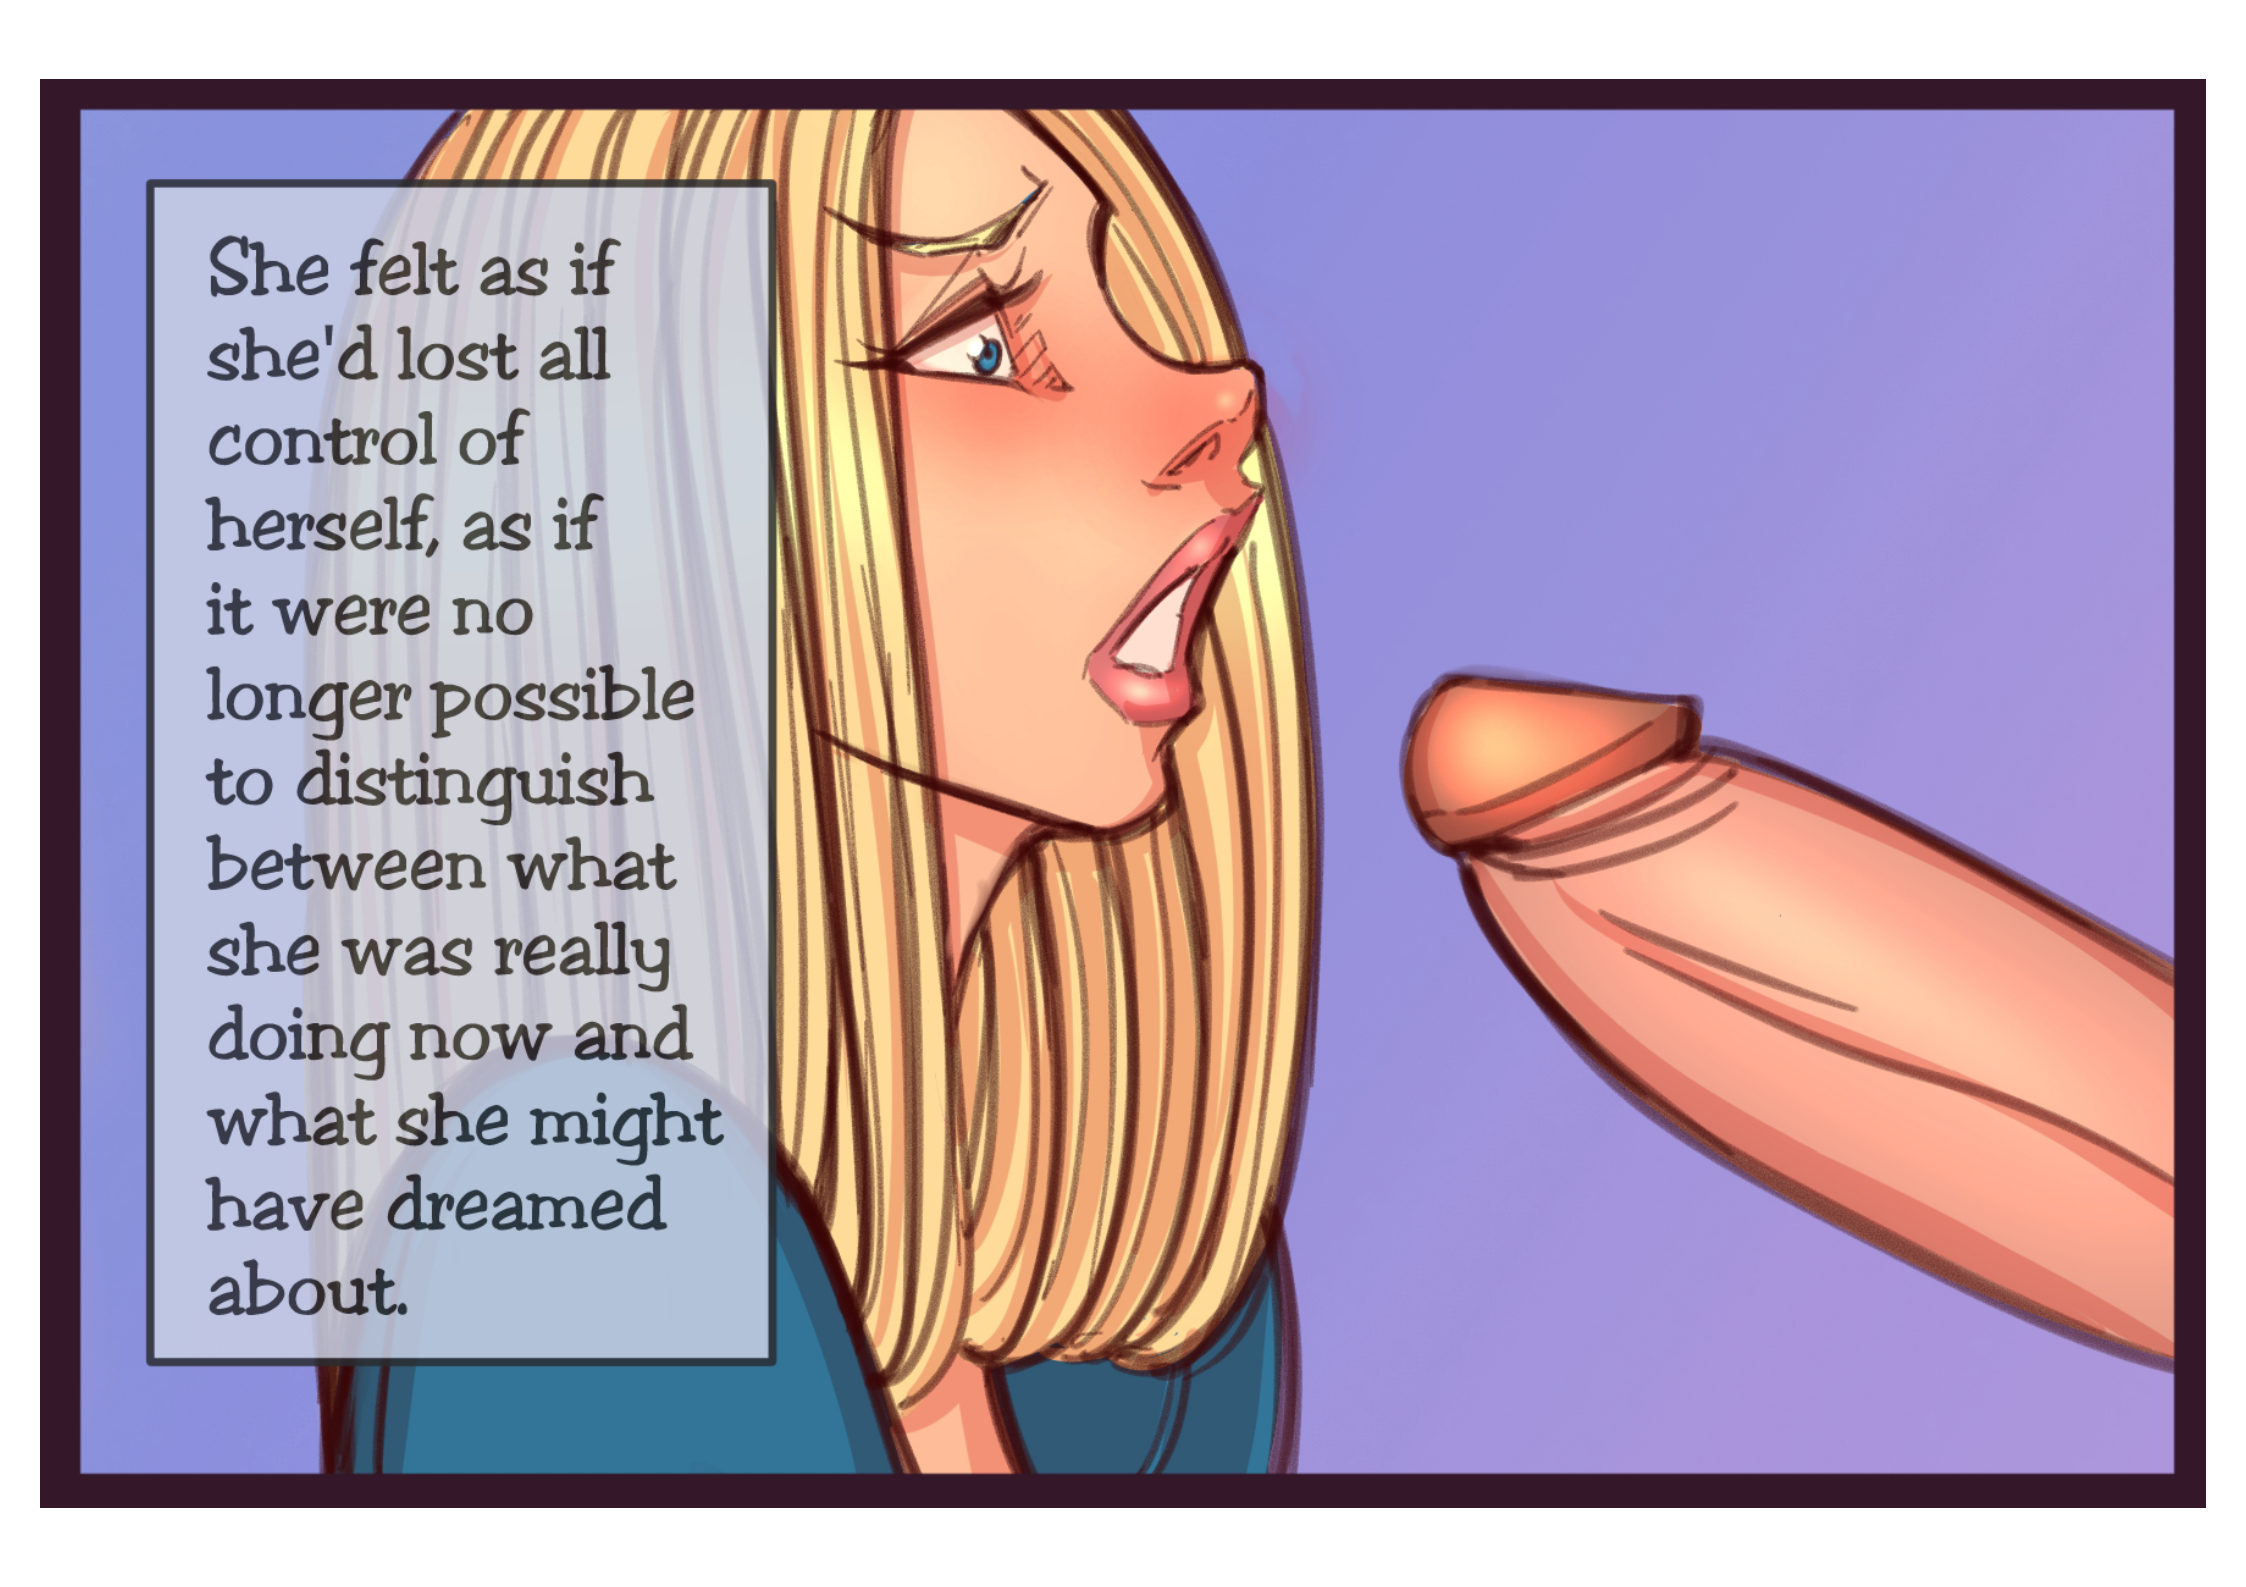

And then her words trailed off as she did what her adopted son requested, dropping to her knees in front of him and confronting the huge, aching length of his prick.

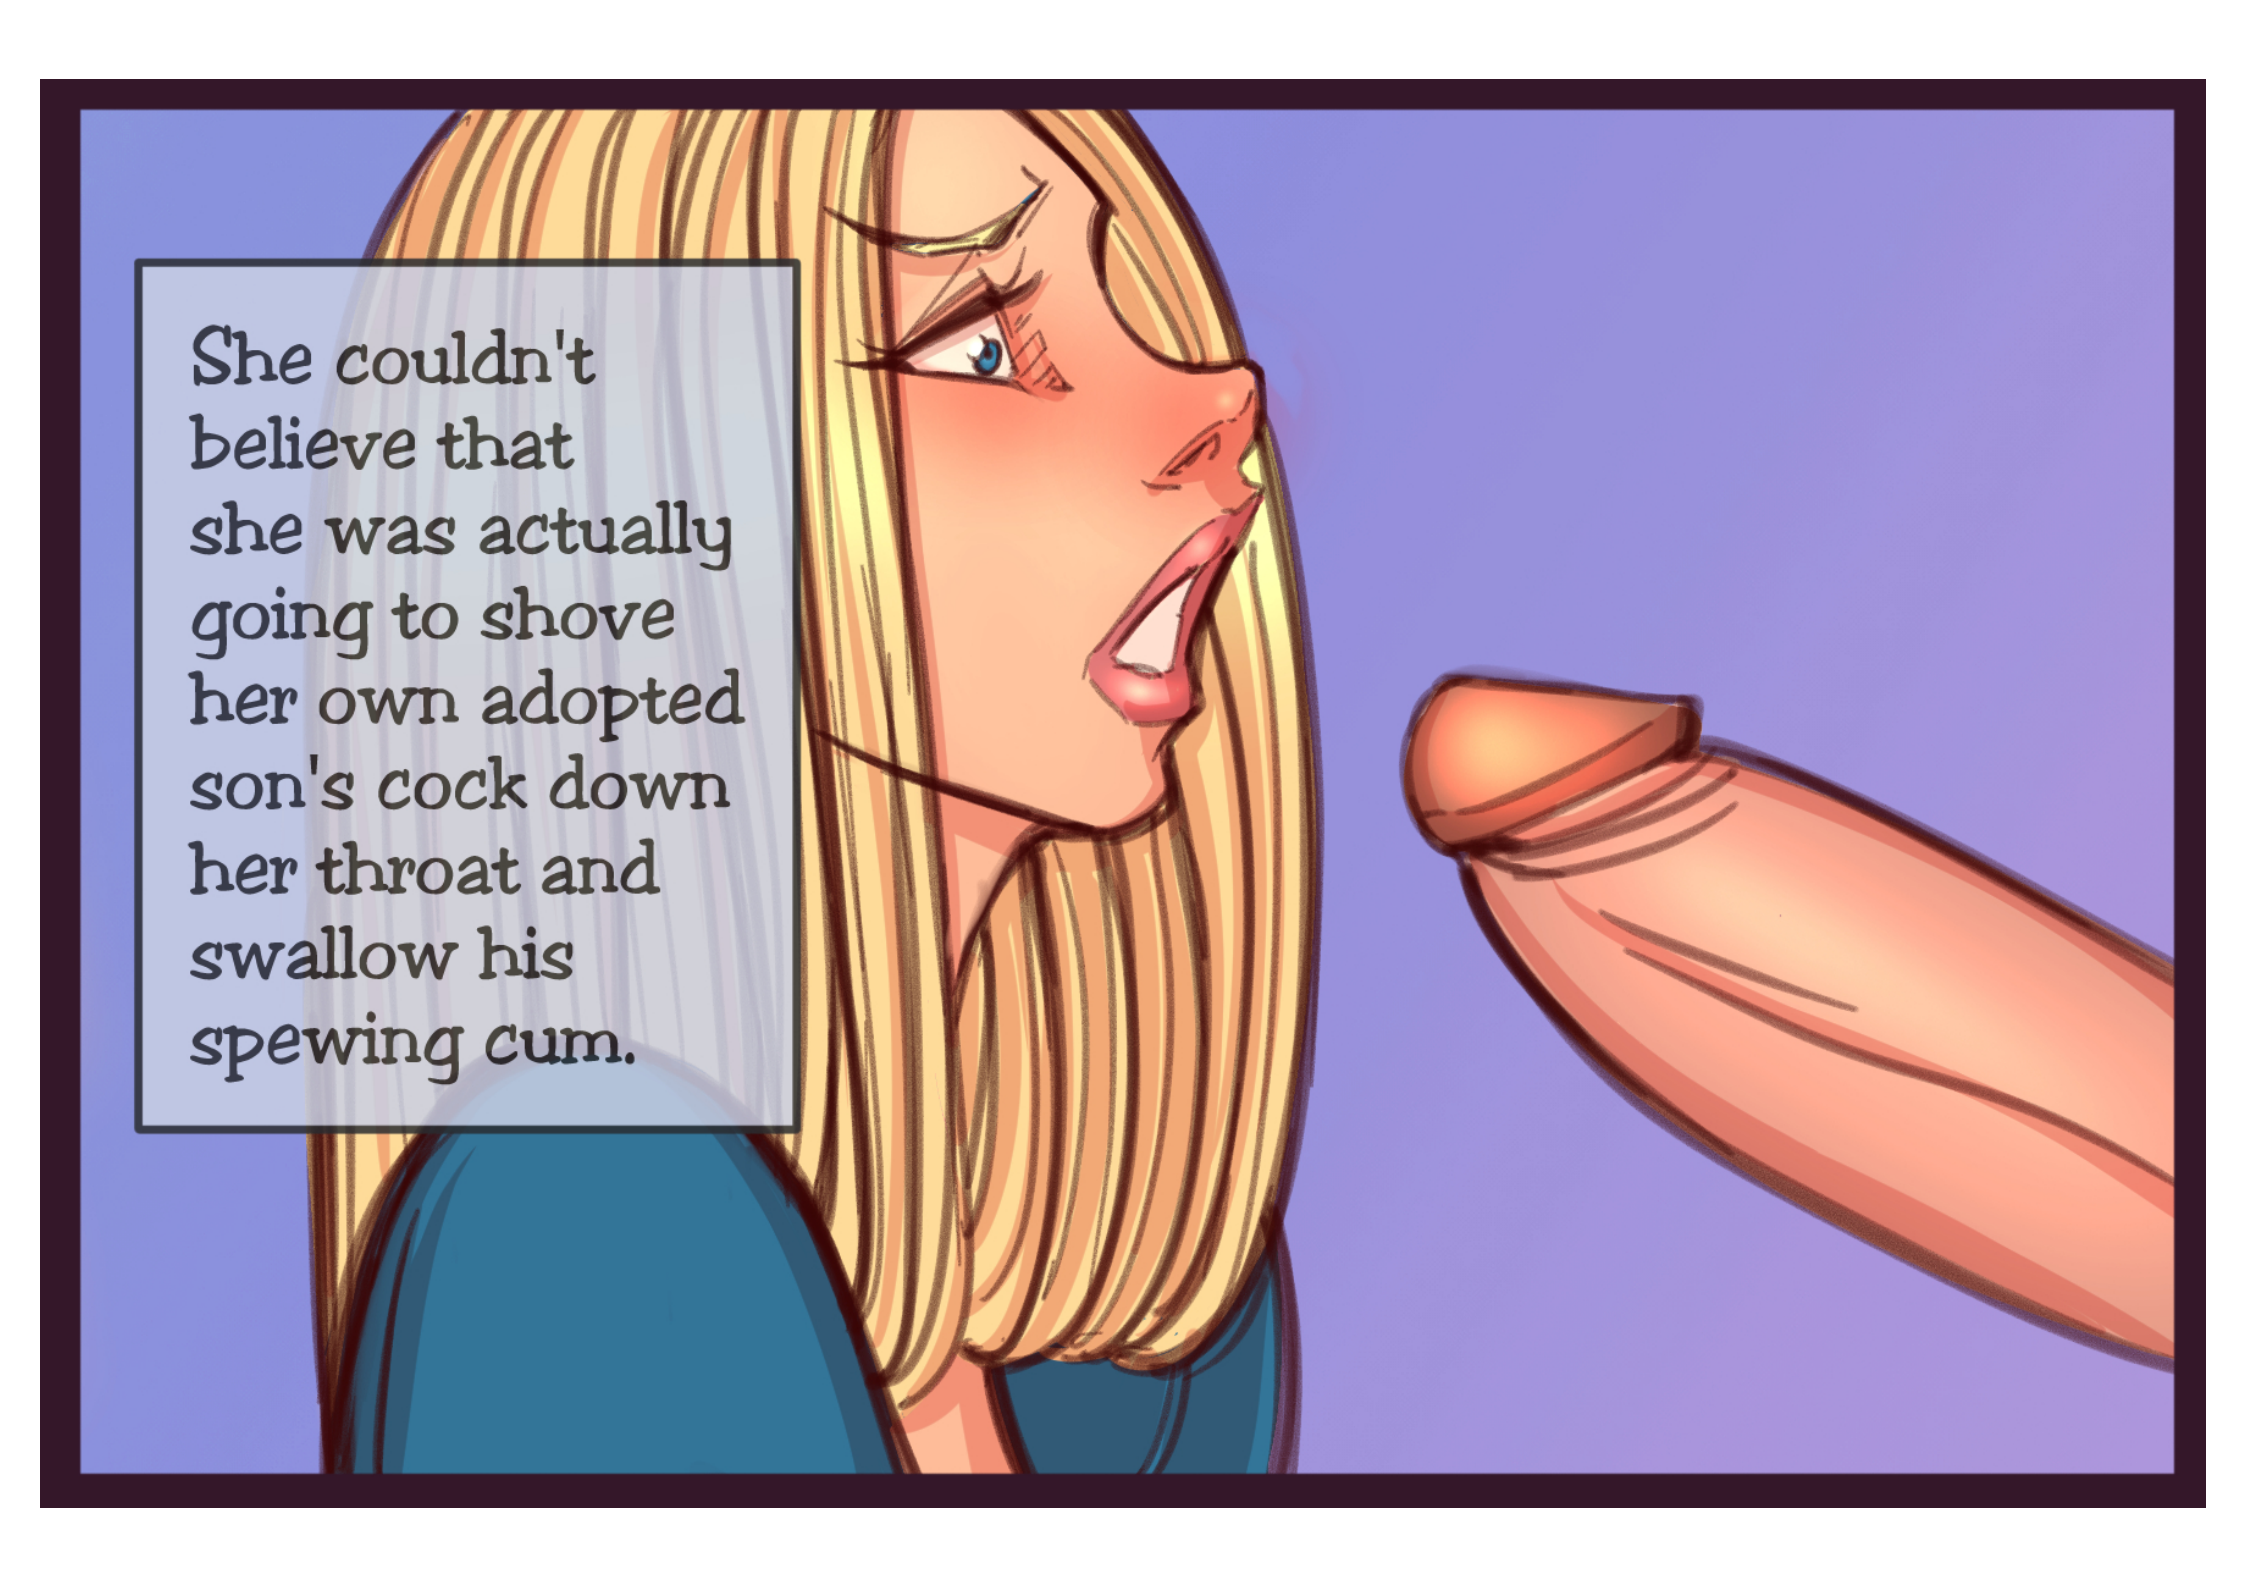

Amanda realized that she was breathing very hard, and that she could feel her heartbeat in her pussy better even than she could feel it in her chest.

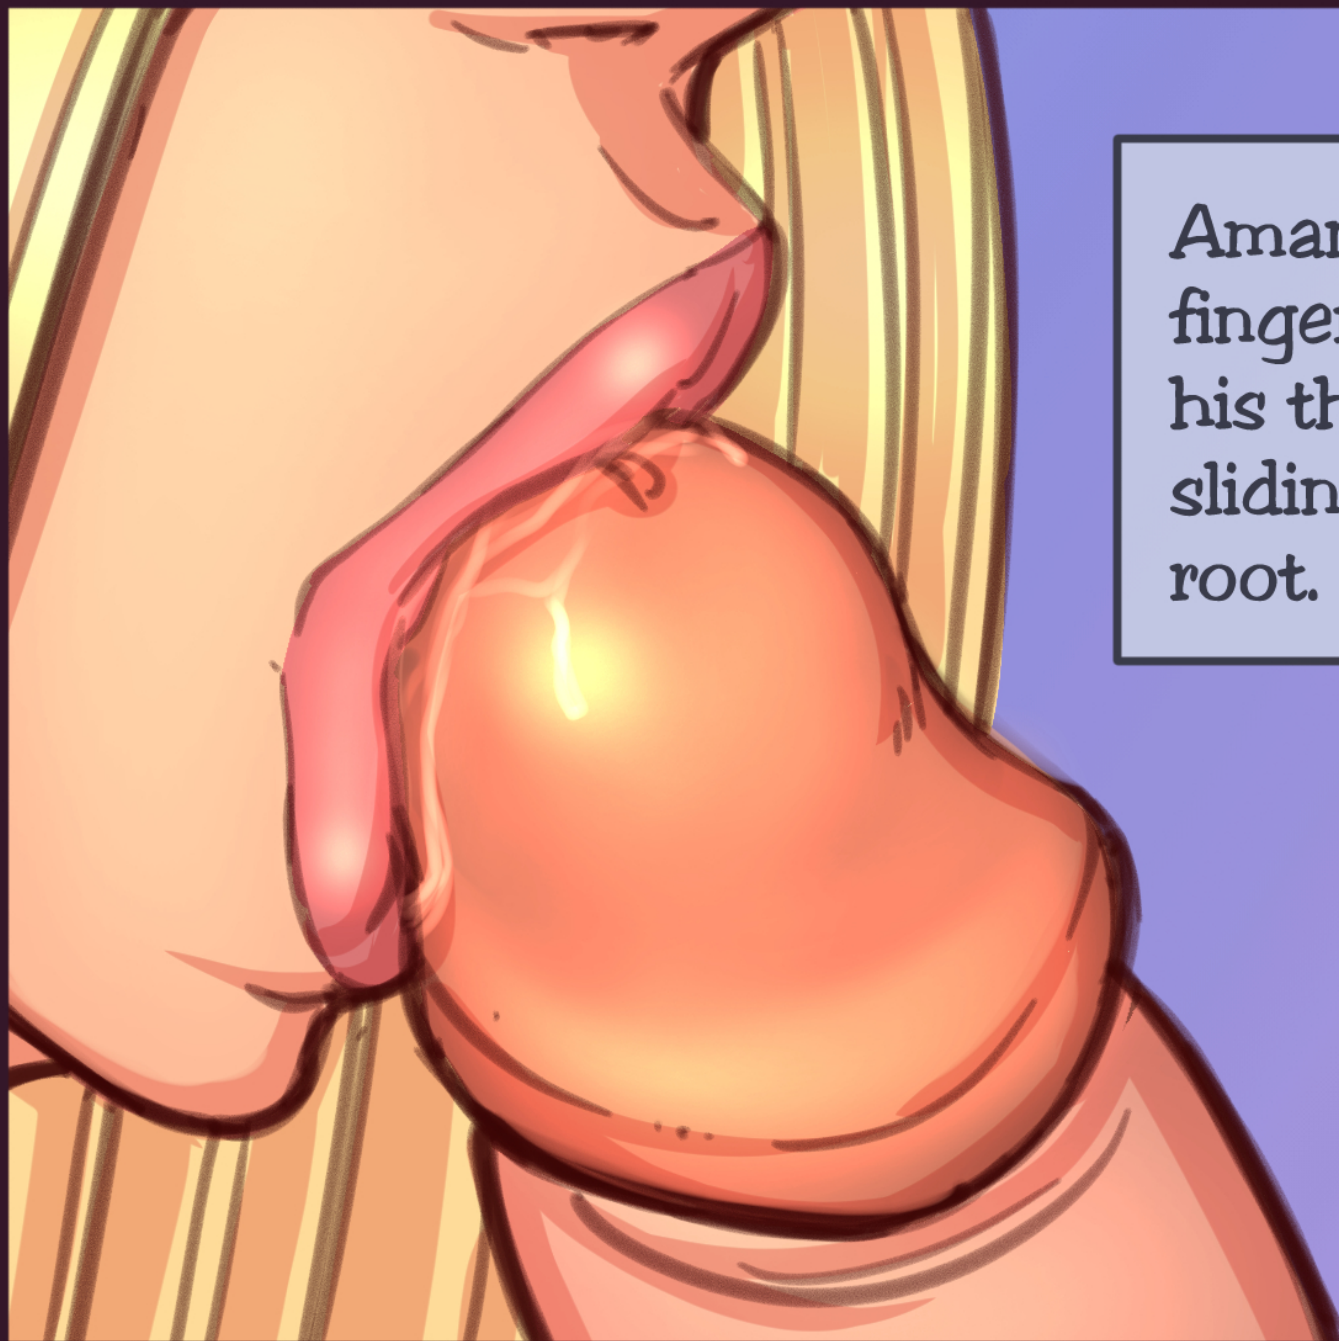

A comic book panel featuring a woman with long, straight blonde hair. She is shown from the chest up, looking towards the right with a wide-eyed, open-mouthed expression of surprise or shock. Her eyes are blue, and her lips are pink. To her right, a hand with a large, rounded thumb is reaching towards her face. The background is a solid light purple color. A white text box with a black border is positioned on the left side of the panel, containing the following text:

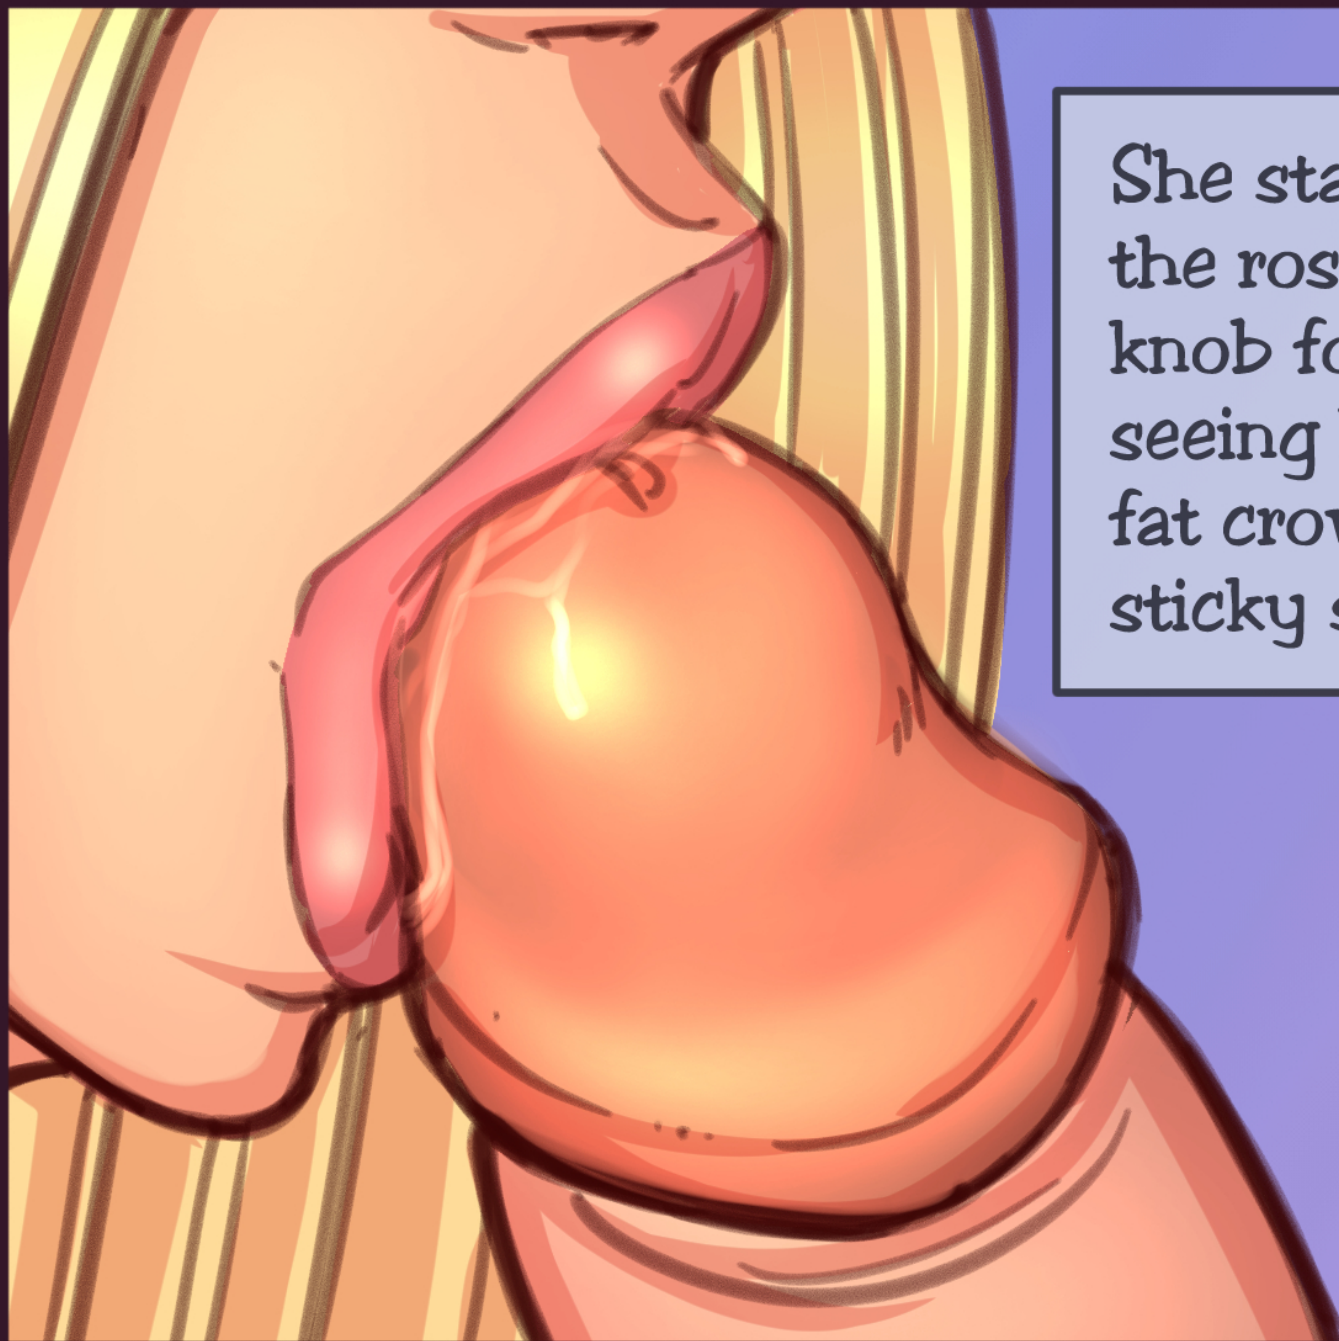

She felt as if she'd lost all control of herself, as if it were no longer possible to distinguish between what she was really doing now and what she might have dreamed about.

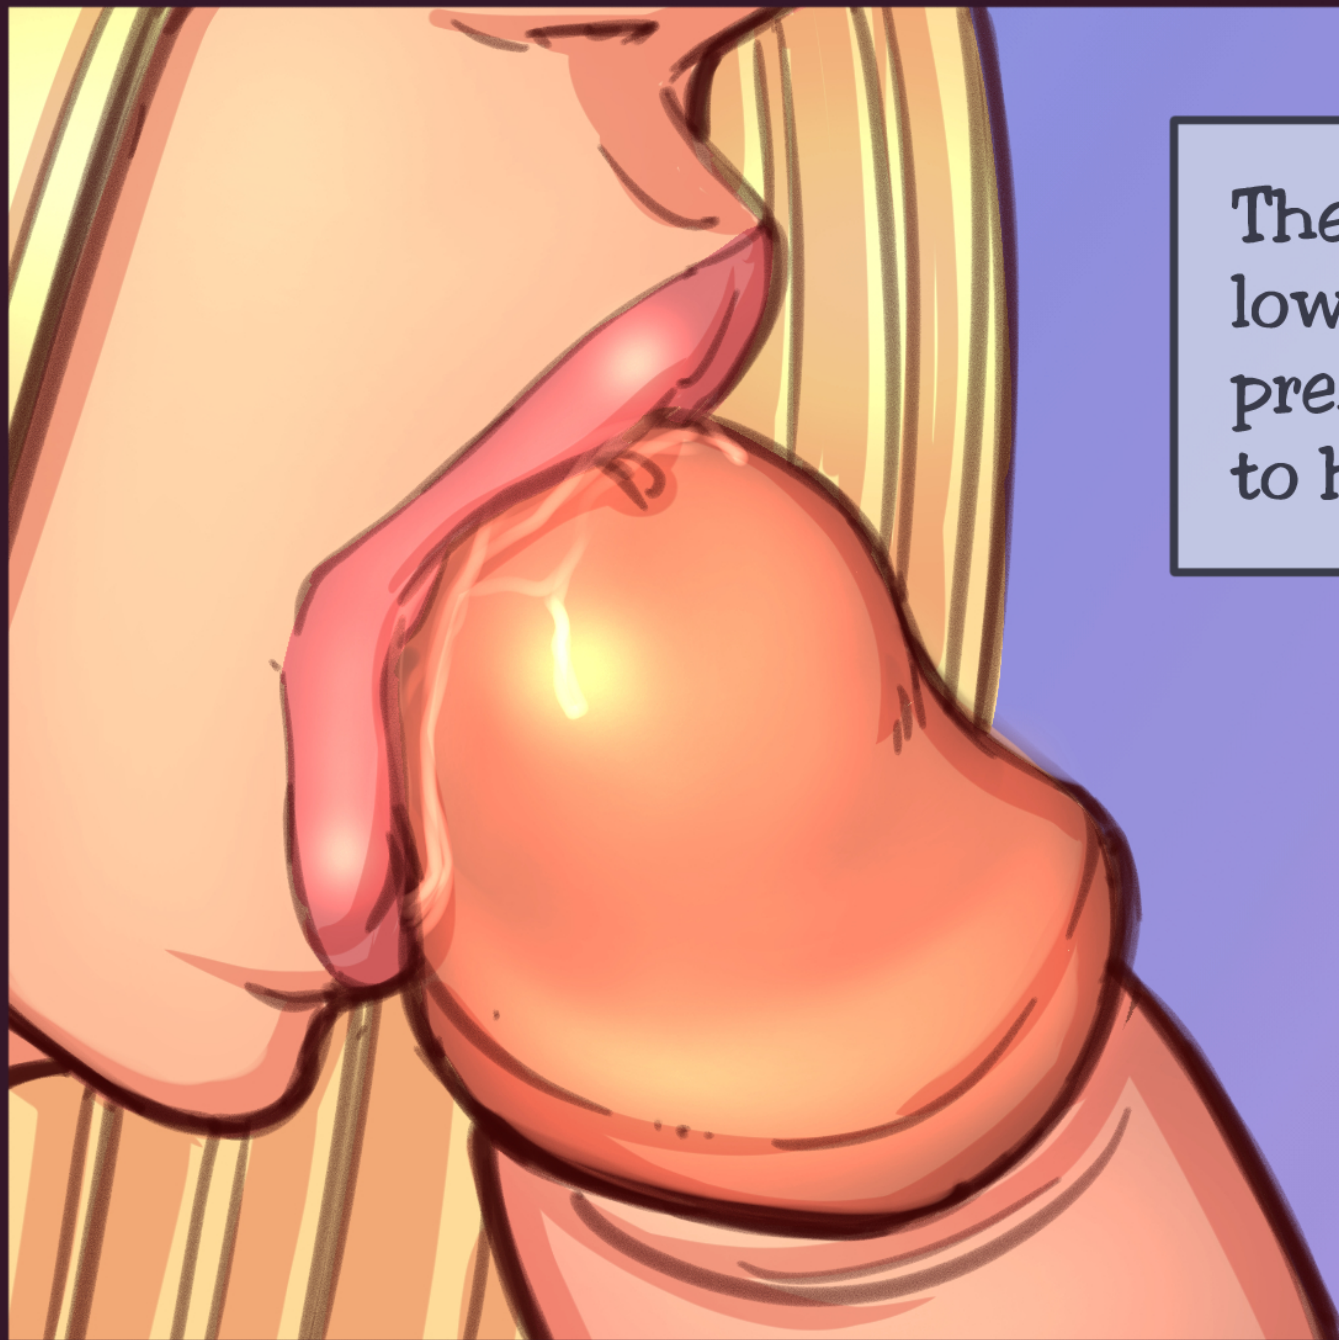

She couldn't believe that she was actually going to shove her own adopted son's cock down her throat and swallow his spewing cum.

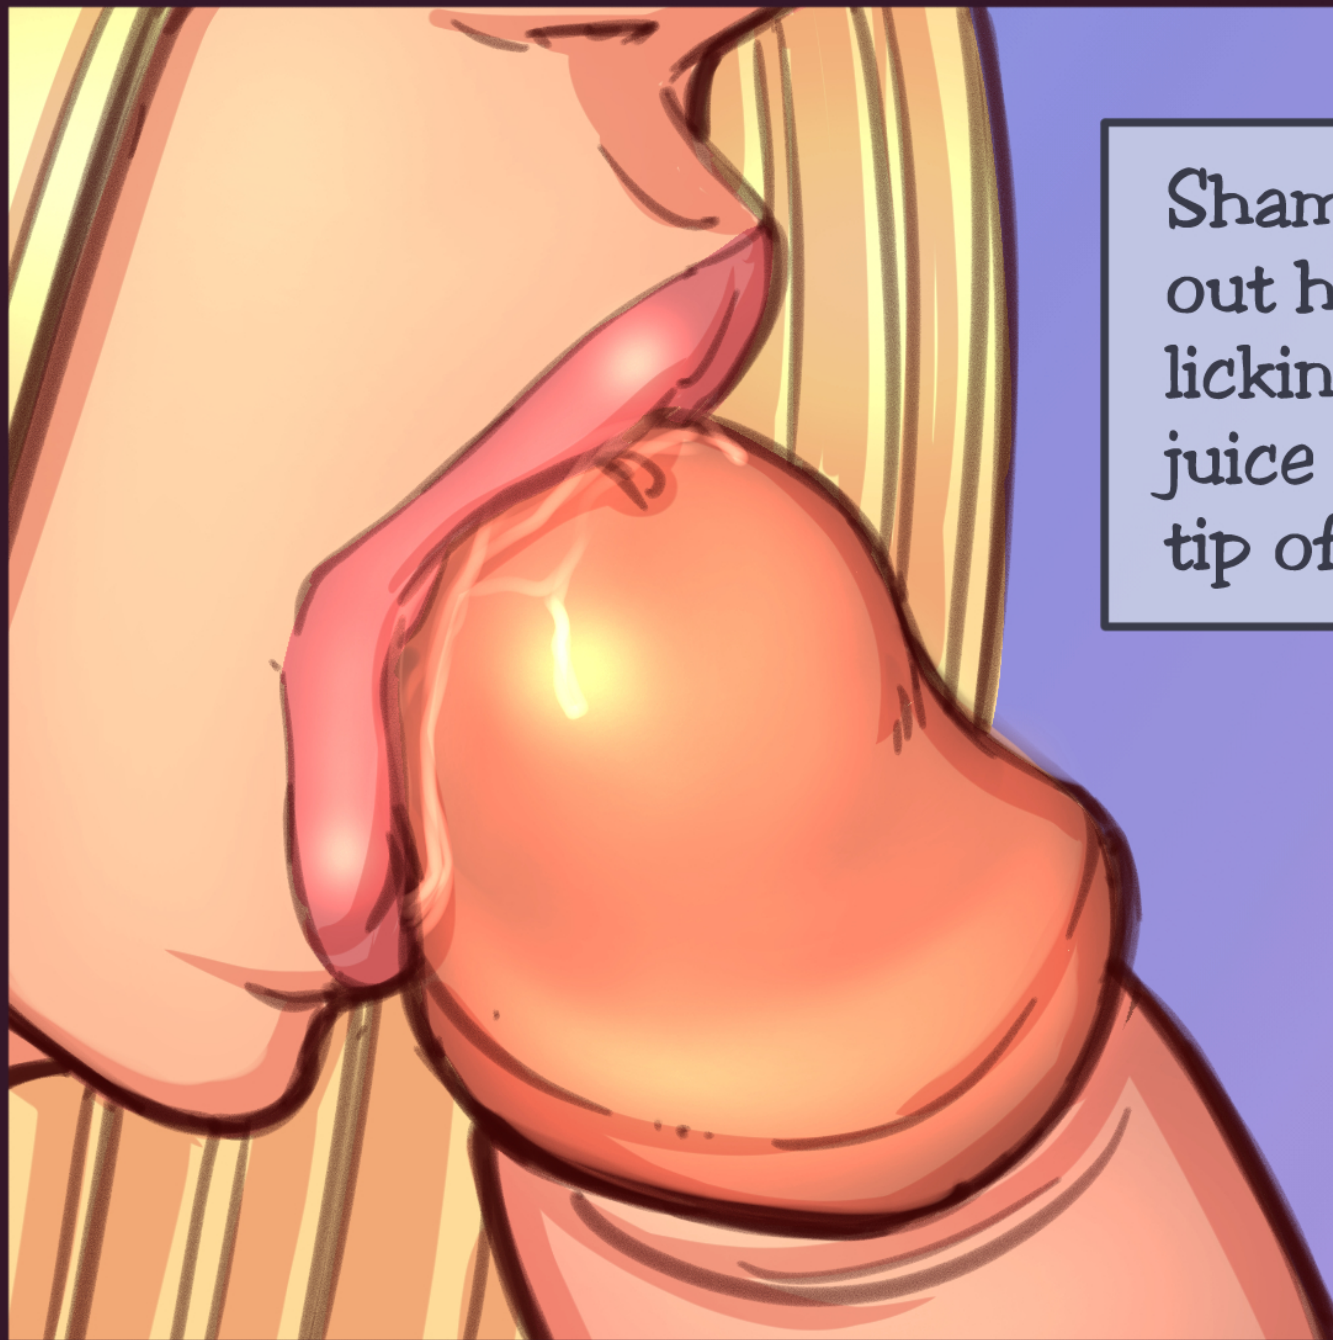

Amanda wrapped her fingers tightly around his throbbing cock, sliding her fist to the root.

She stared intently at the rosy, puffy cock knob for several seconds, seeing how the whole fat crown glistened with sticky spunk.

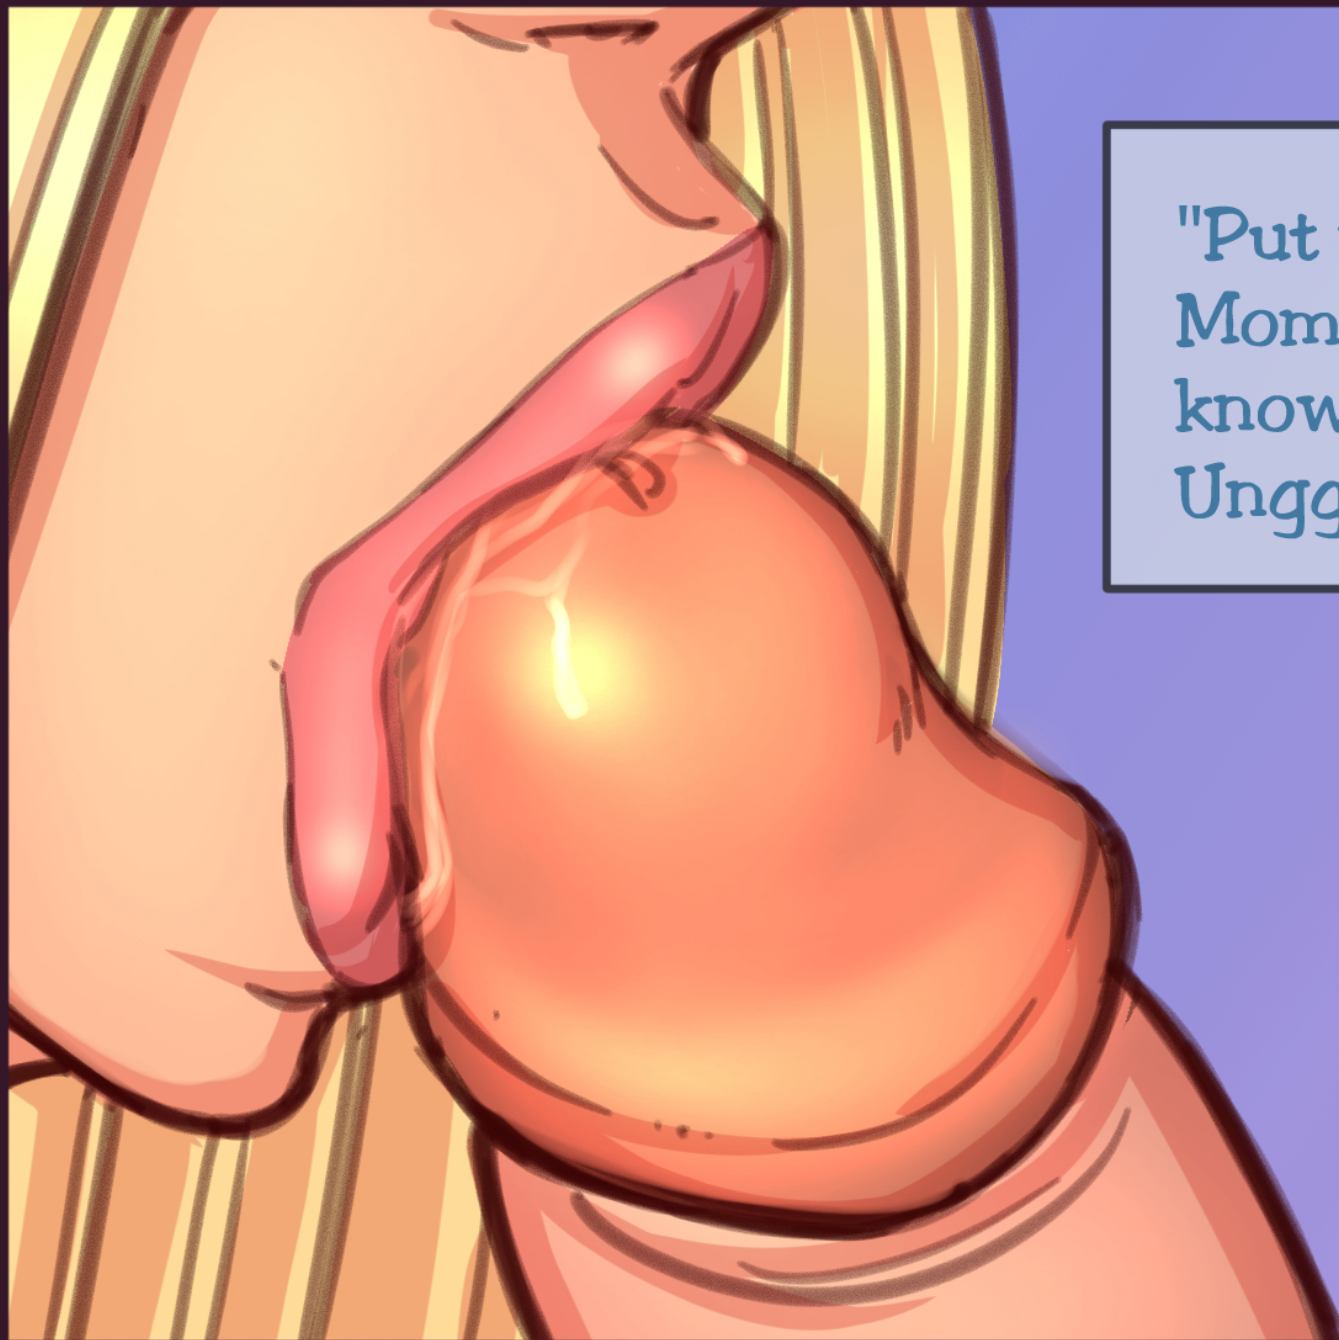

The wanton mother
lowered her head,
pressing her lips
to his piss hole.

Shamefully she thrust out her tongue, eagerly licking the tasty cock juice from the tingling tip of his prick.

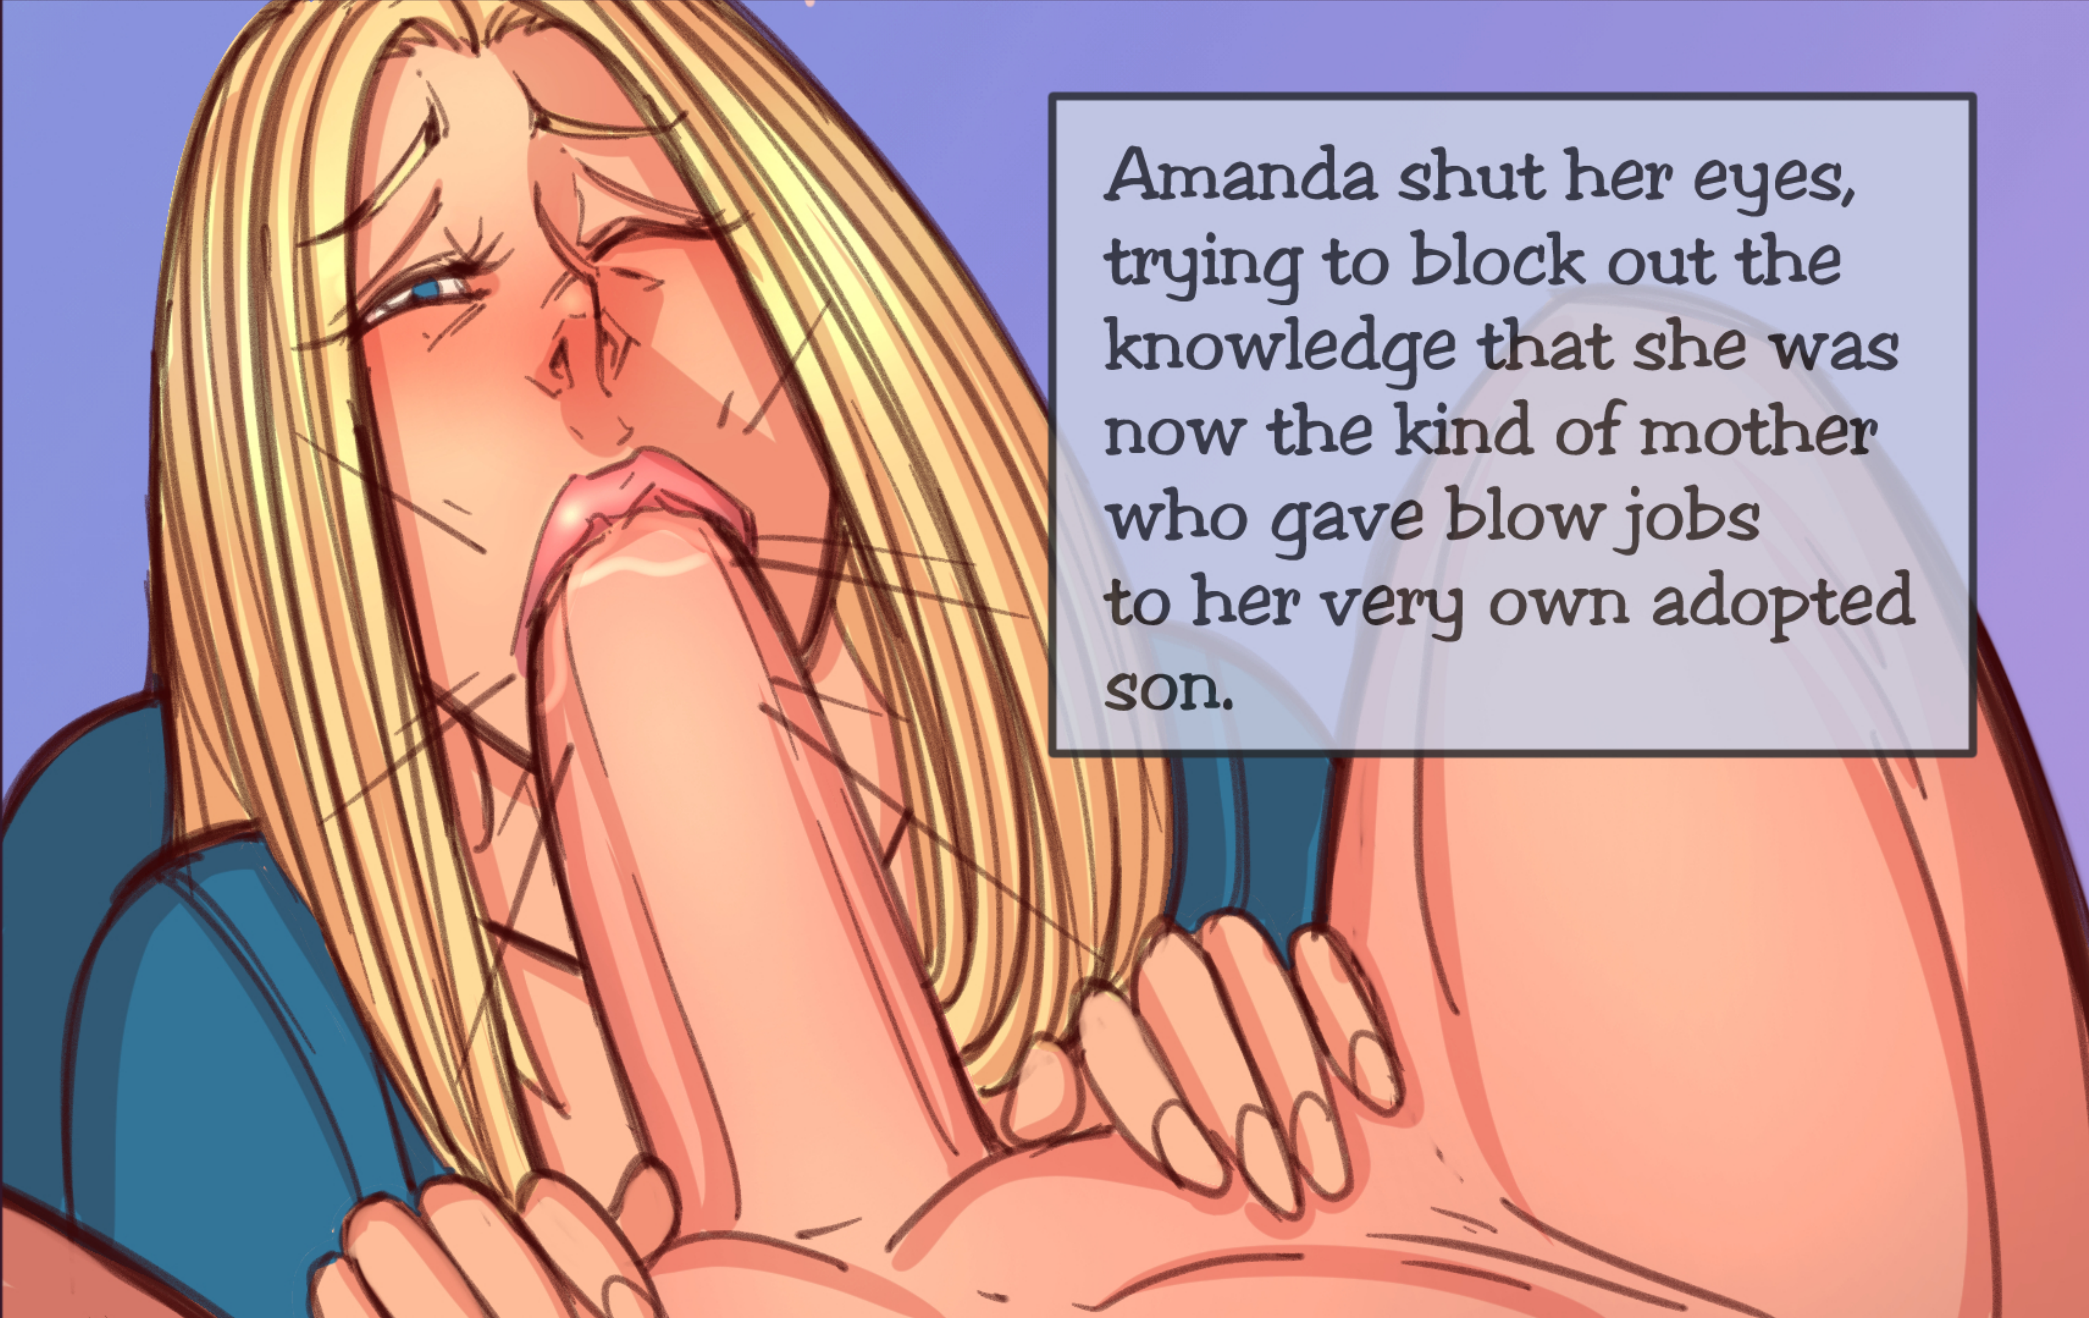

"Unnggh! That feels good, Mom!" Wade writhed on the edge of the bed, holding her head with both hands.

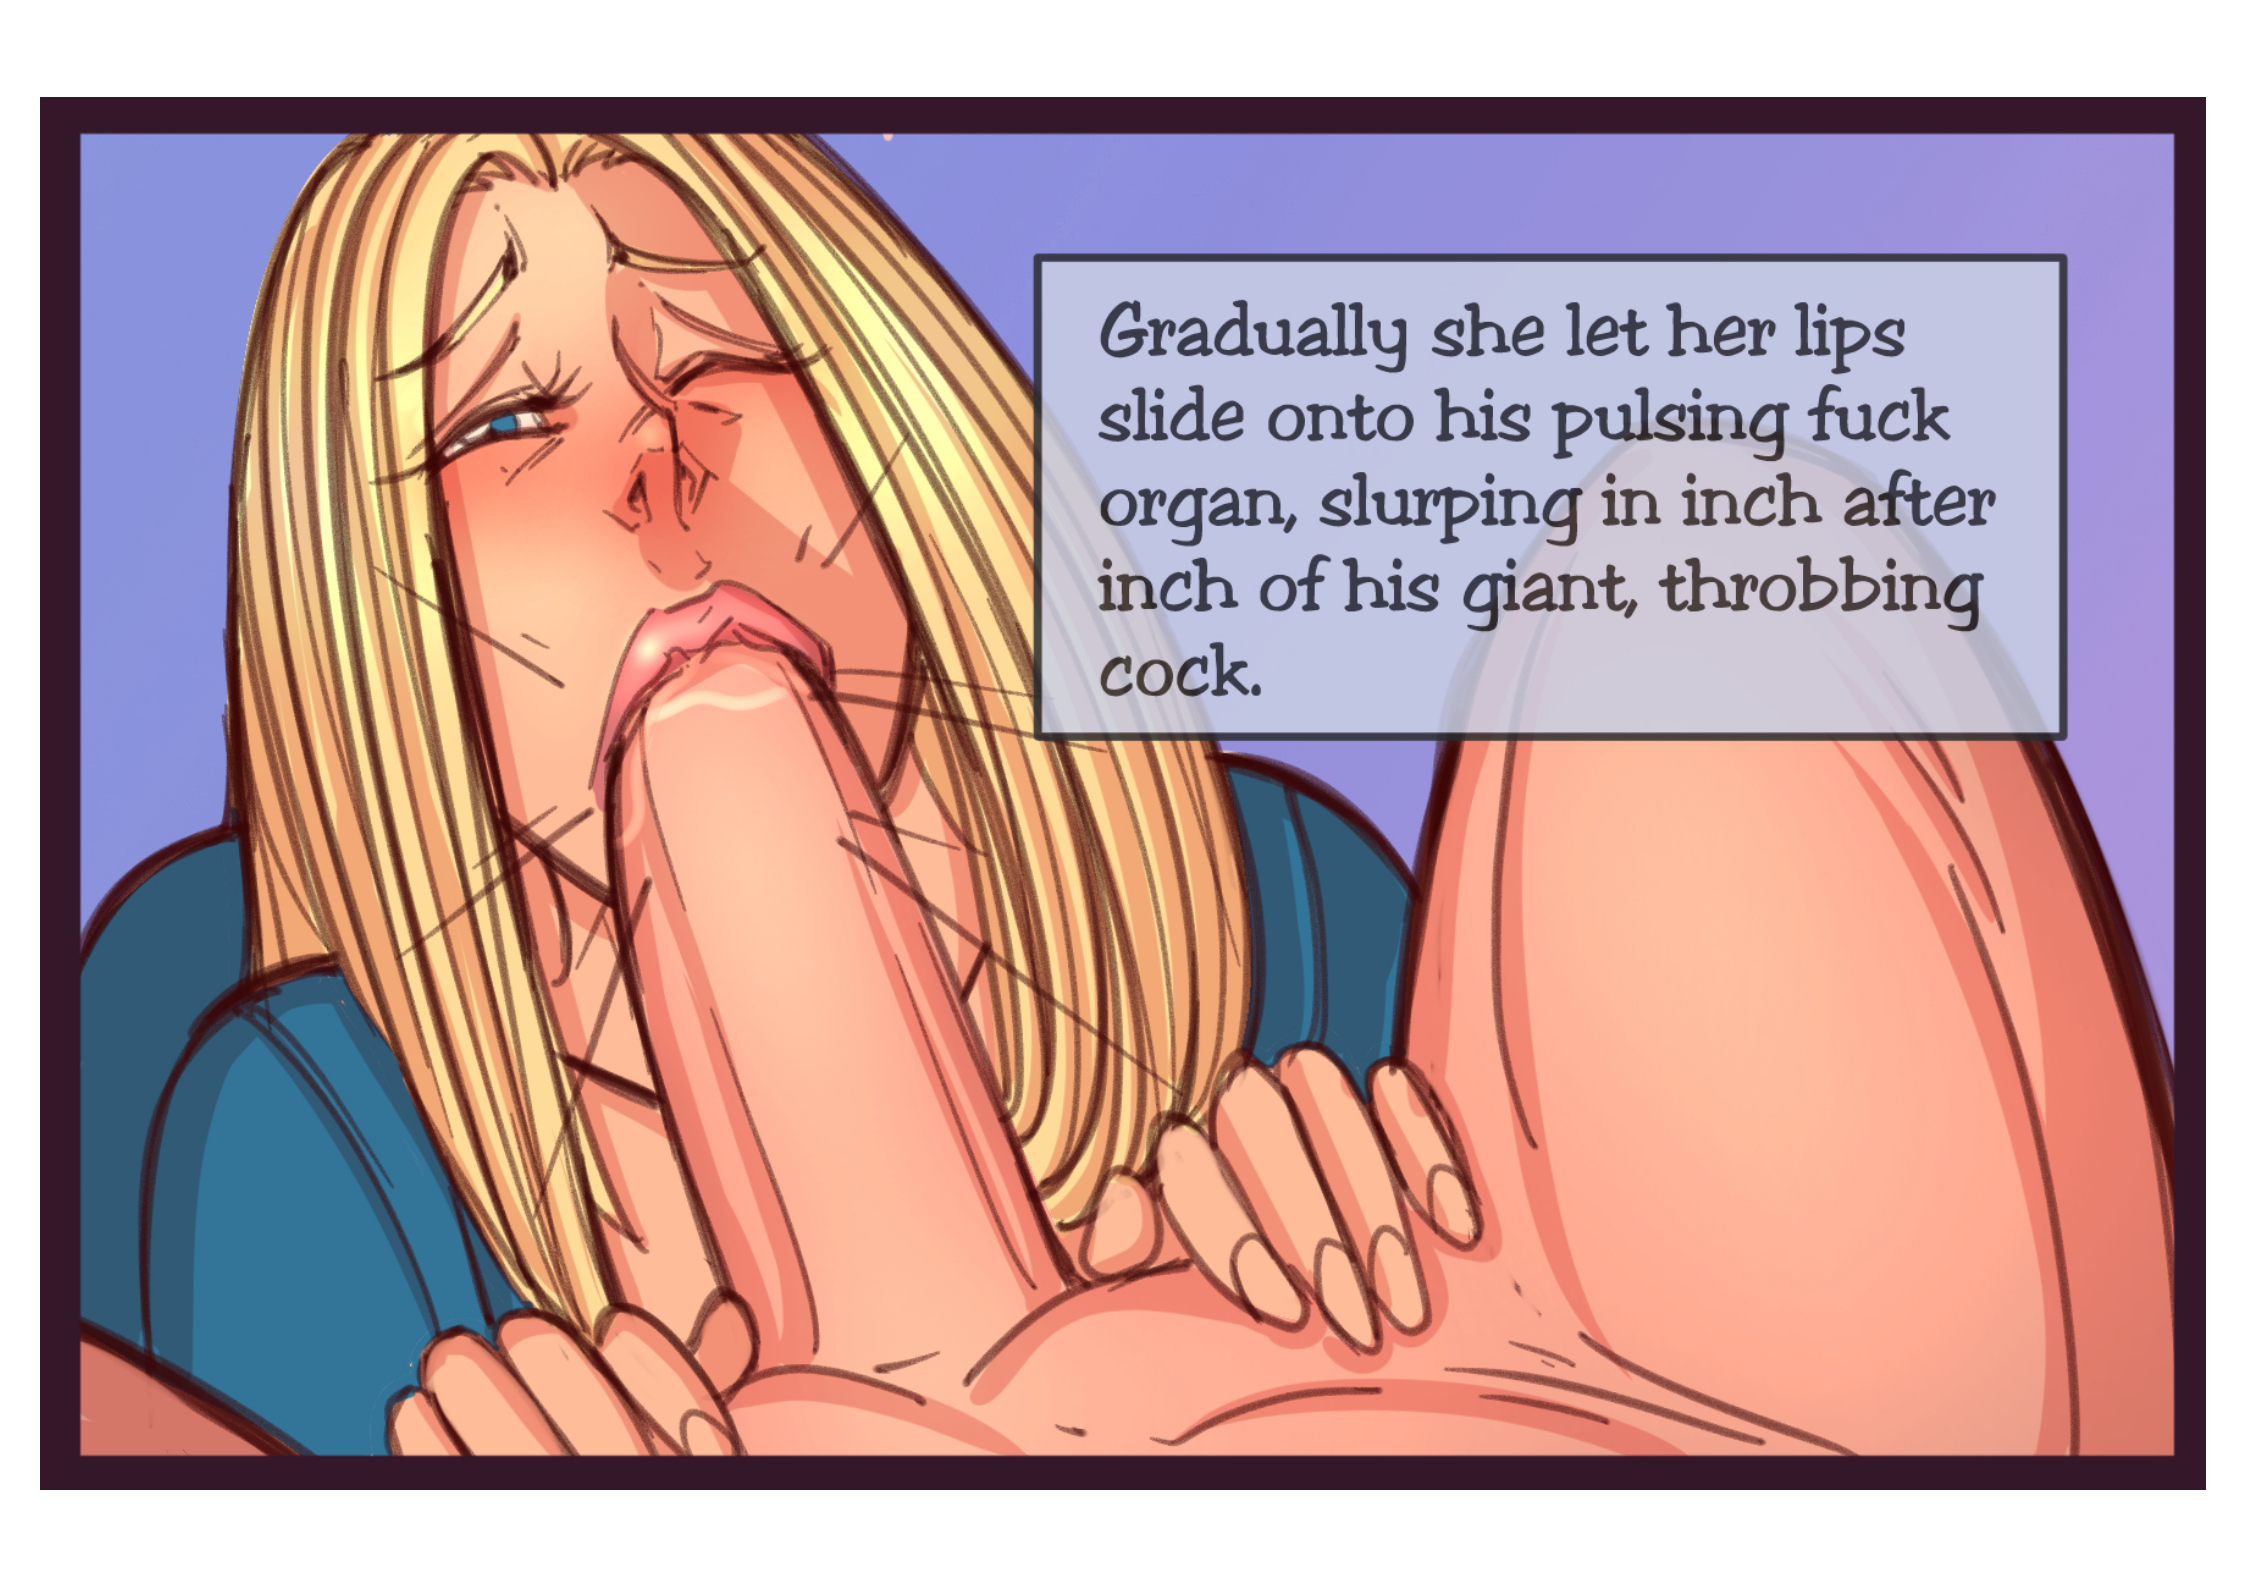

"Put it in your mouth,
Mom! Suck it! You
know you want to.
Unggh, suck it good!"

A woman with long, straight blonde hair is shown in a close-up, looking down with a pained expression. Her hands are covering her face, with her fingers pressed against her eyes and nose. She is wearing a blue top. The background is a solid light purple color. A speech bubble is positioned to the right of her head.

Amanda shut her eyes, trying to block out the knowledge that she was now the kind of mother who gave blow jobs to her very own adopted son.

Gradually she let her lips slide onto his pulsing fuck organ, slurping in inch after inch of his giant, throbbing cock.

She stopped when she'd inhaled over a third of it, when she would have choked herself if she'd tried to swallow any more of his cock meat.

She was finally
sucking her
own adoptive son's
cock...
