CHAPTER 04

"Put it in your mouth,
Mom! Suck it! You
know you want to.
Unggh, suck it good!"

She was finally
sucking her
own adoptive son's
cock...

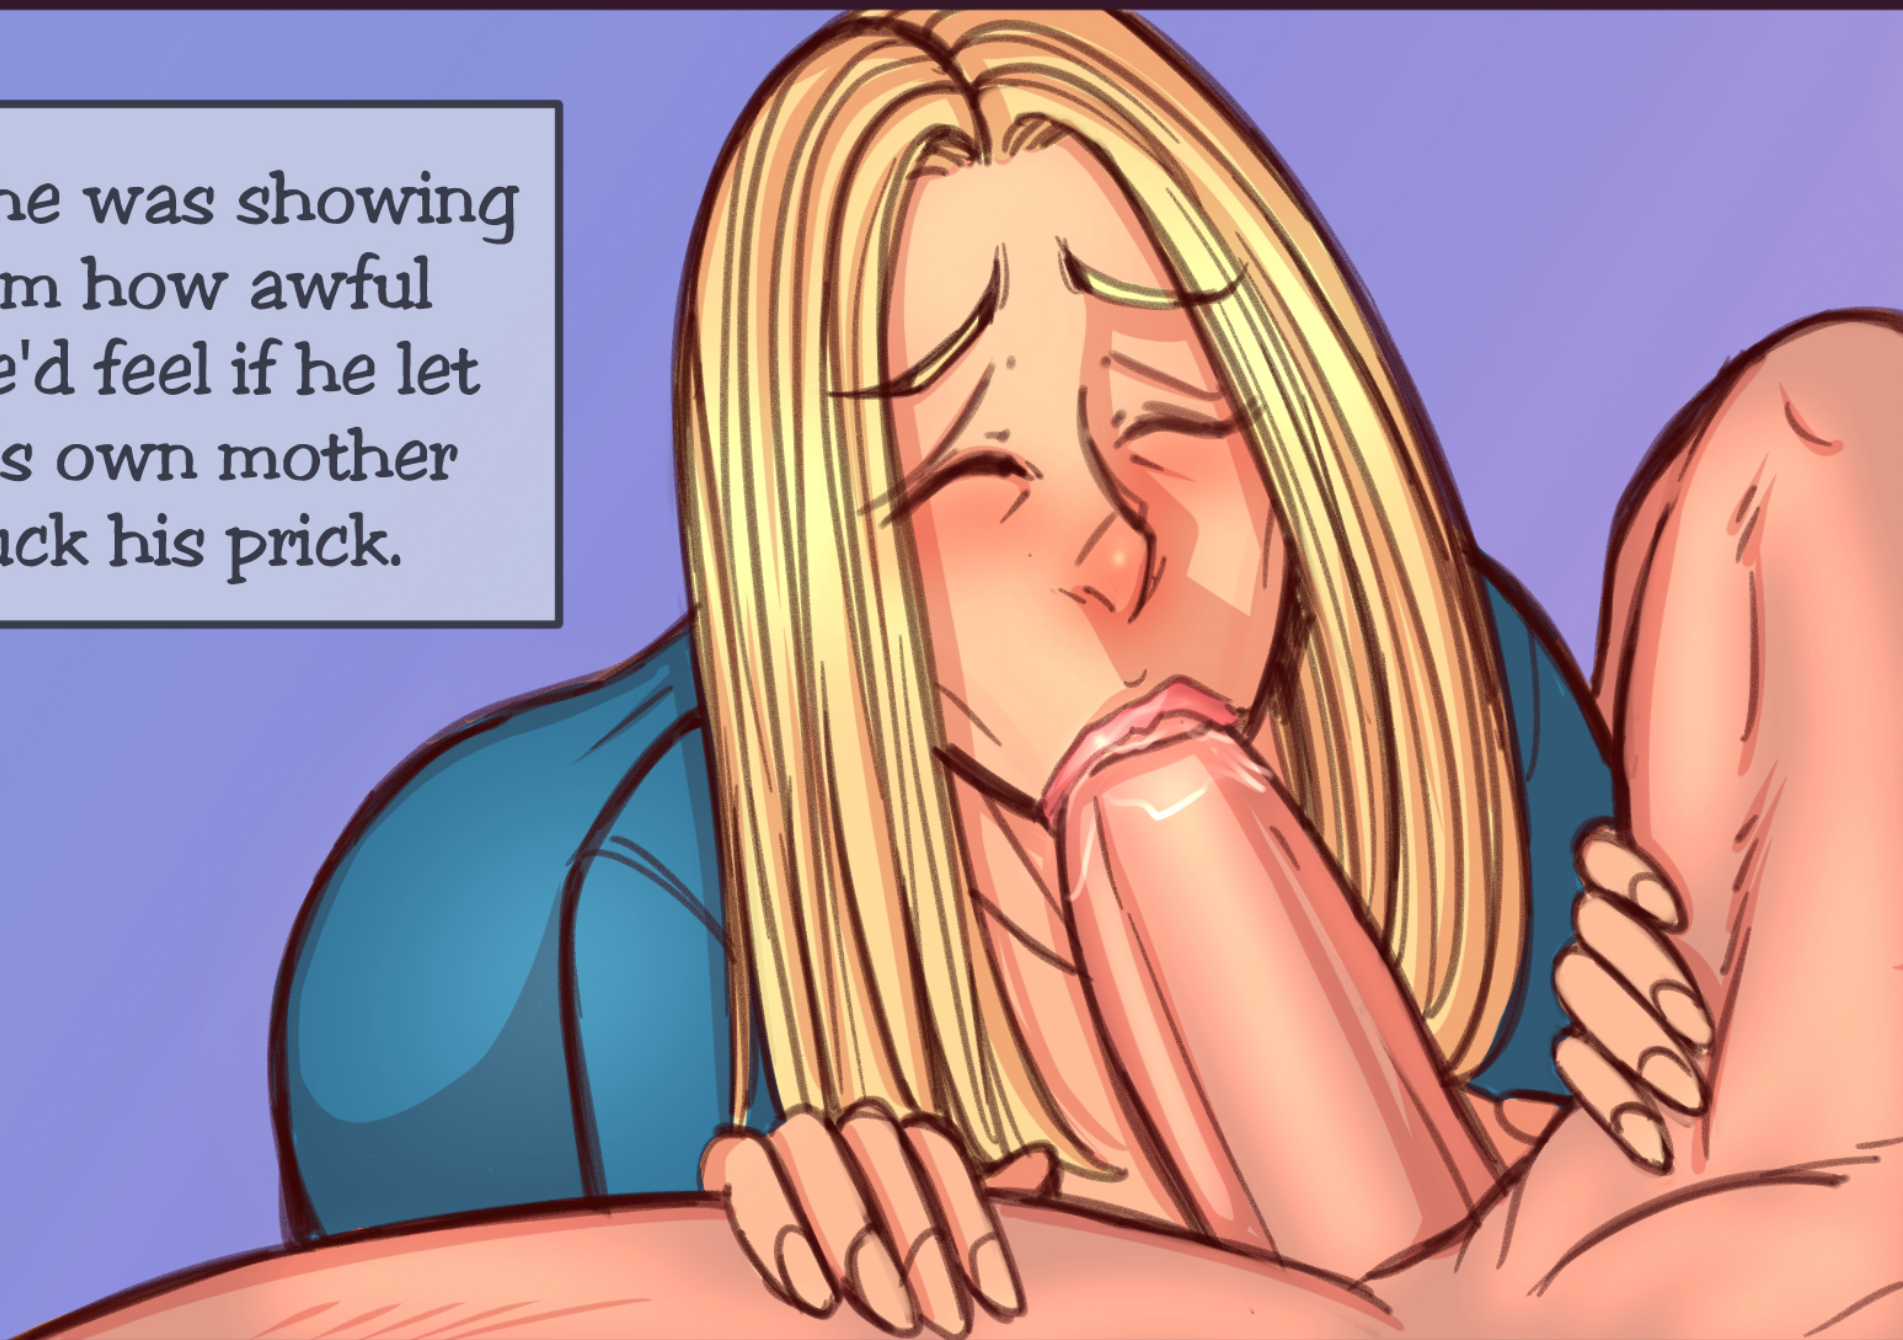

Then the horny mother started sucking the prick extremely hard, keeping her eyes closed as she nursed contentedly on the aching stiffness of his hard-on.

An absurd voice
in the back of
her mind still
tried to justify
what she was
doing.

She was showing
him how awful
he'd feel if he let
his own mother
suck his prick.

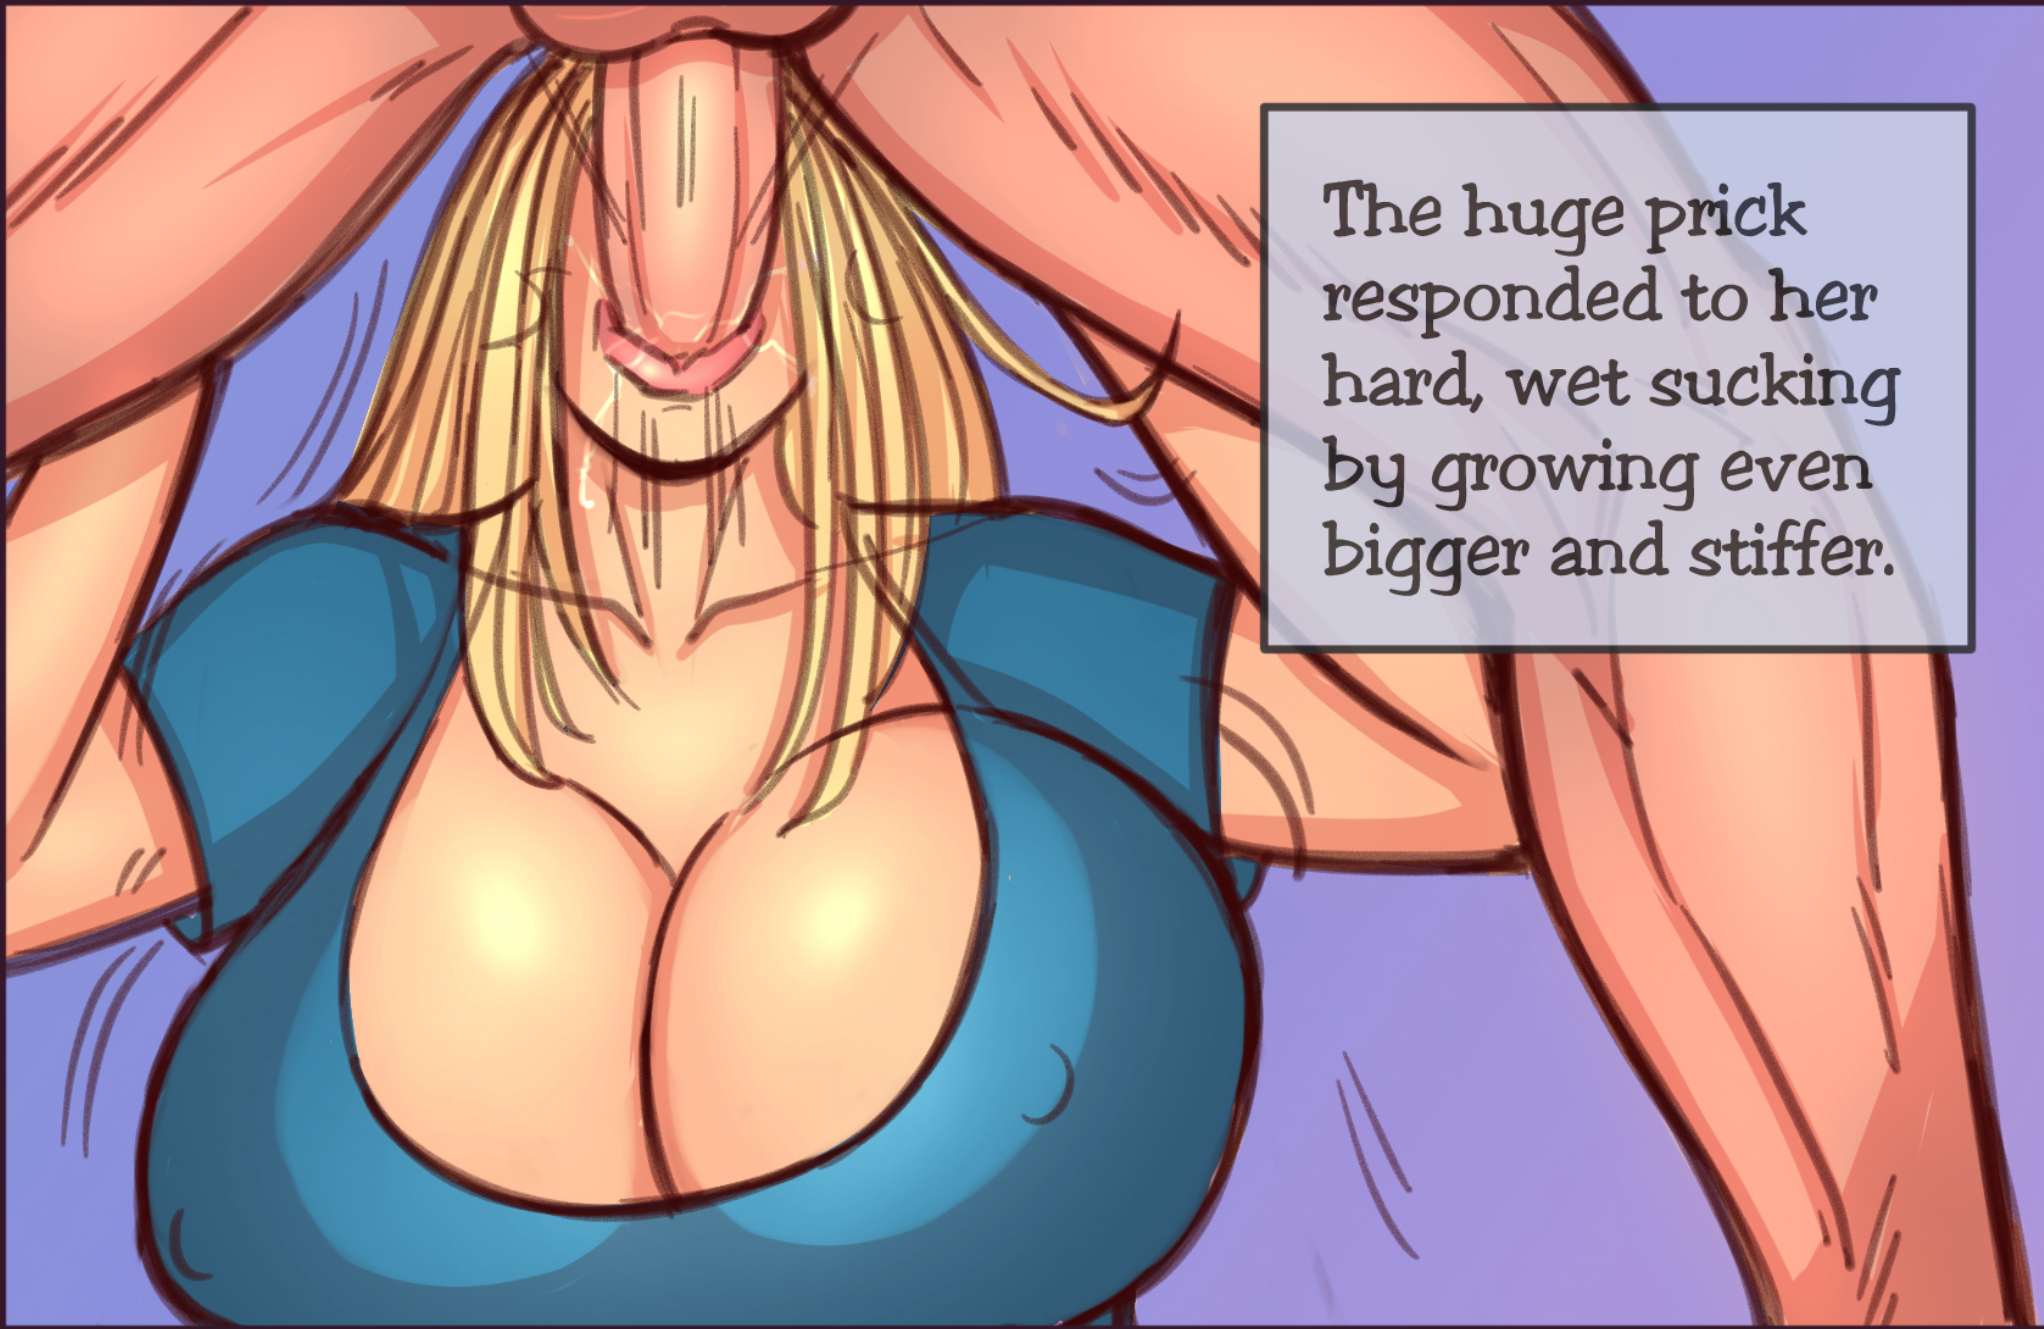

Amanda sucked the tasty cock harder and harder, shocking herself with her eagerness to mouth and slurp her adopted son's prick.

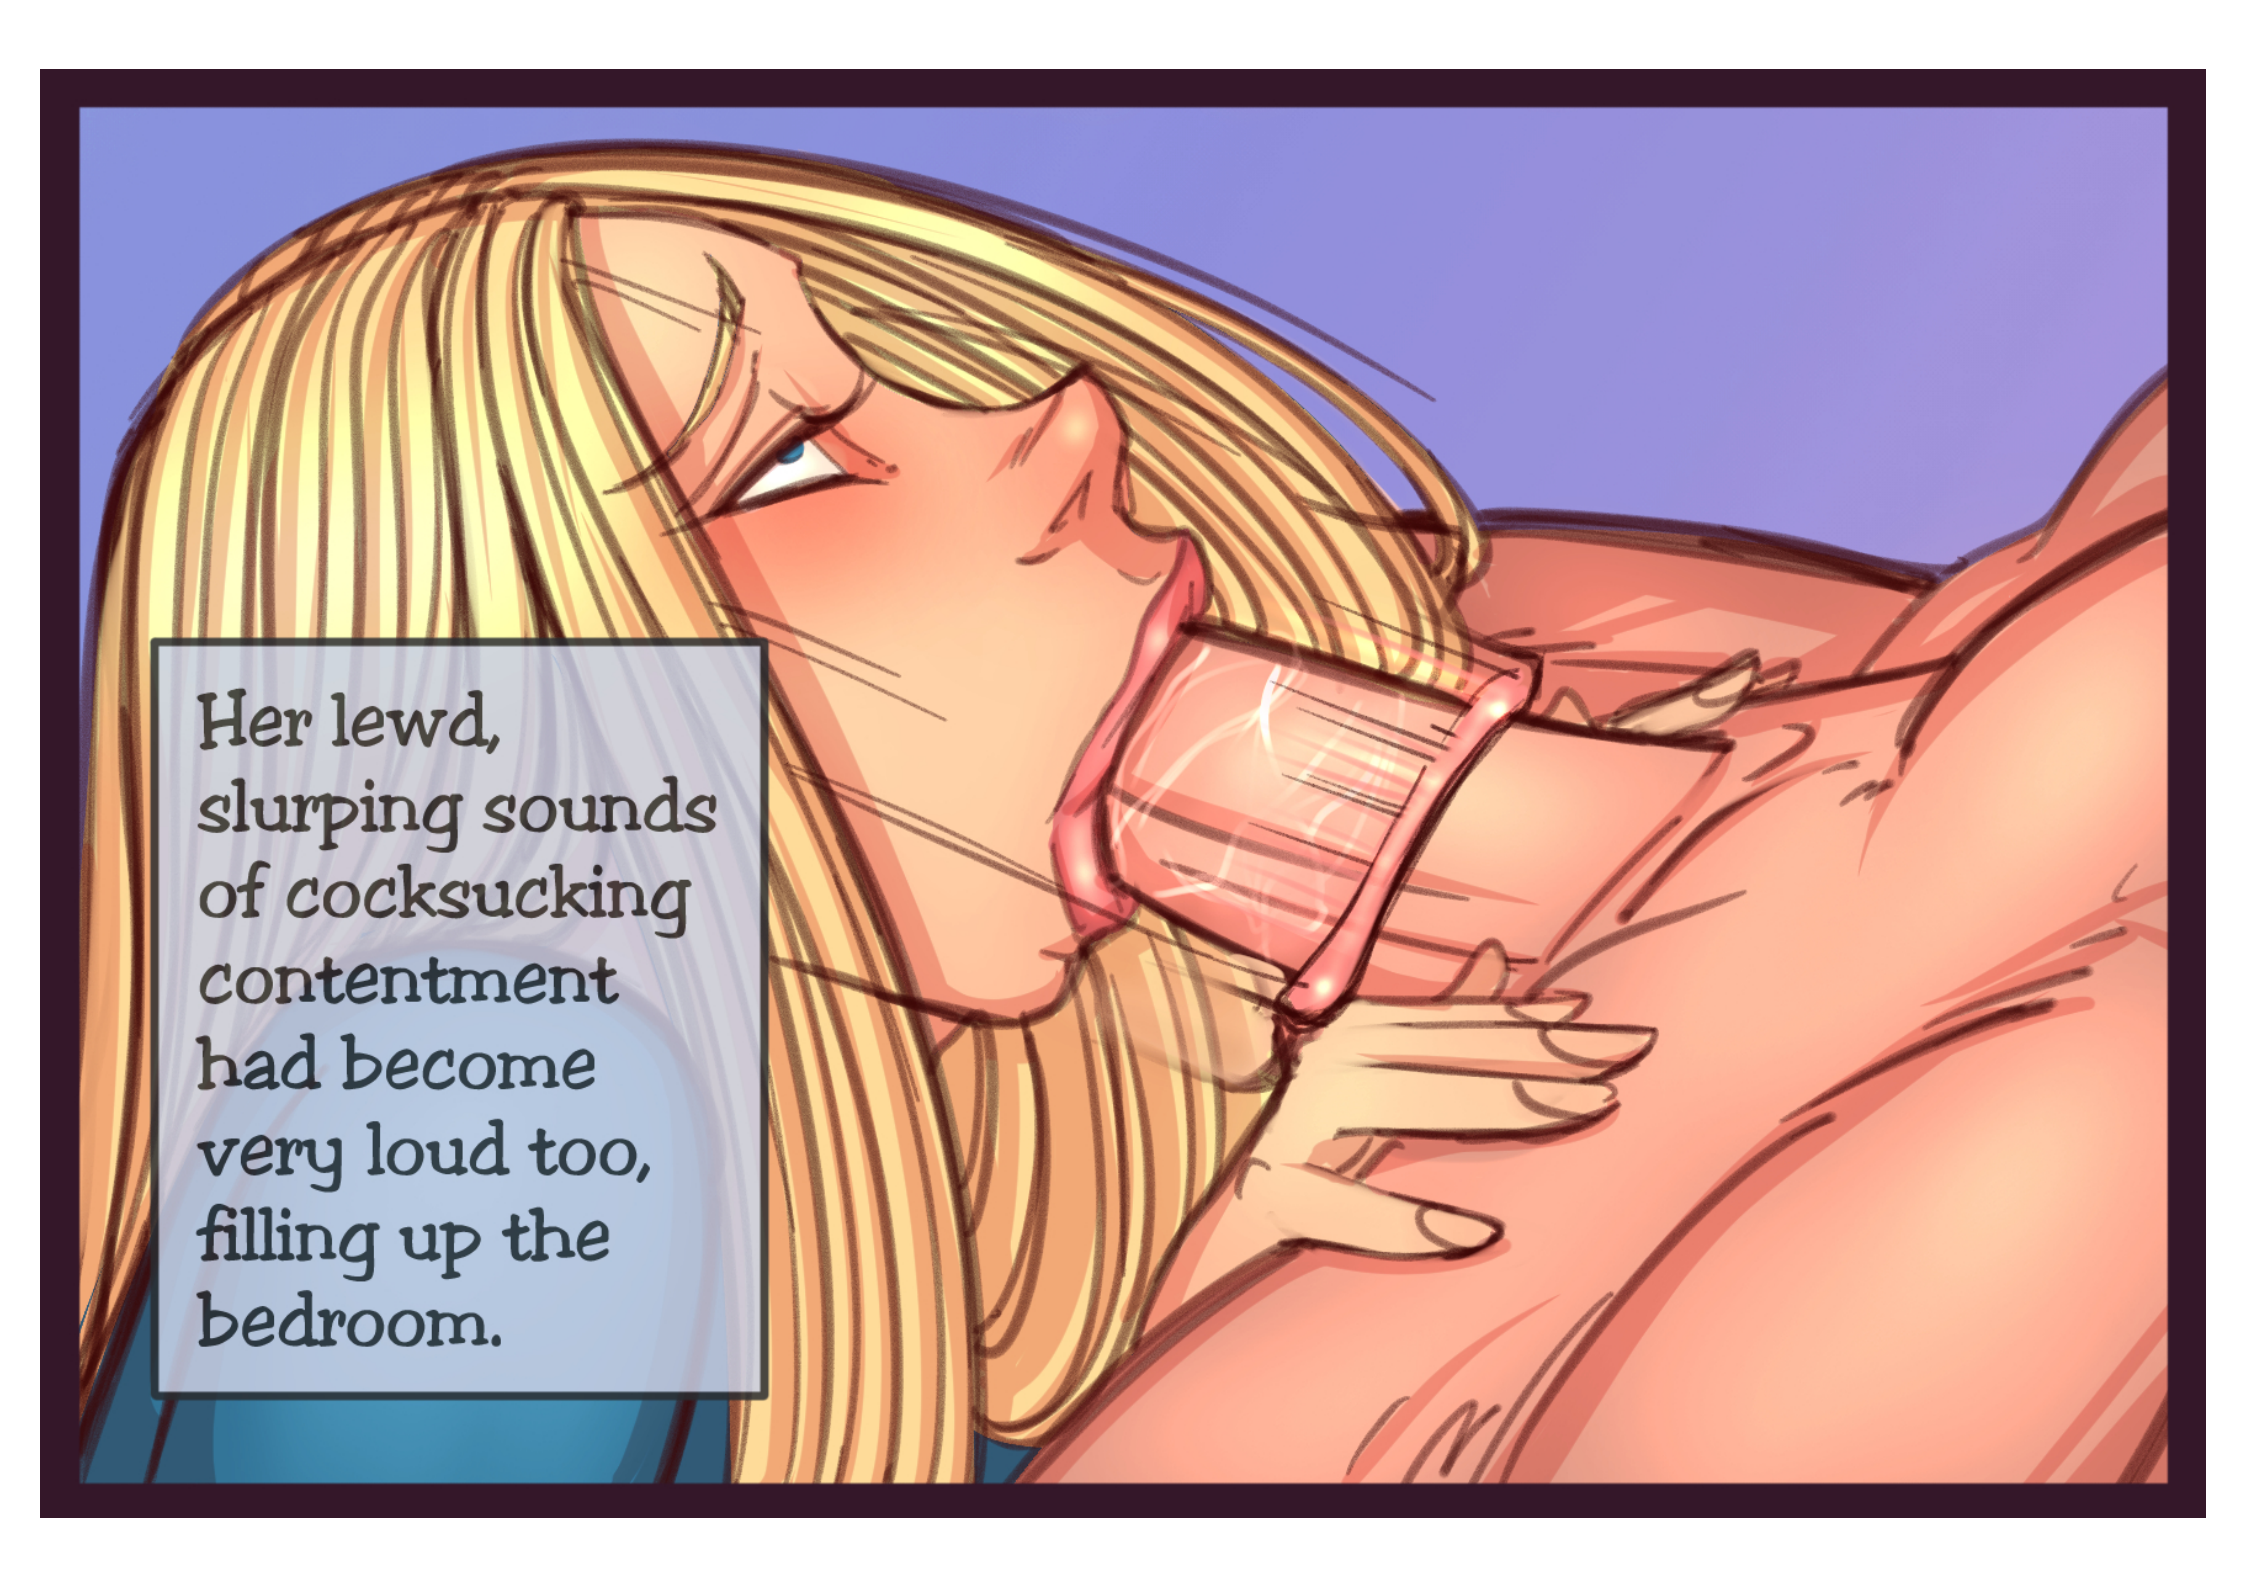

She forced her face closer to his hairy crotch base, gagging herself, dying to swallow all of his cock meat in one swallow.

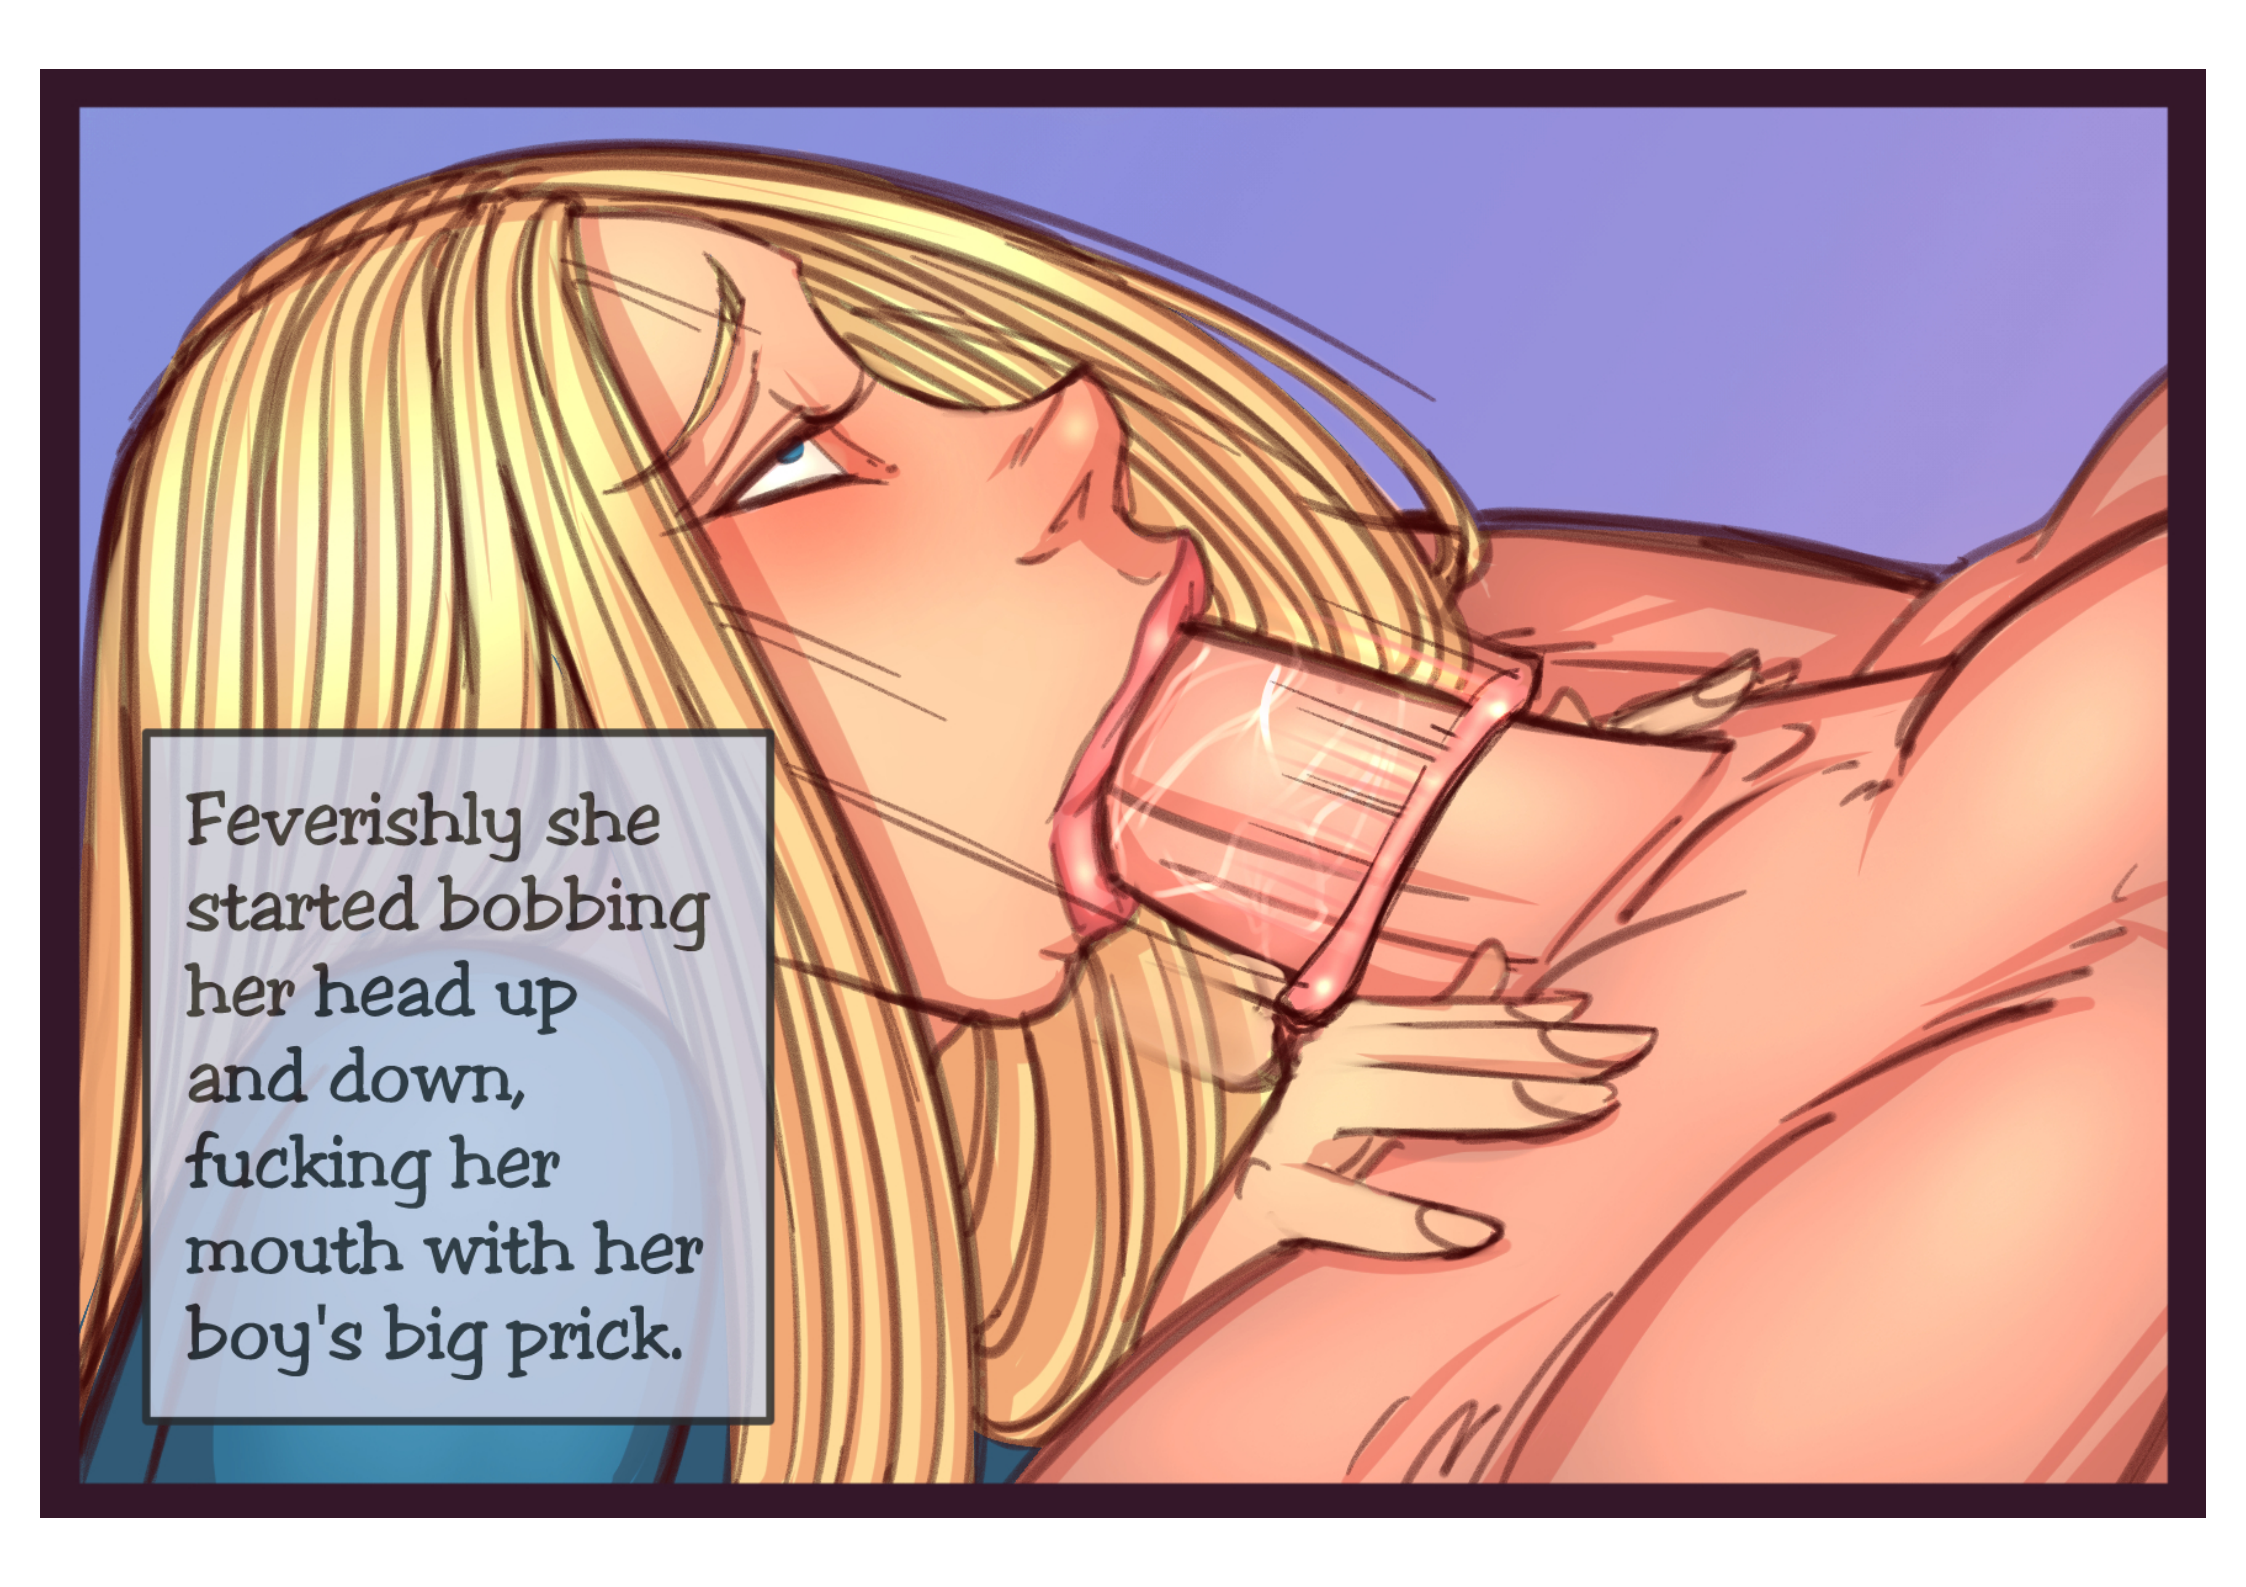

The huge prick responded to her hard, wet sucking by growing even bigger and stiffer.

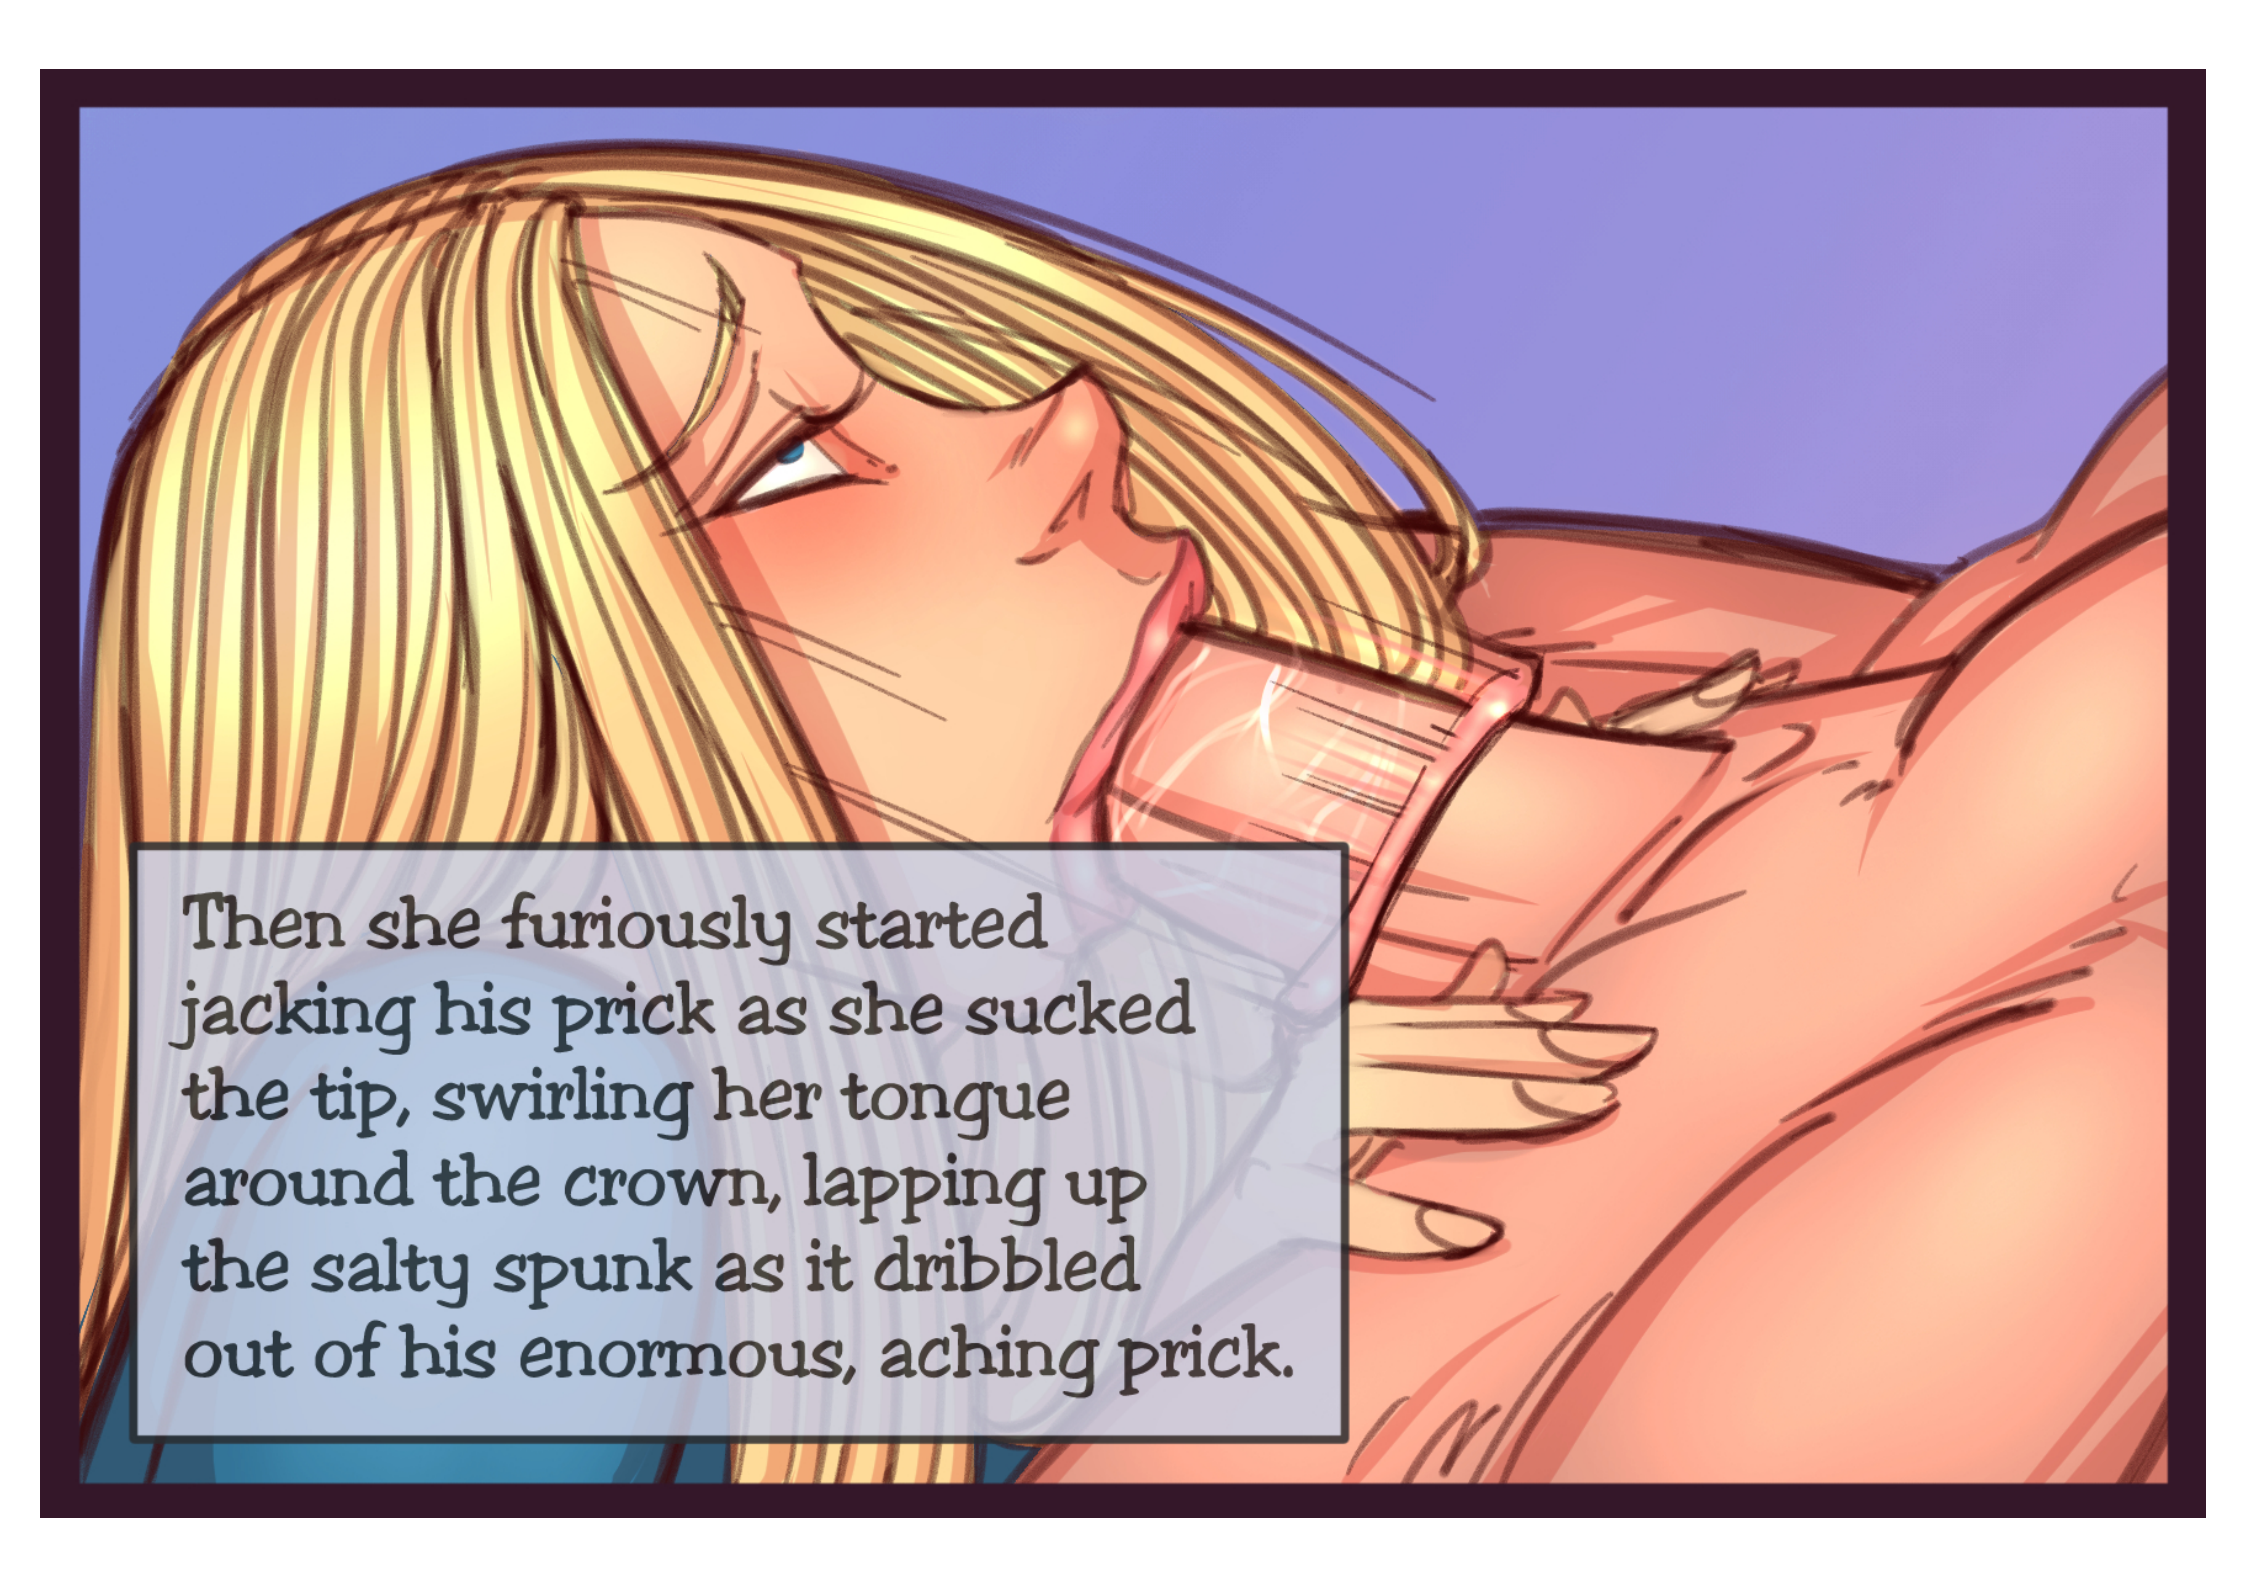

The cock knob
puffed up
obscenely,
pulsating on the
roof of her gullet.
"Ummllppp,"
Amanda gurgled.

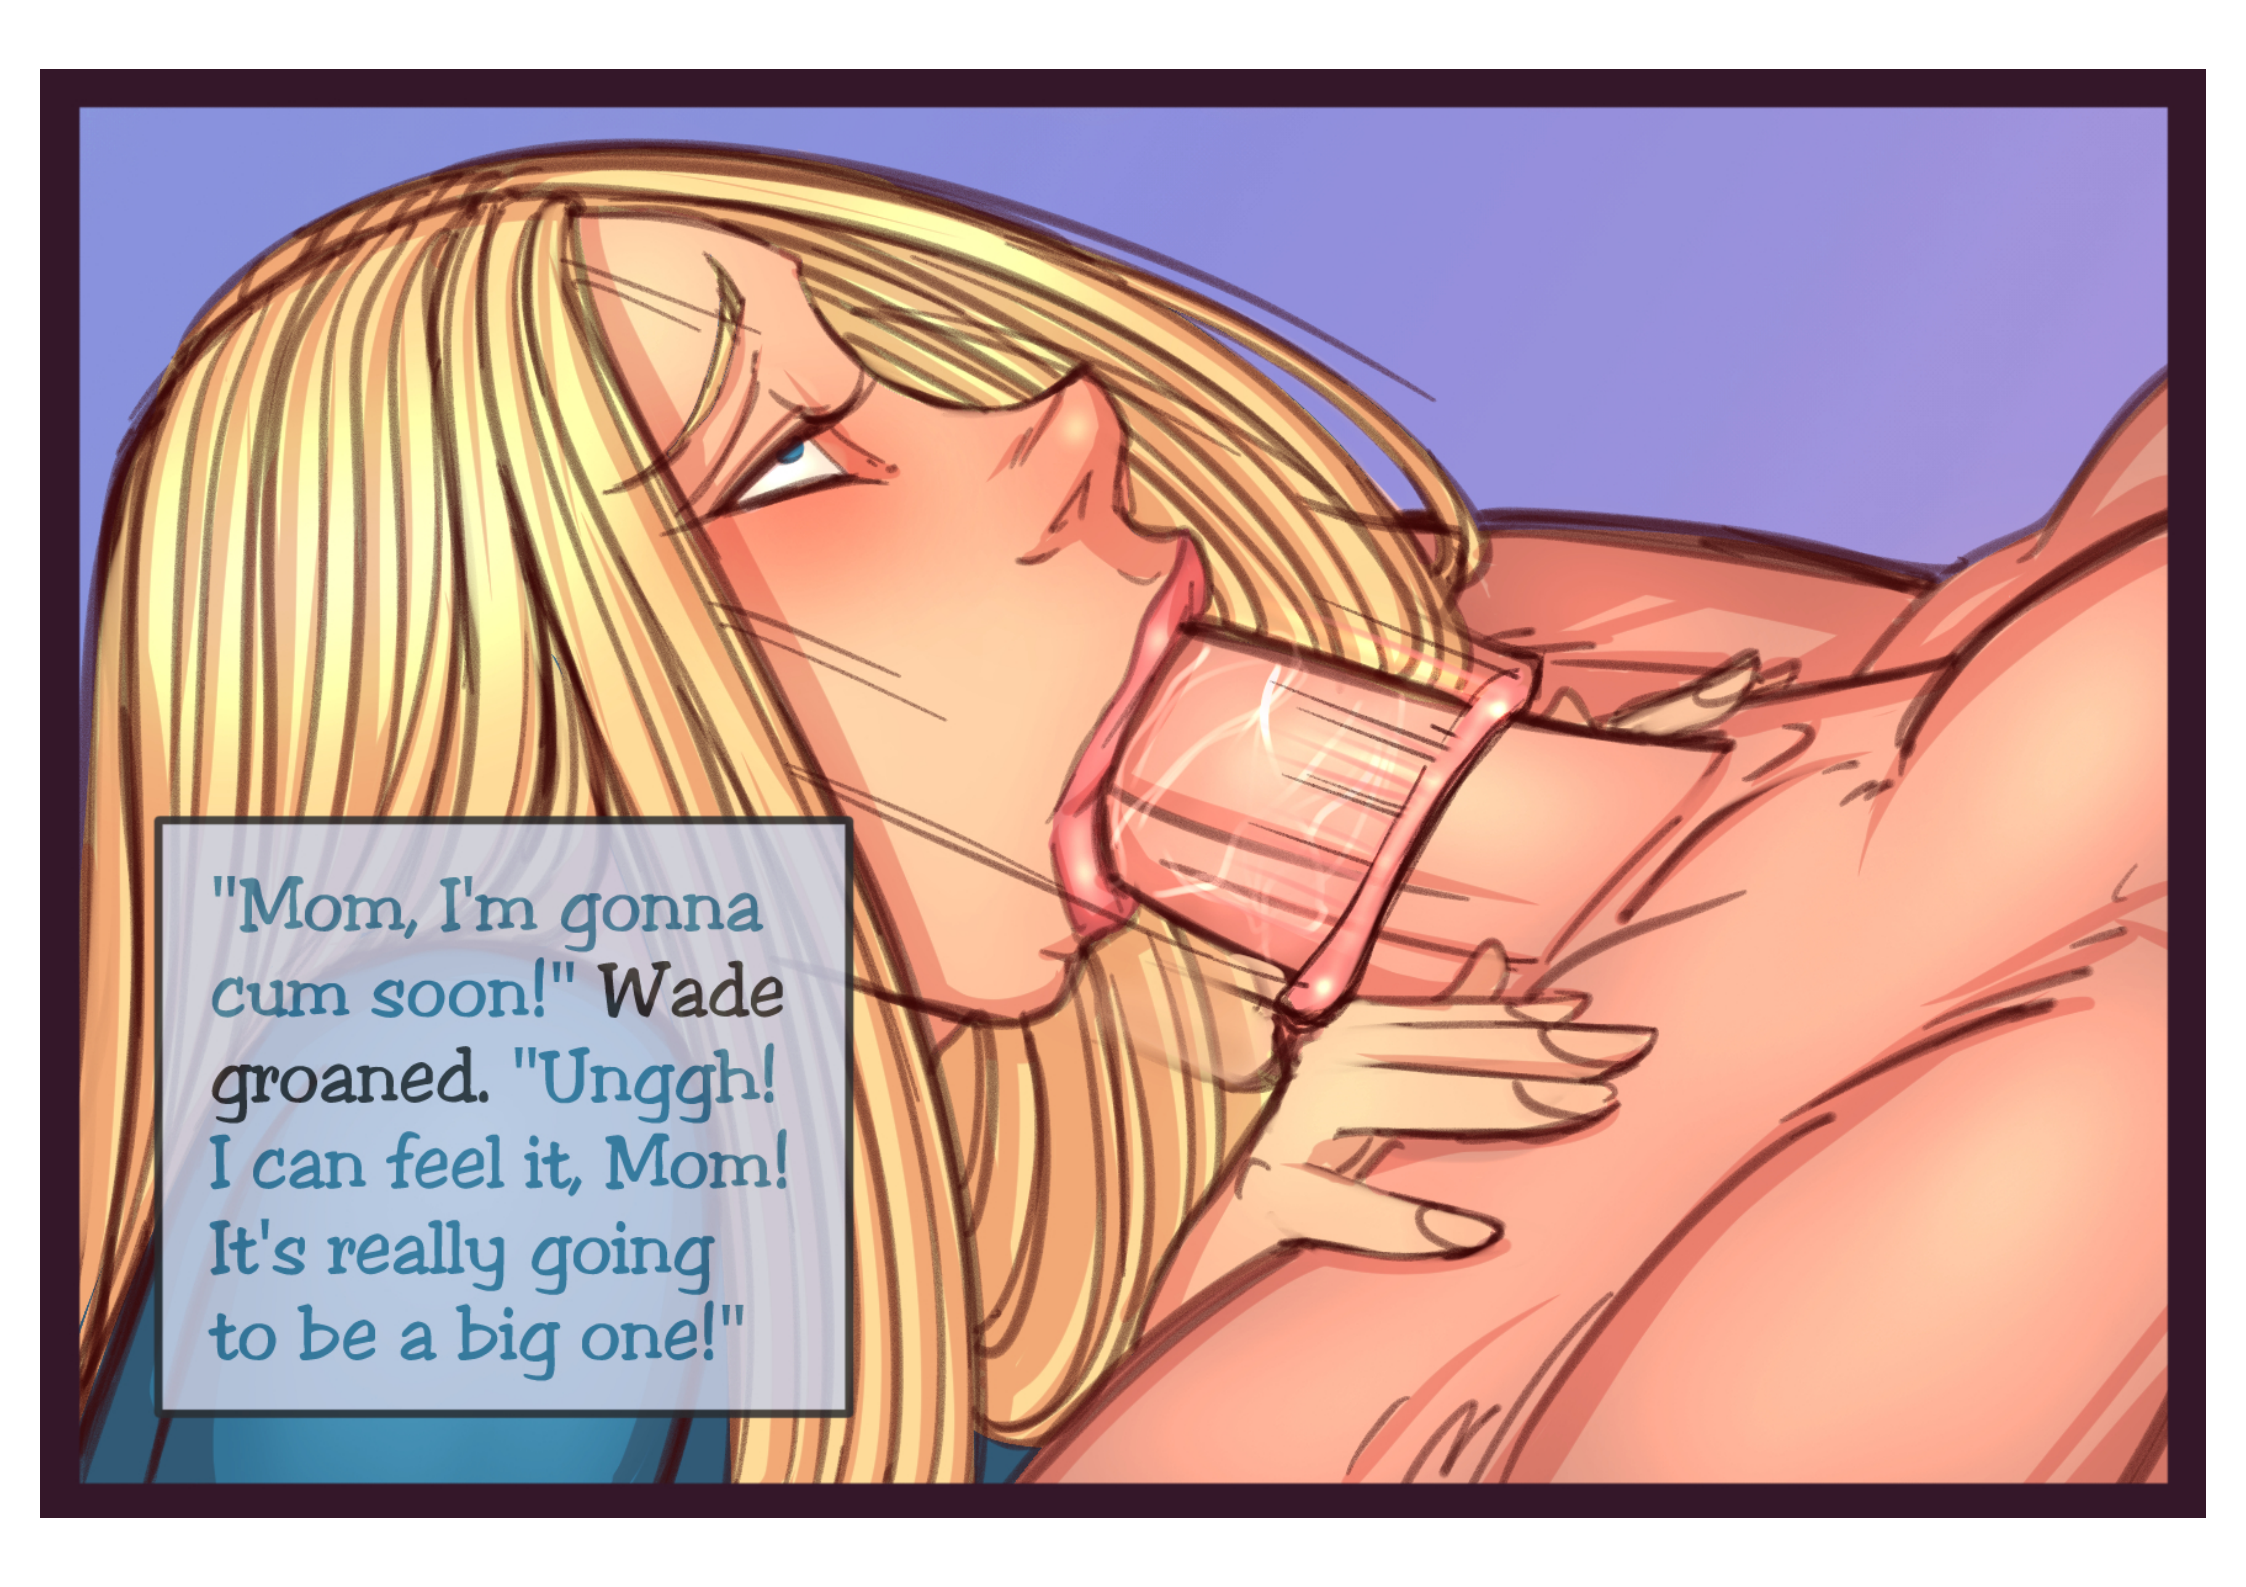

Her lewd,
slurping sounds
of cocksucking
contentment
had become
very loud too,
filling up the
bedroom.

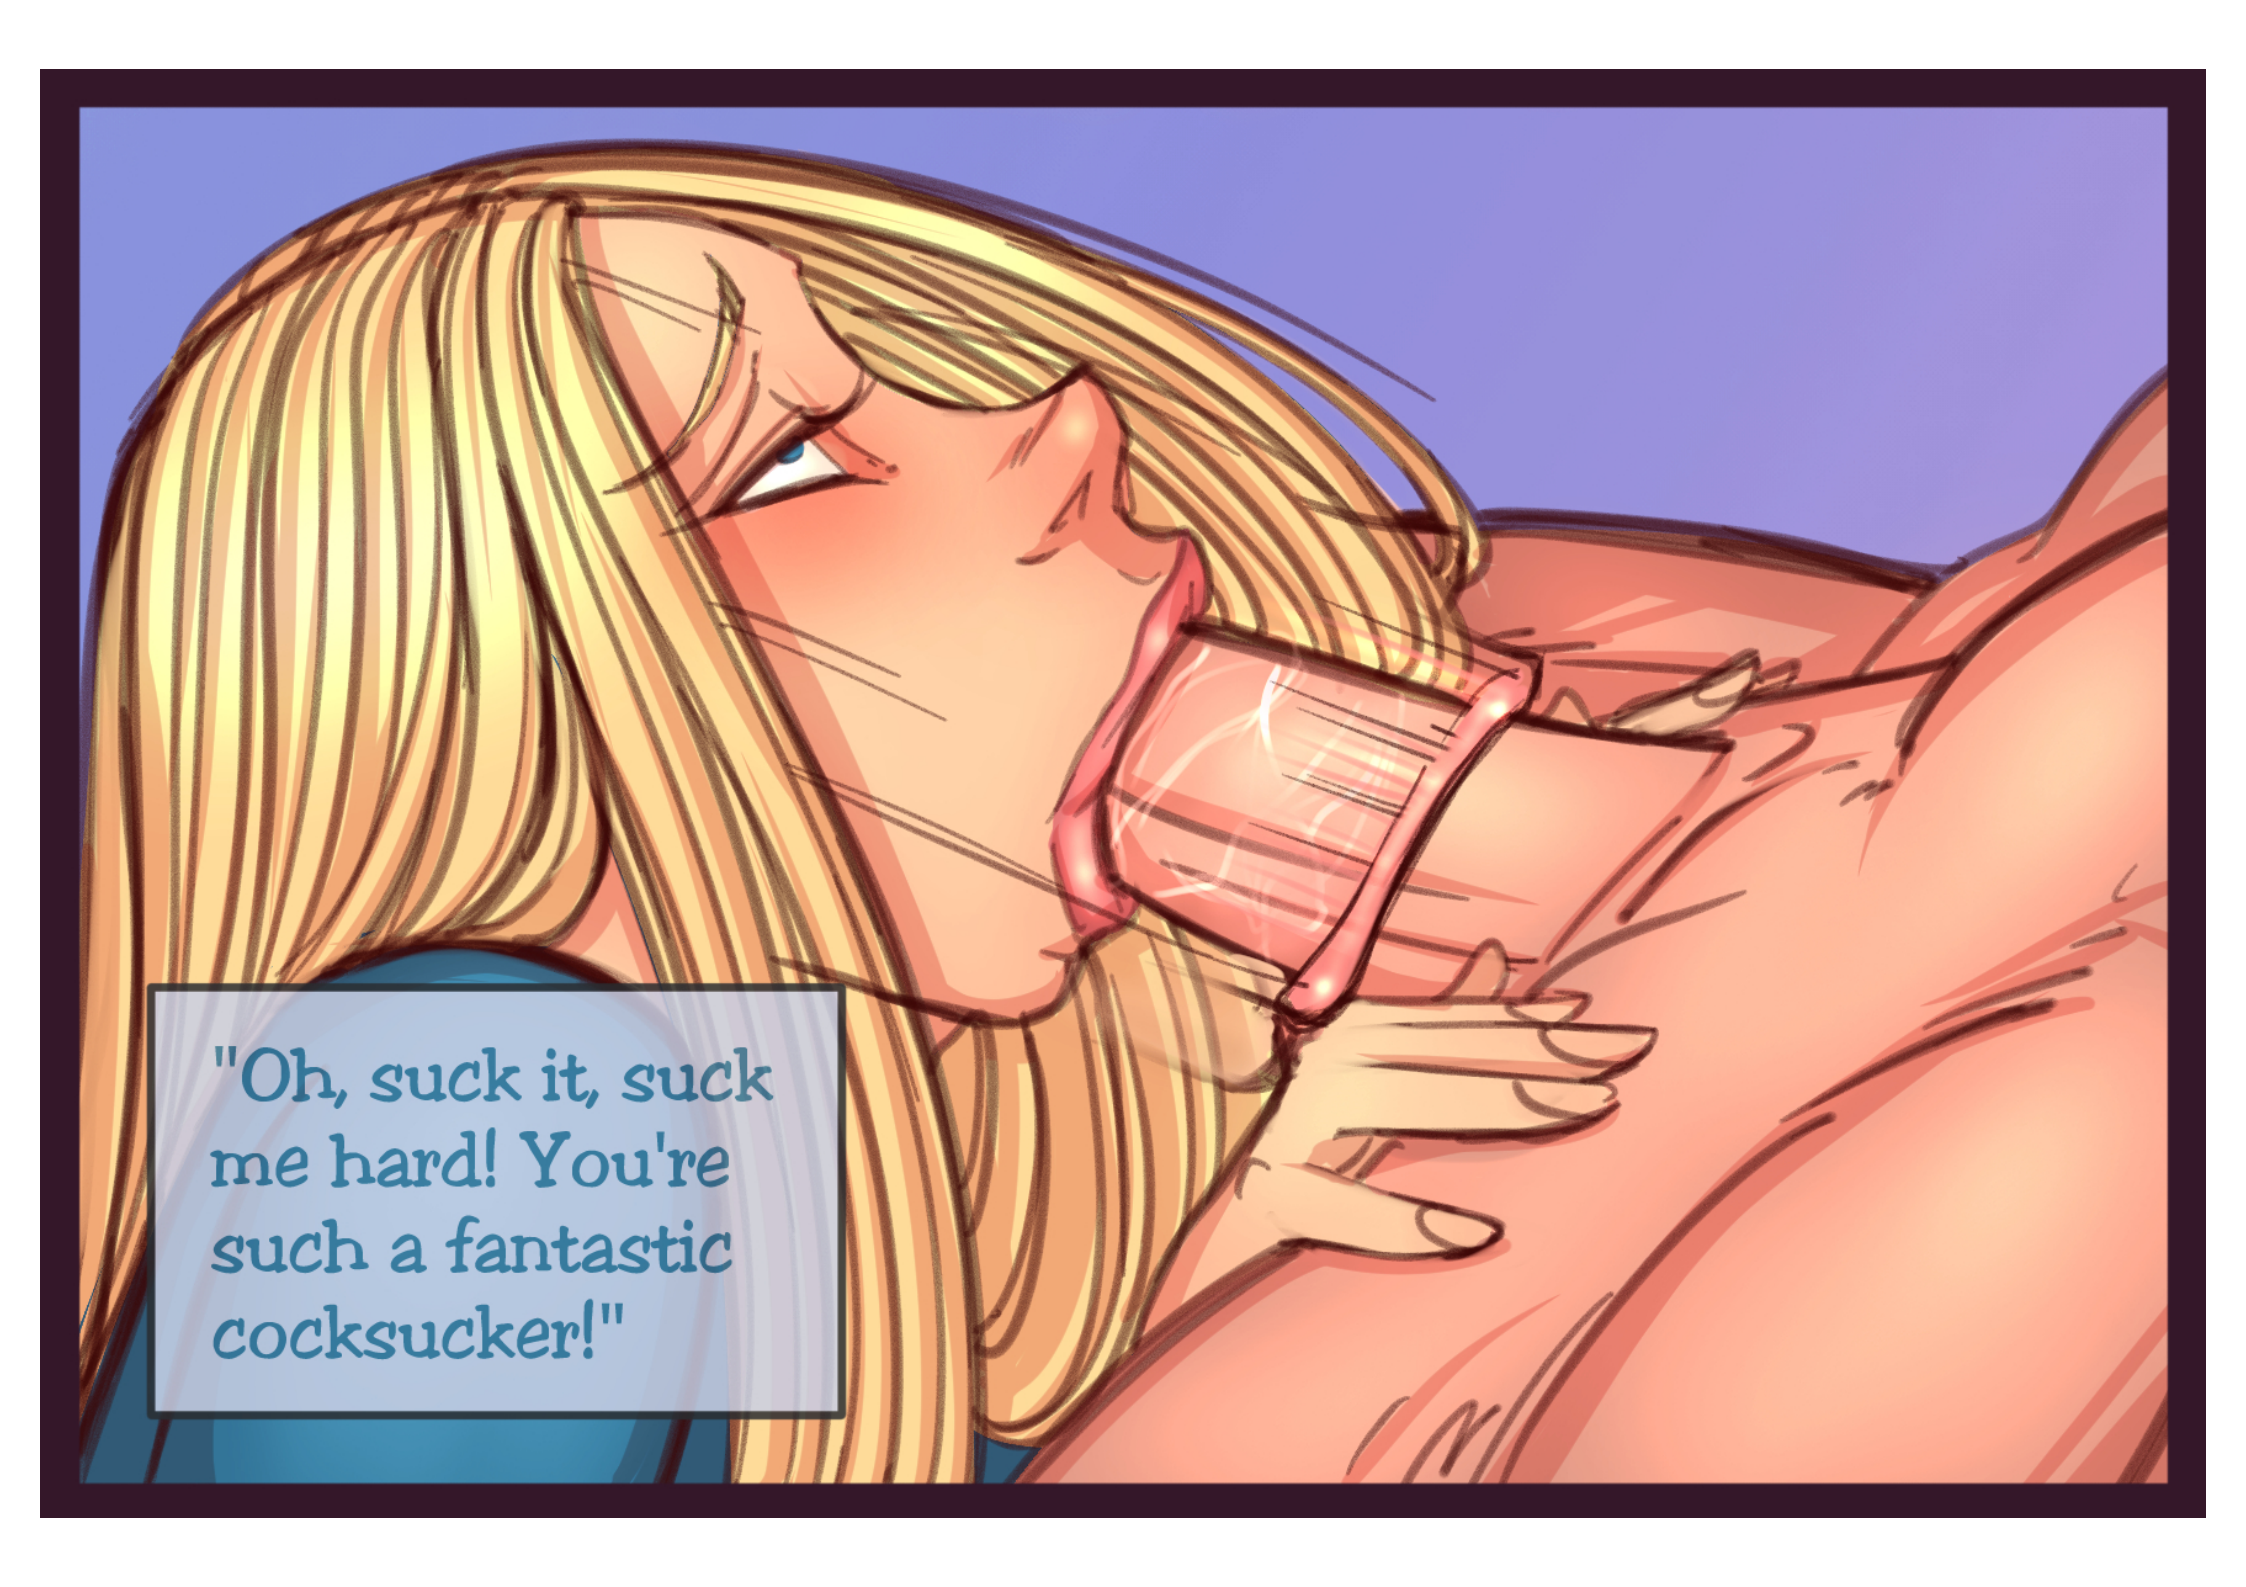

Feverishly she started bobbing her head up and down, fucking her mouth with her boy's big prick.

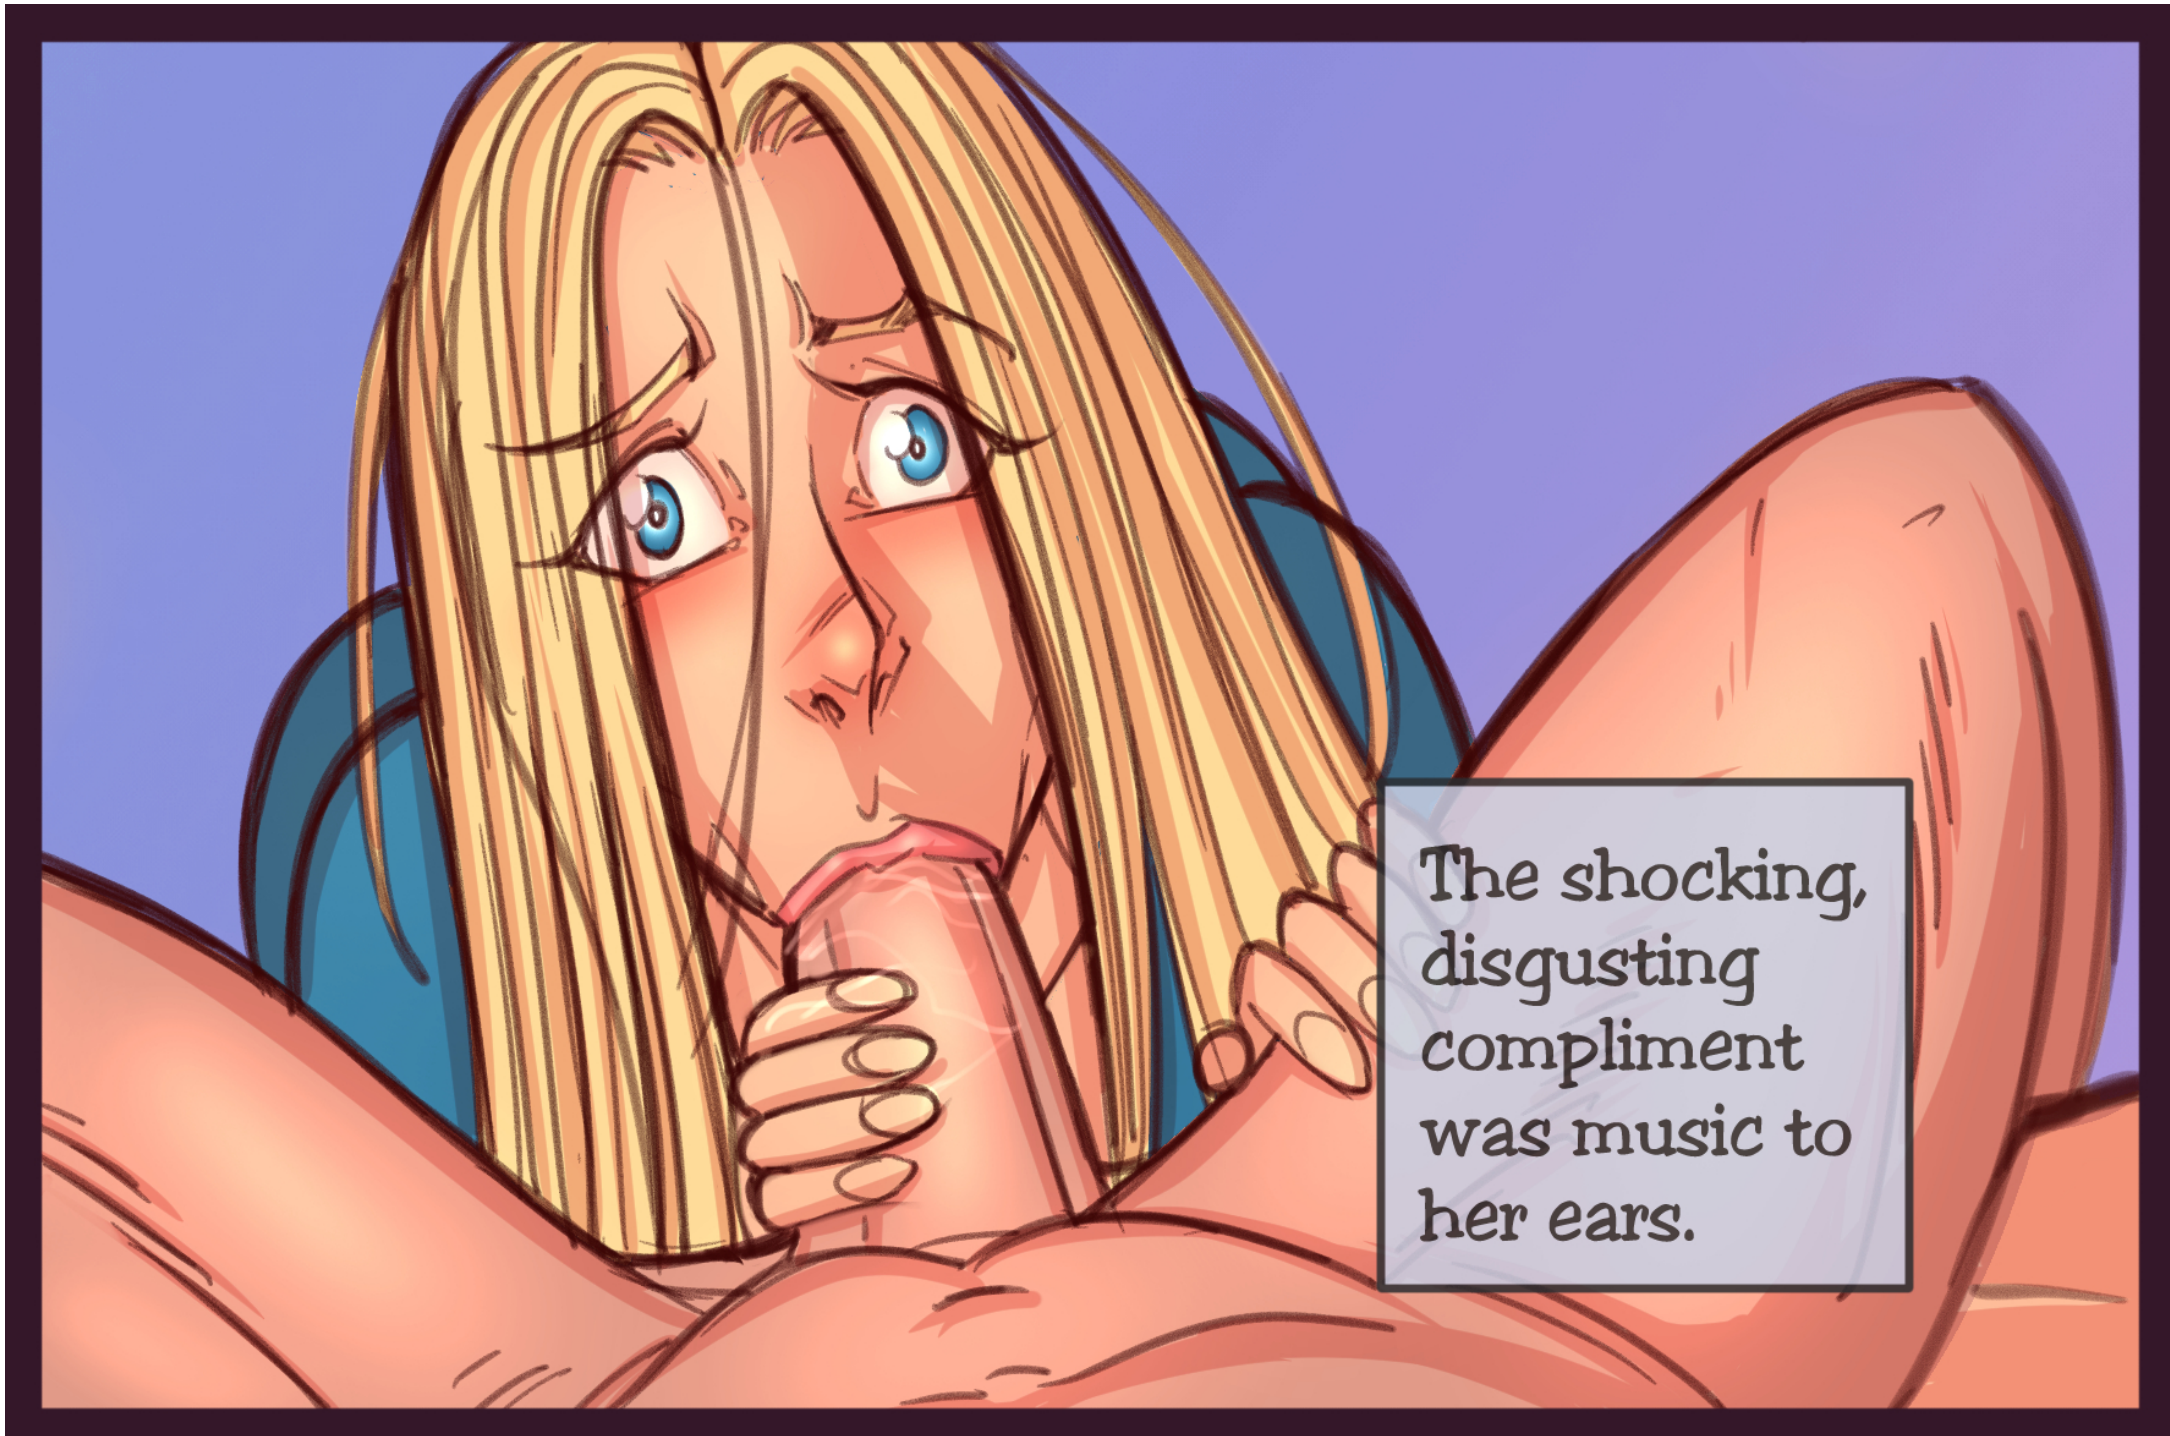

Then she furiously started jacking his prick as she sucked the tip, swirling her tongue around the crown, lapping up the salty spunk as it dribbled out of his enormous, aching prick.

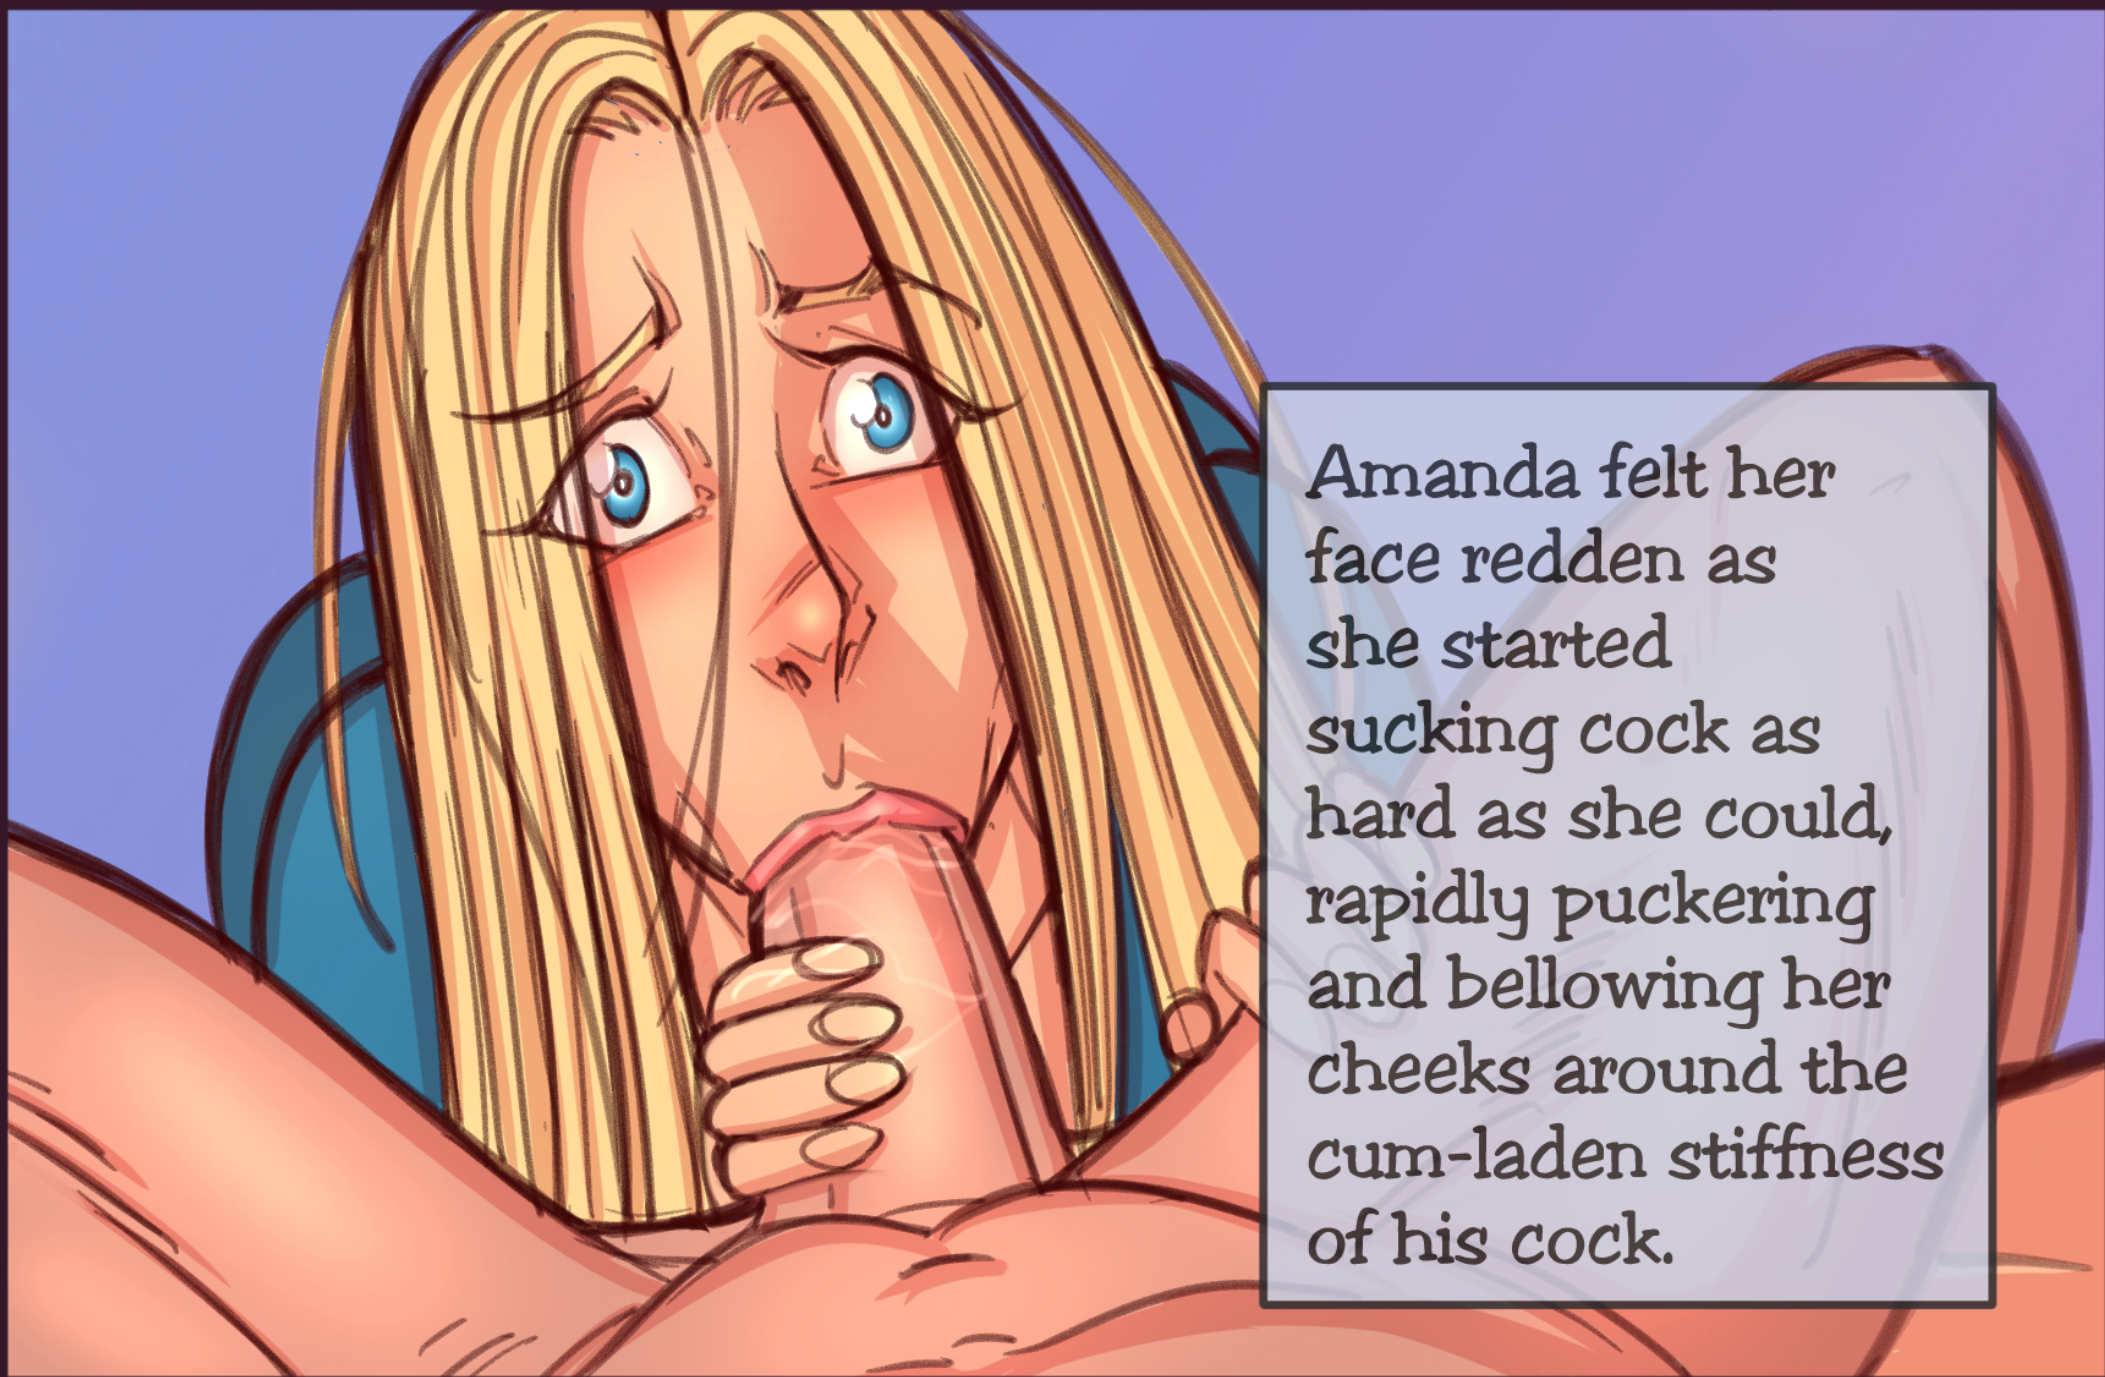

"Mom, I'm gonna cum soon!" Wade groaned. "Unggh! I can feel it, Mom! It's really going to be a big one!"

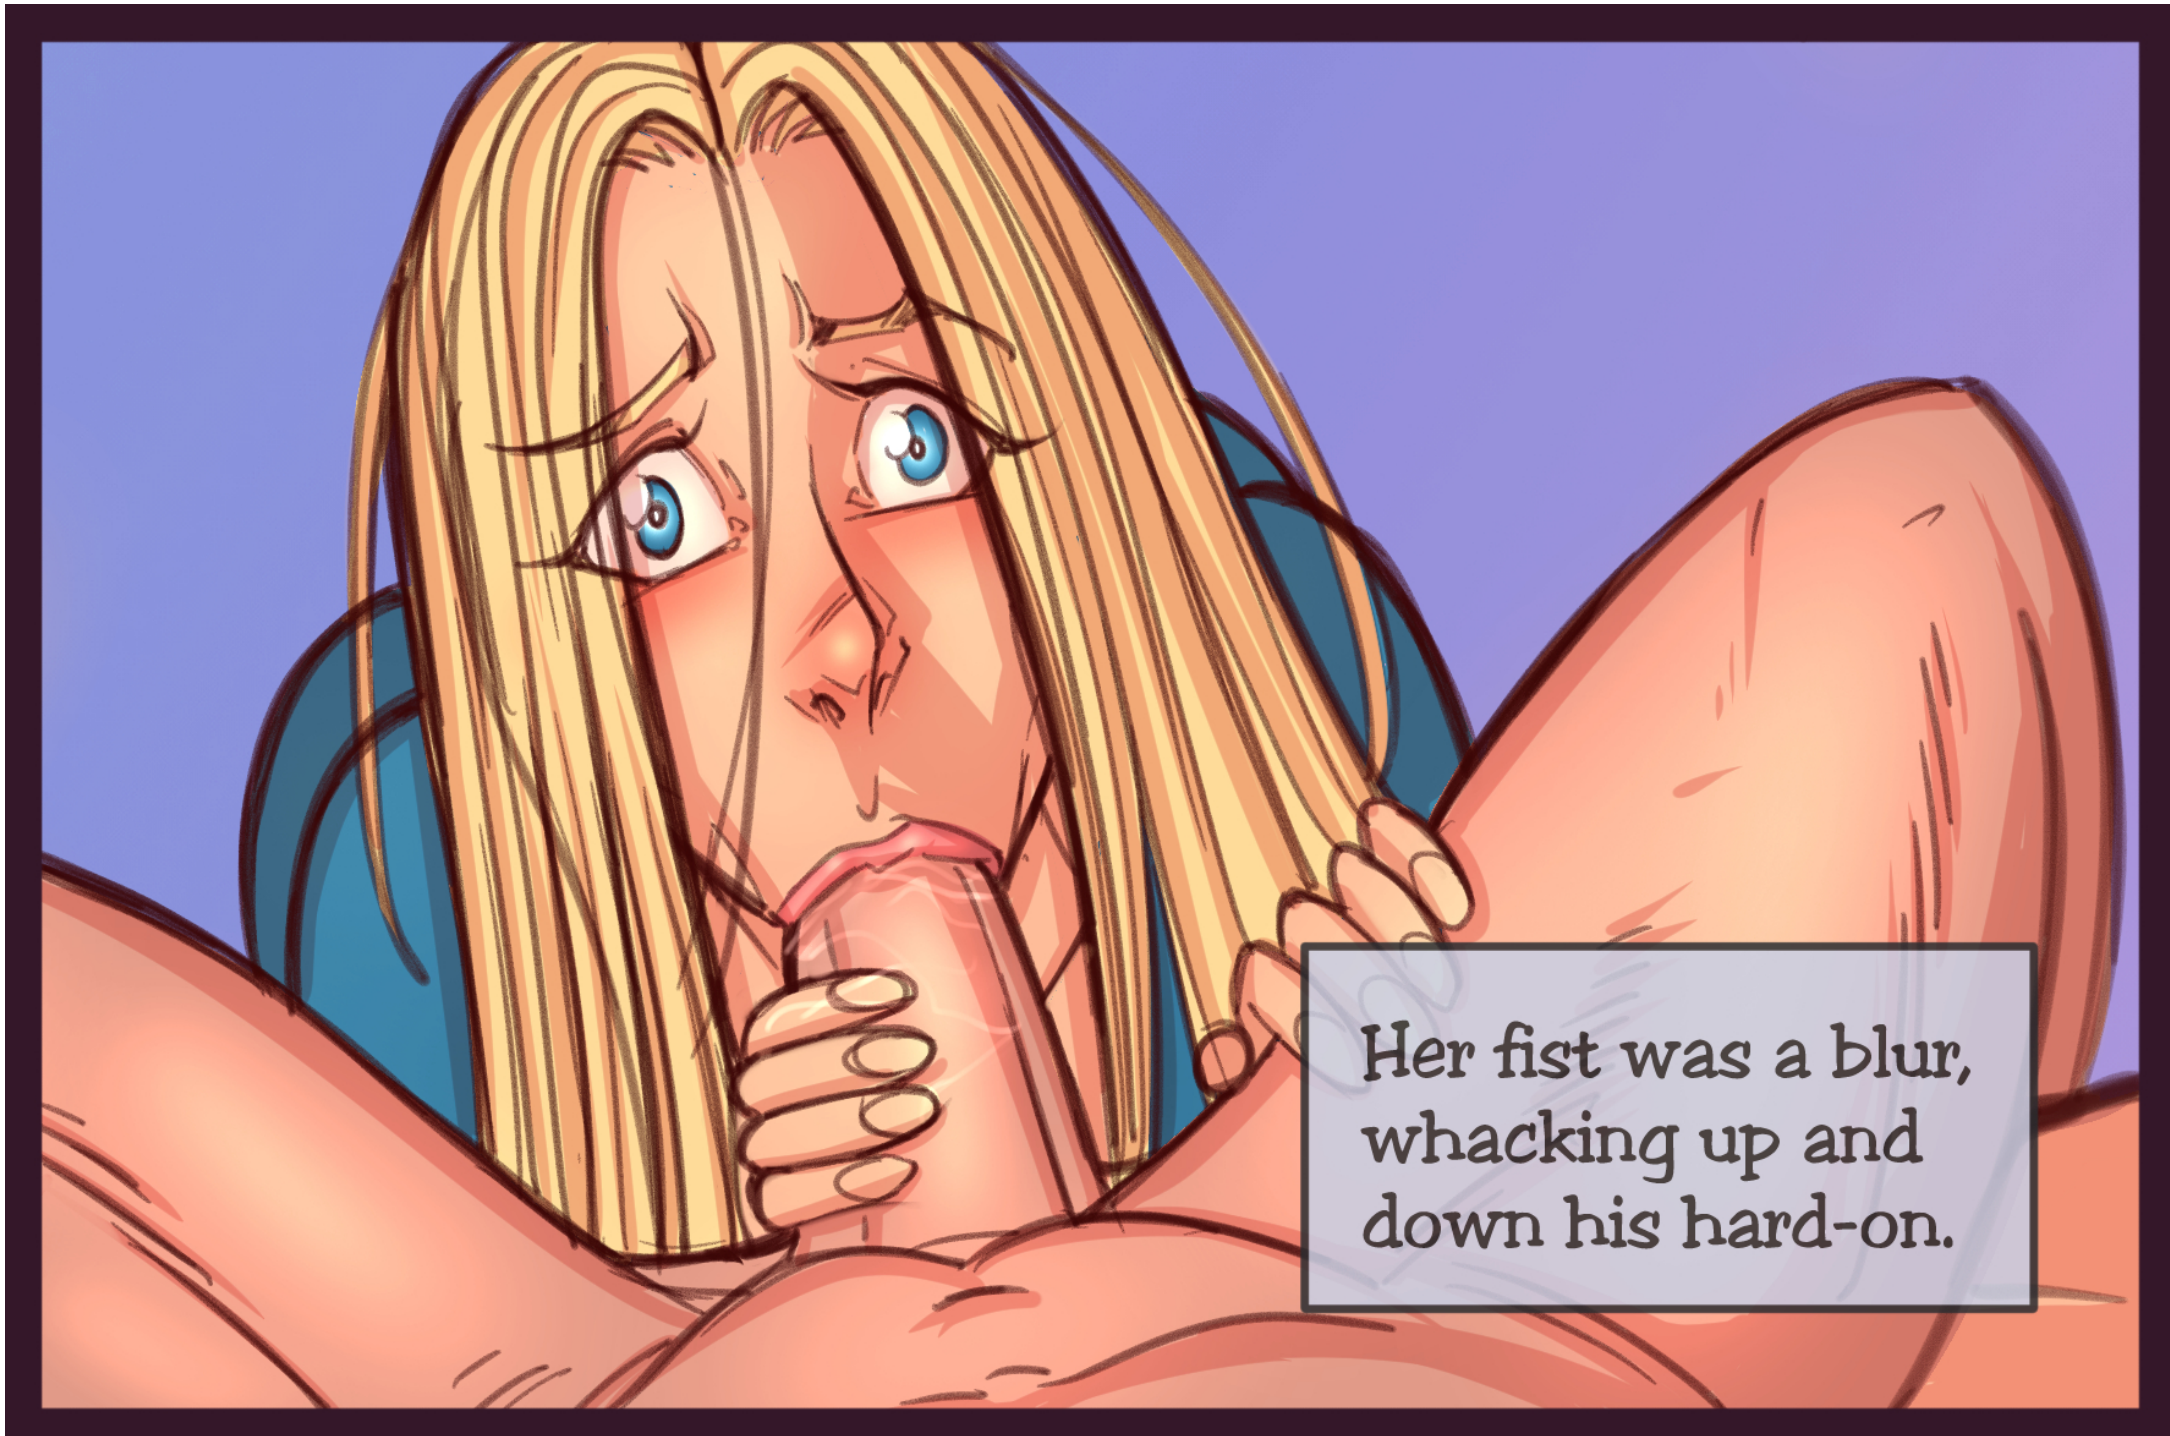

"Oh, suck it, suck me hard! You're such a fantastic cocksucker!"

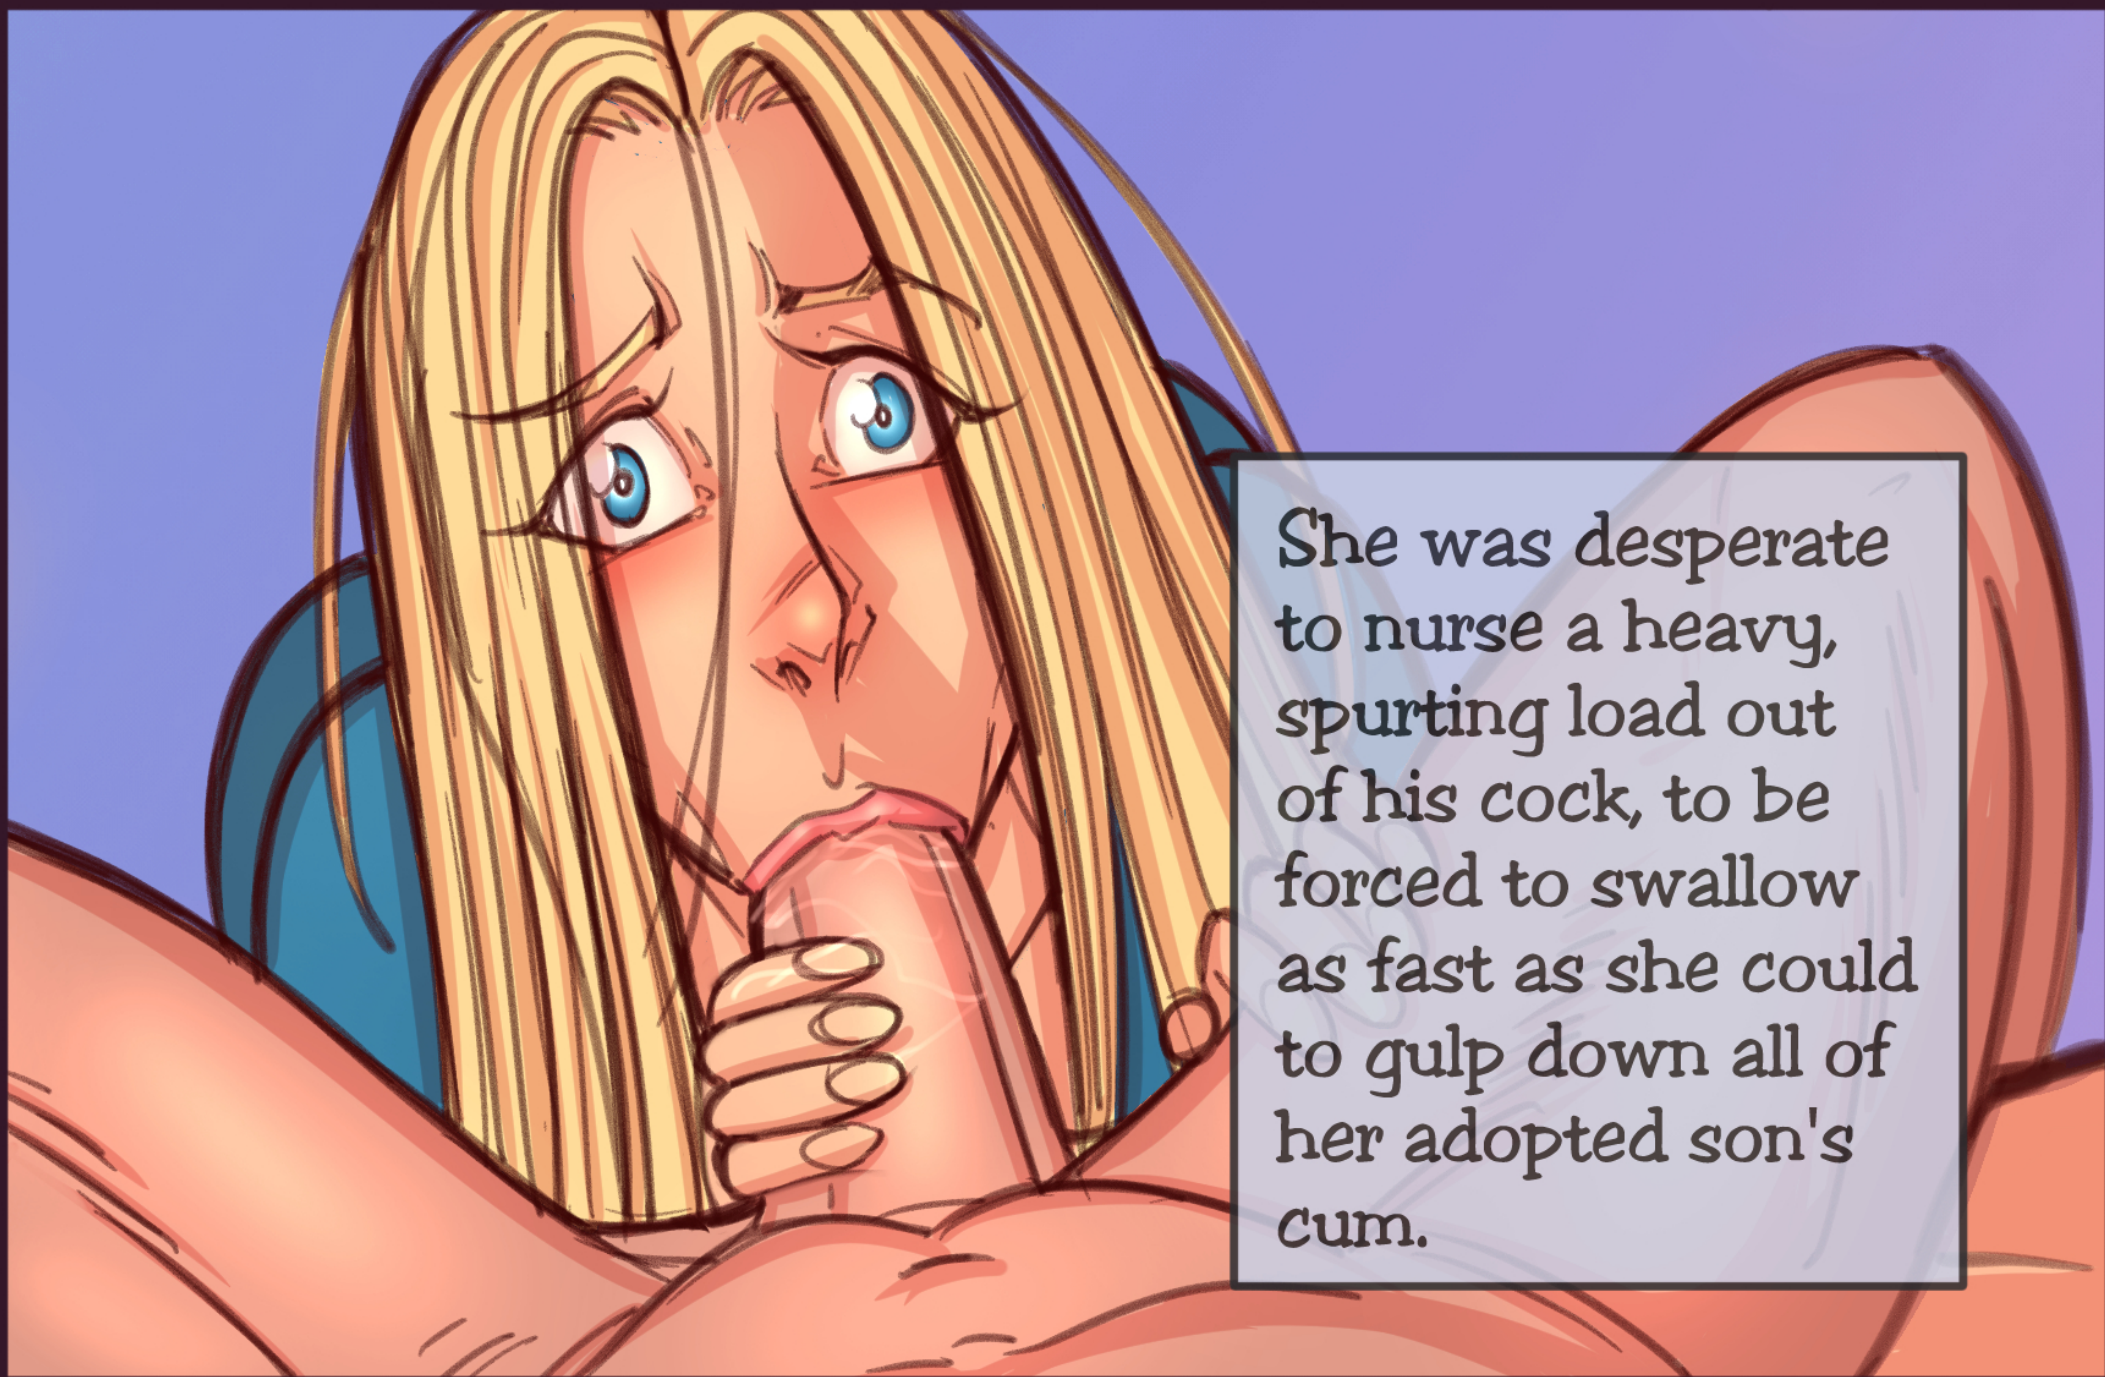

The shocking,
disgusting
compliment
was music to
her ears.

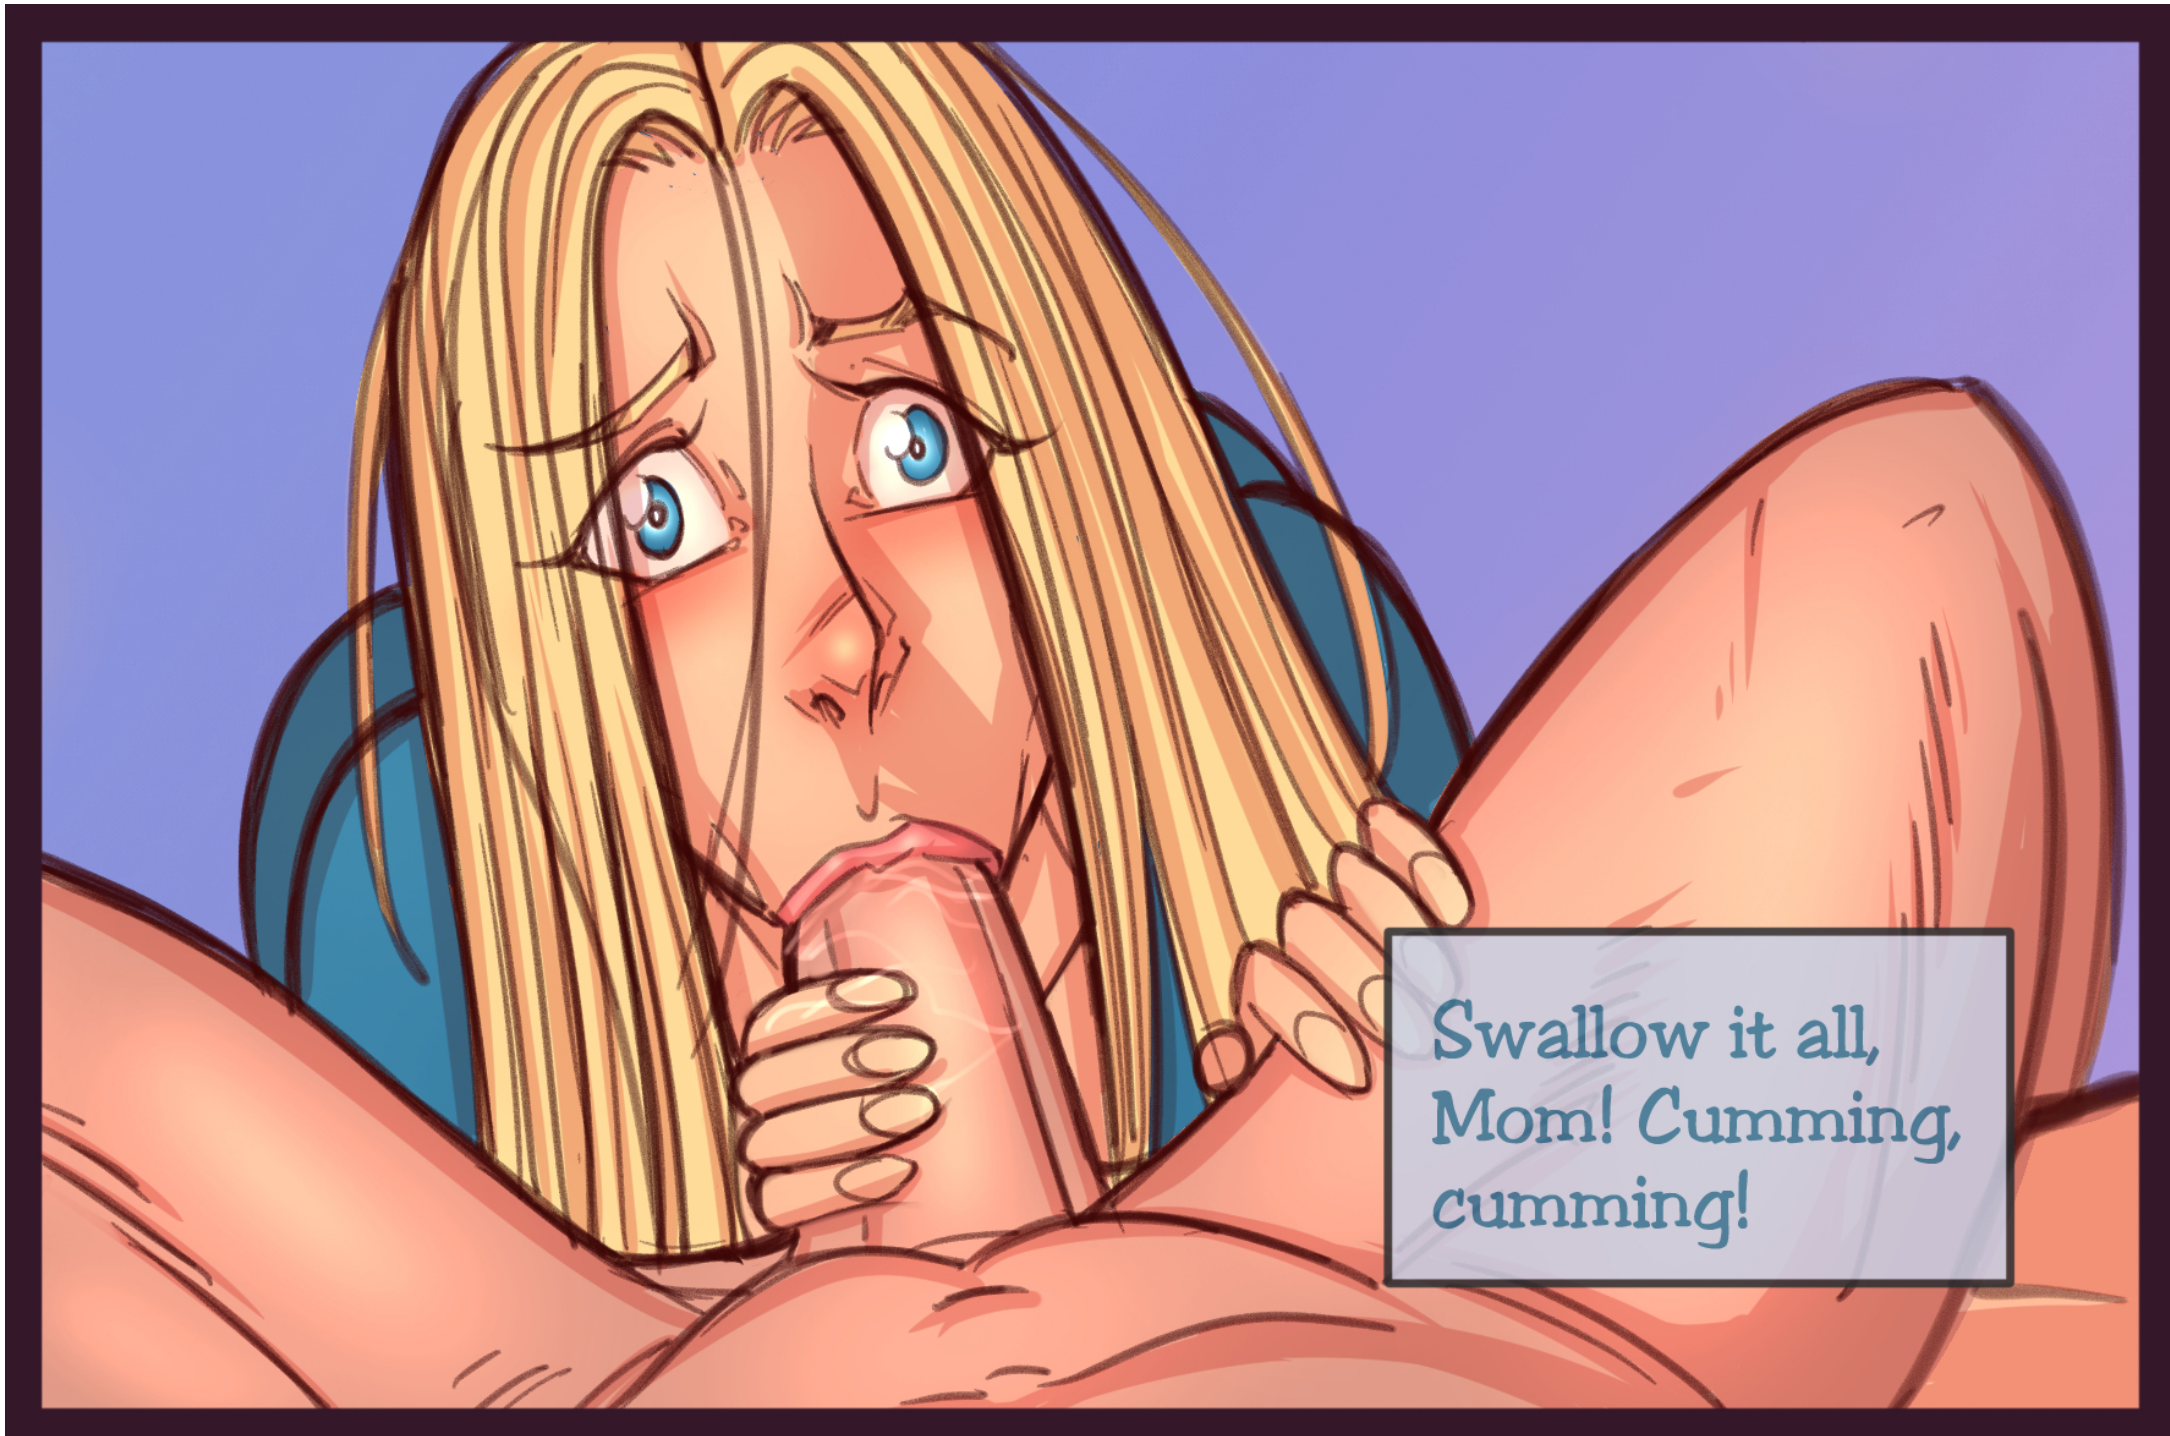

Amanda felt her face redden as she started sucking cock as hard as she could, rapidly puckering and bellowing her cheeks around the cum-laden stiffness of his cock.

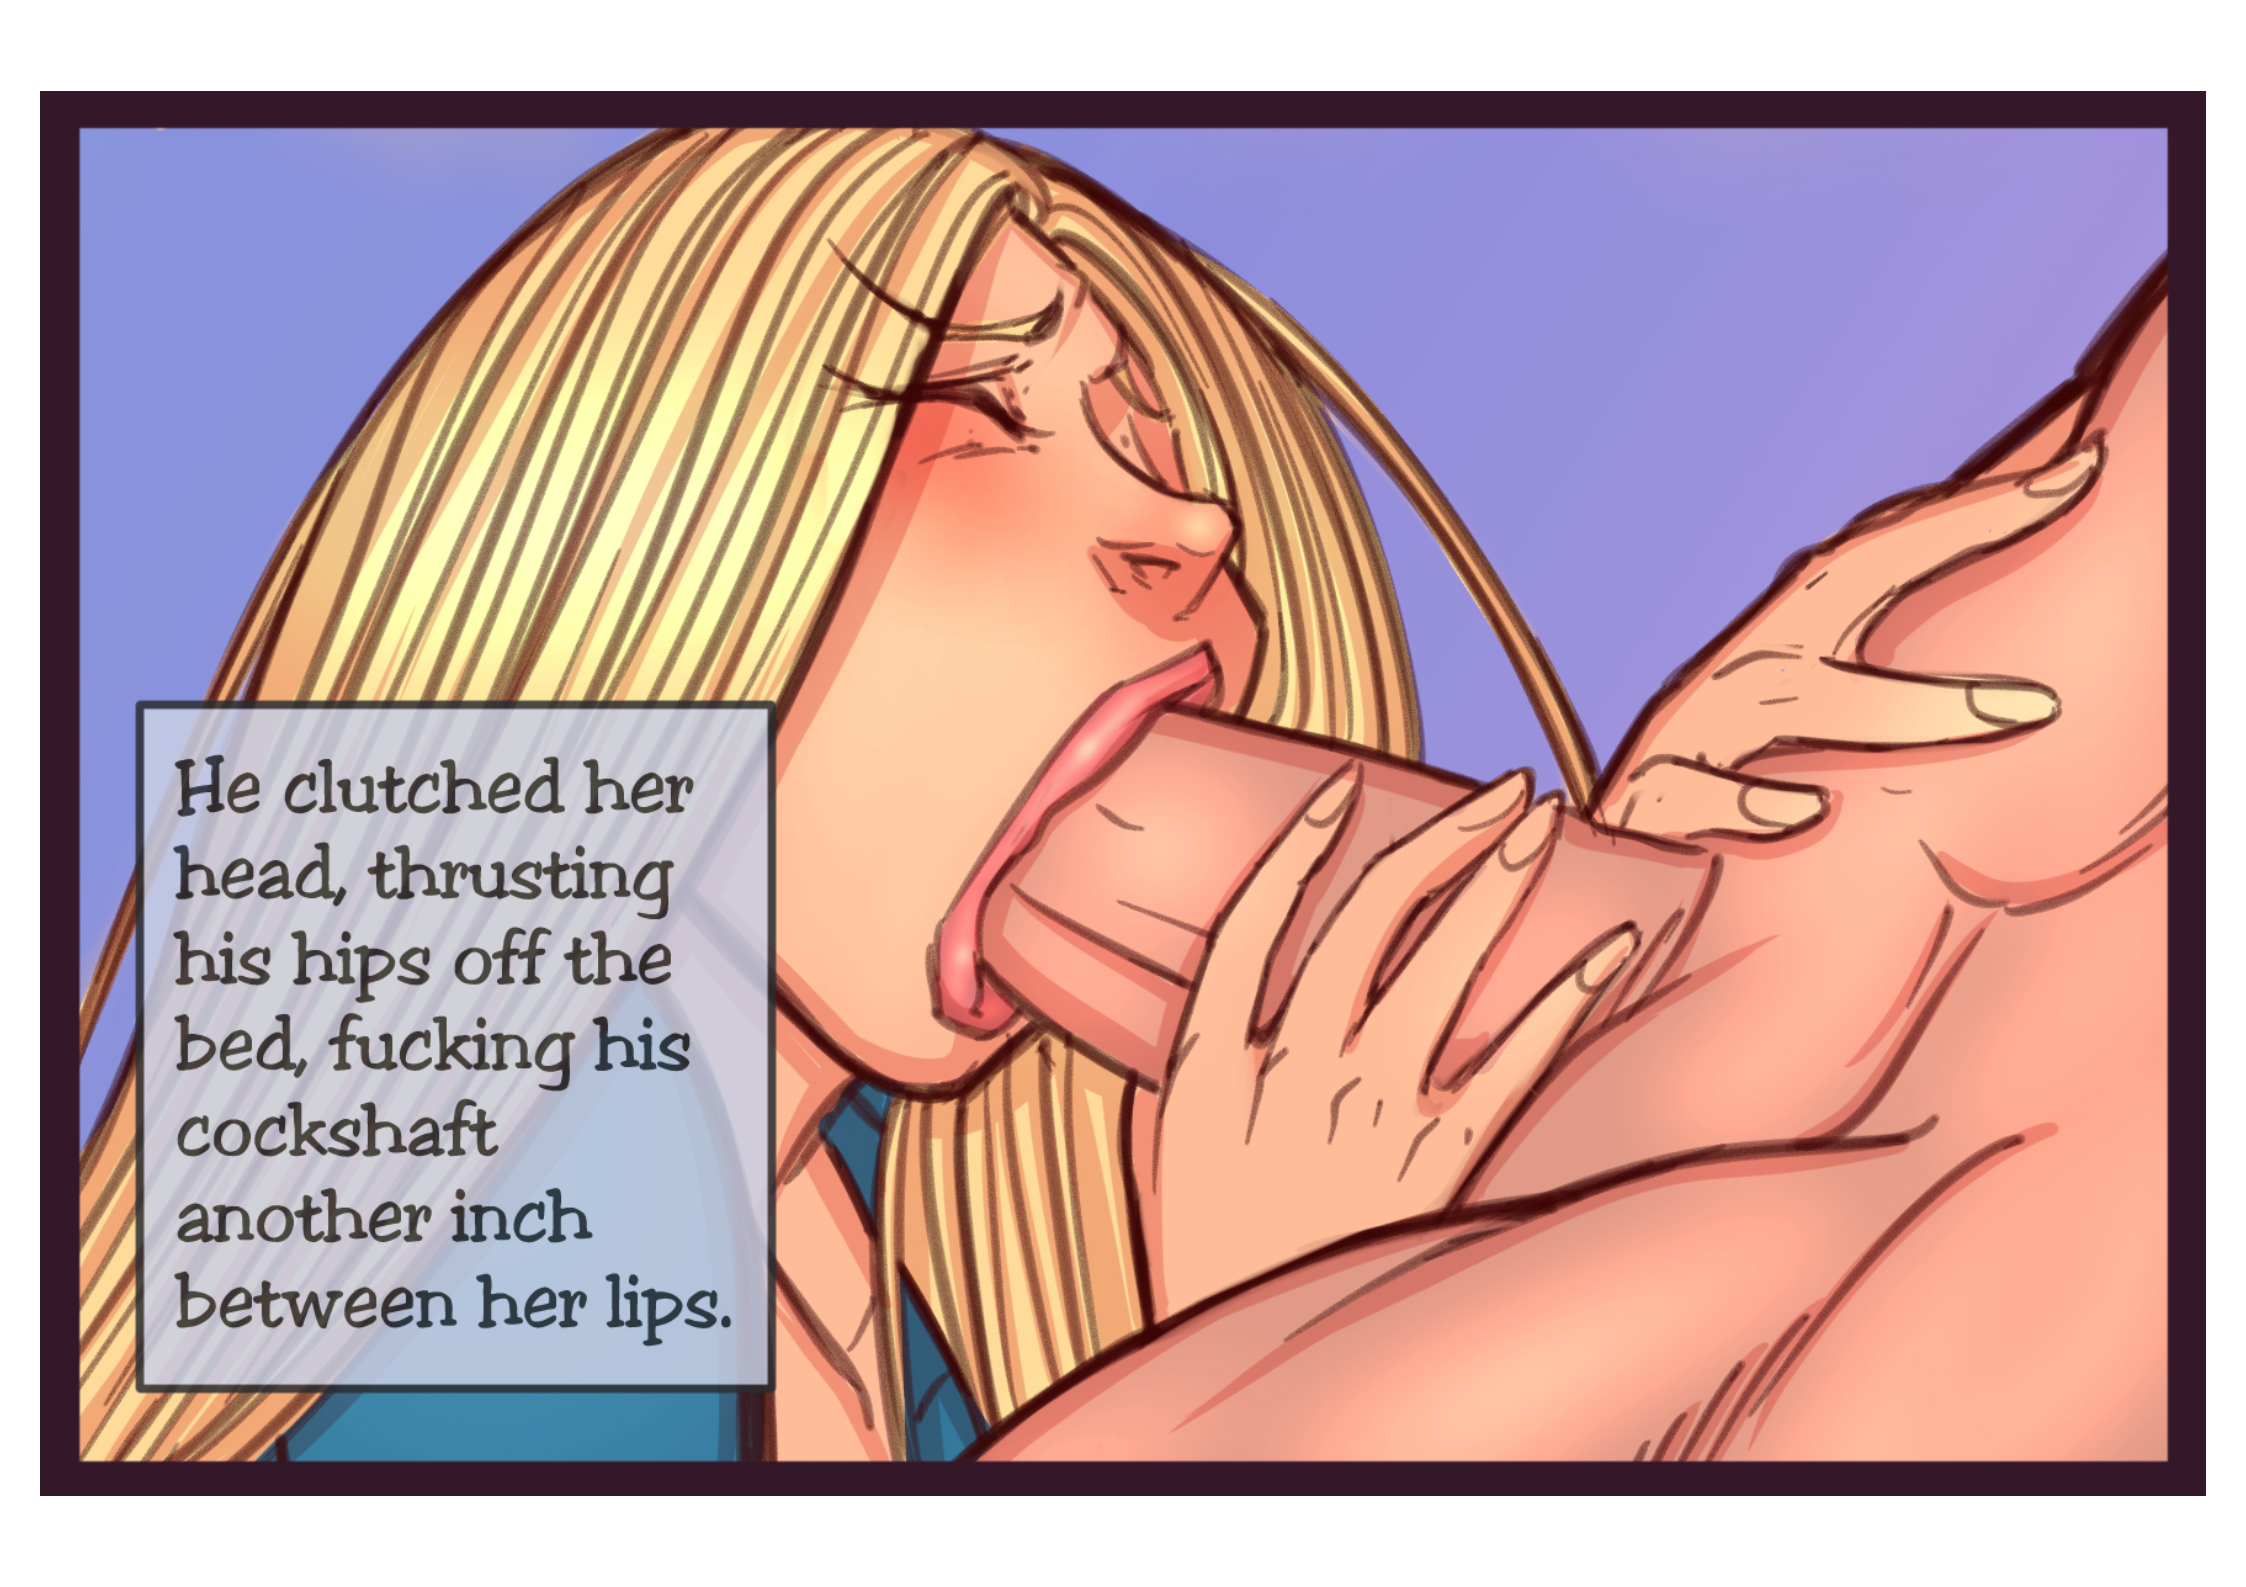

Her fist was a blur,
whacking up and
down his hard-on.

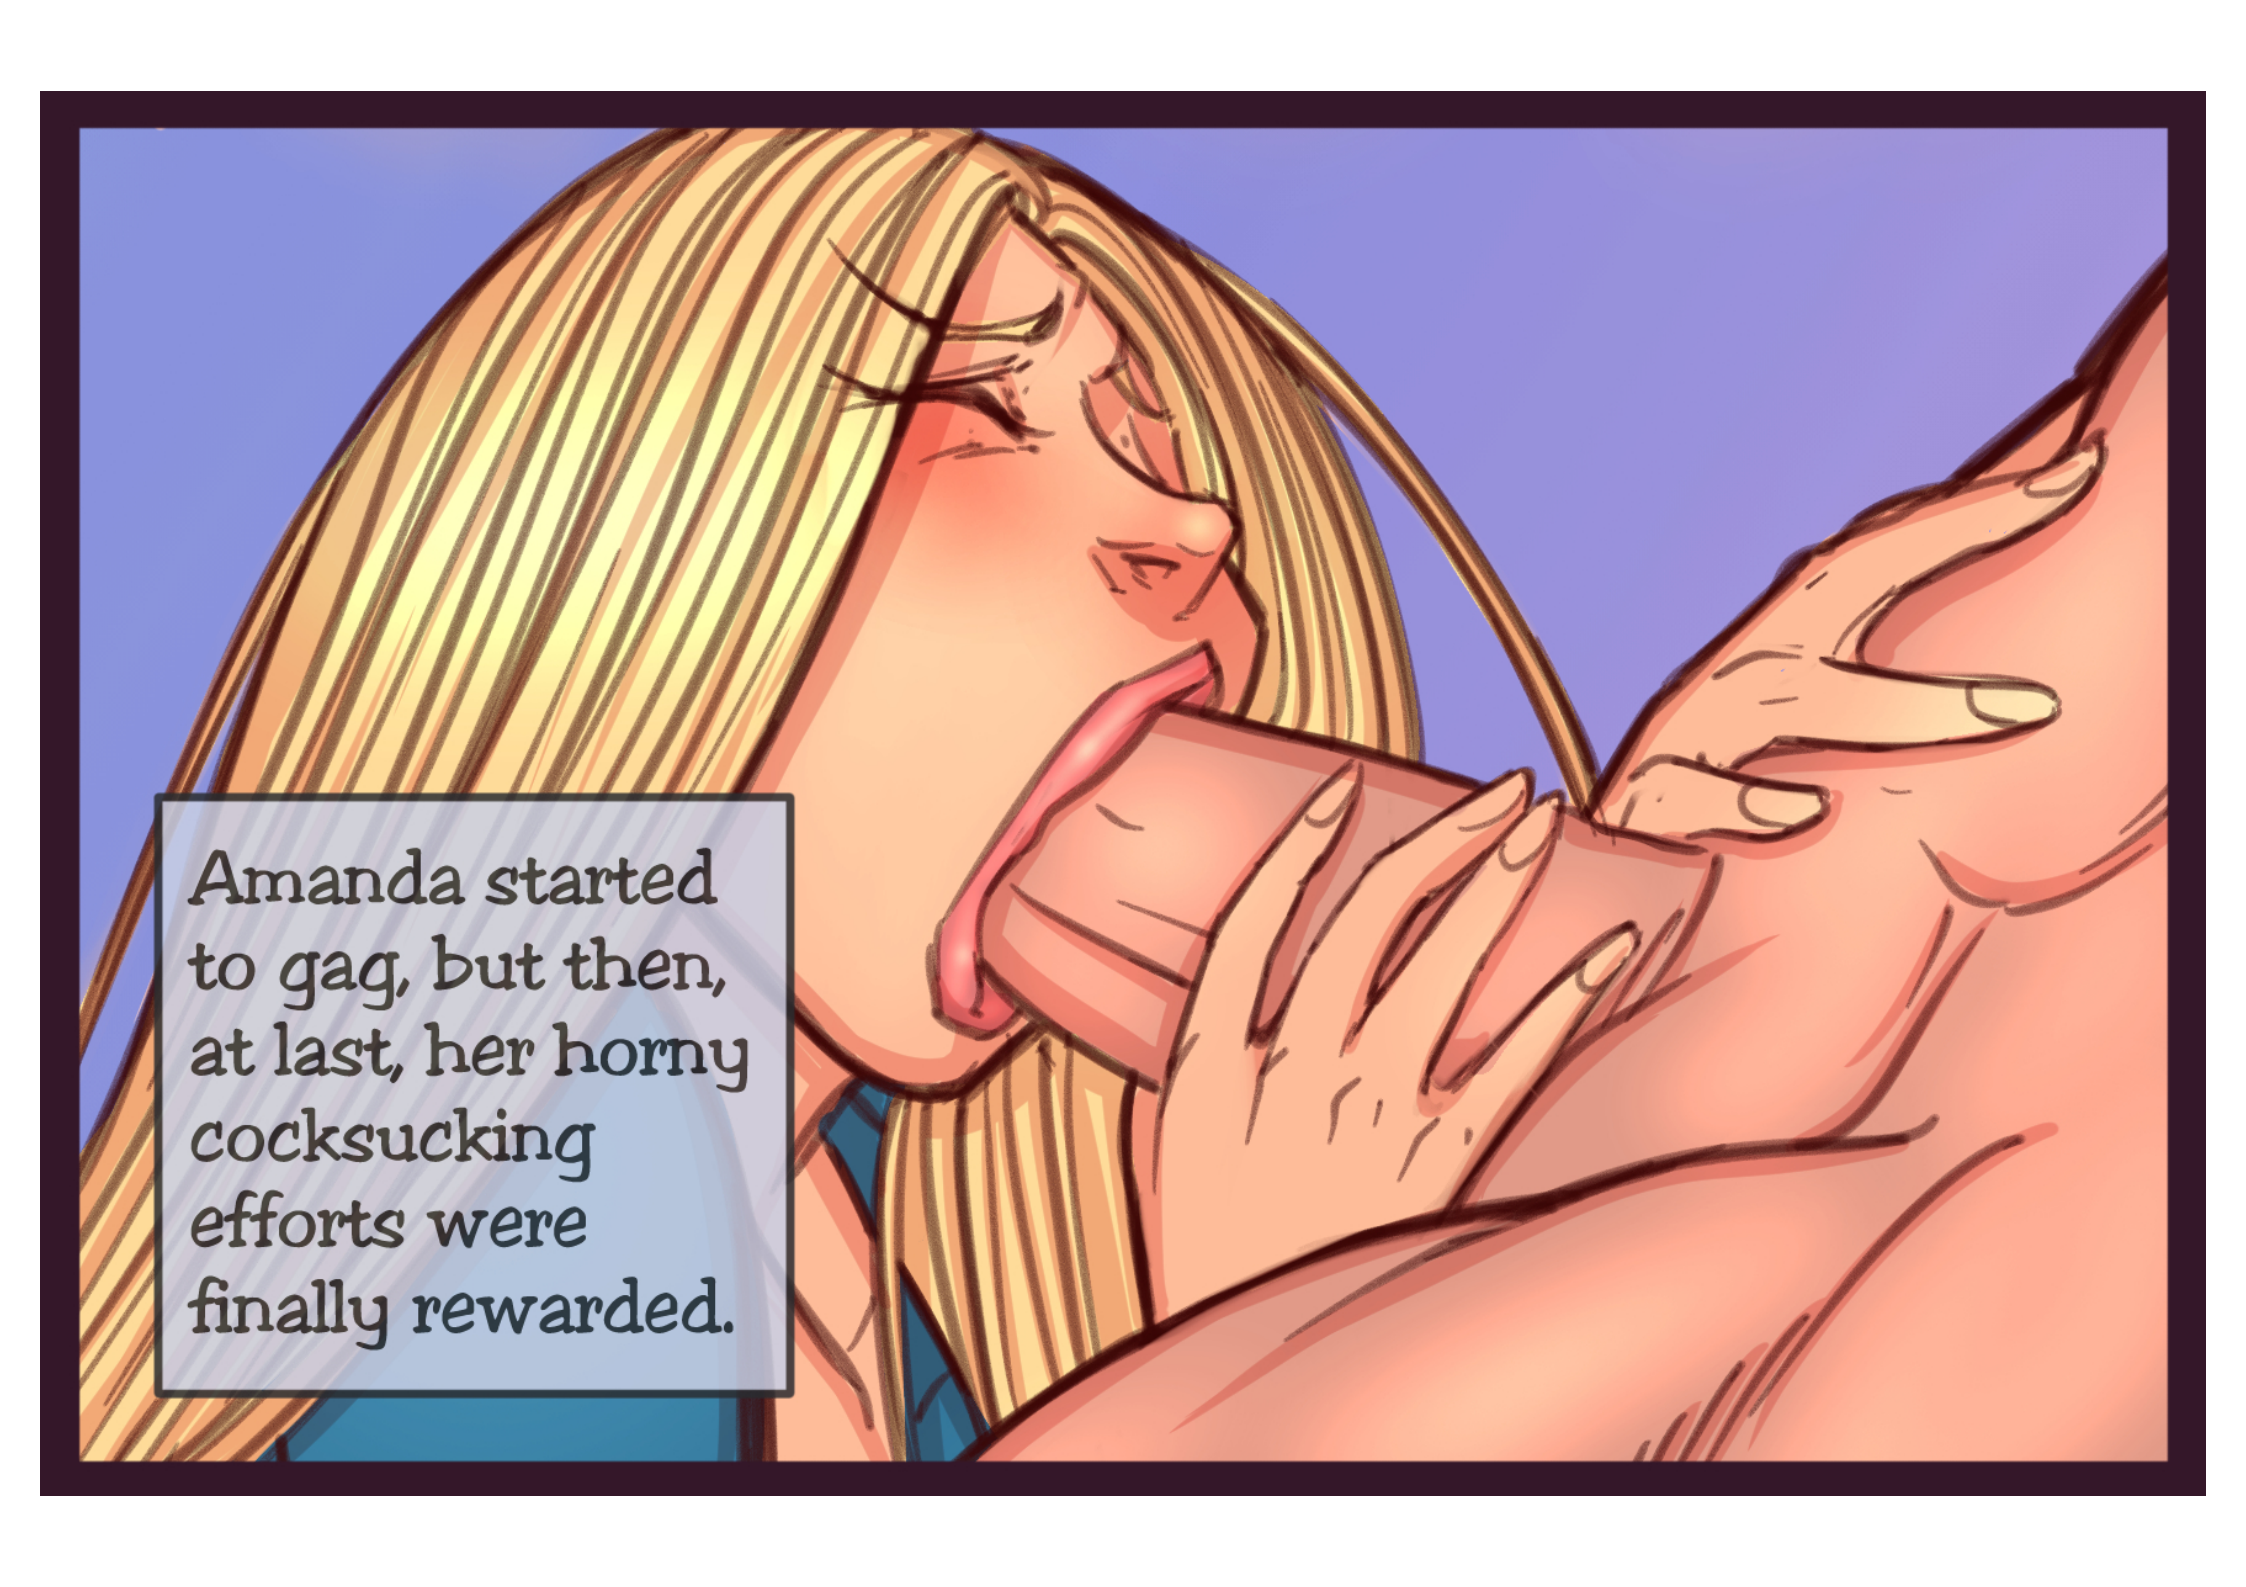

She was desperate to nurse a heavy, spurting load out of his cock, to be forced to swallow as fast as she could to gulp down all of her adopted son's cum.

Swallow it all,
Mom! Cumming,
cumming!

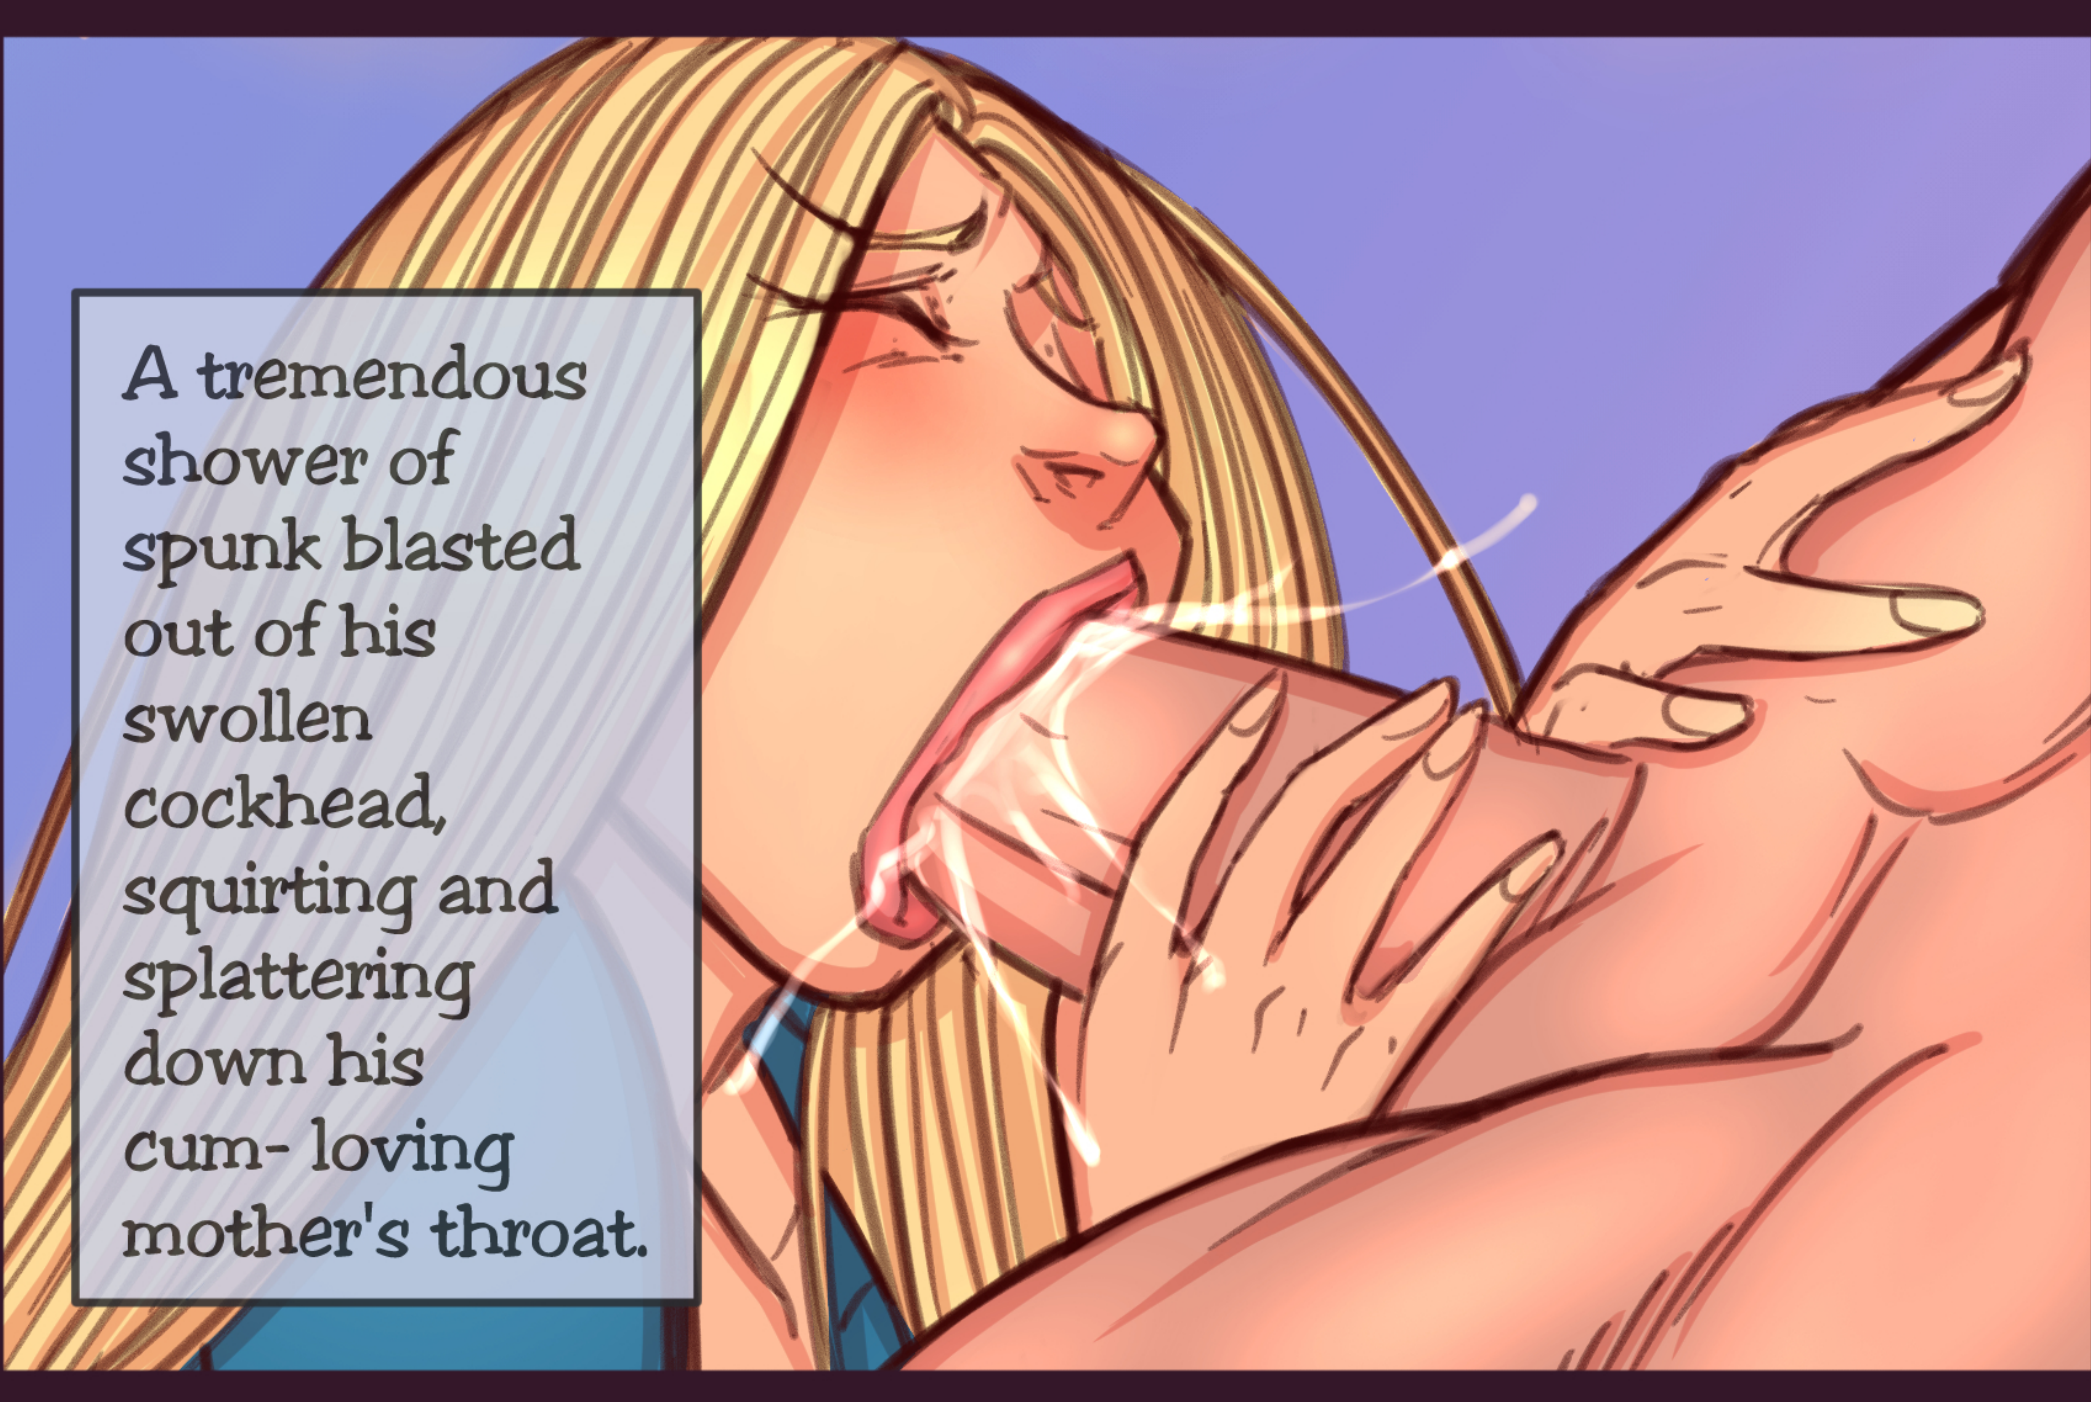

He clutched her head, thrusting his hips off the bed, fucking his cockshaft another inch between her lips.

Amanda started to gag, but then, at last, her horny cocksucking efforts were finally rewarded.

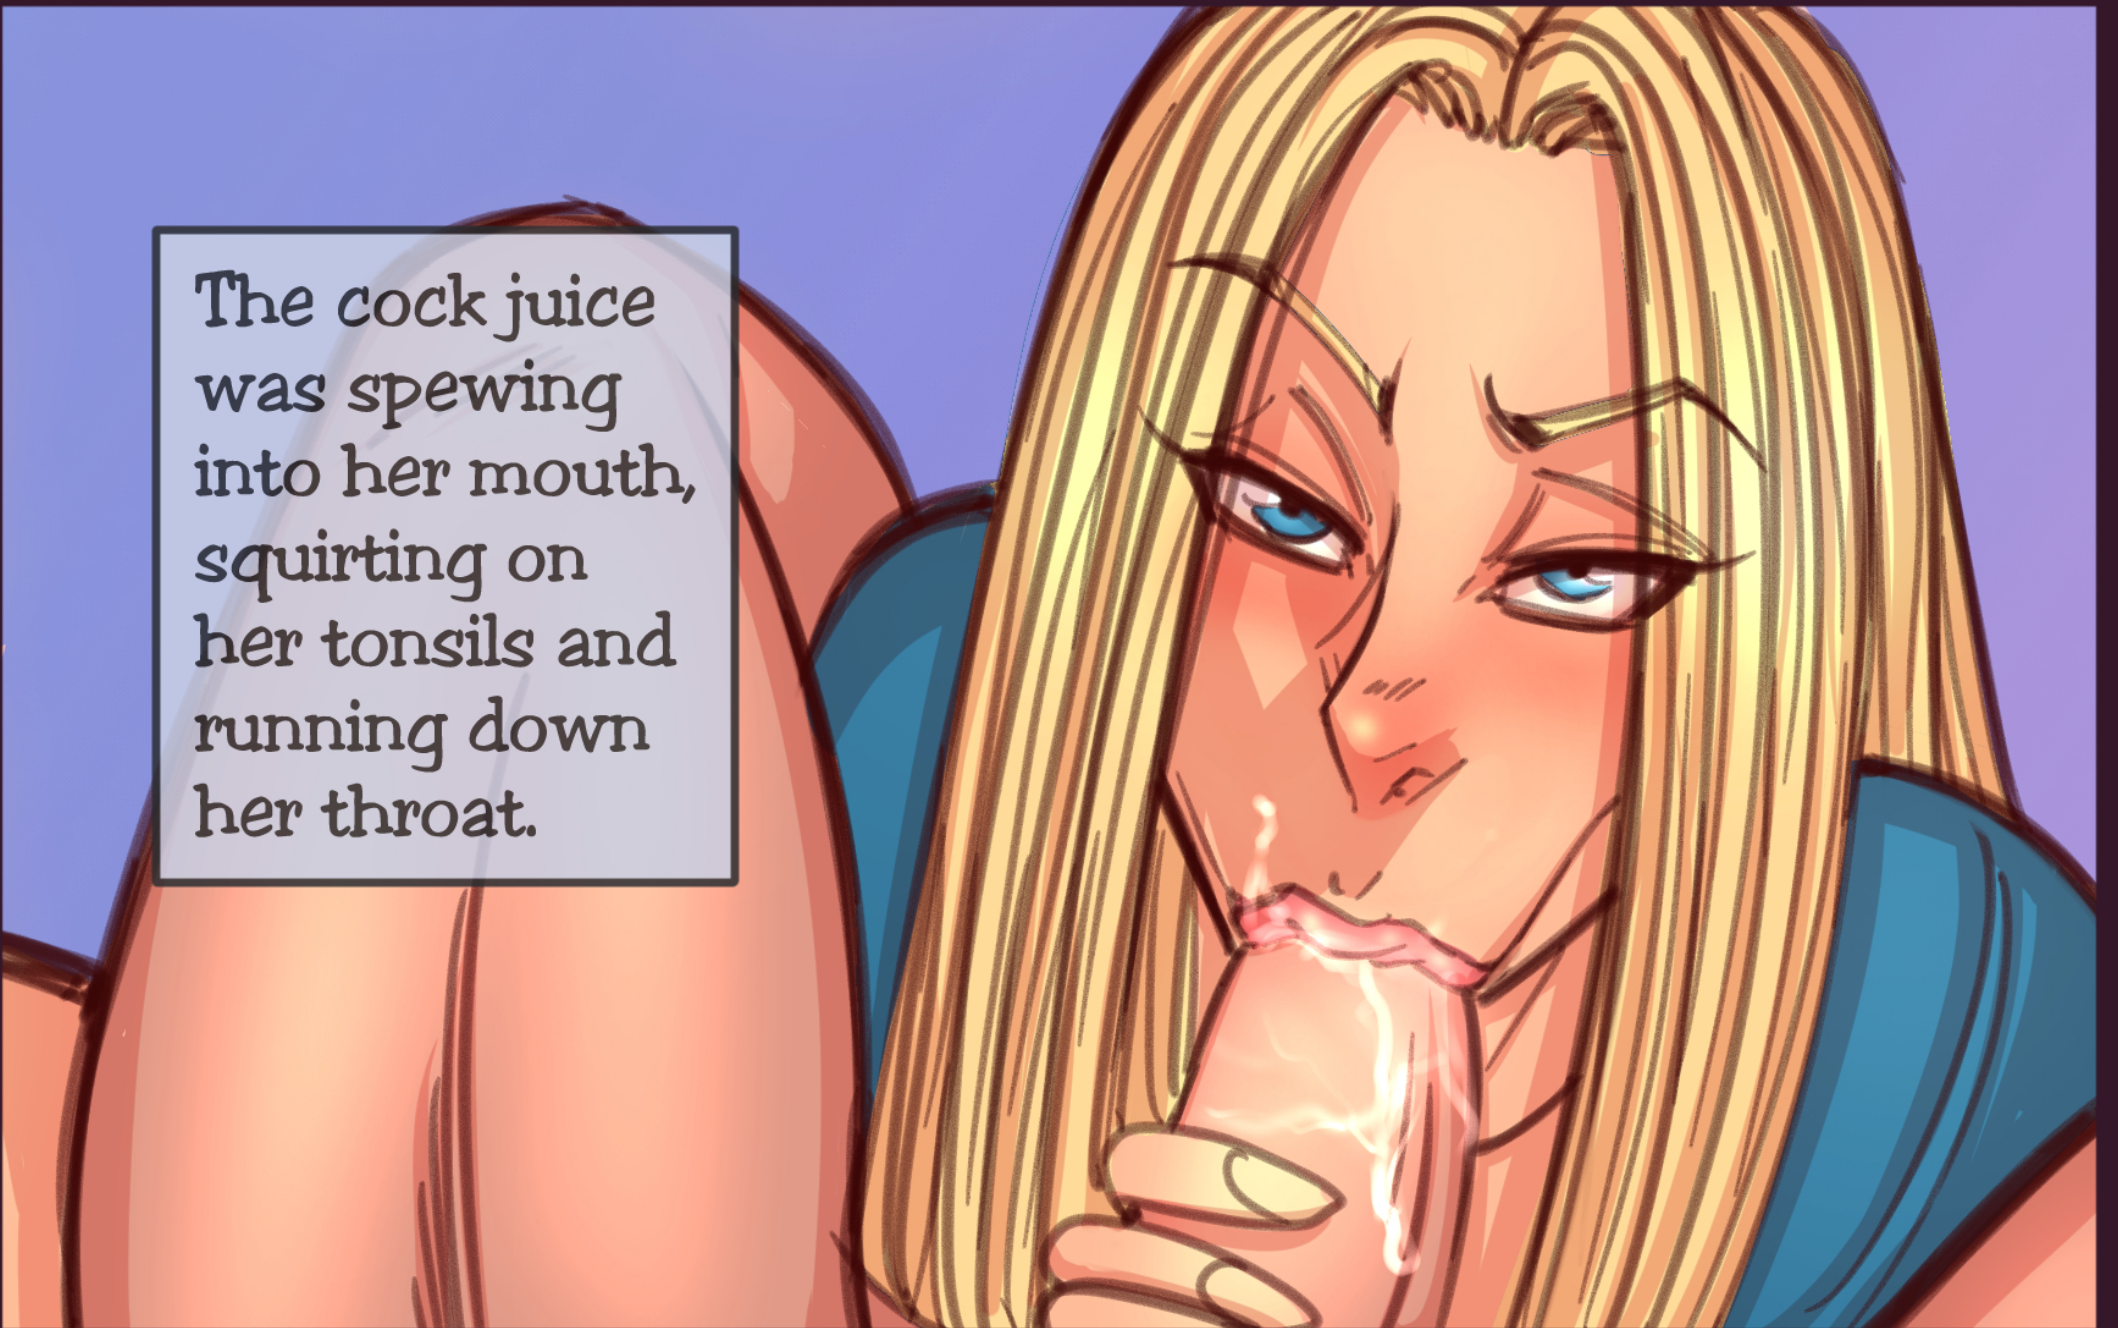

A tremendous shower of spunk blasted out of his swollen cockhead, squirting and splattering down his cum-loving mother's throat.

"Ummllppp!"
Amanda gurgled.

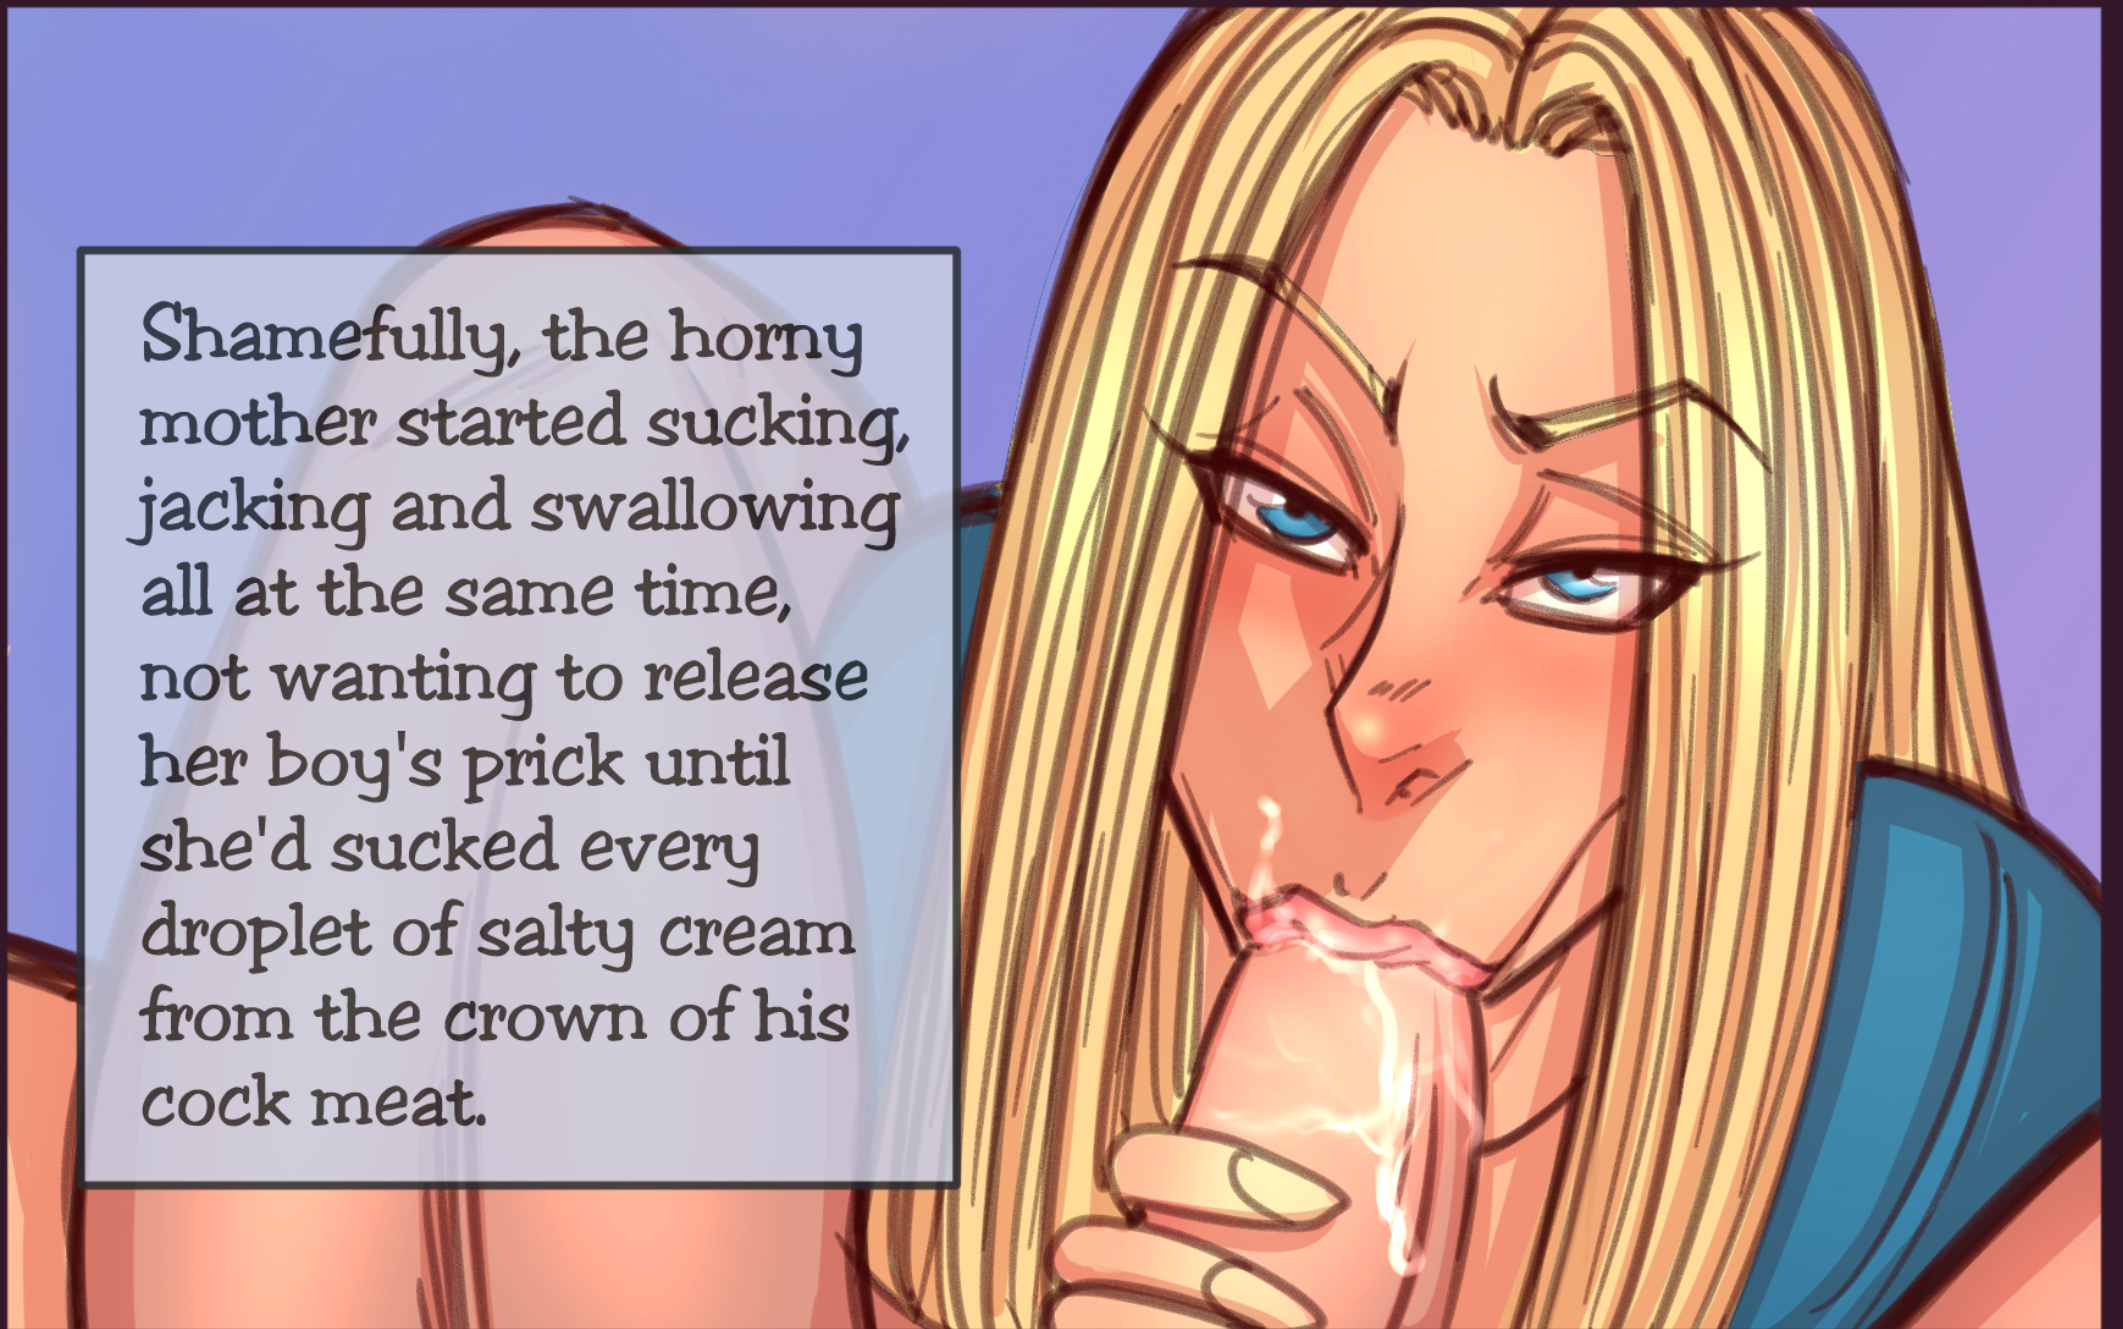

The cock juice
was spewing
into her mouth,
squirting on
her tonsils and
running down
her throat.

Feverishly she
clung to the
enormous,
cream-shooting
cock, loving the
taste of her
young adopted
son's seed.

Shamefully, the horny mother started sucking, jacking and swallowing all at the same time, not wanting to release her boy's prick until she'd sucked every droplet of salty cream from the crown of his cock meat.
